NOTE duration:"00:58:34.5760000"

NOTE language:en-us

NOTE Confidence: 0.84003407

00:00:02.460 --> 00:00:03.706 Welcome, I'm Anna reisman.

NOTE Confidence: 0.84003407

00:00:03.706 --> 00:00:05.724 Thank you for joining us in this

NOTE Confidence: 0.84003407

00:00:05.724 --> 00:00:07.450 tribute to Doctor Marjorie Rosenthal,

NOTE Confidence: 0.84003407

00:00:07.450 --> 00:00:09.978 who many of us knew as Margie to

NOTE Confidence: 0.84003407

00:00:09.978 --> 00:00:12.130 accomplish so much in her 53 years.

NOTE Confidence: 0.84003407

00:00:12.130 --> 00:00:14.660 The last 18 of or so of which were spent

NOTE Confidence: 0.84003407

00:00:14.730 --> 00:00:17.114 here in New Haven where Margie was part

NOTE Confidence: 0.84003407

00:00:17.114 --> 00:00:19.929 of many communities at the medical school.

NOTE Confidence: 0.84003407

00:00:19.930 --> 00:00:21.796 And of course in New Haven.

NOTE Confidence: 0.84003407

00:00:21.800 --> 00:00:23.370 Tonight we're going to highlight

NOTE Confidence: 0.84003407

00:00:23.370 --> 00:00:25.541 some of her work related to two

NOTE Confidence: 0.84003407

00:00:25.541 --> 00:00:27.161 programs here at the medical school

NOTE Confidence: 0.84003407

00:00:27.161 --> 00:00:29.475 and in two areas that she really

NOTE Confidence: 0.84003407

00:00:29.475 --> 00:00:30.847 brought together in beautiful,

NOTE Confidence: 0.84003407

00:00:30.850 --> 00:00:31.682 meaningful ways.

NOTE Confidence: 0.84003407

00:00:31.682 --> 00:00:34.178 These programs are the National Clinician

NOTE Confidence: 0.84003407

00:00:34.178 --> 00:00:36.401 Scholars Program and the Program for

NOTE Confidence: 0.84003407

00:00:36.401 --> 00:00:38.399 Humanities in Medicine and by extension,

NOTE Confidence: 0.84003407

00:00:38.400 --> 00:00:39.860 merges creative worker essays.

NOTE Confidence: 0.84003407

00:00:39.860 --> 00:00:41.320 In her graphic narrative,

NOTE Confidence: 0.84003407

00:00:41.320 --> 00:00:43.510 we've put together a program that

NOTE Confidence: 0.84003407

00:00:43.510 --> 00:00:44.970 includes reflections on margins,

NOTE Confidence: 0.84003407

00:00:44.970 --> 00:00:47.160 work along with readings of essays,

NOTE Confidence: 0.84003407

00:00:47.160 --> 00:00:48.258 and graphic memoir.

NOTE Confidence: 0.84003407

00:00:48.260 --> 00:00:50.084 We have closed captioning available

NOTE Confidence: 0.84003407

00:00:50.084 --> 00:00:52.996 and we welcome you to use the chat.

NOTE Confidence: 0.7974778

00:00:56.410 --> 00:00:58.528 Hi everyone, I'm Carrie growth.

NOTE Confidence: 0.7974778

00:00:58.528 --> 00:01:01.120 We first met Margie in Baltimore

NOTE Confidence: 0.7974778

00:01:01.196 --> 00:01:03.362 in 1998 where Amal Margie's husband

NOTE Confidence: 0.7974778

00:01:03.362 --> 00:01:05.606 and I were both clinical scholars

NOTE Confidence: 0.7974778

00:01:05.606 --> 00:01:08.494 and it's been such a joy to know.

NOTE Confidence: 0.7974778

00:01:08.500 --> 00:01:10.048 Margie as a friend.

NOTE Confidence: 0.7974778

00:01:10.048 --> 00:01:13.220 As a fellow scholar and then as a

NOTE Confidence: 0.7974778

00:01:13.220 --> 00:01:15.518 colleague over the next 20 years.

NOTE Confidence: 0.7974778

00:01:15.520 --> 00:01:17.935 You know people often use the phrase

NOTE Confidence: 0.7974778

00:01:17.935 --> 00:01:19.942 friend and colleague or friends

NOTE Confidence: 0.7974778

00:01:19.942 --> 00:01:21.758 and colleagues diamond accounting,

NOTE Confidence: 0.7974778

00:01:21.760 --> 00:01:23.760 but in this case the.

NOTE Confidence: 0.7974778

00:01:23.760 --> 00:01:26.539 It's an app to turn of phrase.

NOTE Confidence: 0.7974778

00:01:26.540 --> 00:01:28.128 Margie was a friend.

NOTE Confidence: 0.7974778

00:01:28.128 --> 00:01:29.820 First an authentic, engaged,

NOTE Confidence: 0.7974778

00:01:29.820 --> 00:01:32.820 caring friend and a colleague seconds.

NOTE Confidence: 0.7974778

00:01:32.820 --> 00:01:35.682 And what a colleague all of us in this

NOTE Confidence: 0.7974778

00:01:35.682 --> 00:01:38.007 college program have shared the joy.

NOTE Confidence: 0.7974778

00:01:38.010 --> 00:01:39.177 That is Margie.

NOTE Confidence: 0.7974778

00:01:39.177 --> 00:01:41.122 Watching her raise for wonderful

NOTE Confidence: 0.7974778

00:01:41.122 --> 00:01:43.188 girls giving us advice about raising

NOTE Confidence: 0.7974778

00:01:43.188 --> 00:01:45.280 our kids when we ask for it.

NOTE Confidence: 0.7974778

00:01:45.280 --> 00:01:46.690 Making fundamental contributions

NOTE Confidence: 0.7974778

00:01:46.690 --> 00:01:49.040 as a physician and scientist

NOTE Confidence: 0.7974778

00:01:49.040 --> 00:01:51.755 serving not only as a pillar of

NOTE Confidence: 0.7974778

00:01:51.755 --> 00:01:53.460 multiple communities but also the

NOTE Confidence: 0.7974778

00:01:53.532 --> 00:01:55.527 friend and mentor to all of us.

NOTE Confidence: 0.7974778

00:01:55.530 --> 00:01:57.954 The Clinician Scholars Program is the

NOTE Confidence: 0.7974778

00:01:57.954 --> 00:02:00.000 training program whose mission spoke

NOTE Confidence: 0.7974778

00:02:00.000 --> 00:02:01.815 to Margie's core values training

NOTE Confidence: 0.7974778

00:02:01.815 --> 00:02:04.030 the next generation of leaders in

NOTE Confidence: 0.7974778

00:02:04.030 --> 00:02:06.136 healthcare who will use research and

NOTE Confidence: 0.7974778

00:02:06.136 --> 00:02:08.480 advocacy to make a difference to

NOTE Confidence: 0.7974778

00:02:08.480 --> 00:02:12.399 make a role to better place like Margie did.

NOTE Confidence: 0.7974778

00:02:12.400 --> 00:02:14.906 But the program is more than that.  
NOTE Confidence: 0.7974778

00:02:14.910 --> 00:02:17.454 It's a family of sorts and we have  
NOTE Confidence: 0.7974778

00:02:17.454 --> 00:02:20.461 Margie to thank for this as one of  
NOTE Confidence: 0.7974778

00:02:20.461 --> 00:02:22.427 Margie's meant he's recently wrote  
NOTE Confidence: 0.7974778

00:02:22.427 --> 00:02:24.954 to me Margie's Open door and Open  
NOTE Confidence: 0.7974778

00:02:24.954 --> 00:02:27.840 Heart made us feel part of something bigger.  
NOTE Confidence: 0.7974778

00:02:27.840 --> 00:02:30.157 Helped us feel like we had a  
NOTE Confidence: 0.7974778

00:02:30.157 --> 00:02:31.790 place that we belong.  
NOTE Confidence: 0.7974778

00:02:31.790 --> 00:02:33.938 She modeled the way of living,  
NOTE Confidence: 0.7974778

00:02:33.940 --> 00:02:35.740 loving and embracing the contradiction,  
NOTE Confidence: 0.7974778

00:02:35.740 --> 00:02:36.104 contradictions,  
NOTE Confidence: 0.7974778

00:02:36.104 --> 00:02:37.924 complexities and heart breaks of  
NOTE Confidence: 0.7974778

00:02:37.924 --> 00:02:40.039 life that I aspire to emulate.  
NOTE Confidence: 0.7974778

00:02:40.040 --> 00:02:42.398 So tonight we'll hear from Margie's.  
NOTE Confidence: 0.7974778

00:02:42.400 --> 00:02:44.190 Work friends, the clinician scholars,  
NOTE Confidence: 0.7974778

00:02:44.190 --> 00:02:45.980 her colleagues in the community,

NOTE Confidence: 0.7974778

00:02:45.980 --> 00:02:49.193 and a yeah I wanted to thank Margie's family,

NOTE Confidence: 0.7974778

00:02:49.200 --> 00:02:50.990 several of whom are here.

NOTE Confidence: 0.7974778

00:02:50.990 --> 00:02:51.348 Tonight.

NOTE Confidence: 0.7974778

00:02:51.348 --> 00:02:53.496 I wanted to thank her daughters,

NOTE Confidence: 0.7974778

00:02:53.500 --> 00:02:56.356 Maya and Alina, and Jimmy and Debbie Shea,

NOTE Confidence: 0.7974778

00:02:56.360 --> 00:02:59.224 and also Brian for sharing Margie with us.

NOTE Confidence: 0.7974778

00:02:59.230 --> 00:03:00.301 Her clinician scholars,

NOTE Confidence: 0.7974778

00:03:00.301 --> 00:03:00.658 family.

NOTE Confidence: 0.8647031

00:03:07.080 --> 00:03:09.978 Hi again, so I'm going to kick

NOTE Confidence: 0.8647031

00:03:09.978 --> 00:03:12.040 off the reflections and don't

NOTE Confidence: 0.8647031

00:03:12.040 --> 00:03:14.960 worry this is not just going to be

NOTE Confidence: 0.8647031

00:03:13.140 --> 00:03:14.049 me and Kerry

NOTE Confidence: 0.8647031

00:03:14.050 --> 00:03:14.959 going back and

NOTE Confidence: 0.8647031

00:03:14.960 --> 00:03:16.703 forth. I want to read a statement

NOTE Confidence: 0.8647031

00:03:16.703 --> 00:03:18.453 a a nominating statement last year

NOTE Confidence: 0.8647031

00:03:18.453 --> 00:03:20.349 March she was nominated for a  
NOTE Confidence: 0.8647031

00:03:20.349 --> 00:03:22.054 prestigious award and I've received  
NOTE Confidence: 0.8647031

00:03:22.054 --> 00:03:23.714 permission to read aloud some  
NOTE Confidence: 0.8647031

00:03:23.714 --> 00:03:24.959 selections from the nomination.  
NOTE Confidence: 0.8647031

00:03:24.959 --> 00:03:26.474 Although I'm not permitted to  
NOTE Confidence: 0.8647031

00:03:26.474 --> 00:03:27.986 say what it was for,  
NOTE Confidence: 0.8647031

00:03:27.986 --> 00:03:30.138 but I'll just say that to get nominated  
NOTE Confidence: 0.8647031

00:03:30.138 --> 00:03:31.930 for this was quite remarkable.  
NOTE Confidence: 0.842806

00:03:34.020 --> 00:03:36.250 And so I'm quoting here.  
NOTE Confidence: 0.842806

00:03:36.250 --> 00:03:39.365 I would like to nominate Marjorie Rosenthal,  
NOTE Confidence: 0.842806

00:03:39.370 --> 00:03:41.154 associate professor of Pediatrics  
NOTE Confidence: 0.842806

00:03:41.154 --> 00:03:42.938 at Yale School Medicine.  
NOTE Confidence: 0.842806

00:03:42.940 --> 00:03:45.165 Doctor Rosenthal is a category  
NOTE Confidence: 0.842806

00:03:45.165 --> 00:03:46.944 defining physician, writer, artist,  
NOTE Confidence: 0.842806

00:03:46.944 --> 00:03:49.596 and activist whose works explore topics  
NOTE Confidence: 0.842806

00:03:49.596 --> 00:03:51.860 including patient safety, gun violence,

NOTE Confidence: 0.842806

00:03:51.860 --> 00:03:53.640 vulnerable populations, and equity.

NOTE Confidence: 0.842806

00:03:53.640 --> 00:03:55.870 Diagnosed with metastatic colon cancer,

NOTE Confidence: 0.842806

00:03:55.870 --> 00:03:58.546 she masterfully documents how she navigates,

NOTE Confidence: 0.842806

00:03:58.550 --> 00:04:00.330 confronts health systems by

NOTE Confidence: 0.842806

00:04:00.330 --> 00:04:02.555 using multiple forms of media,

NOTE Confidence: 0.842806

00:04:02.560 --> 00:04:04.220 including the written essay.

NOTE Confidence: 0.842806

00:04:04.220 --> 00:04:05.880 Cartoons and social media.

NOTE Confidence: 0.842806

00:04:05.880 --> 00:04:08.022 She is one of the rare physician

NOTE Confidence: 0.842806

00:04:08.022 --> 00:04:10.281 writers whose work is inclusive and

NOTE Confidence: 0.842806

00:04:10.281 --> 00:04:12.416 instructive for physicians and patients.

NOTE Confidence: 0.842806

00:04:12.420 --> 00:04:14.940 When she writes about watching a nurse not

NOTE Confidence: 0.842806

00:04:14.940 --> 00:04:17.249 wash their hands properly before procedure

NOTE Confidence: 0.842806

00:04:17.249 --> 00:04:19.673 and how she manages that experience,

NOTE Confidence: 0.842806

00:04:19.680 --> 00:04:21.846 she not only educates healthcare providers,

NOTE Confidence: 0.842806

00:04:21.850 --> 00:04:23.540 but helps other patients understand

NOTE Confidence: 0.842806

00:04:23.540 --> 00:04:25.691 how they too can potentially confront  
NOTE Confidence: 0.842806

00:04:25.691 --> 00:04:27.299 errors they are experiencing.  
NOTE Confidence: 0.842806

00:04:27.300 --> 00:04:29.848 This is why I believe her work  
NOTE Confidence: 0.842806

00:04:29.848 --> 00:04:32.626 is so creative and stands out  
NOTE Confidence: 0.842806

00:04:32.626 --> 00:04:34.754 among other physician scholars.  
NOTE Confidence: 0.842806

00:04:34.760 --> 00:04:36.350 Doctor Rosenfeld manages to make  
NOTE Confidence: 0.842806

00:04:36.350 --> 00:04:38.257 her diagnosis and managing all of  
NOTE Confidence: 0.842806

00:04:38.257 --> 00:04:40.063 the grief and loss and change she  
NOTE Confidence: 0.842806

00:04:40.063 --> 00:04:41.578 is experienced into something that  
NOTE Confidence: 0.842806

00:04:41.578 --> 00:04:43.158 is iaccessible for the reader.  
NOTE Confidence: 0.842806

00:04:43.160 --> 00:04:45.860 I don't think there are many others who do.  
NOTE Confidence: 0.842806

00:04:45.860 --> 00:04:48.260 It is definitely an elegantly as she does,  
NOTE Confidence: 0.842806

00:04:48.260 --> 00:04:50.060 so that was the nominating statement.  
NOTE Confidence: 0.842806

00:04:50.060 --> 00:04:52.202 So maybe you're thinking what a pity  
NOTE Confidence: 0.842806

00:04:52.202 --> 00:04:54.258 Margie didn't get to know about this.  
NOTE Confidence: 0.842806

00:04:54.260 --> 00:04:55.160 Well she did.

NOTE Confidence: 0.842806

00:04:55.160 --> 00:04:58.188 I shared it with her back in October 1 day

NOTE Confidence: 0.842806

00:04:58.188 --> 00:05:00.556 while visiting with her on her front porch.

NOTE Confidence: 0.842806

00:05:00.560 --> 00:05:02.891 Margie was so delighted and awestruck an

NOTE Confidence: 0.842806

00:05:02.891 --> 00:05:05.059 flattered and giddy with the idea of it.

NOTE Confidence: 0.842806

00:05:05.060 --> 00:05:06.260 She couldn't believe it.

NOTE Confidence: 0.842806

00:05:06.260 --> 00:05:09.065 And yes, she didn't know what this was and.

NOTE Confidence: 0.842806

00:05:09.070 --> 00:05:12.738 Emanation for it was a joyous moment.

NOTE Confidence: 0.842806

00:05:12.740 --> 00:05:14.380 And so, in that spirit,

NOTE Confidence: 0.842806

00:05:14.380 --> 00:05:17.323 I'm glad to be sharing this story with you,

NOTE Confidence: 0.842806

00:05:17.330 --> 00:05:19.274 and to have this opportunity to

NOTE Confidence: 0.842806

00:05:19.274 --> 00:05:20.940 share some of Margie's work,

NOTE Confidence: 0.842806

00:05:20.940 --> 00:05:21.924 her connections, collaborations,

NOTE Confidence: 0.842806

00:05:21.924 --> 00:05:23.236 creations from these different

NOTE Confidence: 0.842806

00:05:23.236 --> 00:05:24.550 spheres from her friend.

NOTE Confidence: 0.842806

00:05:24.550 --> 00:05:25.862 The category defining physician,

NOTE Confidence: 0.842806

00:05:25.862 --> 00:05:27.174 writer, artist, and activist.  
NOTE Confidence: 0.842806

00:05:27.174 --> 00:05:29.470 I'll just say one other thing briefly,  
NOTE Confidence: 0.842806

00:05:29.470 --> 00:05:32.750 and then I'll turn over the mic to and green.  
NOTE Confidence: 0.842806

00:05:32.750 --> 00:05:35.046 So these days, Carrie and I frequently  
NOTE Confidence: 0.842806

00:05:35.046 --> 00:05:36.030 find ourselves saying,  
NOTE Confidence: 0.842806

00:05:36.030 --> 00:05:37.258 what would Margie do?  
NOTE Confidence: 0.842806

00:05:37.258 --> 00:05:39.640 Maybe it's about some piece of writing,  
NOTE Confidence: 0.842806

00:05:39.640 --> 00:05:41.596 some essay that until last summer,  
NOTE Confidence: 0.842806

00:05:41.600 --> 00:05:43.658 Margie and I and the rest  
NOTE Confidence: 0.842806

00:05:43.658 --> 00:05:45.030 of our writing group.  
NOTE Confidence: 0.842806

00:05:45.030 --> 00:05:45.352 Lisa,  
NOTE Confidence: 0.842806

00:05:45.352 --> 00:05:45.674 Randy,  
NOTE Confidence: 0.842806

00:05:45.674 --> 00:05:47.284 and Pauline might be discussing  
NOTE Confidence: 0.842806

00:05:47.284 --> 00:05:48.969 over coffee at Cedar Hurst.  
NOTE Confidence: 0.842806

00:05:48.970 --> 00:05:50.926 Maybe it's about the scholars program.  
NOTE Confidence: 0.842806

00:05:50.930 --> 00:05:52.085 Maybe it's dealing,

NOTE Confidence: 0.842806  
00:05:52.085 --> 00:05:54.010 maybe it's about dealing with  
NOTE Confidence: 0.842806  
00:05:54.010 --> 00:05:55.334 whatever vicissitudes of life  
NOTE Confidence: 0.842806  
00:05:55.334 --> 00:05:56.834 those of you who knew Margie.  
NOTE Confidence: 0.842806  
00:05:56.840 --> 00:05:58.480 You know I'm talking about.  
NOTE Confidence: 0.842806  
00:05:58.480 --> 00:06:00.120 She took it all in.  
NOTE Confidence: 0.842806  
00:06:00.120 --> 00:06:01.464 She chewed on it.  
NOTE Confidence: 0.842806  
00:06:01.464 --> 00:06:03.144 She proffered pretty much the  
NOTE Confidence: 0.842806  
00:06:03.144 --> 00:06:05.040 wisest take on whatever it was.  
NOTE Confidence: 0.842806  
00:06:05.040 --> 00:06:07.329 And so when I read her writing,  
NOTE Confidence: 0.842806  
00:06:07.330 --> 00:06:08.314 revisit old favourites,  
NOTE Confidence: 0.842806  
00:06:08.314 --> 00:06:10.284 I hear her voice, her brilliant  
NOTE Confidence: 0.842806  
00:06:10.284 --> 00:06:12.246 takes on all sorts of situations.  
NOTE Confidence: 0.842806  
00:06:12.250 --> 00:06:13.955 It was difficult to select  
NOTE Confidence: 0.842806  
00:06:13.955 --> 00:06:15.660 just a few for tonight.  
NOTE Confidence: 0.842806  
00:06:15.660 --> 00:06:17.688 They are also great.  
NOTE Confidence: 0.842806

00:06:17.688 --> 00:06:20.725 Margie's writing is like a casual,  
NOTE Confidence: 0.842806

00:06:20.725 --> 00:06:22.446 beautiful, deep meaty,  
NOTE Confidence: 0.842806

00:06:22.446 --> 00:06:24.285 always memorable conversation  
NOTE Confidence: 0.842806

00:06:24.285 --> 00:06:27.350 with a good good friend.  
NOTE Confidence: 0.842806

00:06:27.350 --> 00:06:27.920 Thank you.  
NOTE Confidence: 0.58742815

00:06:30.780 --> 00:06:32.049 Thank you Anna.  
NOTE Confidence: 0.83357763

00:06:34.840 --> 00:06:36.558 My name is Anne Green.  
NOTE Confidence: 0.83357763

00:06:36.558 --> 00:06:39.354 Anne I'm speaking to you tonight in the  
NOTE Confidence: 0.83357763

00:06:39.354 --> 00:06:42.273 vain attempt to describe what it was like  
NOTE Confidence: 0.83357763

00:06:42.273 --> 00:06:44.744 to work with my colleague and friend,  
NOTE Confidence: 0.83357763

00:06:44.750 --> 00:06:46.280 Marjorie Sue Rosenthal.  
NOTE Confidence: 0.83357763

00:06:46.280 --> 00:06:48.830 Occasionally she would remind me  
NOTE Confidence: 0.83357763

00:06:48.830 --> 00:06:52.565 that we met long ago years before I  
NOTE Confidence: 0.83357763

00:06:52.565 --> 00:06:55.069 joined the Scholars program in 2014  
NOTE Confidence: 0.83357763

00:06:55.069 --> 00:06:57.660 and she was right in my neighborhood.  
NOTE Confidence: 0.83357763

00:06:57.660 --> 00:07:00.820 I was an active member of the West

NOTE Confidence: 0.83357763

00:07:00.820 --> 00:07:02.730 River Neighborhood Services Corp.

NOTE Confidence: 0.83357763

00:07:02.730 --> 00:07:05.150 The Corporation would often host

NOTE Confidence: 0.83357763

00:07:05.150 --> 00:07:07.570 outside speakers an invited guests.

NOTE Confidence: 0.83357763

00:07:07.570 --> 00:07:11.014 One evening, probably in 2009 or 2010,

NOTE Confidence: 0.83357763

00:07:11.020 --> 00:07:14.471 Margie came with two Robert Wood Johnson

NOTE Confidence: 0.83357763

00:07:14.471 --> 00:07:16.445 Foundation clinical scholars only.

NOTE Confidence: 0.83357763

00:07:16.445 --> 00:07:18.416 Blackstock and Jed Barrish,

NOTE Confidence: 0.83357763

00:07:18.416 --> 00:07:20.876 who is first year scholars,

NOTE Confidence: 0.83357763

00:07:20.880 --> 00:07:23.255 were looking for community partners

NOTE Confidence: 0.83357763

00:07:23.255 --> 00:07:26.300 to work on a research project

NOTE Confidence: 0.83357763

00:07:26.300 --> 00:07:28.273 like any masterful matchmaker.

NOTE Confidence: 0.83357763

00:07:28.273 --> 00:07:30.245 Margie made the introductions

NOTE Confidence: 0.83357763

00:07:30.245 --> 00:07:32.716 about her scholars, not herself.

NOTE Confidence: 0.83357763

00:07:32.716 --> 00:07:36.660 And matchmaker that she was in no time.

NOTE Confidence: 0.83357763

00:07:36.660 --> 00:07:37.478 Jed onie.

NOTE Confidence: 0.83357763

00:07:37.478 --> 00:07:38.296 My friends,  
NOTE Confidence: 0.83357763

00:07:38.296 --> 00:07:41.267 Billy Bromage says he spell and I  
NOTE Confidence: 0.83357763

00:07:41.267 --> 00:07:44.298 wound up partnering on a project that  
NOTE Confidence: 0.83357763

00:07:44.298 --> 00:07:46.399 became improving access to healthy  
NOTE Confidence: 0.83357763

00:07:46.399 --> 00:07:49.390 foods in the West River neighborhood.  
NOTE Confidence: 0.83357763

00:07:49.390 --> 00:07:51.540 For that introduction to community  
NOTE Confidence: 0.83357763

00:07:51.540 --> 00:07:55.910 engaged research, I am in Margie's debt.  
NOTE Confidence: 0.83357763

00:07:55.910 --> 00:07:58.082 Fast forward to 2014.  
NOTE Confidence: 0.83357763

00:07:58.082 --> 00:08:03.408 I began my tenure as what is now the  
NOTE Confidence: 0.83357763

00:08:03.408 --> 00:08:06.658 N CSPA Community Research liaison.  
NOTE Confidence: 0.83357763

00:08:06.660 --> 00:08:09.300 At that time, community based,  
NOTE Confidence: 0.83357763

00:08:09.300 --> 00:08:12.642 participatory research or CPR was under  
NOTE Confidence: 0.83357763

00:08:12.642 --> 00:08:16.169 the stewardship of a team of four.  
NOTE Confidence: 0.83357763

00:08:16.170 --> 00:08:18.278 Margie Marcella, Nunez Smith,  
NOTE Confidence: 0.83357763

00:08:18.278 --> 00:08:20.913 Emily Wong and me together.  
NOTE Confidence: 0.83357763

00:08:20.920 --> 00:08:23.028 We crafted curriculum, supported,

NOTE Confidence: 0.83357763

00:08:23.028 --> 00:08:24.609 and evaluated scholars,

NOTE Confidence: 0.83357763

00:08:24.610 --> 00:08:26.722 justified budgets, brokered conflict,

NOTE Confidence: 0.83357763

00:08:26.722 --> 00:08:28.834 liaised with community partners,

NOTE Confidence: 0.83357763

00:08:28.840 --> 00:08:30.760 old and new.

NOTE Confidence: 0.83357763

00:08:30.760 --> 00:08:32.680 And most importantly,

NOTE Confidence: 0.83357763

00:08:32.680 --> 00:08:35.530 vociferously and consistently made the

NOTE Confidence: 0.83357763

00:08:35.530 --> 00:08:39.967 case for CBP are being rigorous effective

NOTE Confidence: 0.83357763

00:08:39.967 --> 00:08:43.697 research to three primary audiences.

NOTE Confidence: 0.83357763

00:08:43.700 --> 00:08:45.154 Curious scholars,

NOTE Confidence: 0.83357763

00:08:45.154 --> 00:08:47.335 sceptical academic researchers

NOTE Confidence: 0.83357763

00:08:47.335 --> 00:08:50.243 and potential community partners?

NOTE Confidence: 0.83357763

00:08:50.250 --> 00:08:52.390 As Co director of NCSP,

NOTE Confidence: 0.83357763

00:08:52.390 --> 00:08:56.233 much of the day to day work of defining,

NOTE Confidence: 0.83357763

00:08:56.240 --> 00:08:59.168 defending and demonstrating how to do

NOTE Confidence: 0.83357763

00:08:59.168 --> 00:09:01.949 community engaged work fell to Margie.

NOTE Confidence: 0.83357763

00:09:01.950 --> 00:09:04.575 I was often present at those meetings  
NOTE Confidence: 0.83357763

00:09:04.575 --> 00:09:06.899 where she could jolt a skittish  
NOTE Confidence: 0.83357763

00:09:06.899 --> 00:09:09.524 scholar to return and engage with her  
NOTE Confidence: 0.83357763

00:09:09.599 --> 00:09:12.077 or his or her community partner by  
NOTE Confidence: 0.83357763

00:09:12.077 --> 00:09:14.550 sharing her own mistakes and biases.  
NOTE Confidence: 0.83357763

00:09:14.550 --> 00:09:16.430 While doing partnered research.  
NOTE Confidence: 0.83357763

00:09:16.430 --> 00:09:18.410 As many of you can recall,  
NOTE Confidence: 0.83357763

00:09:18.410 --> 00:09:19.400 she'd say, well,  
NOTE Confidence: 0.83357763

00:09:19.400 --> 00:09:21.380 I think you can get three  
NOTE Confidence: 0.83357763

00:09:21.380 --> 00:09:23.030 papers out of that data,  
NOTE Confidence: 0.83357763

00:09:23.030 --> 00:09:24.605 and then before the first  
NOTE Confidence: 0.83357763

00:09:24.605 --> 00:09:26.660 one was out of draft stage,  
NOTE Confidence: 0.83357763

00:09:26.660 --> 00:09:29.300 she proud the scholar about the other two.  
NOTE Confidence: 0.83357763

00:09:29.300 --> 00:09:31.610 And by the way, what about dissemination?  
NOTE Confidence: 0.83357763

00:09:31.610 --> 00:09:33.260 Who are you planning to  
NOTE Confidence: 0.83357763

00:09:33.260 --> 00:09:35.200 share the results with?

NOTE Confidence: 0.83357763  
00:09:35.200 --> 00:09:35.660 Anne,  
NOTE Confidence: 0.83357763  
00:09:35.660 --> 00:09:37.960 for every paper presentation partnership,  
NOTE Confidence: 0.83357763  
00:09:37.960 --> 00:09:40.260 an epiphany about CB PR.  
NOTE Confidence: 0.83357763  
00:09:40.260 --> 00:09:42.100 That happened for scholars  
NOTE Confidence: 0.83357763  
00:09:42.100 --> 00:09:44.400 that came under her wing.  
NOTE Confidence: 0.83357763  
00:09:44.400 --> 00:09:49.048 They too are in March is debt.  
NOTE Confidence: 0.83357763  
00:09:49.050 --> 00:09:49.895 By 2020,  
NOTE Confidence: 0.83357763  
00:09:49.895 --> 00:09:52.380 we had spent six years wandering  
NOTE Confidence: 0.83357763  
00:09:52.380 --> 00:09:54.944 back and forth between our offices  
NOTE Confidence: 0.83357763  
00:09:54.944 --> 00:09:57.524 across the Hall from one another,  
NOTE Confidence: 0.83357763  
00:09:57.530 --> 00:09:59.650 reading drafts and carpooling to  
NOTE Confidence: 0.83357763  
00:09:59.650 --> 00:10:02.619 get to West Campus for a meeting.  
NOTE Confidence: 0.83357763  
00:10:02.620 --> 00:10:03.889 In that time,  
NOTE Confidence: 0.83357763  
00:10:03.889 --> 00:10:06.004 we proselytize for our discipline,  
NOTE Confidence: 0.83357763  
00:10:06.010 --> 00:10:08.590 encourage ING scholars and fellows to  
NOTE Confidence: 0.83357763

00:10:08.590 --> 00:10:11.611 take the chances that help them reconnect  
NOTE Confidence: 0.83357763

00:10:11.611 --> 00:10:14.910 to whatever it was that brought them into.  
NOTE Confidence: 0.83357763

00:10:14.910 --> 00:10:15.870 Healthcare research,  
NOTE Confidence: 0.83357763

00:10:15.870 --> 00:10:17.790 and Marjorie Sue Rosenthal  
NOTE Confidence: 0.83357763

00:10:17.790 --> 00:10:19.710 lived what she preaches.  
NOTE Confidence: 0.83357763

00:10:19.710 --> 00:10:21.036 She showed up.  
NOTE Confidence: 0.83357763

00:10:21.036 --> 00:10:25.480 She met all kinds of people and she listened.  
NOTE Confidence: 0.83357763

00:10:25.480 --> 00:10:28.020 She advocated for research budgets  
NOTE Confidence: 0.83357763

00:10:28.020 --> 00:10:30.560 that equitably addressed the value  
NOTE Confidence: 0.8386984

00:10:30.639 --> 00:10:33.656 in never tease of our community partners,  
NOTE Confidence: 0.8386984

00:10:33.660 --> 00:10:36.550 whether they were teenagers or elders,  
NOTE Confidence: 0.8386984

00:10:36.550 --> 00:10:39.430 she taught, she nurtured, she created.  
NOTE Confidence: 0.8386984

00:10:39.430 --> 00:10:41.840 She mentored an. She fought,  
NOTE Confidence: 0.8386984

00:10:41.840 --> 00:10:45.232 and I most weekdays had a front row  
NOTE Confidence: 0.8386984

00:10:45.232 --> 00:10:49.046 seat to my magnificent friend and Co.  
NOTE Confidence: 0.8386984

00:10:49.050 --> 00:10:52.928 Conspirator. So many of us here are

NOTE Confidence: 0.8386984

00:10:52.928 --> 00:10:55.258 the beneficiaries of Margie's gifts.

NOTE Confidence: 0.8386984

00:10:55.260 --> 00:10:59.070 We're all in her debt. Thank you.

NOTE Confidence: 0.8390555

00:11:07.470 --> 00:11:09.514 Hi, good evening everybody.

NOTE Confidence: 0.8390555

00:11:09.514 --> 00:11:12.069 My name is Ben Oldfield.

NOTE Confidence: 0.8390555

00:11:12.070 --> 00:11:14.074 I'm going to be reading an

NOTE Confidence: 0.8390555

00:11:14.074 --> 00:11:16.020 essay that Margie wrote in 2015.

NOTE Confidence: 0.88163847

00:11:18.680 --> 00:11:20.540 The essay is called what might

NOTE Confidence: 0.88163847

00:11:20.540 --> 00:11:21.780 we accomplished by engaging

NOTE Confidence: 0.88163847

00:11:21.834 --> 00:11:23.170 in our local communities?

NOTE Confidence: 0.86207247

00:11:26.020 --> 00:11:28.072 I sit at the edge of a soccer field

NOTE Confidence: 0.86207247

00:11:28.072 --> 00:11:30.323 on a beautiful New England autumn

NOTE Confidence: 0.86207247

00:11:30.323 --> 00:11:32.609 afternoon watching my first grader and

NOTE Confidence: 0.86207247

00:11:32.609 --> 00:11:34.745 her peers run up and down the field.

NOTE Confidence: 0.86207247

00:11:34.750 --> 00:11:37.060 The clump of children hovering around the

NOTE Confidence: 0.86207247

00:11:37.060 --> 00:11:39.628 ball reflects the diversity of our community.

NOTE Confidence: 0.86207247

00:11:39.630 --> 00:11:42.270 They are daughters of firefighters,  
NOTE Confidence: 0.86207247

00:11:42.270 --> 00:11:44.124 taxi drivers, artists,  
NOTE Confidence: 0.86207247

00:11:44.124 --> 00:11:46.596 administrative assistance and physicians.  
NOTE Confidence: 0.86207247

00:11:46.600 --> 00:11:49.328 If skin colors of every shade they speak.  
NOTE Confidence: 0.86207247

00:11:49.330 --> 00:11:51.526 English, Spanish and Arabic at home  
NOTE Confidence: 0.86207247

00:11:51.526 --> 00:11:54.705 they have a body mass index that ranges  
NOTE Confidence: 0.86207247

00:11:54.705 --> 00:11:57.159 from normal to overweight to obese.  
NOTE Confidence: 0.86207247

00:11:57.160 --> 00:12:00.360 When we clinicians spend time in the same  
NOTE Confidence: 0.86207247

00:12:00.360 --> 00:12:02.458 communities where our patients live,  
NOTE Confidence: 0.86207247

00:12:02.460 --> 00:12:03.486 we learn.  
NOTE Confidence: 0.86207247

00:12:03.486 --> 00:12:05.538 We learn about demographics.  
NOTE Confidence: 0.86207247

00:12:05.540 --> 00:12:08.235 We learn about challenges and ask this.  
NOTE Confidence: 0.86207247

00:12:08.240 --> 00:12:10.670 We may spend time on neighborhood  
NOTE Confidence: 0.86207247

00:12:10.670 --> 00:12:12.803 governing boards and local food  
NOTE Confidence: 0.86207247

00:12:12.803 --> 00:12:14.998 co-ops and sustaining local parks.  
NOTE Confidence: 0.86207247

00:12:15.000 --> 00:12:17.272 We may do it to be with young

NOTE Confidence: 0.86207247

00:12:17.272 --> 00:12:19.368 children or older family members.

NOTE Confidence: 0.86207247

00:12:19.370 --> 00:12:21.906 We may do it out of a sense

NOTE Confidence: 0.86207247

00:12:21.906 --> 00:12:23.738 of religious or civic duty,

NOTE Confidence: 0.86207247

00:12:23.740 --> 00:12:25.415 regardless when we spend time

NOTE Confidence: 0.86207247

00:12:25.415 --> 00:12:26.755 in our patients communities,

NOTE Confidence: 0.86207247

00:12:26.760 --> 00:12:28.430 we have the opportunity to

NOTE Confidence: 0.86207247

00:12:28.430 --> 00:12:30.495 enhance our patients lives in our

NOTE Confidence: 0.86207247

00:12:30.495 --> 00:12:32.135 teaching and three key waves.

NOTE Confidence: 0.86207247

00:12:32.140 --> 00:12:35.465 For one, we bring our medical expertise.

NOTE Confidence: 0.86207247

00:12:35.470 --> 00:12:37.885 When we get involved in our children's

NOTE Confidence: 0.86207247

00:12:37.885 --> 00:12:39.730 schools and childcare settings and,

NOTE Confidence: 0.86207247

00:12:39.730 --> 00:12:40.406 for example,

NOTE Confidence: 0.86207247

00:12:40.406 --> 00:12:42.096 help interpret the science of

NOTE Confidence: 0.86207247

00:12:42.096 --> 00:12:43.640 nutrition and physical activity,

NOTE Confidence: 0.86207247

00:12:43.640 --> 00:12:45.380 we can help educators

NOTE Confidence: 0.86207247

00:12:45.380 --> 00:12:46.685 incorporate obesity prevention.  
NOTE Confidence: 0.86207247

00:12:46.690 --> 00:12:48.925 Perhaps fewer elementary schools would  
NOTE Confidence: 0.86207247

00:12:48.925 --> 00:12:51.160 have reduced physical education and  
NOTE Confidence: 0.86207247

00:12:51.226 --> 00:12:53.326 recess time if there were engaged  
NOTE Confidence: 0.86207247

00:12:53.326 --> 00:12:55.580 physicians on the school board or PTA.  
NOTE Confidence: 0.86207247

00:12:55.580 --> 00:12:55.886 Second,  
NOTE Confidence: 0.86207247

00:12:55.886 --> 00:12:58.028 when we spend time in our community,  
NOTE Confidence: 0.86207247

00:12:58.030 --> 00:12:59.990 we bring our expertise back to our  
NOTE Confidence: 0.86207247

00:12:59.990 --> 00:13:01.390 practice and research inquiries.  
NOTE Confidence: 0.86207247

00:13:01.390 --> 00:13:02.614 When we're recommending diet  
NOTE Confidence: 0.86207247

00:13:02.614 --> 00:13:04.144 and exercise to our patients,  
NOTE Confidence: 0.86207247

00:13:04.150 --> 00:13:06.490 we might do it better if we knew there's  
NOTE Confidence: 0.86207247

00:13:06.490 --> 00:13:08.737 a new opportunity for fresh food.  
NOTE Confidence: 0.86207247

00:13:08.740 --> 00:13:10.960 Because we have joined the recently  
NOTE Confidence: 0.86207247

00:13:10.960 --> 00:13:13.584 formed food Co-op or the YMCA pool  
NOTE Confidence: 0.86207247

00:13:13.584 --> 00:13:15.369 had expanded hours because we

NOTE Confidence: 0.86207247

00:13:15.369 --> 00:13:17.609 read about it in the local paper.

NOTE Confidence: 0.86207247

00:13:17.610 --> 00:13:19.731 But we're not just a well informed

NOTE Confidence: 0.86207247

00:13:19.731 --> 00:13:21.189 person telling our patient

NOTE Confidence: 0.86207247

00:13:21.189 --> 00:13:22.647 about Community resources.

NOTE Confidence: 0.86207247

00:13:22.650 --> 00:13:24.090 When were knowledgeable about

NOTE Confidence: 0.86207247

00:13:24.090 --> 00:13:25.170 the local community,

NOTE Confidence: 0.86207247

00:13:25.170 --> 00:13:26.970 we combine our clinical expertise,

NOTE Confidence: 0.86207247

00:13:26.970 --> 00:13:29.130 our research knowledge and community assets,

NOTE Confidence: 0.86207247

00:13:29.130 --> 00:13:31.078 knowledge into information and

NOTE Confidence: 0.86207247

00:13:31.078 --> 00:13:34.000 recommendations that our patients can use.

NOTE Confidence: 0.86207247

00:13:34.000 --> 00:13:34.352 Finally,

NOTE Confidence: 0.86207247

00:13:34.352 --> 00:13:37.168 we teach trainees who tend to be transient

NOTE Confidence: 0.86207247

00:13:37.168 --> 00:13:39.570 about community assets and challenges.

NOTE Confidence: 0.86207247

00:13:39.570 --> 00:13:41.886 We learn more about the importance

NOTE Confidence: 0.86207247

00:13:41.886 --> 00:13:43.950 of social determinants of health,

NOTE Confidence: 0.86207247

00:13:43.950 --> 00:13:45.318 describing how poverty,  
NOTE Confidence: 0.86207247

00:13:45.318 --> 00:13:48.054 neighborhood access to food and education  
NOTE Confidence: 0.86207247

00:13:48.054 --> 00:13:50.630 all play important roles in health.  
NOTE Confidence: 0.86207247

00:13:50.630 --> 00:13:52.622 Having an educator who can teach  
NOTE Confidence: 0.86207247

00:13:52.622 --> 00:13:54.365 about the specific local community  
NOTE Confidence: 0.86207247

00:13:54.365 --> 00:13:56.140 assets and influences in health  
NOTE Confidence: 0.86207247

00:13:56.140 --> 00:13:58.320 may be as important as teaching  
NOTE Confidence: 0.86207247

00:13:58.320 --> 00:13:59.716 which antibiotic to use.  
NOTE Confidence: 0.86207247

00:13:59.720 --> 00:14:01.200 In the Fellowship program where  
NOTE Confidence: 0.86207247

00:14:01.200 --> 00:14:03.227 I teach the Robert Wood Johnson  
NOTE Confidence: 0.86207247

00:14:03.227 --> 00:14:05.167 Foundation Clinical Scholars program,  
NOTE Confidence: 0.86207247

00:14:05.170 --> 00:14:07.594 each post Doc goes on walking  
NOTE Confidence: 0.86207247

00:14:07.594 --> 00:14:09.210 tours of underserved neighborhoods  
NOTE Confidence: 0.86207247

00:14:09.273 --> 00:14:11.037 led by neighborhood leaders.  
NOTE Confidence: 0.86207247

00:14:11.040 --> 00:14:12.888 Faculty on the Tour connect the  
NOTE Confidence: 0.86207247

00:14:12.888 --> 00:14:14.531 assets and challenges of the

NOTE Confidence: 0.86207247

00:14:14.531 --> 00:14:16.266 environment to the literature on

NOTE Confidence: 0.86207247

00:14:16.266 --> 00:14:18.100 the social determinants of health.

NOTE Confidence: 0.86207247

00:14:18.100 --> 00:14:19.508 After The Walking tours,

NOTE Confidence: 0.86207247

00:14:19.508 --> 00:14:21.620 our postdocs report a new understanding

NOTE Confidence: 0.86207247

00:14:21.680 --> 00:14:23.564 of their patients and have new

NOTE Confidence: 0.86207247

00:14:23.564 --> 00:14:24.820 ideas for community based,

NOTE Confidence: 0.86207247

00:14:24.820 --> 00:14:26.748 participatory research inquiries that

NOTE Confidence: 0.86207247

00:14:26.748 --> 00:14:29.640 can translate into better patient care.

NOTE Confidence: 0.86207247

00:14:29.640 --> 00:14:31.268 Influencing health related policy

NOTE Confidence: 0.86207247

00:14:31.270 --> 00:14:32.452 in the community,

NOTE Confidence: 0.86207247

00:14:32.452 --> 00:14:33.634 enhancing patient counseling

NOTE Confidence: 0.86207247

00:14:33.634 --> 00:14:35.210 and teaching trainees about

NOTE Confidence: 0.84112376

00:14:35.265 --> 00:14:36.969 community assets and challenges.

NOTE Confidence: 0.84112376

00:14:36.970 --> 00:14:39.454 Might academia reward that as much

NOTE Confidence: 0.84112376

00:14:39.454 --> 00:14:42.600 as the latest cell biology discovery?

NOTE Confidence: 0.84112376

00:14:42.600 --> 00:14:44.896 And if not, reward at least facilitate the  
NOTE Confidence: 0.84112376

00:14:44.896 --> 00:14:48.158 kind of career that encourages that kind of  
NOTE Confidence: 0.84112376

00:14:48.158 --> 00:14:49.906 knowledge acquisition and dissemination.  
NOTE Confidence: 0.84112376

00:14:49.910 --> 00:14:51.535 While the concept of the  
NOTE Confidence: 0.84112376

00:14:51.535 --> 00:14:53.160 physician advocate is not new,  
NOTE Confidence: 0.84112376

00:14:53.160 --> 00:14:56.085 as we learn more about the value of patient,  
NOTE Confidence: 0.84112376

00:14:56.090 --> 00:14:57.065 centered engagement and  
NOTE Confidence: 0.84112376

00:14:57.065 --> 00:14:58.040 shared decision making,  
NOTE Confidence: 0.84112376

00:14:58.040 --> 00:15:00.552 it may be especially important now to have  
NOTE Confidence: 0.84112376

00:15:00.552 --> 00:15:02.154 mechanisms that facilitate meaningful  
NOTE Confidence: 0.84112376

00:15:02.154 --> 00:15:04.439 engagement in our patients community.  
NOTE Confidence: 0.84112376

00:15:04.440 --> 00:15:06.708 One may, one way maybe to  
NOTE Confidence: 0.84112376

00:15:06.708 --> 00:15:07.842 reconsider academic hierarchies.  
NOTE Confidence: 0.84112376

00:15:07.850 --> 00:15:08.606 For example,  
NOTE Confidence: 0.84112376

00:15:08.606 --> 00:15:11.252 when academic physicians seek to be promoted,  
NOTE Confidence: 0.84112376

00:15:11.260 --> 00:15:13.294 a key criterion at some institutions

NOTE Confidence: 0.84112376

00:15:13.294 --> 00:15:16.006 is that they are known and respected

NOTE Confidence: 0.84112376

00:15:16.006 --> 00:15:18.151 nationally to become an associate

NOTE Confidence: 0.84112376

00:15:18.151 --> 00:15:19.534 professor and internationally

NOTE Confidence: 0.84112376

00:15:19.534 --> 00:15:21.829 to become a full professor.

NOTE Confidence: 0.84112376

00:15:21.830 --> 00:15:23.350 What about including being known

NOTE Confidence: 0.84112376

00:15:23.350 --> 00:15:24.870 and respected in the community

NOTE Confidence: 0.84112376

00:15:24.920 --> 00:15:26.028 in which they practice?

NOTE Confidence: 0.84112376

00:15:26.030 --> 00:15:27.842 This could include the two way

NOTE Confidence: 0.84112376

00:15:27.842 --> 00:15:29.050 St of contributing meaningfully

NOTE Confidence: 0.84112376

00:15:29.107 --> 00:15:30.227 to the local community,

NOTE Confidence: 0.84112376

00:15:30.230 --> 00:15:33.054 as well as bringing knowledge of the local

NOTE Confidence: 0.84112376

00:15:33.054 --> 00:15:35.497 community to the practice and teaching.

NOTE Confidence: 0.84112376

00:15:35.500 --> 00:15:37.089 What if we rewarded the Preceptor who

NOTE Confidence: 0.84112376

00:15:37.089 --> 00:15:38.956 says to the resident when we go back

NOTE Confidence: 0.84112376

00:15:38.956 --> 00:15:40.544 into the room, we should remind Mrs.

NOTE Confidence: 0.84112376

00:15:40.544 --> 00:15:41.900 Jones that they have bulk food  
NOTE Confidence: 0.84112376

00:15:41.946 --> 00:15:42.858 at the grocery store.  
NOTE Confidence: 0.84112376

00:15:42.860 --> 00:15:45.254 That's a few blocks from her house  
NOTE Confidence: 0.84112376

00:15:45.254 --> 00:15:47.310 and she'll find almonds there.  
NOTE Confidence: 0.84112376

00:15:47.310 --> 00:15:47.832 Additionally,  
NOTE Confidence: 0.84112376

00:15:47.832 --> 00:15:50.442 more funding opportunities could give  
NOTE Confidence: 0.84112376

00:15:50.442 --> 00:15:53.730 greater value and knowledge of 1's community.  
NOTE Confidence: 0.84112376

00:15:53.730 --> 00:15:55.565 Current community oriented funding resources  
NOTE Confidence: 0.84112376

00:15:55.565 --> 00:15:57.990 include the American Academy of Pediatrics,  
NOTE Confidence: 0.84112376

00:15:57.990 --> 00:15:58.792 Cash grants,  
NOTE Confidence: 0.84112376

00:15:58.792 --> 00:16:00.797 and encourage pediatric trainees to  
NOTE Confidence: 0.84112376

00:16:00.797 --> 00:16:02.415 conduct meaningful health related  
NOTE Confidence: 0.84112376

00:16:02.415 --> 00:16:04.180 work and non clinical settings.  
NOTE Confidence: 0.84112376

00:16:04.180 --> 00:16:05.944 The patient centered Outcomes  
NOTE Confidence: 0.84112376

00:16:05.944 --> 00:16:07.708 Research Institute and other  
NOTE Confidence: 0.84112376

00:16:07.708 --> 00:16:09.849 federal and foundation sources.

NOTE Confidence: 0.84112376

00:16:09.850 --> 00:16:10.147 Finally,

NOTE Confidence: 0.84112376

00:16:10.147 --> 00:16:11.929 we could consider models that some

NOTE Confidence: 0.84112376

00:16:11.929 --> 00:16:13.827 cities use to attract city residents

NOTE Confidence: 0.84112376

00:16:13.827 --> 00:16:15.735 to apply for civil servant jobs.

NOTE Confidence: 0.84112376

00:16:15.740 --> 00:16:16.793 In some cities,

NOTE Confidence: 0.84112376

00:16:16.793 --> 00:16:18.197 police officers and firefighters

NOTE Confidence: 0.84112376

00:16:18.197 --> 00:16:20.082 get paid more if they live

NOTE Confidence: 0.84112376

00:16:20.082 --> 00:16:21.630 in the city where they work,

NOTE Confidence: 0.84112376

00:16:21.630 --> 00:16:23.146 and in some cities,

NOTE Confidence: 0.84112376

00:16:23.146 --> 00:16:25.041 residents taking the civil service

NOTE Confidence: 0.84112376

00:16:25.041 --> 00:16:27.549 exam are graded on a different curve.

NOTE Confidence: 0.84112376

00:16:27.550 --> 00:16:29.536 Both of these models recognize that

NOTE Confidence: 0.84112376

00:16:29.536 --> 00:16:31.859 there is an intrinsic good to the

NOTE Confidence: 0.84112376

00:16:31.859 --> 00:16:33.737 knowledge and skills that come from

NOTE Confidence: 0.84112376

00:16:33.737 --> 00:16:35.857 living and working in the same place.

NOTE Confidence: 0.84112376

00:16:35.860 --> 00:16:37.876 It's the Willie Sutton theory of  
NOTE Confidence: 0.84112376

00:16:37.876 --> 00:16:40.009 learning and teaching about our patients.  
NOTE Confidence: 0.84112376

00:16:40.010 --> 00:16:41.991 We need to be where our patients  
NOTE Confidence: 0.84112376

00:16:41.991 --> 00:16:44.160 are in our professional lives.  
NOTE Confidence: 0.84112376

00:16:44.160 --> 00:16:46.260 We generally interact with patients in  
NOTE Confidence: 0.84112376

00:16:46.260 --> 00:16:48.586 15 minute intervals or more intensely  
NOTE Confidence: 0.84112376

00:16:48.586 --> 00:16:50.310 for short inpatient intervals.  
NOTE Confidence: 0.84112376

00:16:50.310 --> 00:16:52.760 When we're on the same soccer bleachers,  
NOTE Confidence: 0.84112376

00:16:52.760 --> 00:16:54.232 PTA food, Co-op board.  
NOTE Confidence: 0.84112376

00:16:54.232 --> 00:16:57.120 When we're trying to exercise on the same,  
NOTE Confidence: 0.84112376

00:16:57.120 --> 00:16:58.544 only moderately safe sidewalks,  
NOTE Confidence: 0.84112376

00:16:58.544 --> 00:17:01.044 we may be learning at least as  
NOTE Confidence: 0.84112376

00:17:01.044 --> 00:17:02.850 much and probably more about our  
NOTE Confidence: 0.84112376

00:17:02.850 --> 00:17:04.967 patients as we do in the hospital.  
NOTE Confidence: 0.84112376

00:17:04.970 --> 00:17:07.880 Obesity prevention is just one example.  
NOTE Confidence: 0.84112376

00:17:07.880 --> 00:17:09.572 Community knowledge and partnering

NOTE Confidence: 0.84112376

00:17:09.572 --> 00:17:11.687 skills could enhance patient care

NOTE Confidence: 0.84112376

00:17:11.687 --> 00:17:13.891 research and teaching about other

NOTE Confidence: 0.84112376

00:17:13.891 --> 00:17:15.184 challenges facing communities,

NOTE Confidence: 0.84112376

00:17:15.190 --> 00:17:17.104 including violence, homelessness,

NOTE Confidence: 0.84112376

00:17:17.104 --> 00:17:19.656 and sub optimal schools.

NOTE Confidence: 0.84112376

00:17:19.660 --> 00:17:21.910 With 10 minutes to go in the soccer game,

NOTE Confidence: 0.84112376

00:17:21.910 --> 00:17:25.326 My Daughter scores. It is the wrong goal.

NOTE Confidence: 0.84112376

00:17:25.330 --> 00:17:27.625 The clumps of girls of both teams go wild.

NOTE Confidence: 0.84112376

00:17:27.630 --> 00:17:29.998 They do not know who scored and they

NOTE Confidence: 0.84112376

00:17:29.998 --> 00:17:32.527 do not know it was the wrong bowl.

NOTE Confidence: 0.84112376

00:17:32.530 --> 00:17:34.588 I watched the coach can volunteer

NOTE Confidence: 0.84112376

00:17:34.588 --> 00:17:35.960 parents retrieve the ball

NOTE Confidence: 0.8316809

00:17:36.018 --> 00:17:38.458 and then explain the mistake to the girls.

NOTE Confidence: 0.8316809

00:17:38.460 --> 00:17:40.326 But their joy is not diminished

NOTE Confidence: 0.8316809

00:17:40.326 --> 00:17:41.259 with the information.

NOTE Confidence: 0.8316809

00:17:41.260 --> 00:17:43.269 As we, the grownups on the bleachers,  
NOTE Confidence: 0.8316809

00:17:43.270 --> 00:17:45.279 recognize what has happened on the field,  
NOTE Confidence: 0.8316809

00:17:45.280 --> 00:17:47.002 we share a smile that transcends  
NOTE Confidence: 0.8316809

00:17:47.002 --> 00:17:48.150 all of our differences.  
NOTE Confidence: 0.8316809

00:17:48.150 --> 00:17:50.438 In a few minutes, we will get up,  
NOTE Confidence: 0.8316809

00:17:50.440 --> 00:17:51.880 collect our children, and leave.  
NOTE Confidence: 0.8316809

00:17:51.880 --> 00:17:54.295 But for now, we'll enjoy a few  
NOTE Confidence: 0.8316809

00:17:54.295 --> 00:17:56.160 more minutes of community.  
NOTE Confidence: 0.8316809

00:17:56.160 --> 00:17:56.740 Thank you.  
NOTE Confidence: 0.871553

00:18:03.130 --> 00:18:05.545 Hi everyone, my name is Jessica Sager,  
NOTE Confidence: 0.871553

00:18:05.550 --> 00:18:07.275 an I'm really honored to  
NOTE Confidence: 0.871553

00:18:07.275 --> 00:18:09.000 be here with you tonight.  
NOTE Confidence: 0.871553

00:18:09.000 --> 00:18:11.070 Thanks so much for inviting me.  
NOTE Confidence: 0.871553

00:18:11.070 --> 00:18:13.638 I'm here to tell you a story about  
NOTE Confidence: 0.871553

00:18:13.638 --> 00:18:16.239 Margie that starts nearly 20 years ago.  
NOTE Confidence: 0.871553

00:18:16.240 --> 00:18:19.000 For those of you who don't know me,

NOTE Confidence: 0.871553

00:18:19.000 --> 00:18:20.725 I'm the co-founder with Jana

NOTE Confidence: 0.871553

00:18:20.725 --> 00:18:23.140 Wagner of all our Kin, a nonprofit

NOTE Confidence: 0.871553

00:18:23.140 --> 00:18:25.555 started here in New Haven in 1999.

NOTE Confidence: 0.871553

00:18:25.560 --> 00:18:26.936 We work with family,

NOTE Confidence: 0.871553

00:18:26.936 --> 00:18:28.349 child care educators, women,

NOTE Confidence: 0.871553

00:18:28.349 --> 00:18:30.623 mostly women who run small child

NOTE Confidence: 0.871553

00:18:30.623 --> 00:18:32.640 care programs in their homes.

NOTE Confidence: 0.871553

00:18:32.640 --> 00:18:34.350 These educators play a critical

NOTE Confidence: 0.871553

00:18:34.350 --> 00:18:36.580 role in the lives of families

NOTE Confidence: 0.871553

00:18:36.580 --> 00:18:38.830 caring for infants and toddlers,

NOTE Confidence: 0.871553

00:18:38.830 --> 00:18:40.770 meeting the needs of parents,

NOTE Confidence: 0.871553

00:18:40.770 --> 00:18:42.735 working nonstandard hours and often

NOTE Confidence: 0.871553

00:18:42.735 --> 00:18:45.156 serving the families with the greatest

NOTE Confidence: 0.871553

00:18:45.156 --> 00:18:47.514 barriers to accessing care right now

NOTE Confidence: 0.871553

00:18:47.514 --> 00:18:49.466 because of COVID-19 family childcare

NOTE Confidence: 0.871553

00:18:49.466 --> 00:18:51.596 is getting a lot of attention,  
NOTE Confidence: 0.871553

00:18:51.600 --> 00:18:54.696 but it didn't used to be this way.  
NOTE Confidence: 0.871553

00:18:54.700 --> 00:18:56.630 In fact, when we began,  
NOTE Confidence: 0.871553

00:18:56.630 --> 00:18:58.958 we heard a lot of demeaning,  
NOTE Confidence: 0.871553

00:18:58.960 --> 00:19:00.908 derogatory stereotypes about family,  
NOTE Confidence: 0.871553

00:19:00.908 --> 00:19:02.856 childcare educators and what  
NOTE Confidence: 0.871553

00:19:02.856 --> 00:19:04.610 they were capable of.  
NOTE Confidence: 0.871553

00:19:04.610 --> 00:19:06.740 So you can imagine my surprise  
NOTE Confidence: 0.871553

00:19:06.740 --> 00:19:08.460 when one day early on,  
NOTE Confidence: 0.871553

00:19:08.460 --> 00:19:10.315 a pediatrician named Marjorie Rosenthal  
NOTE Confidence: 0.871553

00:19:10.315 --> 00:19:13.009 called up and asked to meet with me.  
NOTE Confidence: 0.871553

00:19:13.010 --> 00:19:14.760 Margie came to our office.  
NOTE Confidence: 0.871553

00:19:14.760 --> 00:19:16.510 Actually it was just an  
NOTE Confidence: 0.871553

00:19:16.510 --> 00:19:18.260 apartment in the Farnam courts.  
NOTE Confidence: 0.871553

00:19:18.260 --> 00:19:19.310 Public housing development.  
NOTE Confidence: 0.871553

00:19:19.310 --> 00:19:21.060 She perched on our sofa.

NOTE Confidence: 0.871553

00:19:21.060 --> 00:19:23.388 This little green donated loveseat and

NOTE Confidence: 0.871553

00:19:23.388 --> 00:19:26.774 she told us that she wanted to talk to

NOTE Confidence: 0.871553

00:19:26.774 --> 00:19:29.320 some of our family childcare educators.

NOTE Confidence: 0.871553

00:19:29.320 --> 00:19:31.399 So this brings me to the first

NOTE Confidence: 0.871553

00:19:31.399 --> 00:19:33.683 thing I want to say about Margie

NOTE Confidence: 0.871553

00:19:33.683 --> 00:19:36.129 Margie was curious she was a true

NOTE Confidence: 0.871553

00:19:36.129 --> 00:19:38.445 scientist who always wanted to learn

NOTE Confidence: 0.871553

00:19:38.445 --> 00:19:40.504 more about the world around her.

NOTE Confidence: 0.871553

00:19:40.504 --> 00:19:42.292 She wanted to know how family

NOTE Confidence: 0.871553

00:19:42.292 --> 00:19:43.461 childcare educators interacted

NOTE Confidence: 0.871553

00:19:43.461 --> 00:19:45.097 with parents and children.

NOTE Confidence: 0.871553

00:19:45.100 --> 00:19:47.158 She didn't accept the conventional wisdom.

NOTE Confidence: 0.871553

00:19:47.160 --> 00:19:49.554 She wanted to find out for herself.

NOTE Confidence: 0.871553

00:19:49.560 --> 00:19:52.318 We decided that she would offer a

NOTE Confidence: 0.871553

00:19:52.318 --> 00:19:54.237 series of trainings for educators

NOTE Confidence: 0.871553

00:19:54.237 --> 00:19:57.257 and get to know them a bit and then  
NOTE Confidence: 0.871553

00:19:57.257 --> 00:19:59.833 see if they wanted to talk to her.  
NOTE Confidence: 0.871553

00:19:59.840 --> 00:20:03.136 Well, they did want to talk to her.  
NOTE Confidence: 0.871553

00:20:03.140 --> 00:20:05.546 No one from the medical establishment  
NOTE Confidence: 0.871553

00:20:05.546 --> 00:20:08.807 had ever asked to talk to them before  
NOTE Confidence: 0.871553

00:20:08.807 --> 00:20:11.171 they told Margie their stories and  
NOTE Confidence: 0.871553

00:20:11.250 --> 00:20:13.878 Margie in her inimitable Margie Way.  
NOTE Confidence: 0.871553

00:20:13.880 --> 00:20:14.273 Listen,  
NOTE Confidence: 0.871553

00:20:14.273 --> 00:20:17.024 I remember her bursting into my office  
NOTE Confidence: 0.871553

00:20:17.024 --> 00:20:18.840 absolutely glowing with excitement,  
NOTE Confidence: 0.871553

00:20:18.840 --> 00:20:21.318 family, child care educators are amazing.  
NOTE Confidence: 0.871553

00:20:21.320 --> 00:20:22.126 She said.  
NOTE Confidence: 0.871553

00:20:22.126 --> 00:20:24.544 I talked to a family childcare  
NOTE Confidence: 0.871553

00:20:24.544 --> 00:20:26.826 educator who diagnosed a child  
NOTE Confidence: 0.871553

00:20:26.826 --> 00:20:29.146 with diabetes and another who  
NOTE Confidence: 0.871553

00:20:29.146 --> 00:20:31.680 diagnosed the child with Kawasaki.

NOTE Confidence: 0.871553

00:20:31.680 --> 00:20:33.997 Do you know how rare that is?

NOTE Confidence: 0.871553

00:20:34.000 --> 00:20:36.154 These educators are part of the

NOTE Confidence: 0.871553

00:20:36.154 --> 00:20:38.841 health care team and we need to

NOTE Confidence: 0.871553

00:20:38.841 --> 00:20:40.417 think about them differently.

NOTE Confidence: 0.871553

00:20:40.420 --> 00:20:42.975 So that brings me to the second

NOTE Confidence: 0.871553

00:20:42.975 --> 00:20:45.282 thing about Margie Margie was a

NOTE Confidence: 0.871553

00:20:45.282 --> 00:20:47.177 warrior when she believed the

NOTE Confidence: 0.871553

00:20:47.177 --> 00:20:49.329 thing was worth championing.

NOTE Confidence: 0.871553

00:20:49.330 --> 00:20:50.950 Nothing would stop her.

NOTE Confidence: 0.871553

00:20:50.950 --> 00:20:51.760 She wrote,

NOTE Confidence: 0.871553

00:20:51.760 --> 00:20:52.185 articles,

NOTE Confidence: 0.871553

00:20:52.185 --> 00:20:54.310 gave poster presentations and even

NOTE Confidence: 0.871553

00:20:54.310 --> 00:20:56.418 inspired medical students to write

NOTE Confidence: 0.871553

00:20:56.418 --> 00:20:58.512 about the role that family childcare

NOTE Confidence: 0.871553

00:20:58.512 --> 00:21:00.670 educators play as health ambassador.

NOTE Confidence: 0.871553

00:21:00.670 --> 00:21:02.362 Margie's work was revolutionary.  
NOTE Confidence: 0.871553

00:21:02.362 --> 00:21:04.900 She saw the value in family  
NOTE Confidence: 0.871553

00:21:04.971 --> 00:21:07.125 childcare way before others in her  
NOTE Confidence: 0.871553

00:21:07.125 --> 00:21:10.055 field and we all are Kim's family  
NOTE Confidence: 0.871553

00:21:10.055 --> 00:21:11.947 childcare educators and staff.  
NOTE Confidence: 0.871553

00:21:11.950 --> 00:21:13.506 Loved her for that.  
NOTE Confidence: 0.871553

00:21:13.506 --> 00:21:15.840 If I had all the time  
NOTE Confidence: 0.848047173846154

00:21:15.944 --> 00:21:19.010 in the world, I tell you lots more  
NOTE Confidence: 0.848047173846154

00:21:19.010 --> 00:21:21.602 about what Margie did with all Ark  
NOTE Confidence: 0.848047173846154

00:21:21.602 --> 00:21:23.968 in her work on the board house.  
NOTE Confidence: 0.848047173846154

00:21:23.970 --> 00:21:26.931 He made sure the children in our early Head  
NOTE Confidence: 0.848047173846154

00:21:26.931 --> 00:21:29.675 Start program had access to medical care,  
NOTE Confidence: 0.848047173846154

00:21:29.680 --> 00:21:32.312 but instead I want to talk about the  
NOTE Confidence: 0.848047173846154

00:21:32.312 --> 00:21:35.026 third thing about Margie Margie was kind.  
NOTE Confidence: 0.848047173846154

00:21:35.030 --> 00:21:37.518 She was so very kind she would come  
NOTE Confidence: 0.848047173846154

00:21:37.518 --> 00:21:40.218 to our office usually on her bicycle

NOTE Confidence: 0.848047173846154

00:21:40.218 --> 00:21:42.889 and always even when she was ill.

NOTE Confidence: 0.848047173846154

00:21:42.890 --> 00:21:44.393 Glowing with enthusiasm.

NOTE Confidence: 0.848047173846154

00:21:44.393 --> 00:21:45.896 And with love.

NOTE Confidence: 0.848047173846154

00:21:45.900 --> 00:21:48.133 She held my hand more times than

NOTE Confidence: 0.848047173846154

00:21:48.133 --> 00:21:50.257 I can count during tough times

NOTE Confidence: 0.848047173846154

00:21:50.257 --> 00:21:52.798 at all our kids after she died.

NOTE Confidence: 0.848047173846154

00:21:52.800 --> 00:21:55.131 I heard stories from so many staff

NOTE Confidence: 0.848047173846154

00:21:55.131 --> 00:21:57.289 members about her acts of kindness.

NOTE Confidence: 0.848047173846154

00:21:57.290 --> 00:21:59.842 One person told me how Margie helped find

NOTE Confidence: 0.848047173846154

00:21:59.842 --> 00:22:02.460 a doctor for her critically ill father,

NOTE Confidence: 0.848047173846154

00:22:02.460 --> 00:22:04.796 how she wrote back in just two hours

NOTE Confidence: 0.848047173846154

00:22:04.796 --> 00:22:07.144 with the name another told this story

NOTE Confidence: 0.848047173846154

00:22:07.144 --> 00:22:09.684 about her first all our Kim board

NOTE Confidence: 0.848047173846154

00:22:09.684 --> 00:22:12.024 meeting how intimidated she felt until

NOTE Confidence: 0.848047173846154

00:22:12.024 --> 00:22:14.970 Margie came and sat next to her and

NOTE Confidence: 0.848047173846154

00:22:14.970 --> 00:22:17.530 gave her that special Margie smile.  
NOTE Confidence: 0.848047173846154

00:22:17.530 --> 00:22:21.769 I miss that smile and you probably do too.  
NOTE Confidence: 0.848047173846154

00:22:21.770 --> 00:22:24.066 It was an honor to know Margie.  
NOTE Confidence: 0.848047173846154

00:22:24.070 --> 00:22:27.000 It was a joy to be her colleague and her  
NOTE Confidence: 0.848047173846154

00:22:27.075 --> 00:22:30.297 friend on behalf of everyone at all our kin.  
NOTE Confidence: 0.848047173846154

00:22:30.300 --> 00:22:32.589 Here's to Margie with gratitude and love.  
NOTE Confidence: 0.848047173846154

00:22:32.590 --> 00:22:33.250 Thank you.  
NOTE Confidence: 0.88439435

00:22:40.260 --> 00:22:43.606 Hi, my name is John and this  
NOTE Confidence: 0.88439435

00:22:43.606 --> 00:22:46.300 is our friend Christine.  
NOTE Confidence: 0.88439435

00:22:46.300 --> 00:22:49.636 We are faculty at Yale School of Medicine.  
NOTE Confidence: 0.88439435

00:22:49.640 --> 00:22:51.204 I'm I'm a psychologist.  
NOTE Confidence: 0.88439435

00:22:51.204 --> 00:22:52.768 Anne Christine is an  
NOTE Confidence: 0.88439435

00:22:52.768 --> 00:22:54.240 emergency medicine physician.  
NOTE Confidence: 0.88439435

00:22:54.240 --> 00:22:56.690 We met Margie in 2015 when we  
NOTE Confidence: 0.88439435

00:22:56.690 --> 00:22:58.989 took an participated in a year  
NOTE Confidence: 0.88439435

00:22:58.989 --> 00:23:00.949 long workshop called Public Voices

NOTE Confidence: 0.88439435

00:23:00.949 --> 00:23:03.794 Fellows and where they pair female

NOTE Confidence: 0.88439435

00:23:03.794 --> 00:23:05.782 academics and other underrepresented

NOTE Confidence: 0.88439435

00:23:05.782 --> 00:23:08.022 voices with academics and teachers.

NOTE Confidence: 0.88439435

00:23:08.022 --> 00:23:10.920 How to write op EDS and did

NOTE Confidence: 0.88439435

00:23:11.005 --> 00:23:12.629 marjis or that year?

NOTE Confidence: 0.88439435

00:23:12.630 --> 00:23:14.755 We're going to share the

NOTE Confidence: 0.88439435

00:23:14.755 --> 00:23:16.880 reading of one of her.

NOTE Confidence: 0.88439435

00:23:16.880 --> 00:23:18.040 Pieces from that year.

NOTE Confidence: 0.85616714

00:23:19.530 --> 00:23:20.955 Thanks Joan Anne.

NOTE Confidence: 0.85616714

00:23:20.955 --> 00:23:22.855 Thanks Anna and Kerry.

NOTE Confidence: 0.85616714

00:23:22.860 --> 00:23:25.782 This piece is titled harming patient

NOTE Confidence: 0.85616714

00:23:25.782 --> 00:23:29.029 satisfaction in the process of measuring it.

NOTE Confidence: 0.85616714

00:23:29.030 --> 00:23:33.690 It was from January 11th, 2016.

NOTE Confidence: 0.85616714

00:23:33.690 --> 00:23:35.418 The first time the social worker

NOTE Confidence: 0.85616714

00:23:35.418 --> 00:23:37.568 asked if she should check in with me.

NOTE Confidence: 0.85616714

00:23:37.570 --> 00:23:40.060 Was this past summer during chemo.  
NOTE Confidence: 0.85616714

00:23:40.060 --> 00:23:41.985 We chatted some and after  
NOTE Confidence: 0.85616714

00:23:41.985 --> 00:23:44.500 awhile she got up to leave.  
NOTE Confidence: 0.85616714

00:23:44.500 --> 00:23:46.348 Then she parted the Privacy Curtain,  
NOTE Confidence: 0.85616714

00:23:46.350 --> 00:23:49.113 stepped out, poked her head back in and said,  
NOTE Confidence: 0.85616714

00:23:49.120 --> 00:23:50.660 oh, I forgot to ask,  
NOTE Confidence: 0.85616714

00:23:50.660 --> 00:23:54.146 what are you most afraid of?  
NOTE Confidence: 0.85616714

00:23:54.150 --> 00:23:55.655 Patients are often criticized for  
NOTE Confidence: 0.85616714

00:23:55.655 --> 00:23:57.160 what are called doorhandle comments.  
NOTE Confidence: 0.85616714

00:23:57.160 --> 00:23:59.778 Those comments brought up as the health  
NOTE Confidence: 0.85616714

00:23:59.778 --> 00:24:02.576 care provider is walking out of the room  
NOTE Confidence: 0.85616714

00:24:02.576 --> 00:24:05.049 and already has one hand on the door.  
NOTE Confidence: 0.85616714

00:24:05.050 --> 00:24:06.042 They are often disease.  
NOTE Confidence: 0.85616714

00:24:06.042 --> 00:24:07.962 A patient who has had a very  
NOTE Confidence: 0.85616714

00:24:07.962 --> 00:24:09.462 straightforward appointment might state  
NOTE Confidence: 0.85616714

00:24:09.462 --> 00:24:11.940 that they have been having chest pain

NOTE Confidence: 0.85616714

00:24:11.940 --> 00:24:13.858 or a myriad of other disclosures that

NOTE Confidence: 0.85616714

00:24:13.858 --> 00:24:15.660 had they been revealed earlier on,

NOTE Confidence: 0.85616714

00:24:15.660 --> 00:24:17.260 would have redirected the

NOTE Confidence: 0.85616714

00:24:17.260 --> 00:24:18.460 appointment very differently.

NOTE Confidence: 0.85616714

00:24:18.460 --> 00:24:21.286 Health care professionals do it too.

NOTE Confidence: 0.85616714

00:24:21.290 --> 00:24:23.030 What are you most afraid of

NOTE Confidence: 0.85616714

00:24:23.030 --> 00:24:24.820 is a huge sleeping question.

NOTE Confidence: 0.85616714

00:24:24.820 --> 00:24:26.787 It invites all sorts of scary answers,

NOTE Confidence: 0.85616714

00:24:26.790 --> 00:24:29.502 some of which I gave to the social

NOTE Confidence: 0.85616714

00:24:29.502 --> 00:24:31.693 worker while she was only half

NOTE Confidence: 0.85616714

00:24:31.693 --> 00:24:33.493 in my closed curtain space.

NOTE Confidence: 0.85616714

00:24:33.500 --> 00:24:35.513 I'm most worried about dying, frankly.

NOTE Confidence: 0.85616714

00:24:35.513 --> 00:24:39.217 And what that would mean for my children?

NOTE Confidence: 0.85616714

00:24:39.220 --> 00:24:41.334 I felt guilty saying that to the

NOTE Confidence: 0.85616714

00:24:41.334 --> 00:24:43.290 social worker as she was leaving,

NOTE Confidence: 0.85616714

00:24:43.290 --> 00:24:45.168 I felt I had burdened her.

NOTE Confidence: 0.85616714

00:24:45.170 --> 00:24:47.538 I had to remind myself that she had

NOTE Confidence: 0.85616714

00:24:47.538 --> 00:24:50.004 asked that she was the oncology social

NOTE Confidence: 0.85616714

00:24:50.004 --> 00:24:52.259 worker and that she probably hopefully

NOTE Confidence: 0.85616714

00:24:52.259 --> 00:24:54.575 had training and how to respond.

NOTE Confidence: 0.85616714

00:24:54.580 --> 00:24:56.121 I'm not sure she did.

NOTE Confidence: 0.85616714

00:24:56.121 --> 00:24:57.980 She walked back into my space,

NOTE Confidence: 0.85616714

00:24:57.980 --> 00:25:00.962 sat down and stated that these were

NOTE Confidence: 0.85616714

00:25:00.962 --> 00:25:03.504 normal feelings. I started to cry.

NOTE Confidence: 0.85616714

00:25:03.504 --> 00:25:06.030 She asked if I was OK.

NOTE Confidence: 0.85616714

00:25:06.030 --> 00:25:09.238 I said I would be and she left.

NOTE Confidence: 0.85616714

00:25:09.240 --> 00:25:10.496 A few weeks later,

NOTE Confidence: 0.85616714

00:25:10.496 --> 00:25:12.066 I received a patient satisfaction

NOTE Confidence: 0.85616714

00:25:12.066 --> 00:25:14.088 survey in the multiple Choice section,

NOTE Confidence: 0.85616714

00:25:14.090 --> 00:25:16.020 I reported that everything was

NOTE Confidence: 0.85616714

00:25:16.020 --> 00:25:17.950 going pretty well at chemo.

NOTE Confidence: 0.85616714

00:25:17.950 --> 00:25:19.558 In the written comments,

NOTE Confidence: 0.85616714

00:25:19.558 --> 00:25:21.568 I described the social worker's

NOTE Confidence: 0.85616714

00:25:21.568 --> 00:25:23.132 surprising last minute question

NOTE Confidence: 0.85616714

00:25:23.132 --> 00:25:25.328 and her clumsy attempt to excuse

NOTE Confidence: 0.85616714

00:25:25.328 --> 00:25:27.138 herself as quickly as possible.

NOTE Confidence: 0.85616714

00:25:27.140 --> 00:25:30.158 Then just this week at Chemo, I run into her.

NOTE Confidence: 0.85616714

00:25:30.158 --> 00:25:32.260 Which is to say that I almost actually

NOTE Confidence: 0.85616714

00:25:32.260 --> 00:25:34.640 run into her because I'm having an

NOTE Confidence: 0.85616714

00:25:34.640 --> 00:25:36.429 ocular migraine and I'm squinting

NOTE Confidence: 0.85616714

00:25:36.429 --> 00:25:38.505 so as to limit the kaleidoscope

NOTE Confidence: 0.85616714

00:25:38.510 --> 00:25:41.345 patterns dancing in front of my eyes.

NOTE Confidence: 0.85616714

00:25:41.350 --> 00:25:43.558 She asks if I have time to talk.

NOTE Confidence: 0.85616714

00:25:43.560 --> 00:25:46.120 I say yes and go sit down and

NOTE Confidence: 0.85616714

00:25:46.120 --> 00:25:48.560 snuggle under the pre warmed blanket.

NOTE Confidence: 0.85616714

00:25:48.560 --> 00:25:49.976 The kaleidoscope patterns are

NOTE Confidence: 0.85616714

00:25:49.976 --> 00:25:52.510 diminishing and I can almost see again.  
NOTE Confidence: 0.85616714

00:25:52.510 --> 00:25:54.300 The social worker comes over,  
NOTE Confidence: 0.85616714

00:25:54.300 --> 00:25:57.348 close the curtain and sits down.  
NOTE Confidence: 0.85616714

00:25:57.350 --> 00:26:01.526 We talk about my children work and me.  
NOTE Confidence: 0.85616714

00:26:01.530 --> 00:26:03.861 And then she tells me that she  
NOTE Confidence: 0.85616714

00:26:03.861 --> 00:26:05.625 appreciates the constructive criticism I  
NOTE Confidence: 0.85616714

00:26:05.625 --> 00:26:08.082 gave her and my patient satisfaction survey.  
NOTE Confidence: 0.85616714

00:26:08.090 --> 00:26:09.014 What she knows,  
NOTE Confidence: 0.85616714

00:26:09.014 --> 00:26:09.938 what I wrote,  
NOTE Confidence: 0.85616714

00:26:09.940 --> 00:26:12.748 and she's acknowledging that to me.  
NOTE Confidence: 0.85616714

00:26:12.750 --> 00:26:14.626 She tells me that she and her  
NOTE Confidence: 0.85616714

00:26:14.626 --> 00:26:16.008 supervisor worked on her skills  
NOTE Confidence: 0.85616714

00:26:16.008 --> 00:26:17.842 over the past few months and she  
NOTE Confidence: 0.85616714

00:26:17.842 --> 00:26:19.448 feels good about her progress.  
NOTE Confidence: 0.87100315

00:26:20.740 --> 00:26:22.738 Really, because as I sit there  
NOTE Confidence: 0.87100315

00:26:22.738 --> 00:26:25.279 in the chemo pod under a blanket,

NOTE Confidence: 0.87100315

00:26:25.280 --> 00:26:27.224 Ivy tubes hanging from my chest

NOTE Confidence: 0.87100315

00:26:27.224 --> 00:26:29.808 and about to get my chemo infusion,

NOTE Confidence: 0.87100315

00:26:29.810 --> 00:26:31.214 I feel incredibly vulnerable.

NOTE Confidence: 0.87100315

00:26:31.214 --> 00:26:34.832 I am all but in a bed and we are

NOTE Confidence: 0.87100315

00:26:34.832 --> 00:26:37.385 in an enclosed space and although I

NOTE Confidence: 0.87100315

00:26:37.385 --> 00:26:39.632 can hear her words telling me that

NOTE Confidence: 0.87100315

00:26:39.632 --> 00:26:41.935 she is grateful to have had the

NOTE Confidence: 0.87100315

00:26:41.935 --> 00:26:44.120 opportunity to work on her skills,

NOTE Confidence: 0.87100315

00:26:44.120 --> 00:26:46.920 I cannot believe she is saying those words.

NOTE Confidence: 0.87100315

00:26:46.920 --> 00:26:49.068 It is like the kaleidoscope patterns

NOTE Confidence: 0.87100315

00:26:49.068 --> 00:26:50.500 I had been seeing.

NOTE Confidence: 0.87100315

00:26:50.500 --> 00:26:53.286 Earlier they sound like words I know,

NOTE Confidence: 0.87100315

00:26:53.290 --> 00:26:55.690 but they do not make sense.

NOTE Confidence: 0.87100315

00:26:55.690 --> 00:26:57.772 I can't believe that in this

NOTE Confidence: 0.87100315

00:26:57.772 --> 00:27:00.460 space she is telling me about her

NOTE Confidence: 0.87100315

00:27:00.460 --> 00:27:02.100 vulnerability as a pediatrician  
NOTE Confidence: 0.87100315

00:27:02.100 --> 00:27:04.470 in a hospital based practice.  
NOTE Confidence: 0.87100315

00:27:04.470 --> 00:27:07.086 I know my patients are asked to fill  
NOTE Confidence: 0.87100315

00:27:07.086 --> 00:27:09.250 out patient satisfaction surveys,  
NOTE Confidence: 0.87100315

00:27:09.250 --> 00:27:11.637 yet I have only ever received feedback  
NOTE Confidence: 0.87100315

00:27:11.637 --> 00:27:14.098 in the form of aggregate numbers  
NOTE Confidence: 0.87100315

00:27:14.098 --> 00:27:16.828 describing how our Department is doing.  
NOTE Confidence: 0.87100315

00:27:16.830 --> 00:27:19.350 It turns out that the forms  
NOTE Confidence: 0.87100315

00:27:19.350 --> 00:27:20.610 are not anonymous.  
NOTE Confidence: 0.87100315

00:27:20.610 --> 00:27:22.644 In the hospital where I both  
NOTE Confidence: 0.87100315

00:27:22.644 --> 00:27:25.080 work and get my chemotherapy,  
NOTE Confidence: 0.87100315

00:27:25.080 --> 00:27:27.400 the surveys that are increasingly  
NOTE Confidence: 0.87100315

00:27:27.400 --> 00:27:29.256 federally mandated for every  
NOTE Confidence: 0.87100315

00:27:29.256 --> 00:27:30.944 inpatient and outpatient encounter  
NOTE Confidence: 0.87100315

00:27:30.944 --> 00:27:33.646 have numbers on them that link them  
NOTE Confidence: 0.87100315

00:27:33.719 --> 00:27:36.036 back to the person filling them out.

NOTE Confidence: 0.87100315

00:27:36.040 --> 00:27:38.070 The comments from the survey,

NOTE Confidence: 0.87100315

00:27:38.070 --> 00:27:39.285 especially extremely positive

NOTE Confidence: 0.87100315

00:27:39.285 --> 00:27:40.500 or negative ones,

NOTE Confidence: 0.87100315

00:27:40.500 --> 00:27:42.530 are transcribed and sent to

NOTE Confidence: 0.87100315

00:27:42.530 --> 00:27:43.748 the relevant supervisor.

NOTE Confidence: 0.87100315

00:27:43.750 --> 00:27:46.054 The supervisor can then link the

NOTE Confidence: 0.87100315

00:27:46.054 --> 00:27:47.590 feedback with actual patients

NOTE Confidence: 0.87100315

00:27:47.658 --> 00:27:49.873 and actual experiences and share

NOTE Confidence: 0.87100315

00:27:49.873 --> 00:27:50.759 that information.

NOTE Confidence: 0.87100315

00:27:50.760 --> 00:27:54.020 With everyone being evaluated.

NOTE Confidence: 0.87100315

00:27:54.020 --> 00:27:56.408 Given the growing importance of these

NOTE Confidence: 0.87100315

00:27:56.408 --> 00:27:58.370 surveys in improving health care,

NOTE Confidence: 0.87100315

00:27:58.370 --> 00:28:01.534 they could and should be a lot

NOTE Confidence: 0.87100315

00:28:01.534 --> 00:28:02.890 more patient centered.

NOTE Confidence: 0.87100315

00:28:02.890 --> 00:28:05.080 For one patient should be aware

NOTE Confidence: 0.87100315

00:28:05.080 --> 00:28:07.272 that the surveys are not anonymous.  
NOTE Confidence: 0.87100315

00:28:07.272 --> 00:28:07.638 Secondly,  
NOTE Confidence: 0.87100315

00:28:07.640 --> 00:28:10.088 patient should be able to opt in or  
NOTE Confidence: 0.87100315

00:28:10.088 --> 00:28:12.747 out of these kinds of discussions.  
NOTE Confidence: 0.87100315

00:28:12.750 --> 00:28:14.982 Patients who opt in could elect  
NOTE Confidence: 0.87100315

00:28:14.982 --> 00:28:16.897 to have those conversations at  
NOTE Confidence: 0.87100315

00:28:16.897 --> 00:28:19.051 their next appointment or at any  
NOTE Confidence: 0.87100315

00:28:19.051 --> 00:28:20.885 other mutually agreed upon time  
NOTE Confidence: 0.87100315

00:28:20.885 --> 00:28:22.595 when they are fully clothed,  
NOTE Confidence: 0.87100315

00:28:22.600 --> 00:28:24.060 sitting upright and understand  
NOTE Confidence: 0.87100315

00:28:24.060 --> 00:28:25.885 the purpose of the encounter.  
NOTE Confidence: 0.87100315

00:28:25.890 --> 00:28:27.990 I am disheartened by this experience  
NOTE Confidence: 0.87100315

00:28:27.990 --> 00:28:31.000 and I need to tell someone about it.  
NOTE Confidence: 0.87100315

00:28:31.000 --> 00:28:32.900 I'm considering bringing it up.  
NOTE Confidence: 0.87100315

00:28:32.900 --> 00:28:35.406 At next week's chemo port and well  
NOTE Confidence: 0.87100315

00:28:35.406 --> 00:28:37.564 before my oncologists has his hand on

NOTE Confidence: 0.87100315

00:28:37.564 --> 00:28:39.739 the door and is about to walk out.

NOTE Confidence: 0.87100315

00:28:39.740 --> 00:28:41.917 Or I could wait until I get

NOTE Confidence: 0.87100315

00:28:41.917 --> 00:28:43.789 the next survey in the Mail.

NOTE Confidence: 0.8639381

00:28:58.250 --> 00:29:00.810 Good evening, my name is Julia Rosenberg.

NOTE Confidence: 0.8639381

00:29:00.810 --> 00:29:04.002 I'm a pediatrician and I'm honored to speak

NOTE Confidence: 0.8639381

00:29:04.002 --> 00:29:07.489 about my experiences as a mentee of Margie.

NOTE Confidence: 0.8639381

00:29:07.490 --> 00:29:10.038 I humbly recognize that I'm one of

NOTE Confidence: 0.8639381

00:29:10.038 --> 00:29:12.504 countless training is whose lives have

NOTE Confidence: 0.8639381

00:29:12.504 --> 00:29:15.108 forever been influenced by Margie's wisdom.

NOTE Confidence: 0.8639381

00:29:15.110 --> 00:29:18.596 Her insight, her kindness, and her guidance.

NOTE Confidence: 0.8639381

00:29:18.600 --> 00:29:21.072 One of the first lessons I learned from

NOTE Confidence: 0.8639381

00:29:21.072 --> 00:29:23.357 Margie was through reading her words.

NOTE Confidence: 0.8639381

00:29:23.360 --> 00:29:25.537 It was through her writing that she

NOTE Confidence: 0.8639381

00:29:25.537 --> 00:29:28.117 taught us the value of sharing stories.

NOTE Confidence: 0.8639381

00:29:28.120 --> 00:29:30.928 So with that, here's my story

NOTE Confidence: 0.8639381

00:29:30.928 --> 00:29:33.629 with Margie one story of many.  
NOTE Confidence: 0.8639381

00:29:33.630 --> 00:29:35.508 It's no surprise that the first  
NOTE Confidence: 0.8639381

00:29:35.508 --> 00:29:38.009 time I was swept into Marjis orbit,  
NOTE Confidence: 0.8639381

00:29:38.010 --> 00:29:40.026 she was teaching being a pediatrician,  
NOTE Confidence: 0.8639381

00:29:40.030 --> 00:29:41.720 connecting with communities an inspiring  
NOTE Confidence: 0.8639381

00:29:41.720 --> 00:29:45.770 all those around her all in one fell swoop.  
NOTE Confidence: 0.8639381

00:29:45.770 --> 00:29:47.785 Diatric interns about our community  
NOTE Confidence: 0.8639381

00:29:47.785 --> 00:29:50.280 and our neighbors in New Haven.  
NOTE Confidence: 0.8639381

00:29:50.280 --> 00:29:53.490 This is the first time that I learned how it  
NOTE Confidence: 0.8639381

00:29:53.490 --> 00:29:56.058 was possible to be engaged in the community.  
NOTE Confidence: 0.8639381

00:29:56.060 --> 00:29:57.328 Work as a pediatrician.  
NOTE Confidence: 0.8639381

00:29:57.328 --> 00:29:59.230 So I eagerly took merges advice  
NOTE Confidence: 0.8639381

00:29:59.289 --> 00:30:01.457 from that day to listen and to learn  
NOTE Confidence: 0.8639381

00:30:01.457 --> 00:30:03.439 more about our community strengths,  
NOTE Confidence: 0.8639381

00:30:03.440 --> 00:30:05.045 especially in the New Haven  
NOTE Confidence: 0.8639381

00:30:05.045 --> 00:30:06.329 immigrant and refugee community.

NOTE Confidence: 0.8639381

00:30:06.330 --> 00:30:09.090 Soon after when I was looking to learn how to

NOTE Confidence: 0.8639381

00:30:09.152 --> 00:30:11.784 improve access to care for this population,

NOTE Confidence: 0.8639381

00:30:11.790 --> 00:30:13.390 I turned to Margie, who,

NOTE Confidence: 0.8639381

00:30:13.390 --> 00:30:15.118 unbeknownst to me only a few

NOTE Confidence: 0.8639381

00:30:15.118 --> 00:30:17.240 days away from a major surgery,

NOTE Confidence: 0.8639381

00:30:17.240 --> 00:30:19.448 did not hesitate to meet and

NOTE Confidence: 0.8639381

00:30:19.448 --> 00:30:20.920 to share her insight.

NOTE Confidence: 0.8639381

00:30:20.920 --> 00:30:22.445 She provided the valuable connections

NOTE Confidence: 0.8639381

00:30:22.445 --> 00:30:24.623 that set me on a trajectory to

NOTE Confidence: 0.8639381

00:30:24.623 --> 00:30:26.387 the work that I'm doing today

NOTE Confidence: 0.8639381

00:30:26.387 --> 00:30:28.337 with her guidance from that day,

NOTE Confidence: 0.8639381

00:30:28.340 --> 00:30:30.045 I started our first research

NOTE Confidence: 0.8639381

00:30:30.045 --> 00:30:32.172 project by connecting with a new

NOTE Confidence: 0.8639381

00:30:32.172 --> 00:30:33.608 mentor whom she suggested.

NOTE Confidence: 0.8639381

00:30:33.610 --> 00:30:35.420 And soon I was swept into

NOTE Confidence: 0.8639381

00:30:35.420 --> 00:30:36.620 her orbit once again,  
NOTE Confidence: 0.8639381

00:30:36.620 --> 00:30:38.587 applying to and it's been accepted to  
NOTE Confidence: 0.8639381

00:30:38.587 --> 00:30:40.230 the National Clinician Scholar Program,  
NOTE Confidence: 0.8639381

00:30:40.230 --> 00:30:41.898 which she Co LED.  
NOTE Confidence: 0.8639381

00:30:41.898 --> 00:30:43.566 There with her guidance,  
NOTE Confidence: 0.8639381

00:30:43.570 --> 00:30:44.958 I started working alongside  
NOTE Confidence: 0.8639381

00:30:44.958 --> 00:30:46.693 community partners and I started  
NOTE Confidence: 0.8639381

00:30:46.693 --> 00:30:47.970 working alongside Margie.  
NOTE Confidence: 0.8639381

00:30:47.970 --> 00:30:50.176 Her plantings of influence are ongoing  
NOTE Confidence: 0.8639381

00:30:50.176 --> 00:30:53.172 as I continue the work that we started  
NOTE Confidence: 0.8639381

00:30:53.172 --> 00:30:55.443 together now growing into an ever  
NOTE Confidence: 0.8639381

00:30:55.443 --> 00:30:57.879 evolving garden and a web of connections.  
NOTE Confidence: 0.8034175

00:30:58.890 --> 00:31:00.470 The whirlwind of connections  
NOTE Confidence: 0.8034175

00:31:00.470 --> 00:31:02.375 that Margie generously shared with  
NOTE Confidence: 0.8034175

00:31:02.375 --> 00:31:04.280 trainees didn't stop at pediatrician  
NOTE Confidence: 0.8034175

00:31:04.341 --> 00:31:05.969 community advocates didn't stop

NOTE Confidence: 0.8034175

00:31:05.969 --> 00:31:07.980 at National clinician Scholar or

NOTE Confidence: 0.8034175

00:31:07.980 --> 00:31:11.930 a New Haven community member.

NOTE Confidence: 0.8034175

00:31:09.950 --> 00:31:11.930 She also mentored so many

NOTE Confidence: 0.8034175

00:31:11.930 --> 00:31:14.688 of us as writers and as storytellers,

NOTE Confidence: 0.8034175

00:31:14.690 --> 00:31:17.664 and she generously joined as we began

NOTE Confidence: 0.8034175

00:31:17.664 --> 00:31:20.646 the stories in pediatric grand rounds.

NOTE Confidence: 0.8034175

00:31:20.650 --> 00:31:22.365 It was Margie who emphasized

NOTE Confidence: 0.8034175

00:31:22.365 --> 00:31:24.670 early in 2020 that these stories,

NOTE Confidence: 0.8034175

00:31:24.670 --> 00:31:26.855 grand rounds needed the name

NOTE Confidence: 0.8034175

00:31:26.855 --> 00:31:29.040 first annual in the title.

NOTE Confidence: 0.8034175

00:31:29.040 --> 00:31:31.658 And she was right the second year,

NOTE Confidence: 0.8034175

00:31:31.660 --> 00:31:33.898 that pediatric stories in grand rounds,

NOTE Confidence: 0.8034175

00:31:33.900 --> 00:31:36.107 now named in her memory, continued.

NOTE Confidence: 0.8034175

00:31:36.107 --> 00:31:39.140 And many who knew her and who are mentored

NOTE Confidence: 0.8034175

00:31:39.213 --> 00:31:41.811 by her shared incredible stories that

NOTE Confidence: 0.8034175

00:31:41.811 --> 00:31:43.948 the community work connections and  
NOTE Confidence: 0.8034175

00:31:43.948 --> 00:31:45.970 making waves and changes to improve  
NOTE Confidence: 0.8034175

00:31:45.970 --> 00:31:48.490 equity and to improve health care for  
NOTE Confidence: 0.8034175

00:31:48.490 --> 00:31:51.106 our community and our like so many  
NOTE Confidence: 0.8034175

00:31:51.106 --> 00:31:53.717 here today we all Miss Margie dearly,  
NOTE Confidence: 0.8034175

00:31:53.720 --> 00:31:54.848 but her legacy,  
NOTE Confidence: 0.8034175

00:31:54.850 --> 00:31:56.350 her heartfelt whirlwind of  
NOTE Confidence: 0.8034175

00:31:56.350 --> 00:31:57.490 kindness for connections.  
NOTE Confidence: 0.8034175

00:31:57.490 --> 00:31:59.770 And of course her flowering stories.  
NOTE Confidence: 0.8034175

00:31:59.770 --> 00:32:01.036 Continue to grow.  
NOTE Confidence: 0.8034175

00:32:01.036 --> 00:32:01.880 Thank you.  
NOTE Confidence: 0.746343807142857

00:32:12.450 --> 00:32:14.292 Hi everyone. Anne,  
NOTE Confidence: 0.746343807142857

00:32:14.292 --> 00:32:17.271 my name is Sharon, Asheville.  
NOTE Confidence: 0.746343807142857

00:32:17.271 --> 00:32:18.834 Johns Anne Anne.  
NOTE Confidence: 0.746343807142857

00:32:18.834 --> 00:32:21.960 I'm going to be presenting one  
NOTE Confidence: 0.746343807142857

00:32:22.050 --> 00:32:24.386 of Margie's wonderful graphic

NOTE Confidence: 0.746343807142857

00:32:24.386 --> 00:32:27.890 memoir pieces along with Chang Soo.

NOTE Confidence: 0.746343807142857

00:32:27.890 --> 00:32:31.285 We worked with Margie on some graphic

NOTE Confidence: 0.746343807142857

00:32:31.285 --> 00:32:33.660 memoir workshops for members of

NOTE Confidence: 0.746343807142857

00:32:33.660 --> 00:32:36.544 the medical school community and it

NOTE Confidence: 0.746343807142857

00:32:36.544 --> 00:32:38.468 was absolutely incredible experience.

NOTE Confidence: 0.746343807142857

00:32:38.470 --> 00:32:41.392 I'm a Mets hospitalist and I

NOTE Confidence: 0.746343807142857

00:32:41.392 --> 00:32:44.582 first met Margie as a resident

NOTE Confidence: 0.746343807142857

00:32:44.582 --> 00:32:47.990 here and I'll let Chang introduce

NOTE Confidence: 0.746343807142857

00:32:47.990 --> 00:32:51.250 herself and then we'll read. Hi,

NOTE Confidence: 0.80251724

00:32:51.250 --> 00:32:52.228 this is Jay.

NOTE Confidence: 0.80251724

00:32:52.228 --> 00:32:54.510 My medical student 4th year about some

NOTE Confidence: 0.80251724

00:32:54.581 --> 00:32:57.076 become internal medicine resident here.

NOTE Confidence: 0.80251724

00:32:57.080 --> 00:32:59.030 You knew him a hospital.

NOTE Confidence: 0.80251724

00:32:59.030 --> 00:33:01.496 I first met Doctor Rosenthal when

NOTE Confidence: 0.80251724

00:33:01.496 --> 00:33:03.505 we're putting up exhibition of

NOTE Confidence: 0.80251724

00:33:03.505 --> 00:33:05.640 the memoir that we're going to  
NOTE Confidence: 0.80251724

00:33:05.640 --> 00:33:08.370 share with you in Cafe Med and  
NOTE Confidence: 0.80251724

00:33:08.370 --> 00:33:09.922 then subsequently on some  
NOTE Confidence: 0.80251724

00:33:09.922 --> 00:33:11.086 graphic memoir workshops,  
NOTE Confidence: 0.80251724

00:33:11.090 --> 00:33:13.036 it was absolutely an honor  
NOTE Confidence: 0.80251724

00:33:13.036 --> 00:33:14.976 and pleasure to be here.  
NOTE Confidence: 0.84219784

00:33:23.100 --> 00:33:25.907 And here is the graphic memoir piece.  
NOTE Confidence: 0.8150816

00:33:50.970 --> 00:33:54.106 I'll child pose and you can find the  
NOTE Confidence: 0.8150816

00:33:54.106 --> 00:33:57.635 full version on the Annals of Internal  
NOTE Confidence: 0.8150816

00:33:57.635 --> 00:33:59.767 Medicine Graphic Medicine website.  
NOTE Confidence: 0.7799315

00:34:03.660 --> 00:34:05.380 Kanisha is the Hindu God  
NOTE Confidence: 0.7799315

00:34:05.380 --> 00:34:06.756 of all living things.  
NOTE Confidence: 0.7799315

00:34:06.760 --> 00:34:08.940 He earned his role by  
NOTE Confidence: 0.7799315

00:34:08.940 --> 00:34:10.248 outsmarting his brother.  
NOTE Confidence: 0.7799315

00:34:10.250 --> 00:34:12.413 When the two of them were challenged  
NOTE Confidence: 0.7799315

00:34:12.413 --> 00:34:14.190 to race around the universe,

NOTE Confidence: 0.7799315

00:34:14.190 --> 00:34:15.830 Ganisha walked around his parents,

NOTE Confidence: 0.7799315

00:34:15.830 --> 00:34:18.908 proclaiming that they were his universe.

NOTE Confidence: 0.7799315

00:34:18.910 --> 00:34:21.550 Ganesha is often depicted in a tree pose,

NOTE Confidence: 0.7799315

00:34:21.550 --> 00:34:24.190 a yoga pose that I can barely do.

NOTE Confidence: 0.887904

00:34:27.720 --> 00:34:31.344 I'm more comfortable in a happy baby pose.

NOTE Confidence: 0.887904

00:34:31.350 --> 00:34:34.437 Or a child's pose. But it turns out we

NOTE Confidence: 0.887904

00:34:34.437 --> 00:34:37.200 often don't get to choose our poses.

NOTE Confidence: 0.8953084

00:34:40.730 --> 00:34:42.583 When the genetic counselor told

NOTE Confidence: 0.8953084

00:34:42.583 --> 00:34:45.180 me I had the breast cancer gene,

NOTE Confidence: 0.8953084

00:34:45.180 --> 00:34:47.782 my mom and I cried. The counselor

NOTE Confidence: 0.8953084

00:34:47.782 --> 00:34:50.008 took my mother's hands and said.

NOTE Confidence: 0.8696135

00:34:52.340 --> 00:34:56.147 I'm sure you gave her some good genes too.

NOTE Confidence: 0.8696135

00:34:56.150 --> 00:34:57.530 My husband had just died,

NOTE Confidence: 0.8696135

00:34:57.530 --> 00:34:59.285 leaving me with our two

NOTE Confidence: 0.8696135

00:34:59.285 --> 00:35:01.430 year old and two month old.

NOTE Confidence: 0.8696135

00:35:01.430 --> 00:35:03.570 Many days breastfeeding felt like  
NOTE Confidence: 0.8696135

00:35:03.570 --> 00:35:06.669 the only thing I was doing well.  
NOTE Confidence: 0.8696135

00:35:06.670 --> 00:35:07.990 Sad Mama pose.  
NOTE Confidence: 0.83054346

00:35:10.320 --> 00:35:11.704 The Bracco 1 gene.  
NOTE Confidence: 0.83054346

00:35:11.704 --> 00:35:14.230 Everyone has 2 copies of the gene.  
NOTE Confidence: 0.83054346

00:35:14.230 --> 00:35:15.998 The normal gene stops  
NOTE Confidence: 0.83054346

00:35:15.998 --> 00:35:17.766 cancer cells from growing.  
NOTE Confidence: 0.83054346

00:35:17.770 --> 00:35:20.199 People with one mutated gene have less  
NOTE Confidence: 0.83054346

00:35:20.199 --> 00:35:22.259 defense against all kinds of cancer.  
NOTE Confidence: 0.86994463

00:35:25.520 --> 00:35:26.960 It wasn't that surprising  
NOTE Confidence: 0.86994463

00:35:26.960 --> 00:35:29.120 that I had the mutated gene.  
NOTE Confidence: 0.86994463

00:35:29.120 --> 00:35:32.200 But it was sad nonetheless.  
NOTE Confidence: 0.86994463

00:35:32.200 --> 00:35:35.296 Me, not sure I'm ready to be reassured.  
NOTE Confidence: 0.86994463

00:35:35.300 --> 00:35:37.628 Pose my mom feeling guilty and  
NOTE Confidence: 0.86994463

00:35:37.628 --> 00:35:39.570 trying to be reassuring pose.  
NOTE Confidence: 0.9249555

00:35:42.640 --> 00:35:45.840 For the next 10 years I did the best I could.

NOTE Confidence: 0.9249555

00:35:45.840 --> 00:35:49.506 Raising my daughters happy Mama pose.

NOTE Confidence: 0.9249555

00:35:49.510 --> 00:35:51.920 And following advice for people

NOTE Confidence: 0.9249555

00:35:51.920 --> 00:35:53.848 with mutated breckel one.

NOTE Confidence: 0.9249555

00:35:53.850 --> 00:35:56.634 And every six months I had a mammogram

NOTE Confidence: 0.9249555

00:35:56.634 --> 00:35:59.588 or breast MRI to look for breast cancer.

NOTE Confidence: 0.9249555

00:35:59.590 --> 00:36:02.200 Diligent, patient pose.

NOTE Confidence: 0.9249555

00:36:02.200 --> 00:36:04.656 I had my ovaries removed because Bracco one

NOTE Confidence: 0.9249555

00:36:04.656 --> 00:36:07.296 put me at high risk for ovarian cancer.

NOTE Confidence: 0.8219273

00:36:10.460 --> 00:36:12.460 Until my breast MRI showed

NOTE Confidence: 0.8219273

00:36:12.460 --> 00:36:13.660 an incidental finding,

NOTE Confidence: 0.8219273

00:36:13.660 --> 00:36:17.660 my breasts or fine I had cancer in my liver.

NOTE Confidence: 0.8219273

00:36:17.660 --> 00:36:20.630 They had metastasized from my colon.

NOTE Confidence: 0.8219273

00:36:20.630 --> 00:36:23.393 I've had six years of chemo and a 48

NOTE Confidence: 0.8219273

00:36:23.393 --> 00:36:26.475 hour surgery to remove parts of my liver,

NOTE Confidence: 0.8219273

00:36:26.480 --> 00:36:30.640 pancreas, colon, and a ton of lymph nodes.

NOTE Confidence: 0.8219273

00:36:30.640 --> 00:36:32.370 After surgery, I wasn't allowed  
NOTE Confidence: 0.8219273

00:36:32.370 --> 00:36:34.809 to eat or drink until I started  
NOTE Confidence: 0.8219273

00:36:34.809 --> 00:36:36.394 my 13 year old daughter.  
NOTE Confidence: 0.8219273

00:36:36.400 --> 00:36:38.850 Took that as an invitation to search  
NOTE Confidence: 0.8219273

00:36:38.850 --> 00:36:41.373 her phone out of fart yoga poses.  
NOTE Confidence: 0.8219273

00:36:41.373 --> 00:36:44.552 Most of the yoga poses were too \*\*\*\* \*\*  
NOTE Confidence: 0.8219273

00:36:44.552 --> 00:36:47.568 my belly full of drains and bandages.  
NOTE Confidence: 0.8219273

00:36:47.570 --> 00:36:49.054 Almost two years later,  
NOTE Confidence: 0.8219273

00:36:49.054 --> 00:36:50.909 on vacation to celebrate my  
NOTE Confidence: 0.8219273

00:36:50.910 --> 00:36:52.020 mother's 80th birthday,  
NOTE Confidence: 0.8219273

00:36:52.020 --> 00:36:54.246 we took yoga classes every morning.  
NOTE Confidence: 0.8219273

00:36:54.250 --> 00:36:57.590 I'm not good at all at this at all.  
NOTE Confidence: 0.8219273

00:36:57.590 --> 00:37:00.556 You're not supposed to say that it's a  
NOTE Confidence: 0.8219273

00:37:00.556 --> 00:37:03.014 practice you're assuring daughter pose,  
NOTE Confidence: 0.8219273

00:37:03.014 --> 00:37:06.770 and maybe you were doing it right.  
NOTE Confidence: 0.8219273

00:37:06.770 --> 00:37:09.068 On the last morning of yoga,

NOTE Confidence: 0.8219273

00:37:09.070 --> 00:37:10.990 at the end of class,

NOTE Confidence: 0.8219273

00:37:10.990 --> 00:37:12.530 I told everyone that

NOTE Confidence: 0.86028796

00:37:12.530 --> 00:37:13.679 my mom was

NOTE Confidence: 0.86028796

00:37:13.680 --> 00:37:15.214 turning 80 years old.

NOTE Confidence: 0.86028796

00:37:15.214 --> 00:37:15.982 Wow, congratulations.

NOTE Confidence: 0.86028796

00:37:15.982 --> 00:37:17.908 You look great. You were

NOTE Confidence: 0.86028796

00:37:17.910 --> 00:37:19.059 amazing in class.

NOTE Confidence: 0.86028796

00:37:19.059 --> 00:37:21.357 I never would've guessed you're 80.

NOTE Confidence: 0.86028796

00:37:21.360 --> 00:37:23.665 Yeah maybe 60 tops and then

NOTE Confidence: 0.86028796

00:37:23.665 --> 00:37:25.590 just as we were leaving,

NOTE Confidence: 0.86028796

00:37:25.590 --> 00:37:28.264 the best comment was directed at me.

NOTE Confidence: 0.86028796

00:37:28.270 --> 00:37:29.806 Your mom is great.

NOTE Confidence: 0.86028796

00:37:29.806 --> 00:37:32.110 She gave you some great jeans.

NOTE Confidence: 0.86028796

00:37:32.110 --> 00:37:34.030 Lucky you out daughter pose.

NOTE Confidence: 0.9245954

00:37:51.150 --> 00:37:53.400 Good evening everyone.

NOTE Confidence: 0.9245954

00:37:53.400 --> 00:37:55.122 My name is Joe Ross.  
NOTE Confidence: 0.9245954

00:37:55.122 --> 00:37:58.058 I'm a general internist at Yale and I  
NOTE Confidence: 0.9245954

00:37:58.058 --> 00:38:00.690 have been working with Margie for many  
NOTE Confidence: 0.9245954

00:38:00.690 --> 00:38:03.889 many years as part of the Scholars program.  
NOTE Confidence: 0.9245954

00:38:03.890 --> 00:38:05.996 I actually wrote down my remarks,  
NOTE Confidence: 0.9245954

00:38:06.000 --> 00:38:08.464 which is not something I generally do  
NOTE Confidence: 0.9245954

00:38:08.464 --> 00:38:10.576 particularly these days, but I'm disciplined.  
NOTE Confidence: 0.9245954

00:38:10.576 --> 00:38:12.336 I wrote down carrying Anatolia.  
NOTE Confidence: 0.9245954

00:38:12.340 --> 00:38:14.830 Write down my remarks, but.  
NOTE Confidence: 0.9245954

00:38:14.830 --> 00:38:17.146 It's just so nice to hear  
NOTE Confidence: 0.9245954

00:38:17.146 --> 00:38:18.690 readings of Margie's writings.  
NOTE Confidence: 0.9245954

00:38:18.690 --> 00:38:22.155 You can literally hear her voice in the air.  
NOTE Confidence: 0.9245954

00:38:22.160 --> 00:38:24.582 It's just I'm just loving this whole  
NOTE Confidence: 0.9245954

00:38:24.582 --> 00:38:27.180 event so far missing large dearly.  
NOTE Confidence: 0.907551

00:38:30.880 --> 00:38:32.458 You never know when you were  
NOTE Confidence: 0.907551

00:38:32.458 --> 00:38:34.473 going to meet one of the most

NOTE Confidence: 0.907551

00:38:34.473 --> 00:38:35.973 important people in your life.

NOTE Confidence: 0.907551

00:38:35.980 --> 00:38:37.796 But when I sat down at the long

NOTE Confidence: 0.907551

00:38:37.796 --> 00:38:39.529 table in the Clinical Scholars

NOTE Confidence: 0.907551

00:38:39.529 --> 00:38:41.554 Conference room across from Margie.

NOTE Confidence: 0.907551

00:38:41.560 --> 00:38:43.600 Her first words should have

NOTE Confidence: 0.907551

00:38:43.600 --> 00:38:45.640 woken me to the possibility.

NOTE Confidence: 0.907551

00:38:45.640 --> 00:38:48.320 It was July 2004 and around the table

NOTE Confidence: 0.907551

00:38:48.320 --> 00:38:51.000 where a group of people I was excited

NOTE Confidence: 0.907551

00:38:51.000 --> 00:38:54.148 to me will be at a bit intimidated by.

NOTE Confidence: 0.907551

00:38:54.150 --> 00:38:56.638 As we were setting off on the next

NOTE Confidence: 0.907551

00:38:56.638 --> 00:38:58.778 chapter of our professional lives

NOTE Confidence: 0.907551

00:38:58.778 --> 00:39:01.193 to be clinical scholars together.

NOTE Confidence: 0.907551

00:39:01.200 --> 00:39:03.840 Each of us introduced ourselves.

NOTE Confidence: 0.907551

00:39:03.840 --> 00:39:06.284 James Leora Marsella, Steve,

NOTE Confidence: 0.907551

00:39:06.284 --> 00:39:10.290 Susanna and me. And Margie.

NOTE Confidence: 0.907551

00:39:10.290 --> 00:39:11.988 She explained that she was joining  
NOTE Confidence: 0.907551

00:39:11.988 --> 00:39:13.560 us for this introductory session,  
NOTE Confidence: 0.907551

00:39:13.560 --> 00:39:15.928 even though she was a second year scholar.  
NOTE Confidence: 0.907551

00:39:15.930 --> 00:39:17.382 She was a pediatrician.  
NOTE Confidence: 0.907551

00:39:17.382 --> 00:39:19.953 She transferred from the program in North  
NOTE Confidence: 0.907551

00:39:19.953 --> 00:39:22.214 Carolina to be closer to her family.  
NOTE Confidence: 0.907551

00:39:22.220 --> 00:39:25.068 As her parents lived in Stamford and her  
NOTE Confidence: 0.907551

00:39:25.068 --> 00:39:27.659 seven siblings in and around New York City.  
NOTE Confidence: 0.907551

00:39:27.660 --> 00:39:29.375 She told us she was the mother  
NOTE Confidence: 0.907551

00:39:29.375 --> 00:39:31.280 of two young girls, Mayan Alina,  
NOTE Confidence: 0.907551

00:39:31.280 --> 00:39:33.590 who were about three in one.  
NOTE Confidence: 0.907551

00:39:33.590 --> 00:39:35.042 And then she told us that  
NOTE Confidence: 0.907551

00:39:35.042 --> 00:39:36.420 she was a recent widow.  
NOTE Confidence: 0.907551

00:39:36.420 --> 00:39:37.128 As her husband,  
NOTE Confidence: 0.907551

00:39:37.128 --> 00:39:38.780 Amal had died in a car accident.  
NOTE Confidence: 0.86570287

00:39:40.870 --> 00:39:43.390 Each of us were shocked and speechless,

NOTE Confidence: 0.86570287

00:39:43.390 --> 00:39:45.378 never having encountered such

NOTE Confidence: 0.86570287

00:39:45.378 --> 00:39:47.863 personal tragedy in our lives.

NOTE Confidence: 0.86570287

00:39:47.870 --> 00:39:51.030 But Margie gracefully moved the

NOTE Confidence: 0.86570287

00:39:51.030 --> 00:39:54.648 introductions along. And that was Margie.

NOTE Confidence: 0.86570287

00:39:54.650 --> 00:39:56.512 She set the tone for who we

NOTE Confidence: 0.86570287

00:39:56.512 --> 00:39:58.618 would be as a cohort together.

NOTE Confidence: 0.86570287

00:39:58.620 --> 00:40:03.708 Real. Honest. Straight forward.

NOTE Confidence: 0.86570287

00:40:03.710 --> 00:40:07.399 She brought you to where she was

NOTE Confidence: 0.86570287

00:40:07.399 --> 00:40:08.980 emotionally and intellectually.

NOTE Confidence: 0.86570287

00:40:08.980 --> 00:40:10.808 Sometimes abruptly,

NOTE Confidence: 0.86570287

00:40:10.808 --> 00:40:13.550 but usually gently.

NOTE Confidence: 0.86570287

00:40:13.550 --> 00:40:15.494 In a highly professional world where

NOTE Confidence: 0.86570287

00:40:15.494 --> 00:40:17.790 people were ambitious and talked about work,

NOTE Confidence: 0.86570287

00:40:17.790 --> 00:40:20.180 life balance and keeping all

NOTE Confidence: 0.86570287

00:40:20.180 --> 00:40:21.614 these worlds separate.

NOTE Confidence: 0.86570287

00:40:21.620 --> 00:40:24.860 Margie deliberately brought them together.

NOTE Confidence: 0.86570287

00:40:24.860 --> 00:40:26.580 Her colleagues were colleagues

NOTE Confidence: 0.86570287

00:40:26.580 --> 00:40:28.730 but also friends and family.

NOTE Confidence: 0.86570287

00:40:28.730 --> 00:40:30.662 She talked to her neighbors about her

NOTE Confidence: 0.86570287

00:40:30.662 --> 00:40:33.201 work and she talked to the people she

NOTE Confidence: 0.86570287

00:40:33.201 --> 00:40:34.856 worked with about her neighborhood.

NOTE Confidence: 0.86570287

00:40:34.860 --> 00:40:36.805 She was unafraid of letting

NOTE Confidence: 0.86570287

00:40:36.805 --> 00:40:39.553 people from any part of her life

NOTE Confidence: 0.86570287

00:40:39.553 --> 00:40:41.725 see how she moved in another.

NOTE Confidence: 0.86570287

00:40:41.730 --> 00:40:44.880 Is what made her so amazing as a writer,

NOTE Confidence: 0.86570287

00:40:44.880 --> 00:40:45.930 as a speaker?

NOTE Confidence: 0.86570287

00:40:45.930 --> 00:40:49.326 And yes, as a graphic novelist.

NOTE Confidence: 0.86570287

00:40:49.330 --> 00:40:51.373 But it also made her such an

NOTE Confidence: 0.86570287

00:40:51.373 --> 00:40:54.350 extraordinary teacher and mentor.

NOTE Confidence: 0.86570287

00:40:54.350 --> 00:40:56.204 Many of you joining this memorial

NOTE Confidence: 0.86570287

00:40:56.204 --> 00:40:58.146 tonight will have known Margie through

NOTE Confidence: 0.86570287

00:40:58.146 --> 00:41:00.096 her role in the Scholars program.

NOTE Confidence: 0.86570287

00:41:00.100 --> 00:41:01.412 In so many ways,

NOTE Confidence: 0.86570287

00:41:01.412 --> 00:41:03.052 the program we have today

NOTE Confidence: 0.86570287

00:41:03.052 --> 00:41:05.140 is a reflection of Margie.

NOTE Confidence: 0.86570287

00:41:05.140 --> 00:41:07.732 She developed and taught the community

NOTE Confidence: 0.86570287

00:41:07.732 --> 00:41:09.460 based participatory research curriculum

NOTE Confidence: 0.86570287

00:41:09.515 --> 00:41:11.139 building and strengthening alliances

NOTE Confidence: 0.86570287

00:41:11.139 --> 00:41:13.169 with the New Haven community.

NOTE Confidence: 0.86570287

00:41:13.170 --> 00:41:15.260 She launched the Mentorship program,

NOTE Confidence: 0.86570287

00:41:15.260 --> 00:41:17.770 ensuring that they were both

NOTE Confidence: 0.86570287

00:41:17.770 --> 00:41:19.778 formal and informal opportunities

NOTE Confidence: 0.86570287

00:41:19.778 --> 00:41:22.568 for scholars to obtain and to

NOTE Confidence: 0.86570287

00:41:22.568 --> 00:41:24.773 learn how to provide mentorship.

NOTE Confidence: 0.86570287

00:41:24.780 --> 00:41:26.830 And she supported countless scholars

NOTE Confidence: 0.86570287

00:41:26.830 --> 00:41:29.510 in the research in the writing,

NOTE Confidence: 0.86570287

00:41:29.510 --> 00:41:32.090 and most importantly, in their lives.  
NOTE Confidence: 0.86570287

00:41:32.090 --> 00:41:36.140 Her door was always open.  
NOTE Confidence: 0.86570287

00:41:36.140 --> 00:41:38.720 I learned so much from Margie  
NOTE Confidence: 0.86570287

00:41:38.720 --> 00:41:41.610 she always had the best advice.  
NOTE Confidence: 0.86570287

00:41:41.610 --> 00:41:43.470 I learned how important it is  
NOTE Confidence: 0.86570287

00:41:43.470 --> 00:41:45.818 to take a moment to stop and  
NOTE Confidence: 0.86570287

00:41:45.818 --> 00:41:47.543 ask people how they're doing,  
NOTE Confidence: 0.86570287

00:41:47.550 --> 00:41:50.838 especially if they have young kids.  
NOTE Confidence: 0.86570287

00:41:50.840 --> 00:41:53.540 I learned that a phone call or knock on  
NOTE Confidence: 0.86570287

00:41:53.540 --> 00:41:56.428 the door is always better than an email.  
NOTE Confidence: 0.86570287

00:41:56.430 --> 00:41:57.714 Specially for feedback.  
NOTE Confidence: 0.86570287

00:41:57.714 --> 00:42:00.710 I learned that you never show up  
NOTE Confidence: 0.86570287

00:42:00.790 --> 00:42:03.388 to a Community event without food.  
NOTE Confidence: 0.86570287

00:42:03.390 --> 00:42:05.460 I learned that mentorship doesn't  
NOTE Confidence: 0.86570287

00:42:05.460 --> 00:42:07.885 just mean teaching someone how to  
NOTE Confidence: 0.86570287

00:42:07.885 --> 00:42:09.866 design a study or write a paper.

NOTE Confidence: 0.86570287

00:42:09.870 --> 00:42:11.905 But instead to answer questions

NOTE Confidence: 0.86570287

00:42:11.905 --> 00:42:13.940 about what might be mysterious

NOTE Confidence: 0.86570287

00:42:14.009 --> 00:42:15.517 to someone more junior.

NOTE Confidence: 0.86570287

00:42:15.520 --> 00:42:17.290 Questions specific to a project,

NOTE Confidence: 0.86570287

00:42:17.290 --> 00:42:19.414 or questions about how to connect

NOTE Confidence: 0.86570287

00:42:19.414 --> 00:42:20.830 to a potential collaborator,

NOTE Confidence: 0.86570287

00:42:20.830 --> 00:42:22.595 or questions about the day-to-day

NOTE Confidence: 0.86570287

00:42:22.595 --> 00:42:23.654 of your job,

NOTE Confidence: 0.86570287

00:42:23.660 --> 00:42:25.430 or even questions about your

NOTE Confidence: 0.86570287

00:42:25.430 --> 00:42:26.846 family and your kids.

NOTE Confidence: 0.86570287

00:42:26.850 --> 00:42:29.298 Margie knew that being a mentor

NOTE Confidence: 0.86570287

00:42:29.298 --> 00:42:31.660 means showing others how you make.

NOTE Confidence: 0.86570287

00:42:31.660 --> 00:42:33.988 Your everything work.

NOTE Confidence: 0.86570287

00:42:33.988 --> 00:42:38.644 Especially what you value and prioritize.

NOTE Confidence: 0.86570287

00:42:38.650 --> 00:42:41.410 But what all of us uniquely learned from

NOTE Confidence: 0.86570287

00:42:41.410 --> 00:42:44.338 Archie was how to act bravely and honestly?

NOTE Confidence: 0.86570287

00:42:44.340 --> 00:42:46.225 She could have let Amal's

NOTE Confidence: 0.86570287

00:42:46.225 --> 00:42:47.733 tragic death define her.

NOTE Confidence: 0.86570287

00:42:47.740 --> 00:42:49.546 But instead she moved to a new

NOTE Confidence: 0.86570287

00:42:49.546 --> 00:42:51.244 city and created a circle of

NOTE Confidence: 0.86570287

00:42:51.244 --> 00:42:52.966 community around her and her girls.

NOTE Confidence: 0.86570287

00:42:52.970 --> 00:42:55.854 Unlike anyone who I have ever met.

NOTE Confidence: 0.86570287

00:42:55.860 --> 00:42:59.170 Everyone knew Margie and Margie

NOTE Confidence: 0.86570287

00:42:59.170 --> 00:43:00.494 knew everyone.

NOTE Confidence: 0.86570287

00:43:00.500 --> 00:43:02.246 When she was diagnosed with cancer,

NOTE Confidence: 0.86570287

00:43:02.250 --> 00:43:04.512 she could have retreated from her

NOTE Confidence: 0.86570287

00:43:04.512 --> 00:43:07.787 life at Yale at clinic and at the CSP.

NOTE Confidence: 0.86570287

00:43:07.790 --> 00:43:09.608 But instead she came to work.

NOTE Confidence: 0.86570287

00:43:09.610 --> 00:43:09.953 Often,

NOTE Confidence: 0.86570287

00:43:09.953 --> 00:43:11.668 biking for exercise to see

NOTE Confidence: 0.86570287

00:43:11.668 --> 00:43:13.040 her patients and pre

NOTE Confidence: 0.8174292

00:43:13.111 --> 00:43:15.526 set to meet with students and mentees.

NOTE Confidence: 0.8174292

00:43:15.530 --> 00:43:17.516 And she doubled down on her,

NOTE Confidence: 0.8174292

00:43:17.520 --> 00:43:21.348 writing her scholarship and her advocacy.

NOTE Confidence: 0.8174292

00:43:21.350 --> 00:43:24.605 I treasure so many memories of Margie.

NOTE Confidence: 0.8174292

00:43:24.610 --> 00:43:27.182 Our families together on Holidays, walks

NOTE Confidence: 0.8174292

00:43:27.182 --> 00:43:31.038 in the Woods sitting on her front porch.

NOTE Confidence: 0.8174292

00:43:31.040 --> 00:43:33.660 Our kids growing up together.

NOTE Confidence: 0.8174292

00:43:33.660 --> 00:43:34.724 Sharing meals.

NOTE Confidence: 0.8174292

00:43:34.724 --> 00:43:37.384 Long weekends at Suzanne's in

NOTE Confidence: 0.8174292

00:43:37.384 --> 00:43:40.169 Vermont at Leora's in Greenwich.

NOTE Confidence: 0.8174292

00:43:40.170 --> 00:43:41.920 Our scholar cohort still connected.

NOTE Confidence: 0.8174292

00:43:41.920 --> 00:43:44.136 Since that conference table,

NOTE Confidence: 0.8174292

00:43:44.136 --> 00:43:46.906 when she brought us together.

NOTE Confidence: 0.8174292

00:43:46.910 --> 00:43:49.458 I wish that everyone could share a

NOTE Confidence: 0.8174292

00:43:49.458 --> 00:43:51.949 friendship with a person like Margie.

NOTE Confidence: 0.8174292

00:43:51.950 --> 00:43:54.659 Although perhaps the most amazing thing is

NOTE Confidence: 0.8174292

00:43:54.659 --> 00:43:58.038 that so many other people feel this way

NOTE Confidence: 0.8174292

00:43:58.038 --> 00:44:00.540 about their friendship with Margie too.

NOTE Confidence: 0.8174292

00:44:00.540 --> 00:44:01.608 I love you Margie.

NOTE Confidence: 0.8174292

00:44:01.608 --> 00:44:02.943 They all miss you dearly.

NOTE Confidence: 0.72852504

00:44:16.110 --> 00:44:19.402 My. I'm Randy Epstein.

NOTE Confidence: 0.72852504

00:44:19.402 --> 00:44:22.050 I was in a writers group with Anna

NOTE Confidence: 0.72852504

00:44:22.121 --> 00:44:24.419 and Lisa Sanders and Pauline Chin.

NOTE Confidence: 0.72852504

00:44:24.420 --> 00:44:27.388 The Margie piece that I'm going to read

NOTE Confidence: 0.72852504

00:44:27.388 --> 00:44:30.097 started out in the draft that we read.

NOTE Confidence: 0.72852504

00:44:30.100 --> 00:44:33.286 It started out as a you and second person.

NOTE Confidence: 0.72852504

00:44:33.290 --> 00:44:35.859 It was always easier for Margie to

NOTE Confidence: 0.72852504

00:44:35.859 --> 00:44:38.879 write you and for us to edit her

NOTE Confidence: 0.72852504

00:44:38.879 --> 00:44:41.427 second person because it just put it

NOTE Confidence: 0.72852504

00:44:41.427 --> 00:44:43.939 out there far away from all of us.

NOTE Confidence: 0.72852504

00:44:43.940 --> 00:44:46.160 The New York Times editor rightly

NOTE Confidence: 0.72852504

00:44:46.160 --> 00:44:47.850 so made her switched I.

NOTE Confidence: 0.72852504

00:44:47.850 --> 00:44:50.088 It was very difficult for Margie.

NOTE Confidence: 0.72852504

00:44:50.090 --> 00:44:54.019 And it's difficult for me to read tonight.

NOTE Confidence: 0.72852504

00:44:54.020 --> 00:44:56.320 This was published March 13th,

NOTE Confidence: 0.72852504

00:44:56.320 --> 00:45:00.826 2020 in the New York Times.

NOTE Confidence: 0.72852504

00:45:00.830 --> 00:45:03.030 I know bad news is coming my way

NOTE Confidence: 0.72852504

00:45:03.030 --> 00:45:04.825 when my oncologist walks into

NOTE Confidence: 0.72852504

00:45:04.825 --> 00:45:07.165 the exam room with the nurse.

NOTE Confidence: 0.72852504

00:45:07.170 --> 00:45:08.420 It doesn't matter that he

NOTE Confidence: 0.72852504

00:45:08.420 --> 00:45:10.030 introduces her as a new nurse,

NOTE Confidence: 0.72852504

00:45:10.030 --> 00:45:12.050 getting to know the system.

NOTE Confidence: 0.72852504

00:45:12.050 --> 00:45:14.777 In my more than six years of seeing my

NOTE Confidence: 0.72852504

00:45:14.777 --> 00:45:16.878 oncologist for metastatic colon cancer,

NOTE Confidence: 0.72852504

00:45:16.880 --> 00:45:19.510 he is never coming accompanied.

NOTE Confidence: 0.72852504

00:45:19.510 --> 00:45:21.960 He wants her in the room to

NOTE Confidence: 0.72852504

00:45:21.960 --> 00:45:24.330 learn how to give bad news.  
NOTE Confidence: 0.72852504

00:45:24.330 --> 00:45:27.156 After 25 years of the pediatrician,  
NOTE Confidence: 0.72852504

00:45:27.160 --> 00:45:30.940 I know the guidelines find a quiet room,  
NOTE Confidence: 0.72852504

00:45:30.940 --> 00:45:34.237 give the news directly, allow for silences,  
NOTE Confidence: 0.72852504

00:45:34.240 --> 00:45:37.738 offer tissues and glasses of water.  
NOTE Confidence: 0.72852504

00:45:37.740 --> 00:45:40.314 Wait for the families questions and  
NOTE Confidence: 0.72852504

00:45:40.314 --> 00:45:43.030 answer them as fully as possible.  
NOTE Confidence: 0.72852504

00:45:43.030 --> 00:45:44.686 I've had to tell families that  
NOTE Confidence: 0.72852504

00:45:44.686 --> 00:45:46.769 their child has a chronic disease.  
NOTE Confidence: 0.72852504

00:45:46.770 --> 00:45:49.100 Is gravely ill, has died.  
NOTE Confidence: 0.72852504

00:45:49.100 --> 00:45:51.962 Now my oncologist rotates the chair  
NOTE Confidence: 0.72852504

00:45:51.962 --> 00:45:54.940 facing the computer so it faces me.  
NOTE Confidence: 0.72852504

00:45:54.940 --> 00:45:57.076 He sits down, makes eye contact,  
NOTE Confidence: 0.72852504

00:45:57.080 --> 00:46:01.256 glances at the box of tissues by his side.  
NOTE Confidence: 0.72852504

00:46:01.260 --> 00:46:03.378 The nurse stands just beside him,  
NOTE Confidence: 0.72852504

00:46:03.380 --> 00:46:06.266 shifting her weight between her feet.

NOTE Confidence: 0.72852504

00:46:06.270 --> 00:46:09.042 I sit on the exam table with two of

NOTE Confidence: 0.72852504

00:46:09.042 --> 00:46:12.109 my friends next to me holding hands.

NOTE Confidence: 0.72852504

00:46:12.110 --> 00:46:14.528 There are new liver lesions growing.

NOTE Confidence: 0.72852504

00:46:14.530 --> 00:46:16.545 My oncologist says three years

NOTE Confidence: 0.72852504

00:46:16.545 --> 00:46:18.157 the lesions were dormant,

NOTE Confidence: 0.72852504

00:46:18.160 --> 00:46:19.282 encased in calcium,

NOTE Confidence: 0.72852504

00:46:19.282 --> 00:46:21.526 but the cancer cells and burst

NOTE Confidence: 0.72852504

00:46:21.526 --> 00:46:23.389 through their calcium borders.

NOTE Confidence: 0.72852504

00:46:23.390 --> 00:46:25.410 They're not yet wreaking havoc.

NOTE Confidence: 0.72852504

00:46:25.410 --> 00:46:27.018 My laboratory values and

NOTE Confidence: 0.72852504

00:46:27.018 --> 00:46:28.626 vital signs are normal,

NOTE Confidence: 0.72852504

00:46:28.630 --> 00:46:31.948 but the new liver lesions means that

NOTE Confidence: 0.72852504

00:46:31.948 --> 00:46:34.749 chemotherapy is no longer working.

NOTE Confidence: 0.72852504

00:46:34.750 --> 00:46:36.773 I step out of my patient rolling

NOTE Confidence: 0.72852504

00:46:36.773 --> 00:46:39.031 into my doctor role just long enough

NOTE Confidence: 0.72852504

00:46:39.031 --> 00:46:41.023 to acknowledge that my doctor is  
NOTE Confidence: 0.72852504

00:46:41.086 --> 00:46:42.868 very good at giving bad news.  
NOTE Confidence: 0.72852504

00:46:42.870 --> 00:46:45.656 He is asking what questions I have.  
NOTE Confidence: 0.72852504

00:46:45.660 --> 00:46:47.336 He's allowing for silence.  
NOTE Confidence: 0.72852504

00:46:47.336 --> 00:46:51.006 Tears are falling from my eyes and he is  
NOTE Confidence: 0.72852504

00:46:51.006 --> 00:46:53.526 silently handing me the box of tissues.  
NOTE Confidence: 0.72852504

00:46:53.530 --> 00:46:55.480 The nurse nods her head when  
NOTE Confidence: 0.72852504

00:46:55.480 --> 00:46:57.619 he talks about the next steps.  
NOTE Confidence: 0.72852504

00:46:57.620 --> 00:46:59.945 You'll look into clinical trials  
NOTE Confidence: 0.72852504

00:46:59.945 --> 00:47:01.340 and new medications.  
NOTE Confidence: 0.72852504

00:47:01.340 --> 00:47:03.867 On Monday he will meet with his  
NOTE Confidence: 0.72852504

00:47:03.867 --> 00:47:05.570 colleagues to discuss my case.  
NOTE Confidence: 0.72852504

00:47:05.570 --> 00:47:08.855 They will pull up images of my scans and  
NOTE Confidence: 0.72852504

00:47:08.855 --> 00:47:11.701 discuss radiation surgery, immunotherapy.  
NOTE Confidence: 0.72852504

00:47:11.701 --> 00:47:12.732 Possibilities.  
NOTE Confidence: 0.72852504

00:47:12.732 --> 00:47:16.856 The nurse nods optimistic.

NOTE Confidence: 0.72852504

00:47:16.860 --> 00:47:18.827 I look at the scans on my

NOTE Confidence: 0.72852504

00:47:18.827 --> 00:47:19.670 oncologist computer screen.

NOTE Confidence: 0.72852504

00:47:19.670 --> 00:47:21.320 He rolls the mouse to make

NOTE Confidence: 0.72852504

00:47:21.320 --> 00:47:22.760 the images bigger than life.

NOTE Confidence: 0.72852504

00:47:22.760 --> 00:47:24.608 He touches the light Gray ovals

NOTE Confidence: 0.72852504

00:47:24.608 --> 00:47:26.809 of cancer on the CT scan and

NOTE Confidence: 0.72852504

00:47:26.809 --> 00:47:28.615 contrast them to the darker Gray

NOTE Confidence: 0.72852504

00:47:28.615 --> 00:47:30.398 of the rest of the liver.

NOTE Confidence: 0.72852504

00:47:30.400 --> 00:47:32.161 He points to the bright yellow

NOTE Confidence: 0.72852504

00:47:32.161 --> 00:47:34.240 sunburst shaped spots of cancer on the

NOTE Confidence: 0.8555658

00:47:34.293 --> 00:47:36.660 PET scan. They stand out starkly against the

NOTE Confidence: 0.8555658

00:47:36.660 --> 00:47:39.360 purple Gray color of the rest of the liver.

NOTE Confidence: 0.8555658

00:47:39.360 --> 00:47:41.648 When I was a medical student,

NOTE Confidence: 0.8555658

00:47:41.648 --> 00:47:43.208 I thought those images look

NOTE Confidence: 0.8555658

00:47:43.208 --> 00:47:45.236 like modern art, but not today.

NOTE Confidence: 0.8555658

00:47:45.236 --> 00:47:48.116 Today I know those Gray ovals and yellow

NOTE Confidence: 0.8555658

00:47:48.116 --> 00:47:51.007 spots or my growing cancer reacting to

NOTE Confidence: 0.8555658

00:47:51.007 --> 00:47:53.688 the contrast fluid infused in my body.

NOTE Confidence: 0.8555658

00:47:53.690 --> 00:47:55.740 My oncologist cancels my chemotherapy

NOTE Confidence: 0.8555658

00:47:55.740 --> 00:47:58.561 for the day while I wait to

NOTE Confidence: 0.8555658

00:47:58.561 --> 00:48:00.306 figure out the next steps.

NOTE Confidence: 0.8555658

00:48:00.310 --> 00:48:01.798 I will be full of uncertainty

NOTE Confidence: 0.8555658

00:48:01.798 --> 00:48:03.679 and fear of the growing cancer,

NOTE Confidence: 0.8555658

00:48:03.680 --> 00:48:05.654 but not having chemo means my next

NOTE Confidence: 0.8555658

00:48:05.654 --> 00:48:07.617 days will not be full of nausea,

NOTE Confidence: 0.8555658

00:48:07.620 --> 00:48:08.505 diarrhea and exhaustion.

NOTE Confidence: 0.8555658

00:48:08.505 --> 00:48:10.275 No chemo means I will need

NOTE Confidence: 0.8555658

00:48:10.275 --> 00:48:11.827 to go home and get under.

NOTE Confidence: 0.8555658

00:48:11.830 --> 00:48:14.322 I will not need to go home

NOTE Confidence: 0.8555658

00:48:14.322 --> 00:48:16.459 and get under the covers.

NOTE Confidence: 0.8555658

00:48:16.460 --> 00:48:18.806 The day opens up loving counselors

NOTE Confidence: 0.8555658

00:48:18.806 --> 00:48:21.019 taught me about patience and lack

NOTE Confidence: 0.8555658

00:48:21.019 --> 00:48:23.347 of control and how to spend as much

NOTE Confidence: 0.8555658

00:48:23.419 --> 00:48:25.539 time as I can with those I love.

NOTE Confidence: 0.8555658

00:48:25.540 --> 00:48:27.626 I propose a hike with my friends.

NOTE Confidence: 0.8555658

00:48:27.630 --> 00:48:28.974 They say, of course,

NOTE Confidence: 0.8555658

00:48:28.974 --> 00:48:30.990 and we drive the 10 minutes

NOTE Confidence: 0.8555658

00:48:31.060 --> 00:48:33.090 to sleeping Giant State Park.

NOTE Confidence: 0.8555658

00:48:33.090 --> 00:48:34.440 One friend choose the trail.

NOTE Confidence: 0.8555658

00:48:34.440 --> 00:48:35.604 I do not know.

NOTE Confidence: 0.8555658

00:48:35.604 --> 00:48:37.779 She says it will wind along the

NOTE Confidence: 0.8555658

00:48:37.779 --> 00:48:39.915 River before rising up the Hill.

NOTE Confidence: 0.8555658

00:48:39.920 --> 00:48:41.761 The trail gives us a good view

NOTE Confidence: 0.8555658

00:48:41.761 --> 00:48:43.889 of the trees that fell from the

NOTE Confidence: 0.8555658

00:48:43.889 --> 00:48:45.484 tornado a few years earlier.

NOTE Confidence: 0.8555658

00:48:45.490 --> 00:48:47.800 Some trees are dead and others

NOTE Confidence: 0.8555658

00:48:47.800 --> 00:48:49.340 whose intricate root systems  
NOTE Confidence: 0.8555658

00:48:49.409 --> 00:48:51.485 have grown sideways and above the  
NOTE Confidence: 0.8555658

00:48:51.485 --> 00:48:53.850 ground seemed to be re generating.  
NOTE Confidence: 0.8555658

00:48:53.850 --> 00:48:55.906 But do they, the day of the tornado,  
NOTE Confidence: 0.8555658

00:48:55.910 --> 00:48:58.010 is during a non chemo week.  
NOTE Confidence: 0.8555658

00:48:58.010 --> 00:49:00.038 I was driving my older daughter  
NOTE Confidence: 0.8555658

00:49:00.038 --> 00:49:02.220 home through what was in our town.  
NOTE Confidence: 0.8555658

00:49:02.220 --> 00:49:05.588 Just a bad rainstorm. I was not worried.  
NOTE Confidence: 0.8555658

00:49:05.590 --> 00:49:08.790 I had no idea there was a serious  
NOTE Confidence: 0.8555658

00:49:08.790 --> 00:49:10.280 storm brewing nearby.  
NOTE Confidence: 0.8555658

00:49:10.280 --> 00:49:13.390 We rest on a fallen log in a sunny spot.  
NOTE Confidence: 0.8555658

00:49:13.390 --> 00:49:15.556 We talk of our children and  
NOTE Confidence: 0.8555658

00:49:15.556 --> 00:49:17.560 partners in politics and cancer.  
NOTE Confidence: 0.8555658

00:49:17.560 --> 00:49:18.496 After our hike,  
NOTE Confidence: 0.8555658

00:49:18.496 --> 00:49:20.368 we stop at the pharmacy to  
NOTE Confidence: 0.8555658

00:49:20.368 --> 00:49:22.018 pick up passport photos.

NOTE Confidence: 0.8555658

00:49:22.020 --> 00:49:23.922 Last week before my oncologist walked

NOTE Confidence: 0.8555658

00:49:23.922 --> 00:49:26.099 into the exam room with the nurse,

NOTE Confidence: 0.8555658

00:49:26.100 --> 00:49:28.796 my teenage daughters and I had the photos

NOTE Confidence: 0.8555658

00:49:28.796 --> 00:49:31.249 taken because our passports were expiring.

NOTE Confidence: 0.8555658

00:49:31.250 --> 00:49:33.287 This week, I wonder if I will

NOTE Confidence: 0.8555658

00:49:33.287 --> 00:49:35.160 ever leave the country again.

NOTE Confidence: 0.8555658

00:49:35.160 --> 00:49:37.435 I had hoped to have more adventures.

NOTE Confidence: 0.8555658

00:49:37.440 --> 00:49:39.210 I'm confident that my daughters just

NOTE Confidence: 0.8555658

00:49:39.210 --> 00:49:41.359 on the Crest of their adulthood,

NOTE Confidence: 0.8555658

00:49:41.360 --> 00:49:42.551 will travel widely.

NOTE Confidence: 0.8555658

00:49:42.551 --> 00:49:44.933 At the cash register are extra

NOTE Confidence: 0.8555658

00:49:44.933 --> 00:49:46.469 large chocolate bars.

NOTE Confidence: 0.8555658

00:49:46.470 --> 00:49:48.930 I buy 2.

NOTE Confidence: 0.8555658

00:49:48.930 --> 00:49:50.489 I center my daughters are curious

NOTE Confidence: 0.8555658

00:49:50.489 --> 00:49:52.590 about how I had time to make dinner

NOTE Confidence: 0.8555658

00:49:52.590 --> 00:49:54.494 and why I'm eating dinner with them.  
NOTE Confidence: 0.8555658

00:49:54.500 --> 00:49:57.268 They know my typical chemo day has me  
NOTE Confidence: 0.8555658

00:49:57.268 --> 00:50:00.227 napping all afternoon and into the evening.  
NOTE Confidence: 0.8555658

00:50:00.230 --> 00:50:02.100 Tell my daughters the news.  
NOTE Confidence: 0.8555658

00:50:02.100 --> 00:50:05.160 I tell them I am on a chemo holiday  
NOTE Confidence: 0.8555658

00:50:05.160 --> 00:50:07.320 because there are new cancers.  
NOTE Confidence: 0.8555658

00:50:07.320 --> 00:50:08.236 Cell grows.  
NOTE Confidence: 0.8555658

00:50:08.236 --> 00:50:10.984 There's new cancerous growing liver lesions.  
NOTE Confidence: 0.8555658

00:50:10.990 --> 00:50:13.845 The biggest collection of cells  
NOTE Confidence: 0.8555658

00:50:13.845 --> 00:50:16.129 is 1.5 centimeters wide.  
NOTE Confidence: 0.8555658

00:50:16.130 --> 00:50:18.678 My daughter spread their thumb and index  
NOTE Confidence: 0.8555658

00:50:18.678 --> 00:50:20.817 finger to estimate how big that is.  
NOTE Confidence: 0.8555658

00:50:20.820 --> 00:50:22.014 It's small,  
NOTE Confidence: 0.8555658

00:50:22.014 --> 00:50:23.208 they say.  
NOTE Confidence: 0.8555658

00:50:23.210 --> 00:50:25.310 We eggplant parmesan and chocolate  
NOTE Confidence: 0.8555658

00:50:25.310 --> 00:50:27.893 in my daughters retreat to their

NOTE Confidence: 0.8555658

00:50:27.893 --> 00:50:29.958 rooms for homework in Netflix.

NOTE Confidence: 0.8555658

00:50:29.960 --> 00:50:31.780 I have known for over 6 years

NOTE Confidence: 0.8555658

00:50:31.780 --> 00:50:32.560 that there would

NOTE Confidence: 0.8696453

00:50:32.622 --> 00:50:34.412 be lesions that were escape

NOTE Confidence: 0.8696453

00:50:34.412 --> 00:50:35.844 the clutches of chemotherapy.

NOTE Confidence: 0.8696453

00:50:35.850 --> 00:50:38.496 I am sad it is now.

NOTE Confidence: 0.8696453

00:50:38.500 --> 00:50:40.080 They hope for more time,

NOTE Confidence: 0.8696453

00:50:40.080 --> 00:50:41.532 but there's no denial.

NOTE Confidence: 0.8696453

00:50:41.532 --> 00:50:44.787 I met the nurse who came into the exam

NOTE Confidence: 0.8696453

00:50:44.787 --> 00:50:47.580 room to learn how to give bad news.

NOTE Confidence: 0.8696453

00:50:47.580 --> 00:50:49.485 She, with her freshly pressed

NOTE Confidence: 0.8696453

00:50:49.485 --> 00:50:51.390 scrubs will be better prepared

NOTE Confidence: 0.8696453

00:50:51.459 --> 00:50:53.426 to give the bad news next time.

NOTE Confidence: 0.83165103

00:51:07.650 --> 00:51:08.855 Good evening, I am so

NOTE Confidence: 0.83165103

00:51:08.855 --> 00:51:10.580 honored to be a part of this.

NOTE Confidence: 0.83165103

00:51:10.580 --> 00:51:12.038 My name is Natasha Rae Ann.  
NOTE Confidence: 0.83165103

00:51:12.040 --> 00:51:15.136 I am the director of New Haven healthy start.  
NOTE Confidence: 0.83165103

00:51:15.140 --> 00:51:17.380 As you've heard, there are many of us  
NOTE Confidence: 0.83165103

00:51:17.380 --> 00:51:19.720 who have learned so much from Margie.  
NOTE Confidence: 0.83165103

00:51:19.720 --> 00:51:22.079 For me the lessons have always been  
NOTE Confidence: 0.83165103

00:51:22.079 --> 00:51:23.879 professional as well as personal.  
NOTE Confidence: 0.83165103

00:51:23.880 --> 00:51:26.288 I met and began working with Margie in  
NOTE Confidence: 0.83165103

00:51:26.288 --> 00:51:28.877 2005 and the Clinical Scholars Program.  
NOTE Confidence: 0.83165103

00:51:28.880 --> 00:51:31.728 My first CBPR project that I was copii.  
NOTE Confidence: 0.83165103

00:51:31.730 --> 00:51:34.054 I learn how to code qualitative studies  
NOTE Confidence: 0.83165103

00:51:34.054 --> 00:51:36.517 from Margie the benefits of infant massage  
NOTE Confidence: 0.83165103

00:51:36.517 --> 00:51:39.230 for the New Haven healthy Start families.  
NOTE Confidence: 0.83165103

00:51:39.230 --> 00:51:41.932 I learned from Margie and circles of  
NOTE Confidence: 0.83165103

00:51:41.932 --> 00:51:44.687 security for our staff that serve these  
NOTE Confidence: 0.83165103

00:51:44.687 --> 00:51:47.550 families all brought to us by Margie.  
NOTE Confidence: 0.83165103

00:51:47.550 --> 00:51:49.794 She had always either encouraged the

NOTE Confidence: 0.83165103

00:51:49.794 --> 00:51:51.893 tough conversations like race power and

NOTE Confidence: 0.83165103

00:51:51.893 --> 00:51:54.069 privilege and CPR and or in the world,

NOTE Confidence: 0.83165103

00:51:54.070 --> 00:51:57.660 or at a drop of a dime ready to have them.

NOTE Confidence: 0.83165103

00:51:57.660 --> 00:52:00.551 These are just a few of the

NOTE Confidence: 0.83165103

00:52:00.551 --> 00:52:02.280 many gifts from her.

NOTE Confidence: 0.83165103

00:52:02.280 --> 00:52:05.095 Our last in person time

NOTE Confidence: 0.83165103

00:52:05.095 --> 00:52:07.910 together was in June 2019.

NOTE Confidence: 0.83165103

00:52:07.910 --> 00:52:10.199 We spent the afternoon in a very

NOTE Confidence: 0.83165103

00:52:10.199 --> 00:52:11.597 small theater on Middletown

NOTE Confidence: 0.83165103

00:52:11.597 --> 00:52:14.047 Ave that I had no idea existed.

NOTE Confidence: 0.83165103

00:52:14.050 --> 00:52:17.119 Margie, did an we went to watch Rocket Man.

NOTE Confidence: 0.83165103

00:52:17.120 --> 00:52:19.160 We discussed the choice of actors,

NOTE Confidence: 0.83165103

00:52:19.160 --> 00:52:19.842 the storyline,

NOTE Confidence: 0.83165103

00:52:19.842 --> 00:52:22.570 the things that neither of us knew about,

NOTE Confidence: 0.83165103

00:52:22.570 --> 00:52:25.226 Sir Elton and we literally sang out loud

NOTE Confidence: 0.83165103

00:52:25.226 --> 00:52:28.366 of the of the songs along with the movie.

NOTE Confidence: 0.83165103

00:52:28.370 --> 00:52:31.034 There were only four of us in the

NOTE Confidence: 0.83165103

00:52:31.034 --> 00:52:33.548 theater so on the way home she asked

NOTE Confidence: 0.83165103

00:52:33.548 --> 00:52:36.548 me if I watch blackish and I cringed.

NOTE Confidence: 0.83165103

00:52:36.550 --> 00:52:38.728 I said absolutely not, absolutely not.

NOTE Confidence: 0.83165103

00:52:38.730 --> 00:52:41.295 As a rule, you know I'm not a judge.

NOTE Confidence: 0.83165103

00:52:41.300 --> 00:52:43.309 Judge the book by the cover person,

NOTE Confidence: 0.83165103

00:52:43.310 --> 00:52:43.552 however,

NOTE Confidence: 0.83165103

00:52:43.552 --> 00:52:45.488 just the name alone suggested to me that

NOTE Confidence: 0.83165103

00:52:45.488 --> 00:52:47.596 it was just another blaxploitation sitcom,

NOTE Confidence: 0.83165103

00:52:47.600 --> 00:52:49.371 and I've had more than my fair

NOTE Confidence: 0.83165103

00:52:49.371 --> 00:52:51.029 share of those not interested.

NOTE Confidence: 0.83165103

00:52:51.030 --> 00:52:52.460 No way she's like, oh,

NOTE Confidence: 0.83165103

00:52:52.460 --> 00:52:54.176 it is definitely not that you

NOTE Confidence: 0.83165103

00:52:54.176 --> 00:52:55.605 would really enjoy it, Natasha.

NOTE Confidence: 0.83165103

00:52:55.605 --> 00:52:57.885 I'm telling you, you have to watch it.

NOTE Confidence: 0.83165103

00:52:57.890 --> 00:52:59.320 You have to watch it.

NOTE Confidence: 0.83165103

00:52:59.320 --> 00:53:00.184 And you know,

NOTE Confidence: 0.83165103

00:53:00.184 --> 00:53:02.470 shoot me a text when you watch it.

NOTE Confidence: 0.83165103

00:53:02.470 --> 00:53:04.182 We've got to talk about it.

NOTE Confidence: 0.83165103

00:53:04.182 --> 00:53:06.990 So on the way home we talked more about

NOTE Confidence: 0.83165103

00:53:06.990 --> 00:53:08.620 the negative stereotypes of black

NOTE Confidence: 0.83165103

00:53:08.620 --> 00:53:10.531 families in the media and the impact

NOTE Confidence: 0.83165103

00:53:10.531 --> 00:53:12.676 of it and how it's perpetuate it.

NOTE Confidence: 0.83165103

00:53:12.680 --> 00:53:14.582 You know still talking shop during

NOTE Confidence: 0.83165103

00:53:14.582 --> 00:53:17.127 girls day out and when I drop Margie off

NOTE Confidence: 0.83165103

00:53:17.127 --> 00:53:19.568 I told her that I would check it out.

NOTE Confidence: 0.83165103

00:53:19.570 --> 00:53:21.770 It took me about three weeks to finally

NOTE Confidence: 0.83165103

00:53:21.770 --> 00:53:24.448 watch an episode and of course she was right.

NOTE Confidence: 0.83165103

00:53:24.450 --> 00:53:26.166 We began texting about certain episodes,

NOTE Confidence: 0.83165103

00:53:26.170 --> 00:53:27.983 checking into see if one or the

NOTE Confidence: 0.83165103

00:53:27.983 --> 00:53:29.610 other cop this weeks episode.  
NOTE Confidence: 0.83165103

00:53:29.610 --> 00:53:31.970 It was an awesome thing and I just  
NOTE Confidence: 0.83165103

00:53:31.970 --> 00:53:34.286 think about how lucky I was to have  
NOTE Confidence: 0.83165103

00:53:34.286 --> 00:53:36.009 someone who knew me well enough  
NOTE Confidence: 0.83165103

00:53:36.009 --> 00:53:38.537 and that I trust it to bring me to  
NOTE Confidence: 0.83165103

00:53:38.537 --> 00:53:40.756 the other side about an all black  
NOTE Confidence: 0.83165103

00:53:40.756 --> 00:53:42.707 show with an all black cast.  
NOTE Confidence: 0.83165103

00:53:42.710 --> 00:53:44.852 Margie and Blackish will always go  
NOTE Confidence: 0.83165103

00:53:44.852 --> 00:53:48.317 hand in hand for me and it's very dear to me.  
NOTE Confidence: 0.83165103

00:53:48.320 --> 00:53:49.990 I shared this abbreviated version  
NOTE Confidence: 0.83165103

00:53:49.990 --> 00:53:51.660 in a very very small  
NOTE Confidence: 0.8814617

00:53:51.723 --> 00:53:54.259 group of our colleagues a few months ago,  
NOTE Confidence: 0.8814617

00:53:54.260 --> 00:53:56.409 but up until that point I had  
NOTE Confidence: 0.8814617

00:53:56.409 --> 00:53:58.458 held that memory as a special  
NOTE Confidence: 0.8814617

00:53:58.458 --> 00:53:59.870 thing between margin me.  
NOTE Confidence: 0.8814617

00:53:59.870 --> 00:54:02.528 Tonight I am happy to have

NOTE Confidence: 0.8814617

00:54:02.528 --> 00:54:04.780 shared this all with you.

NOTE Confidence: 0.8814617

00:54:04.780 --> 00:54:06.988 I miss her cell. Thank you.

NOTE Confidence: 0.7903459

00:54:14.010 --> 00:54:16.500 Thank you Natasha.

NOTE Confidence: 0.8242332

00:54:16.500 --> 00:54:18.160 Certainly empathize with missing

NOTE Confidence: 0.8242332

00:54:18.160 --> 00:54:21.345 Margie but I have to tell you tonight

NOTE Confidence: 0.8242332

00:54:21.345 --> 00:54:23.770 have been such a wonderful tribute.

NOTE Confidence: 0.8242332

00:54:23.770 --> 00:54:26.164 It's really been terrific to hear

NOTE Confidence: 0.8242332

00:54:26.164 --> 00:54:28.878 from all of the colleagues and

NOTE Confidence: 0.8242332

00:54:28.878 --> 00:54:31.962 friends of Margie's and kind of

NOTE Confidence: 0.8242332

00:54:31.962 --> 00:54:34.459 distributed keep going on forever.

NOTE Confidence: 0.8242332

00:54:34.460 --> 00:54:37.468 Of course we can try one more one

NOTE Confidence: 0.8242332

00:54:37.468 --> 00:54:39.810 brief stories to share now, but.

NOTE Confidence: 0.8242332

00:54:39.810 --> 00:54:43.100 To seeing on this list of participants,

NOTE Confidence: 0.8242332

00:54:43.100 --> 00:54:45.272 all the people across the country

NOTE Confidence: 0.8242332

00:54:45.272 --> 00:54:47.440 who have logged on tonight to

NOTE Confidence: 0.8242332

00:54:47.440 --> 00:54:50.008 watch and share with us really is a  
NOTE Confidence: 0.8242332

00:54:50.077 --> 00:54:52.375 wonderful reminder that in a way,  
NOTE Confidence: 0.8242332

00:54:52.380 --> 00:54:54.170 this tribute will continue forever.  
NOTE Confidence: 0.8242332

00:54:54.170 --> 00:54:58.138 Through all them are just all of us.  
NOTE Confidence: 0.8242332

00:54:58.140 --> 00:55:01.488 So this past fall I visited  
NOTE Confidence: 0.8242332

00:55:01.488 --> 00:55:03.720 Margie in the hospital.  
NOTE Confidence: 0.8242332

00:55:03.720 --> 00:55:05.580 She had already been there a few  
NOTE Confidence: 0.8242332

00:55:05.580 --> 00:55:07.050 days and while she was feeling  
NOTE Confidence: 0.8242332

00:55:07.050 --> 00:55:08.630 a little bit better overall,  
NOTE Confidence: 0.8242332

00:55:08.630 --> 00:55:10.268 the hospital never let you sleep.  
NOTE Confidence: 0.8242332

00:55:10.270 --> 00:55:12.220 She was still recovering so she  
NOTE Confidence: 0.8242332

00:55:12.220 --> 00:55:14.259 was still still a bit tired.  
NOTE Confidence: 0.8242332

00:55:14.260 --> 00:55:16.780 But she was also bored and she wanted  
NOTE Confidence: 0.8242332

00:55:16.780 --> 00:55:18.752 the company so generic small talk  
NOTE Confidence: 0.8242332

00:55:18.752 --> 00:55:20.582 ensued until she suddenly remembered  
NOTE Confidence: 0.8242332

00:55:20.582 --> 00:55:22.685 something that she had been wanting

NOTE Confidence: 0.8242332

00:55:22.685 --> 00:55:24.431 to talk to me about something

NOTE Confidence: 0.8242332

00:55:24.431 --> 00:55:26.320 that had been driving her crazy.

NOTE Confidence: 0.8242332

00:55:26.320 --> 00:55:27.945 She sits up suddenly energized,

NOTE Confidence: 0.8242332

00:55:27.950 --> 00:55:29.142 leaving in towards me.

NOTE Confidence: 0.8242332

00:55:29.142 --> 00:55:31.540 She had been thinking about our hospitals,

NOTE Confidence: 0.8242332

00:55:31.540 --> 00:55:32.302 new clinic,

NOTE Confidence: 0.8242332

00:55:32.302 --> 00:55:33.826 a partnership with community

NOTE Confidence: 0.8242332

00:55:33.826 --> 00:55:35.720 health centers in the area.

NOTE Confidence: 0.8242332

00:55:35.720 --> 00:55:37.495 It had been under construction

NOTE Confidence: 0.8242332

00:55:37.495 --> 00:55:38.915 for the past year.

NOTE Confidence: 0.8242332

00:55:38.920 --> 00:55:40.200 Margin grew more animated,

NOTE Confidence: 0.8242332

00:55:40.200 --> 00:55:42.120 thinking aloud about how this new

NOTE Confidence: 0.8242332

00:55:42.179 --> 00:55:44.129 physical clinic building was an

NOTE Confidence: 0.8242332

00:55:44.129 --> 00:55:45.689 opportunity to improve engagement

NOTE Confidence: 0.8242332

00:55:45.689 --> 00:55:47.789 between the hospital and the community,

NOTE Confidence: 0.8242332

00:55:47.790 --> 00:55:49.565 and she feared that opportunity  
NOTE Confidence: 0.8242332

00:55:49.565 --> 00:55:50.985 might be slipping away.  
NOTE Confidence: 0.8242332

00:55:50.990 --> 00:55:52.910 The location of the clinic was  
NOTE Confidence: 0.8242332

00:55:52.910 --> 00:55:55.032 remote for many of the neighborhoods  
NOTE Confidence: 0.8242332

00:55:55.032 --> 00:55:57.727 that it was supposed to be serving.  
NOTE Confidence: 0.8242332

00:55:57.730 --> 00:56:00.880 Marta was worried about this.  
NOTE Confidence: 0.8242332

00:56:00.880 --> 00:56:03.149 She spoke about how important it was  
NOTE Confidence: 0.8242332

00:56:03.149 --> 00:56:05.270 to get the community input for all  
NOTE Confidence: 0.8242332

00:56:05.339 --> 00:56:08.020 aspects of designing the new clinic building,  
NOTE Confidence: 0.8242332

00:56:08.020 --> 00:56:08.470 including.  
NOTE Confidence: 0.8242332

00:56:08.470 --> 00:56:11.170 The actual design of the exterior  
NOTE Confidence: 0.8242332

00:56:11.170 --> 00:56:13.816 and the inside, among other things.  
NOTE Confidence: 0.8242332

00:56:13.816 --> 00:56:15.976 She had been advocating sometimes  
NOTE Confidence: 0.8242332

00:56:15.976 --> 00:56:18.531 from her hospital bed to ensure  
NOTE Confidence: 0.8242332

00:56:18.531 --> 00:56:20.546 that New Haven based artists.  
NOTE Confidence: 0.8242332

00:56:20.550 --> 00:56:22.240 Work with grace the walls,

NOTE Confidence: 0.8242332

00:56:22.240 --> 00:56:23.251 because after all,

NOTE Confidence: 0.8242332

00:56:23.251 --> 00:56:25.273 when people entered this new clinic,

NOTE Confidence: 0.8242332

00:56:25.280 --> 00:56:27.008 what would they see when they

NOTE Confidence: 0.8242332

00:56:27.008 --> 00:56:28.652 see a reflection of themselves

NOTE Confidence: 0.8242332

00:56:28.652 --> 00:56:30.348 of their own communities?

NOTE Confidence: 0.8242332

00:56:30.350 --> 00:56:32.040 She's been exploring this issue.

NOTE Confidence: 0.8242332

00:56:32.040 --> 00:56:33.948 They felt as though she been

NOTE Confidence: 0.8242332

00:56:33.948 --> 00:56:35.760 getting the run run around.

NOTE Confidence: 0.8242332

00:56:35.760 --> 00:56:37.390 She had called hospital administrators

NOTE Confidence: 0.8242332

00:56:37.390 --> 00:56:40.149 to ask about who is purchasing the art,

NOTE Confidence: 0.8242332

00:56:40.150 --> 00:56:42.582 and she was told that they have a

NOTE Confidence: 0.8242332

00:56:42.582 --> 00:56:44.378 great lineup of standard artists

NOTE Confidence: 0.8242332

00:56:44.378 --> 00:56:46.233 who are located in California

NOTE Confidence: 0.8242332

00:56:46.233 --> 00:56:48.663 on the West Coast who were great

NOTE Confidence: 0.8242332

00:56:48.663 --> 00:56:50.684 at turning out BC beach scenes.

NOTE Confidence: 0.8242332

00:56:50.684 --> 00:56:51.866 Generic landscapes etc.  
NOTE Confidence: 0.8242332

00:56:51.866 --> 00:56:54.230 But as recently as bad day.  
NOTE Confidence: 0.8242332

00:56:54.230 --> 00:56:56.095 Margie had still been calling  
NOTE Confidence: 0.8242332

00:56:56.095 --> 00:56:58.432 people pleading to the hospital to  
NOTE Confidence: 0.8242332

00:56:58.432 --> 00:57:00.048 turn their purchasing directions  
NOTE Confidence: 0.8242332

00:57:00.048 --> 00:57:02.068 direction back into New Haven.  
NOTE Confidence: 0.8242332

00:57:02.070 --> 00:57:04.410 Six months later after Margie had  
NOTE Confidence: 0.8242332

00:57:04.410 --> 00:57:07.127 died I was sitting there in the  
NOTE Confidence: 0.8242332

00:57:07.127 --> 00:57:09.647 parking lot of the bright and shiny  
NOTE Confidence: 0.8242332

00:57:09.724 --> 00:57:12.650 new clinic building for the first time.  
NOTE Confidence: 0.8242332

00:57:12.650 --> 00:57:14.936 I hadn't thought about that conversation  
NOTE Confidence: 0.8242332

00:57:14.936 --> 00:57:16.960 with Margie for quite awhile.  
NOTE Confidence: 0.8242332

00:57:16.960 --> 00:57:18.945 I felt glum realizing that  
NOTE Confidence: 0.8242332

00:57:18.945 --> 00:57:20.533 this initiative would probably  
NOTE Confidence: 0.8242332

00:57:20.533 --> 00:57:22.159 falling through the cracks.  
NOTE Confidence: 0.8242332

00:57:22.160 --> 00:57:22.702 We're marching,

NOTE Confidence: 0.8242332

00:57:22.702 --> 00:57:24.870 step back from her work and from her

NOTE Confidence: 0.819252

00:57:24.931 --> 00:57:26.839 advocacy I was kind of dreading

NOTE Confidence: 0.819252

00:57:26.839 --> 00:57:28.111 entering the clinic building,

NOTE Confidence: 0.819252

00:57:28.120 --> 00:57:29.908 knowing that Margie wouldn't be there.

NOTE Confidence: 0.819252

00:57:29.910 --> 00:57:31.698 I trudged across the parking lot,

NOTE Confidence: 0.819252

00:57:31.700 --> 00:57:34.076 but as I walked through the waiting room,

NOTE Confidence: 0.819252

00:57:34.080 --> 00:57:36.380 I did a double take.

NOTE Confidence: 0.819252

00:57:36.380 --> 00:57:38.030 That sound can we share?

NOTE Confidence: 0.819252

00:57:38.030 --> 00:57:40.326 Turns out I've been wrong about margin,

NOTE Confidence: 0.819252

00:57:40.330 --> 00:57:42.954 that being there in the building with us.

NOTE Confidence: 0.819252

00:57:42.960 --> 00:57:44.832 The walls were decorated with beautiful

NOTE Confidence: 0.819252

00:57:44.832 --> 00:57:46.910 work by New Haven based artists.

NOTE Confidence: 0.819252

00:57:46.910 --> 00:57:49.206 And is Margie would say love that.

NOTE Confidence: 0.84787387

00:57:55.160 --> 00:57:57.310 Thanks so much. Kerry and presenters.

NOTE Confidence: 0.84787387

00:57:57.310 --> 00:57:59.645 Would you put your video

NOTE Confidence: 0.84787387

00:57:59.645 --> 00:58:02.800 cameras back on for a moment?  
NOTE Confidence: 0.84787387

00:58:02.800 --> 00:58:04.665 So yeah, thank you.  
NOTE Confidence: 0.84787387

00:58:04.665 --> 00:58:06.528 Everybody who read and  
NOTE Confidence: 0.84787387

00:58:06.528 --> 00:58:07.926 shared wonderful stories.  
NOTE Confidence: 0.84787387

00:58:07.930 --> 00:58:10.720 Remembering Margie and her impact tonight.  
NOTE Confidence: 0.84787387

00:58:10.720 --> 00:58:14.452 Thank you to everybody in the audience who  
NOTE Confidence: 0.84787387

00:58:14.452 --> 00:58:18.176 tuned in to remember and celebrate with us.  
NOTE Confidence: 0.84787387

00:58:18.176 --> 00:58:20.042 This category. Defining physician,  
NOTE Confidence: 0.84787387

00:58:20.042 --> 00:58:21.906 writer, artist and activist.  
NOTE Confidence: 0.84787387

00:58:21.910 --> 00:58:23.774 The impactful, beautiful, work,  
NOTE Confidence: 0.84787387

00:58:23.774 --> 00:58:26.570 friendship and legacy of our beautiful,  
NOTE Confidence: 0.84787387

00:58:26.570 --> 00:58:28.900 beautiful, beloved colleague and friend,  
NOTE Confidence: 0.84787387

00:58:28.900 --> 00:58:31.908 Doctor Marjorie S Rosenthal.  
NOTE Confidence: 0.84787387

00:58:31.910 --> 00:58:34.574 Thanks everybody, goodnight.
