The following survey should take about 15 minutes to complete. Please answer all the questions to the best of your ability. Please fill in the circle ☑ for each of the following.

1. Age: __ years old

2. Race: 
   - 0 WHITE
   - 0 AFRICAN AMERICAN
   - 0 HISPANIC/LATINO
   - 0 ASIAN
   - 0 OTHER

3. Sex: 
   - 0 MALE
   - 0 FEMALE

4. Specialty: 
   - 0 INFECTIOUS DISEASE
   - 0 GENERAL MEDICINE
   - 0 OTHER

5. Degree: 
   - 0 MD/DO
   - 0 RN
   - 0 PA/NP
   - 0 OTHER

6. If MD/DO, what is your status: 
   - 0 STUDENT
   - 0 RESIDENT
   - 0 FELLOW
   - 0 ATTENDING

7. Board Certification: 
   - 0 INFECTIOUS DISEASE
   - 0 GENERAL MEDICINE
   - 0 OTHER

8. Years in practice since completing your professional training: __ years

9. Are you considered an expert in: 
   - a. general medical care? 0 YES 0 NO
   - b. in HIV care? 0 YES 0 NO

10. Do you: 
    - a. Drink Alcohol? 0 YES 0 NO
    - b. Smoke Cigarettes? 0 YES 0 NO
    - c. Exercise Regularly? 0 YES 0 NO

11. Do you have any chronic condition for which you must take daily medications? 0 YES 0 NO

12. Have you ever had a life threatening condition? 0 YES 0 NO

13. Do you struggle with weight control? 0 YES 0 NO
14. Thinking about a typical week in your practice:

a. How many patients do you care for? __________ patients
b. What percent have HIV infection? __________%
c. What percent are suffering adverse affects from medications? __________%
d. What percent have significant cognitive impairment? __________%
e. What percent have significant depression? __________%
f. What percent have hypertension? __________%
g. What percent have hyperlipidemia? __________%
h. What percent have pulmonary disease? __________%
i. What percent have diabetes? __________%
j. What percent have any kind of hepatitis? __________%
k. What percent are currently smoking? __________%
l. What percent are currently using illicit drugs? __________%
m. What percent are harmed by their alcohol consumption? __________%
n. What percent take 50% or less of their medications? __________%

15. How comfortable are you in prescribing the following types of medications?

<table>
<thead>
<tr>
<th>Type of Medications</th>
<th>NOT COMFORTABLE</th>
<th>VERY COMFORTABLE</th>
</tr>
</thead>
<tbody>
<tr>
<td>a. Antiretrovirals (NRTIs, NNRTIs, protease inhibitors)</td>
<td>0</td>
<td>0</td>
</tr>
<tr>
<td>b. Antidepressants (SSRIs or tricyclics)</td>
<td>0</td>
<td>0</td>
