NOTE duration:"01:06:41.6430000"

NOTE language:en-us

NOTE Confidence: 0.8599245

00:00:00.000 --> 00:00:03.040 A really full full hour and I want

NOTE Confidence: 0.8599245

00:00:03.040 --> 00:00:06.178 to be sure that everyone who's

NOTE Confidence: 0.8599245

00:00:06.180 --> 00:00:08.660 speaking has their full time.

NOTE Confidence: 0.8599245

00:00:08.660 --> 00:00:10.964 I am once again Linda Mays from the

NOTE Confidence: 0.8599245

00:00:10.964 --> 00:00:13.020 Child study center and thanks so much

NOTE Confidence: 0.8599245

00:00:13.020 --> 00:00:15.402 for those of you who are joining us

NOTE Confidence: 0.8599245

00:00:15.402 --> 00:00:17.509 for the first time today and those

NOTE Confidence: 0.8599245

00:00:17.510 --> 00:00:19.604 of you who joined us yesterday

NOTE Confidence: 0.8599245

00:00:19.604 --> 00:00:21.800 and had the continuity with today.

NOTE Confidence: 0.8599245

00:00:21.800 --> 00:00:24.336 As you know, if you joined us yesterday,

NOTE Confidence: 0.8599245

00:00:24.340 --> 00:00:26.552 this has been a remarkable time for

NOTE Confidence: 0.8599245

00:00:26.552 --> 00:00:28.818 the center. As for our country,

NOTE Confidence: 0.8599245

00:00:28.818 --> 00:00:31.260 As for all of our communities.

NOTE Confidence: 0.8599245

00:00:31.260 --> 00:00:32.094 And we have.

NOTE Confidence: 0.8599245

00:00:32.094 --> 00:00:34.407 We have been in the middle of the

NOTE Confidence: 0.8599245

00:00:34.407 --> 00:00:36.791 pandemic and are in the middle now of

NOTE Confidence: 0.8599245

00:00:36.791 --> 00:00:39.739 our second surge or our third surge really.

NOTE Confidence: 0.8599245

00:00:39.740 --> 00:00:42.288 And there we've learned a great deal,

NOTE Confidence: 0.8599245

00:00:42.290 --> 00:00:45.020 and we've learned a lot about the

NOTE Confidence: 0.8599245

00:00:45.020 --> 00:00:46.928 impact on children and families

NOTE Confidence: 0.8599245

00:00:46.928 --> 00:00:49.568 and all that we had need to do.

NOTE Confidence: 0.8599245

00:00:49.570 --> 00:00:51.390 We've transitioned to Tele Health.

NOTE Confidence: 0.8599245

00:00:51.390 --> 00:00:52.842 Our research is continuing,

NOTE Confidence: 0.8599245

00:00:52.842 --> 00:00:54.657 our interventions are training programs.

NOTE Confidence: 0.8599245

00:00:54.660 --> 00:00:55.782 All are continuing.

NOTE Confidence: 0.8599245

00:00:55.782 --> 00:00:58.760 And we're just delighted to be able to

NOTE Confidence: 0.8599245

00:00:58.760 --> 00:01:01.056 host all of you in this new format.

NOTE Confidence: 0.8599245

00:01:01.060 --> 00:01:03.076 Which we've created out of necessity,

NOTE Confidence: 0.8599245

00:01:03.080 --> 00:01:05.968 but it may be a format that we

NOTE Confidence: 0.8599245

00:01:05.968 --> 00:01:07.785 continue because it is allowing
NOTE Confidence: 0.8599245

00:01:07.785 --> 00:01:10.151 for many people to join us in
NOTE Confidence: 0.8599245

00:01:10.232 --> 00:01:11.768 many different ways.
NOTE Confidence: 0.8599245

00:01:11.770 --> 00:01:14.220 I cannot thank our associates
NOTE Confidence: 0.8599245

00:01:14.220 --> 00:01:17.183 enough for your support and your
NOTE Confidence: 0.8599245

00:01:17.183 --> 00:01:20.130 loyalty to the center and all the
NOTE Confidence: 0.8599245

00:01:20.130 --> 00:01:23.129 ideas that you bring to us as well.
NOTE Confidence: 0.8599245

00:01:23.130 --> 00:01:25.488 The continuity from yesterday to today.
NOTE Confidence: 0.8599245

00:01:25.490 --> 00:01:27.626 Yesterday we spoke about stress and
NOTE Confidence: 0.8599245

00:01:27.626 --> 00:01:29.950 trauma on children and travel child
NOTE Confidence: 0.8599245

00:01:29.950 --> 00:01:32.035 appointment and especially the surgeon
NOTE Confidence: 0.8599245

00:01:32.035 --> 00:01:34.544 anxiety and post traumatic issues that
NOTE Confidence: 0.8599245

00:01:34.544 --> 00:01:36.920 are we're seeing across the country,
NOTE Confidence: 0.8599245

00:01:36.920 --> 00:01:39.811 not just in New Haven related to
NOTE Confidence: 0.8599245

00:01:39.811 --> 00:01:42.931 the pandemic and related to all the
NOTE Confidence: 0.8599245

00:01:42.931 --> 00:01:45.613 social unrest that goes with that.

NOTE Confidence: 0.8599245

00:01:45.620 --> 00:01:45.996 Today,

NOTE Confidence: 0.8599245

00:01:45.996 --> 00:01:47.876 we're actually focusing down on

NOTE Confidence: 0.8599245

00:01:47.876 --> 00:01:50.361 schools are work in schools the

NOTE Confidence: 0.8599245

00:01:50.361 --> 00:01:52.177 impact on children's education

NOTE Confidence: 0.8599245

00:01:52.177 --> 00:01:54.520 from preschool through high school?

NOTE Confidence: 0.8599245

00:01:54.520 --> 00:01:56.992 How we can support both teachers

NOTE Confidence: 0.8599245

00:01:56.992 --> 00:01:59.456 and families so we have actually

NOTE Confidence: 0.8599245

00:01:59.456 --> 00:02:02.368 a full a full group and we will

NOTE Confidence: 0.8599245

00:02:02.450 --> 00:02:05.120 begin with a developmental sense.

NOTE Confidence: 0.8599245

00:02:05.120 --> 00:02:07.670 Will start with Professor Walter Gilliam,

NOTE Confidence: 0.8599245

00:02:07.670 --> 00:02:10.838 who is the House Jamison professor.

NOTE Confidence: 0.8599245

00:02:10.840 --> 00:02:12.904 And Walter has been doing a

NOTE Confidence: 0.8599245

00:02:12.904 --> 00:02:14.280 tremendous amount of work,

NOTE Confidence: 0.8599245

00:02:14.280 --> 00:02:16.513 which I hope he will tell you

NOTE Confidence: 0.8599245

00:02:16.513 --> 00:02:18.647 about a tremendous amount of work

NOTE Confidence: 0.8599245

00:02:18.647 --> 00:02:20.127 around early child care,
NOTE Confidence: 0.8599245

00:02:20.130 --> 00:02:21.159 early childhood education.
NOTE Confidence: 0.8599245

00:02:21.159 --> 00:02:22.874 In this pandemic time coming
NOTE Confidence: 0.8599245

00:02:22.874 --> 00:02:24.260 for them from Walter,
NOTE Confidence: 0.8599245

00:02:24.260 --> 00:02:26.324 will will move to Doctor Brackett
NOTE Confidence: 0.8599245

00:02:26.324 --> 00:02:28.044 then to doctors Faye, Brown,
NOTE Confidence: 0.8599245

00:02:28.044 --> 00:02:30.108 Anne, Camille Cooper and then to
NOTE Confidence: 0.8599245

00:02:30.108 --> 00:02:31.140 Doctor Nancy close.
NOTE Confidence: 0.8599245

00:02:31.140 --> 00:02:34.227 So Walter may I turn the program to you.
NOTE Confidence: 0.8599245

00:02:34.230 --> 00:02:36.526 Let me also just ask people for a
NOTE Confidence: 0.8599245

00:02:36.526 --> 00:02:39.048 couple of housekeeping things to mute.
NOTE Confidence: 0.8599245

00:02:39.050 --> 00:02:41.408 If you're not speaking, please mute.
NOTE Confidence: 0.8599245

00:02:41.410 --> 00:02:43.636 So that we don't get background.
NOTE Confidence: 0.8599245

00:02:43.640 --> 00:02:45.250 And if you have questions,
NOTE Confidence: 0.8599245

00:02:45.250 --> 00:02:47.301 please put them in the chat and
NOTE Confidence: 0.8599245

00:02:47.301 --> 00:02:48.941 I'll be moderating and sending

NOTE Confidence: 0.8599245

00:02:48.941 --> 00:02:50.696 the questions to our speakers.

NOTE Confidence: 0.8599245

00:02:50.700 --> 00:02:51.332 But also,

NOTE Confidence: 0.8599245

00:02:51.332 --> 00:02:53.228 don't hesitate if you want to

NOTE Confidence: 0.8599245

00:02:53.228 --> 00:02:54.878 just shout out a question.

NOTE Confidence: 0.8599245

00:02:54.880 --> 00:02:57.099 Will be glad to do take questions

NOTE Confidence: 0.8599245

00:02:57.099 --> 00:02:58.410 in that way too.

NOTE Confidence: 0.8599245

00:02:58.410 --> 00:02:59.583 So now Walter,

NOTE Confidence: 0.8599245

00:02:59.583 --> 00:03:01.929 I'm genuinely turning it to you.

NOTE Confidence: 0.8599245

00:03:01.930 --> 00:03:03.518 The resume forager thank

NOTE Confidence: 0.8489298

00:03:03.520 --> 00:03:04.972 you very much, Linda.

NOTE Confidence: 0.8489298

00:03:04.972 --> 00:03:08.143 I'm going to go to a share screen

NOTE Confidence: 0.8489298

00:03:08.143 --> 00:03:10.843 now and hopefully you'll be able

NOTE Confidence: 0.8489298

00:03:10.843 --> 00:03:13.650 to see my presentation here.

NOTE Confidence: 0.8489298

00:03:13.650 --> 00:03:16.582 So I am. As Linda said,

NOTE Confidence: 0.8489298

00:03:16.582 --> 00:03:18.945 I'm a professor here at the Yale Child

NOTE Confidence: 0.8489298

00:03:18.945 --> 00:03:21.465 Study Center there for the past 25 years.

NOTE Confidence: 0.8489298

00:03:21.470 --> 00:03:23.395 I suppose I've been at the Charles

NOTE Confidence: 0.8489298

00:03:23.395 --> 00:03:25.214 today century and I also direct

NOTE Confidence: 0.8489298

00:03:25.214 --> 00:03:27.086 the Edward Zigler Center in Child

NOTE Confidence: 0.8489298

00:03:27.086 --> 00:03:28.410 development and social policy,

NOTE Confidence: 0.8489298

00:03:28.410 --> 00:03:30.335 which is part of the Child State

NOTE Confidence: 0.8489298

00:03:30.335 --> 00:03:31.823 senator and Ridiculous Center is

NOTE Confidence: 0.8489298

00:03:31.823 --> 00:03:33.348 the nation's first and oldest

NOTE Confidence: 0.8489298

00:03:33.348 --> 00:03:34.959 child development and social policy

NOTE Confidence: 0.8489298

00:03:34.959 --> 00:03:36.564 center based in the University.

NOTE Confidence: 0.8489298

00:03:36.570 --> 00:03:38.376 So going forward with the presentation,

NOTE Confidence: 0.8489298

00:03:38.380 --> 00:03:40.972 I could be here to talk to you about

NOTE Confidence: 0.8489298

00:03:40.972 --> 00:03:43.509 some of the regular work that we do,

NOTE Confidence: 0.8489298

00:03:43.510 --> 00:03:46.006 such as the work that we've been doing.

NOTE Confidence: 0.8489298

00:03:46.010 --> 00:03:47.670 Deliberating early childhood mental health

NOTE Confidence: 0.8489298

00:03:47.670 --> 00:03:49.330 consultation systems across the nation.

NOTE Confidence: 0.8489298

00:03:49.330 --> 00:03:51.598 These are these are systems whereby

NOTE Confidence: 0.8489298

00:03:51.598 --> 00:03:53.842 mental health providers are out of

NOTE Confidence: 0.8489298

00:03:53.842 --> 00:03:55.858 their clinics in working in preschool

NOTE Confidence: 0.8489298

00:03:55.858 --> 00:03:58.480 programs as a way to be able to help

NOTE Confidence: 0.8489298

00:03:58.480 --> 00:03:59.920 child care providers and preschool

NOTE Confidence: 0.8489298

00:03:59.920 --> 00:04:02.125 providers to be able to better attend

NOTE Confidence: 0.8489298

00:04:02.125 --> 00:04:04.599 to the mental health needs of children.

NOTE Confidence: 0.8489298

00:04:04.600 --> 00:04:06.260 We've studied many years ago,

NOTE Confidence: 0.8489298

00:04:06.260 --> 00:04:07.925 children being expelled from preschool

NOTE Confidence: 0.8489298

00:04:07.925 --> 00:04:09.910 programs and often times are expelled

NOTE Confidence: 0.8489298

00:04:09.910 --> 00:04:11.494 from one preschool program only to

NOTE Confidence: 0.8489298

00:04:11.494 --> 00:04:13.500 end up in another preschool program

NOTE Confidence: 0.8489298

00:04:13.500 --> 00:04:15.440 within another preschool program and

NOTE Confidence: 0.8489298

00:04:15.440 --> 00:04:17.920 then eventually in a child guidance.

NOTE Confidence: 0.8489298

00:04:17.920 --> 00:04:20.045 Like the Child study center.

NOTE Confidence: 0.8489298

00:04:20.050 --> 00:04:22.126 So what if instead of expelling
NOTE Confidence: 0.8489298

00:04:22.126 --> 00:04:23.510 children from preschool programs,
NOTE Confidence: 0.8489298

00:04:23.510 --> 00:04:25.370 we expelled clinicians out of their
NOTE Confidence: 0.8489298

00:04:25.370 --> 00:04:27.065 clinics and into the preschool
NOTE Confidence: 0.8489298

00:04:27.065 --> 00:04:29.050 programs as source of prevention.
NOTE Confidence: 0.8489298

00:04:29.050 --> 00:04:31.381 And So what we did was back in 2014
NOTE Confidence: 0.8489298

00:04:31.381 --> 00:04:33.850 with the reauthorization of the Child
NOTE Confidence: 0.8489298

00:04:33.850 --> 00:04:36.393 Care Development Block grant this at
NOTE Confidence: 0.8489298

00:04:36.393 --> 00:04:38.415 35 billion dollar piece of legislation
NOTE Confidence: 0.8489298

00:04:38.415 --> 00:04:40.586 we we wove in some specific language
NOTE Confidence: 0.8489298

00:04:40.586 --> 00:04:43.264 in order to be able to fund early
NOTE Confidence: 0.8489298

00:04:43.264 --> 00:04:45.024 childhood mental health consultation
NOTE Confidence: 0.8489298

00:04:45.024 --> 00:04:47.869 systems across the nation and did a medium.
NOTE Confidence: 0.8489298

00:04:47.870 --> 00:04:49.920 Last time that in 2016,
NOTE Confidence: 0.8489298

00:04:49.920 --> 00:04:51.632 and then two years,
NOTE Confidence: 0.8489298

00:04:51.632 --> 00:04:54.200 three years since 2016 up until

NOTE Confidence: 0.8489298

00:04:54.286 --> 00:04:57.136 2019 and going into this pandemic.

NOTE Confidence: 0.8489298

00:04:57.140 --> 00:04:59.828 26 states responded with 15 states

NOTE Confidence: 0.8489298

00:04:59.828 --> 00:05:01.620 completely banning preschool expulsion

NOTE Confidence: 0.8489298

00:05:01.682 --> 00:05:03.957 as a negative 1.6 preschoolers per year

NOTE Confidence: 0.8489298

00:05:03.957 --> 00:05:06.407 directly as a result of the work that

NOTE Confidence: 0.8489298

00:05:06.407 --> 00:05:08.885 we were doing and some of the things

NOTE Confidence: 0.8489298

00:05:08.885 --> 00:05:11.015 that we put into federal legislation.

NOTE Confidence: 0.8489298

00:05:11.020 --> 00:05:12.934 It also created an opportunity for

NOTE Confidence: 0.8489298

00:05:12.934 --> 00:05:15.431 states to be able to fund early

NOTE Confidence: 0.8489298

00:05:15.431 --> 00:05:16.975 childhood mental health consultation

NOTE Confidence: 0.8489298

00:05:16.975 --> 00:05:19.597 and so we've been working with a

NOTE Confidence: 0.8489298

00:05:19.597 --> 00:05:21.691 variety of different States and we've

NOTE Confidence: 0.8489298

00:05:21.700 --> 00:05:23.435 now conducted two statewide rigorous

NOTE Confidence: 0.8489298

00:05:23.435 --> 00:05:25.170 random control trials of early

NOTE Confidence: 0.8489298

00:05:25.230 --> 00:05:27.150 childhood mental health consultation.

NOTE Confidence: 0.8489298

00:05:27.150 --> 00:05:28.785 Including in Connecticut and one
NOTE Confidence: 0.8489298

00:05:28.785 --> 00:05:30.990 that just was released on in Ohio
NOTE Confidence: 0.8489298

00:05:30.990 --> 00:05:32.275 and in these two states.
NOTE Confidence: 0.8489298

00:05:32.280 --> 00:05:34.296 But we were doing as we were looking
NOTE Confidence: 0.8489298

00:05:34.296 --> 00:05:36.422 at the effects of what happens when
NOTE Confidence: 0.8489298

00:05:36.422 --> 00:05:38.630 you take a mental health condition.
NOTE Confidence: 0.8489298

00:05:38.630 --> 00:05:40.460 You pair that mental health Commission
NOTE Confidence: 0.8489298

00:05:40.460 --> 00:05:43.012 up with a child care provider and what
NOTE Confidence: 0.8489298

00:05:43.012 --> 00:05:45.243 we found in the Connecticut model was
NOTE Confidence: 0.8489298

00:05:45.243 --> 00:05:47.140 that in a relatively short time we
NOTE Confidence: 0.8489298

00:05:47.140 --> 00:05:48.854 were able to affect very significant
NOTE Confidence: 0.8489298

00:05:48.854 --> 00:05:50.309 changes and challenging behaviors in
NOTE Confidence: 0.8489298

00:05:50.309 --> 00:05:52.217 the children that prompted the referral.
NOTE Confidence: 0.8489298

00:05:52.220 --> 00:05:54.327 But we found in Ohio was even
NOTE Confidence: 0.8489298

00:05:54.327 --> 00:05:54.929 more spectacular.
NOTE Confidence: 0.8665502

00:05:54.930 --> 00:05:56.988 We found the same thing that

NOTE Confidence: 0.8665502

00:05:56.988 --> 00:05:58.360 we found in Connecticut.

NOTE Confidence: 0.8665502

00:05:58.360 --> 00:06:00.022 But we also found that improve

NOTE Confidence: 0.8665502

00:06:00.022 --> 00:06:01.454 the social emotional skills of

NOTE Confidence: 0.8665502

00:06:01.454 --> 00:06:02.809 the bystander children as well.

NOTE Confidence: 0.8665502

00:06:02.810 --> 00:06:03.918 And that's what's really

NOTE Confidence: 0.8665502

00:06:03.918 --> 00:06:05.303 what we were hoping for.

NOTE Confidence: 0.8665502

00:06:05.310 --> 00:06:06.700 With a system like this,

NOTE Confidence: 0.8665502

00:06:06.700 --> 00:06:07.668 you know, can you?

NOTE Confidence: 0.8665502

00:06:07.668 --> 00:06:09.485 Can you be able to provide supports

NOTE Confidence: 0.8665502

00:06:09.485 --> 00:06:11.634 in a way that leave behind residual

NOTE Confidence: 0.8665502

00:06:11.634 --> 00:06:13.648 effects that help all of the children?

NOTE Confidence: 0.8665502

00:06:13.650 --> 00:06:15.318 It just simply won't be enough.

NOTE Confidence: 0.8665502

00:06:15.320 --> 00:06:17.000 Mental health clinicians to be able

NOTE Confidence: 0.8665502

00:06:17.000 --> 00:06:18.928 to help every single child needs it.

NOTE Confidence: 0.8665502

00:06:18.930 --> 00:06:20.320 One child at a time.

NOTE Confidence: 0.8665502

00:06:20.320 --> 00:06:22.272 So we need to be able to have
NOTE Confidence: 0.8665502

00:06:22.272 --> 00:06:24.615 models by which we can leave behind
NOTE Confidence: 0.8665502

00:06:24.615 --> 00:06:26.748 residual effects that we're not just
NOTE Confidence: 0.8665502

00:06:26.748 --> 00:06:28.972 trying to help one child at a time.
NOTE Confidence: 0.8665502

00:06:28.980 --> 00:06:31.220 So we can have impact entire systems,
NOTE Confidence: 0.8665502

00:06:31.220 --> 00:06:33.383 and I could also be talking to
NOTE Confidence: 0.8665502

00:06:33.383 --> 00:06:35.678 you about some of the work that
NOTE Confidence: 0.8665502

00:06:35.678 --> 00:06:37.616 we've been doing on the child.
NOTE Confidence: 0.8665502

00:06:37.620 --> 00:06:39.220 That's the climate for healthy
NOTE Confidence: 0.8665502

00:06:39.220 --> 00:06:40.820 interactions were running in development.
NOTE Confidence: 0.8665502

00:06:40.820 --> 00:06:43.700 It's a measure in a whole set of toolkits,
NOTE Confidence: 0.8665502

00:06:43.700 --> 00:06:45.709 the round trying to improve the mental
NOTE Confidence: 0.8665502

00:06:45.709 --> 00:06:47.860 health climate of early learning settings.
NOTE Confidence: 0.8665502

00:06:47.860 --> 00:06:49.960 This is work that's been done by
NOTE Confidence: 0.8665502

00:06:49.960 --> 00:06:52.260 mostly by Chin Reyes in my group
NOTE Confidence: 0.8665502

00:06:52.260 --> 00:06:54.252 over at the Edwards Differ Center,

NOTE Confidence: 0.8665502

00:06:54.260 --> 00:06:56.423 and it's a measure that was designed

NOTE Confidence: 0.8665502

00:06:56.423 --> 00:06:58.382 mostly to support early childhood

NOTE Confidence: 0.8665502

00:06:58.382 --> 00:07:00.326 mental health consultation systems.

NOTE Confidence: 0.8665502

00:07:00.330 --> 00:07:01.514 Available Franklin's in toddlers,

NOTE Confidence: 0.8665502

00:07:01.514 --> 00:07:02.665 preschoolers, home based program,

NOTE Confidence: 0.8665502

00:07:02.665 --> 00:07:04.375 center based programs and a Tele

NOTE Confidence: 0.8665502

00:07:04.375 --> 00:07:06.207 health version that we've been working

NOTE Confidence: 0.8665502

00:07:06.207 --> 00:07:07.702 on with partners in Minnesota.

NOTE Confidence: 0.8665502

00:07:07.710 --> 00:07:09.180 We've now proliferated that through

NOTE Confidence: 0.8665502

00:07:09.180 --> 00:07:10.356 17 States and growing,

NOTE Confidence: 0.8665502

00:07:10.360 --> 00:07:11.840 Maine is our newest one.

NOTE Confidence: 0.8665502

00:07:11.840 --> 00:07:13.610 Not even on the map yet,

NOTE Confidence: 0.8665502

00:07:13.610 --> 00:07:15.634 and I could be talking to you also

NOTE Confidence: 0.8665502

00:07:15.634 --> 00:07:17.419 about some of their equity and

NOTE Confidence: 0.8665502

00:07:17.419 --> 00:07:19.243 justice work that we've been doing

NOTE Confidence: 0.8665502

00:07:19.303 --> 00:07:21.508 building on some of the bias in
NOTE Confidence: 0.8665502

00:07:21.508 --> 00:07:23.288 early childhood research that we did
NOTE Confidence: 0.8665502

00:07:23.288 --> 00:07:25.220 stemming back from a few years ago
NOTE Confidence: 0.8665502

00:07:25.280 --> 00:07:27.506 and some of the equity tools that
NOTE Confidence: 0.8665502

00:07:27.506 --> 00:07:29.240 we've been building off of that,
NOTE Confidence: 0.8665502

00:07:29.240 --> 00:07:29.598 but.
NOTE Confidence: 0.8665502

00:07:29.598 --> 00:07:32.462 I'm not going to talk about those things.
NOTE Confidence: 0.8665502

00:07:32.470 --> 00:07:32.777 Instead,
NOTE Confidence: 0.8665502

00:07:32.777 --> 00:07:35.233 I'm going to talk to you today about
NOTE Confidence: 0.8665502

00:07:35.233 --> 00:07:38.053 some of the work that we've been doing
NOTE Confidence: 0.8665502

00:07:38.053 --> 00:07:39.720 more recently regarding COVID-19.
NOTE Confidence: 0.8665502

00:07:39.720 --> 00:07:40.020 Now,
NOTE Confidence: 0.8665502

00:07:40.020 --> 00:07:40.920 as you know,
NOTE Confidence: 0.8665502

00:07:40.920 --> 00:07:43.149 with you know when the pandemic first
NOTE Confidence: 0.8665502

00:07:43.149 --> 00:07:45.351 hit and the World Health Organization
NOTE Confidence: 0.8665502

00:07:45.351 --> 00:07:47.583 first declared a pandemic 194 count

NOTE Confidence: 0.8665502

00:07:47.583 --> 00:07:49.713 countries within the 1st three weeks

NOTE Confidence: 0.8665502

00:07:49.713 --> 00:07:51.502 of the pandemic virtually closed.

NOTE Confidence: 0.8665502

00:07:51.502 --> 00:07:54.631 All of the schools that they had and that

NOTE Confidence: 0.8665502

00:07:54.631 --> 00:07:56.620 affected 91% of the world's children.

NOTE Confidence: 0.8665502

00:07:56.620 --> 00:07:58.731 Just imagining 91% of all the

NOTE Confidence: 0.8665502

00:07:58.731 --> 00:08:01.230 children of the world no longer in.

NOTE Confidence: 0.8665502

00:08:01.230 --> 00:08:01.578 School,

NOTE Confidence: 0.8665502

00:08:01.578 --> 00:08:03.318 but it wasn't just schools,

NOTE Confidence: 0.8665502

00:08:03.320 --> 00:08:05.408 it was also child care programs.

NOTE Confidence: 0.8665502

00:08:05.410 --> 00:08:07.839 Between the months of February and April,

NOTE Confidence: 0.8665502

00:08:07.840 --> 00:08:10.276 35% of all jobs within the childcare

NOTE Confidence: 0.8665502

00:08:10.276 --> 00:08:11.320 industry were lost.

NOTE Confidence: 0.8665502

00:08:11.320 --> 00:08:14.810 I don't mean 35% of them were laid off for

NOTE Confidence: 0.8665502

00:08:14.900 --> 00:08:17.348 35% of them are temporarily out of work

NOTE Confidence: 0.8665502

00:08:17.348 --> 00:08:19.668 because the program was temporarily closed.

NOTE Confidence: 0.8665502

00:08:19.670 --> 00:08:20.324 I mean,
NOTE Confidence: 0.8665502

00:08:20.324 --> 00:08:22.613 35% of them fired from their jobs
NOTE Confidence: 0.8665502

00:08:22.613 --> 00:08:24.886 because their job no longer existed,
NOTE Confidence: 0.8665502

00:08:24.890 --> 00:08:27.326 and a whole host more than that
NOTE Confidence: 0.8665502

00:08:27.326 --> 00:08:29.768 35% no longer being able to work,
NOTE Confidence: 0.8665502

00:08:29.770 --> 00:08:31.226 at least temporarily because
NOTE Confidence: 0.8665502

00:08:31.226 --> 00:08:33.046 the programs were closed down.
NOTE Confidence: 0.8665502

00:08:33.050 --> 00:08:35.174 It's just huge impact on the
NOTE Confidence: 0.8665502

00:08:35.174 --> 00:08:36.236 child care sector,
NOTE Confidence: 0.82064015

00:08:36.240 --> 00:08:38.753 but also a huge impact on all
NOTE Confidence: 0.82064015

00:08:38.753 --> 00:08:41.218 of the parents who rely on child
NOTE Confidence: 0.82064015

00:08:41.218 --> 00:08:43.670 care in order to go to work,
NOTE Confidence: 0.82064015

00:08:43.670 --> 00:08:44.780 including essential workers,
NOTE Confidence: 0.82064015

00:08:44.780 --> 00:08:47.370 which then lead us to really needing
NOTE Confidence: 0.82064015

00:08:47.427 --> 00:08:49.576 to focus less on just policy relevant
NOTE Confidence: 0.82064015

00:08:49.576 --> 00:08:51.809 science but also rapid response policy.

NOTE Confidence: 0.82064015

00:08:51.810 --> 00:08:52.474 Relevant science.

NOTE Confidence: 0.82064015

00:08:52.474 --> 00:08:54.798 How can we mobilize the work that

NOTE Confidence: 0.82064015

00:08:54.798 --> 00:08:57.049 we do regarding conducting good

NOTE Confidence: 0.82064015

00:08:57.049 --> 00:08:58.897 science regarding working with?

NOTE Confidence: 0.82064015

00:08:58.900 --> 00:09:00.652 Policy entities at state and federal

NOTE Confidence: 0.82064015

00:09:00.652 --> 00:09:01.820 levels and communications science.

NOTE Confidence: 0.82064015

00:09:01.820 --> 00:09:03.900 In order to be able to do that

NOTE Confidence: 0.82064015

00:09:03.900 --> 00:09:05.319 at a much rapid,

NOTE Confidence: 0.82064015

00:09:05.320 --> 00:09:06.937 much more rapid pace in order to

NOTE Confidence: 0.82064015

00:09:06.937 --> 00:09:08.973 be able to respond to some of

NOTE Confidence: 0.82064015

00:09:08.973 --> 00:09:10.583 the things that we're currently

NOTE Confidence: 0.82064015

00:09:10.583 --> 00:09:12.039 happening because of COVID-19.

NOTE Confidence: 0.82064015

00:09:12.040 --> 00:09:14.232 So I'm going to show you one of

NOTE Confidence: 0.82064015

00:09:14.232 --> 00:09:16.128 the first things that we did.

NOTE Confidence: 0.82064015

00:09:16.130 --> 00:09:22.410 We targeted a. Tech company that creates.

NOTE Confidence: 0.82064015

00:09:22.410 --> 00:09:24.468 Software for for iPhone and for
NOTE Confidence: 0.82064015

00:09:24.468 --> 00:09:26.955 Android and what they do is they
NOTE Confidence: 0.82064015

00:09:26.955 --> 00:09:28.700 created the software program that
NOTE Confidence: 0.82064015

00:09:28.700 --> 00:09:31.641 allows us to be able to send it out
NOTE Confidence: 0.82064015

00:09:31.641 --> 00:09:33.340 to different providers and allow
NOTE Confidence: 0.82064015

00:09:33.340 --> 00:09:35.240 them to be documentarians talking
NOTE Confidence: 0.82064015

00:09:35.240 --> 00:09:37.665 about what it's like for them during
NOTE Confidence: 0.82064015

00:09:37.665 --> 00:09:39.866 the pandemic and so one of the
NOTE Confidence: 0.82064015

00:09:39.866 --> 00:09:42.064 first things that we did with this.
NOTE Confidence: 0.82064015

00:09:42.070 --> 00:09:44.226 So under the pandemic is we we
NOTE Confidence: 0.82064015

00:09:44.226 --> 00:09:46.318 sent this out to two different
NOTE Confidence: 0.82064015

00:09:46.318 --> 00:09:48.502 types of folks who were health
NOTE Confidence: 0.82064015

00:09:48.502 --> 00:09:50.918 care providers in order to be able
NOTE Confidence: 0.82064015

00:09:50.918 --> 00:09:52.774 to learn a little bit more.
NOTE Confidence: 0.82064015

00:09:52.774 --> 00:09:54.643 About what some of the challenges are
NOTE Confidence: 0.82064015

00:09:54.643 --> 00:09:56.422 that they were facing here is one

NOTE Confidence: 0.82064015

00:09:56.422 --> 00:09:58.333 of the things that we've heard from

NOTE Confidence: 0.82064015

00:09:58.333 --> 00:10:00.115 one of these health care providers.

NOTE Confidence: 0.82064015

00:10:00.120 --> 00:10:01.020 St Louis Mo.

NOTE Confidence: 0.82563436

00:10:01.020 --> 00:10:02.228 Hi, I'm Allison. I'm

NOTE Confidence: 0.82563436

00:10:02.230 --> 00:10:03.994 in Nurse manager at Saint Louis

NOTE Confidence: 0.82563436

00:10:03.994 --> 00:10:05.540 University Hospital in St Louis,

NOTE Confidence: 0.82563436

00:10:05.540 --> 00:10:07.040 Mo and mother to Brecon,

NOTE Confidence: 0.82563436

00:10:07.040 --> 00:10:08.846 who's 18 months old before I

NOTE Confidence: 0.82563436

00:10:08.846 --> 00:10:10.952 report to my floor I get my

NOTE Confidence: 0.82563436

00:10:10.952 --> 00:10:12.156 temperature and symptoms checked.

NOTE Confidence: 0.82563436

00:10:12.160 --> 00:10:14.320 I then come and check on my patients

NOTE Confidence: 0.82563436

00:10:14.320 --> 00:10:16.606 and staff to ensure that they have

NOTE Confidence: 0.82563436

00:10:16.606 --> 00:10:18.481 everything they need to protect themselves.

NOTE Confidence: 0.82563436

00:10:18.481 --> 00:10:19.986 I swap patients under investigations.

NOTE Confidence: 0.82563436

00:10:19.990 --> 00:10:21.495 I also attend meetings to

NOTE Confidence: 0.82563436

00:10:21.495 --> 00:10:23.000 update them on anything new.
NOTE Confidence: 0.8813947

00:10:25.530 --> 00:10:27.036 My son Brecken, previously went
NOTE Confidence: 0.8813947

00:10:27.036 --> 00:10:28.848 to an in home care provider,
NOTE Confidence: 0.8813947

00:10:28.850 --> 00:10:30.964 but she closed due to the pandemic.
NOTE Confidence: 0.8813947

00:10:30.970 --> 00:10:33.082 So my husband, parents and I are
NOTE Confidence: 0.8813947

00:10:33.082 --> 00:10:35.190 trying to take turns and then work
NOTE Confidence: 0.8813947

00:10:35.190 --> 00:10:37.304 from home and also watch my son.
NOTE Confidence: 0.8813947

00:10:37.310 --> 00:10:38.820 I'm currently in the process
NOTE Confidence: 0.8813947

00:10:38.820 --> 00:10:40.330 of applying for emergency care
NOTE Confidence: 0.8813947

00:10:40.330 --> 00:10:41.532 provider through the state,
NOTE Confidence: 0.8813947

00:10:41.532 --> 00:10:43.349 which is a process in itself.
NOTE Confidence: 0.8813947

00:10:43.350 --> 00:10:45.590 It's been very stressful.
NOTE Confidence: 0.8813947

00:10:45.590 --> 00:10:47.634 My son Brecken been 18 months old.
NOTE Confidence: 0.8813947

00:10:47.634 --> 00:10:49.094 I worry about his development
NOTE Confidence: 0.8813947

00:10:49.094 --> 00:10:49.981 and peer interaction.
NOTE Confidence: 0.8813947

00:10:49.981 --> 00:10:53.027 This is the time of his life where he needs

NOTE Confidence: 0.8813947

00:10:53.027 --> 00:10:55.511 to be soaking this all up like a sponge.

NOTE Confidence: 0.8813947

00:10:55.520 --> 00:10:57.333 I worry he will adapt to the

NOTE Confidence: 0.8813947

00:10:57.333 --> 00:10:59.458 change that we will have to find

NOTE Confidence: 0.8813947

00:10:59.458 --> 00:11:01.063 another in home care provider.

NOTE Confidence: 0.8813947

00:11:01.070 --> 00:11:02.726 I worry most about exposure and

NOTE Confidence: 0.8813947

00:11:02.726 --> 00:11:04.796 exposing him and my family who are

NOTE Confidence: 0.8813947

00:11:04.796 --> 00:11:06.610 also relief care providers for him.

NOTE Confidence: 0.87949353

00:11:09.600 --> 00:11:12.500 I am lucky that I will never have to make the

NOTE Confidence: 0.87949353

00:11:12.570 --> 00:11:14.580 decision between work and my son.

NOTE Confidence: 0.87949353

00:11:14.580 --> 00:11:17.180 I have parents and my husband who can

NOTE Confidence: 0.87949353

00:11:17.180 --> 00:11:18.975 always watch my son in an emergency.

NOTE Confidence: 0.87949353

00:11:18.975 --> 00:11:21.056 I really think about the people that

NOTE Confidence: 0.87949353

00:11:21.056 --> 00:11:23.170 are single parents and don't have the

NOTE Confidence: 0.87949353

00:11:23.170 --> 00:11:25.298 options that I have where they have to

NOTE Confidence: 0.87949353

00:11:25.298 --> 00:11:27.470 choose between their job and their child.

NOTE Confidence: 0.87949353

00:11:27.470 --> 00:11:29.520 That was some was very fortunate. She

NOTE Confidence: 0.87949353

00:11:29.520 --> 00:11:30.985 had family that she could

NOTE Confidence: 0.87949353

00:11:30.985 --> 00:11:32.157 rely on for childcare,

NOTE Confidence: 0.87949353

00:11:32.160 --> 00:11:34.190 but many of the people that work

NOTE Confidence: 0.87949353

00:11:34.190 --> 00:11:36.159 with her and many of the people

NOTE Confidence: 0.87949353

00:11:36.159 --> 00:11:38.609 who work for her as a charge nurse.

NOTE Confidence: 0.87949353

00:11:38.610 --> 00:11:40.338 Someone so lucky and she was

NOTE Confidence: 0.87949353

00:11:40.338 --> 00:11:41.880 concerned about some of those.

NOTE Confidence: 0.87949353

00:11:41.880 --> 00:11:43.525 So what it would mean for them

NOTE Confidence: 0.87949353

00:11:43.525 --> 00:11:45.583 to have to make a choice between

NOTE Confidence: 0.87949353

00:11:45.583 --> 00:11:47.515 childcare for their own Alvarez is

NOTE Confidence: 0.87949353

00:11:47.573 --> 00:11:49.469 coming into work in the hospital,

NOTE Confidence: 0.87949353

00:11:49.470 --> 00:11:51.446 and so that led me to start working

NOTE Confidence: 0.87949353

00:11:51.446 --> 00:11:53.299 with some folks here at Yale who

NOTE Confidence: 0.87949353

00:11:53.299 --> 00:11:55.007 were over in our natural resources

NOTE Confidence: 0.87949353

00:11:55.007 --> 00:11:56.797 and economics program within the

NOTE Confidence: 0.87949353

00:11:56.797 --> 00:11:58.802 School of Forestry and Environment to

NOTE Confidence: 0.87949353

00:11:58.802 --> 00:12:01.090 harness big data in order to be able

NOTE Confidence: 0.87949353

00:12:01.150 --> 00:12:03.306 to use data coming from the American

NOTE Confidence: 0.87949353

00:12:03.306 --> 00:12:05.371 Community Survey a in order to be

NOTE Confidence: 0.87949353

00:12:05.371 --> 00:12:07.284 able to create an interactive map to

NOTE Confidence: 0.87949353

00:12:07.284 --> 00:12:09.342 be able to track exactly how many

NOTE Confidence: 0.87949353

00:12:09.342 --> 00:12:11.178 child care slots would be necessary

NOTE Confidence: 0.87949353

00:12:11.178 --> 00:12:14.078 in order to be able to keep our nations.

NOTE Confidence: 0.87949353

00:12:14.080 --> 00:12:15.845 Skittles and Child Care Hospital

NOTE Confidence: 0.87949353

00:12:15.845 --> 00:12:17.610 programs in health care facilities

NOTE Confidence: 0.87949353

00:12:17.670 --> 00:12:18.990 open during the pandemic.

NOTE Confidence: 0.87949353

00:12:18.990 --> 00:12:21.447 I can't emphasize how quickly this happened.

NOTE Confidence: 0.87949353

00:12:21.450 --> 00:12:24.213 We began work on this map on on March

NOTE Confidence: 0.87949353

00:12:24.213 --> 00:12:27.164 19th and we had a live prototype up

NOTE Confidence: 0.87949353

00:12:27.164 --> 00:12:29.877 covering the entire nation by March 21st.

NOTE Confidence: 0.87949353

00:12:29.880 --> 00:12:31.635 National rollout of this through
NOTE Confidence: 0.87949353

00:12:31.635 --> 00:12:33.390 child care Aware of America,
NOTE Confidence: 0.87949353

00:12:33.390 --> 00:12:35.496 where I happen to be board
NOTE Confidence: 0.87949353

00:12:35.496 --> 00:12:36.900 president between March 23rd,
NOTE Confidence: 0.87949353

00:12:36.900 --> 00:12:37.253 25th.
NOTE Confidence: 0.87949353

00:12:37.253 --> 00:12:40.077 Lots of coverage in the news when it
NOTE Confidence: 0.87949353

00:12:40.077 --> 00:12:42.857 first came out and then by March 30th.
NOTE Confidence: 0.87949353

00:12:42.860 --> 00:12:46.325 Senate letter to the US Office of Child Care.
NOTE Confidence: 0.87949353

00:12:46.330 --> 00:12:47.940 Making sure that 3.5 billion
NOTE Confidence: 0.87949353

00:12:47.940 --> 00:12:49.995 dollars that cares funding would be
NOTE Confidence: 0.87949353

00:12:49.995 --> 00:12:51.925 targeted specifically to child care
NOTE Confidence: 0.87949353

00:12:51.925 --> 00:12:53.469 services for healthcare providers.
NOTE Confidence: 0.87949353

00:12:53.470 --> 00:12:55.766 And this is what I was trying to
NOTE Confidence: 0.87949353

00:12:55.766 --> 00:12:57.978 refer to earlier when I'm talking
NOTE Confidence: 0.87949353

00:12:57.978 --> 00:13:00.778 about using science in order to be
NOTE Confidence: 0.87949353

00:13:00.778 --> 00:13:03.046 able to rapidly respond to challenges

NOTE Confidence: 0.87949353

00:13:03.046 --> 00:13:05.372 in the moment and then being able

NOTE Confidence: 0.87949353

00:13:05.372 --> 00:13:07.160 to translate that into policy change

NOTE Confidence: 0.87949353

00:13:07.220 --> 00:13:08.819 through communications levers.

NOTE Confidence: 0.87949353

00:13:08.820 --> 00:13:09.177 Recently,

NOTE Confidence: 0.87949353

00:13:09.177 --> 00:13:11.676 we've also embarked on a on a

NOTE Confidence: 0.87949353

00:13:11.676 --> 00:13:12.390 different study.

NOTE Confidence: 0.87949353

00:13:12.390 --> 00:13:14.455 This is a study that tried to

NOTE Confidence: 0.87949353

00:13:14.455 --> 00:13:16.281 address the need to understand

NOTE Confidence: 0.87949353

00:13:16.281 --> 00:13:18.461 better about the transmission of

NOTE Confidence: 0.87949353

00:13:18.461 --> 00:13:20.739 COVID-19 within child care programs.

NOTE Confidence: 0.87949353

00:13:20.740 --> 00:13:22.816 And whether we would know whether

NOTE Confidence: 0.87949353

00:13:22.816 --> 00:13:25.312 it would be safer not for children

NOTE Confidence: 0.87949353

00:13:25.312 --> 00:13:27.734 to go back to child care programs.

NOTE Confidence: 0.87949353

00:13:27.740 --> 00:13:30.683 We had a bit of a natural experiment of

NOTE Confidence: 0.87949353

00:13:30.683 --> 00:13:33.335 sorts that was happening at the time.

NOTE Confidence: 0.87949353

00:13:33.340 --> 00:13:35.932 It was a study of 57 thousand child
NOTE Confidence: 0.87949353

00:13:35.932 --> 00:13:38.122 care providers that we recruited into
NOTE Confidence: 0.87949353

00:13:38.122 --> 00:13:40.336 the study from around the country.
NOTE Confidence: 0.87949353

00:13:40.340 --> 00:13:43.140 We needed to be able to do this
NOTE Confidence: 0.87949353

00:13:43.140 --> 00:13:44.965 incredibly quickly. Becausw in May.
NOTE Confidence: 0.87949353

00:13:44.965 --> 00:13:46.840 When we first conceptualized the
NOTE Confidence: 0.87949353

00:13:46.840 --> 00:13:48.738 study make this to be exact,
NOTE Confidence: 0.87949353

00:13:48.740 --> 00:13:50.990 we knew that I June manyavar.
NOTE Confidence: 0.87949353

00:13:50.990 --> 00:13:52.402 Starbar childcare programs that
NOTE Confidence: 0.87949353

00:13:52.402 --> 00:13:54.520 have been closed around the country
NOTE Confidence: 0.87949353

00:13:54.580 --> 00:13:56.477 were going to be coming back online.
NOTE Confidence: 0.87949353

00:13:56.480 --> 00:13:57.401 In other words,
NOTE Confidence: 0.87949353

00:13:57.401 --> 00:13:59.243 we had this strange moment where
NOTE Confidence: 0.87949353

00:13:59.243 --> 00:14:01.277 about half of the nation's child
NOTE Confidence: 0.87949353

00:14:01.277 --> 00:14:02.613 care programs were closed,
NOTE Confidence: 0.87949353

00:14:02.620 --> 00:14:04.881 and that meant that half of our

NOTE Confidence: 0.87949353

00:14:04.881 --> 00:14:05.527 nations talked.

NOTE Confidence: 0.87949353

00:14:05.530 --> 00:14:07.432 Her providers were not coming into

NOTE Confidence: 0.87949353

00:14:07.432 --> 00:14:09.085 contact with children in childcare

NOTE Confidence: 0.87949353

00:14:09.085 --> 00:14:11.053 and about half of our nation's

NOTE Confidence: 0.87949353

00:14:11.053 --> 00:14:12.630 child care providers were open,

NOTE Confidence: 0.87949353

00:14:12.630 --> 00:14:14.568 and so they were coming into

NOTE Confidence: 0.87949353

00:14:14.568 --> 00:14:15.537 contact with soon.

NOTE Confidence: 0.87949353

00:14:15.540 --> 00:14:17.085 That would be very different

NOTE Confidence: 0.87949353

00:14:17.085 --> 00:14:18.630 as child care programs to

NOTE Confidence: 0.8367651

00:14:18.689 --> 00:14:21.082 reopen. Now with this, Davis was an

NOTE Confidence: 0.8367651

00:14:21.082 --> 00:14:23.080 opportunity to be able to study.

NOTE Confidence: 0.8367651

00:14:23.080 --> 00:14:25.600 What the transmission of child care was

NOTE Confidence: 0.8367651

00:14:25.600 --> 00:14:27.705 by looking specifically at child care

NOTE Confidence: 0.8367651

00:14:27.705 --> 00:14:29.625 providers who were either exposed to

NOTE Confidence: 0.8367651

00:14:29.625 --> 00:14:31.900 child care were not exposed to childcare

NOTE Confidence: 0.8367651

00:14:31.900 --> 00:14:33.832 during the height of the pandemic.
NOTE Confidence: 0.8367651

00:14:33.832 --> 00:14:35.848 At least three months into it,
NOTE Confidence: 0.8367651

00:14:35.850 --> 00:14:38.046 and so we put together an
NOTE Confidence: 0.8367651

00:14:38.046 --> 00:14:39.863 interdisciplinary team that consisted of
NOTE Confidence: 0.8367651

00:14:39.863 --> 00:14:41.893 folks here at the Child study center,
NOTE Confidence: 0.8367651

00:14:41.900 --> 00:14:43.416 Epidemiology and public health,
NOTE Confidence: 0.8367651

00:14:43.416 --> 00:14:45.311 pediatric infectious Disease Control and
NOTE Confidence: 0.8367651

00:14:45.311 --> 00:14:47.266 economics for their work on large datasets,
NOTE Confidence: 0.8367651

00:14:47.270 --> 00:14:49.342 and conducted what still is the only
NOTE Confidence: 0.8367651

00:14:49.342 --> 00:14:51.086 systematic study of COVID-19 transmission
NOTE Confidence: 0.8367651

00:14:51.086 --> 00:14:53.086 and either child care programs.
NOTE Confidence: 0.8367651

00:14:53.090 --> 00:14:54.260 Or in schools.
NOTE Confidence: 0.8367651

00:14:54.260 --> 00:14:55.040 Now again,
NOTE Confidence: 0.8367651

00:14:55.040 --> 00:14:57.768 this was a large scale study of 57,335
NOTE Confidence: 0.8367651

00:14:57.768 --> 00:15:00.479 child care providers across the nation.
NOTE Confidence: 0.8367651

00:15:00.480 --> 00:15:01.644 All 50 states,

NOTE Confidence: 0.8367651

00:15:01.644 --> 00:15:05.150 Washington DC and 71% of the nation is 3100.

NOTE Confidence: 0.8367651

00:15:05.150 --> 00:15:06.938 Counties were represented within

NOTE Confidence: 0.8367651

00:15:06.938 --> 00:15:09.620 this study and will be ultimately

NOTE Confidence: 0.8367651

00:15:09.696 --> 00:15:11.934 found when we compare child care

NOTE Confidence: 0.8367651

00:15:11.934 --> 00:15:14.159 providers to those who were open

NOTE Confidence: 0.8367651

00:15:14.159 --> 00:15:16.483 versus those who were closed was was

NOTE Confidence: 0.8367651

00:15:16.483 --> 00:15:18.005 no relationship whatsoever between

NOTE Confidence: 0.8367651

00:15:18.005 --> 00:15:20.375 exposure to child care and their

NOTE Confidence: 0.8367651

00:15:20.375 --> 00:15:22.109 increased likelihood of catching

NOTE Confidence: 0.8367651

00:15:22.109 --> 00:15:23.817 COVID-19 were being hospitalised?

NOTE Confidence: 0.8367651

00:15:23.820 --> 00:15:26.460 19 we combined our data set with the

NOTE Confidence: 0.8367651

00:15:26.460 --> 00:15:28.400 Johns Hopkins University data set in

NOTE Confidence: 0.8367651

00:15:28.400 --> 00:15:31.030 order to be able to get information on

NOTE Confidence: 0.8367651

00:15:31.030 --> 00:15:33.244 19 transmission at the County level

NOTE Confidence: 0.8367651

00:15:33.244 --> 00:15:36.018 so we can control for that as well.

NOTE Confidence: 0.8367651

00:15:36.020 --> 00:15:37.928 But that doesn't mean that child
NOTE Confidence: 0.8367651

00:15:37.928 --> 00:15:39.638 care providers were were somehow
NOTE Confidence: 0.8367651

00:15:39.638 --> 00:15:40.769 immune to COVID-19.
NOTE Confidence: 0.8367651

00:15:40.770 --> 00:15:42.912 427 of them in our study actually
NOTE Confidence: 0.8367651

00:15:42.912 --> 00:15:44.502 did conduct catch COVID-19 and
NOTE Confidence: 0.8367651

00:15:44.502 --> 00:15:46.644 about 1/4 of those that caught it
NOTE Confidence: 0.8367651

00:15:46.644 --> 00:15:48.570 were hospitalised for COVID-19.
NOTE Confidence: 0.8367651

00:15:48.570 --> 00:15:51.170 But what we found was that their their
NOTE Confidence: 0.8367651

00:15:51.170 --> 00:15:53.285 likelihood of catching COVID-19 to be
NOTE Confidence: 0.8367651

00:15:53.285 --> 00:15:55.799 in hospitals for COVID-19 had to do
NOTE Confidence: 0.8367651

00:15:55.799 --> 00:15:57.887 with a variety of community factors,
NOTE Confidence: 0.8367651

00:15:57.890 --> 00:16:00.330 none of which was whether or not they
NOTE Confidence: 0.8367651

00:16:00.330 --> 00:16:02.337 were going to work in childcare.
NOTE Confidence: 0.8367651

00:16:02.340 --> 00:16:04.884 We also found that our providers of color,
NOTE Confidence: 0.8367651

00:16:04.890 --> 00:16:05.512 or black,
NOTE Confidence: 0.8367651

00:16:05.512 --> 00:16:07.067 Brown and indigenous child care

NOTE Confidence: 0.8367651

00:16:07.067 --> 00:16:08.370 providers were certainly carrying

NOTE Confidence: 0.8367651

00:16:08.370 --> 00:16:09.980 the heaviest burden of COVID-19.

NOTE Confidence: 0.8367651

00:16:09.980 --> 00:16:12.178 But even for them it wasn't related

NOTE Confidence: 0.8367651

00:16:12.178 --> 00:16:14.448 to whether or not they were coming

NOTE Confidence: 0.8367651

00:16:14.448 --> 00:16:16.332 to work in childcare or not,

NOTE Confidence: 0.8367651

00:16:16.340 --> 00:16:18.048 which then allowed us to be able

NOTE Confidence: 0.8367651

00:16:18.048 --> 00:16:20.206 to see the finding that it doesn't

NOTE Confidence: 0.8367651

00:16:20.206 --> 00:16:21.911 appear that child care programs

NOTE Confidence: 0.8367651

00:16:21.911 --> 00:16:23.842 were causing a significant amount

NOTE Confidence: 0.8367651

00:16:23.842 --> 00:16:25.374 of threat to communities.

NOTE Confidence: 0.8367651

00:16:25.380 --> 00:16:27.648 But that doesn't mean that communities

NOTE Confidence: 0.8367651

00:16:27.648 --> 00:16:29.930 can pose a significant amount of

NOTE Confidence: 0.8367651

00:16:29.930 --> 00:16:31.700 threat to child care programs.

NOTE Confidence: 0.8367651

00:16:31.700 --> 00:16:34.031 And at the community rate is too

NOTE Confidence: 0.8367651

00:16:34.031 --> 00:16:35.800 high within the community.

NOTE Confidence: 0.8367651

00:16:35.800 --> 00:16:37.888 That certainly will find its way
NOTE Confidence: 0.8367651

00:16:37.888 --> 00:16:39.890 into the child care program.
NOTE Confidence: 0.8367651

00:16:39.890 --> 00:16:42.026 That child care programs themselves are
NOTE Confidence: 0.8367651

00:16:42.026 --> 00:16:43.980 not significant spreaders of COVID-19.
NOTE Confidence: 0.8367651

00:16:43.980 --> 00:16:46.212 When we first released this in
NOTE Confidence: 0.8367651

00:16:46.212 --> 00:16:47.700 October 14th we have,
NOTE Confidence: 0.8367651

00:16:47.700 --> 00:16:49.932 we have massive media uptake on
NOTE Confidence: 0.8367651

00:16:49.932 --> 00:16:51.049 this 1.9% readership,
NOTE Confidence: 0.8367651

00:16:51.049 --> 00:16:53.263 1.9 billion readership in the New
NOTE Confidence: 0.8367651

00:16:53.263 --> 00:16:55.668 York Times and the Washington Post.
NOTE Confidence: 0.8367651

00:16:55.670 --> 00:16:58.070 Writing about other places that it
NOTE Confidence: 0.8367651

00:16:58.070 --> 00:17:00.359 appeared 8188 thousand Point 1 social
NOTE Confidence: 0.8367651

00:17:00.359 --> 00:17:02.536 media hits all within the first week
NOTE Confidence: 0.8367651

00:17:02.536 --> 00:17:04.943 and altmetric which tracks the amount
NOTE Confidence: 0.8367651

00:17:04.943 --> 00:17:06.973 of media attention to studies,
NOTE Confidence: 0.8367651

00:17:06.980 --> 00:17:09.224 has ranked the study just within

NOTE Confidence: 0.8367651

00:17:09.224 --> 00:17:11.504 the first couple of weeks after

NOTE Confidence: 0.8367651

00:17:11.504 --> 00:17:13.975 it was released as a 1680 seventh

NOTE Confidence: 0.8367651

00:17:13.975 --> 00:17:16.734 out of out of 16.2 million studies

NOTE Confidence: 0.8367651

00:17:16.734 --> 00:17:18.290 that have been released

NOTE Confidence: 0.8441837

00:17:18.290 --> 00:17:19.658 in the past decade.

NOTE Confidence: 0.8441837

00:17:19.658 --> 00:17:22.180 Not too bad for a study that

NOTE Confidence: 0.8441837

00:17:22.180 --> 00:17:24.472 was released right in the middle

NOTE Confidence: 0.8441837

00:17:24.472 --> 00:17:26.900 of a media saturated time.

NOTE Confidence: 0.8441837

00:17:26.900 --> 00:17:29.126 Going up to the to the election,

NOTE Confidence: 0.8441837

00:17:29.130 --> 00:17:30.555 but the most important coverage

NOTE Confidence: 0.8441837

00:17:30.555 --> 00:17:32.967 of it was was was the work that

NOTE Confidence: 0.8441837

00:17:32.967 --> 00:17:34.507 we did specifically with the

NOTE Confidence: 0.8441837

00:17:34.507 --> 00:17:36.469 Center for Disease Control stamp,

NOTE Confidence: 0.8441837

00:17:36.470 --> 00:17:38.486 which is the collection of all of

NOTE Confidence: 0.8441837

00:17:38.486 --> 00:17:40.238 the state people who run child

NOTE Confidence: 0.8441837

00:17:40.238 --> 00:17:42.170 care programs and some of the work

NOTE Confidence: 0.8441837

00:17:42.235 --> 00:17:44.515 that we're doing right now with

NOTE Confidence: 0.8441837

00:17:44.515 --> 00:17:46.035 the National Governors Association

NOTE Confidence: 0.8441837

00:17:46.040 --> 00:17:48.182 and others in order to better turn

NOTE Confidence: 0.8441837

00:17:48.182 --> 00:17:49.486 this information into important

NOTE Confidence: 0.8441837

00:17:49.486 --> 00:17:51.101 information going forward to be

NOTE Confidence: 0.8441837

00:17:51.101 --> 00:17:53.395 able to help make sure that child

NOTE Confidence: 0.8441837

00:17:53.395 --> 00:17:54.970 care programs can remain safe,

NOTE Confidence: 0.8441837

00:17:54.970 --> 00:17:56.937 we would not have been able to

NOTE Confidence: 0.8441837

00:17:56.937 --> 00:17:59.354 do this work without a lot of

NOTE Confidence: 0.8441837

00:17:59.354 --> 00:18:00.858 generous can incredibly fast.

NOTE Confidence: 0.8441837

00:18:00.860 --> 00:18:02.678 Work from all of the funders

NOTE Confidence: 0.8441837

00:18:02.678 --> 00:18:03.890 that you see there,

NOTE Confidence: 0.8441837

00:18:03.890 --> 00:18:04.799 including especially the

NOTE Confidence: 0.8441837

00:18:04.799 --> 00:18:05.708 cleaning Steam Foundation,

NOTE Confidence: 0.8441837

00:18:05.710 --> 00:18:07.621 which was the first 2 to provide

NOTE Confidence: 0.8441837

00:18:07.621 --> 00:18:09.817 a support for this and help us

NOTE Confidence: 0.8441837

00:18:09.817 --> 00:18:11.462 bring another supporters as well.

NOTE Confidence: 0.8441837

00:18:11.470 --> 00:18:13.210 Will host of other types of

NOTE Confidence: 0.8441837

00:18:13.210 --> 00:18:15.061 work that's going to be coming

NOTE Confidence: 0.8441837

00:18:15.061 --> 00:18:16.616 out of this going forward,

NOTE Confidence: 0.8441837

00:18:16.620 --> 00:18:18.130 but I'll end right there

NOTE Confidence: 0.8441837

00:18:18.130 --> 00:18:19.338 by basically saying that,

NOTE Confidence: 0.8441837

00:18:19.340 --> 00:18:21.014 but we're working on right now

NOTE Confidence: 0.8441837

00:18:21.014 --> 00:18:23.176 because of the time it is policy

NOTE Confidence: 0.8441837

00:18:23.176 --> 00:18:24.484 relevant science and policy.

NOTE Confidence: 0.8441837

00:18:24.490 --> 00:18:26.618 Relevant science at the speed of now,

NOTE Confidence: 0.8441837

00:18:26.620 --> 00:18:27.520 so thank you.

NOTE Confidence: 0.8238215

00:18:28.920 --> 00:18:30.490 Thank you very much, Walter.

NOTE Confidence: 0.8238215

00:18:30.490 --> 00:18:32.060 What I think will do,

NOTE Confidence: 0.8238215

00:18:32.060 --> 00:18:33.700 unless there's questions that someone

NOTE Confidence: 0.8238215

00:18:33.700 --> 00:18:36.016 wants to ask right at the moment
NOTE Confidence: 0.8238215

00:18:36.016 --> 00:18:37.852 is will actually move to Doctor
NOTE Confidence: 0.8238215

00:18:37.852 --> 00:18:39.411 Brackett and then will facilitate
NOTE Confidence: 0.8238215

00:18:39.411 --> 00:18:41.476 a discussion at the end to burn.
NOTE Confidence: 0.8238215

00:18:41.480 --> 00:18:43.670 Bring all these presentations together.
NOTE Confidence: 0.8238215

00:18:43.670 --> 00:18:45.406 After my bracket, may I turn to you?
NOTE Confidence: 0.8838322

00:19:06.030 --> 00:19:08.280 Mark, you might be on mute.
NOTE Confidence: 0.8838322

00:19:08.280 --> 00:19:09.268 We're not hearing you.
NOTE Confidence: 0.860420278666667

00:19:09.880 --> 00:19:11.722 That's Sam. I was born talking
NOTE Confidence: 0.860420278666667

00:19:11.722 --> 00:19:14.028 to myself and I guess I'll do
NOTE Confidence: 0.860420278666667

00:19:14.028 --> 00:19:16.840 that during my presentation.
NOTE Confidence: 0.860420278666667

00:19:16.840 --> 00:19:19.768 So let me just say welcome
NOTE Confidence: 0.860420278666667

00:19:19.768 --> 00:19:21.720 again and everyone and.
NOTE Confidence: 0.860420278666667

00:19:21.720 --> 00:19:23.580 And I'll give the third welcome.
NOTE Confidence: 0.860420278666667

00:19:23.580 --> 00:19:25.393 My name is Mark Brackett and a
NOTE Confidence: 0.860420278666667

00:19:25.393 --> 00:19:27.083 professor in the Child Study Center

NOTE Confidence: 0.860420278666667
00:19:27.083 --> 00:19:29.085 and also the director of the Yale
NOTE Confidence: 0.860420278666667
00:19:29.146 --> 00:19:31.018 Center for Emotional Intelligence.
NOTE Confidence: 0.860420278666667
00:19:31.020 --> 00:19:33.372 Our team is about 55 people who are
NOTE Confidence: 0.860420278666667
00:19:33.372 --> 00:19:35.063 scientists and practitioners who run
NOTE Confidence: 0.860420278666667
00:19:35.063 --> 00:19:37.492 around the world trying to get people
NOTE Confidence: 0.860420278666667
00:19:37.554 --> 00:19:39.486 to talk more about their feelings and
NOTE Confidence: 0.860420278666667
00:19:39.486 --> 00:19:41.870 and we do research on why that matters,
NOTE Confidence: 0.860420278666667
00:19:41.870 --> 00:19:44.453 and I thought I would just share
NOTE Confidence: 0.860420278666667
00:19:44.453 --> 00:19:47.408 some of our most recent research.
NOTE Confidence: 0.860420278666667
00:19:47.410 --> 00:19:49.126 Doing about two longitudinal
NOTE Confidence: 0.860420278666667
00:19:49.126 --> 00:19:51.700 studies with each with around 3000
NOTE Confidence: 0.860420278666667
00:19:51.772 --> 00:19:54.087 teachers across the United States.
NOTE Confidence: 0.860420278666667
00:19:54.090 --> 00:19:57.240 That representative sample in one an
NOTE Confidence: 0.860420278666667
00:19:57.240 --> 00:20:00.380 A very deliberate sample in another.
NOTE Confidence: 0.860420278666667
00:20:00.380 --> 00:20:03.276 Meaning that we wanted to make sure that
NOTE Confidence: 0.860420278666667

00:20:03.276 --> 00:20:06.547 we got equal numbers of white teachers,
NOTE Confidence: 0.860420278666667

00:20:06.550 --> 00:20:07.306 black teachers,
NOTE Confidence: 0.860420278666667

00:20:07.306 --> 00:20:10.330 and Latin ex teachers so that we really
NOTE Confidence: 0.860420278666667

00:20:10.405 --> 00:20:12.640 could understand the emotional lives
NOTE Confidence: 0.860420278666667

00:20:12.640 --> 00:20:15.729 of of our teacher population and our
NOTE Confidence: 0.860420278666667

00:20:15.729 --> 00:20:18.459 preliminary data show that wherever you go,
NOTE Confidence: 0.860420278666667

00:20:18.460 --> 00:20:20.520 there is an anxious teacher.
NOTE Confidence: 0.860420278666667

00:20:20.520 --> 00:20:23.565 The number one word that a teacher
NOTE Confidence: 0.860420278666667

00:20:23.565 --> 00:20:26.452 in the United States uses to
NOTE Confidence: 0.860420278666667

00:20:26.452 --> 00:20:29.416 describe how they feel is anxiety.
NOTE Confidence: 0.860420278666667

00:20:29.420 --> 00:20:32.290 When we ask teachers about their students.
NOTE Confidence: 0.860420278666667

00:20:32.290 --> 00:20:32.732 Um?
NOTE Confidence: 0.860420278666667

00:20:32.732 --> 00:20:35.826 It's a wider range of emotion from
NOTE Confidence: 0.860420278666667

00:20:35.826 --> 00:20:39.630 frustration to boredom, to anxiety.
NOTE Confidence: 0.860420278666667

00:20:39.630 --> 00:20:42.758 But overall, you can see that there are.
NOTE Confidence: 0.860420278666667

00:20:42.760 --> 00:20:45.476 A lot of unpleasant feelings are not

NOTE Confidence: 0.860420278666667

00:20:45.476 --> 00:20:48.058 very many pleasant feelings right now.

NOTE Confidence: 0.860420278666667

00:20:48.060 --> 00:20:51.828 When you look at the impact of Covid.

NOTE Confidence: 0.860420278666667

00:20:51.830 --> 00:20:54.679 Whether it be on teachers or parents,

NOTE Confidence: 0.860420278666667

00:20:54.680 --> 00:20:56.920 and I think other colleagues

NOTE Confidence: 0.860420278666667

00:20:56.920 --> 00:20:59.160 have spoken about this radio

NOTE Confidence: 0.860420278666667

00:20:59.241 --> 00:21:01.600 and spend too much time on it,

NOTE Confidence: 0.860420278666667

00:21:01.600 --> 00:21:03.840 we see an increase everywhere we go

NOTE Confidence: 0.860420278666667

00:21:03.840 --> 00:21:07.091 in terms of whether it be anxiety or

NOTE Confidence: 0.860420278666667

00:21:07.091 --> 00:21:08.863 depression or externalizing behaviors

NOTE Confidence: 0.860420278666667

00:21:08.863 --> 00:21:11.766 or reports of serious mental distress.

NOTE Confidence: 0.860420278666667

00:21:11.770 --> 00:21:14.136 And we do know quite clearly that

NOTE Confidence: 0.860420278666667

00:21:14.136 --> 00:21:16.680 our black Indigenous people of color

NOTE Confidence: 0.860420278666667

00:21:16.680 --> 00:21:18.632 communities are experiencing even

NOTE Confidence: 0.860420278666667

00:21:18.632 --> 00:21:20.730 stronger experiences related to covid,

NOTE Confidence: 0.860420278666667

00:21:20.730 --> 00:21:22.083 including the most.

NOTE Confidence: 0.860420278666667

00:21:22.083 --> 00:21:24.789 Sad in terms of mortality rate
NOTE Confidence: 0.860420278666667

00:21:24.789 --> 00:21:26.050 among children,
NOTE Confidence: 0.860420278666667

00:21:26.050 --> 00:21:29.599 75% of the children who have died
NOTE Confidence: 0.860420278666667

00:21:29.599 --> 00:21:32.529 from coronavirus are kids of color.
NOTE Confidence: 0.860420278666667

00:21:32.530 --> 00:21:35.258 And so I think for our centers work,
NOTE Confidence: 0.860420278666667

00:21:35.260 --> 00:21:36.756 this really gets into.
NOTE Confidence: 0.860420278666667

00:21:36.756 --> 00:21:39.000 Are we talking about an individual's
NOTE Confidence: 0.860420278666667

00:21:39.072 --> 00:21:41.280 emotions or are we talking about
NOTE Confidence: 0.860420278666667

00:21:41.280 --> 00:21:43.353 a societal challenge that we have
NOTE Confidence: 0.860420278666667

00:21:43.353 --> 00:21:45.215 to think about in terms of how
NOTE Confidence: 0.860420278666667

00:21:45.215 --> 00:21:48.310 the nation fields and?
NOTE Confidence: 0.860420278666667

00:21:48.310 --> 00:21:50.110 Roller is the center's approach
NOTE Confidence: 0.860420278666667

00:21:50.110 --> 00:21:51.550 to social emotional learning.
NOTE Confidence: 0.860420278666667

00:21:51.550 --> 00:21:54.070 This has been a project that has
NOTE Confidence: 0.860420278666667

00:21:54.070 --> 00:21:56.881 been near and dear to my heart for
NOTE Confidence: 0.860420278666667

00:21:56.881 --> 00:21:59.469 about 30 years now or to believe,

NOTE Confidence: 0.860420278666667
00:21:59.470 --> 00:22:01.696 and we're now in 33,000 schools
NOTE Confidence: 0.860420278666667
00:22:01.696 --> 00:22:03.935 across the United States of America
NOTE Confidence: 0.860420278666667
00:22:03.935 --> 00:22:05.999 and other countries and our whole
NOTE Confidence: 0.860420278666667
00:22:05.999 --> 00:22:08.513 goal is to help schools move away
NOTE Confidence: 0.860420278666667
00:22:08.513 --> 00:22:10.630 from piece meal models from rules
NOTE Confidence: 0.860420278666667
00:22:10.630 --> 00:22:12.430 and assemblies and classroom kits,
NOTE Confidence: 0.860420278666667
00:22:12.430 --> 00:22:14.668 and simple lessons to thinking systemically
NOTE Confidence: 0.860420278666667
00:22:14.668 --> 00:22:17.598 about how do you infuse the principles.
NOTE Confidence: 0.860420278666667
00:22:17.600 --> 00:22:19.238 Of emotional intelligence into the immune
NOTE Confidence: 0.860420278666667
00:22:19.238 --> 00:22:21.079 system of the entire school district,
NOTE Confidence: 0.860420278666667
00:22:21.080 --> 00:22:23.980 and I won't go into a lot of details today.
NOTE Confidence: 0.860420278666667
00:22:23.980 --> 00:22:27.340 This is our general theory of change.
NOTE Confidence: 0.860420278666667
00:22:27.340 --> 00:22:29.790 Thing that has evolved over 30 years.
NOTE Confidence: 0.8402712
00:22:29.790 --> 00:22:31.788 Obviously we have a ton of
NOTE Confidence: 0.8402712
00:22:31.788 --> 00:22:33.989 people right now at the center,
NOTE Confidence: 0.8402712

00:22:33.990 --> 00:22:35.370 scientists and practitioners all
NOTE Confidence: 0.8402712

00:22:35.370 --> 00:22:37.840 contributed to this theory of change and
NOTE Confidence: 0.8402712

00:22:37.840 --> 00:22:41.490 what we've learned essentially, is that.
NOTE Confidence: 0.8402712

00:22:41.490 --> 00:22:43.350 Starting with the child is not
NOTE Confidence: 0.8402712

00:22:43.350 --> 00:22:45.359 necessarily the best place in this work.
NOTE Confidence: 0.8402712

00:22:45.360 --> 00:22:46.536 That was my former.
NOTE Confidence: 0.8402712

00:22:46.536 --> 00:22:48.939 My primary interest early on in my career.
NOTE Confidence: 0.8402712

00:22:48.940 --> 00:22:50.430 I wanted to help kids,
NOTE Confidence: 0.8402712

00:22:50.430 --> 00:22:52.510 but I realized that the adults who are
NOTE Confidence: 0.8402712

00:22:52.510 --> 00:22:54.342 raising and teaching kids just weren't
NOTE Confidence: 0.8402712

00:22:54.342 --> 00:22:56.220 prepared to do the instruction in
NOTE Confidence: 0.8402712

00:22:56.272 --> 00:22:58.302 emotional intelligence 'cause they hadn't
NOTE Confidence: 0.8402712

00:22:58.302 --> 00:23:00.332 had an emotion education themselves.
NOTE Confidence: 0.8402712

00:23:00.340 --> 00:23:02.380 And so we started working with teachers and
NOTE Confidence: 0.8402712

00:23:02.380 --> 00:23:04.415 then in schools we realized that leaders
NOTE Confidence: 0.8402712

00:23:04.415 --> 00:23:06.390 make so many decisions for teachers,

NOTE Confidence: 0.8402712

00:23:06.390 --> 00:23:08.478 and then we realized that superintendents

NOTE Confidence: 0.8402712

00:23:08.478 --> 00:23:10.144 make decisions for principles and

NOTE Confidence: 0.8402712

00:23:10.144 --> 00:23:11.719 then in the end when we started

NOTE Confidence: 0.8402712

00:23:11.719 --> 00:23:13.298 working in New York City schools,

NOTE Confidence: 0.8402712

00:23:13.300 --> 00:23:15.340 what we realized was that you

NOTE Confidence: 0.8402712

00:23:15.340 --> 00:23:17.150 really needed a systemic model.

NOTE Confidence: 0.8402712

00:23:17.150 --> 00:23:19.634 And what that means is that we try to

NOTE Confidence: 0.8402712

00:23:19.634 --> 00:23:22.288 get all stakeholders on board and there

NOTE Confidence: 0.8402712

00:23:22.288 --> 00:23:24.931 are four primary aims are shifting

NOTE Confidence: 0.8402712

00:23:24.931 --> 00:23:26.999 peoples mindsets around emotions.

NOTE Confidence: 0.8402712

00:23:27.000 --> 00:23:29.256 Understanding the science of emotion that

NOTE Confidence: 0.8402712

00:23:29.256 --> 00:23:31.574 emotions are the drivers of attention

NOTE Confidence: 0.8402712

00:23:31.574 --> 00:23:33.449 and learning and decision making,

NOTE Confidence: 0.8402712

00:23:33.450 --> 00:23:35.340 making sure that people are

NOTE Confidence: 0.8402712

00:23:35.340 --> 00:23:36.474 deepening their skills.

NOTE Confidence: 0.8402712

00:23:36.480 --> 00:23:39.560 I think it's important to mention that these

NOTE Confidence: 0.8402712

00:23:39.560 --> 00:23:42.157 are oftentimes referred to as soft skills.

NOTE Confidence: 0.8402712

00:23:42.160 --> 00:23:44.960 We don't love that term because it

NOTE Confidence: 0.8402712

00:23:44.960 --> 00:23:47.179 makes them secondary and when you.

NOTE Confidence: 0.8402712

00:23:47.180 --> 00:23:48.532 Think about mental health

NOTE Confidence: 0.8402712

00:23:48.532 --> 00:23:49.546 among college students.

NOTE Confidence: 0.8402712

00:23:49.550 --> 00:23:51.566 For example at Yale where 50%

NOTE Confidence: 0.8402712

00:23:51.570 --> 00:23:53.260 or more are seeking treatment

NOTE Confidence: 0.8402712

00:23:53.260 --> 00:23:54.612 for mental health challenges,

NOTE Confidence: 0.8402712

00:23:54.620 --> 00:23:57.316 you realize this is not a soft skill.

NOTE Confidence: 0.8402712

00:23:57.320 --> 00:23:59.150 This is a pretty darn hard

NOTE Confidence: 0.8402712

00:23:59.150 --> 00:24:01.463 skill in terms of helping people

NOTE Confidence: 0.8402712

00:24:01.463 --> 00:24:03.499 manage their emotional lives.

NOTE Confidence: 0.8402712

00:24:03.500 --> 00:24:05.495 We also realize that you can't just

NOTE Confidence: 0.8402712

00:24:05.495 --> 00:24:07.279 think about the individual that you

NOTE Confidence: 0.8402712

00:24:07.279 --> 00:24:09.309 want to focus on the climate and

NOTE Confidence: 0.8402712

00:24:09.374 --> 00:24:11.216 culture of schools and homes and.

NOTE Confidence: 0.8402712

00:24:11.220 --> 00:24:12.444 And workplaces even,

NOTE Confidence: 0.8402712

00:24:12.444 --> 00:24:15.730 and that align with some of Walter's work.

NOTE Confidence: 0.8402712

00:24:15.730 --> 00:24:18.190 If you don't infuses into policies,

NOTE Confidence: 0.8402712

00:24:18.190 --> 00:24:20.650 for example around suspension or bullying,

NOTE Confidence: 0.8402712

00:24:20.650 --> 00:24:24.166 then you're not going to get

NOTE Confidence: 0.8402712

00:24:24.166 --> 00:24:25.924 the greatest impact.

NOTE Confidence: 0.8402712

00:24:25.930 --> 00:24:27.118 So just very briefly,

NOTE Confidence: 0.8402712

00:24:27.118 --> 00:24:28.900 our model has turned into one

NOTE Confidence: 0.8402712

00:24:28.963 --> 00:24:31.118 that's comprehensive from a lot

NOTE Confidence: 0.8402712

00:24:31.118 --> 00:24:32.842 of adult personal professional

NOTE Confidence: 0.8402712

00:24:32.842 --> 00:24:35.192 development to pre K to high school

NOTE Confidence: 0.8402712

00:24:35.192 --> 00:24:36.780 student learning to resources for

NOTE Confidence: 0.8402712

00:24:36.780 --> 00:24:38.880 outside the school time and recess,

NOTE Confidence: 0.8402712

00:24:38.880 --> 00:24:41.768 and also for parents.

NOTE Confidence: 0.8402712

00:24:41.770 --> 00:24:43.460 And curriculum wise from early
NOTE Confidence: 0.8402712

00:24:43.460 --> 00:24:46.138 childhood all the way up to high school.
NOTE Confidence: 0.8402712

00:24:46.140 --> 00:24:48.318 I think we have something along
NOTE Confidence: 0.8402712

00:24:48.318 --> 00:24:50.759 the lines of 475 lessons now.
NOTE Confidence: 0.8402712

00:24:50.760 --> 00:24:53.730 That it's hard to keep track of all this,
NOTE Confidence: 0.8402712

00:24:53.730 --> 00:24:56.040 and obviously it differs by grade level.
NOTE Confidence: 0.8402712

00:24:56.040 --> 00:24:57.114 So for example,
NOTE Confidence: 0.8402712

00:24:57.114 --> 00:24:58.904 middle school project based learning
NOTE Confidence: 0.8402712

00:24:58.904 --> 00:25:00.986 is at the core of the work,
NOTE Confidence: 0.8402712

00:25:00.990 --> 00:25:03.646 but at high school it is mostly student
NOTE Confidence: 0.8402712

00:25:03.646 --> 00:25:05.280 LED discussions that guys work.
NOTE Confidence: 0.8223066

00:25:07.350 --> 00:25:10.370 And so I want to wrap up my time with
NOTE Confidence: 0.8223066

00:25:10.460 --> 00:25:13.860 you just sharing a little bit about how
NOTE Confidence: 0.8223066

00:25:13.860 --> 00:25:16.678 we responded to kovit back in March.
NOTE Confidence: 0.8223066

00:25:16.680 --> 00:25:18.545 We've had very good relationships
NOTE Confidence: 0.8223066

00:25:18.545 --> 00:25:20.410 with the Governor of Connecticut,

NOTE Confidence: 0.8223066

00:25:20.410 --> 00:25:22.270 the Commissioner, the teachers unions,

NOTE Confidence: 0.8223066

00:25:22.270 --> 00:25:24.050 superintendents, associations.

NOTE Confidence: 0.8223066

00:25:24.050 --> 00:25:25.630 And we started having conversations

NOTE Confidence: 0.8223066

00:25:25.630 --> 00:25:28.430 about what can we do right here right

NOTE Confidence: 0.8223066

00:25:28.430 --> 00:25:29.978 now for Connecticut's teachers,

NOTE Confidence: 0.8223066

00:25:29.980 --> 00:25:31.710 given with the research showed

NOTE Confidence: 0.8223066

00:25:31.710 --> 00:25:33.838 about their anxiety and stress and

NOTE Confidence: 0.8223066

00:25:33.838 --> 00:25:35.513 uncertainty and so with generous

NOTE Confidence: 0.8223066

00:25:35.513 --> 00:25:37.310 support from the Daleo family,

NOTE Confidence: 0.8223066

00:25:37.310 --> 00:25:39.566 we were able to build a course and

NOTE Confidence: 0.8223066

00:25:39.566 --> 00:25:41.982 make it available for free for every

NOTE Confidence: 0.8223066

00:25:41.982 --> 00:25:44.640 educator in the state of Connecticut,

NOTE Confidence: 0.8223066

00:25:44.640 --> 00:25:46.390 an educator means teacher power,

NOTE Confidence: 0.8223066

00:25:46.390 --> 00:25:48.006 professional school counselor, custodian.

NOTE Confidence: 0.8223066

00:25:48.006 --> 00:25:50.870 Literally anybody who works in a school.

NOTE Confidence: 0.8223066

00:25:50.870 --> 00:25:53.498 And we are very blessed that we have just

NOTE Confidence: 0.8223066

00:25:53.498 --> 00:25:55.967 every educational organization you know,

NOTE Confidence: 0.8223066

00:25:55.970 --> 00:25:58.560 really in the state supporting this work

NOTE Confidence: 0.8223066

00:25:58.560 --> 00:26:01.430 and helping us spread the word about it.

NOTE Confidence: 0.8223066

00:26:01.430 --> 00:26:03.761 And I don't think I need to

NOTE Confidence: 0.8223066

00:26:03.761 --> 00:26:06.026 say why this course, you know,

NOTE Confidence: 0.8223066

00:26:06.026 --> 00:26:06.622 why now,

NOTE Confidence: 0.8223066

00:26:06.622 --> 00:26:09.222 but we really wanted to make sure that

NOTE Confidence: 0.8223066

00:26:09.222 --> 00:26:11.092 our educators learn strategies to

NOTE Confidence: 0.8223066

00:26:11.092 --> 00:26:13.799 support them in managing their feelings.

NOTE Confidence: 0.8223066

00:26:13.800 --> 00:26:15.738 And also we're responding and culture

NOTE Confidence: 0.8223066

00:26:15.738 --> 00:26:17.937 responsive ways to the emotions that

NOTE Confidence: 0.8223066

00:26:17.937 --> 00:26:19.625 their students were experiencing.

NOTE Confidence: 0.8223066

00:26:19.630 --> 00:26:20.980 So in brief.

NOTE Confidence: 0.8223066

00:26:20.980 --> 00:26:23.680 We have an introduction to why

NOTE Confidence: 0.8223066

00:26:23.680 --> 00:26:26.197 this work matters and why.

NOTE Confidence: 0.8223066

00:26:26.200 --> 00:26:29.224 Now there's a modules on helping teachers

NOTE Confidence: 0.8223066

00:26:29.224 --> 00:26:31.429 accurately identify their own feelings,

NOTE Confidence: 0.8223066

00:26:31.430 --> 00:26:33.910 helping them manage their emotions

NOTE Confidence: 0.8223066

00:26:33.910 --> 00:26:37.102 using behavioral or action kind of

NOTE Confidence: 0.8223066

00:26:37.102 --> 00:26:39.630 strategies versus cognitive strategies.

NOTE Confidence: 0.8223066

00:26:39.630 --> 00:26:41.685 Teaching them the science of

NOTE Confidence: 0.8223066

00:26:41.685 --> 00:26:44.370 trauma and or biology of trauma.

NOTE Confidence: 0.8223066

00:26:44.370 --> 00:26:46.510 Understanding that a child's behavior

NOTE Confidence: 0.8223066

00:26:46.510 --> 00:26:49.107 does not necessarily mean the same

NOTE Confidence: 0.8223066

00:26:49.107 --> 00:26:51.411 thing as what they're feeling and

NOTE Confidence: 0.8223066

00:26:51.411 --> 00:26:53.561 helping them identify more accurately

NOTE Confidence: 0.8223066

00:26:53.561 --> 00:26:55.896 their students feelings and helping

NOTE Confidence: 0.8223066

00:26:55.896 --> 00:26:57.726 their students manage theirs.

NOTE Confidence: 0.8223066

00:26:57.726 --> 00:27:00.708 And we're just blessed that we've had

NOTE Confidence: 0.8223066

00:27:00.708 --> 00:27:03.342 twenty 3700 people across the State

NOTE Confidence: 0.8223066

00:27:03.342 --> 00:27:06.350 Register 7367 enrolled as of this week,
NOTE Confidence: 0.8223066

00:27:06.350 --> 00:27:08.510 we've had 2600 people complete.
NOTE Confidence: 0.8223066

00:27:08.510 --> 00:27:10.740 It's a 10 week course.
NOTE Confidence: 0.8223066

00:27:10.740 --> 00:27:13.316 Some people are doing it in a weekend.
NOTE Confidence: 0.8223066

00:27:13.320 --> 00:27:15.888 Some people are taking the time they need,
NOTE Confidence: 0.8223066

00:27:15.890 --> 00:27:18.144 and we're very pleased with the results.
NOTE Confidence: 0.8223066

00:27:18.150 --> 00:27:21.062 We've got four 4.8 out of five
NOTE Confidence: 0.8223066

00:27:21.062 --> 00:27:23.238 stars ratings on Coursera.
NOTE Confidence: 0.8223066

00:27:23.240 --> 00:27:26.446 And so 94% of our course completers

00:28:32.596 --> 00:28:33.720 colleagues have truly stepped

NOTE Confidence: 0.82040185

00:28:33.720 --> 00:28:35.548 up in these challenging times.

NOTE Confidence: 0.82040185

00:28:35.550 --> 00:28:38.022 May I turn to Faye Brown on the

NOTE Confidence: 0.82040185

00:28:38.022 --> 00:28:39.758 school development program and Faye,

00:28:41.698 --> 00:28:42.667 introduce Doctor Cooper.

NOTE Confidence: 0.8893966

00:28:45.680 --> 00:28:46.754 Thank you Linda.

NOTE Confidence: 0.8893966

00:28:46.754 --> 00:28:48.544 Appreciate that good afternoon everybody.

NOTE Confidence: 0.8893966

00:28:48.550 --> 00:28:52.770 It is a pleasure to be here with you all.

NOTE Confidence: 0.8893966

00:28:52.770 --> 00:28:56.354 Oh, I was thinking about back in 2018.

NOTE Confidence: 0.8893966

00:28:56.360 --> 00:28:58.600 I had the pleasure of

NOTE Confidence: 0.8893966

00:28:58.600 --> 00:29:00.392 presenting for the associate.

NOTE Confidence: 0.8893966

00:29:00.400 --> 00:29:03.442 Yes, and on back then I shared that we

NOTE Confidence: 0.8893966

00:29:03.442 --> 00:29:07.114 at the school development program were

NOTE Confidence: 0.8893966

00:29:07.114 --> 00:29:09.714 commemorating our 50th anniversary.

NOTE Confidence: 0.8893966

00:29:09.720 --> 00:29:12.180 In that presentation I shared some

NOTE Confidence: 0.8893966

00:29:12.180 --> 00:29:13.820 of our milestone accomplishments,

NOTE Confidence: 0.8893966

00:29:13.820 --> 00:29:17.546 and I also listed just a couple of the

NOTE Confidence: 0.8893966

00:29:17.546 --> 00:29:20.785 projects we were working on at the time,

NOTE Confidence: 0.8893966

00:29:20.790 --> 00:29:23.345 and that we also plan to pursue

NOTE Confidence: 0.8893966

00:29:23.345 --> 00:29:25.876 for future one of the projects
NOTE Confidence: 0.8893966

00:29:25.876 --> 00:29:28.576 that I quickly mentioned back then,
NOTE Confidence: 0.8893966

00:29:28.580 --> 00:29:31.860 but didn't get into was or parent program.
NOTE Confidence: 0.8893966

00:29:31.860 --> 00:29:33.561 It's called parents,
NOTE Confidence: 0.8893966

00:29:33.561 --> 00:29:35.829 Partners and peers program.
NOTE Confidence: 0.8893966

00:29:35.830 --> 00:29:36.862 My colleague,
NOTE Confidence: 0.8893966

00:29:36.862 --> 00:29:38.926 Doctor Camille Cooper coordinates
NOTE Confidence: 0.8893966

00:29:38.926 --> 00:29:42.051 that initiative and she's here to
NOTE Confidence: 0.8893966

00:29:42.051 --> 00:29:45.768 share some of the highlights of their
NOTE Confidence: 0.8893966

00:29:45.768 --> 00:29:50.304 program and also to share how when Covid hit,
NOTE Confidence: 0.8893966

00:29:50.310 --> 00:29:53.394 how they parent participants were able
NOTE Confidence: 0.8893966

00:29:53.394 --> 00:29:56.590 to pivot from their usual activities
NOTE Confidence: 0.8893966

00:29:56.590 --> 00:30:00.244 and turned to offer services to two.
NOTE Confidence: 0.8893966

00:30:00.250 --> 00:30:02.464 Communities that were and still are
NOTE Confidence: 0.8893966

00:30:02.464 --> 00:30:04.839 associated with schools in which we work.
NOTE Confidence: 0.8893966

00:30:04.840 --> 00:30:07.304 And so it's my pleasure to turn to

NOTE Confidence: 0.8893966

00:30:07.304 --> 00:30:09.430 my colleague Doctor Camille Cooper.

NOTE Confidence: 0.87503576

00:30:10.410 --> 00:30:12.390 Good afternoon and thank

NOTE Confidence: 0.87503576

00:30:12.390 --> 00:30:14.370 you for this opportunity.

NOTE Confidence: 0.87503576

00:30:14.370 --> 00:30:19.926 I'm going to share my screen with you. Um?

NOTE Confidence: 0.87503576

00:30:19.926 --> 00:30:27.020 So that we can take a look at. Slide show

NOTE Confidence: 0.8814574

00:30:29.360 --> 00:30:36.829 the parents, partners, and Peers program is.

NOTE Confidence: 0.8814574

00:30:36.830 --> 00:30:40.502 A peer LED conversational approach to

NOTE Confidence: 0.8814574

00:30:40.502 --> 00:30:43.648 the increasing parent knowledge of

NOTE Confidence: 0.8814574

00:30:43.648 --> 00:30:46.663 child development and the practical

NOTE Confidence: 0.8814574

00:30:46.663 --> 00:30:49.685 application within a cultural context

NOTE Confidence: 0.8814574

00:30:49.685 --> 00:30:53.283 is a blend of the Comer School

NOTE Confidence: 0.8814574

00:30:53.283 --> 00:30:55.484 development program principles and

NOTE Confidence: 0.8814574

00:30:55.484 --> 00:30:58.976 the Sachar Smart and Secure Program.

NOTE Confidence: 0.8814574

00:30:58.980 --> 00:31:02.532 The program utilizes a community based

NOTE Confidence: 0.8814574

00:31:02.532 --> 00:31:06.030 approach and it involves parents at.

NOTE Confidence: 0.8814574

00:31:06.030 --> 00:31:10.480 3 levels as a parent.
NOTE Confidence: 0.8814574

00:31:10.480 --> 00:31:16.978 Mentors, parent leaders and parent learners.
NOTE Confidence: 0.8814574

00:31:16.980 --> 00:31:20.226 Currently we have a parent mentors
NOTE Confidence: 0.8814574

00:31:20.226 --> 00:31:23.628 at the Fairhaven area at the
NOTE Confidence: 0.8814574

00:31:23.628 --> 00:31:26.478 Family Academy formerly known as
NOTE Confidence: 0.8814574

00:31:26.478 --> 00:31:29.060 the Columbus Family Academy,
NOTE Confidence: 0.8814574

00:31:29.060 --> 00:31:33.596 and we also have a group of parent
NOTE Confidence: 0.8814574

00:31:33.596 --> 00:31:38.235 mentors that are at the Brennan Rogers
NOTE Confidence: 0.8814574

00:31:38.235 --> 00:31:42.340 School and the Westville Manor area.
NOTE Confidence: 0.8814574

00:31:42.340 --> 00:31:47.130 The worst the Manor area.
NOTE Confidence: 0.8814574

00:31:47.130 --> 00:31:50.502 Group really is of African American
NOTE Confidence: 0.8814574

00:31:50.502 --> 00:31:54.058 women that live within the housing
NOTE Confidence: 0.8814574

00:31:54.058 --> 00:31:57.063 development there and are Fairview
NOTE Confidence: 0.8814574

00:31:57.063 --> 00:32:00.675 area parents of our group of
NOTE Confidence: 0.8814574

00:32:00.675 --> 00:32:02.947 bilingual parents of Latino.
NOTE Confidence: 0.8814574

00:32:02.950 --> 00:32:08.640 Bilingual parents so the.

NOTE Confidence: 0.8814574

00:32:08.640 --> 00:32:12.042 Program starts with the mentor who

NOTE Confidence: 0.8814574

00:32:18.409 --> 00:32:21.657 of the parents that they're going

NOTE Confidence: 0.8814574

00:32:21.657 --> 00:32:24.885 to work with and that mentor.

NOTE Confidence: 0.8814574

00:32:24.890 --> 00:32:27.705 Councils and guides and observes

NOTE Confidence: 0.8814574

00:32:27.705 --> 00:32:31.689 being a parent leaders in their work,

NOTE Confidence: 0.8814574

00:32:31.690 --> 00:32:33.835 the parent leaders.

NOTE Confidence: 0.8814574

00:32:33.835 --> 00:32:36.695 They facilitate regularly scheduled

NOTE Confidence: 0.8814574

00:32:36.695 --> 00:32:39.802 conversations with parents in their

NOTE Confidence: 0.8814574

00:32:39.802 --> 00:32:42.854 community and they can coach and help

NOTE Confidence: 0.8814574

00:32:42.854 --> 00:32:46.039 the parent learners as they discuss

NOTE Confidence: 0.8814574

00:32:46.039 --> 00:32:50.980 the content of the curriculum of the program,

NOTE Confidence: 0.8814574

00:32:50.980 --> 00:32:54.780 which deals with various developmental.

00:32:58.231 --> 00:33:01.887 and five that also the parent leader
NOTE Confidence: 0.8814574

00:33:01.887 --> 00:33:05.930 leads these small groups of appear learners.
NOTE Confidence: 0.806204

00:33:07.970 --> 00:33:12.960 The program model is a.
NOTE Confidence: 0.806204

00:33:12.960 --> 00:33:15.916 Let me go back.
NOTE Confidence: 0.806204

00:33:15.916 --> 00:33:19.611 But the parent learners are
NOTE Confidence: 0.806204

00:33:19.611 --> 00:33:22.820 consist of grandparents.
NOTE Confidence: 0.806204

00:33:22.820 --> 00:33:24.353 Family care providers,
NOTE Confidence: 0.806204

00:33:24.353 --> 00:33:26.397 parents maybe Pierce Anthony.
NOTE Confidence: 0.806204

00:33:26.400 --> 00:33:29.256 Anyone that isn't coming in contact
NOTE Confidence: 0.806204

00:33:29.256 --> 00:33:32.529 with working with us young children,
NOTE Confidence: 0.806204

00:33:32.530 --> 00:33:36.154 but the model is set up so that
NOTE Confidence: 0.806204

00:33:36.154 --> 00:33:38.858 the parent mentor is serving
NOTE Confidence: 0.806204

00:33:38.858 --> 00:33:42.236 as a guide to parent leaders.
NOTE Confidence: 0.806204

00:33:42.240 --> 00:33:45.258 And each of these parent leaders
NOTE Confidence: 0.806204

00:33:45.258 --> 00:33:48.389 have a small group of parents
NOTE Confidence: 0.806204

00:33:48.389 --> 00:33:50.924 that they work with over.

NOTE Confidence: 0.806204

00:33:50.930 --> 00:33:52.478 Maybe a 10 week.

NOTE Confidence: 0.806204

00:33:52.478 --> 00:33:54.800 Period of time that they have

NOTE Confidence: 0.806204

00:33:54.891 --> 00:33:57.711 conversations about of the various

NOTE Confidence: 0.806204

00:33:57.711 --> 00:33:59.967 curriculum content areas that

NOTE Confidence: 0.806204

00:33:59.967 --> 00:34:03.062 we have outlined so the parent

NOTE Confidence: 0.806204

00:34:03.062 --> 00:34:05.502 mentor meets with these parent

NOTE Confidence: 0.806204

00:34:05.510 --> 00:34:08.162 leaders on a weekly or periodic

NOTE Confidence: 0.806204

00:34:08.162 --> 00:34:10.962 basis to help to discuss any

NOTE Confidence: 0.806204

00:34:10.962 --> 00:34:13.776 concerns that they may have as

NOTE Confidence: 0.806204

00:34:13.776 --> 00:34:16.838 they are working with their small

NOTE Confidence: 0.806204

00:34:16.838 --> 00:34:19.874 groups as well as walking them

NOTE Confidence: 0.806204

00:34:19.880 --> 00:34:21.992 through the parent curriculum.

NOTE Confidence: 0.806204

00:34:21.992 --> 00:34:26.158 And as well as serving as a coach

NOTE Confidence: 0.806204

00:34:26.158 --> 00:34:28.846 and a support person for them.

NOTE Confidence: 0.86835605

00:34:32.650 --> 00:34:36.530 Some of the intended content

NOTE Confidence: 0.86835605

00:34:36.530 --> 00:34:41.151 intended outcomes that we have for

00:35:04.140 --> 00:35:07.595 Also reducing an intern externalizing

00:35:10.359 --> 00:35:13.288 then just better outcomes,
NOTE Confidence: 0.86835605

00:35:13.290 --> 00:35:16.320 better developmental outcomes
NOTE Confidence: 0.86835605

00:35:16.320 --> 00:35:19.350 for those children.

NOTE Confidence: 0.86835605

00:35:24.160 --> 00:35:27.562 but there are two sessions orientation and
NOTE Confidence: 0.86835605

00:35:27.562 --> 00:35:30.890 a celebration and assessment at the end,

NOTE Confidence: 0.86835605
00:35:30.890 --> 00:35:33.295 but the content area includes
NOTE Confidence: 0.86835605
00:35:33.295 --> 00:35:34.738 a brain development.
NOTE Confidence: 0.86835605
00:35:34.740 --> 00:35:37.626 What makes a child's brain work?
NOTE Confidence: 0.86835605
00:35:37.630 --> 00:35:40.330 Looking at the milestones
NOTE Confidence: 0.86835605
00:35:40.330 --> 00:35:43.030 that children go through?
NOTE Confidence: 0.86835605
00:35:43.030 --> 00:35:46.618 So that they become familiar with
NOTE Confidence: 0.86835605
00:35:46.618 --> 00:35:49.010 these developmental milestones in
NOTE Confidence: 0.86835605
00:35:49.102 --> 00:35:52.366 their able to support the healthy
NOTE Confidence: 0.86835605
00:35:52.366 --> 00:35:54.542 development of the children
NOTE Confidence: 0.86835605
00:35:54.639 --> 00:35:57.049 that they are working with.
NOTE Confidence: 0.86835605
00:35:57.050 --> 00:35:58.730 Now.
NOTE Confidence: 0.86835605
00:35:58.730 --> 00:36:00.302 When Covid hit,
NOTE Confidence: 0.86835605
00:36:00.302 --> 00:36:03.446 we had to make some adjustments
NOTE Confidence: 0.86835605
00:36:03.446 --> 00:36:06.450 because we are unable to have
NOTE Confidence: 0.86835605
00:36:06.450 --> 00:36:09.408 the small group meetings and the
NOTE Confidence: 0.86835605

00:36:09.408 --> 00:36:12.264 parents of made a decision that
NOTE Confidence: 0.86835605

00:36:12.264 --> 00:36:15.985 they wanted to as a result of the
NOTE Confidence: 0.86835605

00:36:15.985 --> 00:36:18.270 donation that actually the Child
NOTE Confidence: 0.86835605

00:36:18.361 --> 00:36:21.136 study Center provided that the
NOTE Confidence: 0.86835605

00:36:21.136 --> 00:36:23.911 parents decided to utilize that
NOTE Confidence: 0.86835605

00:36:24.009 --> 00:36:27.271 donation to be able to obtain healthy
NOTE Confidence: 0.86835605

00:36:27.271 --> 00:36:29.600 food that they could distribute.
NOTE Confidence: 0.86835605

00:36:29.600 --> 00:36:30.995 Within their neighborhoods
NOTE Confidence: 0.86835605

00:36:30.995 --> 00:36:32.855 the Fair Haven neighborhood,
NOTE Confidence: 0.86835605

00:36:32.860 --> 00:36:37.200 as well as the Westfield Manor neighborhood.
NOTE Confidence: 0.86835605

00:36:37.200 --> 00:36:41.090 Are these are just a couple of photos
NOTE Confidence: 0.86835605

00:36:41.090 --> 00:36:44.989 of the parents in the two areas that
NOTE Confidence: 0.86835605

00:36:44.989 --> 00:36:48.069 as they are preparing for those
NOTE Confidence: 0.86835605

00:36:48.069 --> 00:36:51.795 distributions that as a result of
NOTE Confidence: 0.86835605

00:36:51.795 --> 00:36:54.333 the collaboration with nonprofits,
NOTE Confidence: 0.86835605

00:36:54.333 --> 00:36:57.698 havens harvest donations from the

NOTE Confidence: 0.86835605

00:36:57.698 --> 00:37:01.401 Child study center individuals as well

NOTE Confidence: 0.86835605

00:37:01.401 --> 00:37:04.621 as local service groups that the two

NOTE Confidence: 0.86835605

00:37:04.621 --> 00:37:08.099 parents groups have been able to provide.

NOTE Confidence: 0.86835605

00:37:08.100 --> 00:37:12.685 Up to 150 donations of food each

NOTE Confidence: 0.86835605

00:37:12.685 --> 00:37:15.910 Friday beginning in May 2020.

NOTE Confidence: 0.86835605

00:37:15.910 --> 00:37:19.132 Up until this past Friday and

NOTE Confidence: 0.86835605

00:37:19.132 --> 00:37:23.070 we do have a Thanksgiving,

NOTE Confidence: 0.86835605

00:37:23.070 --> 00:37:26.790 a distribution that is a coming

NOTE Confidence: 0.86835605

00:37:26.790 --> 00:37:30.230 up for this upcoming Friday.

NOTE Confidence: 0.86835605

00:37:30.230 --> 00:37:34.766 So the distribution sub include a USDA

NOTE Confidence: 0.86835605

00:37:34.766 --> 00:37:38.950 donations hot meals from local vendors.

NOTE Confidence: 0.86835605

00:37:38.950 --> 00:37:43.717 And fresh produce from a local distributor.

NOTE Confidence: 0.9052747

00:37:45.740 --> 00:37:48.860 So these parents, in working

NOTE Confidence: 0.9052747

00:37:48.860 --> 00:37:51.356 through the distribution process,

NOTE Confidence: 0.9052747

00:37:51.360 --> 00:37:56.827 they have developed some skills and have.

NOTE Confidence: 0.9052747

00:37:56.830 --> 00:37:59.782 Develop some agency of working and
NOTE Confidence: 0.9052747

00:37:59.782 --> 00:38:02.845 being able to provide a service
NOTE Confidence: 0.9052747

00:38:02.845 --> 00:38:05.350 within their communities that we
NOTE Confidence: 0.9052747

00:38:05.350 --> 00:38:08.955 found that the parents have developed
NOTE Confidence: 0.9052747

00:38:08.955 --> 00:38:12.305 leadership skills they have organized.
NOTE Confidence: 0.9052747

00:38:12.310 --> 00:38:15.775 Reaching out in the community as well
NOTE Confidence: 0.9052747

00:38:15.775 --> 00:38:19.461 as working with their elected officials
NOTE Confidence: 0.9052747

00:38:19.461 --> 00:38:22.966 and nonprofit organizations to maintain
NOTE Confidence: 0.9052747

00:38:22.966 --> 00:38:26.799 the program over this culvert period.
NOTE Confidence: 0.9052747

00:38:26.800 --> 00:38:30.130 Some of the future plans that
NOTE Confidence: 0.9052747

00:38:30.130 --> 00:38:32.350 we have for adaptation,
NOTE Confidence: 0.9052747

00:38:32.350 --> 00:38:35.254 but now that the school district
NOTE Confidence: 0.9052747

00:38:35.254 --> 00:38:39.816 has a paint more of hot spots and
NOTE Confidence: 0.9052747

00:38:39.816 --> 00:38:42.336 technology for zoom presentations,
NOTE Confidence: 0.9052747

00:38:42.340 --> 00:38:45.934 we will be transferring our program
NOTE Confidence: 0.9052747

00:38:45.934 --> 00:38:49.978 into a zoom format so that the

NOTE Confidence: 0.9052747

00:38:49.978 --> 00:38:54.000 parents would be able to meet with us.

NOTE Confidence: 0.9052747

00:38:54.000 --> 00:38:57.160 Utilizing zoom in the future.

NOTE Confidence: 0.9052747

00:38:57.160 --> 00:39:02.227 So this has been a journey that the food

NOTE Confidence: 0.9052747

00:39:02.227 --> 00:39:06.085 distribution was not a goal of ours at all.

NOTE Confidence: 0.9052747

00:39:06.090 --> 00:39:09.066 Our goal is basically to help

NOTE Confidence: 0.9052747

00:39:09.066 --> 00:39:11.050 parents understand their children,

NOTE Confidence: 0.9052747

00:39:11.050 --> 00:39:13.530 an improve their parenting skills.

NOTE Confidence: 0.9052747

00:39:13.530 --> 00:39:16.010 But because of that change,

NOTE Confidence: 0.9052747

00:39:16.010 --> 00:39:19.586 we've been able to make a transition into

NOTE Confidence: 0.9052747

00:39:19.586 --> 00:39:23.132 actually a Community program which has

NOTE Confidence: 0.9052747

00:39:23.132 --> 00:39:26.332 been benefited those two neighborhoods.

NOTE Confidence: 0.9052747

00:39:26.340 --> 00:39:27.210 Thank you.

NOTE Confidence: 0.8981963

00:39:28.690 --> 00:39:32.050 And if I could just add that on one of the

NOTE Confidence: 0.8981963

00:39:32.138 --> 00:39:35.008 things that we found with this program

NOTE Confidence: 0.8981963

00:39:35.008 --> 00:39:37.817 being able to pivot to helping to

NOTE Confidence: 0.8981963

00:39:37.820 --> 00:39:39.632 serve the communities because of
NOTE Confidence: 0.8981963

00:39:39.632 --> 00:39:42.159 covid is the same thing that we
NOTE Confidence: 0.8981963

00:39:42.159 --> 00:39:44.746 find all the time in our program,
NOTE Confidence: 0.8981963

00:39:44.750 --> 00:39:46.575 that when there are structures
NOTE Confidence: 0.8981963

00:39:46.575 --> 00:39:48.400 that are already in place,
NOTE Confidence: 0.8981963

00:39:48.400 --> 00:39:50.548 it really does make it easier
NOTE Confidence: 0.8981963

00:39:50.548 --> 00:39:52.779 for the work to get done.
NOTE Confidence: 0.8981963

00:39:52.780 --> 00:39:54.450 And also when the relationships
NOTE Confidence: 0.8981963

00:39:54.450 --> 00:39:56.800 have been built in the community,
NOTE Confidence: 0.8981963

00:39:56.800 --> 00:39:58.800 those relationships really serve as.
NOTE Confidence: 0.8981963

00:39:58.800 --> 00:39:59.865 The channels through.
NOTE Confidence: 0.8981963

00:39:59.865 --> 00:40:02.350 Which we can get a whole lot
NOTE Confidence: 0.8981963

00:40:02.429 --> 00:40:03.709 of good work done.
NOTE Confidence: 0.8981963

00:40:03.710 --> 00:40:05.294 So that was that was important
NOTE Confidence: 0.8981963

00:40:05.294 --> 00:40:07.698 for us as we pivoted during covid.
NOTE Confidence: 0.78802454

00:40:09.430 --> 00:40:11.187 Thank you, say thank you very much,

NOTE Confidence: 0.78802454

00:40:11.190 --> 00:40:13.948 Camille. And then I I turned to

NOTE Confidence: 0.78802454

00:40:13.948 --> 00:40:16.570 Doctor Nancy close, Nancy. Thank

NOTE Confidence: 0.86954415

00:40:16.570 --> 00:40:19.258 you so much, Linda and welcome everyone.

00:40:19.260 --> 00:40:21.570 It's really nice to be here.

00:40:21.570 --> 00:40:24.842 I'm in complete all of my colleagues and

NOTE Confidence: 0.86954415

00:40:24.842 --> 00:40:27.710 feel privileged to be here with them today.

NOTE Confidence: 0.86954415

00:40:27.710 --> 00:40:30.237 I am the clinical director of our

NOTE Confidence: 0.86954415

00:40:30.237 --> 00:40:32.998 parent clinic which is part of our

NOTE Confidence: 0.86954415

00:40:32.998 --> 00:40:35.003 parent and family development program.

NOTE Confidence: 0.86954415

00:40:35.010 --> 00:40:37.314 I also work clinically with young

NOTE Confidence: 0.86954415

00:40:37.314 --> 00:40:38.850 children and their parents.

NOTE Confidence: 0.86954415

00:40:38.850 --> 00:40:40.728 I supervise our trainees and consult

NOTE Confidence: 0.86954415

00:40:40.728 --> 00:40:43.025 to some of our early childhood

NOTE Confidence: 0.86954415

00:40:43.025 --> 00:40:44.989 education programs during Covid.

NOTE Confidence: 0.86954415

00:40:44.990 --> 00:40:46.970 I've also been leading our

NOTE Confidence: 0.86954415

00:40:46.970 --> 00:40:48.554 Co leading a group.
NOTE Confidence: 0.86954415

00:40:48.560 --> 00:40:49.286 Her parents,
NOTE Confidence: 0.86954415

00:40:49.286 --> 00:40:51.464 who are employed by the hospital
NOTE Confidence: 0.86954415

00:40:51.464 --> 00:40:53.838 and who have young children and
NOTE Confidence: 0.86954415

00:40:53.838 --> 00:40:55.813 have been working from home,
NOTE Confidence: 0.86954415

00:40:55.820 --> 00:40:58.263 working very hard to balance work and
NOTE Confidence: 0.86954415

00:40:58.263 --> 00:41:00.400 manageing home or hybrid learning.
NOTE Confidence: 0.86954415

00:41:00.400 --> 00:41:02.556 What I would like to share with
NOTE Confidence: 0.86954415

00:41:02.556 --> 00:41:05.413 you is what I've seen both in
NOTE Confidence: 0.86954415

00:41:05.413 --> 00:41:07.273 clinical and educational settings.
NOTE Confidence: 0.86954415

00:41:07.280 --> 00:41:09.572 We're well into our 8th month
NOTE Confidence: 0.86954415

00:41:09.572 --> 00:41:11.100 of working from home,
NOTE Confidence: 0.86954415

00:41:11.100 --> 00:41:13.770 Parents with young children or.
NOTE Confidence: 0.86954415

00:41:13.770 --> 00:41:16.155 Finding time to attend more
NOTE Confidence: 0.86954415

00:41:16.155 --> 00:41:17.586 exclusively to work.
NOTE Confidence: 0.86954415

00:41:17.590 --> 00:41:18.068 Currently,

NOTE Confidence: 0.86954415

00:41:18.068 --> 00:41:21.892 if their children are in daycare or school,

NOTE Confidence: 0.86954415

00:41:21.900 --> 00:41:25.230 full time like a really fragile an

NOTE Confidence: 0.86954415

00:41:25.230 --> 00:41:27.580 unpredictable time with anxiety growing

NOTE Confidence: 0.86954415

00:41:27.580 --> 00:41:30.982 as the kobid rates are increasing so

NOTE Confidence: 0.86954415

00:41:30.982 --> 00:41:33.850 children are presenting in various ways,

NOTE Confidence: 0.86954415

00:41:33.850 --> 00:41:34.966 what we're seeing,

NOTE Confidence: 0.86954415

00:41:34.966 --> 00:41:37.198 we see regression more than what

NOTE Confidence: 0.86954415

00:41:37.198 --> 00:41:39.579 is developmentally appropriate.

NOTE Confidence: 0.86954415

00:41:39.580 --> 00:41:42.448 We see children using baby talk,

NOTE Confidence: 0.86954415

00:41:42.450 --> 00:41:44.286 needing help with routines.

NOTE Confidence: 0.86954415

00:41:44.286 --> 00:41:47.040 Having trouble with sleeping and eating

NOTE Confidence: 0.86954415

00:41:47.115 --> 00:41:49.070 and toileting coping with strong

NOTE Confidence: 0.86954415

00:41:49.070 --> 00:41:52.260 feelings that come up is very challenging.

NOTE Confidence: 0.86954415

00:41:52.260 --> 00:41:54.630 We see temper tantrums even even

NOTE Confidence: 0.86954415

00:41:54.630 --> 00:41:56.970 in older school age children,

NOTE Confidence: 0.86954415

00:41:56.970 --> 00:41:59.959 and many of these occur over small
NOTE Confidence: 0.86954415

00:41:59.959 --> 00:42:01.680 disappointments an are lasting
NOTE Confidence: 0.86954415

00:42:01.680 --> 00:42:02.932 longer than usual,
NOTE Confidence: 0.86954415

00:42:02.932 --> 00:42:05.398 which thinking of the stress that
NOTE Confidence: 0.86954415

00:42:05.398 --> 00:42:08.099 that adds to parents and teachers.
NOTE Confidence: 0.86954415

00:42:08.100 --> 00:42:10.068 Behavioral challenges have also
NOTE Confidence: 0.86954415

00:42:10.068 --> 00:42:12.528 increased when children were exclusively
NOTE Confidence: 0.86954415

00:42:12.528 --> 00:42:14.668 engaging in virtual or home school.
NOTE Confidence: 0.86954415

00:42:14.670 --> 00:42:17.141 We notice their sadness over not being
NOTE Confidence: 0.86954415

00:42:17.141 --> 00:42:19.450 with their friends and their teachers,
NOTE Confidence: 0.86954415

00:42:19.450 --> 00:42:21.712 and some children actually avoided zoom
NOTE Confidence: 0.86954415

00:42:21.712 --> 00:42:23.920 sessions with their teacher and their
NOTE Confidence: 0.86954415

00:42:23.920 --> 00:42:25.891 friends because seeing them regularly
NOTE Confidence: 0.86954415

00:42:25.891 --> 00:42:29.748 really cause them to feel too sad.
NOTE Confidence: 0.86954415

00:42:29.750 --> 00:42:31.730 It with thinking about parents.
NOTE Confidence: 0.86954415

00:42:31.730 --> 00:42:34.506 We know that during a crisis children do

NOTE Confidence: 0.86954415

00:42:34.506 --> 00:42:37.576 as well as the important adults in their

NOTE Confidence: 0.86954415

00:42:37.576 --> 00:42:40.419 lives to parents are feeling stressed,

NOTE Confidence: 0.86954415

00:42:40.420 --> 00:42:41.996 really overwhelmed and pulled

NOTE Confidence: 0.86954415

00:42:41.996 --> 00:42:43.178 in multiple directions.

NOTE Confidence: 0.86954415

00:42:43.180 --> 00:42:45.688 Summer out of work and facing

NOTE Confidence: 0.86954415

00:42:45.688 --> 00:42:47.789 financial challenges for those who

NOTE Confidence: 0.86954415

00:42:47.789 --> 00:42:50.288 are lucky enough to be working there,

NOTE Confidence: 0.86954415

00:42:50.290 --> 00:42:53.055 juggling work with having children at home,

NOTE Confidence: 0.86954415

00:42:53.060 --> 00:42:54.860 they've been responsible for

NOTE Confidence: 0.86954415

00:42:54.860 --> 00:42:57.110 homeschooling so often they admit

NOTE Confidence: 0.86954415

00:42:57.110 --> 00:42:59.651 they resort to putting videos on an

NOTE Confidence: 0.86954415

00:42:59.651 --> 00:43:01.893 worry so much about their children

NOTE Confidence: 0.86954415

00:43:01.893 --> 00:43:03.958 having too much screen time.

NOTE Confidence: 0.86954415

00:43:03.960 --> 00:43:05.632 And being socially deprived,

NOTE Confidence: 0.86954415

00:43:05.632 --> 00:43:07.304 parental guilt is guilt.

NOTE Confidence: 0.86954415

00:43:07.310 --> 00:43:10.250 With a capital, G has an worry,
NOTE Confidence: 0.86954415

00:43:10.250 --> 00:43:11.447 have increased significantly.
NOTE Confidence: 0.86954415

00:43:11.447 --> 00:43:13.043 Finding and affording childcare
NOTE Confidence: 0.86954415

00:43:13.043 --> 00:43:14.850 has been a challenge.
NOTE Confidence: 0.86954415

00:43:14.850 --> 00:43:17.148 Some families have lost loved ones
NOTE Confidence: 0.86954415

00:43:17.148 --> 00:43:19.687 to covid all families worry about
NOTE Confidence: 0.86954415

00:43:19.687 --> 00:43:21.555 exposure and staying healthy.
NOTE Confidence: 0.86954415

00:43:21.560 --> 00:43:24.215 It's really difficult to hold
NOTE Confidence: 0.86954415

00:43:24.215 --> 00:43:27.910 on to hope as we entered.
NOTE Confidence: 0.86954415

00:43:27.910 --> 00:43:29.665 Our clinicians are clinics transition
NOTE Confidence: 0.86954415

00:43:29.665 --> 00:43:31.830 to Tele Health was very quick.
NOTE Confidence: 0.86954415

00:43:31.830 --> 00:43:34.056 It went smoothly for some parents and
NOTE Confidence: 0.86954415

00:43:34.056 --> 00:43:36.450 enabled them to keep more appointments.
NOTE Confidence: 0.86954415

00:43:36.450 --> 00:43:38.970 Other parents do not have Internet or
NOTE Confidence: 0.86954415

00:43:38.970 --> 00:43:41.438 enough cell service to have video visits.
NOTE Confidence: 0.86954415

00:43:41.440 --> 00:43:43.165 Others don't want to show

NOTE Confidence: 0.86954415
00:43:43.165 --> 00:43:44.890 themselves on video and still
NOTE Confidence: 0.8635841
00:43:44.958 --> 00:43:46.778 others don't want their home.
NOTE Confidence: 0.8635841
00:43:46.780 --> 00:43:48.192 Seeing by the clinicians.
NOTE Confidence: 0.8635841
00:43:48.192 --> 00:43:50.310 Some parents seen in the parent
NOTE Confidence: 0.8635841
00:43:50.376 --> 00:43:52.344 clinic or challenge to find a
NOTE Confidence: 0.8635841
00:43:52.344 --> 00:43:54.104 private space for their session
NOTE Confidence: 0.8635841
00:43:54.104 --> 00:43:56.384 because their children are at home,
NOTE Confidence: 0.8635841
00:43:56.390 --> 00:43:58.790 some end up in a car.
NOTE Confidence: 0.8635841
00:43:58.790 --> 00:44:00.715 On the back porch or even one
NOTE Confidence: 0.8635841
00:44:00.715 --> 00:44:03.100 parent was in the garage and then
NOTE Confidence: 0.8635841
00:44:03.100 --> 00:44:04.960 another parent even connected when
NOTE Confidence: 0.8635841
00:44:04.960 --> 00:44:07.281 she was on her break while she
NOTE Confidence: 0.8635841
00:44:07.281 --> 00:44:08.860 was working at Dunkin' Donuts.
NOTE Confidence: 0.8635841
00:44:08.860 --> 00:44:10.780 We are finding that many parents
NOTE Confidence: 0.8635841
00:44:10.780 --> 00:44:12.423 are more consistent in keeping
NOTE Confidence: 0.8635841

00:44:12.423 --> 00:44:13.679 their appointments than when
NOTE Confidence: 0.8635841

00:44:13.679 --> 00:44:15.370 they were coming in person.
NOTE Confidence: 0.8635841

00:44:15.370 --> 00:44:17.638 So thinking about children in their sessions,
NOTE Confidence: 0.8635841

00:44:17.640 --> 00:44:19.928 if their parents help them set up a
NOTE Confidence: 0.8635841

00:44:19.928 --> 00:44:22.189 play space for their therapy session,
NOTE Confidence: 0.8635841

00:44:22.190 --> 00:44:23.735 we've really been able to
NOTE Confidence: 0.8635841

00:44:23.735 --> 00:44:25.770 continue the work on Tele Health.
NOTE Confidence: 0.8635841

00:44:25.770 --> 00:44:27.947 We were really skeptical about being able
NOTE Confidence: 0.8635841

00:44:27.947 --> 00:44:30.439 to do work with very young children.
NOTE Confidence: 0.8635841

00:44:30.440 --> 00:44:31.780 On on the screen,
NOTE Confidence: 0.8635841

00:44:31.780 --> 00:44:32.785 but it is.
NOTE Confidence: 0.8635841

00:44:32.790 --> 00:44:35.470 It is going and we are doing the
NOTE Confidence: 0.8635841

00:44:35.470 --> 00:44:37.510 work and certainly this works best
NOTE Confidence: 0.8635841

00:44:37.510 --> 00:44:39.360 if there's been an established
NOTE Confidence: 0.8635841

00:44:39.360 --> 00:44:40.840 relationship with the clinician
NOTE Confidence: 0.8635841

00:44:40.902 --> 00:44:42.600 and some there are some children

NOTE Confidence: 0.8635841

00:44:42.600 --> 00:44:44.514 have not been able to tolerate

NOTE Confidence: 0.8635841

00:44:44.514 --> 00:44:46.856 Tele health and and kind of a

NOTE Confidence: 0.8635841

00:44:46.856 --> 00:44:48.870 telltale sign as if you're sitting

NOTE Confidence: 0.8635841

00:44:48.870 --> 00:44:50.880 there trying to see the child.

NOTE Confidence: 0.8635841

00:44:50.880 --> 00:44:53.440 And though and the world seems to be

NOTE Confidence: 0.8635841

00:44:53.440 --> 00:44:55.898 turning upside down every time you connect,

NOTE Confidence: 0.8635841

00:44:55.900 --> 00:44:58.588 it's it's kind of an indication that

NOTE Confidence: 0.8635841

00:44:58.588 --> 00:45:00.960 maybe Tele health is not for that.

NOTE Confidence: 0.8635841

00:45:00.960 --> 00:45:02.935 Killer Child we've been fortunate

NOTE Confidence: 0.8635841

00:45:02.935 --> 00:45:06.134 in that we have been able to bring

NOTE Confidence: 0.8635841

00:45:06.134 --> 00:45:08.426 some children back to the clinic,

NOTE Confidence: 0.8635841

00:45:08.430 --> 00:45:10.520 and when those children returned

NOTE Confidence: 0.8635841

00:45:10.520 --> 00:45:12.192 there extremely excited and

NOTE Confidence: 0.8635841

00:45:12.192 --> 00:45:14.318 happy and the work can continue.

NOTE Confidence: 0.8635841

00:45:14.320 --> 00:45:16.642 Most most children know about and

NOTE Confidence: 0.8635841

00:45:16.642 --> 00:45:18.650 have some understanding of kovid,
NOTE Confidence: 0.8635841

00:45:18.650 --> 00:45:21.394 and they've begun to play about Covid
NOTE Confidence: 0.8635841

00:45:21.394 --> 00:45:24.150 in their sessions by giving baby dolls,
NOTE Confidence: 0.8635841

00:45:24.150 --> 00:45:26.733 covid tests and then they can be
NOTE Confidence: 0.8635841

00:45:26.733 --> 00:45:29.140 pretty feel sorry for those baby
NOTE Confidence: 0.8635841

00:45:29.140 --> 00:45:31.576 dolls because they get that little
NOTE Confidence: 0.8635841

00:45:31.576 --> 00:45:33.687 Q-tip stuffed up their nose.
NOTE Confidence: 0.8635841

00:45:33.690 --> 00:45:34.834 And also flu shots.
NOTE Confidence: 0.8635841

00:45:34.834 --> 00:45:36.550 Many of the children are also
NOTE Confidence: 0.8635841

00:45:36.616 --> 00:45:38.020 getting their flu shots.
NOTE Confidence: 0.8635841

00:45:38.020 --> 00:45:39.945 I would say that Tele health sessions
NOTE Confidence: 0.8635841

00:45:39.945 --> 00:45:41.420 are really always interesting.
NOTE Confidence: 0.8635841

00:45:41.420 --> 00:45:43.576 I never quite know what to expect.
NOTE Confidence: 0.8635841

00:45:43.580 --> 00:45:45.778 One day a little boy was going
NOTE Confidence: 0.8635841

00:45:45.778 --> 00:45:47.600 upstairs to show me his room.
NOTE Confidence: 0.8635841

00:45:47.600 --> 00:45:49.145 Children are really excited about

NOTE Confidence: 0.8635841

00:45:49.145 --> 00:45:50.690 showing showing me their rooms.

NOTE Confidence: 0.8635841

00:45:50.690 --> 00:45:52.524 He wanted to get a book and

NOTE Confidence: 0.8635841

00:45:52.524 --> 00:45:54.080 bring it back downstairs.

NOTE Confidence: 0.8635841

00:45:54.080 --> 00:45:56.720 So he was struggling to manage his tablet

NOTE Confidence: 0.8635841

00:45:56.720 --> 00:45:59.647 and his book at the same time and he said,

NOTE Confidence: 0.8635841

00:45:59.647 --> 00:46:01.500 oh don't worry, I got you.

NOTE Confidence: 0.8635841

00:46:01.500 --> 00:46:01.810 Whoops,

NOTE Confidence: 0.8635841

00:46:01.810 --> 00:46:02.740 it's too heavy.

NOTE Confidence: 0.8635841

00:46:02.740 --> 00:46:04.720 I can only lay you down.

NOTE Confidence: 0.8635841

00:46:04.720 --> 00:46:07.080 And he put the screen on top of

NOTE Confidence: 0.8635841

00:46:07.080 --> 00:46:09.189 the books and then I could only

NOTE Confidence: 0.8635841

00:46:09.189 --> 00:46:11.410 see the top of the stairway and

NOTE Confidence: 0.8635841

00:46:11.410 --> 00:46:13.874 then he said steady as it goes.

NOTE Confidence: 0.8635841

00:46:13.880 --> 00:46:15.794 Another little girl told her mother

NOTE Confidence: 0.8635841

00:46:15.794 --> 00:46:17.739 who was putting the phone with

NOTE Confidence: 0.8635841

00:46:17.739 --> 00:46:19.563 the video session on his shelf.
NOTE Confidence: 0.8635841

00:46:19.570 --> 00:46:21.466 Said don't put Doctor Nancy there.
NOTE Confidence: 0.8635841

00:46:21.470 --> 00:46:23.402 She might fall and then another
NOTE Confidence: 0.8635841

00:46:23.402 --> 00:46:25.297 little girl who's been in multiple
NOTE Confidence: 0.8635841

00:46:25.297 --> 00:46:27.489 foster homes is she was it was she
NOTE Confidence: 0.8635841

00:46:27.552 --> 00:46:29.586 was under two recently began working
NOTE Confidence: 0.8635841

00:46:29.586 --> 00:46:31.898 with me after ending with a beloved
NOTE Confidence: 0.8635841

00:46:31.898 --> 00:46:34.110 clinician that she had for two years.
NOTE Confidence: 0.88189673

00:46:34.110 --> 00:46:36.638 But who left the clinic after she completed.
NOTE Confidence: 0.86610425

00:46:36.700 --> 00:46:37.759 Our training for
NOTE Confidence: 0.86610425

00:46:37.760 --> 00:46:39.168 several weeks, this little
NOTE Confidence: 0.86610425

00:46:39.170 --> 00:46:41.354 girl called me by that clinicians
NOTE Confidence: 0.86610425

00:46:41.354 --> 00:46:43.409 name or no name at all.
NOTE Confidence: 0.86610425

00:46:43.410 --> 00:46:45.522 She finally began to play with
NOTE Confidence: 0.86610425

00:46:45.522 --> 00:46:46.962 her baby dolls, nurturing.
NOTE Confidence: 0.86610425

00:46:46.962 --> 00:46:49.636 Let them gently and lovingly an invited

NOTE Confidence: 0.86610425

00:46:49.636 --> 00:46:52.587 me to play with mine in the same way,

NOTE Confidence: 0.86610425

00:46:52.590 --> 00:46:54.846 this was a game that she regularly played

NOTE Confidence: 0.86610425

00:46:54.846 --> 00:46:57.169 with her previous connection clinician,

NOTE Confidence: 0.86610425

00:46:57.170 --> 00:46:59.494 and this was. This was several weeks

NOTE Confidence: 0.86610425

00:46:59.494 --> 00:47:02.120 into twice a week sessions with her.

NOTE Confidence: 0.86610425

00:47:02.120 --> 00:47:04.678 I felt relieved that she was beginning

NOTE Confidence: 0.86610425

00:47:04.678 --> 00:47:07.870 to trust me and maybe connect to me.

NOTE Confidence: 0.86610425

00:47:07.870 --> 00:47:09.350 She avoids exploring feelings

NOTE Confidence: 0.86610425

00:47:09.350 --> 00:47:10.830 connected to her losses,

NOTE Confidence: 0.86610425

00:47:10.830 --> 00:47:13.050 but she can express her ambivalence.

NOTE Confidence: 0.86610425

00:47:13.050 --> 00:47:14.900 Her anxiety about the fragility

NOTE Confidence: 0.86610425

00:47:14.900 --> 00:47:16.750 of relationships and be explicit,

NOTE Confidence: 0.86610425

00:47:16.750 --> 00:47:18.970 especially with me about her anger.

NOTE Confidence: 0.86610425

00:47:18.970 --> 00:47:21.930 One day, she had a really positive session,

NOTE Confidence: 0.86610425

00:47:21.930 --> 00:47:24.890 during which she played with the baby dolls,

NOTE Confidence: 0.86610425

00:47:24.890 --> 00:47:27.290 called Me by my name and I was
NOTE Confidence: 0.86610425

00:47:27.290 --> 00:47:29.344 like cheering and talked about
NOTE Confidence: 0.86610425

00:47:29.344 --> 00:47:31.180 friends being friends forever.
NOTE Confidence: 0.86610425

00:47:31.180 --> 00:47:34.510 However, when it was time to end the session,
NOTE Confidence: 0.86610425

00:47:34.510 --> 00:47:36.730 which is often hard for her,
NOTE Confidence: 0.86610425

00:47:36.730 --> 00:47:39.010 because endings do bring up her.
NOTE Confidence: 0.86610425

00:47:39.010 --> 00:47:42.106 Her complicated feelings about
NOTE Confidence: 0.86610425

00:47:42.106 --> 00:47:45.976 saying goodbye and losing people.
NOTE Confidence: 0.86610425

00:47:45.980 --> 00:47:48.743 So when it was time to end this session,
NOTE Confidence: 0.86610425

00:47:48.750 --> 00:47:49.366 she came,
NOTE Confidence: 0.86610425

00:47:49.366 --> 00:47:51.830 became upset and this was tough for me.
NOTE Confidence: 0.86610425

00:47:51.830 --> 00:47:53.678 She said you are doctor oldies,
NOTE Confidence: 0.86610425

00:47:53.680 --> 00:47:54.547 mushy and sloppy.
NOTE Confidence: 0.86610425

00:47:54.547 --> 00:47:56.939 I really don't like you and I don't
NOTE Confidence: 0.86610425

00:47:56.939 --> 00:47:59.347 ever want to see you again and then
NOTE Confidence: 0.86610425

00:47:59.347 --> 00:48:01.686 because they have control of hanging up,

NOTE Confidence: 0.86610425

00:48:01.690 --> 00:48:05.029 she was able to press the little

NOTE Confidence: 0.86610425

00:48:05.029 --> 00:48:07.548 red telephone anhang an hang up.

NOTE Confidence: 0.86610425

00:48:07.550 --> 00:48:09.920 We are continuing to kind of

NOTE Confidence: 0.86610425

00:48:09.920 --> 00:48:11.105 build our relationship,

NOTE Confidence: 0.86610425

00:48:11.110 --> 00:48:13.091 so the children I work with who

NOTE Confidence: 0.86610425

00:48:13.091 --> 00:48:14.967 pre covid were struggling with

NOTE Confidence: 0.86610425

00:48:14.967 --> 00:48:17.367 emotional regulation are having more

NOTE Confidence: 0.86610425

00:48:17.367 --> 00:48:19.430 difficulty managing their feelings.

NOTE Confidence: 0.86610425

00:48:19.430 --> 00:48:23.183 One was asked to leave the camp over the

NOTE Confidence: 0.86610425

00:48:23.183 --> 00:48:26.918 summer and was referred to the Ed and

NOTE Confidence: 0.86610425

00:48:26.918 --> 00:48:30.349 has been hospitalised two times since March.

NOTE Confidence: 0.86610425

00:48:30.350 --> 00:48:33.023 I saw him last night and he is doing

NOTE Confidence: 0.86610425

00:48:33.023 --> 00:48:35.202 well the child welfare system has

NOTE Confidence: 0.86610425

00:48:35.202 --> 00:48:37.940 not been able to have in person

NOTE Confidence: 0.86610425

00:48:37.940 --> 00:48:40.075 visits for children and parents

NOTE Confidence: 0.86610425

00:48:40.075 --> 00:48:42.575 who are separated an our child.
NOTE Confidence: 0.86610425

00:48:42.575 --> 00:48:44.195 Welfare colleagues are concerned
NOTE Confidence: 0.86610425

00:48:44.195 --> 00:48:46.386 because reporting of abuse and neglect
NOTE Confidence: 0.86610425

00:48:46.386 --> 00:48:49.020 has been down 50% and they do have
NOTE Confidence: 0.86610425

00:48:49.020 --> 00:48:51.150 worries about the safety of children
NOTE Confidence: 0.86610425

00:48:51.217 --> 00:48:53.945 in terms of return to school and most
NOTE Confidence: 0.86610425

00:48:53.945 --> 00:48:56.038 familiar with child care programs.
NOTE Confidence: 0.86610425

00:48:56.040 --> 00:48:58.476 Some that have been serving frontline workers
NOTE Confidence: 0.86610425

00:48:58.476 --> 00:49:00.970 have been open throughout the pandemic.
NOTE Confidence: 0.86610425

00:49:00.970 --> 00:49:03.553 Others reopen this fall after a tremendous
NOTE Confidence: 0.86610425

00:49:03.553 --> 00:49:05.688 amount of planning over the summer,
NOTE Confidence: 0.86610425

00:49:05.690 --> 00:49:07.142 which included renovating classroom
NOTE Confidence: 0.86610425

00:49:07.142 --> 00:49:08.957 space to accommodate small groups,
NOTE Confidence: 0.86610425

00:49:08.960 --> 00:49:10.773 erecting tents outdoors at an
NOTE Confidence: 0.86610425

00:49:10.773 --> 00:49:12.589 increasing amount outside time plan,
NOTE Confidence: 0.86610425

00:49:12.590 --> 00:49:14.410 there was great excitement around

NOTE Confidence: 0.86610425

00:49:14.410 --> 00:49:16.580 welcoming children back in the fall.

NOTE Confidence: 0.86610425

00:49:16.580 --> 00:49:18.200 Parents felt relief about being

NOTE Confidence: 0.86610425

00:49:18.200 --> 00:49:20.708 able to go to work without worrying

NOTE Confidence: 0.86610425

00:49:20.708 --> 00:49:22.748 about having no child care,

NOTE Confidence: 0.86610425

00:49:22.750 --> 00:49:25.256 but they have new worries which include

NOTE Confidence: 0.86610425

00:49:25.256 --> 00:49:28.556 what if my child is exposed to the virus.

NOTE Confidence: 0.86610425

00:49:28.560 --> 00:49:31.101 What if my child has a cold

NOTE Confidence: 0.86610425

00:49:31.101 --> 00:49:33.039 and cannot go to school?

NOTE Confidence: 0.86610425

00:49:33.040 --> 00:49:34.936 How will I manage childcare again?

NOTE Confidence: 0.86610425

00:49:34.940 --> 00:49:36.490 Will my child feel comfortable

NOTE Confidence: 0.86610425

00:49:36.490 --> 00:49:38.412 being back at school even though

NOTE Confidence: 0.86610425

00:49:38.412 --> 00:49:40.308 her best friend is not returning?

NOTE Confidence: 0.86610425

00:49:40.310 --> 00:49:42.200 Are we doing the right thing?

NOTE Confidence: 0.86610425

00:49:42.200 --> 00:49:44.096 Setting our child back to school?

NOTE Confidence: 0.86610425

00:49:44.100 --> 00:49:45.560 The worries continue and to

NOTE Confidence: 0.86610425

00:49:45.560 --> 00:49:47.020 impact the well being of
NOTE Confidence: 0.8446841

00:49:47.076 --> 00:49:49.274 parents and children and currently the big
NOTE Confidence: 0.8446841

00:49:49.274 --> 00:49:51.680 worry is will we have another shutdown?
NOTE Confidence: 0.8446841

00:49:51.680 --> 00:49:53.892 Children are happy to be back at
NOTE Confidence: 0.8446841

00:49:53.892 --> 00:49:55.930 their schools. However Covid is on
NOTE Confidence: 0.8446841

00:49:55.930 --> 00:49:58.030 their minds when little boy said
NOTE Confidence: 0.8446841

00:49:58.100 --> 00:50:00.388 to me he was worried he would say.
NOTE Confidence: 0.8446841

00:50:00.390 --> 00:50:01.650 Did Covid at school.
NOTE Confidence: 0.8446841

00:50:01.650 --> 00:50:04.182 I reassured him that got sick and that
NOTE Confidence: 0.8446841

00:50:04.182 --> 00:50:06.710 he was so good at wearing his mask.
NOTE Confidence: 0.8446841

00:50:06.710 --> 00:50:08.740 A director of one of the local
NOTE Confidence: 0.8446841

00:50:08.740 --> 00:50:10.892 centers told me that the day begins
NOTE Confidence: 0.8446841

00:50:10.892 --> 00:50:12.710 outside and this is true for
NOTE Confidence: 0.8446841

00:50:12.777 --> 00:50:14.607 most most child care centers.
NOTE Confidence: 0.8446841

00:50:14.610 --> 00:50:16.392 Begins at outside in that more
NOTE Confidence: 0.8446841

00:50:16.392 --> 00:50:18.638 parts of the day are being spent

NOTE Confidence: 0.8446841

00:50:18.638 --> 00:50:20.293 outside door due to Covid.

NOTE Confidence: 0.8446841

00:50:20.300 --> 00:50:22.262 She's noticing that children are much

NOTE Confidence: 0.8446841

00:50:22.262 --> 00:50:24.166 more comfortable with the outside drop

NOTE Confidence: 0.8446841

00:50:24.166 --> 00:50:26.326 off and goodbye then they were with the

NOTE Confidence: 0.8446841

00:50:26.381 --> 00:50:28.196 goodbye inside the center building.

NOTE Confidence: 0.8446841

00:50:28.200 --> 00:50:30.244 The current outdoor play of a group

NOTE Confidence: 0.8446841

00:50:30.244 --> 00:50:32.309 of four year old children also

NOTE Confidence: 0.8446841

00:50:32.309 --> 00:50:34.174 reflects what's on their minds.

NOTE Confidence: 0.8446841

00:50:34.180 --> 00:50:36.352 At this center the teachers greet

NOTE Confidence: 0.8446841

00:50:36.352 --> 00:50:38.247 the children every morning and

NOTE Confidence: 0.8446841

00:50:38.247 --> 00:50:40.157 parents outside ask the questions,

NOTE Confidence: 0.8446841

00:50:40.160 --> 00:50:41.656 take the children's temperature

NOTE Confidence: 0.8446841

00:50:41.656 --> 00:50:43.900 before they are allowed to enter,

NOTE Confidence: 0.8446841

00:50:43.900 --> 00:50:45.400 enter into the group.

NOTE Confidence: 0.8446841

00:50:45.400 --> 00:50:46.150 So recently,

NOTE Confidence: 0.8446841

00:50:46.150 --> 00:50:47.930 during outdoor play the children
NOTE Confidence: 0.8446841

00:50:47.930 --> 00:50:50.180 used milk crates to build their
NOTE Confidence: 0.8446841

00:50:50.180 --> 00:50:51.380 own check-in tables.
NOTE Confidence: 0.8446841

00:50:51.380 --> 00:50:53.600 They've developed their own questions
NOTE Confidence: 0.8446841

00:50:53.600 --> 00:50:56.449 for the teachers and children who engage
NOTE Confidence: 0.8446841

00:50:56.449 --> 00:50:59.609 in the play and want to come to those tables.
NOTE Confidence: 0.8446841

00:50:59.610 --> 00:51:00.360 They'll ask,
NOTE Confidence: 0.8446841

00:51:00.360 --> 00:51:01.860 have you been traveling?
NOTE Confidence: 0.8446841

00:51:01.860 --> 00:51:03.392 Where did you go?
NOTE Confidence: 0.8446841

00:51:03.392 --> 00:51:04.924 Have you been diagnosed?
NOTE Confidence: 0.8446841

00:51:04.930 --> 00:51:06.676 Have you been taking your vitamins?
NOTE Confidence: 0.8446841

00:51:06.680 --> 00:51:08.426 They pretend to write the answers
NOTE Confidence: 0.8446841

00:51:08.426 --> 00:51:09.299 with a stick,
NOTE Confidence: 0.8446841

00:51:09.300 --> 00:51:11.320 and then pretended to take some pictures.
NOTE Confidence: 0.8446841

00:51:11.320 --> 00:51:13.280 They decide who will be able to
NOTE Confidence: 0.8446841

00:51:13.280 --> 00:51:15.079 enter the school and that they

NOTE Confidence: 0.8446841

00:51:15.079 --> 00:51:16.855 have also built with milk crates.

NOTE Confidence: 0.8446841

00:51:16.860 --> 00:51:18.576 The director also shared with me

NOTE Confidence: 0.8446841

00:51:18.576 --> 00:51:20.636 that they're working so hard to be

NOTE Confidence: 0.8446841

00:51:20.636 --> 00:51:22.066 sure that children are sanitizing

NOTE Confidence: 0.8446841

00:51:22.066 --> 00:51:23.259 their hands on arrival.

NOTE Confidence: 0.8446841

00:51:23.260 --> 00:51:25.460 She said they had a chuckle the other

NOTE Confidence: 0.8446841

00:51:25.460 --> 00:51:27.612 day when a little boy took off his

NOTE Confidence: 0.8446841

00:51:27.612 --> 00:51:29.357 gloves to use the hand sanitizer

NOTE Confidence: 0.8446841

00:51:29.357 --> 00:51:31.325 only struggled to put his gloves

NOTE Confidence: 0.8446841

00:51:31.325 --> 00:51:33.445 back on and expose his hands to

NOTE Confidence: 0.8446841

00:51:33.445 --> 00:51:35.549 whatever germs were inside his gloves and.

NOTE Confidence: 0.8446841

00:51:35.550 --> 00:51:38.119 You know, the director said to me,

NOTE Confidence: 0.8446841

00:51:38.120 --> 00:51:38.476 well,

NOTE Confidence: 0.8446841

00:51:38.476 --> 00:51:38.832 we,

NOTE Confidence: 0.8446841

00:51:38.832 --> 00:51:41.324 you know we need to really keep

NOTE Confidence: 0.8446841

00:51:41.324 --> 00:51:42.888 problemsolving about as friendly.
NOTE Confidence: 0.8446841

00:51:42.890 --> 00:51:45.459 I just want to share with you
NOTE Confidence: 0.8446841

00:51:45.459 --> 00:51:46.560 about a presentation.
NOTE Confidence: 0.8446841

00:51:46.560 --> 00:51:48.130 Karen Baker from Scholastic Books
NOTE Confidence: 0.8446841

00:51:48.130 --> 00:51:50.172 and I did on secondary traumatic
NOTE Confidence: 0.8446841

00:51:50.172 --> 00:51:52.632 stress at a virtual conference called
NOTE Confidence: 0.8446841

00:51:52.632 --> 00:51:54.284 Building Trauma Sensitive schools
NOTE Confidence: 0.8446841

00:51:54.284 --> 00:51:56.474 that was sponsored by the Association
NOTE Confidence: 0.8446841

00:51:56.474 --> 00:51:57.905 for Supervision and Curriculum.
NOTE Confidence: 0.8446841

00:51:57.905 --> 00:51:59.915 The zoom Chat room was very
NOTE Confidence: 0.8446841

00:51:59.915 --> 00:52:01.730 busy during the presentation and
NOTE Confidence: 0.8446841

00:52:01.730 --> 00:52:03.962 reflected the impact that Covid is
NOTE Confidence: 0.8446841

00:52:03.962 --> 00:52:06.109 having on teachers and students.
NOTE Confidence: 0.8446841

00:52:06.110 --> 00:52:08.756 And then some of the comments included.
NOTE Confidence: 0.8446841

00:52:08.760 --> 00:52:11.026 It's hard when symptoms of secondary
NOTE Confidence: 0.8446841

00:52:11.026 --> 00:52:12.496 traumatic stress overlap with

NOTE Confidence: 0.8446841

00:52:12.496 --> 00:52:14.286 covid traumas experienced by my

NOTE Confidence: 0.8446841

00:52:14.286 --> 00:52:15.940 students have definitely increased.

NOTE Confidence: 0.8446841

00:52:15.940 --> 00:52:18.956 Now that school is happening in the home,

NOTE Confidence: 0.8446841

00:52:18.960 --> 00:52:21.984 it's hard for teachers to leave it behind.

NOTE Confidence: 0.8446841

00:52:21.990 --> 00:52:23.506 Temper tantrums are definitely

NOTE Confidence: 0.8446841

00:52:23.506 --> 00:52:26.140 occurring at the college level as well.

NOTE Confidence: 0.8446841

00:52:26.140 --> 00:52:27.412 And so in closing,

NOTE Confidence: 0.8446841

00:52:27.412 --> 00:52:30.364 I'd like to just say I think it's

NOTE Confidence: 0.8446841

00:52:30.364 --> 00:52:32.209 clear that children, parents,

NOTE Confidence: 0.8446841

00:52:32.209 --> 00:52:32.608 teachers,

NOTE Confidence: 0.8446841

00:52:32.608 --> 00:52:34.603 and clinicians are all working

NOTE Confidence: 0.8446841

00:52:34.603 --> 00:52:36.820 extremely hard to cope and manage.

NOTE Confidence: 0.8446841

00:52:36.820 --> 00:52:38.800 And I'm hoping with our support

NOTE Confidence: 0.8446841

00:52:38.800 --> 00:52:40.120 we'll be able to

NOTE Confidence: 0.8891502

00:52:40.191 --> 00:52:42.414 continue to do so, so thank you.

NOTE Confidence: 0.8891502

00:52:42.414 --> 00:52:43.726 Thank you very much.
NOTE Confidence: 0.8891031

00:52:45.280 --> 00:52:47.970 Thank you very much, Nancy.
NOTE Confidence: 0.8891031

00:52:47.970 --> 00:52:49.830 And thanks to everyone who presented,
NOTE Confidence: 0.8891031

00:52:49.830 --> 00:52:51.934 but I think you can see the range
NOTE Confidence: 0.8891031

00:52:51.934 --> 00:52:54.543 of our involvement in schools in the
NOTE Confidence: 0.8891031

00:52:54.543 --> 00:52:56.950 tremendous impact take over his head.
NOTE Confidence: 0.8891031

00:52:56.950 --> 00:52:59.008 But how we're trying to to
NOTE Confidence: 0.8891031

00:52:59.008 --> 00:53:01.445 help him work with children and
NOTE Confidence: 0.8891031

00:53:01.445 --> 00:53:03.900 families were open to questions.
NOTE Confidence: 0.8891031

00:53:03.900 --> 00:53:07.050 Discussion points. As I said earlier,
NOTE Confidence: 0.8891031

00:53:07.050 --> 00:53:09.840 please use the chat or just.
NOTE Confidence: 0.8891031

00:53:09.840 --> 00:53:12.203 Unmute yourself and ask a question,
NOTE Confidence: 0.8891031

00:53:12.203 --> 00:53:14.172 but we would really be
NOTE Confidence: 0.8891031

00:53:14.172 --> 00:53:15.748 delighted to to discuss.
NOTE Confidence: 0.86008596

00:53:21.450 --> 00:53:25.524 I think I would pose a question
NOTE Confidence: 0.86008596

00:53:25.524 --> 00:53:30.178 to all of you as your as we're

NOTE Confidence: 0.86008596

00:53:30.180 --> 00:53:31.929 waiting to hear.

NOTE Confidence: 0.86008596

00:53:31.930 --> 00:53:36.466 I know that none of us wanted to

NOTE Confidence: 0.86008596

00:53:36.466 --> 00:53:41.329 be in this next surge of covid

NOTE Confidence: 0.86008596

00:53:41.330 --> 00:53:43.612 and if you had to think about

NOTE Confidence: 0.86008596

00:53:43.612 --> 00:53:45.659 what you've learned from the first

NOTE Confidence: 0.86008596

00:53:45.659 --> 00:53:47.990 surge that you would bring to this,

NOTE Confidence: 0.86008596

00:53:47.990 --> 00:53:49.868 are there some lessons learned that

NOTE Confidence: 0.86008596

00:53:49.868 --> 00:53:51.650 you think would be helpful?

NOTE Confidence: 0.86008596

00:53:51.650 --> 00:53:53.280 I don't know. We're continuing

NOTE Confidence: 0.86008596

00:53:53.280 --> 00:53:55.320 the work into this second surge,

NOTE Confidence: 0.86008596

00:53:55.320 --> 00:53:56.995 but are there lessons learned

NOTE Confidence: 0.86008596

00:53:56.995 --> 00:53:58.980 that you'd like to point out?

NOTE Confidence: 0.8219831

00:54:06.450 --> 00:54:09.187 If I could just say I'm not

NOTE Confidence: 0.8219831

00:54:09.187 --> 00:54:11.949 sure about the lessons per say,

NOTE Confidence: 0.8219831

00:54:11.950 --> 00:54:15.758 but on one of the concerns that we are

NOTE Confidence: 0.8219831

00:54:15.758 --> 00:54:18.155 hearing about from some principles.
NOTE Confidence: 0.8219831

00:54:18.155 --> 00:54:20.980 Here right here in New Haven,
NOTE Confidence: 0.8219831

00:54:20.980 --> 00:54:23.150 Interestingly, is the number of
NOTE Confidence: 0.8219831

00:54:23.150 --> 00:54:26.186 students that are not logging on to
NOTE Confidence: 0.8219831

00:54:26.186 --> 00:54:28.166 participate in the daily lessons.
NOTE Confidence: 0.8219831

00:54:28.170 --> 00:54:30.851 We were quite surprised when a principle
NOTE Confidence: 0.8219831

00:54:30.851 --> 00:54:34.357 we had a zoom meeting last week and
NOTE Confidence: 0.8219831

00:54:34.357 --> 00:54:36.627 then again yesterday with them.
NOTE Confidence: 0.8219831

00:54:36.630 --> 00:54:39.120 Several persons from the community and
NOTE Confidence: 0.8219831

00:54:39.120 --> 00:54:42.383 from one of the schools we're working
NOTE Confidence: 0.8219831

00:54:42.383 --> 00:54:45.932 with and the principle mentioned that above.
NOTE Confidence: 0.8219831

00:54:45.940 --> 00:54:48.383 But the students are not logging on
NOTE Confidence: 0.8219831

00:54:48.383 --> 00:54:51.254 daily and so this is a big concern
NOTE Confidence: 0.8219831

00:54:51.254 --> 00:54:53.370 that they are facing right now,
NOTE Confidence: 0.8219831

00:54:53.370 --> 00:54:55.980 and so they're thinking of.
NOTE Confidence: 0.8219831

00:54:55.980 --> 00:54:58.662 Ways of trying to problem solve

NOTE Confidence: 0.8219831

00:54:58.662 --> 00:54:59.556 that situation.

NOTE Confidence: 0.8219831

00:54:59.560 --> 00:55:02.563 One of the strategies that they were

NOTE Confidence: 0.8219831

00:55:02.563 --> 00:55:04.776 discussing is the whole concept

NOTE Confidence: 0.8219831

00:55:04.776 --> 00:55:07.302 of learning hubs where there could

NOTE Confidence: 0.8219831

00:55:07.302 --> 00:55:10.613 be a place in the community that

NOTE Confidence: 0.8219831

00:55:10.613 --> 00:55:12.998 is identified where students can

NOTE Confidence: 0.8219831

00:55:13.000 --> 00:55:16.342 actually go and and receive help

NOTE Confidence: 0.8219831

00:55:16.342 --> 00:55:19.083 from certain community members who

NOTE Confidence: 0.8219831

00:55:19.083 --> 00:55:22.051 could serve as coaches or tutors to

NOTE Confidence: 0.8219831

00:55:22.051 --> 00:55:24.712 help the students log in or just

NOTE Confidence: 0.8219831

00:55:24.712 --> 00:55:27.088 do it to do the work there.

NOTE Confidence: 0.8219831

00:55:27.088 --> 00:55:29.680 So that for us is a great concern

NOTE Confidence: 0.8219831

00:55:29.752 --> 00:55:32.468 that we are trying to help the

NOTE Confidence: 0.8219831

00:55:32.468 --> 00:55:33.632 schools problem solved.

NOTE Confidence: 0.8219831

00:55:33.640 --> 00:55:35.894 Right now a number of students as

NOTE Confidence: 0.8219831

00:55:35.894 --> 00:55:38.122 Nancy was talking about not seeing
NOTE Confidence: 0.8219831

00:55:38.122 --> 00:55:40.510 their friends and and the socialization
NOTE Confidence: 0.8219831

00:55:40.510 --> 00:55:43.246 aspect of this for them but not logging on,
NOTE Confidence: 0.8219831

00:55:43.250 --> 00:55:44.960 that's that's a big number.
NOTE Confidence: 0.8219831

00:55:44.960 --> 00:55:47.354 So we are quite concerned about that.
NOTE Confidence: 0.8219831

00:55:47.360 --> 00:55:49.418 And if Kobe continues for several
NOTE Confidence: 0.8219831

00:55:49.418 --> 00:55:50.104 more months,
NOTE Confidence: 0.8219831

00:55:50.110 --> 00:55:52.616 I'm not sure what's going to happen
NOTE Confidence: 0.8219831

00:55:52.616 --> 00:55:55.593 to a whole lot of our kids who will
NOTE Confidence: 0.8219831

00:55:55.593 --> 00:55:58.400 be far behind in terms of their.
NOTE Confidence: 0.8219831

00:55:58.400 --> 00:56:00.458 Capabilities to do the work that's
NOTE Confidence: 0.8219831

00:56:00.458 --> 00:56:01.487 expected of them.
NOTE Confidence: 0.88849354

00:56:04.170 --> 00:56:06.042 And I think the reality is
NOTE Confidence: 0.88849354

00:56:06.042 --> 00:56:08.589 that at least that we are now
NOTE Confidence: 0.88849354

00:56:08.589 --> 00:56:10.629 anticipating as covid will continue.
NOTE Confidence: 0.88849354

00:56:10.630 --> 00:56:12.919 Through the spring.

NOTE Confidence: 0.88849354
00:56:12.920 --> 00:56:15.205 Even even with the vaccine
NOTE Confidence: 0.88849354
00:56:15.205 --> 00:56:16.576 or several vaccines.
NOTE Confidence: 0.88849354
00:56:16.580 --> 00:56:17.744 We're certainly planning on
NOTE Confidence: 0.88849354
00:56:17.744 --> 00:56:19.199 going through April at least.
NOTE Confidence: 0.8766004
00:56:20.920 --> 00:56:23.895 I think Linda. I think we're feeling
NOTE Confidence: 0.8766004
00:56:23.895 --> 00:56:26.089 more comfortable doing the Tele
NOTE Confidence: 0.8766004
00:56:26.089 --> 00:56:28.199 health work with young children.
NOTE Confidence: 0.8766004
00:56:28.200 --> 00:56:31.133 You know, I felt like we were
NOTE Confidence: 0.8766004
00:56:31.133 --> 00:56:33.329 resistant to it at first,
NOTE Confidence: 0.8766004
00:56:33.330 --> 00:56:35.685 but we're seeing we're beginning
NOTE Confidence: 0.8766004
00:56:35.685 --> 00:56:38.528 to see the possibilities and and
NOTE Confidence: 0.8766004
00:56:38.528 --> 00:56:40.940 in kind of enlisting the parents
NOTE Confidence: 0.8766004
00:56:40.940 --> 00:56:43.407 to really think together with us
NOTE Confidence: 0.8766004
00:56:43.407 --> 00:56:46.165 about how to create a session that
NOTE Confidence: 0.8766004
00:56:46.170 --> 00:56:47.882 is comfortable and productive.
NOTE Confidence: 0.8766004

00:56:47.882 --> 00:56:51.480 For for the child.

NOTE Confidence: 0.877879

00:56:51.480 --> 00:56:52.868 Thank you Nancy. I

NOTE Confidence: 0.877879

00:56:52.870 --> 00:56:54.206 just added, you know,

NOTE Confidence: 0.877879

00:56:54.206 --> 00:56:55.876 we've been really getting granular

NOTE Confidence: 0.877879

00:56:55.876 --> 00:56:57.728 about teachers mental health and,

NOTE Confidence: 0.877879

00:56:57.730 --> 00:57:01.888 you know, we did a study in the spring.

NOTE Confidence: 0.877879

00:57:01.890 --> 00:57:03.586 Which showed you know,

NOTE Confidence: 0.877879

00:57:03.586 --> 00:57:06.130 pretty strong burnout and you know

NOTE Confidence: 0.877879

00:57:06.212 --> 00:57:09.068 fears or around the future an now that

NOTE Confidence: 0.877879

00:57:09.068 --> 00:57:11.945 they were living in again in the fall.

NOTE Confidence: 0.877879

00:57:11.950 --> 00:57:13.760 Worried about just a teacher

NOTE Confidence: 0.877879

00:57:13.760 --> 00:57:14.846 profession you know?

NOTE Confidence: 0.877879

00:57:14.850 --> 00:57:17.022 Are we going to have enough

NOTE Confidence: 0.877879

00:57:17.022 --> 00:57:18.470 teachers to support you?

NOTE Confidence: 0.877879

00:57:18.470 --> 00:57:20.880 Know kids in schools because?

NOTE Confidence: 0.877879

00:57:20.880 --> 00:57:22.280 It's not a very glorious

NOTE Confidence: 0.877879

00:57:22.280 --> 00:57:23.120 profession right now,

NOTE Confidence: 0.877879

00:57:23.120 --> 00:57:24.974 and the burnout is just tremendous

NOTE Confidence: 0.877879

00:57:24.974 --> 00:57:26.618 from not only worrying about

NOTE Confidence: 0.877879

00:57:26.618 --> 00:57:28.006 their own physical health.

NOTE Confidence: 0.877879

00:57:28.010 --> 00:57:29.936 Um but struggling with their own

NOTE Confidence: 0.877879

00:57:29.936 --> 00:57:32.020 mental health and also dealing with

NOTE Confidence: 0.877879

00:57:32.020 --> 00:57:33.855 the things that they mentioned.

NOTE Confidence: 0.877879

00:57:33.860 --> 00:57:34.502 You know,

NOTE Confidence: 0.877879

00:57:34.502 --> 00:57:36.749 it's very very stressful for a teacher

NOTE Confidence: 0.877879

00:57:36.749 --> 00:57:39.653 to not be able to connect with their

NOTE Confidence: 0.877879

00:57:39.653 --> 00:57:41.429 students or communicate with them,

NOTE Confidence: 0.877879

00:57:41.430 --> 00:57:44.643 and it leaves them just in a

NOTE Confidence: 0.877879

00:57:44.643 --> 00:57:46.370 very uncomfortable place so.

NOTE Confidence: 0.877879

00:57:46.370 --> 00:57:48.106 And answer those are burning out too.

NOTE Confidence: 0.877879

00:57:48.110 --> 00:57:50.567 We did a study with thousand principles.

NOTE Confidence: 0.877879

00:57:50.570 --> 00:57:53.270 There managing this other metal level.
NOTE Confidence: 0.84293157

00:57:54.960 --> 00:57:57.470 Right, Camille, you're going to
NOTE Confidence: 0.84293157

00:57:57.470 --> 00:58:00.990 say I'd like to add that I've been
NOTE Confidence: 0.84293157

00:58:01.102 --> 00:58:04.606 amazed at the resilience of the
NOTE Confidence: 0.84293157

00:58:04.606 --> 00:58:07.664 parents in this situation that
NOTE Confidence: 0.84293157

00:58:07.664 --> 00:58:10.739 because of the parent sessions,
NOTE Confidence: 0.84293157

00:58:10.740 --> 00:58:13.998 they built relationships with each other,
NOTE Confidence: 0.84293157

00:58:14.000 --> 00:58:17.114 and once the covert pandemic hit
NOTE Confidence: 0.84293157

00:58:17.114 --> 00:58:21.198 that they were able to utilize the
NOTE Confidence: 0.84293157

00:58:21.198 --> 00:58:24.378 strength of their relationships too.
NOTE Confidence: 0.84293157

00:58:24.380 --> 00:58:26.945 Work together and solve some
NOTE Confidence: 0.84293157

00:58:26.945 --> 00:58:28.997 problems within their community,
NOTE Confidence: 0.84293157

00:58:29.000 --> 00:58:31.470 so it's the resilience that
NOTE Confidence: 0.84293157

00:58:31.470 --> 00:58:34.566 these the parents in these two
NOTE Confidence: 0.84293157

00:58:34.566 --> 00:58:36.690 groups is really amazing.
NOTE Confidence: 0.86164296

00:58:37.440 --> 00:58:40.770 Thank you and we do have a question so Molly.

NOTE Confidence: 0.86164296

00:58:40.770 --> 00:58:42.768 The question is with younger children,

NOTE Confidence: 0.86164296

00:58:42.770 --> 00:58:45.690 how do you balance the desire to provide

NOTE Confidence: 0.86164296

00:58:45.690 --> 00:58:47.148 educational opportunities with the

NOTE Confidence: 0.86164296

00:58:47.148 --> 00:58:48.808 stress and frustration that virtual

NOTE Confidence: 0.86164296

00:58:48.808 --> 00:58:51.140 school could be causing these children?

NOTE Confidence: 0.86164296

00:58:51.140 --> 00:58:53.612 Where school is so much about

NOTE Confidence: 0.86164296

00:58:53.612 --> 00:58:54.848 personal interactions with

NOTE Confidence: 0.86164296

00:58:54.848 --> 00:58:56.599 teachers and fellow students.

NOTE Confidence: 0.86164296

00:58:56.600 --> 00:59:00.032 And you're asking both as a

NOTE Confidence: 0.86164296

00:59:00.032 --> 00:59:03.570 parent and also as a funder.

NOTE Confidence: 0.86164296

00:59:03.570 --> 00:59:05.474 May I throw my I give that to

NOTE Confidence: 0.86164296

00:59:05.474 --> 00:59:07.305 the group and whoever would like

NOTE Confidence: 0.86164296

00:59:07.305 --> 00:59:09.243 to go first for that question?

NOTE Confidence: 0.86809844

00:59:11.940 --> 00:59:13.656 I just need one quick thing.

NOTE Confidence: 0.86809844

00:59:13.660 --> 00:59:15.334 You know, one of our principle

NOTE Confidence: 0.86809844

00:59:15.334 --> 00:59:16.820 was in New York City.
NOTE Confidence: 0.86809844

00:59:16.820 --> 00:59:18.518 I always listen to her words
NOTE Confidence: 0.86809844

00:59:18.518 --> 00:59:20.563 'cause she teaches in a very high
NOTE Confidence: 0.86809844

00:59:20.563 --> 00:59:22.272 poverty school and has, you know,
NOTE Confidence: 0.86809844

00:59:22.272 --> 00:59:24.960 very serious challenges, she says.
NOTE Confidence: 0.86809844

00:59:24.960 --> 00:59:26.640 The people make the school,
NOTE Confidence: 0.86809844

00:59:26.640 --> 00:59:28.985 not the building, and so you know,
NOTE Confidence: 0.86809844

00:59:28.990 --> 00:59:31.006 when the educators are, you know,
NOTE Confidence: 0.86809844

00:59:31.010 --> 00:59:33.020 knowing how to build those positive
NOTE Confidence: 0.86809844

00:59:33.020 --> 00:59:34.025 relationships with students,
NOTE Confidence: 0.86809844

00:59:34.030 --> 00:59:35.710 they really can find ways
NOTE Confidence: 0.86809844

00:59:35.710 --> 00:59:37.054 to connect with them,
NOTE Confidence: 0.86809844

00:59:37.060 --> 00:59:38.645 even through virtual and remote
NOTE Confidence: 0.86809844

00:59:38.645 --> 00:59:40.998 learning and and so her school has
NOTE Confidence: 0.86809844

00:59:40.998 --> 00:59:42.768 been successful at this process.
NOTE Confidence: 0.86809844

00:59:42.770 --> 00:59:45.850 But it took many, many years of.

NOTE Confidence: 0.86809844

00:59:45.850 --> 00:59:47.850 Of building those connections and

NOTE Confidence: 0.86809844

00:59:47.850 --> 00:59:50.734 using the tools that we and others

NOTE Confidence: 0.86809844

00:59:50.734 --> 00:59:52.769 provide to manage those relationships

NOTE Confidence: 0.86809844

00:59:52.769 --> 00:59:55.228 and so of course the younger

NOTE Confidence: 0.86809844

00:59:55.228 --> 00:59:57.562 than the more difficult I mean.

NOTE Confidence: 0.86809844

00:59:57.570 --> 00:59:58.248 4 year olds.

NOTE Confidence: 0.86809844

00:59:58.248 --> 01:00:00.470 5 year old sitting in front of a computer.

NOTE Confidence: 0.86809844

01:00:00.470 --> 01:00:01.670 That's just ridiculous.

NOTE Confidence: 0.83472055

01:00:03.520 --> 01:00:04.816 And along those lines,

NOTE Confidence: 0.83472055

01:00:04.816 --> 01:00:07.133 I mean if there's anything that we've

NOTE Confidence: 0.83472055

01:00:07.133 --> 01:00:09.637 learned from the Covid study that we did,

NOTE Confidence: 0.83472055

01:00:09.640 --> 01:00:11.380 it's that, especially with really

NOTE Confidence: 0.83472055

01:00:11.380 --> 01:00:13.120 young children in childcare programs

NOTE Confidence: 0.83472055

01:00:13.175 --> 01:00:14.783 to your programs are are uniquely

NOTE Confidence: 0.83472055

01:00:14.783 --> 01:00:16.590 equipped with how to handle something

NOTE Confidence: 0.83472055

01:00:16.590 --> 01:00:18.280 like a pandemic because they're
NOTE Confidence: 0.83472055

01:00:18.280 --> 01:00:20.263 largely licensed on the basis of
NOTE Confidence: 0.83472055

01:00:20.263 --> 01:00:22.136 health and safety issues, you know.
NOTE Confidence: 0.83472055

01:00:22.136 --> 01:00:24.480 And and early elementary school two is very
NOTE Confidence: 0.83472055

01:00:24.539 --> 01:00:27.024 different than middle school and high school,
NOTE Confidence: 0.83472055

01:00:27.030 --> 01:00:29.123 and that children tend to be very
NOTE Confidence: 0.83472055

01:00:29.123 --> 01:00:30.889 self contained within smaller groups,
NOTE Confidence: 0.83472055

01:00:30.890 --> 01:00:33.746 and they don't mix so much. So 1.
NOTE Confidence: 0.83472055

01:00:33.746 --> 01:00:35.730 One way to think about this too is
NOTE Confidence: 0.83472055

01:00:35.801 --> 01:00:38.593 understanding that the vaccine is on its way.
NOTE Confidence: 0.83472055

01:00:38.600 --> 01:00:40.824 We do have an endpoint that were that
NOTE Confidence: 0.83472055

01:00:40.824 --> 01:00:42.798 were aiming towards and in part of
NOTE Confidence: 0.83472055

01:00:42.798 --> 01:00:44.876 that solution might be to think about
NOTE Confidence: 0.83472055

01:00:44.876 --> 01:00:47.179 how do we provide more in person
NOTE Confidence: 0.83472055

01:00:47.179 --> 01:00:48.365 opportunities for young children,
NOTE Confidence: 0.83472055

01:00:48.365 --> 01:00:50.075 especially given the fact that most

NOTE Confidence: 0.83472055

01:00:50.075 --> 01:00:52.059 of the science suggests that the

NOTE Confidence: 0.83472055

01:00:52.059 --> 01:00:53.704 transmission rate from young children

NOTE Confidence: 0.83472055

01:00:53.762 --> 01:00:55.617 to adults and from young children to

NOTE Confidence: 0.83472055

01:00:55.617 --> 01:00:57.275 other children is probably not great,

NOTE Confidence: 0.83472055

01:00:57.275 --> 01:00:58.985 and his board containable and then

NOTE Confidence: 0.83472055

01:00:58.985 --> 01:01:00.840 become better at thinking about virtual

NOTE Confidence: 0.83472055

01:01:00.840 --> 01:01:02.360 learning for the older children.

NOTE Confidence: 0.7528533

01:01:03.610 --> 01:01:04.390 Thank you, Walter.

NOTE Confidence: 0.8889615

01:01:05.980 --> 01:01:08.955 I think that's a really tough question

NOTE Confidence: 0.8889615

01:01:08.955 --> 01:01:12.306 to answer, and I and I think you're

NOTE Confidence: 0.8889615

01:01:12.306 --> 01:01:14.910 not alone and struggling with that.

NOTE Confidence: 0.8889615

01:01:14.910 --> 01:01:17.878 I mean, I think that's the big issue

NOTE Confidence: 0.8889615

01:01:17.878 --> 01:01:20.645 that parents of young children and

NOTE Confidence: 0.8889615

01:01:20.645 --> 01:01:23.070 early elementary school children have

NOTE Confidence: 0.8889615

01:01:23.070 --> 01:01:26.452 been having is is trying to help them

NOTE Confidence: 0.8889615

01:01:26.452 --> 01:01:28.932 to connect virtually when it doesn't
NOTE Confidence: 0.8889615

01:01:28.932 --> 01:01:31.476 feel like a connection to them,
NOTE Confidence: 0.8889615

01:01:31.480 --> 01:01:34.186 and so some parents have been
NOTE Confidence: 0.8889615

01:01:34.186 --> 01:01:35.990 creating learning pods that.
NOTE Confidence: 0.8889615

01:01:35.990 --> 01:01:38.370 Um, you know, if you.
NOTE Confidence: 0.8889615

01:01:38.370 --> 01:01:41.274 Here the responsibilities of doing the
NOTE Confidence: 0.8889615

01:01:41.274 --> 01:01:44.785 home schooling with a couple of other
NOTE Confidence: 0.8889615

01:01:44.785 --> 01:01:47.260 parents and children that you've.
NOTE Confidence: 0.8889615

01:01:47.260 --> 01:01:48.439 Been kind of,
NOTE Confidence: 0.8889615

01:01:48.439 --> 01:01:50.797 you know where they've been and
NOTE Confidence: 0.8889615

01:01:50.797 --> 01:01:52.798 the they've been saved.
NOTE Confidence: 0.8889615

01:01:52.800 --> 01:01:55.458 That sometimes takes the pressure off
NOTE Confidence: 0.8889615

01:01:55.458 --> 01:01:58.100 and gives it children an opportunity
NOTE Confidence: 0.8889615

01:01:58.100 --> 01:02:00.464 to be together in some way.
NOTE Confidence: 0.8889615

01:02:00.470 --> 01:02:02.870 Although even indoors, socially,
NOTE Confidence: 0.8889615

01:02:02.870 --> 01:02:05.270 socially distanced and wearing

NOTE Confidence: 0.8889615

01:02:05.270 --> 01:02:07.040 and wearing masks.

NOTE Confidence: 0.8889615

01:02:07.040 --> 01:02:10.584 I also think that teachers are, you know,

NOTE Confidence: 0.8889615

01:02:10.584 --> 01:02:13.236 I think when this first happened,

NOTE Confidence: 0.8889615

01:02:13.240 --> 01:02:16.180 being able to provide virtual learning

NOTE Confidence: 0.8889615

01:02:16.180 --> 01:02:19.323 was a new experience for so many

NOTE Confidence: 0.8889615

01:02:19.323 --> 01:02:22.550 teachers and I think as time has passed,

NOTE Confidence: 0.8889615

01:02:22.550 --> 01:02:25.202 I do think that they've become

NOTE Confidence: 0.8889615

01:02:25.202 --> 01:02:28.363 more adept at it and perhaps can

NOTE Confidence: 0.8889615

01:02:28.363 --> 01:02:31.129 provide more kind of interesting and

NOTE Confidence: 0.8889615

01:02:31.129 --> 01:02:33.620 maybe shorter times on on video.

NOTE Confidence: 0.8975554

01:02:36.420 --> 01:02:38.280 Thank you, I would

NOTE Confidence: 0.8975554

01:02:38.280 --> 01:02:41.970 just add my own personal experience

NOTE Confidence: 0.8975554

01:02:41.970 --> 01:02:44.430 with my two granddaughters.

NOTE Confidence: 0.8975554

01:02:44.430 --> 01:02:45.390 Which is virtual.

NOTE Confidence: 0.8975554

01:02:45.390 --> 01:02:46.670 We live in Minneapolis,

NOTE Confidence: 0.8975554

01:02:46.670 --> 01:02:49.478 one of my four year 4 1/2 year old
NOTE Confidence: 0.8975554

01:02:49.478 --> 01:02:51.150 granddaughter lives in Paris. My
NOTE Confidence: 0.83324075

01:02:51.150 --> 01:02:52.430 18 month old granddaughter
NOTE Confidence: 0.83324075

01:02:52.430 --> 01:02:53.390 lives in San
NOTE Confidence: 0.83324075

01:02:53.390 --> 01:02:55.392 Francisco and I spend a lot of
NOTE Confidence: 0.83324075

01:02:55.392 --> 01:02:59.080 time on on FaceTime with them.
NOTE Confidence: 0.83324075

01:02:59.080 --> 01:03:01.048 Playing with them but teaching them,
NOTE Confidence: 0.83324075

01:03:01.050 --> 01:03:03.684 I do a lot of research on home,
NOTE Confidence: 0.83324075

01:03:03.684 --> 01:03:04.672 school, resources, things.
NOTE Confidence: 0.83324075

01:03:04.672 --> 01:03:06.996 There are a lot of coloring pages
NOTE Confidence: 0.83324075

01:03:06.996 --> 01:03:08.997 and ideas that I can download
NOTE Confidence: 0.83324075

01:03:08.997 --> 01:03:10.924 for free from other people who
NOTE Confidence: 0.83324075

01:03:10.924 --> 01:03:12.570 do home schooling and teachers.
NOTE Confidence: 0.8231035

01:03:15.170 --> 01:03:17.837 I tried to teach them language music.
NOTE Confidence: 0.8231035

01:03:17.840 --> 01:03:19.176 I do a little.
NOTE Confidence: 0.8231035

01:03:19.176 --> 01:03:22.544 I did a whole science unit with my 4

NOTE Confidence: 0.8231035

01:03:22.544 --> 01:03:25.100 year old granddaughter and it's play,

NOTE Confidence: 0.8231035

01:03:25.100 --> 01:03:27.440 but it's it's also school and

NOTE Confidence: 0.8231035

01:03:27.440 --> 01:03:30.130 I think she's learning and it.

NOTE Confidence: 0.8231035

01:03:30.130 --> 01:03:32.092 It's very satisfying for me

NOTE Confidence: 0.8231035

01:03:32.092 --> 01:03:33.790 to spend the time with them,

NOTE Confidence: 0.8231035

01:03:33.790 --> 01:03:35.200 but I think the grandparents

NOTE Confidence: 0.8231035

01:03:35.200 --> 01:03:37.182 and I have a lot of friends.

NOTE Confidence: 0.8231035

01:03:37.182 --> 01:03:38.542 I've recommended books to them

NOTE Confidence: 0.8231035

01:03:38.542 --> 01:03:40.299 and things that I found useful.

NOTE Confidence: 0.8231035

01:03:40.300 --> 01:03:41.715 I think there's also grandparents

NOTE Confidence: 0.8231035

01:03:41.715 --> 01:03:42.564 to draw upon.

NOTE Confidence: 0.873010028571429

01:03:44.090 --> 01:03:46.394 Thank you Andy. So I know that we

NOTE Confidence: 0.873010028571429

01:03:46.394 --> 01:03:49.106 are past the hour and I want to

NOTE Confidence: 0.873010028571429

01:03:49.106 --> 01:03:50.900 be respectful of everyone's time.

NOTE Confidence: 0.873010028571429

01:03:50.900 --> 01:03:53.287 If I see that one other person

NOTE Confidence: 0.873010028571429

01:03:53.287 --> 01:03:55.500 wants to ask a question so.
NOTE Confidence: 0.873010028571429

01:03:55.500 --> 01:03:57.558 First, before we turn to are all
NOTE Confidence: 0.873010028571429

01:03:57.558 --> 01:03:59.532 about a question, let me just say
NOTE Confidence: 0.873010028571429

01:03:59.532 --> 01:04:01.548 that I hope you that everyone will
NOTE Confidence: 0.873010028571429

01:04:01.548 --> 01:04:03.725 join us tomorrow for our next panel,
NOTE Confidence: 0.873010028571429

01:04:03.730 --> 01:04:05.254 which is on diversity,
NOTE Confidence: 0.873010028571429

01:04:05.254 --> 01:04:06.397 equity and inclusion.
NOTE Confidence: 0.873010028571429

01:04:06.400 --> 01:04:08.386 I'm in a chance again to
NOTE Confidence: 0.873010028571429

01:04:08.386 --> 01:04:09.710 carry these themes forward.
NOTE Confidence: 0.873010028571429

01:04:09.710 --> 01:04:12.142 I also hope you'll join us in the
NOTE Confidence: 0.873010028571429

01:04:12.142 --> 01:04:13.520 virtual poster session that's
NOTE Confidence: 0.873010028571429

01:04:13.520 --> 01:04:15.614 ongoing right now that you can
NOTE Confidence: 0.873010028571429

01:04:15.614 --> 01:04:17.648 go online and see the posters.
NOTE Confidence: 0.873010028571429

01:04:17.650 --> 01:04:20.298 So if you need to leave very much,
NOTE Confidence: 0.873010028571429

01:04:20.300 --> 01:04:21.624 thank you for coming.
NOTE Confidence: 0.873010028571429

01:04:21.624 --> 01:04:22.948 If you can stay,

NOTE Confidence: 0.873010028571429

01:04:22.950 --> 01:04:24.610 I'll now turn to terald,

NOTE Confidence: 0.873010028571429

01:04:24.610 --> 01:04:27.250 our colleague from Norway to ask a question.

NOTE Confidence: 0.81146675

01:04:29.510 --> 01:04:30.570 Thank you so much Linda.

NOTE Confidence: 0.88231105

01:04:31.150 --> 01:04:32.410 I would just

NOTE Confidence: 0.88231105

01:04:32.410 --> 01:04:33.658 like to ask

NOTE Confidence: 0.88231105

01:04:33.660 --> 01:04:35.760 Nancy a question and I

NOTE Confidence: 0.88231105

01:04:35.760 --> 01:04:39.110 don't know if it's generalizable to the US,

NOTE Confidence: 0.88231105

01:04:39.110 --> 01:04:42.878 but some of the schools that I work closely

NOTE Confidence: 0.88231105

01:04:42.880 --> 01:04:44.140 with. It seems

NOTE Confidence: 0.88231105

01:04:44.140 --> 01:04:45.400 like the cover

NOTE Confidence: 0.88231105

01:04:45.400 --> 01:04:46.648 situation has actually

NOTE Confidence: 0.88231105

01:04:46.650 --> 01:04:49.586 been worse for the kids that initially

NOTE Confidence: 0.88231105

01:04:49.586 --> 01:04:52.940 were pretty happy to not go to school,

NOTE Confidence: 0.88231105

01:04:52.940 --> 01:04:55.870 so kids that had social emotional problems,

NOTE Confidence: 0.88231105

01:04:55.870 --> 01:04:59.220 they actually in the start they were pretty

NOTE Confidence: 0.88231105

01:04:59.220 --> 01:05:02.988 happy not not not having to go to school,

NOTE Confidence: 0.861061245

01:05:02.990 --> 01:05:05.617 but actually. Among ten students

NOTE Confidence: 0.861061245

01:05:05.617 --> 01:05:07.907 I follow up, we had one suicide

NOTE Confidence: 0.861061245

01:05:07.907 --> 01:05:09.880 during Comet and 14 year olds,

NOTE Confidence: 0.83981144

01:05:09.880 --> 01:05:11.842 so I don't know if it's

NOTE Confidence: 0.83981144

01:05:11.842 --> 01:05:13.160 something that you see

NOTE Confidence: 0.83981144

01:05:13.160 --> 01:05:14.138 in in the

NOTE Confidence: 0.83981144

01:05:14.140 --> 01:05:17.490 US also that. Children with school

NOTE Confidence: 0.83981144

01:05:17.490 --> 01:05:21.140 aversion and other disabilities have. Had

NOTE Confidence: 0.8108752

01:05:21.140 --> 01:05:22.379 larger or social

NOTE Confidence: 0.8125446

01:05:22.380 --> 01:05:24.600 disabilities have. Maybe initially

NOTE Confidence: 0.8125446

01:05:24.600 --> 01:05:27.778 we had been happy too to not go

NOTE Confidence: 0.814214

01:05:27.780 --> 01:05:30.958 to school to meet elections, but ending up

NOTE Confidence: 0.814214

01:05:30.960 --> 01:05:33.336 having bigger problems than than typically

NOTE Confidence: 0.814214

01:05:33.336 --> 01:05:36.095 developing kids and kids without any.

NOTE Confidence: 0.814214

01:05:36.095 --> 01:05:38.640 Mental illnesses. Thank you,

NOTE Confidence: 0.9234349

01:05:38.640 --> 01:05:39.960 thank you for that.

NOTE Confidence: 0.9234349

01:05:39.960 --> 01:05:41.940 I don't know that I have.

NOTE Confidence: 0.82851523

01:05:46.760 --> 01:05:50.726 That children who have some social

NOTE Confidence: 0.82851523

01:05:50.726 --> 01:05:54.560 awkwardness were initially happy to be home.

NOTE Confidence: 0.82851523

01:05:54.560 --> 01:05:59.360 Ann kind of lost themselves in video games,

NOTE Confidence: 0.82851523

01:05:59.360 --> 01:06:03.422 which I think made parents really

NOTE Confidence: 0.82851523

01:06:03.422 --> 01:06:07.635 concerned about how to limit that

NOTE Confidence: 0.82851523

01:06:07.635 --> 01:06:11.090 and balance it with learning.

NOTE Confidence: 0.82851523

01:06:11.090 --> 01:06:12.520 But I haven't, you know,

NOTE Confidence: 0.82851523

01:06:12.520 --> 01:06:14.236 I don't have information about that,

NOTE Confidence: 0.82851523

01:06:14.240 --> 01:06:16.766 but maybe one of my other

NOTE Confidence: 0.82851523

01:06:16.766 --> 01:06:18.450 colleagues might have that.

NOTE Confidence: 0.82851523

01:06:18.450 --> 01:06:20.038 But it is worrisome.

NOTE Confidence: 0.82642835

01:06:21.220 --> 01:06:24.299 No, any idea so much so maybe we

NOTE Confidence: 0.82642835

01:06:24.300 --> 01:06:27.498 can also take it offline too.

NOTE Confidence: 0.82642835

01:06:27.500 --> 01:06:29.039 Any other comments?

NOTE Confidence: 0.89498526
