Yale Resident Fellow Senate

Who are we?
Founded in 2014, we represent all >1100 house-staff across all training programs at Yale New Haven Hospital, by far the largest organization of house-staff nationwide.

The senate is comprised of an executive board and five councils. The executive board focuses on governance and leadership of programming and events. The councils encompass broad facets of disciplines relating to house staff, and currently include:

- Advocacy
- Education
- Quality Improvement and Patient Safety
- Diversity
- Wellness and Well being

What do we stand for?

The Yale Resident Fellow Senate...

- Strives to help create the best medical training environment in the nation.
- Facilitates interdisciplinary collaborations, mentorship, and opportunities for all house staff.

- Is rooted in PULSE values
  - Patient Centered
  - Cultures of Respect and Integrity
  - Leadership of Physicians
  - Service to Others
  - Excellence
Why join the Senate?

- **Leadership development**
  - Work alongside mentors from across the academic and administrative spectrum
- **Transform the house staff experience**
  - Feel empowered to make a change in our training environment, we have the resources and connections to make it happen!
- **Prepare yourself for the future of healthcare**
  - Regardless of where you end up, working on teams, managing projects/ research/ clinical care, and leading an organization (regardless of size), is what physicians are doing and will continually be asked to do.

What have we done so far?

- **Programming**
  - Annual Housestaff Assembly with YNHH CEO
  - Solidarity night to celebrate the one-ness of our house-staff
  - Advocacy showcase and monthly focused seminars (ex: opioid epidemic)
  - QI/Safety lecture series and toolkit development
  - Implicit bias training
  - Workshops with clinical librarians
  - First Friday social events
  - Housestaff appreciation week
