NOTE Confidence: 0.913867542307692

00:02:57.729 --> 00:02:58.859 kind of going between poetry,  
NOTE Confidence: 0.913867542307692

NOTE Confidence: 0.913867542307692

00:03:02.574 --> 00:03:04.322 their piece of art if they're not  
NOTE Confidence: 0.913867542307692

00:03:04.322 --> 00:03:05.912 winner or they'll read a selection

NOTE Confidence: 0.942266208

00:03:13.708 --> 00:03:16.786 friends And me is the name of his

NOTE Confidence: 0.942266208

00:03:16.786 --> 00:03:19.798 poetry piece that won first prize.

NOTE Confidence: 0.945285225

00:03:27.560 --> 00:03:29.560 One second. Sorry.

NOTE Confidence: 0.887903056666667

00:03:33.960 --> 00:03:37.412 Hi, I'm Matt. So I will just

NOTE Confidence: 0.887903056666667

00:03:37.412 --> 00:03:38.900 read my fit my poem, which is

NOTE Confidence: 0.887903056666667

00:03:38.900 --> 00:03:40.220 called My Five Friends and Me,

NOTE Confidence: 0.9704438

00:03:42.380 --> 00:03:43.932 Dysthymia, Dysmorphia,

NOTE Confidence: 0.9704438

00:03:43.932 --> 00:03:46.462 Bulimia, Anxiety, and OCDI.

NOTE Confidence: 0.9704438

00:03:46.462 --> 00:03:48.078 Put each one of them on a fingertip

NOTE Confidence: 0.9704438

00:03:48.078 --> 00:03:49.642 and hold my hand up to the light

NOTE Confidence: 0.9704438

00:03:49.642 --> 00:03:51.017 and they kind of look like you.

NOTE Confidence: 0.9704438

00:03:51.020 --> 00:03:52.896 I feel like I first met Dysthymia

NOTE Confidence: 0.9704438

00:03:52.896 --> 00:03:54.198 in elementary school when I

NOTE Confidence: 0.9704438

00:03:54.198 --> 00:03:55.536 learned the days of the week.

NOTE Confidence: 0.9704438

00:03:55.540 --> 00:03:56.786 I remember hearing the days of the

NOTE Confidence: 0.9704438

00:03:56.786 --> 00:03:57.648 week and wondering who thought

NOTE Confidence: 0.9704438

00:03:57.648 --> 00:03:58.800 it would be a good idea to only  
NOTE Confidence: 0.9704438

00:03:58.843 --> 00:03:59.815 make the weekend two of them.  
NOTE Confidence: 0.9704438

00:03:59.820 --> 00:04:01.900 I remember thinking to myself,  
NOTE Confidence: 0.9704438

00:04:01.900 --> 00:04:04.204 why are there more bad days than good?  
NOTE Confidence: 0.9704438

00:04:04.210 --> 00:04:05.690 Why are there more bad days than good?  
NOTE Confidence: 0.9704438

00:04:05.690 --> 00:04:07.530 Why are there more bad days than good?  
NOTE Confidence: 0.9704438

00:04:07.530 --> 00:04:09.490 Why are there more bad days than good?  
NOTE Confidence: 0.9704438

00:04:09.490 --> 00:04:11.390 Is this what they're calling  
NOTE Confidence: 0.9704438

00:04:11.390 --> 00:04:12.666 dysthymia Dysmorphia is the way  
NOTE Confidence: 0.9704438

00:04:12.666 --> 00:04:14.530 I play with the fat on my sides,  
NOTE Confidence: 0.9704438

00:04:14.530 --> 00:04:17.050 the way I run my hands over my stomach  
NOTE Confidence: 0.9704438

00:04:17.050 --> 00:04:19.443 10 No 20 No 30 No 40 times a day?  
NOTE Confidence: 0.9704438

00:04:19.450 --> 00:04:20.690 Actually, if I'm being honest,  
NOTE Confidence: 0.9704438

00:04:20.690 --> 00:04:21.962 I've never actually counted,  
NOTE Confidence: 0.9704438

00:04:21.962 --> 00:04:23.234 because counting would probably  
NOTE Confidence: 0.9704438

00:04:23.234 --> 00:04:24.329 just make it worse.

NOTE Confidence: 0.9704438

00:04:24.330 --> 00:04:25.802 Dysmorphia is the way I run my hands

NOTE Confidence: 0.9704438

00:04:25.802 --> 00:04:27.970 over my hips and stomach before bed.

NOTE Confidence: 0.9704438

00:04:27.970 --> 00:04:29.770 Sometimes I pretend to spoon myself,

NOTE Confidence: 0.9704438

00:04:29.770 --> 00:04:31.318 wondering what the fat feels like

NOTE Confidence: 0.9704438

00:04:31.318 --> 00:04:32.630 to someone I'm sleeping with.

NOTE Confidence: 0.9704438

00:04:32.630 --> 00:04:34.790 If it wasn't obvious, I'm the big spoon.

NOTE Confidence: 0.9704438

00:04:34.790 --> 00:04:36.393 That way I don't have to think

NOTE Confidence: 0.9704438

00:04:36.393 --> 00:04:37.650 about the other person thinking

NOTE Confidence: 0.9704438

00:04:37.650 --> 00:04:39.470 about the fat all over my body.

NOTE Confidence: 0.9704438

00:04:39.470 --> 00:04:40.950 Bulimia is for the weak,

NOTE Confidence: 0.9704438

00:04:40.950 --> 00:04:43.110 those two weak to stop eating altogether and

NOTE Confidence: 0.9704438

00:04:43.110 --> 00:04:45.229 who decide purging is the next best thing.

NOTE Confidence: 0.9704438

00:04:45.230 --> 00:04:47.190 Bulimia is shoving my hands down my throat,

NOTE Confidence: 0.9704438

00:04:47.190 --> 00:04:48.360 trying to catch the food

NOTE Confidence: 0.9704438

00:04:48.360 --> 00:04:49.990 before it falls to my stomach.

NOTE Confidence: 0.9704438

00:04:49.990 --> 00:04:51.430 Bulimia is also hating myself,  
NOTE Confidence: 0.9704438

00:04:51.430 --> 00:04:52.788 wondering why I didn't have the strength,  
NOTE Confidence: 0.9704438

00:04:52.790 --> 00:04:54.967 just not eat in the first place.  
NOTE Confidence: 0.9704438

00:04:54.970 --> 00:04:56.770 Bulimia is also running 8 miles a day  
NOTE Confidence: 0.9704438

00:04:56.770 --> 00:04:58.490 and having people commend you for it.  
NOTE Confidence: 0.9704438

00:04:58.490 --> 00:04:59.738 Or having people tell you that  
NOTE Confidence: 0.9704438

00:04:59.738 --> 00:05:00.970 you're a success story of a fat,  
NOTE Confidence: 0.9704438

00:05:00.970 --> 00:05:02.825 depressed kid who's now skinny  
NOTE Confidence: 0.9704438

00:05:02.825 --> 00:05:03.567 and successful.  
NOTE Confidence: 0.9704438

00:05:03.570 --> 00:05:06.450 Did you hear that We are a success story?  
NOTE Confidence: 0.9704438

00:05:06.450 --> 00:05:08.970 The anxiety is a bit more complicated.  
NOTE Confidence: 0.9704438

00:05:08.970 --> 00:05:10.250 Anxiety is taking a test,  
NOTE Confidence: 0.9704438

00:05:10.250 --> 00:05:11.769 or taking my shirt off during sex,  
NOTE Confidence: 0.9704438

00:05:11.770 --> 00:05:13.527 or taking five shots at a party,  
NOTE Confidence: 0.9704438

00:05:13.530 --> 00:05:14.730 or seeing you in the library,  
NOTE Confidence: 0.9704438

00:05:14.730 --> 00:05:16.610 or thinking about seeing you in the library,

NOTE Confidence: 0.9704438

00:05:16.610 --> 00:05:17.798 or having your friends

NOTE Confidence: 0.9704438

00:05:17.798 --> 00:05:18.689 over and hyperventilating,

NOTE Confidence: 0.9704438

00:05:18.690 --> 00:05:20.154 thinking about the fact that they

NOTE Confidence: 0.9704438

00:05:20.154 --> 00:05:21.690 might just say your name aloud.

NOTE Confidence: 0.9704438

00:05:21.690 --> 00:05:24.530 Yeah, the anxiety is a bit more complicated.

NOTE Confidence: 0.9704438

00:05:24.530 --> 00:05:26.258 The OCD is the way I talk to myself

NOTE Confidence: 0.9704438

00:05:26.258 --> 00:05:28.124 or the way I grab my friend's arms.

NOTE Confidence: 0.9704438

00:05:28.130 --> 00:05:28.946 I'm really lucky.

NOTE Confidence: 0.9704438

00:05:28.946 --> 00:05:31.050 I have good friends that don't question it.

NOTE Confidence: 0.9704438

00:05:31.050 --> 00:05:32.808 I try to interrupt these anxious

NOTE Confidence: 0.9704438

00:05:32.808 --> 00:05:34.315 thoughts that are mostly about

NOTE Confidence: 0.9704438

00:05:34.315 --> 00:05:35.725 you with words or gestures.

NOTE Confidence: 0.9704438

00:05:35.730 --> 00:05:37.490 It feels like my body is running in

NOTE Confidence: 0.9704438

00:05:37.490 --> 00:05:39.207 circles trying to put out these tiny fires,

NOTE Confidence: 0.9704438

00:05:39.210 --> 00:05:40.365 but every time we get to 1,

NOTE Confidence: 0.9704438

00:05:40.370 --> 00:05:42.368 another pops up right behind me.  
NOTE Confidence: 0.9704438

00:05:42.370 --> 00:05:44.170 I try exposure therapy, though.  
NOTE Confidence: 0.9704438

00:05:44.170 --> 00:05:45.010 So for me,  
NOTE Confidence: 0.9704438

00:05:45.010 --> 00:05:46.970 OCD is thinking the same thought twice.  
NOTE Confidence: 0.9704438

00:05:46.970 --> 00:05:49.724 Once for my body, the second time for me.  
NOTE Confidence: 0.9704438

00:05:49.730 --> 00:05:51.530 And the second time is always more painful.  
NOTE Confidence: 0.9704438

00:05:51.530 --> 00:05:52.658 I shudder and breathe and pray  
NOTE Confidence: 0.9704438

00:05:52.658 --> 00:05:53.410 that if I do  
NOTE Confidence: 0.937931276923077

00:05:53.460 --> 00:05:55.262 this enough times, I will be habituated  
NOTE Confidence: 0.937931276923077

00:05:55.262 --> 00:05:57.130 to the pain and it will stop.  
NOTE Confidence: 0.937931276923077

00:05:57.130 --> 00:05:59.608 So far the pain hasn't stopped.  
NOTE Confidence: 0.937931276923077

00:05:59.610 --> 00:06:01.094 I've heard them say that two is  
NOTE Confidence: 0.937931276923077

00:06:01.094 --> 00:06:02.248 company and three is a party,  
NOTE Confidence: 0.937931276923077

00:06:02.250 --> 00:06:04.370 but what about my five friends and me?  
NOTE Confidence: 0.937931276923077

00:06:04.370 --> 00:06:06.240 Or is it 6? Hard to tell if I count  
NOTE Confidence: 0.937931276923077

00:06:06.297 --> 00:06:08.009 as my own person in all of this.

NOTE Confidence: 0.937931276923077  
00:06:08.010 --> 00:06:09.486 I'm not sure if it's a party per se,  
NOTE Confidence: 0.937931276923077  
00:06:09.490 --> 00:06:10.910 but we're all talking over  
NOTE Confidence: 0.937931276923077  
00:06:10.910 --> 00:06:12.450 each other as if it is one.  
NOTE Confidence: 0.937931276923077  
00:06:12.450 --> 00:06:13.570 And if we feel we're not heard,  
NOTE Confidence: 0.937931276923077  
00:06:13.570 --> 00:06:15.089 we get even louder to make sure  
NOTE Confidence: 0.937931276923077  
00:06:15.089 --> 00:06:16.489 we are heard over everyone.  
NOTE Confidence: 0.937931276923077  
00:06:16.490 --> 00:06:18.063 I think I need to try having a  
NOTE Confidence: 0.937931276923077  
00:06:18.063 --> 00:06:19.728 conversation with each of them.  
NOTE Confidence: 0.937931276923077  
00:06:19.730 --> 00:06:21.290 Ask them what brought them here.  
NOTE Confidence: 0.937931276923077  
00:06:21.290 --> 00:06:22.652 I wonder if I've made them  
NOTE Confidence: 0.937931276923077  
00:06:22.652 --> 00:06:23.888 feel neglected or maybe they're  
NOTE Confidence: 0.937931276923077  
00:06:23.888 --> 00:06:25.288 trying to teach me something.  
NOTE Confidence: 0.937931276923077  
00:06:25.290 --> 00:06:26.198 I'm not sure yet,  
NOTE Confidence: 0.937931276923077  
00:06:26.198 --> 00:06:28.249 but I'll ask them and get back to you.  
NOTE Confidence: 0.937931276923077  
00:06:28.250 --> 00:06:28.958 In the meantime,  
NOTE Confidence: 0.937931276923077

00:06:28.958 --> 00:06:30.610 I want you to think about this.  
NOTE Confidence: 0.937931276923077

00:06:30.610 --> 00:06:32.090 When I said they look like you in the light,  
NOTE Confidence: 0.937931276923077

00:06:32.090 --> 00:06:33.530 I meant in two ways.  
NOTE Confidence: 0.937931276923077

00:06:33.530 --> 00:06:34.410 The first being, yeah,  
NOTE Confidence: 0.937931276923077

00:06:34.410 --> 00:06:36.890 you have a \*\*\*\* ton of these tendencies.  
NOTE Confidence: 0.937931276923077

00:06:36.890 --> 00:06:37.676 The second being,  
NOTE Confidence: 0.937931276923077

00:06:37.676 --> 00:06:40.409 what did you do to make me like this too?  
NOTE Confidence: 0.937931276923077

00:06:40.410 --> 00:06:40.690 Thank you.  
NOTE Confidence: 0.902896324285714

00:06:53.030 --> 00:06:54.230 Thank you, Matthew.  
NOTE Confidence: 0.902896324285714

00:06:54.230 --> 00:06:56.110 That was wonderful and okay.  
NOTE Confidence: 0.9301901

00:07:07.030 --> 00:07:13.120 So our next student to be featured is  
NOTE Confidence: 0.9301901

00:07:13.120 --> 00:07:17.748 Grace Grace Wong who created the small.  
NOTE Confidence: 0.9301901

00:07:17.748 --> 00:07:20.709 So you are those here are welcome to get up  
NOTE Confidence: 0.9301901

00:07:20.709 --> 00:07:23.070 and look at it when she's talking about it.  
NOTE Confidence: 0.9301901

00:07:23.070 --> 00:07:25.688 She won first prize. The first prize,  
NOTE Confidence: 0.9301901

00:07:25.690 --> 00:07:28.770 Rush Lerner for the anatomy Garden. Grace.

NOTE Confidence: 0.9201268

00:07:36.950 --> 00:07:38.150 Hi, I'm Grace. I'm one of

NOTE Confidence: 0.9201268

00:07:38.150 --> 00:07:39.330 the second year Med students.

NOTE Confidence: 0.9201268

00:07:39.330 --> 00:07:42.470 We got to just get it up here. So.

NOTE Confidence: 0.9201268

00:08:03.510 --> 00:08:05.948 So I created this piece a couple

NOTE Confidence: 0.9201268

00:08:05.950 --> 00:08:08.609 of months into my clerkship year,

NOTE Confidence: 0.9201268

00:08:08.609 --> 00:08:10.268 started in January,

NOTE Confidence: 0.9201268

00:08:10.270 --> 00:08:12.148 and my first block was surgery,

NOTE Confidence: 0.9201268

00:08:12.150 --> 00:08:14.390 and it was definitely a challenging 3 months,

NOTE Confidence: 0.9201268

00:08:14.390 --> 00:08:16.710 but I gained a lot of appreciation

NOTE Confidence: 0.9201268

00:08:16.710 --> 00:08:18.522 for just the beauty of human

NOTE Confidence: 0.9201268

00:08:18.522 --> 00:08:19.460 anatomy in those months.

NOTE Confidence: 0.9201268

00:08:19.460 --> 00:08:22.410 And so I guess on a very literal sense,

NOTE Confidence: 0.9201268

00:08:22.410 --> 00:08:23.549 I wanted to capture

NOTE Confidence: 0.91709595

00:08:23.550 --> 00:08:24.906 some of that in my painting.

NOTE Confidence: 0.9268357333333333

00:08:26.390 --> 00:08:28.348 When I was sitting down to plan this piece,

NOTE Confidence: 0.9268357333333333

00:08:28.350 --> 00:08:30.420 I was also reflecting a lot  
NOTE Confidence: 0.9268357333333333

00:08:30.420 --> 00:08:31.750 about change and growth,  
NOTE Confidence: 0.9268357333333333

00:08:31.750 --> 00:08:34.790 which can be really beautiful parts of life.  
NOTE Confidence: 0.9268357333333333

00:08:34.790 --> 00:08:37.016 But there were things happening in my  
NOTE Confidence: 0.9268357333333333

00:08:37.016 --> 00:08:39.350 own life that were kind of prompted  
NOTE Confidence: 0.9268357333333333

00:08:39.350 --> 00:08:40.946 me to reflect on how sometimes  
NOTE Confidence: 0.9268357333333333

00:08:40.950 --> 00:08:43.148 these processes can be challenging,  
NOTE Confidence: 0.9268357333333333

00:08:43.150 --> 00:08:44.896 especially when things outside of our  
NOTE Confidence: 0.9268357333333333

00:08:44.896 --> 00:08:47.547 control lead to a lot of change in our lives.  
NOTE Confidence: 0.9268357333333333

00:08:47.550 --> 00:08:49.350 And then we're forced to.  
NOTE Confidence: 0.9268357333333333

00:08:49.350 --> 00:08:51.922 Grow with those changes and personally  
NOTE Confidence: 0.9268357333333333

00:08:51.922 --> 00:08:53.924 I find a lot of inspiration from  
NOTE Confidence: 0.9268357333333333

00:08:53.924 --> 00:08:55.947 being in nature and observing nature,  
NOTE Confidence: 0.9268357333333333

00:08:55.950 --> 00:08:58.182 which is always in a state of dynamic growth.  
NOTE Confidence: 0.9268357333333333

00:08:58.190 --> 00:09:01.150 So hard to explain in words,  
NOTE Confidence: 0.9268357333333333

00:09:01.150 --> 00:09:02.430 but hopefully you can see how some

NOTE Confidence: 0.9268357333333333  
00:09:02.430 --> 00:09:05.080 of those reflections are incorporated  
NOTE Confidence: 0.9268357333333333  
00:09:05.080 --> 00:09:06.670 into this piece.  
NOTE Confidence: 0.9268357333333333  
00:09:06.670 --> 00:09:08.170 Painting has always been really  
NOTE Confidence: 0.9268357333333333  
00:09:08.170 --> 00:09:09.843 important to me and so I feel very  
NOTE Confidence: 0.9268357333333333  
00:09:09.843 --> 00:09:11.589 lucky to get to share this with you all.  
NOTE Confidence: 0.9268357333333333  
00:09:11.590 --> 00:09:12.590 So thanks for being here.  
NOTE Confidence: 0.8946510866666667  
00:09:30.820 --> 00:09:32.176 All right. Thank you so much.  
NOTE Confidence: 0.8946510866666667  
00:09:32.180 --> 00:09:35.484 Grace Okay. Our next student  
NOTE Confidence: 0.8946510866666667  
00:09:35.484 --> 00:09:37.740 to be featured is Anna Preston,  
NOTE Confidence: 0.93824092  
00:09:40.100 --> 00:09:43.436 MD student, and she won first  
NOTE Confidence: 0.93824092  
00:09:43.436 --> 00:09:45.945 place in the poetry category,  
NOTE Confidence: 0.93824092  
00:09:45.945 --> 00:09:47.655 as well as an honorable mention.  
NOTE Confidence: 0.93824092  
00:09:47.660 --> 00:09:49.536 And she will be reading both poems.  
NOTE Confidence: 0.95031694  
00:10:01.850 --> 00:10:03.568 Hi everyone. Thanks so much for being here.  
NOTE Confidence: 0.936228162  
00:10:03.570 --> 00:10:05.036 I have two short poems today.  
NOTE Confidence: 0.936228162

00:10:05.036 --> 00:10:06.566 The 1st is called Birth.  
NOTE Confidence: 0.92012674

00:10:10.290 --> 00:10:11.610 It is hard to wrap in  
NOTE Confidence: 0.94456641

00:10:11.610 --> 00:10:14.564 numbers the thing they call a miracle  
NOTE Confidence: 0.94456641

00:10:14.570 --> 00:10:16.124 as it bleeds through the belly of  
NOTE Confidence: 0.94456641

00:10:16.124 --> 00:10:17.729 a name that could be anyone's.  
NOTE Confidence: 0.9427693725

00:10:18.730 --> 00:10:19.810 We trust our witness  
NOTE Confidence: 0.935012877272727

00:10:19.810 --> 00:10:21.525 sufficient to make us experts  
NOTE Confidence: 0.935012877272727

00:10:21.525 --> 00:10:23.610 in something we have never felt.  
NOTE Confidence: 0.935012877272727

00:10:23.610 --> 00:10:25.174 They trust it too.  
NOTE Confidence: 0.935012877272727

00:10:25.174 --> 00:10:27.129 What choice do they have,  
NOTE Confidence: 0.935012877272727

00:10:27.130 --> 00:10:28.471 alone or surrounded?  
NOTE Confidence: 0.935012877272727

00:10:28.471 --> 00:10:30.259 Eyes bright or heavy,  
NOTE Confidence: 0.935012877272727

00:10:30.260 --> 00:10:33.100 they come, their past effaced.  
NOTE Confidence: 0.935012877272727

00:10:33.100 --> 00:10:38.116 All is now a snip, a scream and exhale,  
NOTE Confidence: 0.935012877272727

00:10:38.116 --> 00:10:40.736 a body broken and new.  
NOTE Confidence: 0.935012877272727

00:10:40.740 --> 00:10:44.060 It is a miracle. It is a Tuesday.

NOTE Confidence: 0.935012877272727  
00:10:44.060 --> 00:10:45.660 It is every hour.  
NOTE Confidence: 0.935012877272727  
00:10:45.660 --> 00:10:48.060 It is once in a lifetime.  
NOTE Confidence: 0.935012877272727  
00:10:48.060 --> 00:10:50.418 It is sometimes not at all,  
NOTE Confidence: 0.935012877272727  
00:10:50.420 --> 00:10:52.177 the moment all of our light began.  
NOTE Confidence: 0.9301902  
00:10:56.400 --> 00:10:57.875 And the second poem is called  
NOTE Confidence: 0.9301902  
00:10:57.875 --> 00:10:59.760 A Letter to a Younger Universe.  
NOTE Confidence: 0.9301902  
00:11:02.280 --> 00:11:04.560 My dear, I know how it feels,  
NOTE Confidence: 0.9301902  
00:11:04.560 --> 00:11:06.720 as though your body is too small to  
NOTE Confidence: 0.9301902  
00:11:06.720 --> 00:11:08.877 contain the exploding stars within you,  
NOTE Confidence: 0.9301902  
00:11:08.880 --> 00:11:11.196 your heart grossly insufficient to drive  
NOTE Confidence: 0.9301902  
00:11:11.196 --> 00:11:14.079 its blood to your outermost galaxies.  
NOTE Confidence: 0.9301902  
00:11:14.080 --> 00:11:15.560 It feels like it will take forever  
NOTE Confidence: 0.9301902  
00:11:15.560 --> 00:11:18.680 to get there, wherever there is.  
NOTE Confidence: 0.9301902  
00:11:18.680 --> 00:11:20.868 But you're growing at the speed of light,  
NOTE Confidence: 0.9301902  
00:11:20.868 --> 00:11:22.553 new elements forming moment by  
NOTE Confidence: 0.9301902

00:11:22.553 --> 00:11:26.120 moment in the Crucible of your soul.  
NOTE Confidence: 0.9301902

00:11:26.120 --> 00:11:28.136 I have felt the white hot light you keep  
NOTE Confidence: 0.9301902

00:11:28.136 --> 00:11:30.345 at your center, blinding and fiery,  
NOTE Confidence: 0.9301902

00:11:30.345 --> 00:11:32.520 which you are equally terrified  
NOTE Confidence: 0.9301902

00:11:32.520 --> 00:11:34.358 to hold and to lose.  
NOTE Confidence: 0.9301902

00:11:34.360 --> 00:11:35.840 Yes, I know, it haunts you,  
NOTE Confidence: 0.9301902

00:11:35.840 --> 00:11:37.480 The inevitable tumble towards heat,  
NOTE Confidence: 0.9301902

00:11:37.480 --> 00:11:39.958 death, every atom spinning out a flare.  
NOTE Confidence: 0.9301902

00:11:39.960 --> 00:11:42.996 You cannot recover, but you see,  
NOTE Confidence: 0.9301902

00:11:43.000 --> 00:11:44.158 you don't need to be afraid,  
NOTE Confidence: 0.9301902

00:11:44.160 --> 00:11:45.720 of growing old,  
NOTE Confidence: 0.9301902

00:11:45.720 --> 00:11:48.580 of slowing down the creatures that breathe  
NOTE Confidence: 0.9301902

00:11:48.580 --> 00:11:51.838 and walk in my hair and through my fingers,  
NOTE Confidence: 0.9301902

00:11:51.840 --> 00:11:54.300 the flowers that bloom.  
NOTE Confidence: 0.9301902

00:11:54.300 --> 00:11:55.620 Some things you need to  
NOTE Confidence: 0.9301902

00:11:55.620 --> 00:11:57.300 slow down for them to grow.

NOTE Confidence: 0.9301902

00:11:57.300 --> 00:11:59.502 Life is fragile and cannot withstand

NOTE Confidence: 0.9301902

00:11:59.502 --> 00:12:01.540 the blinding heat you are now.

NOTE Confidence: 0.9301902

00:12:01.540 --> 00:12:03.090 And though you may be a moment closer

NOTE Confidence: 0.9301902

00:12:03.090 --> 00:12:04.710 to the stillness that you fear,

NOTE Confidence: 0.9301902

00:12:04.710 --> 00:12:07.179 you may not find it to be an

NOTE Confidence: 0.9301902

00:12:07.179 --> 00:12:08.700 entirely undesirable thing.

NOTE Confidence: 0.9301902

00:12:08.700 --> 00:12:10.780 Because right now, my dear,

NOTE Confidence: 0.9301902

00:12:10.780 --> 00:12:13.500 you cannot even imagine the color green,

NOTE Confidence: 0.9301902

00:12:13.500 --> 00:12:15.614 and I cannot begin to describe it.

NOTE Confidence: 0.9301902

00:12:15.620 --> 00:12:17.936 You must see it for yourself.

NOTE Confidence: 0.9301902

00:12:17.940 --> 00:12:18.260 Thank you.

NOTE Confidence: 0.932706165

00:12:32.580 --> 00:12:34.900 You so much Anna Okay.

NOTE Confidence: 0.932706165

00:12:34.900 --> 00:12:37.420 Our next reader will be Hannah May

NOTE Confidence: 0.95031714

00:12:40.900 --> 00:12:43.499 1st place First place Prose Winner

NOTE Confidence: 0.95031714

00:12:43.499 --> 00:12:45.830 and she will be reading her piece

NOTE Confidence: 0.95031714

00:12:45.902 --> 00:12:48.046 called The Donor and Daycare and she  
NOTE Confidence: 0.95031714

00:12:48.046 --> 00:12:49.844 also had a piece awarded an honorable  
NOTE Confidence: 0.95031714

00:12:49.844 --> 00:12:52.052 mention in prose called North Country.  
NOTE Confidence: 0.9402536

00:13:03.060 --> 00:13:05.300 Thank you. When  
NOTE Confidence: 0.90612655

00:13:05.300 --> 00:13:07.124 I drop my daughter off at daycare in  
NOTE Confidence: 0.90612655

00:13:07.124 --> 00:13:09.180 the morning, dressed in blue scrubs,  
NOTE Confidence: 0.90612655

00:13:09.180 --> 00:13:10.566 I must look like I'm I'm on  
NOTE Confidence: 0.90612655

00:13:10.566 --> 00:13:12.099 my way to save a few lives.  
NOTE Confidence: 0.90612655

00:13:12.100 --> 00:13:13.740 At the nearby hospital,  
NOTE Confidence: 0.90612655

00:13:13.740 --> 00:13:15.880 I waved bye bye to the babies and teachers,  
NOTE Confidence: 0.90612655

00:13:15.880 --> 00:13:17.511 smiling as I go.  
NOTE Confidence: 0.90612655

00:13:17.511 --> 00:13:20.020 A few hours later, I'm up to my elbows,  
NOTE Confidence: 0.90612655

00:13:20.020 --> 00:13:21.623 digging around in a cold, dead body.  
NOTE Confidence: 0.90612655

00:13:21.623 --> 00:13:22.592 This is anatomy.  
NOTE Confidence: 0.90612655

00:13:22.592 --> 00:13:25.020 I take the scalpel or the scissors  
NOTE Confidence: 0.90612655

00:13:25.020 --> 00:13:27.095 and slice through some skin,

NOTE Confidence: 0.90612655  
00:13:27.100 --> 00:13:28.018 some connective tissue.  
NOTE Confidence: 0.90612655  
00:13:28.018 --> 00:13:30.073 But often it is easier to just  
NOTE Confidence: 0.90612655  
00:13:30.073 --> 00:13:33.060 take my hand and blunt, dissect.  
NOTE Confidence: 0.90612655  
00:13:33.060 --> 00:13:35.058 My gloves become slick with fluid,  
NOTE Confidence: 0.90612655  
00:13:35.060 --> 00:13:36.916 so much so that I have to change  
NOTE Confidence: 0.90612655  
00:13:36.916 --> 00:13:38.300 the midway through the lab.  
NOTE Confidence: 0.90612655  
00:13:38.300 --> 00:13:39.944 I cut and pick off that  
NOTE Confidence: 0.90612655  
00:13:39.944 --> 00:13:41.380 hair Things on my way,  
NOTE Confidence: 0.90612655  
00:13:41.380 --> 00:13:42.940 throw them in the bowl.  
NOTE Confidence: 0.90612655  
00:13:42.940 --> 00:13:44.566 The air is thick with the  
NOTE Confidence: 0.90612655  
00:13:44.566 --> 00:13:45.379 smell of formaldehyde,  
NOTE Confidence: 0.90612655  
00:13:45.380 --> 00:13:46.555 and in the background there  
NOTE Confidence: 0.90612655  
00:13:46.555 --> 00:13:48.499 is the sound of the saw.  
NOTE Confidence: 0.90612655  
00:13:48.500 --> 00:13:50.378 My team and I joke around.  
NOTE Confidence: 0.90612655  
00:13:50.380 --> 00:13:52.204 Listen to reggae tone Pause to  
NOTE Confidence: 0.90612655

00:13:52.204 --> 00:13:53.420 compare the pretty illustrations  
NOTE Confidence: 0.90612655

00:13:53.476 --> 00:13:55.100 on the computer to the colorless  
NOTE Confidence: 0.90612655

00:13:55.100 --> 00:13:57.076 structures in front of us.  
NOTE Confidence: 0.90612655

00:13:57.076 --> 00:13:58.846 This must be the superior  
NOTE Confidence: 0.90612655

00:13:58.846 --> 00:14:00.739 mesenteric artery My friend says  
NOTE Confidence: 0.90612655

00:14:00.740 --> 00:14:02.370 it can't be and my other teammate  
NOTE Confidence: 0.90612655

00:14:02.370 --> 00:14:03.380 says and they go back and  
NOTE Confidence: 0.9469625333333333

00:14:03.380 --> 00:14:04.898 forth for the next couple minutes.  
NOTE Confidence: 0.9301902

00:14:05.500 --> 00:14:07.558 When our time is up, we cover Bob,  
NOTE Confidence: 0.9301902

00:14:07.558 --> 00:14:09.720 our anatomy donor, in a thin sheet,  
NOTE Confidence: 0.9301902

00:14:09.720 --> 00:14:11.458 then a body bag, and then close  
NOTE Confidence: 0.9301902

00:14:11.458 --> 00:14:13.418 the metal table covers over him,  
NOTE Confidence: 0.9301902

00:14:13.420 --> 00:14:15.898 which never failed to make a harsh  
NOTE Confidence: 0.9301902

00:14:15.898 --> 00:14:18.438 loud noise as they bang together.  
NOTE Confidence: 0.9301902

00:14:18.440 --> 00:14:20.640 In the lab, I wash my hands and forearms  
NOTE Confidence: 0.9301902

00:14:20.640 --> 00:14:22.599 like I'm scrubbing into a surgery,

NOTE Confidence: 0.9301902

00:14:22.600 --> 00:14:24.670 rinse my hands a couple more times in the

NOTE Confidence: 0.9301902

00:14:24.670 --> 00:14:26.480 bathroom before I leave the building,

NOTE Confidence: 0.9301902

00:14:26.480 --> 00:14:27.800 and then sanitize my hands

NOTE Confidence: 0.9301902

00:14:27.800 --> 00:14:29.640 in the car for good measure.

NOTE Confidence: 0.9301902

00:14:29.640 --> 00:14:31.800 At home, I throw my scrubs in the laundry and

NOTE Confidence: 0.9301902

00:14:31.848 --> 00:14:34.400 jump in the shower as quickly as possible.

NOTE Confidence: 0.9301902

00:14:34.400 --> 00:14:35.404 Everything else can wait.

NOTE Confidence: 0.9301902

00:14:35.404 --> 00:14:38.132 I've got to get the dead off of me.

NOTE Confidence: 0.9301902

00:14:38.132 --> 00:14:39.552 Only after this ritualistic

NOTE Confidence: 0.9301902

00:14:39.552 --> 00:14:41.680 cleaning can I pick up my daughter.

NOTE Confidence: 0.9301902

00:14:41.680 --> 00:14:43.300 When the daycare director asks

NOTE Confidence: 0.9301902

00:14:43.300 --> 00:14:45.078 How is your day? I think.

NOTE Confidence: 0.9301902

00:14:45.078 --> 00:14:46.512 What would she say if she

NOTE Confidence: 0.9301902

00:14:46.512 --> 00:14:47.970 knew what I had done today?

NOTE Confidence: 0.9301902

00:14:47.970 --> 00:14:49.962 Here there are bright colors and

NOTE Confidence: 0.9301902

00:14:49.962 --> 00:14:52.090 sweet baby smells and cute voices.

NOTE Confidence: 0.9301902

00:14:52.090 --> 00:14:53.665 I hug my daughter close to me

NOTE Confidence: 0.9301902

00:14:53.665 --> 00:14:55.754 and she is warm, tiny, alive.

NOTE Confidence: 0.9301902

00:14:55.754 --> 00:14:57.930 She's nothing like Bob.

NOTE Confidence: 0.9301902

00:14:57.930 --> 00:14:59.694 She cries when I try to wipe her nose

NOTE Confidence: 0.9301902

00:14:59.694 --> 00:15:01.672 and smiles when I give her a kiss.

NOTE Confidence: 0.9301902

00:15:01.672 --> 00:15:04.129 But of course she is like Bob.

NOTE Confidence: 0.9301902

00:15:04.130 --> 00:15:05.650 She has the same organs.

NOTE Confidence: 0.9301902

00:15:05.650 --> 00:15:08.158 Somewhere in her compact body there's

NOTE Confidence: 0.9301902

00:15:08.158 --> 00:15:10.330 there's a superior mesenteric artery.

NOTE Confidence: 0.9301902

00:15:10.330 --> 00:15:11.606 My daughter's pediatrician has

NOTE Confidence: 0.9301902

00:15:11.606 --> 00:15:13.900 said babies are fun because you can

NOTE Confidence: 0.9301902

00:15:13.900 --> 00:15:15.530 feel everything in their abdomens.

NOTE Confidence: 0.9301902

00:15:15.530 --> 00:15:17.330 I had even tried myself after

NOTE Confidence: 0.9301902

00:15:17.330 --> 00:15:17.930 the appointment,

NOTE Confidence: 0.9301902

00:15:17.930 --> 00:15:19.290 pushing on my daughter's belly,

NOTE Confidence: 0.9301902

00:15:19.290 --> 00:15:20.890 feeling for her intestines,

NOTE Confidence: 0.9301902

00:15:20.890 --> 00:15:23.782 but I just made her laugh one time.

NOTE Confidence: 0.9301902

00:15:23.782 --> 00:15:25.258 I didn't have the chance to

NOTE Confidence: 0.9301902

00:15:25.258 --> 00:15:26.834 shower or change between anatomy

NOTE Confidence: 0.9301902

00:15:26.834 --> 00:15:28.210 lab and daycare pickup,

NOTE Confidence: 0.9301902

00:15:28.210 --> 00:15:30.401 and I felt like I contaminated everything

NOTE Confidence: 0.9301902

00:15:30.401 --> 00:15:32.448 and everyone in the daycare center.

NOTE Confidence: 0.9301902

00:15:32.450 --> 00:15:33.224 Several months before,

NOTE Confidence: 0.9301902

00:15:33.224 --> 00:15:35.622 my friend told me she had to reschedule a

NOTE Confidence: 0.9301902

00:15:35.622 --> 00:15:37.766 date with my daughter and me because she

NOTE Confidence: 0.9301902

00:15:37.823 --> 00:15:39.848 had to go to a funeral earlier that day.

NOTE Confidence: 0.9301902

00:15:39.850 --> 00:15:41.243 I don't want to visit a baby

NOTE Confidence: 0.9301902

00:15:41.243 --> 00:15:42.770 the same day I'm at a cemetery,

NOTE Confidence: 0.9301902

00:15:42.770 --> 00:15:44.386 you know, she said.

NOTE Confidence: 0.9301902

00:15:44.386 --> 00:15:46.992 I did know, but there I was,

NOTE Confidence: 0.9301902

00:15:46.992 --> 00:15:48.036 crossing that line.  
NOTE Confidence: 0.9301902

00:15:48.040 --> 00:15:49.216 I didn't want the babies to  
NOTE Confidence: 0.9301902

00:15:49.216 --> 00:15:50.320 come close to my shoes,  
NOTE Confidence: 0.9301902

00:15:50.320 --> 00:15:52.060 which had perhaps caught a  
NOTE Confidence: 0.9301902

00:15:52.060 --> 00:15:54.160 drop of fluid from the lab.  
NOTE Confidence: 0.9301902

00:15:54.160 --> 00:15:55.012 Because in truth,  
NOTE Confidence: 0.9301902

00:15:55.012 --> 00:15:56.432 the harsher thought is that  
NOTE Confidence: 0.9301902

00:15:56.432 --> 00:15:58.239 Bob was like my daughter once,  
NOTE Confidence: 0.9301902

00:15:58.240 --> 00:15:59.872 this old person whose face I  
NOTE Confidence: 0.9301902

00:15:59.872 --> 00:16:00.960 like to keep covered,  
NOTE Confidence: 0.9301902

00:16:00.960 --> 00:16:02.640 whose tissue I pride apart,  
NOTE Confidence: 0.9301902

00:16:02.640 --> 00:16:04.836 whose heart I had cut out of his body,  
NOTE Confidence: 0.9301902

00:16:04.840 --> 00:16:07.160 was born a baby, had grown up into a boy,  
NOTE Confidence: 0.9301902

00:16:07.160 --> 00:16:09.272 became a man who likely had  
NOTE Confidence: 0.9301902

00:16:09.272 --> 00:16:10.680 children of his own.  
NOTE Confidence: 0.9301902

00:16:10.680 --> 00:16:12.760 It's easier to keep the two separated,

NOTE Confidence: 0.9301902  
00:16:12.760 --> 00:16:13.430 old, young,  
NOTE Confidence: 0.9301902  
00:16:13.430 --> 00:16:14.100 alive, dead.  
NOTE Confidence: 0.9301902  
00:16:14.100 --> 00:16:15.440 But sometimes there's no  
NOTE Confidence: 0.9301902  
00:16:15.440 --> 00:16:17.287 option but to span that bridge.  
NOTE Confidence: 0.9301902  
00:16:17.930 --> 00:16:18.330 Thank you  
NOTE Confidence: 0.896741028571429  
00:16:35.520 --> 00:16:38.520 Okay. And our next presenter  
NOTE Confidence: 0.896741028571429  
00:16:38.520 --> 00:16:41.560 is Brooks Lightner.  
NOTE Confidence: 0.896741028571429  
00:16:41.560 --> 00:16:43.996 And Brooks One Second Fries in Art.  
NOTE Confidence: 0.896741028571429  
00:16:44.000 --> 00:16:46.835 And this piece is called Intensive Care,  
NOTE Confidence: 0.896741028571429  
00:16:46.840 --> 00:16:47.794 and you can see it over  
NOTE Confidence: 0.896741028571429  
00:16:47.794 --> 00:16:48.760 there or on the screen.  
NOTE Confidence: 0.944566485714286  
00:16:56.330 --> 00:16:58.532 Thanks everybody for coming and thanks  
NOTE Confidence: 0.944566485714286  
00:16:58.532 --> 00:17:01.375 a lot to the organizers for having  
NOTE Confidence: 0.944566485714286  
00:17:01.375 --> 00:17:03.790 us so my piece is called intensive  
NOTE Confidence: 0.944566485714286  
00:17:03.790 --> 00:17:06.404 care and so I just wrote something  
NOTE Confidence: 0.944566485714286

00:17:06.404 --> 00:17:08.846 small so I don't just Ramble.  
NOTE Confidence: 0.944566485714286

00:17:08.850 --> 00:17:10.875 Modern medicine has enabled us to  
NOTE Confidence: 0.944566485714286

00:17:10.875 --> 00:17:12.835 prolong life, and prevent mortality  
NOTE Confidence: 0.944566485714286

00:17:12.835 --> 00:17:15.010 in settings of extreme illness.  
NOTE Confidence: 0.944566485714286

00:17:15.010 --> 00:17:17.425 As I observe patients in the surgical  
NOTE Confidence: 0.944566485714286

00:17:17.425 --> 00:17:19.213 and medical intensive care units  
NOTE Confidence: 0.944566485714286

00:17:19.213 --> 00:17:20.928 during my 3rd year clerkships.  
NOTE Confidence: 0.944566485714286

00:17:20.930 --> 00:17:24.310 I saw medicines machines lines.  
NOTE Confidence: 0.944566485714286

00:17:24.310 --> 00:17:26.590 And more that took over every  
NOTE Confidence: 0.944566485714286

00:17:26.590 --> 00:17:28.543 critical bodily function of our  
NOTE Confidence: 0.944566485714286

00:17:28.543 --> 00:17:30.739 patients with the goal of supporting  
NOTE Confidence: 0.944566485714286

00:17:30.739 --> 00:17:33.260 the ability to treat the underlying  
NOTE Confidence: 0.944566485714286

00:17:33.260 --> 00:17:34.628 causes like infections, trauma.  
NOTE Confidence: 0.944566485714286

00:17:34.628 --> 00:17:37.127 And as I looked at these patients hooked  
NOTE Confidence: 0.944566485714286

00:17:37.127 --> 00:17:39.199 up to these machines in the settings  
NOTE Confidence: 0.944566485714286

00:17:39.199 --> 00:17:41.362 of intensive care, I had many thoughts.

NOTE Confidence: 0.944566485714286

00:17:41.362 --> 00:17:43.641 Will they ever return to the same

NOTE Confidence: 0.944566485714286

00:17:43.641 --> 00:17:45.986 quality of life they had before this?

NOTE Confidence: 0.944566485714286

00:17:45.990 --> 00:17:48.720 Are these machines truly temporary

NOTE Confidence: 0.944566485714286

00:17:48.720 --> 00:17:50.904 extensions of human Physiology?

NOTE Confidence: 0.944566485714286

00:17:50.910 --> 00:17:52.030 Like many patients families,

NOTE Confidence: 0.944566485714286

00:17:52.030 --> 00:17:55.746 I thought, how much does all this cost?

NOTE Confidence: 0.944566485714286

00:17:55.750 --> 00:17:57.268 As I worked on intensive care,

NOTE Confidence: 0.944566485714286

00:17:57.270 --> 00:17:59.214 I wanted to depict the interconnectedness

NOTE Confidence: 0.944566485714286

00:17:59.214 --> 00:18:00.990 of all of our organs,

NOTE Confidence: 0.944566485714286

00:18:00.990 --> 00:18:02.940 but also the extension of the

NOTE Confidence: 0.944566485714286

00:18:02.940 --> 00:18:04.754 vessels that connect our organs

NOTE Confidence: 0.944566485714286

00:18:04.754 --> 00:18:06.107 to intricate machinery.

NOTE Confidence: 0.944566485714286

00:18:06.110 --> 00:18:06.548 Ultimately,

NOTE Confidence: 0.944566485714286

00:18:06.548 --> 00:18:08.738 I found myself truly envisioning

NOTE Confidence: 0.944566485714286

00:18:08.738 --> 00:18:11.053 the lines blurring between natural

NOTE Confidence: 0.944566485714286

00:18:11.053 --> 00:18:13.029 and artificial human Physiology.  
NOTE Confidence: 0.944566485714286

00:18:13.030 --> 00:18:14.770 I hope that this portrayal of  
NOTE Confidence: 0.944566485714286

00:18:14.770 --> 00:18:15.930 intensive care evokes similar  
NOTE Confidence: 0.944566485714286

00:18:15.982 --> 00:18:17.308 feelings that I had of awe,  
NOTE Confidence: 0.944566485714286

00:18:17.310 --> 00:18:18.062 uncertainty,  
NOTE Confidence: 0.944566485714286

00:18:18.062 --> 00:18:20.318 and even uneasiness.  
NOTE Confidence: 0.944566485714286

00:18:20.320 --> 00:18:22.360 When I was helping perform  
NOTE Confidence: 0.944566485714286

00:18:22.360 --> 00:18:24.400 neurological exams on my neurology  
NOTE Confidence: 0.944566485714286

00:18:24.475 --> 00:18:26.398 consult service in the ICU.  
NOTE Confidence: 0.9603804

00:18:27.400 --> 00:18:27.880 Thanks.  
NOTE Confidence: 0.93382515

00:18:46.960 --> 00:18:49.036 Hey, thank you, Brooks.  
NOTE Confidence: 0.93382515

00:18:49.036 --> 00:18:53.880 And our next reader will be Ryan Sutherland.  
NOTE Confidence: 0.93382515

00:18:53.880 --> 00:18:58.278 And Ryan will be reading three poems.  
NOTE Confidence: 0.93382515

00:18:58.280 --> 00:19:00.919 He won second place in the poetry.  
NOTE Confidence: 0.93382515

00:19:00.920 --> 00:19:01.560 Competition.  
NOTE Confidence: 0.93382515

00:19:01.560 --> 00:19:03.450 And two of his other poems

NOTE Confidence: 0.93382515

00:19:03.450 --> 00:19:05.440 awarded honorable mentions memory,

NOTE Confidence: 0.93382515

00:19:05.440 --> 00:19:06.919 Rain, and mortality.

NOTE Confidence: 0.913043805714286

00:19:12.480 --> 00:19:13.915 So I have a thing about fruit.

NOTE Confidence: 0.913043805714286

00:19:13.920 --> 00:19:15.236 I think it's because I'm from Florida,

NOTE Confidence: 0.913043805714286

00:19:15.240 --> 00:19:16.640 so tropical fruit, just like,

NOTE Confidence: 0.913043805714286

00:19:16.640 --> 00:19:19.238 comes into my poems a lot.

NOTE Confidence: 0.913043805714286

00:19:19.240 --> 00:19:22.649 I also read a lot of like.

NOTE Confidence: 0.913043805714286

00:19:22.650 --> 00:19:25.415 Well, have you read the poem Persimmons

NOTE Confidence: 0.913043805714286

00:19:25.415 --> 00:19:27.245 by Lee Young Lee and stuff like that?

NOTE Confidence: 0.913043805714286

00:19:27.250 --> 00:19:28.720 I I went through a persimmons

NOTE Confidence: 0.913043805714286

00:19:28.720 --> 00:19:30.209 phase and really enjoyed that poem,

NOTE Confidence: 0.913043805714286

00:19:30.210 --> 00:19:31.650 so check it out if you didn't get a chance.

NOTE Confidence: 0.913043805714286

00:19:31.650 --> 00:19:35.208 But anyway, this one's called Memory.

NOTE Confidence: 0.913043805714286

00:19:35.210 --> 00:19:38.689 It's about that time the mangoes ripen.

NOTE Confidence: 0.913043805714286

00:19:38.690 --> 00:19:39.838 The memory is faded.

NOTE Confidence: 0.913043805714286

00:19:39.838 --> 00:19:42.331 I cut my hands in the shape to  
NOTE Confidence: 0.913043805714286

00:19:42.331 --> 00:19:44.086 try and remember the flesh,  
NOTE Confidence: 0.913043805714286

00:19:44.090 --> 00:19:46.370 the taste, the taste,  
NOTE Confidence: 0.913043805714286

00:19:46.370 --> 00:19:50.769 the flesh to try and remember I cut my hands.  
NOTE Confidence: 0.913043805714286

00:19:50.770 --> 00:19:52.726 When I to remember your shape,  
NOTE Confidence: 0.913043805714286

00:19:52.730 --> 00:19:54.050 when the flesh has been eaten,  
NOTE Confidence: 0.913043805714286

00:19:54.050 --> 00:19:55.070 the memory ripens.  
NOTE Confidence: 0.913043805714286

00:19:55.070 --> 00:19:58.786 When only the pit remains, I think about you.  
NOTE Confidence: 0.913043805714286

00:19:58.786 --> 00:20:01.810 So that was memory.  
NOTE Confidence: 0.913043805714286

00:20:01.810 --> 00:20:02.650 And then rain.  
NOTE Confidence: 0.913043805714286

00:20:02.650 --> 00:20:04.330 I was just sort of like,  
NOTE Confidence: 0.913043805714286

00:20:04.330 --> 00:20:07.410 I think I was like in England and  
NOTE Confidence: 0.913043805714286

00:20:07.410 --> 00:20:09.470 honestly like that country is just  
NOTE Confidence: 0.913043805714286

00:20:09.470 --> 00:20:11.090 like completely all all the time.  
NOTE Confidence: 0.913043805714286

00:20:11.090 --> 00:20:12.610 It just was like nonstop.  
NOTE Confidence: 0.913043805714286

00:20:12.610 --> 00:20:14.220 And I think I didn't leave the

NOTE Confidence: 0.913043805714286

00:20:14.220 --> 00:20:15.650 the my apartment for like days.

NOTE Confidence: 0.913043805714286

00:20:15.650 --> 00:20:16.810 And

NOTE Confidence: 0.93186738

00:20:15.770 --> 00:20:16.809 I was like, you know what, I'm just going

NOTE Confidence: 0.925545561

00:20:16.810 --> 00:20:18.058 to write a poem about rain and think

NOTE Confidence: 0.925545561

00:20:18.058 --> 00:20:21.690 about it, you know, some way, but.

NOTE Confidence: 0.925545561

00:20:21.690 --> 00:20:24.230 Rain shimmering,

NOTE Confidence: 0.925545561

00:20:24.230 --> 00:20:27.002 cloudbursts plummeting to earth.

NOTE Confidence: 0.925545561

00:20:27.002 --> 00:20:30.398 Wind tossed each a divine revelation

NOTE Confidence: 0.925545561

00:20:30.398 --> 00:20:33.083 spilling from distant sky fountains.

NOTE Confidence: 0.925545561

00:20:33.090 --> 00:20:35.170 See them, see them,

NOTE Confidence: 0.925545561

00:20:35.170 --> 00:20:38.502 see them spinning through endless blueness.

NOTE Confidence: 0.925545561

00:20:38.502 --> 00:20:41.600 So many. The universe is just one big

NOTE Confidence: 0.925545561

00:20:41.600 --> 00:20:44.420 \*\*\*\*\* soap opera. Can you believe it?

NOTE Confidence: 0.925545561

00:20:44.420 --> 00:20:46.580 Just yesterday I was mouth egaping,

NOTE Confidence: 0.925545561

00:20:46.580 --> 00:20:48.360 yawning into thunderous Infinity,

NOTE Confidence: 0.925545561

00:20:48.360 --> 00:20:51.140 when a humble, wet piece of heaven  
NOTE Confidence: 0.925545561

00:20:51.140 --> 00:20:53.300 struck me square on the cheek.  
NOTE Confidence: 0.925545561

00:20:53.300 --> 00:20:55.812 Sky kissed, I thought,  
NOTE Confidence: 0.925545561

00:20:55.812 --> 00:20:57.696 marveling and melancholic,  
NOTE Confidence: 0.925545561

00:20:57.700 --> 00:21:01.174 wondering why the rain makes us feel so sad?  
NOTE Confidence: 0.925545561

00:21:01.180 --> 00:21:03.574 Are we sad because it falls from the sky?  
NOTE Confidence: 0.925545561

00:21:03.580 --> 00:21:05.628 Each drop the cloud? Orphan.  
NOTE Confidence: 0.925545561

00:21:05.628 --> 00:21:09.180 Alone. Alone. Alone. Alone.  
NOTE Confidence: 0.925545561

00:21:09.180 --> 00:21:11.946 Alone. Or because it's swarms it,  
NOTE Confidence: 0.925545561

00:21:11.950 --> 00:21:13.606 Or because it's swarming orbs glide  
NOTE Confidence: 0.925545561

00:21:13.606 --> 00:21:15.429 into our eyes like summer flies?  
NOTE Confidence: 0.925545561

00:21:15.430 --> 00:21:17.230 Nostalgia.  
NOTE Confidence: 0.925545561

00:21:17.230 --> 00:21:19.582 Or do its beads remind us of their  
NOTE Confidence: 0.925545561

00:21:19.582 --> 00:21:21.504 salty cousins who sometimes visit  
NOTE Confidence: 0.925545561

00:21:21.504 --> 00:21:23.188 our cheeks after heartbreak?  
NOTE Confidence: 0.925545561

00:21:23.190 --> 00:21:24.822 Or skinned knees,

NOTE Confidence: 0.925545561

00:21:24.822 --> 00:21:27.131 gentle pairs that outline each

NOTE Confidence: 0.925545561

00:21:27.131 --> 00:21:29.573 constellation of our being before cresting

NOTE Confidence: 0.925545561

00:21:29.573 --> 00:21:32.695 on our nose tips and tumbling into oblivion.

NOTE Confidence: 0.925545561

00:21:32.700 --> 00:21:35.017 Or because seeing anything fall so far,

NOTE Confidence: 0.925545561

00:21:35.020 --> 00:21:36.658 a piece of heaven falling to earth,

NOTE Confidence: 0.925545561

00:21:36.660 --> 00:21:38.856 makes us think of tumbling Icarus,

NOTE Confidence: 0.925545561

00:21:38.860 --> 00:21:40.288 sunburnt and screaming,

NOTE Confidence: 0.925545561

00:21:40.288 --> 00:21:43.620 stupid because his dreams were too grand,

NOTE Confidence: 0.925545561

00:21:43.620 --> 00:21:45.700 too ambitious.

NOTE Confidence: 0.925545561

00:21:45.700 --> 00:21:47.608 But perhaps we are sad because

NOTE Confidence: 0.925545561

00:21:47.608 --> 00:21:49.779 the rain reminds us of ourselves.

NOTE Confidence: 0.925545561

00:21:49.780 --> 00:21:53.294 Fragile, sentient specks on a single space,

NOTE Confidence: 0.925545561

00:21:53.300 --> 00:21:55.133 Pearl thrown irreverently,

NOTE Confidence: 0.925545561

00:21:55.133 --> 00:21:57.577 bang across an acre,

NOTE Confidence: 0.925545561

00:21:57.580 --> 00:21:59.776 skies colliding, dividing.

NOTE Confidence: 0.925545561

00:21:59.776 --> 00:22:02.300 Life battered, current suede,  
NOTE Confidence: 0.925545561

00:22:02.300 --> 00:22:03.360 sometimes alone.  
NOTE Confidence: 0.925545561

00:22:03.360 --> 00:22:06.540 Sometimes oceans get all effaced from  
NOTE Confidence: 0.925545561

00:22:06.625 --> 00:22:09.235 the same wet womb called universe.  
NOTE Confidence: 0.925545561

00:22:09.240 --> 00:22:11.160 Say her name. Say her name.  
NOTE Confidence: 0.925545561

00:22:11.160 --> 00:22:11.575 Louder.  
NOTE Confidence: 0.925545561

00:22:11.575 --> 00:22:12.405 Louder perhaps.  
NOTE Confidence: 0.925545561

00:22:12.405 --> 00:22:15.310 It's drops remind us of our aqueous  
NOTE Confidence: 0.925545561

00:22:15.390 --> 00:22:18.274 beginnings as tiny threads of star tinsel  
NOTE Confidence: 0.925545561

00:22:18.280 --> 00:22:21.556 floating \*\*\*\*\* merging in an amniotic void.  
NOTE Confidence: 0.925545561

00:22:21.560 --> 00:22:23.840 \*\*\*\* through time becoming  
NOTE Confidence: 0.925545561

00:22:23.840 --> 00:22:26.120 from nothing to something,  
NOTE Confidence: 0.925545561

00:22:26.120 --> 00:22:28.564 some things, someone, someone's.  
NOTE Confidence: 0.925545561

00:22:28.564 --> 00:22:31.008 Because down to earth,  
NOTE Confidence: 0.925545561

00:22:31.010 --> 00:22:33.890 like crystal moths or ticker tape,  
NOTE Confidence: 0.925545561

00:22:33.890 --> 00:22:35.750 rain must have mixed with moon

NOTE Confidence: 0.925545561  
00:22:35.750 --> 00:22:38.010 dust to make us millennia ago,  
NOTE Confidence: 0.925545561  
00:22:38.010 --> 00:22:40.446 so long ago, so long ago.  
NOTE Confidence: 0.925545561  
00:22:40.450 --> 00:22:42.786 Fish kin, sky brethren,  
NOTE Confidence: 0.925545561  
00:22:42.786 --> 00:22:43.370 waterborne.  
NOTE Confidence: 0.9352219  
00:22:46.050 --> 00:22:49.310 The last one is a little bit fun,  
NOTE Confidence: 0.9352219  
00:22:49.310 --> 00:22:51.810 but it's it's called mortality.  
NOTE Confidence: 0.9352219  
00:22:51.810 --> 00:22:52.786 Unmute this. Let's see,  
NOTE Confidence: 0.9352219  
00:22:52.786 --> 00:22:54.006 should I mute that There.  
NOTE Confidence: 0.68088625  
00:23:05.360 --> 00:23:07.080 Again. OK, perfect.  
NOTE Confidence: 0.925626305454545  
00:23:07.800 --> 00:23:09.000 So this one I I was thinking about  
NOTE Confidence: 0.925626305454545  
00:23:09.000 --> 00:23:10.272 like a Billy Collins poem after it  
NOTE Confidence: 0.925626305454545  
00:23:10.272 --> 00:23:12.584 when I was reading writing this one,  
NOTE Confidence: 0.925626305454545  
00:23:12.584 --> 00:23:15.200 but also thinking about getting older.  
NOTE Confidence: 0.925626305454545  
00:23:15.200 --> 00:23:16.480 I I just turned 29.  
NOTE Confidence: 0.925626305454545  
00:23:16.480 --> 00:23:17.494 So you know it's part of  
NOTE Confidence: 0.925626305454545

00:23:17.494 --> 00:23:18.560 the part of the package,  
NOTE Confidence: 0.925626305454545  
00:23:18.560 --> 00:23:20.720 but it's called mortality.  
NOTE Confidence: 0.93773775  
00:23:22.600 --> 00:23:23.920 I got an advertisement  
NOTE Confidence: 0.944726222222222  
00:23:23.920 --> 00:23:26.830 today in the mail for  
NOTE Confidence: 0.944726222222222  
00:23:26.830 --> 00:23:29.158 preplanning my own cremation.  
NOTE Confidence: 0.944726222222222  
00:23:29.160 --> 00:23:31.104 It said there was a free lunch at  
NOTE Confidence: 0.944726222222222  
00:23:31.104 --> 00:23:32.661 a fancy restaurant to convince  
NOTE Confidence: 0.944726222222222  
00:23:32.661 --> 00:23:34.677 me to think about my demise.  
NOTE Confidence: 0.944726222222222  
00:23:34.680 --> 00:23:37.713 I hadn't eaten yet downtown where  
NOTE Confidence: 0.944726222222222  
00:23:37.713 --> 00:23:39.591 anyone could hear about the benefits  
NOTE Confidence: 0.944726222222222  
00:23:39.591 --> 00:23:41.320 of planning their own cremation,  
NOTE Confidence: 0.944726222222222  
00:23:41.320 --> 00:23:44.158 an affordable option to become dust.  
NOTE Confidence: 0.944726222222222  
00:23:44.160 --> 00:23:46.230 I think I might go and plan my own  
NOTE Confidence: 0.944726222222222  
00:23:46.230 --> 00:23:48.080 cremation and see what is at the buffet.  
NOTE Confidence: 0.944726222222222  
00:23:48.080 --> 00:23:50.068 Life is sometimes long,  
NOTE Confidence: 0.944726222222222  
00:23:50.068 --> 00:23:52.553 but sometimes it is short,

NOTE Confidence: 0.94472622222222

00:23:52.560 --> 00:23:54.480 and it seems like a good thing to

NOTE Confidence: 0.94472622222222

00:23:54.480 --> 00:23:56.358 do to think of what comes next.

NOTE Confidence: 0.94472622222222

00:23:56.360 --> 00:23:59.376 Combustion. I hope there is a salad bar.

NOTE Confidence: 0.94472622222222

00:23:59.380 --> 00:24:00.856 I wonder what heaven looks like.

NOTE Confidence: 0.94025373

00:24:27.040 --> 00:24:31.718 Okay. Thank you Ryan.

NOTE Confidence: 0.94025373

00:24:31.720 --> 00:24:34.412 You forgot your yeah, these are

NOTE Confidence: 0.94025373

00:24:34.412 --> 00:24:35.840 your this this big pile is yours.

NOTE Confidence: 0.864720098571429

00:24:39.880 --> 00:24:43.919 Okay. So Next up is Mary Pang,

NOTE Confidence: 0.864720098571429

00:24:43.920 --> 00:24:45.220 3rd place art winner.

NOTE Confidence: 0.864720098571429

00:24:45.220 --> 00:24:47.720 And this is called Art and Vision.

NOTE Confidence: 0.92012674

00:24:55.530 --> 00:24:58.320 Hi, my name is Mary Pay and I'm a second year

NOTE Confidence: 0.933290507083334

00:24:58.387 --> 00:25:00.319 MPH Master of Public Health student

NOTE Confidence: 0.933290507083334

00:25:00.319 --> 00:25:02.558 in the Department of Social and

NOTE Confidence: 0.933290507083334

00:25:02.558 --> 00:25:03.818 Behavioral Sciences. So yeah,

NOTE Confidence: 0.933290507083334

00:25:03.818 --> 00:25:05.290 thank you so much for having me here.

NOTE Confidence: 0.933290507083334

00:25:05.290 --> 00:25:08.170 So these pieces, they are.  
NOTE Confidence: 0.933290507083334

00:25:08.170 --> 00:25:10.154 So they come from a study that I  
NOTE Confidence: 0.933290507083334

00:25:10.154 --> 00:25:12.315 created last year where basically I  
NOTE Confidence: 0.933290507083334

00:25:12.315 --> 00:25:13.923 interviewed and surveyed patients  
NOTE Confidence: 0.933290507083334

00:25:13.923 --> 00:25:15.652 with experiences of hallucinations  
NOTE Confidence: 0.933290507083334

00:25:15.652 --> 00:25:17.380 and mental health conditions.  
NOTE Confidence: 0.933290507083334

00:25:17.380 --> 00:25:19.088 And I just asked them to describe  
NOTE Confidence: 0.933290507083334

00:25:19.088 --> 00:25:20.780 their experiences, hallucination.  
NOTE Confidence: 0.933290507083334

00:25:20.780 --> 00:25:22.426 And I used my graphic design software  
NOTE Confidence: 0.933290507083334

00:25:22.426 --> 00:25:24.441 to recreate experiences to help  
NOTE Confidence: 0.933290507083334

00:25:24.441 --> 00:25:26.964 them explore and express, I guess,  
NOTE Confidence: 0.933290507083334

00:25:26.964 --> 00:25:29.196 their mental health conditions as well  
NOTE Confidence: 0.933290507083334

00:25:29.196 --> 00:25:31.164 as their, I guess, past experiences.  
NOTE Confidence: 0.933290507083334

00:25:31.164 --> 00:25:34.147 And I don't want to take away the agency  
NOTE Confidence: 0.933290507083334

00:25:34.147 --> 00:25:36.307 of the people whose experiences these  
NOTE Confidence: 0.933290507083334

00:25:36.307 --> 00:25:38.416 pieces were truly going to capture,

NOTE Confidence: 0.933290507083334

00:25:38.420 --> 00:25:40.820 because these were creative for them.

NOTE Confidence: 0.933290507083334

00:25:40.820 --> 00:25:42.283 And I didn't even see myself as

NOTE Confidence: 0.933290507083334

00:25:42.283 --> 00:25:43.379 the artist behind this work.

NOTE Confidence: 0.933290507083334

00:25:43.380 --> 00:25:44.166 In a way,

NOTE Confidence: 0.933290507083334

00:25:44.166 --> 00:25:46.510 I started think of myself as the medium.

NOTE Confidence: 0.933290507083334

00:25:46.510 --> 00:25:48.358 Between the patients and the

NOTE Confidence: 0.933290507083334

00:25:48.358 --> 00:25:50.368 experiences or the expressions of

NOTE Confidence: 0.933290507083334

00:25:50.368 --> 00:25:52.987 their experiences created for healing.

NOTE Confidence: 0.933290507083334

00:25:52.990 --> 00:25:53.560 So yeah,

NOTE Confidence: 0.933290507083334

00:25:53.560 --> 00:25:55.270 I guess they just really spoke

NOTE Confidence: 0.933290507083334

00:25:55.270 --> 00:25:57.350 to my passion for, I guess,

NOTE Confidence: 0.933290507083334

00:25:57.350 --> 00:25:59.390 breaking art in medicine and health.

NOTE Confidence: 0.933290507083334

00:25:59.390 --> 00:26:02.030 And I truly believe that artistic

NOTE Confidence: 0.933290507083334

00:26:02.030 --> 00:26:03.790 thinking and artistic strategies

NOTE Confidence: 0.933290507083334

00:26:03.866 --> 00:26:06.188 and interventions can have a huge

NOTE Confidence: 0.933290507083334

00:26:06.188 --> 00:26:08.268 role in promoting mental health  
NOTE Confidence: 0.933290507083334

00:26:08.268 --> 00:26:10.108 and just psychiatric conditions  
NOTE Confidence: 0.933290507083334

00:26:10.108 --> 00:26:11.948 and healing in general.  
NOTE Confidence: 0.933290507083334

00:26:11.950 --> 00:26:12.988 So yeah, I.  
NOTE Confidence: 0.933290507083334

00:26:12.988 --> 00:26:13.826 I mean,  
NOTE Confidence: 0.933290507083334

00:26:13.826 --> 00:26:15.921 I wrote descriptions for like  
NOTE Confidence: 0.933290507083334

00:26:15.921 --> 00:26:18.159 what each piece went like,  
NOTE Confidence: 0.933290507083334

00:26:18.160 --> 00:26:20.600 the description of everyone's experience.  
NOTE Confidence: 0.933290507083334

00:26:20.600 --> 00:26:23.156 But I guess I couldn't really show them here.  
NOTE Confidence: 0.933290507083334

00:26:23.160 --> 00:26:23.409 But.  
NOTE Confidence: 0.933290507083334

00:26:23.409 --> 00:26:25.401 And I was interested to see like the  
NOTE Confidence: 0.933290507083334

00:26:25.401 --> 00:26:27.400 actor description behind these pieces.  
NOTE Confidence: 0.933290507083334

00:26:27.400 --> 00:26:28.640 I just let me know.  
NOTE Confidence: 0.933290507083334

00:26:28.640 --> 00:26:30.754 I can send you like the website.  
NOTE Confidence: 0.933290507083334

00:26:30.760 --> 00:26:32.958 These are just seven out the 50  
NOTE Confidence: 0.933290507083334

00:26:32.958 --> 00:26:34.842 pieces I created because fifty

NOTE Confidence: 0.933290507083334

00:26:34.842 --> 00:26:38.080 people were enrolled in my study.

NOTE Confidence: 0.933290507083334

00:26:38.080 --> 00:26:40.717 So, yeah, thanks so much for having me here.

NOTE Confidence: 0.933290507083334

00:26:40.720 --> 00:26:41.638 Yeah, thank you.

NOTE Confidence: 0.9553487

00:27:00.130 --> 00:27:01.955 Everybody, everybody is forgetting to

NOTE Confidence: 0.9553487

00:27:01.955 --> 00:27:04.290 take their very special certificates.

NOTE Confidence: 0.88966506

00:27:10.370 --> 00:27:14.242 Okay. So I am happy to welcome back

NOTE Confidence: 0.88966506

00:27:14.242 --> 00:27:17.020 Matthew Ponticello who is going

NOTE Confidence: 0.88966506

00:27:17.020 --> 00:27:19.450 to read his 2nd place winning.

NOTE Confidence: 0.7721623

00:27:25.890 --> 00:27:28.889 Pros okay. Disenlightened inner child.

NOTE Confidence: 0.934503085714286

00:27:32.570 --> 00:27:34.565 I won't break out at this time.

NOTE Confidence: 0.934503085714286

00:27:34.570 --> 00:27:36.614 Thank you. Hi again, I'm Matt.

NOTE Confidence: 0.934503085714286

00:27:36.614 --> 00:27:37.622 I was unemployed. Introduce myself.

NOTE Confidence: 0.934503085714286

00:27:37.622 --> 00:27:39.810 I'm a first year, I'm DPHD student

NOTE Confidence: 0.933544666666667

00:27:40.410 --> 00:27:41.130 and the next

NOTE Confidence: 0.94276945

00:27:41.130 --> 00:27:42.210 thing I'm reading is

NOTE Confidence: 0.94427896

00:27:42.490 --> 00:27:45.476 under the category of pros and it  
NOTE Confidence: 0.94427896

00:27:45.476 --> 00:27:48.586 is called Disenlined Inner child.  
NOTE Confidence: 0.94427896

00:27:48.586 --> 00:27:49.750 And again I feel bad.  
NOTE Confidence: 0.94427896

00:27:49.750 --> 00:27:50.810 It's like a darker, sadder piece,  
NOTE Confidence: 0.94427896

00:27:50.810 --> 00:27:52.834 but it's from the perspective of  
NOTE Confidence: 0.94427896

00:27:52.834 --> 00:27:54.322 my best friend who passed away  
NOTE Confidence: 0.94427896

00:27:54.322 --> 00:27:55.768 from a substance use overdose.  
NOTE Confidence: 0.94427896

00:27:55.770 --> 00:27:57.278 And after she passed away,  
NOTE Confidence: 0.94427896

00:27:57.278 --> 00:27:58.363 there were certain moments of,  
NOTE Confidence: 0.94427896

00:27:58.370 --> 00:27:59.645 like me recollecting with people  
NOTE Confidence: 0.94427896

00:27:59.645 --> 00:28:00.920 from her family about what  
NOTE Confidence: 0.94427896

00:28:00.970 --> 00:28:02.398 was true and untrue about her  
NOTE Confidence: 0.94427896

00:28:02.398 --> 00:28:03.829 childhood that she shared with me  
NOTE Confidence: 0.94427896

00:28:03.829 --> 00:28:05.125 and different parts of her life.  
NOTE Confidence: 0.94427896

00:28:05.130 --> 00:28:05.885 So the story is called  
NOTE Confidence: 0.94427896

00:28:05.885 --> 00:28:06.489 Disenlighted in Her Child.

NOTE Confidence: 0.94427896

00:28:06.490 --> 00:28:07.468 So it's kind of like the

NOTE Confidence: 0.94427896

00:28:07.468 --> 00:28:08.305 inner monologue of her in

NOTE Confidence: 0.94427896

00:28:08.305 --> 00:28:09.169 her child as I imagine it.

NOTE Confidence: 0.94427896

00:28:09.170 --> 00:28:11.650 After she passed away.

NOTE Confidence: 0.94427896

00:28:11.650 --> 00:28:12.090 Okay

NOTE Confidence: 0.942266392

00:28:14.170 --> 00:28:16.010 mommy, the therapist asked me if anyone in

NOTE Confidence: 0.942266392

00:28:16.010 --> 00:28:18.087 my life had ever loved me unconditionally.

NOTE Confidence: 0.942266392

00:28:18.090 --> 00:28:19.265 I'm starting to make a

NOTE Confidence: 0.942266392

00:28:19.265 --> 00:28:20.205 list of potential options,

NOTE Confidence: 0.942266392

00:28:20.210 --> 00:28:22.290 and you're the first person I'm writing down.

NOTE Confidence: 0.942266392

00:28:22.290 --> 00:28:23.445 Not because I felt it from you,

NOTE Confidence: 0.942266392

00:28:23.450 --> 00:28:25.562 but because you told me that you were

NOTE Confidence: 0.942266392

00:28:25.562 --> 00:28:26.850 what unconditional love felt like.

NOTE Confidence: 0.942266392

00:28:26.850 --> 00:28:28.314 Now she's asking about the first

NOTE Confidence: 0.942266392

00:28:28.314 --> 00:28:29.290 time I had sex.

NOTE Confidence: 0.942266392

00:28:29.290 --> 00:28:30.762 She's asking because I told her I'm not  
NOTE Confidence: 0.942266392

00:28:30.762 --> 00:28:32.600 sure I ever knew what good sex felt like.  
NOTE Confidence: 0.942266392

00:28:32.600 --> 00:28:34.770 I think you took that for me when  
NOTE Confidence: 0.942266392

00:28:34.770 --> 00:28:36.010 you punished me for \*\*\*\*\*.  
NOTE Confidence: 0.942266392

00:28:36.010 --> 00:28:37.658 I was only five years old when I  
NOTE Confidence: 0.942266392

00:28:37.658 --> 00:28:38.715 learned pleasure and joy reserved  
NOTE Confidence: 0.942266392

00:28:38.715 --> 00:28:40.122 for a select few in this world,  
NOTE Confidence: 0.942266392

00:28:40.130 --> 00:28:41.768 and I was not one of them.  
NOTE Confidence: 0.942266392

00:28:41.770 --> 00:28:43.538 Thank you for coming into my room every  
NOTE Confidence: 0.942266392

00:28:43.538 --> 00:28:45.446 morning to make sure I wasn't \*\*\*\*\*.  
NOTE Confidence: 0.942266392

00:28:45.450 --> 00:28:48.522 That really drove the point home, Mommy,  
NOTE Confidence: 0.942266392

00:28:48.522 --> 00:28:50.394 When did I start having migraines?  
NOTE Confidence: 0.942266392

00:28:50.400 --> 00:28:51.960 We're talking about medication history now,  
NOTE Confidence: 0.942266392

00:28:51.960 --> 00:28:53.318 and I don't remember when they started,  
NOTE Confidence: 0.942266392

00:28:53.320 --> 00:28:55.152 only that I was in second grade and  
NOTE Confidence: 0.942266392

00:28:55.152 --> 00:28:56.642 screaming and crying and you had to

NOTE Confidence: 0.942266392

00:28:56.642 --> 00:28:58.520 come pick me up from my friend's house.

NOTE Confidence: 0.942266392

00:28:58.520 --> 00:28:59.598 How could I do this to her?

NOTE Confidence: 0.942266392

00:28:59.600 --> 00:29:00.760 Was all I could think.

NOTE Confidence: 0.942266392

00:29:00.760 --> 00:29:01.978 Meaning why was I such a burden

NOTE Confidence: 0.942266392

00:29:01.978 --> 00:29:02.840 to my own mother?

NOTE Confidence: 0.942266392

00:29:02.840 --> 00:29:05.187 Do you remember Cupcake Wars, Mommy?

NOTE Confidence: 0.942266392

00:29:05.187 --> 00:29:06.108 Those were fun.

NOTE Confidence: 0.942266392

00:29:06.108 --> 00:29:07.643 My friends would come over

NOTE Confidence: 0.942266392

00:29:07.643 --> 00:29:09.397 and we'd big cupcake towers.

NOTE Confidence: 0.942266392

00:29:09.400 --> 00:29:11.191 I always ask you to be the judge because

NOTE Confidence: 0.942266392

00:29:11.191 --> 00:29:13.200 you are so good at making things beautiful.

NOTE Confidence: 0.942266392

00:29:13.200 --> 00:29:14.760 The eggs you'd make for breakfast

NOTE Confidence: 0.942266392

00:29:14.760 --> 00:29:16.053 are Christmas cards you made

NOTE Confidence: 0.942266392

00:29:16.053 --> 00:29:17.545 by hand my whole life. Really.

NOTE Confidence: 0.942266392

00:29:17.545 --> 00:29:19.870 Also made by your hands.

NOTE Confidence: 0.942266392

00:29:19.870 --> 00:29:21.466 My life with you sparkled and shined.  
NOTE Confidence: 0.942266392

00:29:21.470 --> 00:29:22.295 It dripped gold.  
NOTE Confidence: 0.942266392

00:29:22.295 --> 00:29:23.945 Maybe that's why life after you  
NOTE Confidence: 0.942266392

00:29:23.945 --> 00:29:25.470 didn't pan out as we had hoped.  
NOTE Confidence: 0.942266392

00:29:25.470 --> 00:29:27.230 I needed adoration and adornment,  
NOTE Confidence: 0.942266392

00:29:27.230 --> 00:29:30.110 not broken hearted and stripped naked.  
NOTE Confidence: 0.942266392

00:29:30.110 --> 00:29:32.115 Mommy, the psychiatrist is using  
NOTE Confidence: 0.942266392

00:29:32.115 --> 00:29:34.430 words like bipolar and borderline now.  
NOTE Confidence: 0.942266392

00:29:34.430 --> 00:29:35.708 I'm not sure what they mean.  
NOTE Confidence: 0.942266392

00:29:35.710 --> 00:29:37.509 I don't know if I am bipolar.  
NOTE Confidence: 0.942266392

00:29:37.510 --> 00:29:38.746 When that man spread my legs,  
NOTE Confidence: 0.942266392

00:29:38.750 --> 00:29:40.586 it felt like he was splitting me in 2.  
NOTE Confidence: 0.942266392

00:29:40.590 --> 00:29:42.546 Is that what they're calling bipolar?  
NOTE Confidence: 0.942266392

00:29:42.550 --> 00:29:43.790 But that was just sex.  
NOTE Confidence: 0.942266392

00:29:43.790 --> 00:29:44.934 Or I'm sorry, rape.  
NOTE Confidence: 0.942266392

00:29:44.934 --> 00:29:46.650 I learned in my gender studies

NOTE Confidence: 0.942266392

00:29:46.707 --> 00:29:48.477 class that sex assumes consent.

NOTE Confidence: 0.942266392

00:29:48.480 --> 00:29:50.118 I don't think that consent was there.

NOTE Confidence: 0.942266392

00:29:50.120 --> 00:29:51.960 Was it? I'm not sure.

NOTE Confidence: 0.942266392

00:29:51.960 --> 00:29:54.074 Did I say man, I meant men.

NOTE Confidence: 0.942266392

00:29:54.080 --> 00:29:55.360 There was more than one.

NOTE Confidence: 0.942266392

00:29:55.360 --> 00:29:57.719 More than one man who raped me.

NOTE Confidence: 0.942266392

00:29:57.720 --> 00:29:59.478 Mommy, they're asking so many questions.

NOTE Confidence: 0.942266392

00:29:59.480 --> 00:30:00.542 I'm not anorexic.

NOTE Confidence: 0.942266392

00:30:00.542 --> 00:30:01.958 I just can't eat.

NOTE Confidence: 0.942266392

00:30:01.960 --> 00:30:03.290 It feels like sandpaper when

NOTE Confidence: 0.942266392

00:30:03.290 --> 00:30:04.354 I try to swallow.

NOTE Confidence: 0.942266392

00:30:04.360 --> 00:30:06.176 My therapist keeps asking me what they did

NOTE Confidence: 0.942266392

00:30:06.176 --> 00:30:08.437 to me and I can't bring myself to tell her.

NOTE Confidence: 0.942266392

00:30:08.440 --> 00:30:10.360 Saying it out loud will only

NOTE Confidence: 0.942266392

00:30:10.360 --> 00:30:11.640 make it more real.

NOTE Confidence: 0.942266392

00:30:11.640 --> 00:30:13.200 Mommy, you told me once that  
NOTE Confidence: 0.942266392

00:30:13.200 --> 00:30:14.240 I'm a parenting failure.  
NOTE Confidence: 0.942266392

00:30:14.240 --> 00:30:16.190 Is this what you meant?  
NOTE Confidence: 0.942266392

00:30:16.190 --> 00:30:17.582 Mommy, I'm so scared.  
NOTE Confidence: 0.942266392

00:30:17.582 --> 00:30:19.670 I didn't know it was fentanyl.  
NOTE Confidence: 0.942266392

00:30:19.670 --> 00:30:19.888 Mommy,  
NOTE Confidence: 0.942266392

00:30:19.888 --> 00:30:21.632 I told them that I wanted Xanax and  
NOTE Confidence: 0.942266392

00:30:21.632 --> 00:30:23.346 that Oxycontin gives me tummy aches.  
NOTE Confidence: 0.942266392

00:30:23.350 --> 00:30:24.175 That he insisted.  
NOTE Confidence: 0.942266392

00:30:24.175 --> 00:30:26.372 I was so sad that night because I  
NOTE Confidence: 0.942266392

00:30:26.372 --> 00:30:28.068 had a party and no one had come.  
NOTE Confidence: 0.92767435

00:30:28.070 --> 00:30:29.470 I was so alone.  
NOTE Confidence: 0.92767435

00:30:29.470 --> 00:30:31.610 I am so alone. Mommy, please.  
NOTE Confidence: 0.92767435

00:30:31.610 --> 00:30:33.350 I am so sorry and scared.  
NOTE Confidence: 0.92767435

00:30:33.350 --> 00:30:34.628 I didn't know it was fentanyl.  
NOTE Confidence: 0.92767435

00:30:34.630 --> 00:30:37.563 I am so afraid of dying. Mommy.

NOTE Confidence: 0.92767435

00:30:37.563 --> 00:30:38.828 It all happened so quick.

NOTE Confidence: 0.92767435

00:30:38.830 --> 00:30:41.746 I couldn't tell you which breath was my last.

NOTE Confidence: 0.92767435

00:30:41.750 --> 00:30:43.004 Mommy, there is no God on

NOTE Confidence: 0.92767435

00:30:43.004 --> 00:30:44.190 this side of the river.

NOTE Confidence: 0.92767435

00:30:44.190 --> 00:30:46.416 But my God, it is beautiful.

NOTE Confidence: 0.92767435

00:30:46.420 --> 00:30:48.100 I drink my coffee black here

NOTE Confidence: 0.92767435

00:30:48.100 --> 00:30:49.820 and it tastes like cinnamon.

NOTE Confidence: 0.92767435

00:30:49.820 --> 00:30:51.012 I can eat again,

NOTE Confidence: 0.92767435

00:30:51.012 --> 00:30:51.906 although nothing tastes

NOTE Confidence: 0.92767435

00:30:51.906 --> 00:30:53.620 as good as your cooking.

NOTE Confidence: 0.92767435

00:30:53.620 --> 00:30:53.900 Thank you.

NOTE Confidence: 0.9251585

00:31:22.860 --> 00:31:26.500 So as you can see, this next piece is

NOTE Confidence: 0.9251585

00:31:26.500 --> 00:31:29.300 called Suture and Stitch by Kayori Sattam,

NOTE Confidence: 0.9251585

00:31:29.300 --> 00:31:34.064 who won an honorable mention in art and

NOTE Confidence: 0.9251585

00:31:34.064 --> 00:31:36.340 who is somewhere far away at the moment.

NOTE Confidence: 0.9251585

00:31:36.340 --> 00:31:37.740 And so she sent me a paragraph  
NOTE Confidence: 0.9251585

00:31:37.740 --> 00:31:39.099 for me to read about it.  
NOTE Confidence: 0.9402536

00:31:42.220 --> 00:31:44.059 Much like embroidery requires  
NOTE Confidence: 0.9402536

00:31:44.060 --> 00:31:45.700 needle and thread, so does  
NOTE Confidence: 0.9402536

00:31:45.700 --> 00:31:47.340 surgery with needle and suture.  
NOTE Confidence: 0.93824092

00:31:48.120 --> 00:31:49.360 This piece is a femoral  
NOTE Confidence: 0.964693285714286

00:31:49.360 --> 00:31:50.920 artery Exposure embroidered.  
NOTE Confidence: 0.964693285714286

00:31:50.920 --> 00:31:53.466 The artistry of carefully placing  
NOTE Confidence: 0.964693285714286

00:31:53.466 --> 00:31:56.180 each stitch in the fabric aims to  
NOTE Confidence: 0.964693285714286

00:31:56.180 --> 00:31:57.960 parallel the careful sutures placed  
NOTE Confidence: 0.964693285714286

00:31:58.031 --> 00:32:00.155 by surgeons in the operating room.  
NOTE Confidence: 0.964693285714286

00:32:00.160 --> 00:32:01.640 Art and medicine intersect  
NOTE Confidence: 0.84817263

00:32:12.840 --> 00:32:17.122 Okay and next we have a Christina Igia.  
NOTE Confidence: 0.84817263

00:32:17.122 --> 00:32:19.534 Who will be reading her poem  
NOTE Confidence: 0.84817263

00:32:19.534 --> 00:32:21.560 in an American pandemic?  
NOTE Confidence: 0.950316938333333

00:32:35.550 --> 00:32:37.315 Hello everyone, my name is

NOTE Confidence: 0.950316938333333  
00:32:37.315 --> 00:32:38.630 Christina. I'm a second year  
NOTE Confidence: 0.94151144125  
00:32:38.990 --> 00:32:40.910 MPH student at the School of Public Health.  
NOTE Confidence: 0.93899560875  
00:32:41.830 --> 00:32:44.590 To give a little context for this poem,  
NOTE Confidence: 0.93899560875  
00:32:44.590 --> 00:32:48.150 I wrote this during in spring of 2020, which  
NOTE Confidence: 0.903407072  
00:32:48.150 --> 00:32:49.650 as everyone knows was the  
NOTE Confidence: 0.903407072  
00:32:49.650 --> 00:32:51.150 beginning of the COVID-19 pandemic.  
NOTE Confidence: 0.935221826666667  
00:32:52.230 --> 00:32:56.790 And I won't spoil too much, but.  
NOTE Confidence: 0.935221826666667  
00:32:56.790 --> 00:32:58.390 These are basically two poems  
NOTE Confidence: 0.935221826666667  
00:32:58.390 --> 00:32:59.910 that can be read as one,  
NOTE Confidence: 0.935221826666667  
00:32:59.910 --> 00:33:02.421 and so I would like for everyone to try  
NOTE Confidence: 0.935221826666667  
00:33:02.421 --> 00:33:05.110 and listen very carefully and draw,  
NOTE Confidence: 0.935221826666667  
00:33:05.110 --> 00:33:07.862 you know, like figurative and  
NOTE Confidence: 0.935221826666667  
00:33:07.862 --> 00:33:10.110 literal parallels between stanzas  
NOTE Confidence: 0.935221826666667  
00:33:10.110 --> 00:33:11.710 or even perhaps single line.  
NOTE Confidence: 0.935221826666667  
00:33:11.710 --> 00:33:14.268 So this is called  
NOTE Confidence: 0.831797305

00:33:14.790 --> 00:33:16.190 in an American pandemic.  
NOTE Confidence: 0.946004114285714

00:33:20.410 --> 00:33:23.290 On March 6th, 1900, a Chinese man dies  
NOTE Confidence: 0.946004114285714

00:33:23.290 --> 00:33:25.921 of bubonic plague in the basement of  
NOTE Confidence: 0.946004114285714

00:33:25.921 --> 00:33:28.570 a hotel in San Francisco Chinatown.  
NOTE Confidence: 0.946004114285714

00:33:28.570 --> 00:33:31.433 A day later, city authorities surround the  
NOTE Confidence: 0.946004114285714

00:33:31.433 --> 00:33:34.050 neighborhood with a single cord of rope.  
NOTE Confidence: 0.946004114285714

00:33:34.050 --> 00:33:37.165 I imagine it yellow like caution tape.  
NOTE Confidence: 0.946004114285714

00:33:37.170 --> 00:33:38.778 Before America's eyes,  
NOTE Confidence: 0.946004114285714

00:33:38.778 --> 00:33:40.922 Chinatown transforms into a  
NOTE Confidence: 0.946004114285714

00:33:40.922 --> 00:33:44.130 cage for sick rats and \*\*\*\*\*.  
NOTE Confidence: 0.946004114285714

NOTE Confidence: 0.94360799

00:38:09.757 --> 00:38:12.180 called 900. And she won an honorable

NOTE Confidence: 0.94360799

00:38:12.180 --> 00:38:17.300 mention in Rose. Thank you. Hi,

NOTE Confidence: 0.945285229166667

00:38:17.300 --> 00:38:19.168 everyone. So more accurately,

NOTE Confidence: 0.945285229166667

00:38:19.168 --> 00:38:23.269 I will be reading a very short excerpt.

NOTE Confidence: 0.945285229166667

00:38:23.270 --> 00:38:25.843 From a much longer story called 900,

NOTE Confidence: 0.945285229166667

00:38:25.843 --> 00:38:27.867 so I hope not too many plot pieces

NOTE Confidence: 0.945285229166667

00:38:27.870 --> 00:38:30.905 are missing, but quick context.

NOTE Confidence: 0.945285229166667

00:38:30.905 --> 00:38:33.430 It's narrated by a paramedic.

NOTE Confidence: 0.945285229166667

00:38:33.430 --> 00:38:35.810 It's about an ambulance that tries to.

NOTE Confidence: 0.945285229166667

00:38:35.810 --> 00:38:37.830 I don't want to give too many spoilers,

NOTE Confidence: 0.945285229166667

00:38:37.830 --> 00:38:39.265 and it may or may not be

NOTE Confidence: 0.9452852325

00:38:40.350 --> 00:38:41.830 based on my experiences as an

NOTE Confidence: 0.947572363636364

00:38:44.950 --> 00:38:46.405 EMTI nearly tripped over the

NOTE Confidence: 0.947572363636364

00:38:46.405 --> 00:38:47.860 dangling seatbelts as I hoisted

NOTE Confidence: 0.947572363636364

00:38:47.916 --> 00:38:49.160 Tony onto the stretcher.

NOTE Confidence: 0.947572363636364

00:38:49.160 --> 00:38:51.268 I peeked at Tony's face and monitor.

NOTE Confidence: 0.947572363636364

00:38:51.270 --> 00:38:52.502 Both were looking better.  
NOTE Confidence: 0.947572363636364

00:38:52.502 --> 00:38:53.426 Breathing was still  
NOTE Confidence: 0.947572363636364

00:38:53.426 --> 00:38:55.040 labored and a bit shallow,  
NOTE Confidence: 0.947572363636364

00:38:55.040 --> 00:38:56.440 but his lips regained their pinkness,  
NOTE Confidence: 0.947572363636364

00:38:56.440 --> 00:38:58.540 and his sacks were up from the  
NOTE Confidence: 0.947572363636364

00:38:58.540 --> 00:39:00.680 70s to the low 80s, Stable now.  
NOTE Confidence: 0.947572363636364

00:39:00.680 --> 00:39:02.930 We secured him to the stretcher,  
NOTE Confidence: 0.947572363636364

00:39:02.930 --> 00:39:04.412 rolled him out to 900,  
NOTE Confidence: 0.947572363636364

00:39:04.412 --> 00:39:05.986 and hoisted him up.  
NOTE Confidence: 0.947572363636364

00:39:05.986 --> 00:39:07.065 Sorry for the bumps,  
NOTE Confidence: 0.947572363636364

00:39:07.065 --> 00:39:08.772 I said to Tony as I pushed the  
NOTE Confidence: 0.947572363636364

00:39:08.772 --> 00:39:10.237 stretcher through the back doors,  
NOTE Confidence: 0.947572363636364

00:39:10.240 --> 00:39:11.722 my force on his wobbly wheels  
NOTE Confidence: 0.947572363636364

00:39:11.722 --> 00:39:13.028 knocking it a couple times  
NOTE Confidence: 0.947572363636364

00:39:13.028 --> 00:39:14.594 against the walls of the truck.  
NOTE Confidence: 0.947572363636364

00:39:14.600 --> 00:39:16.238 Roger narrowed his eyes at me,

NOTE Confidence: 0.947572363636364  
00:39:16.240 --> 00:39:17.528 then stared into 900,  
NOTE Confidence: 0.947572363636364  
00:39:17.528 --> 00:39:19.138 running his hands over her

NOTE Confidence: 0.947572363636364  
00:39:20.780 --> 00:39:22.870 before climbing into the front.  
NOTE Confidence: 0.947572363636364  
00:39:22.870 --> 00:39:23.698 He started her,  
NOTE Confidence: 0.947572363636364  
00:39:23.698 --> 00:39:25.354 and the loading mechanism clamped down  
NOTE Confidence: 0.947572363636364  
00:39:25.354 --> 00:39:28.190 on Tony's stretcher, locking it to 900.  
NOTE Confidence: 0.947572363636364  
00:39:28.190 --> 00:39:29.870 The bench seat ground.  
NOTE Confidence: 0.947572363636364  
00:39:29.870 --> 00:39:31.314 I called up front.  
NOTE Confidence: 0.947572363636364  
00:39:31.314 --> 00:39:33.830 Mercy Hospital make it a priority too.  
NOTE Confidence: 0.947572363636364  
00:39:33.830 --> 00:39:35.810 I heard the blink of acknowledgement  
NOTE Confidence: 0.947572363636364  
00:39:35.810 --> 00:39:37.550 as 900 shifted into drive.  
NOTE Confidence: 0.947572363636364  
00:39:37.550 --> 00:39:39.422 I had just clicked open to my my  
NOTE Confidence: 0.947572363636364  
00:39:39.422 --> 00:39:41.561 pen start writing my run form when a  
NOTE Confidence: 0.947572363636364  
00:39:41.561 --> 00:39:43.612 sound startled me out of my charting  
NOTE Confidence: 0.947572363636364

00:39:43.612 --> 00:39:45.147 that rusty air whistle again.  
NOTE Confidence: 0.947572363636364

00:39:45.150 --> 00:39:46.555 The balloon is flooded back  
NOTE Confidence: 0.947572363636364

00:39:46.555 --> 00:39:48.245 into Tony's hands and lips and  
NOTE Confidence: 0.947572363636364

00:39:48.245 --> 00:39:49.625 his sat stove into the 70s.  
NOTE Confidence: 0.947572363636364

00:39:49.630 --> 00:39:51.232 Hang on Tony, I got you, I said.  
NOTE Confidence: 0.947572363636364

00:39:51.232 --> 00:39:52.779 I turned to the front and yelled.  
NOTE Confidence: 0.947572363636364

00:39:52.780 --> 00:39:55.282 Hey Roger, make that a priority one, will ya?  
NOTE Confidence: 0.947572363636364

00:39:55.282 --> 00:39:57.137 The siren screamed in response,  
NOTE Confidence: 0.947572363636364

00:39:57.140 --> 00:39:58.324 and the sudden acceleration  
NOTE Confidence: 0.947572363636364

00:39:58.324 --> 00:40:00.100 nearly made me lose my footing.  
NOTE Confidence: 0.947572363636364

00:40:00.100 --> 00:40:01.794 Tony's whole body jiggled as we hit  
NOTE Confidence: 0.947572363636364

00:40:01.794 --> 00:40:03.539 every bump and pothole on the road.  
NOTE Confidence: 0.947572363636364

00:40:03.540 --> 00:40:05.100 I fumbled with my keys in the lock,  
NOTE Confidence: 0.947572363636364

00:40:05.100 --> 00:40:07.578 the ALS cabinet to get another net.  
NOTE Confidence: 0.947572363636364

00:40:07.580 --> 00:40:10.340 \*\*\* \*\* \* \*\*\*\*\* I mumbled as I turned the key.  
NOTE Confidence: 0.947572363636364

00:40:10.340 --> 00:40:11.936 That same rigidity met my rest,

NOTE Confidence: 0.947572363636364  
00:40:11.940 --> 00:40:15.000 like met my wrist like a tightened handcuff.  
NOTE Confidence: 0.947572363636364  
00:40:15.000 --> 00:40:17.190 For a moment I considered asking  
NOTE Confidence: 0.947572363636364  
00:40:17.254 --> 00:40:19.384 Roger to stop the truck. But how?  
NOTE Confidence: 0.947572363636364  
00:40:19.384 --> 00:40:21.316 Stop the truck so the cabinet  
NOTE Confidence: 0.947572363636364  
00:40:21.316 --> 00:40:22.350 would maybe open.  
NOTE Confidence: 0.947572363636364  
00:40:22.350 --> 00:40:23.254 No way, I thought.  
NOTE Confidence: 0.947572363636364  
00:40:23.254 --> 00:40:24.582 He'll think I'm a \*\*\*\*\* and  
NOTE Confidence: 0.947572363636364  
00:40:24.582 --> 00:40:25.350 it probably won't work.  
NOTE Confidence: 0.947572363636364  
00:40:25.350 --> 00:40:25.657 Anyway,  
NOTE Confidence: 0.947572363636364  
00:40:25.657 --> 00:40:27.806 I stumbled for telling myself it was  
NOTE Confidence: 0.947572363636364  
00:40:27.806 --> 00:40:29.869 a sticky lock and opted for CPAP.  
NOTE Confidence: 0.947572363636364  
00:40:29.870 --> 00:40:31.270 At least that was a BLS skill,  
NOTE Confidence: 0.947572363636364  
00:40:31.270 --> 00:40:33.586 so the cabinet had no lock.  
NOTE Confidence: 0.947572363636364  
00:40:33.590 --> 00:40:34.983 I'm going to give you a mask  
NOTE Confidence: 0.947572363636364  
00:40:34.983 --> 00:40:36.030 to help you breathe.  
NOTE Confidence: 0.947572363636364

00:40:36.030 --> 00:40:37.428 OKI reached over Tony's head to  
NOTE Confidence: 0.947572363636364

00:40:37.428 --> 00:40:39.110 grab the big metal sliding handle.  
NOTE Confidence: 0.947572363636364

00:40:39.110 --> 00:40:42.070 It'll I felt my whole body lock up.  
NOTE Confidence: 0.947572363636364

00:40:42.070 --> 00:40:42.910 The CPAP door was  
NOTE Confidence: 0.9402536

00:40:42.910 --> 00:40:45.030 stuck shut too. Out  
NOTE Confidence: 0.9402536

00:40:45.030 --> 00:40:46.745 the back window I saw cars fade  
NOTE Confidence: 0.9402536

00:40:46.745 --> 00:40:48.030 into the distance behind us.  
NOTE Confidence: 0.9402536

00:40:48.030 --> 00:40:49.716 Hold over to let us pass.  
NOTE Confidence: 0.9402536

00:40:49.720 --> 00:40:51.496 We were approaching the highway now  
NOTE Confidence: 0.9402536

00:40:51.496 --> 00:40:53.399 and there would be no stopping.  
NOTE Confidence: 0.9402536

00:40:53.400 --> 00:40:54.762 Maybe he'd be okay on just  
NOTE Confidence: 0.9402536

00:40:54.762 --> 00:40:56.320 oxygen for the next few minutes.  
NOTE Confidence: 0.9402536

00:40:56.320 --> 00:40:59.039 I looked at Tony's NRV, the reservoir bag.  
NOTE Confidence: 0.9402536

00:40:59.040 --> 00:41:00.622 The reservoir bag was flat,  
NOTE Confidence: 0.9402536

00:41:00.622 --> 00:41:01.244 suffocating him.  
NOTE Confidence: 0.9402536

00:41:01.244 --> 00:41:03.110 I yanked it off and checked

NOTE Confidence: 0.9402536

00:41:03.169 --> 00:41:04.839 the main oxygen tanks outlet.

NOTE Confidence: 0.9402536

00:41:04.840 --> 00:41:06.880 Not even a whisper of gas.

NOTE Confidence: 0.9402536

00:41:06.880 --> 00:41:08.440 I switched to the stretcher oxygen,

NOTE Confidence: 0.9402536

00:41:08.440 --> 00:41:10.200 then the one from the first in bag.

NOTE Confidence: 0.9402536

00:41:10.200 --> 00:41:12.920 Still silence. Tony grew blur.

NOTE Confidence: 0.9402536

00:41:12.920 --> 00:41:14.064 His breathing got shallower.

NOTE Confidence: 0.9402536

00:41:14.064 --> 00:41:15.320 His stocks kept falling

NOTE Confidence: 0.950317

00:41:17.960 --> 00:41:19.674 727067. He was going to

NOTE Confidence: 0.950317

00:41:19.674 --> 00:41:21.650 stop breathing any second.

NOTE Confidence: 0.950317

00:41:21.650 --> 00:41:23.770 I pulled the BVM out of the first in bag,

NOTE Confidence: 0.950317

00:41:23.770 --> 00:41:25.646 dug my nails into the plastic wrapper,

NOTE Confidence: 0.950317

00:41:25.650 --> 00:41:26.889 tearing it apart.

NOTE Confidence: 0.950317

00:41:26.890 --> 00:41:28.332 I shoved the back of the stretcher

NOTE Confidence: 0.950317

00:41:28.332 --> 00:41:29.417 down and pressed the mask

NOTE Confidence: 0.950317

00:41:29.417 --> 00:41:31.370 into Tony's pale, cold face.

NOTE Confidence: 0.950317

00:41:31.370 --> 00:41:33.418 I squeezed the bag to give a breath.  
NOTE Confidence: 0.950317

00:41:33.418 --> 00:41:35.290 His chest rose smooth and heavy.  
NOTE Confidence: 0.950317

00:41:35.290 --> 00:41:37.840 Again, a breath chest rise and fall.  
NOTE Confidence: 0.950317

00:41:37.840 --> 00:41:38.732 This is fine.  
NOTE Confidence: 0.950317

00:41:38.732 --> 00:41:41.810 I can bag him all the way to the hospital.  
NOTE Confidence: 0.950317

00:41:41.810 --> 00:41:43.725 Muscle memory took over and the  
NOTE Confidence: 0.950317

00:41:43.725 --> 00:41:45.001 familiar task of uncomplicated  
NOTE Confidence: 0.950317

00:41:45.001 --> 00:41:46.130 bagging returned my own  
NOTE Confidence: 0.95434236

00:41:46.130 --> 00:41:47.690 respiratory rate closer to normal.  
NOTE Confidence: 0.93396408625

00:41:48.520 --> 00:41:50.400 I had this call made me so panicky.  
NOTE Confidence: 0.93396408625

00:41:50.400 --> 00:41:52.736 It was just an oxygen issue and a  
NOTE Confidence: 0.93396408625

00:41:52.736 --> 00:41:54.860 door issue and a well, things happen.  
NOTE Confidence: 0.93396408625

00:41:54.860 --> 00:41:56.780 I'll bring some WD-40 next time.  
NOTE Confidence: 0.93396408625

00:41:56.780 --> 00:41:59.276 I moved my hand down to his carotid for  
NOTE Confidence: 0.93396408625

00:41:59.276 --> 00:42:01.548 a pulse check, and I nearly screamed.  
NOTE Confidence: 0.93396408625

00:42:01.548 --> 00:42:03.199 Instead of skin, I felt something

NOTE Confidence: 0.93396408625  
00:42:03.200 --> 00:42:04.728 cold and stringy and smooth,  
NOTE Confidence: 0.93396408625  
00:42:04.728 --> 00:42:06.312 as if his neck had morphed  
NOTE Confidence: 0.93396408625  
00:42:06.312 --> 00:42:08.198 into a tangle of tiny snakes.  
NOTE Confidence: 0.93396408625  
00:42:08.200 --> 00:42:09.880 When I lifted the mask from Tony's face,  
NOTE Confidence: 0.93396408625  
00:42:09.880 --> 00:42:12.080 I saw it. The tubing of the BBM  
NOTE Confidence: 0.93396408625  
00:42:12.080 --> 00:42:13.920 had wrapped around Tony's neck,  
NOTE Confidence: 0.93396408625  
00:42:13.920 --> 00:42:15.840 not just once, but three times.  
NOTE Confidence: 0.93396408625  
00:42:15.840 --> 00:42:16.808 Snuggly. On what end?  
NOTE Confidence: 0.93396408625  
00:42:16.808 --> 00:42:18.565 It had tied itself to the stretcher  
NOTE Confidence: 0.93396408625  
00:42:18.565 --> 00:42:20.581 frame next to his head and on the  
NOTE Confidence: 0.93396408625  
00:42:20.581 --> 00:42:22.399 other end to the cabinet sliding  
NOTE Confidence: 0.93396408625  
00:42:22.399 --> 00:42:24.350 door handle opposite his feet.  
NOTE Confidence: 0.93396408625  
00:42:24.350 --> 00:42:26.452 I dropped the VDM and fumbled with my  
NOTE Confidence: 0.93396408625  
00:42:26.452 --> 00:42:28.390 pants snaps to grab my trauma shears.  
NOTE Confidence: 0.93396408625  
00:42:28.390 --> 00:42:30.105 As I moved to cut the tubing,  
NOTE Confidence: 0.93396408625

00:42:30.110 --> 00:42:32.090 900 shut off the interior lights,  
NOTE Confidence: 0.93396408625

00:42:32.090 --> 00:42:34.267 the on and off glow from passing St.  
NOTE Confidence: 0.93396408625

00:42:34.270 --> 00:42:34.517 lamps,  
NOTE Confidence: 0.93396408625

00:42:34.517 --> 00:42:36.246 and our own red and blue light  
NOTE Confidence: 0.93396408625

00:42:36.246 --> 00:42:37.540 reflections lit the interior like  
NOTE Confidence: 0.93396408625

00:42:37.540 --> 00:42:39.289 a strobe light at the world's  
NOTE Confidence: 0.93396408625

00:42:39.289 --> 00:42:40.468 deadliest dance party.  
NOTE Confidence: 0.93396408625

00:42:40.470 --> 00:42:41.710 The lights disoriented me,  
NOTE Confidence: 0.93396408625

00:42:41.710 --> 00:42:43.660 but only for a moment.  
NOTE Confidence: 0.93396408625

00:42:43.660 --> 00:42:45.178 900 turned on just one light  
NOTE Confidence: 0.93396408625

00:42:45.178 --> 00:42:46.716 above the cabinet where the tube  
NOTE Confidence: 0.93396408625

00:42:46.716 --> 00:42:48.245 was fastened to help me cut.  
NOTE Confidence: 0.93396408625

00:42:48.245 --> 00:42:50.312 I moved in with my trauma shears,  
NOTE Confidence: 0.93396408625

00:42:50.312 --> 00:42:52.340 but the Ivy pull from the stretcher  
NOTE Confidence: 0.93396408625

00:42:52.340 --> 00:42:54.540 swung up and knocked them from my hands.  
NOTE Confidence: 0.93396408625

00:42:54.540 --> 00:42:56.140 900 snow change Jingle below,

NOTE Confidence: 0.93396408625

00:42:56.140 --> 00:42:57.778 as if to laugh at me.

NOTE Confidence: 0.93396408625

00:42:57.780 --> 00:42:59.376 Then she yanked the cabinet open,

NOTE Confidence: 0.93396408625

00:42:59.380 --> 00:43:01.935 pulling the tubing tight around Tony's neck.

NOTE Confidence: 0.93396408625

00:43:01.940 --> 00:43:03.400 Any rudimentary breathing he had

NOTE Confidence: 0.93396408625

00:43:03.400 --> 00:43:05.260 had before was squeezed out of him.

NOTE Confidence: 0.93396408625

00:43:05.260 --> 00:43:06.740 His face turned bright red,

NOTE Confidence: 0.93396408625

00:43:06.740 --> 00:43:09.620 then purple, then blue. Roger.

NOTE Confidence: 0.93396408625

00:43:09.620 --> 00:43:09.962 What?

NOTE Confidence: 0.93396408625

00:43:09.962 --> 00:43:10.988 Stop the truck?

NOTE Confidence: 0.93396408625

00:43:10.988 --> 00:43:13.040 We had already started pulling off

NOTE Confidence: 0.93396408625

00:43:13.101 --> 00:43:15.278 the exit ramp towards the hospital as

NOTE Confidence: 0.93396408625

00:43:15.278 --> 00:43:17.620 900 rolled up towards the red light.

NOTE Confidence: 0.93396408625

00:43:17.620 --> 00:43:19.356 I climbed up to the window that

NOTE Confidence: 0.93396408625

00:43:19.356 --> 00:43:20.619 separates the patient area from

NOTE Confidence: 0.93396408625

00:43:20.619 --> 00:43:22.257 the cab and shoved my body through.

NOTE Confidence: 0.93396408625

00:43:22.260 --> 00:43:24.178 Don't \*\*\*\*\* move, I said to him.  
NOTE Confidence: 0.93396408625

00:43:24.180 --> 00:43:25.780 Roger glanced at me strangely,  
NOTE Confidence: 0.93396408625

00:43:25.780 --> 00:43:27.394 unsurprised to see the front half  
NOTE Confidence: 0.93396408625

00:43:27.394 --> 00:43:28.765 of his paramedic partner hanging  
NOTE Confidence: 0.93396408625

00:43:28.765 --> 00:43:30.658 out from the separator window.  
NOTE Confidence: 0.93396408625

00:43:30.660 --> 00:43:32.256 I yanked the gear shift into park,  
NOTE Confidence: 0.93396408625

00:43:32.260 --> 00:43:34.484 killed the engine, and grabbed the keys.  
NOTE Confidence: 0.93396408625

00:43:34.484 --> 00:43:36.390 It was as if someone had twisted  
NOTE Confidence: 0.93396408625

00:43:36.390 --> 00:43:38.010 every faucet in a bathhouse.  
NOTE Confidence: 0.93396408625

00:43:38.010 --> 00:43:39.702 The hiss of four still open  
NOTE Confidence: 0.93396408625

00:43:39.702 --> 00:43:41.135 oxygen bottles filled the truck  
NOTE Confidence: 0.93396408625

00:43:41.135 --> 00:43:42.850 as they released the gas at the  
NOTE Confidence: 0.93396408625

00:43:42.850 --> 00:43:44.408 at their highest floor rate.  
NOTE Confidence: 0.93396408625

00:43:44.410 --> 00:43:46.286 I didn't even bother with the mask.  
NOTE Confidence: 0.93396408625

00:43:46.290 --> 00:43:47.795 I picked up a bottle and rested  
NOTE Confidence: 0.93396408625

00:43:47.795 --> 00:43:48.690 it on Tony's lap.

NOTE Confidence: 0.93396408625  
00:43:48.690 --> 00:43:51.050 The outlet pointed towards his blue face.  
NOTE Confidence: 0.93396408625  
00:43:51.050 --> 00:43:52.540 I connected another BVM and  
NOTE Confidence: 0.93396408625  
00:43:52.540 --> 00:43:54.368 got in as many ventilations as  
NOTE Confidence: 0.93396408625  
00:43:54.368 --> 00:43:55.768 I could before Roger climbed  
NOTE Confidence: 0.95635504  
00:43:55.770 --> 00:43:57.930 through the back doors wordlessly.  
NOTE Confidence: 0.933963975  
00:43:57.930 --> 00:43:59.970 He held out his hands for the keys.  
NOTE Confidence: 0.933963975  
00:43:59.970 --> 00:44:01.656 I ignored him and walked out  
NOTE Confidence: 0.933963975  
00:44:01.656 --> 00:44:03.658 through the back to drive 900 the  
NOTE Confidence: 0.933963975  
00:44:03.658 --> 00:44:05.548 rest of the way to the hospital.  
NOTE Confidence: 0.933963975  
00:44:05.550 --> 00:44:06.750 That's the end of this excerpt.  
NOTE Confidence: 0.9301902  
00:44:33.200 --> 00:44:36.060 So we have one more piece  
NOTE Confidence: 0.9301902  
00:44:36.060 --> 00:44:38.119 and please don't leave.  
NOTE Confidence: 0.754252  
00:44:41.080 --> 00:44:41.680 Okay. Fine.  
NOTE Confidence: 0.941371755555556  
00:44:44.000 --> 00:44:46.765 We wanted to get a group picture  
NOTE Confidence: 0.941371755555556  
00:44:46.765 --> 00:44:49.480 of everybody who did this.  
NOTE Confidence: 0.941371755555556

00:44:49.480 --> 00:44:51.758 But you want to do it now before.  
NOTE Confidence: 0.941371755555556

00:44:51.760 --> 00:44:52.680 Yeah, let's do it now.  
NOTE Confidence: 0.9201267

00:44:55.380 --> 00:44:58.538 OK. So all presenters  
NOTE Confidence: 0.88002727125

00:44:58.540 --> 00:45:01.060 quickly gather and then we'll hear from Anki.  
NOTE Confidence: 0.8193254

00:46:03.680 --> 00:46:04.120 OK,  
NOTE Confidence: 0.6132155

00:46:07.640 --> 00:46:08.640 OK, Anky.  
NOTE Confidence: 0.90863131

00:46:10.720 --> 00:46:13.576 We want an honorable mention in the  
NOTE Confidence: 0.90863131

00:46:13.576 --> 00:46:15.724 art category and she will tell us  
NOTE Confidence: 0.90863131

00:46:15.724 --> 00:46:17.080 about her piece called Cigarettes. Yes,  
NOTE Confidence: 0.9503169

00:46:23.960 --> 00:46:27.872 thank you so much all. So this is my  
NOTE Confidence: 0.9503169

00:46:27.872 --> 00:46:29.200 series about the cigarette. So this  
NOTE Confidence: 0.9352218

00:46:29.200 --> 00:46:30.400 is the first part  
NOTE Confidence: 0.9318673333333333

00:46:30.400 --> 00:46:32.566 and this is the Part 2.  
NOTE Confidence: 0.9318673333333333

00:46:32.570 --> 00:46:34.282 So this is a series of my friend  
NOTE Confidence: 0.9318673333333333

00:46:34.282 --> 00:46:36.288 and I create during the pandemic.  
NOTE Confidence: 0.9318673333333333

00:46:36.290 --> 00:46:37.289 Those are cigarette

NOTE Confidence: 0.937378342857143  
00:46:37.290 --> 00:46:40.050 that we might or might not smoke. And  
NOTE Confidence: 0.9402536  
00:46:43.050 --> 00:46:44.408 yeah, so these serious  
NOTE Confidence: 0.924872563636364  
00:46:44.530 --> 00:46:46.890 adults into their relationship between  
NOTE Confidence: 0.924872563636364  
00:46:46.890 --> 00:46:49.730 the cigarettes and the anxiety issues  
NOTE Confidence: 0.924872563636364  
00:46:49.730 --> 00:46:52.112 through my lens and I seek to convey  
NOTE Confidence: 0.924872563636364  
00:46:52.112 --> 00:46:53.880 the emotional turmoil that those  
NOTE Confidence: 0.924872563636364  
00:46:53.880 --> 00:46:55.845 struggling with the mental illness  
NOTE Confidence: 0.924872563636364  
00:46:55.850 --> 00:46:58.654 often face and how these cigarettes  
NOTE Confidence: 0.924872563636364  
00:46:58.654 --> 00:47:01.589 become a crutch to cope with the pain.  
NOTE Confidence: 0.924872563636364  
00:47:01.590 --> 00:47:04.020 And each photo is a glimpse into the mind  
NOTE Confidence: 0.924872563636364  
00:47:04.020 --> 00:47:06.530 of someone as the person document their  
NOTE Confidence: 0.924872563636364  
00:47:06.530 --> 00:47:08.910 thoughts at the moment and smoke away  
NOTE Confidence: 0.900722116666667  
00:47:08.910 --> 00:47:11.070 through the cigarette. And  
NOTE Confidence: 0.9223068344  
00:47:11.070 --> 00:47:13.814 this photo series aim to spark the  
NOTE Confidence: 0.9223068344  
00:47:13.814 --> 00:47:15.591 conversation and probably potentially  
NOTE Confidence: 0.9223068344

00:47:15.591 --> 00:47:17.711 encourage a greater understanding  
NOTE Confidence: 0.9223068344

00:47:17.711 --> 00:47:20.361 of the complex relationship between  
NOTE Confidence: 0.9223068344

00:47:20.426 --> 00:47:22.516 anxiety and a cigarette smoking.  
NOTE Confidence: 0.9223068344

00:47:22.520 --> 00:47:24.648 And I truly hope this work would not  
NOTE Confidence: 0.9223068344

00:47:24.648 --> 00:47:26.639 only rise awareness of this issue,  
NOTE Confidence: 0.9223068344

00:47:26.640 --> 00:47:28.716 but also inspired those recent side  
NOTE Confidence: 0.9223068344

00:47:28.716 --> 00:47:30.759 issue to seek support that they  
NOTE Confidence: 0.9223068344

00:47:30.759 --> 00:47:32.838 need and to lead a healthier life.  
NOTE Confidence: 0.9223068344

00:47:32.840 --> 00:47:34.080 Yeah. Thank you so much.  
NOTE Confidence: 0.94629164

00:47:50.780 --> 00:47:52.988 Thank you, everybody. We ended a  
NOTE Confidence: 0.94629164

00:47:52.988 --> 00:47:54.876 little bit early because two people  
NOTE Confidence: 0.94629164

00:47:54.876 --> 00:47:57.498 couldn't be here, Sydney Steele and  
NOTE Confidence: 0.9603804

00:47:59.580 --> 00:48:02.718 and Kristen Brockler.  
NOTE Confidence: 0.9603804

00:48:02.720 --> 00:48:04.400 Both who are pros winners.  
NOTE Confidence: 0.937023286363636

00:48:31.394 --> 00:48:34.060 and look at these things versus hearing

NOTE Confidence: 0.93622824

00:48:34.060 --> 00:48:36.178 you speak them out loud and they just kind

NOTE Confidence: 0.93622824

00:48:36.178 --> 00:48:38.206 of come to life and really like each one.

NOTE Confidence: 0.93622824

00:48:38.210 --> 00:48:40.450 I was just like I didn't want it,

NOTE Confidence: 0.93622824

00:48:40.450 --> 00:48:42.844 you know, kind of emote in between.
