00:01:24.180 --> 00:01:24.975 That was called.

NOTE Confidence: 0.903231

00:01:24.975 --> 00:01:26.300 The first step is figuring

NOTE Confidence: 0.903231

00:01:26.300 --> 00:01:27.740 out what police are for.

NOTE Confidence: 0.9274708

00:02:18.210 --> 00:02:21.750 incarceration as community health workers.

NOTE Confidence: 0.9274708

00:02:21.750 --> 00:02:23.408 After Professor Mirrors and doctor

NOTE Confidence: 0.9274708

00:02:23.408 --> 00:02:25.068 Wang each offer brief remarks,

NOTE Confidence: 0.9274708

00:02:25.070 --> 00:02:26.730 we'll hear from our discussant,

NOTE Confidence: 0.9274708

00:02:26.730 --> 00:02:27.672 Sidney rose green,

00:02:27.672 --> 00:02:30.655 who was a fifth year MD PhD student at

NOTE Confidence: 0.9274708

00:02:30.655 --> 00:02:33.140 guess full of Medicine and the program

NOTE Confidence: 0.9274708

00:02:33.140 --> 00:02:35.756 in history of Science and medicine.

NOTE Confidence: 0.9274708

00:02:35.760 --> 00:02:36.924 Sydney's research uses intimate

NOTE Confidence: 0.9274708

00:02:36.924 --> 00:02:38.670 partner violence as a lens to

NOTE Confidence: 0.9274708

00:02:38.726 --> 00:02:40.446 interrogate histories of racialized

NOTE Confidence: 0.9274708

00:02:40.446 --> 00:02:42.166 engendered surveillance in medicine.

NOTE Confidence: 0.9274708

00:02:42.170 --> 00:02:43.304 Following Sydney's remarks,

NOTE Confidence: 0.9274708

00:02:43.304 --> 00:02:45.950 will have plenty of time for your

NOTE Confidence: 0.9274708

00:02:46.020 --> 00:02:48.222 questions and we ask you to use

NOTE Confidence: 0.9274708

00:02:48.222 --> 00:02:50.608 the question tab at the bottom of

NOTE Confidence: 0.9274708

00:02:50.608 --> 00:02:53.132 your screen and we will take those

NOTE Confidence: 0.9274708

00:02:53.132 --> 00:02:55.694 questions at the end of the remarks.

NOTE Confidence: 0.9274708

00:02:55.700 --> 00:02:58.185 And with that we will get started.

NOTE Confidence: 0.9274708

00:02:58.190 --> 00:02:59.970 Thanks again for tuning in.

NOTE Confidence: 0.61473846

00:03:03.130 --> 00:03:05.510 Should I go? OK,

NOTE Confidence: 0.9190134

00:03:05.510 --> 00:03:08.638 um good evening everyone I speak to you

NOTE Confidence: 0.9190134

00:03:08.638 --> 00:03:12.177 from my Home Office, um in New Haven,

NOTE Confidence: 0.9190134

00:03:12.177 --> 00:03:14.679 which in this very room actually

NOTE Confidence: 0.9190134

00:03:14.679 --> 00:03:17.181 was rated yesterday. Rate my room.

NOTE Confidence: 0.9190134

00:03:17.181 --> 00:03:19.266 It's an interesting Twitter account.

NOTE Confidence: 0.9190134

00:03:19.270 --> 00:03:23.020 I got a 7 out of 10 so I'm wondering

NOTE Confidence: 0.9190134

00:03:23.129 --> 00:03:26.361 what you all think. I like it.

NOTE Confidence: 0.9190134

00:03:26.361 --> 00:03:29.280 I spend a lot of time here.

NOTE Confidence: 0.9190134

00:03:29.280 --> 00:03:31.944 I hope all of you are doing really

NOTE Confidence: 0.9190134

00:03:31.944 --> 00:03:34.576 well this evening under some

NOTE Confidence: 0.9190134

00:03:34.576 --> 00:03:36.466 very challenging circumstances.

NOTE Confidence: 0.9190134

00:03:36.470 --> 00:03:40.466 We uhm, I have come together to talk about

NOTE Confidence: 0.9190134

00:03:40.466 --> 00:03:44.107 the criminal justice system tonight.

NOTE Confidence: 0.9190134

00:03:44.110 --> 00:03:47.036 I would like to point out before

NOTE Confidence: 0.9190134

00:03:47.036 --> 00:03:50.029 I start my remarks that almost

NOTE Confidence: 0.9190134

00:03:50.029 --> 00:03:53.299 everything that we have to say

NOTE Confidence: 0.9190134

00:03:53.299 --> 00:03:56.668 about issues concerning abolition,

NOTE Confidence: 0.9190134

00:03:56.670 --> 00:03:58.497 antiblackness, racism, reform,

NOTE Confidence: 0.9190134

00:03:58.497 --> 00:04:01.542 justice are actually apart intimately

NOTE Confidence: 0.9190134

00:04:01.542 --> 00:04:04.241 connected with the experiences that

NOTE Confidence: 0.9190134

00:04:04.241 --> 00:04:07.524 everyone is having with the Covid pandemic.

NOTE Confidence: 0.9190134

00:04:07.530 --> 00:04:09.486 And that's in a really critical

NOTE Confidence: 0.9190134

00:04:09.486 --> 00:04:10.790 thing to think about.

NOTE Confidence: 0.9190134

00:04:10.790 --> 00:04:12.420 I think when Doctor Wang,

NOTE Confidence: 0.9190134

00:04:12.420 --> 00:04:15.039 I'm going to call her Emily from now on

NOTE Confidence: 0.9190134

00:04:15.039 --> 00:04:17.629 because we are close friends and colleagues.

NOTE Confidence: 0.9190134

00:04:17.630 --> 00:04:19.260 And when she speaks it,

NOTE Confidence: 0.9190134

00:04:19.260 --> 00:04:20.890 she'll she'll bring that home.

NOTE Confidence: 0.9190134

00:04:20.890 --> 00:04:21.962 But for right now,

NOTE Confidence: 0.9190134

00:04:21.962 --> 00:04:24.821 what I want to do is offer some some

NOTE Confidence: 0.9190134

00:04:24.821 --> 00:04:27.565 framing remarks and I really look forward

NOTE Confidence: 0.9190134

00:04:27.639 --> 00:04:30.045 to our dialogue later this evening.

NOTE Confidence: 0.9190134

00:04:30.050 --> 00:04:32.282 My remarks are going to point

NOTE Confidence: 0.9190134

00:04:32.282 --> 00:04:34.683 primarily right now to this concept

NOTE Confidence: 0.9190134

00:04:34.683 --> 00:04:36.778 of abolition in this moment,

NOTE Confidence: 0.9190134

00:04:36.780 --> 00:04:38.760 and to think about that.

NOTE Confidence: 0.9190134

00:04:38.760 --> 00:04:42.324 For those of you who are on your computers,

NOTE Confidence: 0.9190134

00:04:42.330 --> 00:04:43.962 probably all of you,

NOTE Confidence: 0.9190134

00:04:43.962 --> 00:04:47.236 I would point you to something that I

NOTE Confidence: 0.9190134

00:04:47.236 --> 00:04:49.847 wrote in the Boston review in 2017.

NOTE Confidence: 0.9190134

00:04:49.850 --> 00:04:52.226 It was a piece about policing

NOTE Confidence: 0.9190134

00:04:52.226 --> 00:04:53.810 as a public good.

NOTE Confidence: 0.9190134

00:04:53.810 --> 00:04:55.290 An in that piece,

NOTE Confidence: 0.9190134

00:04:55.290 --> 00:04:58.052 I said that policing as we know

NOTE Confidence: 0.9190134

00:04:58.052 --> 00:05:00.297 it must be about published.

NOTE Confidence: 0.9190134

00:05:00.300 --> 00:05:02.700 Before it can be transformed,

NOTE Confidence: 0.9190134

00:05:02.700 --> 00:05:05.997 and that might be an odd thing

NOTE Confidence: 0.9190134

00:05:05.997 --> 00:05:09.435 for someone who's a lawyer to say

9

NOTE Confidence: 0.9190134

00:05:09.435 --> 00:05:12.321 someone who has worked so closely

NOTE Confidence: 0.9190134

00:05:12.420 --> 00:05:15.654 with government as I have to say,

NOTE Confidence: 0.9190134

00:05:15.660 --> 00:05:19.391 but I think it is absolutely critical

NOTE Confidence: 0.9190134

00:05:19.391 --> 00:05:21.595 and understanding the connection

NOTE Confidence: 0.9190134

00:05:21.595 --> 00:05:24.631 between that term abolish and what

NOTE Confidence: 0.9190134

00:05:24.631 --> 00:05:28.135 I meant in that in the context

NOTE Confidence: 0.9190134

00:05:28.135 --> 00:05:30.495 of that piece is important.

NOTE Confidence: 0.9190134

00:05:30.500 --> 00:05:34.364 And this is what I meant when you

NOTE Confidence: 0.9190134

00:05:34.364 --> 00:05:37.490 think about the term abolition.

NOTE Confidence: 0.9190134

00:05:37.490 --> 00:05:39.654 Historically it is inescapable.

NOTE Confidence: 0.9190134

00:05:39.654 --> 00:05:44.080 To the context of slavery is inescapable,

NOTE Confidence: 0.9190134

00:05:44.080 --> 00:05:48.106 and that's an important starting point.

NOTE Confidence: 0.9190134

00:05:48.110 --> 00:05:50.600 Because one should understand when

NOTE Confidence: 0.9190134

00:05:50.600 --> 00:05:54.070 one is using the term abolition.

NOTE Confidence: 0.9190134

00:05:54.070 --> 00:05:57.202 That and historically when slavery was

NOTE Confidence: 0.9190134

00:05:57.202 --> 00:06:00.030 finally abolished in this country,

NOTE Confidence: 0.9190134

00:06:00.030 --> 00:06:02.740 no one seriously understood that

NOTE Confidence: 0.9190134

00:06:02.740 --> 00:06:04.366 to be eradication.

NOTE Confidence: 0.9190134

00:06:04.370 --> 00:06:07.490 Simply the eradication of the

NOTE Confidence: 0.9190134

00:06:07.490 --> 00:06:09.986 legal category of slavery.

NOTE Confidence: 0.9190134

00:06:09.990 --> 00:06:12.286 If that were the case, right?

NOTE Confidence: 0.9190134

00:06:12.286 --> 00:06:14.482 If all abolition ever meant was

NOTE Confidence: 0.9190134

00:06:14.482 --> 00:06:17.317 eradication of the legal category of slavery,

NOTE Confidence: 0.9190134

00:06:17.320 --> 00:06:20.668 then it would be OK to pay black people

NOTE Confidence: 0.9190134

00:06:20.668 --> 00:06:24.270 less than it would be to pay white people,

NOTE Confidence: 0.9190134

00:06:24.270 --> 00:06:27.358 or to have a system of convict leasing,

NOTE Confidence: 0.9190134

00:06:27.360 --> 00:06:30.034 or to have a system that denied

NOTE Confidence: 0.9190134

00:06:30.034 --> 00:06:32.380 black people the right to vote,

NOTE Confidence: 0.9190134

00:06:32.380 --> 00:06:34.949 or to have a system of segregation

NOTE Confidence: 0.9190134

00:06:34.949 --> 00:06:37.338 in which Blacks and whites had

NOTE Confidence: 0.9190134

00:06:37.338 --> 00:06:38.550 to sit separately.

NOTE Confidence: 0.9190134

00:06:38.550 --> 00:06:40.610 Or maybe Blacks were excluded.

NOTE Confidence: 0.9190134

00:06:40.610 --> 00:06:41.960 From public accommodations.

NOTE Confidence: 0.9190134

00:06:41.960 --> 00:06:42.860 Wait, wait,

NOTE Confidence: 0.9190134

00:06:42.860 --> 00:06:44.207 that's what happened,

NOTE Confidence: 0.9190134

00:06:44.207 --> 00:06:47.350 and that happened because the 13th amendment,

NOTE Confidence: 0.9190134

00:06:47.350 --> 00:06:50.038 which abolished the legal category slavery,

NOTE Confidence: 0.929932

00:06:50.040 --> 00:06:53.897 didn't do the rest of the work.

NOTE Confidence: 0.929932

00:06:53.900 --> 00:06:55.712 To establish full citizenship.

NOTE Confidence: 0.929932

00:06:55.712 --> 00:06:57.524 For formally enslaved people,

NOTE Confidence: 0.929932

00:06:57.530 --> 00:06:59.469 what did the rest of the work

NOTE Confidence: 0.929932

00:06:59.469 --> 00:07:01.388 or what was intended to do?

NOTE Confidence: 0.929932

00:07:01.390 --> 00:07:03.166 The rest of the work wore?

NOTE Confidence: 0.929932

00:07:03.170 --> 00:07:04.103 The other, um,

NOTE Confidence: 0.929932

00:07:04.103 --> 00:07:05.969 Civil War Amendments and those of

NOTE Confidence: 0.929932

00:07:05.969 --> 00:07:07.956 you who are students of history

NOTE Confidence: 0.929932

00:07:07.956 --> 00:07:10.050 know that even that wasn't enough.

NOTE Confidence: 0.929932

00:07:10.050 --> 00:07:13.086 We needed reconstruction at that time

NOTE Confidence: 0.929932

00:07:13.086 --> 00:07:16.255 and we had reconstruction for a very

NOTE Confidence: 0.929932

00:07:16.255 --> 00:07:18.726 brief period of time for about 11

NOTE Confidence: 0.929932

00:07:18.814 --> 00:07:22.109 years before white supremacist terrorism.

NOTE Confidence: 0.929932

00:07:22.110 --> 00:07:23.199 Cut it short,

NOTE Confidence: 0.929932

00:07:23.199 --> 00:07:25.740 but during that short period of time,

NOTE Confidence: 0.929932

00:07:25.740 --> 00:07:27.777 those of you who are film it

NOTE Confidence: 0.929932

00:07:27.777 --> 00:07:29.860 familiar with the work of WEB

NOTE Confidence: 0.929932

00:07:29.860 --> 00:07:31.760 dubois knows that black people

NOTE Confidence: 0.929932

00:07:31.760 --> 00:07:33.729 formerly enslaved African Americans,

NOTE Confidence: 0.929932

00:07:33.730 --> 00:07:35.614 were able to begin to workout

NOTE Confidence: 0.929932

00:07:35.614 --> 00:07:37.720 the terms of their citizenship.

NOTE Confidence: 0.929932

00:07:37.720 --> 00:07:39.530 And what did they do?

NOTE Confidence: 0.929932

00:07:39.530 --> 00:07:40.619 They establish schools,

NOTE Confidence: 0.929932

00:07:40.619 --> 00:07:41.708 they established churches,

NOTE Confidence: 0.929932

00:07:41.710 --> 00:07:44.718 they worked to establish.

NOTE Confidence: 0.929932

00:07:44.720 --> 00:07:47.149 Recent forms of of health care and

NOTE Confidence: 0.929932

00:07:47.149 --> 00:07:49.847 there was a very brief period of

NOTE Confidence: 0.929932

00:07:49.847 --> 00:07:52.205 time and maybe Emily will speak

NOTE Confidence: 0.929932

00:07:52.284 --> 00:07:55.721 about this and in which the federal

NOTE Confidence: 0.929932

00:07:55.721 --> 00:07:58.206 government actually supported a very

NOTE Confidence: 0.929932

00:07:58.206 --> 00:08:01.727 nice and form of public health care.

NOTE Confidence: 0.929932

00:08:01.730 --> 00:08:04.170 Uh, for formerly enslaved people.

NOTE Confidence: 0.929932

00:08:04.170 --> 00:08:06.822 The point of understanding this is

NOTE Confidence: 0.929932

00:08:06.822 --> 00:08:09.760 that that the promise of reconstruction

NOTE Confidence: 0.929932

00:08:09.760 --> 00:08:12.470 didn't really ever take place.

NOTE Confidence: 0.929932

00:08:12.470 --> 00:08:17.150 And here we are. Um?

NOTE Confidence: 0.929932

00:08:17.150 --> 00:08:20.210 Over you know, 100 years later,

NOTE Confidence: 0.929932

00:08:20.210 --> 00:08:23.420 still trying to fulfill the

NOTE Confidence: 0.929932

00:08:23.420 --> 00:08:25.346 promise of Reconstruction.

NOTE Confidence: 0.929932

00:08:25.350 --> 00:08:28.166 I say this to say that it is

NOTE Confidence: 0.929932

00:08:28.166 --> 00:08:30.542 impossible to understand what people

NOTE Confidence: 0.929932

00:08:30.542 --> 00:08:33.710 mean when they say abolition of

NOTE Confidence: 0.929932

00:08:33.710 --> 00:08:36.088 policing without understanding the

NOTE Confidence: 0.929932

00:08:36.088 --> 00:08:39.023 history of abolition itself and

NOTE Confidence: 0.929932

00:08:39.023 --> 00:08:41.192 the critical connection between

NOTE Confidence: 0.929932

00:08:41.192 --> 00:08:42.680 abolition and reconstruction.

NOTE Confidence: 0.929932

00:08:42.680 --> 00:08:46.138 So when I hear the terms defunding,

NOTE Confidence: 0.929932

00:08:46.140 --> 00:08:49.605 or when I hear the terms abolition,

NOTE Confidence: 0.929932

00:08:49.610 --> 00:08:52.694 I don't simply think no policing

NOTE Confidence: 0.929932

00:08:52.694 --> 00:08:55.220 or reducing the budget for.

NOTE Confidence: 0.929932

00:08:55.220 --> 00:08:57.012 Policing and you know,

NOTE Confidence: 0.929932

00:08:57.012 --> 00:08:59.252 no investment elsewhere in any

NOTE Confidence: 0.929932

00:08:59.252 --> 00:09:01.369 other aspect of government.

NOTE Confidence: 0.929932

00:09:01.370 --> 00:09:04.170 what I hear is simply a call for

NOTE Confidence: 0.929932

00:09:04.170 --> 00:09:06.584 people to fulfill the promise

NOTE Confidence: 0.929932

00:09:06.584 --> 00:09:09.294 of reconstruction that we have

NOTE Confidence: 0.929932

00:09:09.294 --> 00:09:11.300 never actually fulfilled.

NOTE Confidence: 0.929932

00:09:11.300 --> 00:09:14.628 This is about the set of public goods

NOTE Confidence: 0.929932

00:09:14.628 --> 00:09:17.995 to which every citizen in this country

NOTE Confidence: 0.929932

00:09:17.995 --> 00:09:21.709 is entitled one of those public goods,

NOTE Confidence: 0.929932

00:09:21.710 --> 00:09:23.598 of course, is safety.

NOTE Confidence: 0.929932

00:09:23.598 --> 00:09:25.486 But in this country,

NOTE Confidence: 0.929932

00:09:25.490 --> 00:09:26.472 safety has.

NOTE Confidence: 0.929932

00:09:26.472 --> 00:09:28.927 Been conceptualised as a certain

NOTE Confidence: 0.929932

00:09:28.927 --> 00:09:31.656 narrow form of policing comprised

NOTE Confidence: 0.929932

00:09:31.656 --> 00:09:34.571 of sending armed first responders

NOTE Confidence: 0.929932

00:09:34.571 --> 00:09:37.739 to people calling for emergencies.

NOTE Confidence: 0.929932

00:09:37.740 --> 00:09:41.112 When you ask people what their

NOTE Confidence: 0.929932

00:09:41.112 --> 00:09:43.360 conception of safety is,

NOTE Confidence: 0.929932

00:09:43.360 --> 00:09:45.875 and in particular when you

NOTE Confidence: 0.929932

16

00:09:45.875 --> 00:09:49.154 ask people who are living in

NOTE Confidence: 0.929932

00:09:49.154 --> 00:09:51.786 places of concentrated poverty,

NOTE Confidence: 0.929932

00:09:51.790 --> 00:09:55.330 the same places that experience high

NOTE Confidence: 0.929932

00:09:55.330 --> 00:09:59.122 rates of. An infant mortality high.

NOTE Confidence: 0.929932

00:09:59.122 --> 00:10:02.387 Rate of comorbidity for for

NOTE Confidence: 0.929932

00:10:02.387 --> 00:10:06.251 Corona Virus the same places that

NOTE Confidence: 0.929932

00:10:06.251 --> 00:10:09.351 are experiencing high rates of

NOTE Confidence: 0.929932

00:10:09.465 --> 00:10:12.840 coronavirus exposure and so on.

NOTE Confidence: 0.929932

00:10:12.840 --> 00:10:15.870 Poor housing, food insecurity etc.

NOTE Confidence: 0.929932

00:10:15.870 --> 00:10:20.371 Also these are the same places that

NOTE Confidence: 0.929932

00:10:20.371 --> 00:10:23.077 experience unbelievably high rates

NOTE Confidence: 0.929932

00:10:23.077 --> 00:10:26.427 of criminal legal system exposure.

NOTE Confidence: 0.929932

00:10:26.430 --> 00:10:28.615 They will describe what they

NOTE Confidence: 0.929932

00:10:28.615 --> 00:10:30.800 want in terms of safety,

NOTE Confidence: 0.929932

00:10:30.800 --> 00:10:34.238 not in terms of how quickly can an armed

NOTE Confidence: 0.929932

00:10:34.238 --> 00:10:37.358 first responder arrived to their home,

NOTE Confidence: 0.929932

00:10:37.360 --> 00:10:39.852 but they will define it in terms

NOTE Confidence: 0.929932

00:10:39.852 --> 00:10:41.932 of what kinds of supportive

NOTE Confidence: 0.929932

00:10:41.932 --> 00:10:44.722 services can they get before these

NOTE Confidence: 0.929932

00:10:44.722 --> 00:10:46.970 issues that they experience.

NOTE Confidence: 0.929932

00:10:46.970 --> 00:10:49.586 Turn into high rates of violence.

NOTE Confidence: 0.929932

00:10:49.590 --> 00:10:52.206 They will ask for better education.

NOTE Confidence: 0.938968

00:10:52.210 --> 00:10:54.838 They were asked for better housing.

NOTE Confidence: 0.938968

00:10:54.840 --> 00:10:56.672 They will ask for.

NOTE Confidence: 0.938968

00:10:56.672 --> 00:11:00.245 Um, much better access to public health care.

NOTE Confidence: 0.938968

00:11:00.250 --> 00:11:02.950 Those are all critical aspects of

NOTE Confidence: 0.938968

00:11:02.950 --> 00:11:05.600 public safety that people don't get,

NOTE Confidence: 0.938968

00:11:05.600 --> 00:11:07.830 and what they do get.

NOTE Confidence: 0.938968

00:11:07.830 --> 00:11:09.610 As I've mentioned before,

NOTE Confidence: 0.938968

00:11:09.610 --> 00:11:11.835 is an armed first responder,

NOTE Confidence: 0.938968

00:11:11.840 --> 00:11:15.384 so it's critical for us to understand that

NOTE Confidence: 0.938968

00:11:15.384 --> 00:11:19.118 when we're talking about the set of public

NOTE Confidence: 0.938968

00:11:19.118 --> 00:11:22.548 goods that each citizen is entitled to of,

NOTE Confidence: 0.938968

00:11:22.550 --> 00:11:25.511 that is at the center of this

NOTE Confidence: 0.938968

00:11:25.511 --> 00:11:27.560 conversation of the funding.

NOTE Confidence: 0.938968

00:11:27.560 --> 00:11:29.636 Even though the catch phrase has

NOTE Confidence: 0.938968

00:11:29.636 --> 00:11:31.829 been de funding because it's simple.

NOTE Confidence: 0.938968

00:11:31.830 --> 00:11:34.122 Uhm, and that's what's going to

NOTE Confidence: 0.938968

00:11:34.122 --> 00:11:36.669 get people out in the streets.

NOTE Confidence: 0.938968

00:11:36.670 --> 00:11:37.488 But importantly,

NOTE Confidence: 0.938968

00:11:37.488 --> 00:11:40.351 it is not what's going to get

NOTE Confidence: 0.938968

00:11:40.351 --> 00:11:42.851 us from here to there, right?

NOTE Confidence: 0.938968

00:11:42.851 --> 00:11:44.906 Another way of understanding it.

NOTE Confidence: 0.938968

00:11:44.910 --> 00:11:47.563 And then I'm going to turn this

NOTE Confidence: 0.938968

00:11:47.563 --> 00:11:50.115 over to Emily to make things

NOTE Confidence: 0.938968

00:11:50.115 --> 00:11:52.325 a little bit more concrete.

NOTE Confidence: 0.938968

00:11:52.330 --> 00:11:53.974 Is the phrases defunding

NOTE Confidence: 0.938968

00:11:53.974 --> 00:11:55.618 and abolition are compass?

NOTE Confidence: 0.938968

00:11:55.620 --> 00:11:58.609 Is they point us in the direction

NOTE Confidence: 0.938968

00:11:58.609 --> 00:12:00.980 that we might want to go?

NOTE Confidence: 0.938968

00:12:00.980 --> 00:12:03.857 But there not a road map for

NOTE Confidence: 0.938968

00:12:03.857 --> 00:12:07.197 how to get from here to there.

NOTE Confidence: 0.938968

00:12:07.200 --> 00:12:10.640 And that is the work that we need to do,

NOTE Confidence: 0.938968

00:12:10.640 --> 00:12:13.368 and that I'm hoping that those of you

NOTE Confidence: 0.938968

00:12:13.368 --> 00:12:16.487 who are listening in on this web and R,

NOTE Confidence: 0.938968

00:12:16.490 --> 00:12:18.488 especially those of you who are

NOTE Confidence: 0.938968

00:12:18.488 --> 00:12:20.234 working in the healthcare industry

NOTE Confidence: 0.938968

00:12:20.234 --> 00:12:22.340 and medical students in the like,

NOTE Confidence: 0.938968

00:12:22.340 --> 00:12:22.684 um,

NOTE Confidence: 0.938968

00:12:22.684 --> 00:12:25.780 can be dedicated to an devoted to thank you.

NOTE Confidence: 0.91683125

00:12:31.410 --> 00:12:32.589 Great thank you

NOTE Confidence: 0.91683125

00:12:32.590 --> 00:12:36.109 Tracy. Uhm you know it is a Realty Bonner.

NOTE Confidence: 0.91683125

00:12:36.110 --> 00:12:38.812 Actually to be sharing our six o'clock

NOTE Confidence: 0.91683125

00:12:38.812 --> 00:12:41.217 hour together with my good friend

NOTE Confidence: 0.91683125

00:12:41.217 --> 00:12:43.167 and also had this conversation.

NOTE Confidence: 0.91683125

00:12:43.170 --> 00:12:45.516 It's a conversation that I welcome,

NOTE Confidence: 0.91683125

00:12:45.520 --> 00:12:47.052 entertain and realize that

NOTE Confidence: 0.91683125

00:12:47.052 --> 00:12:48.967 there's a desperate kind of

NOTE Confidence: 0.91683125

00:12:48.967 --> 00:12:51.010 views in our medical community.

NOTE Confidence: 0.91683125

00:12:51.010 --> 00:12:52.096 But in particular,

NOTE Confidence: 0.91683125

00:12:52.096 --> 00:12:54.268 I think that perhaps one thing

NOTE Confidence: 0.91683125

00:12:54.268 --> 00:12:56.475 that can undergird and kind of

NOTE Confidence: 0.91683125

00:12:56.475 --> 00:12:58.814 anchor us in a conversation about

NOTE Confidence: 0.91683125

00:12:58.814 --> 00:13:00.782 antiblackness and abolition and

NOTE Confidence: 0.91683125

00:13:00.782 --> 00:13:02.750 the criminal justice system.

NOTE Confidence: 0.91683125

00:13:02.750 --> 00:13:04.555 Is the the structures that

NOTE Confidence: 0.91683125

00:13:04.555 --> 00:13:06.940 need to be put in place,

NOTE Confidence: 0.91683125

00:13:06.940 --> 00:13:08.905 and in particular the structures

NOTE Confidence: 0.91683125

00:13:08.905 --> 00:13:12.038 that need to be put in place from

NOTE Confidence: 0.91683125

00:13:12.038 --> 00:13:14.216 the health system and so it's

NOTE Confidence: 0.91683125

00:13:14.216 --> 00:13:16.846 with that that I wanted to center.

NOTE Confidence: 0.91683125

00:13:16.850 --> 00:13:19.130 Kind of my reflections on abolition.

NOTE Confidence: 0.91683125

00:13:19.130 --> 00:13:21.797 In particular thinking about what it is,

NOTE Confidence: 0.91683125

00:13:21.800 --> 00:13:24.194 where it is that we're complicit in

NOTE Confidence: 0.91683125

00:13:24.194 --> 00:13:26.370 having perpetuated at structural racism,

NOTE Confidence: 0.91683125

00:13:26.370 --> 00:13:28.974 where it is that we're complicit in

NOTE Confidence: 0.91683125

00:13:28.974 --> 00:13:31.694 anti blackness and where it is that

NOTE Confidence: 0.91683125

00:13:31.694 --> 00:13:33.609 collectively we can move forward.

NOTE Confidence: 0.91683125

00:13:33.610 --> 00:13:37.620 And So what I'm going to do is at center.

NOTE Confidence: 0.91683125

00:13:37.620 --> 00:13:38.980 My reflections with photos I'm

NOTE Confidence: 0.91683125

00:13:38.980 --> 00:13:40.935 going to share my screen and then

NOTE Confidence: 0.91683125

00:13:40.935 --> 00:13:42.811 do something that I learned from my

NOTE Confidence: 0.91683125

00:13:42.811 --> 00:13:44.269 colleague Marcel in Eunice Smith,

NOTE Confidence: 0.91683125

00:13:44.270 --> 00:13:46.774 which is to turn off my video so

NOTE Confidence: 0.91683125

00:13:46.774 --> 00:13:49.647 that I can move through my screen.

NOTE Confidence: 0.91683125

00:13:49.650 --> 00:13:50.140 Sharp

NOTE Confidence: 0.62233216

00:14:10.950 --> 00:14:11.540 I like.

NOTE Confidence: 0.8633164

00:14:14.400 --> 00:14:16.668 OK, so can you see a?

NOTE Confidence: 0.83116645

00:14:19.170 --> 00:14:22.018 Can you see these photos?

NOTE Confidence: 0.83116645

00:14:22.020 --> 00:14:24.340 Super and then I actually don't know

NOTE Confidence: 0.83116645

00:14:24.340 --> 00:14:27.218 how to share most close my my video

NOTE Confidence: 0.83116645

00:14:27.218 --> 00:14:29.384 so I'll just keep moving forward.

NOTE Confidence: 0.83116645

00:14:29.390 --> 00:14:32.650 So what I wanted to do is first just to

NOTE Confidence: 0.83116645

00:14:32.737 --> 00:14:35.995 really kind of ground us in what it is,

NOTE Confidence: 0.83116645

00:14:36.000 --> 00:14:38.436 at least the criminal justice system is.

NOTE Confidence: 0.83116645

00:14:38.440 --> 00:14:40.729 And some of you have seen me

NOTE Confidence: 0.83116645

00:14:40.729 --> 00:14:42.270 share these photos before,

NOTE Confidence: 0.83116645

00:14:42.270 --> 00:14:44.699 but others of you may not up,

NOTE Confidence: 0.83116645

00:14:44.700 --> 00:14:48.180 and so you know, as Tracy has shared with us,

NOTE Confidence: 0.83116645

00:14:48.180 --> 00:14:50.346 COVID-19 has really unmasked yet again

NOTE Confidence: 0.83116645

00:14:50.346 --> 00:14:52.161 longstanding health disparities that are

NOTE Confidence: 0.83116645

00:14:52.161 --> 00:14:54.099 fueled by our nation's correctional system.

NOTE Confidence: 0.83116645

00:14:54.100 --> 00:14:56.188 The recent deaths of Brianna Taylor,

NOTE Confidence: 0.83116645

00:14:56.190 --> 00:14:58.392 George Floyd, in others have really

NOTE Confidence: 0.83116645

00:14:58.392 --> 00:14:59.493 highlighted persistent societal

NOTE Confidence: 0.83116645

00:14:59.493 --> 00:15:01.399 racism and especially anti blackness.

NOTE Confidence: 0.83116645

00:15:01.400 --> 00:15:03.740 And this is nowhere better illustrated

NOTE Confidence: 0.83116645

00:15:03.740 --> 00:15:05.810 in our criminal justice system.

NOTE Confidence: 0.83116645

00:15:05.810 --> 00:15:08.617 So just to bring us some statistics.

NOTE Confidence: 0.83116645

00:15:08.620 --> 00:15:10.625 Again, the BJS estimates that

NOTE Confidence: 0.83116645

00:15:10.625 --> 00:15:12.229 over 6 million Americans,

NOTE Confidence: 0.83116645

00:15:12.230 --> 00:15:15.030 mostly the poor and people of color,

NOTE Confidence: 0.83116645

00:15:15.030 --> 00:15:17.035 are currently under some form

NOTE Confidence: 0.83116645

00:15:17.035 --> 00:15:18.238 of correctional control.

NOTE Confidence: 0.83116645

00:15:18.240 --> 00:15:20.245 10s of millions more are

NOTE Confidence: 0.83116645

00:15:20.245 --> 00:15:21.047 formally incarcerated.

NOTE Confidence: 0.83116645

00:15:21.050 --> 00:15:23.598 And So what I wanted to do

NOTE Confidence: 0.83116645

00:15:23.598 --> 00:15:25.460 is to share photos.

NOTE Confidence: 0.83116645

00:15:25.460 --> 00:15:28.710 Here are all photos from within San Quentin,

NOTE Confidence: 0.83116645

00:15:28.710 --> 00:15:31.790 which is one of the largest prisons.

NOTE Confidence: 0.83116645

00:15:31.790 --> 00:15:33.450 In the United States,

NOTE Confidence: 0.83116645

00:15:33.450 --> 00:15:36.529 and it's at the source of a

NOTE Confidence: 0.83116645

00:15:36.529 --> 00:15:38.509 huge outbreak of COVID-19.

NOTE Confidence: 0.83116645

00:15:38.510 --> 00:15:40.745 These of course are photos

NOTE Confidence: 0.83116645

00:15:40.745 --> 00:15:42.533 from prior to COVID-19,

NOTE Confidence: 0.83116645

00:15:42.540 --> 00:15:45.228 where right now about 1600 individuals,

NOTE Confidence: 0.83116645

00:15:45.230 --> 00:15:47.852 but those were incarcerated as well

NOTE Confidence: 0.83116645

00:15:47.852 --> 00:15:50.651 as staff have COVID-19 as illustrating

NOTE Confidence: 0.83116645

00:15:50.651 --> 00:15:53.549 features of a second tier healthcare

NOTE Confidence: 0.83116645

00:15:53.549 --> 00:15:56.221 system that exists behind bars and

NOTE Confidence: 0.83116645

00:15:56.221 --> 00:15:59.126 really trying to drive home the point

NOTE Confidence: 0.83116645

00:15:59.126 --> 00:16:02.318 that while we aim to Decar Schreibt.

NOTE Confidence: 0.83116645

00:16:02.320 --> 00:16:04.588 And abolish the prison system that

NOTE Confidence: 0.83116645

00:16:04.588 --> 00:16:07.421 would it requires from us as healthcare

NOTE Confidence: 0.83116645

00:16:07.421 --> 00:16:09.496 providers in health care leaders.

NOTE Confidence: 0.83116645

00:16:09.500 --> 00:16:12.684 Is that much more to really abolish that?

NOTE Confidence: 0.83116645

00:16:12.690 --> 00:16:15.270 Which would.

NOTE Confidence: 0.83116645

00:16:15.270 --> 00:16:17.650 Prisons and jails as we see them

NOTE Confidence: 0.83116645

00:16:17.650 --> 00:16:19.150 as they currently exist.

NOTE Confidence: 0.83116645

00:16:19.150 --> 00:16:21.621 It requires us to make some serious

NOTE Confidence: 0.83116645

00:16:21.621 --> 00:16:23.371 investments in the health systems

NOTE Confidence: 0.83116645

00:16:23.371 --> 00:16:25.562 behind bars and so this year is

NOTE Confidence: 0.83116645

00:16:25.562 --> 00:16:27.844 a photo of a gentleman who's

NOTE Confidence: 0.83116645

00:16:27.844 --> 00:16:30.095 incarcerated who's going to see his

NOTE Confidence: 0.83116645

00:16:30.095 --> 00:16:32.225 health care provider and you can

NOTE Confidence: 0.83116645

00:16:32.225 --> 00:16:34.392 see that they're making the line

NOTE Confidence: 0.83116645

00:16:34.392 --> 00:16:36.450 to see a health care provider.

NOTE Confidence: 0.83116645

00:16:36.450 --> 00:16:38.714 and I just start by saying is that

NOTE Confidence: 0.83116645

00:16:38.714 --> 00:16:41.504 of the 2.2 million people that are

NOTE Confidence: 0.83116645

00:16:41.504 --> 00:16:43.973 incarcerated about 80% have a chronic

NOTE Confidence: 0.83116645

00:16:43.973 --> 00:16:45.537 health condition that warrants.

NOTE Confidence: 0.83116645

00:16:45.540 --> 00:16:47.486 Wanted to know primary care and you

NOTE Confidence: 0.83116645

00:16:47.486 --> 00:16:49.767 can see that this is how they're

NOTE Confidence: 0.83116645

00:16:49.767 --> 00:16:51.155 accessing the health system.

NOTE Confidence: 0.83116645

00:16:51.160 --> 00:16:52.093 There's another patient.

NOTE Confidence: 0.83116645

00:16:52.093 --> 00:16:53.959 If you look at the picture,

NOTE Confidence: 0.83116645

00:16:53.960 --> 00:16:56.456 he's in a cage waiting for the doctor,

NOTE Confidence: 0.83116645

00:16:56.460 --> 00:16:58.652 and so the system in and of itself

NOTE Confidence: 0.83116645

00:16:58.652 --> 00:17:00.389 and their experience the health

NOTE Confidence: 0.83116645

00:17:00.389 --> 00:17:02.633 system is violent and it's making

NOTE Confidence: 0.83116645

00:17:02.633 --> 00:17:04.567 that to wait to see a doctor.

NOTE Confidence: 0.83116645

00:17:04.570 --> 00:17:07.378 There's a person that's being held in a cage.

NOTE Confidence: 0.93378615

00:17:13.600 --> 00:17:15.068 However, it's important to

NOTE Confidence: 0.93378615

00:17:15.068 --> 00:17:16.536 remember that behind bars,

NOTE Confidence: 0.93378615

00:17:16.540 --> 00:17:18.300 that's when the only places

NOTE Confidence: 0.93378615

00:17:18.300 --> 00:17:20.060 where we have a constitutional

NOTE Confidence: 0.93378615

00:17:20.122 --> 00:17:21.698 guarantee for health care,

NOTE Confidence: 0.93378615

00:17:21.700 --> 00:17:23.975 and so for the large number of

NOTE Confidence: 0.93378615

00:17:23.975 --> 00:17:25.809 individuals that move through the

NOTE Confidence: 0.93378615

00:17:25.809 --> 00:17:27.779 criminal justice system and they

NOTE Confidence: 0.93378615

00:17:27.779 --> 00:17:30.160 estimated about 10 million each year,

NOTE Confidence: 0.93378615

00:17:30.160 --> 00:17:31.264 especially for adults,

NOTE Confidence: 0.93378615

00:17:31.264 --> 00:17:32.736 black men in particular,

NOTE Confidence: 0.93378615

00:17:32.740 --> 00:17:34.996 it's often the place where they

NOTE Confidence: 0.93378615

00:17:34.996 --> 00:17:37.150 first access healthcare as an adult,

NOTE Confidence: 0.93378615

00:17:37.150 --> 00:17:39.432 and so 40% of individuals are newly

NOTE Confidence: 0.93378615

00:17:39.432 --> 00:17:42.039 diagnosed with a chronic health condition.

NOTE Confidence: 0.93378615

00:17:42.040 --> 00:17:43.980 While they're incarcerated and this

NOTE Confidence: 0.93378615

00:17:43.980 --> 00:17:47.303 is given a court case in the 1970s

NOTE Confidence: 0.93378615

00:17:47.303 --> 00:17:49.047 which provided a constitutional

NOTE Confidence: 0.93378615

00:17:49.047 --> 00:17:51.246 guarantee again for health care

NOTE Confidence: 0.93378615

00:17:51.246 --> 00:17:53.291 and then increasingly as the

NOTE Confidence: 0.93378615

00:17:53.291 --> 00:17:55.290 length of sentences of increased,

NOTE Confidence: 0.93378615

00:17:55.290 --> 00:17:58.370 the focus has shifted from acute Care now

NOTE Confidence: 0.93378615

00:17:58.446 --> 00:18:01.176 to the provision of chronic healthcare.

NOTE Confidence: 0.91240466

00:18:05.940 --> 00:18:08.562 This is the patient that actually

NOTE Confidence: 0.91240466

00:18:08.562 --> 00:18:10.871 had been newly diagnosed with

NOTE Confidence: 0.91240466

00:18:10.871 --> 00:18:12.799 hypertension while incarcerated and

NOTE Confidence: 0.91240466

00:18:12.799 --> 00:18:15.969 I share this photo here as again,

NOTE Confidence: 0.91240466

00:18:15.970 --> 00:18:19.090 you can see that he had been newly

NOTE Confidence: 0.91240466

00:18:19.090 --> 00:18:20.990 diagnosed with hypertension,

NOTE Confidence: 0.91240466

00:18:20.990 --> 00:18:25.950 had been sent out to a local hospital.

NOTE Confidence: 0.91240466

00:18:25.950 --> 00:18:28.300 It went hypertensive emergency is

NOTE Confidence: 0.91240466

00:18:28.300 --> 00:18:31.070 blood pressures were Sky High and

NOTE Confidence: 0.91240466

00:18:31.070 --> 00:18:33.422 then brought back in and this was

NOTE Confidence: 0.91240466

00:18:33.422 --> 00:18:35.627 kind of post hospitalization rounding

NOTE Confidence: 0.91240466

00:18:35.627 --> 00:18:39.022 on the patient and so sometimes the

NOTE Confidence: 0.91240466

00:18:39.030 --> 00:18:41.280 very structures of the criminal

NOTE Confidence: 0.91240466

00:18:41.280 --> 00:18:43.530 justice system don't permit kind

NOTE Confidence: 0.91240466

00:18:43.601 --> 00:18:45.566 of the usual standards care.

NOTE Confidence: 0.91240466

00:18:45.570 --> 00:18:48.882 You can see that we've thrown the blood

NOTE Confidence: 0.91240466

00:18:48.882 --> 00:18:51.669 pressure cuff through the window here.

NOTE Confidence: 0.91240466

00:18:51.670 --> 00:18:54.918 There's not a lot of space for

NOTE Confidence: 0.91240466

00:18:54.918 --> 00:18:56.310 confidentiality for discussion.

NOTE Confidence: 0.91240466

00:18:56.310 --> 00:18:58.470 Of care.

NOTE Confidence: 0.91240466

00:18:58.470 --> 00:19:00.450 Moreover, this gentleman every single

NOTE Confidence: 0.91240466

00:19:00.450 --> 00:19:03.948 day has to make a line to see a nurse,

NOTE Confidence: 0.91240466

00:19:03.950 --> 00:19:07.226 and it's called up at the crack of dawn,

NOTE Confidence: 0.91240466

00:19:07.230 --> 00:19:10.515 goes to see a line to get his medications,

NOTE Confidence: 0.91240466

00:19:10.520 --> 00:19:11.912 to see a nurse.

NOTE Confidence: 0.91240466

00:19:11.912 --> 00:19:14.000 The nurse gives him his medications

NOTE Confidence: 0.91240466

00:19:14.076 --> 00:19:15.986 for his high blood pressure,

NOTE Confidence: 0.91240466

00:19:15.990 --> 00:19:17.314 and he takes it.

NOTE Confidence: 0.91240466

00:19:17.314 --> 00:19:20.169 She checks to see if he's cheeked it

NOTE Confidence: 0.91240466

00:19:20.169 --> 00:19:22.927 and then moves back into his cell.

NOTE Confidence: 0.91240466

00:19:22.930 --> 00:19:25.303 And so if you think about kind

NOTE Confidence: 0.91240466

00:19:25.303 --> 00:19:28.363 of how it is that we teach our

NOTE Confidence: 0.91240466

00:19:28.363 --> 00:19:30.313 patients to take care of.

NOTE Confidence: 0.91240466

00:19:30.320 --> 00:19:32.580 Of their chronic health conditions,

NOTE Confidence: 0.91240466

00:19:32.580 --> 00:19:35.280 you know adherence is almost 100%,

NOTE Confidence: 0.91240466

00:19:35.280 --> 00:19:36.356 and corrections,

NOTE Confidence: 0.91240466

00:19:36.356 --> 00:19:37.432 and Interestingly,

NOTE Confidence: 0.91240466

00:19:37.432 --> 00:19:40.122 the management of chronic health

NOTE Confidence: 0.91240466

00:19:40.122 --> 00:19:42.038 conditions is actually better behind

NOTE Confidence: 0.91240466

00:19:42.038 --> 00:19:44.750 bars than it is in the community.

NOTE Confidence: 0.91240466

00:19:44.750 --> 00:19:46.434 However, it's incredibly passive.

NOTE Confidence: 0.91240466

00:19:46.434 --> 00:19:48.960 The other thing is that for

NOTE Confidence: 0.91240466

00:19:49.032 --> 00:19:50.619 patients with diabetes,

NOTE Confidence: 0.91240466

00:19:50.620 --> 00:19:53.134 if you don't comply with your

NOTE Confidence: 0.91240466

00:19:53.134 --> 00:19:55.311 diabetic regimen in studies that

NOTE Confidence: 0.91240466

00:19:55.311 --> 00:19:57.867 we've done in Connecticut in another

NOTE Confidence: 0.91240466

00:19:57.867 --> 00:20:00.180 state in certain circumstance.

NOTE Confidence: 0.91240466

00:20:00.180 --> 00:20:02.871 Says if you say don't want to get your

NOTE Confidence: 0.91240466

00:20:02.871 --> 00:20:05.357 insulin for the day you're actually

NOTE Confidence: 0.91240466

00:20:05.357 --> 00:20:07.049 sent to administrative segregation

NOTE Confidence: 0.91240466

00:20:07.049 --> 00:20:09.297 or solitary for not complying.

NOTE Confidence: 0.91240466

00:20:09.300 --> 00:20:10.398 And so again,

NOTE Confidence: 0.91240466

00:20:10.398 --> 00:20:11.862 the experience of Healthcare

NOTE Confidence: 0.91240466

00:20:11.862 --> 00:20:13.859 is mandated in certain ways.

NOTE Confidence: 0.91240466

00:20:13.860 --> 00:20:14.620 It's incredible,

NOTE Confidence: 0.91240466

00:20:14.620 --> 00:20:15.380 you know,

NOTE Confidence: 0.91240466

00:20:15.380 --> 00:20:17.660 there's the capacity for patient adherence,

NOTE Confidence: 0.91240466

00:20:17.660 --> 00:20:19.940 but it can be incredibly punitive.

NOTE Confidence: 0.88464546

00:20:25.940 --> 00:20:29.430 This is a photo of patients waiting to see a.

NOTE Confidence: 0.88464546

00:20:29.430 --> 00:20:31.644 In fact an HIV doctor while

NOTE Confidence: 0.88464546

00:20:31.644 --> 00:20:33.620 incarcerated and I point to it.

NOTE Confidence: 0.88464546

00:20:33.620 --> 00:20:36.056 Just a point to this pink slip.

NOTE Confidence: 0.88464546

00:20:36.060 --> 00:20:38.160 In many places around the country.

NOTE Confidence: 0.88464546

00:20:38.160 --> 00:20:39.560 Still this is happening.

NOTE Confidence: 0.88464546

00:20:39.560 --> 00:20:42.083 This pink slit is a chat that

NOTE Confidence: 0.88464546

00:20:42.083 --> 00:20:44.141 you fill out and patients when

NOTE Confidence: 0.88464546

00:20:44.141 --> 00:20:46.179 they want to see a doctor.

NOTE Confidence: 0.88464546

00:20:46.180 --> 00:20:47.930 They have an acute need,

NOTE Confidence: 0.88464546

00:20:47.930 --> 00:20:49.670 have to fill this out.

NOTE Confidence: 0.88464546

00:20:49.670 --> 00:20:52.566 The chat is looked over at rather than.

NOTE Confidence: 0.88464546

00:20:52.570 --> 00:20:55.834 Uh is looked over by it's a kite.

NOTE Confidence: 0.88464546

00:20:55.840 --> 00:20:58.288 Sort of looked over by a

NOTE Confidence: 0.88464546

00:20:58.288 --> 00:20:59.512 correctional officer first,

NOTE Confidence: 0.88464546

00:20:59.520 --> 00:21:01.296 then the correctional officer.

NOTE Confidence: 0.88464546

00:21:01.296 --> 00:21:04.754 If they think that there is a medical

NOTE Confidence: 0.88464546

00:21:04.754 --> 00:21:07.626 need it's then looked over by a nurse

NOTE Confidence: 0.88464546

00:21:07.711 --> 00:21:10.159 and then finally by a physician.

NOTE Confidence: 0.88464546

00:21:10.160 --> 00:21:12.200 And so again there's well.

NOTE Confidence: 0.88464546

00:21:12.200 --> 00:21:14.250 Health care is constitutionally guaranteed.

NOTE Confidence: 0.88464546

00:21:14.250 --> 00:21:15.882 There's real barriers to

NOTE Confidence: 0.88464546

00:21:15.882 --> 00:21:17.106 actually accessing healthcare,

NOTE Confidence: 0.88464546

00:21:17.110 --> 00:21:20.260 and so you can imagine that in the time

NOTE Confidence: 0.88464546

00:21:20.260 --> 00:21:23.358 of Covid If you're having symptoms.

NOTE Confidence: 0.88464546

00:21:23.360 --> 00:21:25.754 And this is the symptom of access

NOTE Confidence: 0.88464546

00:21:25.754 --> 00:21:27.929 that system of accessing care.

NOTE Confidence: 0.88464546

00:21:27.930 --> 00:21:29.454 It's nearly impossible to

NOTE Confidence: 0.88464546

00:21:29.454 --> 00:21:30.978 get good timely care,

NOTE Confidence: 0.88464546

00:21:30.980 --> 00:21:34.337 or at least you have to go through a

NOTE Confidence: 0.88464546

00:21:34.337 --> 00:21:37.079 correctional officer to get access to care.

NOTE Confidence: 0.90895444

00:21:39.850 --> 00:21:42.160 And then Lastly I share this

NOTE Confidence: 0.90895444

00:21:42.160 --> 00:21:45.187 photo of a patient at that was

NOTE Confidence: 0.90895444

00:21:45.187 --> 00:21:47.059 incarcerated in San Quentin.

NOTE Confidence: 0.90895444

00:21:47.060 --> 00:21:49.909 A gentleman just like the first photo

NOTE Confidence: 0.90895444

00:21:49.909 --> 00:21:52.568 that I shared at the beginning,

NOTE Confidence: 0.90895444

00:21:52.570 --> 00:21:54.386 almost 70 years old.

NOTE Confidence: 0.90895444

00:21:54.386 --> 00:21:56.656 Oxygen dependent with CEO PD

NOTE Confidence: 0.90895444

00:21:56.656 --> 00:21:59.346 and what you can see here is,

NOTE Confidence: 0.90895444

00:21:59.350 --> 00:22:02.318 is that he is being held in

NOTE Confidence: 0.90895444

00:22:02.318 --> 00:22:03.166 administrative segregation,

NOTE Confidence: 0.90895444

00:22:03.170 --> 00:22:04.574 set solitaire confinement.

NOTE Confidence: 0.90895444

00:22:04.574 --> 00:22:07.382 He spends 23 hours a day

NOTE Confidence: 0.90895444

00:22:07.382 --> 00:22:09.330 right now in this cell.

NOTE Confidence: 0.90895444

00:22:09.330 --> 00:22:11.983 And you can see that his oxygen

NOTE Confidence: 0.90895444

00:22:11.983 --> 00:22:13.929 is actually held outside of

NOTE Confidence: 0.90895444

00:22:13.929 --> 00:22:16.119 his cell every hour or so.

NOTE Confidence: 0.90895444

00:22:16.120 --> 00:22:18.130 You would hear him as you

NOTE Confidence: 0.90895444

00:22:18.130 --> 00:22:20.260 walked by health care providers.

NOTE Confidence: 0.90895444

00:22:20.260 --> 00:22:21.391 Correction officers were

NOTE Confidence: 0.90895444

00:22:21.391 --> 00:22:24.030 here and bam ING on the door.

NOTE Confidence: 0.90895444

00:22:24.030 --> 00:22:25.910 And it's because the tubing

NOTE Confidence: 0.90895444

00:22:25.910 --> 00:22:28.234 for his oxygen got kinked and

NOTE Confidence: 0.90895444

00:22:28.234 --> 00:22:30.069 he could no longer breathe.

NOTE Confidence: 0.90895444

00:22:30.070 --> 00:22:30.790 And again,

NOTE Confidence: 0.90895444

00:22:30.790 --> 00:22:32.950 you know this picture for me

NOTE Confidence: 0.90895444

00:22:32.950 --> 00:22:35.179 illustrates the ways that our health

NOTE Confidence: 0.90895444

00:22:35.179 --> 00:22:37.339 system are brutally violent in its

NOTE Confidence: 0.90895444

00:22:37.409 --> 00:22:39.437 construction and in particular.

NOTE Confidence: 0.90895444

00:22:39.440 --> 00:22:40.601 Within corrections that

NOTE Confidence: 0.90895444

00:22:40.601 --> 00:22:42.536 Healthcare isn't seen as primary,

NOTE Confidence: 0.90895444

00:22:42.540 --> 00:22:43.322 in fact,

NOTE Confidence: 0.90895444

00:22:43.322 --> 00:22:45.668 they think about the safety 1st

NOTE Confidence: 0.90895444

00:22:45.668 --> 00:22:46.810 and punishment 1st,

NOTE Confidence: 0.90895444

00:22:46.810 --> 00:22:49.522 and so the oxygen take is being held

NOTE Confidence: 0.90895444

00:22:49.522 --> 00:22:51.892 outside and again for the millions

NOTE Confidence: 0.90895444

00:22:51.892 --> 00:22:54.310 of folks that are incarcerated and

NOTE Confidence: 0.90895444

00:22:54.387 --> 00:22:57.285 then in particular those that have covid.

NOTE Confidence: 0.90895444

00:22:57.290 --> 00:22:59.612 Now, how is the health care

NOTE Confidence: 0.90895444

00:22:59.612 --> 00:23:00.773 being delivered inside?

NOTE Confidence: 0.90895444

00:23:00.780 --> 00:23:01.171 How?

NOTE Confidence: 0.90895444

00:23:01.171 --> 00:23:03.908 Where is the oxygen as people are

NOTE Confidence: 0.90895444

00:23:03.908 --> 00:23:06.531 being held with covid symptoms and

NOTE Confidence: 0.90895444

00:23:06.531 --> 00:23:09.570 thinking about this you can see how.

NOTE Confidence: 0.90895444

00:23:09.570 --> 00:23:12.078 Folks have been diagnosed with chronic

NOTE Confidence: 0.90895444

00:23:12.078 --> 00:23:14.130 conditions who first experienced the

NOTE Confidence: 0.90895444

00:23:14.130 --> 00:23:16.044 health care in system behind bars,

NOTE Confidence: 0.90895444

00:23:16.050 --> 00:23:17.193 maybe mistrustful, distrustful,

NOTE Confidence: 0.90895444

00:23:17.193 --> 00:23:19.098 or find the health system,

NOTE Confidence: 0.90895444

00:23:19.100 --> 00:23:20.240 you know abhorrent.

NOTE Confidence: 0.90895444

00:23:20.240 --> 00:23:21.380 Given these experiences,

NOTE Confidence: 0.90895444

00:23:21.380 --> 00:23:23.823 the other thing that I would want

NOTE Confidence: 0.90895444

00:23:23.823 --> 00:23:27.306 to point out here is that we do

NOTE Confidence: 0.90895444

00:23:27.306 --> 00:23:29.190 have this whole constitutionally

NOTE Confidence: 0.90895444

00:23:29.190 --> 00:23:31.788 guaranteed system of care behind bars.

NOTE Confidence: 0.90895444

00:23:31.790 --> 00:23:33.792 And also end taxpayer dollars

NOTE Confidence: 0.90895444

00:23:33.792 --> 00:23:36.216 each and are everyone of our

NOTE Confidence: 0.90895444

00:23:36.216 --> 00:23:38.177 taxpayer dollars go into paying

NOTE Confidence: 0.90895444

00:23:38.177 --> 00:23:40.032 for the delivery of care,

NOTE Confidence: 0.90895444

00:23:40.040 --> 00:23:41.219 but there isn't,

NOTE Confidence: 0.90895444

00:23:41.219 --> 00:23:42.398 say a jayco,

NOTE Confidence: 0.90895444

00:23:42.400 --> 00:23:44.913 a system that monitors the quality of

NOTE Confidence: 0.90895444

00:23:44.913 --> 00:23:47.183 care behind bars and so essentially

NOTE Confidence: 0.90895444

00:23:47.183 --> 00:23:49.421 there are these two .2 million

NOTE Confidence: 0.90895444

00:23:49.421 --> 00:23:51.592 people that are incarcerated an

NOTE Confidence: 0.90895444

00:23:51.592 --> 00:23:53.757 even larger population that move

NOTE Confidence: 0.90895444

00:23:53.757 --> 00:23:56.110 through a health system for which

NOTE Confidence: 0.90895444

00:23:56.110 --> 00:23:58.030 there is limited federal oversight

NOTE Confidence: 0.90895444

00:23:58.096 --> 00:24:00.111 and certainly no transparent ways

NOTE Confidence: 0.90895444

00:24:00.111 --> 00:24:02.126 of measuring quality of care.

NOTE Confidence: 0.90895444

00:24:02.130 --> 00:24:06.480 Delivered inside and so this picture

NOTE Confidence: 0.90895444

00:24:06.480 --> 00:24:09.466 comes from Cook County and you know,

NOTE Confidence: 0.90895444

00:24:09.470 --> 00:24:11.941 was in the media recently during a

NOTE Confidence: 0.90895444

00:24:11.941 --> 00:24:15.018 COVID-19 and a person that's incarcerated,

NOTE Confidence: 0.90895444

00:24:15.020 --> 00:24:16.301 wrote, you know,

NOTE Confidence: 0.90895444

00:24:16.301 --> 00:24:19.290 on a window help we matter too.

NOTE Confidence: 0.90895444

00:24:19.290 --> 00:24:21.420 And you know, it's inescapable.

NOTE Confidence: 0.90895444

00:24:21.420 --> 00:24:23.988 In the news that about 39,

NOTE Confidence: 0.90895444

00:24:23.990 --> 00:24:26.622 I think of the 50 largest outbreaks

NOTE Confidence: 0.90895444

00:24:26.622 --> 00:24:29.270 in our country for COVID-19 are

NOTE Confidence: 0.90895444

00:24:29.270 --> 00:24:31.670 in correctional systems right now.

NOTE Confidence: 0.90895444

00:24:31.670 --> 00:24:32.101 Again,

NOTE Confidence: 0.90895444

00:24:32.101 --> 00:24:34.687 this is Cook County and then

NOTE Confidence: 0.90895444

00:24:34.687 --> 00:24:36.880 right now in the news.

NOTE Confidence: 0.90895444

00:24:36.880 --> 00:24:38.290 Is asking questions.

NOTE Confidence: 0.9085526

00:24:41.000 --> 00:24:43.460 And so the response has been,

NOTE Confidence: 0.9085526

00:24:43.460 --> 00:24:45.100 I think, really importantly,

NOTE Confidence: 0.9085526

00:24:45.100 --> 00:24:47.150 advocating for the early release,

NOTE Confidence: 0.9085526

00:24:47.150 --> 00:24:48.602 and so importantly,

NOTE Confidence: 0.9085526

00:24:48.602 --> 00:24:51.990 in could show the figures that Connecticut

NOTE Confidence: 0.9085526

00:24:52.070 --> 00:24:55.350 is an all time low in our state right now.

NOTE Confidence: 0.9085526

00:24:55.350 --> 00:24:56.170 Who's incarcerated?

NOTE Confidence: 0.9085526

00:24:56.170 --> 00:24:57.400 California's governor newsom?

NOTE Confidence: 0.9085526

00:24:57.400 --> 00:24:59.040 Also just announced the

NOTE Confidence: 0.9085526

00:24:59.040 --> 00:25:00.680 release of 8000 individuals,

NOTE Confidence: 0.9085526

00:25:00.680 --> 00:25:03.608 and for those of us that believe that

NOTE Confidence: 0.9085526

00:25:03.608 --> 00:25:06.333 prisons and jails are health harming

NOTE Confidence: 0.9085526

00:25:06.333 --> 00:25:09.201 that Dick Curation is really important.

NOTE Confidence: 0.9085526

00:25:09.210 --> 00:25:11.394 It should be news that we celebrate

NOTE Confidence: 0.9085526

00:25:11.394 --> 00:25:12.985 writes that if you're thinking

NOTE Confidence: 0.9085526

00:25:12.985 --> 00:25:15.329 about kind of how it is that we

NOTE Confidence: 0.9085526

00:25:15.401 --> 00:25:17.116 deconstruct an improve the health

NOTE Confidence: 0.9085526

00:25:17.116 --> 00:25:19.174 and well being of our communities,

NOTE Confidence: 0.9085526

00:25:19.174 --> 00:25:21.178 decent car situation is critical and

NOTE Confidence: 0.9085526

00:25:21.178 --> 00:25:23.657 I do want to then point out though,

NOTE Confidence: 0.9085526

00:25:23.660 --> 00:25:25.574 that the early release of incarcerated

NOTE Confidence: 0.9085526

00:25:25.574 --> 00:25:27.190 people actually can endanger lives.

NOTE Confidence: 0.9085526

00:25:27.190 --> 00:25:29.566 and I think that this is important to

NOTE Confidence: 0.9085526

00:25:29.566 --> 00:25:32.253 say out live out loud and really it

NOTE Confidence: 0.9085526

00:25:32.253 --> 00:25:34.912 implicates kind of what it is that we

NOTE Confidence: 0.9085526

00:25:34.912 --> 00:25:37.470 do within community health systems.

NOTE Confidence: 0.9085526

00:25:37.470 --> 00:25:39.836 So each week in clinic, as Anna

NOTE Confidence: 0.9085526

00:25:39.836 --> 00:25:42.540 referred to before we here in New Haven.

NOTE Confidence: 0.9085526

00:25:42.540 --> 00:25:44.980 And this is a picture of our team

NOTE Confidence: 0.9085526

00:25:44.980 --> 00:25:46.260 at Lisa Puglisi.

NOTE Confidence: 0.9085526

00:25:46.260 --> 00:25:47.274 She's an Internist.

NOTE Confidence: 0.9085526

00:25:47.274 --> 00:25:47.950 Jerry Smart,

NOTE Confidence: 0.9085526

00:25:47.950 --> 00:25:49.936 one of our community health workers

NOTE Confidence: 0.9085526

00:25:49.936 --> 00:25:52.602 in a patient of ours take care of

NOTE Confidence: 0.9085526

00:25:52.602 --> 00:25:54.510 people that have come home from

NOTE Confidence: 0.9085526

00:25:54.580 --> 00:25:56.335 prisons and jails in Connecticut

NOTE Confidence: 0.9085526

00:25:56.335 --> 00:25:58.848 and this is a program again among

NOTE Confidence: 0.9085526

00:25:58.848 --> 00:26:01.122 many across the country that are

NOTE Confidence: 0.9085526

00:26:01.122 --> 00:26:02.813 really focused on targeted care

NOTE Confidence: 0.9085526

00:26:02.813 --> 00:26:05.241 and what we can see over and I've

NOTE Confidence: 0.9085526

00:26:05.241 --> 00:26:07.275 been doing this for decades now.

NOTE Confidence: 0.9085526

00:26:07.280 --> 00:26:09.779 Is that the return home from prisons

NOTE Confidence: 0.9085526

00:26:09.779 --> 00:26:12.239 and jails is nearly impossible.

NOTE Confidence: 0.9085526

00:26:12.240 --> 00:26:13.341 That, in fact,

NOTE Confidence: 0.9085526

00:26:13.341 --> 00:26:16.456 in spite of how bad health care is

NOTE Confidence: 0.9085526

00:26:16.456 --> 00:26:19.258 inside the construction of it peoples,

NOTE Confidence: 0.9085526

00:26:19.260 --> 00:26:20.496 chronic health conditions

NOTE Confidence: 0.9085526

00:26:20.496 --> 00:26:22.144 actually worsen following release.

NOTE Confidence: 0.9085526

00:26:22.150 --> 00:26:24.628 The rates of dying from overdose

NOTE Confidence: 0.9085526

00:26:24.628 --> 00:26:26.283 from heart disease, cancer,

NOTE Confidence: 0.9085526

00:26:26.283 --> 00:26:27.109 gun violence,

NOTE Confidence: 0.9085526

00:26:27.109 --> 00:26:28.761 suicide actually or incrementally

NOTE Confidence: 0.9085526

00:26:28.761 --> 00:26:30.000 higher following release,

NOTE Confidence: 0.9085526

00:26:30.000 --> 00:26:32.848 and so will we see in clinic or

NOTE Confidence: 0.9085526

00:26:32.848 --> 00:26:35.033 barrier's appan barriers where patients

NOTE Confidence: 0.9085526

00:26:35.033 --> 00:26:38.730 at actually don't have safe places to stay.

NOTE Confidence: 0.9085526

00:26:38.730 --> 00:26:39.933 Can't get food.

NOTE Confidence: 0.9085526

00:26:39.933 --> 00:26:42.740 Can't get jobs here in New Haven

NOTE Confidence: 0.9085526

00:26:42.827 --> 00:26:45.431 and this has been augmented that

NOTE Confidence: 0.9085526

00:26:45.431 --> 00:26:48.010 much more in during COVID-19.

NOTE Confidence: 0.9085526

00:26:48.010 --> 00:26:50.439 We've worked hard to kind of slowly,

NOTE Confidence: 0.9085526

00:26:50.440 --> 00:26:50.786 iteratively,

NOTE Confidence: 0.9085526

00:26:50.786 --> 00:26:52.516 and incrementally building the systems.

NOTE Confidence: 0.9085526

00:26:52.520 --> 00:26:54.596 How do we get folks phones,

NOTE Confidence: 0.9085526

00:26:54.600 --> 00:26:55.184 for instance,

NOTE Confidence: 0.9085526

00:26:55.184 --> 00:26:56.936 right to actually be able to

NOTE Confidence: 0.9085526

00:26:56.936 --> 00:26:58.769 do a telemedicine visit?

NOTE Confidence: 0.9085526

00:26:58.770 --> 00:27:00.846 What if they've never had medications?

NOTE Confidence: 0.9085526

00:27:00.850 --> 00:27:03.194 And if they live in a city in

NOTE Confidence: 0.9085526

00:27:03.194 --> 00:27:04.695 Connecticut where there isn't

NOTE Confidence: 0.9085526

00:27:04.695 --> 00:27:06.399 a transitions clinic program,

NOTE Confidence: 0.9085526

00:27:06.400 --> 00:27:08.506 how do we get appropriate access

NOTE Confidence: 0.9085526

00:27:08.506 --> 00:27:10.640 to the medications they need to

NOTE Confidence: 0.9085526

00:27:10.640 --> 00:27:12.295 the discharge that they need?

NOTE Confidence: 0.9085526

00:27:12.300 --> 00:27:15.028 And so I guess the point that I

NOTE Confidence: 0.9085526

00:27:15.028 --> 00:27:17.270 really wanted to kind of make

NOTE Confidence: 0.9085526

00:27:17.270 --> 00:27:19.496 with my reflections here is that.

NOTE Confidence: 0.9085526

00:27:19.500 --> 00:27:22.846 Hum so much of the energy and

NOTE Confidence: 0.9085526

00:27:22.846 --> 00:27:25.630 enthusiasm around kind of decarceration

NOTE Confidence: 0.9085526

00:27:25.630 --> 00:27:28.760 abolition is really focused on

NOTE Confidence: 0.9085526

00:27:28.760 --> 00:27:31.650 defunding these kind of impact.

NOTE Confidence: 0.9085526

00:27:31.650 --> 00:27:33.636 Hanging our hats on just this

00:27:33.636 --> 00:27:36.329 one moment in time and to me what

00:27:36.329 --> 00:27:38.273 undergirds kind of the work that

00:27:38.347 --> 00:27:40.713 we need to do to really quote

00:27:40.713 --> 00:27:42.036 abolish prisons and jails,

00:27:42.036 --> 00:27:44.484 is the work that we need to be

00:27:44.484 --> 00:27:46.427 doing in the health systems.

00:27:46.430 --> 00:27:48.446 How do we provide the vital

00:27:48.446 --> 00:27:49.790 supports that are needed?

00:27:49.790 --> 00:27:51.662 Do we really welcome our patients

00:27:51.662 --> 00:27:53.338 that come from these correctional

00:27:53.338 --> 00:27:55.168 systems that are kind of?

00:27:55.170 --> 00:27:57.126 Again, this second class system of

00:27:57.126 --> 00:27:59.200 healthcare into our community health system.

00:27:59.200 --> 00:28:00.640 The medical students raised

00:28:00.640 --> 00:28:02.440 important points and I think.

00:28:02.440 --> 00:28:04.264 You know just thinking about in this isn't

NOTE Confidence: 0.9261322

00:28:04.264 --> 00:28:06.098 a photo from the primary care center,

NOTE Confidence: 0.9261322

00:28:06.100 --> 00:28:08.585 but all over Yo New Haven Hospital.

NOTE Confidence: 0.9261322

00:28:08.590 --> 00:28:11.047 Is this welcoming to have a person

NOTE Confidence: 0.9261322

00:28:11.047 --> 00:28:13.498 that armed in our health system?

NOTE Confidence: 0.9261322

00:28:13.500 --> 00:28:16.524 How does that make our patients feel right?

NOTE Confidence: 0.9261322

00:28:16.530 --> 00:28:19.298 Why is it that we have Medicaid terminate

NOTE Confidence: 0.9261322

00:28:19.298 --> 00:28:21.817 when people come home from Corrections?

NOTE Confidence: 0.9261322

00:28:21.820 --> 00:28:24.364 How can we create systems that are more

NOTE Confidence: 0.9261322

00:28:24.364 --> 00:28:26.684 embracing of patients that are coming

NOTE Confidence: 0.9261322

00:28:26.684 --> 00:28:28.704 home from these correctional systems

NOTE Confidence: 0.9261322

00:28:28.704 --> 00:28:30.890 that are so structurally violent?

NOTE Confidence: 0.9261322

00:28:30.890 --> 00:28:33.725 And how do we make our systems

NOTE Confidence: 0.9261322

00:28:33.725 --> 00:28:36.402 are less violent and so the last

NOTE Confidence: 0.9261322

00:28:36.402 --> 00:28:38.990 thing I'd say is this is that.

NOTE Confidence: 0.9261322

00:28:38.990 --> 00:28:41.349 I had the opportunity to listen to

NOTE Confidence: 0.9261322

00:28:41.349 --> 00:28:44.181 16 to the beautiful kind of 1619

NOTE Confidence: 0.9261322

00:28:44.181 --> 00:28:46.797 podcasts and there was one episode

NOTE Confidence: 0.9261322

00:28:46.879 --> 00:28:49.329 focused I think was episode 5 on

NOTE Confidence: 0.9156126

00:28:49.330 --> 00:28:50.479 the health care

NOTE Confidence: 0.9156126

00:28:50.480 --> 00:28:51.629 system and tracing

NOTE Confidence: 0.9156126

00:28:51.630 --> 00:28:53.884 alluded to this that in 1865 the

NOTE Confidence: 0.9156126

00:28:53.884 --> 00:28:56.294 Friedmans Bureau became the nations first

NOTE Confidence: 0.9156126

00:28:56.294 --> 00:28:58.134 federally supported healthcare system.

NOTE Confidence: 0.9156126

00:28:58.140 --> 00:28:59.612 It was interesting Lee,

NOTE Confidence: 0.9156126

00:28:59.612 --> 00:29:03.120 when you turn into the tune into the podcast,

NOTE Confidence: 0.9156126

00:29:03.120 --> 00:29:05.640 it was created in response to outbreaks

NOTE Confidence: 0.9156126

00:29:05.640 --> 00:29:07.330 again and Infectious Diseases.

NOTE Confidence: 0.9156126

00:29:07.330 --> 00:29:09.688 So you can think about the

NOTE Confidence: 0.9156126

00:29:09.688 --> 00:29:10.867 historical parallel so.

NOTE Confidence: 0.9156126

00:29:10.870 --> 00:29:12.759 Dysentery and smallpox at the time

NOTE Confidence: 0.9156126

00:29:12.760 --> 00:29:14.340 that emerged after Mansa patient.

NOTE Confidence: 0.9156126

00:29:14.340 --> 00:29:16.360 So his concerns about

NOTE Confidence: 0.9156126

00:29:16.360 --> 00:29:18.380 the community that then.

NOTE Confidence: 0.9156126

00:29:18.380 --> 00:29:20.646 This healthcare system was bored, however,

NOTE Confidence: 0.9156126

00:29:20.646 --> 00:29:23.208 he was structured such that there was

NOTE Confidence: 0.9156126

00:29:23.208 --> 00:29:25.898 100 physicians taking care of the four

NOTE Confidence: 0.9156126

00:29:25.898 --> 00:29:27.410 million previously enslaved workers

NOTE Confidence: 0.9156126

00:29:27.410 --> 00:29:29.776 who are now largely without housing,

NOTE Confidence: 0.9156126

00:29:29.780 --> 00:29:31.680 food, employment, and you know,

NOTE Confidence: 0.9156126

00:29:31.680 --> 00:29:33.480 then they also had incrementally

NOTE Confidence: 0.9156126

00:29:33.480 --> 00:29:35.280 high risks of dying compared

NOTE Confidence: 0.9156126

00:29:35.345 --> 00:29:36.997 with the general population.

NOTE Confidence: 0.9156126

00:29:37.000 --> 00:29:38.520 And so to me,

NOTE Confidence: 0.9156126

00:29:38.520 --> 00:29:40.800 thinking about this moment in history,

NOTE Confidence: 0.9156126

00:29:40.800 --> 00:29:43.397 and I really do think we're in

NOTE Confidence: 0.9156126

00:29:43.397 --> 00:29:46.120 a moment like it does excite me.

NOTE Confidence: 0.9156126

00:29:46.120 --> 00:29:49.416 I've been doing this for a decade more.

NOTE Confidence: 0.9156126

00:29:49.420 --> 00:29:51.568 But there is mass at larger

NOTE Confidence: 0.9156126

00:29:51.568 --> 00:29:53.000 scale decarceration going on,

NOTE Confidence: 0.9156126

00:29:53.000 --> 00:29:55.016 but for this to be really successful

NOTE Confidence: 0.9156126

00:29:55.016 --> 00:29:57.299 we have to interrogate ourselves.

NOTE Confidence: 0.9156126

00:29:57.300 --> 00:30:00.340 What it is that we ourselves as provider?

NOTE Confidence: 0.9156126

00:30:00.340 --> 00:30:01.600 But even more importantly,

NOTE Confidence: 0.9156126

00:30:01.600 --> 00:30:03.822 as systems and as communities are doing

NOTE Confidence: 0.9156126

00:30:03.822 --> 00:30:06.006 to scale at the health systems that are

NOTE Confidence: 0.9156126

00:30:06.006 --> 00:30:08.017 needed to provide these vital supports.

NOTE Confidence: 0.86848315

00:30:12.730 --> 00:30:16.578 Thank you so much. Think we now have.

NOTE Confidence: 0.86848315

00:30:16.580 --> 00:30:19.070 Sidney green with discuss a.

NOTE Confidence: 0.91169363

00:30:24.430 --> 00:30:27.090 Also, thank you so much to doctor

NOTE Confidence: 0.91169363

00:30:27.090 --> 00:30:28.890 Wang and professor mirrors.

NOTE Confidence: 0.91169363

00:30:28.890 --> 00:30:31.392 Um, Doctor Wang. I really appreciate

NOTE Confidence: 0.91169363

50

00:30:31.392 --> 00:30:33.340 you sharing those photos on.

NOTE Confidence: 0.91169363

00:30:33.340 --> 00:30:36.175 I think that especially in this moment,

NOTE Confidence: 0.91169363

00:30:36.180 --> 00:30:38.544 with abolition being all over social

NOTE Confidence: 0.91169363

00:30:38.544 --> 00:30:41.563 media and it can feel like a very

NOTE Confidence: 0.91169363

00:30:41.563 --> 00:30:44.178 abstract thing and we have to remember

NOTE Confidence: 0.91169363

00:30:44.178 --> 00:30:47.106 that we're talking about real people,

NOTE Confidence: 0.91169363

00:30:47.110 --> 00:30:49.234 real families and lives.

NOTE Confidence: 0.91169363

00:30:49.234 --> 00:30:52.420 And so I really appreciate you.

NOTE Confidence: 0.91169363

00:30:52.420 --> 00:30:54.650 Bringing that to us today

NOTE Confidence: 0.91169363

00:30:54.650 --> 00:30:55.988 and professor mirrors.

NOTE Confidence: 0.91169363

00:30:55.990 --> 00:30:57.774 Um again, I'm I.

NOTE Confidence: 0.91169363

00:30:57.774 --> 00:31:00.895 I really appreciate you bringing a both

NOTE Confidence: 0.91169363

00:31:00.895 --> 00:31:03.565 of you brought in historical perspective,

NOTE Confidence: 0.91169363

00:31:03.570 --> 00:31:07.154 but I really do appreciate and you really

NOTE Confidence: 0.91169363

00:31:07.154 --> 00:31:10.260 connecting this moment as we use abolition.

NOTE Confidence: 0.91169363

00:31:10.260 --> 00:31:13.235 It's a historical term and we have

NOTE Confidence: 0.91169363

00:31:13.235 --> 00:31:16.427 to remember that we're not done once

NOTE Confidence: 0.91169363

00:31:16.427 --> 00:31:19.175 this system is so called abolished,

NOTE Confidence: 0.91169363

00:31:19.180 --> 00:31:22.827 but that even as we think about.

NOTE Confidence: 0.91169363

00:31:22.830 --> 00:31:24.880 Reconstructing or re allocating funds.

NOTE Confidence: 0.91169363

00:31:24.880 --> 00:31:27.340 We have to remember that the

NOTE Confidence: 0.91169363

00:31:27.340 --> 00:31:28.980 threat of anti black,

NOTE Confidence: 0.91169363

00:31:28.980 --> 00:31:30.628 white supremacist violence is

NOTE Confidence: 0.91169363

00:31:30.628 --> 00:31:33.100 is there and that there we

NOTE Confidence: 0.91169363

00:31:33.181 --> 00:31:35.539 can't be passive in this moment.

NOTE Confidence: 0.91169363

00:31:35.540 --> 00:31:38.230 We have to remember that.

NOTE Confidence: 0.91169363

00:31:38.230 --> 00:31:40.105 There's going to be something

NOTE Confidence: 0.91169363

00:31:40.105 --> 00:31:41.230 that comes next,

NOTE Confidence: 0.91169363

00:31:41.230 --> 00:31:44.230 and so I really appreciate both of you.

NOTE Confidence: 0.91169363

00:31:44.230 --> 00:31:44.950 For that,

NOTE Confidence: 0.91169363

00:31:44.950 --> 00:31:47.470 I wanted to 1st as contextualize why

NOTE Confidence: 0.91169363

00:31:47.470 --> 00:31:50.229 kind of how I came into consciousness,

NOTE Confidence: 0.91169363

00:31:50.230 --> 00:31:52.568 and I want to invite both of

NOTE Confidence: 0.91169363

00:31:52.568 --> 00:31:54.919 you to reflect on that moment

NOTE Confidence: 0.91169363

00:31:54.919 --> 00:31:56.607 for yourselves as well.

NOTE Confidence: 0.91169363

00:31:56.610 --> 00:31:58.860 So when I graduated from college.

NOTE Confidence: 0.91169363

00:31:58.860 --> 00:32:00.948 I'm originally from Florida and I

NOTE Confidence: 0.91169363

00:32:00.948 --> 00:32:03.359 moved back to Florida to Tallahassee,

NOTE Confidence: 0.91169363

00:32:03.360 --> 00:32:06.411 FL and this was in 2013 on around the

NOTE Confidence: 0.91169363

00:32:06.411 --> 00:32:09.898 same time as the free Marissa now movement.

NOTE Confidence: 0.91169363

00:32:09.900 --> 00:32:11.632 And so Marissa Alexander,

NOTE Confidence: 0.91169363

00:32:11.632 --> 00:32:14.730 for those of you who don't know,

NOTE Confidence: 0.91169363

00:32:14.730 --> 00:32:15.126 um,

NOTE Confidence: 0.91169363

00:32:15.126 --> 00:32:18.294 is a black woman who at the time

NOTE Confidence: 0.91169363

00:32:18.294 --> 00:32:21.820 was facing 20 years in prison for

NOTE Confidence: 0.91169363

00:32:21.820 --> 00:32:25.127 firing a warning shot up in her

NOTE Confidence: 0.91169363

00:32:25.127 --> 00:32:27.899 own house in her own garage to

53

NOTE Confidence: 0.91169363

00:32:27.900 --> 00:32:30.145 protect herself from her husband

NOTE Confidence: 0.91169363

00:32:30.145 --> 00:32:33.307 who admitted on tape in a court

NOTE Confidence: 0.91169363

00:32:33.307 --> 00:32:36.233 deposition that he not only abused her,

NOTE Confidence: 0.91169363

00:32:36.240 --> 00:32:38.778 but that he would have killed

NOTE Confidence: 0.91169363

00:32:38.778 --> 00:32:41.670 her if given the opportunity.

NOTE Confidence: 0.91169363

00:32:41.670 --> 00:32:43.710 And this was also, um,

NOTE Confidence: 0.91169363

00:32:43.710 --> 00:32:46.146 just after Trayvon Martin was murdered,

NOTE Confidence: 0.91169363

00:32:46.150 --> 00:32:47.476 and his murderer,

NOTE Confidence: 0.91169363

00:32:47.476 --> 00:32:51.440 whose name I'm I'm just not going to use a,

NOTE Confidence: 0.91169363

00:32:51.440 --> 00:32:54.254 was able to get off on the

NOTE Confidence: 0.91169363

00:32:54.254 --> 00:32:55.920 stand your ground law.

NOTE Confidence: 0.91169363

00:32:55.920 --> 00:32:59.168 And that law was not applied to Marissa

NOTE Confidence: 0.91169363

00:32:59.168 --> 00:33:01.204 Alexander, a black woman situation.

NOTE Confidence: 0.91169363

00:33:01.204 --> 00:33:03.234 And so she successfully appealed.

NOTE Confidence: 0.91169363

00:33:03.240 --> 00:33:06.496 And then the state attorney at the time,

NOTE Confidence: 0.91169363

00:33:06.500 --> 00:33:08.630 Angela Corey.

NOTE Confidence: 0.91169363

00:33:08.630 --> 00:33:11.114 Essentially said that not only would

NOTE Confidence: 0.91169363

00:33:11.114 --> 00:33:13.598 she retry this woman, but with,

NOTE Confidence: 0.91169363

00:33:13.598 --> 00:33:15.668 uh, she she sought retribution.

NOTE Confidence: 0.91169363

00:33:15.670 --> 00:33:18.550 And so instead of giving her if she

NOTE Confidence: 0.91169363

00:33:18.550 --> 00:33:21.877 were to sentence her 20 years Marissa,

NOTE Confidence: 0.91169363

00:33:21.880 --> 00:33:24.424 now phase three consecutive 20 year

NOTE Confidence: 0.91169363

00:33:24.424 --> 00:33:27.033 sentences so she would have been

NOTE Confidence: 0.91169363

00:33:27.033 --> 00:33:29.952 imprisoned for 60 years and she had

NOTE Confidence: 0.91169363

00:33:29.952 --> 00:33:32.640 potentially 60 years and she had children.

NOTE Confidence: 0.91169363

00:33:32.640 --> 00:33:34.705 and I was just very

NOTE Confidence: 0.91169363

00:33:34.705 --> 00:33:35.944 frustrated that pediatricians.

NOTE Confidence: 0.91169363

00:33:35.950 --> 00:33:39.247 For example, we're not talking about how.

NOTE Confidence: 0.91169363

00:33:39.250 --> 00:33:39.661 Awful.

NOTE Confidence: 0.91169363

00:33:39.661 --> 00:33:42.127 This would be for her children,

NOTE Confidence: 0.91169363

00:33:42.130 --> 00:33:44.802 or OB GY NS talking about how putting

NOTE Confidence: 0.91169363

00:33:44.802 --> 00:33:46.890 someone who is immediately postpartum

NOTE Confidence: 0.91169363

00:33:46.890 --> 00:33:49.140 into prison was not something

NOTE Confidence: 0.91169363

00:33:49.140 --> 00:33:51.610 that would be promoted promoting.

NOTE Confidence: 0.91169363

00:33:51.610 --> 00:33:54.082 And so I really uhm latch

NOTE Confidence: 0.91169363

00:33:54.082 --> 00:33:55.730 onto this movement of,

NOTE Confidence: 0.8979984

00:33:55.730 --> 00:33:58.994 you know, there really is no case where

NOTE Confidence: 0.8979984

00:33:58.994 --> 00:34:01.972 police are OK that putting people in

NOTE Confidence: 0.8979984

00:34:01.972 --> 00:34:05.246 prisons and jails are not OK. Not in,

NOTE Confidence: 0.8979984

00:34:05.246 --> 00:34:09.540 not in the system that we have now and so.

NOTE Confidence: 0.8979984

00:34:09.540 --> 00:34:12.668 I kind of shifted my my research to

NOTE Confidence: 0.8979984

00:34:12.668 --> 00:34:15.632 really be thinking about how the

NOTE Confidence: 0.8979984

00:34:15.632 --> 00:34:18.764 health system is really implicated in

NOTE Confidence: 0.8979984

00:34:18.854 --> 00:34:21.896 a lot of what is going on and that.

NOTE Confidence: 0.8979984

00:34:21.900 --> 00:34:23.409 Criminal criminalization an?

NOTE Confidence: 0.8979984

00:34:23.409 --> 00:34:26.427 Uhm, this term personality is not

NOTE Confidence: 0.8979984

00:34:26.427 --> 00:34:29.186 just limited to jails and prisons,

NOTE Confidence: 0.8979984

00:34:29.190 --> 00:34:32.529 but it's how we treat people before

NOTE Confidence: 0.8979984

00:34:32.529 --> 00:34:35.990 they get to that point as well.

NOTE Confidence: 0.8979984

00:34:35.990 --> 00:34:39.278 and I want to kind of just connect

NOTE Confidence: 0.8979984

00:34:39.278 --> 00:34:43.368 that to an article that came out in

NOTE Confidence: 0.8979984

00:34:43.368 --> 00:34:46.586 2017 in Pediatrics Journal that was

NOTE Confidence: 0.8979984

00:34:46.586 --> 00:34:50.086 promoting the use of a new algorithm,

NOTE Confidence: 0.8979984

00:34:50.090 --> 00:34:52.590 and this algorithm would allow

NOTE Confidence: 0.8979984

00:34:52.590 --> 00:34:53.590 pediatricians too.

NOTE Confidence: 0.8979984

00:34:53.590 --> 00:34:55.198 Predict whether their teenage

NOTE Confidence: 0.8979984

00:34:55.198 --> 00:34:57.208 patients would be future perpetrators

NOTE Confidence: 0.8979984

00:34:57.208 --> 00:34:59.055 of intimate partner violence in

NOTE Confidence: 0.8979984

00:34:59.055 --> 00:35:01.125 order to funnel them into these

NOTE Confidence: 0.8979984

00:35:01.184 --> 00:35:02.909 intensive prevention programs.

NOTE Confidence: 0.8979984

00:35:02.910 --> 00:35:05.528 And not only was this article published

NOTE Confidence: 0.8979984

00:35:05.528 --> 00:35:07.769 in Pediatrics the leading Journal,

NOTE Confidence: 0.8979984

00:35:07.770 --> 00:35:10.850 but the editor of the Journal wrote a

NOTE Confidence: 0.8979984

00:35:10.850 --> 00:35:13.029 perspective piece lauding this paper.

NOTE Confidence: 0.8979984

00:35:13.030 --> 00:35:15.865 And so I really want us to,

NOTE Confidence: 0.8979984

00:35:15.870 --> 00:35:19.110 kind of as we go through this conversation.

NOTE Confidence: 0.8979984

00:35:19.110 --> 00:35:21.918 Those of us who are are in health

NOTE Confidence: 0.8979984

00:35:21.918 --> 00:35:24.878 care who are training or otherwise.

NOTE Confidence: 0.8979984

00:35:24.880 --> 00:35:28.520 I'm already providers to really think about

NOTE Confidence: 0.8979984

00:35:28.520 --> 00:35:33.078 how we are complicit in this and that as.

NOTE Confidence: 0.8979984

00:35:33.080 --> 00:35:35.246 You know the the abolition movement.

NOTE Confidence: 0.8979984

00:35:35.250 --> 00:35:37.422 Defund movement looks to send funding

NOTE Confidence: 0.8979984

00:35:37.422 --> 00:35:40.297 to our way of finding our way to,

NOTE Confidence: 0.8979984

00:35:40.300 --> 00:35:40.679 uhm,

NOTE Confidence: 0.8979984

00:35:40.679 --> 00:35:42.953 you know whether it's mental health

NOTE Confidence: 0.8979984

00:35:42.953 --> 00:35:45.853 or some other reason we have to make

NOTE Confidence: 0.8979984

00:35:45.853 --> 00:35:48.316 sure that we're doing the work to

NOTE Confidence: 0.8979984

58

00:35:48.316 --> 00:35:50.422 ensure that we are not recreating

NOTE Confidence: 0.8979984

00:35:50.422 --> 00:35:52.574 the same systems that we claim

NOTE Confidence: 0.8979984

00:35:52.574 --> 00:35:54.379 to be abolishing into funding.

NOTE Confidence: 0.8979984

00:35:54.380 --> 00:35:56.546 So I'm going to stop there,

NOTE Confidence: 0.8979984

00:35:56.550 --> 00:35:58.594 but I just want to again think

NOTE Confidence: 0.8979984

00:35:58.594 --> 00:36:00.423 doctor Wang and professor mirrors

NOTE Confidence: 0.8979984

00:36:00.423 --> 00:36:03.087 for being here and really starting

NOTE Confidence: 0.8979984

00:36:03.087 --> 00:36:04.489 this conversation for us.

NOTE Confidence: 0.8375571

00:36:08.190 --> 00:36:11.388 Thank you all for such eloquent

NOTE Confidence: 0.8375571

00:36:11.388 --> 00:36:15.140 and profound reflections, and.

NOTE Confidence: 0.8375571

00:36:15.140 --> 00:36:17.366 Only opens up more questions for us.

NOTE Confidence: 0.8375571

00:36:17.370 --> 00:36:19.971 Um, I see we have one question so far

NOTE Confidence: 0.8375571

00:36:19.971 --> 00:36:22.796 and then I have some questions as well.

NOTE Confidence: 0.8375571

00:36:22.800 --> 00:36:24.390 But let's start with the

NOTE Confidence: 0.8375571

00:36:24.390 --> 00:36:25.662 one that was submitted.

NOTE Confidence: 0.8375571

00:36:25.670 --> 00:36:26.615 My remarkable colleague,

00:36:26.615 --> 00:36:28.190 Doctor Ayana Jordan made a

00:36:28.190 --> 00:36:30.140 call that we should avoid the

00:36:30.140 --> 00:36:31.404 term criminal justice system.

00:36:31.410 --> 00:36:33.454 Since the system is hardly just and

00:36:33.454 --> 00:36:35.878 instead call it the criminal legal system,

00:36:35.880 --> 00:36:37.968 I'm interested to hear what the

00:36:37.968 --> 00:36:40.437 panelists think of this and how we

00:36:40.437 --> 00:36:42.453 might best be ambassadors of changing

00:36:42.453 --> 00:36:44.687 this language in a widespread way.

00:36:44.690 --> 00:36:46.960 So we'll start with that.

00:36:46.960 --> 00:36:47.280 Um,

00:36:47.280 --> 00:36:49.415 I'll jump in. I think I actually

00:36:49.415 --> 00:36:51.388 referred to it as the criminal

00:36:51.388 --> 00:36:54.260 legal system in in my remarks, uhm?

00:36:54.260 --> 00:36:56.460 I think that that's Fair.

00:36:56.460 --> 00:36:59.540 It's a fair description, but if we're

NOTE Confidence: 0.90032953

00:36:59.540 --> 00:37:02.620 really going to break the term down,

NOTE Confidence: 0.90032953

00:37:02.620 --> 00:37:06.580 I don't think we even call it a criminal

NOTE Confidence: 0.90032953

00:37:06.580 --> 00:37:09.660 legal system because it's not a system,

NOTE Confidence: 0.90032953

00:37:09.660 --> 00:37:12.740 right? So really it is, you know,

NOTE Confidence: 0.90032953

00:37:12.740 --> 00:37:15.380 a set of criminal legal processes,

NOTE Confidence: 0.90032953

00:37:15.380 --> 00:37:18.900 and I think you know the questioner says,

NOTE Confidence: 0.90032953

00:37:18.900 --> 00:37:21.980 well, how can we make this change?

NOTE Confidence: 0.90032953

00:37:21.980 --> 00:37:25.445 I think increasingly, if you look at.

NOTE Confidence: 0.90032953

00:37:25.450 --> 00:37:28.218 Um, what folks are writing an in my

NOTE Confidence: 0.90032953

00:37:28.218 --> 00:37:30.758 field and even in public writing,

NOTE Confidence: 0.90032953

00:37:30.760 --> 00:37:34.170 and a couple of op eds I just wrote,

NOTE Confidence: 0.90032953

00:37:34.170 --> 00:37:37.194 you know, I've been using that term instead.

NOTE Confidence: 0.90032953

00:37:37.200 --> 00:37:40.602 I think it's it's an important thing to say,

NOTE Confidence: 0.90032953

00:37:40.610 --> 00:37:45.060 but. Say lose the conjunction.

NOTE Confidence: 0.90032953

00:37:45.060 --> 00:37:49.388 Period, it is also the case that, uhm.

NOTE Confidence: 0.90032953

00:37:49.388 --> 00:37:53.692 It is critical for people to understand all

NOTE Confidence: 0.90032953

00:37:53.692 --> 00:37:58.170 the ways that how we talk about this set.

NOTE Confidence: 0.90032953

00:37:58.170 --> 00:38:01.946 Of issues an institutions that lead to the

NOTE Confidence: 0.90032953

00:38:01.946 --> 00:38:04.709 consequences that we were talking about,

NOTE Confidence: 0.90032953

00:38:04.710 --> 00:38:07.078 in that only wonk.

NOTE Confidence: 0.90032953

00:38:07.078 --> 00:38:10.630 Um gave us such incredible photographic

NOTE Confidence: 0.90032953

00:38:10.733 --> 00:38:15.017 evidence about is not what we think it is,

NOTE Confidence: 0.90032953

00:38:15.020 --> 00:38:18.646 and to the extent that it's systematic,

NOTE Confidence: 0.90032953

00:38:18.650 --> 00:38:21.240 it is not systematic about

NOTE Confidence: 0.90032953

00:38:21.240 --> 00:38:22.276 delivering justice.

NOTE Confidence: 0.90032953

00:38:22.280 --> 00:38:25.400 It's systematic about reinforcing the system,

NOTE Confidence: 0.90032953

00:38:25.400 --> 00:38:28.508 which that is a system of

NOTE Confidence: 0.90032953

00:38:28.508 --> 00:38:30.062 racism and inequality.

NOTE Confidence: 0.86327463

00:38:35.640 --> 00:38:37.910 You know, I'll echo this,

NOTE Confidence: 0.86327463

00:38:37.910 --> 00:38:40.790 which I think that you know

NOTE Confidence: 0.86327463

00:38:40.790 --> 00:38:43.207 language is really important and

NOTE Confidence: 0.86327463

00:38:43.207 --> 00:38:46.056 you know how we define the system.

NOTE Confidence: 0.86327463

00:38:46.060 --> 00:38:48.375 You know, appreciate Ayana and

NOTE Confidence: 0.86327463

00:38:48.375 --> 00:38:50.690 really thinking about kind of

NOTE Confidence: 0.86327463

00:38:50.767 --> 00:38:52.847 not using the term justice.

NOTE Confidence: 0.86327463

00:38:52.850 --> 00:38:58.650 I also much of what I think we can work on.

NOTE Confidence: 0.86327463

00:38:58.650 --> 00:39:01.044 In our own worlds is also and

NOTE Confidence: 0.86327463

00:39:01.044 --> 00:39:03.588 stuff that we work on at within.

NOTE Confidence: 0.86327463

00:39:03.590 --> 00:39:07.120 You know the work that we do in our lab,

NOTE Confidence: 0.86327463

00:39:07.120 --> 00:39:09.325 but also even the NIH recently at

NOTE Confidence: 0.86327463

00:39:09.325 --> 00:39:11.117 night has used person centered

NOTE Confidence: 0.86327463

00:39:11.117 --> 00:39:13.826 language to stop using kind of terms,

NOTE Confidence: 0.86327463

00:39:13.830 --> 00:39:15.595 like prisoners inmates instead using

NOTE Confidence: 0.86327463

00:39:15.595 --> 00:39:17.360 people with history symbol culturation.

NOTE Confidence: 0.86327463

00:39:17.360 --> 00:39:19.397 These are kind of important ways that

NOTE Confidence: 0.86327463

00:39:19.397 --> 00:39:21.597 you do start shifting narratives of

NOTE Confidence: 0.86327463

00:39:21.597 --> 00:39:23.707 people that have been incarcerated,

NOTE Confidence: 0.86327463

00:39:23.710 --> 00:39:25.828 and I just tell a story,

NOTE Confidence: 0.86327463

00:39:25.830 --> 00:39:28.788 which is to say within epic.

NOTE Confidence: 0.86327463

00:39:28.790 --> 00:39:29.157 Oftentimes,

NOTE Confidence: 0.86327463

00:39:29.157 --> 00:39:30.992 you'll note like how people

NOTE Confidence: 0.86327463

00:39:30.992 --> 00:39:32.460 right and describe individuals,

NOTE Confidence: 0.86327463

00:39:32.460 --> 00:39:33.132 of course,

NOTE Confidence: 0.86327463

00:39:33.132 --> 00:39:34.812 really does influence the care

NOTE Confidence: 0.86327463

00:39:34.812 --> 00:39:36.500 that they are receiving.

NOTE Confidence: 0.86327463

00:39:36.500 --> 00:39:39.412 The care that we deliver that I've often

NOTE Confidence: 0.86327463

00:39:39.412 --> 00:39:41.996 seen notations where you know people have.

NOTE Confidence: 0.86327463

00:39:42.000 --> 00:39:43.715 There's actually a critical warning

NOTE Confidence: 0.86327463

00:39:43.715 --> 00:39:46.040 list of a section sex offender.

NOTE Confidence: 0.86327463

00:39:46.040 --> 00:39:48.110 Write a sex offender and you

NOTE Confidence: 0.86327463

00:39:48.110 --> 00:39:50.720 know bring up kind of an extreme

NOTE Confidence: 0.86327463

00:39:50.720 --> 00:39:52.645 case to illustrate my point,

NOTE Confidence: 0.86327463

00:39:52.650 --> 00:39:55.578 which is that not being a legal expert,

NOTE Confidence: 0.86327463

00:39:55.580 --> 00:39:58.946 I will just say this though that there are.

NOTE Confidence: 0.86327463

00:39:58.950 --> 00:39:59.688 Many ways.

NOTE Confidence: 0.86327463

00:39:59.688 --> 00:40:02.640 By which you are convicted of a sex

NOTE Confidence: 0.86327463

00:40:02.721 --> 00:40:05.752 offense and those include you know it

NOTE Confidence: 0.86327463

00:40:05.752 --> 00:40:09.298 from the extreme version that are presented.

NOTE Confidence: 0.86327463

00:40:09.300 --> 00:40:11.925 You know that we can all imagine

NOTE Confidence: 0.86327463

00:40:11.925 --> 00:40:15.283 to ones of 14 years old having sex

NOTE Confidence: 0.86327463

00:40:15.283 --> 00:40:17.860 with a another teen years old,

NOTE Confidence: 0.86327463

00:40:17.860 --> 00:40:18.268 right?

NOTE Confidence: 0.86327463

00:40:18.268 --> 00:40:20.308 And so the importance though,

NOTE Confidence: 0.86327463

00:40:20.310 --> 00:40:22.494 that if our own healthcare system

NOTE Confidence: 0.86327463

00:40:22.494 --> 00:40:25.383 labeling people in the health record and

NOTE Confidence: 0.86327463

00:40:25.383 --> 00:40:27.658 how that perpetuates other narratives,

NOTE Confidence: 0.86327463

00:40:27.660 --> 00:40:30.738 I think is critical for again.

NOTE Confidence: 0.86327463

00:40:30.740 --> 00:40:33.010 Abolishing an at the impacts,

NOTE Confidence: 0.86327463

00:40:33.010 --> 00:40:36.188 you know like ending prisons and jails,

NOTE Confidence: 0.86327463

00:40:36.190 --> 00:40:38.674 and then also creating the systems

NOTE Confidence: 0.86327463

00:40:38.674 --> 00:40:40.927 that then support the people

NOTE Confidence: 0.86327463

00:40:40.927 --> 00:40:42.999 that have been incarcerated.

NOTE Confidence: 0.86327463

00:40:43.000 --> 00:40:45.270 That language is critically important.

NOTE Confidence: 0.89890194

00:40:49.320 --> 00:40:50.812 The question about um,

NOTE Confidence: 0.89890194

00:40:50.812 --> 00:40:53.596 how not only to avoid the term

NOTE Confidence: 0.89890194

00:40:53.596 --> 00:40:55.926 justice where it's not merited,

NOTE Confidence: 0.89890194

00:40:55.930 --> 00:40:59.086 but to work towards something else.

NOTE Confidence: 0.89890194

00:40:59.090 --> 00:41:01.298 Calls into question What is this?

NOTE Confidence: 0.89890194

00:41:01.300 --> 00:41:02.146 Something else?

NOTE Confidence: 0.89890194

00:41:02.146 --> 00:41:05.107 So um, you've all talked about abolition

NOTE Confidence: 0.89890194

00:41:05.107 --> 00:41:08.663 and really compelling ways in the fact that

NOTE Confidence: 0.89890194

00:41:08.663 --> 00:41:11.459 our current approaches are not just at all.

NOTE Confidence: 0.89890194

66

00:41:11.460 --> 00:41:13.125 Can you say something about

NOTE Confidence: 0.89890194

00:41:13.125 --> 00:41:14.457 what we're working towards?

NOTE Confidence: 0.89890194

00:41:14.460 --> 00:41:17.122 What would justice look like in in a

NOTE Confidence: 0.89890194

00:41:17.122 --> 00:41:19.114 better universe that we're working toward?

NOTE Confidence: 0.89890194

00:41:19.120 --> 00:41:21.449 And also, how would crime be handled?

NOTE Confidence: 0.89890194

00:41:21.450 --> 00:41:23.448 How would we think about pride?

NOTE Confidence: 0.89890194

00:41:23.450 --> 00:41:26.106 I'm sure that's a question that people have.

NOTE Confidence: 0.729883

00:41:30.790 --> 00:41:33.110 Want me to go? Yeah, the prime when

NOTE Confidence: 0.729883

00:41:33.110 --> 00:41:34.560 I'm looking at you, Tracy.

NOTE Confidence: 0.9169894

00:41:35.920 --> 00:41:38.209 Well, but I think it it's part

NOTE Confidence: 0.9169894

00:41:38.209 --> 00:41:40.360 of the same question, right?

NOTE Confidence: 0.9169894

00:41:40.360 --> 00:41:41.920 That they're talking about

NOTE Confidence: 0.9169894

00:41:41.920 --> 00:41:43.870 crime is answering the question

NOTE Confidence: 0.9169894

00:41:43.930 --> 00:41:45.860 about what replaces it up, and

NOTE Confidence: 0.912526

00:41:45.860 --> 00:41:48.300 again, you know. I

NOTE Confidence: 0.8991358

00:41:48.300 --> 00:41:51.504 think what replaces it is the

NOTE Confidence: 0.8991358

00:41:51.504 --> 00:41:54.969 set of public goods to which

NOTE Confidence: 0.8991358

00:41:54.969 --> 00:41:58.004 every citizen is entitled and.

NOTE Confidence: 0.8991358

00:41:58.010 --> 00:42:01.390 Um? You know, averting crime is

NOTE Confidence: 0.8991358

00:42:01.390 --> 00:42:04.519 part of that set of public goods,

NOTE Confidence: 0.8991358

00:42:04.520 --> 00:42:07.724 and there is a set of public goods that

NOTE Confidence: 0.8991358

00:42:07.724 --> 00:42:10.876 is necessary to avert those things.

NOTE Confidence: 0.8991358

00:42:10.880 --> 00:42:13.442 And it turns out that people who

NOTE Confidence: 0.8991358

00:42:13.442 --> 00:42:15.117 are experiencing high incidences

NOTE Confidence: 0.8991358

00:42:15.117 --> 00:42:17.657 of violence in their neighborhood,

NOTE Confidence: 0.8991358

00:42:17.660 --> 00:42:18.929 plus the states,

NOTE Confidence: 0.8991358

00:42:18.929 --> 00:42:21.044 typical response to that violence,

NOTE Confidence: 0.8991358

00:42:21.050 --> 00:42:24.865 which is often excess from the state.

NOTE Confidence: 0.8991358

00:42:24.870 --> 00:42:27.176 Can articulate very clearly what

NOTE Confidence: 0.8991358

00:42:27.176 --> 00:42:29.940 it is that they want, um,

NOTE Confidence: 0.8991358

00:42:29.940 --> 00:42:32.250 so I have a project.

NOTE Confidence: 0.8991358

00:42:32.250 --> 00:42:35.470 If you go to the Justice Collaboratory

NOTE Confidence: 0.8991358

00:42:35.470 --> 00:42:37.774 website, you'll see a project

NOTE Confidence: 0.8991358

00:42:37.774 --> 00:42:39.618 called the portals project.

NOTE Confidence: 0.8991358

00:42:39.620 --> 00:42:42.386 We also have our own website

NOTE Confidence: 0.8991358

00:42:42.386 --> 00:42:43.924 portalspolicingprojectoneword.com, in which.

NOTE Confidence: 0.8991358

00:42:43.924 --> 00:42:46.609 Hi, along with political scientist,

NOTE Confidence: 0.8991358

00:42:46.610 --> 00:42:48.805 special Weaver and our grad

NOTE Confidence: 0.8991358

00:42:48.805 --> 00:42:51.480 student when prouse Here at Yale,

NOTE Confidence: 0.8991358

00:42:51.480 --> 00:42:54.434 have curated a set of conversations among

NOTE Confidence: 0.8991358

00:42:54.434 --> 00:42:57.240 residents of the cities of Baltimore,

NOTE Confidence: 0.8991358

00:42:57.240 --> 00:42:58.566 Newark, Chicago, Milwaukee,

NOTE Confidence: 0.8991358

00:42:58.566 --> 00:43:00.318 Los Angeles, Mexico City,

NOTE Confidence: 0.8991358

00:43:00.318 --> 00:43:02.488 where they're talking about their

NOTE Confidence: 0.8991358

00:43:02.488 --> 00:43:04.751 experiences with both violence in

NOTE Confidence: 0.8991358

00:43:04.751 --> 00:43:06.539 their neighborhood and police.

NOTE Confidence: 0.8991358

00:43:06.540 --> 00:43:07.803 And you know,

00:43:07.803 --> 00:43:10.750 they talk about what they want in

00:43:10.843 --> 00:43:14.070 their vision of of safety right now.

00:43:14.070 --> 00:43:17.940 Maybe what they don't know exactly.

00:43:17.940 --> 00:43:20.613 How to do is how to get there like

00:43:20.613 --> 00:43:23.302 what it is that the state is going to

00:43:23.302 --> 00:43:26.341 do to ensure that they get those sets

00:43:26.341 --> 00:43:28.926 of public goods that they need and

00:43:28.926 --> 00:43:30.586 the governance project is difficult.

00:43:30.590 --> 00:43:33.033 It's made more difficult by the fact

00:43:33.033 --> 00:43:35.160 that we've invested in a certain

00:43:35.160 --> 00:43:37.182 set of responses that don't look

00:43:37.182 --> 00:43:39.078 anything like the set of public

00:43:39.078 --> 00:43:40.898 goods to which people are entitled.

00:43:40.898 --> 00:43:43.124 But to say that we don't know

00:43:43.124 --> 00:43:44.580 what it looks like.

00:43:44.580 --> 00:43:45.250 We know

NOTE Confidence: 0.9388331

00:43:45.250 --> 00:43:46.578 what it looks like.

NOTE Confidence: 0.51982665

00:43:48.060 --> 00:43:51.896 We do. This is not heart.

NOTE Confidence: 0.51982665

00:43:51.896 --> 00:43:53.990 What's hard is that it requires

NOTE Confidence: 0.51982665

00:43:54.066 --> 00:43:56.558 many people to give up things that

NOTE Confidence: 0.51982665

00:43:56.558 --> 00:43:58.610 they're not used to giving up.

NOTE Confidence: 0.51982665

00:43:58.610 --> 00:43:59.860 Including privilege.

NOTE Confidence: 0.8996275

00:44:02.360 --> 00:44:04.848 And I'm going to answer that question in

NOTE Confidence: 0.8996275

00:44:04.848 --> 00:44:07.320 a different way, but which is to say,

NOTE Confidence: 0.8996275

00:44:07.320 --> 00:44:08.870 you know, you know what?

NOTE Confidence: 0.8996275

00:44:08.870 --> 00:44:11.350 What does it look like? and I can?

NOTE Confidence: 0.8996275

00:44:11.350 --> 00:44:12.900 Having worked in health system,

NOTE Confidence: 0.8996275

00:44:12.900 --> 00:44:15.014 it's not what it looks like in

NOTE Confidence: 0.8996275

00:44:15.014 --> 00:44:16.619 our health system right now.

NOTE Confidence: 0.8996275

00:44:16.620 --> 00:44:17.772 It just isn't right.

NOTE Confidence: 0.8996275

00:44:17.772 --> 00:44:20.220 It's not what it looks like in almost

00:44:20.220 --> 00:44:22.200 any health system in this country,

00:44:22.200 --> 00:44:24.060 and so that just .1 that.

00:44:24.060 --> 00:44:26.230 I don't want people to leave this.

00:44:26.230 --> 00:44:26.788 Saying that.

00:44:26.788 --> 00:44:28.183 Oh yeah, just the health

00:44:28.183 --> 00:44:29.949 system is the solution listed.

00:44:29.950 --> 00:44:32.430 Sure, on up we know what we're doing,

00:44:32.430 --> 00:44:33.504 'cause we don't.

00:44:33.504 --> 00:44:34.578 That's when two.

00:44:34.580 --> 00:44:37.580 I do want to just emphasize Tracy's point,

00:44:37.580 --> 00:44:40.586 which is that when and in our work we

00:44:40.586 --> 00:44:43.578 really do try to center the perspectives,

00:44:43.580 --> 00:44:45.545 needs and values of those

00:44:45.545 --> 00:44:47.510 who've been incarcerated in our

00:44:47.580 --> 00:44:49.578 work and time and time again,

00:44:49.580 --> 00:44:51.525 there are solutions that already

NOTE Confidence: 0.8996275

00:44:51.525 --> 00:44:53.470 exists that are grounded within

NOTE Confidence: 0.8996275

00:44:53.535 --> 00:44:54.971 those communities that are

NOTE Confidence: 0.8996275

00:44:54.971 --> 00:44:57.125 important and their ones that do

NOTE Confidence: 0.8996275

00:44:57.186 --> 00:44:59.325 require shifting of power and the

NOTE Confidence: 0.8996275

00:44:59.325 --> 00:45:01.260 kind of most concrete solution.

NOTE Confidence: 0.8996275

00:45:01.260 --> 00:45:04.400 And it's entering black folks in particular.

NOTE Confidence: 0.8996275

00:45:04.400 --> 00:45:06.856 In this is the hiring of people that

NOTE Confidence: 0.8996275

00:45:06.856 --> 00:45:09.569 have assets and skills to work in our

NOTE Confidence: 0.8996275

00:45:09.569 --> 00:45:11.950 health systems as community health workers,

NOTE Confidence: 0.8996275

00:45:11.950 --> 00:45:12.293 right?

NOTE Confidence: 0.8996275

00:45:12.293 --> 00:45:13.322 So you know,

NOTE Confidence: 0.8996275

00:45:13.322 --> 00:45:15.380 just most fundamental level you're like.

NOTE Confidence: 0.8996275

00:45:15.380 --> 00:45:15.722 OK,

NOTE Confidence: 0.8996275

00:45:15.722 --> 00:45:17.090 it's getting a job,

NOTE Confidence: 0.8996275

00:45:17.090 --> 00:45:18.810 and it's an important job,

NOTE Confidence: 0.8996275

00:45:18.810 --> 00:45:20.520 likely often in our network,

NOTE Confidence: 0.8996275

00:45:20.520 --> 00:45:22.613 it's to a person of color to

NOTE Confidence: 0.8996275

00:45:22.613 --> 00:45:24.639 work in our health system,

NOTE Confidence: 0.8996275

00:45:24.640 --> 00:45:27.104 but then it also shifts how the health

NOTE Confidence: 0.8996275

00:45:27.104 --> 00:45:29.437 system forces kind of employment policies,

NOTE Confidence: 0.8996275

00:45:29.440 --> 00:45:30.808 practices that are really

NOTE Confidence: 0.8996275

00:45:30.808 --> 00:45:32.176 racist in their construction.

NOTE Confidence: 0.8996275

00:45:32.180 --> 00:45:35.330 It also changes kind of the physical look of.

NOTE Confidence: 0.8996275

00:45:35.330 --> 00:45:37.766 Who works in our health system that

NOTE Confidence: 0.8996275

00:45:37.766 --> 00:45:39.829 these are experts that we value

NOTE Confidence: 0.8996275

00:45:39.829 --> 00:45:41.719 and it's in that that inclusion

NOTE Confidence: 0.8996275

00:45:41.719 --> 00:45:43.609 of those individuals that changes

NOTE Confidence: 0.8996275

00:45:43.609 --> 00:45:46.212 the policies that we see a less

NOTE Confidence: 0.8996275

00:45:46.212 --> 00:45:47.620 racist at healthcare system,

NOTE Confidence: 0.8996275

00:45:47.620 --> 00:45:48.856 and so to me.

NOTE Confidence: 0.8996275

00:45:48.856 --> 00:45:51.175 Part of this work is really centering

NOTE Confidence: 0.8996275

00:45:51.175 --> 00:45:54.640 the work that we do in the health system.

NOTE Confidence: 0.8996275

00:45:54.640 --> 00:45:57.090 The work we do in our research,

NOTE Confidence: 0.8996275

00:45:57.090 --> 00:45:59.652 the work that we're doing historically around

NOTE Confidence: 0.8996275

00:45:59.652 --> 00:46:02.009 kind of narratives that were never told.

NOTE Confidence: 0.8996275

00:46:02.010 --> 00:46:03.000 There never involved.

NOTE Confidence: 0.8996275

00:46:03.000 --> 00:46:04.980 Included in the health system space

NOTE Confidence: 0.8996275

00:46:04.980 --> 00:46:07.267 and finding solutions that exist there.

NOTE Confidence: 0.8996275

00:46:07.270 --> 00:46:08.582 That to me is.

NOTE Confidence: 0.8996275

00:46:08.582 --> 00:46:10.550 Is part of our way forward.

NOTE Confidence: 0.8996275

00:46:10.550 --> 00:46:11.758 What that looks like.

NOTE Confidence: 0.8996275

00:46:11.758 --> 00:46:12.060 Look,

NOTE Confidence: 0.8996275

00:46:12.060 --> 00:46:13.260 I've not been incarcerated

NOTE Confidence: 0.8996275

00:46:13.260 --> 00:46:15.060 but I am surrounded by people

NOTE Confidence: 0.8996275

00:46:15.123 --> 00:46:16.623 that had been incarcerated and

NOTE Confidence: 0.8996275

00:46:16.623 --> 00:46:18.400 there are solutions to be had.

00:46:20.720 --> 00:46:23.149 Thank you the next I think you've

00:46:23.149 --> 00:46:25.539 begun to answer the next question,

00:46:25.540 --> 00:46:27.598 which is how can legal and health

00:46:27.598 --> 00:46:29.520 care experts or service provider

00:46:29.520 --> 00:46:31.480 support needed economic reforms?

00:46:31.480 --> 00:46:33.484 Abolishing existing economic arrangements?

00:46:33.484 --> 00:46:36.920 But I wonder if you would both

00:46:36.920 --> 00:46:39.391 like to expand on that and perhaps

00:46:39.391 --> 00:46:41.920 even add something from your own

00:46:41.920 --> 00:46:44.530 work as legal and medical scholars.

00:46:44.530 --> 00:46:46.255 Had he approached these tasks

00:46:46.255 --> 00:46:47.635 in your own work?

00:46:50.860 --> 00:46:53.286 So I'll start just 'cause I'm unmuted,

00:46:53.290 --> 00:46:55.366 so I'll say that you know,

00:46:55.370 --> 00:46:58.144 and I I might be misquoting, so yeah,

00:46:58.144 --> 00:47:00.812 but when I last looked up, you know,

NOTE Confidence: 0.8917984

00:47:00.812 --> 00:47:03.140 went out of six new jobs in this

NOTE Confidence: 0.8917984

00:47:03.213 --> 00:47:05.775 country are in the healthcare sector.

NOTE Confidence: 0.8917984

00:47:05.780 --> 00:47:07.856 1 out of $3 for GDP,

NOTE Confidence: 0.8917984

00:47:07.860 --> 00:47:10.289 or from the again the healthcare sector.

NOTE Confidence: 0.8917984

00:47:10.290 --> 00:47:13.260 And so to me, some of what we can be

NOTE Confidence: 0.8917984

00:47:13.350 --> 00:47:16.166 doing mostly is hiring up, you know,

NOTE Confidence: 0.8917984

00:47:16.166 --> 00:47:17.831 and that creates economic opportunities

NOTE Confidence: 0.8917984

00:47:17.831 --> 00:47:20.010 that might feel really incremental it,

NOTE Confidence: 0.8917984

00:47:20.010 --> 00:47:21.350 but I think it's.

NOTE Confidence: 0.8917984

00:47:21.350 --> 00:47:23.360 Really critical to just say that

NOTE Confidence: 0.8917984

00:47:23.430 --> 00:47:26.214 out loud that in in New Haven where

NOTE Confidence: 0.8917984

00:47:26.214 --> 00:47:27.989 the unemployment rates are high,

NOTE Confidence: 0.8917984

00:47:27.990 --> 00:47:29.350 especially in certain communities

NOTE Confidence: 0.8917984

00:47:29.350 --> 00:47:31.390 and where the top three employers,

NOTE Confidence: 0.8917984

00:47:31.390 --> 00:47:32.070 the University,

NOTE Confidence: 0.8917984

00:47:32.070 --> 00:47:34.450 the health system and the medical school,

NOTE Confidence: 0.8917984

00:47:34.450 --> 00:47:36.830 what do we do in the higher?

NOTE Confidence: 0.8917984

00:47:36.830 --> 00:47:38.190 How do we support?

NOTE Confidence: 0.8917984

00:47:38.190 --> 00:47:40.230 And so this is real concrete?

NOTE Confidence: 0.8917984

00:47:40.230 --> 00:47:42.294 II is the community investments that

NOTE Confidence: 0.8917984

00:47:42.294 --> 00:47:44.388 the hospitals have to make really

NOTE Confidence: 0.8917984

00:47:44.388 --> 00:47:46.344 have to be focused and targeted?

NOTE Confidence: 0.8917984

00:47:46.350 --> 00:47:49.070 It's not to any old community service agency,

NOTE Confidence: 0.8917984

00:47:49.070 --> 00:47:51.158 but targeted kind of with a

NOTE Confidence: 0.8917984

00:47:51.158 --> 00:47:52.550 HealthEquity anti blackness frame.

NOTE Confidence: 0.8917984

00:47:52.550 --> 00:47:53.260 In mind,

NOTE Confidence: 0.8917984

00:47:53.260 --> 00:47:55.745 and those are ways that you get

NOTE Confidence: 0.8917984

00:47:55.745 --> 00:47:57.658 dollars into communities it.

NOTE Confidence: 0.9370619

00:47:59.710 --> 00:48:02.730 The engine that runs our community, right?

NOTE Confidence: 0.9231348

00:48:05.270 --> 00:48:08.510 You know, I'll just add a couple of other

NOTE Confidence: 0.9231348

00:48:08.510 --> 00:48:11.210 things so the justices collaboratory,

NOTE Confidence: 0.9231348

00:48:11.210 --> 00:48:13.748 of which Emily is a member,

NOTE Confidence: 0.9231348

00:48:13.750 --> 00:48:15.019 is an interdisciplinary

NOTE Confidence: 0.9231348

00:48:15.019 --> 00:48:17.134 Research Center that we focus.

NOTE Confidence: 0.9231348

00:48:17.140 --> 00:48:19.260 Our motto is serious science,

NOTE Confidence: 0.9231348

00:48:19.260 --> 00:48:19.898 serious impact,

NOTE Confidence: 0.9231348

00:48:19.898 --> 00:48:22.939 so we do a lot of basic science to

NOTE Confidence: 0.9231348

00:48:22.939 --> 00:48:24.595 interrogate an advanced theories

NOTE Confidence: 0.9231348

00:48:24.595 --> 00:48:27.265 around how members of the public

NOTE Confidence: 0.9231348

00:48:27.265 --> 00:48:29.880 understand the fairness and legitimacy

NOTE Confidence: 0.9231348

00:48:29.880 --> 00:48:31.972 of different legal authorities,

NOTE Confidence: 0.9231348

00:48:31.980 --> 00:48:32.860 including police.

NOTE Confidence: 0.9231348

00:48:32.860 --> 00:48:36.380 That's where we've done most of our work.

NOTE Confidence: 0.9231348

00:48:36.380 --> 00:48:37.694 But not exclusively,

NOTE Confidence: 0.9231348

00:48:37.694 --> 00:48:39.884 and those theories are apply

NOTE Confidence: 0.9231348

00:48:39.884 --> 00:48:42.173 outside of the institutions that

NOTE Confidence: 0.9231348

00:48:42.173 --> 00:48:44.843 process people through what we call

NOTE Confidence: 0.9231348

00:48:44.843 --> 00:48:47.524 the criminal legal system that

NOTE Confidence: 0.9231348

00:48:47.524 --> 00:48:49.680 it's applicable to corporations.

NOTE Confidence: 0.9231348

00:48:49.680 --> 00:48:52.060 It's applicable to public schools.

NOTE Confidence: 0.9231348

00:48:52.060 --> 00:48:55.049 My colleague Tom Tyler has written a

NOTE Confidence: 0.9231348

00:48:55.049 --> 00:48:58.229 book called why children follow rules.

NOTE Confidence: 0.9231348

00:48:58.230 --> 00:49:01.457 It's relevant to those of you who

NOTE Confidence: 0.9231348

00:49:01.457 --> 00:49:04.492 have children and who parent, right.

NOTE Confidence: 0.9231348

00:49:04.492 --> 00:49:08.426 It is a theory of general applicability.

NOTE Confidence: 0.9231348

00:49:08.430 --> 00:49:11.442 And we have taken that science

NOTE Confidence: 0.9231348

00:49:11.442 --> 00:49:14.100 and develop policy that could

NOTE Confidence: 0.9231348

00:49:14.100 --> 00:49:16.885 be used in different agencies.

NOTE Confidence: 0.9231348

00:49:16.890 --> 00:49:18.480 We've developed trainings

NOTE Confidence: 0.9231348

00:49:18.480 --> 00:49:20.070 for police agencies.

NOTE Confidence: 0.9231348

00:49:20.070 --> 00:49:23.748 We have translated it to model

NOTE Confidence: 0.9231348

00:49:23.748 --> 00:49:26.200 statutes we just started.

NOTE Confidence: 0.9231348

00:49:26.200 --> 00:49:29.259 A clinic where we hired someone very

NOTE Confidence: 0.9231348

00:49:29.259 --> 00:49:32.371 able person from New York City who

NOTE Confidence: 0.9231348

00:49:32.371 --> 00:49:34.945 is actually going to be developing

NOTE Confidence: 0.9231348

00:49:35.027 --> 00:49:37.451 a bunch of model legislation that

NOTE Confidence: 0.9231348

00:49:37.451 --> 00:49:40.576 we hope will be adopted by states

NOTE Confidence: 0.9231348

00:49:40.576 --> 00:49:43.588 all over the country so that

NOTE Confidence: 0.9231348

00:49:43.588 --> 00:49:46.609 these policies will be adopted.

NOTE Confidence: 0.9231348

00:49:46.610 --> 00:49:48.430 Municipalities and so on.

NOTE Confidence: 0.9231348

00:49:48.430 --> 00:49:50.705 There's lots of different things

NOTE Confidence: 0.9231348

00:49:50.705 --> 00:49:52.994 you can do an we have to do.

NOTE Confidence: 0.9231348

00:49:53.000 --> 00:49:55.786 All of them actually you know when

NOTE Confidence: 0.9231348

00:49:55.786 --> 00:49:58.167 you're talking about the kind of

NOTE Confidence: 0.9231348

00:49:58.167 --> 00:50:00.387 advocacy that the question or ask.

NOTE Confidence: 0.9231348

00:50:00.390 --> 00:50:04.256 It requires actually wholesale reengineering.

NOTE Confidence: 0.9231348

00:50:04.256 --> 00:50:07.092 Of the legislative structure

NOTE Confidence: 0.9231348

00:50:07.092 --> 00:50:09.487 that underlies these systems

NOTE Confidence: 0.9231348

00:50:09.487 --> 00:50:12.145 will just give you 1 example.

NOTE Confidence: 0.9231348

00:50:12.150 --> 00:50:14.810 Most policing agencies in this country don't

NOTE Confidence: 0.9231348

00:50:14.810 --> 00:50:17.329 have any serious enabling legislation,

NOTE Confidence: 0.9231348

00:50:17.330 --> 00:50:19.490 so think about something like

NOTE Confidence: 0.9231348

00:50:19.490 --> 00:50:21.218 the Department of Labor.

NOTE Confidence: 0.9231348

00:50:21.220 --> 00:50:25.819 You can look in a state statute.

NOTE Confidence: 0.9231348

00:50:25.820 --> 00:50:26.975 Connecticut State statues.

NOTE Confidence: 0.9231348

00:50:26.975 --> 00:50:29.285 You can see the enabling legislation

NOTE Confidence: 0.9231348

00:50:29.285 --> 00:50:31.062 of that Department that says

NOTE Confidence: 0.9231348

00:50:31.062 --> 00:50:32.717 what it's supposed to do,

NOTE Confidence: 0.9231348

00:50:32.720 --> 00:50:34.530 says what its constraints are,

NOTE Confidence: 0.9231348

00:50:34.530 --> 00:50:36.345 says what the rules are

NOTE Confidence: 0.9231348

00:50:36.345 --> 00:50:37.797 that actually regulate it.

NOTE Confidence: 0.9231348

00:50:37.800 --> 00:50:39.615 You're not gonna find anything

NOTE Confidence: 0.9231348

00:50:39.615 --> 00:50:41.067 like that for policing.

NOTE Confidence: 0.9231348

00:50:41.070 --> 00:50:42.350 As a general matter.

NOTE Confidence: 0.9231348

00:50:42.350 --> 00:50:44.270 Another thing you'll hear in the

NOTE Confidence: 0.9231348

00:50:44.337 --> 00:50:46.329 news that there are something like

NOTE Confidence: 0.9231348

00:50:46.329 --> 00:50:49.071 depends on where you read at 17,018

NOTE Confidence: 0.9231348

00:50:49.071 --> 00:50:50.867 thousand different policing agencies,

NOTE Confidence: 0.9231348

00:50:50.870 --> 00:50:52.322 I'm focusing on policing

NOTE Confidence: 0.9231348

00:50:52.322 --> 00:50:54.500 'cause That's what I know best,

NOTE Confidence: 0.9231348

00:50:54.500 --> 00:50:57.272 but we can have a similar conversation

NOTE Confidence: 0.9231348

00:50:57.272 --> 00:50:58.460 around different institutions.

NOTE Confidence: 0.9231348

00:50:58.460 --> 00:51:00.996 It is not the case that we actually

NOTE Confidence: 0.9231348

00:51:00.996 --> 00:51:03.634 know that there are exactly 18,000

NOTE Confidence: 0.9231348

00:51:03.634 --> 00:51:05.893 police agencies. That's a guess.

NOTE Confidence: 0.9231348

00:51:05.893 --> 00:51:07.186 It's an approximation.

NOTE Confidence: 0.9231348

00:51:07.190 --> 00:51:08.570 We actually don't know,

NOTE Confidence: 0.9231348

00:51:08.570 --> 00:51:11.183 and that is because in this country

NOTE Confidence: 0.9231348

00:51:11.183 --> 00:51:13.548 the federal government doesn't require

NOTE Confidence: 0.9231348

00:51:13.548 --> 00:51:16.260 policing agencies to be accredited.

NOTE Confidence: 0.9231348

00:51:16.260 --> 00:51:18.245 It doesn't actually require agencies

NOTE Confidence: 0.9231348

00:51:18.245 --> 00:51:21.020 to report to the federal government.

NOTE Confidence: 0.9231348

00:51:21.020 --> 00:51:22.744 You know their activities.

NOTE Confidence: 0.9231348

00:51:22.744 --> 00:51:24.468 There's no auditing mechanism.

NOTE Confidence: 0.9231348

00:51:24.470 --> 00:51:26.900 The Department of civil rights only

NOTE Confidence: 0.9231348

00:51:26.900 --> 00:51:29.965 gets involved when there is a pattern

NOTE Confidence: 0.9231348

00:51:29.965 --> 00:51:32.245 and practice of constitutional violation.

NOTE Confidence: 0.9231348

00:51:32.250 --> 00:51:36.194 Go to any other country in the world.

NOTE Confidence: 0.9231348

00:51:36.200 --> 00:51:39.216 In Europe you would not see that right,

NOTE Confidence: 0.9231348

00:51:39.220 --> 00:51:41.866 and so you know when you talk

NOTE Confidence: 0.9231348

00:51:41.866 --> 00:51:44.191 about are there things that we

NOTE Confidence: 0.9231348

00:51:44.191 --> 00:51:46.774 can do that there are so many

NOTE Confidence: 0.9137886

00:51:46.864 --> 00:51:49.447 things and so much that can be

NOTE Confidence: 0.9137886

00:51:49.447 --> 00:51:53.100 done and that is necessary to do.

NOTE Confidence: 0.9137886

00:51:53.100 --> 00:51:55.035 If there's if we're going to make a change.

NOTE Confidence: 0.9128103

00:51:59.230 --> 00:52:01.778 Thanks so much. So we have two questions

NOTE Confidence: 0.9128103

00:52:01.780 --> 00:52:04.615 that seem to go together and I I'll just

NOTE Confidence: 0.9128103

00:52:04.615 --> 00:52:07.209 take a moment to read them both. Uh,

NOTE Confidence: 0.9128103

00:52:07.209 --> 00:52:10.080 when we look at the history of this country,

NOTE Confidence: 0.9128103

00:52:10.080 --> 00:52:12.012 the current system in place is rooted

NOTE Confidence: 0.9128103

00:52:12.012 --> 00:52:14.220 in the D humanization of black,

NOTE Confidence: 0.9128103

00:52:14.220 --> 00:52:15.464 Brown and indigenous bodies.

NOTE Confidence: 0.9128103

00:52:15.464 --> 00:52:18.039 The system is not only the result of

NOTE Confidence: 0.9128103

00:52:18.039 --> 00:52:19.962 over funding, but it is supported.

NOTE Confidence: 0.9128103

00:52:19.962 --> 00:52:21.552 I assume of carceral system,

NOTE Confidence: 0.9128103

00:52:21.560 --> 00:52:23.150 but it supported in perpetuated

NOTE Confidence: 0.9128103

00:52:23.150 --> 00:52:24.422 by individuals and groups.

NOTE Confidence: 0.9128103

00:52:24.430 --> 00:52:26.257 How how can we work to prevent

NOTE Confidence: 0.9128103

00:52:26.257 --> 00:52:27.521 these groups from continuing

NOTE Confidence: 0.9128103

00:52:27.521 --> 00:52:29.217 to perpetuate these systems?

NOTE Confidence: 0.9128103

00:52:29.220 --> 00:52:31.055 Even after we defend abolish

NOTE Confidence: 0.9128103

00:52:31.055 --> 00:52:32.156 these detrimental systems?

NOTE Confidence: 0.9128103

00:52:32.160 --> 00:52:34.680 Then the second question related to that,

NOTE Confidence: 0.9128103

00:52:34.680 --> 00:52:36.305 can you address the antiblackness

NOTE Confidence: 0.9128103

00:52:36.305 --> 00:52:38.804 ideologies that come along with the white

NOTE Confidence: 0.9128103

00:52:38.804 --> 00:52:40.440 supremacist crushing of reconstruction?

NOTE Confidence: 0.9128103

00:52:40.440 --> 00:52:42.645 The idea that black people are criminals

NOTE Confidence: 0.9128103

00:52:42.645 --> 00:52:44.856 are lazy are inherently unworthy of

NOTE Confidence: 0.9128103

00:52:44.856 --> 00:52:47.250 citizenship and basic human rights is

NOTE Confidence: 0.9128103

00:52:47.250 --> 00:52:49.437 deeply entrenched up to the present.

NOTE Confidence: 0.9128103

00:52:49.440 --> 00:52:51.696 Seems to me this is a big obstacle

NOTE Confidence: 0.9128103

00:52:51.696 --> 00:52:53.760 for carrying the abolition of

NOTE Confidence: 0.9128103

00:52:53.760 --> 00:52:55.200 defending conversation forward,

NOTE Confidence: 0.9128103

00:52:55.200 --> 00:52:57.552 so it's not just coming up with

NOTE Confidence: 0.9128103

00:52:57.552 --> 00:52:59.160 policies rooted and Justice,

NOTE Confidence: 0.9128103

00:52:59.160 --> 00:53:02.040 but convincing a good number of white people,

NOTE Confidence: 0.9128103

00:53:02.040 --> 00:53:03.512 ordinary citizens and politicians.

NOTE Confidence: 0.9128103

00:53:03.512 --> 00:53:04.984 That Bipap deserve justice.

NOTE Confidence: 0.9128103

00:53:04.990 --> 00:53:06.530 How do we get there?

NOTE Confidence: 0.69276285

00:53:14.440 --> 00:53:15.670 Very small question.

NOTE Confidence: 0.89831555

00:53:18.990 --> 00:53:21.792 Can you repeat the the sentence

NOTE Confidence: 0.89831555

00:53:21.792 --> 00:53:25.218 about it's not just justice but the?

NOTE Confidence: 0.89831555

00:53:25.220 --> 00:53:28.090 OK, it's not just coming up

NOTE Confidence: 0.89831555

00:53:28.090 --> 00:53:30.490 with policies rooted and justice,

NOTE Confidence: 0.89831555

00:53:30.490 --> 00:53:34.314 but convincing a good number of white people.

NOTE Confidence: 0.89831555

00:53:34.320 --> 00:53:36.232 Ordinary people and politicians

NOTE Confidence: 0.89831555

00:53:36.232 --> 00:53:38.622 that by puck deserve justice.

NOTE Confidence: 0.89831555

00:53:38.630 --> 00:53:42.460 How do we get there? That is a

NOTE Confidence: 0.89831555

00:53:42.460 --> 00:53:44.860 conversation that's rooted in justice,

NOTE Confidence: 0.89831555

00:53:44.860 --> 00:53:49.680 like the writing of that. Actually.

NOTE Confidence: 0.89831555

00:53:49.680 --> 00:53:53.670 To me doesn't I don't understand.

NOTE Confidence: 0.89831555

00:53:53.670 --> 00:53:56.798 That phrase to say that it's not just

NOTE Confidence: 0.89831555

00:53:56.798 --> 00:53:59.241 a conversation rooted in justice

NOTE Confidence: 0.89831555

00:53:59.241 --> 00:54:01.349 because justice actually requires

NOTE Confidence: 0.89831555

00:54:01.349 --> 00:54:04.960 ordinary people to understand.

NOTE Confidence: 0.89831555

00:54:04.960 --> 00:54:09.406 That the the air that we breathe.

NOTE Confidence: 0.89831555

00:54:09.410 --> 00:54:12.180 The the the structure of the system,

NOTE Confidence: 0.89831555

00:54:12.180 --> 00:54:14.150 and I'm not talking about,

NOTE Confidence: 0.89831555

00:54:14.150 --> 00:54:16.125 you know how the criminal

NOTE Confidence: 0.89831555

00:54:16.125 --> 00:54:17.310 legal system operates,

NOTE Confidence: 0.89831555

00:54:17.310 --> 00:54:20.292 the structure of what we live in

NOTE Confidence: 0.89831555

00:54:20.292 --> 00:54:23.149 is unjust and has been unjust.

NOTE Confidence: 0.89831555

00:54:23.150 --> 00:54:26.070 And continues to be unjust.

NOTE Confidence: 0.89831555

00:54:26.070 --> 00:54:28.992 That's the work I I actually

NOTE Confidence: 0.89831555

00:54:28.992 --> 00:54:32.554 think the answer is embedded in

NOTE Confidence: 0.89831555

88

00:54:32.554 --> 00:54:36.460 the questioners question, but.

NOTE Confidence: 0.89831555

00:54:36.460 --> 00:54:38.602 By not by rearranging the words

NOTE Confidence: 0.89831555

00:54:38.602 --> 00:54:40.800 and saying it's not just that

NOTE Confidence: 0.89831555

00:54:40.800 --> 00:54:42.550 actually it is just that.

NOTE Confidence: 0.8818039

00:54:44.840 --> 00:54:49.474 In my view. And I don't mean to put

NOTE Confidence: 0.8818039

00:54:49.474 --> 00:54:54.890 the question are on. Um? You know?

NOTE Confidence: 0.8818039

00:54:54.890 --> 00:54:57.706 I'm not trying to cast aspersions or or

NOTE Confidence: 0.8818039

00:54:57.706 --> 00:55:00.706 shade or anything, but that's that's it.

NOTE Confidence: 0.8818039

00:55:00.706 --> 00:55:02.262 A social psychologist so

NOTE Confidence: 0.8818039

00:55:02.262 --> 00:55:04.179 you know my dear friend.

NOTE Confidence: 0.8818039

00:55:04.180 --> 00:55:06.110 Also adjust his collaboratory member.

NOTE Confidence: 0.8818039

00:55:06.110 --> 00:55:08.448 Yes, this is gonna be the advertisement

NOTE Confidence: 0.8818039

00:55:08.448 --> 00:55:10.370 for the justice collaboratory.

NOTE Confidence: 0.8818039

00:55:10.370 --> 00:55:12.446 Jenn Richeson would say.

NOTE Confidence: 0.8818039

00:55:12.446 --> 00:55:16.141 That that is the work and the

NOTE Confidence: 0.8818039

00:55:16.141 --> 00:55:18.985 work that people like me do.

NOTE Confidence: 0.8818039

00:55:18.990 --> 00:55:23.140 Is really to push against.

NOTE Confidence: 0.8818039

00:55:23.140 --> 00:55:25.300 The air that we breathe.

NOTE Confidence: 0.8818039

00:55:25.300 --> 00:55:27.885 You know it's the psychologists

NOTE Confidence: 0.8818039

00:55:27.885 --> 00:55:30.925 of race and racial. Injustice.

NOTE Confidence: 0.8818039

00:55:30.925 --> 00:55:33.820 Who can pinpoint?

NOTE Confidence: 0.9159868

00:55:36.180 --> 00:55:38.374 The dynamic that the

NOTE Confidence: 0.9159868

00:55:38.374 --> 00:55:40.646 questioner is is discussing.

NOTE Confidence: 0.9159868

00:55:40.650 --> 00:55:44.511 Right and and and we can do all kinds

NOTE Confidence: 0.9159868

00:55:44.511 --> 00:55:49.019 of work to point out the most egregious.

NOTE Confidence: 0.9159868

00:55:49.020 --> 00:55:55.898 Instances of this dynamic. But until.

NOTE Confidence: 0.9159868

00:55:55.898 --> 00:55:58.982 But you know that the aspects

NOTE Confidence: 0.9159868

00:55:58.982 --> 00:56:02.528 of the world that we live in,

NOTE Confidence: 0.9159868

00:56:02.530 --> 00:56:04.030 that people, many people,

NOTE Confidence: 0.9159868

00:56:04.030 --> 00:56:05.530 many white people don't

NOTE Confidence: 0.9159868

00:56:05.530 --> 00:56:07.489 notice or don't acknowledge,

NOTE Confidence: 0.9159868

00:56:07.490 --> 00:56:10.374 aren't willing to work to change changes.

NOTE Confidence: 0.9159868

00:56:10.380 --> 00:56:13.676 Then yeah, it's going to be really hard.

NOTE Confidence: 0.9159864

00:56:16.370 --> 00:56:19.275 So I'd love to open this question

NOTE Confidence: 0.9159864

00:56:19.275 --> 00:56:21.789 up to doctor Wang as well,

NOTE Confidence: 0.9159864

00:56:21.790 --> 00:56:23.795 but I'm thinking that the

NOTE Confidence: 0.9159864

00:56:23.795 --> 00:56:25.399 questioners are interested in

NOTE Confidence: 0.9159864

00:56:25.399 --> 00:56:27.598 any examples of strategies or

NOTE Confidence: 0.9159864

00:56:27.598 --> 00:56:29.708 languages or techniques that you,

NOTE Confidence: 0.9159864

00:56:29.710 --> 00:56:32.629 you and your colleagues have come across.

NOTE Confidence: 0.9159864

00:56:32.630 --> 00:56:34.298 The help to broaden

NOTE Confidence: 0.9159864

00:56:34.298 --> 00:56:35.966 support for this movement.

NOTE Confidence: 0.8332973

00:56:40.970 --> 00:56:46.950 Um, let you mean in particular for.

NOTE Confidence: 0.9079445

00:56:46.950 --> 00:56:48.798 You know, we've tried it all.

NOTE Confidence: 0.9079445

00:56:48.800 --> 00:56:51.232 I mean I, I uh, you know any

NOTE Confidence: 0.9079445

00:56:51.232 --> 00:56:52.996 way possible and it ranges from

NOTE Confidence: 0.9079445

00:56:52.996 --> 00:56:54.976 kind of at the individual level.

NOTE Confidence: 0.9079445

00:56:54.980 --> 00:56:56.834 You know, I can just give

NOTE Confidence: 0.9079445

00:56:56.834 --> 00:56:58.070 you really concrete stories,

NOTE Confidence: 0.9079445

00:56:58.070 --> 00:57:00.541 which is to say that most people in

NOTE Confidence: 0.9079445

00:57:00.541 --> 00:57:02.383 our white or health care communities

NOTE Confidence: 0.9079445

00:57:02.383 --> 00:57:04.484 wouldn't necessarily even know you know

NOTE Confidence: 0.9079445

00:57:04.484 --> 00:57:06.224 person that's been incarcerated until

NOTE Confidence: 0.9079445

00:57:06.278 --> 00:57:08.105 a person like Jerry Smart comes along

NOTE Confidence: 0.9079445

00:57:08.105 --> 00:57:10.122 and he's well dressed and looks good.

NOTE Confidence: 0.9079445

00:57:10.122 --> 00:57:12.600 And you know, I hate to name him,

NOTE Confidence: 0.9079445

00:57:12.600 --> 00:57:15.380 but he is the first in New Haven and

NOTE Confidence: 0.9079445

00:57:15.380 --> 00:57:16.946 then their stun Steadies Bennett.

NOTE Confidence: 0.9079445

00:57:16.946 --> 00:57:17.582 Caressa rated.

NOTE Confidence: 0.9079445

00:57:17.582 --> 00:57:19.461 And then they're, like you know,

NOTE Confidence: 0.9079445

00:57:19.461 --> 00:57:21.303 whispering on the side always been

NOTE Confidence: 0.9079445

00:57:21.303 --> 00:57:23.150 incarcerated, and they look him up.

NOTE Confidence: 0.9079445

00:57:23.150 --> 00:57:24.378 And then they realize,

NOTE Confidence: 0.9079445

00:57:24.378 --> 00:57:26.220 like have more interactions with him.

NOTE Confidence: 0.9079445

00:57:26.220 --> 00:57:28.398 He has a son and it still the mixing

NOTE Confidence: 0.9079445

00:57:28.398 --> 00:57:30.507 an literally having to interact.

NOTE Confidence: 0.9079445

00:57:30.510 --> 00:57:32.358 That these conversations start to change.

NOTE Confidence: 0.9079445

00:57:32.360 --> 00:57:33.890 That's on the individual level.

NOTE Confidence: 0.9079445

00:57:33.890 --> 00:57:34.894 Then on, you know,

NOTE Confidence: 0.9079445

00:57:34.894 --> 00:57:36.801 kind of the next level is trying

NOTE Confidence: 0.9079445

00:57:36.801 --> 00:57:38.511 to make arguments that are

NOTE Confidence: 0.9079445

00:57:38.511 --> 00:57:40.340 principled and costs human rights.

NOTE Confidence: 0.9079445

00:57:40.340 --> 00:57:42.176 You know, like what is it?

NOTE Confidence: 0.9079445

00:57:42.180 --> 00:57:43.143 The health disparities?

NOTE Confidence: 0.9079445

00:57:43.143 --> 00:57:45.728 How it is that kind of improving all

NOTE Confidence: 0.9079445

00:57:45.728 --> 00:57:47.824 our Hells also has to improve, right?

NOTE Confidence: 0.9079445

00:57:47.824 --> 00:57:50.368 The very fundamental nature is that

NOTE Confidence: 0.9079445

00:57:50.368 --> 00:57:52.943 having kind of a more equitable

NOTE Confidence: 0.9079445

00:57:52.943 --> 00:57:54.988 health system helps us all.

NOTE Confidence: 0.9079445

00:57:54.990 --> 00:57:57.510 Period Punto, you know, ends part.

NOTE Confidence: 0.9079445

00:57:57.510 --> 00:57:58.256 I mean,

NOTE Confidence: 0.9079445

00:57:58.256 --> 00:58:00.494 I think we've tried all sorts

NOTE Confidence: 0.9079445

00:58:00.494 --> 00:58:02.140 of different strategies,

NOTE Confidence: 0.9079445

00:58:02.140 --> 00:58:07.900 but I do think at the root of it is.

NOTE Confidence: 0.9079445

00:58:07.900 --> 00:58:14.749 To me, you know we have study after study.

NOTE Confidence: 0.9079445

00:58:14.750 --> 00:58:16.802 After study after study and Lord

NOTE Confidence: 0.9079445

00:58:16.802 --> 00:58:18.591 knows we've thought about study

NOTE Confidence: 0.9079445

00:58:18.591 --> 00:58:20.715 after study after study after study,

NOTE Confidence: 0.9079445

00:58:20.720 --> 00:58:23.170 taking a cost lands at human rate.

NOTE Confidence: 0.9079445

00:58:23.170 --> 00:58:24.930 Slaying a, you know, again,

NOTE Confidence: 0.9079445

00:58:24.930 --> 00:58:26.685 trying to think about interventions

NOTE Confidence: 0.9079445

00:58:26.685 --> 00:58:28.089 that are asset space.

NOTE Confidence: 0.9079445

00:58:28.090 --> 00:58:29.418 Getting a night running,

NOTE Confidence: 0.9079445

00:58:29.418 --> 00:58:31.839 whatever it is and to me when

NOTE Confidence: 0.9079445

00:58:31.839 --> 00:58:34.352 you know the hearts and minds of

NOTE Confidence: 0.9079445

00:58:34.352 --> 00:58:36.181 ordinary people out there start

NOTE Confidence: 0.9079445

00:58:36.181 --> 00:58:37.916 to shift is once they've.

NOTE Confidence: 0.9079445

00:58:37.920 --> 00:58:40.370 You know, at least in my experience,

NOTE Confidence: 0.9079445

00:58:40.370 --> 00:58:42.386 start meeting and talking to an

NOTE Confidence: 0.9079445

00:58:42.386 --> 00:58:44.193 really kind of humanizing and

NOTE Confidence: 0.9079445

00:58:44.193 --> 00:58:45.387 changing the narrative.

NOTE Confidence: 0.9079445

00:58:45.390 --> 00:58:48.318 Black folks, you know?

NOTE Confidence: 0.9079445

00:58:48.320 --> 00:58:51.225 And that is not an easy task.

NOTE Confidence: 0.9079445

00:58:51.230 --> 00:58:53.275 When we live segregated lives

NOTE Confidence: 0.9079445

00:58:53.275 --> 00:58:55.810 period and in the health system

NOTE Confidence: 0.9079445

00:58:55.810 --> 00:58:58.276 you know it's just the obvious,

NOTE Confidence: 0.9079445

00:58:58.280 --> 00:58:59.110 it's abundant.

NOTE Confidence: 0.88453144

00:58:59.890 --> 00:59:02.594 You know, I'd like to say it just

NOTE Confidence: 0.88453144

00:59:02.594 --> 00:59:05.448 one other thing since I invoked

NOTE Confidence: 0.88453144

00:59:05.448 --> 00:59:09.050 Jennifer Richeson. Uhm, who uhm?

NOTE Confidence: 0.88453144

00:59:09.050 --> 00:59:12.098 Has a new piece coming out in the.

NOTE Confidence: 0.88453144

00:59:12.100 --> 00:59:15.520 In the Atlantic monthly, the print.

NOTE Confidence: 0.88453144

00:59:15.520 --> 00:59:18.409 Version of it, so it's going to be out.

NOTE Confidence: 0.88453144

00:59:18.410 --> 00:59:21.574 Pretty soon, if it's not already out,

NOTE Confidence: 0.88453144

00:59:21.580 --> 00:59:24.836 but one of the things she writes about

NOTE Confidence: 0.88453144

00:59:24.836 --> 00:59:28.646 is the myth of racial progress, right?

NOTE Confidence: 0.88453144

00:59:28.646 --> 00:59:32.516 And the idea that. You know?

NOTE Confidence: 0.88453144

00:59:32.516 --> 00:59:35.414 Things are better for we've been

NOTE Confidence: 0.88453144

00:59:35.414 --> 00:59:37.728 focusing primarily on black people,

NOTE Confidence: 0.88453144

00:59:37.730 --> 00:59:41.663 so I just wanna take a moment and say,

NOTE Confidence: 0.88453144

00:59:41.670 --> 00:59:44.158 you know that a lot of the issues

NOTE Confidence: 0.88453144

00:59:44.158 --> 00:59:47.029 that we are discussing today are not

NOTE Confidence: 0.88453144

00:59:47.029 --> 00:59:49.943 exclusive to black people or specifically

NOTE Confidence: 0.88453144

00:59:49.943 --> 00:59:52.619 descendants of enslaved people.

NOTE Confidence: 0.88453144

00:59:52.620 --> 00:59:54.372 as I am it.

NOTE Confidence: 0.88453144

00:59:54.372 --> 00:59:59.350 Also, it is experienced by Brown people.

NOTE Confidence: 0.88453144

00:59:59.350 --> 01:00:01.700 Asian focus.

NOTE Confidence: 0.88453144

01:00:01.700 --> 01:00:03.686 In in this country, in particular,

NOTE Confidence: 0.88453144

01:00:03.690 --> 01:00:05.570 natives and indigenous people.

NOTE Confidence: 0.88453144

01:00:05.570 --> 01:00:09.229 So I just wanted to point that out.

NOTE Confidence: 0.88453144

01:00:09.230 --> 01:00:11.996 But anyway, the social psychology that

NOTE Confidence: 0.88453144

01:00:11.996 --> 01:00:14.789 research focuses primarily on black people,

NOTE Confidence: 0.88453144

01:00:14.790 --> 01:00:17.646 and an when we're talking about the

NOTE Confidence: 0.88453144

01:00:17.646 --> 01:00:20.339 myth of racial project progress,

NOTE Confidence: 0.88453144

01:00:20.340 --> 01:00:23.118 that's what she's talking about then.

NOTE Confidence: 0.88453144

01:00:23.120 --> 01:00:26.696 And one of the things we find is

NOTE Confidence: 0.88453144

01:00:26.696 --> 01:00:29.800 that when whites in particular

NOTE Confidence: 0.88453144

01:00:29.800 --> 01:00:32.600 are given evidence about.

NOTE Confidence: 0.88453144

01:00:32.600 --> 01:00:34.788 Racial progress instead of

NOTE Confidence: 0.88453144

01:00:34.788 --> 01:00:37.523 understanding the extent to which

01:00:37.523 --> 01:00:40.897 how bad things were in historically,

01:00:40.900 --> 01:00:43.715 they actually revise their understanding

01:00:43.715 --> 01:00:47.723 of history such that they come to

01:00:47.723 --> 01:00:49.939 conclusions that the situation

01:00:49.939 --> 01:00:53.610 historically wasn't as bad as they thought,

01:00:53.610 --> 01:00:56.820 which provides less of an impetus

01:00:56.820 --> 01:01:00.915 to do the kinds of things that

01:01:00.915 --> 01:01:03.985 are necessary today to create.

01:01:03.990 --> 01:01:04.802 True equality,

01:01:04.802 --> 01:01:07.238 and the reason why that's important

01:01:07.238 --> 01:01:09.945 is that you know when folks are

01:01:09.945 --> 01:01:12.050 asking about things they can do,

01:01:12.050 --> 01:01:14.444 and I think this connects up with

01:01:14.444 --> 01:01:17.050 what Emily was saying about studies.

01:01:17.050 --> 01:01:19.353 It suggests that there are, well,

01:01:19.353 --> 01:01:22.417 if we could just do this one thing,

NOTE Confidence: 0.88453144

01:01:22.420 --> 01:01:25.484 or if we could, in our NIH applications,

NOTE Confidence: 0.88453144

01:01:25.490 --> 01:01:28.262 the thing that you and I were

NOTE Confidence: 0.88453144

01:01:28.262 --> 01:01:30.867 talking about a week or so ago,

NOTE Confidence: 0.88453144

01:01:30.870 --> 01:01:34.073 Emily do the thing where we have, uh?

NOTE Confidence: 0.88453144

01:01:34.073 --> 01:01:37.151 Another person of color or an

NOTE Confidence: 0.88453144

01:01:37.151 --> 01:01:38.690 underrepresented minority added

NOTE Confidence: 0.88453144

01:01:38.775 --> 01:01:39.960 onto our grant,

NOTE Confidence: 0.88453144

01:01:39.960 --> 01:01:43.411 or if we could just have slightly

NOTE Confidence: 0.88453144

01:01:43.411 --> 01:01:45.918 more you know, diverse uhm.

NOTE Confidence: 0.88453144

01:01:45.918 --> 01:01:48.488 Professoriate and the medical school.

NOTE Confidence: 0.88453144

01:01:48.490 --> 01:01:49.388 There are,

NOTE Confidence: 0.88453144

01:01:49.388 --> 01:01:52.082 like you know these little things

NOTE Confidence: 0.88453144

01:01:52.082 --> 01:01:54.510 than that's all we need to do.

NOTE Confidence: 0.88453144

01:01:54.510 --> 01:01:55.934 I don't want to.

NOTE Confidence: 0.88453144

01:01:55.934 --> 01:01:58.976 Make light or say that those things are

NOTE Confidence: 0.88453144

01:01:58.976 --> 01:02:01.867 not important to do 'cause they are,

NOTE Confidence: 0.88453144

01:02:01.870 --> 01:02:04.712 but those are little things that you

NOTE Confidence: 0.88453144

01:02:04.712 --> 01:02:06.970 do to respond to the systematic.

NOTE Confidence: 0.9537527

01:02:09.100 --> 01:02:10.965 Situation of profound racial injustice

NOTE Confidence: 0.9537527

01:02:10.965 --> 01:02:13.789 that we have in this country today,

NOTE Confidence: 0.9537527

01:02:13.790 --> 01:02:17.273 and we've had for a very long time that

NOTE Confidence: 0.9537527

01:02:17.273 --> 01:02:20.887 is really not going to be undermined.

NOTE Confidence: 0.9537527

01:02:20.890 --> 01:02:24.789 Until people stop being first of all,

NOTE Confidence: 0.9537527

01:02:24.790 --> 01:02:29.095 recognize that reality and then stop engaging

NOTE Confidence: 0.9537527

01:02:29.095 --> 01:02:33.357 in actions that continue to support it.

NOTE Confidence: 0.9537527

01:02:33.360 --> 01:02:35.778 Because everything else is like remediation.

NOTE Confidence: 0.8968455

01:02:36.480 --> 01:02:39.690 I think I just wanted to add that I

NOTE Confidence: 0.8968455

01:02:39.690 --> 01:02:41.480 think it. It also takes.

NOTE Confidence: 0.8968455

01:02:41.480 --> 01:02:44.245 I mean people are asking about on

NOTE Confidence: 0.8968455

01:02:44.245 --> 01:02:46.346 the individual level as well and

NOTE Confidence: 0.8968455

01:02:46.346 --> 01:02:48.616 it takes re framing the way you

NOTE Confidence: 0.8968455

01:02:48.616 --> 01:02:50.396 talk about these things right?

NOTE Confidence: 0.8968455

01:02:50.400 --> 01:02:52.738 And so you know I mentioned earlier

NOTE Confidence: 0.8968455

01:02:52.738 --> 01:02:55.330 about not being passive but being like

NOTE Confidence: 0.8968455

01:02:55.330 --> 01:02:57.610 active about things and not picking

NOTE Confidence: 0.8968455

01:02:57.679 --> 01:03:00.038 on the person who gave the question.

NOTE Confidence: 0.8968455

01:03:00.040 --> 01:03:02.656 But I'm just using it as an example

NOTE Confidence: 0.8968455

01:03:02.656 --> 01:03:04.680 because it's a concrete example.

NOTE Confidence: 0.8968455

01:03:04.680 --> 01:03:06.356 You know, think about.

NOTE Confidence: 0.8968455

01:03:06.356 --> 01:03:08.451 The difference between saying that

NOTE Confidence: 0.8968455

01:03:08.451 --> 01:03:11.294 black people or by a black indigenous

NOTE Confidence: 0.8968455

01:03:11.294 --> 01:03:13.470 people have colored deserve justice,

NOTE Confidence: 0.8968455

01:03:13.470 --> 01:03:16.368 and saying that they've been denied justice,

NOTE Confidence: 0.8968455

01:03:16.370 --> 01:03:18.848 right? That this is an on.

NOTE Confidence: 0.8968455

01:03:18.850 --> 01:03:20.920 This is an ongoing action,

NOTE Confidence: 0.8968455

01:03:20.920 --> 01:03:24.224 and that the positions that people are in,

NOTE Confidence: 0.8968455

01:03:24.230 --> 01:03:25.469 particularly black people,

NOTE Confidence: 0.8968455

01:03:25.469 --> 01:03:27.534 indigenous people in the US.

NOTE Confidence: 0.8968455

01:03:27.540 --> 01:03:29.560 They're not there because they're

NOTE Confidence: 0.8968455

01:03:29.560 --> 01:03:31.580 innately find themselves there that

NOTE Confidence: 0.8968455

01:03:31.641 --> 01:03:33.746 these situations are not inevitable,

NOTE Confidence: 0.8968455

01:03:33.750 --> 01:03:36.276 but they're based on a series

NOTE Confidence: 0.8968455

01:03:36.276 --> 01:03:37.539 of decisions and.

NOTE Confidence: 0.8968455

01:03:37.540 --> 01:03:38.250 Ongoing decision-making,

NOTE Confidence: 0.8968455

01:03:38.250 --> 01:03:39.670 both historically and presently

NOTE Confidence: 0.8968455

01:03:39.670 --> 01:03:41.729 that create the spaces that were in,

NOTE Confidence: 0.8968455

01:03:41.730 --> 01:03:44.205 and so if you think of it as that

NOTE Confidence: 0.8968455

01:03:44.205 --> 01:03:46.229 kind of like ongoing living,

NOTE Confidence: 0.8968455

01:03:46.230 --> 01:03:47.412 breathing history, right?

NOTE Confidence: 0.8968455

01:03:47.412 --> 01:03:49.776 It's not just something that happened

NOTE Confidence: 0.8968455

01:03:49.776 --> 01:03:52.143 and ended that you yourself you can

NOTE Confidence: 0.8968455

01:03:52.143 --> 01:03:54.198 put yourself into that and that you

NOTE Confidence: 0.8968455

01:03:54.198 --> 01:03:56.279 are a part of that and every decision

NOTE Confidence: 0.8968455

01:03:56.279 --> 01:03:59.002 that you make can also shift in

NOTE Confidence: 0.8968455

01:03:59.002 --> 01:04:00.968 whichever direction you wanted to go

NOTE Confidence: 0.8968455

01:04:00.968 --> 01:04:03.619 in a direction you may not want to go in,

NOTE Confidence: 0.8968455

01:04:03.620 --> 01:04:05.874 and so just being cognizant on that,

NOTE Confidence: 0.8968455

01:04:05.880 --> 01:04:07.896 it's not something you can like.

NOTE Confidence: 0.8968455

01:04:07.900 --> 01:04:08.149 Alright,

NOTE Confidence: 0.8968455

01:04:08.149 --> 01:04:09.892 I shut that book and that that

NOTE Confidence: 0.8968455

01:04:09.892 --> 01:04:11.339 door is closed until someone

NOTE Confidence: 0.8968455

01:04:11.339 --> 01:04:12.829 asked me about it again,

NOTE Confidence: 0.8968455

01:04:12.830 --> 01:04:14.846 but it's a part of every every small

NOTE Confidence: 0.8968455

01:04:14.846 --> 01:04:16.668 and large decision that you make.

NOTE Confidence: 0.87388045

01:04:19.920 --> 01:04:21.148 I think that Sidney,

NOTE Confidence: 0.87388045

01:04:21.150 --> 01:04:23.632 which is I do think, like Lord knows,

NOTE Confidence: 0.87388045

01:04:23.632 --> 01:04:25.830 I think about kind of actions that

103

NOTE Confidence: 0.87388045

01:04:25.896 --> 01:04:27.926 made big and small that you know,

NOTE Confidence: 0.87388045

01:04:27.930 --> 01:04:29.162 have repercussions over lifetime

NOTE Confidence: 0.87388045

01:04:29.162 --> 01:04:31.784 and it just did it right. But it is.

NOTE Confidence: 0.87388045

01:04:31.784 --> 01:04:34.025 This is what we've got right is just

NOTE Confidence: 0.87388045

01:04:34.025 --> 01:04:36.239 making decisions over and over again.

NOTE Confidence: 0.87388045

01:04:36.240 --> 01:04:38.410 Some that are bigger, some that push

NOTE Confidence: 0.87388045

01:04:38.410 --> 01:04:40.249 forward but always having kind of.

NOTE Confidence: 0.8814716

01:04:42.600 --> 01:04:44.784 An anti racist. An increasingly more so how

NOTE Confidence: 0.8814716

01:04:44.784 --> 01:04:47.237 it is that you move through this world.

NOTE Confidence: 0.8814716

01:04:47.240 --> 01:04:49.508 So it's the frustration about the diversity

NOTE Confidence: 0.8814716

01:04:49.508 --> 01:04:51.685 supplements and we don't have to go there

NOTE Confidence: 0.8814716

01:04:51.685 --> 01:04:53.620 that Tracy and I were talking about,

NOTE Confidence: 0.8814716

01:04:53.620 --> 01:04:55.360 which is like what a joke.

NOTE Confidence: 0.8814716

01:04:55.360 --> 01:04:59.440 And yes, of course you'll do it so.

NOTE Confidence: 0.8814716

01:04:59.440 --> 01:05:02.198 Anyhow. Thanks for that city.

NOTE Confidence: 0.92028886

01:05:03.850 --> 01:05:05.640 Thank you, um, actually there

NOTE Confidence: 0.92028886

01:05:05.640 --> 01:05:07.830 are two questions that I seem,

NOTE Confidence: 0.92028886

01:05:07.830 --> 01:05:09.858 I think go together because they

NOTE Confidence: 0.92028886

01:05:09.858 --> 01:05:11.668 refer to the intergenerational impact

NOTE Confidence: 0.92028886

01:05:11.668 --> 01:05:13.256 of incarceration and violence.

NOTE Confidence: 0.92028886

01:05:13.260 --> 01:05:15.908 So the first one is based on Sydney's

NOTE Confidence: 0.92028886

01:05:15.908 --> 01:05:17.968 comments about women and postpartum.

NOTE Confidence: 0.92028886

01:05:17.970 --> 01:05:19.414 Can you both speak?

NOTE Confidence: 0.92028886

01:05:19.414 --> 01:05:21.868 And I'd also like to invite Sydney

NOTE Confidence: 0.92028886

01:05:21.868 --> 01:05:24.101 to speak about one pre post Natal

NOTE Confidence: 0.92028886

01:05:24.101 --> 01:05:26.455 care for incarcerated women and ways

NOTE Confidence: 0.92028886

01:05:26.455 --> 01:05:28.420 to support healthcare and family

NOTE Confidence: 0.92028886

01:05:28.487 --> 01:05:30.635 rights for children born in prison.

NOTE Confidence: 0.92028886

01:05:30.640 --> 01:05:33.656 How can we address work or work toward?

NOTE Confidence: 0.92028886

01:05:33.660 --> 01:05:35.860 Quality care during early childhood

NOTE Confidence: 0.92028886

01:05:35.860 --> 01:05:38.060 for children of the incarcerated

NOTE Confidence: 0.92028886

01:05:38.134 --> 01:05:39.689 and then the second one.

NOTE Confidence: 0.92028886

01:05:39.690 --> 01:05:42.722 I would like to hear more about the

NOTE Confidence: 0.92028886

01:05:42.722 --> 01:05:44.395 connections between domestic violence

NOTE Confidence: 0.92028886

01:05:44.395 --> 01:05:46.927 as a means to frustrate people,

NOTE Confidence: 0.92028886

01:05:46.930 --> 01:05:49.050 often victims themselves and

NOTE Confidence: 0.92028886

01:05:49.050 --> 01:05:50.640 the intergenerational trauma's

NOTE Confidence: 0.92028886

01:05:50.640 --> 01:05:53.065 created that perpetuate and uphold

NOTE Confidence: 0.92028886

01:05:53.065 --> 01:05:54.597 a cycle of incarceration.

NOTE Confidence: 0.92028886

01:05:54.600 --> 01:05:57.140 So all three of you I invite you to reflect.

NOTE Confidence: 0.92028886

01:05:57.140 --> 01:05:57.650 Thank you.

NOTE Confidence: 0.8627137

01:06:00.090 --> 01:06:01.644 That sounds like Emily and

NOTE Confidence: 0.8627137

01:06:01.644 --> 01:06:02.888 Sydney's Bailiwick to me.

NOTE Confidence: 0.63536775

01:06:09.190 --> 01:06:10.318 Sidney go for it.

NOTE Confidence: 0.8284560996

01:06:11.730 --> 01:06:17.650 Um? So I I want to start by saying that, um.

NOTE Confidence: 0.8284560996

01:06:17.650 --> 01:06:20.937 Initially when I I saw I think there were

NOTE Confidence: 0.8284560996

01:06:20.937 --> 01:06:23.260 like documentaries about these kind of

NOTE Confidence: 0.8284560996

01:06:23.260 --> 01:06:25.983 like child care daycare Centers for women

NOTE Confidence: 0.8284560996

01:06:26.060 --> 01:06:28.608 and children who are born in prison.

NOTE Confidence: 0.8284560996

01:06:28.610 --> 01:06:31.481 I thought wow, what a great idea that we

NOTE Confidence: 0.8284560996

01:06:31.481 --> 01:06:34.276 can keep mothers and babies together.

NOTE Confidence: 0.8284560996

01:06:34.280 --> 01:06:37.466 But then you step back and you think about

NOTE Confidence: 0.8284560996

01:06:37.466 --> 01:06:39.902 what's happening that were saying that

NOTE Confidence: 0.8284560996

01:06:39.902 --> 01:06:42.980 it's OK for women to give birth while

NOTE Confidence: 0.8284560996

01:06:42.980 --> 01:06:45.640 they're incarcerated that as long as we

NOTE Confidence: 0.8284560996

01:06:45.717 --> 01:06:48.370 keep them together in prison that it's.

NOTE Confidence: 0.8284560996

01:06:48.370 --> 01:06:50.785 Or in jail that it's OK, um,

NOTE Confidence: 0.8284560996

01:06:50.785 --> 01:06:53.200 for a child to grow up in,

NOTE Confidence: 0.8284560996

01:06:53.200 --> 01:06:55.704 at least for a small part of time

NOTE Confidence: 0.8284560996

01:06:55.704 --> 01:06:57.000 in a prison.

NOTE Confidence: 0.8284560996

01:06:57.000 --> 01:07:00.450 and I think that that 100% is not OK, right?

NOTE Confidence: 0.8284560996

01:07:00.450 --> 01:07:03.550 It's kind of this, like a band aid issue.

01:07:03.550 --> 01:07:05.624 Again of saying that, like, OK,

01:07:05.624 --> 01:07:08.300 we're going to keep people together, but why?

01:07:08.300 --> 01:07:10.740 Why are we not pushing to keep people

01:07:10.811 --> 01:07:13.197 together outside of the prison, right?

01:07:13.197 --> 01:07:16.660 So I just wanted to say that 'cause I think,

01:07:16.660 --> 01:07:18.850 especially in healthcare, that like we.

01:07:18.850 --> 01:07:21.265 You know, we think of this idea,

01:07:21.270 --> 01:07:24.030 and doctor Wang brought this up as well,

01:07:24.030 --> 01:07:26.445 but the idea that you know people

01:07:26.445 --> 01:07:27.480 who are incarcerated,

01:07:27.480 --> 01:07:30.063 the only ones with the constitutional right

01:07:30.063 --> 01:07:32.310 to healthcare instead of saying You know,

01:07:32.310 --> 01:07:33.010 think about.

01:07:33.010 --> 01:07:35.110 Let's think beyond just saying like

01:07:35.110 --> 01:07:37.476 it's great that people were in person.

01:07:37.480 --> 01:07:39.210 You can get healthcare right?

NOTE Confidence: 0.8284560996

01:07:39.210 --> 01:07:39.882 Let's think,

NOTE Confidence: 0.8284560996

01:07:39.882 --> 01:07:40.218 think,

NOTE Confidence: 0.8284560996

01:07:40.218 --> 01:07:42.570 think about what we were saying when

NOTE Confidence: 0.8284560996

01:07:42.637 --> 01:07:44.377 we make those those comments.

NOTE Confidence: 0.8284560996

01:07:44.380 --> 01:07:48.862 So I wanted to add that in terms of.

NOTE Confidence: 0.8284560996

01:07:48.870 --> 01:07:51.520 The kind of intergenerational trauma

NOTE Confidence: 0.8284560996

01:07:51.520 --> 01:07:55.327 or people who become involved with the

NOTE Confidence: 0.8284560996

01:07:55.327 --> 01:07:58.017 criminal legal system through domestic

NOTE Confidence: 0.8284560996

01:07:58.017 --> 01:08:01.477 violence and sexual soul in any kind

NOTE Confidence: 0.8284560996

01:08:01.477 --> 01:08:04.123 of other intimate partner violence is.

NOTE Confidence: 0.8284560996

01:08:04.130 --> 01:08:07.698 I think that there is a long history

NOTE Confidence: 0.8284560996

01:08:07.698 --> 01:08:09.482 of women, particularly women,

NOTE Confidence: 0.8284560996

01:08:09.482 --> 01:08:11.314 of color, who, uhm?

NOTE Confidence: 0.8284560996

01:08:11.314 --> 01:08:14.772 Who are work network then advocated for

NOTE Confidence: 0.8284560996

01:08:14.772 --> 01:08:18.567 this for women as women in particular?

109

NOTE Confidence: 0.8284560996

01:08:18.570 --> 01:08:21.846 But I'm. I'm thinking I brought him.

NOTE Confidence: 0.8284560996

01:08:21.850 --> 01:08:24.346 That's a cyst trans and Nonbinary

NOTE Confidence: 0.8284560996

01:08:24.346 --> 01:08:27.560 people as well to not become justice

NOTE Confidence: 0.8284560996

01:08:27.560 --> 01:08:30.005 involved because they have are

NOTE Confidence: 0.8284560996

01:08:30.005 --> 01:08:33.110 victims of a particular violence on.

NOTE Confidence: 0.8284560996

01:08:33.110 --> 01:08:35.924 And so I'm thinking of groups

NOTE Confidence: 0.8284560996

01:08:35.924 --> 01:08:37.800 like survived and punish.

NOTE Confidence: 0.8284560996

01:08:37.800 --> 01:08:42.296 You've seen women like since we're proud who?

NOTE Confidence: 0.8284560996

01:08:42.300 --> 01:08:43.022 And, uh,

NOTE Confidence: 0.8284560996

01:08:43.022 --> 01:08:44.827 end up being incarcerated because

NOTE Confidence: 0.8284560996

01:08:44.827 --> 01:08:46.272 they retaliate against, uh,

NOTE Confidence: 0.8284560996

01:08:46.272 --> 01:08:46.996 a perpetrator.

NOTE Confidence: 0.8284560996

01:08:46.996 --> 01:08:50.240 And again, we want to think like we want.

NOTE Confidence: 0.8284560996

01:08:50.240 --> 01:08:53.048 How can we be making it so that people

NOTE Confidence: 0.8284560996

01:08:53.048 --> 01:08:55.571 are not even getting to the point

NOTE Confidence: 0.8284560996

01:08:55.571 --> 01:08:58.306 where they have to retaliate, right?

NOTE Confidence: 0.8284560996

01:08:58.306 --> 01:08:58.792 Anne?

NOTE Confidence: 0.8284560996

01:08:58.792 --> 01:09:02.194 I'm yes like in there is trauma

NOTE Confidence: 0.8284560996

01:09:02.194 --> 01:09:04.048 intergenerationally but uhm I just I.

NOTE Confidence: 0.8284560996

01:09:04.050 --> 01:09:06.300 I think that we just sometimes

NOTE Confidence: 0.8284560996

01:09:06.300 --> 01:09:07.800 take for granted that,

NOTE Confidence: 0.8284560996

01:09:07.800 --> 01:09:11.166 like as we're kind of like putting band aids,

NOTE Confidence: 0.8284560996

01:09:11.170 --> 01:09:13.050 and I mean Doctor Wang,

NOTE Confidence: 0.8284560996

01:09:13.050 --> 01:09:14.920 you work with people who

NOTE Confidence: 0.8284560996

01:09:14.920 --> 01:09:16.416 have recently been released.

NOTE Confidence: 0.8284560996

01:09:16.420 --> 01:09:17.170 And yes,

NOTE Confidence: 0.8284560996

01:09:17.170 --> 01:09:18.670 those people need care.

NOTE Confidence: 0.8284560996

01:09:18.670 --> 01:09:21.174 But I think that those of us who

NOTE Confidence: 0.8284560996

01:09:21.174 --> 01:09:23.919 are not working in that situation,

NOTE Confidence: 0.8284560996

01:09:23.920 --> 01:09:26.014 we can really want to push

NOTE Confidence: 0.8284560996

01:09:26.014 --> 01:09:28.289 ourselves to be thinking like the

NOTE Confidence: 0.8284560996

01:09:28.289 --> 01:09:30.294 stuff that happened before that.

NOTE Confidence: 0.881864512

01:09:30.300 --> 01:09:32.108 And so like what?

NOTE Confidence: 0.881864512

01:09:32.108 --> 01:09:34.443 Uh, a lot of these groups and they

NOTE Confidence: 0.881864512

01:09:34.443 --> 01:09:36.513 talk about you know that violence

NOTE Confidence: 0.881864512

01:09:36.513 --> 01:09:38.113 happens because there's something

NOTE Confidence: 0.881864512

01:09:38.113 --> 01:09:40.333 wanting in the community, right?

NOTE Confidence: 0.881864512

01:09:40.333 --> 01:09:43.510 and I think we should be thinking about that,

NOTE Confidence: 0.881864512

01:09:43.510 --> 01:09:45.616 whether it's education, whether it's jobs,

NOTE Confidence: 0.881864512

01:09:45.620 --> 01:09:47.390 whether it's health care, etc.

NOTE Confidence: 0.881864512

01:09:47.390 --> 01:09:48.449 So I'm sorry.

NOTE Confidence: 0.881864512

01:09:48.449 --> 01:09:50.567 I'm like kind of like rambling,

NOTE Confidence: 0.881864512

01:09:50.570 --> 01:09:52.901 but I think I want to just

NOTE Confidence: 0.881864512

01:09:52.901 --> 01:09:54.800 point out survived and punish.

NOTE Confidence: 0.881864512

01:09:54.800 --> 01:09:57.572 I want to point out insight which is women

NOTE Confidence: 0.881864512

01:09:57.572 --> 01:09:59.737 against violence against women color.

NOTE Confidence: 0.881864512

112

01:09:59.740 --> 01:10:00.510 Ann Lee.

NOTE Confidence: 0.881864512

01:10:00.510 --> 01:10:00.895 Goodmark,

NOTE Confidence: 0.881864512

01:10:00.895 --> 01:10:02.820 who's written a book called

NOTE Confidence: 0.881864512

01:10:02.820 --> 01:10:04.839 criminalizing from a domestic violence,

NOTE Confidence: 0.881864512

01:10:04.840 --> 01:10:07.186 which really goes in depth and

NOTE Confidence: 0.881864512

01:10:07.186 --> 01:10:09.210 from a legal perspective on

NOTE Confidence: 0.881864512

01:10:09.210 --> 01:10:11.110 what the alternatives can be.

NOTE Confidence: 0.900866270000001

01:10:15.170 --> 01:10:16.598 Great Sidney, you know,

NOTE Confidence: 0.900866270000001

01:10:16.598 --> 01:10:19.586 I wanted to think about 2 two issues

NOTE Confidence: 0.900866270000001

01:10:19.586 --> 01:10:21.902 that those comments have me reflect

NOTE Confidence: 0.900866270000001

01:10:21.902 --> 01:10:24.718 on and you know I get that the

NOTE Confidence: 0.900866270000001

01:10:24.718 --> 01:10:26.752 person that wrote the comments was

NOTE Confidence: 0.900866270000001

01:10:26.752 --> 01:10:28.557 really focused on domestic violence.

NOTE Confidence: 0.900866270000001

01:10:28.560 --> 01:10:31.388 But I think violence period is something

NOTE Confidence: 0.900866270000001

01:10:31.388 --> 01:10:34.360 important to attend to and even how you know.

NOTE Confidence: 0.900866270000001

01:10:34.360 --> 01:10:36.160 Going back to Jeanette's comment

113

01:10:36.160 --> 01:10:38.673 about how we do market language and

01:10:38.673 --> 01:10:40.920 many of us I'd say especially in

01:10:40.920 --> 01:10:42.882 the medical community are really

01:10:42.882 --> 01:10:44.847 OK with the car's rating,

01:10:44.850 --> 01:10:46.026 quote, Unquote, Nonviolent.

01:10:46.026 --> 01:10:47.986 Folks like people that haven't

01:10:47.986 --> 01:10:49.290 committed violent offenses,

01:10:49.290 --> 01:10:52.354 and then within the categories of those that

01:10:52.354 --> 01:10:55.386 have been convicted of a violent offense,

01:10:55.390 --> 01:10:56.200 domestic violence.

01:10:56.200 --> 01:10:58.225 OK, that has the narrative

01:10:58.225 --> 01:11:00.679 of were OK with this right?

01:11:00.680 --> 01:11:02.039 That's OK, maybe,

01:11:02.039 --> 01:11:04.757 maybe not right as as Denise

01:11:04.757 --> 01:11:07.596 pointing out and to me I think again,

01:11:07.600 --> 01:11:09.324 these wholesale distinctions are

NOTE Confidence: 0.900866270000001

01:11:09.324 --> 01:11:11.479 difficult and really are anchoring

NOTE Confidence: 0.900866270000001

01:11:11.479 --> 01:11:13.707 ourselves in untenable kind of solutions.

NOTE Confidence: 0.900866270000001

01:11:13.710 --> 01:11:15.378 Which is to say,

NOTE Confidence: 0.900866270000001

01:11:15.378 --> 01:11:16.629 you know to.

NOTE Confidence: 0.900866270000001

01:11:16.630 --> 01:11:19.334 To say that you're one for abolition or

NOTE Confidence: 0.900866270000001

01:11:19.334 --> 01:11:21.573 thinking about you all recognize that

NOTE Confidence: 0.900866270000001

01:11:21.573 --> 01:11:23.823 prisons and jails are health harming,

NOTE Confidence: 0.900866270000001

01:11:23.830 --> 01:11:25.990 and so will only discuss rate

NOTE Confidence: 0.900866270000001

01:11:25.990 --> 01:11:26.710 certain individuals.

NOTE Confidence: 0.900866270000001

01:11:26.710 --> 01:11:28.510 Those that are non violent.

NOTE Confidence: 0.900866270000001

01:11:28.510 --> 01:11:31.876 It seems kind of it is to me entirely

NOTE Confidence: 0.900866270000001

01:11:31.876 --> 01:11:33.932 antithetical that we have to kind

NOTE Confidence: 0.900866270000001

01:11:33.932 --> 01:11:36.070 of come to a reckoning which,

NOTE Confidence: 0.900866270000001

01:11:36.070 --> 01:11:38.443 just to say that the whole system

NOTE Confidence: 0.900866270000001

01:11:38.443 --> 01:11:40.750 has been violent in its generation,

115

01:11:40.750 --> 01:11:42.910 that many of the of individuals,

01:11:42.910 --> 01:11:44.660 the majority individuals that have

01:11:44.660 --> 01:11:46.940 been convicted of violent crimes actually.

01:11:46.940 --> 01:11:49.466 Were victims of violence themselves right?

01:11:49.470 --> 01:11:53.369 And so to kind of create these

01:11:53.369 --> 01:11:55.590 distinctions I think are.

01:11:55.590 --> 01:11:57.606 That are important to recognize an

01:11:57.606 --> 01:11:59.609 important to recognize in our own

01:11:59.609 --> 01:12:01.391 narratives of how we think about

01:12:01.391 --> 01:12:03.620 ourselves as quote Unquote abolitionists,

01:12:03.620 --> 01:12:08.400 right, is that to me when I look at that.

01:12:08.400 --> 01:12:10.278 That connection is critical not just

01:12:10.278 --> 01:12:12.348 for those that have been victims

01:12:12.348 --> 01:12:13.488 of domestic violence,

01:12:13.490 --> 01:12:15.856 but victims of any sort of violence.

01:12:15.860 --> 01:12:18.564 And these are the very reasons for why,

NOTE Confidence: 0.900866270000001

01:12:18.570 --> 01:12:21.274 you know, just not sensible is a doctor,

NOTE Confidence: 0.900866270000001

01:12:21.280 --> 01:12:21.836 you know.

NOTE Confidence: 0.900866270000001

01:12:21.836 --> 01:12:24.548 You put a person that has been a victim

NOTE Confidence: 0.900866270000001

01:12:24.548 --> 01:12:27.044 of violence into a violent situation,

NOTE Confidence: 0.900866270000001

01:12:27.050 --> 01:12:28.740 which is prisons and jails.

NOTE Confidence: 0.900866270000001

01:12:28.740 --> 01:12:31.106 And of course that begets more violence,

NOTE Confidence: 0.900866270000001

01:12:31.110 --> 01:12:32.810 which then begets more violence

NOTE Confidence: 0.900866270000001

01:12:32.810 --> 01:12:33.830 and more violence.

NOTE Confidence: 0.900866270000001

01:12:33.830 --> 01:12:36.521 So the first I would say is that I

NOTE Confidence: 0.900866270000001

01:12:36.521 --> 01:12:39.210 certainly agree that you know incarceration.

NOTE Confidence: 0.900866270000001

01:12:39.210 --> 01:12:40.734 Um it creates intergenerational

NOTE Confidence: 0.900866270000001

01:12:40.734 --> 01:12:43.020 violence in all sorts of ways,

NOTE Confidence: 0.900866270000001

01:12:43.020 --> 01:12:44.544 not just for women,

NOTE Confidence: 0.900866270000001

01:12:44.544 --> 01:12:46.449 not just for pregnant women,

NOTE Confidence: 0.900866270000001

01:12:46.450 --> 01:12:47.443 but for all.

117

NOTE Confidence: 0.900866270000001

01:12:47.443 --> 01:12:49.098 For men that have committed

NOTE Confidence: 0.900866270000001

01:12:49.098 --> 01:12:51.431 the most heinous of crimes that

NOTE Confidence: 0.900866270000001

01:12:51.431 --> 01:12:53.426 were convicted and sentence and

NOTE Confidence: 0.900866270000001

01:12:53.426 --> 01:12:55.589 have served their sentence is.

NOTE Confidence: 0.900866270000001

01:12:55.590 --> 01:12:58.145 And we have to push our national

NOTE Confidence: 0.900866270000001

01:12:58.145 --> 01:13:00.553 dialogue to that that not just

NOTE Confidence: 0.900866270000001

01:13:00.553 --> 01:13:02.603 thinking about the pregnant women

NOTE Confidence: 0.900866270000001

01:13:02.603 --> 01:13:05.368 who are there and their children.

NOTE Confidence: 0.900866270000001

01:13:05.370 --> 01:13:07.956 That all folks that are incarcerated

NOTE Confidence: 0.900866270000001

01:13:07.956 --> 01:13:11.200 right now and how brutally violence?

NOTE Confidence: 0.900866270000001

01:13:11.200 --> 01:13:13.120 The system is and the health

NOTE Confidence: 0.900866270000001

01:13:13.120 --> 01:13:14.400 care system is one,

NOTE Confidence: 0.900866270000001

01:13:14.400 --> 01:13:16.960 and then the second is that you know.

NOTE Confidence: 0.900866270000001

01:13:16.960 --> 01:13:18.815 Of course these are intergenerational

NOTE Confidence: 0.900866270000001

01:13:18.815 --> 01:13:21.518 issues and so you know I kind of

NOTE Confidence: 0.900866270000001

118

01:13:21.518 --> 01:13:23.338 think these are kind of going to

NOTE Confidence: 0.913415499999999

01:13:23.401 --> 01:13:24.976 be intergenerational fixes to it

NOTE Confidence: 0.913415499999999

01:13:24.976 --> 01:13:27.520 is not going to be a quick and

NOTE Confidence: 0.913415499999999

01:13:27.520 --> 01:13:29.760 hurry you know we it took us.

NOTE Confidence: 0.913415499999999

01:13:29.760 --> 01:13:32.000 We had 40 years. We've ramped up.

NOTE Confidence: 0.913415499999999

01:13:32.000 --> 01:13:33.920 We've never done it well for

NOTE Confidence: 0.913415499999999

01:13:33.920 --> 01:13:35.200 communities of color ever,

NOTE Confidence: 0.913415499999999

01:13:35.200 --> 01:13:36.800 and in particular for black

NOTE Confidence: 0.913415499999999

01:13:36.800 --> 01:13:38.400 folks in this country ever.

NOTE Confidence: 0.913415499999999

01:13:38.400 --> 01:13:40.724 So who's to say that a quick

NOTE Confidence: 0.913415499999999

01:13:40.724 --> 01:13:41.720 defund the police?

NOTE Confidence: 0.913415499999999

01:13:41.720 --> 01:13:43.280 Listen to shifting the budgets.

NOTE Confidence: 0.913415499999999

01:13:43.280 --> 01:13:44.234 Gonna do this.

NOTE Confidence: 0.913415499999999

01:13:44.234 --> 01:13:46.460 This is about the hard and nasty

NOTE Confidence: 0.913415499999999

01:13:46.536 --> 01:13:49.192 work that we all have to do of

NOTE Confidence: 0.913415499999999

01:13:49.192 --> 01:13:51.077 interrogating what it is that we do.

NOTE Confidence: 0.913415499999999

01:13:51.080 --> 01:13:52.946 Is health care providers students is,

NOTE Confidence: 0.913415499999999

01:13:52.950 --> 01:13:54.510 you know, legal scholars, etc.

NOTE Confidence: 0.913415499999999

01:13:54.510 --> 01:13:56.070 And then getting done work

NOTE Confidence: 0.913415499999999

01:13:56.070 --> 01:13:57.996 and some things are going to

NOTE Confidence: 0.913415499999999

01:13:57.996 --> 01:13:59.496 work in some things aren't,

NOTE Confidence: 0.913415499999999

01:13:59.500 --> 01:14:01.996 but it is not going to be quick.

NOTE Confidence: 0.913415499999999

01:14:02.000 --> 01:14:02.825 It is intergenerational.

NOTE Confidence: 0.913415499999999

01:14:02.825 --> 01:14:04.750 I'm hoping you know for my kids

NOTE Confidence: 0.913415499999999

01:14:04.799 --> 01:14:06.367 generation it's their grandkids.

NOTE Confidence: 0.913415499999999

01:14:06.370 --> 01:14:08.178 100 years from now.

NOTE Confidence: 0.913415499999999

01:14:08.178 --> 01:14:09.534 This looks different.

NOTE Confidence: 0.913415499999999

01:14:09.540 --> 01:14:10.208 I mean,

NOTE Confidence: 0.913415499999999

01:14:10.208 --> 01:14:12.218 I'm hoping it looks different tomorrow,

NOTE Confidence: 0.913415499999999

01:14:12.220 --> 01:14:14.226 but realistically I feel like those

NOTE Confidence: 0.913415499999999

01:14:14.226 --> 01:14:16.402 are the two things that kind of

NOTE Confidence: 0.913415499999999

01:14:16.402 --> 01:14:18.250 stuck out with Nando's comments,

NOTE Confidence: 0.913415499999999

01:14:18.250 --> 01:14:20.188 which is that it's not just

NOTE Confidence: 0.913415499999999

01:14:20.188 --> 01:14:21.930 the violence of certain folks,

NOTE Confidence: 0.913415499999999

01:14:21.930 --> 01:14:23.605 but it's the system that's

NOTE Confidence: 0.913415499999999

01:14:23.605 --> 01:14:24.945 violent and you know,

NOTE Confidence: 0.913415499999999

01:14:24.950 --> 01:14:27.155 kind of partitioning off for

NOTE Confidence: 0.913415499999999

01:14:27.155 --> 01:14:29.360 these people that have committed

NOTE Confidence: 0.913415499999999

01:14:29.437 --> 01:14:30.739 violent crimes is.

NOTE Confidence: 0.913415499999999

01:14:30.740 --> 01:14:31.205 Also,

NOTE Confidence: 0.913415499999999

01:14:31.205 --> 01:14:33.538 harming kind of overall that's

NOTE Confidence: 0.9197907

01:14:33.540 --> 01:14:35.870 such a critical point, right?

NOTE Confidence: 0.9197907

01:14:35.870 --> 01:14:38.062 Such a critical point,

NOTE Confidence: 0.9197907

01:14:38.062 --> 01:14:40.802 because even if we change.

NOTE Confidence: 0.9197907

01:14:40.810 --> 01:14:43.650 It in could snap our fingers and have

NOTE Confidence: 0.9197907

01:14:43.650 --> 01:14:46.827 the kind of policing we wanted tomorrow,

NOTE Confidence: 0.9197907

01:14:46.830 --> 01:14:49.630 you know, or if prisons changed tomorrow,

NOTE Confidence: 0.9197907

01:14:49.630 --> 01:14:51.964 or if you know prosecution change

NOTE Confidence: 0.9197907

01:14:51.964 --> 01:14:54.399 tomorrow in the legal authority by

NOTE Confidence: 0.9197907

01:14:54.399 --> 01:14:57.220 which police are able to enforce arrest

NOTE Confidence: 0.9197907

01:14:57.220 --> 01:14:59.677 that leads people to incarcerate if

NOTE Confidence: 0.9197907

01:14:59.677 --> 01:15:02.053 settings and so on change tomorrow,

NOTE Confidence: 0.9197907

01:15:02.053 --> 01:15:04.411 an example of which Eric Garner

NOTE Confidence: 0.9197907

01:15:04.411 --> 01:15:07.357 lost his life because he was subject

NOTE Confidence: 0.9197907

01:15:07.357 --> 01:15:09.467 to forcible arrest for selling

NOTE Confidence: 0.9197907

01:15:09.467 --> 01:15:11.608 loose cigarettes on a corner.

NOTE Confidence: 0.9197907

01:15:11.610 --> 01:15:13.218 Even if you think that that

NOTE Confidence: 0.9197907

01:15:13.218 --> 01:15:15.100 should be some kind of violation,

NOTE Confidence: 0.9197907

01:15:15.100 --> 01:15:16.846 why on Earth should that be

NOTE Confidence: 0.9197907

01:15:16.846 --> 01:15:18.010 subject to forcible arrest,

NOTE Confidence: 0.9197907

01:15:18.010 --> 01:15:20.460 which leads to all of these things?

NOTE Confidence: 0.9197907

01:15:20.460 --> 01:15:23.029 OK, so even if all of those

NOTE Confidence: 0.9197907

01:15:23.029 --> 01:15:24.130 things change tomorrow?

NOTE Confidence: 0.9197907

01:15:24.130 --> 01:15:27.976 We're still left with the fragile,

NOTE Confidence: 0.9197907

01:15:27.980 --> 01:15:30.920 brittle communities today.

NOTE Confidence: 0.9197907

01:15:30.920 --> 01:15:33.048 Where there is poor health care where

NOTE Confidence: 0.9197907

01:15:33.048 --> 01:15:34.905 there is low educational attainment

NOTE Confidence: 0.9197907

01:15:34.905 --> 01:15:37.533 where there is inadequate housing where

NOTE Confidence: 0.9197907

01:15:37.533 --> 01:15:40.062 there are essential workers making you

NOTE Confidence: 0.9197907

01:15:40.062 --> 01:15:42.438 know much less than anyone's minimum

NOTE Confidence: 0.9197907

01:15:42.440 --> 01:15:44.360 wage that doesn't change tomorrow.

NOTE Confidence: 0.9197907

01:15:44.360 --> 01:15:46.859 Those places are still going to be

NOTE Confidence: 0.9197907

01:15:46.859 --> 01:15:49.069 places of concentrated violets are still

NOTE Confidence: 0.9197907

01:15:49.069 --> 01:15:51.211 going to be places that experience

NOTE Confidence: 0.9197907

01:15:51.211 --> 01:15:53.580 high rates of coronavirus infection.

NOTE Confidence: 0.9197907

01:15:53.580 --> 01:15:56.010 They are still going to be

NOTE Confidence: 0.9197907

01:15:56.010 --> 01:15:58.949 places of we can go on and on,

NOTE Confidence: 0.9197907

01:15:58.950 --> 01:16:01.380 which means that changing, you know.

NOTE Confidence: 0.9197907

01:16:01.380 --> 01:16:02.905 Getting the kind of policing

NOTE Confidence: 0.9197907

01:16:02.905 --> 01:16:03.820 we want tomorrow,

NOTE Confidence: 0.9197907

01:16:03.820 --> 01:16:06.076 we still have to deal with

NOTE Confidence: 0.9197907

01:16:06.076 --> 01:16:07.990 what we've got right now.

NOTE Confidence: 0.9197907

01:16:07.990 --> 01:16:10.797 And that's not going to be cheap,

NOTE Confidence: 0.9197907

01:16:10.800 --> 01:16:13.212 which gets back to these questions

NOTE Confidence: 0.9197907

01:16:13.212 --> 01:16:14.820 about who sacrificing what.

NOTE Confidence: 0.9197907

01:16:14.820 --> 01:16:16.456 It's going to cost,

NOTE Confidence: 0.9197907

01:16:16.456 --> 01:16:19.250 and what we're all willing to do.

NOTE Confidence: 0.9191508

01:16:22.110 --> 01:16:24.858 Disturb attack onto the topic of

NOTE Confidence: 0.9191508

01:16:24.858 --> 01:16:26.232 intergenerational interventions and

NOTE Confidence: 0.9191508

01:16:26.232 --> 01:16:28.450 also multi sector interventions.

NOTE Confidence: 0.9191508

01:16:28.450 --> 01:16:31.890 I hear you saying we need a comprehensive

NOTE Confidence: 0.9191508

01:16:31.890 --> 01:16:34.512 approach that goes beyond policing

NOTE Confidence: 0.9191508

01:16:34.512 --> 01:16:36.748 beyond criminal legal system.

NOTE Confidence: 0.9191508

124

01:16:36.750 --> 01:16:38.302 There's a question here.

NOTE Confidence: 0.9191508

01:16:38.302 --> 01:16:41.376 Can you speak more about the intersection

NOTE Confidence: 0.9191508

01:16:41.376 --> 01:16:44.068 with education and incarceration?

NOTE Confidence: 0.9191508

01:16:44.070 --> 01:16:47.395 What can parents and communities do when

NOTE Confidence: 0.9191508

01:16:47.395 --> 01:16:49.925 thinking about school systems pushing

NOTE Confidence: 0.9191508

01:16:49.925 --> 01:16:53.428 for change to prevent school to prison?

NOTE Confidence: 0.9191508

01:16:53.430 --> 01:16:56.606 Concerns and to get police out of schools.

NOTE Confidence: 0.9191508

01:16:56.610 --> 01:16:58.835 Also pediatricians role in school

NOTE Confidence: 0.9191508

01:16:58.835 --> 01:17:01.060 system in making sure children

NOTE Confidence: 0.9191508

01:17:01.134 --> 01:17:03.478 get appropriate supports that

NOTE Confidence: 0.9191508

01:17:03.478 --> 01:17:05.236 don't perpetuate disparities.

NOTE Confidence: 0.9191508

01:17:05.240 --> 01:17:07.730 Just while we're on the subject,

NOTE Confidence: 0.9191508

01:17:07.730 --> 01:17:08.560 any thoughts

NOTE Confidence: 0.8803694

01:17:08.560 --> 01:17:11.700 about that? Um, yeah, actually, uhm.

NOTE Confidence: 0.8803694

01:17:11.700 --> 01:17:13.836 Another member of the Justice

NOTE Confidence: 0.8803694

01:17:13.836 --> 01:17:16.410 Collaboratory is professor at the Graduate

125

NOTE Confidence: 0.8803694

01:17:16.486 --> 01:17:18.766 School of education at ruckers up,

NOTE Confidence: 0.8803694

01:17:18.770 --> 01:17:22.514 and we actually produce to a couple of year.

NOTE Confidence: 0.8803694

01:17:22.520 --> 01:17:25.425 I think it's actually on our website.

NOTE Confidence: 0.8803694

01:17:25.430 --> 01:17:28.727 Justice forward where we talk about the

NOTE Confidence: 0.8803694

01:17:28.727 --> 01:17:31.539 connection between education and all of these

NOTE Confidence: 0.8803694

01:17:31.539 --> 01:17:34.160 concepts that give you a little factoid.

NOTE Confidence: 0.8803694

01:17:34.160 --> 01:17:36.656 People spend a lot of time

NOTE Confidence: 0.8803694

01:17:36.656 --> 01:17:38.320 talking about teacher quality,

NOTE Confidence: 0.8803694

01:17:38.320 --> 01:17:41.232 and it's the link between that and

NOTE Confidence: 0.8803694

01:17:41.232 --> 01:17:43.150 children's attainment in schools.

NOTE Confidence: 0.8803694

01:17:43.150 --> 01:17:43.790 Critical, important.

NOTE Confidence: 0.8803694

01:17:43.790 --> 01:17:46.086 It turns out that some research shows

NOTE Confidence: 0.8803694

01:17:46.086 --> 01:17:49.156 that if we if we look at if we broaden

NOTE Confidence: 0.8803694

01:17:49.156 --> 01:17:51.768 the factors to look at all the things

NOTE Confidence: 0.8803694

01:17:51.768 --> 01:17:54.094 that are important to make sure that

NOTE Confidence: 0.8803694

01:17:54.094 --> 01:17:56.670 children get higher test scores and so on.

NOTE Confidence: 0.8803694

01:17:56.670 --> 01:17:58.274 There's some research showing

NOTE Confidence: 0.8803694

01:17:58.274 --> 01:18:00.279 that going to the dentist.

NOTE Confidence: 0.8803694

01:18:00.280 --> 01:18:03.208 Twice a year is produces more impact on

NOTE Confidence: 0.8803694

01:18:03.208 --> 01:18:05.064 children's grades than, quote unquote.

NOTE Confidence: 0.8803694

01:18:05.064 --> 01:18:07.266 A good teacher a doesn't mean,

NOTE Confidence: 0.8803694

01:18:07.270 --> 01:18:08.044 of course,

NOTE Confidence: 0.8803694

01:18:08.044 --> 01:18:09.979 that schools shouldn't care about

NOTE Confidence: 0.8803694

01:18:09.979 --> 01:18:12.230 making sure that teachers aren't as

NOTE Confidence: 0.8803694

01:18:12.230 --> 01:18:14.624 good as they can be within schools,

NOTE Confidence: 0.8803694

01:18:14.630 --> 01:18:16.933 but it don't show in the context

NOTE Confidence: 0.8803694

01:18:16.933 --> 01:18:19.420 of what you were talking about,

NOTE Confidence: 0.8803694

01:18:19.420 --> 01:18:20.142 multi institutions,

NOTE Confidence: 0.8803694

01:18:20.142 --> 01:18:22.669 the kinds of things that we need

NOTE Confidence: 0.8803694

01:18:22.669 --> 01:18:25.149 to do to make sure that children

NOTE Confidence: 0.8803694

01:18:25.149 --> 01:18:27.376 have the best outcomes aren't just

127

NOTE Confidence: 0.8803694

01:18:27.376 --> 01:18:29.346 about what happens in schools,

NOTE Confidence: 0.8803694

01:18:29.350 --> 01:18:31.672 even though those are the things

NOTE Confidence: 0.8803694

01:18:31.672 --> 01:18:33.458 that schools. Have control of.

NOTE Confidence: 0.8803694

01:18:33.458 --> 01:18:36.314 It's also the case that kids and the

NOTE Confidence: 0.8803694

01:18:36.314 --> 01:18:38.018 public generally receive education

NOTE Confidence: 0.8803694

01:18:38.018 --> 01:18:40.770 outside of the walls of schools,

NOTE Confidence: 0.8803694

01:18:40.770 --> 01:18:43.140 so you know this justice collaborate.

NOTE Confidence: 0.8803694

01:18:43.140 --> 01:18:43.491 Remember,

NOTE Confidence: 0.8803694

01:18:43.491 --> 01:18:46.299 I was just talking about Ben Justice and

NOTE Confidence: 0.8803694

01:18:46.299 --> 01:18:49.560 I wrote a piece called how the criminal

NOTE Confidence: 0.8803694

01:18:49.560 --> 01:18:51.832 justice system educate citizens, right?

NOTE Confidence: 0.8803694

01:18:51.832 --> 01:18:54.436 This is the kind of thing that

NOTE Confidence: 0.8803694

01:18:54.436 --> 01:18:57.000 we need to be thinking about,

NOTE Confidence: 0.8803694

01:18:57.000 --> 01:18:57.870 you know,

NOTE Confidence: 0.8803694

01:18:57.870 --> 01:19:00.480 to ensure making sure that people

NOTE Confidence: 0.8803694

01:19:00.480 --> 01:19:02.459 understand sort of the basics.

NOTE Confidence: 0.8803694

01:19:02.460 --> 01:19:05.110 Of you know the importance

NOTE Confidence: 0.8803694

01:19:05.110 --> 01:19:07.230 of what citizens deserve.

NOTE Confidence: 0.8803694

01:19:07.230 --> 01:19:09.726 You know, you know, collective thinking,

NOTE Confidence: 0.8803694

01:19:09.730 --> 01:19:12.404 the fact that you know that there's

NOTE Confidence: 0.8803694

01:19:12.404 --> 01:19:15.148 not only one kind of capitalism.

NOTE Confidence: 0.8803694

01:19:15.150 --> 01:19:15.984 For example,

NOTE Confidence: 0.8803694

01:19:15.984 --> 01:19:18.069 you know basics of history,

NOTE Confidence: 0.8803694

01:19:18.070 --> 01:19:21.294 you know the fact that I started this

NOTE Confidence: 0.8803694

01:19:21.294 --> 01:19:23.521 discussion about the relationship

NOTE Confidence: 0.8803694

01:19:23.521 --> 01:19:26.209 between abolition and reconstruction.

NOTE Confidence: 0.8803694

01:19:26.210 --> 01:19:28.736 Something that people generally don't know.

NOTE Confidence: 0.8803694

01:19:28.740 --> 01:19:31.578 A lot of people learned about

NOTE Confidence: 0.8803694

01:19:31.578 --> 01:19:34.140 the race massacre in Tulsa.

NOTE Confidence: 0.8803694

01:19:34.140 --> 01:19:38.610 Through Watchmen A TV show.

NOTE Confidence: 0.8803694

01:19:38.610 --> 01:19:39.085 Right?

NOTE Confidence: 0.8803694

01:19:39.085 --> 01:19:41.935 I lost the thread because I

NOTE Confidence: 0.8803694

01:19:41.935 --> 01:19:44.259 was getting worked up about.

NOTE Confidence: 0.8803694

01:19:44.260 --> 01:19:46.330 You know the important stuff

NOTE Confidence: 0.886392

01:19:46.330 --> 01:19:49.705 you know educationally many sectors

NOTE Confidence: 0.886392

01:19:49.705 --> 01:19:52.069 meeting. Yeah, produces it.

NOTE Confidence: 0.90802234

01:19:52.070 --> 01:19:56.561 But you know, we do know that having you

NOTE Confidence: 0.90802234

01:19:56.561 --> 01:20:00.410 know violence in schools, whether it's.

NOTE Confidence: 0.90802234

01:20:00.410 --> 01:20:03.492 Having police um, doing that or uhm,

NOTE Confidence: 0.90802234

01:20:03.492 --> 01:20:06.388 the in a violence among the kids

NOTE Confidence: 0.90802234

01:20:06.388 --> 01:20:09.274 because they live the schools are

NOTE Confidence: 0.90802234

01:20:09.274 --> 01:20:11.730 located in violent context is.

NOTE Confidence: 0.90802234

01:20:11.730 --> 01:20:13.606 It impedes educational attainment,

NOTE Confidence: 0.90802234

01:20:13.606 --> 01:20:17.787 which leads to a lot of the other factors

NOTE Confidence: 0.90802234

01:20:17.787 --> 01:20:20.783 that we were just talking about it.

NOTE Confidence: 0.90802234

01:20:20.790 --> 01:20:23.954 It's interesting that an I feel heart,

NOTE Confidence: 0.90802234

01:20:23.960 --> 01:20:26.540 and actually that in a conversation

NOTE Confidence: 0.90802234

01:20:26.540 --> 01:20:29.446 in the medical school we have spent

NOTE Confidence: 0.90802234

01:20:29.446 --> 01:20:32.029 so little time talking about how to

NOTE Confidence: 0.90802234

01:20:32.114 --> 01:20:35.372 fix particular aspects of our systems

NOTE Confidence: 0.90802234

01:20:35.372 --> 01:20:37.544 to assign criminal responsibility,

NOTE Confidence: 0.90802234

01:20:37.550 --> 01:20:40.791 and we've had a really deep and

NOTE Confidence: 0.90802234

01:20:40.791 --> 01:20:42.180 wide ranging discussion.

NOTE Confidence: 0.90802234

01:20:42.180 --> 01:20:44.260 About inequality and structural inequality,

NOTE Confidence: 0.90802234

01:20:44.260 --> 01:20:46.504 and you know the importance of

NOTE Confidence: 0.90802234

01:20:46.504 --> 01:20:48.840 eradicating that to achieve citizenship.

NOTE Confidence: 0.90802234

01:20:48.840 --> 01:20:52.206 So I actually am feeling more hopeful that I

NOTE Confidence: 0.90802234

01:20:52.206 --> 01:20:55.488 ever have been in conversations like this,

NOTE Confidence: 0.90802234

01:20:55.490 --> 01:20:56.735 because, you know,

NOTE Confidence: 0.90802234

01:20:56.735 --> 01:20:59.640 maybe y'all and the health care system

NOTE Confidence: 0.90802234

01:20:59.719 --> 01:21:02.372 you know are looking at the right

NOTE Confidence: 0.90802234

01:21:02.372 --> 01:21:04.480 things compared to the audiences

NOTE Confidence: 0.90802234

01:21:04.480 --> 01:21:06.720 that I'm usually speaking to.

NOTE Confidence: 0.790023740909091

01:21:08.980 --> 01:21:11.450 Thank you. Any reflections from

NOTE Confidence: 0.790023740909091

01:21:11.450 --> 01:21:14.270 doctor Wang or Sydney Mean No.

NOTE Confidence: 0.879475534117647

01:21:16.280 --> 01:21:19.232 I. If not I I'm gonna put together

NOTE Confidence: 0.879475534117647

01:21:19.232 --> 01:21:21.791 2 questions that really seemed to

NOTE Confidence: 0.879475534117647

01:21:21.791 --> 01:21:24.369 bring this home. Uh, you know,

NOTE Confidence: 0.879475534117647

01:21:24.369 --> 01:21:26.907 'cause I really appreciated the speakers.

NOTE Confidence: 0.879475534117647

01:21:26.910 --> 01:21:30.006 Challenge to us to bring this right home.

NOTE Confidence: 0.879475534117647

01:21:30.010 --> 01:21:32.551 You know what are we doing personally

NOTE Confidence: 0.879475534117647

01:21:32.551 --> 01:21:35.419 in our work and our community life.

NOTE Confidence: 0.879475534117647

01:21:35.420 --> 01:21:38.516 So, um, the first is what is Yale?

NOTE Confidence: 0.879475534117647

01:21:38.520 --> 01:21:40.686 New Haven hospital going to commit

NOTE Confidence: 0.879475534117647

01:21:40.686 --> 01:21:43.461 from this perspective is the only even

NOTE Confidence: 0.879475534117647

01:21:43.461 --> 01:21:45.571 hospital billing open to collaborating

NOTE Confidence: 0.879475534117647

01:21:45.571 --> 01:21:47.200 with transitions for employment

NOTE Confidence: 0.879475534117647

01:21:47.200 --> 01:21:49.354 leading a fair pay and benefits,

NOTE Confidence: 0.879475534117647

01:21:49.360 --> 01:21:51.288 especially for health care jobs

NOTE Confidence: 0.879475534117647

01:21:51.290 --> 01:21:53.999 label does low skill, so that's one.

NOTE Confidence: 0.879475534117647

01:21:54.000 --> 01:21:56.358 And then the 2nd as abolitionists

NOTE Confidence: 0.879475534117647

01:21:56.358 --> 01:21:58.719 merriam Kava tells us we cannot.

NOTE Confidence: 0.879475534117647

01:21:58.720 --> 01:22:01.348 Advocate for or participate in any

NOTE Confidence: 0.879475534117647

01:22:01.348 --> 01:22:03.100 activity that strengthens legitimacy

NOTE Confidence: 0.879475534117647

01:22:03.163 --> 01:22:05.198 of the prison industrial complex.

NOTE Confidence: 0.879475534117647

01:22:05.200 --> 01:22:06.496 So as abolitionists,

NOTE Confidence: 0.879475534117647

01:22:06.496 --> 01:22:07.360 healthcare providers.

NOTE Confidence: 0.879475534117647

01:22:07.360 --> 01:22:10.713 How can we provide health care to

NOTE Confidence: 0.879475534117647

01:22:10.713 --> 01:22:13.375 incarcerated people within the prison

NOTE Confidence: 0.879475534117647

01:22:13.375 --> 01:22:16.225 system without further legitimizing it?

NOTE Confidence: 0.879475534117647

01:22:16.230 --> 01:22:17.300 Any thoughts?

NOTE Confidence: 0.90290743

01:22:18.850 --> 01:22:21.578 That cuts to the core that last question,

NOTE Confidence: 0.90290743

01:22:21.580 --> 01:22:24.260 the core of the core for me and I just

133

NOTE Confidence: 0.90290743

01:22:24.330 --> 01:22:26.694 so appreciate that question because I

NOTE Confidence: 0.90290743

01:22:26.694 --> 01:22:29.758 think it's a daily struggle in my life.

NOTE Confidence: 0.90290743

01:22:29.760 --> 01:22:31.470 We've made decisions again at,

NOTE Confidence: 0.90290743

01:22:31.470 --> 01:22:33.510 you know, and there's the personal

NOTE Confidence: 0.90290743

01:22:33.510 --> 01:22:35.269 decisions and kind of professional

NOTE Confidence: 0.90290743

01:22:35.269 --> 01:22:37.607 ones we've made made as a team.

NOTE Confidence: 0.90290743

01:22:37.610 --> 01:22:39.650 And so I'll go to the

NOTE Confidence: 0.90290743

01:22:39.650 --> 01:22:40.670 professional that's easier.

NOTE Confidence: 0.90290743

01:22:40.670 --> 01:22:43.044 Which is to say that, you know,

NOTE Confidence: 0.90290743

01:22:43.044 --> 01:22:46.808 as a network and is a lab and as a centre,

NOTE Confidence: 0.90290743

01:22:46.810 --> 01:22:49.858 we again have centered at the values needs.

NOTE Confidence: 0.90290743

01:22:49.860 --> 01:22:52.296 And preferences of people that are

NOTE Confidence: 0.90290743

01:22:52.296 --> 01:22:55.039 incarcerated so have made concrete decisions

NOTE Confidence: 0.90290743

01:22:55.039 --> 01:22:58.183 with that in partnership and collaboration,

NOTE Confidence: 0.90290743

01:22:58.190 --> 01:23:01.116 which includes we don't take direct funding

NOTE Confidence: 0.90290743

134

01:23:01.116 --> 01:23:03.750 within transitions from correctional systems.

NOTE Confidence: 0.90290743

01:23:03.750 --> 01:23:06.522 We really work up against reinforcing

NOTE Confidence: 0.90290743

01:23:06.522 --> 01:23:09.309 kind of again systems of control,

NOTE Confidence: 0.90290743

01:23:09.310 --> 01:23:10.142 surveillance etc.

NOTE Confidence: 0.90290743

01:23:10.142 --> 01:23:12.222 An and you know real

NOTE Confidence: 0.90290743

01:23:12.222 --> 01:23:14.400 concrete way of describing.

NOTE Confidence: 0.90290743

01:23:14.400 --> 01:23:17.298 That is like asking our advisory

NOTE Confidence: 0.90290743

01:23:17.298 --> 01:23:19.870 boards over and over again.

NOTE Confidence: 0.90290743

01:23:19.870 --> 01:23:21.122 Urine toxicology is how

NOTE Confidence: 0.90290743

01:23:21.122 --> 01:23:22.687 do they feel about that?

NOTE Confidence: 0.90290743

01:23:22.690 --> 01:23:25.186 Even if the clinic system and you know,

NOTE Confidence: 0.90290743

01:23:25.190 --> 01:23:25.778 Interestingly, some,

NOTE Confidence: 0.90290743

01:23:25.778 --> 01:23:26.954 the discussion is actually

NOTE Confidence: 0.90290743

01:23:26.954 --> 01:23:28.630 different than we might experience.

NOTE Confidence: 0.90290743

01:23:28.630 --> 01:23:31.451 So again, my point is just centering

NOTE Confidence: 0.90290743

01:23:31.451 --> 01:23:34.278 again our policies and practices around.

NOTE Confidence: 0.90290743

01:23:34.280 --> 01:23:34.980 Their values,

NOTE Confidence: 0.90290743

01:23:34.980 --> 01:23:36.380 I think, is critical.

NOTE Confidence: 0.90290743

01:23:36.380 --> 01:23:38.480 For myself, this is kind of,

NOTE Confidence: 0.90290743

01:23:38.480 --> 01:23:41.980 I'd say what I think about all the time is.

NOTE Confidence: 0.92837703

01:23:44.630 --> 01:23:45.584 You know, yeah?

NOTE Confidence: 0.92837703

01:23:45.584 --> 01:23:49.089 and I and I think like I think you know,

NOTE Confidence: 0.92837703

01:23:49.090 --> 01:23:51.826 you only have 24 hours in the day.

NOTE Confidence: 0.92837703

01:23:51.830 --> 01:23:55.030 How is it that you kind of bring your best

NOTE Confidence: 0.92837703

01:23:55.111 --> 01:23:58.007 self to this work and push it forward?

NOTE Confidence: 0.92837703

01:23:58.010 --> 01:24:00.215 and I think that really hard struggle

NOTE Confidence: 0.92837703

01:24:00.215 --> 01:24:02.807 that we have is health care providers.

NOTE Confidence: 0.92837703

01:24:02.810 --> 01:24:04.707 Is this real fact is that there

NOTE Confidence: 0.92837703

01:24:04.707 --> 01:24:06.394 are patients that are incarcerated

NOTE Confidence: 0.92837703

01:24:06.394 --> 01:24:08.439 right now that without healthcare

NOTE Confidence: 0.92837703

01:24:08.439 --> 01:24:09.666 providers being inside?

NOTE Confidence: 0.86392516

01:24:11.680 --> 01:24:13.732 Their stock, the script there's there's

NOTE Confidence: 0.86392516

01:24:13.732 --> 01:24:15.754 no way moving forward, you know,

NOTE Confidence: 0.86392516

01:24:15.754 --> 01:24:18.860 and so I have kind of the deep best.

NOTE Confidence: 0.86392516

01:24:18.860 --> 01:24:22.048 I'd say most radical.

NOTE Confidence: 0.86392516

01:24:22.050 --> 01:24:24.160 Their colleagues that are practicing

NOTE Confidence: 0.86392516

01:24:24.160 --> 01:24:27.212 inside that see this as an important

NOTE Confidence: 0.86392516

01:24:27.212 --> 01:24:31.190 part of abolition, you know and.

NOTE Confidence: 0.86392516

01:24:31.190 --> 01:24:33.025 As the provision of healthcare

NOTE Confidence: 0.86392516

01:24:33.025 --> 01:24:34.493 inside if provided well,

NOTE Confidence: 0.86392516

01:24:34.500 --> 01:24:36.340 is a path for decarceration,

NOTE Confidence: 0.86392516

01:24:36.340 --> 01:24:38.554 the provision of Healthcare is a

NOTE Confidence: 0.86392516

01:24:38.554 --> 01:24:40.453 way of reforming someone's humanity

NOTE Confidence: 0.86392516

01:24:40.453 --> 01:24:42.595 inside as a path for abolition,

NOTE Confidence: 0.86392516

01:24:42.600 --> 01:24:44.826 and that said, I think that this

NOTE Confidence: 0.86392516

01:24:44.826 --> 01:24:47.009 is really very very complicated.

NOTE Confidence: 0.86392516

01:24:47.010 --> 01:24:49.370 I mean, I saw that they came out

NOTE Confidence: 0.86392516

01:24:49.370 --> 01:24:51.591 saying that now there's kind of

NOTE Confidence: 0.86392516

01:24:51.591 --> 01:24:53.147 statements yesterday where they

NOTE Confidence: 0.86392516

01:24:53.147 --> 01:24:55.480 are no longer in partnership,

NOTE Confidence: 0.86392516

01:24:55.480 --> 01:24:56.948 know grants, no funds,

NOTE Confidence: 0.86392516

01:24:56.948 --> 01:24:58.416 nothing with the police,

NOTE Confidence: 0.86392516

01:24:58.420 --> 01:25:00.260 and they distinguished the police

NOTE Confidence: 0.86392516

01:25:00.260 --> 01:25:00.996 from prisons.

NOTE Confidence: 0.86392516

01:25:01.000 --> 01:25:03.100 This American public Health Association.

NOTE Confidence: 0.86392516

01:25:03.100 --> 01:25:04.590 And to me, that's complicated.

NOTE Confidence: 0.86392516

01:25:04.590 --> 01:25:05.802 It's deeply complicated in

NOTE Confidence: 0.86392516

01:25:05.802 --> 01:25:07.317 Speaking of someone that works

NOTE Confidence: 0.86392516

01:25:07.317 --> 01:25:08.758 mostly with prisons and jails.

NOTE Confidence: 0.86392516

01:25:08.760 --> 01:25:10.846 How do you create a transitional program?

NOTE Confidence: 0.86392516

01:25:10.850 --> 01:25:12.335 How do you create unified

NOTE Confidence: 0.86392516

01:25:12.335 --> 01:25:13.226 electronic health records?

NOTE Confidence: 0.86392516

01:25:13.230 --> 01:25:15.777 How do you improve the care of those that

NOTE Confidence: 0.86392516

01:25:15.777 --> 01:25:18.595 come home at we're doing worse than you know.

NOTE Confidence: 0.86392516

01:25:18.600 --> 01:25:19.788 The data showed that.

NOTE Confidence: 0.86392516

01:25:19.788 --> 01:25:20.976 And so to me,

NOTE Confidence: 0.86392516

01:25:20.980 --> 01:25:22.470 I think that that question.

NOTE Confidence: 0.86392516

01:25:22.470 --> 01:25:24.814 I just keep pointing up to the top

NOTE Confidence: 0.86392516

01:25:24.814 --> 01:25:26.937 my screen 'cause I see it right.

NOTE Confidence: 0.86392516

01:25:26.940 --> 01:25:29.730 There is at the core kind of the values that

NOTE Confidence: 0.86392516

01:25:29.802 --> 01:25:32.592 undergird do I don't have an answer to that,

NOTE Confidence: 0.86392516

01:25:32.600 --> 01:25:35.040 but I really appreciate it 'cause it's that.

NOTE Confidence: 0.86392516

01:25:35.040 --> 01:25:36.076 I think that motivates.

NOTE Confidence: 0.86392516

01:25:36.076 --> 01:25:38.420 You know why any of us do this work.

NOTE Confidence: 0.71652776

01:25:44.720 --> 01:25:45.890 So Sidney, you're going to have

NOTE Confidence: 0.71652776

01:25:45.890 --> 01:25:48.230 the last word on this one. No,

NOTE Confidence: 0.87955713

01:25:48.230 --> 01:25:49.550 I'll let you have

NOTE Confidence: 0.87955713

01:25:49.550 --> 01:25:52.190 it. Well, I think we have two minutes.

NOTE Confidence: 0.87955713

01:25:52.190 --> 01:25:54.170 I'll go quickly to make sure

NOTE Confidence: 0.87955713

01:25:54.170 --> 01:25:56.320 that you had the last word.

NOTE Confidence: 0.87955713

01:25:56.320 --> 01:26:01.150 I, I notice that question in the Q&A. And.

NOTE Confidence: 0.93047863

01:26:03.360 --> 01:26:07.300 I think my my reaction was that I understand

NOTE Confidence: 0.93047863

01:26:07.300 --> 01:26:10.187 why someone would ask that question.

NOTE Confidence: 0.93047863

01:26:10.190 --> 01:26:12.465 I understand the motivation for

NOTE Confidence: 0.93047863

01:26:12.465 --> 01:26:14.740 quoting someone like Mario macabre,

NOTE Confidence: 0.93047863

01:26:14.740 --> 01:26:18.548 but I actually think her own work.

NOTE Confidence: 0.93047863

01:26:18.550 --> 01:26:22.422 Cobb's on the work actually shows how someone

NOTE Confidence: 0.93047863

01:26:22.422 --> 01:26:26.267 could be convicted with respect to that.

NOTE Confidence: 0.93047863

01:26:26.270 --> 01:26:29.864 Approach, but do things that other

NOTE Confidence: 0.93047863

01:26:29.864 --> 01:26:33.790 people would view as legitimizing.

NOTE Confidence: 0.93047863

01:26:33.790 --> 01:26:35.995 Current structures because if you

NOTE Confidence: 0.93047863

01:26:35.995 --> 01:26:38.650 look at things that she's done,

NOTE Confidence: 0.93047863

01:26:38.650 --> 01:26:41.154 it's not as if she would never ever

NOTE Confidence: 0.93047863

01:26:41.154 --> 01:26:43.638 speak to police as they exist now.

NOTE Confidence: 0.93047863

01:26:43.640 --> 01:26:45.596 That's not what she has actually

NOTE Confidence: 0.93047863

01:26:45.596 --> 01:26:47.310 done in her own work.

NOTE Confidence: 0.93047863

01:26:47.310 --> 01:26:49.303 If if you look at it,

NOTE Confidence: 0.93047863

01:26:49.303 --> 01:26:51.620 that's not to say that in working with

NOTE Confidence: 0.93047863

01:26:51.620 --> 01:26:53.960 them in some way that she understands

NOTE Confidence: 0.93047863

01:26:53.960 --> 01:26:56.300 herself to be legitimizing it them.

NOTE Confidence: 0.93047863

01:26:56.300 --> 01:26:58.316 I'm saying that somebody looking at

NOTE Confidence: 0.93047863

01:26:58.316 --> 01:27:00.628 her from the outside could say that,

NOTE Confidence: 0.93047863

01:27:00.630 --> 01:27:03.286 and I point that out to say that.

NOTE Confidence: 0.9452384

01:27:04.600 --> 01:27:05.648 I don't think I

NOTE Confidence: 0.9452384

01:27:05.650 --> 01:27:07.880 have ever been an idealist.

NOTE Confidence: 0.9452384

01:27:07.880 --> 01:27:10.910 I'm from Chicago and Chicagoans are

NOTE Confidence: 0.9452384

01:27:10.910 --> 01:27:13.844 sort of famously pragmatists, a man.

NOTE Confidence: 0.9452384

01:27:13.844 --> 01:27:16.586 I think that if you are

NOTE Confidence: 0.9452384

01:27:16.586 --> 01:27:19.498 going to get things done,

141

NOTE Confidence: 0.9452384

01:27:19.500 --> 01:27:22.470 you're necessarily going to make some

NOTE Confidence: 0.9452384

01:27:22.470 --> 01:27:26.054 choices that others who have a different

NOTE Confidence: 0.9452384

01:27:26.054 --> 01:27:29.084 form of understanding their own ideals,

NOTE Confidence: 0.9452384

01:27:29.090 --> 01:27:31.110 you know, would criticize.

NOTE Confidence: 0.9452384

01:27:31.110 --> 01:27:33.130 And making that claim.

NOTE Confidence: 0.9452384

01:27:33.130 --> 01:27:36.870 I'm not saying, You know.

NOTE Confidence: 0.9452384

01:27:36.870 --> 01:27:39.510 Get your hands or and you know I'm

NOTE Confidence: 0.9452384

01:27:39.510 --> 01:27:42.116 not trying to be sort of, you know.

NOTE Confidence: 0.9452384

01:27:42.116 --> 01:27:44.624 There are these things that you

NOTE Confidence: 0.9452384

01:27:44.624 --> 01:27:47.507 should do that are bad or illegal

NOTE Confidence: 0.9452384

01:27:47.507 --> 01:27:50.050 that that that's not the point.

NOTE Confidence: 0.9452384

01:27:50.050 --> 01:27:50.814 You know.

NOTE Confidence: 0.9452384

01:27:50.814 --> 01:27:53.484 You know, I, I think about there

NOTE Confidence: 0.9452384

01:27:53.484 --> 01:27:55.008 are many examples abolitionists.

NOTE Confidence: 0.9452384

01:27:55.010 --> 01:27:56.070 Frederick Douglass.

NOTE Confidence: 0.9452384

01:27:56.070 --> 01:27:57.660 As an example,

NOTE Confidence: 0.9452384

01:27:57.660 --> 01:27:59.856 who would do things that many

NOTE Confidence: 0.9452384

01:27:59.856 --> 01:28:01.892 idealists would say were clearly

NOTE Confidence: 0.9452384

01:28:01.892 --> 01:28:03.900 consistent with their ideals,

NOTE Confidence: 0.9452384

01:28:03.900 --> 01:28:07.941 and then he would also do things that people

NOTE Confidence: 0.9452384

01:28:07.941 --> 01:28:11.390 might look at and be a little bit like,

NOTE Confidence: 0.9452384

01:28:11.390 --> 01:28:12.220 Oh wait,

NOTE Confidence: 0.9452384

01:28:12.220 --> 01:28:14.710 that's not a pure abolitionist approach,

NOTE Confidence: 0.9452384

01:28:14.710 --> 01:28:16.790 I just don't think that

NOTE Confidence: 0.9452384

01:28:16.790 --> 01:28:18.870 there's any purity to this.

NOTE Confidence: 0.9452384

01:28:18.870 --> 01:28:20.950 If you're actually on the

NOTE Confidence: 0.9452384

01:28:20.950 --> 01:28:22.614 ground doing the work,

NOTE Confidence: 0.9452384

01:28:22.620 --> 01:28:27.080 you know the people who can be the most pure.

NOTE Confidence: 0.9452384

01:28:27.080 --> 01:28:30.468 Are the people who write about it.

NOTE Confidence: 0.9452384

01:28:30.470 --> 01:28:31.634 And that's fine.

NOTE Confidence: 0.9452384

01:28:31.634 --> 01:28:32.410 That's great.

NOTE Confidence: 0.9452384

01:28:32.410 --> 01:28:33.236 An important,

NOTE Confidence: 0.9452384

01:28:33.236 --> 01:28:35.714 but I think if you're actually

NOTE Confidence: 0.9452384

01:28:35.714 --> 01:28:37.938 there on the ground doing

NOTE Confidence: 0.9452384

01:28:37.938 --> 01:28:40.123 something that it is impossible

NOTE Confidence: 0.9452384

01:28:40.123 --> 01:28:42.638 to make a move that someone.

NOTE Confidence: 0.9452384

01:28:42.640 --> 01:28:44.524 Cannot ultimately criticize

NOTE Confidence: 0.9452384

01:28:44.524 --> 01:28:46.408 an understandably so.

NOTE Confidence: 0.8020424

01:28:50.120 --> 01:28:51.764 Thank you and now the last

NOTE Confidence: 0.8020424

01:28:51.764 --> 01:28:52.860 word from Sydney cream.

NOTE Confidence: 0.89035773

01:28:54.400 --> 01:28:55.552 Super short, uhm.

NOTE Confidence: 0.89035773

01:28:55.552 --> 01:28:57.856 I just want to speak specifically

NOTE Confidence: 0.89035773

01:28:57.856 --> 01:29:00.379 to Chinese and medical students.

NOTE Confidence: 0.89035773

01:29:00.380 --> 01:29:02.930 Don't wait, you're not going to

NOTE Confidence: 0.89035773

01:29:02.930 --> 01:29:05.555 get more power than you have

NOTE Confidence: 0.89035773

01:29:05.555 --> 01:29:08.057 right now as a medical student.

NOTE Confidence: 0.89035773

144

01:29:08.060 --> 01:29:11.640 They need our labor.

NOTE Confidence: 0.89035773

01:29:11.640 --> 01:29:14.136 And and so as a collective are our

NOTE Confidence: 0.89035773

01:29:14.136 --> 01:29:16.529 voices can be just as powerful an

NOTE Confidence: 0.89035773

01:29:16.529 --> 01:29:18.518 I'm just excited for, you know,

NOTE Confidence: 0.89035773

01:29:18.518 --> 01:29:20.088 so many people joining this

NOTE Confidence: 0.89035773

01:29:20.088 --> 01:29:22.194 call and thank you to doctor

NOTE Confidence: 0.89035773

01:29:22.194 --> 01:29:24.034 long and professor mirrors for

NOTE Confidence: 0.89035773

01:29:24.034 --> 01:29:25.986 really educating us today and and

NOTE Confidence: 0.89035773

01:29:25.986 --> 01:29:27.426 sharing your time with us.

NOTE Confidence: 0.89035773

01:29:27.430 --> 01:29:28.750 I really appreciate it.

NOTE Confidence: 0.91481566

01:29:31.120 --> 01:29:33.367 Amen, and thank you Sidney green as

NOTE Confidence: 0.91481566

01:29:33.367 --> 01:29:35.909 well as Tracy mirrors and Emily Wong.

NOTE Confidence: 0.91481566

01:29:35.910 --> 01:29:38.638 Thank you so much. Spend a wonderful night.

NOTE Confidence: 0.9249406

01:29:40.390 --> 01:29:41.460 Thanks everybody.
