

Mission Statement

The mission of the Yale University School of Medicine is to educate and inspire scholars and future leaders who will advance the practice of medicine and the biomedical sciences.

The goal of the Admissions Committee is to support the School's mission by selecting and recruiting students who will flourish at Yale.

The information made available at meetings and online is intended to help the Admissions Committee achieve its important objectives.

Laura R. Ment, M.D.
Associate Dean for Admissions and Financial Aid
Professor of Pediatrics and Neurology

Richard A. Silverman
Director, Office of Admissions
