

WEBVTT

NOTE duration:"00:51:17.2800000"

NOTE recognizability:0.730

NOTE language:en-us

NOTE Confidence: 0.97359437

00:00:06.440 --> 00:00:08.248 Good evening and welcome.

NOTE Confidence: 0.97359437

00:00:08.248 --> 00:00:10.508 Thank you so much for

NOTE Confidence: 0.97359437

00:00:10.508 --> 00:00:12.358 joining us this evening.

NOTE Confidence: 0.97359437

00:00:12.360 --> 00:00:14.160 My name is Amanda Bassett,

NOTE Confidence: 0.97359437

00:00:14.160 --> 00:00:16.988 and I'm the Director of Alumni Affairs

NOTE Confidence: 0.97359437

00:00:16.988 --> 00:00:20.040 and Giving for the School of Medicine.

NOTE Confidence: 0.97359437

00:00:20.040 --> 00:00:22.376 I'm so excited to have you with us

NOTE Confidence: 0.97359437

00:00:22.376 --> 00:00:24.118 to showcase how your contributions

NOTE Confidence: 0.97359437

00:00:24.118 --> 00:00:26.290 to the Alumni fund have shaped

NOTE Confidence: 0.97359437

00:00:26.290 --> 00:00:28.392 and enhanced the medical student

NOTE Confidence: 0.97359437

00:00:28.392 --> 00:00:30.477 experience over the past year.

NOTE Confidence: 0.97359437

00:00:30.480 --> 00:00:32.748 Tonight I'm joined by my colleagues, Dr.

NOTE Confidence: 0.97359437

00:00:32.748 --> 00:00:35.316 Anne Arthur, Director of Alumni Engagement,

NOTE Confidence: 0.97359437

00:00:35.320 --> 00:00:37.920 Michael Fitzusa, Director of Development,
NOTE Confidence: 0.97359437

00:00:37.920 --> 00:00:39.428 Bridget Austin, Associate Director
NOTE Confidence: 0.97359437

00:00:39.428 --> 00:00:41.313 of Annual and Special Giving,
NOTE Confidence: 0.97359437

00:00:41.320 --> 00:00:43.920 and Tiffany Penn, Communications Manager.
NOTE Confidence: 0.97359437

00:00:43.920 --> 00:00:46.320 I want to thank them for all the work that
NOTE Confidence: 0.97359437

00:00:46.386 --> 00:00:48.675 they do to support our alumni community.
NOTE Confidence: 0.97359437

00:00:48.680 --> 00:00:50.840 Before I introduce our host,
NOTE Confidence: 0.97359437

00:00:50.840 --> 00:00:53.288 I want to go through a
NOTE Confidence: 0.97359437

00:00:53.288 --> 00:00:54.512 few housekeeping items.
NOTE Confidence: 0.97359437

00:00:54.520 --> 00:00:56.040 Please, if you haven't already,
NOTE Confidence: 0.97359437

00:00:56.040 --> 00:00:58.259 share your class here and where you
NOTE Confidence: 0.97359437

00:00:58.259 --> 00:01:00.713 are joining us in the chat so we can
NOTE Confidence: 0.97359437

00:01:00.713 --> 00:01:02.760 get a little bit more acquainted.
NOTE Confidence: 0.97359437

00:01:02.760 --> 00:01:04.998 Tonight is supposed to be conversational,
NOTE Confidence: 0.97359437

00:01:05.000 --> 00:01:06.860 so if you are conversational
NOTE Confidence: 0.97359437

00:01:06.860 --> 00:01:08.720 so if you are comfortable,

NOTE Confidence: 0.97359437

00:01:08.720 --> 00:01:10.666 I encourage you to please keep your

NOTE Confidence: 0.97359437

00:01:10.666 --> 00:01:13.296 camera on as that makes for a more

NOTE Confidence: 0.97359437

00:01:13.296 --> 00:01:15.031 engaging experience for all attendees.

NOTE Confidence: 0.97359437

00:01:15.040 --> 00:01:15.740 The virtual.

NOTE Confidence: 0.97359437

00:01:15.740 --> 00:01:17.490 This virtual conversation is being

NOTE Confidence: 0.97359437

00:01:17.490 --> 00:01:19.466 recorded and will be available for

NOTE Confidence: 0.97359437

00:01:19.466 --> 00:01:21.496 viewing after the event on the alumni

NOTE Confidence: 0.97359437

00:01:21.559 --> 00:01:23.519 website and we will also follow this

NOTE Confidence: 0.97359437

00:01:23.519 --> 00:01:25.960 session up with a post event survey

NOTE Confidence: 0.97359437

00:01:25.960 --> 00:01:28.700 and would welcome your feedback as we

NOTE Confidence: 0.97359437

00:01:28.700 --> 00:01:31.515 plan hope to plan future programming

NOTE Confidence: 0.97359437

00:01:31.515 --> 00:01:33.559 specifically towards your interests.

NOTE Confidence: 0.97359437

00:01:33.560 --> 00:01:36.356 Please ensure that you remain muted

NOTE Confidence: 0.97359437

00:01:36.356 --> 00:01:38.810 throughout the conversation to ensure

NOTE Confidence: 0.97359437

00:01:38.810 --> 00:01:41.400 all attendees can hear appropriately.

NOTE Confidence: 0.97359437

00:01:41.400 --> 00:01:43.360 There will be time at the end
NOTE Confidence: 0.97359437

00:01:43.360 --> 00:01:44.815 of this discussion for Q&A,
NOTE Confidence: 0.97359437

00:01:44.815 --> 00:01:47.440 so please, as we head towards that,
NOTE Confidence: 0.97359437

00:01:47.440 --> 00:01:49.253 feel empowered to use the Raise Hand
NOTE Confidence: 0.97359437

00:01:49.253 --> 00:01:51.096 function at the bottom of your screen
NOTE Confidence: 0.97359437

00:01:51.096 --> 00:01:52.920 or place your question in the chat,
NOTE Confidence: 0.97359437

00:01:52.920 --> 00:01:54.866 and we'll do our best to get
NOTE Confidence: 0.97359437

00:01:54.866 --> 00:01:56.799 to all of the questions.
NOTE Confidence: 0.97359437

00:01:56.800 --> 00:01:58.625 Should you have any issues
NOTE Confidence: 0.97359437

00:01:58.625 --> 00:01:59.720 during our conversation,
NOTE Confidence: 0.97359437

00:01:59.720 --> 00:02:02.224 please feel free to use the chat function
NOTE Confidence: 0.97359437

00:02:02.224 --> 00:02:04.993 and our team will work to answer all of
NOTE Confidence: 0.97359437

00:02:04.993 --> 00:02:07.920 all of the issues you might be facing.
NOTE Confidence: 0.97359437

00:02:07.920 --> 00:02:09.180 And a friendly reminder for those
NOTE Confidence: 0.97359437

00:02:09.180 --> 00:02:10.640 of you who are class agents,
NOTE Confidence: 0.97359437

00:02:10.640 --> 00:02:13.169 please stay on at the end of this call

NOTE Confidence: 0.97359437

00:02:13.169 --> 00:02:15.797 for a quick update on your end giving.

NOTE Confidence: 0.97359437

00:02:15.800 --> 00:02:18.232 I am so pleased without further ado to

NOTE Confidence: 0.97359437

00:02:18.232 --> 00:02:20.222 introduce you all to Doctor Mark Meyer

NOTE Confidence: 0.97359437

00:02:20.222 --> 00:02:22.599 who will be our host for this session.

NOTE Confidence: 0.97359437

00:02:22.600 --> 00:02:24.749 Mark was appointed the Chair of Agents

NOTE Confidence: 0.97359437

00:02:24.749 --> 00:02:27.408 for the Alumni Fund in July of 2022 after

NOTE Confidence: 0.97359437

00:02:27.408 --> 00:02:30.236 serving as Co Chair for three years.

NOTE Confidence: 0.97359437

00:02:30.240 --> 00:02:32.123 He has been a class agent since

NOTE Confidence: 0.97359437

00:02:32.123 --> 00:02:34.200 2015 and an active School of

NOTE Confidence: 0.97359437

00:02:34.200 --> 00:02:36.200 Medicine volunteer for many years.

NOTE Confidence: 0.97359437

00:02:36.200 --> 00:02:36.475 Mark,

NOTE Confidence: 0.97359437

00:02:36.475 --> 00:02:38.675 I want to thank you for your leadership

NOTE Confidence: 0.97359437

00:02:38.680 --> 00:02:41.260 and partnership as an alumni volunteer

NOTE Confidence: 0.97359437

00:02:41.260 --> 00:02:43.580 and really appreciate you hosting

NOTE Confidence: 0.97359437

00:02:43.580 --> 00:02:45.680 this conversation this evening.

NOTE Confidence: 0.97359437

00:02:45.680 --> 00:02:46.358 Take it away.
NOTE Confidence: 0.94804806

00:02:48.120 --> 00:02:49.600 Thank you very much, Amanda,
NOTE Confidence: 0.94804806

00:02:49.600 --> 00:02:51.832 and a special thanks to all of our alumni,
NOTE Confidence: 0.94804806

00:02:51.840 --> 00:02:55.680 volunteers and donors in attendance.
NOTE Confidence: 0.94804806

00:02:55.680 --> 00:02:57.368 I also want to say hello to all
NOTE Confidence: 0.94804806

00:02:57.368 --> 00:02:58.799 the people I know on the call,
NOTE Confidence: 0.94804806

00:02:58.800 --> 00:03:01.026 and I'm looking forward to talking to
NOTE Confidence: 0.94804806

00:03:01.026 --> 00:03:03.340 any of you I I've never met before.
NOTE Confidence: 0.94804806

00:03:03.340 --> 00:03:05.170 I want to say a special
NOTE Confidence: 0.94804806

00:03:05.245 --> 00:03:06.840 hello to Doctor Al Weil,
NOTE Confidence: 0.94804806

00:03:06.840 --> 00:03:11.396 who is joining us nauseatingly from Maui.
NOTE Confidence: 0.94804806

00:03:11.400 --> 00:03:13.759 You can see in the background there,
NOTE Confidence: 0.94804806

00:03:13.760 --> 00:03:15.475 but we won't hold it against them.
NOTE Confidence: 0.94804806

00:03:15.480 --> 00:03:18.470 And Al was my first clinical tutor,
NOTE Confidence: 0.94804806

00:03:18.470 --> 00:03:20.840 my first week of medical school,
NOTE Confidence: 0.94804806

00:03:20.840 --> 00:03:23.270 so I hold him responsible for all of the

NOTE Confidence: 0.94804806

00:03:23.270 --> 00:03:27.000 mistakes that I've made in the last 30 years.

NOTE Confidence: 0.94804806

00:03:27.000 --> 00:03:29.352 We're here tonight to highlight the

NOTE Confidence: 0.94804806

00:03:29.352 --> 00:03:31.880 impact of alumni philanthropy on the

NOTE Confidence: 0.94804806

00:03:31.880 --> 00:03:34.280 medical students experience of today.

NOTE Confidence: 0.94804806

00:03:34.280 --> 00:03:36.446 Thanks to the support of our

NOTE Confidence: 0.94804806

00:03:36.446 --> 00:03:38.957 alumni last year and all of you

NOTE Confidence: 0.94804806

00:03:38.957 --> 00:03:41.274 for helping to get them to donate.

NOTE Confidence: 0.94804806

00:03:41.280 --> 00:03:44.268 We raised over \$1 million and

NOTE Confidence: 0.94804806

00:03:44.268 --> 00:03:46.408 that has directly enhanced student

NOTE Confidence: 0.94804806

00:03:46.408 --> 00:03:49.798 life and medical education.

NOTE Confidence: 0.94804806

00:03:49.800 --> 00:03:51.510 I know everybody always wonders, well,

NOTE Confidence: 0.94804806

00:03:51.510 --> 00:03:53.960 how does that much money really matter,

NOTE Confidence: 0.94804806

00:03:53.960 --> 00:03:56.095 given how much money the school raises

NOTE Confidence: 0.94804806

00:03:56.095 --> 00:03:58.400 in general and the university overall?

NOTE Confidence: 0.94804806

00:03:58.400 --> 00:03:59.564 But it matters.

NOTE Confidence: 0.94804806

00:03:59.564 --> 00:04:02.280 It matters very directly to the students.
NOTE Confidence: 0.94804806

00:04:02.280 --> 00:04:04.836 It matters in their daily lives,
NOTE Confidence: 0.94804806

00:04:04.840 --> 00:04:05.695 in their research.
NOTE Confidence: 0.94804806

00:04:05.695 --> 00:04:08.040 And if you need more details on that,
NOTE Confidence: 0.94804806

00:04:08.040 --> 00:04:10.679 Amanda and Bridget and Anne could very
NOTE Confidence: 0.94804806

00:04:10.679 --> 00:04:13.197 carefully walk you through all of that.
NOTE Confidence: 0.94804806

00:04:13.200 --> 00:04:15.576 We're also grateful to be joined
NOTE Confidence: 0.94804806

00:04:15.576 --> 00:04:17.160 by Doctor Jessica Iluzi,
NOTE Confidence: 0.94804806

00:04:17.160 --> 00:04:20.057 the Deputy Dean for Education and
NOTE Confidence: 0.94804806

00:04:20.057 --> 00:04:21.725 Professor of Medical Education
NOTE Confidence: 0.94804806

00:04:21.725 --> 00:04:23.393 and Professor of Obstetrics,
NOTE Confidence: 0.94804806

00:04:23.400 --> 00:04:25.248 Gynecology and Reproduced
NOTE Confidence: 0.94804806

00:04:25.248 --> 00:04:26.480 Productive sciences.
NOTE Confidence: 0.94804806

00:04:26.480 --> 00:04:28.272 I tried to do all of her
NOTE Confidence: 0.94804806

00:04:28.272 --> 00:04:29.519 qualifications without taking a breath,
NOTE Confidence: 0.94804806

00:04:29.520 --> 00:04:31.176 but it's not possible.

NOTE Confidence: 0.94804806

00:04:31.176 --> 00:04:34.240 She's a graduate of Harvard Medical School,

NOTE Confidence: 0.94804806

00:04:34.240 --> 00:04:37.285 but we still recognize her as a

NOTE Confidence: 0.94804806

00:04:37.285 --> 00:04:39.280 qualified physician and completed

NOTE Confidence: 0.94804806

00:04:39.280 --> 00:04:42.832 her OBGYN residency at Yale in 2006.

NOTE Confidence: 0.94804806

00:04:42.832 --> 00:04:45.088 She create completed a Master of

NOTE Confidence: 0.94804806

00:04:45.088 --> 00:04:47.137 Science degree in Epidemiology at

NOTE Confidence: 0.94804806

00:04:47.137 --> 00:04:49.597 the Yale School of Graduate Studies.

NOTE Confidence: 0.94804806

00:04:49.600 --> 00:04:52.155 She serves as chief of the Obstetrics,

NOTE Confidence: 0.94804806

00:04:52.160 --> 00:04:55.560 Specialties and Midwifery Research Division,

NOTE Confidence: 0.94804806

00:04:55.560 --> 00:04:58.320 as well as the Medical director of the

NOTE Confidence: 0.94804806

00:04:58.320 --> 00:05:00.680 Badone Birthing Center at Saint Rayfield,

NOTE Confidence: 0.94804806

00:05:00.680 --> 00:05:03.024 which is now part of Yale New Haven

NOTE Confidence: 0.94804806

00:05:03.024 --> 00:05:05.400 Hospital in the educational domain.

NOTE Confidence: 0.94804806

00:05:05.400 --> 00:05:08.172 Doctor Luzi has previously served as

NOTE Confidence: 0.94804806

00:05:08.172 --> 00:05:10.192 clerkship director and Director of

NOTE Confidence: 0.94804806

00:05:10.192 --> 00:05:12.828 Medical Studies in OBGYN and curriculum

NOTE Confidence: 0.94804806

00:05:12.828 --> 00:05:15.113 director for the advanced training

NOTE Confidence: 0.94804806

00:05:15.113 --> 00:05:17.957 period for the MD program at the school.

NOTE Confidence: 0.94804806

00:05:17.960 --> 00:05:20.464 She played an active role in

NOTE Confidence: 0.94804806

00:05:20.464 --> 00:05:23.440 the YSM curriculum redesign.

NOTE Confidence: 0.94804806

00:05:23.440 --> 00:05:25.890 She is very involved in the RE

NOTE Confidence: 0.94804806

00:05:25.890 --> 00:05:27.965 accreditation cycles and can use to

NOTE Confidence: 0.94804806

00:05:27.965 --> 00:05:29.873 be a strong advocate for students,

NOTE Confidence: 0.94804806

00:05:29.880 --> 00:05:32.424 trainees and faculty in the educational

NOTE Confidence: 0.94804806

00:05:32.424 --> 00:05:35.559 mission of the Yale School of Medicine.

NOTE Confidence: 0.94804806

00:05:35.560 --> 00:05:37.360 So I'll turn it over to Doctor Aluzi.

NOTE Confidence: 0.94804806

00:05:37.360 --> 00:05:39.840 And then I guess after she's finished,

NOTE Confidence: 0.94804806

00:05:39.840 --> 00:05:41.240 I'll introduce our next speaker.

NOTE Confidence: 0.3920595

00:05:46.120 --> 00:05:47.000 Great. Thank you so much.

NOTE Confidence: 0.923472

00:05:55.870 --> 00:05:57.106 So hello, everyone.

NOTE Confidence: 0.923472

00:05:57.106 --> 00:05:59.990 I'm so pleased to be here tonight.

NOTE Confidence: 0.923472

00:05:59.990 --> 00:06:03.302 I have a few slides to share with you.

NOTE Confidence: 0.923472

00:06:03.310 --> 00:06:05.608 Mostly, I love them because there's

NOTE Confidence: 0.923472

00:06:05.608 --> 00:06:07.730 pictures of students in them and

NOTE Confidence: 0.923472

00:06:07.730 --> 00:06:10.550 you can see the joy in their faces.

NOTE Confidence: 0.923472

00:06:10.550 --> 00:06:12.150 So let me share those,

NOTE Confidence: 0.923472

00:06:14.310 --> 00:06:16.606 All right. Can you tell me which are

NOTE Confidence: 0.923472

00:06:16.606 --> 00:06:18.977 you seeing the whole slide or are you

NOTE Confidence: 0.923472

00:06:18.977 --> 00:06:23.430 seeing the presenter screen? We're

NOTE Confidence: 0.923472

00:06:21.990 --> 00:06:23.430 in presenter screen right now. All

NOTE Confidence: 0.923472

00:06:23.430 --> 00:06:26.718 right. Let me just switch that.

NOTE Confidence: 0.923472

00:06:26.720 --> 00:06:27.720 All right. Is that better?

NOTE Confidence: 0.71030474

00:06:29.920 --> 00:06:33.717 OK, I'm getting good at the zoom thing.

NOTE Confidence: 0.71030474

00:06:33.720 --> 00:06:36.465 All right. Well, I want to start by sharing

NOTE Confidence: 0.71030474

00:06:36.465 --> 00:06:38.930 with all of you our updated mission

NOTE Confidence: 0.71030474

00:06:38.930 --> 00:06:41.159 statement at Yale School of Medicine.

NOTE Confidence: 0.71030474

00:06:41.160 --> 00:06:43.757 I am particularly pleased by this statement,
NOTE Confidence: 0.71030474

00:06:43.760 --> 00:06:47.078 which was worked on by students,
NOTE Confidence: 0.71030474

00:06:47.080 --> 00:06:48.676 faculty and other stakeholders
NOTE Confidence: 0.71030474

00:06:48.676 --> 00:06:51.070 across the School of Medicine to
NOTE Confidence: 0.71030474

00:06:51.133 --> 00:06:52.873 outline what's important here for
NOTE Confidence: 0.71030474

00:06:52.873 --> 00:06:55.440 us at the Yale School of Medicine.
NOTE Confidence: 0.71030474

00:06:55.440 --> 00:06:57.850 And I just want to point out what I've put
NOTE Confidence: 0.71030474

00:06:57.909 --> 00:07:00.275 in bold is that educating and nurturing
NOTE Confidence: 0.71030474

00:07:00.275 --> 00:07:02.560 creative leaders in medicine and science,
NOTE Confidence: 0.71030474

00:07:02.560 --> 00:07:05.215 promoting curiosity and critical inquiry
NOTE Confidence: 0.71030474

00:07:05.215 --> 00:07:07.870 in an inclusive environment enriched
NOTE Confidence: 0.71030474

00:07:07.943 --> 00:07:10.668 by diversity, is the first sentence
NOTE Confidence: 0.71030474

00:07:10.668 --> 00:07:12.953 in our previous mission statement.
NOTE Confidence: 0.71030474

00:07:12.960 --> 00:07:14.796 It didn't have the word educates,
NOTE Confidence: 0.71030474

00:07:14.800 --> 00:07:16.920 so I'm particularly happy with
NOTE Confidence: 0.71030474

00:07:16.920 --> 00:07:19.040 the evolution of this statement.

NOTE Confidence: 0.71030474

00:07:19.040 --> 00:07:19.800 Over time,

NOTE Confidence: 0.8813986

00:07:23.240 --> 00:07:26.376 I would like to reassure everyone that

NOTE Confidence: 0.8813986

00:07:26.376 --> 00:07:29.958 the Yale system is alive and going strong.

NOTE Confidence: 0.8813986

00:07:29.960 --> 00:07:32.468 When we asked students why they

NOTE Confidence: 0.8813986

00:07:32.468 --> 00:07:34.702 chose Yale in preparation for

NOTE Confidence: 0.8813986

00:07:34.702 --> 00:07:36.638 our upcoming admission cycle,

NOTE Confidence: 0.8813986

00:07:36.640 --> 00:07:39.125 we received really great comments

NOTE Confidence: 0.8813986

00:07:39.125 --> 00:07:42.004 from our current students who are

NOTE Confidence: 0.8813986

00:07:42.004 --> 00:07:44.064 here really praising their experience

NOTE Confidence: 0.8813986

00:07:44.064 --> 00:07:47.679 here as a student in the Yale system,

NOTE Confidence: 0.8813986

00:07:47.680 --> 00:07:50.855 which supports the flexibility and

NOTE Confidence: 0.8813986

00:07:50.855 --> 00:07:53.738 the passions of the flexibility in

NOTE Confidence: 0.8813986

00:07:53.738 --> 00:07:55.694 the curriculum and the passions that

NOTE Confidence: 0.8813986

00:07:55.694 --> 00:07:59.113 our students have to pursue areas

NOTE Confidence: 0.8813986

00:07:59.113 --> 00:08:02.633 of education and research throughout

NOTE Confidence: 0.8813986

00:08:02.633 --> 00:08:04.798 their time while they're here.
NOTE Confidence: 0.8813986

00:08:04.800 --> 00:08:07.026 The MD program may look a little
NOTE Confidence: 0.8813986

00:08:07.026 --> 00:08:09.004 bit different now than when some
NOTE Confidence: 0.8813986

00:08:09.004 --> 00:08:10.276 of you came through,
NOTE Confidence: 0.8813986

00:08:10.280 --> 00:08:12.884 but this is how it is structured
NOTE Confidence: 0.8813986

00:08:12.884 --> 00:08:14.000 at this time.
NOTE Confidence: 0.8813986

00:08:14.000 --> 00:08:16.100 So you can see the pre clerkship
NOTE Confidence: 0.8813986

00:08:16.100 --> 00:08:18.197 period is about a year and a half.
NOTE Confidence: 0.8813986

00:08:18.200 --> 00:08:20.385 IT students enter their clerkships
NOTE Confidence: 0.8813986

00:08:20.385 --> 00:08:22.985 in January of their second year
NOTE Confidence: 0.8813986

00:08:22.985 --> 00:08:25.043 after having completed a year and
NOTE Confidence: 0.8813986

00:08:25.043 --> 00:08:27.568 a half of integrated courses as
NOTE Confidence: 0.8813986

00:08:27.568 --> 00:08:30.400 well as clinical skills and the
NOTE Confidence: 0.8813986

00:08:30.400 --> 00:08:32.120 longitudinal clinical experience.
NOTE Confidence: 0.8813986

00:08:32.120 --> 00:08:35.840 They go through the clerkships and
NOTE Confidence: 0.8813986

00:08:35.840 --> 00:08:38.892 then emerge about a year and a half

NOTE Confidence: 0.8813986

00:08:38.892 --> 00:08:40.857 before graduation and are able to

NOTE Confidence: 0.8813986

00:08:40.857 --> 00:08:42.927 pursue their passions on their research

NOTE Confidence: 0.8813986

00:08:42.927 --> 00:08:45.598 and take electives and some internships.

NOTE Confidence: 0.8813986

00:08:45.600 --> 00:08:47.598 And as many of you know,

NOTE Confidence: 0.8813986

00:08:47.600 --> 00:08:49.916 many of our students do leave

NOTE Confidence: 0.8813986

00:08:49.916 --> 00:08:52.958 here to do the the PhD portion.

NOTE Confidence: 0.8813986

00:08:52.960 --> 00:08:56.285 We have 24 MDPHD students each year

NOTE Confidence: 0.8813986

00:08:56.285 --> 00:08:58.714 and then another large group of

NOTE Confidence: 0.8813986

00:08:58.714 --> 00:09:01.157 students do a fully funded 5th year,

NOTE Confidence: 0.8813986

00:09:01.160 --> 00:09:04.600 which means that they may

NOTE Confidence: 0.8813986

00:09:04.600 --> 00:09:06.360 achieve an MHS degree,

NOTE Confidence: 0.8813986

00:09:06.360 --> 00:09:08.492 Masters of Health Science,

NOTE Confidence: 0.8813986

00:09:08.492 --> 00:09:11.938 or a multitude of other joint degree

NOTE Confidence: 0.8813986

00:09:11.938 --> 00:09:12.327 programs.

NOTE Confidence: 0.8813986

00:09:12.327 --> 00:09:15.050 I also wanted to briefly make sure

NOTE Confidence: 0.8813986

00:09:15.122 --> 00:09:17.702 that everyone was updated with regard
NOTE Confidence: 0.8813986

00:09:17.702 --> 00:09:20.040 to our strategic planning domains.
NOTE Confidence: 0.8813986

00:09:20.040 --> 00:09:22.170 We are very excited to be
NOTE Confidence: 0.8813986

00:09:22.170 --> 00:09:23.235 pursuing these domains,
NOTE Confidence: 0.8813986

00:09:23.240 --> 00:09:25.760 so I'm just going to briefly go over them.
NOTE Confidence: 0.8813986

00:09:25.760 --> 00:09:29.112 So the first domain is related to student
NOTE Confidence: 0.8813986

00:09:29.112 --> 00:09:31.600 engagement and attaining competency.
NOTE Confidence: 0.8813986

00:09:31.600 --> 00:09:34.832 And you may be thinking, you know,
NOTE Confidence: 0.8813986

00:09:34.832 --> 00:09:37.840 how does that jive with the Yale system?
NOTE Confidence: 0.8813986

00:09:37.840 --> 00:09:40.990 We just underwent an LCME accreditation
NOTE Confidence: 0.8813986

00:09:40.990 --> 00:09:44.725 visit and we were tasked with determining
NOTE Confidence: 0.8813986

00:09:44.725 --> 00:09:49.012 how we could show the LCME that we help
NOTE Confidence: 0.8813986

00:09:49.012 --> 00:09:51.032 our students monitor their progress
NOTE Confidence: 0.8813986

00:09:51.032 --> 00:09:53.438 in attaining competency in a system,
NOTE Confidence: 0.8813986

00:09:53.440 --> 00:09:54.733 as you know,
NOTE Confidence: 0.8813986

00:09:54.733 --> 00:09:57.319 where we don't really have grades.

NOTE Confidence: 0.8813986

00:09:57.320 --> 00:10:00.170 And there's a lot of independence

NOTE Confidence: 0.8813986

00:10:00.170 --> 00:10:01.930 and anonymity in testing.

NOTE Confidence: 0.8813986

00:10:01.930 --> 00:10:04.360 So let me share with you.

NOTE Confidence: 0.8813986

00:10:04.360 --> 00:10:05.680 So first of all,

NOTE Confidence: 0.8813986

00:10:05.680 --> 00:10:08.330 we have engaged in a much more

NOTE Confidence: 0.8813986

00:10:08.330 --> 00:10:10.640 innovative way of engaging our

NOTE Confidence: 0.8813986

00:10:10.640 --> 00:10:12.360 students in our curriculum.

NOTE Confidence: 0.8813986

00:10:12.360 --> 00:10:14.796 This is the new technology that we're

NOTE Confidence: 0.8813986

00:10:14.796 --> 00:10:16.920 currently using when we teach anatomy.

NOTE Confidence: 0.8813986

00:10:16.920 --> 00:10:19.850 We still have cadaver dissection

NOTE Confidence: 0.8813986

00:10:19.850 --> 00:10:21.960 and students spend time going

NOTE Confidence: 0.8813986

00:10:21.960 --> 00:10:23.480 through each organ system,

NOTE Confidence: 0.8813986

00:10:23.480 --> 00:10:26.258 but we also supplement that with

NOTE Confidence: 0.8813986

00:10:26.258 --> 00:10:29.922 some of this type of virtual reality

NOTE Confidence: 0.8813986

00:10:29.922 --> 00:10:33.364 and visual imagery As far as helping

NOTE Confidence: 0.8813986

00:10:33.364 --> 00:10:35.519 our students monitor their progress.

NOTE Confidence: 0.8813986

00:10:35.520 --> 00:10:38.880 This is our creative way of

NOTE Confidence: 0.8813986

00:10:38.880 --> 00:10:41.120 meeting the LCME requirements,

NOTE Confidence: 0.8813986

00:10:41.120 --> 00:10:43.562 but giving students the ability to

NOTE Confidence: 0.8813986

00:10:43.562 --> 00:10:46.281 monitor their progress in meeting the

NOTE Confidence: 0.8813986

00:10:46.281 --> 00:10:48.317 milestones across the curriculum.

NOTE Confidence: 0.8813986

00:10:48.320 --> 00:10:51.424 We now assign our students to an A

NOTE Confidence: 0.8813986

00:10:51.424 --> 00:10:53.768 longitudinal coach that they meet in

NOTE Confidence: 0.8813986

00:10:53.768 --> 00:10:56.006 the first month of the curriculum

NOTE Confidence: 0.8813986

00:10:56.085 --> 00:10:58.455 and that person follows them through

NOTE Confidence: 0.8813986

00:10:58.455 --> 00:11:00.035 all four years of

NOTE Confidence: 0.874785195652174

00:11:00.040 --> 00:11:02.476 the curriculum and looks with the

NOTE Confidence: 0.874785195652174

00:11:02.476 --> 00:11:04.647 student at their progress across

NOTE Confidence: 0.874785195652174

00:11:04.647 --> 00:11:07.022 all the domains whether it's

NOTE Confidence: 0.874785195652174

00:11:07.022 --> 00:11:08.922 clinical reasoning mechanisms and

NOTE Confidence: 0.874785195652174

00:11:08.994 --> 00:11:11.086 treatments of disease communication,

NOTE Confidence: 0.874785195652174
00:11:11.086 --> 00:11:13.024 professional identity formation.
NOTE Confidence: 0.874785195652174
00:11:13.024 --> 00:11:18.087 So in this way we're able to minimize
NOTE Confidence: 0.874785195652174
00:11:18.087 --> 00:11:20.827 testing and have active engagement
NOTE Confidence: 0.874785195652174
00:11:20.827 --> 00:11:23.382 in students own own progress.
NOTE Confidence: 0.874785195652174
00:11:23.382 --> 00:11:26.088 Our second domain is in increasing
NOTE Confidence: 0.874785195652174
00:11:26.088 --> 00:11:28.260 and enhancing faculty participation
NOTE Confidence: 0.874785195652174
00:11:28.260 --> 00:11:30.640 in the educational mission.
NOTE Confidence: 0.874785195652174
00:11:30.640 --> 00:11:32.880 For those of you who are working
NOTE Confidence: 0.874785195652174
00:11:32.880 --> 00:11:34.400 in academic medical centers,
NOTE Confidence: 0.874785195652174
00:11:34.400 --> 00:11:37.010 you probably are aware how challenging
NOTE Confidence: 0.874785195652174
00:11:37.010 --> 00:11:39.931 this can be in an environment
NOTE Confidence: 0.874785195652174
00:11:39.931 --> 00:11:42.525 where there's a lot of pressure
NOTE Confidence: 0.874785195652174
00:11:42.525 --> 00:11:44.570 on our physicians to increase
NOTE Confidence: 0.874785195652174
00:11:44.645 --> 00:11:46.959 the Rvus that they're producing,
NOTE Confidence: 0.874785195652174
00:11:46.959 --> 00:11:50.397 not as much time to engage
NOTE Confidence: 0.874785195652174

00:11:50.400 --> 00:11:52.036 with students and trainees.
NOTE Confidence: 0.874785195652174

00:11:52.036 --> 00:11:54.877 And so we've been working really hard
NOTE Confidence: 0.874785195652174

00:11:54.877 --> 00:11:57.075 to make sure that our faculty are
NOTE Confidence: 0.874785195652174

00:11:57.075 --> 00:11:59.541 able to find the time to participate
NOTE Confidence: 0.874785195652174

00:11:59.541 --> 00:12:01.866 not only in teaching by providing
NOTE Confidence: 0.874785195652174

00:12:01.866 --> 00:12:04.596 protected time for that teaching,
NOTE Confidence: 0.874785195652174

00:12:04.600 --> 00:12:07.130 but also increasing its value
NOTE Confidence: 0.874785195652174

00:12:07.130 --> 00:12:09.154 in the promotions process.
NOTE Confidence: 0.874785195652174

00:12:09.160 --> 00:12:11.880 This is our new Center for medical education,
NOTE Confidence: 0.874785195652174

00:12:11.880 --> 00:12:15.264 which really helps student faculty develop
NOTE Confidence: 0.874785195652174

00:12:15.264 --> 00:12:18.220 their teaching skills and helps them
NOTE Confidence: 0.874785195652174

00:12:18.220 --> 00:12:20.320 develop scholarship in medical education.
NOTE Confidence: 0.68500197

00:12:22.680 --> 00:12:23.784 Our last domain,
NOTE Confidence: 0.68500197

00:12:23.784 --> 00:12:25.992 which may be the most exciting,
NOTE Confidence: 0.68500197

00:12:26.000 --> 00:12:27.694 are the ways that we are trying
NOTE Confidence: 0.68500197

00:12:27.694 --> 00:12:29.903 to build a more inclusive and

NOTE Confidence: 0.68500197
00:12:29.903 --> 00:12:31.319 enriched learning environment.
NOTE Confidence: 0.68500197
00:12:31.320 --> 00:12:34.240 So I'll go through some examples of that.
NOTE Confidence: 0.68500197
00:12:34.240 --> 00:12:36.963 So we are creating 6 new colleges
NOTE Confidence: 0.68500197
00:12:36.963 --> 00:12:39.760 similar to the undergraduate model
NOTE Confidence: 0.68500197
00:12:39.760 --> 00:12:44.051 where we will be having multiple social
NOTE Confidence: 0.68500197
00:12:44.051 --> 00:12:46.470 gatherings and mentorship opportunities.
NOTE Confidence: 0.68500197
00:12:46.470 --> 00:12:50.040 And at this point in time,
NOTE Confidence: 0.68500197
00:12:50.040 --> 00:12:52.236 we have the six colleges formed.
NOTE Confidence: 0.68500197
00:12:52.240 --> 00:12:54.325 Students are assigned to them
NOTE Confidence: 0.68500197
00:12:54.325 --> 00:12:55.993 based on their advisors.
NOTE Confidence: 0.68500197
00:12:56.000 --> 00:12:57.584 You might notice there are no
NOTE Confidence: 0.68500197
00:12:57.584 --> 00:12:59.200 names for the colleges right now.
NOTE Confidence: 0.68500197
00:12:59.200 --> 00:13:02.080 They are only identified by callers.
NOTE Confidence: 0.68500197
00:13:02.080 --> 00:13:04.944 We did put out a call for nominations
NOTE Confidence: 0.68500197
00:13:04.944 --> 00:13:07.951 for the names of our colleges and
NOTE Confidence: 0.68500197

00:13:07.951 --> 00:13:11.193 many of you participated in that call
NOTE Confidence: 0.68500197

00:13:11.193 --> 00:13:14.306 and we had over 451 nominations.
NOTE Confidence: 0.68500197

00:13:14.306 --> 00:13:18.317 So we are working very hard to
NOTE Confidence: 0.68500197

00:13:18.320 --> 00:13:21.685 determine which six names will
NOTE Confidence: 0.68500197

00:13:21.685 --> 00:13:24.280 be assigned to our colleges.
NOTE Confidence: 0.68500197

00:13:24.280 --> 00:13:25.720 In the meantime,
NOTE Confidence: 0.68500197

00:13:25.720 --> 00:13:29.440 we are going by colors and as you can see,
NOTE Confidence: 0.68500197

00:13:29.440 --> 00:13:31.726 each of the colleges is supervised
NOTE Confidence: 0.68500197

00:13:31.726 --> 00:13:34.348 by an academic advisor and then the
NOTE Confidence: 0.68500197

00:13:34.348 --> 00:13:36.400 coaches that I introduced you to.
NOTE Confidence: 0.68500197

00:13:36.400 --> 00:13:38.500 Currently there are three per college
NOTE Confidence: 0.68500197

00:13:38.500 --> 00:13:40.611 and that number will be increasing
NOTE Confidence: 0.68500197

00:13:40.611 --> 00:13:42.555 to six per college next year.
NOTE Confidence: 0.68500197

00:13:42.560 --> 00:13:44.944 And then you can see we've got students
NOTE Confidence: 0.68500197

00:13:44.944 --> 00:13:47.237 from across all years of the curriculum.
NOTE Confidence: 0.68500197

00:13:47.240 --> 00:13:50.216 And what I love about this is that

NOTE Confidence: 0.68500197
00:13:50.216 --> 00:13:52.716 the gatherings that we've had so far,
NOTE Confidence: 0.68500197
00:13:52.720 --> 00:13:55.275 you're seeing first years interfacing
NOTE Confidence: 0.68500197
00:13:55.275 --> 00:13:58.010 with fourth years and MDPHD programs
NOTE Confidence: 0.68500197
00:13:58.010 --> 00:14:00.080 who are in their PhD portion.
NOTE Confidence: 0.68500197
00:14:00.080 --> 00:14:01.840 Like right at the beginning.
NOTE Confidence: 0.68500197
00:14:01.840 --> 00:14:04.136 This is not something that we'd had
NOTE Confidence: 0.68500197
00:14:04.136 --> 00:14:06.443 been able to really facilitate and
NOTE Confidence: 0.68500197
00:14:06.443 --> 00:14:08.945 definitely COVID had had kind of
NOTE Confidence: 0.68500197
00:14:08.945 --> 00:14:11.754 pushed back on on the ability to do that.
NOTE Confidence: 0.68500197
00:14:11.760 --> 00:14:14.070 So I think that we're really glad
NOTE Confidence: 0.68500197
00:14:14.070 --> 00:14:16.440 to be resuming these interactions.
NOTE Confidence: 0.68500197
00:14:16.440 --> 00:14:19.016 We have PA students in who are also
NOTE Confidence: 0.68500197
00:14:19.016 --> 00:14:21.049 assigned to our college And then
NOTE Confidence: 0.68500197
00:14:21.049 --> 00:14:23.558 I'm very pleased to see the robust
NOTE Confidence: 0.68500197
00:14:23.558 --> 00:14:25.873 participation that we have amongst
NOTE Confidence: 0.68500197

00:14:25.873 --> 00:14:28.324 our faculty, fellows and residents.
NOTE Confidence: 0.68500197

00:14:28.324 --> 00:14:31.992 There are about 20 for each of the
NOTE Confidence: 0.68500197

00:14:31.992 --> 00:14:34.440 colleges and then of the alumni.
NOTE Confidence: 0.68500197

00:14:34.440 --> 00:14:37.368 Really pleased to see the robust
NOTE Confidence: 0.68500197

00:14:37.368 --> 00:14:39.704 participation of alumni when we
NOTE Confidence: 0.68500197

00:14:39.704 --> 00:14:40.920 sent out a call.
NOTE Confidence: 0.68500197

00:14:40.920 --> 00:14:45.272 You may be only recently hearing
NOTE Confidence: 0.68500197

00:14:45.272 --> 00:14:47.736 from us about being assigned to a
NOTE Confidence: 0.68500197

00:14:47.736 --> 00:14:50.139 college and some of the orientation
NOTE Confidence: 0.68500197

00:14:50.139 --> 00:14:52.169 events where we're sharing the
NOTE Confidence: 0.68500197

00:14:52.169 --> 00:14:53.638 vision of the college.
NOTE Confidence: 0.68500197

00:14:53.640 --> 00:14:56.050 We did take us a little longer to get this
NOTE Confidence: 0.68500197

00:14:56.115 --> 00:14:58.355 off the ground than we had anticipated,
NOTE Confidence: 0.68500197

00:14:58.360 --> 00:15:01.141 most likely due to the fact that we were
NOTE Confidence: 0.68500197

00:15:01.141 --> 00:15:03.599 being visited by the LCME last month.
NOTE Confidence: 0.68500197

00:15:03.600 --> 00:15:06.561 That took a sapped a lot of energy and

NOTE Confidence: 0.68500197

00:15:06.561 --> 00:15:09.199 time from the administration here.

NOTE Confidence: 0.68500197

00:15:09.200 --> 00:15:09.800 And lastly,

NOTE Confidence: 0.68500197

00:15:09.800 --> 00:15:11.900 I'd point out that we also have

NOTE Confidence: 0.68500197

00:15:11.900 --> 00:15:13.460 community liaisons for each of

NOTE Confidence: 0.68500197

00:15:13.460 --> 00:15:15.260 the colleges who are helping the

NOTE Confidence: 0.68500197

00:15:15.320 --> 00:15:17.360 students learn more about New Haven,

NOTE Confidence: 0.68500197

00:15:17.360 --> 00:15:20.048 how they can participate in community

NOTE Confidence: 0.68500197

00:15:20.048 --> 00:15:22.880 service and outreach within the community.

NOTE Confidence: 0.68500197

00:15:22.880 --> 00:15:25.984 And really a nice way to kind of

NOTE Confidence: 0.68500197

00:15:25.984 --> 00:15:28.199 help students in the community

NOTE Confidence: 0.68500197

00:15:28.200 --> 00:15:30.235 integrate better with one another

NOTE Confidence: 0.68500197

00:15:30.235 --> 00:15:33.080 and help us improve how we serve

NOTE Confidence: 0.68500197

00:15:33.080 --> 00:15:34.915 the needs of our community.

NOTE Confidence: 0.68500197

00:15:34.920 --> 00:15:36.972 One of the other aspects of

NOTE Confidence: 0.68500197

00:15:36.972 --> 00:15:39.319 domain Three is the build out

NOTE Confidence: 0.68500197

00:15:39.319 --> 00:15:41.115 of our HealthEquity thread.

NOTE Confidence: 0.58554006

00:15:41.120 --> 00:15:43.784 This was launched in 2021 and is headed

NOTE Confidence: 0.58554006

00:15:43.784 --> 00:15:46.120 by Beverly Shears and Doug Shenson,

NOTE Confidence: 0.58554006

00:15:46.120 --> 00:15:48.600 both faculty here at the School of Medicine.

NOTE Confidence: 0.58554006

00:15:48.600 --> 00:15:51.440 And they have done a tremendous amount of

NOTE Confidence: 0.58554006

00:15:51.440 --> 00:15:54.355 work to look at our pre clerkship curriculum,

NOTE Confidence: 0.58554006

00:15:54.360 --> 00:15:56.908 the clerkship curriculum and now even the

NOTE Confidence: 0.58554006

00:15:56.908 --> 00:15:58.931 advanced training period in our capstone

NOTE Confidence: 0.58554006

00:15:58.931 --> 00:16:00.975 course to make sure that students are

NOTE Confidence: 0.58554006

00:16:01.033 --> 00:16:02.923 learning about the social determinants

NOTE Confidence: 0.58554006

00:16:02.923 --> 00:16:05.396 of health throughout the curriculum,

NOTE Confidence: 0.58554006

00:16:05.396 --> 00:16:07.684 learning about the contributors

NOTE Confidence: 0.58554006

00:16:07.684 --> 00:16:10.680 to disparities in health outcomes.

NOTE Confidence: 0.58554006

00:16:10.680 --> 00:16:14.044 And you know one of the areas as

NOTE Confidence: 0.58554006

00:16:14.044 --> 00:16:16.578 an OBGYN that I am most interested

NOTE Confidence: 0.58554006

00:16:16.578 --> 00:16:19.780 in are the disparities of maternal

NOTE Confidence: 0.58554006

00:16:19.780 --> 00:16:21.433 morbidity and mortality.

NOTE Confidence: 0.58554006

00:16:21.440 --> 00:16:25.020 Those are taught as early as the intro to the

NOTE Confidence: 0.58554006

00:16:25.099 --> 00:16:28.519 profession course in our advanced training.

NOTE Confidence: 0.58554006

00:16:28.520 --> 00:16:30.780 Sorry, across the lifespan course

NOTE Confidence: 0.58554006

00:16:30.780 --> 00:16:33.040 in the pre clerkship curriculum,

NOTE Confidence: 0.58554006

00:16:33.040 --> 00:16:36.120 it gets revisited again in the clerkships,

NOTE Confidence: 0.58554006

00:16:36.120 --> 00:16:37.795 women's and Children's Health and

NOTE Confidence: 0.58554006

00:16:37.795 --> 00:16:39.920 then again in the capstone course.

NOTE Confidence: 0.58554006

00:16:39.920 --> 00:16:42.488 So that's an example of a theme that

NOTE Confidence: 0.58554006

00:16:42.488 --> 00:16:44.425 is revisited throughout the whole

NOTE Confidence: 0.58554006

00:16:44.425 --> 00:16:47.240 four years and really helping students

NOTE Confidence: 0.58554006

00:16:47.240 --> 00:16:52.105 to understand how racism has had an

NOTE Confidence: 0.58554006

00:16:52.105 --> 00:16:54.270 impact on the outcomes for people

NOTE Confidence: 0.58554006

00:16:54.270 --> 00:16:56.120 who live in the United States.

NOTE Confidence: 0.9414976

00:16:59.240 --> 00:17:03.040 The recent class that entered

NOTE Confidence: 0.9414976

00:17:03.040 --> 00:17:06.196 in this year is very diverse.
NOTE Confidence: 0.9414976

00:17:06.200 --> 00:17:08.600 It's our divert most diverse class
NOTE Confidence: 0.9414976

00:17:08.600 --> 00:17:11.199 yet at the School of Medicine.
NOTE Confidence: 0.9414976

00:17:11.200 --> 00:17:13.788 As you can see we have 35% who are
NOTE Confidence: 0.9414976

00:17:13.788 --> 00:17:15.568 under represented in medicine and
NOTE Confidence: 0.9414976

00:17:15.568 --> 00:17:18.038 they come from all over the country.
NOTE Confidence: 0.9414976

00:17:18.040 --> 00:17:20.824 58 colleges and universities,
NOTE Confidence: 0.9414976

00:17:20.824 --> 00:17:24.840 27% are born outside of the US and we've
NOTE Confidence: 0.9414976

00:17:24.840 --> 00:17:27.918 had this year we have 17 MDPHD students.
NOTE Confidence: 0.9467995

00:17:30.160 --> 00:17:33.392 I just wanted to share a brief slide
NOTE Confidence: 0.9467995

00:17:33.392 --> 00:17:36.920 showing you what has happened with the
NOTE Confidence: 0.9467995

00:17:36.920 --> 00:17:40.520 cost of attending medical school over
NOTE Confidence: 0.9467995

00:17:40.520 --> 00:17:43.556 the past couple years and decades.
NOTE Confidence: 0.9467995

00:17:43.560 --> 00:17:46.890 Our tuition is now 71,000 that
NOTE Confidence: 0.9467995

00:17:46.890 --> 00:17:50.800 includes the the activity fees as well.
NOTE Confidence: 0.9467995

00:17:50.800 --> 00:17:54.580 And then we estimate 22,000 for room

NOTE Confidence: 0.9467995

00:17:54.580 --> 00:17:58.400 and board and 13,000 for other expenses

NOTE Confidence: 0.9467995

00:17:58.400 --> 00:18:01.056 like transportation and the other

NOTE Confidence: 0.9467995

00:18:01.056 --> 00:18:04.200 costs of being a medical student.

NOTE Confidence: 0.9467995

00:18:04.200 --> 00:18:06.286 One of the things that we're very

NOTE Confidence: 0.9467995

00:18:06.286 --> 00:18:09.226 excited about is that the for students

NOTE Confidence: 0.9467995

00:18:09.226 --> 00:18:13.920 who qualify for financial aid,

NOTE Confidence: 0.9467995

00:18:13.920 --> 00:18:16.328 we are now able to provide most

NOTE Confidence: 0.9467995

00:18:16.328 --> 00:18:18.480 of it in scholarship.

NOTE Confidence: 0.9467995

00:18:18.480 --> 00:18:21.342 So 75,000 is the average scholarship

NOTE Confidence: 0.9467995

00:18:21.342 --> 00:18:24.439 that we provide to students who

NOTE Confidence: 0.9467995

00:18:24.439 --> 00:18:28.354 qualify for financial aid and we

NOTE Confidence: 0.9467995

00:18:28.354 --> 00:18:32.639 only require 10,000 in borrowing.

NOTE Confidence: 0.9467995

00:18:32.640 --> 00:18:34.957 One of the things I would point

NOTE Confidence: 0.9467995

00:18:34.957 --> 00:18:37.638 out here is that this still does

NOTE Confidence: 0.9467995

00:18:37.638 --> 00:18:39.684 leave a student family contribution

NOTE Confidence: 0.9467995

00:18:39.684 --> 00:18:42.562 for most families and that is an
NOTE Confidence: 0.9467995

00:18:42.562 --> 00:18:44.949 area that we are working hard on
NOTE Confidence: 0.9467995

00:18:44.949 --> 00:18:46.960 because there are some students.
NOTE Confidence: 0.9467995

00:18:46.960 --> 00:18:50.520 Even though we are requiring
NOTE Confidence: 0.9467995

00:18:50.520 --> 00:18:53.160 \$10,000 of loan each year,
NOTE Confidence: 0.9467995

00:18:53.160 --> 00:18:56.002 there are some students who decide that
NOTE Confidence: 0.9467995

00:18:56.002 --> 00:18:58.099 their families cannot contribute the
NOTE Confidence: 0.9467995

00:18:58.099 --> 00:19:00.535 determined amount and have ended up
NOTE Confidence: 0.9467995

00:19:00.535 --> 00:19:03.232 taking out more than the \$10,000 loan.
NOTE Confidence: 0.9467995

00:19:03.232 --> 00:19:07.040 But this is the amount that is required.
NOTE Confidence: 0.9467995

00:19:07.040 --> 00:19:09.420 And as you can see this approach
NOTE Confidence: 0.9467995

00:19:09.420 --> 00:19:10.440 over the years,
NOTE Confidence: 0.9467995

00:19:10.440 --> 00:19:13.275 especially with the support of our alumni,
NOTE Confidence: 0.9467995

00:19:13.280 --> 00:19:17.040 has been able to bring the median debt
NOTE Confidence: 0.9467995

00:19:17.040 --> 00:19:19.560 or average debt at graduation for the
NOTE Confidence: 0.9467995

00:19:19.560 --> 00:19:21.593 Yale School of Medicine significantly

NOTE Confidence: 0.9467995

00:19:21.593 --> 00:19:24.600 lower than many of our peer schools.

NOTE Confidence: 0.9467995

00:19:24.600 --> 00:19:28.052 So this is all public and private

NOTE Confidence: 0.9467995

00:19:28.052 --> 00:19:30.236 schools up above and you can

NOTE Confidence: 0.9467995

00:19:30.236 --> 00:19:32.696 see that it's closer to 200,000.

NOTE Confidence: 0.9467995

00:19:32.696 --> 00:19:36.622 We are currently at 106 as per

NOTE Confidence: 0.9467995

00:19:36.622 --> 00:19:38.358 average average graduating debt.

NOTE Confidence: 0.9467995

00:19:38.360 --> 00:19:41.762 So we have a lot more to go in

NOTE Confidence: 0.9467995

00:19:41.762 --> 00:19:44.600 in making this trying to improve

NOTE Confidence: 0.9467995

00:19:44.600 --> 00:19:47.192 the debt that our students carry

NOTE Confidence: 0.9467995

00:19:47.192 --> 00:19:50.360 with them after graduation.

NOTE Confidence: 0.9467995

00:19:50.360 --> 00:19:52.815 For those students who do

NOTE Confidence: 0.9467995

00:19:52.815 --> 00:19:54.960 qualify for financial aid,

NOTE Confidence: 0.9467995

00:19:54.960 --> 00:19:57.860 they at the moment with

NOTE Confidence: 0.9467995

00:19:57.860 --> 00:20:00.620 the \$10,000 loan each year,

NOTE Confidence: 0.9467995

00:20:00.620 --> 00:20:05.320 would graduate with a \$40,000 debt.

NOTE Confidence: 0.9509947

00:20:08.320 --> 00:20:10.434 And then lastly, I just want to
NOTE Confidence: 0.9509947

00:20:10.440 --> 00:20:12.900 conclude with showing you where our
NOTE Confidence: 0.9509947

00:20:12.900 --> 00:20:15.360 students are going after they leave.
NOTE Confidence: 0.9509947

00:20:15.360 --> 00:20:20.160 We still have a very active group of
NOTE Confidence: 0.9509947

00:20:20.160 --> 00:20:22.960 students who are get very involved in
NOTE Confidence: 0.9509947

00:20:22.960 --> 00:20:25.877 both community service and research,
NOTE Confidence: 0.9509947

00:20:25.880 --> 00:20:27.412 perform very well academically
NOTE Confidence: 0.9509947

00:20:27.412 --> 00:20:30.176 and are matching at some of the
NOTE Confidence: 0.9509947

00:20:30.176 --> 00:20:32.156 top programs across the country.
NOTE Confidence: 0.2727895

00:20:36.800 --> 00:20:39.392 So I'm going to start my slides right now
NOTE Confidence: 0.2727895

00:20:43.080 --> 00:20:48.720 and probably we'll be turning this over to
NOTE Confidence: 0.2727895

00:20:48.720 --> 00:20:51.280 Paul or back to Mark. Yeah, that's good.
NOTE Confidence: 0.2727895

00:20:53.440 --> 00:20:54.142 I'll introduce Paul.
NOTE Confidence: 0.2727895

00:20:54.142 --> 00:20:55.902 Thank you so much, Doctor. Lucy.
NOTE Confidence: 0.2727895

00:20:55.902 --> 00:20:58.368 Lucy, I know we'll have time
NOTE Confidence: 0.2727895

00:20:58.368 --> 00:21:00.900 for some questions at the end,

NOTE Confidence: 0.2727895

00:21:00.900 --> 00:21:02.400 or I hope we will.

NOTE Confidence: 0.2727895

00:21:02.400 --> 00:21:03.710 So joining us tonight also

NOTE Confidence: 0.2727895

00:21:03.710 --> 00:21:04.758 is Doctor Paul Tavreau.

NOTE Confidence: 0.2727895

00:21:04.760 --> 00:21:06.713 I had the pleasure of speaking with

NOTE Confidence: 0.2727895

00:21:06.713 --> 00:21:08.919 him the other day for the first time.

NOTE Confidence: 0.2727895

00:21:08.920 --> 00:21:11.255 Paul is a practicing cardiac

NOTE Confidence: 0.2727895

00:21:11.255 --> 00:21:13.123 electrophysiologist and Chairman and

NOTE Confidence: 0.2727895

00:21:13.123 --> 00:21:15.240 Managing Partner at the Huntsville

NOTE Confidence: 0.2727895

00:21:15.240 --> 00:21:17.046 Hospital's Heart Center in Huntsville, AL.

NOTE Confidence: 0.2727895

00:21:17.046 --> 00:21:20.340 He heard his MD and MPH from the University

NOTE Confidence: 0.2727895

00:21:20.421 --> 00:21:23.120 of Alabama at Birmingham in 2001,

NOTE Confidence: 0.2727895

00:21:23.120 --> 00:21:24.772 and he came to Yale,

NOTE Confidence: 0.2727895

00:21:24.772 --> 00:21:26.990 where he was a resident in the

NOTE Confidence: 0.2727895

00:21:26.990 --> 00:21:29.605 early part of the 21st century and

NOTE Confidence: 0.2727895

00:21:29.605 --> 00:21:31.430 chief resident in primary care

NOTE Confidence: 0.2727895

00:21:31.430 --> 00:21:33.839 at the Yale Primary Care Program.
NOTE Confidence: 0.2727895

00:21:33.840 --> 00:21:35.565 He returned to the University
NOTE Confidence: 0.2727895

00:21:35.565 --> 00:21:37.891 of Alabama and was named Chief
NOTE Confidence: 0.2727895

00:21:37.891 --> 00:21:40.031 Fellow in Cardiovascular diseases
NOTE Confidence: 0.2727895

00:21:40.031 --> 00:21:41.636 and then electrophysiology.
NOTE Confidence: 0.2727895

00:21:41.640 --> 00:21:43.944 He's a clinical assistant professor of
NOTE Confidence: 0.2727895

00:21:43.944 --> 00:21:46.199 medicine at the University of Alabama,
NOTE Confidence: 0.2727895

00:21:46.200 --> 00:21:49.189 the vice chair of the medical staff
NOTE Confidence: 0.2727895

00:21:49.189 --> 00:21:51.443 at Huntsville Hospital and the
NOTE Confidence: 0.2727895

00:21:51.443 --> 00:21:53.688 acting governor to the American
NOTE Confidence: 0.2727895

00:21:53.688 --> 00:21:55.920 College of Cardiology in Alabama.
NOTE Confidence: 0.2727895

00:21:55.920 --> 00:21:58.295 I feel really unaccomplished when
NOTE Confidence: 0.2727895

00:21:58.295 --> 00:22:01.320 I introduced all of these people.
NOTE Confidence: 0.2727895

00:22:01.320 --> 00:22:04.862 Doctor Tavro is also one of the
NOTE Confidence: 0.2727895

00:22:04.862 --> 00:22:07.604 alumni fund's most generous donors
NOTE Confidence: 0.2727895

00:22:07.604 --> 00:22:10.750 and in 2021 was the inaugural lead

NOTE Confidence: 0.2727895

00:22:10.750 --> 00:22:13.140 donor for the newly created Giving

NOTE Confidence: 0.2727895

00:22:13.140 --> 00:22:15.631 Opportunity within the Fund to Support

NOTE Confidence: 0.2727895

00:22:15.631 --> 00:22:18.277 DEI Students initiatives here at Yale.

NOTE Confidence: 0.2727895

00:22:18.280 --> 00:22:19.640 So I will turn it over to Paul.

NOTE Confidence: 0.7110288

00:22:20.880 --> 00:22:22.440 Thank you so much, Mark,

NOTE Confidence: 0.7110288

00:22:22.440 --> 00:22:23.756 and thank you all for being here.

NOTE Confidence: 0.7110288

00:22:23.760 --> 00:22:27.000 This is a joy for me to be able to

NOTE Confidence: 0.7110288

00:22:27.000 --> 00:22:29.605 share a little bit with you all my

NOTE Confidence: 0.7110288

00:22:29.605 --> 00:22:31.795 experience and interest in the fund.

NOTE Confidence: 0.7110288

00:22:31.800 --> 00:22:35.064 And I come to it from the residency

NOTE Confidence: 0.7110288

00:22:35.064 --> 00:22:37.230 fellow perspective rather than from

NOTE Confidence: 0.7110288

00:22:37.230 --> 00:22:38.840 the medical student perspective,

NOTE Confidence: 0.7110288

00:22:38.840 --> 00:22:41.216 which many of you really had

NOTE Confidence: 0.7110288

00:22:41.216 --> 00:22:43.356 as your experience at Yale.

NOTE Confidence: 0.7110288

00:22:43.360 --> 00:22:46.230 But I had gotten involved I guess

NOTE Confidence: 0.7110288

00:22:46.230 --> 00:22:48.530 in in giving to the Fund when we
NOTE Confidence: 0.7110288

00:22:48.530 --> 00:22:50.478 had a reunion for Steve Hewitt,
NOTE Confidence: 0.7110288

00:22:50.480 --> 00:22:51.800 one of my professors,
NOTE Confidence: 0.7110288

00:22:51.800 --> 00:22:57.148 a few years back and that led to a
NOTE Confidence: 0.7110288

00:22:57.148 --> 00:22:59.392 lot of reconnections with friends and
NOTE Confidence: 0.7110288

00:22:59.392 --> 00:23:02.268 faculty that I have had just wonderful
NOTE Confidence: 0.7110288

00:23:02.268 --> 00:23:04.753 relations with through the years.
NOTE Confidence: 0.7110288

00:23:04.760 --> 00:23:06.188 My training at Yale was really one
NOTE Confidence: 0.7110288

00:23:06.188 --> 00:23:07.358 of the highlights of my career.
NOTE Confidence: 0.7110288

00:23:07.360 --> 00:23:08.204 I learned a lot.
NOTE Confidence: 0.7110288

00:23:08.204 --> 00:23:10.040 It was a very new experience for me.
NOTE Confidence: 0.7110288

00:23:10.040 --> 00:23:12.632 I grew up in a very rural background in
NOTE Confidence: 0.7110288

00:23:12.640 --> 00:23:15.440 from from a very small town in Alabama,
NOTE Confidence: 0.7110288

00:23:15.440 --> 00:23:19.000 kind of a a poor rural town in North Alabama.
NOTE Confidence: 0.7110288

00:23:19.000 --> 00:23:22.458 And when we came to Yale,
NOTE Confidence: 0.7110288

00:23:22.458 --> 00:23:24.488 I received not only outstanding

NOTE Confidence: 0.7110288

00:23:24.488 --> 00:23:26.000 training and exposure,

NOTE Confidence: 0.7110288

00:23:26.000 --> 00:23:27.736 but it gained a lot of friendships

NOTE Confidence: 0.7110288

00:23:27.736 --> 00:23:28.480 in that time.

NOTE Confidence: 0.7110288

00:23:28.480 --> 00:23:32.104 And so really during and after

NOTE Confidence: 0.7110288

00:23:32.104 --> 00:23:33.916 the COVID experience,

NOTE Confidence: 0.7110288

00:23:33.920 --> 00:23:37.240 I continue to kind of seek things that

NOTE Confidence: 0.7110288

00:23:37.240 --> 00:23:39.720 reverberate that feeling of connection,

NOTE Confidence: 0.7110288

00:23:39.720 --> 00:23:42.328 'cause I think we lost a lot of

NOTE Confidence: 0.7110288

00:23:42.328 --> 00:23:44.479 connections in that period of time.

NOTE Confidence: 0.7110288

00:23:44.480 --> 00:23:45.557 As a donor,

NOTE Confidence: 0.7110288

00:23:45.557 --> 00:23:47.352 I was particularly drawn after

NOTE Confidence: 0.7110288

00:23:47.352 --> 00:23:48.400 talking with our,

NOTE Confidence: 0.7110288

00:23:48.400 --> 00:23:50.948 our doing advisors at Yale about some

NOTE Confidence: 0.7110288

00:23:50.948 --> 00:23:53.159 of the opportunities that exist there.

NOTE Confidence: 0.7110288

00:23:53.160 --> 00:23:54.492 And specifically,

NOTE Confidence: 0.7110288

00:23:54.492 --> 00:23:59.154 I've always looked at ways of improving
NOTE Confidence: 0.7110288

00:23:59.160 --> 00:24:01.085 a perspective from an institution
NOTE Confidence: 0.7110288

00:24:01.085 --> 00:24:03.010 on disadvantages that might exist
NOTE Confidence: 0.7110288

00:24:03.077 --> 00:24:04.917 either in the selection process,
NOTE Confidence: 0.7110288

00:24:04.920 --> 00:24:06.078 the mentorship process,
NOTE Confidence: 0.7110288

00:24:06.078 --> 00:24:08.780 or really even just in the daily
NOTE Confidence: 0.7110288

00:24:08.851 --> 00:24:10.916 experience of being a student.
NOTE Confidence: 0.7110288

00:24:10.920 --> 00:24:12.495 So after discussions with the
NOTE Confidence: 0.7110288

00:24:12.495 --> 00:24:14.753 development team in the AT at the
NOTE Confidence: 0.7110288

00:24:14.753 --> 00:24:16.638 Yale School of Medicine I felt
NOTE Confidence: 0.7110288

00:24:16.638 --> 00:24:18.591 particularly called to be a leader in
NOTE Confidence: 0.7110288

00:24:18.591 --> 00:24:21.315 the diversity and equity and inclusion space,
NOTE Confidence: 0.7110288

00:24:21.320 --> 00:24:23.480 which was just getting off the
NOTE Confidence: 0.7110288

00:24:23.480 --> 00:24:25.880 ground at that point and also
NOTE Confidence: 0.7110288

00:24:25.880 --> 00:24:28.280 in our student emergency fund.
NOTE Confidence: 0.7110288

00:24:28.280 --> 00:24:30.695 So at first glance a white male

NOTE Confidence: 0.7110288

00:24:30.695 --> 00:24:33.310 leader from the South seems like a

NOTE Confidence: 0.7110288

00:24:33.310 --> 00:24:35.560 weird advocate for the DEI fund.

NOTE Confidence: 0.7110288

00:24:35.560 --> 00:24:36.512 But like I said,

NOTE Confidence: 0.7110288

00:24:36.512 --> 00:24:39.199 I grew up in a kind of a a small town,

NOTE Confidence: 0.7110288

00:24:39.200 --> 00:24:41.825 rural community and I have felt both

NOTE Confidence: 0.7110288

00:24:41.825 --> 00:24:44.503 out of place and sometimes unincluded

NOTE Confidence: 0.7110288

00:24:44.503 --> 00:24:48.400 in lots of different environments in my life,

NOTE Confidence: 0.7110288

00:24:48.400 --> 00:24:49.105 not in life.

NOTE Confidence: 0.7110288

00:24:49.105 --> 00:24:51.102 When I first came to Yale I was

NOTE Confidence: 0.7110288

00:24:51.102 --> 00:24:53.153 definitely the fish out of water and

NOTE Confidence: 0.7110288

00:24:53.160 --> 00:24:56.282 my slow southern draw was always a

NOTE Confidence: 0.7110288

00:24:56.282 --> 00:24:59.240 unique feature of of my part of the rounds.

NOTE Confidence: 0.7110288

00:24:59.240 --> 00:25:01.360 So,

NOTE Confidence: 0.7110288

00:25:01.360 --> 00:25:03.840 but all to say,

NOTE Confidence: 0.7110288

00:25:03.840 --> 00:25:06.848 when one of the gifts of DI involvement

NOTE Confidence: 0.7110288

00:25:06.848 --> 00:25:09.850 that I have learned and really taken
NOTE Confidence: 0.7110288

00:25:09.850 --> 00:25:13.212 root in has been the message that DI is
NOTE Confidence: 0.7110288

00:25:13.212 --> 00:25:17.000 really something that involves all of us.
NOTE Confidence: 0.7110288

00:25:17.000 --> 00:25:19.760 It's really not related to any
NOTE Confidence: 0.7110288

00:25:19.760 --> 00:25:21.600 specific group or activity,
NOTE Confidence: 0.7110288

00:25:21.600 --> 00:25:23.292 but it's a concept.
NOTE Confidence: 0.7110288

00:25:23.292 --> 00:25:25.830 And in my mind that concept
NOTE Confidence: 0.7110288

00:25:25.920 --> 00:25:27.720 is one of belonging.
NOTE Confidence: 0.7110288

00:25:27.720 --> 00:25:30.500 I think the sense of belonging is what we all
NOTE Confidence: 0.5992321

00:25:30.570 --> 00:25:32.796 desire in our lives and our careers.
NOTE Confidence: 0.5992321

00:25:32.800 --> 00:25:34.543 I think that our efforts to improve
NOTE Confidence: 0.5992321

00:25:34.543 --> 00:25:36.518 access to all students and residents,
NOTE Confidence: 0.5992321

00:25:36.520 --> 00:25:38.800 fellows in the selection, mentorship,
NOTE Confidence: 0.5992321

00:25:38.800 --> 00:25:40.160 and then their daily interaction,
NOTE Confidence: 0.5992321

00:25:40.160 --> 00:25:41.720 should be at the core value.
NOTE Confidence: 0.5992321

00:25:41.720 --> 00:25:45.540 At Yale, I have come to understand

NOTE Confidence: 0.5992321

00:25:45.540 --> 00:25:47.240 the needs of our students,

NOTE Confidence: 0.5992321

00:25:47.240 --> 00:25:48.760 and it is clear, unfortunately,

NOTE Confidence: 0.5992321

00:25:48.760 --> 00:25:52.292 that there are still inequalities

NOTE Confidence: 0.5992321

00:25:52.292 --> 00:25:55.232 that exist and they're alive and

NOTE Confidence: 0.5992321

00:25:55.232 --> 00:25:57.672 well at our beloved institution.

NOTE Confidence: 0.5992321

00:25:57.680 --> 00:25:59.200 But we, the alumni,

NOTE Confidence: 0.5992321

00:25:59.200 --> 00:26:01.480 can fill some of that gap,

NOTE Confidence: 0.5992321

00:26:01.480 --> 00:26:05.442 and I have seen that first hand that gap.

NOTE Confidence: 0.5992321

00:26:05.442 --> 00:26:07.549 Some of the giving that has been

NOTE Confidence: 0.5992321

00:26:07.549 --> 00:26:09.356 given has been used to share,

NOTE Confidence: 0.5992321

00:26:09.360 --> 00:26:10.640 even to bare essentials

NOTE Confidence: 0.5992321

00:26:10.640 --> 00:26:12.240 for some of these students,

NOTE Confidence: 0.5992321

00:26:12.240 --> 00:26:15.438 such as clothing or even groceries.

NOTE Confidence: 0.5992321

00:26:15.440 --> 00:26:18.068 Our trainees should never feel embarrassed

NOTE Confidence: 0.5992321

00:26:18.068 --> 00:26:21.547 or lesser than for just not having the

NOTE Confidence: 0.5992321

00:26:21.547 --> 00:26:23.868 access to basic essentials of needs.
NOTE Confidence: 0.5992321

00:26:23.868 --> 00:26:26.206 We can make a difference to ensure
NOTE Confidence: 0.5992321

00:26:26.206 --> 00:26:28.822 that these are not the stressors that
NOTE Confidence: 0.5992321

00:26:28.822 --> 00:26:31.120 define their time and experience.
NOTE Confidence: 0.5992321

00:26:31.120 --> 00:26:36.360 While a student at Yale in December of 2021,
NOTE Confidence: 0.5992321

00:26:36.360 --> 00:26:39.160 we did make quite an impact as
NOTE Confidence: 0.5992321

00:26:39.160 --> 00:26:42.280 the inaugural donor to this newly
NOTE Confidence: 0.5992321

00:26:42.280 --> 00:26:43.400 established Diversity,
NOTE Confidence: 0.5992321

00:26:43.400 --> 00:26:45.560 Equity and Inclusion initiative.
NOTE Confidence: 0.5992321

00:26:45.560 --> 00:26:48.878 With the support of of the Fund,
NOTE Confidence: 0.5992321

00:26:48.878 --> 00:26:51.194 my family and I contributed to
NOTE Confidence: 0.5992321

00:26:51.194 --> 00:26:53.039 leverage the participation really
NOTE Confidence: 0.5992321

00:26:53.039 --> 00:26:55.799 from the YSM alumni community and
NOTE Confidence: 0.5992321

00:26:55.799 --> 00:26:57.997 the year end challenge resulted
NOTE Confidence: 0.5992321

00:26:57.997 --> 00:27:01.372 in nearly a \$440,000 a gift of
NOTE Confidence: 0.5992321

00:27:01.372 --> 00:27:04.037 support to the Yale students.

NOTE Confidence: 0.5992321

00:27:04.040 --> 00:27:06.595 I'm really thrilled and really touched it.

NOTE Confidence: 0.5992321

00:27:06.600 --> 00:27:09.449 It's very meaningful to me that we

NOTE Confidence: 0.5992321

00:27:09.449 --> 00:27:12.454 have been able to help students lives

NOTE Confidence: 0.5992321

00:27:12.454 --> 00:27:15.324 in this direct way that was really

NOTE Confidence: 0.5992321

00:27:15.324 --> 00:27:17.652 our most successful calendar year to

NOTE Confidence: 0.5992321

00:27:17.652 --> 00:27:20.920 record for the Yale School of Medicine.

NOTE Confidence: 0.5992321

00:27:20.920 --> 00:27:22.200 In those four short weeks,

NOTE Confidence: 0.5992321

00:27:22.200 --> 00:27:25.467 I'll tell you that 55 donors gave to the

NOTE Confidence: 0.5992321

00:27:25.467 --> 00:27:28.722 New DEI Fund to a total of around \$17,800.

NOTE Confidence: 0.5992321

00:27:28.722 --> 00:27:31.134 We welcomed 70 new alumni and

NOTE Confidence: 0.5992321

00:27:31.134 --> 00:27:33.640 friends to the donor community.

NOTE Confidence: 0.5992321

00:27:33.640 --> 00:27:36.880 We had more than 130 donors make larger

NOTE Confidence: 0.5992321

00:27:36.880 --> 00:27:39.719 gifts than they made the prior year

NOTE Confidence: 0.5992321

00:27:39.720 --> 00:27:42.504 and the school received 7 gifts at the

NOTE Confidence: 0.5992321

00:27:42.504 --> 00:27:44.878 10,000 plus level leadership level,

NOTE Confidence: 0.5992321

00:27:44.880 --> 00:27:48.600 two of which went on to be named for the
NOTE Confidence: 0.5992321

00:27:48.600 --> 00:27:51.200 one year Dorothy Hertzman scholarships.
NOTE Confidence: 0.5992321

00:27:51.200 --> 00:27:53.888 I'm thrilled to announce that tonight
NOTE Confidence: 0.5992321

00:27:53.888 --> 00:27:57.048 that my family plans to again provide
NOTE Confidence: 0.5992321

00:27:57.048 --> 00:27:59.760 a pledge of an additional 100,000
NOTE Confidence: 0.5992321

00:27:59.760 --> 00:28:02.714 to offer a new year end challenge.
NOTE Confidence: 0.5992321

00:28:02.720 --> 00:28:05.184 We'll be kicking this off this challenge
NOTE Confidence: 0.5992321

00:28:05.184 --> 00:28:07.452 on Giving Tuesday, November 28th,
NOTE Confidence: 0.5992321

00:28:07.452 --> 00:28:09.876 running through December 31st,
NOTE Confidence: 0.5992321

00:28:09.880 --> 00:28:12.016 and all gifts to the alumni
NOTE Confidence: 0.5992321

00:28:12.016 --> 00:28:13.440 fund will be matched.
NOTE Confidence: 0.5992321

00:28:13.440 --> 00:28:15.680 I promise you that we are making a
NOTE Confidence: 0.5992321

00:28:15.680 --> 00:28:17.878 difference in the lives of Yale students,
NOTE Confidence: 0.5992321

00:28:17.880 --> 00:28:18.424 residents,
NOTE Confidence: 0.5992321

00:28:18.424 --> 00:28:20.600 and fellows and trainees
NOTE Confidence: 0.94914037

00:28:21.640 --> 00:28:23.480 and that every dollar

NOTE Confidence: 0.94914037

00:28:23.520 --> 00:28:26.180 does matter. I hope that you will

NOTE Confidence: 0.94914037

00:28:26.180 --> 00:28:28.693 consider giving back and supporting the

NOTE Confidence: 0.94914037

00:28:28.693 --> 00:28:31.279 next generation of trainees at Yale.

NOTE Confidence: 0.94914037

00:28:31.280 --> 00:28:32.500 And if you've already made

NOTE Confidence: 0.94914037

00:28:32.500 --> 00:28:33.720 your gifts for this year,

NOTE Confidence: 0.94914037

00:28:33.720 --> 00:28:36.480 please think of us next year.

NOTE Confidence: 0.94914037

00:28:36.480 --> 00:28:37.000 Thanks, Mark.

NOTE Confidence: 0.846426

00:28:38.960 --> 00:28:40.440 Thank you so much, Paul.

NOTE Confidence: 0.846426

00:28:40.440 --> 00:28:44.276 You know, it's so amazing to see

NOTE Confidence: 0.846426

00:28:44.280 --> 00:28:46.956 that we have such generous support

NOTE Confidence: 0.846426

00:28:46.956 --> 00:28:49.235 and leadership from somebody who

NOTE Confidence: 0.846426

00:28:49.235 --> 00:28:51.355 completed his residency at Yale.

NOTE Confidence: 0.846426

00:28:51.360 --> 00:28:53.250 I was at Yale for medical

NOTE Confidence: 0.846426

00:28:53.250 --> 00:28:54.195 school and residency,

NOTE Confidence: 0.846426

00:28:54.200 --> 00:28:57.040 and I've often said that

NOTE Confidence: 0.846426

00:28:57.040 --> 00:28:58.400 I love them both equally,
NOTE Confidence: 0.846426

00:28:58.400 --> 00:28:59.845 which is something considering that
NOTE Confidence: 0.846426

00:28:59.845 --> 00:29:01.627 our residency was put on probation
NOTE Confidence: 0.846426

00:29:01.627 --> 00:29:03.027 a few times for overworking
NOTE Confidence: 0.846426

00:29:03.027 --> 00:29:04.679 the residence when I was there.
NOTE Confidence: 0.846426

00:29:04.680 --> 00:29:06.955 But I feel a bond for medical
NOTE Confidence: 0.846426

00:29:06.955 --> 00:29:09.479 school and a bond for residency,
NOTE Confidence: 0.846426

00:29:09.480 --> 00:29:10.640 and I think a lot of people do.
NOTE Confidence: 0.846426

00:29:10.640 --> 00:29:13.013 And I think it's something in the
NOTE Confidence: 0.846426

00:29:13.013 --> 00:29:15.758 alumni fund that we hope to work on
NOTE Confidence: 0.846426

00:29:15.758 --> 00:29:17.871 going forward to really engage the
NOTE Confidence: 0.846426

00:29:17.871 --> 00:29:19.980 residents who who went on to great
NOTE Confidence: 0.846426

00:29:19.980 --> 00:29:21.959 careers and really learned how to do that.
NOTE Confidence: 0.846426

00:29:21.960 --> 00:29:23.920 I always tell people the way I learned
NOTE Confidence: 0.846426

00:29:23.920 --> 00:29:26.199 to be a doctor came from two sources,
NOTE Confidence: 0.846426

00:29:26.200 --> 00:29:29.192 my father and Yale,

NOTE Confidence: 0.846426

00:29:29.192 --> 00:29:30.920 New Haven Hospital,

NOTE Confidence: 0.846426

00:29:30.920 --> 00:29:33.640 which didn't allow me to cut any quarters.

NOTE Confidence: 0.846426

00:29:33.640 --> 00:29:36.040 And if I did, believe me,

NOTE Confidence: 0.846426

00:29:36.040 --> 00:29:38.595 we didn't do it a second time.

NOTE Confidence: 0.846426

00:29:38.600 --> 00:29:41.392 So I want to thank both Doctor Lucy

NOTE Confidence: 0.846426

00:29:41.392 --> 00:29:44.300 and Doctor Tavarreau for helping us do

NOTE Confidence: 0.846426

00:29:44.300 --> 00:29:46.400 such great work at the medical school.

NOTE Confidence: 0.846426

00:29:46.400 --> 00:29:48.902 And I think we have a few minutes left

NOTE Confidence: 0.846426

00:29:48.902 --> 00:29:52.293 for actually more than a few minutes for
Q&A.

NOTE Confidence: 0.846426

00:29:52.293 --> 00:29:56.256 Unless I'm forgetting to do something.

NOTE Confidence: 0.846426

00:29:56.256 --> 00:29:59.878 So if you can ask your questions

NOTE Confidence: 0.846426

00:29:59.878 --> 00:30:02.719 by raising your hands on Zoom,

NOTE Confidence: 0.846426

00:30:02.720 --> 00:30:04.730 And I think because I'm so

NOTE Confidence: 0.846426

00:30:04.730 --> 00:30:05.400 technically incompetent,

NOTE Confidence: 0.846426

00:30:05.400 --> 00:30:08.208 I'm just going to let Amanda

NOTE Confidence: 0.846426
00:30:08.208 --> 00:30:10.640 actually call on you in turn.
NOTE Confidence: 0.76548535
00:30:14.320 --> 00:30:16.266 Yeah, please feel free to use the
NOTE Confidence: 0.76548535
00:30:16.266 --> 00:30:17.879 raise hand function or you can
NOTE Confidence: 0.76548535
00:30:17.879 --> 00:30:19.313 pop your question in the chat.
NOTE Confidence: 0.76548535
00:30:19.320 --> 00:30:20.796 As I mentioned at the beginning,
NOTE Confidence: 0.76548535
00:30:20.800 --> 00:30:22.576 it's it's really nice if you're
NOTE Confidence: 0.76548535
00:30:22.576 --> 00:30:24.064 comfortable to have your camera
NOTE Confidence: 0.76548535
00:30:24.064 --> 00:30:25.522 off and ask a question to
NOTE Confidence: 0.76548535
00:30:25.522 --> 00:30:27.000 help with the conversation.
NOTE Confidence: 0.76548535
00:30:27.000 --> 00:30:28.480 But please feel free.
NOTE Confidence: 0.76548535
00:30:28.480 --> 00:30:29.960 The raise hand function,
NOTE Confidence: 0.76548535
00:30:29.960 --> 00:30:30.764 as I mentioned,
NOTE Confidence: 0.76548535
00:30:30.764 --> 00:30:32.640 is at the bottom of your screen
NOTE Confidence: 0.76548535
00:30:35.560 --> 00:30:37.840 under reactions.
NOTE Confidence: 0.76548535
00:30:37.840 --> 00:30:40.840 You should be able to find it there,
NOTE Confidence: 0.76548535

00:30:40.840 --> 00:30:42.282 or feel free to unmute and you
NOTE Confidence: 0.76548535

00:30:42.282 --> 00:30:43.960 can go ahead and ask your question
NOTE Confidence: 0.76548535

00:30:43.960 --> 00:30:45.395 now if if you'd like as well.
NOTE Confidence: 0.43693367

00:30:51.160 --> 00:30:52.639 Well, go ahead.
NOTE Confidence: 0.43693367

00:30:53.640 --> 00:30:58.372 That's one question. They with respect
NOTE Confidence: 0.43693367

00:30:58.372 --> 00:31:02.080 to students who are struggling
NOTE Confidence: 0.43693367

00:31:04.200 --> 00:31:06.668 without knowledge of resources.
NOTE Confidence: 0.43693367

00:31:06.668 --> 00:31:12.252 Is there a a program set up where a
NOTE Confidence: 0.43693367

00:31:12.252 --> 00:31:18.160 student in bad straights can be advised
NOTE Confidence: 0.43693367

00:31:18.160 --> 00:31:19.880 either within the Medical Center,
NOTE Confidence: 0.43693367

00:31:19.880 --> 00:31:22.316 outside of it how to get support?
NOTE Confidence: 0.43693367

00:31:22.320 --> 00:31:24.800 I'll give you an example.
NOTE Confidence: 0.43693367

00:31:24.800 --> 00:31:26.792 I had an interaction in the
NOTE Confidence: 0.43693367

00:31:26.792 --> 00:31:29.730 last year with a student who
NOTE Confidence: 0.43693367

00:31:29.730 --> 00:31:33.755 had some major dental problems,
NOTE Confidence: 0.43693367

00:31:33.760 --> 00:31:38.856 and when we discussed it he indicated

NOTE Confidence: 0.43693367

00:31:38.856 --> 00:31:42.564 he had no idea how to get care

NOTE Confidence: 0.43693367

00:31:42.564 --> 00:31:45.039 since he could not afford it,

NOTE Confidence: 0.43693367

00:31:45.040 --> 00:31:46.438 which appalled me.

NOTE Confidence: 0.27101788

00:31:48.480 --> 00:31:51.438 But it happened at a time when

NOTE Confidence: 0.27101788

00:31:51.438 --> 00:31:53.826 nobody that he had presented his

NOTE Confidence: 0.27101788

00:31:53.826 --> 00:31:56.460 problem to was aware, for example,

NOTE Confidence: 0.27101788

00:31:56.460 --> 00:32:00.180 that we had a dental clinic at Yelling

NOTE Confidence: 0.27101788

00:32:00.180 --> 00:32:03.240 Haven Hospital and a dental residency.

NOTE Confidence: 0.27101788

00:32:03.240 --> 00:32:04.480 And I thought to myself,

NOTE Confidence: 0.27101788

00:32:04.480 --> 00:32:06.400 who does he talk to?

NOTE Confidence: 0.27101788

00:32:06.400 --> 00:32:09.120 And I think Jesse had,

NOTE Confidence: 0.27101788

00:32:09.120 --> 00:32:11.520 I I would ask you,

NOTE Confidence: 0.27101788

00:32:11.520 --> 00:32:15.422 are there faculty members or

NOTE Confidence: 0.27101788

00:32:15.422 --> 00:32:18.376 members of your staff that are close

NOTE Confidence: 0.27101788

00:32:18.376 --> 00:32:20.990 enough to the students to be able

NOTE Confidence: 0.27101788

00:32:20.990 --> 00:32:22.880 to identify problems like that?
NOTE Confidence: 0.5888976

00:32:25.000 --> 00:32:27.650 Yes, I think it's really
NOTE Confidence: 0.5888976

00:32:27.650 --> 00:32:30.600 important to know that the
NOTE Confidence: 0.9407947

00:32:30.600 --> 00:32:33.575 student emergency fund which in
NOTE Confidence: 0.9407947

00:32:33.575 --> 00:32:38.720 part was funded by alums and and
NOTE Confidence: 0.9407947

00:32:38.720 --> 00:32:42.354 Doctor Tavro himself is accessible
NOTE Confidence: 0.9407947

00:32:42.354 --> 00:32:44.976 to all students who are experiencing
NOTE Confidence: 0.9407947

00:32:44.976 --> 00:32:47.240 need like you're describing.
NOTE Confidence: 0.9407947

00:32:47.240 --> 00:32:51.472 And the our Dean of students,
NOTE Confidence: 0.9407947

00:32:51.472 --> 00:32:54.100 John Francis Dean Vasquez who is
NOTE Confidence: 0.9407947

00:32:54.184 --> 00:32:56.668 our Dean of Student Diversity as
NOTE Confidence: 0.9407947

00:32:56.668 --> 00:32:59.379 well as Dean Mendt and missions
NOTE Confidence: 0.9407947

00:32:59.379 --> 00:33:02.106 and financial aid are all aware
NOTE Confidence: 0.9407947

00:33:02.106 --> 00:33:05.060 of this and able to help students
NOTE Confidence: 0.9407947

00:33:05.154 --> 00:33:07.759 access that fund when needed.
NOTE Confidence: 0.9407947

00:33:07.760 --> 00:33:10.010 Each student also has an advisor

NOTE Confidence: 0.9407947

00:33:10.010 --> 00:33:12.609 and now with our new coaching

NOTE Confidence: 0.9407947

00:33:12.609 --> 00:33:14.650 program they will have a coach as

NOTE Confidence: 0.9407947

00:33:14.650 --> 00:33:16.284 well who who students can share

NOTE Confidence: 0.9407947

00:33:16.284 --> 00:33:17.679 these types of needs with.

NOTE Confidence: 0.9407947

00:33:17.680 --> 00:33:19.920 So I I think we're going to see

NOTE Confidence: 0.9407947

00:33:19.920 --> 00:33:23.435 students perhaps coming forward

NOTE Confidence: 0.9407947

00:33:23.435 --> 00:33:25.745 more easily because they have so

NOTE Confidence: 0.9407947

00:33:25.745 --> 00:33:28.000 many ways to access this funding.

NOTE Confidence: 0.9407947

00:33:28.000 --> 00:33:30.723 But it has been used for dental

NOTE Confidence: 0.9407947

00:33:30.723 --> 00:33:33.029 procedures for emergency travel when if

NOTE Confidence: 0.9407947

00:33:33.029 --> 00:33:35.507 somebody has a sick family member or

NOTE Confidence: 0.9407947

00:33:35.585 --> 00:33:38.154 there's been a death in their family.

NOTE Confidence: 0.9407947

00:33:38.160 --> 00:33:40.320 And over the past year,

NOTE Confidence: 0.9407947

00:33:40.320 --> 00:33:42.972 we have used the student emergency

NOTE Confidence: 0.9407947

00:33:42.972 --> 00:33:45.548 fund to support students experiencing

NOTE Confidence: 0.9407947

00:33:45.548 --> 00:33:46.998 food insecurity.
NOTE Confidence: 0.9407947

00:33:47.000 --> 00:33:49.821 And that's been something that is very
NOTE Confidence: 0.9407947

00:33:49.821 --> 00:33:52.599 important to us and to our students.
NOTE Confidence: 0.643036

00:33:55.280 --> 00:33:56.760 I will just add before.
NOTE Confidence: 0.643036

00:33:56.760 --> 00:33:58.040 Oh, sorry, go ahead, Peter.
NOTE Confidence: 0.643036

00:33:58.400 --> 00:34:01.016 Yeah. And I take it they're made aware
NOTE Confidence: 0.643036

00:34:01.016 --> 00:34:03.199 of these resources. Are they, Jessica?
NOTE Confidence: 0.643036

00:34:03.880 --> 00:34:06.556 Yes, yes. And I, you know,
NOTE Confidence: 0.643036

00:34:06.560 --> 00:34:09.378 I think that before COVID,
NOTE Confidence: 0.643036

00:34:09.378 --> 00:34:11.681 I don't think a lot of these
NOTE Confidence: 0.643036

00:34:11.681 --> 00:34:13.959 things were posted on our websites.
NOTE Confidence: 0.643036

00:34:13.960 --> 00:34:15.962 I think that and not that it
NOTE Confidence: 0.643036

00:34:15.962 --> 00:34:17.798 has anything to do with COVID,
NOTE Confidence: 0.643036

00:34:17.800 --> 00:34:20.496 but I feel like the team that really
NOTE Confidence: 0.643036

00:34:20.496 --> 00:34:22.618 was optimizing the use of technology
NOTE Confidence: 0.643036

00:34:22.618 --> 00:34:25.280 at the School of Medicine such as Zoom,

NOTE Confidence: 0.643036

00:34:25.280 --> 00:34:27.872 also then went through all of

NOTE Confidence: 0.643036

00:34:27.872 --> 00:34:30.075 our websites and realized how

NOTE Confidence: 0.643036

00:34:30.075 --> 00:34:32.040 much was not listed there.

NOTE Confidence: 0.643036

00:34:32.040 --> 00:34:34.250 So now the Student Emergency

NOTE Confidence: 0.643036

00:34:34.250 --> 00:34:37.440 Fund is listed on the Diversity,

NOTE Confidence: 0.643036

00:34:37.440 --> 00:34:39.420 Inclusion and Community Engagement

NOTE Confidence: 0.643036

00:34:39.420 --> 00:34:41.400 and Active Equity website,

NOTE Confidence: 0.643036

00:34:41.400 --> 00:34:43.280 which resides here in Harkness,

NOTE Confidence: 0.643036

00:34:43.280 --> 00:34:45.440 the building where the students

NOTE Confidence: 0.643036

00:34:45.440 --> 00:34:47.192 interface with medical administration

NOTE Confidence: 0.643036

00:34:47.192 --> 00:34:50.400 and it's also listed on student affairs.

NOTE Confidence: 0.643036

00:34:50.400 --> 00:34:53.724 It's talked about in the orientations

NOTE Confidence: 0.643036

00:34:53.724 --> 00:34:56.458 and we have a number of student

NOTE Confidence: 0.643036

00:34:56.458 --> 00:34:58.608 affinity groups as well who meet

NOTE Confidence: 0.643036

00:34:58.608 --> 00:35:00.839 and and meet with our Dean for

NOTE Confidence: 0.643036

00:35:00.839 --> 00:35:02.993 student Diversity to talk about all
NOTE Confidence: 0.643036

00:35:02.993 --> 00:35:04.999 the resources that are available.
NOTE Confidence: 0.39876983

00:35:07.440 --> 00:35:09.555 And I'll add that you know under the alumni
NOTE Confidence: 0.39876983

00:35:09.555 --> 00:35:11.184 fund there are several designations as
NOTE Confidence: 0.39876983

00:35:11.184 --> 00:35:13.557 many of you know that you can choose from.
NOTE Confidence: 0.39876983

00:35:13.560 --> 00:35:15.240 And this is one of those designations.
NOTE Confidence: 0.39876983

00:35:15.240 --> 00:35:18.040 And I was just working with our finance
NOTE Confidence: 0.39876983

00:35:18.040 --> 00:35:21.075 office over the past couple days around this.
NOTE Confidence: 0.39876983

00:35:21.080 --> 00:35:24.136 And I'll add on to Dina Luzi's comments
NOTE Confidence: 0.39876983

00:35:24.136 --> 00:35:27.615 that you know when this was added to
NOTE Confidence: 0.39876983

00:35:27.615 --> 00:35:30.230 the alumni fund designation three years
NOTE Confidence: 0.39876983

00:35:30.230 --> 00:35:33.208 ago that first year we saw about \$10,000
NOTE Confidence: 0.39876983

00:35:33.208 --> 00:35:35.192 worth of usage and in this last year,
NOTE Confidence: 0.39876983

00:35:35.200 --> 00:35:36.640 so just three years later,
NOTE Confidence: 0.39876983

00:35:36.640 --> 00:35:39.174 we've had over \$42,000 worth of need
NOTE Confidence: 0.39876983

00:35:39.174 --> 00:35:41.800 being served to our students in that.

NOTE Confidence: 0.39876983

00:35:41.800 --> 00:35:45.928 So that really speaks to the need in

NOTE Confidence: 0.39876983

00:35:45.928 --> 00:35:48.799 this space. And I, we got some hands up.

NOTE Confidence: 0.39876983

00:35:48.800 --> 00:35:50.558 So thank you for your questions.

NOTE Confidence: 0.39876983

00:35:50.560 --> 00:35:52.480 I will start with you Harold.

NOTE Confidence: 0.39876983

00:35:52.480 --> 00:35:54.000 Yeah. Well, actually IA,

NOTE Confidence: 0.39876983

00:35:54.000 --> 00:35:56.440 couple of questions and Jessica

NOTE Confidence: 0.7913034

00:35:56.440 --> 00:35:58.066 answered One, I want to know

NOTE Confidence: 0.7913034

00:35:58.066 --> 00:35:59.360 what was happening with the

NOTE Confidence: 0.8506664

00:36:00.000 --> 00:36:02.184 The Hunger need program.

NOTE Confidence: 0.8506664

00:36:02.184 --> 00:36:04.640 So that's going good. And

NOTE Confidence: 0.8803479

00:36:04.960 --> 00:36:06.760 I have to say I'm really

NOTE Confidence: 0.8803479

00:36:06.760 --> 00:36:09.560 impressed with what you've done in

NOTE Confidence: 0.8803479

00:36:09.560 --> 00:36:12.440 preserving and maintaining the L system.

NOTE Confidence: 0.8803479

00:36:12.440 --> 00:36:13.960 And my other question,

NOTE Confidence: 0.8803479

00:36:13.960 --> 00:36:15.840 my question is, I just wanted to

NOTE Confidence: 0.8803479

00:36:15.840 --> 00:36:17.880 clarify for everyone,
NOTE Confidence: 0.8803479

00:36:17.880 --> 00:36:20.274 I think I'm correct that the
NOTE Confidence: 0.8803479

00:36:20.274 --> 00:36:22.159 giving year ends June 30th,
NOTE Confidence: 0.8803479

00:36:22.160 --> 00:36:25.862 not December 31st. Yes,
NOTE Confidence: 0.8803479

00:36:25.862 --> 00:36:28.874 that is correct. For tax purposes,
NOTE Confidence: 0.8803479

00:36:28.880 --> 00:36:30.674 a lot of people consider the
NOTE Confidence: 0.8803479

00:36:30.674 --> 00:36:32.200 giving through the calendar year,
NOTE Confidence: 0.8803479

00:36:32.200 --> 00:36:34.755 but our fiscal year ends June 30th,
NOTE Confidence: 0.8803479

00:36:34.760 --> 00:36:36.120 correct? Yeah,
NOTE Confidence: 0.4330572

00:36:36.120 --> 00:36:37.680 'cause that's that's the year that
NOTE Confidence: 0.4330572

00:36:37.680 --> 00:36:40.520 counts towards your reunion year,
NOTE Confidence: 0.4330572

00:36:42.080 --> 00:36:43.400 right? But the challenge
NOTE Confidence: 0.4330572

00:36:43.400 --> 00:36:45.360 that Doctor Tabro was talking
NOTE Confidence: 0.4330572

00:36:45.360 --> 00:36:48.000 about will end December 31st for
NOTE Confidence: 0.4330572

00:36:48.000 --> 00:36:50.520 calendar year end. It will. OK.
NOTE Confidence: 0.4330572

00:36:54.840 --> 00:36:57.600 All right, Christine. Hi.

NOTE Confidence: 0.4330572

00:36:57.600 --> 00:37:00.840 Thank you all for all the work you do.

NOTE Confidence: 0.4330572

00:37:00.840 --> 00:37:02.568 I was just wondering,

NOTE Confidence: 0.4330572

00:37:02.568 --> 00:37:05.660 are the residents made aware of the

NOTE Confidence: 0.4330572

00:37:05.660 --> 00:37:08.380 fact that they are automatically

NOTE Confidence: 0.4330572

00:37:08.380 --> 00:37:11.132 members of the Ayam and that

NOTE Confidence: 0.4330572

00:37:11.132 --> 00:37:12.546 they're eligible to be officers

NOTE Confidence: 0.4330572

00:37:12.546 --> 00:37:16.040 to be on the executive committee?

NOTE Confidence: 0.4330572

00:37:16.040 --> 00:37:18.719 Are they made aware of that?

NOTE Confidence: 0.4330572

00:37:18.720 --> 00:37:20.140 That is a great question, Christine.

NOTE Confidence: 0.4330572

00:37:20.140 --> 00:37:22.120 And if I may and can I call on

NOTE Confidence: 0.4330572

00:37:22.175 --> 00:37:23.783 you as our Director of Alumni

NOTE Confidence: 0.4330572

00:37:23.783 --> 00:37:25.861 Engagement to give a a brief update

NOTE Confidence: 0.4330572

00:37:25.861 --> 00:37:27.441 for Christine and others around

NOTE Confidence: 0.4330572

00:37:27.441 --> 00:37:29.070 where things are sitting there?

NOTE Confidence: 0.4330572

00:37:29.070 --> 00:37:29.400 Sure.

NOTE Confidence: 0.593008

00:37:29.480 --> 00:37:30.599 We, we currently
NOTE Confidence: 0.593008

00:37:30.600 --> 00:37:33.084 have been meeting with the chairs
NOTE Confidence: 0.593008

00:37:33.084 --> 00:37:35.726 and the program directors for the
NOTE Confidence: 0.593008

00:37:35.726 --> 00:37:37.700 different programs to sort of get a
NOTE Confidence: 0.593008

00:37:37.700 --> 00:37:39.154 handle on the database and actually
NOTE Confidence: 0.593008

00:37:39.154 --> 00:37:40.879 putting those people into Hopper,
NOTE Confidence: 0.593008

00:37:40.880 --> 00:37:42.720 which is our database that
NOTE Confidence: 0.593008

00:37:42.720 --> 00:37:44.560 we use for alumni affairs.
NOTE Confidence: 0.593008

00:37:44.560 --> 00:37:46.510 I've been sort of informally calling
NOTE Confidence: 0.593008

00:37:46.510 --> 00:37:48.409 people and writing people to let
NOTE Confidence: 0.593008

00:37:48.409 --> 00:37:49.759 them know that they're alums.
NOTE Confidence: 0.593008

00:37:49.760 --> 00:37:51.356 Some people know, some people don't,
NOTE Confidence: 0.593008

00:37:51.360 --> 00:37:54.200 but it's a lot of excitement and energy
NOTE Confidence: 0.593008

00:37:54.200 --> 00:37:56.867 from former alums who are fellows or
NOTE Confidence: 0.593008

00:37:56.867 --> 00:37:59.658 residents at Yale and Yale affiliate
NOTE Confidence: 0.593008

00:37:59.658 --> 00:38:01.754 hospitals about this opportunity.

NOTE Confidence: 0.593008

00:38:01.760 --> 00:38:04.371 We are currently working with the team

NOTE Confidence: 0.593008

00:38:04.371 --> 00:38:06.638 to also do a mailing early this year,

NOTE Confidence: 0.593008

00:38:06.640 --> 00:38:09.143 year, next year, I should say 2024.

NOTE Confidence: 0.593008

00:38:09.143 --> 00:38:11.824 So everyone's going to be basically informed

NOTE Confidence: 0.593008

00:38:11.824 --> 00:38:14.318 that they now have these privileges,

NOTE Confidence: 0.593008

00:38:14.320 --> 00:38:17.092 privileges and are part of Ayam are

NOTE Confidence: 0.593008

00:38:17.092 --> 00:38:19.094 going to be getting a new updated

NOTE Confidence: 0.593008

00:38:19.094 --> 00:38:20.541 alumni brochure that's going to

NOTE Confidence: 0.593008

00:38:20.541 --> 00:38:22.720 be in print as well as digital.

NOTE Confidence: 0.593008

00:38:22.720 --> 00:38:23.916 And we have about,

NOTE Confidence: 0.593008

00:38:23.916 --> 00:38:25.710 I think about 2000 more people

NOTE Confidence: 0.593008

00:38:25.780 --> 00:38:27.796 that were adding to the database,

NOTE Confidence: 0.593008

00:38:27.800 --> 00:38:30.355 about 5000 residents and fellows

NOTE Confidence: 0.593008

00:38:30.355 --> 00:38:32.399 have already been entered.

NOTE Confidence: 0.593008

00:38:32.400 --> 00:38:34.227 So that work is actively in in

NOTE Confidence: 0.593008

00:38:34.227 --> 00:38:36.039 progress and we should be hitting
NOTE Confidence: 0.593008

00:38:36.040 --> 00:38:38.120 2024 running and getting those
NOTE Confidence: 0.593008

00:38:38.120 --> 00:38:40.200 people incorporated into the system.
NOTE Confidence: 0.38492605

00:38:41.240 --> 00:38:43.200 Thank you. Thanks a lot.
NOTE Confidence: 0.38492605

00:38:43.200 --> 00:38:45.332 And I do want to give a a shout out for
NOTE Confidence: 0.38492605

00:38:45.332 --> 00:38:47.432 Doctor Tabarro because he has been very
NOTE Confidence: 0.38492605

00:38:47.432 --> 00:38:49.441 instrumental in working and helping push
NOTE Confidence: 0.38492605

00:38:49.441 --> 00:38:52.280 that initiative as a a former resident alum.
NOTE Confidence: 0.38492605

00:38:52.280 --> 00:38:54.037 So you know in addition to his
NOTE Confidence: 0.38492605

00:38:54.037 --> 00:38:55.520 support of the alumni fund,
NOTE Confidence: 0.38492605

00:38:55.520 --> 00:38:57.424 he's really been an an advocate as it's
NOTE Confidence: 0.38492605

00:38:57.424 --> 00:38:59.519 we've been working to get this accomplished.
NOTE Confidence: 0.38492605

00:38:59.520 --> 00:39:00.600 So thank you again for that,
NOTE Confidence: 0.38492605

00:39:00.600 --> 00:39:02.916 Doctor Tabarro. I would love to,
NOTE Confidence: 0.38492605

00:39:02.920 --> 00:39:06.512 I would love to see more residents on
NOTE Confidence: 0.38492605

00:39:06.512 --> 00:39:09.528 the executive committee and I think it

NOTE Confidence: 0.38492605

00:39:09.528 --> 00:39:12.880 would just add a huge new dimension.

NOTE Confidence: 0.38492605

00:39:12.880 --> 00:39:15.738 We still have to do a lot

NOTE Confidence: 0.38492605

00:39:15.738 --> 00:39:16.596 of recruiting though.

NOTE Confidence: 0.38492605

00:39:16.600 --> 00:39:17.320 Thank you, Anne.

NOTE Confidence: 0.75746435

00:39:19.800 --> 00:39:20.120 Richard,

NOTE Confidence: 0.75746435

00:39:21.600 --> 00:39:24.931 Hello, thanks very much.

NOTE Confidence: 0.75746435

00:39:24.931 --> 00:39:28.776 And I wanted to quickly ask if we

NOTE Confidence: 0.75746435

00:39:28.776 --> 00:39:31.240 as agents could get a little bit of

NOTE Confidence: 0.75746435

00:39:31.321 --> 00:39:33.876 wording about this wonderful match

NOTE Confidence: 0.75746435

00:39:33.880 --> 00:39:36.360 that Paul has described to us so that

NOTE Confidence: 0.75746435

00:39:36.360 --> 00:39:39.638 we could sort of have something to,

NOTE Confidence: 0.75746435

00:39:39.640 --> 00:39:42.104 you know, speak directly to it when

NOTE Confidence: 0.75746435

00:39:42.104 --> 00:39:44.646 we write our little notes or call

NOTE Confidence: 0.75746435

00:39:44.646 --> 00:39:48.440 our call our designated students.

NOTE Confidence: 0.75746435

00:39:48.440 --> 00:39:50.040 The second thing is,

NOTE Confidence: 0.75746435

00:39:50.040 --> 00:39:52.440 I'm sure everybody has been aware
NOTE Confidence: 0.75746435

00:39:52.440 --> 00:39:54.660 of the mental health issues that
NOTE Confidence: 0.75746435

00:39:54.660 --> 00:39:57.877 have been going on for students and
NOTE Confidence: 0.75746435

00:39:57.877 --> 00:40:00.872 student involvement in in obtaining
NOTE Confidence: 0.75746435

00:40:00.872 --> 00:40:04.074 increased mental health assistance both
NOTE Confidence: 0.75746435

00:40:04.074 --> 00:40:06.678 within the colleges and the school,
NOTE Confidence: 0.75746435

00:40:06.680 --> 00:40:08.948 and if so, for those who have to leave
NOTE Confidence: 0.75746435

00:40:08.948 --> 00:40:10.716 school for one reason or another.
NOTE Confidence: 0.6435937

00:40:13.040 --> 00:40:15.165 One thing that was mentioned
NOTE Confidence: 0.6435937

00:40:15.165 --> 00:40:18.024 in the college aspect of was
NOTE Confidence: 0.6435937

00:40:18.024 --> 00:40:20.600 that the individual colleges,
NOTE Confidence: 0.6435937

00:40:20.600 --> 00:40:23.640 Pearson TD and whatnot.
NOTE Confidence: 0.6435937

00:40:23.640 --> 00:40:27.136 Could be a source for the sort of
NOTE Confidence: 0.6435937

00:40:27.136 --> 00:40:29.184 individual counseling and more sort
NOTE Confidence: 0.6435937

00:40:29.184 --> 00:40:30.973 of private type of conversation
NOTE Confidence: 0.6435937

00:40:30.973 --> 00:40:33.304 that needs to go on for people

NOTE Confidence: 0.6435937

00:40:33.304 --> 00:40:35.524 having difficulties what what is

NOTE Confidence: 0.6435937

00:40:35.524 --> 00:40:38.350 the planned or thought about for

NOTE Confidence: 0.6435937

00:40:38.433 --> 00:40:40.948 the medical school and particularly

NOTE Confidence: 0.6435937

00:40:40.948 --> 00:40:44.200 with the initiation of the colleges

NOTE Confidence: 0.6435937

00:40:44.200 --> 00:40:47.206 being able to you know incorporate

NOTE Confidence: 0.6435937

00:40:47.206 --> 00:40:50.346 these these needs into the the

NOTE Confidence: 0.6435937

00:40:50.346 --> 00:40:51.876 individual levels of our students.

NOTE Confidence: 0.7022909

00:40:53.800 --> 00:40:57.391 I can comment on that two.

NOTE Confidence: 0.7022909

00:40:57.391 --> 00:41:00.199 About two years ago we had a group

NOTE Confidence: 0.7022909

00:41:00.199 --> 00:41:03.184 of students come forward to speak

NOTE Confidence: 0.7022909

00:41:03.184 --> 00:41:06.052 with the Dean talking about the

NOTE Confidence: 0.7022909

00:41:06.052 --> 00:41:09.436 challenges in getting access to timely

NOTE Confidence: 0.7022909

00:41:09.436 --> 00:41:12.519 mental health care at Yale Health.

NOTE Confidence: 0.7022909

00:41:12.520 --> 00:41:15.348 I think what was happening at Yale

NOTE Confidence: 0.7022909

00:41:15.348 --> 00:41:18.138 Health and across the country at other

NOTE Confidence: 0.7022909

00:41:18.138 --> 00:41:21.239 schools is that there was a much more,
NOTE Confidence: 0.7022909

00:41:21.240 --> 00:41:24.103 a much larger demand for mental health
NOTE Confidence: 0.7022909

00:41:24.103 --> 00:41:26.738 care than many of the University
NOTE Confidence: 0.7022909

00:41:26.738 --> 00:41:29.392 Health services were able to meet.
NOTE Confidence: 0.7022909

00:41:29.392 --> 00:41:32.416 And so the Dean actually put together
NOTE Confidence: 0.7022909

00:41:32.416 --> 00:41:35.787 a group to put together that designed
NOTE Confidence: 0.7022909

00:41:35.787 --> 00:41:38.790 a new student mental health and
NOTE Confidence: 0.7022909

00:41:38.790 --> 00:41:41.778 Wellness program at Yale School of
NOTE Confidence: 0.7022909

00:41:41.778 --> 00:41:44.758 Medicine and it is now fully funded.
NOTE Confidence: 0.7022909

00:41:44.760 --> 00:41:48.960 We have a licensed clinical social worker,
NOTE Confidence: 0.7022909

00:41:48.960 --> 00:41:52.560 a clinical psychologist and a Wellness
NOTE Confidence: 0.7022909

00:41:52.560 --> 00:41:55.634 counselor that are dedicated to the
NOTE Confidence: 0.7022909

00:41:55.634 --> 00:41:57.993 students at the Yale School of Medicine.
NOTE Confidence: 0.7022909

00:41:58.000 --> 00:42:00.760 And so now students are able to get
NOTE Confidence: 0.7022909

00:42:00.760 --> 00:42:03.370 same day appointments when needed
NOTE Confidence: 0.7022909

00:42:03.370 --> 00:42:06.485 for counseling if they and they can

NOTE Confidence: 0.7022909

00:42:06.485 --> 00:42:09.036 continue to see these individuals you

NOTE Confidence: 0.7022909

00:42:09.036 --> 00:42:12.604 know for six times and then if they need

NOTE Confidence: 0.7022909

00:42:12.604 --> 00:42:15.200 longer care they get an easy referral

NOTE Confidence: 0.7022909

00:42:15.200 --> 00:42:18.000 to Yale Health because the the service

NOTE Confidence: 0.7022909

00:42:18.000 --> 00:42:20.563 acts as a referral entity as well.

NOTE Confidence: 0.7022909

00:42:20.563 --> 00:42:22.489 The other thing I'd point out

NOTE Confidence: 0.7022909

00:42:22.489 --> 00:42:24.967 is that they've developed a lot

NOTE Confidence: 0.7022909

00:42:24.967 --> 00:42:27.112 of Wellness programming that is

NOTE Confidence: 0.7022909

00:42:27.112 --> 00:42:28.800 essentially Co curricular.

NOTE Confidence: 0.7022909

00:42:28.800 --> 00:42:30.732 So it's helping support our students

NOTE Confidence: 0.7022909

00:42:30.732 --> 00:42:32.480 in the pre clerkship period.

NOTE Confidence: 0.7022909

00:42:32.480 --> 00:42:33.290 For example,

NOTE Confidence: 0.7022909

00:42:33.290 --> 00:42:35.315 when they're going through anatomy,

NOTE Confidence: 0.7022909

00:42:35.320 --> 00:42:38.736 the counselors come to meet students after

NOTE Confidence: 0.7022909

00:42:38.736 --> 00:42:43.040 the anatomy lab to have sessions to debrief.

NOTE Confidence: 0.7022909

00:42:43.040 --> 00:42:44.692 And then during clerkships,
NOTE Confidence: 0.7022909

00:42:44.692 --> 00:42:47.628 when things can become even, you know,
NOTE Confidence: 0.7022909

00:42:47.628 --> 00:42:49.798 stressful in a different way,
NOTE Confidence: 0.7022909

00:42:49.800 --> 00:42:51.648 there are sessions that they help
NOTE Confidence: 0.7022909

00:42:51.648 --> 00:42:52.880 hold with those students.
NOTE Confidence: 0.7022909

00:42:52.880 --> 00:42:54.745 And then again in preparing
NOTE Confidence: 0.7022909

00:42:54.745 --> 00:42:56.237 for applying to residency.
NOTE Confidence: 0.7022909

00:42:56.240 --> 00:42:58.550 So, you know,
NOTE Confidence: 0.7022909

00:42:58.550 --> 00:43:00.800 this was something that the LCME
NOTE Confidence: 0.7022909

00:43:00.800 --> 00:43:02.958 accrediting body wanted to hear about.
NOTE Confidence: 0.7022909

00:43:02.960 --> 00:43:04.682 And I know that many other schools
NOTE Confidence: 0.7022909

00:43:04.682 --> 00:43:06.278 are struggling to meet these needs.
NOTE Confidence: 0.7022909

00:43:06.280 --> 00:43:08.740 And I'm really proud that, you know,
NOTE Confidence: 0.7022909

00:43:08.740 --> 00:43:10.840 when we first did the survey,
NOTE Confidence: 0.7022909

00:43:10.840 --> 00:43:13.528 we had over 50% of students saying
NOTE Confidence: 0.7022909

00:43:13.528 --> 00:43:15.512 they were dissatisfied with the

NOTE Confidence: 0.7022909

00:43:15.512 --> 00:43:17.402 services provided at the School

NOTE Confidence: 0.7022909

00:43:17.402 --> 00:43:19.279 of Medicine two years ago.

NOTE Confidence: 0.7022909

00:43:19.280 --> 00:43:22.088 And now over 96% of students

NOTE Confidence: 0.7022909

00:43:22.088 --> 00:43:24.668 are reporting that they are

NOTE Confidence: 0.7022909

00:43:24.668 --> 00:43:27.116 satisfied or highly satisfied.

NOTE Confidence: 0.7022909

00:43:27.120 --> 00:43:29.206 It's something that I don't think any

NOTE Confidence: 0.7022909

00:43:29.206 --> 00:43:31.239 other medical school has yet accomplished.

NOTE Confidence: 0.7022909

00:43:31.240 --> 00:43:33.160 So it's something that we're really proud of.

NOTE Confidence: 0.39717093

00:43:34.400 --> 00:43:35.798 That sounds great. I'm sure Al,

NOTE Confidence: 0.39717093

00:43:35.800 --> 00:43:37.599 while is happy to hear that too,

NOTE Confidence: 0.39717093

00:43:37.600 --> 00:43:39.196 because as you know,

NOTE Confidence: 0.39717093

00:43:39.196 --> 00:43:41.590 our class had a particular experience

NOTE Confidence: 0.39717093

00:43:41.661 --> 00:43:44.032 with this 50 years ago and have sort

NOTE Confidence: 0.39717093

00:43:44.032 --> 00:43:46.637 of been tuned to this over the years.

NOTE Confidence: 0.39717093

00:43:46.640 --> 00:43:47.760 So thank you very much.

NOTE Confidence: 0.7988555

00:43:54.010 --> 00:43:55.468 And Richard, I'll add that you

NOTE Confidence: 0.7988555

00:43:55.468 --> 00:43:56.918 know Bridget is going to give

NOTE Confidence: 0.7988555

00:43:56.918 --> 00:43:58.395 a a brief update for the class

NOTE Confidence: 0.7988555

00:43:58.395 --> 00:43:59.810 agents right after this, but we'll

NOTE Confidence: 0.7988555

00:43:59.810 --> 00:44:01.985 absolutely have language to support

NOTE Confidence: 0.7988555

00:44:01.985 --> 00:44:04.010 you for outreach. Great. Thank you.

NOTE Confidence: 0.7988555

00:44:12.650 --> 00:44:13.930 Other questions.

NOTE Confidence: 0.7988555

00:44:22.410 --> 00:44:25.760 I have a question. Yes,

NOTE Confidence: 0.7988555

00:44:25.760 --> 00:44:28.760 go ahead. The questions

NOTE Confidence: 0.32411525

00:44:28.760 --> 00:44:30.120 about the Yale Journal

NOTE Confidence: 0.32411525

00:44:30.120 --> 00:44:31.480 of Biology and Medicine,

NOTE Confidence: 0.32411525

00:44:32.400 --> 00:44:37.520 is that part of the same philanthropic

NOTE Confidence: 0.32411525

00:44:37.520 --> 00:44:41.413 group that you're overseeing?

NOTE Confidence: 0.32411525

00:44:41.413 --> 00:44:44.397 Or when they reach out to us is,

NOTE Confidence: 0.32411525

00:44:44.400 --> 00:44:46.760 is that sort of a very separate entity?

NOTE Confidence: 0.32411525

00:44:46.760 --> 00:44:48.960 Is it under your umbrella?

NOTE Confidence: 0.32411525

00:44:48.960 --> 00:44:52.120 It is under medical education.

NOTE Confidence: 0.32411525

00:44:52.120 --> 00:44:55.160 The yes, and the Yale Journal for Biology

NOTE Confidence: 0.32411525

00:44:55.160 --> 00:44:58.040 and Medicine I would like to share has had

NOTE Confidence: 0.32411525

00:44:58.040 --> 00:45:01.196 an enormous increase in its readership.

NOTE Confidence: 0.32411525

00:45:01.200 --> 00:45:03.568 So, you know, back 30-40 years ago it

NOTE Confidence: 0.32411525

00:45:03.568 --> 00:45:06.258 was a printed version of the journal

NOTE Confidence: 0.32411525

00:45:06.258 --> 00:45:08.840 and so therefore had limited access.

NOTE Confidence: 0.32411525

00:45:08.840 --> 00:45:12.046 But now that it's published online and

NOTE Confidence: 0.32411525

00:45:12.046 --> 00:45:15.717 people can access it from all over the world,

NOTE Confidence: 0.32411525

00:45:15.720 --> 00:45:18.840 we get hundreds of thousands of

NOTE Confidence: 0.32411525

00:45:18.840 --> 00:45:21.592 people reading the articles that

NOTE Confidence: 0.32411525

00:45:21.592 --> 00:45:23.920 our students are publishing.

NOTE Confidence: 0.32411525

00:45:23.920 --> 00:45:24.880 And as you know,

NOTE Confidence: 0.32411525

00:45:24.880 --> 00:45:26.080 the students are the editors,

NOTE Confidence: 0.32411525

00:45:26.080 --> 00:45:27.608 not necessarily the writers.

NOTE Confidence: 0.32411525

00:45:27.608 --> 00:45:29.518 So we're getting submissions from
NOTE Confidence: 0.32411525

00:45:29.518 --> 00:45:31.845 all over the world and then we
NOTE Confidence: 0.32411525

00:45:31.845 --> 00:45:33.507 are publishing on different topics
NOTE Confidence: 0.32411525

00:45:33.507 --> 00:45:35.595 and our journal has actually had
NOTE Confidence: 0.32411525

00:45:35.595 --> 00:45:37.280 an increasing impact factor,
NOTE Confidence: 0.67527014

00:45:42.230 --> 00:45:44.830 which we are, we are all amazed by.
NOTE Confidence: 0.67527014

00:45:44.830 --> 00:45:46.923 It's such a great experience for our
NOTE Confidence: 0.67527014

00:45:46.923 --> 00:45:49.102 students to be able to kind of learn
NOTE Confidence: 0.67527014

00:45:49.102 --> 00:45:51.210 how articles are reviewed and published
NOTE Confidence: 0.67527014

00:45:51.210 --> 00:45:53.527 and determine whether or not the
NOTE Confidence: 0.67527014

00:45:53.527 --> 00:45:55.390 appropriate methods were used. You know
NOTE Confidence: 0.67527014

00:45:55.390 --> 00:45:56.790 it's it's a really great
NOTE Confidence: 0.67527014

00:45:56.790 --> 00:45:57.910 experience for the students.
NOTE Confidence: 0.67527014

00:46:00.230 --> 00:46:02.530 That's great. Thank you. May may I
NOTE Confidence: 0.67527014

00:46:02.530 --> 00:46:03.750 ask one other unrelated question
NOTE Confidence: 0.67527014

00:46:06.390 --> 00:46:11.918 that is if you could share with us

NOTE Confidence: 0.67527014

00:46:11.920 --> 00:46:16.546 approximately the number of students

NOTE Confidence: 0.67527014

00:46:16.546 --> 00:46:20.645 going into what some would consider to

NOTE Confidence: 0.67527014

00:46:20.645 --> 00:46:23.200 be a primary care training program.

NOTE Confidence: 0.67527014

00:46:23.200 --> 00:46:25.588 And I know that all internal medicine

NOTE Confidence: 0.67527014

00:46:25.588 --> 00:46:27.800 programs count as that and and most

NOTE Confidence: 0.67527014

00:46:27.800 --> 00:46:29.459 people training and I am do not

NOTE Confidence: 0.67527014

00:46:29.459 --> 00:46:31.038 go into primary care but I just.

NOTE Confidence: 0.67527014

00:46:31.040 --> 00:46:32.918 I just wonder how we're doing

NOTE Confidence: 0.67527014

00:46:32.920 --> 00:46:35.400 on on that front.

NOTE Confidence: 0.67527014

00:46:35.400 --> 00:46:37.560 I'm often asked that by

NOTE Confidence: 0.67527014

00:46:37.560 --> 00:46:38.732 classmates of of mine.

NOTE Confidence: 0.67527014

00:46:38.732 --> 00:46:40.872 So I just want to have an

NOTE Confidence: 0.67527014

00:46:40.872 --> 00:46:42.714 answer for them and you answer

NOTE Confidence: 0.8769288

00:46:42.960 --> 00:46:44.840 thank you. Yes. I

NOTE Confidence: 0.8769288

00:46:44.840 --> 00:46:48.080 don't have the exact numbers in front of me,

NOTE Confidence: 0.8769288

00:46:48.080 --> 00:46:52.864 but it it it's about 10% which I is
NOTE Confidence: 0.8769288

00:46:52.864 --> 00:46:56.680 much lower than other medical schools.
NOTE Confidence: 0.8769288

00:46:56.680 --> 00:47:00.320 The the school has, you know,
NOTE Confidence: 0.8769288

00:47:00.320 --> 00:47:02.185 acknowledged that this is lower
NOTE Confidence: 0.8769288

00:47:02.185 --> 00:47:04.240 than other medical schools and is
NOTE Confidence: 0.7604358

00:47:06.520 --> 00:47:08.319 kind of in the middle of debating
NOTE Confidence: 0.7604358

00:47:08.319 --> 00:47:09.931 whether or not we should try
NOTE Confidence: 0.7604358

00:47:09.931 --> 00:47:11.236 to change our focus here.
NOTE Confidence: 0.7604358

00:47:11.240 --> 00:47:13.604 I think what's happening in in
NOTE Confidence: 0.7604358

00:47:13.604 --> 00:47:16.680 that we have a required thesis,
NOTE Confidence: 0.7604358

00:47:16.680 --> 00:47:19.395 many students come here interested
NOTE Confidence: 0.7604358

00:47:19.395 --> 00:47:21.567 in becoming physician scientists
NOTE Confidence: 0.7604358

00:47:21.567 --> 00:47:24.211 and end up pursuing those
NOTE Confidence: 0.7604358

00:47:24.211 --> 00:47:26.235 paths toward academic medicine.
NOTE Confidence: 0.7604358

00:47:26.240 --> 00:47:28.473 But I think what we're trying to
NOTE Confidence: 0.7604358

00:47:28.473 --> 00:47:31.803 do is to point out that one can

NOTE Confidence: 0.7604358

00:47:31.803 --> 00:47:34.098 still pursue scholarship in academic

NOTE Confidence: 0.7604358

00:47:34.177 --> 00:47:36.652 medicine from a primary care

NOTE Confidence: 0.7604358

00:47:36.652 --> 00:47:38.967 vantage point like HealthEquity and

NOTE Confidence: 0.7604358

00:47:38.967 --> 00:47:41.752 really addressing the needs of our

NOTE Confidence: 0.7604358

00:47:41.752 --> 00:47:43.992 population in the United States.

NOTE Confidence: 0.7604358

00:47:44.000 --> 00:47:46.107 So I I think we're probably going

NOTE Confidence: 0.7604358

00:47:46.107 --> 00:47:48.470 to see that number increasing our

NOTE Confidence: 0.7604358

00:47:48.470 --> 00:47:50.780 our Department of General Internal

NOTE Confidence: 0.7604358

00:47:50.780 --> 00:47:53.234 Medicine has been increasing and

NOTE Confidence: 0.7604358

00:47:53.234 --> 00:47:55.056 producing more and more scholarship

NOTE Confidence: 0.7604358

00:47:55.056 --> 00:47:57.480 that's having an impact on the field.

NOTE Confidence: 0.77530843

00:48:00.200 --> 00:48:02.240 Yes, thank you so much. Appreciate it.

NOTE Confidence: 0.86675507

00:48:22.640 --> 00:48:25.027 I know in my presentation I was

NOTE Confidence: 0.86675507

00:48:25.027 --> 00:48:27.803 only able to cover some of the

NOTE Confidence: 0.86675507

00:48:27.803 --> 00:48:30.311 items that we're very excited about.

NOTE Confidence: 0.86675507

00:48:30.320 --> 00:48:32.315 But if there are a couple minutes,
NOTE Confidence: 0.86675507

00:48:32.320 --> 00:48:34.592 I want to point out a few other
NOTE Confidence: 0.86675507

00:48:34.592 --> 00:48:36.359 things that we've been doing.
NOTE Confidence: 0.86675507

00:48:36.360 --> 00:48:39.438 One of them is to improve,
NOTE Confidence: 0.86675507

00:48:39.440 --> 00:48:40.838 as you saw with the slides,
NOTE Confidence: 0.86675507

00:48:40.840 --> 00:48:45.026 the teaching of anatomy really bringing
NOTE Confidence: 0.86675507

00:48:45.026 --> 00:48:47.318 technology into the classroom.
NOTE Confidence: 0.86675507

00:48:47.320 --> 00:48:49.637 The other thing though is that we're
NOTE Confidence: 0.86675507

00:48:49.637 --> 00:48:52.052 trying to improve the teaching of of
NOTE Confidence: 0.86675507

00:48:52.052 --> 00:48:54.080 anatomy across the whole four years.
NOTE Confidence: 0.86675507

00:48:54.080 --> 00:48:57.286 We were recently able to recruit new
NOTE Confidence: 0.86675507

00:48:57.286 --> 00:49:00.918 faculty from the departments of Pathology,
NOTE Confidence: 0.86675507

00:49:00.920 --> 00:49:03.595 Radiologic imaging and surgery to
NOTE Confidence: 0.86675507

00:49:03.595 --> 00:49:06.270 become associate course directors in
NOTE Confidence: 0.86675507

00:49:06.353 --> 00:49:08.873 anatomy so that students can learn
NOTE Confidence: 0.86675507

00:49:08.873 --> 00:49:12.055 about how anatomy is applied early on

NOTE Confidence: 0.86675507

00:49:12.055 --> 00:49:15.037 and begin to potentially even think

NOTE Confidence: 0.86675507

00:49:15.037 --> 00:49:17.837 about surgical careers for example.

NOTE Confidence: 0.86675507

00:49:17.840 --> 00:49:20.605 And then when the they go through

NOTE Confidence: 0.86675507

00:49:20.605 --> 00:49:22.699 their clerkships and they emerge

NOTE Confidence: 0.86675507

00:49:22.699 --> 00:49:24.359 out of the clerkships,

NOTE Confidence: 0.86675507

00:49:24.360 --> 00:49:26.960 we've created a new advanced

NOTE Confidence: 0.86675507

00:49:26.960 --> 00:49:28.520 surgical anatomy course.

NOTE Confidence: 0.86675507

00:49:28.520 --> 00:49:34.278 And that course was was funded by

NOTE Confidence: 0.86675507

00:49:34.278 --> 00:49:38.080 a generous donor who may or may not

NOTE Confidence: 0.96327466

00:49:38.080 --> 00:49:39.120 be on this call.

NOTE Confidence: 0.96327466

00:49:41.000 --> 00:49:43.928 But I understand that he'd been

NOTE Confidence: 0.96327466

00:49:43.928 --> 00:49:45.392 thinking about potentially

NOTE Confidence: 0.8563219

00:49:47.440 --> 00:49:49.875 asking his classmates to match

NOTE Confidence: 0.8563219

00:49:49.875 --> 00:49:52.840 funding to help us expand that.

NOTE Confidence: 0.8563219

00:49:52.840 --> 00:49:56.368 So we we we did the advanced surgical

NOTE Confidence: 0.8563219

00:49:56.368 --> 00:49:58.557 anatomy elective last year and
NOTE Confidence: 0.8563219

00:49:58.557 --> 00:50:01.112 held it for eight students with
NOTE Confidence: 0.8563219

00:50:01.112 --> 00:50:03.160 many surgical faculty involved.
NOTE Confidence: 0.8563219

00:50:03.160 --> 00:50:06.200 And so this is going back to the anatomy lab,
NOTE Confidence: 0.8563219

00:50:06.200 --> 00:50:10.560 working with cadavers, dissecting,
NOTE Confidence: 0.8563219

00:50:10.560 --> 00:50:12.280 you know, specimens like calf,
NOTE Confidence: 0.8563219

00:50:12.280 --> 00:50:13.688 calf hearts and such.
NOTE Confidence: 0.8563219

00:50:13.688 --> 00:50:16.140 Learning, learning some really
NOTE Confidence: 0.8563219

00:50:16.140 --> 00:50:17.682 advanced procedural skills.
NOTE Confidence: 0.8563219

00:50:17.682 --> 00:50:21.630 And we'd like to be able to offer that
NOTE Confidence: 0.8563219

00:50:21.630 --> 00:50:24.594 to more students and encourage more
NOTE Confidence: 0.8563219

00:50:24.594 --> 00:50:27.265 students to consider how anatomy can
NOTE Confidence: 0.8563219

00:50:27.265 --> 00:50:29.635 be applied in their future careers.
NOTE Confidence: 0.9405829

00:50:32.880 --> 00:50:34.140 Amanda, I didn't know if I was
NOTE Confidence: 0.9405829

00:50:34.140 --> 00:50:35.360 allowed to say his name. So
NOTE Confidence: 0.63295996

00:50:39.720 --> 00:50:41.430 no, I I appreciate you highlighting

NOTE Confidence: 0.63295996

00:50:41.430 --> 00:50:43.095 that because it again speaks to

NOTE Confidence: 0.63295996

00:50:43.095 --> 00:50:44.740 the impact of of our alumni and

NOTE Confidence: 0.63295996

00:50:44.740 --> 00:50:46.532 their philanthropy. So thank you.

NOTE Confidence: 0.63295996

00:50:46.532 --> 00:50:48.520 I know that was a very exciting

NOTE Confidence: 0.63295996

00:50:48.588 --> 00:50:50.800 thing this past year in in anatomy.

NOTE Confidence: 0.63295996

00:50:53.160 --> 00:50:55.048 Well thank you all so much for your

NOTE Confidence: 0.63295996

00:50:55.048 --> 00:50:56.618 time tonight. And class agents,

NOTE Confidence: 0.63295996

00:50:56.618 --> 00:50:58.814 we, we encourage you to stay

NOTE Confidence: 0.63295996

00:50:58.814 --> 00:51:01.492 behind for a very brief update and

NOTE Confidence: 0.63295996

00:51:01.492 --> 00:51:03.756 specifically directed for that.

NOTE Confidence: 0.63295996

00:51:03.760 --> 00:51:06.545 And we really applaud everybody

NOTE Confidence: 0.63295996

00:51:06.545 --> 00:51:09.330 for their generosity both of

NOTE Confidence: 0.63295996

00:51:09.428 --> 00:51:12.593 time and also financially.

NOTE Confidence: 0.63295996

00:51:12.593 --> 00:51:14.758 And thank you so much.

NOTE Confidence: 0.94713587

00:51:16.840 --> 00:51:17.280 Thank you so much.
