

# Clinical Faculty

**Adebowale Adeniran, M.D.**, Associate Professor of Pathology; Director, Cytopathology; Director, Cytology Laboratory; Associate Director, Pathology Residency Program; Director, Anatomic Pathology Elective. Clinical interests: oncologic pathology, urologic pathology, and cytopathology.

**Anjela Galan, M.D.**, Assistant Professor of Dermatology and Pathology. Clinical interests: melanocytic skin neoplasms, soft tissue tumors, and general neoplastic and non-neoplastic dermatopathology.

**Samuel Katz, M.D., Ph.D.**, Assistant Professor of Pathology. Clinical interest: hematopathology.

**Vinita Parkash, M.D.**, Associate Professor of Pathology; Director, Clinical Quality and Patient Safety. Clinical interests: gynecologic pathology and genitourinary pathology.

**Rita Abi Raad, M.D.**, Instructor in Pathology. Clinical interests: cytopathology and gynecologic pathology.

**Joanna Gibson, M.D., Ph.D.**, Assistant Professor of Pathology. Clinical interests: colorectal polyposis and carcinogenesis, inflammatory bowel disease, Barrett esophagus, liver disease and transplantation, gastrointestinal neuroendocrine tumors.

**Jung H. Kim, M.D.**, Professor Emeritus of Pathology and Senior Research Scientist. Clinical interests: surgical neuropathology and classical neuropathology, CNS neoplasms, dementia, and epilepsy.

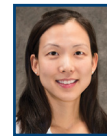

**Marguerite Pinto, M.D.**, Assistant Professor of Pathology. Clinical interests: gynecologic and breast pathology; cytopathology, including fine needle aspiration (FNA).

**Rebecca Baldassarri, M.D.**, Assistant Professor of Pathology. Clinical interests: cytopathology and gynecologic pathology.

**Earl J. Glusac, M.D.**, Professor of Pathology and Dermatology; Director, Physician Associate Studies; Co-Director, Dermatopathology Labs. Clinical interest: cutaneous T cell lymphoma.

**Christine J. Ko, M.D.**, Professor of Dermatology and Pathology. Clinical interests: cutaneous and adnexal neoplasms.

**Manju Prasad, M.D.**, Professor of Pathology; Director, Endocrine, Head and Neck Pathology; Director, Immunohistochemistry Laboratory. Clinical interests: endocrine, head and neck pathology.

**Andrea Barbieri, M.D.**, Assistant Professor of Pathology. Clinical interests: gastrointestinal pathology; endocrine, head and neck pathology.

**Christel Haberland, D.D.S., M.S.**, Clinical Instructor in Dentistry, Surgery and Pathology. Clinical interests: oral squamous cell carcinoma, odontogenic cysts and tumors.

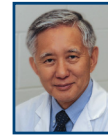

**Diane Kowalski, M.D.**, Associate Professor of Pathology and Assistant Professor of Surgery (Otolaryngology); Director, Pathology Residency Program. Clinical interests: cytopathology and head and neck pathology.

**David Rimm, M.D., Ph.D.**, Professor of Pathology and Medicine (Medical Oncology); Director, Translational Pathology; Director, Yale Pathology Tissue Services. Clinical interests: tumor profiling, molecular diagnostics, and immunohistochemistry.

**Marcus W. Bosenberg, M.D., Ph.D.**, Associate Professor of Dermatology and Pathology. Clinical interests: melanocytic neoplasms, soft tissue tumors, and cutaneous lymphoma.

**Il Song Hahn, M.D.**, Clinical Associate Professor of Pathology, Yale Saint Raphael Campus. Clinical interests: surgical pathology, hematopathology and pulmonary pathology.

**William B. Laskin, M.D.**, Associate Professor of Pathology. Clinical interests: soft tissue and bone tumors.

**Marie E. Robert, M.D.**, Professor of Pathology and Medicine (Digestive Diseases). Clinical interests: Barrett esophagus, inflammatory bowel disease, chronic liver disease, and liver transplantation.

**Veerle Bossuyt, M.D.**, Assistant Professor of Pathology. Clinical interests: cytopathology; breast and obstetric and gynecologic pathology.

**Liming Hao, M.D.**, Associate Professor of Pathology. Clinical interest: gastrointestinal pathology.

**Angeliqve Levi, M.D.**, Assistant Professor of Pathology; Director and Liaison, Pathology Outreach. Clinical interests: cytopathology and genitourinary and gynecologic pathology.

**Alexa Siddon, M.D.**, Assistant Professor of Pathology and Laboratory Medicine. Clinical interests: molecular and laboratory diagnosis of lymphoproliferative disorders.

**Demetrios T. Braddock, M.D., Ph.D.**, Associate Professor of Pathology. Clinical interests: urologic pathology and hematopathology.

**Malini Harigopal, M.D.**, Associate Professor of Pathology; Director, Breast Pathology. Clinical interests: cytopathology and breast pathology.

**Janina Longtine, M.D., Ph.D.**, Professor of Pathology and Laboratory Medicine; Vice Chair, Pathology; Director, Molecular and Genomic Diagnostics; Director, Tumor Profiling Laboratory, Smilow Cancer Hospital. Clinical interests: molecular diagnostics and genomic medicine.

**John H. Sinar, M.D., Ph.D.**, Professor of Pathology and Ophthalmology and Visual Science; Vice Chair, Pathology; Director, Anatomic Pathology; Medical Director, Pathology Informatics. Clinical interests: pathology informatics, ophthalmic pathology, autopsy, and tumor pathology.

**Natalia Buza, M.D.**, Associate Professor of Pathology; Associate Director, Gynecologic Pathology. Clinical interests: gynecologic and breast pathology.

**Robert Homer, M.D., Ph.D.**, Professor of Pathology and Medicine (Pulmonary); Director, Thoracic Pathology; Director of Medical Studies. Clinical interests: thoracic pathology and immunopathology.

**Jennifer M. McNiff, M.D.**, Professor of Dermatology and Pathology; Director, Dermatopathology Program; Director, Yale Dermatopathology Laboratory. Clinical interests: cutaneous lymphomas and clinicopathologic correlations.

**Jeffrey Sklar, M.D., Ph.D.**, Professor of Pathology and Laboratory Medicine; Director, Molecular Diagnostics Research Program. Clinical interests: molecular diagnostics and autopsy pathology.
