Training and Support

Willing to Provide Financial Assistance for CHW Training (%)
(N=31)
CHW’s Perspective on Training

- 75% felt they were well-trained for my job as a CHW
- 25% did not feel well-prepared
- All but one indicated they would benefit from more training.
CHW’s Perspective

“I feel there should be a standard training program in place for new CHWs and a yearly training refresher and update...”
Who Employs CHWs?
Financing of CHWs

- Numerous job titles/roles serves as an obstacle for recognition as a professional workforce
- Sustainable financing for CHW positions is a nation-wide challenge
  - Many paid through grants targeting specific diseases or conditions.
- Many studies not showing ROI –
- Opportunities with Innovation Grants –
  - State Innovation Model Design Grant – CT
IN THEIR OWN WORDS

It’s the best job you can have if you enjoy helping individuals regardless of their background. This position is very rewarding.
