NOTE duration:"00:17:20" NOTE recognizability:0.933

NOTE language:en-us

NOTE Confidence: 0.93476975

00:00:02.200 --> 00:00:03.292 Well, good morning.

NOTE Confidence: 0.93476975

 $00:00:03.292 \longrightarrow 00:00:05.476$  It's really good to see you.

NOTE Confidence: 0.93476975

 $00:00:05.480 \longrightarrow 00:00:08.216$  And this is one of the more important

NOTE Confidence: 0.93476975

 $00:00:08.216 \longrightarrow 00:00:10.300$  days that we have in the year.

NOTE Confidence: 0.93476975

00:00:10.300 --> 00:00:12.680 Some of you have been here already,

NOTE Confidence: 0.93476975

 $00:00:12.680 \longrightarrow 00:00:14.030$  as Linda said,

NOTE Confidence: 0.93476975

 $00:00:14.030 \longrightarrow 00:00:16.280$  and you're just changing roles.

NOTE Confidence: 0.93476975

 $00{:}00{:}16.280 \to 00{:}00{:}18.653$  But we hope that you're going to

NOTE Confidence: 0.93476975

 $00:00:18.653 \longrightarrow 00:00:20.809$  still learn something new about the

NOTE Confidence: 0.93476975

 $00:00:20.809 \longrightarrow 00:00:23.140$  institution that you hadn't thought about.

NOTE Confidence: 0.93476975

00:00:23.140 --> 00:00:25.360 And of course, as a School of Medicine,

NOTE Confidence: 0.93476975

 $00:00:25.360 \longrightarrow 00:00:28.360$  we're privileged to have many missions,

NOTE Confidence: 0.93476975

 $00:00:28.360 \longrightarrow 00:00:28.973$  education,

 $00:00:28.973 \longrightarrow 00:00:32.038$  research and our clinical mission.

NOTE Confidence: 0.93476975

 $00{:}00{:}32.040 \dashrightarrow 00{:}00{:}34.600$  And one of the things that we did

NOTE Confidence: 0.93476975

 $00{:}00{:}34.600 \dashrightarrow 00{:}00{:}36.840$  during COVID and it turned out that

NOTE Confidence: 0.93476975

 $00:00:36.840 \longrightarrow 00:00:40.018$  Zoom was an excellent media for focus

NOTE Confidence: 0.93476975

 $00:00:40.018 \longrightarrow 00:00:43.279$  groups was revise our mission statement.

NOTE Confidence: 0.93476975

 $00{:}00{:}43.280 \dashrightarrow 00{:}00{:}44.875$  And I think this captures

NOTE Confidence: 0.93476975

 $00:00:44.875 \longrightarrow 00:00:46.840$  a lot about who we are.

NOTE Confidence: 0.93476975

 $00{:}00{:}46.840 \dashrightarrow 00{:}00{:}48.600$  We educate and nurture creative

NOTE Confidence: 0.93476975

 $00{:}00{:}48.600 \dashrightarrow 00{:}00{:}50.360$  leaders in medicine and science,

NOTE Confidence: 0.93476975

00:00:50.360 --> 00:00:52.560 promoting curiosity and critical

NOTE Confidence: 0.93476975

00:00:52.560 --> 00:00:54.760 inquiry in an inclusive

NOTE Confidence: 0.93476975

00:00:54.760 --> 00:00:56.870 environment enriched by diversity.

NOTE Confidence: 0.93476975

00:00:56.870 --> 00:00:59.054 Those of you who have been here for

NOTE Confidence: 0.93476975

 $00:00:59.054 \longrightarrow 00:01:01.492$  a while know that our educational

NOTE Confidence: 0.93476975

 $00:01:01.492 \longrightarrow 00:01:03.582$  philosophy is summed up in

NOTE Confidence: 0.93476975

 $00{:}01{:}03.582 \dashrightarrow 00{:}01{:}05.622$  the words the Yale system.

00:01:05.630 --> 00:01:07.226 It's been around for a long time,

NOTE Confidence: 0.93476975

 $00:01:07.230 \longrightarrow 00:01:09.588$  but we, before it was fashionable,

NOTE Confidence: 0.93476975

 $00:01:09.590 \longrightarrow 00:01:11.669$  did not have grades or class rank,

NOTE Confidence: 0.93476975

 $00:01:11.670 \longrightarrow 00:01:15.310$  and really treat our students as mature

NOTE Confidence: 0.93476975

 $00:01:15.310 \longrightarrow 00:01:18.264$  individuals who are responsible for our own,

NOTE Confidence: 0.93476975

00:01:18.270 --> 00:01:21.427 for their own and our own learning.

NOTE Confidence: 0.93476975

 $00:01:21.430 \longrightarrow 00:01:25.670$  And the consequence for our faculty is that

NOTE Confidence: 0.93476975

 $00:01:25.670 \longrightarrow 00:01:27.707$  you get to work with incredible students,

NOTE Confidence: 0.93476975

 $00:01:27.710 \longrightarrow 00:01:30.020$  but they will be reaching out to

NOTE Confidence: 0.93476975

 $00:01:30.020 \longrightarrow 00:01:32.290$  you for mentorship and engagement

NOTE Confidence: 0.93476975

 $00:01:32.290 \longrightarrow 00:01:34.230$  in what you're doing.

NOTE Confidence: 0.93476975

 $00:01:34.230 \longrightarrow 00:01:35.695$  And that's what makes this

NOTE Confidence: 0.93476975

 $00:01:35.695 \longrightarrow 00:01:36.867$  place a rich place.

NOTE Confidence: 0.93476975

 $00:01:36.870 \longrightarrow 00:01:38.460$  And those words enriched by

NOTE Confidence: 0.93476975

 $00:01:38.460 \longrightarrow 00:01:40.590$  diversity were not in our mission.

00:01:40.590 --> 00:01:42.730 There was nothing about diversity

NOTE Confidence: 0.93476975

 $00{:}01{:}42.730 \dashrightarrow 00{:}01{:}44.870$  in our mission state previously.

NOTE Confidence: 0.93476975

00:01:44.870 --> 00:01:47.192 There's been a lot of conversation

NOTE Confidence: 0.93476975

 $00:01:47.192 \longrightarrow 00:01:49.469$  about this following the the SCOTUS

NOTE Confidence: 0.93476975

 $00:01:49.470 \longrightarrow 00:01:52.030$  decision this this past summer.

NOTE Confidence: 0.93476975

 $00{:}01{:}52.030 \dashrightarrow 00{:}01{:}54.123$  I will say that our entering class

NOTE Confidence: 0.93476975

00:01:54.123 --> 00:01:56.023 this year is the most diverse

NOTE Confidence: 0.93476975

00:01:56.023 --> 00:01:58.207 class we've ever had and is also

NOTE Confidence: 0.93476975

 $00{:}01{:}58.272 \longrightarrow 00{:}02{:}00.306$  the most excellent class by all.

NOTE Confidence: 0.93476975

00:02:00.310 --> 00:02:02.070 You know MCAT grade point,

NOTE Confidence: 0.93476975

00:02:02.070 --> 00:02:05.830 whatever scores you choose to look

NOTE Confidence: 0.93476975

 $00:02:05.830 \longrightarrow 00:02:08.946$  at and we remain committed to that

NOTE Confidence: 0.93476975

 $00{:}02{:}08.950 \dashrightarrow 00{:}02{:}10.842$  ideal of inclusive excellence.

NOTE Confidence: 0.93476975

 $00:02:10.842 \longrightarrow 00:02:13.207$  We advance discovery and innovation

NOTE Confidence: 0.93476975

00:02:13.207 --> 00:02:15.190 fostered by partnerships across

NOTE Confidence: 0.93476975

 $00:02:15.190 \longrightarrow 00:02:16.150$  the university,

00:02:16.150 --> 00:02:19.468 our local community and the world.

NOTE Confidence: 0.93476975

 $00:02:19.470 \longrightarrow 00:02:21.690$  We are not a silo.

NOTE Confidence: 0.93476975

00:02:21.690 --> 00:02:24.082 Here we sit in a community of both

NOTE Confidence: 0.93476975

 $00:02:24.082 \longrightarrow 00:02:26.290$  a larger university partnered with a

NOTE Confidence: 0.93476975

00:02:26.290 --> 00:02:29.569 health system and in a city of New Haven,

NOTE Confidence: 0.93476975

 $00:02:29.570 \longrightarrow 00:02:34.166$  which is a an amazing city.

NOTE Confidence: 0.93476975

 $00:02:34.170 \longrightarrow 00:02:35.914$  It's a scrappy city.

NOTE Confidence: 0.93476975

 $00{:}02{:}35.914 \dashrightarrow 00{:}02{:}39.337$  It's been through a lot over the years

NOTE Confidence: 0.93476975

 $00:02:39.337 \longrightarrow 00:02:42.846$  and is one of the most welcoming cities.

NOTE Confidence: 0.93476975

 $00:02:42.850 \dashrightarrow 00:02:44.658$  I I came here from the South thinking

NOTE Confidence: 0.93476975

 $00{:}02{:}44.658 \dashrightarrow 00{:}02{:}46.409$  that you know this was going to be

NOTE Confidence: 0.93476975

 $00{:}02{:}46.409 \dashrightarrow 00{:}02{:}48.498$  a tough place to return to and I

NOTE Confidence: 0.93476975

 $00{:}02{:}48.498 \dashrightarrow 00{:}02{:}50.802$  was just a mazed by how welcoming

NOTE Confidence: 0.93476975

 $00:02:50.802 \longrightarrow 00:02:52.290$  this this town is.

NOTE Confidence: 0.93476975

 $00:02:52.290 \longrightarrow 00:02:55.922$  And so we we learn even in our

 $00:02:55.922 \longrightarrow 00:02:59.010$  research from all those around us.

NOTE Confidence: 0.93476975

 $00:02:59.010 \longrightarrow 00:03:01.649$  And then lastly caring for our patients

NOTE Confidence: 0.93476975

 $00:03:01.649 \longrightarrow 00:03:03.290$  with compassion and committing to the

NOTE Confidence: 0.93476975

 $00:03:03.290 \longrightarrow 00:03:04.610$  improving the health of all people.

NOTE Confidence: 0.93476975

 $00:03:04.610 \longrightarrow 00:03:06.974$  It's not just the physician patient

NOTE Confidence: 0.93476975

 $00{:}03{:}06.974 \dashrightarrow 00{:}03{:}08.550$  relationship or the clinician

NOTE Confidence: 0.93476975

00:03:08.616 --> 00:03:09.890 patient relationship,

NOTE Confidence: 0.93476975

 $00:03:09.890 \longrightarrow 00:03:12.020$  but it's our obligation to

NOTE Confidence: 0.93476975

 $00{:}03{:}12.020 \to 00{:}03{:}16.232$  improve health across our city,

NOTE Confidence: 0.93476975

 $00:03:16.232 \longrightarrow 00:03:20.276$  state and and really the world.

NOTE Confidence: 0.93476975

 $00:03:20.280 \longrightarrow 00:03:24.120$  I would say that over the last 3 1/2 years,

NOTE Confidence: 0.9381217

 $00:03:24.120 \longrightarrow 00:03:26.004$  there have been some crosscutting themes

NOTE Confidence: 0.9381217

 $00:03:26.004 \longrightarrow 00:03:28.479$  to the work that we're doing together.

NOTE Confidence: 0.9381217

 $00:03:28.480 \longrightarrow 00:03:31.525$  One is about this creating an environment

NOTE Confidence: 0.9381217

 $00:03:31.525 \longrightarrow 00:03:33.651$  of inclusive excellence where everyone

NOTE Confidence: 0.9381217

 $00:03:33.651 \longrightarrow 00:03:36.276$  in our school can thrive and to which

 $00{:}03{:}36.276 \to 00{:}03{:}38.040$  we continue to recruit the best talent.

NOTE Confidence: 0.9381217

 $00:03:38.040 \longrightarrow 00:03:39.480$  That's why you're here,

NOTE Confidence: 0.9381217

 $00:03:39.480 \longrightarrow 00:03:40.920$  this piece of investment.

NOTE Confidence: 0.9381217

00:03:40.920 --> 00:03:43.060 I'll highlight some of the

NOTE Confidence: 0.9381217

00:03:43.060 --> 00:03:45.200 things for you as faculty.

NOTE Confidence: 0.9381217

00:03:45.200 --> 00:03:48.131 You know, it's it's important that

NOTE Confidence: 0.9381217

00:03:48.131 --> 00:03:50.165 each of you has a mentor regardless

NOTE Confidence: 0.9381217

00:03:50.165 --> 00:03:51.635 of what you're doing and frankly,

NOTE Confidence: 0.9381217

 $00{:}03{:}51.640 \dashrightarrow 00{:}03{:}53.878$  regardless of how senior you are.

NOTE Confidence: 0.9381217

 $00{:}03{:}53.880 \dashrightarrow 00{:}03{:}56.526$  One of our emphases has been on

NOTE Confidence: 0.9381217

 $00{:}03{:}56.526 {\:\dashrightarrow\:} 00{:}03{:}58.490$  mentorship and sponsorship and we

NOTE Confidence: 0.9381217

 $00:03:58.490 \longrightarrow 00:04:01.136$  created up a process called the Faculty

NOTE Confidence: 0.9381217

 $00{:}04{:}01.136 \dashrightarrow 00{:}04{:}02.960$  Development Annual Questionnaire.

NOTE Confidence: 0.9381217

 $00:04:02.960 \longrightarrow 00:04:05.501$  That is not That is intended primarily

NOTE Confidence: 0.9381217

00:04:05.501 --> 00:04:08.956 to be a forcing function for you with

00:04:08.960 --> 00:04:11.750 your chair or your section chief,

NOTE Confidence: 0.9381217

 $00{:}04{:}11.750 \dashrightarrow 00{:}04{:}13.710$  to pose questions that make you reflect

NOTE Confidence: 0.9381217

00:04:13.710 --> 00:04:15.548 every year about where you're going,

NOTE Confidence: 0.9381217

 $00:04:15.550 \longrightarrow 00:04:17.014$  what your aspirations are,

NOTE Confidence: 0.9381217

 $00:04:17.014 \longrightarrow 00:04:19.601$  and to give you the opportunity to

NOTE Confidence: 0.9381217

 $00{:}04{:}19.601 \dashrightarrow 00{:}04{:}21.897$  share that with your leaders so that

NOTE Confidence: 0.9381217

 $00:04:21.897 \longrightarrow 00:04:24.029$  when they're thinking about who to

NOTE Confidence: 0.9381217

00:04:24.029 --> 00:04:26.464 nominate for something or what you need,

NOTE Confidence: 0.9381217

 $00{:}04{:}26.464 \dashrightarrow 00{:}04{:}28.976$  you will come to mind and you will

NOTE Confidence: 0.9381217

 $00:04:28.976 \longrightarrow 00:04:31.110$  have those rich conversations.

NOTE Confidence: 0.9381217

00:04:31.110 --> 00:04:32.830 If you're a physician scientist,

NOTE Confidence: 0.9381217

 $00:04:32.830 \longrightarrow 00:04:35.000$  it includes the creation of the Janeway

NOTE Confidence: 0.9381217

00:04:35.000 --> 00:04:37.191 Society for for those of you who

NOTE Confidence: 0.9381217

 $00{:}04{:}37.191 \dashrightarrow 00{:}04{:}38.985$  are in the career development stage,

NOTE Confidence: 0.9381217

 $00:04:38.990 \longrightarrow 00:04:41.588$  that also creates a network of

NOTE Confidence: 0.9381217

 $00{:}04{:}41.590 \dashrightarrow 00{:}04{:}44.165$  peers across departments and serves

00:04:44.165 --> 00:04:46.225 to break down silos.

NOTE Confidence: 0.9381217

00:04:46.230 --> 00:04:49.030 If you're a clinician, educator,

NOTE Confidence: 0.9381217

00:04:49.030 --> 00:04:51.062 scholar, and academic clinician,

NOTE Confidence: 0.9381217

00:04:51.062 --> 00:04:54.570 the workshops on you know how to find

NOTE Confidence: 0.9381217

 $00:04:54.570 \longrightarrow 00:04:56.550$  mentorship in the clinical arena,

NOTE Confidence: 0.9381217

 $00:04:56.550 \longrightarrow 00:04:59.875$  how to develop your educational talents,

NOTE Confidence: 0.9381217

 $00:04:59.875 \longrightarrow 00:05:02.785$  how to prepare your for promotion,

NOTE Confidence: 0.9381217

 $00:05:02.790 \longrightarrow 00:05:04.350$  and those kinds of things.

NOTE Confidence: 0.9381217

00:05:04.350 --> 00:05:04.855 Please,

NOTE Confidence: 0.9381217

 $00:05:04.855 \longrightarrow 00:05:06.875$  please sample those things

NOTE Confidence: 0.9381217

 $00{:}05{:}06.875 \dashrightarrow 00{:}05{:}09.400$  and take advantage of them.

NOTE Confidence: 0.9381217

 $00:05:09.400 \longrightarrow 00:05:12.118$  So related to breaking down silos,

NOTE Confidence: 0.9381217

 $00:05:12.120 \longrightarrow 00:05:15.408$  you know we have incredible excellence

NOTE Confidence: 0.9381217

 $00:05:15.408 \longrightarrow 00:05:17.969$  here and if it sits in silos whether

NOTE Confidence: 0.9381217

 $00:05:17.969 \longrightarrow 00:05:20.924$  that be in basic science departments and

 $00:05:20.924 \longrightarrow 00:05:23.960$  clinical departments and the clinical arena,

NOTE Confidence: 0.9381217

 $00:05:23.960 \longrightarrow 00:05:25.408$  we will under achieve.

NOTE Confidence: 0.9381217

 $00:05:25.408 \longrightarrow 00:05:28.008$  We have to get everybody in the

NOTE Confidence: 0.9381217

00:05:28.008 --> 00:05:30.120 room because when you do that,

NOTE Confidence: 0.9381217

 $00:05:30.120 \longrightarrow 00:05:32.591$  there's a an energy and a new

NOTE Confidence: 0.9381217

 $00:05:32.591 \longrightarrow 00:05:34.480$  way of seeing problems.

NOTE Confidence: 0.9381217

 $00:05:34.480 \longrightarrow 00:05:36.352$  And so a lot of the work that

NOTE Confidence: 0.9381217

 $00:05:36.352 \longrightarrow 00:05:37.882$  we're doing is about gathering

NOTE Confidence: 0.9381217

00:05:37.882 --> 00:05:39.557 groups together in new ways,

NOTE Confidence: 0.9381217

00:05:39.560 --> 00:05:41.390 promoting multidisciplinary grants,

NOTE Confidence: 0.9381217

 $00:05:41.390 \longrightarrow 00:05:44.440$  the Office of Team Science.

NOTE Confidence: 0.9381217

 $00:05:44.440 \longrightarrow 00:05:45.920$  So again,

NOTE Confidence: 0.9381217

 $00:05:45.920 \longrightarrow 00:05:48.880$  please sample those things,

NOTE Confidence: 0.9381217

 $00:05:48.880 \longrightarrow 00:05:52.040$  building and stewarding resources necessary

NOTE Confidence: 0.9381217

 $00:05:52.040 \longrightarrow 00:05:55.568$  for you to to make the discoveries

NOTE Confidence: 0.9381217

 $00:05:55.568 \longrightarrow 00:05:58.800$  and and observe what you're what

 $00:05:58.800 \longrightarrow 00:06:02.044$  translate observations into discovery.

NOTE Confidence: 0.9381217

 $00:06:02.044 \longrightarrow 00:06:05.104$  So that includes everything from

NOTE Confidence: 0.9381217

 $00:06:05.104 \longrightarrow 00:06:06.976$  beefing up our core so that

NOTE Confidence: 0.9381217

 $00:06:06.976 \longrightarrow 00:06:08.439$  they're more user friendly.

NOTE Confidence: 0.9381217

 $00:06:08.440 \longrightarrow 00:06:10.448$  A lot of work going on right now

NOTE Confidence: 0.9381217

 $00:06:10.448 \longrightarrow 00:06:12.354$  in the Yale Center for Clinical

NOTE Confidence: 0.9381217

 $00:06:12.354 \longrightarrow 00:06:14.144$  Investigation to make sure that

NOTE Confidence: 0.9381217

 $00{:}06{:}14.144 \dashrightarrow 00{:}06{:}16.358$  you have access to the resources.

NOTE Confidence: 0.9381217

00:06:16.360 --> 00:06:18.385 I'll talk about alignment but

NOTE Confidence: 0.9381217

 $00:06:18.385 \longrightarrow 00:06:20.602$  the notion that every patient we

NOTE Confidence: 0.9381217

 $00{:}06{:}20.602 \dashrightarrow 00{:}06{:}22.940$  see in the clinic or the hospital

NOTE Confidence: 0.9381217

 $00:06:23.009 \longrightarrow 00:06:25.144$  really should be participating in

NOTE Confidence: 0.9381217

 $00:06:25.144 \longrightarrow 00:06:27.689$  research and education and how do

NOTE Confidence: 0.9381217

 $00{:}06{:}27.689 \dashrightarrow 00{:}06{:}29.359$  we make that that possible.

NOTE Confidence: 0.9381217

 $00:06:29.360 \longrightarrow 00:06:32.248$  So building resources there.

 $00:06:32.250 \longrightarrow 00:06:35.450$  And then lastly alignment that

NOTE Confidence: 0.9381217

 $00{:}06{:}35.450 \dashrightarrow 00{:}06{:}37.705$  is realizing the full potential

NOTE Confidence: 0.9381217

 $00:06:37.705 \longrightarrow 00:06:39.655$  of our relationship with you on

NOTE Confidence: 0.9381217

 $00:06:39.655 \longrightarrow 00:06:41.248$  the Haven health system.

NOTE Confidence: 0.9381217

00:06:41.250 --> 00:06:43.413 And we've had a 200 year relationship

NOTE Confidence: 0.9381217

00:06:43.413 --> 00:06:45.596 I I would like in it sometimes

NOTE Confidence: 0.9381217

 $00:06:45.596 \longrightarrow 00:06:47.372$  in the past to a sibling

NOTE Confidence: 0.92145056

00:06:47.441 --> 00:06:50.017 rivalry you know or parallel play where

NOTE Confidence: 0.92145056

 $00{:}06{:}50.017 \dashrightarrow 00{:}06{:}52.066$ we're not always haven't always been

NOTE Confidence: 0.92145056

 $00:06:52.066 \longrightarrow 00:06:54.250$  talking to each other and we're in

NOTE Confidence: 0.92145056

 $00:06:54.308 \longrightarrow 00:06:56.340$  a period of time I think coming out

NOTE Confidence: 0.92145056

 $00:06:56.340 \longrightarrow 00:06:58.860$  of COVID when we really had to work

NOTE Confidence: 0.92145056

 $00:06:58.860 \longrightarrow 00:07:00.952$  together and we discovered what that

NOTE Confidence: 0.92145056

 $00:07:00.952 \longrightarrow 00:07:03.584$  looks like and we are making significant

NOTE Confidence: 0.92145056

 $00{:}07{:}03.584 \dashrightarrow 00{:}07{:}05.896$  changes that I think you will be nefit

NOTE Confidence: 0.92145056

 $00:07:05.896 \longrightarrow 00:07:08.119$  from over the next several years.

 $00:07:08.120 \longrightarrow 00:07:10.784$  So one of the things that we're doing

NOTE Confidence: 0.92145056

 $00{:}07{:}10.784 \dashrightarrow 00{:}07{:}13.599$  is a an aligned strategic plan.

NOTE Confidence: 0.92145056

 $00:07:13.600 \longrightarrow 00:07:15.616$  So we have, we've done strategic

NOTE Confidence: 0.92145056

00:07:15.616 --> 00:07:17.520 planning university wide for research,

NOTE Confidence: 0.92145056

 $00:07:17.520 \longrightarrow 00:07:19.837$  we've done it for education for diversity.

NOTE Confidence: 0.92145056

 $00:07:19.840 \longrightarrow 00:07:21.760$  We've never sat with the hospital

NOTE Confidence: 0.92145056

 $00:07:21.760 \longrightarrow 00:07:24.160$  and said how do we work together

NOTE Confidence: 0.92145056

 $00:07:24.160 \longrightarrow 00:07:25.920$  and that's ongoing right now.

NOTE Confidence: 0.92145056

 $00:07:25.920 \longrightarrow 00:07:28.338$  And these five pillars of that

NOTE Confidence: 0.92145056

 $00:07:28.338 \longrightarrow 00:07:30.570$  strategic plan came from and exercise

NOTE Confidence: 0.92145056

 $00:07:30.570 \longrightarrow 00:07:32.430$  where leaders across the school and

NOTE Confidence: 0.92145056

 $00:07:32.430 \longrightarrow 00:07:34.609$  the health system were asked to say

NOTE Confidence: 0.92145056

 $00{:}07{:}34.609 \dashrightarrow 00{:}07{:}36.109$  you know what differentiates us,

NOTE Confidence: 0.92145056

00:07:36.110 --> 00:07:37.630 what's the most important thing

NOTE Confidence: 0.92145056

 $00:07:37.630 \longrightarrow 00:07:39.670$  for us to continue to develop.

00:07:39.670 --> 00:07:42.250 And I'm always happy to point

NOTE Confidence: 0.92145056

 $00:07:42.250 \longrightarrow 00:07:45.132$  out that at the two ends of these

NOTE Confidence: 0.92145056

 $00:07:45.132 \longrightarrow 00:07:47.622$  pillars leading edge clinical and

NOTE Confidence: 0.92145056

 $00:07:47.622 \longrightarrow 00:07:49.774$  translational research and continuous

NOTE Confidence: 0.92145056

 $00:07:49.774 \longrightarrow 00:07:52.278$  learning and innovation are there.

NOTE Confidence: 0.92145056

 $00{:}07{:}52.278 \dashrightarrow 00{:}07{:}54.870$  And so this is not just a strategic

NOTE Confidence: 0.92145056

 $00:07:54.940 \longrightarrow 00:07:57.370$  plan about how we provide better

NOTE Confidence: 0.92145056

 $00:07:57.370 \longrightarrow 00:08:01.380$  clinical care and how we what,

NOTE Confidence: 0.92145056

 $00:08:01.380 \longrightarrow 00:08:03.280$  what service lines we grow

NOTE Confidence: 0.92145056

 $00:08:03.280 \longrightarrow 00:08:04.655$  in those kinds of things.

NOTE Confidence: 0.92145056

 $00{:}08{:}04.660 \dashrightarrow 00{:}08{:}07.684$  But it's the essence of being an

NOTE Confidence: 0.92145056

00:08:07.684 --> 00:08:10.070 academic health system and why you're

NOTE Confidence: 0.92145056

 $00:08:10.070 \longrightarrow 00:08:13.292$  here and not at HCA, the others.

NOTE Confidence: 0.92145056

 $00:08:13.292 \longrightarrow 00:08:15.428$  The second thing that we've done

NOTE Confidence: 0.92145056

 $00:08:15.428 \longrightarrow 00:08:17.690$  as part of alignment is create

NOTE Confidence: 0.92145056

 $00{:}08{:}17.690 \dashrightarrow 00{:}08{:}20.328$  this aligned physician enterprise.

00:08:20.328 --> 00:08:21.840 So again,

NOTE Confidence: 0.92145056

 $00{:}08{:}21.840 \dashrightarrow 00{:}08{:}23.072$  for those of you who've been here

NOTE Confidence: 0.92145056

 $00:08:23.072 \longrightarrow 00:08:23.600$  a long time,

NOTE Confidence: 0.92145056

 $00{:}08{:}23.600 \dashrightarrow 00{:}08{:}25.376$  you know that Yale Medicine has

NOTE Confidence: 0.92145056

 $00:08:25.376 \longrightarrow 00:08:27.439$  been is our faculty practice plan,

NOTE Confidence: 0.92145056

 $00:08:27.440 \longrightarrow 00:08:28.706$  the employed faculty.

NOTE Confidence: 0.92145056

00:08:28.706 --> 00:08:31.238 And then there's Northeast Medical Group,

NOTE Confidence: 0.92145056

 $00:08:31.240 \longrightarrow 00:08:34.360$  which are who are wonderful physicians,

NOTE Confidence: 0.92145056

 $00:08:34.360 \longrightarrow 00:08:35.704$  often are alumni.

NOTE Confidence: 0.92145056

00:08:35.704 --> 00:08:38.392 You are employed by the health

NOTE Confidence: 0.92145056

 $00:08:38.392 \longrightarrow 00:08:40.700$  system and we didn't,

NOTE Confidence: 0.92145056

 $00{:}08{:}40.700 \dashrightarrow 00{:}08{:}43.751$  we didn't interact and that meant

NOTE Confidence: 0.92145056

 $00{:}08{:}43.751 \dashrightarrow 00{:}08{:}46.133$  that sometimes we were even competing

NOTE Confidence: 0.92145056

 $00:08:46.140 \longrightarrow 00:08:48.180$  for bringing new, you know,

NOTE Confidence: 0.92145056

 $00:08:48.180 \longrightarrow 00:08:50.346$  should this faculty member be a

 $00:08:50.346 \longrightarrow 00:08:53.252$  faculty member or be a member of any

NOTE Confidence: 0.92145056

 $00:08:53.252 \longrightarrow 00:08:55.334$  MG we had parallel access systems,

NOTE Confidence: 0.92145056

00:08:55.340 --> 00:08:57.940 billing systems, you name it.

NOTE Confidence: 0.92145056

 $00:08:57.940 \longrightarrow 00:09:00.805$  So very inefficient and really

NOTE Confidence: 0.92145056

 $00:09:00.805 \longrightarrow 00:09:03.097$  frustrating to our patients.

NOTE Confidence: 0.92145056

 $00:09:03.100 \longrightarrow 00:09:05.218$  So this is now structured where

NOTE Confidence: 0.92145056

 $00:09:05.218 \longrightarrow 00:09:07.172$  we haven't changed the employment

NOTE Confidence: 0.92145056

00:09:07.172 --> 00:09:09.980 agreements or anything about where the,

NOTE Confidence: 0.92145056

 $00:09:09.980 \longrightarrow 00:09:11.172$  where the physicians sit,

NOTE Confidence: 0.92145056

00:09:11.172 --> 00:09:13.805 but it all rolls up to a chief

NOTE Confidence: 0.92145056

00:09:13.805 --> 00:09:16.133 physician executive who is Peggy McGovern,

NOTE Confidence: 0.92145056

 $00:09:16.140 \longrightarrow 00:09:18.660$  our CEO of Yale Medicine.

NOTE Confidence: 0.92145056

00:09:18.660 --> 00:09:21.220 And Peggy is not able to be here

NOTE Confidence: 0.92145056

 $00:09:21.220 \longrightarrow 00:09:21.860$  this morning,

NOTE Confidence: 0.92145056

00:09:21.860 --> 00:09:26.860 but you'll hear from her right hand leader,

NOTE Confidence: 0.92145056

 $00:09:26.860 \longrightarrow 00:09:28.852$  Bob our Coker Senior Vice President

 $00{:}09{:}28.852 \dashrightarrow 00{:}09{:}30.847$  there right now is Richard Goldstein

NOTE Confidence: 0.92145056

 $00:09:30.847 \longrightarrow 00:09:33.255$  who has led an EMG in the past.

NOTE Confidence: 0.92145056

 $00:09:33.260 \longrightarrow 00:09:35.458$  So this is a work in progress.

NOTE Confidence: 0.92145056

00:09:35.460 --> 00:09:36.980 It just started in January,

NOTE Confidence: 0.92145056

 $00:09:36.980 \longrightarrow 00:09:39.140$  but this is from Peggy.

NOTE Confidence: 0.92145056

 $00:09:39.140 \longrightarrow 00:09:41.303$  The aspirations as to what we can

NOTE Confidence: 0.92145056

 $00:09:41.303 \longrightarrow 00:09:42.970$  do with this structure.

NOTE Confidence: 0.92145056

 $00:09:42.970 \longrightarrow 00:09:45.352$  So obviously you can provide better

NOTE Confidence: 0.92145056

 $00:09:45.352 \longrightarrow 00:09:47.434$  quality care to your patients

NOTE Confidence: 0.92145056

 $00:09:47.434 \longrightarrow 00:09:49.930$  if you're talking to each other.

NOTE Confidence: 0.92145056

 $00:09:49.930 \longrightarrow 00:09:52.058$  You can start to get into things

NOTE Confidence: 0.92145056

00:09:52.058 --> 00:09:52.970 like standing up

NOTE Confidence: 0.9359281

 $00{:}09{:}55.330 \dashrightarrow 00{:}09{:}58.440$  SINS integrated networks so that

NOTE Confidence: 0.9359281

 $00{:}09{:}58.440 \dashrightarrow 00{:}10{:}02.170$  you can provide better value care.

NOTE Confidence: 0.9359281

 $00:10:02.170 \longrightarrow 00:10:04.302$  We have tremendous opportunities

 $00:10:04.302 \longrightarrow 00:10:06.967$  in IT and digital health.

NOTE Confidence: 0.9359281

 $00{:}10{:}06.970 \dashrightarrow 00{:}10{:}10.940$  We have an aligned electronic

NOTE Confidence: 0.9359281

 $00{:}10{:}10.940 \dashrightarrow 00{:}10{:}13.220$  health record and Lee Schwam who

NOTE Confidence: 0.9359281

 $00:10:13.220 \longrightarrow 00:10:16.123$  may be here this morning is now

NOTE Confidence: 0.9359281

 $00:10:16.123 \longrightarrow 00:10:18.233$  leading our digital health efforts.

NOTE Confidence: 0.9359281

00:10:18.240 --> 00:10:20.440 I mentioned just the simple

NOTE Confidence: 0.9359281

00:10:20.440 --> 00:10:21.908 things of you know,

NOTE Confidence: 0.9359281

00:10:21.908 --> 00:10:23.378 aligning compliance and finance and

NOTE Confidence: 0.9359281

 $00{:}10{:}23.378 \rightarrow 00{:}10{:}25.518$  things that may seem a little bit boring,

NOTE Confidence: 0.9359281

 $00:10:25.520 \longrightarrow 00:10:27.886$  but that really improve your life because

NOTE Confidence: 0.9359281

 $00{:}10{:}27.886 \dashrightarrow 00{:}10{:}30.237$  they also will eliminate some of the

NOTE Confidence: 0.9359281

 $00:10:30.240 \longrightarrow 00:10:32.886$  duplicate work that you have to do.

NOTE Confidence: 0.9359281

 $00:10:32.890 \longrightarrow 00:10:34.858$  So those are a few things and it

NOTE Confidence: 0.9359281

 $00:10:34.858 \longrightarrow 00:10:36.676$  will take time and I hope that

NOTE Confidence: 0.9359281

00:10:36.676 --> 00:10:38.529 you will be engaged in that work

NOTE Confidence: 0.9359281

 $00:10:38.530 \longrightarrow 00:10:42.090$  with Peggy and and bobber.

 $00:10:42.090 \longrightarrow 00:10:46.410$  So I'll end with two slides.

NOTE Confidence: 0.9359281

 $00{:}10{:}46.410 \dashrightarrow 00{:}10{:}48.069$  Underlying everything that

NOTE Confidence: 0.9359281

 $00:10:48.069 \longrightarrow 00:10:51.890$  we do are our values.

NOTE Confidence: 0.9359281

00:10:51.890 --> 00:10:55.287 And if you hear nothing else from me,

NOTE Confidence: 0.9359281

00:10:55.290 --> 00:10:57.495 I hope it's that you understand that

NOTE Confidence: 0.9359281

00:10:57.495 --> 00:11:01.350 we are a valuedriven institution.

NOTE Confidence: 0.9359281

00:11:01.350 --> 00:11:01.830 These,

NOTE Confidence: 0.9359281

 $00:11:01.830 \longrightarrow 00:11:04.710$  this particular wheel came from a

NOTE Confidence: 0.9359281

 $00:11:04.710 \longrightarrow 00:11:07.430$  group of leaders who gathered together

NOTE Confidence: 0.9359281

 $00{:}11{:}07.430 \dashrightarrow 00{:}11{:}09.670$  actually shortly before I arrived.

NOTE Confidence: 0.9359281

 $00:11:09.670 \longrightarrow 00:11:14.110$  But I think it speaks to what we're about.

NOTE Confidence: 0.9359281

00:11:14.110 --> 00:11:15.284 So, you know,

NOTE Confidence: 0.9359281

00:11:15.284 --> 00:11:17.100 I don't know that we need to say

NOTE Confidence: 0.9359281

00:11:17.163 --> 00:11:18.788 that we should have integrity,

NOTE Confidence: 0.9359281

00:11:18.790 --> 00:11:22.726 but reflection and communication is,

 $00:11:22.726 \longrightarrow 00:11:23.674$  is really hard.

NOTE Confidence: 0.9359281

00:11:23.674 --> 00:11:26.086 I can tell you and I'll apologize

NOTE Confidence: 0.9359281

00:11:26.086 --> 00:11:27.409 ahead of time,

NOTE Confidence: 0.9359281

00:11:27.410 --> 00:11:29.530 I will under communicate about

NOTE Confidence: 0.9359281

 $00:11:29.530 \longrightarrow 00:11:31.650$  something that we're doing because

NOTE Confidence: 0.9359281

 $00{:}11{:}31.721 \dashrightarrow 00{:}11{:}33.741$  it's just impossible to reach

NOTE Confidence: 0.9359281

 $00:11:33.741 \longrightarrow 00:11:35.761$  everybody in every possible way.

NOTE Confidence: 0.9359281

 $00:11:35.770 \longrightarrow 00:11:37.990$  Communication takes many forms and

NOTE Confidence: 0.9359281

 $00{:}11{:}37.990 \dashrightarrow 00{:}11{:}40.210$  it's not just outward communication,

NOTE Confidence: 0.9359281

00:11:40.210 --> 00:11:42.560 it's inward listening and that's

NOTE Confidence: 0.9359281

 $00:11:42.560 \longrightarrow 00:11:43.970$  the reflection piece.

NOTE Confidence: 0.9359281

 $00:11:43.970 \longrightarrow 00:11:45.965$  And I think that's particularly

NOTE Confidence: 0.9359281

00:11:45.965 --> 00:11:48.427 important while we're in a fairly

NOTE Confidence: 0.9359281

00:11:48.427 --> 00:11:50.759 stormy time in this country with

NOTE Confidence: 0.9359281

 $00:11:50.759 \longrightarrow 00:11:53.033$  a lot of polarization that we

NOTE Confidence: 0.9359281

 $00{:}11{:}53.033 \dashrightarrow 00{:}11{:}55.956$  sit and listen to each other and

00:11:55.956 --> 00:11:59.500 and hear the nuances, discovery,

NOTE Confidence: 0.9359281

 $00:11:59.500 \longrightarrow 00:12:01.780$  innovation and scholarship.

NOTE Confidence: 0.9359281

00:12:01.780 --> 00:12:02.346 Again,

NOTE Confidence: 0.9359281

 $00{:}12{:}02.346 \rightarrow 00{:}12{:}05.606$  that's why we're all here building

NOTE Confidence: 0.9359281

 $00:12:05.606 \longrightarrow 00:12:07.736$  and engaged and productive community.

NOTE Confidence: 0.9359281

 $00:12:07.740 \longrightarrow 00:12:10.155$  I think we've spoken to that generativity

NOTE Confidence: 0.9359281

00:12:10.155 --> 00:12:12.560 is this notion of giving back, right.

NOTE Confidence: 0.9359281

 $00:12:12.560 \longrightarrow 00:12:13.320$  You will.

NOTE Confidence: 0.9359281

00:12:13.320 --> 00:12:15.980 You will have had mentors and sponsors,

NOTE Confidence: 0.9359281

 $00:12:15.980 \longrightarrow 00:12:18.383$  and you will be the you will have the

NOTE Confidence: 0.9359281

 $00:12:18.383 \longrightarrow 00:12:20.177$  opportunity to be mentors and sponsors.

NOTE Confidence: 0.9359281

 $00:12:20.180 \longrightarrow 00:12:22.602$  So when that student calls you up

NOTE Confidence: 0.9359281

 $00{:}12{:}22.602 \dashrightarrow 00{:}12{:}25.310$  and you're snowed with work and you

NOTE Confidence: 0.9359281

 $00:12:25.310 \longrightarrow 00:12:27.620$  just can't take another thing on,

NOTE Confidence: 0.9359281

 $00:12:27.620 \longrightarrow 00:12:28.576$  take a deep breath.

00:12:28.576 --> 00:12:30.780 And if you can't take on that student,

NOTE Confidence: 0.9359281

 $00{:}12{:}30.780 \to 00{:}12{:}32.607$  at least spend a moment with them

NOTE Confidence: 0.9359281

 $00{:}12{:}32.607 \dashrightarrow 00{:}12{:}34.818$  and at that time to think with them

NOTE Confidence: 0.9359281

 $00:12:34.818 \longrightarrow 00:12:36.740$  about who the right fit would be

NOTE Confidence: 0.9359281

 $00:12:36.740 \longrightarrow 00:12:38.732$  and and how you can help them.

NOTE Confidence: 0.9359281

00:12:38.740 --> 00:12:41.080 And then diversity and inclusion

NOTE Confidence: 0.9359281

 $00:12:41.080 \longrightarrow 00:12:42.905$  again because when we have

NOTE Confidence: 0.9359281

00:12:42.905 --> 00:12:44.380 different viewpoints in the room,

NOTE Confidence: 0.9359281

 $00:12:44.380 \longrightarrow 00:12:49.364$  we we emerge with a with a better construct.

NOTE Confidence: 0.9359281

 $00:12:49.370 \longrightarrow 00:12:50.938$  So this is my own personal thing

NOTE Confidence: 0.9359281

 $00{:}12{:}50.938 \dashrightarrow 00{:}12{:}52.489$  that I shared with the leaders.

NOTE Confidence: 0.9359281

 $00:12:52.490 \longrightarrow 00:12:54.142$  I think in the first week that

NOTE Confidence: 0.9359281

00:12:54.142 --> 00:12:56.160 I was here it's it's my rules

NOTE Confidence: 0.9359281

 $00:12:56.160 \longrightarrow 00:12:57.725$  of engagement for the leaders.

NOTE Confidence: 0.9359281

00:12:57.730 --> 00:13:00.565 But it will there may be some clues in

NOTE Confidence: 0.9359281

 $00:13:00.565 \longrightarrow 00:13:04.115$  here that you might want to take to heart.

 $00:13:04.115 \longrightarrow 00:13:06.690$  So set the bar high.

NOTE Confidence: 0.9359281

 $00:13:06.690 \longrightarrow 00:13:09.840$  There is not a conflict between

NOTE Confidence: 0.9359281

 $00:13:09.840 \longrightarrow 00:13:12.275$  kindness and excellence, Okay.

NOTE Confidence: 0.9359281

 $00:13:12.275 \longrightarrow 00:13:15.450$  So set that bar high.

NOTE Confidence: 0.9359281

 $00:13:15.450 \longrightarrow 00:13:18.250$  This is probably the hardest one for people,

NOTE Confidence: 0.9359281

 $00:13:18.250 \longrightarrow 00:13:19.810$  which is share problems.

NOTE Confidence: 0.9359281

00:13:19.810 --> 00:13:21.370 You should feel comfortable

NOTE Confidence: 0.9359281

00:13:21.370 --> 00:13:22.150 bringing problems,

NOTE Confidence: 0.93729496

00:13:22.150 --> 00:13:24.439 but I would encourage you to think

NOTE Confidence: 0.93729496

 $00:13:24.439 \longrightarrow 00:13:26.588$  through the solutions first a little bit.

NOTE Confidence: 0.93729496

 $00:13:26.590 \longrightarrow 00:13:28.786$  So when you come to somebody,

NOTE Confidence: 0.93729496

 $00{:}13{:}28.790 \dashrightarrow 00{:}13{:}31.150$  you come to your chair and you say,

NOTE Confidence: 0.93729496

 $00{:}13{:}31.150 \dashrightarrow 00{:}13{:}34.906$  this really sucks, don't stop there,

NOTE Confidence: 0.93729496

00:13:34.910 --> 00:13:37.118 say, and I have a couple of ideas

NOTE Confidence: 0.93729496

00:13:37.118 --> 00:13:39.127 about how we might fix it right,

 $00:13:39.127 \longrightarrow 00:13:42.463$  And that makes a huge difference to people

NOTE Confidence: 0.93729496

 $00{:}13{:}42.470 \dashrightarrow 00{:}13{:}44.507$  adhering to the doctrine of no surprises.

NOTE Confidence: 0.93729496

 $00:13:44.510 \longrightarrow 00:13:46.547$  I think you know something will happen.

NOTE Confidence: 0.93729496

00:13:46.550 --> 00:13:49.679 They'll be an adverse event.

NOTE Confidence: 0.93558

00:13:51.800 --> 00:13:54.278 Something will happen in your lab.

NOTE Confidence: 0.93558

 $00:13:54.280 \longrightarrow 00:13:56.608$  And I think sometimes in those

NOTE Confidence: 0.93558

00:13:56.608 --> 00:13:58.720 moments we we feel shame.

NOTE Confidence: 0.93558

 $00:13:58.720 \longrightarrow 00:14:00.696$  And I would like this to be an

NOTE Confidence: 0.93558

 $00:14:00.696 \longrightarrow 00:14:02.280$  environment where we don't feel shame,

NOTE Confidence: 0.93558

 $00:14:02.280 \longrightarrow 00:14:04.575$  where we feel like we can go to somebody

NOTE Confidence: 0.93558

 $00{:}14{:}04.575 --> 00{:}14{:}06.556$  we trust and say this happened,

NOTE Confidence: 0.93558

 $00:14:06.560 \longrightarrow 00:14:08.114$  I need to tell you about it,

NOTE Confidence: 0.93558

 $00:14:08.120 \longrightarrow 00:14:09.840$  But that's important for a lot of reasons.

NOTE Confidence: 0.93558

00:14:09.840 --> 00:14:11.688 You know, it's often not the first

NOTE Confidence: 0.93558

 $00:14:11.688 \longrightarrow 00:14:13.248$  event that happens but how we

NOTE Confidence: 0.93558

 $00:14:13.248 \longrightarrow 00:14:14.676$  respond to it that matters most.

00:14:14.680 --> 00:14:18.086 And so sharing things don't

NOTE Confidence: 0.93558

 $00:14:18.086 \longrightarrow 00:14:19.916$  try to do this alone.

NOTE Confidence: 0.93558

00:14:19.920 --> 00:14:22.752 I think anyone who is a brand new

NOTE Confidence: 0.93558

 $00:14:22.752 \longrightarrow 00:14:25.312$  attending has the sense that everything

NOTE Confidence: 0.93558

 $00:14:25.312 \longrightarrow 00:14:29.144$  stops with them and and it's that's

NOTE Confidence: 0.93558

 $00{:}14{:}29.144 \dashrightarrow 00{:}14{:}31.160$  a pretty lonely way to view it.

NOTE Confidence: 0.93558

00:14:31.160 --> 00:14:32.834 You'll learn pretty quickly that the

NOTE Confidence: 0.93558

00:14:32.834 --> 00:14:35.198 people in this room who have Gray hair know,

NOTE Confidence: 0.93558

 $00:14:35.200 \longrightarrow 00:14:37.240$  have learned the hard way that

NOTE Confidence: 0.93558

 $00:14:37.240 \longrightarrow 00:14:40.680$  you have to consult others.

NOTE Confidence: 0.93558

 $00:14:40.680 \longrightarrow 00:14:41.880$  This is about emails

NOTE Confidence: 0.92934716

 $00{:}14{:}47.080 \dashrightarrow 00{:}14{:}48.676$  and I can't tell you how often

NOTE Confidence: 0.92934716

 $00{:}14{:}48.676 \dashrightarrow 00{:}14{:}50.563$  I now get an e-mail that says

NOTE Confidence: 0.92934716

00:14:50.563 --> 00:14:52.273 I'm sorry for the long e-mail,

NOTE Confidence: 0.92934716

 $00:14:52.280 \longrightarrow 00:14:57.746$  but 10 paragraphs later there's so much

00:14:57.746 --> 00:14:59.318 opportunity for things to get lost.

NOTE Confidence: 0.92934716

 $00:14:59.320 \longrightarrow 00:15:01.012$  And man, you know, particularly when

NOTE Confidence: 0.92934716

 $00:15:01.012 \longrightarrow 00:15:02.884$  people are reading this stuff on their

NOTE Confidence: 0.92934716

 $00:15:02.884 \longrightarrow 00:15:05.100$  on their cell phone and just having the

NOTE Confidence: 0.92934716

 $00:15:05.100 \longrightarrow 00:15:07.546$  conversation can be really, really useful.

NOTE Confidence: 0.92934716

 $00:15:07.546 \longrightarrow 00:15:09.838$  So think about that.

NOTE Confidence: 0.92934716

00:15:09.840 --> 00:15:11.976 Avoid triangles and end runs, you know,

NOTE Confidence: 0.92934716

00:15:11.976 --> 00:15:13.704 So you were section chief didn't

NOTE Confidence: 0.92934716

 $00:15:13.704 \longrightarrow 00:15:15.440$  give you the answer that you wanted.

NOTE Confidence: 0.92934716

 $00:15:15.440 \longrightarrow 00:15:16.907$  So you go to the chair and the chair

NOTE Confidence: 0.92934716

00:15:16.907 --> 00:15:18.477 didn't give you the answer that you wanted,

NOTE Confidence: 0.92934716

 $00:15:18.480 \longrightarrow 00:15:21.840$  so you go to the Dean's office.

NOTE Confidence: 0.92934716

 $00:15:21.840 \longrightarrow 00:15:23.520$  That's a great way to to

NOTE Confidence: 0.9367962

 $00:15:25.640 \longrightarrow 00:15:28.541$  annoy a lot of people and lose trust.

NOTE Confidence: 0.9367962

00:15:28.541 --> 00:15:30.743 And so I think you know

NOTE Confidence: 0.9367962

 $00:15:30.743 \longrightarrow 00:15:33.118$  if if you're not getting,

00:15:33.120 --> 00:15:35.720 if you believe somebody's wrong,

NOTE Confidence: 0.9367962

 $00:15:35.720 \longrightarrow 00:15:38.730$  then getting people together in a room

NOTE Confidence: 0.9367962

00:15:38.730 --> 00:15:41.610 together so that you're everybody's hearing

NOTE Confidence: 0.9367962

 $00:15:41.610 \longrightarrow 00:15:44.730$  the same conversation can be useful.

NOTE Confidence: 0.9367962

00:15:44.730 --> 00:15:47.124 I think we have to view debate as healthy.

NOTE Confidence: 0.9367962

 $00:15:47.130 \longrightarrow 00:15:49.353$  I also think we have to be very honest

NOTE Confidence: 0.9367962

00:15:49.353 --> 00:15:51.868 in looking at our performance, you know,

NOTE Confidence: 0.9367962

00:15:51.868 --> 00:15:53.602 whether it's how we're doing clinically

NOTE Confidence: 0.9367962

 $00{:}15{:}53.602 \rightarrow 00{:}15{:}56.301$  or how we're doing in you know,

NOTE Confidence: 0.9367962

 $00:15:56.301 \longrightarrow 00:15:59.283$  educational metrics or whatever it is,

NOTE Confidence: 0.9367962

 $00:15:59.290 \longrightarrow 00:16:00.355$  again without shame.

NOTE Confidence: 0.9367962

 $00:16:00.355 \longrightarrow 00:16:02.485$  And then we have to have

NOTE Confidence: 0.9367962

 $00{:}16{:}02.485 --> 00{:}16{:}03.810 \ difficult \ conversations.$ 

NOTE Confidence: 0.9367962

 $00:16:03.810 \longrightarrow 00:16:06.861$  So some of you may serve on the faculty

NOTE Confidence: 0.9367962

 $00:16:06.861 \longrightarrow 00:16:09.170$  advisory committee which is truly

00:16:09.170 --> 00:16:12.110 a very important group in terms of

NOTE Confidence: 0.9367962

 $00{:}16{:}12.110 \dashrightarrow 00{:}16{:}14.028$  anything that we any new policy that

NOTE Confidence: 0.9367962

 $00:16:14.028 \longrightarrow 00:16:16.436$  we look at in the executive group which

NOTE Confidence: 0.9367962

 $00:16:16.436 \longrightarrow 00:16:18.978$  is the deputy Deans and the chairs we

NOTE Confidence: 0.9367962

 $00:16:18.978 \longrightarrow 00:16:20.904$  take to faculty advisory committee to

NOTE Confidence: 0.9367962

00:16:20.904 --> 00:16:22.310 say here's what we're thinking about

NOTE Confidence: 0.9367962

 $00:16:22.310 \longrightarrow 00:16:23.990$  what are your what are your thoughts.

NOTE Confidence: 0.9367962

 $00:16:23.990 \longrightarrow 00:16:27.470$  We just did that with one on Monday.

NOTE Confidence: 0.9367962

 $00{:}16{:}27.470 \dashrightarrow 00{:}16{:}30.332$  And and it's important to be very

NOTE Confidence: 0.9367962

 $00:16:30.332 \longrightarrow 00:16:31.799$  honest and have that open debate.

NOTE Confidence: 0.9367962

 $00:16:31.800 \longrightarrow 00:16:32.556$  At the end of the day,

NOTE Confidence: 0.9367962

 $00:16:32.560 \longrightarrow 00:16:34.344$  we have to come to a decision about

NOTE Confidence: 0.9367962

 $00:16:34.344 \longrightarrow 00:16:36.382$  how we're going to go forward and not

NOTE Confidence: 0.9367962

 $00:16:36.382 \longrightarrow 00:16:38.160$  everyone will agree with that decision.

NOTE Confidence: 0.9367962

00:16:38.160 --> 00:16:40.040 And at that point we all have to say okay,

NOTE Confidence: 0.9367962

 $00:16:40.040 \longrightarrow 00:16:41.220$  we've had the discussion and

 $00:16:41.220 \longrightarrow 00:16:42.400$  we're going to go forward.

NOTE Confidence: 0.9367962

 $00:16:42.400 \longrightarrow 00:16:45.676$  And then my last one is,

NOTE Confidence: 0.9367962

00:16:45.680 --> 00:16:47.999 you know, please,

NOTE Confidence: 0.9367962

 $00:16:48.000 \longrightarrow 00:16:49.680$  it's a good way to remain

NOTE Confidence: 0.9367962

00:16:49.680 --> 00:16:50.940 retain your perspective,

NOTE Confidence: 0.9367962

00:16:50.940 --> 00:16:53.124 which is just don't forget to laugh

NOTE Confidence: 0.9367962

 $00:16:53.124 \longrightarrow 00:16:54.844$  every once in a while because this

NOTE Confidence: 0.9367962

 $00{:}16{:}54.844 {\:\raisebox{--}{\text{--}}}{\:\raisebox{--}{\text{--}}}{\:\raisebox{--}{\text{--}}} 00{:}16{:}56.518$  sometimes things can be pretty absurd.

NOTE Confidence: 0.9367962

00:16:56.520 --> 00:17:01.716 So that is what I have and I don't

NOTE Confidence: 0.9367962

 $00:17:01.716 \longrightarrow 00:17:03.944$  know if you want to do go straight

NOTE Confidence: 0.9367962

 $00:17:03.944 \longrightarrow 00:17:05.714$  to Baba or any quick questions

NOTE Confidence: 0.8993104

 $00:17:12.890 \longrightarrow 00:17:13.650$  okay, great.
