NOTE language:en-us

NOTE Confidence: 0.91111237

00:00:03.240 --> 00:00:04.800 Hi Nikki. It's so good to see you

NOTE Confidence: 0.91111237

 $00{:}00{:}04.800 \dashrightarrow 00{:}00{:}06.402$ again. How have you been feeling

NOTE Confidence: 0.91111237

 $00:00:06.402 \longrightarrow 00:00:08.398$ since the last time that that we met?

NOTE Confidence: 0.91111237

 $00:00:08.400 \longrightarrow 00:00:09.400$ Things have been good.

NOTE Confidence: 0.91111237

 $00:00:09.400 \longrightarrow 00:00:11.370$ Yeah. I saw my family

NOTE Confidence: 0.91111237

 $00:00:11.370 \longrightarrow 00:00:12.920$ this weekend, my cousins.

NOTE Confidence: 0.91111237

 $00:00:12.920 \longrightarrow 00:00:15.680$ We had a big BBQ, which was really fun.

NOTE Confidence: 0.91111237

00:00:15.720 --> 00:00:18.882 But I have been feeling pretty

NOTE Confidence: 0.91111237

00:00:18.882 --> 00:00:20.576 kind of worried today and I've and

NOTE Confidence: 0.91111237

 $00:00:20.576 \dashrightarrow 00:00:21.960$ my stomach's been hurting a lot.

NOTE Confidence: 0.91111237

 $00{:}00{:}21.960 \dashrightarrow 00{:}00{:}23.318$ So I've been thinking may be I should

NOTE Confidence: 0.91111237

 $00:00:23.320 \longrightarrow 00:00:25.024$ go to the nurse. OK, so it sounds

NOTE Confidence: 0.91111237

 $00:00:25.024 \longrightarrow 00:00:27.040$ like it was a really fun weekend,

00:00:27.080 --> 00:00:29.120 but today you're just stomach

NOTE Confidence: 0.93090676875

 $00{:}00{:}29.120 \dashrightarrow 00{:}00{:}31.642$ isn't feeling right and it could

NOTE Confidence: 0.93090676875

00:00:31.642 --> 00:00:33.647 be related to your worries.

NOTE Confidence: 0.93090676875

 $00:00:33.650 \longrightarrow 00:00:34.994$ So why don't we do our session today?

NOTE Confidence: 0.93090676875

00:00:34.994 --> 00:00:36.530 We'll do our feelings, check in,

NOTE Confidence: 0.93373454

 $00:00:36.530 \longrightarrow 00:00:38.707$ and then see how your stomach's feeling

NOTE Confidence: 0.93373454

00:00:38.707 --> 00:00:40.040 after that. And if you still need

NOTE Confidence: 0.93373454

 $00:00:40.040 \longrightarrow 00:00:41.289$ to go to the nurse after we meet,

NOTE Confidence: 0.93373454

 $00:00:41.290 \longrightarrow 00:00:43.363$ we can make sure to get you over there.

NOTE Confidence: 0.93373454

00:00:43.363 --> 00:00:45.258 OK, That sounds good. All right,

NOTE Confidence: 0.93373454

 $00{:}00{:}45.258 \dashrightarrow 00{:}00{:}47.240$ So I just want to make sure that we're

NOTE Confidence: 0.93373454

 $00{:}00{:}47.240 \to 00{:}00{:}49.034$ not missing anything about the different

NOTE Confidence: 0.93373454

 $00:00:49.034 \longrightarrow 00:00:51.167$ kinds of worries that you might be having.

NOTE Confidence: 0.93373454

 $00:00:51.170 \longrightarrow 00:00:53.123$ I'd love to have you just fill

NOTE Confidence: 0.93373454

00:00:53.123 --> 00:00:54.810 out this GAD 7 checklist.

NOTE Confidence: 0.93373454

00:00:54.810 --> 00:00:57.159 Now, did you want me to fill this out?

 $00{:}00{:}57.160 --> 00{:}00{:}58.240$ We can fill it out together,

NOTE Confidence: 0.93373454

 $00:00:58.240 \longrightarrow 00:00:59.360$ or you can do it.

NOTE Confidence: 0.93373454

00:00:59.360 --> 00:01:01.064 I think I can do it. Yeah. OK, great.

NOTE Confidence: 0.93373454

 $00{:}01{:}01.064 \dashrightarrow 00{:}01{:}03.032$ We've gotten so used to these.

NOTE Confidence: 0.93373454

 $00:01:03.040 \longrightarrow 00:01:03.472$ That's great.

NOTE Confidence: 0.93373454

 $00:01:03.472 \longrightarrow 00:01:04.120$ Take your time.

NOTE Confidence: 0.92246854

00:01:15.160 --> 00:01:18.000 OK, Good. Awesome. All right.

NOTE Confidence: 0.92246854

 $00:01:18.000 \longrightarrow 00:01:19.400$ So is it OK if we score this

NOTE Confidence: 0.92246854

 $00:01:19.400 \longrightarrow 00:01:20.800$ and we can talk it through?

NOTE Confidence: 0.92246854

 $00:01:20.800 \longrightarrow 00:01:22.200$ Great. All right. So remember,

NOTE Confidence: 0.92246854

 $00{:}01{:}22.200 \dashrightarrow 00{:}01{:}25.398$ we do our quick math here.

NOTE Confidence: 0.92246854

00:01:25.400 --> 00:01:27.176 I know you can can let me know

NOTE Confidence: 0.92246854

00:01:27.176 --> 00:01:29.060 if I'm not adding it up right.

NOTE Confidence: 0.92246854

00:01:29.060 --> 00:01:30.698 Okay. So today it looks like

NOTE Confidence: 0.92246854

 $00:01:30.698 \longrightarrow 00:01:32.139$ your total score is a 12.

 $00:01:32.140 \longrightarrow 00:01:33.195$ The lowest score that you

NOTE Confidence: 0.92246854

00:01:33.195 --> 00:01:34.499 can get on this is a 0.

NOTE Confidence: 0.92246854

 $00:01:34.500 \longrightarrow 00:01:36.860$ And then the highest score is a 21.

NOTE Confidence: 0.92246854

 $00:01:36.860 \longrightarrow 00:01:39.380$ So today at 12 puts you in

NOTE Confidence: 0.92246854

 $00:01:39.380 \longrightarrow 00:01:40.980$ the moderate anxiety range.

NOTE Confidence: 0.92246854

00:01:40.980 --> 00:01:42.935 So not the highest, highest,

NOTE Confidence: 0.92246854

 $00:01:42.935 \longrightarrow 00:01:45.420$ but but you know higher up there.

NOTE Confidence: 0.92246854

 $00:01:45.420 \longrightarrow 00:01:47.219$ And it it looks like from this

NOTE Confidence: 0.92246854

 $00{:}01{:}47.219 \dashrightarrow 00{:}01{:}48.819$ that you're feeling pretty nervous,

NOTE Confidence: 0.92246854

00:01:48.820 --> 00:01:51.592 anxious and on edge almost every

NOTE Confidence: 0.92246854

00:01:51.592 --> 00:01:53.800 day and having some trouble

NOTE Confidence: 0.92246854

 $00:01:53.800 \longrightarrow 00:01:55.975$ controlling your worrying and worrying

NOTE Confidence: 0.92246854

 $00:01:55.975 \longrightarrow 00:01:58.136$ about a lot of different things.

NOTE Confidence: 0.92246854

 $00:01:58.140 \longrightarrow 00:02:00.303$ It does look like though you are

NOTE Confidence: 0.92246854

 $00:02:00.303 \longrightarrow 00:02:02.331$ not really having as much trouble

NOTE Confidence: 0.92246854

 $00{:}02{:}02{:}02{:}331 \dashrightarrow 00{:}02{:}04.061$ relaxing or feeling restless or

00:02:04.061 --> 00:02:06.300 having a hard time sitting still,

NOTE Confidence: 0.92246854

 $00:02:06.300 \longrightarrow 00:02:08.022$ which I can tell you look really

NOTE Confidence: 0.92246854

 $00:02:08.022 \longrightarrow 00:02:09.060$ calm just sitting here.

NOTE Confidence: 0.92246854

 $00{:}02{:}09.060 \dashrightarrow 00{:}02{:}11.276$ But you're telling me that you have a

NOTE Confidence: 0.92246854

 $00:02:11.276 \longrightarrow 00:02:13.656$ lot on your mind with these scores.

NOTE Confidence: 0.92246854

 $00:02:13.660 \longrightarrow 00:02:16.100$ How does that fit with how you feel?

NOTE Confidence: 0.92246854

 $00:02:16.100 \longrightarrow 00:02:16.760$ Yeah, I think.

NOTE Confidence: 0.92246854

 $00:02:16.760 \longrightarrow 00:02:17.420$ I think that

NOTE Confidence: 0.9369116

00:02:17.420 --> 00:02:19.538 matches pretty well.

NOTE Confidence: 0.9369116

00:02:19.540 --> 00:02:21.550 Lately, I've been feeling like

NOTE Confidence: 0.9369116

 $00:02:21.550 \longrightarrow 00:02:22.978$ so many things could happen,

NOTE Confidence: 0.9369116

 $00:02:22.978 \longrightarrow 00:02:24.613$ but I just don't really

NOTE Confidence: 0.9369116

 $00:02:24.613 \longrightarrow 00:02:26.630$ have control over. And then

NOTE Confidence: 0.9368967

00:02:26.630 --> 00:02:28.214 I also have just been having, like,

NOTE Confidence: 0.9368967

 $00:02:28.214 \longrightarrow 00:02:29.910$ negative thoughts in general.

00:02:29.910 --> 00:02:31.352 OK, so it sounds like you're worrying

NOTE Confidence: 0.9368967

 $00:02:31.352 \longrightarrow 00:02:32.989$ about a whole lot of different things,

NOTE Confidence: 0.9368967

 $00:02:32.990 \longrightarrow 00:02:33.896$ actually, especially while

NOTE Confidence: 0.9368967

 $00:02:33.896 \longrightarrow 00:02:35.708$ you're here at the school day.

NOTE Confidence: 0.9368967

 $00{:}02{:}35.710 \dashrightarrow 00{:}02{:}37.238$ Can you tell me a little bit more

NOTE Confidence: 0.9368967

 $00:02:37.238 \longrightarrow 00:02:38.910$ about the negative thoughts? Yeah.

NOTE Confidence: 0.9368967

00:02:38.910 --> 00:02:40.778 So, like, I guess I've just been

NOTE Confidence: 0.9368967

00:02:40.778 --> 00:02:42.063 feeling kind of paranoid lately,

NOTE Confidence: 0.9368967

 $00{:}02{:}43.350 \dashrightarrow 00{:}02{:}46.230$ worried about, you know, my mom.

NOTE Confidence: 0.9368967

 $00:02:46.230 \longrightarrow 00:02:48.110$ What if she gets in a car accident?

NOTE Confidence: 0.9368967

00:02:48.110 --> 00:02:49.928 Or what if she gets COVID?

NOTE Confidence: 0.9368967

 $00:02:49.928 \longrightarrow 00:02:53.594$ Or what if I get COVID and

NOTE Confidence: 0.9368967

 $00:02:53.594 \longrightarrow 00:02:54.758$ then end up in the hospital?

NOTE Confidence: 0.9368967

00:02:54.760 --> 00:02:57.040 Or something really bad happens?

NOTE Confidence: 0.93831927

00:02:57.520 --> 00:02:59.250 This morning I was worrying

NOTE Confidence: 0.93831927

 $00:02:59.250 \longrightarrow 00:03:00.634$ about my math quiz.

 $00{:}03{:}00.720 \dashrightarrow 00{:}03{:}01.920$ Even though I studied a lot

NOTE Confidence: 0.93831927

 $00:03:01.920 \longrightarrow 00:03:03.120$ last night, I still felt like

NOTE Confidence: 0.93831927

 $00:03:03.120 \longrightarrow 00:03:04.996$ I was going to fail the quiz,

NOTE Confidence: 0.93831927

00:03:05.000 --> 00:03:06.720 just kind of feeling really,

NOTE Confidence: 0.93831927

 $00:03:06.720 \longrightarrow 00:03:08.172$ like, nervous about things.

NOTE Confidence: 0.93831927

00:03:08.172 --> 00:03:09.987 So you're you're actually worrying

NOTE Confidence: 0.93831927

 $00:03:09.987 \longrightarrow 00:03:12.119$ about a whole lot of different things,

NOTE Confidence: 0.93831927

 $00:03:12.120 \longrightarrow 00:03:13.968$ including worrying about getting

NOTE Confidence: 0.93831927

00:03:13.968 --> 00:03:16.244 sick or COVID, but also things like

NOTE Confidence: 0.93831927

 $00:03:16.244 \longrightarrow 00:03:17.840$ the math test you were worried about

NOTE Confidence: 0.93831927

 $00:03:17.840 \longrightarrow 00:03:19.808$ even though that you had studied.

NOTE Confidence: 0.93831927

 $00:03:19.810 \longrightarrow 00:03:21.810$ So you have a lot of things on your mind.

NOTE Confidence: 0.93831927

 $00{:}03{:}21.810 --> 00{:}03{:}22.466$ Yeah. OK.

NOTE Confidence: 0.93831927

 $00:03:22.466 \longrightarrow 00:03:24.762$ So it's really helpful to hear that.

NOTE Confidence: 0.93831927

 $00:03:24.770 \longrightarrow 00:03:27.050$ Thanks for sharing that with me.

00:03:27.050 --> 00:03:29.090 I was thinking that today for our session,

NOTE Confidence: 0.93831927

 $00{:}03{:}29.090 \dashrightarrow 00{:}03{:}30.560$ we could keep working on some

NOTE Confidence: 0.93831927

 $00:03:30.560 \longrightarrow 00:03:32.209$ different ways to take deep breaths.

NOTE Confidence: 0.93831927

00:03:32.210 --> 00:03:33.848 I know we've been working on that.

NOTE Confidence: 0.93831927

00:03:33.850 --> 00:03:35.404 But now that I'm hearing about this,

NOTE Confidence: 0.93831927

 $00:03:35.410 \longrightarrow 00:03:37.195$ I'm wondering maybe you want to change

NOTE Confidence: 0.93831927

 $00:03:37.195 \longrightarrow 00:03:39.570$ things up if it would be helpful for you to,

NOTE Confidence: 0.93831927

 $00:03:39.570 \longrightarrow 00:03:41.562$ like, talk back to your worries

NOTE Confidence: 0.93831927

00:03:41.562 --> 00:03:43.810 or work on some mindfulness.

NOTE Confidence: 0.93831927

 $00:03:43.810 \longrightarrow 00:03:45.889$ There's different things that we could do.

NOTE Confidence: 0.93831927

 $00{:}03{:}45.890 \dashrightarrow 00{:}03{:}47.600$ So what are your thoughts about

NOTE Confidence: 0.93831927

 $00:03:47.600 \longrightarrow 00:03:49.110$ what would feel helpful today?

NOTE Confidence: 0.93831927

 $00:03:49.110 \longrightarrow 00:03:49.470$ Yeah,

NOTE Confidence: 0.93831927

 $00:03:49.470 \longrightarrow 00:03:52.070$ I I really like the deep breathing

NOTE Confidence: 0.9315221

 $00:03:52.310 \longrightarrow 00:03:53.630$ and I like learning about it,

NOTE Confidence: 0.9315221

 $00{:}03{:}53.630 \dashrightarrow 00{:}03{:}56.389$ but I feel like I can't think about it

00:03:56.390 --> 00:03:57.510 when I'm worried or like,

NOTE Confidence: 0.9315221

00:03:57.510 --> 00:03:58.986 I I don't practice it well,

NOTE Confidence: 0.9315221

 $00:03:58.990 \longrightarrow 00:04:00.190$ so maybe doing something

NOTE Confidence: 0.9315221

 $00:04:00.190 \longrightarrow 00:04:01.990$ else would be a good idea.

NOTE Confidence: 0.9315221

 $00:04:01.990 \longrightarrow 00:04:03.607$ OK, great. So it sounds like a

NOTE Confidence: 0.9315221

 $00{:}04{:}03.607 \dashrightarrow 00{:}04{:}05.268$ good time to change things up,

NOTE Confidence: 0.9315221

 $00:04:05.270 \longrightarrow 00:04:07.265$ that we have lots of other choices.

NOTE Confidence: 0.9315221

 $00:04:07.270 \longrightarrow 00:04:08.350$ So let's see.

NOTE Confidence: 0.9315221

 $00:04:08.350 \longrightarrow 00:04:10.870$ There's a couple things we could do.

NOTE Confidence: 0.9315221

 $00:04:10.870 \longrightarrow 00:04:12.686$ We could do a worry jar where you

NOTE Confidence: 0.9315221

00:04:12.686 --> 00:04:13.797 actually write down your worries

NOTE Confidence: 0.9315221

 $00:04:13.797 \longrightarrow 00:04:15.529$ and you put them in a jar and

NOTE Confidence: 0.9315221

 $00:04:15.529 \longrightarrow 00:04:16.829$ and literally put them aside.

NOTE Confidence: 0.9315221

 $00:04:16.830 \longrightarrow 00:04:18.790$ And we could kind of talk through that.

NOTE Confidence: 0.9315221

 $00:04:18.790 \longrightarrow 00:04:20.390$ We could also start with

00:04:20.390 --> 00:04:21.350 some mindfulness activities,

NOTE Confidence: 0.9315221

 $00:04:21.350 \longrightarrow 00:04:22.334$ some really simple things.

NOTE Confidence: 0.9315221

 $00:04:22.334 \longrightarrow 00:04:23.564$ I don't know if you've

NOTE Confidence: 0.9315221

 $00:04:23.564 \longrightarrow 00:04:24.709$ tried mindfulness before.

NOTE Confidence: 0.9315221

 $00:04:24.710 \longrightarrow 00:04:26.622$ It can be a really nice way to quiet

NOTE Confidence: 0.9315221

 $00:04:26.622 \longrightarrow 00:04:28.710$ your mind when you have a lot going on.

NOTE Confidence: 0.9315221

 $00:04:28.710 \longrightarrow 00:04:30.426$ So what sounds good to you?

NOTE Confidence: 0.9315221

 $00:04:30.430 \longrightarrow 00:04:32.614$ Should we talk about the worry jar or

NOTE Confidence: 0.9315221

 $00:04:32.614 \longrightarrow 00:04:35.550$ do you want to start some mindfulness?

NOTE Confidence: 0.9315221

 $00:04:35.550 \longrightarrow 00:04:36.096$ I like both.

NOTE Confidence: 0.9315221

00:04:36.096 --> 00:04:37.188 I would want to try both,

NOTE Confidence: 0.9315221

 $00:04:37.190 \longrightarrow 00:04:38.550$ but I think maybe the

NOTE Confidence: 0.9315221

00:04:38.550 --> 00:04:40.030 mindfulness would be good today.

NOTE Confidence: 0.9315221

 $00:04:40.030 \longrightarrow 00:04:40.870$ OK, that's great.

NOTE Confidence: 0.9315221

 $00:04:40.870 \longrightarrow 00:04:42.962$ I have a great activity, kind of a

NOTE Confidence: 0.9315221

 $00:04:42.962 \longrightarrow 00:04:44.186$ starter activity that you might like.

 $00:04:44.790 \longrightarrow 00:04:44.950$ Great.
