

YCCEH Animal Modeling Core (AMC) Service Request

E-mail the following to: stephanie.halene@yale.edu and jonathan.Alderman@yale.edu

1. One to two page detailed project description. This must include:
 - a. PI name, contact number
 - b. Names of research members conducting study
 - c. Types of services required
 - d. Research Project Hypothesis
 - e. Statement of Significance
 - f. Brief methods – include numbers of samples/mice, replicates, duration of studies
 - g. Type of sample required (DNA, RNA, cryopreserved cells, ## of cells/vial)
 - h. PTAE0 to be charged

2. Attach as PDFs:
 - a. If studies involve human subjects:
 - i. IRB approval letter and protocol
 - ii. PI HIPAA Certification
 - iii. PI Human Research Subject Protection Training
 - b. If studies involve mice:
 - i. IACUC approval letter and protocol (select experiments may be performed under existing IACUC approval for the YCCEH-AMC).

3. Upon receipt of your application we will review the application within 2 business weeks.
4. We will notify you of approval.
5. We suggest you set up consultation with YCCEH AMC staff to discuss project needs, feasibility, services required.
6. We will provide a quote for approved services.
7. Once services are provided your account will be billed through YCCEH AMC Services for animal related studies.

Any questions:

Please contact Stephanie Halene (stephanie.halene@yale.edu) or Jonathan Alderman (jonathan.alderman@yale.edu)
