

Thank you for choosing Yale New Haven Hospital

We are looking forward to providing you with exceptional care.

Yale New Haven Hospital Preparation for this Exam:

Before Arriving for Your Exam

- Please arrive **15 minutes** early to check in.
- Children accompanying patients during visits:
 - Unfortunately, we cannot routinely supervise your children during your imaging study. We believe that you are best served when we can provide 100% of our attention to you. Therefore, we encourage you to make childcare arrangements or to bring a responsible adult with you to supervise your children.
- Take all medications as directed by your doctor.
- There are no restrictions or preparation for your appointment.
- Although we do not anticipate any delay in your scheduled appointment, we recommend that you bring a book, magazine or music player to help pass any time you may need to wait.

After Arriving

- A radiology nurse or technologist will ask you a few questions regarding your medical history.

During Your Exam

- While positioning you on the exam table, the technologist will explain your procedure and answer any questions you may have.

Exam Duration

- Your scan will take only a few minutes.

After Your Procedure

- There are no restrictions placed on you after this procedure. You may eat and drive as normal.
- Your exam will be interpreted by a Radiologist (a doctor who is an expert in understanding these exams). A report will be sent to your provider, who can review the results with you.
