

WEBVTT

NOTE duration:"00:59:15"

NOTE recognizability:0.646

NOTE language:en-us

NOTE Confidence: 0.5171114

00:00:00.000 --> 00:00:05.520 Not to You can opt out.

NOTE Confidence: 0.5171114

00:00:05.520 --> 00:00:07.460 Otherwise we assume that everybody

NOTE Confidence: 0.5171114

00:00:07.460 --> 00:00:09.400 is fine with us recording.

NOTE Confidence: 0.5171114

00:00:12.680 --> 00:00:16.280 So I'd like to welcome you to the Yes series.

NOTE Confidence: 0.5171114

00:00:16.280 --> 00:00:20.235 Yes stands for Yale Medical Education Series.

NOTE Confidence: 0.5171114

00:00:20.240 --> 00:00:23.174 It's one of the educational development

NOTE Confidence: 0.5171114

00:00:23.174 --> 00:00:25.680 programming series that we sponsor

NOTE Confidence: 0.5171114

00:00:25.680 --> 00:00:28.476 at the Center for Medical Education.

NOTE Confidence: 0.5171114

00:00:28.480 --> 00:00:30.480 The other regular series

NOTE Confidence: 0.5171114

00:00:30.480 --> 00:00:33.280 that we have is a Med Ed Day.

NOTE Confidence: 0.5171114

00:00:33.280 --> 00:00:36.080 I'm, I'm sorry, a Med Ed Discussion

NOTE Confidence: 0.5171114

00:00:36.080 --> 00:00:38.556 Group session which occurs once a month.

NOTE Confidence: 0.5171114

00:00:38.560 --> 00:00:40.352 So some of you may be interested

NOTE Confidence: 0.5171114

00:00:40.352 --> 00:00:41.480 in that as well.
NOTE Confidence: 0.5171114

00:00:41.480 --> 00:00:43.400 You can check it out on our website.
NOTE Confidence: 0.5171114

00:00:43.400 --> 00:00:46.406 Center for Medical Education is a
NOTE Confidence: 0.5171114

00:00:46.406 --> 00:00:49.044 relatively new entity which incorporates
NOTE Confidence: 0.5171114

00:00:49.044 --> 00:00:52.030 the old teaching and Learning Center at
NOTE Confidence: 0.5171114

00:00:52.030 --> 00:00:55.244 the medical school as well as the SCME.
NOTE Confidence: 0.5171114

00:00:55.244 --> 00:00:58.700 So continuing medical education
NOTE Confidence: 0.5171114

00:00:58.700 --> 00:01:00.904 all in one center.
NOTE Confidence: 0.5171114

00:01:00.904 --> 00:01:03.659 So we've expanded a bit.
NOTE Confidence: 0.5171114

00:01:03.660 --> 00:01:07.020 I'd like to introduce our presenter today.
NOTE Confidence: 0.5171114

00:01:07.020 --> 00:01:08.660 His name is Andreas Martin.
NOTE Confidence: 0.5171114

00:01:08.660 --> 00:01:10.060 Many of you know him.
NOTE Confidence: 0.5171114

00:01:10.060 --> 00:01:13.404 He's in fact the Co director of this
NOTE Confidence: 0.5171114

00:01:13.404 --> 00:01:16.819 Yes series along with Doctor Dana Dunn,
NOTE Confidence: 0.5171114

00:01:16.820 --> 00:01:19.228 whom a lot of you know as well.
NOTE Confidence: 0.5171114

00:01:19.230 --> 00:01:20.965 So we're actually happy to

NOTE Confidence: 0.5171114

00:01:20.965 --> 00:01:23.837 have one of our Co directors of

NOTE Confidence: 0.5171114

00:01:23.837 --> 00:01:25.945 the series presenting today.

NOTE Confidence: 0.5171114

00:01:25.950 --> 00:01:26.070 Let

NOTE Confidence: 0.41444147

00:01:28.950 --> 00:01:32.450 me see if I could find a little

NOTE Confidence: 0.41444147

00:01:32.450 --> 00:01:34.122 bit of background. So, Andrea,

NOTE Confidence: 0.41444147

00:01:34.122 --> 00:01:37.664 so Doctor Martin is the Reba Aurelia,

NOTE Confidence: 0.41444147

00:01:37.670 --> 00:01:41.542 I'm sorry, Richtva professor in the

NOTE Confidence: 0.41444147

00:01:41.542 --> 00:01:45.083 Yale Child Study Center and he's also

NOTE Confidence: 0.41444147

00:01:45.083 --> 00:01:48.239 a professor in the psychiatry program.

NOTE Confidence: 0.41444147

00:01:48.240 --> 00:01:51.334 He received his MD from the National

NOTE Confidence: 0.41444147

00:01:51.334 --> 00:01:53.240 Autonomous University of Mexico,

NOTE Confidence: 0.41444147

00:01:53.240 --> 00:01:55.964 conducted his residency in child and

NOTE Confidence: 0.41444147

00:01:55.964 --> 00:01:58.738 adolescent psychiatry at at Mass General

NOTE Confidence: 0.41444147

00:01:58.738 --> 00:02:01.396 in Boston and Harvard Medical School.

NOTE Confidence: 0.41444147

00:02:01.400 --> 00:02:03.440 He also holds a Masters of

NOTE Confidence: 0.41444147

00:02:03.440 --> 00:02:04.800 Public Health from Yale.
NOTE Confidence: 0.41444147

00:02:04.800 --> 00:02:06.004 And just last year,
NOTE Confidence: 0.41444147

00:02:06.004 --> 00:02:08.640 and very lucky for us at the center,
NOTE Confidence: 0.41444147

00:02:08.640 --> 00:02:11.448 he completed his PhD in medical
NOTE Confidence: 0.41444147

00:02:11.448 --> 00:02:13.800 education from the University of Groning,
NOTE Confidence: 0.41444147

00:02:13.800 --> 00:02:18.156 Groningham, which is in the Netherlands.
NOTE Confidence: 0.41444147

00:02:18.160 --> 00:02:20.260 So as Sachi models lifelong
NOTE Confidence: 0.41444147

00:02:20.260 --> 00:02:22.360 learning for all of us,
NOTE Confidence: 0.41444147

00:02:22.360 --> 00:02:24.556 and really coincidentally today I come,
NOTE Confidence: 0.41444147

00:02:24.560 --> 00:02:28.118 I came across a saying online
NOTE Confidence: 0.41444147

00:02:28.120 --> 00:02:30.700 that says never stop learning
NOTE Confidence: 0.41444147

00:02:30.700 --> 00:02:33.280 because life never stops teaching.
NOTE Confidence: 0.41444147

00:02:33.280 --> 00:02:37.788 And I think that Andreas hunger for
NOTE Confidence: 0.41444147

00:02:37.788 --> 00:02:41.400 continual learning is characteristic of that,
NOTE Confidence: 0.41444147

00:02:41.400 --> 00:02:43.080 of that motto.
NOTE Confidence: 0.41444147

00:02:43.080 --> 00:02:44.520 And also, as I said,

NOTE Confidence: 0.41444147

00:02:44.520 --> 00:02:47.166 really becomes a model for us

NOTE Confidence: 0.41444147

00:02:47.166 --> 00:02:50.410 all to to never stop learning.

NOTE Confidence: 0.41444147

00:02:50.410 --> 00:02:52.626 He served for about 10 years as Editor

NOTE Confidence: 0.41444147

00:02:52.626 --> 00:02:54.951 in Chief of the Journal of American

NOTE Confidence: 0.41444147

00:02:54.951 --> 00:02:57.370 Academy of Child and Adolescent Psychiatry.

NOTE Confidence: 0.41444147

00:02:57.370 --> 00:02:58.965 Currently is Associate Editor for

NOTE Confidence: 0.41444147

00:02:58.965 --> 00:03:01.050 the Journal of Child and Adolescent

NOTE Confidence: 0.41444147

00:03:01.050 --> 00:03:03.266 Psychiatry and Mental Health and

NOTE Confidence: 0.41444147

00:03:03.266 --> 00:03:05.250 important for Medical Education.

NOTE Confidence: 0.41444147

00:03:05.250 --> 00:03:07.410 Doctor Martin's been a research

NOTE Confidence: 0.41444147

00:03:07.410 --> 00:03:10.121 mentor for scholars in the Center's

NOTE Confidence: 0.41444147

00:03:10.121 --> 00:03:12.876 Masters of Health Sciences Medical

NOTE Confidence: 0.41444147

00:03:12.876 --> 00:03:14.529 Education Pathway Program.

NOTE Confidence: 0.41444147

00:03:14.530 --> 00:03:16.795 He teaches for medical students

NOTE Confidence: 0.41444147

00:03:16.795 --> 00:03:18.607 in the undergrad program.

NOTE Confidence: 0.41444147

00:03:18.610 --> 00:03:20.660 He mentor.
NOTE Confidence: 0.41444147

00:03:20.660 --> 00:03:22.880 He's a research mentor to students
NOTE Confidence: 0.41444147

00:03:22.880 --> 00:03:25.110 as well as residents and some
NOTE Confidence: 0.41444147

00:03:25.110 --> 00:03:27.162 of our master's candidates.
NOTE Confidence: 0.41444147

00:03:27.162 --> 00:03:30.542 He lectures for the undergraduate
NOTE Confidence: 0.41444147

00:03:30.542 --> 00:03:34.014 program but also for the masters
NOTE Confidence: 0.41444147

00:03:34.014 --> 00:03:37.619 of Med Ed program in issues of
NOTE Confidence: 0.41444147

00:03:37.619 --> 00:03:39.428 quantitative qualitative methods.
NOTE Confidence: 0.41444147

00:03:39.430 --> 00:03:41.330 So today Doctor Martin's presenting
NOTE Confidence: 0.41444147

00:03:41.330 --> 00:03:43.792 on the topic of enhancing teaching
NOTE Confidence: 0.41444147

00:03:43.792 --> 00:03:45.686 with technology and humans.
NOTE Confidence: 0.41444147

00:03:45.686 --> 00:03:49.270 I'm really interested in the and humans part.
NOTE Confidence: 0.41444147

00:03:49.270 --> 00:03:52.273 This is a component of the classroom
NOTE Confidence: 0.41444147

00:03:52.273 --> 00:03:54.692 based teaching focus that we're that
NOTE Confidence: 0.41444147

00:03:54.692 --> 00:03:56.504 we're focusing on in the series.
NOTE Confidence: 0.41444147

00:03:56.510 --> 00:03:57.854 So I'm going to turn it over

NOTE Confidence: 0.41444147

00:03:57.854 --> 00:03:58.430 to Doctor Martin.

NOTE Confidence: 0.70117354

00:03:59.870 --> 00:04:01.865 Thank you John. That was so lovely.

NOTE Confidence: 0.70117354

00:04:01.870 --> 00:04:03.704 Wow. It oh, it is being recorded.

NOTE Confidence: 0.70117354

00:04:03.710 --> 00:04:04.907 I'm going to send it to all my family.

NOTE Confidence: 0.70117354

00:04:04.910 --> 00:04:05.670 That was wonderful.

NOTE Confidence: 0.88234663

00:04:07.730 --> 00:04:09.608 Before I put up my slides,

NOTE Confidence: 0.88234663

00:04:09.610 --> 00:04:12.599 let me just say that this session

NOTE Confidence: 0.88234663

00:04:12.599 --> 00:04:15.850 is intended to be quite interactive,

NOTE Confidence: 0.88234663

00:04:15.850 --> 00:04:17.810 but you don't need to fear or panic.

NOTE Confidence: 0.88234663

00:04:17.810 --> 00:04:19.330 We're not going to go into small groups,

NOTE Confidence: 0.88234663

00:04:19.330 --> 00:04:20.906 and you don't need to, you know,

NOTE Confidence: 0.88234663

00:04:20.906 --> 00:04:23.850 deal with the awkwardness of a small group.

NOTE Confidence: 0.88234663

00:04:23.850 --> 00:04:25.450 What you'll need is your

NOTE Confidence: 0.88234663

00:04:25.450 --> 00:04:27.050 your phone and your brain.

NOTE Confidence: 0.88234663

00:04:27.050 --> 00:04:28.250 And with those two things,

NOTE Confidence: 0.88234663

00:04:28.250 --> 00:04:29.900 I think we're going to learn
NOTE Confidence: 0.88234663

00:04:29.900 --> 00:04:31.690 and and have have some fun.
NOTE Confidence: 0.88234663

00:04:31.690 --> 00:04:33.710 I hope. So. Let's see.
NOTE Confidence: 0.88234663

00:04:33.710 --> 00:04:36.010 Let me share my screen.
NOTE Confidence: 0.31738636

00:04:43.010 --> 00:04:43.850 Second,
NOTE Confidence: 0.31738636

00:04:46.010 --> 00:04:47.490 there's a lot going on here. Hold on,
NOTE Confidence: 0.31738636

00:04:50.450 --> 00:04:51.170 then. I need.
NOTE Confidence: 0.31738636

00:04:56.010 --> 00:04:58.745 All righty. Yes.
NOTE Confidence: 0.31738636

00:04:58.745 --> 00:05:02.258 So we're gonna hopefully learn by the
NOTE Confidence: 0.31738636

00:05:02.258 --> 00:05:04.390 end of today how to make your teacher,
NOTE Confidence: 0.31738636

00:05:04.390 --> 00:05:07.400 your teaching, sizzle a little bit more
NOTE Confidence: 0.31738636

00:05:07.400 --> 00:05:10.590 through apps and electronic this and that's,
NOTE Confidence: 0.31738636

00:05:10.590 --> 00:05:12.002 but also with humans.
NOTE Confidence: 0.31738636

00:05:12.002 --> 00:05:14.789 And you'll see what I mean by that.
NOTE Confidence: 0.31738636

00:05:14.790 --> 00:05:19.308 So I have no corporate or other support,
NOTE Confidence: 0.31738636

00:05:19.310 --> 00:05:22.190 no conflicts of interest.

NOTE Confidence: 0.31738636

00:05:22.190 --> 00:05:25.907 The CME text was put in the chat as well,

NOTE Confidence: 0.31738636

00:05:25.910 --> 00:05:27.670 but there you have it.

NOTE Confidence: 0.31738636

00:05:27.670 --> 00:05:32.312 And yes, get your CME credits. OK.

NOTE Confidence: 0.31738636

00:05:32.312 --> 00:05:36.720 So talking two parts, let's get,

NOTE Confidence: 0.31738636

00:05:36.720 --> 00:05:37.600 let's start with technology.

NOTE Confidence: 0.31738636

00:05:37.600 --> 00:05:39.076 What do I mean by that?

NOTE Confidence: 0.31738636

00:05:39.080 --> 00:05:41.496 What I'm going to do is walk you

NOTE Confidence: 0.31738636

00:05:41.496 --> 00:05:43.200 through three, I think it's three,

NOTE Confidence: 0.31738636

00:05:43.200 --> 00:05:46.265 maybe 4-3 or four technologies

NOTE Confidence: 0.31738636

00:05:46.265 --> 00:05:48.717 that I routinely use.

NOTE Confidence: 0.31738636

00:05:48.720 --> 00:05:49.854 They have a lot of similarities

NOTE Confidence: 0.31738636

00:05:49.854 --> 00:05:50.800 as you're going to see,

NOTE Confidence: 0.31738636

00:05:50.800 --> 00:05:52.548 but some small differences.

NOTE Confidence: 0.31738636

00:05:52.548 --> 00:05:55.744 But that can really make a big

NOTE Confidence: 0.31738636

00:05:55.744 --> 00:05:57.688 difference in in teaching.

NOTE Confidence: 0.31738636

00:05:57.690 --> 00:06:00.450 So probably the most popular of these oh,
NOTE Confidence: 0.31738636

00:06:00.450 --> 00:06:02.530 before that, who speaks Turkish?
NOTE Confidence: 0.31738636

00:06:02.530 --> 00:06:03.625 Anyone speak Turkish?
NOTE Confidence: 0.31738636

00:06:03.625 --> 00:06:07.170 Be brave and tell me what this cartoon says.
NOTE Confidence: 0.31738636

00:06:07.170 --> 00:06:09.506 John, how's your Turkish?
NOTE Confidence: 0.31738636

00:06:09.506 --> 00:06:10.090 Excellent.
NOTE Confidence: 0.31738636

00:06:10.090 --> 00:06:14.486 OK, so the robot man is saying,
NOTE Confidence: 0.31738636

00:06:14.490 --> 00:06:20.288 whoops, hold on, I want to be human.
NOTE Confidence: 0.31738636

00:06:20.290 --> 00:06:22.888 And the human man is saying
NOTE Confidence: 0.31738636

00:06:22.890 --> 00:06:25.260 I want to stay human,
NOTE Confidence: 0.31738636

00:06:25.260 --> 00:06:25.524 right.
NOTE Confidence: 0.31738636

00:06:25.524 --> 00:06:27.636 And I think that that's what we're all
NOTE Confidence: 0.31738636

00:06:27.636 --> 00:06:32.140 kind of dealing with in these ChatGPT days,
NOTE Confidence: 0.31738636

00:06:32.140 --> 00:06:34.828 how to stay human and you don't
NOTE Confidence: 0.31738636

00:06:34.828 --> 00:06:36.116 need to become any less human by
NOTE Confidence: 0.31738636

00:06:36.116 --> 00:06:37.306 using some of the things we're

NOTE Confidence: 0.31738636

00:06:37.306 --> 00:06:38.540 going to be talking about today.

NOTE Confidence: 0.83896893

00:06:41.100 --> 00:06:45.460 So just at a very broad starting point,

NOTE Confidence: 0.83896893

00:06:45.460 --> 00:06:47.794 there are ways of enhancing any

NOTE Confidence: 0.83896893

00:06:47.794 --> 00:06:50.630 teaching that you do any anything

NOTE Confidence: 0.83896893

00:06:50.630 --> 00:06:53.096 through thoughtful, non punitive,

NOTE Confidence: 0.83896893

00:06:53.096 --> 00:06:55.628 non aggressive questioning of

NOTE Confidence: 0.83896893

00:06:55.630 --> 00:06:57.790 those you're teaching with.

NOTE Confidence: 0.83896893

00:06:57.790 --> 00:06:59.950 And in general closed,

NOTE Confidence: 0.83896893

00:06:59.950 --> 00:07:02.757 closed ended questions are very good to

NOTE Confidence: 0.83896893

00:07:02.757 --> 00:07:04.489 assess factual knowledge particularly

NOTE Confidence: 0.83896893

00:07:04.489 --> 00:07:06.789 when you have discrete answers.

NOTE Confidence: 0.83896893

00:07:06.790 --> 00:07:10.662 Optimally you said AB or C we know

NOTE Confidence: 0.83896893

00:07:10.662 --> 00:07:13.790 that and for these kind of questions

NOTE Confidence: 0.83896893

00:07:13.790 --> 00:07:17.046 apps are very very good apps.

NOTE Confidence: 0.83896893

00:07:17.046 --> 00:07:19.894 As simple in these days as doing a

NOTE Confidence: 0.83896893

00:07:19.894 --> 00:07:22.808 poll in zoom there's a little button
NOTE Confidence: 0.83896893

00:07:22.808 --> 00:07:25.329 that you'll see that says poll.
NOTE Confidence: 0.83896893

00:07:25.330 --> 00:07:29.210 Let me see if it's here poll.
NOTE Confidence: 0.83896893

00:07:29.210 --> 00:07:30.890 So we're gonna
NOTE Confidence: 0.8863829

00:07:33.450 --> 00:07:34.398 let's try this one.
NOTE Confidence: 0.8863829

00:07:34.398 --> 00:07:36.064 I I didn't create this one but
NOTE Confidence: 0.8863829

00:07:36.064 --> 00:07:38.346 it it's a fun one. OK so Ed, Ed,
NOTE Confidence: 0.8863829

00:07:38.346 --> 00:07:40.350 could you turn your camera on
NOTE Confidence: 0.8863829

00:07:40.436 --> 00:07:42.906 while people look at the poll?
NOTE Confidence: 0.8863829

00:07:42.906 --> 00:07:44.090 John, can you see the poll?
NOTE Confidence: 0.79387957

00:07:46.380 --> 00:07:51.460 Yeah. OK. Ed, can we see your youthful face?
NOTE Confidence: 0.79387957

00:07:51.460 --> 00:07:52.657 I don't know who created this one.
NOTE Confidence: 0.79387957

00:07:52.660 --> 00:07:56.299 I didn't, but that would be me.
NOTE Confidence: 0.79387957

00:07:56.300 --> 00:07:58.044 Oh, that would be you. OK. OK.
NOTE Confidence: 0.79387957

00:07:58.044 --> 00:08:00.124 So we've had zero participants.
NOTE Confidence: 0.79387957

00:08:00.124 --> 00:08:02.300 Are you guys seeing the poll or no?

NOTE Confidence: 0.79387957

00:08:02.940 --> 00:08:03.740 Yes, we can see

NOTE Confidence: 0.79387957

00:08:04.700 --> 00:08:07.004 it. All right. Remember, this is

NOTE Confidence: 0.79387957

00:08:07.004 --> 00:08:08.540 an active participation thingy.

NOTE Confidence: 0.74968976

00:08:09.080 --> 00:08:10.656 I don't think we can. We can.

NOTE Confidence: 0.74968976

00:08:10.656 --> 00:08:11.996 It looks like it's ended.

NOTE Confidence: 0.74968976

00:08:12.000 --> 00:08:13.440 The poll. From what I say,

NOTE Confidence: 0.74968976

00:08:13.840 --> 00:08:15.716 it's ended. Oh, OK Let's try this.

NOTE Confidence: 0.74968976

00:08:15.720 --> 00:08:19.159 Hold on. Let's try this. How about now?

NOTE Confidence: 0.74968976

00:08:19.160 --> 00:08:21.852 Yep. Timers. OK, now, come on.

NOTE Confidence: 0.74968976

00:08:21.852 --> 00:08:25.656 Tell us. Very old he is.

NOTE Confidence: 0.74968976

00:08:25.656 --> 00:08:29.266 Old, ancient. All right.

NOTE Confidence: 0.74968976

00:08:29.266 --> 00:08:31.597 And I can see that 42 percent,

NOTE Confidence: 0.74968976

00:08:31.600 --> 00:08:35.740 47 percent, 62% are answering 18 seconds.

NOTE Confidence: 0.74968976

00:08:35.740 --> 00:08:37.120 Let's give you 10 more seconds.

NOTE Confidence: 0.74968976

00:08:37.120 --> 00:08:37.996 Come on, you can do it.

NOTE Confidence: 0.74968976

00:08:38.000 --> 00:08:39.476 Let's get to 100%. Come on.
NOTE Confidence: 0.74968976

00:08:39.480 --> 00:08:42.035 Come on, 80%. Eighty 2%.
NOTE Confidence: 0.74968976

00:08:42.035 --> 00:08:45.420 OK, I'm going to end the poll at 85%.
NOTE Confidence: 0.74968976

00:08:45.420 --> 00:08:49.120 And let's share the results.
NOTE Confidence: 0.74968976

00:08:49.120 --> 00:08:52.620 Can people see that? Yes.
NOTE Confidence: 0.74968976

00:08:52.620 --> 00:08:55.080 So it looks like most
NOTE Confidence: 0.74968976

00:08:55.080 --> 00:08:57.240 people think that Ed is 43,
NOTE Confidence: 0.74968976

00:08:57.240 --> 00:08:59.515 and a few people think he's 48,
NOTE Confidence: 0.74968976

00:08:59.520 --> 00:09:02.613 evenly divided between 35 and 48 Ed.
NOTE Confidence: 0.74968976

00:09:02.613 --> 00:09:03.878 Then what's the right answer?
NOTE Confidence: 0.30894545

00:09:04.250 --> 00:09:06.090 I like the 35 people, but I
NOTE Confidence: 0.30894545

00:09:06.090 --> 00:09:06.570 was saying it's
NOTE Confidence: 0.30894545

00:09:08.210 --> 00:09:10.034 4343 see see what a high
NOTE Confidence: 0.30894545

00:09:10.034 --> 00:09:11.690 IQ group you have. OK. And
NOTE Confidence: 0.30894545

00:09:11.730 --> 00:09:13.690 I was, I was thinking it was 25,
NOTE Confidence: 0.30894545

00:09:13.690 --> 00:09:14.566 but I didn't see that as

NOTE Confidence: 0.30894545

00:09:15.650 --> 00:09:16.049 a next John.

NOTE Confidence: 0.30894545

00:09:18.450 --> 00:09:20.858 So you know that takes a second

NOTE Confidence: 0.30894545

00:09:20.858 --> 00:09:23.218 to put together a quick poll and

NOTE Confidence: 0.30894545

00:09:23.218 --> 00:09:25.794 then we're going to talk about some

NOTE Confidence: 0.30894545

00:09:25.794 --> 00:09:27.930 slightly more sophisticated ones.

NOTE Confidence: 0.30894545

00:09:27.930 --> 00:09:30.765 You can compare that to open-ended questions,

NOTE Confidence: 0.30894545

00:09:30.770 --> 00:09:34.140 which of course foster discussion

NOTE Confidence: 0.30894545

00:09:34.140 --> 00:09:37.068 and where ambiguity is not only

NOTE Confidence: 0.30894545

00:09:37.068 --> 00:09:39.818 welcome but encouraged to not give

NOTE Confidence: 0.30894545

00:09:39.818 --> 00:09:42.374 questions that have a single answer,

NOTE Confidence: 0.30894545

00:09:42.380 --> 00:09:45.692 but where a range of answers could be right.

NOTE Confidence: 0.30894545

00:09:45.700 --> 00:09:48.052 And I'll make the point later

NOTE Confidence: 0.30894545

00:09:48.052 --> 00:09:49.620 on of how clips,

NOTE Confidence: 0.30894545

00:09:49.620 --> 00:09:51.528 different types of video clips can

NOTE Confidence: 0.30894545

00:09:51.528 --> 00:09:53.416 be particularly helpful to do that

NOTE Confidence: 0.30894545

00:09:53.416 --> 00:09:55.096 when it comes to clinical teaching.
NOTE Confidence: 0.77930325

00:09:57.180 --> 00:09:58.749 So Paul everywhere,
NOTE Confidence: 0.77930325

00:09:58.749 --> 00:10:02.410 probably most of you have used it
NOTE Confidence: 0.77930325

00:10:02.514 --> 00:10:07.040 either as a a deployer or a respondent.
NOTE Confidence: 0.77930325

00:10:07.040 --> 00:10:09.686 It's a really terrific tool in
NOTE Confidence: 0.77930325

00:10:09.686 --> 00:10:12.105 which you can create questions
NOTE Confidence: 0.77930325

00:10:12.105 --> 00:10:14.915 that go from multiple choice,
NOTE Confidence: 0.77930325

00:10:14.920 --> 00:10:16.438 which will exemplify
NOTE Confidence: 0.66651124

00:10:19.160 --> 00:10:20.540 open-ended questions which
NOTE Confidence: 0.66651124

00:10:20.540 --> 00:10:21.920 again I'll exemplify.
NOTE Confidence: 0.66651124

00:10:21.920 --> 00:10:23.789 But you can also do word clouds
NOTE Confidence: 0.66651124

00:10:23.789 --> 00:10:25.982 that are very neat as you see
NOTE Confidence: 0.66651124

00:10:25.982 --> 00:10:27.314 certain words getting bigger.
NOTE Confidence: 0.66651124

00:10:27.320 --> 00:10:28.916 And there's a number of things.
NOTE Confidence: 0.66651124

00:10:28.920 --> 00:10:30.860 Our colleague in radiology,
NOTE Confidence: 0.66651124

00:10:30.860 --> 00:10:32.800 I forget your name,

NOTE Confidence: 0.66651124
00:10:32.800 --> 00:10:34.000 but you're there in radiology,
NOTE Confidence: 0.66651124
00:10:34.000 --> 00:10:36.520 so hopefully you can hear me.
NOTE Confidence: 0.66651124
00:10:36.520 --> 00:10:39.045 I'm very jealous of a
NOTE Confidence: 0.66651124
00:10:39.045 --> 00:10:40.560 radiologists and pathologists,
NOTE Confidence: 0.66651124
00:10:40.560 --> 00:10:42.933 Rob and people who have all sorts
NOTE Confidence: 0.66651124
00:10:42.933 --> 00:10:44.920 of yummy images for teaching.
NOTE Confidence: 0.66651124
00:10:44.920 --> 00:10:46.120 You know, I'm a psychiatrist.
NOTE Confidence: 0.66651124
00:10:46.120 --> 00:10:48.290 I don't have a lot of yummy
NOTE Confidence: 0.66651124
00:10:48.290 --> 00:10:49.400 images for teaching.
NOTE Confidence: 0.66651124
00:10:49.400 --> 00:10:50.880 But if you do,
NOTE Confidence: 0.66651124
00:10:50.880 --> 00:10:52.884 then this is just remarkable because
NOTE Confidence: 0.66651124
00:10:52.884 --> 00:10:55.392 you can put the right answer and
NOTE Confidence: 0.66651124
00:10:55.392 --> 00:10:57.237 the distractors and it's fun,
NOTE Confidence: 0.66651124
00:10:57.240 --> 00:10:59.060 engaging and high yield.
NOTE Confidence: 0.66651124
00:10:59.060 --> 00:11:01.335 You can also do competitions,
NOTE Confidence: 0.66651124

00:11:01.340 --> 00:11:03.690 which I'm going to exemplify
NOTE Confidence: 0.66651124

00:11:03.690 --> 00:11:05.100 through another app,
NOTE Confidence: 0.66651124

00:11:05.100 --> 00:11:07.620 but you can also do it with Pol everywhere.
NOTE Confidence: 0.66651124

00:11:07.620 --> 00:11:13.538 So the next part of our active learning here,
NOTE Confidence: 0.66651124

00:11:13.540 --> 00:11:14.788 let's try you.
NOTE Confidence: 0.66651124

00:11:14.788 --> 00:11:17.420 Let's really put you to the test.
NOTE Confidence: 0.66651124

00:11:17.420 --> 00:11:19.820 And even if you have never given this
NOTE Confidence: 0.66651124

00:11:19.820 --> 00:11:21.692 any thought, give it some thought.
NOTE Confidence: 0.66651124

00:11:21.692 --> 00:11:23.600 In what year was the Yale
NOTE Confidence: 0.66651124

00:11:23.677 --> 00:11:25.777 School of Medicine established?
NOTE Confidence: 0.7925376

00:11:37.040 --> 00:11:39.440 I can't see people answering.
NOTE Confidence: 0.7925376

00:11:41.560 --> 00:11:45.800 Is it letting you go in, Reagan? No.
NOTE Confidence: 0.7925376

00:11:45.800 --> 00:11:50.640 Huh. Well, that is weird. OK, let's
NOTE Confidence: 0.7925376

00:11:52.720 --> 00:11:53.600 let's
NOTE Confidence: 0.7925376

00:11:57.680 --> 00:11:59.556 let's do this. Let's try it again.
NOTE Confidence: 0.7943667

00:12:06.500 --> 00:12:08.945 OK, I see some answers. Reagan,

NOTE Confidence: 0.7943667

00:12:08.945 --> 00:12:11.375 are you getting some action traction?

NOTE Confidence: 0.7943667

00:12:11.380 --> 00:12:15.580 No, no, it could just be me.

NOTE Confidence: 0.7943667

00:12:15.580 --> 00:12:17.617 No, it could. OK, let's see this.

NOTE Confidence: 0.7943667

00:12:17.620 --> 00:12:22.380 Responses. I'm gonna. Clear responses.

NOTE Confidence: 0.7943667

00:12:22.380 --> 00:12:26.619 Clear responses. And I'm gonna

NOTE Confidence: 0.41657737

00:12:29.460 --> 00:12:31.285 try it again. Can you

NOTE Confidence: 0.41657737

00:12:31.285 --> 00:12:32.779 see again, is it working?

NOTE Confidence: 0.41657737

00:12:37.300 --> 00:12:38.660 And we're getting responses.

NOTE Confidence: 0.41657737

00:12:49.900 --> 00:12:53.780 OK, so we have 9 responses.

NOTE Confidence: 0.30914795

00:12:56.020 --> 00:12:57.175 You want people to be more responsive.

NOTE Confidence: 0.30914795

00:12:57.180 --> 00:13:00.584 You can do it now. As of now,

NOTE Confidence: 0.30914795

00:13:00.584 --> 00:13:02.539 you're not seeing your responses.

NOTE Confidence: 0.30914795

00:13:02.540 --> 00:13:04.752 You're just seeing that

NOTE Confidence: 0.30914795

00:13:04.752 --> 00:13:06.820 13 people are responding.

NOTE Confidence: 0.30914795

00:13:09.100 --> 00:13:11.724 So what you have to do again is

NOTE Confidence: 0.30914795

00:13:11.724 --> 00:13:14.031 just get your phone and point
NOTE Confidence: 0.30914795

00:13:14.031 --> 00:13:16.497 it to this little QR code,
NOTE Confidence: 0.30914795

00:13:16.500 --> 00:13:17.325 something that you're going to
NOTE Confidence: 0.30914795

00:13:17.325 --> 00:13:18.580 be doing a couple of times today.
NOTE Confidence: 0.30914795

00:13:22.020 --> 00:13:23.724 And that should take you directly
NOTE Confidence: 0.30914795

00:13:23.724 --> 00:13:25.259 to where you need to go.
NOTE Confidence: 0.30914795

00:13:25.260 --> 00:13:26.420 You don't need to give it your name.
NOTE Confidence: 0.30914795

00:13:26.420 --> 00:13:27.734 You can just skip the name
NOTE Confidence: 0.30914795

00:13:27.734 --> 00:13:29.100 and and answer the question.
NOTE Confidence: 0.9339947

00:13:31.940 --> 00:13:32.828 If you're having difficulties,
NOTE Confidence: 0.9339947

00:13:32.828 --> 00:13:34.579 maybe you can put it in the chat.
NOTE Confidence: 0.9339947

00:13:34.580 --> 00:13:36.044 I see 17 more people are
NOTE Confidence: 0.9339947

00:13:36.044 --> 00:13:39.140 getting it now, 18, OK,
NOTE Confidence: 0.9339947

00:13:41.340 --> 00:13:42.548 OK. I think that the next one is
NOTE Confidence: 0.9339947

00:13:42.548 --> 00:13:43.865 going to be a little bit easier now
NOTE Confidence: 0.9339947

00:13:43.865 --> 00:13:45.257 that you know how to use the QR code.

NOTE Confidence: 0.9339947

00:13:45.260 --> 00:13:48.820 We're up to 2222, so let me show,

NOTE Confidence: 0.9339947

00:13:48.820 --> 00:13:50.500 Let's see the responses.

NOTE Confidence: 0.9339947

00:13:50.500 --> 00:13:54.340 What did you guys respond?

NOTE Confidence: 0.9339947

00:13:54.340 --> 00:13:55.580 So this was the response.

NOTE Confidence: 0.9339947

00:13:55.580 --> 00:14:01.700 People thought that let me move this,

NOTE Confidence: 0.9339947

00:14:01.700 --> 00:14:03.220 that 1821.

NOTE Confidence: 0.9339947

00:14:03.220 --> 00:14:05.656 There's some 1840s that are coming,

NOTE Confidence: 0.9339947

00:14:05.660 --> 00:14:11.740 and the 1820 ones and the 1840s are wrong.

NOTE Confidence: 0.9339947

00:14:11.740 --> 00:14:14.260 OK, so they're they're wrong.

NOTE Confidence: 0.9339947

00:14:14.260 --> 00:14:16.535 We're gonna see. I'm gonna close it.

NOTE Confidence: 0.9339947

00:14:16.540 --> 00:14:17.436 So no more answers.

NOTE Confidence: 0.9339947

00:14:17.436 --> 00:14:19.259 I'll give you the answer in a second.

NOTE Confidence: 0.9339947

00:14:19.260 --> 00:14:21.094 We'll talk about it in a second.

NOTE Confidence: 0.9339947

00:14:21.100 --> 00:14:26.740 But few people did. 18 O1 some did.

NOTE Confidence: 0.9339947

00:14:26.740 --> 00:14:27.820 18101810 was second place,

NOTE Confidence: 0.9339947

00:14:27.820 --> 00:14:29.860 but most people thought 1821.

NOTE Confidence: 0.9339947

00:14:29.860 --> 00:14:31.192 OK, all right,

NOTE Confidence: 0.9339947

00:14:31.192 --> 00:14:34.860 let's go to the next related slide.

NOTE Confidence: 0.9339947

00:14:34.860 --> 00:14:35.190 Sorry.

NOTE Confidence: 0.9339947

00:14:35.190 --> 00:14:37.500 And if you stay on your phone,

NOTE Confidence: 0.9339947

00:14:37.500 --> 00:14:39.540 it should automatically advance

NOTE Confidence: 0.9339947

00:14:39.540 --> 00:14:41.580 to this next question.

NOTE Confidence: 0.9339947

00:14:41.580 --> 00:14:44.035 So what year was Yale

NOTE Confidence: 0.9339947

00:14:44.035 --> 00:14:45.017 University established?

NOTE Confidence: 0.82651484

00:14:54.780 --> 00:14:57.580 Yeah, now people got it. So

NOTE Confidence: 0.82651484

00:15:01.820 --> 00:15:03.560 and incidentally, doing this

NOTE Confidence: 0.82651484

00:15:03.560 --> 00:15:05.300 serves an additional purpose,

NOTE Confidence: 0.82651484

00:15:05.300 --> 00:15:07.100 which is it takes a while to learn

NOTE Confidence: 0.82651484

00:15:07.100 --> 00:15:08.957 how to answer and use AQR codes

NOTE Confidence: 0.82651484

00:15:08.957 --> 00:15:10.685 as your phone working is something

NOTE Confidence: 0.82651484

00:15:10.685 --> 00:15:12.617 melting down South in some way.

NOTE Confidence: 0.82651484

00:15:12.620 --> 00:15:15.860 Content wise, these questions are

NOTE Confidence: 0.82651484

00:15:15.860 --> 00:15:17.705 thought throat clearing just to

NOTE Confidence: 0.82651484

00:15:17.705 --> 00:15:20.139 make sure that the system is good.

NOTE Confidence: 0.82651484

00:15:20.140 --> 00:15:24.298 Now let's get to the responses here.

NOTE Confidence: 0.82651484

00:15:24.300 --> 00:15:30.276 And yes, 60% said 17 O1 and we have,

NOTE Confidence: 0.82651484

00:15:30.276 --> 00:15:31.700 you know, some

NOTE Confidence: 0.6535136

00:15:33.820 --> 00:15:36.820 70401760. OK, we'll come to that.

NOTE Confidence: 0.6535136

00:15:36.820 --> 00:15:38.439 So what is the right answer? Whoops.

NOTE Confidence: 0.6535136

00:15:38.439 --> 00:15:41.092 Well, the right answer is that Yale

NOTE Confidence: 0.6535136

00:15:41.092 --> 00:15:44.176 University was indeed established in 17 O1.

NOTE Confidence: 0.6535136

00:15:44.176 --> 00:15:47.242 It's quite something to think that the

NOTE Confidence: 0.6535136

00:15:47.242 --> 00:15:49.650 country was 75 years away from being

NOTE Confidence: 0.6535136

00:15:49.650 --> 00:15:52.349 born by the time that Yale was born.

NOTE Confidence: 0.6535136

00:15:52.350 --> 00:15:53.868 And this was in Old Saybrook.

NOTE Confidence: 0.6535136

00:15:53.870 --> 00:15:55.070 If you haven't been there,

NOTE Confidence: 0.6535136

00:15:55.070 --> 00:15:56.420 you can see the exact place
NOTE Confidence: 0.6535136

00:15:56.420 --> 00:15:57.590 where the buildings were done.
NOTE Confidence: 0.6535136

00:15:57.590 --> 00:16:02.144 So 1701 and then the Yale School of Medicine.
NOTE Confidence: 0.6535136

00:16:02.150 --> 00:16:03.805 Several of us were here
NOTE Confidence: 0.6535136

00:16:03.805 --> 00:16:05.220 when the 200th anniversary.
NOTE Confidence: 0.6535136

00:16:05.220 --> 00:16:09.630 The medical school was founded in 1810.
NOTE Confidence: 0.6535136

00:16:09.630 --> 00:16:12.626 So the 1810 people got it right.
NOTE Confidence: 0.6535136

00:16:12.630 --> 00:16:13.560 The others didn't.
NOTE Confidence: 0.6535136

00:16:13.560 --> 00:16:15.110 But there you have it.
NOTE Confidence: 0.6535136

00:16:15.110 --> 00:16:17.828 I had this third logo of the Hopkins school,
NOTE Confidence: 0.6535136

00:16:17.830 --> 00:16:19.542 which is in Westville.
NOTE Confidence: 0.6535136

00:16:19.542 --> 00:16:22.110 It's just like 2 minutes literally
NOTE Confidence: 0.6535136

00:16:22.188 --> 00:16:24.350 from my home where I'm sitting.
NOTE Confidence: 0.6535136

00:16:24.350 --> 00:16:26.450 It's middle and high school
NOTE Confidence: 0.6535136

00:16:26.450 --> 00:16:28.992 and it was founded in 1660.
NOTE Confidence: 0.6535136

00:16:28.992 --> 00:16:30.498 It's really old,

NOTE Confidence: 0.6535136

00:16:30.498 --> 00:16:34.250 so it's right here in New Haven.

NOTE Confidence: 0.6535136

00:16:34.250 --> 00:16:35.768 So there you have your history,

NOTE Confidence: 0.6535136

00:16:35.770 --> 00:16:38.970 one O 1 and your QR code one O 1.

NOTE Confidence: 0.6535136

00:16:38.970 --> 00:16:43.958 OK, let's now getting into the bulk

NOTE Confidence: 0.6535136

00:16:43.958 --> 00:16:46.340 of what we're going to be doing.

NOTE Confidence: 0.6535136

00:16:46.340 --> 00:16:48.734 If you wouldn't mind just tapping in,

NOTE Confidence: 0.6535136

00:16:48.740 --> 00:16:49.660 this is not a yes,

NOTE Confidence: 0.6535136

00:16:49.660 --> 00:16:51.084 no correct or false,

NOTE Confidence: 0.6535136

00:16:51.084 --> 00:16:53.783 but which of any apps or programs

NOTE Confidence: 0.6535136

00:16:53.783 --> 00:16:56.158 or electronic doodads have you

NOTE Confidence: 0.6535136

00:16:56.158 --> 00:16:58.860 used in your medical teaching?

NOTE Confidence: 0.6518028

00:17:03.180 --> 00:17:06.260 And let's see. Kahoot,

NOTE Confidence: 0.6518028

00:17:06.260 --> 00:17:08.618 Kahoot poll. Everywhere.

NOTE Confidence: 0.6518028

00:17:11.740 --> 00:17:12.658 Up to date

NOTE Confidence: 0.6518028

00:17:14.900 --> 00:17:18.190 centimeter. All everywhere. What was that?

NOTE Confidence: 0.54334635

00:17:20.790 --> 00:17:21.730 If someone said Twitter,
NOTE Confidence: 0.54334635

00:17:21.730 --> 00:17:22.905 that does not exist anymore.
NOTE Confidence: 0.54334635

00:17:22.910 --> 00:17:26.534 What? Mantimeter. Mantimeter.
NOTE Confidence: 0.54334635

00:17:26.534 --> 00:17:29.190 Yes. Manti. Yep. Exactly.
NOTE Confidence: 0.54334635

00:17:32.910 --> 00:17:36.627 Anyone else? Teams. Polls. I don't know.
NOTE Confidence: 0.54334635

00:17:36.630 --> 00:17:39.346 I think it's a variation of it.
NOTE Confidence: 0.54334635

00:17:39.350 --> 00:17:41.989 OK, so it it looks like we're
NOTE Confidence: 0.54334635

00:17:41.990 --> 00:17:44.750 getting into camp lab. Camp lab.
NOTE Confidence: 0.54334635

00:17:44.750 --> 00:17:47.358 I don't know that one Zoom. Yeah.
NOTE Confidence: 0.54334635

00:17:47.358 --> 00:17:51.610 So we're going to be I think other than
NOTE Confidence: 0.54334635

00:17:51.610 --> 00:17:53.570 camp lab that I'm not familiar with.
NOTE Confidence: 0.54334635

00:17:53.570 --> 00:17:55.488 I think we're going to be talking
NOTE Confidence: 0.54334635

00:17:55.488 --> 00:17:57.805 about all of them just to give a feel
NOTE Confidence: 0.54334635

00:17:57.810 --> 00:18:02.730 for what they are so good. Let's see.
NOTE Confidence: 0.86101985

00:18:06.970 --> 00:18:10.445 So one one of the things that you you
NOTE Confidence: 0.86101985

00:18:10.445 --> 00:18:12.325 see and we're going to be seeing more

NOTE Confidence: 0.86101985

00:18:12.325 --> 00:18:15.250 as we go along today is this motto of

NOTE Confidence: 0.6659335

00:18:18.290 --> 00:18:20.630 of these apps that it's turning

NOTE Confidence: 0.6659335

00:18:20.630 --> 00:18:22.190 slight decks into conversations

NOTE Confidence: 0.6659335

00:18:22.255 --> 00:18:24.607 that's that's where we want to get to.

NOTE Confidence: 0.6659335

00:18:24.610 --> 00:18:26.311 And of course in in this setting

NOTE Confidence: 0.6659335

00:18:26.311 --> 00:18:27.890 it's a little bit artificial,

NOTE Confidence: 0.6659335

00:18:27.890 --> 00:18:29.178 but we're going to do a little

NOTE Confidence: 0.6659335

00:18:29.178 --> 00:18:30.529 bit of that in the classroom.

NOTE Confidence: 0.6659335

00:18:30.530 --> 00:18:31.586 It's it's very,

NOTE Confidence: 0.6659335

00:18:31.586 --> 00:18:34.050 very useful and you see this example

NOTE Confidence: 0.6659335

00:18:34.122 --> 00:18:36.290 about just open-ended questions.

NOTE Confidence: 0.6659335

00:18:36.290 --> 00:18:37.529 How are you feeling about remote work?

NOTE Confidence: 0.6659335

00:18:37.530 --> 00:18:39.635 And it automatically opens into

NOTE Confidence: 0.6659335

00:18:39.635 --> 00:18:42.355 all sorts of things here the the,

NOTE Confidence: 0.6659335

00:18:42.355 --> 00:18:44.770 the size of the word reflects how

NOTE Confidence: 0.6659335

00:18:44.844 --> 00:18:47.118 many times that has been shown.
NOTE Confidence: 0.38874352

00:18:49.400 --> 00:18:52.718 OK. So let's go to mentimeter.
NOTE Confidence: 0.38874352

00:18:52.720 --> 00:18:56.113 We looked a little bit of at pole Everywhere.
NOTE Confidence: 0.38874352

00:18:56.120 --> 00:18:58.381 One thing about pole Everywhere that is
NOTE Confidence: 0.38874352

00:18:58.381 --> 00:19:01.721 very nice is that if you saw I inserted the
NOTE Confidence: 0.38874352

00:19:01.721 --> 00:19:03.958 pole everywhere slides into my slide deck.
NOTE Confidence: 0.38874352

00:19:03.960 --> 00:19:05.394 Yes, we had that little hiccup
NOTE Confidence: 0.38874352

00:19:05.394 --> 00:19:06.879 but it wasn't a big deal.
NOTE Confidence: 0.38874352

00:19:06.880 --> 00:19:08.624 But what you need to do is you
NOTE Confidence: 0.38874352

00:19:08.624 --> 00:19:12.216 download an app, which is very simple.
NOTE Confidence: 0.38874352

00:19:12.216 --> 00:19:15.100 Yes. Whoops, could we have a
NOTE Confidence: 0.33812648

00:19:18.180 --> 00:19:20.175 you You have to for pull everywhere.
NOTE Confidence: 0.33812648

00:19:20.180 --> 00:19:21.860 You have to download a
NOTE Confidence: 0.33812648

00:19:24.620 --> 00:19:26.164 app into your computer.
NOTE Confidence: 0.33812648

00:19:26.164 --> 00:19:28.998 It takes 5 seconds and you do it once
NOTE Confidence: 0.33812648

00:19:28.998 --> 00:19:31.818 and then you program the slides online,

NOTE Confidence: 0.33812648

00:19:31.820 --> 00:19:34.331 you press a button and it spits out those

NOTE Confidence: 0.33812648

00:19:34.331 --> 00:19:36.639 slides ready for PowerPoint and you just

NOTE Confidence: 0.33812648

00:19:36.639 --> 00:19:38.980 insert them so that it becomes very flow,

NOTE Confidence: 0.33812648

00:19:38.980 --> 00:19:41.070 very seamless and very flawless.

NOTE Confidence: 0.33812648

00:19:41.070 --> 00:19:42.222 And this is free,

NOTE Confidence: 0.33812648

00:19:42.222 --> 00:19:43.950 this is a free poll everywhere.

NOTE Confidence: 0.33812648

00:19:43.950 --> 00:19:46.946 You can pay a fee to get

NOTE Confidence: 0.33812648

00:19:46.946 --> 00:19:48.230 some additional features,

NOTE Confidence: 0.33812648

00:19:48.230 --> 00:19:50.430 I've never used them.

NOTE Confidence: 0.33812648

00:19:50.430 --> 00:19:52.670 I think that you can do something

NOTE Confidence: 0.33812648

00:19:52.670 --> 00:19:53.630 similar with Mentimeter,

NOTE Confidence: 0.33812648

00:19:53.630 --> 00:19:56.870 that you can just slide this,

NOTE Confidence: 0.33812648

00:19:56.870 --> 00:19:59.150 download the slides into your computer.

NOTE Confidence: 0.33812648

00:19:59.150 --> 00:20:00.788 But I found it a little bit

NOTE Confidence: 0.33812648

00:20:00.788 --> 00:20:02.582 clunkier and I wanted to show you

NOTE Confidence: 0.33812648

00:20:02.582 --> 00:20:04.350 how I use Mentimeter when I do,
NOTE Confidence: 0.33812648

00:20:04.350 --> 00:20:07.030 which is that after showing you the slide,
NOTE Confidence: 0.33812648

00:20:07.030 --> 00:20:08.926 I'm going to hop off of my slides
NOTE Confidence: 0.33812648

00:20:08.926 --> 00:20:11.019 and I'm going to go to the website.
NOTE Confidence: 0.33812648

00:20:11.020 --> 00:20:13.516 Which I have tagged,
NOTE Confidence: 0.33812648

00:20:13.516 --> 00:20:15.980 so a mentimeter is very similar.
NOTE Confidence: 0.33812648

00:20:15.980 --> 00:20:18.626 It gives you the instructions as AQR
NOTE Confidence: 0.33812648

00:20:18.626 --> 00:20:21.779 code or as something to tap online.
NOTE Confidence: 0.33812648

00:20:21.780 --> 00:20:23.020 It asks you the questions.
NOTE Confidence: 0.33812648

00:20:23.020 --> 00:20:24.380 I'm going to show you a couple of
NOTE Confidence: 0.5226136

00:20:26.420 --> 00:20:28.420 styles, so not not fundamentally
NOTE Confidence: 0.5226136

00:20:28.420 --> 00:20:30.020 different from pull everywhere,
NOTE Confidence: 0.5226136

00:20:30.020 --> 00:20:32.351 but it some people like it because
NOTE Confidence: 0.5226136

00:20:32.351 --> 00:20:34.219 it's more aesthetic and etcetera.
NOTE Confidence: 0.5226136

00:20:34.220 --> 00:20:36.532 So I'm going to hop off and
NOTE Confidence: 0.5226136

00:20:36.532 --> 00:20:39.138 I'm going to go to the web

NOTE Confidence: 0.50990826
00:20:42.850 --> 00:20:47.250 and I'm gonna go here
NOTE Confidence: 0.50990826
00:20:47.250 --> 00:20:50.930 and one second I'm gonna
NOTE Confidence: 0.50990826
00:20:56.330 --> 00:20:59.226 go here. OK, so this is a micro
NOTE Confidence: 0.50990826
00:20:59.226 --> 00:21:01.510 little pseudo test to see what
NOTE Confidence: 0.50990826
00:21:01.510 --> 00:21:03.730 you expect to get from today.
NOTE Confidence: 0.50990826
00:21:06.490 --> 00:21:09.940 And so here are the instructions.
NOTE Confidence: 0.50990826
00:21:09.940 --> 00:21:11.900 There's a whole slide for the instructions.
NOTE Confidence: 0.41498083
00:21:14.060 --> 00:21:17.255 If you could again go to this QR code,
NOTE Confidence: 0.41498083
00:21:17.260 --> 00:21:19.500 you can also go online, it's the same thing.
NOTE Confidence: 0.41498083
00:21:24.950 --> 00:21:25.710 And
NOTE Confidence: 0.41498083
00:21:34.230 --> 00:21:36.666 so that will put you into mentimeter.
NOTE Confidence: 0.41498083
00:21:36.670 --> 00:21:38.803 OK. So I see that 15 of you have
NOTE Confidence: 0.41498083
00:21:38.803 --> 00:21:40.508 gotten into the right website.
NOTE Confidence: 0.41498083
00:21:40.510 --> 00:21:43.870 That's great, 17, lots of little thumbs up,
NOTE Confidence: 0.41498083
00:21:43.870 --> 00:21:49.415 18. Wow, look at that 21.
NOTE Confidence: 0.41498083

00:21:49.415 --> 00:21:50.990 Come on, Ed. You can do it.
NOTE Confidence: 0.41498083

00:21:50.990 --> 00:21:52.946 Ed. You're young. We saw that.
NOTE Confidence: 0.7137926

00:21:56.350 --> 00:21:57.550 Excellent. Now don't worry,
NOTE Confidence: 0.7137926

00:21:57.550 --> 00:21:59.670 because if you missed this QR code,
NOTE Confidence: 0.7137926

00:21:59.670 --> 00:22:01.448 one of the nice things about mintimeter
NOTE Confidence: 0.7137926

00:22:01.448 --> 00:22:03.189 is that each slide will have it.
NOTE Confidence: 0.7137926

00:22:03.190 --> 00:22:04.870 Now you're going to see.
NOTE Confidence: 0.7137926

00:22:04.870 --> 00:22:06.082 As you see, each slide will
NOTE Confidence: 0.7137926

00:22:06.082 --> 00:22:07.150 still have the same code.
NOTE Confidence: 0.7137926

00:22:07.150 --> 00:22:09.670 You don't need to do it if you already did.
NOTE Confidence: 0.7137926

00:22:09.670 --> 00:22:11.066 If you already entered,
NOTE Confidence: 0.7137926

00:22:11.066 --> 00:22:13.160 you should be seeing these three
NOTE Confidence: 0.7137926

00:22:13.228 --> 00:22:15.209 questions after today's class.
NOTE Confidence: 0.7137926

00:22:15.209 --> 00:22:17.574 You'd like being able to,
NOTE Confidence: 0.7137926

00:22:17.580 --> 00:22:20.338 and it'll give you a Likert scale
NOTE Confidence: 0.7137926

00:22:20.340 --> 00:22:23.100 of how much you want to do it.

NOTE Confidence: 0.7396618
00:22:26.260 --> 00:22:27.916 Two people have answered.
NOTE Confidence: 0.7396618
00:22:27.916 --> 00:22:31.253 Now here I left it on so that
NOTE Confidence: 0.7396618
00:22:31.253 --> 00:22:33.527 you can see in real time
NOTE Confidence: 0.7396618
00:22:33.527 --> 00:22:35.699 how people are responding.
NOTE Confidence: 0.7396618
00:22:35.700 --> 00:22:38.740 You can like I had done it before.
NOTE Confidence: 0.7396618
00:22:38.740 --> 00:22:39.820 In the case of all everywhere,
NOTE Confidence: 0.7396618
00:22:39.820 --> 00:22:41.326 keep this hidden so that you
NOTE Confidence: 0.7396618
00:22:41.326 --> 00:22:42.540 don't know how people are
NOTE Confidence: 0.7865427
00:22:45.470 --> 00:22:48.506 and I'm going to throw those
NOTE Confidence: 0.7865427
00:22:48.510 --> 00:22:49.590 by my response right now.
NOTE Confidence: 0.7865427
00:22:49.590 --> 00:22:51.270 I'm going to insert some chaos.
NOTE Confidence: 0.7865427
00:22:57.130 --> 00:22:59.690 No, not so much chaos, OK,
NOTE Confidence: 0.7865427
00:22:59.690 --> 00:23:02.768 I I I I talked about my low expectations,
NOTE Confidence: 0.7865427
00:23:02.770 --> 00:23:06.232 but OK, so now you see the response
NOTE Confidence: 0.7865427
00:23:06.232 --> 00:23:08.433 as a group and you can see the
NOTE Confidence: 0.7865427

00:23:08.433 --> 00:23:09.605 individual responses as well.
NOTE Confidence: 0.7865427

00:23:11.930 --> 00:23:14.530 I think that this was me and it
NOTE Confidence: 0.7865427

00:23:14.530 --> 00:23:18.060 just gives you a a nice visual.
NOTE Confidence: 0.7865427

00:23:18.060 --> 00:23:19.660 The other thing that is
NOTE Confidence: 0.9170296

00:23:23.500 --> 00:23:25.131 if what do you know about this
NOTE Confidence: 0.9170296

00:23:25.131 --> 00:23:26.685 subject or what would you like
NOTE Confidence: 0.9170296

00:23:26.685 --> 00:23:28.015 to know about this subject?
NOTE Confidence: 0.9170296

00:23:28.020 --> 00:23:29.868 Just any, you know, just type a
NOTE Confidence: 0.9170296

00:23:29.868 --> 00:23:31.482 couple of little things so that
NOTE Confidence: 0.9170296

00:23:31.482 --> 00:23:33.253 we can have something to go by.
NOTE Confidence: 0.2670438

00:23:48.780 --> 00:23:49.740 What do you know about it?
NOTE Confidence: 0.2670438

00:23:49.740 --> 00:23:53.298 Nada. Wow. OK Nada 2 Nadas.
NOTE Confidence: 0.2670438

00:23:53.300 --> 00:23:54.380 We have a lot of Madas.
NOTE Confidence: 0.2670438

00:23:58.460 --> 00:24:03.420 OK Glitches at time. Yes, they do.
NOTE Confidence: 0.2670438

00:24:03.420 --> 00:24:05.891 Dooby. Dooby. I salute you. Dooby.
NOTE Confidence: 0.2670438

00:24:05.891 --> 00:24:09.659 Dooby, OK. So you can see how this

NOTE Confidence: 0.542867914285714
00:24:14.820 --> 00:24:17.706 becomes active quickly.
NOTE Confidence: 0.542867914285714
00:24:17.706 --> 00:24:21.554 Now something happened here.
NOTE Confidence: 0.542867914285714
00:24:21.560 --> 00:24:23.426 I got a phone call that
NOTE Confidence: 0.542867914285714
00:24:23.426 --> 00:24:24.359 threw everything off.
NOTE Confidence: 0.9106334
00:24:29.680 --> 00:24:30.560 Second, people
NOTE Confidence: 0.9106334
00:24:35.600 --> 00:24:36.120 back
NOTE Confidence: 0.9106334
00:24:39.080 --> 00:24:44.120 back share my screen and where were we?
NOTE Confidence: 0.9745181
00:24:55.610 --> 00:24:57.970 OK, so here we are.
NOTE Confidence: 0.9745181
00:24:57.970 --> 00:25:01.550 OK, so it's terrific to see
NOTE Confidence: 0.9745181
00:25:01.550 --> 00:25:02.530 when something goes wrong,
NOTE Confidence: 0.9745181
00:25:02.530 --> 00:25:03.965 to learn what to do about it.
NOTE Confidence: 0.9745181
00:25:03.970 --> 00:25:05.270 Yes, that was planned.
NOTE Confidence: 0.9745181
00:25:05.270 --> 00:25:06.570 That glitch was planned.
NOTE Confidence: 0.9745181
00:25:06.570 --> 00:25:07.410 No, it wasn't.
NOTE Confidence: 0.9745181
00:25:07.410 --> 00:25:08.810 And I had another glitch
NOTE Confidence: 0.9745181

00:25:08.810 --> 00:25:10.129 right before this meeting.
NOTE Confidence: 0.9745181

00:25:10.130 --> 00:25:12.794 So I think that you always need to
NOTE Confidence: 0.9745181

00:25:12.794 --> 00:25:14.450 mentally get ready for some glitch.
NOTE Confidence: 0.9745181

00:25:14.450 --> 00:25:17.250 It's a lot of fun, but you need to
NOTE Confidence: 0.9745181

00:25:17.250 --> 00:25:19.870 be ready to move ahead without it.
NOTE Confidence: 0.9745181

00:25:19.870 --> 00:25:20.654 But, you know,
NOTE Confidence: 0.9745181

00:25:20.654 --> 00:25:22.654 just to see that there's 24 responses,
NOTE Confidence: 0.9745181

00:25:22.654 --> 00:25:24.584 even if brief responses is,
NOTE Confidence: 0.9745181

00:25:24.590 --> 00:25:25.150 you know,
NOTE Confidence: 0.9745181

00:25:25.150 --> 00:25:26.550 wouldn't it be wonderful if
NOTE Confidence: 0.9745181

00:25:26.550 --> 00:25:28.194 24 students in the classroom
NOTE Confidence: 0.9745181

00:25:28.194 --> 00:25:29.682 were engaged and responding
NOTE Confidence: 0.9745181

00:25:29.682 --> 00:25:31.390 and this really facilitates it.
NOTE Confidence: 0.6911766

00:25:34.150 --> 00:25:36.270 Andreas. Yes. Will you take
NOTE Confidence: 0.6911766

00:25:36.270 --> 00:25:37.230 questions now or would
NOTE Confidence: 0.6911766

00:25:37.230 --> 00:25:38.430 you rather wait until the.

NOTE Confidence: 0.6911766

00:25:39.030 --> 00:25:41.338 Let me just finish this one And then, yeah.

NOTE Confidence: 0.6911766

00:25:41.338 --> 00:25:43.802 So what what I would do in the

NOTE Confidence: 0.6911766

00:25:43.802 --> 00:25:45.259 classroom is that I would say, OK,

NOTE Confidence: 0.6911766

00:25:45.259 --> 00:25:48.040 talk to the person right next to you and

NOTE Confidence: 0.6911766

00:25:48.111 --> 00:25:50.919 talk about it for 2 minutes or whatever.

NOTE Confidence: 0.6911766

00:25:50.920 --> 00:25:52.880 And then we're going to come back as a group.

NOTE Confidence: 0.6911766

00:25:52.880 --> 00:25:54.884 So then you're dividing a group

NOTE Confidence: 0.6911766

00:25:54.884 --> 00:25:57.318 of 100 into 50 groups of two.

NOTE Confidence: 0.6911766

00:25:57.320 --> 00:25:58.314 We're we're not going to do it.

NOTE Confidence: 0.6911766

00:25:58.320 --> 00:26:00.080 Now we could do it, but you know,

NOTE Confidence: 0.6911766

00:26:00.080 --> 00:26:01.925 in the spirit of of finishing

NOTE Confidence: 0.6911766

00:26:01.925 --> 00:26:03.640 what we're doing, I won't do it.

NOTE Confidence: 0.6911766

00:26:03.640 --> 00:26:05.824 But that's that's a way of

NOTE Confidence: 0.6911766

00:26:05.824 --> 00:26:07.280 really using these techniques.

NOTE Confidence: 0.6911766

00:26:07.280 --> 00:26:11.032 You don't want to be be having,

NOTE Confidence: 0.6911766

00:26:11.032 --> 00:26:12.708 you know, hundreds of questions
NOTE Confidence: 0.6911766

00:26:12.708 --> 00:26:14.488 and no time for discussion.
NOTE Confidence: 0.6911766

00:26:14.490 --> 00:26:17.026 So let's have some discussion, Joe.
NOTE Confidence: 0.6911766

00:26:17.026 --> 00:26:19.370 I mean, Joe, John, go ahead.
NOTE Confidence: 0.65600085

00:26:19.850 --> 00:26:23.049 Yeah. So you know, I'm aware that
NOTE Confidence: 0.65600085

00:26:23.050 --> 00:26:25.966 you're we're looking at the apps,
NOTE Confidence: 0.65600085

00:26:25.970 --> 00:26:28.250 but we're looking at them through
NOTE Confidence: 0.65600085

00:26:28.250 --> 00:26:29.770 a second technology Zoom.
NOTE Confidence: 0.65600085

00:26:29.770 --> 00:26:33.088 So I'm just wondering about your experience
NOTE Confidence: 0.65600085

00:26:33.088 --> 00:26:35.752 of using technologies with Zoom versus
NOTE Confidence: 0.65600085

00:26:35.752 --> 00:26:38.764 using them directly in the classroom.
NOTE Confidence: 0.65600085

00:26:38.770 --> 00:26:42.160 I would assume it's probably less room
NOTE Confidence: 0.65600085

00:26:42.160 --> 00:26:44.050 for glitches or less glitches when it's
NOTE Confidence: 0.65600085

00:26:44.050 --> 00:26:46.046 done in the classroom than on zoom.
NOTE Confidence: 0.38690326

00:26:47.930 --> 00:26:49.970 Yeah, it it just requires one more thing.
NOTE Confidence: 0.38690326

00:26:49.970 --> 00:26:51.368 So for example, in my screen,

NOTE Confidence: 0.38690326

00:26:51.370 --> 00:26:53.930 part of what I'm dealing with is that I have

NOTE Confidence: 0.38690326

00:26:53.998 --> 00:26:56.446 just my laptop screen and I have the zoom,

NOTE Confidence: 0.38690326

00:26:56.450 --> 00:26:57.950 you know, little faces.

NOTE Confidence: 0.38690326

00:26:57.950 --> 00:27:00.362 I have the zoom, you know, it's,

NOTE Confidence: 0.38690326

00:27:00.362 --> 00:27:01.874 you know, buttons to press on

NOTE Confidence: 0.38690326

00:27:01.874 --> 00:27:03.650 and then I have the app itself.

NOTE Confidence: 0.38690326

00:27:03.650 --> 00:27:06.658 So it just takes a lot of cerebellum.

NOTE Confidence: 0.38690326

00:27:06.660 --> 00:27:07.470 It's totally doable.

NOTE Confidence: 0.38690326

00:27:07.470 --> 00:27:09.360 And if I think that if I

NOTE Confidence: 0.38690326

00:27:09.420 --> 00:27:10.740 was doing a whole lot,

NOTE Confidence: 0.38690326

00:27:10.740 --> 00:27:12.624 I would probably get a big

NOTE Confidence: 0.38690326

00:27:12.624 --> 00:27:14.086 screen in the classroom.

NOTE Confidence: 0.38690326

00:27:14.086 --> 00:27:16.378 It has many advantages for sure.

NOTE Confidence: 0.38690326

00:27:16.380 --> 00:27:19.496 But but I think that on zoom,

NOTE Confidence: 0.38690326

00:27:19.500 --> 00:27:21.402 it also has its own advantages

NOTE Confidence: 0.38690326

00:27:21.402 --> 00:27:23.616 in terms of being able to look
NOTE Confidence: 0.38690326

00:27:23.616 --> 00:27:25.374 at the whole class at once.
NOTE Confidence: 0.38690326

00:27:25.380 --> 00:27:28.440 So I don't think it's either or but but
NOTE Confidence: 0.38690326

00:27:28.440 --> 00:27:31.420 it's probably easier in the classroom.
NOTE Confidence: 0.5585675

00:27:33.820 --> 00:27:37.390 So, yeah, thank. Thanks for that.
NOTE Confidence: 0.5585675

00:27:37.390 --> 00:27:40.470 Thank you. See like right now I'm trying
NOTE Confidence: 0.5585675

00:27:40.470 --> 00:27:42.867 to move to the next screen and oh,
NOTE Confidence: 0.5585675

00:27:42.870 --> 00:27:46.842 because I finished the Mentimeter and I'm
NOTE Confidence: 0.5585675

00:27:46.842 --> 00:27:53.360 going to go back to my PowerPoint and I
NOTE Confidence: 0.5585675

00:27:53.360 --> 00:27:55.910 think you're seeing everything I'm doing.
NOTE Confidence: 0.5585675

00:27:55.910 --> 00:27:58.398 OK. So that was mentimeter.
NOTE Confidence: 0.5585675

00:27:58.398 --> 00:28:00.630 So we talked about pull Everywhere Mentimeter
NOTE Confidence: 0.6813781

00:28:04.820 --> 00:28:09.405 the the next one. Oh, and I'm going to
NOTE Confidence: 0.6813781

00:28:09.405 --> 00:28:11.740 start using sound from here on out.
NOTE Confidence: 0.6813781

00:28:11.740 --> 00:28:14.908 So as a reminder that whenever
NOTE Confidence: 0.6813781

00:28:14.908 --> 00:28:19.020 you use sound with the zoom,

NOTE Confidence: 0.6813781

00:28:19.020 --> 00:28:23.324 you need to share. When you do the

NOTE Confidence: 0.6813781

00:28:23.324 --> 00:28:24.740 new the sharing of the screen,

NOTE Confidence: 0.6813781

00:28:24.740 --> 00:28:28.478 you need to click on share sound,

NOTE Confidence: 0.6813781

00:28:28.480 --> 00:28:29.278 which is what I just did.

NOTE Confidence: 0.6813781

00:28:29.280 --> 00:28:31.920 OK, so the the third application

NOTE Confidence: 0.6813781

00:28:31.920 --> 00:28:33.680 is gonna be cahoot.

NOTE Confidence: 0.6813781

00:28:33.680 --> 00:28:37.240 It seems that a couple of you have used it.

NOTE Confidence: 0.6813781

00:28:37.240 --> 00:28:39.504 It's it's it's fun,

NOTE Confidence: 0.6813781

00:28:39.504 --> 00:28:42.260 it's quirky, it's high energy.

NOTE Confidence: 0.6813781

00:28:42.260 --> 00:28:46.040 I think that it's something to use

NOTE Confidence: 0.6813781

00:28:46.152 --> 00:28:50.225 in limited doses because it can

NOTE Confidence: 0.6813781

00:28:50.225 --> 00:28:53.317 get to be a little bit too cute.

NOTE Confidence: 0.6813781

00:28:53.320 --> 00:28:54.640 But let's see, let's see.

NOTE Confidence: 0.6813781

00:28:54.640 --> 00:28:58.198 What do you think about Kahoot,

NOTE Confidence: 0.6813781

00:28:58.200 --> 00:29:01.680 who does a game show format?

NOTE Confidence: 0.31319076

00:29:03.720 --> 00:29:06.720 And OK, I'm
NOTE Confidence: 0.31319076

00:29:08.800 --> 00:29:12.280 going to take the link,
NOTE Confidence: 0.31319076

00:29:12.280 --> 00:29:13.360 it's a game show format.
NOTE Confidence: 0.31319076

00:29:13.360 --> 00:29:14.720 That what it introduces
NOTE Confidence: 0.31319076

00:29:14.720 --> 00:29:16.760 that we have not done yet.
NOTE Confidence: 0.31319076

00:29:16.760 --> 00:29:18.920 It introduces competition,
NOTE Confidence: 0.31319076

00:29:18.920 --> 00:29:20.360 healthy competition,
NOTE Confidence: 0.31319076

00:29:20.360 --> 00:29:22.019 fun competition and
NOTE Confidence: 0.31319076

00:29:22.019 --> 00:29:24.810 that can be pretty neat.
NOTE Confidence: 0.31319076

00:29:24.810 --> 00:29:27.635 So you're seeing it loading.
NOTE Confidence: 0.8116703

00:29:29.750 --> 00:29:31.234 I'm going to, I'm going to pick
NOTE Confidence: 0.8116703

00:29:31.234 --> 00:29:33.414 up just one, it has 25 questions.
NOTE Confidence: 0.8116703

00:29:33.414 --> 00:29:36.830 We're going to do just one or two and
NOTE Confidence: 0.8116703

00:29:40.790 --> 00:29:41.910 can you hear the audio,
NOTE Confidence: 0.8116703

00:29:47.230 --> 00:29:50.710 Linda, you can hear it, OK.
NOTE Confidence: 0.8116703

00:29:50.710 --> 00:29:53.616 So what you're going to be doing

NOTE Confidence: 0.8116703

00:29:53.616 --> 00:29:56.468 now is log on and it's going to

NOTE Confidence: 0.8116703

00:29:56.468 --> 00:29:58.900 ask you to give yourself a name.

NOTE Confidence: 0.8116703

00:29:58.900 --> 00:30:00.540 You can put your full name or some

NOTE Confidence: 0.8116703

00:30:00.592 --> 00:30:01.850 silly name. It doesn't matter.

NOTE Confidence: 0.47957268

00:30:20.070 --> 00:30:22.230 Queen Reagan. There we go.

NOTE Confidence: 0.7860666

00:30:36.010 --> 00:30:37.730 good. So we have a good number of people.

NOTE Confidence: 0.7860666

00:30:37.730 --> 00:30:42.050 So now we're going to get ready to compete.

NOTE Confidence: 0.7860666

00:30:42.050 --> 00:30:45.330 So you have to get not just the right answer,

NOTE Confidence: 0.7860666

00:30:45.330 --> 00:30:47.150 but you get points not

NOTE Confidence: 0.7860666

00:30:47.150 --> 00:30:48.125 just for the right answer,

NOTE Confidence: 0.7860666

00:30:48.130 --> 00:30:51.210 but for how quickly you get the answer.

NOTE Confidence: 0.7860666

00:30:51.210 --> 00:30:53.330 OK, so this is not one to ponder and

NOTE Confidence: 0.7860666

00:30:53.330 --> 00:30:56.396 philosophize, but to go quickly and in

NOTE Confidence: 0.7860666

00:30:56.396 --> 00:30:59.090 a classroom you can do it as groups.

NOTE Confidence: 0.7860666

00:30:59.090 --> 00:31:01.560 You could have, I don't know,

NOTE Confidence: 0.7860666

00:31:01.560 --> 00:31:03.440 add yippee and a a be a team,
NOTE Confidence: 0.7860666

00:31:03.440 --> 00:31:05.140 for example, sitting together and
NOTE Confidence: 0.7860666

00:31:05.140 --> 00:31:06.840 trying to poll their answers.
NOTE Confidence: 0.7860666

00:31:06.840 --> 00:31:09.558 Here it's you can't really do it.
NOTE Confidence: 0.7860666

00:31:09.560 --> 00:31:12.775 You would have to have 100 breakout
NOTE Confidence: 0.7860666

00:31:12.775 --> 00:31:14.560 rooms and that would not be fun.
NOTE Confidence: 0.7860666

00:31:14.560 --> 00:31:16.594 So each one of you is going to play
NOTE Confidence: 0.7860666

00:31:16.600 --> 00:31:18.399 by himself and let's see who wins.
NOTE Confidence: 0.7860666

00:31:18.400 --> 00:31:19.160 So here we go,
NOTE Confidence: 0.57945055

00:31:24.200 --> 00:31:26.080 Misunderstood animals. Very, very important.
NOTE Confidence: 0.9146415

00:31:51.680 --> 00:31:55.080 And you have to be ready to say why.
NOTE Confidence: 0.9146415

00:31:55.080 --> 00:31:59.560 So 16 of you, I know you can do it. OK. So
NOTE Confidence: 0.9146415

00:32:02.360 --> 00:32:03.000 let's see.
NOTE Confidence: 0.9146415

00:32:06.120 --> 00:32:13.718 OK, so five of you said sharks and so
NOTE Confidence: 0.9146415

00:32:13.718 --> 00:32:15.426 forth. Let's see what the answer is.
NOTE Confidence: 0.9437227

00:32:22.110 --> 00:32:23.390 The answer is, let's

NOTE Confidence: 0.9437227

00:32:25.710 --> 00:32:27.030 see what kind of an answer.

NOTE Confidence: 0.7871693

00:32:33.510 --> 00:32:34.986 So it didn't tell us which one did it.

NOTE Confidence: 0.7871693

00:32:34.990 --> 00:32:36.390 OK, this was just for a warm up,

NOTE Confidence: 0.7871693

00:32:36.390 --> 00:32:37.830 so let's do the night. Let's do one more.

NOTE Confidence: 0.7871693

00:32:42.270 --> 00:32:44.294 Wolves help help maintain

NOTE Confidence: 0.7871693

00:32:44.294 --> 00:32:45.776 herbivore populations, which

NOTE Confidence: 0.7871693

00:32:45.776 --> 00:32:48.106 keep what from being overeaten.

NOTE Confidence: 0.9624342

00:33:05.350 --> 00:33:06.910 OK, so

NOTE Confidence: 0.9624342

00:33:13.790 --> 00:33:17.950 OK, so most people thought that it is plants.

NOTE Confidence: 0.9624342

00:33:17.950 --> 00:33:19.710 OK, let's see the answer.

NOTE Confidence: 0.9624342

00:33:23.310 --> 00:33:24.298 Well before the answer

NOTE Confidence: 0.9624342

00:33:24.298 --> 00:33:25.950 we know that E Who is E?

NOTE Confidence: 0.9624342

00:33:25.950 --> 00:33:27.710 He was the fastest.

NOTE Confidence: 0.9624342

00:33:27.710 --> 00:33:30.350 And the correctest Who is E?

NOTE Confidence: 0.9624342

00:33:30.350 --> 00:33:33.210 Aaron, you did it. OK?

NOTE Confidence: 0.9624342

00:33:33.210 --> 00:33:35.610 Justify why you you know,
NOTE Confidence: 0.9624342

00:33:35.610 --> 00:33:36.458 your trophy.
NOTE Confidence: 0.9624342

00:33:36.458 --> 00:33:37.730 Why plants. That's
NOTE Confidence: 0.6295957

00:33:40.130 --> 00:33:41.330 what. You can make anything up.
NOTE Confidence: 0.6295957

00:33:41.330 --> 00:33:43.938 Well, you could. You can make anything up.
NOTE Confidence: 0.6295957

00:33:43.938 --> 00:33:45.790 It doesn't matter. That's what,
NOTE Confidence: 0.6295957

00:33:45.790 --> 00:33:50.010 'cause that's what the herbivores eat.
NOTE Confidence: 0.6295957

00:33:50.010 --> 00:33:51.210 You know, she's so smart,
NOTE Confidence: 0.6295957

00:33:51.210 --> 00:33:52.470 it's like great. Anyway,
NOTE Confidence: 0.6295957

00:33:52.470 --> 00:33:54.540 you you get the sense, you know,
NOTE Confidence: 0.6295957

00:33:54.540 --> 00:33:56.255 you put questions that are relevant to
NOTE Confidence: 0.6295957

00:33:56.255 --> 00:33:57.941 your field and you put an explanation
NOTE Confidence: 0.6295957

00:33:57.941 --> 00:33:59.570 and you want that justification.
NOTE Confidence: 0.6295957

00:33:59.570 --> 00:34:02.251 And the speed to answer is particularly
NOTE Confidence: 0.6295957

00:34:02.251 --> 00:34:04.640 irrelevant when you have small groups,
NOTE Confidence: 0.6295957

00:34:04.640 --> 00:34:07.496 when you have teens, because it really

NOTE Confidence: 0.6295957

00:34:07.496 --> 00:34:10.175 puts again this I think healthy,

NOTE Confidence: 0.6295957

00:34:10.175 --> 00:34:14.400 healthy pressure for for folks to to compete.

NOTE Confidence: 0.6295957

00:34:14.400 --> 00:34:16.080 So those are three

NOTE Confidence: 0.5820494

00:34:18.800 --> 00:34:22.034 worth talking about and we're going

NOTE Confidence: 0.5820494

00:34:22.034 --> 00:34:26.160 to switch now to talk about humans.

NOTE Confidence: 0.5820494

00:34:26.160 --> 00:34:27.928 Yes. Could you answer another

NOTE Confidence: 0.5820494

00:34:27.928 --> 00:34:30.660 question that is, yeah, for sure. So

NOTE Confidence: 0.33282503

00:34:30.940 --> 00:34:34.040 Tabasam who's at Bridgeport says

NOTE Confidence: 0.33282503

00:34:34.040 --> 00:34:36.572 that that they are conferencing

NOTE Confidence: 0.33282503

00:34:36.572 --> 00:34:38.962 in residents while they're in

NOTE Confidence: 0.33282503

00:34:38.962 --> 00:34:41.060 their primary care clinic.

NOTE Confidence: 0.33282503

00:34:41.060 --> 00:34:44.100 But but they're really not.

NOTE Confidence: 0.33282503

00:34:44.100 --> 00:34:46.610 They're really not responding or

NOTE Confidence: 0.33282503

00:34:46.610 --> 00:34:49.428 getting on to the online sessions.

NOTE Confidence: 0.33282503

00:34:49.428 --> 00:34:52.660 Only 8 residents for a 30 minute session.

NOTE Confidence: 0.33282503

00:34:52.660 --> 00:34:56.584 So she's wondering whether you have

NOTE Confidence: 0.33282503

00:34:56.584 --> 00:34:59.234 any advice for just attracting

NOTE Confidence: 0.33282503

00:34:59.234 --> 00:35:00.944 more engagement of the residents.

NOTE Confidence: 0.37994227

00:35:01.710 --> 00:35:03.747 I'm I'm I'm not sure I understood.

NOTE Confidence: 0.37994227

00:35:03.750 --> 00:35:05.270 So for a 30 minute,

NOTE Confidence: 0.37994227

00:35:05.990 --> 00:35:07.526 30 minute sessions,

NOTE Confidence: 0.37994227

00:35:07.526 --> 00:35:10.950 only 8 residents are logging on.

NOTE Confidence: 0.37994227

00:35:10.950 --> 00:35:13.062 They're choosing not to

NOTE Confidence: 0.37994227

00:35:13.062 --> 00:35:14.660 participate in, you know,

NOTE Confidence: 0.37994227

00:35:14.660 --> 00:35:16.430 the the sort of online sessions.

NOTE Confidence: 0.37994227

00:35:16.430 --> 00:35:17.270 I don't know if.

NOTE Confidence: 0.37994227

00:35:17.270 --> 00:35:18.590 Yeah, yeah, yeah.

NOTE Confidence: 0.37994227

00:35:18.590 --> 00:35:20.828 There are other aspects of the

NOTE Confidence: 0.37994227

00:35:20.830 --> 00:35:22.230 issue that you want to talk about.

NOTE Confidence: 0.37994227

00:35:22.230 --> 00:35:22.830 Tessa Bone,

NOTE Confidence: 0.43054527

00:35:23.680 --> 00:35:25.459 actually. They're actually

NOTE Confidence: 0.43054527

00:35:25.459 --> 00:35:27.238 in person sessions.

NOTE Confidence: 0.43054527

00:35:27.240 --> 00:35:29.400 Yeah, we have a total of 8 residents,

NOTE Confidence: 0.43054527

00:35:29.400 --> 00:35:31.080 you know, per block or so.

NOTE Confidence: 0.43054527

00:35:31.080 --> 00:35:32.622 But we don't find that they're

NOTE Confidence: 0.43054527

00:35:32.622 --> 00:35:34.360 really showing up to the sessions.

NOTE Confidence: 0.43054527

00:35:34.360 --> 00:35:35.064 Or if they're not,

NOTE Confidence: 0.43054527

00:35:35.064 --> 00:35:37.340 they're not logging on and we just

NOTE Confidence: 0.43054527

00:35:37.340 --> 00:35:38.880 don't know how to better engage them.

NOTE Confidence: 0.43054527

00:35:38.880 --> 00:35:40.620 So we have better attendance

NOTE Confidence: 0.43054527

00:35:40.620 --> 00:35:41.316 and participation.

NOTE Confidence: 0.43054527

00:35:42.400 --> 00:35:46.796 Yeah. Well, and I'm sorry your specialty is

NOTE Confidence: 0.43054527

00:35:48.440 --> 00:35:54.120 that's for primary care, OK. So maybe

NOTE Confidence: 0.78734994

00:35:54.120 --> 00:35:55.816 it's almost like a plant of a question

NOTE Confidence: 0.78734994

00:35:55.816 --> 00:35:57.307 because I think that my best answer

NOTE Confidence: 0.78734994

00:35:57.307 --> 00:35:59.038 is what I'm going to talk about now,

NOTE Confidence: 0.78734994

00:35:59.040 --> 00:36:02.312 which is how to bring patients
NOTE Confidence: 0.78734994

00:36:02.312 --> 00:36:04.452 and humans and the, you know,
NOTE Confidence: 0.78734994

00:36:04.452 --> 00:36:05.482 the reality of what we
NOTE Confidence: 0.78734994

00:36:05.482 --> 00:36:06.600 like into the classroom.
NOTE Confidence: 0.78734994

00:36:06.600 --> 00:36:08.872 I think that we don't do enough of
NOTE Confidence: 0.78734994

00:36:08.872 --> 00:36:11.239 that and pre technology it was very hard.
NOTE Confidence: 0.78734994

00:36:11.240 --> 00:36:13.200 So I don't know if that's the
NOTE Confidence: 0.78734994

00:36:13.200 --> 00:36:14.040 end all solution,
NOTE Confidence: 0.78734994

00:36:14.040 --> 00:36:16.192 but it's one that I would encourage you
NOTE Confidence: 0.78734994

00:36:16.192 --> 00:36:18.358 to think about and hopefully some of
NOTE Confidence: 0.78734994

00:36:18.358 --> 00:36:20.489 these techniques may help to that end.
NOTE Confidence: 0.78734994

00:36:20.490 --> 00:36:22.026 I I think you know we see it
NOTE Confidence: 0.78734994

00:36:22.026 --> 00:36:23.418 with the medical students that
NOTE Confidence: 0.78734994

00:36:23.418 --> 00:36:25.008 whenever we have a patient,
NOTE Confidence: 0.78734994

00:36:25.010 --> 00:36:27.488 a patient interview the room gets full
NOTE Confidence: 0.78734994

00:36:27.490 --> 00:36:29.926 otherwise it you know it doesn't.

NOTE Confidence: 0.78734994
00:36:29.930 --> 00:36:30.290 So
NOTE Confidence: 0.80534506
00:36:32.370 --> 00:36:34.314 see what I have to say and and
NOTE Confidence: 0.80534506
00:36:34.314 --> 00:36:36.311 and you'll see what you think you
NOTE Confidence: 0.80534506
00:36:36.311 --> 00:36:38.216 you know certainly bringing live
NOTE Confidence: 0.80534506
00:36:38.216 --> 00:36:40.323 patients is wonderful but it's
NOTE Confidence: 0.80534506
00:36:40.323 --> 00:36:42.375 very complex logistically sometimes
NOTE Confidence: 0.80534506
00:36:42.375 --> 00:36:43.970 ethically it's just difficult.
NOTE Confidence: 0.80534506
00:36:43.970 --> 00:36:46.490 But video clips of all sorts have
NOTE Confidence: 0.80534506
00:36:46.565 --> 00:36:48.770 really opened a whole world to us
NOTE Confidence: 0.80534506
00:36:48.770 --> 00:36:52.557 of real patients but also of actors
NOTE Confidence: 0.80534506
00:36:52.557 --> 00:36:55.610 who are simulated participants.
NOTE Confidence: 0.80534506
00:36:55.610 --> 00:36:59.930 Animations can really be quite
NOTE Confidence: 0.80534506
00:36:59.930 --> 00:37:02.730 innovative and and bring a lot of
NOTE Confidence: 0.80534506
00:37:02.730 --> 00:37:05.050 attention and and using just audio,
NOTE Confidence: 0.80534506
00:37:05.050 --> 00:37:07.115 I'll give you examples of all of
NOTE Confidence: 0.80534506

00:37:07.115 --> 00:37:08.914 these four things and of a fifth

NOTE Confidence: 0.80534506

00:37:08.914 --> 00:37:10.705 one just audio can be incredibly

NOTE Confidence: 0.80534506

00:37:10.705 --> 00:37:13.128 powerful and we we tend to forget it.

NOTE Confidence: 0.80534506

00:37:13.130 --> 00:37:16.437 So hopefully this will become clear.

NOTE Confidence: 0.80534506

00:37:16.437 --> 00:37:18.999 So let's start with real patience.

NOTE Confidence: 0.80534506

00:37:19.000 --> 00:37:21.142 I'm I'm a child psychiatrist as I

NOTE Confidence: 0.80534506

00:37:21.142 --> 00:37:23.356 mentioned and it's hard to bring real

NOTE Confidence: 0.80534506

00:37:23.356 --> 00:37:25.680 patients in for any number of reasons.

NOTE Confidence: 0.80534506

00:37:25.680 --> 00:37:28.708 And if we talk about autism in the

NOTE Confidence: 0.80534506

00:37:28.708 --> 00:37:30.640 first three years of life for example,

NOTE Confidence: 0.80534506

00:37:30.640 --> 00:37:33.800 it's very, very hard.

NOTE Confidence: 0.80534506

00:37:33.800 --> 00:37:35.158 So how how do we do it?

NOTE Confidence: 0.80534506

00:37:35.160 --> 00:37:35.816 There are,

NOTE Confidence: 0.80534506

00:37:35.816 --> 00:37:38.112 this is an example from my specialty,

NOTE Confidence: 0.80534506

00:37:38.120 --> 00:37:39.224 the Autism Navigator.

NOTE Confidence: 0.80534506

00:37:39.224 --> 00:37:41.800 But I am sure that there are

NOTE Confidence: 0.80534506

00:37:41.874 --> 00:37:44.449 comparable things for any specialty

NOTE Confidence: 0.80534506

00:37:44.450 --> 00:37:47.090 collection of web-based tools or

NOTE Confidence: 0.80534506

00:37:47.090 --> 00:37:49.202 videos to exemplify something,

NOTE Confidence: 0.80534506

00:37:49.210 --> 00:37:52.990 whether that something is chest pain or

NOTE Confidence: 0.80534506

00:37:52.990 --> 00:37:56.409 edema or headache or whatever it is.

NOTE Confidence: 0.80534506

00:37:56.410 --> 00:37:58.170 I think that if we can do it

NOTE Confidence: 0.80534506

00:37:58.170 --> 00:37:59.329 with little little kids,

NOTE Confidence: 0.80534506

00:37:59.330 --> 00:38:01.526 it can be done with anything.

NOTE Confidence: 0.80534506

00:38:01.530 --> 00:38:02.610 And this is going to be,

NOTE Confidence: 0.80534506

00:38:02.610 --> 00:38:04.542 I'm going to hop off for a

NOTE Confidence: 0.80534506

00:38:04.542 --> 00:38:05.988 second again to to the web.

NOTE Confidence: 0.80534506

00:38:05.988 --> 00:38:07.690 This is going to be the last time

NOTE Confidence: 0.80534506

00:38:07.690 --> 00:38:09.730 to show you what I mean by this.

NOTE Confidence: 0.80534506

00:38:09.730 --> 00:38:12.778 So most of you probably had one or

NOTE Confidence: 0.80534506

00:38:12.778 --> 00:38:15.588 two lessons about autism in medical

NOTE Confidence: 0.80534506

00:38:15.588 --> 00:38:18.522 school and but don't remember much.

NOTE Confidence: 0.80534506

00:38:18.530 --> 00:38:22.546 This would be my my expectation

NOTE Confidence: 0.80534506

00:38:22.546 --> 00:38:24.610 or my prediction.

NOTE Confidence: 0.80534506

00:38:24.610 --> 00:38:27.410 So if the this is an example,

NOTE Confidence: 0.80534506

00:38:27.410 --> 00:38:29.629 just to show about you know these

NOTE Confidence: 0.80534506

00:38:29.629 --> 00:38:31.399 big words initiating a respond

NOTE Confidence: 0.80534506

00:38:31.399 --> 00:38:32.527 to social interaction.

NOTE Confidence: 0.80534506

00:38:32.530 --> 00:38:35.248 Let's look just a 10 seconds or so of

NOTE Confidence: 0.80534506

00:38:35.248 --> 00:38:37.808 video of a normally developing child.

NOTE Confidence: 0.39094284

00:38:52.140 --> 00:38:55.311 Very nice. Oh, there you go they're

NOTE Confidence: 0.39094284

00:38:55.311 --> 00:38:59.940 for you. Bubbles and bubbles. Let's

NOTE Confidence: 0.39094284

00:38:59.940 --> 00:39:02.028 now, let's now go to a child the

NOTE Confidence: 0.39094284

00:39:02.028 --> 00:39:03.952 same age in whom we're seeing

NOTE Confidence: 0.39094284

00:39:03.952 --> 00:39:05.617 some red flags for autism.

NOTE Confidence: 0.39094284

00:39:06.500 --> 00:39:07.900 Oh, oh, only got 1.

NOTE Confidence: 0.9534443

00:39:35.930 --> 00:39:37.010 Can you give them to Mama?

NOTE Confidence: 0.9534443

00:39:38.490 --> 00:39:40.506 So what I'm going to do now is

NOTE Confidence: 0.9534443

00:39:40.506 --> 00:39:42.129 that through the magic of Zoom,

NOTE Confidence: 0.9534443

00:39:42.130 --> 00:39:45.812 you all suddenly are first year medical

NOTE Confidence: 0.9534443

00:39:45.812 --> 00:39:48.060 students and who wants to comment

NOTE Confidence: 0.9534443

00:39:48.060 --> 00:39:50.206 and make some observations on what

NOTE Confidence: 0.9534443

00:39:50.206 --> 00:39:52.336 they saw between the two children.

NOTE Confidence: 0.9534443

00:39:52.340 --> 00:39:54.300 What what called your attention?

NOTE Confidence: 0.9534443

00:39:54.300 --> 00:39:56.514 And remember, you're first year medical

NOTE Confidence: 0.9534443

00:39:56.514 --> 00:39:58.819 students who don't feel any pressure,

NOTE Confidence: 0.9534443

00:39:58.820 --> 00:40:00.458 and the only one who can't answer is Angie.

NOTE Confidence: 0.348623

00:40:04.820 --> 00:40:06.164 I was going to say that

NOTE Confidence: 0.348623

00:40:06.164 --> 00:40:07.500 we didn't see any images.

NOTE Confidence: 0.348623

00:40:07.860 --> 00:40:08.580 I could just hear

NOTE Confidence: 0.348623

00:40:08.580 --> 00:40:09.740 that. What? Oh, you.

NOTE Confidence: 0.348623

00:40:10.260 --> 00:40:11.499 I could just you didn't see any?

NOTE Confidence: 0.348623

00:40:11.500 --> 00:40:13.258 Oh, no, no. I wish you
NOTE Confidence: 0.4457934

00:40:13.260 --> 00:40:16.060 had told me before. Oh, no, no,
NOTE Confidence: 0.4457934

00:40:16.060 --> 00:40:17.920 no. OK, so then let's show.
NOTE Confidence: 0.4457934

00:40:17.920 --> 00:40:19.635 I'll just show 10 seconds of each.
NOTE Confidence: 0.834475

00:40:21.800 --> 00:40:23.558 OK, here we go. Hold on.
NOTE Confidence: 0.834475

00:40:28.040 --> 00:40:28.280 Zoom.
NOTE Confidence: 0.834475

00:40:30.320 --> 00:40:30.960 Share screen.
NOTE Confidence: 0.834475

00:40:34.920 --> 00:40:36.600 OK, so you you're gonna hear
NOTE Confidence: 0.834475

00:40:36.600 --> 00:40:38.400 it twice and see it once. Let
NOTE Confidence: 0.834475

00:40:40.680 --> 00:40:44.660 Mama open. You give it to Mama. Take the
NOTE Confidence: 0.29574558

00:40:44.660 --> 00:40:46.220 Mama, Angie. OK. Yeah. You want
NOTE Confidence: 0.29574558

00:40:47.100 --> 00:40:49.100 me to blow bubbles?
NOTE Confidence: 0.29574558

00:40:49.100 --> 00:40:50.540 That's good. Yeah. Bubbles.
NOTE Confidence: 0.29574558

00:40:52.980 --> 00:40:56.500 OK. So that's one. Angie,
NOTE Confidence: 0.29574558

00:40:56.500 --> 00:40:59.060 could could you see that? Yes.
NOTE Confidence: 0.29574558

00:41:00.060 --> 00:41:00.980 All right. Give me sweetie.

NOTE Confidence: 0.29574558
00:41:00.980 --> 00:41:01.940 You give me some kids.
NOTE Confidence: 0.29574558
00:41:01.940 --> 00:41:03.100 Give them to Mama.
NOTE Confidence: 0.29574558
00:41:03.100 --> 00:41:06.060 Give them to Mama and you.
NOTE Confidence: 0.29574558
00:41:06.060 --> 00:41:07.176 Yeah. If you want to open.
NOTE Confidence: 0.29574558
00:41:07.180 --> 00:41:08.500 I'll blow them if you want me to.
NOTE Confidence: 0.29574558
00:41:08.500 --> 00:41:09.418 It's up to you. You blow.
NOTE Confidence: 0.34625205
00:41:13.970 --> 00:41:15.410 Uh oh, only got one.
NOTE Confidence: 0.34625205
00:41:18.210 --> 00:41:22.129 Got it? You got it. Here's the bubbles.
NOTE Confidence: 0.34625205
00:41:22.130 --> 00:41:25.374 Bubbles. Do you want more?
NOTE Confidence: 0.34625205
00:41:25.374 --> 00:41:27.530 Do you want more bubbles? Ethan.
NOTE Confidence: 0.34625205
00:41:32.130 --> 00:41:35.090 You want more? Can you give him
NOTE Confidence: 0.34625205
00:41:37.730 --> 00:41:40.510 Ethan? And he says if I keep rolling them,
NOTE Confidence: 0.34625205
00:41:40.510 --> 00:41:43.070 maybe somebody will take them.
NOTE Confidence: 0.34625205
00:41:43.070 --> 00:41:44.186 Can you give them to Mama?
NOTE Confidence: 0.34625205
00:41:44.190 --> 00:41:46.590 Can you give me sweetie?
NOTE Confidence: 0.34625205

00:41:46.590 --> 00:41:47.650 Give them to Mama.
NOTE Confidence: 0.34625205

00:41:47.650 --> 00:41:49.190 Give them to Mama. Thank you.
NOTE Confidence: 0.4799057

00:41:52.190 --> 00:41:53.786 OK, now I think you saw it.
NOTE Confidence: 0.4799057

00:41:53.790 --> 00:41:57.274 So any differences that jump to you
NOTE Confidence: 0.4799057

00:41:57.274 --> 00:41:59.562 between the first video of a normally
NOTE Confidence: 0.4799057

00:41:59.562 --> 00:42:01.506 developing child and the second child,
NOTE Confidence: 0.7451398

00:42:10.510 --> 00:42:11.326 Be kind to yourself.
NOTE Confidence: 0.7451398

00:42:11.326 --> 00:42:12.870 You don't need to get it right.
NOTE Confidence: 0.7451398

00:42:12.870 --> 00:42:13.990 Remember, you're a first
NOTE Confidence: 0.7451398

00:42:13.990 --> 00:42:14.830 year medical student.
NOTE Confidence: 0.7451398

00:42:14.830 --> 00:42:15.976 This is the first time ever
NOTE Confidence: 0.7451398

00:42:15.976 --> 00:42:16.950 you've seen this. Yes.
NOTE Confidence: 0.7451398

00:42:17.230 --> 00:42:20.230 For me, I thought it was when
NOTE Confidence: 0.7451398

00:42:20.230 --> 00:42:21.670 the normally developing child,
NOTE Confidence: 0.7451398

00:42:21.670 --> 00:42:22.670 when someone spoke to him,
NOTE Confidence: 0.7451398

00:42:22.670 --> 00:42:25.310 he would look towards them and

NOTE Confidence: 0.7451398

00:42:25.310 --> 00:42:27.395 there wasn't any like attention

NOTE Confidence: 0.7451398

00:42:27.395 --> 00:42:29.912 changing when he was being spoken

NOTE Confidence: 0.7451398

00:42:29.912 --> 00:42:31.910 to in the second video. Yep.

NOTE Confidence: 0.7451398

00:42:32.150 --> 00:42:34.775 Yeah. So lack of responsiveness

NOTE Confidence: 0.7451398

00:42:34.775 --> 00:42:36.380 to his name, lack of engagement.

NOTE Confidence: 0.7451398

00:42:36.380 --> 00:42:37.916 There was, you know, very little

NOTE Confidence: 0.7451398

00:42:37.916 --> 00:42:39.220 eye contact the second time.

NOTE Confidence: 0.7451398

00:42:39.220 --> 00:42:40.380 The way that he was

NOTE Confidence: 0.48961356

00:42:42.500 --> 00:42:44.804 playing with that red bottle was not really

NOTE Confidence: 0.48961356

00:42:44.804 --> 00:42:47.378 how that red bottle was intended to be used.

NOTE Confidence: 0.48961356

00:42:47.380 --> 00:42:49.657 It was just an object he was throwing around.

NOTE Confidence: 0.48961356

00:42:49.660 --> 00:42:51.420 We could go on and on and we could spend

NOTE Confidence: 0.48961356

00:42:51.466 --> 00:42:53.148 a lot of time talking about, you know,

NOTE Confidence: 0.48961356

00:42:53.148 --> 00:42:54.940 this was just 10 seconds or 15 seconds.

NOTE Confidence: 0.48961356

00:42:54.940 --> 00:42:56.820 And this is, you know,

NOTE Confidence: 0.48961356

00:42:56.820 --> 00:42:58.420 with real, with real pitch.
NOTE Confidence: 0.48961356

00:42:58.420 --> 00:43:01.684 And so the whether it is some repository
NOTE Confidence: 0.48961356

00:43:01.684 --> 00:43:04.868 of videos relevant to your speciality,
NOTE Confidence: 0.48961356

00:43:04.870 --> 00:43:07.430 whether you can record some of your patients,
NOTE Confidence: 0.48961356

00:43:07.430 --> 00:43:08.834 which now the technology
NOTE Confidence: 0.48961356

00:43:08.834 --> 00:43:10.589 for that is very easy.
NOTE Confidence: 0.48961356

00:43:10.590 --> 00:43:12.665 Patients, people, humans really make
NOTE Confidence: 0.48961356

00:43:12.665 --> 00:43:16.148 things come alive in a very different way.
NOTE Confidence: 0.48961356

00:43:16.150 --> 00:43:19.630 The, the 2nd way of doing that is
NOTE Confidence: 0.48961356

00:43:19.630 --> 00:43:23.670 let me share, share, share, share,
NOTE Confidence: 0.9517246

00:43:25.750 --> 00:43:26.790 share, share,
NOTE Confidence: 0.89046836

00:43:37.340 --> 00:43:40.406 second. OK, share. OK.
NOTE Confidence: 0.89046836

00:43:40.406 --> 00:43:41.736 So that was one example.
NOTE Confidence: 0.89046836

00:43:44.460 --> 00:43:48.540 The second example is using simulated
NOTE Confidence: 0.89046836

00:43:48.540 --> 00:43:50.446 participants, simulated patients.
NOTE Confidence: 0.89046836

00:43:50.446 --> 00:43:54.040 And in this case, I'm going to show you

NOTE Confidence: 0.89046836

00:43:54.040 --> 00:43:56.118 an example from work we did talking about

NOTE Confidence: 0.89046836

00:43:56.118 --> 00:43:58.176 something that is very difficult to talk

NOTE Confidence: 0.89046836

00:43:58.232 --> 00:44:00.059 about and that we rarely talk about,

NOTE Confidence: 0.89046836

00:44:00.060 --> 00:44:04.206 especially with youngsters, which is sex.

NOTE Confidence: 0.89046836

00:44:04.210 --> 00:44:06.250 So we first asked the participants,

NOTE Confidence: 0.89046836

00:44:06.250 --> 00:44:07.418 about 150 of them,

NOTE Confidence: 0.89046836

00:44:07.418 --> 00:44:10.101 to tell us what word comes to mind when

NOTE Confidence: 0.89046836

00:44:10.101 --> 00:44:12.638 you have to talk about sex with your

NOTE Confidence: 0.89046836

00:44:12.638 --> 00:44:14.968 adolescent patients or their families.

NOTE Confidence: 0.89046836

00:44:14.970 --> 00:44:17.540 And this is the, you know,

NOTE Confidence: 0.89046836

00:44:17.540 --> 00:44:18.565 this is what we saw.

NOTE Confidence: 0.89046836

00:44:18.570 --> 00:44:20.930 You know, it's very awkward and it's very

NOTE Confidence: 0.89046836

00:44:20.930 --> 00:44:22.889 important it it's very uncomfortable,

NOTE Confidence: 0.89046836

00:44:22.890 --> 00:44:24.526 even though it's important.

NOTE Confidence: 0.89046836

00:44:24.526 --> 00:44:28.277 So we created these videos to be able to

NOTE Confidence: 0.89046836

00:44:28.277 --> 00:44:30.719 talk with adolescents about such things.
NOTE Confidence: 0.89046836

00:44:30.720 --> 00:44:33.520 So I'm going to show you a brief one about
NOTE Confidence: 0.89046836

00:44:33.596 --> 00:44:36.386 how do you talk about sexual side effects.
NOTE Confidence: 0.89046836

00:44:36.386 --> 00:44:39.635 The the point in to make here in the
NOTE Confidence: 0.89046836

00:44:39.635 --> 00:44:41.630 context of today's talk it is not
NOTE Confidence: 0.89046836

00:44:41.630 --> 00:44:43.513 to teach about sex Ed or whatnot,
NOTE Confidence: 0.89046836

00:44:43.520 --> 00:44:45.320 but to take a topic,
NOTE Confidence: 0.89046836

00:44:45.320 --> 00:44:48.398 a brief topic to support it with video and
NOTE Confidence: 0.89046836

00:44:48.398 --> 00:44:51.439 then open up the conversation through it.
NOTE Confidence: 0.89046836

00:44:51.440 --> 00:44:54.080 So let's see.
NOTE Confidence: 0.790293

00:44:59.170 --> 00:45:00.170 I hate talking about
NOTE Confidence: 0.790293

00:45:00.170 --> 00:45:01.170 that stuff within there.
NOTE Confidence: 0.790293

00:45:01.170 --> 00:45:02.664 He and my mom were so
NOTE Confidence: 0.790293

00:45:02.664 --> 00:45:04.010 worried that I watched ****.
NOTE Confidence: 0.790293

00:45:04.010 --> 00:45:05.690 Well, it it didn't even work.
NOTE Confidence: 0.790293

00:45:05.690 --> 00:45:06.569 I can't finish.

NOTE Confidence: 0.790293

00:45:08.610 --> 00:45:10.565 Sorry, I didn't mean to

NOTE Confidence: 0.790293

00:45:10.565 --> 00:45:12.129 talk about that stuff.

NOTE Confidence: 0.790293

00:45:12.130 --> 00:45:14.083 Bobby, it's it's good that you brought it up.

NOTE Confidence: 0.790293

00:45:14.090 --> 00:45:15.494 Your sexual health is just as

NOTE Confidence: 0.790293

00:45:15.494 --> 00:45:17.170 important as the rest of your health,

NOTE Confidence: 0.790293

00:45:17.170 --> 00:45:18.430 and it actually connects to

NOTE Confidence: 0.790293

00:45:18.430 --> 00:45:19.690 the rest of your health.

NOTE Confidence: 0.790293

00:45:19.690 --> 00:45:21.465 I'm wondering what you mean

NOTE Confidence: 0.790293

00:45:21.465 --> 00:45:22.885 by you can't finish.

NOTE Confidence: 0.790293

00:45:22.890 --> 00:45:24.810 When we talk about sexual function,

NOTE Confidence: 0.790293

00:45:24.810 --> 00:45:26.462 it can be helpful to think of

NOTE Confidence: 0.790293

00:45:26.462 --> 00:45:28.418 it in sort of three categories.

NOTE Confidence: 0.790293

00:45:28.420 --> 00:45:30.040 The first category is sort

NOTE Confidence: 0.790293

00:45:30.040 --> 00:45:31.336 of like the electrical.

NOTE Confidence: 0.790293

00:45:31.340 --> 00:45:32.510 Can you still get aroused when

NOTE Confidence: 0.790293

00:45:32.510 --> 00:45:33.620 you look at these images?
NOTE Confidence: 0.790293

00:45:33.620 --> 00:45:34.780 Like do you feel desire?
NOTE Confidence: 0.790293

00:45:34.780 --> 00:45:36.660 Like you always have? Yeah.
NOTE Confidence: 0.790293

00:45:36.660 --> 00:45:38.898 OK, All right. So that's intact.
NOTE Confidence: 0.790293

00:45:38.900 --> 00:45:41.180 The next category is the mechanical.
NOTE Confidence: 0.790293

00:45:41.180 --> 00:45:43.763 Are you able to get the same sort of
NOTE Confidence: 0.790293

00:45:43.763 --> 00:45:45.779 erection that you've always gotten?
NOTE Confidence: 0.790293

00:45:45.780 --> 00:45:49.100 And then the last category is the hydraulics.
NOTE Confidence: 0.790293

00:45:49.100 --> 00:45:50.388 And it's a lot of different words
NOTE Confidence: 0.790293

00:45:50.388 --> 00:45:51.988 you can use. But can you finish?
NOTE Confidence: 0.790293

00:45:51.988 --> 00:45:52.774 Can you come?
NOTE Confidence: 0.790293

00:45:52.780 --> 00:45:56.020 Can you ejaculate and achieve orgasm?
NOTE Confidence: 0.790293

00:45:56.020 --> 00:46:00.038 I I think it's mechanics and hydraulics.
NOTE Confidence: 0.790293

00:46:00.040 --> 00:46:01.966 It takes a very long time for me to
NOTE Confidence: 0.790293

00:46:01.966 --> 00:46:03.720 finish and sometimes I can't at all,
NOTE Confidence: 0.790293

00:46:03.720 --> 00:46:05.736 Even with ****.

NOTE Confidence: 0.790293

00:46:05.736 --> 00:46:07.080 It's frustrating.

NOTE Confidence: 0.790293

00:46:07.080 --> 00:46:09.926 Was it always this way or is it different

NOTE Confidence: 0.790293

00:46:09.926 --> 00:46:12.556 since you started your antidepressant?

NOTE Confidence: 0.790293

00:46:12.560 --> 00:46:14.120 Now that you mentioned it,

NOTE Confidence: 0.790293

00:46:14.120 --> 00:46:15.960 it did change early this year.

NOTE Confidence: 0.790293

00:46:15.960 --> 00:46:18.852 I used to finish very quickly when I,

NOTE Confidence: 0.790293

00:46:18.852 --> 00:46:20.316 you know, did that,

NOTE Confidence: 0.790293

00:46:20.320 --> 00:46:22.400 But now it takes forever.

NOTE Confidence: 0.790293

00:46:22.400 --> 00:46:25.050 And I'm, I'm just frustrated.

NOTE Confidence: 0.790293

00:46:25.050 --> 00:46:27.059 But it's it's not like I'll even

NOTE Confidence: 0.790293

00:46:27.059 --> 00:46:28.689 get a girlfriend or anything.

NOTE Confidence: 0.790293

00:46:28.690 --> 00:46:29.653 I mean, regardless,

NOTE Confidence: 0.790293

00:46:29.653 --> 00:46:31.258 this isn't unusual and it's

NOTE Confidence: 0.790293

00:46:31.258 --> 00:46:32.968 good that you brought it up.

NOTE Confidence: 0.790293

00:46:32.970 --> 00:46:34.860 The medication you're taking can

NOTE Confidence: 0.790293

00:46:34.860 --> 00:46:36.372 actually impact sexual function

NOTE Confidence: 0.790293

00:46:36.372 --> 00:46:38.327 by making it harder to orgasm.

NOTE Confidence: 0.790293

00:46:38.330 --> 00:46:39.290 And if it's bugging you,

NOTE Confidence: 0.790293

00:46:39.290 --> 00:46:41.250 there's things we can do to address it.

NOTE Confidence: 0.790293

00:46:41.250 --> 00:46:41.656 Yeah.

NOTE Confidence: 0.790293

00:46:41.656 --> 00:46:42.062 Actually,

NOTE Confidence: 0.790293

00:46:42.062 --> 00:46:44.770 I I am kind of worried for

NOTE Confidence: 0.790293

00:46:44.770 --> 00:46:46.610 if I do get a girlfriend.

NOTE Confidence: 0.790293

00:46:46.610 --> 00:46:49.169 So I've totally avoided Molly's text

NOTE Confidence: 0.790293

00:46:49.170 --> 00:46:53.010 because I I thought I was crazy.

NOTE Confidence: 0.790293

00:46:53.010 --> 00:46:53.994 You're not crazy.

NOTE Confidence: 0.790293

00:46:53.994 --> 00:46:54.650 Thank you.

NOTE Confidence: 0.4228508

00:46:58.050 --> 00:47:01.730 So just a couple of things to notice,

NOTE Confidence: 0.4228508

00:47:01.730 --> 00:47:03.249 Linda, the doctor is a real doctor,

NOTE Confidence: 0.4228508

00:47:03.250 --> 00:47:05.058 my colleague a psychiatrist

NOTE Confidence: 0.4228508

00:47:05.058 --> 00:47:07.770 that the patient is an actor,

NOTE Confidence: 0.4228508

00:47:07.770 --> 00:47:08.883 a standardized patient.

NOTE Confidence: 0.4228508

00:47:08.883 --> 00:47:10.786 And I think that standardized

NOTE Confidence: 0.4228508

00:47:10.786 --> 00:47:12.866 patients have their own challenges

NOTE Confidence: 0.4228508

00:47:12.866 --> 00:47:14.530 and logistics and etcetera.

NOTE Confidence: 0.4228508

00:47:14.530 --> 00:47:16.385 We could talk a lot about standardized

NOTE Confidence: 0.4228508

00:47:16.385 --> 00:47:17.840 patients, but they are wonderful and

NOTE Confidence: 0.4228508

00:47:17.840 --> 00:47:19.632 they can really do a script exactly

NOTE Confidence: 0.4228508

00:47:19.632 --> 00:47:21.529 along the lines of what you need.

NOTE Confidence: 0.4228508

00:47:21.530 --> 00:47:23.294 And #1 and #2.

NOTE Confidence: 0.4228508

00:47:23.294 --> 00:47:25.499 The the ethics are easy.

NOTE Confidence: 0.4228508

00:47:25.500 --> 00:47:27.299 You know, this is not a patient,

NOTE Confidence: 0.4228508

00:47:27.300 --> 00:47:28.818 even the ethics of those babies.

NOTE Confidence: 0.4228508

00:47:28.820 --> 00:47:30.284 I I always feel even though

NOTE Confidence: 0.4228508

00:47:30.284 --> 00:47:31.016 the parents consented,

NOTE Confidence: 0.4228508

00:47:31.020 --> 00:47:33.084 it feels a little bit and

NOTE Confidence: 0.4228508

00:47:33.084 --> 00:47:33.820 even though they're public,
NOTE Confidence: 0.4228508

00:47:33.820 --> 00:47:36.658 available online, publicly.
NOTE Confidence: 0.4228508

00:47:36.660 --> 00:47:38.775 So this was a use of a standardized patient.
NOTE Confidence: 0.4228508

00:47:38.780 --> 00:47:40.340 Something to to consider
NOTE Confidence: 0.52506685

00:47:44.260 --> 00:47:46.700 the next category is animations.
NOTE Confidence: 0.52506685

00:47:46.700 --> 00:47:48.240 I'm going to show you an animation
NOTE Confidence: 0.52506685

00:47:48.240 --> 00:47:50.003 a a brief example of an animation
NOTE Confidence: 0.52506685

00:47:50.003 --> 00:47:52.146 made by one of my colleagues teaching
NOTE Confidence: 0.52506685

00:47:52.146 --> 00:47:53.874 cognitive behavioral therapy
NOTE Confidence: 0.52506685

00:47:53.874 --> 00:47:57.330 skills to children and young folk.
NOTE Confidence: 0.52506685

00:47:57.330 --> 00:47:58.614 And the voices that you're going
NOTE Confidence: 0.52506685

00:47:58.614 --> 00:48:00.129 to hear are from my colleagues.
NOTE Confidence: 0.52506685

00:48:00.130 --> 00:48:02.450 And the animations, you know,
NOTE Confidence: 0.52506685

00:48:02.450 --> 00:48:03.690 they're not off the shelf.
NOTE Confidence: 0.52506685

00:48:03.690 --> 00:48:04.930 They take some doing,
NOTE Confidence: 0.52506685

00:48:04.930 --> 00:48:07.250 but they're not impossible to do either.

NOTE Confidence: 0.52506685

00:48:07.250 --> 00:48:09.146 And you're going to see the

NOTE Confidence: 0.52506685

00:48:09.146 --> 00:48:10.410 example of these animations,

NOTE Confidence: 0.52506685

00:48:10.410 --> 00:48:11.450 these voiceovers

NOTE Confidence: 0.80178905

00:48:15.410 --> 00:48:17.408 just doesn't feel good in the morning.

NOTE Confidence: 0.80178905

00:48:17.410 --> 00:48:19.286 Maybe she's just not a morning person.

NOTE Confidence: 0.96062756

00:48:20.730 --> 00:48:23.250 Exactly. There are many other reasons

NOTE Confidence: 0.96062756

00:48:23.250 --> 00:48:24.970 Taylor might act like that in the morning.

NOTE Confidence: 0.96062756

00:48:24.970 --> 00:48:27.440 So if you tried to practice some of

NOTE Confidence: 0.96062756

00:48:27.440 --> 00:48:29.690 those other thoughts, like Taylor

NOTE Confidence: 0.96062756

00:48:29.690 --> 00:48:31.288 is not a morning person and she

NOTE Confidence: 0.96062756

00:48:31.288 --> 00:48:33.010 has a lot going on in her life,

NOTE Confidence: 0.96062756

00:48:33.490 --> 00:48:37.530 how would that change your feelings? Well,

NOTE Confidence: 0.96062756

00:48:37.810 --> 00:48:41.330 I wouldn't be taking it so personally and

NOTE Confidence: 0.96062756

00:48:41.330 --> 00:48:43.570 I wouldn't be getting so angry and upset.

NOTE Confidence: 0.8748992

00:48:46.440 --> 00:48:48.414 So this is, you know, this little

NOTE Confidence: 0.8748992

00:48:48.414 --> 00:48:50.849 clip is about over generalization
NOTE Confidence: 0.8748992

00:48:50.849 --> 00:48:52.800 and catastrophization and making
NOTE Confidence: 0.8748992

00:48:55.480 --> 00:48:59.358 coming to terms in in difficulties etcetera.
NOTE Confidence: 0.8748992

00:48:59.360 --> 00:49:01.320 But you see that once you introduce
NOTE Confidence: 0.8748992

00:49:01.320 --> 00:49:02.800 something that is unexpected,
NOTE Confidence: 0.8748992

00:49:02.800 --> 00:49:05.236 like a cartoon in a medical class,
NOTE Confidence: 0.8748992

00:49:05.240 --> 00:49:07.088 that can also change
NOTE Confidence: 0.8748992

00:49:07.088 --> 00:49:08.474 things very dramatically.
NOTE Confidence: 0.8748992

00:49:08.480 --> 00:49:10.874 It can be a tailored cartoon like this one,
NOTE Confidence: 0.8748992

00:49:10.880 --> 00:49:12.360 or it can be animations,
NOTE Confidence: 0.8748992

00:49:12.360 --> 00:49:14.330 of which there are 1,000,000.
NOTE Confidence: 0.8748992

00:49:14.330 --> 00:49:15.524 They take a little bit of
NOTE Confidence: 0.8748992

00:49:15.524 --> 00:49:17.048 time to to find for your need,
NOTE Confidence: 0.8748992

00:49:17.050 --> 00:49:19.126 but they make a big difference.
NOTE Confidence: 0.8748992

00:49:19.130 --> 00:49:21.860 And this leads to another major didactic
NOTE Confidence: 0.8748992

00:49:21.860 --> 00:49:23.570 point, which is whatever you do,

NOTE Confidence: 0.8748992

00:49:23.570 --> 00:49:25.722 if you switch it around during the course

NOTE Confidence: 0.8748992

00:49:25.722 --> 00:49:27.970 of your hour or two hours or whatever,

NOTE Confidence: 0.8748992

00:49:27.970 --> 00:49:30.610 though, that goes a long way that you

NOTE Confidence: 0.8748992

00:49:30.610 --> 00:49:32.418 don't get into methodological fatigue.

NOTE Confidence: 0.8748992

00:49:32.418 --> 00:49:34.962 You know that everything is PowerPoint

NOTE Confidence: 0.8748992

00:49:34.962 --> 00:49:36.950 or everything is this or everything

NOTE Confidence: 0.8748992

00:49:36.950 --> 00:49:39.000 is that just doesn't feel good in the.

NOTE Confidence: 0.8748992

00:49:39.000 --> 00:49:41.781 Yeah, I'm going to two more modalities.

NOTE Confidence: 0.8748992

00:49:41.781 --> 00:49:42.924 One is audio.

NOTE Confidence: 0.8748992

00:49:42.924 --> 00:49:46.438 I want you to behold the power of audio.

NOTE Confidence: 0.8748992

00:49:46.440 --> 00:49:49.359 We can all have audio just with

NOTE Confidence: 0.8748992

00:49:49.360 --> 00:49:52.960 our phones recording a patient,

NOTE Confidence: 0.8748992

00:49:52.960 --> 00:49:54.880 a family member telling us the

NOTE Confidence: 0.8748992

00:49:54.880 --> 00:49:56.160 lived experience for example.

NOTE Confidence: 0.8748992

00:49:56.160 --> 00:49:57.393 And this is what I'm going to do here.

NOTE Confidence: 0.8748992

00:49:57.400 --> 00:50:00.974 This is a young adolescent black woman
NOTE Confidence: 0.8748992

00:50:00.974 --> 00:50:04.148 talking about her experience with depression.
NOTE Confidence: 0.8748992

00:50:04.148 --> 00:50:05.900 And I intentionally explicitly
NOTE Confidence: 0.8748992

00:50:05.900 --> 00:50:08.090 mentioned black because it is
NOTE Confidence: 0.8748992

00:50:08.152 --> 00:50:10.321 quite relevant how it comes in In
NOTE Confidence: 0.8748992

00:50:10.321 --> 00:50:12.103 her life and in this audio
NOTE Confidence: 0.75310874

00:50:16.350 --> 00:50:18.030 I was going through a lot.
NOTE Confidence: 0.75310874

00:50:18.030 --> 00:50:20.558 It was tough, like I go to school
NOTE Confidence: 0.75310874

00:50:20.558 --> 00:50:23.389 in the suburbs, so it was always
NOTE Confidence: 0.75310874

00:50:23.390 --> 00:50:26.078 people asking if my hair was real.
NOTE Confidence: 0.75310874

00:50:26.080 --> 00:50:27.760 They always were considering
NOTE Confidence: 0.75310874

00:50:27.760 --> 00:50:30.280 that things I like were ghetto
NOTE Confidence: 0.75310874

00:50:30.280 --> 00:50:33.164 and just all of the girls who
NOTE Confidence: 0.75310874

00:50:33.164 --> 00:50:35.839 were popular who were considered
NOTE Confidence: 0.75310874

00:50:35.840 --> 00:50:38.160 the most beautiful in school.
NOTE Confidence: 0.75310874

00:50:38.160 --> 00:50:40.160 They never looked like me.

NOTE Confidence: 0.75310874

00:50:40.160 --> 00:50:45.026 And just I started to feel like I

NOTE Confidence: 0.75310874

00:50:45.026 --> 00:50:47.558 couldn't be beautiful unless I was white.

NOTE Confidence: 0.89398414

00:50:50.500 --> 00:50:52.894 So, you know, we've used this video,

NOTE Confidence: 0.89398414

00:50:52.900 --> 00:50:55.576 this audio to have discussions about

NOTE Confidence: 0.89398414

00:50:58.020 --> 00:50:59.424 differences in minoritized

NOTE Confidence: 0.89398414

00:50:59.424 --> 00:51:01.296 populations and black girls,

NOTE Confidence: 0.89398414

00:51:01.300 --> 00:51:04.618 black women as a springboard for discussion.

NOTE Confidence: 0.89398414

00:51:04.620 --> 00:51:05.740 You know, this is not an answer.

NOTE Confidence: 0.89398414

00:51:05.740 --> 00:51:08.252 This is not just a giving the information,

NOTE Confidence: 0.89398414

00:51:08.252 --> 00:51:10.660 but using it as a springboard for discussion.

NOTE Confidence: 0.89398414

00:51:10.660 --> 00:51:12.304 Each of the things that I've

NOTE Confidence: 0.89398414

00:51:12.304 --> 00:51:13.899 shown are intended to do that.

NOTE Confidence: 0.89398414

00:51:13.900 --> 00:51:15.377 I'll show you one more thing and

NOTE Confidence: 0.89398414

00:51:15.377 --> 00:51:17.220 then we're going to close it. So,

NOTE Confidence: 0.48755765

00:51:19.530 --> 00:51:20.610 Jean Hablas Espanol

NOTE Confidence: 0.48755765

00:51:23.770 --> 00:51:26.690 Poquito. OK, so don't worry.
NOTE Confidence: 0.48755765

00:51:26.690 --> 00:51:27.554 I'm going to teach you a
NOTE Confidence: 0.48755765

00:51:27.554 --> 00:51:28.130 little bit of Spanish.
NOTE Confidence: 0.48755765

00:51:28.130 --> 00:51:30.812 So what I'm going to show you now is
NOTE Confidence: 0.48755765

00:51:30.812 --> 00:51:32.850 something that I learned from one of
NOTE Confidence: 0.48755765

00:51:32.850 --> 00:51:36.090 the residents in the master's program.
NOTE Confidence: 0.48755765

00:51:36.090 --> 00:51:38.290 He learned about this,
NOTE Confidence: 0.48755765

00:51:38.290 --> 00:51:41.842 and this technology is particularly
NOTE Confidence: 0.48755765

00:51:41.842 --> 00:51:44.050 good if you want to teach at a distance,
NOTE Confidence: 0.48755765

00:51:44.050 --> 00:51:45.366 which is what he wanted to do,
NOTE Confidence: 0.48755765

00:51:45.370 --> 00:51:46.960 and teach lots of people.
NOTE Confidence: 0.48755765

00:51:46.960 --> 00:51:49.032 So he wants to give the same lecture
NOTE Confidence: 0.48755765

00:51:49.032 --> 00:51:51.036 many times to many people in Spanish.
NOTE Confidence: 0.48755765

00:51:51.040 --> 00:51:52.678 So how do you do that?
NOTE Confidence: 0.48755765

00:51:52.680 --> 00:51:53.628 And it's very neat.
NOTE Confidence: 0.48755765

00:51:53.628 --> 00:51:56.238 Let me show you just a couple of seconds of

NOTE Confidence: 0.5876015
00:52:11.680 --> 00:52:11.920 it.
NOTE Confidence: 0.088088915
00:52:16.080 --> 00:52:17.160 ET pasila, que estel Veolo
NOTE Confidence: 0.088088915
00:52:20.840 --> 00:52:21.440 SE alboci
NOTE Confidence: 0.088088915
00:52:23.680 --> 00:52:25.651 muchisimo menos complianza
NOTE Confidence: 0.088088915
00:52:25.651 --> 00:52:28.680 pulmonar a cual quier ponto
NOTE Confidence: 0.088088915
00:52:36.160 --> 00:52:37.160 lumen
NOTE Confidence: 0.088088915
00:52:40.840 --> 00:52:45.280 O incluso mie, Yeah, and your pulmonology.
NOTE Confidence: 0.75907505
00:52:48.080 --> 00:52:49.312 Anyway, he put together
NOTE Confidence: 0.75907505
00:52:49.312 --> 00:52:50.236 this wonderful curriculum,
NOTE Confidence: 0.75907505
00:52:50.240 --> 00:52:52.478 all in Spanish, of small clips,
NOTE Confidence: 0.75907505
00:52:52.480 --> 00:52:55.672 3 to 4 to 5 minutes, teaching very,
NOTE Confidence: 0.75907505
00:52:55.672 --> 00:52:57.520 very sophisticated concepts,
NOTE Confidence: 0.75907505
00:52:57.520 --> 00:53:00.490 and there was a rave review
NOTE Confidence: 0.75907505
00:53:00.490 --> 00:53:02.512 about it if you're interested.
NOTE Confidence: 0.75907505
00:53:02.512 --> 00:53:05.220 If it's something that could apply to you,
NOTE Confidence: 0.75907505

00:53:05.220 --> 00:53:06.875 you should know that for
NOTE Confidence: 0.75907505

00:53:06.875 --> 00:53:09.060 what I call E chalk talks,
NOTE Confidence: 0.75907505

00:53:09.060 --> 00:53:10.500 it's something that's available to all
NOTE Confidence: 0.75907505

00:53:10.500 --> 00:53:12.420 of us for free at the Porvu Center.
NOTE Confidence: 0.75907505

00:53:12.420 --> 00:53:14.905 The the machine is called the Light
NOTE Confidence: 0.75907505

00:53:14.905 --> 00:53:17.900 Board and you just book it and you go.
NOTE Confidence: 0.75907505

00:53:17.900 --> 00:53:20.182 There are handheld variations and you know
NOTE Confidence: 0.75907505

00:53:20.182 --> 00:53:23.140 the iPad I guess can do a variation of it,
NOTE Confidence: 0.75907505

00:53:23.140 --> 00:53:25.440 but this is particularly powerful
NOTE Confidence: 0.75907505

00:53:25.440 --> 00:53:29.339 and I just wanted to to show it.
NOTE Confidence: 0.75907505

00:53:29.339 --> 00:53:32.418 Andres Mora Carpio the the,
NOTE Confidence: 0.75907505

00:53:32.418 --> 00:53:34.666 the resident doing this, a fellow doing this.
NOTE Confidence: 0.75907505

00:53:34.666 --> 00:53:36.752 A pulmonary fellow from Venezuela
NOTE Confidence: 0.75907505

00:53:36.752 --> 00:53:40.550 and has done just a you know,
NOTE Confidence: 0.75907505

00:53:40.550 --> 00:53:43.370 really, really nice job with this.
NOTE Confidence: 0.75907505

00:53:43.370 --> 00:53:43.825 OK.

NOTE Confidence: 0.75907505

00:53:43.825 --> 00:53:47.258 So we're going to close by saying don't

NOTE Confidence: 0.75907505

00:53:47.258 --> 00:53:49.242 give it all the way to your illustrations.

NOTE Confidence: 0.75907505

00:53:49.250 --> 00:53:49.862 You know,

NOTE Confidence: 0.75907505

00:53:49.862 --> 00:53:52.004 don't just show lots of pretty stuff.

NOTE Confidence: 0.75907505

00:53:52.010 --> 00:53:54.290 Let it the illustrations or

NOTE Confidence: 0.75907505

00:53:54.290 --> 00:53:56.114 whatever the electronics compliment

NOTE Confidence: 0.75907505

00:53:56.114 --> 00:53:59.010 you and don't hide behind them.

NOTE Confidence: 0.75907505

00:53:59.010 --> 00:54:03.018 And the last thing we're going to do

NOTE Confidence: 0.75907505

00:54:03.020 --> 00:54:08.520 is take you to this slide and if you

NOTE Confidence: 0.75907505

00:54:08.520 --> 00:54:10.620 see there's a blue line over there,

NOTE Confidence: 0.75907505

00:54:10.620 --> 00:54:12.220 I'm going to replay it in a second.

NOTE Confidence: 0.75907505

00:54:12.220 --> 00:54:17.336 But we really as we get this series launched,

NOTE Confidence: 0.75907505

00:54:17.340 --> 00:54:19.860 we really count on your feedback,

NOTE Confidence: 0.75907505

00:54:19.860 --> 00:54:22.420 on your input and

NOTE Confidence: 0.42383486

00:54:24.520 --> 00:54:26.656 this little timer will tell give us a

NOTE Confidence: 0.42383486

00:54:26.656 --> 00:54:28.913 little bit of time for you to to do this.
NOTE Confidence: 0.42383486

00:54:28.920 --> 00:54:30.240 We really, really appreciate it.
NOTE Confidence: 0.42383486

00:54:30.240 --> 00:54:32.838 Shouldn't take you too much time
NOTE Confidence: 0.42383486

00:54:32.840 --> 00:54:34.680 and I think we're going to have like
NOTE Confidence: 0.42383486

00:54:36.880 --> 00:54:38.960 one or two minutes for discussion. But
NOTE Confidence: 0.42383486

00:54:46.720 --> 00:54:47.398 yeah, about anyone,
NOTE Confidence: 0.42383486

00:54:50.760 --> 00:54:52.800 if anyone has any questions, please,
NOTE Confidence: 0.58118296

00:55:01.900 --> 00:55:02.860 I have a question,
NOTE Confidence: 0.58118296

00:55:04.940 --> 00:55:09.020 which how do you, how do you or how
NOTE Confidence: 0.58118296

00:55:09.020 --> 00:55:10.900 would you go about doing like hybrid
NOTE Confidence: 0.58118296

00:55:10.900 --> 00:55:13.380 presentations now that there's going to be
NOTE Confidence: 0.58118296

00:55:15.380 --> 00:55:16.860 more of that happening?
NOTE Confidence: 0.58118296

00:55:18.420 --> 00:55:20.100 Yeah, yeah, yeah, yeah.
NOTE Confidence: 0.8053354

00:55:22.200 --> 00:55:25.350 So I think the, the perhaps the
NOTE Confidence: 0.8053354

00:55:25.350 --> 00:55:27.528 biggest challenge for that is
NOTE Confidence: 0.8053354

00:55:27.528 --> 00:55:30.120 making sure that the audio works.

NOTE Confidence: 0.8053354

00:55:30.120 --> 00:55:31.940 Yeah, that that is the biggest thing

NOTE Confidence: 0.8053354

00:55:31.940 --> 00:55:33.328 because it's very frustrating if

NOTE Confidence: 0.8053354

00:55:33.328 --> 00:55:35.274 some people can hear and some cannot.

NOTE Confidence: 0.8053354

00:55:35.280 --> 00:55:37.242 So figuring that out is probably

NOTE Confidence: 0.8053354

00:55:37.242 --> 00:55:38.880 more important than anything else.

NOTE Confidence: 0.8053354

00:55:38.880 --> 00:55:41.140 And as you know it took us a while to

NOTE Confidence: 0.8053354

00:55:41.202 --> 00:55:43.662 figure out in the Cohen Auditorium and

NOTE Confidence: 0.8053354

00:55:43.662 --> 00:55:45.954 it it's sometimes not even perfect.

NOTE Confidence: 0.8053354

00:55:45.960 --> 00:55:47.640 So that's one issue.

NOTE Confidence: 0.8053354

00:55:47.640 --> 00:55:50.844 The the other issue, which is very,

NOTE Confidence: 0.8053354

00:55:50.844 --> 00:55:51.860 very simple,

NOTE Confidence: 0.8053354

00:55:51.860 --> 00:55:55.380 is what I call the power of the B key.

NOTE Confidence: 0.8053354

00:55:55.380 --> 00:55:56.980 B as in, boy,

NOTE Confidence: 0.8053354

00:55:56.980 --> 00:55:59.020 that when whenever we use PowerPoint,

NOTE Confidence: 0.8053354

00:55:59.020 --> 00:56:01.127 we just need to shove it in

NOTE Confidence: 0.8053354

00:56:01.127 --> 00:56:03.020 people's face like I'm doing now.

NOTE Confidence: 0.8053354

00:56:03.020 --> 00:56:06.460 But I can do this.

NOTE Confidence: 0.8053354

00:56:06.460 --> 00:56:09.908 Hold on, I can do this by just

NOTE Confidence: 0.8053354

00:56:09.908 --> 00:56:12.740 pressing the B key and make it go away.

NOTE Confidence: 0.8053354

00:56:12.740 --> 00:56:14.618 And then there's much more interaction.

NOTE Confidence: 0.8053354

00:56:14.620 --> 00:56:17.105 So if you're doing that not to

NOTE Confidence: 0.8053354

00:56:17.105 --> 00:56:18.991 rely exclusively on the PowerPoint

NOTE Confidence: 0.8053354

00:56:18.991 --> 00:56:21.229 and to make it come around,

NOTE Confidence: 0.8053354

00:56:21.230 --> 00:56:23.630 if I was giving this talk in person,

NOTE Confidence: 0.8053354

00:56:23.630 --> 00:56:25.340 of course something that I cannot

NOTE Confidence: 0.8053354

00:56:25.340 --> 00:56:27.278 do here is that I might be walking

NOTE Confidence: 0.8053354

00:56:27.278 --> 00:56:28.590 around to the small groups.

NOTE Confidence: 0.8053354

00:56:28.590 --> 00:56:31.041 I might be giving it from a center of

NOTE Confidence: 0.8053354

00:56:31.041 --> 00:56:33.027 the classroom rather from in front.

NOTE Confidence: 0.8053354

00:56:33.030 --> 00:56:35.750 All of those logistic,

NOTE Confidence: 0.8053354

00:56:35.750 --> 00:56:36.430 mechanics,

NOTE Confidence: 0.8053354

00:56:36.430 --> 00:56:39.265 geographic things need to be worked out.

NOTE Confidence: 0.8053354

00:56:39.270 --> 00:56:42.110 But those are some of my initial thoughts.

NOTE Confidence: 0.8053354

00:56:42.110 --> 00:56:42.950 Thanks for the question.

NOTE Confidence: 0.7986675

00:56:45.190 --> 00:56:47.830 Great, Andreas. Thanks. So it is 1:00.

NOTE Confidence: 0.7986675

00:56:47.830 --> 00:56:49.950 So I know that some of us will have to go,

NOTE Confidence: 0.7986675

00:56:49.950 --> 00:56:52.270 but I'm willing to stay on for another

NOTE Confidence: 0.7986675

00:56:52.270 --> 00:56:54.180 2 minutes for another question.

NOTE Confidence: 0.7986675

00:56:54.180 --> 00:56:56.500 If those who can stay can stay on,

NOTE Confidence: 0.7986675

00:56:56.500 --> 00:56:57.620 is that all right, Andres?

NOTE Confidence: 0.55704045

00:56:57.900 --> 00:56:59.020 Of course, of course.

NOTE Confidence: 0.55704045

00:57:00.020 --> 00:57:00.995 And to everyone.

NOTE Confidence: 0.55704045

00:57:00.995 --> 00:57:02.620 Thanks so much for attending.

NOTE Confidence: 0.55704045

00:57:04.740 --> 00:57:04.830 I

NOTE Confidence: 0.55704045

00:57:08.990 --> 00:57:11.510 have a quick question Andres.

NOTE Confidence: 0.55704045

00:57:11.510 --> 00:57:13.858 Thoughts on having an accomplice,

NOTE Confidence: 0.55704045

00:57:13.858 --> 00:57:16.720 you know somebody else working with
NOTE Confidence: 0.55704045

00:57:16.809 --> 00:57:19.540 you who might pull up the, you know,
NOTE Confidence: 0.55704045

00:57:19.540 --> 00:57:21.850 click on the apps so that you
NOTE Confidence: 0.55704045

00:57:21.850 --> 00:57:24.239 don't have to or if it's on zoom,
NOTE Confidence: 0.55704045

00:57:24.240 --> 00:57:25.810 putting things in chat while
NOTE Confidence: 0.55704045

00:57:25.810 --> 00:57:27.238 you're talking, things like that.
NOTE Confidence: 0.34416527

00:57:28.800 --> 00:57:31.638 For sure. It's if if doable,
NOTE Confidence: 0.34416527

00:57:31.640 --> 00:57:35.875 if possible. It is, it is great.
NOTE Confidence: 0.34416527

00:57:35.880 --> 00:57:37.720 It's not always doable.
NOTE Confidence: 0.34416527

00:57:37.720 --> 00:57:39.600 But yes, yes, yes, yes, yes. I
NOTE Confidence: 0.34416527

00:57:40.040 --> 00:57:42.119 mean you have to pretty much be In Sync.
NOTE Confidence: 0.34416527

00:57:42.120 --> 00:57:44.365 So Yep, Yep, Yep, next.
NOTE Confidence: 0.34416527

00:57:44.365 --> 00:57:45.800 But as long as you have time
NOTE Confidence: 0.34416527

00:57:45.800 --> 00:57:47.279 to pre plan, I think maybe
NOTE Confidence: 0.78454524

00:57:48.500 --> 00:57:50.980 Yep, other questions
NOTE Confidence: 0.78454524

00:57:53.340 --> 00:57:54.460 stay on for another minute.

NOTE Confidence: 0.78454524

00:57:58.460 --> 00:58:01.396 Aaron gets the double

NOTE Confidence: 0.78454524

00:58:01.396 --> 00:58:02.284 participation award today.

NOTE Confidence: 0.78454524

00:58:02.284 --> 00:58:04.060 So thank you for your question.

NOTE Confidence: 0.78454524

00:58:04.060 --> 00:58:05.580 Do you want to go for the third?

NOTE Confidence: 0.78454524

00:58:09.700 --> 00:58:11.653 I don't. I don't have any questions for you.

NOTE Confidence: 0.78454524

00:58:11.660 --> 00:58:15.066 I think I was actually this afternoon

NOTE Confidence: 0.78454524

00:58:15.066 --> 00:58:16.942 planning on starting to make a new

NOTE Confidence: 0.78454524

00:58:16.942 --> 00:58:18.298 presentation that I have to give to

NOTE Confidence: 0.78454524

00:58:18.298 --> 00:58:19.730 my residents in a couple of weeks.

NOTE Confidence: 0.78454524

00:58:19.730 --> 00:58:22.050 So I'm really excited to incorporate

NOTE Confidence: 0.78454524

00:58:22.050 --> 00:58:23.490 some of this stuff in there.

NOTE Confidence: 0.3501583

00:58:24.090 --> 00:58:24.690 Well that's great.

NOTE Confidence: 0.3501583

00:58:24.690 --> 00:58:25.690 What what is your specialty?

NOTE Confidence: 0.3501583

00:58:26.650 --> 00:58:29.690 I am I'm a new faculty member in

NOTE Confidence: 0.3501583

00:58:29.690 --> 00:58:31.210 laboratory medicine. I specialize

NOTE Confidence: 0.3501583

00:58:31.210 --> 00:58:32.730 in transfusion medicine and HEPA.
NOTE Confidence: 0.3501583

00:58:34.090 --> 00:58:35.666 So you have lots and lots and lots
NOTE Confidence: 0.3501583

00:58:35.666 --> 00:58:37.111 of images that you can you have
NOTE Confidence: 0.3501583

00:58:37.111 --> 00:58:38.569 lots of eye candy which is great.
NOTE Confidence: 0.3501583

00:58:38.570 --> 00:58:40.690 I have. I have lots of of
NOTE Confidence: 0.80157757

00:58:41.420 --> 00:58:44.498 things to mind for good participation.
NOTE Confidence: 0.80157757

00:58:44.500 --> 00:58:47.620 So I'm excited. Yeah, great.
NOTE Confidence: 0.80157757

00:58:49.380 --> 00:58:53.022 Thanks, Erin. All right, everyone.
NOTE Confidence: 0.80157757

00:58:53.022 --> 00:58:55.713 Well, join us again at our next Yes
NOTE Confidence: 0.80157757

00:58:55.713 --> 00:58:57.912 session or the Med Ed Discussion Group.
NOTE Confidence: 0.80157757

00:58:57.912 --> 00:58:59.910 You'll find the schedules at the
NOTE Confidence: 0.80157757

00:58:59.975 --> 00:59:02.140 Center for Medical Education website.
NOTE Confidence: 0.80157757

00:59:02.140 --> 00:59:03.184 Thanks for joining.
NOTE Confidence: 0.80157757

00:59:03.184 --> 00:59:05.380 Have a good day. Good weekend.
NOTE Confidence: 0.80157757

00:59:06.420 --> 00:59:06.620 Bye, bye.
NOTE Confidence: 0.80157757

00:59:09.380 --> 00:59:09.700 Thanks.
