NOTE duration:"00:55:53.8000000"

NOTE recognizability:0.930

NOTE language:en-us

NOTE Confidence: 0.9331664

00:00:00.000 --> 00:00:01.620 Well, welcome everyone.

NOTE Confidence: 0.9331664

00:00:01.620 --> 00:00:04.320 My name is Jeremy Mohler.

NOTE Confidence: 0.9331664

00:00:04.320 --> 00:00:07.876 I'm the Neurology Residency Director at Yale.

NOTE Confidence: 0.9331664

00:00:07.880 --> 00:00:09.120 Welcome to our open house.

NOTE Confidence: 0.9331664

00:00:09.120 --> 00:00:12.616 This is our third annual open house

NOTE Confidence: 0.9331664

00:00:12.616 --> 00:00:15.280 because we've been doing this since

NOTE Confidence: 0.9331664

00:00:17.360 --> 00:00:19.240 20/20/2020. So wait a minute,

NOTE Confidence: 0.9331664

00:00:19.240 --> 00:00:21.360 4th annual, right, Jeff?

NOTE Confidence: 0.9331664

00:00:21.360 --> 00:00:22.266 Alright, yeah, wow.

NOTE Confidence: 0.9331664

00:00:22.266 --> 00:00:24.078 Since the onset of the pandemic,

NOTE Confidence: 0.9331664

00:00:24.080 --> 00:00:25.016 and I think it was actually

NOTE Confidence: 0.9331664

00:00:25.016 --> 00:00:26.118 one of the best parts of it,

NOTE Confidence: 0.9331664

00:00:26.120 --> 00:00:28.010 virtual interviewing to be able

NOTE Confidence: 0.9331664

00:00:28.010 --> 00:00:30.236 to introduce you to a program,
NOTE Confidence: 0.9331664

00:00:30.236 --> 00:00:32.838 allow you to ask some preliminary questions.
NOTE Confidence: 0.9331664

00:00:32.838 --> 00:00:36.181 We have a ton of our neurology residents
NOTE Confidence: 0.9331664

00:00:36.181 --> 00:00:39.169 here for representatives from each class.
NOTE Confidence: 0.9331664

00:00:39.170 --> 00:00:41.690 And I'm going to give a brief
NOTE Confidence: 0.9331664

00:00:41.690 --> 00:00:43.731 overview to the program 1st.
NOTE Confidence: 0.9331664

00:00:43.731 --> 00:00:45.978 And I think I'll start with that
NOTE Confidence: 0.9331664

00:00:45.978 --> 00:00:48.392 because I think that will be less
NOTE Confidence: 0.9331664

00:00:48.392 --> 00:00:50.240 interesting than hearing from
NOTE Confidence: 0.9331664

00:00:50.240 --> 00:00:52.088 residents about their experiences.
NOTE Confidence: 0.9331664

00:00:52.090 --> 00:00:54.978 But I'm just going to share some slides
NOTE Confidence: 0.9331664

00:00:54.978 --> 00:00:58.302 for about 5 minutes or so and five or 10
NOTE Confidence: 0.9331664

00:00:58.302 --> 00:01:00.970 minutes and then we'll go from there.
NOTE Confidence: 0.9331664

00:01:00.970 --> 00:01:02.090 My name is Jeremy Muller.
NOTE Confidence: 0.9331664

00:01:02.090 --> 00:01:05.142 I'm the residency director at Yale and
NOTE Confidence: 0.9331664

00:01:05.142 --> 00:01:09.090 I'm just delighted that you are all here.

NOTE Confidence: 0.9331664

00:01:09.090 --> 00:01:12.474 This is the most important thing

NOTE Confidence: 0.9331664

00:01:12.474 --> 00:01:15.502 that we do is recruit new residents.

NOTE Confidence: 0.9331664

00:01:15.502 --> 00:01:18.585 I would like to think that we do a

NOTE Confidence: 0.9331664

00:01:18.585 --> 00:01:20.619 great job of training residents and

NOTE Confidence: 0.9331664

00:01:20.619 --> 00:01:22.721 preparing them for the world and setting

NOTE Confidence: 0.9331664

00:01:22.721 --> 00:01:25.623 them up to be incredibly successful people.

NOTE Confidence: 0.9331664

00:01:25.623 --> 00:01:27.936 But they start being pretty

NOTE Confidence: 0.9331664

00:01:27.936 --> 00:01:29.276 impressive people from the start.

NOTE Confidence: 0.9331664

00:01:29.280 --> 00:01:29.870 And so,

NOTE Confidence: 0.9331664

00:01:29.870 --> 00:01:30.460 you know,

NOTE Confidence: 0.9331664

00:01:30.460 --> 00:01:31.935 recruiting great people like all

NOTE Confidence: 0.9331664

00:01:31.935 --> 00:01:33.798 of the people in this picture.

NOTE Confidence: 0.9331664

00:01:33.800 --> 00:01:36.320 This is from our welcome picnic,

NOTE Confidence: 0.9331664

00:01:36.320 --> 00:01:38.080 is a huge part of what we do and we

NOTE Confidence: 0.9331664

00:01:38.133 --> 00:01:39.945 have representatives from all of our

NOTE Confidence: 0.9331664

00:01:39.945 --> 00:01:41.958 classes plus our alumni at this picnic.
NOTE Confidence: 0.9331664

00:01:41.960 --> 00:01:42.840 This is in my backyard.
NOTE Confidence: 0.9326385

00:01:45.080 --> 00:01:47.636 Just a reminder of some of our web offerings.
NOTE Confidence: 0.9326385

00:01:47.640 --> 00:01:50.160 We are on Instagram and the web.
NOTE Confidence: 0.9326385

00:01:50.160 --> 00:01:52.314 We have a podcast which some
NOTE Confidence: 0.9326385

00:01:52.314 --> 00:01:54.500 medical students like to listen to.
NOTE Confidence: 0.9326385

00:01:54.500 --> 00:01:56.258 There's a podcast that Doctor Schaefer,
NOTE Confidence: 0.9326385

00:01:56.260 --> 00:01:57.700 one of our associate program directors,
NOTE Confidence: 0.9326385

00:01:57.700 --> 00:01:59.938 does called Neurology, Nuts and Bolts,
NOTE Confidence: 0.9326385

00:01:59.940 --> 00:02:01.155 Constructing Your Career.
NOTE Confidence: 0.9326385

00:02:01.155 --> 00:02:03.180 I think that's really valuable.
NOTE Confidence: 0.9326385

00:02:03.180 --> 00:02:04.655 Podcast. There are actually some
NOTE Confidence: 0.9326385

00:02:04.655 --> 00:02:06.130 great episodes about things like
NOTE Confidence: 0.9326385

00:02:06.181 --> 00:02:07.701 letters of recommendation and applying
NOTE Confidence: 0.9326385

00:02:07.701 --> 00:02:09.500 to residency and things like that,
NOTE Confidence: 0.9326385

00:02:09.500 --> 00:02:10.528 which are really nice.

NOTE Confidence: 0.9326385
00:02:10.528 --> 00:02:11.813 My e-mail is right there.
NOTE Confidence: 0.9326385
00:02:11.820 --> 00:02:13.938 Please feel free to reach out.
NOTE Confidence: 0.9326385
00:02:13.940 --> 00:02:15.516 Gina Mcnaughty, our program
NOTE Confidence: 0.9326385
00:02:15.516 --> 00:02:18.240 coordinator is on and after e-mail.
NOTE Confidence: 0.9326385
00:02:18.240 --> 00:02:20.160 Michelle Stafford Worth is our
NOTE Confidence: 0.9326385
00:02:20.160 --> 00:02:22.560 education manager and she's also
NOTE Confidence: 0.9326385
00:02:22.560 --> 00:02:25.880 available if you have any questions.
NOTE Confidence: 0.9326385
00:02:25.880 --> 00:02:31.115 And we are all absolute veterans
NOTE Confidence: 0.9326385
00:02:31.115 --> 00:02:32.900 at recruiting residents.
NOTE Confidence: 0.9326385
00:02:32.900 --> 00:02:36.212 This is my 10th cycle interviews,
NOTE Confidence: 0.9326385
00:02:36.212 --> 00:02:38.204 actually 11th interview cycle cuz I
NOTE Confidence: 0.9326385
00:02:38.204 --> 00:02:39.960 did participate in my first year.
NOTE Confidence: 0.9326385
00:02:39.960 --> 00:02:41.408 So I love it.
NOTE Confidence: 0.9326385
00:02:41.408 --> 00:02:44.220 It's the best part of what we do.
NOTE Confidence: 0.9326385
00:02:44.220 --> 00:02:45.740 We are an advanced program.
NOTE Confidence: 0.9326385

00:02:45.740 --> 00:02:47.220 Currently we have 10 positions.

NOTE Confidence: 0.9326385

00:02:47.220 --> 00:02:48.820 They start at P GY2.

NOTE Confidence: 0.9326385

00:02:48.820 --> 00:02:50.764 Therefore when you apply to our

NOTE Confidence: 0.9326385

00:02:50.764 --> 00:02:52.739 program direct you know to to

NOTE Confidence: 0.9326385

00:02:52.739 --> 00:02:54.646 our advanced program that will

NOTE Confidence: 0.9326385

00:02:54.646 --> 00:02:57.114 actually start in July 2024.

NOTE Confidence: 0.9326385

00:02:57.114 --> 00:02:59.584 But we have guaranteed preliminary

NOTE Confidence: 0.9326385

00:02:59.584 --> 00:03:02.056 medicine slots for every resident

NOTE Confidence: 0.9326385

00:03:02.056 --> 00:03:04.548 that we match with this year.

NOTE Confidence: 0.9326385

00:03:04.548 --> 00:03:08.730 All of our PGY ones are here present.

NOTE Confidence: 0.9326385

00:03:08.730 --> 00:03:10.876 I see a couple of them joining us and

NOTE Confidence: 0.9326385

00:03:10.876 --> 00:03:12.178 they've been around and on the team

NOTE Confidence: 0.9326385

00:03:12.178 --> 00:03:14.090 and in electives and all that kind of stuff.

NOTE Confidence: 0.9326385

00:03:14.090 --> 00:03:16.415 So they're here guaranteed and

NOTE Confidence: 0.9326385

00:03:16.415 --> 00:03:19.130 it's actually just an amazing part

NOTE Confidence: 0.9326385

00:03:19.130 --> 00:03:20.796 of getting to know each other I

NOTE Confidence: 0.9326385

00:03:20.796 --> 00:03:22.541 think in that first year informing

NOTE Confidence: 0.9326385

00:03:22.541 --> 00:03:24.156 that bond which carries through

NOTE Confidence: 0.9326385

00:03:24.156 --> 00:03:26.366 the four years and and they get

NOTE Confidence: 0.9326385

00:03:26.366 --> 00:03:28.570 six weeks of neurology and P GY1.

NOTE Confidence: 0.9326385

00:03:28.570 --> 00:03:30.690 If that changes, it will only be more.

NOTE Confidence: 0.9326385

00:03:30.690 --> 00:03:32.010 That's a minimum of six weeks.

NOTE Confidence: 0.9326385

00:03:32.010 --> 00:03:35.090 Many residents get closer to 10 or

NOTE Confidence: 0.9326385

00:03:35.090 --> 00:03:38.108 sometimes even 12 weeks of neurology.

NOTE Confidence: 0.9326385

00:03:38.110 --> 00:03:40.550 Our residency is like many,

NOTE Confidence: 0.9326385

00:03:40.550 --> 00:03:41.482 very academic.

NOTE Confidence: 0.9326385

00:03:41.482 --> 00:03:44.744 Over 95% of our residents pursue fellowships.

NOTE Confidence: 0.9326385

00:03:44.750 --> 00:03:46.670 There's an even mix of inpatient

NOTE Confidence: 0.9326385

00:03:46.670 --> 00:03:47.630 and outpatient specialties,

NOTE Confidence: 0.9326385

00:03:47.630 --> 00:03:50.630 approximately 1/3 state Yale for fellowships.

NOTE Confidence: 0.9326385

00:03:50.630 --> 00:03:51.886 And about 30 percent,

NOTE Confidence: 0.9326385

00:03:51.886 --> 00:03:54.374 25 to 30% of our faculty are
NOTE Confidence: 0.9326385

00:03:54.374 --> 00:03:56.304 graduates of our residency program,
NOTE Confidence: 0.9326385

00:03:56.310 --> 00:03:57.948 which is really special and fun.
NOTE Confidence: 0.9326385

00:03:57.950 --> 00:04:01.282 We had the 70th anniversary of our
NOTE Confidence: 0.9326385

00:04:01.282 --> 00:04:05.450 resident of our residency last year or sorry,
NOTE Confidence: 0.9326385

00:04:05.450 --> 00:04:06.935 earlier this year.
NOTE Confidence: 0.9326385

00:04:06.940 --> 00:04:10.940 And we have trained nearly
NOTE Confidence: 0.9326385

00:04:10.940 --> 00:04:12.540 400 neurologists here at Yale,
NOTE Confidence: 0.9326385

00:04:12.540 --> 00:04:14.236 which is pretty amazing.
NOTE Confidence: 0.9326385

00:04:14.236 --> 00:04:16.780 And because of the enormous growth,
NOTE Confidence: 0.9326385

00:04:16.780 --> 00:04:19.240 actually about 2/3 have been
NOTE Confidence: 0.9326385

00:04:19.240 --> 00:04:21.700 trained since the year 2000.
NOTE Confidence: 0.9326385

00:04:21.700 --> 00:04:23.900 So enormous number of residents
NOTE Confidence: 0.9326385

00:04:23.900 --> 00:04:25.660 that we trained here.
NOTE Confidence: 0.9326385

00:04:25.660 --> 00:04:26.885 Just a couple of things
NOTE Confidence: 0.9326385

00:04:26.885 --> 00:04:27.620 about the application.

NOTE Confidence: 0.9326385

00:04:27.620 --> 00:04:28.868 I think applications are

NOTE Confidence: 0.9326385

00:04:28.868 --> 00:04:30.659 probably nearly almost ready.

NOTE Confidence: 0.9326385

00:04:30.660 --> 00:04:32.484 I uploaded a letter of recommendation

NOTE Confidence: 0.9326385

00:04:32.484 --> 00:04:34.500 to Airas last night for a student,

NOTE Confidence: 0.9326385

00:04:34.500 --> 00:04:36.486 so I know it's getting there.

NOTE Confidence: 0.9326385

00:04:36.490 --> 00:04:37.770 Minimum of three reference letters,

NOTE Confidence: 0.9326385

00:04:37.770 --> 00:04:38.796 maximum of four.

NOTE Confidence: 0.9326385

00:04:38.796 --> 00:04:40.506 At least one should focus

NOTE Confidence: 0.9326385

00:04:40.506 --> 00:04:41.890 on clinical neurology.

NOTE Confidence: 0.9326385

00:04:41.890 --> 00:04:43.768 We usually see that most applicants

NOTE Confidence: 0.9326385

00:04:43.768 --> 00:04:46.090 have one letter from internal medicine.

NOTE Confidence: 0.9326385

00:04:46.090 --> 00:04:47.530 It doesn't have to be a department letter,

NOTE Confidence: 0.9326385

00:04:47.530 --> 00:04:48.980 any letter from internal medicine

NOTE Confidence: 0.9326385

00:04:48.980 --> 00:04:49.850 from your Sabi.

NOTE Confidence: 0.9326385

00:04:49.850 --> 00:04:51.698 Our core rotation is nice and

NOTE Confidence: 0.9326385

00:04:51.698 --> 00:04:52.930 we always understand that
NOTE Confidence: 0.9399203

00:04:52.986 --> 00:04:54.606 it's difficult to get letters
NOTE Confidence: 0.9399203

00:04:54.610 --> 00:04:55.986 for international graduates in
NOTE Confidence: 0.9399203

00:04:55.986 --> 00:04:58.050 particular and we do holistic review.
NOTE Confidence: 0.9399203

00:04:58.050 --> 00:04:59.306 We're going to interview
NOTE Confidence: 0.9399203

00:04:59.306 --> 00:05:01.014 between 130 and 140 applicants.
NOTE Confidence: 0.9399203

00:05:01.014 --> 00:05:03.688 They'll be 12 applicants each interview day,
NOTE Confidence: 0.9399203

00:05:03.690 --> 00:05:06.646 but we do half day interviews and we
NOTE Confidence: 0.9399203

00:05:06.646 --> 00:05:08.602 have one of the shorter interview
NOTE Confidence: 0.9399203

00:05:08.602 --> 00:05:10.639 experiences because we respect your time.
NOTE Confidence: 0.9399203

00:05:10.640 --> 00:05:12.117 I think people get a great experience,
NOTE Confidence: 0.9399203

00:05:12.120 --> 00:05:14.550 but it's a pretty short interview
NOTE Confidence: 0.9399203

00:05:14.550 --> 00:05:16.120 experience and those are the half
NOTE Confidence: 0.9399203

00:05:16.120 --> 00:05:17.280 day sessions with some overlap.
NOTE Confidence: 0.9399203

00:05:17.280 --> 00:05:20.760 At noon we actually have a case discussion.
NOTE Confidence: 0.9399203

00:05:20.760 --> 00:05:23.077 We actually review all of the applications.

NOTE Confidence: 0.9399203

00:05:23.080 --> 00:05:24.880 We have a holistic review by

NOTE Confidence: 0.9399203

00:05:24.880 --> 00:05:26.080 at least two reviewers.

NOTE Confidence: 0.9399203

00:05:26.080 --> 00:05:28.288 We do training for all of our reviewers

NOTE Confidence: 0.9399203

00:05:28.288 --> 00:05:30.055 on sources, bias and applications.

NOTE Confidence: 0.9399203

00:05:30.055 --> 00:05:32.080 There's emerging literature on this.

NOTE Confidence: 0.9399203

00:05:32.080 --> 00:05:33.718 We do this is very important.

NOTE Confidence: 0.9399203

00:05:33.720 --> 00:05:36.065 The question I get in open houses,

NOTE Confidence: 0.9399203

00:05:36.070 --> 00:05:38.830 interview and match international graduates.

NOTE Confidence: 0.9399203

00:05:38.830 --> 00:05:40.678 US experience with a letter and

NOTE Confidence: 0.9399203

00:05:40.678 --> 00:05:41.910 scholarly work is preferred,

NOTE Confidence: 0.9399203

00:05:41.910 --> 00:05:44.790 Not necessary, but preferred.

NOTE Confidence: 0.9399203

00:05:44.790 --> 00:05:47.148 We also strongly prefer graduation from

NOTE Confidence: 0.9399203

00:05:47.148 --> 00:05:49.748 medical school within the last five years.

NOTE Confidence: 0.9399203

00:05:49.750 --> 00:05:51.446 I get a lot of questions about that

NOTE Confidence: 0.9399203

00:05:51.446 --> 00:05:53.310 each year. So let me be clear.

NOTE Confidence: 0.9399203

00:05:53.310 --> 00:05:53.970 Strongly preferred,
NOTE Confidence: 0.9399203

00:05:53.970 --> 00:05:56.280 I would say the vast majority of
NOTE Confidence: 0.9399203

00:05:56.280 --> 00:05:58.070 people that match to our program
NOTE Confidence: 0.9399203

00:05:58.070 --> 00:05:59.470 have graduated medical from medical
NOTE Confidence: 0.9399203

00:05:59.470 --> 00:06:01.150 school in the last five years.
NOTE Confidence: 0.9399203

00:06:01.150 --> 00:06:02.488 There are occasions,
NOTE Confidence: 0.9399203

00:06:02.488 --> 00:06:03.826 very specific occasions,
NOTE Confidence: 0.9399203

00:06:03.830 --> 00:06:05.664 where that might not be the case,
NOTE Confidence: 0.9399203

00:06:05.670 --> 00:06:07.445 if somebody's doing a graduate
NOTE Confidence: 0.9399203

00:06:07.445 --> 00:06:08.865 degree or intensive research
NOTE Confidence: 0.9399203

00:06:08.865 --> 00:06:10.388 experience or that sort of thing.
NOTE Confidence: 0.9399203

00:06:10.390 --> 00:06:11.590 But I would say the vast,
NOTE Confidence: 0.9399203

00:06:11.590 --> 00:06:13.222 vast majority of people that interview
NOTE Confidence: 0.9399203

00:06:13.222 --> 00:06:15.274 and match with us have graduated from
NOTE Confidence: 0.9399203

00:06:15.274 --> 00:06:17.388 medical school within the last five years.
NOTE Confidence: 0.9399203

00:06:17.390 --> 00:06:19.469 We offer both J1 and H1B visas

NOTE Confidence: 0.9399203

00:06:19.469 --> 00:06:21.310 depending on the circumstances,

NOTE Confidence: 0.9399203

00:06:21.310 --> 00:06:23.710 and there are pros and cons to each of those.

NOTE Confidence: 0.9399203

00:06:23.710 --> 00:06:26.210 And we have learned lots

NOTE Confidence: 0.9399203

00:06:26.210 --> 00:06:28.710 about visas over the years.

NOTE Confidence: 0.9399203

00:06:28.710 --> 00:06:31.016 Here are the excuse me,

NOTE Confidence: 0.9399203

00:06:31.016 --> 00:06:32.381 here are the criteria we

NOTE Confidence: 0.9399203

00:06:32.381 --> 00:06:33.630 use for holistic review.

NOTE Confidence: 0.9399203

00:06:33.630 --> 00:06:35.754 So we do obviously a review

NOTE Confidence: 0.9399203

00:06:35.754 --> 00:06:36.816 of your applications,

NOTE Confidence: 0.9399203

00:06:36.820 --> 00:06:40.816 looking at your your clinical potential,

NOTE Confidence: 0.9399203

00:06:40.820 --> 00:06:43.053 so medical school grades and MSPE

NOTE Confidence: 0.9399203

00:06:43.053 --> 00:06:45.018 research and other scholarly work,

NOTE Confidence: 0.9399203

00:06:45.020 --> 00:06:47.124 leadership engagement and resilience,

NOTE Confidence: 0.9399203

00:06:47.124 --> 00:06:48.176 distance travel,

NOTE Confidence: 0.9399203

00:06:48.180 --> 00:06:49.770 there's often evidence in your

NOTE Confidence: 0.9399203

00:06:49.770 --> 00:06:51.900 application and and that sort of thing.

NOTE Confidence: 0.9399203

00:06:51.900 --> 00:06:53.100 In interview review,

NOTE Confidence: 0.942966

00:06:55.260 --> 00:06:56.940 again, we're looking at your potential,

NOTE Confidence: 0.942966

00:06:56.940 --> 00:06:58.340 not necessarily what you've done,

NOTE Confidence: 0.942966

00:06:58.340 --> 00:07:00.044 but maybe what you've done with

NOTE Confidence: 0.942966

00:07:00.044 --> 00:07:01.180 the opportunities you've had.

NOTE Confidence: 0.942966

00:07:01.180 --> 00:07:03.400 And again, this is very holistic

NOTE Confidence: 0.942966

00:07:03.400 --> 00:07:04.748 citizenship and leadership potential,

NOTE Confidence: 0.942966

00:07:04.748 --> 00:07:06.770 interpersonal skills and we do have

NOTE Confidence: 0.942966

00:07:06.817 --> 00:07:08.477 structured behavior based questions.

NOTE Confidence: 0.942966

00:07:08.480 --> 00:07:10.800 We've been doing that for about four or

NOTE Confidence: 0.942966

00:07:10.800 --> 00:07:13.397 five years to try to limit some of the

NOTE Confidence: 0.942966

00:07:13.397 --> 00:07:15.280 bias associated with these interviews.

NOTE Confidence: 0.942966

00:07:15.280 --> 00:07:16.704 The interview experience will

NOTE Confidence: 0.942966

00:07:16.704 --> 00:07:18.484 include a panel with discussion

NOTE Confidence: 0.942966

00:07:18.484 --> 00:07:20.357 with residents the night before,

NOTE Confidence: 0.942966
00:07:20.360 --> 00:07:23.240 opportunities for smaller group or one-on-one
NOTE Confidence: 0.942966
00:07:23.240 --> 00:07:24.738 discussions with individual residents,
NOTE Confidence: 0.942966
00:07:24.738 --> 00:07:26.352 and that will happen the night
NOTE Confidence: 0.942966
00:07:26.352 --> 00:07:27.539 before the interview day.
NOTE Confidence: 0.942966
00:07:27.540 --> 00:07:29.416 The interview day itself will be an
NOTE Confidence: 0.942966
00:07:29.416 --> 00:07:31.907 overview of the program with me and our
NOTE Confidence: 0.942966
00:07:31.907 --> 00:07:33.537 chair and associate program directors.
NOTE Confidence: 0.942966
00:07:33.540 --> 00:07:37.500 We'll have 5 interviews over 20 minutes each.
NOTE Confidence: 0.942966
00:07:37.500 --> 00:07:39.516 There'll be a case discussion and
NOTE Confidence: 0.942966
00:07:39.516 --> 00:07:41.259 then basically you're good to go.
NOTE Confidence: 0.942966
00:07:41.260 --> 00:07:42.860 And if you want to follow up with
NOTE Confidence: 0.942966
00:07:42.860 --> 00:07:43.876 additional questions, you can.
NOTE Confidence: 0.942966
00:07:43.876 --> 00:07:45.416 But people really love this,
NOTE Confidence: 0.942966
00:07:45.420 --> 00:07:46.209 I'll tell you,
NOTE Confidence: 0.942966
00:07:46.209 --> 00:07:47.524 they especially love this near
NOTE Confidence: 0.942966

00:07:47.524 --> 00:07:49.254 the end of the season when they

NOTE Confidence: 0.942966

00:07:49.254 --> 00:07:51.307 start get start to get tired and we

NOTE Confidence: 0.942966

00:07:51.307 --> 00:07:52.737 have found this highly efficient.

NOTE Confidence: 0.942966

00:07:52.740 --> 00:07:55.736 We get a good sense of people and I

NOTE Confidence: 0.942966

00:07:55.736 --> 00:07:57.227 feel like we've been able to make

NOTE Confidence: 0.942966

00:07:57.227 --> 00:07:58.858 great decisions and I think our

NOTE Confidence: 0.942966

00:07:58.858 --> 00:08:00.529 residents feel like they've been able

NOTE Confidence: 0.942966

00:08:00.529 --> 00:08:02.265 to make a great decision in matching.

NOTE Confidence: 0.942966

00:08:02.270 --> 00:08:04.440 There is no separate prelim

NOTE Confidence: 0.942966

00:08:04.440 --> 00:08:05.308 interview required.

NOTE Confidence: 0.942966

00:08:05.310 --> 00:08:06.710 We'll emphasize this when

NOTE Confidence: 0.942966

00:08:06.710 --> 00:08:08.110 we do the application,

NOTE Confidence: 0.942966

00:08:08.110 --> 00:08:09.594 but just to let you know about

NOTE Confidence: 0.942966

00:08:09.594 --> 00:08:10.590 that so you don't,

NOTE Confidence: 0.942966

00:08:10.590 --> 00:08:12.459 you do have to apply to the

NOTE Confidence: 0.942966

00:08:12.459 --> 00:08:13.611 preliminary programs and that

NOTE Confidence: 0.942966
00:08:13.611 --> 00:08:15.106 information is on our website,
NOTE Confidence: 0.942966
00:08:15.110 --> 00:08:16.718 but you don't have to separately
NOTE Confidence: 0.942966
00:08:16.718 --> 00:08:18.110 interview for those prelim spots.
NOTE Confidence: 0.942966
00:08:18.110 --> 00:08:19.750 Do you have any questions about prelim spots?
NOTE Confidence: 0.942966
00:08:19.750 --> 00:08:22.158 You can always e-mail.
NOTE Confidence: 0.942966
00:08:22.160 --> 00:08:24.092 We have lots of important details
NOTE Confidence: 0.942966
00:08:24.092 --> 00:08:26.758 that we can get into at later times.
NOTE Confidence: 0.942966
00:08:26.760 --> 00:08:28.440 We have an X + Y clinic format.
NOTE Confidence: 0.942966
00:08:28.440 --> 00:08:31.840 We were one of the first since 2018.
NOTE Confidence: 0.942966
00:08:31.840 --> 00:08:33.760 We have no 28 hour call.
NOTE Confidence: 0.942966
00:08:33.760 --> 00:08:35.670 We have early exposure to
NOTE Confidence: 0.942966
00:08:35.670 --> 00:08:36.434 outpatient specialties,
NOTE Confidence: 0.942966
00:08:36.440 --> 00:08:37.725 broad range of fellowship matches
NOTE Confidence: 0.942966
00:08:37.725 --> 00:08:39.640 and the proof is in the pudding.
NOTE Confidence: 0.942966
00:08:39.640 --> 00:08:42.100 We see a pretty good balance
NOTE Confidence: 0.942966

00:08:42.100 --> 00:08:43.740 between inpatient and outpatient
NOTE Confidence: 0.942966

00:08:43.814 --> 00:08:46.800 subspecialty matches after residency.
NOTE Confidence: 0.93651265

00:08:48.890 --> 00:08:50.757 We have a ton of enrichment
NOTE Confidence: 0.93651265

00:08:50.757 --> 00:08:52.892 opportunities and research and global
NOTE Confidence: 0.93651265

00:08:52.892 --> 00:08:55.132 neurology in our clinician educator
NOTE Confidence: 0.93651265

00:08:55.132 --> 00:08:57.028 distinction or healthcare management
NOTE Confidence: 0.93651265

00:08:57.028 --> 00:08:58.924 track and amazing leadership.
NOTE Confidence: 0.93651265

00:08:58.930 --> 00:09:01.378 We've had people on the editorial
NOTE Confidence: 0.93651265

00:09:01.378 --> 00:09:03.010 boards in multiple journals.
NOTE Confidence: 0.93651265

00:09:03.010 --> 00:09:04.900 We've had people on the board
NOTE Confidence: 0.93651265

00:09:04.900 --> 00:09:06.956 of the match itself of the A/C,
NOTE Confidence: 0.93651265

00:09:06.956 --> 00:09:09.724 GME and and of so many other groups.
NOTE Confidence: 0.93651265

00:09:09.730 --> 00:09:11.529 And it's an amazing thing that we've
NOTE Confidence: 0.93651265

00:09:11.529 --> 00:09:13.785 been able to do is really individualize
NOTE Confidence: 0.93651265

00:09:13.785 --> 00:09:15.565 the experiences for our residents.
NOTE Confidence: 0.93651265

00:09:15.570 --> 00:09:17.395 We have a strong commitment

NOTE Confidence: 0.93651265

00:09:17.395 --> 00:09:18.855 to diversity and inclusion.

NOTE Confidence: 0.93651265

00:09:18.860 --> 00:09:20.726 We have an Associate Director of

NOTE Confidence: 0.93651265

00:09:20.726 --> 00:09:22.630 Diversity Education who is a major

NOTE Confidence: 0.93651265

00:09:22.630 --> 00:09:24.135 part of our recruitment efforts.

NOTE Confidence: 0.93651265

00:09:24.140 --> 00:09:27.619 We have Director of DEI Reshman Arula,

NOTE Confidence: 0.93651265

00:09:27.620 --> 00:09:30.444 who organizes department wide

NOTE Confidence: 0.93651265

00:09:30.444 --> 00:09:31.856 diversity efforts.

NOTE Confidence: 0.93651265

00:09:31.860 --> 00:09:32.948 As I said before,

NOTE Confidence: 0.93651265

00:09:32.948 --> 00:09:34.580 we have the holistic application review,

NOTE Confidence: 0.93651265

00:09:34.580 --> 00:09:36.004 mandatory Antibios training for

NOTE Confidence: 0.93651265

00:09:36.004 --> 00:09:37.784 residents and we actually had

NOTE Confidence: 0.93651265

00:09:37.784 --> 00:09:39.562 training for all of our faculty

NOTE Confidence: 0.93651265

00:09:39.562 --> 00:09:40.932 members at our faculty retreat.

NOTE Confidence: 0.93651265

00:09:40.940 --> 00:09:43.045 We do some interesting things

NOTE Confidence: 0.93651265

00:09:43.045 --> 00:09:45.150 focusing on education and health

NOTE Confidence: 0.93651265

00:09:45.220 --> 00:09:47.528 disparities and educational tools.
NOTE Confidence: 0.93651265

00:09:47.530 --> 00:09:48.815 People asked our vision for
NOTE Confidence: 0.93651265

00:09:48.815 --> 00:09:49.843 the next few years.
NOTE Confidence: 0.93651265

00:09:49.850 --> 00:09:52.250 We want to see ongoing diversity.
NOTE Confidence: 0.93651265

00:09:52.250 --> 00:09:54.728 We will have a neural hospitalist service.
NOTE Confidence: 0.93651265

00:09:54.730 --> 00:09:57.090 No plans to increase the residency just yet,
NOTE Confidence: 0.93651265

00:09:57.090 --> 00:09:58.389 but stay tuned.
NOTE Confidence: 0.93651265

00:09:58.389 --> 00:09:59.688 That may change.
NOTE Confidence: 0.93651265

00:09:59.690 --> 00:10:01.250 We will have a new neuron science tower,
NOTE Confidence: 0.93651265

00:10:01.250 --> 00:10:02.618 which may be one of the reasons that
NOTE Confidence: 0.93651265

00:10:02.618 --> 00:10:04.007 we have to increase our residency.
NOTE Confidence: 0.93651265

00:10:04.010 --> 00:10:05.258 So stay tuned.
NOTE Confidence: 0.93651265

00:10:05.258 --> 00:10:06.090 Not yet,
NOTE Confidence: 0.93651265

00:10:06.090 --> 00:10:07.089 but stay tuned.
NOTE Confidence: 0.93651265

00:10:07.089 --> 00:10:09.087 And we continue to expand opportunities
NOTE Confidence: 0.93651265

00:10:09.087 --> 00:10:10.588 and innovative educational

NOTE Confidence: 0.93651265

00:10:10.588 --> 00:10:12.808 strategies and empowering residents.

NOTE Confidence: 0.93651265

00:10:12.810 --> 00:10:15.062 And I want you to hear from all

NOTE Confidence: 0.93651265

00:10:15.062 --> 00:10:16.800 of our residents because this

NOTE Confidence: 0.93651265

00:10:16.800 --> 00:10:19.250 is the best part of the program.

NOTE Confidence: 0.93651265

00:10:19.250 --> 00:10:24.758 And I just want to pause for a second

NOTE Confidence: 0.93651265

00:10:24.758 --> 00:10:27.514 and say acknowledge the fact that

NOTE Confidence: 0.93651265

00:10:27.514 --> 00:10:30.743 this can be a very intense time of

NOTE Confidence: 0.93651265

00:10:30.743 --> 00:10:32.898 your medical school training and

NOTE Confidence: 0.93651265

00:10:32.898 --> 00:10:35.807 of the next step in your career.

NOTE Confidence: 0.93651265

00:10:35.810 --> 00:10:38.510 It can be so hard to know how you're

NOTE Confidence: 0.93651265

00:10:38.510 --> 00:10:41.524 going to make good choices for your career.

NOTE Confidence: 0.93651265

00:10:41.530 --> 00:10:44.518 It's a time when everything feels

NOTE Confidence: 0.93651265

00:10:44.518 --> 00:10:46.770 really high stakes and like every

NOTE Confidence: 0.93651265

00:10:46.770 --> 00:10:48.889 move you make is going to be the

NOTE Confidence: 0.93651265

00:10:48.889 --> 00:10:51.045 most important move you ever make and

NOTE Confidence: 0.93651265

00:10:51.045 --> 00:10:53.362 and there's no room for error or a
NOTE Confidence: 0.93651265

00:10:53.362 --> 00:10:55.492 misstep or anything like that and I
NOTE Confidence: 0.93651265

00:10:55.492 --> 00:10:57.900 just want to reassure you about that.
NOTE Confidence: 0.93651265

00:10:57.900 --> 00:11:00.260 It really all works out.
NOTE Confidence: 0.93651265

00:11:00.260 --> 00:11:01.874 I'll share with you personally I
NOTE Confidence: 0.93651265

00:11:01.874 --> 00:11:04.328 have a lot of the same feelings and
NOTE Confidence: 0.93651265

00:11:04.328 --> 00:11:06.296 the same concerns year after year.
NOTE Confidence: 0.93651265

00:11:06.300 --> 00:11:08.220 I just, we've been so lucky.
NOTE Confidence: 0.93651265

00:11:08.220 --> 00:11:10.460 We met such great residents and I
NOTE Confidence: 0.93651265

00:11:10.460 --> 00:11:12.100 just wonder how we're going to be
NOTE Confidence: 0.93651265

00:11:12.100 --> 00:11:13.937 able to run it back and do it again.
NOTE Confidence: 0.93651265

00:11:13.940 --> 00:11:15.830 But it takes a village and you're
NOTE Confidence: 0.93651265

00:11:15.830 --> 00:11:18.099 going to hear a little bit from some
NOTE Confidence: 0.93651265

00:11:18.099 --> 00:11:20.220 of that village, but take a deep breath,
NOTE Confidence: 0.93651265

00:11:20.220 --> 00:11:23.700 relax you in the chat or in person.
NOTE Confidence: 0.93651265

00:11:23.700 --> 00:11:26.619 There'll be an opportunity to ask questions.

NOTE Confidence: 0.93651265

00:11:26.620 --> 00:11:28.980 But we're just delighted, honored,

NOTE Confidence: 0.93651265

00:11:28.980 --> 00:11:31.338 humbled to have you all here.

NOTE Confidence: 0.93651265

00:11:31.340 --> 00:11:33.937 You're part of the future of neurology.

NOTE Confidence: 0.93651265

00:11:33.940 --> 00:11:36.516 It's the best part of being involved

NOTE Confidence: 0.93651265

00:11:36.516 --> 00:11:38.477 in neurology education is seeing

NOTE Confidence: 0.93651265

00:11:38.477 --> 00:11:40.057 the next generation develop.

NOTE Confidence: 0.93651265

00:11:40.060 --> 00:11:42.160 And now I'd love to for you to hear from

NOTE Confidence: 0.93651265

00:11:42.214 --> 00:11:44.419 some of our residents and faculty members.

NOTE Confidence: 0.94303805

00:11:44.420 --> 00:11:46.944 And I'm just going to go by who I see on

NOTE Confidence: 0.94303805

00:11:46.944 --> 00:11:49.716 my screen and everybody here is actually

NOTE Confidence: 0.94303805

00:11:49.716 --> 00:11:52.014 going to introduce themselves and then

NOTE Confidence: 0.94303805

00:11:52.014 --> 00:11:53.953 say something about that they like about

NOTE Confidence: 0.94303805

00:11:53.953 --> 00:11:56.019 one of the best parts of our program,

NOTE Confidence: 0.94303805

00:11:56.020 --> 00:11:58.300 which is New Haven, CT,

NOTE Confidence: 0.94303805

00:11:58.300 --> 00:12:00.298 a major feature of our program.

NOTE Confidence: 0.94303805

00:12:00.300 --> 00:12:03.060 So on my screen, Jeff Dewey,
NOTE Confidence: 0.94303805

00:12:03.060 --> 00:12:04.080 our Associate Program Director
NOTE Confidence: 0.94303805

00:12:04.080 --> 00:12:05.100 and Director of Resident,
NOTE Confidence: 0.94303805

00:12:05.100 --> 00:12:06.345 Wellness, Clerkship director,
NOTE Confidence: 0.94303805

00:12:06.345 --> 00:12:08.774 many other titles is in an airport,
NOTE Confidence: 0.94303805

00:12:08.774 --> 00:12:11.110 but it's very dedicated to the process.
NOTE Confidence: 0.94303805

00:12:11.110 --> 00:12:12.790 Jeff, you want to introduce yourself?
NOTE Confidence: 0.9321972

00:12:12.790 --> 00:12:15.210 Yeah, I wouldn't miss it. So hi, everybody.
NOTE Confidence: 0.9321972

00:12:15.210 --> 00:12:16.710 Sorry for the background noise.
NOTE Confidence: 0.9321972

00:12:16.710 --> 00:12:18.910 I'm sitting in the Midway Airport in Chicago,
NOTE Confidence: 0.9321972

00:12:18.910 --> 00:12:20.574 actually, coming from the ACG and E, which
NOTE Confidence: 0.9321972

00:12:20.574 --> 00:12:23.160 I started working with during residency.
NOTE Confidence: 0.9321972

00:12:23.160 --> 00:12:26.585 So Speaking of leadership opportunities,
NOTE Confidence: 0.9321972

00:12:26.590 --> 00:12:30.170 I love New Haven, mainly because I've
NOTE Confidence: 0.9321972

00:12:30.170 --> 00:12:32.110 always lived outside of New Haven and
NOTE Confidence: 0.9321972

00:12:32.110 --> 00:12:34.126 I love the opportunities to live in

NOTE Confidence: 0.9321972

00:12:34.126 --> 00:12:35.670 the countryside, live in the woods.

NOTE Confidence: 0.9321972

00:12:35.670 --> 00:12:37.305 I did both. As a resident,

NOTE Confidence: 0.9321972

00:12:37.305 --> 00:12:39.135 I live in the countryside now.

NOTE Confidence: 0.9321972

00:12:39.140 --> 00:12:40.337 It's really a great place to live.

NOTE Confidence: 0.9321972

00:12:40.340 --> 00:12:41.540 So that's my favorite feature

NOTE Confidence: 0.9322647

00:12:41.540 --> 00:12:42.020 of the warden.

NOTE Confidence: 0.9322647

00:12:46.620 --> 00:12:48.342 And next, actually, you get to hear

NOTE Confidence: 0.9322647

00:12:48.342 --> 00:12:50.257 from one of our pgy ones who just

NOTE Confidence: 0.9322647

00:12:50.257 --> 00:12:52.218 landed in New Haven a few months ago.

NOTE Confidence: 0.9322647

00:12:52.220 --> 00:12:53.655 So, Wayne, you're next on my list.

NOTE Confidence: 0.9322647

00:12:53.660 --> 00:12:54.899 Wayne, do you want to introduce yourself?

NOTE Confidence: 0.9322647

00:12:56.140 --> 00:12:57.290 Hello, everyone.

NOTE Confidence: 0.9322647

00:12:57.290 --> 00:13:00.740 I'm Wayne coming from Boston University.

NOTE Confidence: 0.9322647

00:13:00.740 --> 00:13:04.378 Favorite part is actually the city size.

NOTE Confidence: 0.9322647

00:13:04.380 --> 00:13:05.404 So coming from Boston,

NOTE Confidence: 0.9322647

00:13:05.404 --> 00:13:07.100 the traffic was horrendous.
NOTE Confidence: 0.9322647

00:13:07.100 --> 00:13:09.380 So here it's the sweet spot.
NOTE Confidence: 0.9237495

00:13:09.700 --> 00:13:11.058 But also you're close to New York
NOTE Confidence: 0.9237495

00:13:11.860 --> 00:13:13.372 as if you need to do any day trips.
NOTE Confidence: 0.9237495

00:13:14.980 --> 00:13:15.780 Yeah, the people have
NOTE Confidence: 0.9237495

00:13:15.780 --> 00:13:16.620 been very, very good too.
NOTE Confidence: 0.9237495

00:13:18.820 --> 00:13:21.697 All right. And in our resident room,
NOTE Confidence: 0.9237495

00:13:21.700 --> 00:13:25.576 with our very fancy couch there
NOTE Confidence: 0.9237495

00:13:25.580 --> 00:13:27.720 and some diagrams and neurological
NOTE Confidence: 0.9237495

00:13:27.720 --> 00:13:28.810 things in the background,
NOTE Confidence: 0.9237495

00:13:28.810 --> 00:13:29.910 I see Nick and Vanessa,
NOTE Confidence: 0.9237495

00:13:29.910 --> 00:13:31.070 you want to introduce yourselves?
NOTE Confidence: 0.9179036

00:13:32.950 --> 00:13:34.750 Hi everyone, my name is Vanessa.
NOTE Confidence: 0.9179036

00:13:34.750 --> 00:13:37.414 I'm currently one of the PGY twos and we
NOTE Confidence: 0.9179036

00:13:37.414 --> 00:13:40.066 are here zooming in for more workroom.
NOTE Confidence: 0.9179036

00:13:42.390 --> 00:13:45.510 So, well, nice to see you all here.

NOTE Confidence: 0.9179036

00:13:45.510 --> 00:13:47.868 My favorite part of New Haven,

NOTE Confidence: 0.9179036

00:13:47.870 --> 00:13:49.295 I would say.

NOTE Confidence: 0.9179036

00:13:49.295 --> 00:13:51.670 It's how walkable everything is.

NOTE Confidence: 0.9179036

00:13:51.670 --> 00:13:53.198 I live downtown approximately

NOTE Confidence: 0.9179036

00:13:53.198 --> 00:13:55.108 5 minutes from the hospital.

NOTE Confidence: 0.9179036

00:13:55.110 --> 00:13:56.625 Like walking distance.

NOTE Confidence: 0.9179036

00:13:56.625 --> 00:13:59.727 And we have great restaurants many

NOTE Confidence: 0.9179036

00:13:59.727 --> 00:14:03.189 you know interesting things to do.

NOTE Confidence: 0.9179036

00:14:03.190 --> 00:14:04.470 So yeah that's what

NOTE Confidence: 0.93292433

00:14:04.470 --> 00:14:07.585 I love most. Nice And hello friends.

NOTE Confidence: 0.93292433

00:14:07.590 --> 00:14:11.310 I'm Nick. I'm one of the PGY threes.

NOTE Confidence: 0.93292433

00:14:11.310 --> 00:14:13.254 I I I'm shocked that this

NOTE Confidence: 0.93292433

00:14:13.254 --> 00:14:14.550 hasn't been mentioned yet.

NOTE Confidence: 0.93292433

00:14:14.550 --> 00:14:17.223 To me it's low hanging fruit about New Haven.

NOTE Confidence: 0.93292433

00:14:17.230 --> 00:14:19.670 The food is just phenomenal.

NOTE Confidence: 0.93292433

00:14:19.670 --> 00:14:21.427 I know Doctor Mueller shares my sentiments.

NOTE Confidence: 0.93292433

00:14:21.430 --> 00:14:23.480 We've had we've had conversations

NOTE Confidence: 0.93292433

00:14:23.480 --> 00:14:25.978 about this in the past man.

NOTE Confidence: 0.93292433

00:14:25.978 --> 00:14:27.770 It's in addition to

NOTE Confidence: 0.93292433

00:14:27.770 --> 00:14:28.916 definitely being walkable.

NOTE Confidence: 0.93292433

00:14:28.916 --> 00:14:32.010 It's I think a great size as well.

NOTE Confidence: 0.93292433

00:14:32.010 --> 00:14:33.900 But really any cuisine you can think

NOTE Confidence: 0.93292433

00:14:33.900 --> 00:14:36.006 of is here which is shocking for a

NOTE Confidence: 0.93292433

00:14:36.006 --> 00:14:38.049 kind of like a city of this size.

NOTE Confidence: 0.93292433

00:14:38.050 --> 00:14:39.634 But not only that but the I I

NOTE Confidence: 0.93292433

00:14:39.634 --> 00:14:41.050 can't say enough good things.

NOTE Confidence: 0.93292433

00:14:41.050 --> 00:14:43.794 It's like world like out of

NOTE Confidence: 0.93292433

00:14:43.794 --> 00:14:46.242 nowhere it seems world class food.

NOTE Confidence: 0.93292433

00:14:46.250 --> 00:14:49.210 If anyone wants any wrecks hit me up.

NOTE Confidence: 0.93292433

00:14:49.210 --> 00:14:50.848 But I I would say absolutely.

NOTE Confidence: 0.93292433

00:14:50.850 --> 00:14:52.012 I I think food is one of

NOTE Confidence: 0.93292433

00:14:52.012 --> 00:14:52.810 the great parts of me.

NOTE Confidence: 0.92841834

00:14:54.240 --> 00:14:55.717 Yeah, I I have to 2nd that.

NOTE Confidence: 0.92841834

00:14:55.720 --> 00:14:57.239 I think you'll hear that a lot.

NOTE Confidence: 0.92841834

00:14:57.240 --> 00:14:59.880 It definitely bats above its weight for food.

NOTE Confidence: 0.92841834

00:14:59.880 --> 00:15:01.864 I was on vacation a couple of weeks

NOTE Confidence: 0.92841834

00:15:01.864 --> 00:15:04.036 ago and before I left to leave town,

NOTE Confidence: 0.92841834

00:15:04.040 --> 00:15:06.440 keeping a low profile,

NOTE Confidence: 0.92841834

00:15:06.440 --> 00:15:08.294 I went with my wife and kids out to

NOTE Confidence: 0.92841834

00:15:08.294 --> 00:15:10.079 dinner at one of our fine restaurants.

NOTE Confidence: 0.92841834

00:15:10.080 --> 00:15:12.152 And sitting at the next table over was

NOTE Confidence: 0.92841834

00:15:12.152 --> 00:15:14.092 a group of our residents being taken

NOTE Confidence: 0.92841834

00:15:14.092 --> 00:15:15.674 out by one of her faculty members.

NOTE Confidence: 0.92841834

00:15:15.680 --> 00:15:17.600 And they were very respectful.

NOTE Confidence: 0.92841834

00:15:17.600 --> 00:15:19.360 They were surprised to see me in town,

NOTE Confidence: 0.92841834

00:15:19.360 --> 00:15:21.411 but sort of said hi and then

NOTE Confidence: 0.92841834

00:15:21.411 --> 00:15:22.540 pretended to ignore me,
NOTE Confidence: 0.92841834

00:15:22.540 --> 00:15:25.508 which was just very touching that they
NOTE Confidence: 0.92841834

00:15:25.508 --> 00:15:27.220 were trying to protect my vacation time.
NOTE Confidence: 0.92841834

00:15:27.220 --> 00:15:29.500 It was a fantastic meal.
NOTE Confidence: 0.92841834

00:15:29.500 --> 00:15:30.040 Kevin. What?
NOTE Confidence: 0.92841834

00:15:30.040 --> 00:15:30.580 Kevin Yan,
NOTE Confidence: 0.92841834

00:15:30.580 --> 00:15:32.580 what do you love about New Haven?
NOTE Confidence: 0.9303813

00:15:33.600 --> 00:15:35.440 Hi everyone. I'm having one
NOTE Confidence: 0.9303813

00:15:35.440 --> 00:15:38.520 of the PGY fours I am when I
NOTE Confidence: 0.9303813

00:15:38.520 --> 00:15:40.120 guess the culture aficionado,
NOTE Confidence: 0.9303813

00:15:40.120 --> 00:15:41.296 one of my Co residents called
NOTE Confidence: 0.9303813

00:15:41.296 --> 00:15:42.720 me an opera snob the other day.
NOTE Confidence: 0.9303813

00:15:44.200 --> 00:15:44.960 And one of the things
NOTE Confidence: 0.9303813

00:15:44.960 --> 00:15:47.112 I really like about New Haven is we
NOTE Confidence: 0.9303813

00:15:47.112 --> 00:15:49.514 have a lot of nice events to go to.
NOTE Confidence: 0.9303813

00:15:49.520 --> 00:15:51.728 There is a theater in town that puts

NOTE Confidence: 0.9303813

00:15:51.728 --> 00:15:53.888 on a lot of various events and we

NOTE Confidence: 0.9303813

00:15:53.888 --> 00:15:55.920 do have the proximity to New York.

NOTE Confidence: 0.9303813

00:15:55.920 --> 00:15:57.747 And the nice balance is that it's

NOTE Confidence: 0.9303813

00:15:57.747 --> 00:15:59.919 also not too big of a place because

NOTE Confidence: 0.9303813

00:15:59.919 --> 00:16:01.918 I also enjoy the freedom to drive

NOTE Confidence: 0.9303813

00:16:01.918 --> 00:16:04.032 somewhere and not get stuck in traffic.

NOTE Confidence: 0.9303813

00:16:04.040 --> 00:16:06.390 So I think living in New Haven is one of

NOTE Confidence: 0.9303813

00:16:06.454 --> 00:16:08.652 the really nice quality of life things

NOTE Confidence: 0.9303813

00:16:08.652 --> 00:16:11.120 that I've really enjoyed during residency.

NOTE Confidence: 0.9305143

00:16:13.440 --> 00:16:16.040 Gina, you're next. Your Gina's,

NOTE Confidence: 0.9305143

00:16:16.040 --> 00:16:16.984 our program coordinator has

NOTE Confidence: 0.9305143

00:16:16.984 --> 00:16:18.400 been with us for a year.

NOTE Confidence: 0.9305143

00:16:18.400 --> 00:16:20.340 So she's we're just completing

NOTE Confidence: 0.9305143

00:16:20.340 --> 00:16:22.160 a cycle of the educational year.

NOTE Confidence: 0.9285649

00:16:22.960 --> 00:16:24.340 Yes. And welcome.

NOTE Confidence: 0.9285649

00:16:24.340 --> 00:16:26.640 I'm glad you're all here.
NOTE Confidence: 0.9285649

00:16:26.640 --> 00:16:28.278 So what I like about New Haven,
NOTE Confidence: 0.9285649

00:16:28.280 --> 00:16:30.198 I grew up here is the pizza.
NOTE Confidence: 0.9285649

00:16:30.200 --> 00:16:31.720 Pizza is we're known for,
NOTE Confidence: 0.9285649

00:16:31.720 --> 00:16:33.288 it's the best in the country and
NOTE Confidence: 0.9285649

00:16:33.288 --> 00:16:34.680 we're close to the shoreline.
NOTE Confidence: 0.9285649

00:16:34.680 --> 00:16:36.723 I love going to the beach and we have
NOTE Confidence: 0.9285649

00:16:36.723 --> 00:16:38.677 some great beaches to go to as well.
NOTE Confidence: 0.9285649

00:16:38.680 --> 00:16:40.514 And of course, Yale, I mean it's,
NOTE Confidence: 0.9285649

00:16:40.520 --> 00:16:43.220 you know a lot of walking
NOTE Confidence: 0.9285649

00:16:43.220 --> 00:16:45.960 distance to places and it's just
NOTE Confidence: 0.9285649

00:16:45.960 --> 00:16:47.598 it's just a nice place to be.
NOTE Confidence: 0.9285649

00:16:48.560 --> 00:16:50.177 Tina, do you have an opinion about
NOTE Confidence: 0.9285649

00:16:50.177 --> 00:16:51.720 your favorite New Haven pizza place?
NOTE Confidence: 0.9373611

00:16:53.250 --> 00:16:54.354 There is a couple,
NOTE Confidence: 0.9373611

00:16:54.354 --> 00:16:56.010 Some are outside of New Haven,

NOTE Confidence: 0.9373611

00:16:56.010 --> 00:16:57.290 some are in West Haven.

NOTE Confidence: 0.9373611

00:16:57.290 --> 00:16:58.106 I like Zoo Parties,

NOTE Confidence: 0.9373611

00:16:58.106 --> 00:16:59.126 which is in West Haven.

NOTE Confidence: 0.9373611

00:16:59.130 --> 00:17:01.170 That's one of my favorites.

NOTE Confidence: 0.9373611

00:17:01.170 --> 00:17:03.090 If I do eat pizza in New Haven,

NOTE Confidence: 0.9373611

00:17:03.090 --> 00:17:05.690 it probably would be Pepe's.

NOTE Confidence: 0.9373611

00:17:05.690 --> 00:17:06.840 That's one of my favorite

NOTE Confidence: 0.9373611

00:17:06.840 --> 00:17:07.610 places as well. All

NOTE Confidence: 0.9373611

00:17:08.610 --> 00:17:10.480 right, we'll hear other opinions

NOTE Confidence: 0.9373611

00:17:10.480 --> 00:17:13.288 about the the Pete's in a little bit,

NOTE Confidence: 0.9373611

00:17:13.290 --> 00:17:15.610 but Pepe's is great.

NOTE Confidence: 0.9373611

00:17:15.610 --> 00:17:17.810 What do you like about New Haven?

NOTE Confidence: 0.92710066

00:17:19.040 --> 00:17:21.440 Yeah, so I'm JP. I'm a Pty 4,

NOTE Confidence: 0.92710066

00:17:21.440 --> 00:17:23.645 one of the recruitment chiefs this year

NOTE Confidence: 0.92710066

00:17:23.645 --> 00:17:26.119 with Ishok who's also on this Zoom meeting.

NOTE Confidence: 0.92710066

00:17:26.120 --> 00:17:27.980 And my favorite thing about living
NOTE Confidence: 0.92710066

00:17:27.980 --> 00:17:29.590 here has definitely been there's
NOTE Confidence: 0.92710066

00:17:29.590 --> 00:17:31.795 a lot of really good vineyards and
NOTE Confidence: 0.92710066

00:17:31.795 --> 00:17:33.638 microbreweries in the surrounding areas.
NOTE Confidence: 0.92710066

00:17:33.640 --> 00:17:36.656 And so now, even in my 4th year,
NOTE Confidence: 0.92710066

00:17:36.660 --> 00:17:37.828 I try to get out on the weekends
NOTE Confidence: 0.92710066

00:17:37.828 --> 00:17:38.940 and I've seen a good number,
NOTE Confidence: 0.92710066

00:17:38.940 --> 00:17:40.172 but I think there's still more
NOTE Confidence: 0.92710066

00:17:40.172 --> 00:17:41.659 for me to see even in my 4th year.
NOTE Confidence: 0.92710066

00:17:41.660 --> 00:17:43.580 So it's pretty surprising how many there are.
NOTE Confidence: 0.92710066

00:17:43.580 --> 00:17:45.068 And it's nice to get out of the
NOTE Confidence: 0.92710066

00:17:45.068 --> 00:17:46.588 city and be in a little bit more
NOTE Confidence: 0.92710066

00:17:46.588 --> 00:17:48.020 of a green area too sometimes.
NOTE Confidence: 0.92710066

00:17:48.020 --> 00:17:49.420 So I really like that,
NOTE Confidence: 0.9308867

00:17:51.580 --> 00:17:51.940 James.
NOTE Confidence: 0.9263521

00:17:54.140 --> 00:17:55.738 Hi, everyone. I'm one of the PGY twos.

NOTE Confidence: 0.9263521

00:17:55.740 --> 00:17:57.605 I'm James. My favorite thing

NOTE Confidence: 0.9263521

00:17:57.605 --> 00:17:59.900 about New Haven is East Rock,

NOTE Confidence: 0.9263521

00:17:59.900 --> 00:18:01.475 which is a neighborhood that

NOTE Confidence: 0.9263521

00:18:01.475 --> 00:18:03.300 a lot of residents live in.

NOTE Confidence: 0.9263521

00:18:03.300 --> 00:18:06.496 It's just north of the main Yale campus area,

NOTE Confidence: 0.9263521

00:18:06.500 --> 00:18:08.580 but it's a very residential,

NOTE Confidence: 0.9263521

00:18:08.580 --> 00:18:12.094 walkable place with a, it's all like

NOTE Confidence: 0.9263521

00:18:12.100 --> 00:18:14.460 multistory family homes kind of,

NOTE Confidence: 0.9263521

00:18:14.460 --> 00:18:16.468 but very popular amongst

NOTE Confidence: 0.9263521

00:18:16.468 --> 00:18:18.476 residents and grad students.

NOTE Confidence: 0.9263521

00:18:18.480 --> 00:18:19.776 And it's a place where you can kind

NOTE Confidence: 0.9263521

00:18:19.776 --> 00:18:21.217 of walk down the street and you'll

NOTE Confidence: 0.9263521

00:18:21.217 --> 00:18:22.580 always bump into someone you know.

NOTE Confidence: 0.9263521

00:18:22.580 --> 00:18:24.874 But also you have your own little quiet

NOTE Confidence: 0.9263521

00:18:24.874 --> 00:18:27.031 area that you can come back to you

NOTE Confidence: 0.9263521

00:18:27.031 --> 00:18:29.438 at the end of a day at the hospital.
NOTE Confidence: 0.9263521

00:18:29.440 --> 00:18:31.720 And there's a ton of little pockets of
NOTE Confidence: 0.9263521

00:18:31.720 --> 00:18:33.692 restaurants and bars and things throughout.
NOTE Confidence: 0.9263521

00:18:33.692 --> 00:18:35.362 Also home to modern pizza which I
NOTE Confidence: 0.9263521

00:18:35.362 --> 00:18:36.959 think is the best New Haven pizza.
NOTE Confidence: 0.93544513

00:18:39.000 --> 00:18:39.680 Very good,
NOTE Confidence: 0.93544513

00:18:42.280 --> 00:18:42.960 Patrick.
NOTE Confidence: 0.93367828

00:18:45.760 --> 00:18:47.275 Hey, I'm Patrick.
NOTE Confidence: 0.93367828

00:18:47.275 --> 00:18:50.859 I'm one of the PGY twos. I have a
NOTE Confidence: 0.93367828

00:18:50.859 --> 00:18:52.470 lot of things I like about New Haven.
NOTE Confidence: 0.93367828

00:18:52.470 --> 00:18:54.038 I think it's really like the ideal
NOTE Confidence: 0.93367828

00:18:54.038 --> 00:18:56.027 place to to live and and do residency.
NOTE Confidence: 0.93367828

00:18:56.030 --> 00:19:00.670 And probably my top choices would be
NOTE Confidence: 0.93367828

00:19:00.670 --> 00:19:02.710 availability of nice apartments close
NOTE Confidence: 0.93367828

00:19:02.780 --> 00:19:05.186 to the hospital that are affordable.
NOTE Confidence: 0.93367828

00:19:05.190 --> 00:19:07.197 I takes me about 6 minutes to walk to

NOTE Confidence: 0.93367828

00:19:07.197 --> 00:19:09.569 the hospital so I can wake up like 15

NOTE Confidence: 0.93367828

00:19:09.569 --> 00:19:11.189 minutes before I need to be there.

NOTE Confidence: 0.93367828

00:19:11.190 --> 00:19:13.030 And it's also really close to New York,

NOTE Confidence: 0.93367828

00:19:13.030 --> 00:19:14.470 which is a huge plus.

NOTE Confidence: 0.9191978

00:19:17.310 --> 00:19:17.870 It's Hawk.

NOTE Confidence: 0.9191978

00:19:21.190 --> 00:19:22.390 What's up everybody.

NOTE Confidence: 0.9191978

00:19:22.390 --> 00:19:25.496 My name is Hawk from Atlanta PGY 4.

NOTE Confidence: 0.9191978

00:19:25.496 --> 00:19:27.638 Also recruitment share with JPS mentioned.

NOTE Confidence: 0.9191978

00:19:27.638 --> 00:19:29.974 I mean really a lot of people have

NOTE Confidence: 0.9191978

00:19:29.974 --> 00:19:32.358 to have taken many other options.

NOTE Confidence: 0.9191978

00:19:32.358 --> 00:19:35.310 I was going to probably say

NOTE Confidence: 0.9191978

00:19:35.310 --> 00:19:36.590 I really like the small.

NOTE Confidence: 0.9191978

00:19:36.590 --> 00:19:38.550 It's like a small city kind of feel

NOTE Confidence: 0.9191978

00:19:38.550 --> 00:19:41.495 like they said and you just kind of

NOTE Confidence: 0.9191978

00:19:41.495 --> 00:19:43.965 have availability where you can just

NOTE Confidence: 0.9191978

00:19:43.965 --> 00:19:45.790 go into different environments between.

NOTE Confidence: 0.9191978

00:19:45.790 --> 00:19:46.987 You want to be in the city,

NOTE Confidence: 0.9191978

00:19:46.990 --> 00:19:48.510 you want to be at a park, you want

NOTE Confidence: 0.93358225

00:19:48.550 --> 00:19:50.070 to go to like

NOTE Confidence: 0.93358225

00:19:50.830 --> 00:19:52.110 outdoors, go on a hike.

NOTE Confidence: 0.93358225

00:19:52.110 --> 00:19:54.119 And then the beach, I probably would

NOTE Confidence: 0.93358225

00:19:54.119 --> 00:19:56.307 say the beach is my how close the

NOTE Confidence: 0.93358225

00:19:56.307 --> 00:19:58.320 beach is being from like 10 to 15

NOTE Confidence: 0.93358225

00:19:58.320 --> 00:19:59.878 minutes to go to a beach and then I

NOTE Confidence: 0.93358225

00:19:59.878 --> 00:20:01.626 can go fishing out a lake etcetera.

NOTE Confidence: 0.93358225

00:20:01.630 --> 00:20:04.382 So it's that's probably what I

NOTE Confidence: 0.93358225

00:20:04.382 --> 00:20:05.870 enjoyed most as well as fall.

NOTE Confidence: 0.93358225

00:20:05.870 --> 00:20:07.270 Autumn here is really beautiful.

NOTE Confidence: 0.93358225

00:20:07.270 --> 00:20:10.168 So I really enjoy walking out.

NOTE Confidence: 0.93358225

00:20:10.170 --> 00:20:11.970 And that when fall comes,

NOTE Confidence: 0.93358225

00:20:11.970 --> 00:20:13.530 so when my kid. So yeah,

NOTE Confidence: 0.93275505

00:20:14.850 --> 00:20:17.205 Vanessa. Vanessa is our Associate

NOTE Confidence: 0.93275505

00:20:17.205 --> 00:20:19.089 Director of Diversity Education.

NOTE Confidence: 0.93275505

00:20:20.130 --> 00:20:22.872 Hi, everyone. So I would say my

NOTE Confidence: 0.93275505

00:20:22.872 --> 00:20:24.924 favorite thing about New Haven is

NOTE Confidence: 0.93275505

00:20:24.930 --> 00:20:28.488 we have four major airports around.

NOTE Confidence: 0.93275505

00:20:28.490 --> 00:20:30.170 So we actually have a New Haven airport,

NOTE Confidence: 0.93275505

00:20:30.170 --> 00:20:31.650 which is about 10 minutes,

NOTE Confidence: 0.93275505

00:20:31.650 --> 00:20:33.490 10 to 15 minutes away from New Haven.

NOTE Confidence: 0.93275505

00:20:33.490 --> 00:20:35.160 And they have many direct

NOTE Confidence: 0.93275505

00:20:35.160 --> 00:20:37.450 flights to all parts of Florida,

NOTE Confidence: 0.93275505

00:20:37.450 --> 00:20:39.130 North Carolina, South Carolina,

NOTE Confidence: 0.91408765

00:20:40.350 --> 00:20:43.161 Georgia, DC And then we also are

NOTE Confidence: 0.91408765

00:20:43.161 --> 00:20:45.125 about one hour and 20 minutes from

NOTE Confidence: 0.91408765

00:20:45.125 --> 00:20:47.315 LaGuardia Airport and JFK and there

NOTE Confidence: 0.91408765

00:20:47.315 --> 00:20:49.856 were 50 minutes from Hartford Airport.

NOTE Confidence: 0.91408765

00:20:49.856 --> 00:20:52.588 So for a person who likes to travel

NOTE Confidence: 0.91408765

00:20:52.590 --> 00:20:54.473 and then visit family and do a

NOTE Confidence: 0.91408765

00:20:54.473 --> 00:20:55.870 lot of international vacations,

NOTE Confidence: 0.91408765

00:20:55.870 --> 00:20:57.070 it's very convenient for me.

NOTE Confidence: 0.91408765

00:20:58.830 --> 00:21:01.158 I see Nadia and Laura there

NOTE Confidence: 0.91408765

00:21:01.158 --> 00:21:02.590 together, two of our PGY ones.

NOTE Confidence: 0.93788207

00:21:06.680 --> 00:21:07.444 Hi everyone.

NOTE Confidence: 0.93788207

00:21:07.444 --> 00:21:10.118 I'm Nadia and I'm here with Laura.

NOTE Confidence: 0.93788207

00:21:10.120 --> 00:21:11.960 And we were just panicking about

NOTE Confidence: 0.93788207

00:21:11.960 --> 00:21:13.265 what we would say since everyone

NOTE Confidence: 0.93788207

00:21:13.265 --> 00:21:15.040 said a lot of great stuff. But

NOTE Confidence: 0.93788207

00:21:17.840 --> 00:21:19.518 I would say, you know, in addition to

NOTE Confidence: 0.93788207

00:21:19.680 --> 00:21:21.040 what everyone already said,

NOTE Confidence: 0.93788207

00:21:21.800 --> 00:21:23.360 being next to the Yale underground

NOTE Confidence: 0.93788207

00:21:23.360 --> 00:21:24.582 campus is really nice. Like,

NOTE Confidence: 0.93788207

00:21:24.582 --> 00:21:25.674 it's just a beautiful place to

NOTE Confidence: 0.93788207

00:21:25.680 --> 00:21:28.624 walk around. You feel like you're like,

NOTE Confidence: 0.93788207

00:21:28.624 --> 00:21:29.812 I don't know, I feel like I'm in

NOTE Confidence: 0.93788207

00:21:29.812 --> 00:21:31.400 Harry Potter whenever I walk through

NOTE Confidence: 0.93788207

00:21:31.400 --> 00:21:32.600 the underground underground campus.

NOTE Confidence: 0.93788207

00:21:32.600 --> 00:21:33.878 So that's one of my favorite

NOTE Confidence: 0.92820623

00:21:34.120 --> 00:21:36.130 things, great thing to mention.

NOTE Confidence: 0.92820623

00:21:36.130 --> 00:21:38.890 So hey everyone, I'm Laura.

NOTE Confidence: 0.92820623

00:21:38.890 --> 00:21:41.150 Just thinking about what Kevin said

NOTE Confidence: 0.92820623

00:21:41.150 --> 00:21:43.809 about really great events in the area.

NOTE Confidence: 0.92820623

00:21:43.810 --> 00:21:46.057 There is amazing fairs in kind of

NOTE Confidence: 0.92820623

00:21:46.057 --> 00:21:47.675 outdoor events that take place

NOTE Confidence: 0.92820623

00:21:47.675 --> 00:21:49.445 in the summer into the fall.

NOTE Confidence: 0.92820623

00:21:49.450 --> 00:21:51.326 And so just yesterday I was actually

NOTE Confidence: 0.92820623

00:21:51.330 --> 00:21:53.965 out with two other neuro PGI ones

NOTE Confidence: 0.92820623

00:21:53.965 --> 00:21:56.911 and then a Neuro fellow we met up at

NOTE Confidence: 0.92820623

00:21:56.911 --> 00:21:58.566 this outdoor kind of marketplace.
NOTE Confidence: 0.92820623

00:21:58.570 --> 00:22:01.650 Lots of handmade goods and foods and,
NOTE Confidence: 0.92820623

00:22:01.650 --> 00:22:03.540 you know, nice things to eat there.
NOTE Confidence: 0.92820623

00:22:03.540 --> 00:22:05.156 Just a really nice time, you know,
NOTE Confidence: 0.92820623

00:22:05.156 --> 00:22:06.496 enjoying the weather outside and
NOTE Confidence: 0.92820623

00:22:06.496 --> 00:22:08.464 being in a really happy crowd.
NOTE Confidence: 0.92820623

00:22:08.464 --> 00:22:10.016 So I'm looking forward.
NOTE Confidence: 0.92820623

00:22:10.020 --> 00:22:11.616 So there's a big fair coming up.
NOTE Confidence: 0.92820623

00:22:11.620 --> 00:22:12.590 I think it's called something
NOTE Confidence: 0.92820623

00:22:12.590 --> 00:22:14.020 like the Big E or the Big G,
NOTE Confidence: 0.92820623

00:22:14.020 --> 00:22:14.836 something like that.
NOTE Confidence: 0.92820623

00:22:14.836 --> 00:22:16.740 But it's this mega fair in September,
NOTE Confidence: 0.92820623

00:22:16.740 --> 00:22:18.138 so that's next on our list.
NOTE Confidence: 0.9354705

00:22:19.860 --> 00:22:24.640 Yes, the Big E it's a fun experience.
NOTE Confidence: 0.9354705

00:22:24.640 --> 00:22:26.500 So I've been told,
NOTE Confidence: 0.9354705

00:22:26.500 --> 00:22:28.257 although I go with an empty stomach,

NOTE Confidence: 0.9354705

00:22:28.260 --> 00:22:30.228 because I think that's a big

NOTE Confidence: 0.9354705

00:22:30.228 --> 00:22:32.438 eating is a big part of it.

NOTE Confidence: 0.9354705

00:22:32.440 --> 00:22:33.600 Have I missed anyone,

NOTE Confidence: 0.90025645

00:22:35.800 --> 00:22:37.044 any of our residents?

NOTE Confidence: 0.90025645

00:22:37.044 --> 00:22:38.599 I think we got everyone.

NOTE Confidence: 0.90025645

00:22:38.600 --> 00:22:41.446 That's a lot. I'm gonna,

NOTE Confidence: 0.90025645

00:22:41.446 --> 00:22:43.710 I'm gonna add two things and then we'll

NOTE Confidence: 0.90025645

00:22:43.775 --> 00:22:46.160 open it up to any questions that you have.

NOTE Confidence: 0.90025645

00:22:46.160 --> 00:22:47.399 And if you don't have any questions,

NOTE Confidence: 0.90025645

00:22:47.400 --> 00:22:51.760 I have lots of questions prepared.

NOTE Confidence: 0.90025645

00:22:51.760 --> 00:22:55.372 But one is we've had many residents

NOTE Confidence: 0.90025645

00:22:55.372 --> 00:22:57.687 who have had families over the years

NOTE Confidence: 0.90025645

00:22:57.687 --> 00:22:59.697 or started families during residency,

NOTE Confidence: 0.90025645

00:22:59.700 --> 00:23:02.900 and this is a great place to

NOTE Confidence: 0.90025645

00:23:02.900 --> 00:23:04.860 have a family and to raise kids.

NOTE Confidence: 0.90025645

00:23:04.860 --> 00:23:07.740 It's the schools are outstanding.
NOTE Confidence: 0.90025645

00:23:07.740 --> 00:23:10.710 Childcare is affordable and available
NOTE Confidence: 0.90025645

00:23:10.710 --> 00:23:14.100 without outrageous wait lists.
NOTE Confidence: 0.90025645

00:23:14.100 --> 00:23:16.218 There are lots of other children.
NOTE Confidence: 0.90025645

00:23:16.220 --> 00:23:17.588 I'm in a a neighborhood just
NOTE Confidence: 0.90025645

00:23:17.588 --> 00:23:19.740 on the edge of New Haven in in
NOTE Confidence: 0.90025645

00:23:19.740 --> 00:23:21.215 Hampden and Windyville in Hampden.
NOTE Confidence: 0.90025645

00:23:21.220 --> 00:23:23.704 And there are tons of kids on our street
NOTE Confidence: 0.90025645

00:23:23.704 --> 00:23:26.296 who have been friends with with my kids.
NOTE Confidence: 0.90025645

00:23:26.300 --> 00:23:28.120 And I really think that
NOTE Confidence: 0.90025645

00:23:28.120 --> 00:23:29.940 if you have small kids,
NOTE Confidence: 0.90025645

00:23:29.940 --> 00:23:31.740 which some of our residents do,
NOTE Confidence: 0.90025645

00:23:31.740 --> 00:23:33.336 it's a great place to be,
NOTE Confidence: 0.90025645

00:23:33.340 --> 00:23:36.090 a great location and relatively
NOTE Confidence: 0.90025645

00:23:36.090 --> 00:23:39.620 easy or easier to raise a family
NOTE Confidence: 0.90025645

00:23:39.620 --> 00:23:41.500 than some bigger places.

NOTE Confidence: 0.90025645

00:23:41.500 --> 00:23:43.460 And then the other thing I would

NOTE Confidence: 0.90025645

00:23:43.460 --> 00:23:44.620 say that I think is really,

NOTE Confidence: 0.90025645

00:23:44.620 --> 00:23:47.560 really special and unique and I

NOTE Confidence: 0.90025645

00:23:47.560 --> 00:23:50.460 think is sometimes not emphasized

NOTE Confidence: 0.90025645

00:23:50.460 --> 00:23:53.340 enough is Yale New Haven Hospital.

NOTE Confidence: 0.90025645

00:23:53.340 --> 00:23:56.080 So the hospital that you will work

NOTE Confidence: 0.90025645

00:23:56.080 --> 00:23:58.764 in if you match in our program is

NOTE Confidence: 0.90025645

00:23:58.764 --> 00:24:01.510 really the only major hospital system

NOTE Confidence: 0.90025645

00:24:01.510 --> 00:24:04.180 in the area in Southern Connecticut.

NOTE Confidence: 0.90025645

00:24:04.180 --> 00:24:07.432 And so this is the social

NOTE Confidence: 0.90025645

00:24:07.432 --> 00:24:09.058 safety net hospital,

NOTE Confidence: 0.90025645

00:24:09.060 --> 00:24:11.340 this is the tertiary referral hospital,

NOTE Confidence: 0.90025645

00:24:11.340 --> 00:24:13.100 this is the teaching hospital,

NOTE Confidence: 0.90025645

00:24:13.100 --> 00:24:14.558 the research hospital,

NOTE Confidence: 0.90025645

00:24:14.558 --> 00:24:16.016 the Community Hospital.

NOTE Confidence: 0.90025645

00:24:16.020 --> 00:24:18.420 It's all of those things.
NOTE Confidence: 0.90025645

00:24:18.420 --> 00:24:20.340 And we don't have a special
NOTE Confidence: 0.90025645

00:24:20.340 --> 00:24:22.379 ward where the rich people go.
NOTE Confidence: 0.90025645

00:24:22.380 --> 00:24:24.564 If they pay a little extra
NOTE Confidence: 0.90025645

00:24:24.564 --> 00:24:26.460 money or something like that.
NOTE Confidence: 0.90025645

00:24:26.460 --> 00:24:27.908 People are all together.
NOTE Confidence: 0.90025645

00:24:27.908 --> 00:24:30.080 And I think that's the mission
NOTE Confidence: 0.90025645

00:24:30.153 --> 00:24:31.337 of Yale New Haven.
NOTE Confidence: 0.90025645

00:24:31.340 --> 00:24:34.140 I think that you're going to see everyone.
NOTE Confidence: 0.90025645

00:24:34.140 --> 00:24:36.540 You'll see people from every background.
NOTE Confidence: 0.90025645

00:24:36.540 --> 00:24:37.605 It's a very,
NOTE Confidence: 0.90025645

00:24:37.605 --> 00:24:39.380 extremely diverse community and there
NOTE Confidence: 0.90025645

00:24:39.380 --> 00:24:41.658 are lots of statistics about that.
NOTE Confidence: 0.90025645

00:24:41.660 --> 00:24:44.138 And you'll see the full range of
NOTE Confidence: 0.90025645

00:24:44.138 --> 00:24:45.582 neurological and medical illness
NOTE Confidence: 0.90025645

00:24:45.582 --> 00:24:47.496 and you'll see lots of that.

NOTE Confidence: 0.90025645

00:24:47.500 --> 00:24:48.700 And I think that's very special.

NOTE Confidence: 0.90025645

00:24:48.700 --> 00:24:50.684 I think it's a really nice place to

NOTE Confidence: 0.90025645

00:24:50.684 --> 00:24:52.448 train and it's something that over

NOTE Confidence: 0.90025645

00:24:52.448 --> 00:24:54.620 the years I've valued more and more

NOTE Confidence: 0.90025645

00:24:54.620 --> 00:24:56.699 as part of the Young Haven Hospital

NOTE Confidence: 0.90025645

00:24:56.699 --> 00:24:58.976 admission and and the Yale Medical.

NOTE Confidence: 0.90025645

00:24:58.976 --> 00:25:02.140 I just wanted to mention those things.

NOTE Confidence: 0.90025645

00:25:02.140 --> 00:25:03.900 I want to open it up to questions.

NOTE Confidence: 0.90025645

00:25:03.900 --> 00:25:06.108 I have lots of prepared questions

NOTE Confidence: 0.90025645

00:25:06.108 --> 00:25:08.435 that I can ask of our residents

NOTE Confidence: 0.90025645

00:25:08.435 --> 00:25:09.860 and they could take it.

NOTE Confidence: 0.90025645

00:25:09.860 --> 00:25:11.777 But if any of you have questions you want

NOTE Confidence: 0.90025645

00:25:11.777 --> 00:25:13.739 to type in the chat or just shout out,

NOTE Confidence: 0.90025645

00:25:13.740 --> 00:25:15.132 that would be fine.

NOTE Confidence: 0.90025645

00:25:15.132 --> 00:25:16.790 We have half of this fully

NOTE Confidence: 0.90025645

00:25:16.790 --> 00:25:17.750 dedicated to your questions,
NOTE Confidence: 0.9359423

00:25:30.330 --> 00:25:31.890 right. I see JIRA Puck,
NOTE Confidence: 0.9359423

00:25:31.890 --> 00:25:33.690 do you have a question?
NOTE Confidence: 0.9359423

00:25:34.610 --> 00:25:37.648 Hi everyone, thank you for the introduction.
NOTE Confidence: 0.9359423

00:25:37.650 --> 00:25:40.784 And so I have a question about
NOTE Confidence: 0.9359423

00:25:40.784 --> 00:25:42.792 what kind of characteristics you
NOTE Confidence: 0.9359423

00:25:42.792 --> 00:25:45.225 guys of the Imgs who match to your
NOTE Confidence: 0.9359423

00:25:45.225 --> 00:25:47.804 program that they usually have like
NOTE Confidence: 0.9359423

00:25:47.804 --> 00:25:50.089 someone who's familiar with U.S.
NOTE Confidence: 0.9359423

00:25:50.090 --> 00:25:54.202 healthcare system or any other like specific
NOTE Confidence: 0.9359423

00:25:54.202 --> 00:25:56.234 characteristics you're looking for.
NOTE Confidence: 0.9359423

00:25:56.240 --> 00:25:57.040 Guess a Biden G
NOTE Confidence: 0.9270816

00:25:58.000 --> 00:26:00.718 So I'll say a few things and then Vanessa,
NOTE Confidence: 0.9270816

00:26:00.720 --> 00:26:02.080 I'll give you a warning.
NOTE Confidence: 0.9270816

00:26:02.080 --> 00:26:03.440 I don't know if Vanessa can hear me,
NOTE Confidence: 0.9270816

00:26:03.440 --> 00:26:05.160 but she's an international graduate.

NOTE Confidence: 0.9270816

00:26:05.160 --> 00:26:06.245 I'm trying to think and see if

NOTE Confidence: 0.9270816

00:26:06.245 --> 00:26:07.477 any of our others are on here.

NOTE Confidence: 0.9270816

00:26:07.480 --> 00:26:09.475 Maybe she could speak to her experience

NOTE Confidence: 0.9270816

00:26:09.480 --> 00:26:11.800 with being an international graduate,

NOTE Confidence: 0.9270816

00:26:11.800 --> 00:26:14.758 but first US experience is preferred.

NOTE Confidence: 0.9270816

00:26:14.760 --> 00:26:15.612 I think that's helpful,

NOTE Confidence: 0.9270816

00:26:15.612 --> 00:26:16.677 but it's not always possible.

NOTE Confidence: 0.9270816

00:26:16.680 --> 00:26:17.955 During the pandemic,

NOTE Confidence: 0.9270816

00:26:17.955 --> 00:26:20.080 it was definitely not possible.

NOTE Confidence: 0.9270816

00:26:20.080 --> 00:26:22.152 I think we want to see evidence

NOTE Confidence: 0.9270816

00:26:22.152 --> 00:26:24.210 of the type of resilience that's

NOTE Confidence: 0.9270816

00:26:24.210 --> 00:26:25.970 necessary to shift countries and

NOTE Confidence: 0.9270816

00:26:26.027 --> 00:26:27.725 and move to a different place.

NOTE Confidence: 0.9270816

00:26:27.730 --> 00:26:32.728 Academic excellence and and and

NOTE Confidence: 0.9270816

00:26:32.728 --> 00:26:35.101 and a passion to sort of make

NOTE Confidence: 0.9270816

00:26:35.101 --> 00:26:37.767 the most of of your experience,
NOTE Confidence: 0.9270816

00:26:37.770 --> 00:26:39.342 you know under an understanding and
NOTE Confidence: 0.9270816

00:26:39.342 --> 00:26:41.475 a passion to make the most of the
NOTE Confidence: 0.9270816

00:26:41.475 --> 00:26:42.765 experience to take that plunge.
NOTE Confidence: 0.9270816

00:26:42.770 --> 00:26:45.970 And I will say we are very open
NOTE Confidence: 0.9270816

00:26:45.970 --> 00:26:47.014 to international graduates.
NOTE Confidence: 0.9270816

00:26:47.014 --> 00:26:50.032 They end up being many of our best residents.
NOTE Confidence: 0.9270816

00:26:50.032 --> 00:26:52.690 They end up being amazing parts of the team.
NOTE Confidence: 0.9270816

00:26:52.690 --> 00:26:55.248 They contribute amazingly to our diversity.
NOTE Confidence: 0.9270816

00:26:55.248 --> 00:26:57.156 And I think there's something special
NOTE Confidence: 0.9270816

00:26:57.156 --> 00:26:58.868 about somebody having to take that
NOTE Confidence: 0.9270816

00:26:58.868 --> 00:27:00.520 plunge and going to a different country
NOTE Confidence: 0.9270816

00:27:00.571 --> 00:27:02.149 and doing something in a different
NOTE Confidence: 0.9270816

00:27:02.149 --> 00:27:03.603 language in a different environment.
NOTE Confidence: 0.9270816

00:27:03.603 --> 00:27:05.568 So I'm very, very supportive.
NOTE Confidence: 0.9270816

00:27:05.570 --> 00:27:06.570 But it is obviously,

NOTE Confidence: 0.9270816

00:27:06.570 --> 00:27:07.570 as you all know,

NOTE Confidence: 0.9270816

00:27:07.570 --> 00:27:09.690 a much more challenging task.

NOTE Confidence: 0.9270816

00:27:09.690 --> 00:27:10.845 Vanessa, do you have anything to add?

NOTE Confidence: 0.9270816

00:27:10.850 --> 00:27:11.890 I hate to put you on the spot.

NOTE Confidence: 0.9403763

00:27:13.690 --> 00:27:16.280 Yeah, sure. So for me,

NOTE Confidence: 0.9403763

00:27:16.280 --> 00:27:17.680 I was born and raised in Brazil.

NOTE Confidence: 0.9403763

00:27:17.680 --> 00:27:20.204 I went to Med school there and the

NOTE Confidence: 0.9403763

00:27:20.204 --> 00:27:22.178 Brazilian culture, it has a lot of

NOTE Confidence: 0.9403763

00:27:22.178 --> 00:27:23.719 influence from the American one.

NOTE Confidence: 0.9403763

00:27:23.720 --> 00:27:27.440 So culture wise, it was not a huge,

NOTE Confidence: 0.9403763

00:27:27.440 --> 00:27:29.440 you know, difference for me,

NOTE Confidence: 0.9403763

00:27:29.440 --> 00:27:32.156 but certainly the language in the beginning,

NOTE Confidence: 0.9403763

00:27:32.160 --> 00:27:36.360 it added a lot of like cognitive load for me.

NOTE Confidence: 0.9403763

00:27:36.360 --> 00:27:38.118 In the beginning of the residency,

NOTE Confidence: 0.9403763

00:27:38.120 --> 00:27:40.948 I had to like learn medicine and

NOTE Confidence: 0.9403763

00:27:40.948 --> 00:27:43.479 learn the system and still like,
NOTE Confidence: 0.9403763

00:27:43.480 --> 00:27:46.085 talk in a language that's
NOTE Confidence: 0.9403763

00:27:46.085 --> 00:27:47.760 not my moderate tone.
NOTE Confidence: 0.9403763

00:27:47.760 --> 00:27:49.965 So it was hard in the beginning,
NOTE Confidence: 0.9403763

00:27:49.970 --> 00:27:51.727 but you get the hang of it,
NOTE Confidence: 0.9403763

00:27:51.730 --> 00:27:54.690 of it like very quickly.
NOTE Confidence: 0.9403763

00:27:54.690 --> 00:27:57.448 And for sure being away from
NOTE Confidence: 0.9403763

00:27:57.448 --> 00:27:59.764 your family is the hardest part.
NOTE Confidence: 0.9403763

00:27:59.770 --> 00:28:03.249 But you definitely find a family here.
NOTE Confidence: 0.9403763

00:28:03.250 --> 00:28:05.570 And I'm so happy that I came here to yell.
NOTE Confidence: 0.9403763

00:28:05.570 --> 00:28:06.374 Like, honestly,
NOTE Confidence: 0.9403763

00:28:06.374 --> 00:28:09.188 I'm so happy to be here because
NOTE Confidence: 0.9403763

00:28:09.188 --> 00:28:10.775 everyone is so supportive
NOTE Confidence: 0.9403763

00:28:10.775 --> 00:28:12.615 and everyone is so nice.
NOTE Confidence: 0.9403763

00:28:12.620 --> 00:28:15.056 The culture of the program is incredible.
NOTE Confidence: 0.9403763

00:28:15.060 --> 00:28:17.778 So it helps a lot.

NOTE Confidence: 0.91140187

00:28:22.460 --> 00:28:23.279 Any other questions?

NOTE Confidence: 0.91140187

00:28:23.279 --> 00:28:26.340 Thanks so much, Vanessa.

NOTE Confidence: 0.91140187

00:28:26.340 --> 00:28:30.516 Is there a P GY2 spot still available to

NOTE Confidence: 0.91140187

00:28:30.516 --> 00:28:34.164 apply to for this year to be announced?

NOTE Confidence: 0.91140187

00:28:34.164 --> 00:28:37.092 There may be P GY2 spots.

NOTE Confidence: 0.91140187

00:28:37.100 --> 00:28:39.424 I don't want to make any announcements

NOTE Confidence: 0.91140187

00:28:39.424 --> 00:28:41.612 about the size or increase in

NOTE Confidence: 0.91140187

00:28:41.612 --> 00:28:43.082 our residency program other

NOTE Confidence: 0.91140187

00:28:43.082 --> 00:28:45.544 than to say it's a very, very,

NOTE Confidence: 0.91140187

00:28:45.544 --> 00:28:47.968 very realistic possibility that we will

NOTE Confidence: 0.91140187

00:28:47.968 --> 00:28:49.888 expand our residency to accommodate

NOTE Confidence: 0.91140187

00:28:49.888 --> 00:28:52.150 the growth to our new tower and

NOTE Confidence: 0.91140187

00:28:52.150 --> 00:28:54.460 the timing of that may be relevant.

NOTE Confidence: 0.91140187

00:28:54.460 --> 00:28:56.302 You know, if we decide to

NOTE Confidence: 0.91140187

00:28:56.302 --> 00:28:57.860 do that an accelerated way,

NOTE Confidence: 0.91140187

00:28:57.860 --> 00:29:01.610 then potentially that would mean
NOTE Confidence: 0.91140187

00:29:01.610 --> 00:29:04.858 recruiting people for a P GY2 slot
NOTE Confidence: 0.91140187

00:29:04.858 --> 00:29:07.670 starting in July 2024 if they have
NOTE Confidence: 0.91140187

00:29:07.670 --> 00:29:09.445 preliminary and so obviously need
NOTE Confidence: 0.91140187

00:29:09.445 --> 00:29:11.330 preliminary internal medicine or other
NOTE Confidence: 0.91140187

00:29:11.330 --> 00:29:13.220 qualifying preliminary experience.
NOTE Confidence: 0.91140187

00:29:13.220 --> 00:29:16.960 But just to say that and Negar,
NOTE Confidence: 0.91140187

00:29:16.960 --> 00:29:18.730 I see you asked a question,
NOTE Confidence: 0.91140187

00:29:18.730 --> 00:29:20.690 I hope I'm pronouncing your name, Dr.
NOTE Confidence: 0.91140187

00:29:20.690 --> 00:29:21.250 Muller.
NOTE Confidence: 0.91140187

00:29:21.250 --> 00:29:22.528 There are a lot of questions
NOTE Confidence: 0.91140187

00:29:22.530 --> 00:29:23.958 that were kind of if you wanted
NOTE Confidence: 0.91140187

00:29:23.958 --> 00:29:26.622 to scroll up that I've been kind
NOTE Confidence: 0.91140187

00:29:26.622 --> 00:29:28.530 of asked but earlier
NOTE Confidence: 0.93518114

00:29:28.530 --> 00:29:30.910 on, but we're responding to as well.
NOTE Confidence: 0.93518114

00:29:30.910 --> 00:29:32.402 But one of them was in relation

NOTE Confidence: 0.93518114
00:29:32.402 --> 00:29:33.786 to feedback and response
NOTE Confidence: 0.93928933
00:29:33.790 --> 00:29:35.990 the residents or the
NOTE Confidence: 0.93928933
00:29:36.070 --> 00:29:37.624 how much of the program takes our
NOTE Confidence: 0.93928933
00:29:37.624 --> 00:29:39.333 feedback and kind of make changes in
NOTE Confidence: 0.93928933
00:29:39.333 --> 00:29:40.821 relation to that which Kevin answered.
NOTE Confidence: 0.93928933
00:29:40.830 --> 00:29:41.551 But I don't know if you want
NOTE Confidence: 0.93928933
00:29:41.551 --> 00:29:42.350 to speak on that as well.
NOTE Confidence: 0.93928933
00:29:44.910 --> 00:29:45.670 I want you guys
NOTE Confidence: 0.93928933
00:29:45.750 --> 00:29:47.248 to speak unless you unless you want
NOTE Confidence: 0.93928933
00:29:47.248 --> 00:29:48.630 us to speak on that, that's fine.
NOTE Confidence: 0.93928933
00:29:49.030 --> 00:29:50.824 Yeah, I would love to. Would one
NOTE Confidence: 0.93928933
00:29:50.824 --> 00:29:53.183 of our residents want to take that?
NOTE Confidence: 0.93928933
00:29:53.190 --> 00:29:55.830 How you think that we respond to feedback,
NOTE Confidence: 0.93928933
00:29:55.830 --> 00:29:58.100 your thoughts about that and feel feel
NOTE Confidence: 0.93928933
00:29:58.100 --> 00:30:00.110 comfortable to be honest about that?
NOTE Confidence: 0.9126175

00:30:04.520 --> 00:30:05.758 Yeah, I'm happy to do this one.
NOTE Confidence: 0.9126175

00:30:05.760 --> 00:30:08.200 Or do you want to go this talk?
NOTE Confidence: 0.9126175

00:30:08.200 --> 00:30:09.944 I could talk about .2 and Kevin mentioned
NOTE Confidence: 0.9126175

00:30:09.944 --> 00:30:11.676 a point about the near ICU recently,
NOTE Confidence: 0.9126175

00:30:11.680 --> 00:30:13.862 but I'm responding to if you can,
NOTE Confidence: 0.9126175

00:30:13.862 --> 00:30:16.036 I'll touch base after you cuz I'm responded
NOTE Confidence: 0.9126175

00:30:16.036 --> 00:30:17.840 to someone else's comment directly to me.
NOTE Confidence: 0.9126175

00:30:18.760 --> 00:30:20.083 Yeah. So I mean I think so
NOTE Confidence: 0.9126175

00:30:20.083 --> 00:30:21.440 I guess a couple things.
NOTE Confidence: 0.9126175

00:30:21.440 --> 00:30:24.246 So we all do a lot.
NOTE Confidence: 0.9126175

00:30:24.246 --> 00:30:26.261 We do multiple feedback sessions
NOTE Confidence: 0.9126175

00:30:26.261 --> 00:30:28.303 with Jeremy and so often people
NOTE Confidence: 0.9126175

00:30:28.303 --> 00:30:30.490 will get to raise their concerns
NOTE Confidence: 0.9126175

00:30:30.490 --> 00:30:32.330 either individually with him,
NOTE Confidence: 0.9126175

00:30:32.330 --> 00:30:33.290 you know in the multiple meetings
NOTE Confidence: 0.9126175

00:30:33.290 --> 00:30:35.274 about the year or we also have resident

NOTE Confidence: 0.9126175

00:30:35.274 --> 00:30:37.338 meetings where on Friday we'll get

NOTE Confidence: 0.9126175

00:30:37.338 --> 00:30:39.558 together and and you know we'll kind

NOTE Confidence: 0.9126175

00:30:39.558 --> 00:30:41.592 of talk about changes that we think

NOTE Confidence: 0.9126175

00:30:41.592 --> 00:30:43.888 you know should be made to the program.

NOTE Confidence: 0.9126175

00:30:43.890 --> 00:30:46.410 So I would say already built in without

NOTE Confidence: 0.9126175

00:30:46.410 --> 00:30:48.330 without having to even be so active.

NOTE Confidence: 0.9126175

00:30:48.330 --> 00:30:49.734 There is so many opportunities to

NOTE Confidence: 0.9126175

00:30:49.734 --> 00:30:51.156 give feedback that are just built

NOTE Confidence: 0.9126175

00:30:51.156 --> 00:30:52.814 into the system and then I think

NOTE Confidence: 0.9126175

00:30:52.814 --> 00:30:55.037 even my time there is there had the

NOTE Confidence: 0.9126175

00:30:55.037 --> 00:30:57.005 program is very good about responding.

NOTE Confidence: 0.9126175

00:30:57.010 --> 00:31:01.822 So just before I started there was the

NOTE Confidence: 0.9126175

00:31:01.822 --> 00:31:04.522 addition we do a pretty, you know,

NOTE Confidence: 0.9126175

00:31:04.522 --> 00:31:06.139 there's a Ed rotation that we do,

NOTE Confidence: 0.9126175

00:31:06.140 --> 00:31:07.980 it's a consult rotation.

NOTE Confidence: 0.9126175

00:31:07.980 --> 00:31:10.564 And so changes that were implemented
NOTE Confidence: 0.9126175

00:31:10.564 --> 00:31:12.696 was you know an attending was added
NOTE Confidence: 0.9126175

00:31:12.696 --> 00:31:15.274 from 5:00 PM to 10:00 PM to help us
NOTE Confidence: 0.9126175

00:31:15.274 --> 00:31:17.620 with that rotation and to staff directly.
NOTE Confidence: 0.9126175

00:31:17.620 --> 00:31:19.251 I think it's been one of my
NOTE Confidence: 0.9126175

00:31:19.251 --> 00:31:20.220 favorite parts education wise.
NOTE Confidence: 0.9126175

00:31:20.220 --> 00:31:23.100 You get to work directly with an attending,
NOTE Confidence: 0.9126175

00:31:23.100 --> 00:31:25.668 you get direct feedback,
NOTE Confidence: 0.9126175

00:31:25.670 --> 00:31:27.190 you get to see like a very good,
NOTE Confidence: 0.9126175

00:31:27.190 --> 00:31:28.434 you know, patient load.
NOTE Confidence: 0.9126175

00:31:28.434 --> 00:31:31.115 So that was one change just before I
NOTE Confidence: 0.9126175

00:31:31.115 --> 00:31:32.990 started that I really appreciated.
NOTE Confidence: 0.9126175

00:31:32.990 --> 00:31:34.747 Also my year as a P GY2,
NOTE Confidence: 0.9126175

00:31:34.750 --> 00:31:35.550 they started,
NOTE Confidence: 0.9126175

00:31:35.550 --> 00:31:37.550 we started doing neurophysiology blocks.
NOTE Confidence: 0.9126175

00:31:37.550 --> 00:31:39.650 So you get 5 weeks of neurophysiology

NOTE Confidence: 0.9126175

00:31:39.650 --> 00:31:42.867 as a P GY2 where you get to do you learn

NOTE Confidence: 0.9126175

00:31:42.870 --> 00:31:45.425 EE G&EMG which again I really appreciated.

NOTE Confidence: 0.9126175

00:31:45.430 --> 00:31:48.358 I think you know makes you very good

NOTE Confidence: 0.9126175

00:31:48.358 --> 00:31:50.438 general neurologist I think and you

NOTE Confidence: 0.9126175

00:31:50.438 --> 00:31:52.820 start to get that experience very early.

NOTE Confidence: 0.9126175

00:31:52.820 --> 00:31:53.460 So there are two,

NOTE Confidence: 0.9126175

00:31:53.460 --> 00:31:54.420 two changes just from you know,

NOTE Confidence: 0.9126175

00:31:54.420 --> 00:31:55.836 my first year and then Kevin

NOTE Confidence: 0.9126175

00:31:55.836 --> 00:31:56.780 Yan mentioned a couple.

NOTE Confidence: 0.9126175

00:31:56.780 --> 00:31:58.360 There's been a recent change

NOTE Confidence: 0.9126175

00:31:58.360 --> 00:31:59.940 to the neural ICU rotation.

NOTE Confidence: 0.9126175

00:31:59.940 --> 00:32:01.962 We've changed some of the rotations

NOTE Confidence: 0.9126175

00:32:01.962 --> 00:32:04.300 around to help with you know hours.

NOTE Confidence: 0.9126175

00:32:04.300 --> 00:32:06.106 And so I think every year there's

NOTE Confidence: 0.9126175

00:32:06.106 --> 00:32:07.572 multiple changes and and we're

NOTE Confidence: 0.9126175

00:32:07.572 --> 00:32:09.172 constantly iterating and I've been

NOTE Confidence: 0.9126175

00:32:09.172 --> 00:32:10.831 really appreciative of of you know

NOTE Confidence: 0.9126175

00:32:10.831 --> 00:32:12.876 how much work goes into that from the

NOTE Confidence: 0.9126175

00:32:12.876 --> 00:32:15.020 like residency program administrators,

NOTE Confidence: 0.9126175

00:32:15.020 --> 00:32:16.700 the faculty.

NOTE Confidence: 0.9126175

00:32:16.700 --> 00:32:16.940 So

NOTE Confidence: 0.93027717

00:32:20.230 --> 00:32:22.250 we're obsessed with getting feedback

NOTE Confidence: 0.93027717

00:32:22.250 --> 00:32:25.366 and we try to feedback to the residents

NOTE Confidence: 0.93027717

00:32:25.366 --> 00:32:27.145 too that they have tremendous power

NOTE Confidence: 0.93027717

00:32:27.145 --> 00:32:28.843 and influence in the program as

NOTE Confidence: 0.93027717

00:32:28.843 --> 00:32:30.348 long as we direct our efforts in,

NOTE Confidence: 0.93027717

00:32:30.350 --> 00:32:33.902 in the right way. And you know,

NOTE Confidence: 0.93027717

00:32:33.902 --> 00:32:36.254 we use resident feedback and other pieces

NOTE Confidence: 0.93027717

00:32:36.254 --> 00:32:39.094 of data to make major investments, right.

NOTE Confidence: 0.93027717

00:32:39.094 --> 00:32:44.020 So as JP said, we have a faculty member

NOTE Confidence: 0.93027717

00:32:44.020 --> 00:32:47.335 sitting ready exclusively CC consults
NOTE Confidence: 0.93027717

00:32:47.335 --> 00:32:51.358 in the E D5 to 10:00 PM every day.
NOTE Confidence: 0.93027717

00:32:51.360 --> 00:32:54.780 The eventual goal is for that to be 24
NOTE Confidence: 0.93027717

00:32:54.780 --> 00:32:56.365 hours and that's an enormous investment
NOTE Confidence: 0.93027717

00:32:56.365 --> 00:32:58.367 on the part of the department in the
NOTE Confidence: 0.93027717

00:32:58.367 --> 00:33:00.416 hospital system in terms of the cost to
NOTE Confidence: 0.93027717

00:33:00.416 --> 00:33:02.159 have somebody to do something like that.
NOTE Confidence: 0.93027717

00:33:02.160 --> 00:33:04.120 And we're really lucky to have it.
NOTE Confidence: 0.93027717

00:33:04.120 --> 00:33:06.420 We've invested in advanced practice
NOTE Confidence: 0.93027717

00:33:06.420 --> 00:33:08.780 providers in every one of our
NOTE Confidence: 0.93027717

00:33:08.780 --> 00:33:10.940 services and other faculty support
NOTE Confidence: 0.93027717

00:33:10.940 --> 00:33:13.165 and expanding fellowships to take
NOTE Confidence: 0.93027717

00:33:13.165 --> 00:33:15.158 advantage of those opportunities.
NOTE Confidence: 0.93027717

00:33:15.160 --> 00:33:17.540 Change always takes some time.
NOTE Confidence: 0.93027717

00:33:17.540 --> 00:33:20.460 We're working on some hotspots
NOTE Confidence: 0.93027717

00:33:20.460 --> 00:33:23.372 including stroke alerts in the Ed like

NOTE Confidence: 0.93027717

00:33:23.372 --> 00:33:25.646 every other program and making sure

NOTE Confidence: 0.93027717

00:33:25.646 --> 00:33:28.190 that we cover up our gaps overnight.

NOTE Confidence: 0.93027717

00:33:28.190 --> 00:33:31.741 But it is always with the clear idea that

NOTE Confidence: 0.93027717

00:33:31.741 --> 00:33:34.372 we want to be a comprehensive neurology

NOTE Confidence: 0.93027717

00:33:34.372 --> 00:33:37.116 training program that trains you to be

NOTE Confidence: 0.93027717

00:33:37.116 --> 00:33:39.380 a clinically excellent neurologist.

NOTE Confidence: 0.93027717

00:33:39.380 --> 00:33:40.710 And not just to be very good

NOTE Confidence: 0.93027717

00:33:40.710 --> 00:33:41.620 at seeing stroke alerts,

NOTE Confidence: 0.93027717

00:33:41.620 --> 00:33:43.174 you will be very good at seeing

NOTE Confidence: 0.93027717

00:33:43.174 --> 00:33:44.194 stroke alerts, trust me,

NOTE Confidence: 0.93027717

00:33:44.194 --> 00:33:45.916 but in any program you would.

NOTE Confidence: 0.93027717

00:33:45.920 --> 00:33:47.030 But we're really want to

NOTE Confidence: 0.93027717

00:33:47.030 --> 00:33:47.918 be holistic about that.

NOTE Confidence: 0.9091693

00:33:51.320 --> 00:33:54.038 Anybody want to speak to their

NOTE Confidence: 0.9091693

00:33:54.040 --> 00:33:55.765 mentoring experiences? Any of our

NOTE Confidence: 0.9091693

00:33:55.765 --> 00:33:57.840 residents want to speak to that?
NOTE Confidence: 0.9308126

00:34:00.730 --> 00:34:02.850 I can talk a little bit about that.
NOTE Confidence: 0.9308126

00:34:02.850 --> 00:34:04.684 So Doctor Moore does a really good
NOTE Confidence: 0.9308126

00:34:04.684 --> 00:34:06.547 job in pairing us with the faculty
NOTE Confidence: 0.9308126

00:34:06.547 --> 00:34:08.410 mentor when we first come in here.
NOTE Confidence: 0.9308126

00:34:08.410 --> 00:34:10.192 And part of it is kind of a matchmaking
NOTE Confidence: 0.9308126

00:34:10.192 --> 00:34:11.747 process where he'll ask us for our
NOTE Confidence: 0.9308126

00:34:11.747 --> 00:34:12.869 preferences of what we're looking
NOTE Confidence: 0.9308126

00:34:12.869 --> 00:34:14.485 for in a mentor and what kinds of
NOTE Confidence: 0.9308126

00:34:14.485 --> 00:34:17.090 things we might be interested in.
NOTE Confidence: 0.9308126

00:34:17.090 --> 00:34:20.146 And that person does a lot of our
NOTE Confidence: 0.9308126

00:34:20.146 --> 00:34:22.035 initial initial heavy lifting in into
NOTE Confidence: 0.9308126

00:34:22.035 --> 00:34:24.026 the right direction and who we talk
NOTE Confidence: 0.9308126

00:34:24.026 --> 00:34:25.754 to or what kinds of things we do.
NOTE Confidence: 0.9308126

00:34:25.760 --> 00:34:27.440 And there's a lot of faculty around.
NOTE Confidence: 0.9308126

00:34:27.440 --> 00:34:30.158 You know, if you work at a teaching hospital,

NOTE Confidence: 0.9308126

00:34:30.160 --> 00:34:32.560 everyone here really enjoys the

NOTE Confidence: 0.9308126

00:34:32.560 --> 00:34:34.480 the resident development process.

NOTE Confidence: 0.9308126

00:34:34.480 --> 00:34:38.520 So a lot of people kind of just find the the,

NOTE Confidence: 0.9308126

00:34:38.520 --> 00:34:41.320 the faculty that really that

NOTE Confidence: 0.9308126

00:34:41.320 --> 00:34:43.045 they really identify with their

NOTE Confidence: 0.9308126

00:34:43.045 --> 00:34:44.350 shared interest in whatever.

NOTE Confidence: 0.9308126

00:34:44.350 --> 00:34:45.970 And you might have one person

NOTE Confidence: 0.9308126

00:34:45.970 --> 00:34:47.720 that's could be a research mentor,

NOTE Confidence: 0.9308126

00:34:47.720 --> 00:34:49.052 another person that's your

NOTE Confidence: 0.9308126

00:34:49.052 --> 00:34:51.460 subspecialty mentor, things like that.

NOTE Confidence: 0.9308126

00:34:51.460 --> 00:34:52.380 So you know for example,

NOTE Confidence: 0.9308126

00:34:52.380 --> 00:34:53.540 in my P GY2 year,

NOTE Confidence: 0.9308126

00:34:53.540 --> 00:34:55.070 Doctor Moeller assigned me to

NOTE Confidence: 0.9308126

00:34:55.070 --> 00:34:57.248 Doctor Sivaraju who was one of her

NOTE Confidence: 0.9308126

00:34:57.248 --> 00:34:59.299 epileptologists who did a really good job.

NOTE Confidence: 0.9308126

00:34:59.300 --> 00:35:01.960 I had a lot of meetings with him
NOTE Confidence: 0.9308126

00:35:01.960 --> 00:35:05.458 about how to how to handle P GY2 year,
NOTE Confidence: 0.9308126

00:35:05.460 --> 00:35:07.535 how to progress from residency
NOTE Confidence: 0.9308126

00:35:07.535 --> 00:35:08.780 and career development.
NOTE Confidence: 0.9308126

00:35:08.780 --> 00:35:12.218 And later when I decided on my sub specialty,
NOTE Confidence: 0.9308126

00:35:12.220 --> 00:35:14.300 I had my sub specialty advisor was Dr.
NOTE Confidence: 0.9308126

00:35:14.300 --> 00:35:14.642 Vizio,
NOTE Confidence: 0.9308126

00:35:14.642 --> 00:35:16.694 one of our neuro ophthalmologists here.
NOTE Confidence: 0.9308126

00:35:16.700 --> 00:35:18.172 So I think Yale,
NOTE Confidence: 0.9308126

00:35:18.172 --> 00:35:20.866 we have a lot of investment in
NOTE Confidence: 0.9308126

00:35:20.866 --> 00:35:23.848 making sure that there's a lot of
NOTE Confidence: 0.9308126

00:35:23.848 --> 00:35:25.636 mentorship opportunities available for
NOTE Confidence: 0.9308126

00:35:25.640 --> 00:35:27.680 faculty mentors and our residents.
NOTE Confidence: 0.9308126

00:35:27.680 --> 00:35:29.597 I think Doctor Dewey had to catch his flight,
NOTE Confidence: 0.9308126

00:35:29.600 --> 00:35:31.889 but one of the initiatives that he's
NOTE Confidence: 0.9308126

00:35:31.889 --> 00:35:33.860 been really spearheading over the last

NOTE Confidence: 0.9308126

00:35:33.860 --> 00:35:36.037 few years is these faculty resident dinners,

NOTE Confidence: 0.9308126

00:35:36.040 --> 00:35:37.280 which last year I know

NOTE Confidence: 0.9308126

00:35:37.280 --> 00:35:38.272 we're very well attended.

NOTE Confidence: 0.9308126

00:35:38.280 --> 00:35:40.610 I went to several myself,

NOTE Confidence: 0.9308126

00:35:40.610 --> 00:35:42.542 which is really this bonding opportunity

NOTE Confidence: 0.9308126

00:35:42.542 --> 00:35:45.005 for us residents to get to meet the

NOTE Confidence: 0.9308126

00:35:45.005 --> 00:35:46.400 faculty in an environment that's

NOTE Confidence: 0.9308126

00:35:46.400 --> 00:35:47.973 not the hospital with nice food

NOTE Confidence: 0.9308126

00:35:47.973 --> 00:35:49.780 paid for by the department.

NOTE Confidence: 0.9308126

00:35:49.780 --> 00:35:51.490 And this year I think that's

NOTE Confidence: 0.9308126

00:35:51.490 --> 00:35:54.337 continuing in the form of our families,

NOTE Confidence: 0.9308126

00:35:54.337 --> 00:35:56.626 which is smaller groups of residents and

NOTE Confidence: 0.9308126

00:35:56.626 --> 00:35:58.850 faculty with regular development meetings.

NOTE Confidence: 0.9308126

00:35:58.850 --> 00:35:59.550 So overall,

NOTE Confidence: 0.9308126

00:35:59.550 --> 00:36:01.650 I think it's a great process.

NOTE Confidence: 0.93608296

00:36:05.290 --> 00:36:07.450 And if I could add on to that,
NOTE Confidence: 0.93608296

00:36:07.450 --> 00:36:09.286 I don't know if this is exactly the question,
NOTE Confidence: 0.93608296

00:36:09.290 --> 00:36:11.498 but I've been really happy with
NOTE Confidence: 0.93608296

00:36:11.498 --> 00:36:14.230 the with the PR mentorship too.
NOTE Confidence: 0.93608296

00:36:14.230 --> 00:36:16.390 Not to be gassing up our P GY4 is too much,
NOTE Confidence: 0.93608296

00:36:16.390 --> 00:36:19.144 but I think they put in a lot of,
NOTE Confidence: 0.93608296

00:36:19.150 --> 00:36:21.730 a lot of work in making sure that the new
NOTE Confidence: 0.93608296

00:36:21.802 --> 00:36:24.385 PGY twos are integrated into the program.
NOTE Confidence: 0.93608296

00:36:24.390 --> 00:36:26.222 There's like a lot of new things that
NOTE Confidence: 0.93608296

00:36:26.222 --> 00:36:28.197 you do at the beginning of P GY2
NOTE Confidence: 0.93608296

00:36:28.197 --> 00:36:29.908 that you haven't done as an intern.
NOTE Confidence: 0.93608296

00:36:29.910 --> 00:36:32.187 And I think the PGY threes and PGY fours
NOTE Confidence: 0.93608296

00:36:32.187 --> 00:36:34.624 do a really good job of being the mentor
NOTE Confidence: 0.93608296

00:36:34.624 --> 00:36:37.274 for you when you're in a new scary setting.
NOTE Confidence: 0.93608296

00:36:37.280 --> 00:36:40.256 I just had on Saturday night my first
NOTE Confidence: 0.93608296

00:36:40.256 --> 00:36:42.530 overnight shift and JP who's on the call

NOTE Confidence: 0.93608296

00:36:42.530 --> 00:36:44.120 was my for the the first night shift.

NOTE Confidence: 0.93608296

00:36:44.120 --> 00:36:46.160 You do, you have a like P GY4 buddy who

NOTE Confidence: 0.93608296

00:36:46.212 --> 00:36:48.151 kind of walks you through your first

NOTE Confidence: 0.93608296

00:36:48.151 --> 00:36:50.424 stroke codes and your first Ed consoles.

NOTE Confidence: 0.93608296

00:36:50.424 --> 00:36:53.880 And I found that to be incredibly helpful.

NOTE Confidence: 0.93608296

00:36:53.880 --> 00:36:56.862 And then even just little things when

NOTE Confidence: 0.93608296

00:36:56.862 --> 00:36:59.000 you know you're you're worried about

NOTE Confidence: 0.93608296

00:36:59.000 --> 00:37:00.306 something horrible that happened

NOTE Confidence: 0.93608296

00:37:00.306 --> 00:37:01.693 or something exciting happened,

NOTE Confidence: 0.93608296

00:37:01.693 --> 00:37:03.799 the program is very supportive and

NOTE Confidence: 0.93608296

00:37:03.799 --> 00:37:06.184 and the other residents in the program

NOTE Confidence: 0.93608296

00:37:06.184 --> 00:37:08.134 will either commiserate with you and

NOTE Confidence: 0.93608296

00:37:08.134 --> 00:37:09.862 tell you about their own experiences

NOTE Confidence: 0.93608296

00:37:09.862 --> 00:37:11.256 or they'll be excited for you.

NOTE Confidence: 0.93608296

00:37:11.256 --> 00:37:12.480 And we have a very active,

NOTE Confidence: 0.93608296

00:37:12.480 --> 00:37:13.074 you know,
NOTE Confidence: 0.93608296

00:37:13.074 --> 00:37:14.860 WhatsApp where people are constantly shouting
NOTE Confidence: 0.93608296

00:37:14.860 --> 00:37:16.960 out each other for for positive things.
NOTE Confidence: 0.93608296

00:37:16.960 --> 00:37:18.556 So I've been really happy with that.
NOTE Confidence: 0.9289781

00:37:22.120 --> 00:37:24.800 I see some hands up, but JP and Isak,
NOTE Confidence: 0.9289781

00:37:24.800 --> 00:37:26.876 you're keeping me on in line.
NOTE Confidence: 0.9289781

00:37:26.880 --> 00:37:28.200 Can we go to some of the hands?
NOTE Confidence: 0.93608475

00:37:29.710 --> 00:37:31.694 Yeah, I'm trying to the the chat is
NOTE Confidence: 0.93608475

00:37:31.694 --> 00:37:32.910 blowing up, so I'm trying to answer.
NOTE Confidence: 0.93608475

00:37:32.910 --> 00:37:34.030 Everyone's trying to answer there.
NOTE Confidence: 0.93608475

00:37:34.030 --> 00:37:35.200 So I would just go to the hands and
NOTE Confidence: 0.93608475

00:37:35.200 --> 00:37:36.350 then we'll do our best in the chat.
NOTE Confidence: 0.93608475

00:37:36.510 --> 00:37:38.430 Right. Good. I love the interest.
NOTE Confidence: 0.93608475

00:37:38.430 --> 00:37:40.509 We will have a second open house
NOTE Confidence: 0.93608475

00:37:40.510 --> 00:37:41.504 in about a week and a half,
NOTE Confidence: 0.93608475

00:37:41.510 --> 00:37:43.550 something like that. So but Nega,

NOTE Confidence: 0.93608475

00:37:43.550 --> 00:37:44.905 you've been very polite and

NOTE Confidence: 0.93608475

00:37:44.905 --> 00:37:46.548 waiting a long time. So go ahead.

NOTE Confidence: 0.93608475

00:37:47.350 --> 00:37:48.686 Thank you so much.

NOTE Confidence: 0.93608475

00:37:48.686 --> 00:37:50.690 Thank you so much for very

NOTE Confidence: 0.93608475

00:37:50.771 --> 00:37:52.629 informative introduction.

NOTE Confidence: 0.93608475

00:37:52.630 --> 00:37:54.652 How often and through what methods

NOTE Confidence: 0.93608475

00:37:54.652 --> 00:37:56.591 do you assess the educational

NOTE Confidence: 0.93608475

00:37:56.591 --> 00:37:58.667 progress of their residents?

NOTE Confidence: 0.93127865

00:38:01.600 --> 00:38:03.380 Oh man, so residents,

NOTE Confidence: 0.93127865

00:38:03.380 --> 00:38:06.050 what kind of feedback and assessment

NOTE Confidence: 0.93127865

00:38:06.130 --> 00:38:08.640 do you get on your progress? What?

NOTE Confidence: 0.93127865

00:38:08.640 --> 00:38:11.520 I'd love to hear your perceptions of that.

NOTE Confidence: 0.93127865

00:38:11.520 --> 00:38:13.319 It's an area that I'm supposed to be

NOTE Confidence: 0.93127865

00:38:13.319 --> 00:38:14.920 an expert on, so hopefully we do. OK,

NOTE Confidence: 0.93127865

00:38:20.200 --> 00:38:23.160 feedback. I'll speak briefly on it.

NOTE Confidence: 0.93127865

00:38:23.160 --> 00:38:27.880 We get, you know, formal studies
NOTE Confidence: 0.93127865

00:38:27.880 --> 00:38:31.520 back through relations that are done
NOTE Confidence: 0.93127865

00:38:31.520 --> 00:38:34.598 by attendings, by our Co residents.
NOTE Confidence: 0.93127865

00:38:34.600 --> 00:38:37.470 If you know like for example if
NOTE Confidence: 0.93127865

00:38:37.470 --> 00:38:40.259 there's a night resident and the
NOTE Confidence: 0.93127865

00:38:40.259 --> 00:38:42.354 senior wants to provide feedback
NOTE Confidence: 0.93127865

00:38:42.354 --> 00:38:45.119 for how the night resident did,
NOTE Confidence: 0.93127865

00:38:45.120 --> 00:38:47.392 that's helpful as well.
NOTE Confidence: 0.93127865

00:38:47.392 --> 00:38:50.800 There's actual we stress like feedback
NOTE Confidence: 0.93127865

00:38:50.900 --> 00:38:53.560 Fridays where the team pulls,
NOTE Confidence: 0.93127865

00:38:53.560 --> 00:38:54.840 you know the attending,
NOTE Confidence: 0.93877316

00:38:58.280 --> 00:39:00.905 just everyone on the team and just
NOTE Confidence: 0.93877316

00:39:00.905 --> 00:39:02.355 has a conversation with them and
NOTE Confidence: 0.93877316

00:39:02.355 --> 00:39:03.879 give some kind of formal feedback.
NOTE Confidence: 0.93877316

00:39:03.880 --> 00:39:05.842 Ideally that's constructive that we aim
NOTE Confidence: 0.93877316

00:39:05.842 --> 00:39:08.435 for and we actually do teaching sessions

NOTE Confidence: 0.93877316

00:39:08.435 --> 00:39:10.480 on providing evaluations for feedback.

NOTE Confidence: 0.93877316

00:39:10.480 --> 00:39:12.520 I believe from the attend level

NOTE Confidence: 0.93877316

00:39:12.520 --> 00:39:14.896 that kind of the faculty work with.

NOTE Confidence: 0.93877316

00:39:14.896 --> 00:39:17.044 We have sessions amongst residents on

NOTE Confidence: 0.93877316

00:39:17.044 --> 00:39:19.760 how to give feedback to medical school

NOTE Confidence: 0.93877316

00:39:19.833 --> 00:39:22.320 students and then just throughout the

NOTE Confidence: 0.93877316

00:39:22.320 --> 00:39:28.460 kind of throughout the full service that

NOTE Confidence: 0.93877316

00:39:28.460 --> 00:39:30.220 you're on and the week that you're on,

NOTE Confidence: 0.93877316

00:39:30.220 --> 00:39:31.255 there's always opportunities

NOTE Confidence: 0.93877316

00:39:31.255 --> 00:39:32.980 that we are providing feedback.

NOTE Confidence: 0.93877316

00:39:32.980 --> 00:39:35.108 We tried to make sure that for our

NOTE Confidence: 0.93877316

00:39:35.108 --> 00:39:38.060 presentations with physical exams etcetera.

NOTE Confidence: 0.93877316

00:39:38.060 --> 00:39:39.705 So there are a lot of opportunities

NOTE Confidence: 0.93877316

00:39:39.705 --> 00:39:41.724 and a lot of means for providing

NOTE Confidence: 0.93877316

00:39:41.724 --> 00:39:42.980 feedback and it's always,

NOTE Confidence: 0.93877316

00:39:42.980 --> 00:39:46.044 you know, with the focus of aiming

NOTE Confidence: 0.93877316

00:39:46.044 --> 00:39:48.060 for growth rather than,

NOTE Confidence: 0.93877316

00:39:48.060 --> 00:39:51.259 you know, a means of

NOTE Confidence: 0.9272121

00:39:53.950 --> 00:39:55.228 from a negative kind of standpoint.

NOTE Confidence: 0.9272121

00:39:57.350 --> 00:40:00.590 So I think a lot of us do value,

NOTE Confidence: 0.9272121

00:40:00.590 --> 00:40:02.210 kind of do the emphasis that

NOTE Confidence: 0.9272121

00:40:02.210 --> 00:40:05.590 our program puts on evaluation.

NOTE Confidence: 0.9272121

00:40:05.590 --> 00:40:06.748 I hope that answers your question.

NOTE Confidence: 0.9272121

00:40:07.790 --> 00:40:09.950 That's great.

NOTE Confidence: 0.9272121

00:40:09.950 --> 00:40:11.270 I'm not sure who was next.

NOTE Confidence: 0.9272121

00:40:11.270 --> 00:40:13.242 I'm going to go with a room.

NOTE Confidence: 0.9272121

00:40:13.242 --> 00:40:14.626 You can go first.

NOTE Confidence: 0.9321213

00:40:17.250 --> 00:40:18.105 Hi, Dr. Mueller.

NOTE Confidence: 0.9321213

00:40:18.105 --> 00:40:19.815 It was a great presentation and

NOTE Confidence: 0.9321213

00:40:19.815 --> 00:40:21.973 I really love the fact that you

NOTE Confidence: 0.9321213

00:40:21.973 --> 00:40:23.834 bought the residents in to speak

NOTE Confidence: 0.9321213

00:40:23.834 --> 00:40:25.610 for their own experience and having

NOTE Confidence: 0.9321213

00:40:25.610 --> 00:40:27.930 been to Yale, it is, I'm still

NOTE Confidence: 0.9321213

00:40:27.930 --> 00:40:31.330 in all of the opportunities that Yale offers,

NOTE Confidence: 0.9321213

00:40:31.770 --> 00:40:34.044 but so maybe I'm kind of

NOTE Confidence: 0.9321213

00:40:34.044 --> 00:40:36.050 wondering if there are more.

NOTE Confidence: 0.9321213

00:40:36.050 --> 00:40:38.810 So I was wondering if there is

NOTE Confidence: 0.9321213

00:40:38.810 --> 00:40:40.710 an opportunity for residents to

NOTE Confidence: 0.9321213

00:40:40.710 --> 00:40:44.638 take either research months off

NOTE Confidence: 0.9321213

00:40:44.640 --> 00:40:47.279 or some other elective time off to

NOTE Confidence: 0.9321213

00:40:47.279 --> 00:40:49.879 kind of pursue A master's degree,

NOTE Confidence: 0.9321213

00:40:49.880 --> 00:40:52.880 probably like an MPH or something.

NOTE Confidence: 0.9321213

00:40:52.880 --> 00:40:56.590 Is there something that allows

NOTE Confidence: 0.9321213

00:40:56.590 --> 00:40:58.750 this or has this ever been done in

NOTE Confidence: 0.9321213

00:40:58.750 --> 00:41:00.760 the past or something like that?

NOTE Confidence: 0.93163186

00:41:02.680 --> 00:41:04.918 So in terms of graduate training,

NOTE Confidence: 0.93163186

00:41:04.920 --> 00:41:07.145 residency is pretty short to
NOTE Confidence: 0.93163186

00:41:07.145 --> 00:41:08.480 complete graduate training.
NOTE Confidence: 0.93163186

00:41:08.480 --> 00:41:10.350 Some people have started it,
NOTE Confidence: 0.93163186

00:41:10.350 --> 00:41:12.184 but usually there's more time in fellowship.
NOTE Confidence: 0.93163186

00:41:12.190 --> 00:41:14.110 We do have a school of public health.
NOTE Confidence: 0.93163186

00:41:14.110 --> 00:41:16.390 We have a master's degree in
NOTE Confidence: 0.93163186

00:41:16.390 --> 00:41:18.015 education as well, which actually
NOTE Confidence: 0.93163186

00:41:18.015 --> 00:41:20.270 I'm the program director of as well,
NOTE Confidence: 0.93163186

00:41:20.270 --> 00:41:22.290 and have mentored many former
NOTE Confidence: 0.93163186

00:41:22.290 --> 00:41:24.310 residents and fellows in that.
NOTE Confidence: 0.93163186

00:41:24.310 --> 00:41:26.050 But it would be difficult to
NOTE Confidence: 0.93163186

00:41:26.050 --> 00:41:27.750 do a graduate degree in time.
NOTE Confidence: 0.93163186

00:41:27.750 --> 00:41:31.330 But we do certainly have structured research,
NOTE Confidence: 0.93163186

00:41:31.330 --> 00:41:33.650 elective time. So that's great.
NOTE Confidence: 0.93163186

00:41:33.650 --> 00:41:36.790 Thanks. All right, Okay. Let's see.
NOTE Confidence: 0.93163186

00:41:36.790 --> 00:41:42.550 Thank you. Is it Juliana or Juliana?

NOTE Confidence: 0.93163186

00:41:42.550 --> 00:41:44.190 Your hand up was next.

NOTE Confidence: 0.93163186

00:41:44.190 --> 00:41:45.390 Your camera is off right now.

NOTE Confidence: 0.9350057

00:41:48.830 --> 00:41:50.030 How about Aishwarya?

NOTE Confidence: 0.9350057

00:41:53.590 --> 00:41:56.194 Hi, good evening and thank you

NOTE Confidence: 0.9350057

00:41:56.194 --> 00:41:58.430 so much for organizing this.

NOTE Confidence: 0.9350057

00:41:58.430 --> 00:42:00.327 I did have a question because you

NOTE Confidence: 0.9350057

00:42:00.327 --> 00:42:01.818 mentioned that you're 3 graduates

NOTE Confidence: 0.9350057

00:42:01.818 --> 00:42:03.830 from your global neurology track.

NOTE Confidence: 0.9350057

00:42:03.830 --> 00:42:08.496 But I just, I was curious like have you

NOTE Confidence: 0.9350057

00:42:08.496 --> 00:42:11.514 had issues recently with the pandemic

NOTE Confidence: 0.9350057

00:42:11.514 --> 00:42:14.168 with implementing the track or if not,

NOTE Confidence: 0.9350057

00:42:14.170 --> 00:42:15.635 how would that be implemented

NOTE Confidence: 0.9350057

00:42:15.635 --> 00:42:16.807 in someone who's interested

NOTE Confidence: 0.9313118

00:42:16.970 --> 00:42:18.128 in global neurology?

NOTE Confidence: 0.9313118

00:42:18.850 --> 00:42:20.740 Yeah, we did have an interruption

NOTE Confidence: 0.9313118

00:42:20.740 --> 00:42:22.450 for a couple of years.
NOTE Confidence: 0.9313118

00:42:22.450 --> 00:42:25.090 Our Global Scholars program through
NOTE Confidence: 0.9313118

00:42:25.090 --> 00:42:27.730 the Johnson Johnson Global Scholars
NOTE Confidence: 0.9313118

00:42:27.813 --> 00:42:29.748 program was basically shut down
NOTE Confidence: 0.9313118

00:42:29.748 --> 00:42:32.730 because it was a two way exchange,
NOTE Confidence: 0.9313118

00:42:32.730 --> 00:42:34.608 but that has since restarted and
NOTE Confidence: 0.9313118

00:42:34.608 --> 00:42:36.470 actually one of our residents
NOTE Confidence: 0.9313118

00:42:36.470 --> 00:42:38.950 will be going to Uganda in a week.
NOTE Confidence: 0.9313118

00:42:38.950 --> 00:42:40.430 Is it a week? Is that when?
NOTE Confidence: 0.9313118

00:42:40.430 --> 00:42:42.919 I think 2 weeks, 02 weeks, OK.
NOTE Confidence: 0.9313118

00:42:42.919 --> 00:42:45.226 So one of our residents is going to Uganda
NOTE Confidence: 0.9313118

00:42:45.226 --> 00:42:47.970 in the Global health track in two weeks.
NOTE Confidence: 0.9313118

00:42:47.970 --> 00:42:49.350 So it's restarted.
NOTE Confidence: 0.9313118

00:42:49.350 --> 00:42:52.130 We also have programmer letters
NOTE Confidence: 0.9313118

00:42:52.130 --> 00:42:54.354 agreement with multiple institutions
NOTE Confidence: 0.9313118

00:42:54.354 --> 00:42:58.030 including the South Petrier in Paris.

NOTE Confidence: 0.9313118

00:42:58.030 --> 00:43:00.388 And I think we'll have a couple of residents,

NOTE Confidence: 0.9313118

00:43:00.390 --> 00:43:02.990 one or two residents going there this year,

NOTE Confidence: 0.9313118

00:43:02.990 --> 00:43:05.400 hopefully, which would be good.

NOTE Confidence: 0.9313118

00:43:05.400 --> 00:43:07.722 You have to know French or at least have

NOTE Confidence: 0.9313118

00:43:07.722 --> 00:43:09.836 a passing comfort with French to do that.

NOTE Confidence: 0.93271

00:43:11.200 --> 00:43:12.480 Great. Thank you so much.

NOTE Confidence: 0.93271

00:43:17.440 --> 00:43:18.520 Any other questions,

NOTE Confidence: 0.93271

00:43:20.720 --> 00:43:23.360 Victor, see your hands up.

NOTE Confidence: 0.93271

00:43:29.640 --> 00:43:31.248 Go ahead, Victor.

NOTE Confidence: 0.93271

00:43:31.248 --> 00:43:32.880 Victor Torres, can you hear me?

NOTE Confidence: 0.93271

00:43:33.840 --> 00:43:35.600 Hi, everybody. Good evening. Yeah.

NOTE Confidence: 0.93271

00:43:35.680 --> 00:43:37.888 Thanks for having us.

NOTE Confidence: 0.93271

00:43:37.890 --> 00:43:39.250 So my question is actually related

NOTE Confidence: 0.93610466

00:43:39.250 --> 00:43:40.290 to the Global Health program

NOTE Confidence: 0.93610466

00:43:40.290 --> 00:43:42.369 as well. I saw they have many

NOTE Confidence: 0.93610466

00:43:42.370 --> 00:43:44.512 tracks for residency and I was
NOTE Confidence: 0.93610466

00:43:44.512 --> 00:43:46.237 wondering if it's realistic to
NOTE Confidence: 0.93610466

00:43:46.237 --> 00:43:48.210 take on more than one of those.
NOTE Confidence: 0.93610466

00:43:48.210 --> 00:43:50.366 So like for interesting for for example,
NOTE Confidence: 0.93610466

00:43:50.370 --> 00:43:51.738 I like the Global Health one.
NOTE Confidence: 0.93610466

00:43:51.738 --> 00:43:54.042 I love that you have a research track
NOTE Confidence: 0.93610466

00:43:54.042 --> 00:43:55.662 as well with R-25 opportunities.
NOTE Confidence: 0.93610466

00:43:55.662 --> 00:43:57.830 Do you think it would be realistic
NOTE Confidence: 0.93610466

00:43:57.830 --> 00:43:59.210 to try and pursue both paths?
NOTE Confidence: 0.93610466

00:43:59.210 --> 00:44:01.130 What would be your general advice
NOTE Confidence: 0.93610466

00:44:01.130 --> 00:44:04.049 on that? Yeah, comes up a lot.
NOTE Confidence: 0.93610466

00:44:04.050 --> 00:44:06.640 I think that the tracks and the
NOTE Confidence: 0.93610466

00:44:06.640 --> 00:44:08.212 distinction programs with which
NOTE Confidence: 0.93610466

00:44:08.212 --> 00:44:09.796 come with criterion certificates
NOTE Confidence: 0.93610466

00:44:09.796 --> 00:44:12.619 and are outlined in on our website,
NOTE Confidence: 0.93610466

00:44:12.620 --> 00:44:14.780 It would be hard to do more than one

NOTE Confidence: 0.93610466

00:44:14.780 --> 00:44:17.456 of those experiences sort of fully.

NOTE Confidence: 0.93610466

00:44:17.460 --> 00:44:20.407 But many people take advantage of many

NOTE Confidence: 0.93610466

00:44:20.407 --> 00:44:21.670 opportunities without necessarily

NOTE Confidence: 0.93610466

00:44:21.732 --> 00:44:23.285 being part of a formal track.

NOTE Confidence: 0.93610466

00:44:23.285 --> 00:44:25.570 So I think even if you don't, you know,

NOTE Confidence: 0.93610466

00:44:25.570 --> 00:44:27.290 people ask could I be involved in the

NOTE Confidence: 0.93610466

00:44:27.337 --> 00:44:29.257 many educational experiences that we have.

NOTE Confidence: 0.93610466

00:44:29.260 --> 00:44:31.980 For sure, For sure.

NOTE Confidence: 0.93610466

00:44:31.980 --> 00:44:34.540 That's good, Brandon.

NOTE Confidence: 0.91889286

00:44:36.860 --> 00:44:38.260 Can I can I just jump in?

NOTE Confidence: 0.91889286

00:44:38.260 --> 00:44:40.178 Just really quick to answer a question

NOTE Confidence: 0.91889286

00:44:40.178 --> 00:44:42.138 that I think will be relevant to.

NOTE Confidence: 0.91889286

00:44:42.140 --> 00:44:44.180 Yes, everyone please.

NOTE Confidence: 0.91889286

00:44:44.180 --> 00:44:47.213 Sorry, Brandon, just one moment because

NOTE Confidence: 0.91889286

00:44:47.213 --> 00:44:51.002 I think I knew and my apologies if

NOTE Confidence: 0.91889286

00:44:51.002 --> 00:44:52.898 I'm pronouncing that incorrectly,
NOTE Confidence: 0.91889286

00:44:52.900 --> 00:44:54.985 ask about some specialty exposure
NOTE Confidence: 0.91889286

00:44:54.985 --> 00:44:58.020 during the P GY2 in three years
NOTE Confidence: 0.91889286

00:44:58.020 --> 00:44:59.058 in fellowship application.
NOTE Confidence: 0.91889286

00:44:59.058 --> 00:45:01.935 I know that to get exposure to some
NOTE Confidence: 0.91889286

00:45:01.935 --> 00:45:04.140 specialties and which fellowships you want.
NOTE Confidence: 0.91889286

00:45:04.140 --> 00:45:05.956 I know that was a big question that
NOTE Confidence: 0.91889286

00:45:05.956 --> 00:45:07.957 I asked when I was interviewing and I
NOTE Confidence: 0.91889286

00:45:07.957 --> 00:45:10.264 think GAIL does a great job with it and
NOTE Confidence: 0.91889286

00:45:10.264 --> 00:45:12.175 it really stress getting us exposures.
NOTE Confidence: 0.91889286

00:45:12.175 --> 00:45:15.822 So one way of that is during our clinic
NOTE Confidence: 0.91889286

00:45:15.822 --> 00:45:18.060 blocks which happened every six weeks,
NOTE Confidence: 0.91889286

00:45:18.060 --> 00:45:22.188 I guess we basically have three
NOTE Confidence: 0.91889286

00:45:22.188 --> 00:45:24.798 days out of the week,
NOTE Confidence: 0.91889286

00:45:24.800 --> 00:45:27.047 the mornings or the half days we
NOTE Confidence: 0.91889286

00:45:27.047 --> 00:45:28.815 pick a subspecialty of our choice

NOTE Confidence: 0.91889286

00:45:28.815 --> 00:45:31.040 that we do for a whole six months.

NOTE Confidence: 0.91889286

00:45:31.040 --> 00:45:33.035 And until we go to those subspecialty

NOTE Confidence: 0.91889286

00:45:33.035 --> 00:45:35.090 clinics of our choosing and then we

NOTE Confidence: 0.91889286

00:45:35.090 --> 00:45:37.096 switch the next six months that you

NOTE Confidence: 0.91889286

00:45:37.096 --> 00:45:38.992 do that for each of your two years.

NOTE Confidence: 0.91889286

00:45:39.000 --> 00:45:41.310 And then within that you have

NOTE Confidence: 0.91889286

00:45:41.310 --> 00:45:43.967 elective time for a whole week that

NOTE Confidence: 0.91889286

00:45:43.967 --> 00:45:45.943 you have within P GY2 and P GY3

NOTE Confidence: 0.91889286

00:45:45.943 --> 00:45:47.998 year for you to get that exposure.

NOTE Confidence: 0.91889286

00:45:48.000 --> 00:45:50.020 You get more elective time

NOTE Confidence: 0.91889286

00:45:50.020 --> 00:45:52.040 as the years go on.

NOTE Confidence: 0.91889286

00:45:52.040 --> 00:45:52.988 And so you,

NOTE Confidence: 0.91889286

00:45:52.988 --> 00:45:55.200 I definitely feel like I've had plenty

NOTE Confidence: 0.91889286

00:45:55.266 --> 00:45:57.288 of time to really get exposures.

NOTE Confidence: 0.91889286

00:45:57.290 --> 00:45:58.562 And you'll get a sense of a lot

NOTE Confidence: 0.91889286

00:45:58.562 --> 00:45:59.849 of the inpatient specialties,
NOTE Confidence: 0.91889286

00:45:59.850 --> 00:46:00.530 of course,
NOTE Confidence: 0.93179333

00:46:03.410 --> 00:46:06.116 your residency, because that's just a
NOTE Confidence: 0.93179333

00:46:06.116 --> 00:46:07.890 given in the outpatient specialties.
NOTE Confidence: 0.93179333

00:46:07.890 --> 00:46:10.278 You'll have a lot of time to
NOTE Confidence: 0.93179333

00:46:10.278 --> 00:46:12.013 branch out during that scheduled
NOTE Confidence: 0.93179333

00:46:12.013 --> 00:46:13.716 time for your electives elsewhere.
NOTE Confidence: 0.93179333

00:46:13.716 --> 00:46:16.164 So I think there's a lot of time
NOTE Confidence: 0.93179333

00:46:16.170 --> 00:46:17.970 and I think most people feel
NOTE Confidence: 0.93179333

00:46:17.970 --> 00:46:19.038 pretty comfortable with their
NOTE Confidence: 0.93179333

00:46:19.038 --> 00:46:20.208 choice going into fellowship year.
NOTE Confidence: 0.9232935

00:46:22.220 --> 00:46:23.260 Sorry, Brandon, thank you. All
NOTE Confidence: 0.9232935

00:46:25.700 --> 00:46:26.444 right, Brandon, thanks for
NOTE Confidence: 0.9232935

00:46:26.444 --> 00:46:28.620 your time. Thanks, Isak. Yeah,
NOTE Confidence: 0.9232935

00:46:29.020 --> 00:46:30.860 thank you. No problem.
NOTE Confidence: 0.9232935

00:46:30.860 --> 00:46:33.380 So basically, I just wanted to ask

NOTE Confidence: 0.9232935

00:46:33.380 --> 00:46:36.378 this is a question for the residents.

NOTE Confidence: 0.9232935

00:46:36.380 --> 00:46:37.700 Just wanted to ask you,

NOTE Confidence: 0.9232935

00:46:37.700 --> 00:46:40.180 any of you like, what would you say,

NOTE Confidence: 0.9232935

00:46:40.620 --> 00:46:41.976 your favorite part of a date

NOTE Confidence: 0.9232935

00:46:41.976 --> 00:46:43.802 of your days as a life of a

NOTE Confidence: 0.9232935

00:46:43.802 --> 00:46:45.460 neurology resident? That's it.

NOTE Confidence: 0.9232935

00:46:48.940 --> 00:46:51.660 What's a new resident open house

NOTE Confidence: 0.93014234

00:46:56.260 --> 00:46:57.340 Does anyone else want to

NOTE Confidence: 0.93014234

00:46:57.340 --> 00:46:58.420 speak or I'll keep speaking

NOTE Confidence: 0.93014234

00:46:58.740 --> 00:47:00.539 I can talk a bit about that.

NOTE Confidence: 0.93014234

00:47:00.540 --> 00:47:05.336 So I love our, I love my Co residents

NOTE Confidence: 0.93014234

00:47:05.340 --> 00:47:08.458 we're one big family and it's really

NOTE Confidence: 0.93014234

00:47:08.458 --> 00:47:10.691 nice to see all of the friendships

NOTE Confidence: 0.93014234

00:47:10.691 --> 00:47:12.779 that we have between classes and

NOTE Confidence: 0.93014234

00:47:12.779 --> 00:47:14.960 within our I'm sorry excuse me.

NOTE Confidence: 0.93014234

00:47:14.960 --> 00:47:17.288 And within our class you know it's
NOTE Confidence: 0.93014234

00:47:17.288 --> 00:47:18.944 it's really like we're we're we're
NOTE Confidence: 0.93014234

00:47:18.944 --> 00:47:20.680 really there to support each other
NOTE Confidence: 0.93014234

00:47:20.680 --> 00:47:22.506 and it's really obvious from if you
NOTE Confidence: 0.93014234

00:47:22.506 --> 00:47:24.170 come hang out with us how we all
NOTE Confidence: 0.93014234

00:47:24.170 --> 00:47:25.730 get along really really nicely.
NOTE Confidence: 0.93014234

00:47:25.730 --> 00:47:27.378 And it's one of the nice things about
NOTE Confidence: 0.93014234

00:47:27.378 --> 00:47:28.910 going to work every day where I'm
NOTE Confidence: 0.93014234

00:47:28.910 --> 00:47:30.854 like you know it's nice to go hang out
NOTE Confidence: 0.93014234

00:47:30.854 --> 00:47:32.654 with people who you really like and we
NOTE Confidence: 0.93014234

00:47:32.654 --> 00:47:35.219 do a lot of stuff outside of work as
NOTE Confidence: 0.93014234

00:47:35.219 --> 00:47:37.250 as well you know every so often they
NOTE Confidence: 0.93014234

00:47:37.250 --> 00:47:39.569 know Izzy has been organizing beach days.
NOTE Confidence: 0.93014234

00:47:39.570 --> 00:47:41.054 There's a lot of there's a lot
NOTE Confidence: 0.93014234

00:47:41.054 --> 00:47:42.609 of fun things to do around here.
NOTE Confidence: 0.93014234

00:47:42.610 --> 00:47:44.130 So for example sleeping Giant

NOTE Confidence: 0.93014234

00:47:44.130 --> 00:47:45.650 is a big hiking park.

NOTE Confidence: 0.93014234

00:47:45.650 --> 00:47:47.555 There's an axe throwing location

NOTE Confidence: 0.93014234

00:47:47.555 --> 00:47:49.460 that whenever residents who just

NOTE Confidence: 0.93014234

00:47:49.522 --> 00:47:51.808 graduated to keeps organizing trips to.

NOTE Confidence: 0.93014234

00:47:51.810 --> 00:47:53.292 I'm going to drag some people

NOTE Confidence: 0.93014234

00:47:53.292 --> 00:47:54.849 to the opera later this year.

NOTE Confidence: 0.93014234

00:47:54.850 --> 00:47:56.082 So there's a lot of stuff that

NOTE Confidence: 0.93014234

00:47:56.082 --> 00:47:56.610 we do together.

NOTE Confidence: 0.93014234

00:47:56.610 --> 00:47:57.678 And I, you know,

NOTE Confidence: 0.93014234

00:47:57.678 --> 00:47:59.654 I think it's it just makes your

NOTE Confidence: 0.93014234

00:47:59.654 --> 00:48:01.478 day overall so much nicer when

NOTE Confidence: 0.93014234

00:48:01.478 --> 00:48:03.290 you know that you're going to be

NOTE Confidence: 0.93014234

00:48:03.290 --> 00:48:04.490 in a really supportive collegial

NOTE Confidence: 0.93014234

00:48:04.538 --> 00:48:05.783 environment with people that you

NOTE Confidence: 0.93014234

00:48:05.783 --> 00:48:07.330 really like and very much trust.

NOTE Confidence: 0.9329827

00:48:10.010 --> 00:48:11.834 All right. Thank you.
NOTE Confidence: 0.9329827

00:48:11.834 --> 00:48:13.054 Also, you know,
NOTE Confidence: 0.9329827

00:48:13.054 --> 00:48:17.050 just to speak on that residency.
NOTE Confidence: 0.9329827

00:48:17.050 --> 00:48:18.766 All right. Sorry my son's here.
NOTE Confidence: 0.9329827

00:48:18.770 --> 00:48:21.518 He just bust in the room.
NOTE Confidence: 0.9329827

00:48:21.520 --> 00:48:22.798 Residency is you know it's going
NOTE Confidence: 0.9329827

00:48:22.798 --> 00:48:24.250 to have plenty of times where
NOTE Confidence: 0.9329827

00:48:24.250 --> 00:48:25.358 it's it's pretty difficult.
NOTE Confidence: 0.9329827

00:48:25.360 --> 00:48:27.664 So the day in the life you know is
NOTE Confidence: 0.9329827

00:48:27.664 --> 00:48:30.000 is you know it's going to you gotta,
NOTE Confidence: 0.9329827

00:48:30.000 --> 00:48:31.840 we gotta talk about it. And so
NOTE Confidence: 0.9318121

00:48:35.120 --> 00:48:36.730 you know there are plenty of time
NOTE Confidence: 0.9318121

00:48:36.730 --> 00:48:38.574 you have the time to do those things
NOTE Confidence: 0.9318121

00:48:38.574 --> 00:48:40.442 that you know we try to get together
NOTE Confidence: 0.9318121

00:48:40.442 --> 00:48:41.520 and spend time to each other.
NOTE Confidence: 0.9318121

00:48:41.520 --> 00:48:44.120 But I think most of the time that we spend,

NOTE Confidence: 0.9318121

00:48:44.120 --> 00:48:46.368 as with any residency is, you know,

NOTE Confidence: 0.9318121

00:48:46.368 --> 00:48:47.752 together, you know, at work.

NOTE Confidence: 0.9318121

00:48:47.752 --> 00:48:49.608 And you know, I feel like through

NOTE Confidence: 0.9318121

00:48:49.608 --> 00:48:51.412 the rough times that I have had

NOTE Confidence: 0.9318121

00:48:51.412 --> 00:48:52.882 and everyone's going to have

NOTE Confidence: 0.9318121

00:48:52.882 --> 00:48:56.380 rough times with nights, etcetera,

NOTE Confidence: 0.9318121

00:48:56.380 --> 00:48:59.579 I've always felt a strong sense of,

NOTE Confidence: 0.9318121

00:48:59.580 --> 00:49:01.698 you know, bond with my residents,

NOTE Confidence: 0.9260013

00:49:04.420 --> 00:49:06.330 my Co residents to get

NOTE Confidence: 0.9260013

00:49:06.330 --> 00:49:07.858 me through those times.

NOTE Confidence: 0.9260013

00:49:07.860 --> 00:49:09.365 So there are plenty of good times

NOTE Confidence: 0.9260013

00:49:09.365 --> 00:49:10.978 and there are plenty of bad times.

NOTE Confidence: 0.9260013

00:49:10.980 --> 00:49:12.674 But I think Yale does a really

NOTE Confidence: 0.9260013

00:49:12.674 --> 00:49:14.469 good job of bringing a good

NOTE Confidence: 0.9260013

00:49:14.469 --> 00:49:15.817 group of people together.

NOTE Confidence: 0.9260013

00:49:15.820 --> 00:49:16.885 We established those good bums
NOTE Confidence: 0.9260013

00:49:16.885 --> 00:49:18.180 to get us through. So, sorry,
NOTE Confidence: 0.9260013

00:49:18.180 --> 00:49:19.940 I'm going to go ahead and take care.
NOTE Confidence: 0.89077127

00:49:24.260 --> 00:49:27.060 I do want to be conscious of time,
NOTE Confidence: 0.89077127

00:49:27.060 --> 00:49:30.340 but those are awesome answers.
NOTE Confidence: 0.89077127

00:49:30.340 --> 00:49:32.140 Ahmed, I think you were next.
NOTE Confidence: 0.93999976

00:49:33.690 --> 00:49:35.115 Thank you very much for
NOTE Confidence: 0.93999976

00:49:35.115 --> 00:49:36.730 having this open house.
NOTE Confidence: 0.93999976

00:49:36.730 --> 00:49:39.330 I just heard you talking
NOTE Confidence: 0.93999976

00:49:39.330 --> 00:49:41.730 about the education program.
NOTE Confidence: 0.93999976

00:49:41.730 --> 00:49:44.768 Is it a separate clinician educator program?
NOTE Confidence: 0.93999976

00:49:44.770 --> 00:49:46.458 That's the first question.
NOTE Confidence: 0.93999976

00:49:46.458 --> 00:49:47.724 The second question,
NOTE Confidence: 0.93999976

00:49:47.730 --> 00:49:49.338 would it be beneficial to have
NOTE Confidence: 0.93999976

00:49:49.338 --> 00:49:51.530 and a master of health profession,
NOTE Confidence: 0.93999976

00:49:51.530 --> 00:49:53.254 education from another country

NOTE Confidence: 0.93999976

00:49:53.254 --> 00:49:55.409 to get into that program,

NOTE Confidence: 0.93999976

00:49:55.410 --> 00:49:56.850 if you can answer that.

NOTE Confidence: 0.93999976

00:49:56.850 --> 00:49:57.730 Thank you very much.

NOTE Confidence: 0.9283245

00:49:58.300 --> 00:49:59.300 Yeah, thanks for your questions.

NOTE Confidence: 0.9283245

00:49:59.300 --> 00:50:00.975 So this is a clinician

NOTE Confidence: 0.9283245

00:50:00.975 --> 00:50:01.980 educator distinction track.

NOTE Confidence: 0.9283245

00:50:01.980 --> 00:50:03.900 It's actually across the hospital and

NOTE Confidence: 0.9283245

00:50:03.900 --> 00:50:05.931 across the GME but with components

NOTE Confidence: 0.9283245

00:50:05.931 --> 00:50:07.744 that are located in our program.

NOTE Confidence: 0.9283245

00:50:07.744 --> 00:50:10.007 And I'm proud to say that a lot of

NOTE Confidence: 0.9283245

00:50:10.007 --> 00:50:11.512 the hospital wide clinician educator

NOTE Confidence: 0.9283245

00:50:11.512 --> 00:50:13.510 distinction was modeled after some of

NOTE Confidence: 0.9283245

00:50:13.567 --> 00:50:15.375 the things that we did in our program.

NOTE Confidence: 0.9283245

00:50:15.380 --> 00:50:17.468 So we were we led from the front with

NOTE Confidence: 0.9283245

00:50:17.468 --> 00:50:20.381 that which is really nice and it requires

NOTE Confidence: 0.9283245

00:50:20.381 --> 00:50:22.916 no prior training or experience,
NOTE Confidence: 0.9283245

00:50:22.920 --> 00:50:24.155 just passion and interest and
NOTE Confidence: 0.9283245

00:50:24.155 --> 00:50:26.051 you'll be fine if you have prior
NOTE Confidence: 0.9283245

00:50:26.051 --> 00:50:27.275 in training and experience.
NOTE Confidence: 0.9283245

00:50:27.280 --> 00:50:29.688 We've had teachers in our program in the
NOTE Confidence: 0.9283245

00:50:29.688 --> 00:50:32.436 past for example and other educators great.
NOTE Confidence: 0.9283245

00:50:32.440 --> 00:50:34.552 I think that enriches the experience
NOTE Confidence: 0.9283245

00:50:34.552 --> 00:50:35.960 but certainly not required
NOTE Confidence: 0.9361624

00:50:39.960 --> 00:50:42.240 menu chair I think you're next.
NOTE Confidence: 0.9398041

00:50:42.970 --> 00:50:45.168 Yeah that was the pronunciation for the.
NOTE Confidence: 0.9398041

00:50:45.170 --> 00:50:47.998 So my question was about the value
NOTE Confidence: 0.9398041

00:50:47.998 --> 00:50:49.840 of the research in your program.
NOTE Confidence: 0.9398041

00:50:49.840 --> 00:50:52.245 For example do you guys have research
NOTE Confidence: 0.9398041

00:50:52.245 --> 00:50:55.335 track program or the residents could
NOTE Confidence: 0.9398041

00:50:55.335 --> 00:50:57.711 actually write down grants like
NOTE Confidence: 0.9398041

00:50:57.711 --> 00:51:00.450 our 25 grants for the NIH. Yes.

NOTE Confidence: 0.9398041

00:51:00.450 --> 00:51:02.690 Yeah, we have a sponsored our 25 program.

NOTE Confidence: 0.9398041

00:51:02.690 --> 00:51:05.735 We also have a T32 for fellowship

NOTE Confidence: 0.9398041

00:51:05.735 --> 00:51:08.134 training and our faculty members

NOTE Confidence: 0.9398041

00:51:08.134 --> 00:51:10.710 are among the highest awarded

NOTE Confidence: 0.9398041

00:51:10.710 --> 00:51:13.360 grant winners through the NIH.

NOTE Confidence: 0.9398041

00:51:13.360 --> 00:51:16.314 We have several sort of top ten

NOTE Confidence: 0.9398041

00:51:16.320 --> 00:51:18.160 funded scientists within our

NOTE Confidence: 0.9398041

00:51:18.160 --> 00:51:20.000 department itself in neurology.

NOTE Confidence: 0.9398041

00:51:20.000 --> 00:51:22.340 So yes, there's definitely huge

NOTE Confidence: 0.9398041

00:51:22.340 --> 00:51:24.256 experiences there and opportunities,

NOTE Confidence: 0.9398041

00:51:24.256 --> 00:51:26.160 which is great. Leila,

NOTE Confidence: 0.9338307

00:51:28.800 --> 00:51:32.448 hi. Thank you. I was curious

NOTE Confidence: 0.9338307

00:51:32.448 --> 00:51:34.768 whether in terms of residents,

NOTE Confidence: 0.9338307

00:51:34.768 --> 00:51:36.476 how residents are provided

NOTE Confidence: 0.9338307

00:51:36.476 --> 00:51:38.321 feedback and evaluation throughout

NOTE Confidence: 0.9338307

00:51:38.321 --> 00:51:41.075 their residency and I was also
NOTE Confidence: 0.9338307

00:51:41.075 --> 00:51:43.088 curious of the support available
NOTE Confidence: 0.9338307

00:51:43.088 --> 00:51:45.023 for professional and maybe even
NOTE Confidence: 0.9338307

00:51:45.023 --> 00:51:47.019 personal development for residents,
NOTE Confidence: 0.9338307

00:51:47.020 --> 00:51:48.178 if someone could speak on that.
NOTE Confidence: 0.9338307

00:51:48.740 --> 00:51:50.380 Thank you.
NOTE Confidence: 0.94389856

00:51:50.380 --> 00:51:52.800 So anybody have any thoughts
NOTE Confidence: 0.94389856

00:51:52.800 --> 00:51:54.736 about support for development?
NOTE Confidence: 0.94389856

00:51:54.740 --> 00:51:57.015 Any of our residents who are on,
NOTE Confidence: 0.94389856

00:51:57.020 --> 00:51:58.990 who had experiences they could
NOTE Confidence: 0.94389856

00:51:58.990 --> 00:52:01.296 speak to in terms of professional
NOTE Confidence: 0.94389856

00:52:01.296 --> 00:52:02.640 or personal development support,
NOTE Confidence: 0.9355588

00:52:05.520 --> 00:52:07.400 I can mention a little bit and then
NOTE Confidence: 0.9355588

00:52:07.600 --> 00:52:08.775 I'd be interested to see
NOTE Confidence: 0.9355588

00:52:08.775 --> 00:52:09.715 what other people say.
NOTE Confidence: 0.9355588

00:52:09.720 --> 00:52:12.080 But so you are paired

NOTE Confidence: 0.9355588

00:52:12.080 --> 00:52:13.944 with a mentor essentially,

NOTE Confidence: 0.9355588

00:52:13.944 --> 00:52:16.491 right when you start residency and

NOTE Confidence: 0.9355588

00:52:16.491 --> 00:52:17.968 so you have this sort of formal

NOTE Confidence: 0.9355588

00:52:17.968 --> 00:52:19.880 track to get support and have a mentor.

NOTE Confidence: 0.9355588

00:52:19.880 --> 00:52:23.046 And then I find that you you make

NOTE Confidence: 0.9355588

00:52:23.046 --> 00:52:24.760 a lot of good because all the

NOTE Confidence: 0.9355588

00:52:24.760 --> 00:52:26.805 faculty are so receptive and and

NOTE Confidence: 0.9355588

00:52:26.805 --> 00:52:29.440 so open and so nice and kind.

NOTE Confidence: 0.9355588

00:52:29.440 --> 00:52:31.120 You make a lot of bonds

NOTE Confidence: 0.9355588

00:52:31.120 --> 00:52:31.960 pretty informally too.

NOTE Confidence: 0.9355588

00:52:31.960 --> 00:52:33.940 So I had mentioned that you

NOTE Confidence: 0.9355588

00:52:33.940 --> 00:52:35.260 know you're within attending

NOTE Confidence: 0.9355588

00:52:35.328 --> 00:52:37.155 during the 5:00 PM to 10:00 PM.

NOTE Confidence: 0.9355588

00:52:37.160 --> 00:52:38.896 So you meet a lot of attendings that

NOTE Confidence: 0.9355588

00:52:38.896 --> 00:52:40.669 way you form connections and certainly

NOTE Confidence: 0.9355588

00:52:40.669 --> 00:52:42.595 they're all willing to mentor you,
NOTE Confidence: 0.9355588

00:52:42.600 --> 00:52:44.872 offer advice, you know,
NOTE Confidence: 0.9355588

00:52:44.872 --> 00:52:48.080 professionally and also personally.
NOTE Confidence: 0.9355588

00:52:48.080 --> 00:52:48.680 And so I, you know,
NOTE Confidence: 0.9355588

00:52:48.680 --> 00:52:50.934 I I feel very lucky that there's
NOTE Confidence: 0.9355588

00:52:50.934 --> 00:52:52.445 definitely some attendings I met
NOTE Confidence: 0.9355588

00:52:52.445 --> 00:52:54.261 just by working with them that help
NOTE Confidence: 0.9355588

00:52:54.261 --> 00:52:56.307 me with research projects or case
NOTE Confidence: 0.9355588

00:52:56.307 --> 00:52:58.716 reports and just give me advice about
NOTE Confidence: 0.9355588

00:52:58.716 --> 00:53:01.440 being a resident and even career afterwards.
NOTE Confidence: 0.9355588

00:53:01.440 --> 00:53:01.674 Dr.
NOTE Confidence: 0.9355588

00:53:01.674 --> 00:53:03.078 Schaefer, who's not on this call,
NOTE Confidence: 0.9355588

00:53:03.080 --> 00:53:04.705 also set up a Neurology
NOTE Confidence: 0.9355588

00:53:04.705 --> 00:53:05.984 Nuts and Bolts podcast,
NOTE Confidence: 0.9355588

00:53:05.984 --> 00:53:07.377 which I would definitely encourage
NOTE Confidence: 0.9355588

00:53:07.377 --> 00:53:08.439 you guys all to check out.

NOTE Confidence: 0.9355588

00:53:08.440 --> 00:53:10.680 But it's essentially about

NOTE Confidence: 0.9355588

00:53:10.680 --> 00:53:11.800 professional development.

NOTE Confidence: 0.9355588

00:53:11.800 --> 00:53:13.000 And she brings in experts,

NOTE Confidence: 0.9355588

00:53:13.000 --> 00:53:13.646 you know,

NOTE Confidence: 0.9355588

00:53:13.646 --> 00:53:15.261 to help with like negotiating

NOTE Confidence: 0.9355588

00:53:15.261 --> 00:53:17.090 contracts in your first job and,

NOTE Confidence: 0.9355588

00:53:17.090 --> 00:53:17.636 you know,

NOTE Confidence: 0.9355588

00:53:17.636 --> 00:53:19.274 talks about private practice and academia

NOTE Confidence: 0.9355588

00:53:19.274 --> 00:53:21.280 and all these different questions that you

NOTE Confidence: 0.9355588

00:53:21.280 --> 00:53:23.530 know often go maybe hidden and unrecognized.

NOTE Confidence: 0.9355588

00:53:23.530 --> 00:53:25.210 She lays out very explicitly in the podcast.

NOTE Confidence: 0.9355588

00:53:25.210 --> 00:53:27.156 So I think that was a really

NOTE Confidence: 0.9355588

00:53:27.156 --> 00:53:28.729 cool initiative that she started.

NOTE Confidence: 0.9355588

00:53:28.730 --> 00:53:30.455 And then in terms of feedback, yeah,

NOTE Confidence: 0.9355588

00:53:30.455 --> 00:53:31.685 you, you know, you get feedback.

NOTE Confidence: 0.9355588

00:53:31.690 --> 00:53:32.980 We have this,
NOTE Confidence: 0.9355588

00:53:32.980 --> 00:53:34.658 this portal called Met Hub.
NOTE Confidence: 0.9355588

00:53:34.658 --> 00:53:36.530 Essentially you get feedback through there.
NOTE Confidence: 0.9355588

00:53:36.530 --> 00:53:38.156 We do feedback Fridays where attendings
NOTE Confidence: 0.9355588

00:53:38.156 --> 00:53:40.210 will talk to you on on Fridays just,
NOTE Confidence: 0.9355588

00:53:40.210 --> 00:53:41.806 you know about your performance that week,
NOTE Confidence: 0.9355588

00:53:41.810 --> 00:53:44.650 you know, they're always very complimentary.
NOTE Confidence: 0.9355588

00:53:44.650 --> 00:53:45.625 And then also you know,
NOTE Confidence: 0.9355588

00:53:45.630 --> 00:53:47.922 things to work on.
NOTE Confidence: 0.9355588

00:53:47.922 --> 00:53:50.036 And then the last thing I would say
NOTE Confidence: 0.9355588

00:53:50.036 --> 00:53:51.715 is you get a lot of feedback and give
NOTE Confidence: 0.9355588

00:53:51.715 --> 00:53:53.300 a lot of feedback just, you know,
NOTE Confidence: 0.9355588

00:53:53.300 --> 00:53:55.070 very directly like with Ron rounds,
NOTE Confidence: 0.9355588

00:53:55.070 --> 00:53:56.190 you know, someone will just point out oh,
NOTE Confidence: 0.9355588

00:53:56.190 --> 00:53:58.024 you know, when you're doing neurologic exam,
NOTE Confidence: 0.9355588

00:53:58.030 --> 00:53:58.522 you know,

NOTE Confidence: 0.9355588

00:53:58.522 --> 00:54:00.350 try to do this and you'll do the same,

NOTE Confidence: 0.9355588

00:54:00.350 --> 00:54:00.800 you know,

NOTE Confidence: 0.9355588

00:54:00.800 --> 00:54:01.925 for for medical students and

NOTE Confidence: 0.9355588

00:54:01.925 --> 00:54:03.110 people who are more junior review.

NOTE Confidence: 0.9355588

00:54:03.110 --> 00:54:03.970 And it's probably really,

NOTE Confidence: 0.9355588

00:54:03.970 --> 00:54:05.530 I mean it's probably one of the

NOTE Confidence: 0.9355588

00:54:05.530 --> 00:54:06.892 most effective ways to get feedback

NOTE Confidence: 0.9355588

00:54:06.892 --> 00:54:08.428 because you just get it in real time.

NOTE Confidence: 0.9355588

00:54:08.430 --> 00:54:10.180 So yeah,

NOTE Confidence: 0.9355588

00:54:10.180 --> 00:54:12.160 I think it boils down everyone is quite kind.

NOTE Confidence: 0.9355588

00:54:12.160 --> 00:54:13.408 All the faculty are really kind

NOTE Confidence: 0.9355588

00:54:13.408 --> 00:54:14.882 and and I think they they make

NOTE Confidence: 0.9355588

00:54:14.882 --> 00:54:15.860 an effort of of that.

NOTE Confidence: 0.9355588

00:54:15.860 --> 00:54:17.652 And so it's pretty easy to to find people

NOTE Confidence: 0.9355588

00:54:17.652 --> 00:54:19.234 that that are willing to help you.

NOTE Confidence: 0.9355588

00:54:19.240 --> 00:54:20.240 And in all senses,
NOTE Confidence: 0.9303314

00:54:25.040 --> 00:54:28.248 well, we're getting close to time and I
NOTE Confidence: 0.9303314

00:54:28.248 --> 00:54:31.914 know this is a packed season of open houses.
NOTE Confidence: 0.9303314

00:54:31.920 --> 00:54:33.600 I want to thank you all for coming.
NOTE Confidence: 0.9303314

00:54:33.600 --> 00:54:36.128 Like I said, this is definitely the most
NOTE Confidence: 0.9303314

00:54:36.128 --> 00:54:38.620 important part of our academic year.
NOTE Confidence: 0.9303314

00:54:38.620 --> 00:54:41.265 JP Isak, what's the date of our second one?
NOTE Confidence: 0.9303314

00:54:41.270 --> 00:54:43.590 Is it the, I want to say let
NOTE Confidence: 0.92832845

00:54:48.030 --> 00:54:49.110 me pull up my calendar,
NOTE Confidence: 0.92832845

00:54:49.110 --> 00:54:49.750 let me pull it up.
NOTE Confidence: 0.92832845

00:54:49.750 --> 00:54:52.310 I think it's September 11th. Let
NOTE Confidence: 0.92832845

00:54:52.710 --> 00:54:54.350 me just double check.
NOTE Confidence: 0.92832845

00:54:54.350 --> 00:54:56.350 It is September 7th, 7th,
NOTE Confidence: 0.92832845

00:54:56.990 --> 00:54:58.530 September 7th.
NOTE Confidence: 0.92832845

00:54:58.530 --> 00:55:01.510 Thanks Gina, you'll keep us on track.
NOTE Confidence: 0.92832845

00:55:01.510 --> 00:55:03.148 It's a busy time of year.

NOTE Confidence: 0.92832845

00:55:03.150 --> 00:55:06.150 So we will do one more of these.

NOTE Confidence: 0.92832845

00:55:06.150 --> 00:55:08.262 You're welcome to come again if

NOTE Confidence: 0.92832845

00:55:08.262 --> 00:55:09.670 there are additional questions.

NOTE Confidence: 0.92832845

00:55:09.670 --> 00:55:12.400 And and that is on September 7th

NOTE Confidence: 0.92832845

00:55:12.400 --> 00:55:15.668 at 7:00 PM Eastern Daylight Time.

NOTE Confidence: 0.92832845

00:55:15.670 --> 00:55:17.752 Love to see you there and also

NOTE Confidence: 0.92832845

00:55:17.752 --> 00:55:19.798 tell your friends if they weren't

NOTE Confidence: 0.92832845

00:55:19.798 --> 00:55:21.708 able to attend this year.

NOTE Confidence: 0.92832845

00:55:21.710 --> 00:55:26.838 And like I said our most important part,

NOTE Confidence: 0.92832845

00:55:26.838 --> 00:55:28.590 our favorite thing about the program,

NOTE Confidence: 0.92832845

00:55:28.590 --> 00:55:29.748 I think the residents said this,

NOTE Confidence: 0.92832845

00:55:29.750 --> 00:55:33.030 it's the residents that's true of me too.

NOTE Confidence: 0.92832845

00:55:33.030 --> 00:55:36.198 It's just such a privilege to

NOTE Confidence: 0.92832845

00:55:36.198 --> 00:55:37.866 work with such great people and

NOTE Confidence: 0.92832845

00:55:37.866 --> 00:55:39.758 learn from them and see them grow.

NOTE Confidence: 0.92832845

00:55:39.760 --> 00:55:41.800 I never get tired of that.

NOTE Confidence: 0.92832845

00:55:41.800 --> 00:55:44.136 And you know,

NOTE Confidence: 0.92832845

00:55:44.136 --> 00:55:46.920 all of you will be residents very soon.

NOTE Confidence: 0.92832845

00:55:46.920 --> 00:55:48.726 And it's it's delightful to see

NOTE Confidence: 0.92832845

00:55:48.726 --> 00:55:50.520 that there's so much interest,

NOTE Confidence: 0.92832845

00:55:50.520 --> 00:55:51.399 such strong interest.

NOTE Confidence: 0.92832845

00:55:51.399 --> 00:55:53.157 And I really appreciate you coming.

NOTE Confidence: 0.92832845

00:55:53.160 --> 00:55:53.799 Thanks so much.
