So why did I REALLY come back to Yale?

Mahan Mathur, MD
Assistant Professor, Section of Body Imaging
Director of Medical Student Education
Associate Director, Diagnostic Radiology Residency Program

Yale School of Medicine
Department of Radiology and Biomedical Imaging
mahan.mathur@yale.edu
The Beginnings....Dec 2006
The middle and all the merry times in between

- The People
- The Places
- The Program
Program

- Teaching
- Educational resources
- Commitment to quality
- Research opportunities
The End – or there and back again
