

WEBVTT

NOTE duration:"00:10:27"

NOTE recognizability:0.928

NOTE language:en-us

NOTE Confidence: 0.91617614

00:00:03.000 --> 00:00:06.680 So just to give a graphic of where we sit,

NOTE Confidence: 0.91617614

00:00:06.680 --> 00:00:08.760 of course we've got the Dean and Jessica,

NOTE Confidence: 0.91617614

00:00:08.760 --> 00:00:12.252 Lucy reporting to the Dean and I report to

NOTE Confidence: 0.91617614

00:00:12.252 --> 00:00:14.998 Jessica in the Center for Medical Education.

NOTE Confidence: 0.91617614

00:00:15.000 --> 00:00:18.780 We have two arms and one is the CME,

NOTE Confidence: 0.91617614

00:00:18.780 --> 00:00:20.880 which used to be in Yale Medicine.

NOTE Confidence: 0.91617614

00:00:20.880 --> 00:00:23.028 It's moved over to the medical

NOTE Confidence: 0.91617614

00:00:23.028 --> 00:00:25.046 school because of the importance

NOTE Confidence: 0.91617614

00:00:25.046 --> 00:00:27.596 of education in relationship to

NOTE Confidence: 0.91617614

00:00:27.596 --> 00:00:29.636 your continuing learning needs.

NOTE Confidence: 0.91617614

00:00:29.640 --> 00:00:31.680 And again, you can develop courses.

NOTE Confidence: 0.91617614

00:00:31.680 --> 00:00:33.888 You can work closely with us on the

NOTE Confidence: 0.91617614

00:00:33.888 --> 00:00:35.920 pedagogy to have innovative courses.

NOTE Confidence: 0.91617614

00:00:35.920 --> 00:00:37.480 And we have Allison Renfro,
NOTE Confidence: 0.91617614
00:00:37.480 --> 00:00:41.044 who's a PhD educator heading our CME.
NOTE Confidence: 0.91617614
00:00:41.044 --> 00:00:43.316 And again, we have a number of courses.
NOTE Confidence: 0.91617614
00:00:43.320 --> 00:00:45.600 We're also developing online courses.
NOTE Confidence: 0.91617614
00:00:45.600 --> 00:00:47.328 So it's a very rich environment
NOTE Confidence: 0.91617614
00:00:47.328 --> 00:00:48.480 for all of you.
NOTE Confidence: 0.91617614
00:00:48.480 --> 00:00:51.680 We also in the teaching and learning arm,
NOTE Confidence: 0.91617614
00:00:51.680 --> 00:00:54.192 we offer a number of resources that I
NOTE Confidence: 0.91617614
00:00:54.192 --> 00:00:56.496 wanted to just share with you because
NOTE Confidence: 0.91617614
00:00:56.496 --> 00:00:59.159 what we really do is we're promoting
NOTE Confidence: 0.91617614
00:00:59.159 --> 00:01:01.634 again this synergized and centralized
NOTE Confidence: 0.91617614
00:01:01.634 --> 00:01:03.635 approach to educator development,
NOTE Confidence: 0.91617614
00:01:03.635 --> 00:01:04.665 professional development.
NOTE Confidence: 0.91617614
00:01:04.665 --> 00:01:08.839 We build on what Bob Rohrbach does with
NOTE Confidence: 0.91617614
00:01:08.839 --> 00:01:11.840 his professional development and what Linda
NOTE Confidence: 0.91617614
00:01:11.840 --> 00:01:16.114 and her team build and offer through OAPD.

NOTE Confidence: 0.91617614

00:01:16.114 --> 00:01:19.498 We also do assessment educational technology

NOTE Confidence: 0.91617614

00:01:19.498 --> 00:01:23.087 programs and we really coordinate all of

NOTE Confidence: 0.91617614

00:01:23.087 --> 00:01:26.829 this to be available free to all of you,

NOTE Confidence: 0.91617614

00:01:26.830 --> 00:01:27.646 your learners,

NOTE Confidence: 0.91617614

00:01:27.646 --> 00:01:29.636 and they're all CME related.

NOTE Confidence: 0.91617614

00:01:29.636 --> 00:01:31.934 So we have centralized many of

NOTE Confidence: 0.91617614

00:01:31.934 --> 00:01:34.142 the resources and I'll go through

NOTE Confidence: 0.91617614

00:01:34.142 --> 00:01:36.200 what some of the resources will

NOTE Confidence: 0.91617614

00:01:36.267 --> 00:01:38.145 be available for all of you.

NOTE Confidence: 0.91617614

00:01:38.150 --> 00:01:40.638 I'd almost like you to take a picture

NOTE Confidence: 0.91617614

00:01:40.638 --> 00:01:43.180 of this with your phone because all

NOTE Confidence: 0.91617614

00:01:43.180 --> 00:01:46.616 your CME is located through this cloud

NOTE Confidence: 0.91617614

00:01:46.616 --> 00:01:49.686 learning platform and you do need to

NOTE Confidence: 0.91617614

00:01:49.686 --> 00:01:52.389 sign up and have a profile and it's much

NOTE Confidence: 0.91617614

00:01:52.389 --> 00:01:54.668 easier to just sign up now and then.

NOTE Confidence: 0.91617614

00:01:54.670 --> 00:01:56.924 You can also have access to all
NOTE Confidence: 0.91617614

00:01:56.924 --> 00:01:59.028 the courses that are CME related,
NOTE Confidence: 0.91617614

00:01:59.030 --> 00:02:02.734 some being online and some being in person.
NOTE Confidence: 0.91617614

00:02:02.740 --> 00:02:04.540 And if you have any questions,
NOTE Confidence: 0.91617614

00:02:04.540 --> 00:02:06.815 you're welcome to follow the QR code.
NOTE Confidence: 0.91617614

00:02:06.820 --> 00:02:08.260 But if you have any questions,
NOTE Confidence: 0.91617614

00:02:08.260 --> 00:02:09.828 you're welcome to just send me a
NOTE Confidence: 0.91617614

00:02:09.828 --> 00:02:11.457 text or e-mail and I'll answer it.
NOTE Confidence: 0.91617614

00:02:11.460 --> 00:02:12.610 And especially you might be
NOTE Confidence: 0.91617614

00:02:12.610 --> 00:02:13.300 interested in saying,
NOTE Confidence: 0.91617614

00:02:13.300 --> 00:02:13.689 Gee,
NOTE Confidence: 0.91617614

00:02:13.689 --> 00:02:16.412 I noticed that there are no CME
NOTE Confidence: 0.91617614

00:02:16.412 --> 00:02:18.020 courses in epilepsy.
NOTE Confidence: 0.91617614

00:02:18.020 --> 00:02:20.900 I'd love to start one or in Parkinson's.
NOTE Confidence: 0.91617614

00:02:20.900 --> 00:02:23.784 We're starting a new center and again
NOTE Confidence: 0.91617614

00:02:23.784 --> 00:02:26.117 thinking through how would you like

NOTE Confidence: 0.91617614

00:02:26.117 --> 00:02:28.605 to really let your research and your

NOTE Confidence: 0.91617614

00:02:28.605 --> 00:02:30.917 scholarship that your team are really

NOTE Confidence: 0.91617614

00:02:30.917 --> 00:02:33.132 providing become worldwide and really

NOTE Confidence: 0.91617614

00:02:33.132 --> 00:02:35.768 start globally because we could also

NOTE Confidence: 0.91617614

00:02:35.768 --> 00:02:37.758 be offering some online programs.

NOTE Confidence: 0.9337082

00:02:40.840 --> 00:02:42.880 So the center I highlight,

NOTE Confidence: 0.9337082

00:02:42.880 --> 00:02:47.115 I'm highlighting three of our faculty here.

NOTE Confidence: 0.9337082

00:02:47.120 --> 00:02:49.838 We offer educator development and again,

NOTE Confidence: 0.9337082

00:02:49.840 --> 00:02:51.385 that's very centralized and I'll

NOTE Confidence: 0.9337082

00:02:51.385 --> 00:02:53.278 go through some of the aspects.

NOTE Confidence: 0.9337082

00:02:53.278 --> 00:02:55.366 It's for you as an educator,

NOTE Confidence: 0.9337082

00:02:55.370 --> 00:02:58.046 whether you're teaching in your lab,

NOTE Confidence: 0.9337082

00:02:58.050 --> 00:02:59.942 whether you're teaching residents,

NOTE Confidence: 0.9337082

00:02:59.942 --> 00:03:01.340 medical students, fellows,

NOTE Confidence: 0.9337082

00:03:01.340 --> 00:03:04.040 We have a number of educator

NOTE Confidence: 0.9337082

00:03:04.040 --> 00:03:04.940 development programs.
NOTE Confidence: 0.9337082

00:03:04.940 --> 00:03:06.980 Michael Green, who you see here,
NOTE Confidence: 0.9337082

00:03:06.980 --> 00:03:08.804 heads our assessment programs.
NOTE Confidence: 0.9337082

00:03:08.804 --> 00:03:11.084 He's really looking at student
NOTE Confidence: 0.9337082

00:03:11.084 --> 00:03:13.055 assessment and how we can do that.
NOTE Confidence: 0.9337082

00:03:13.060 --> 00:03:15.097 He also does research in this area.
NOTE Confidence: 0.9337082

00:03:15.100 --> 00:03:17.050 So again, if there's a particular
NOTE Confidence: 0.9337082

00:03:17.050 --> 00:03:19.108 area and this afternoon you'll be
NOTE Confidence: 0.9337082

00:03:19.108 --> 00:03:20.858 hearing about the various tracks.
NOTE Confidence: 0.9337082

00:03:20.860 --> 00:03:22.498 But if you're on the clinician,
NOTE Confidence: 0.9337082

00:03:22.500 --> 00:03:23.610 educator, scholar track,
NOTE Confidence: 0.9337082

00:03:23.610 --> 00:03:26.200 you have the opportunity to be doing
NOTE Confidence: 0.9337082

00:03:26.265 --> 00:03:28.305 research and scholarship in any of
NOTE Confidence: 0.9337082

00:03:28.305 --> 00:03:30.819 these areas and we're there to help you.
NOTE Confidence: 0.9337082

00:03:30.820 --> 00:03:31.644 Educational technology.
NOTE Confidence: 0.9337082

00:03:31.644 --> 00:03:32.468 Gary Laden,

NOTE Confidence: 0.9337082

00:03:32.468 --> 00:03:35.371 he has expertise in this area to

NOTE Confidence: 0.9337082

00:03:35.371 --> 00:03:37.573 really think through if you're using

NOTE Confidence: 0.9337082

00:03:37.573 --> 00:03:39.793 technology in your learning environment

NOTE Confidence: 0.9337082

00:03:39.793 --> 00:03:42.418 with your primarily medical students,

NOTE Confidence: 0.9337082

00:03:42.420 --> 00:03:43.860 but it could be your residents.

NOTE Confidence: 0.9337082

00:03:43.860 --> 00:03:46.415 And John and Candela really

NOTE Confidence: 0.9337082

00:03:46.415 --> 00:03:48.459 heads our faculty evaluations,

NOTE Confidence: 0.9337082

00:03:48.460 --> 00:03:50.299 our program evaluation

NOTE Confidence: 0.9337082

00:03:50.299 --> 00:03:52.138 and curricular evaluation.

NOTE Confidence: 0.9337082

00:03:52.140 --> 00:03:54.296 So again, his that area of expertise.

NOTE Confidence: 0.9337082

00:03:54.300 --> 00:03:55.896 And again, at any point in time,

NOTE Confidence: 0.9337082

00:03:55.900 --> 00:03:59.608 you can come and consult with anyone of us.

NOTE Confidence: 0.9337082

00:03:59.610 --> 00:04:01.969 What we've noticed over the various years,

NOTE Confidence: 0.9337082

00:04:01.970 --> 00:04:03.830 we started a teaching and Learning

NOTE Confidence: 0.9337082

00:04:03.830 --> 00:04:06.162 Center in 2012 after our first

NOTE Confidence: 0.9337082

00:04:06.162 --> 00:04:07.446 educational strategic plan.

NOTE Confidence: 0.9337082

00:04:07.450 --> 00:04:08.482 And more recently,

NOTE Confidence: 0.9337082

00:04:08.482 --> 00:04:10.202 we have become the Center

NOTE Confidence: 0.9337082

00:04:10.202 --> 00:04:11.570 for Medical Education,

NOTE Confidence: 0.9337082

00:04:11.570 --> 00:04:12.806 and we include all of this.

NOTE Confidence: 0.9337082

00:04:12.810 --> 00:04:14.694 So it's more of a centralized

NOTE Confidence: 0.9337082

00:04:14.694 --> 00:04:16.932 resource for all of the faculty

NOTE Confidence: 0.9337082

00:04:16.932 --> 00:04:18.768 throughout all the departments,

NOTE Confidence: 0.9337082

00:04:18.770 --> 00:04:19.366 1 area.

NOTE Confidence: 0.9337082

00:04:19.366 --> 00:04:21.452 And I wanted to just highlight for

NOTE Confidence: 0.9337082

00:04:21.452 --> 00:04:23.796 all of you is your development as

NOTE Confidence: 0.9337082

00:04:23.796 --> 00:04:25.845 educators and this is really important

NOTE Confidence: 0.9337082

00:04:25.845 --> 00:04:28.485 for all of us here at Yale because

NOTE Confidence: 0.9337082

00:04:28.490 --> 00:04:30.248 we're all teaching whether again as

NOTE Confidence: 0.9337082

00:04:30.248 --> 00:04:32.679 I say you're in the lab and you're

NOTE Confidence: 0.9337082

00:04:32.679 --> 00:04:34.473 doing one-on-one or you're in the

NOTE Confidence: 0.9337082

00:04:34.533 --> 00:04:36.489 clinic or in the hospital setting.

NOTE Confidence: 0.9337082

00:04:36.490 --> 00:04:37.966 We have a fellowship,

NOTE Confidence: 0.9337082

00:04:37.966 --> 00:04:39.811 and part of the fellowship

NOTE Confidence: 0.9337082

00:04:39.811 --> 00:04:41.458 is a couple of hours a week.

NOTE Confidence: 0.9337082

00:04:41.460 --> 00:04:44.190 You're appointed to the fellowship by

NOTE Confidence: 0.9337082

00:04:44.190 --> 00:04:47.060 your chair, and it's a selection process.

NOTE Confidence: 0.9337082

00:04:47.060 --> 00:04:48.552 We accept 14 fellows.

NOTE Confidence: 0.9337082

00:04:48.552 --> 00:04:49.298 So again,

NOTE Confidence: 0.9337082

00:04:49.300 --> 00:04:51.740 if you're wanting to sort of dip into

NOTE Confidence: 0.9337082

00:04:51.740 --> 00:04:54.193 the area of really understanding how

NOTE Confidence: 0.9337082

00:04:54.193 --> 00:04:56.857 to do scholarship in medical education,

NOTE Confidence: 0.9337082

00:04:56.860 --> 00:04:58.642 this would be a wonderful opportunity

NOTE Confidence: 0.9337082

00:04:58.642 --> 00:05:00.518 to talk with your division chief

NOTE Confidence: 0.9337082

00:05:00.518 --> 00:05:02.396 or your department chair and they

NOTE Confidence: 0.9337082

00:05:02.396 --> 00:05:04.058 could put your name forward.

NOTE Confidence: 0.9337082

00:05:04.060 --> 00:05:07.300 If you want to pursue it in more detail,
NOTE Confidence: 0.9337082

00:05:07.300 --> 00:05:08.462 in 2017,
NOTE Confidence: 0.9337082

00:05:08.462 --> 00:05:12.529 I started the Master of Health Science
NOTE Confidence: 0.9337082

00:05:12.529 --> 00:05:15.730 Medical Education Pathway and we've
NOTE Confidence: 0.9337082

00:05:15.730 --> 00:05:18.215 had over 20 faculty in the program.
NOTE Confidence: 0.9337082

00:05:18.220 --> 00:05:19.780 We have one or two residents.
NOTE Confidence: 0.9337082

00:05:19.780 --> 00:05:21.820 It's just one of my men.
NOTE Confidence: 0.9337082

00:05:21.820 --> 00:05:23.620 I come to work every day and it's like,
NOTE Confidence: 0.9337082

00:05:23.620 --> 00:05:24.820 oh, I love my fellowship.
NOTE Confidence: 0.9337082

00:05:24.820 --> 00:05:26.740 I love this master's program.
NOTE Confidence: 0.9337082

00:05:26.740 --> 00:05:29.876 We accept about 6 faculty into the program
NOTE Confidence: 0.9337082

00:05:29.876 --> 00:05:32.740 every year and it's a twoyear program.
NOTE Confidence: 0.9337082

00:05:32.740 --> 00:05:34.888 You have 35% protected time that
NOTE Confidence: 0.9337082

00:05:34.888 --> 00:05:37.540 it is required to do the research.
NOTE Confidence: 0.9337082

00:05:37.540 --> 00:05:38.000 But again,
NOTE Confidence: 0.9337082

00:05:38.000 --> 00:05:39.610 if you're wanting to be and again

NOTE Confidence: 0.9337082

00:05:39.610 --> 00:05:41.338 you're going to have a fabulous session

NOTE Confidence: 0.9337082

00:05:41.340 --> 00:05:44.014 with the faculty this afternoon on the

NOTE Confidence: 0.93061566

00:05:44.020 --> 00:05:46.337 CES track, If you're on that track,

NOTE Confidence: 0.93061566

00:05:46.340 --> 00:05:48.580 scholarship and research is required.

NOTE Confidence: 0.93061566

00:05:48.580 --> 00:05:50.062 Many of you will be doing

NOTE Confidence: 0.93061566

00:05:50.062 --> 00:05:51.380 that in the clinical area.

NOTE Confidence: 0.93061566

00:05:51.380 --> 00:05:53.655 But what Yale has done is expanded

NOTE Confidence: 0.93061566

00:05:53.655 --> 00:05:56.561 to accept that you can do research in

NOTE Confidence: 0.93061566

00:05:56.561 --> 00:05:58.820 education and scholarship in this area.

NOTE Confidence: 0.93061566

00:05:58.820 --> 00:06:00.860 And so the program focuses on,

NOTE Confidence: 0.93061566

00:06:00.860 --> 00:06:03.786 we have courses that we offer and

NOTE Confidence: 0.93061566

00:06:03.786 --> 00:06:06.130 then the scholarship in this area.

NOTE Confidence: 0.93061566

00:06:06.130 --> 00:06:08.050 So we also have a medical

NOTE Confidence: 0.93061566

00:06:08.050 --> 00:06:09.010 education discussion series.

NOTE Confidence: 0.93061566

00:06:09.010 --> 00:06:10.418 We've kept that online.

NOTE Confidence: 0.93061566

00:06:10.418 --> 00:06:12.178 We've started it during COVID
NOTE Confidence: 0.93061566

00:06:12.178 --> 00:06:14.008 online before it was in person,
NOTE Confidence: 0.93061566

00:06:14.010 --> 00:06:15.487 and the faculty find it so easy,
NOTE Confidence: 0.93061566

00:06:15.490 --> 00:06:17.527 they can hop on to these sessions.
NOTE Confidence: 0.93061566

00:06:17.530 --> 00:06:19.651 It's an hour and the first one
NOTE Confidence: 0.93061566

00:06:19.651 --> 00:06:22.039 that I'm going to be doing in
NOTE Confidence: 0.93061566

00:06:22.039 --> 00:06:23.799 the fall is on microaggressions.
NOTE Confidence: 0.93061566

00:06:23.800 --> 00:06:26.080 Again, thinking through as a strategy,
NOTE Confidence: 0.93061566

00:06:26.080 --> 00:06:27.920 if you identify a microaggression,
NOTE Confidence: 0.93061566

00:06:27.920 --> 00:06:30.593 how do you then as a faculty member might
NOTE Confidence: 0.93061566

00:06:30.593 --> 00:06:33.198 be just a bystander or an upstander?
NOTE Confidence: 0.93061566

00:06:33.200 --> 00:06:34.280 How do you respond to it?
NOTE Confidence: 0.93061566

00:06:34.280 --> 00:06:35.684 What are the strategies?
NOTE Confidence: 0.93061566

00:06:35.684 --> 00:06:37.708 We also have something with ChatGPT.
NOTE Confidence: 0.93061566

00:06:37.708 --> 00:06:39.048 We have two medical students
NOTE Confidence: 0.93061566

00:06:39.048 --> 00:06:40.751 have just written a paper and

NOTE Confidence: 0.93061566

00:06:40.751 --> 00:06:42.196 they're working with the faculty.

NOTE Confidence: 0.93061566

00:06:42.200 --> 00:06:43.760 So we highlight certain

NOTE Confidence: 0.93061566

00:06:43.760 --> 00:06:45.320 areas throughout the year.

NOTE Confidence: 0.93061566

00:06:45.320 --> 00:06:47.200 You're welcome to come to all of them.

NOTE Confidence: 0.93061566

00:06:47.200 --> 00:06:48.016 We'll make sure,

NOTE Confidence: 0.93061566

00:06:48.016 --> 00:06:50.274 if you want to on our mailing list,

NOTE Confidence: 0.93061566

00:06:50.274 --> 00:06:51.147 that you're there,

NOTE Confidence: 0.93061566

00:06:51.150 --> 00:06:53.415 that you're all welcome and

NOTE Confidence: 0.93061566

00:06:53.415 --> 00:06:55.227 they're all CME accredited.

NOTE Confidence: 0.93061566

00:06:55.230 --> 00:06:58.716 We also have a Yale Medical education

NOTE Confidence: 0.93061566

00:06:58.716 --> 00:07:01.970 series and you see this Dana Dunn,

NOTE Confidence: 0.93061566

00:07:01.970 --> 00:07:03.750 who's an infectious disease

NOTE Confidence: 0.93061566

00:07:03.750 --> 00:07:04.640 associate professor.

NOTE Confidence: 0.93061566

00:07:04.640 --> 00:07:07.712 She's also in our center and Dana is

NOTE Confidence: 0.93061566

00:07:07.712 --> 00:07:10.596 heading this new series where we again,

NOTE Confidence: 0.93061566

00:07:10.600 --> 00:07:11.500 they'll be online.
NOTE Confidence: 0.93061566

00:07:11.500 --> 00:07:12.400 They're on Fridays,
NOTE Confidence: 0.93061566

00:07:12.400 --> 00:07:14.416 noon to one and you can pop in
NOTE Confidence: 0.93061566

00:07:14.416 --> 00:07:16.277 and just do a couple of them,
NOTE Confidence: 0.93061566

00:07:16.280 --> 00:07:18.386 but maybe you might want to do 3 because
NOTE Confidence: 0.93061566

00:07:18.386 --> 00:07:20.756 we have a little mini course within them.
NOTE Confidence: 0.93061566

00:07:20.760 --> 00:07:21.416 So again,
NOTE Confidence: 0.93061566

00:07:21.416 --> 00:07:23.712 what we're really trying to provide is
NOTE Confidence: 0.93061566

00:07:23.712 --> 00:07:26.396 a foundation for you to be successful
NOTE Confidence: 0.93061566

00:07:26.396 --> 00:07:30.270 in your educator roles at Yale.
NOTE Confidence: 0.93061566

00:07:30.270 --> 00:07:32.190 You see also Nanani,
NOTE Confidence: 0.93061566

00:07:32.190 --> 00:07:34.110 who's an ophthalmologist is
NOTE Confidence: 0.93061566

00:07:34.110 --> 00:07:36.989 in one of the pictures also.
NOTE Confidence: 0.93061566

00:07:36.990 --> 00:07:39.550 So I would like you to mark your
NOTE Confidence: 0.93061566

00:07:39.550 --> 00:07:41.828 calendar and please plan to attend.
NOTE Confidence: 0.93061566

00:07:41.830 --> 00:07:44.462 Every year we have a Medical education

NOTE Confidence: 0.93061566

00:07:44.462 --> 00:07:47.091 day where we gather our entire

NOTE Confidence: 0.93061566

00:07:47.091 --> 00:07:49.456 community of educators together and

NOTE Confidence: 0.93061566

00:07:49.456 --> 00:07:51.871 we usually have a keynote person.

NOTE Confidence: 0.93061566

00:07:51.871 --> 00:07:52.593 Last year,

NOTE Confidence: 0.93061566

00:07:52.593 --> 00:07:54.759 it was Doctor Kevin Eva from

NOTE Confidence: 0.93061566

00:07:54.759 --> 00:07:56.429 University of British Columbia,

NOTE Confidence: 0.93061566

00:07:56.430 --> 00:07:58.293 a phenomenal researcher.

NOTE Confidence: 0.93061566

00:07:58.293 --> 00:08:01.426 He talked about optimizing the value

NOTE Confidence: 0.93061566

00:08:01.426 --> 00:08:03.536 of judgment in performance assessment

NOTE Confidence: 0.93061566

00:08:03.536 --> 00:08:05.878 and it was a phenomenal talk.

NOTE Confidence: 0.93061566

00:08:05.880 --> 00:08:08.040 We have posters, for example.

NOTE Confidence: 0.93061566

00:08:08.040 --> 00:08:09.840 You might be mentoring someone

NOTE Confidence: 0.93061566

00:08:09.840 --> 00:08:11.640 who's very interested in doing

NOTE Confidence: 0.93061566

00:08:11.701 --> 00:08:12.997 a poster in education.

NOTE Confidence: 0.93061566

00:08:13.000 --> 00:08:13.930 And this year,

NOTE Confidence: 0.93061566

00:08:13.930 --> 00:08:16.880 I'm very excited to say as of yesterday,
NOTE Confidence: 0.93061566

00:08:16.880 --> 00:08:18.920 we're going to be in person.
NOTE Confidence: 0.93061566

00:08:18.920 --> 00:08:20.792 So this is a a change the past
NOTE Confidence: 0.93061566

00:08:20.792 --> 00:08:22.319 couple of years with COVID.
NOTE Confidence: 0.93061566

00:08:22.320 --> 00:08:25.589 We've been doing it online and we
NOTE Confidence: 0.93061566

00:08:25.589 --> 00:08:28.550 have a phenomenal keynote speaker.
NOTE Confidence: 0.93061566

00:08:28.550 --> 00:08:29.346 Allison Wayland,
NOTE Confidence: 0.93061566

00:08:29.346 --> 00:08:32.132 who's head of the group on educational
NOTE Confidence: 0.93061566

00:08:32.132 --> 00:08:34.316 Affairs at the AA MC is joining us
NOTE Confidence: 0.93061566

00:08:34.316 --> 00:08:36.555 this year to really think through
NOTE Confidence: 0.93061566

00:08:36.555 --> 00:08:38.467 issues around medical education,
NOTE Confidence: 0.9262646

00:08:41.950 --> 00:08:42.949 the other area.
NOTE Confidence: 0.9262646

00:08:42.949 --> 00:08:45.405 And we talked, I talked a little bit
NOTE Confidence: 0.9262646

00:08:45.405 --> 00:08:47.749 about this in the awards this morning.
NOTE Confidence: 0.9262646

00:08:47.750 --> 00:08:49.185 But it is something to think about,
NOTE Confidence: 0.9262646

00:08:49.190 --> 00:08:51.998 because in the centre we have a large

NOTE Confidence: 0.9262646

00:08:51.998 --> 00:08:55.030 group who actually selects the awards.

NOTE Confidence: 0.9262646

00:08:55.030 --> 00:08:57.388 But you can nominate A peer,

NOTE Confidence: 0.9262646

00:08:57.390 --> 00:08:59.270 you can be nominated yourself.

NOTE Confidence: 0.9262646

00:08:59.270 --> 00:09:01.510 And the three awards that are presented,

NOTE Confidence: 0.9262646

00:09:01.510 --> 00:09:04.426 and it's very prestigious at commencement,

NOTE Confidence: 0.9262646

00:09:04.430 --> 00:09:06.950 are a Bomb Fog prize for teaching.

NOTE Confidence: 0.9262646

00:09:06.950 --> 00:09:08.846 And there's one for basic science

NOTE Confidence: 0.9262646

00:09:08.846 --> 00:09:10.110 and also clinical science.

NOTE Confidence: 0.9262646

00:09:10.110 --> 00:09:12.091 It's something for you to start being

NOTE Confidence: 0.9262646

00:09:12.091 --> 00:09:14.267 aware of as part of our community.

NOTE Confidence: 0.9262646

00:09:14.270 --> 00:09:16.307 And then we have a humanism award

NOTE Confidence: 0.9262646

00:09:16.307 --> 00:09:18.310 and then a Feinstein award.

NOTE Confidence: 0.9262646

00:09:18.310 --> 00:09:20.816 And these are what we actually do.

NOTE Confidence: 0.9262646

00:09:20.820 --> 00:09:23.780 One person will receive each of these awards,

NOTE Confidence: 0.9262646

00:09:23.780 --> 00:09:25.820 but many of you are nominated.

NOTE Confidence: 0.9262646

00:09:25.820 --> 00:09:27.780 And what we do is we send
NOTE Confidence: 0.9262646

00:09:27.780 --> 00:09:29.219 out a letter to you,
NOTE Confidence: 0.9262646

00:09:29.220 --> 00:09:31.272 your mentors and your department chairs
NOTE Confidence: 0.9262646

00:09:31.272 --> 00:09:33.618 that you were nominated for these awards.
NOTE Confidence: 0.9262646

00:09:33.620 --> 00:09:34.780 And we have the comments,
NOTE Confidence: 0.9262646

00:09:34.780 --> 00:09:35.316 the comments.
NOTE Confidence: 0.9262646

00:09:35.316 --> 00:09:36.656 Honestly, when I read them,
NOTE Confidence: 0.9262646

00:09:36.660 --> 00:09:38.865 I have 97 letters I'm going to be sending
NOTE Confidence: 0.9262646

00:09:38.865 --> 00:09:41.404 out this weekend to people who are nominated.
NOTE Confidence: 0.9262646

00:09:41.410 --> 00:09:43.620 They're just beautiful words to
NOTE Confidence: 0.9262646

00:09:43.620 --> 00:09:46.322 describe the impact that you have
NOTE Confidence: 0.9262646

00:09:46.322 --> 00:09:48.407 on our community of learners,
NOTE Confidence: 0.9262646

00:09:48.410 --> 00:09:50.450 from residents to medical students.
NOTE Confidence: 0.93153065

00:09:54.210 --> 00:09:55.750 So when you really think
NOTE Confidence: 0.93153065

00:09:55.750 --> 00:09:57.290 of what is the center,
NOTE Confidence: 0.93153065

00:09:57.290 --> 00:10:01.208 it is a academic home for all of you.

NOTE Confidence: 0.93153065
00:10:01.210 --> 00:10:02.926 As the Dean said this morning,
NOTE Confidence: 0.93153065
00:10:02.930 --> 00:10:04.610 we we don't want to be siloed.
NOTE Confidence: 0.93153065
00:10:04.610 --> 00:10:05.850 And what the Center for
NOTE Confidence: 0.93153065
00:10:05.850 --> 00:10:06.842 Medical Education really does,
NOTE Confidence: 0.93153065
00:10:06.850 --> 00:10:08.410 it brings all of you together,
NOTE Confidence: 0.93153065
00:10:08.410 --> 00:10:10.800 whether it's in the various
NOTE Confidence: 0.93153065
00:10:10.800 --> 00:10:12.520 sessions that we offer the
NOTE Confidence: 0.93153065
00:10:12.520 --> 00:10:14.240 fellowship or the master's program.
NOTE Confidence: 0.93153065
00:10:14.240 --> 00:10:15.780 We across all disciplines,
NOTE Confidence: 0.93153065
00:10:15.780 --> 00:10:18.090 work together to be the best
NOTE Confidence: 0.93153065
00:10:18.167 --> 00:10:19.917 educators that we can be.
NOTE Confidence: 0.93153065
00:10:19.920 --> 00:10:22.360 So thank you very much.
NOTE Confidence: 0.93153065
00:10:22.360 --> 00:10:23.560 Any questions at all?
