Parking

Once in the garage, take the yellow elevator (located on EVEN # levels) to Level 2. Proceed through the walkway into the building and take the elevator to the 6th floor. ***Please note that the walkway to the building is locked on weekends.*** On weekend visits, please take the elevator to the street level and walk across the street and enter in the main entrance. Upon your entrance, take a left and walk to the end of the hall. Once there, take a right and take the elevator to the 6th floor. ***Please note that the Temple Street Parking Garage has a clearance.*** If your car is taller than that, please use our valet parking option and park your car in front of the Temple Street Building entrance. The parking attendees will park your car for you and supply you with a parking ticket. At the end of your visit with us, we will provide you with parking validation for either parking options.

South Frontage Road between College and Church Streets is being closed to accommodate Downtown Crossing Phase 3 construction. This work will take place from June 1, 2021 until the end of the year and an official detour route has been established for drivers.
