NMSQA WANTS TO WISH YOU A HAPPY
LGBT HEALTH WEEK!
MARCH 28TH - APRIL 1ST 2016

If you’re looking for a way to celebrate this week, NMSQA encourages you to support your transgender and gender nonconforming patients, friends, and colleagues by adding your pronouns to your email signature! Join the #PUSHFORPRONOUNS and help us create a culture where pronouns are asked rather than assumed, and all gender identities are respected and celebrated!
