Elective Description:

The primary educational objective of the YNHH-SRC Infectious Disease Consult Elective rotation is to provide internal medicine residents with a scholarly environment for learning the evaluation and management of community acquired and nosocomial infectious disease problems.

Residents participate as active members of the consultative service at Yale-New Haven Hospital-SRC. This includes daily attending rounds and Infectious Disease Section conferences.

For those residents who are scheduled, please see “Important Information” below.

IMPORTANT INFORMATION!

The night before you start your rotation, page the ID Fellow at YNHH-SRC the night before your start date. To page from outside, dial 203-789-5990 and enter the ID fellow pager 17460. This is a consistent pager – no matter who the ID fellow at YNHH-SRC, they always have this pager. The resident should arrange to meet the fellow in the main lobby of the hospital. See attached map. Residents should always feel free to page or call Dr. Marjorie Golden with any issues.

Yale Affiliated Hospital Program (YAHP) Residents are required to complete EPIC Computer Training in order to participate in this elective. See section below about EPIC Training for Affiliates.
