1. **Purpose of Site:** This is the on-line portal for students and faculty affiliated with the Doctoral Internship in Clinical and Community Psychology in Yale School of Medicine Department of Psychiatry.

2. **To Access the Site:** Enter the following website: [https://classesv2.yale.edu/portal](https://classesv2.yale.edu/portal)
   a. Click on Yale CAS Login (upper right)
   b. Enter Yale NET ID/Password
   c. Click on tab: Psychology Interns (this may be your default view and appear automatically)

3. **Information Available:** This site contains the Core Seminar Schedule, as well as the schedules and readings for specific internship seminars. When slides are presented during a seminar session these will be posted to the site as well. Other information is also posted on this site.

4. **How to Find Information:** All information is accessible via the Navigation Tools list, which is located on the left of this page.

   Integrated Schedule: click on "Syllabus"
   Seminar Information: click on "Resources" and select appropriate "Seminar"
   Other Information: click on "Resources" and select topic/folder of interest

5. **To Exit:** Click “Logout” in the upper right corner of the webpage.

6. **To Add Information to the Site:** Contact the Student Coordinator at psychsec@yale.edu. Only the Coordinator can post new information to or delete information from the site.
