

**REQUIRED SPECIAL ASSIGNMENTS**  
**Integrated Clerkship for Primary Care and Psychiatry**  
**v. 1.12.16**

**Psychiatry Portfolio**

The Department of Psychiatry asks that you compile a Portfolio of materials that reflect important learning experiences you have had on the clerkship. Upon the completion of the 12-week Integrated Clerkship for Primary Care and Psychiatry you will need to turn in the following items specific to the psychiatry portion of your experience:

1. Four patient write-ups:
  - a. Two from the Inpatient Psychiatry block with your write-up tutor's initials (each with a literature search)—these write-ups should follow the write-up template in the syllabus.
  - b. Two from Integrated Psychiatry/Primary Care block (ER or CL Psychiatry Service) with your attending's initials or electronic signature—these write-ups should be new patient admission or consult notes that have been printed from your clinical work station and redacted. They do NOT need to follow a specific template.
2. Articles and/or outlines from the two presentations you made to your teams:
  - i. Inpatient Psychiatry component
  - ii. ER or CL Psychiatry component

**Primary Care Direct Observation (of Student by Preceptor) Exercises**

[Text to be provided]

**Primary Care Visit Note Evaluation**

[Text to be provided]

**Yellow Record Book**

[Text to be provided]

3. Yellow Book, including:
  - i. Patient Log Sheet
  - ii. Two Mid-Clerkship Feedback Forms (one from Inpatient Psychiatry and one from the Integrated block... CL or ER Service).

Please submit your psychiatry portfolio and record book on the last day of the rotation to Jennifer Dolan-Auten:
