WEBVTT

- NOTE duration:"00:03:32"
- NOTE recognizability:0.932
- NOTE language:en-us
- NOTE Confidence: 0.93025595
- $00:00:04.280 \longrightarrow 00:00:05.276$ So thanks for coming in to
- NOTE Confidence: 0.93025595
- 00:00:05.280 --> 00:00:07.200 see me today, Nikki. Thank you.
- NOTE Confidence: 0.93025595
- 00:00:07.200 --> 00:00:09.480 Thanks for being here. Yeah. All right.
- NOTE Confidence: 0.93025595
- $00{:}00{:}09{.}480 \dashrightarrow 00{:}00{:}11{.}160$ I'm excited for this to be our
- NOTE Confidence: 0.93025595
- $00:00:11.160 \rightarrow 00:00:12.879$ first session together so we can,
- NOTE Confidence: 0.93025595
- $00:00:12.880 \longrightarrow 00:00:14.240$ we can dive right in.
- NOTE Confidence: 0.93025595
- $00:00:14.240 \longrightarrow 00:00:15.200$ That sounds good. OK.
- NOTE Confidence: 0.93025595
- $00:00:15.200 \rightarrow 00:00:17.170$ So one of the first things that I
- NOTE Confidence: 0.93025595
- $00:00:17.170 \longrightarrow 00:00:18.610$ wanted to actually talk with you
- NOTE Confidence: 0.93025595
- $00{:}00{:}18.610 \dashrightarrow 00{:}00{:}20.520$ about is how I'd like to check in
- NOTE Confidence: 0.93025595
- $00{:}00{:}20{.}520 \dashrightarrow 00{:}00{:}22{.}628$ with my students just in the first few
- NOTE Confidence: 0.93025595
- $00{:}00{:}22.628$ --> $00{:}00{:}24.113$ minutes where we're meeting together.
- NOTE Confidence: 0.93025595
- $00:00:24.120 \dashrightarrow 00:00:25.681$ This is something that I do with
- NOTE Confidence: 0.93025595

 $00:00:25.681 \dashrightarrow 00:00:27.128$ all the students who I meet with.

NOTE Confidence: 0.93025595

 $00{:}00{:}27.130 \dashrightarrow 00{:}00{:}29.058$ Really just want to get a sense of

NOTE Confidence: 0.93025595

 $00:00:29.058 \dashrightarrow 00:00:30.880$ how you're feeling before we dive in NOTE Confidence: 0.93025595

00:00:30.880 --> 00:00:32.970 and make sure we don't miss anything. NOTE Confidence: 0.93025595

 $00{:}00{:}32{.}970 \dashrightarrow 00{:}00{:}35{.}076$ It's really important that the therapy

NOTE Confidence: 0.93025595

 $00{:}00{:}35{.}076$ --> $00{:}00{:}37{.}070$ that you're getting here is working NOTE Confidence: 0.93025595

00:00:37.070 - 00:00:39.206 for you and that it's helpful to you,

NOTE Confidence: 0.93025595

 $00{:}00{:}39{.}210 \dashrightarrow 00{:}00{:}41{.}235$ so it's good to check in on how you've

NOTE Confidence: 0.93025595

 $00{:}00{:}41.235 \dashrightarrow 00{:}00{:}42.930$ been feeling when we first meet.

NOTE Confidence: 0.93025595

 $00{:}00{:}42.930 \dashrightarrow 00{:}00{:}45.968$ So we'll be using a brief checklist

NOTE Confidence: 0.93025595

 $00{:}00{:}45.968 \dashrightarrow 00{:}00{:}48.120$ together and it has different types

NOTE Confidence: 0.93025595

00:00:48.120 --> 00:00:50.160 of feelings that you can let me know

NOTE Confidence: 0.93025595

 $00:00:50.214 \dashrightarrow 00:00:52.128$ whether you've experienced them or not.

NOTE Confidence: 0.93025595

 $00{:}00{:}52{.}130 \dashrightarrow 00{:}00{:}54{.}248$ We've talked about worries and anxieties.

NOTE Confidence: 0.93025595

 $00:00:54.250 \longrightarrow 00:00:55.671$ So those are the types of things

NOTE Confidence: 0.93025595

 $00:00:55.671 \rightarrow 00:00:56.939$ we're going to be working on.

NOTE Confidence: 0.93025595

 $00:00:56.940 \rightarrow 00:00:59.500$ And we can score it right here together.

NOTE Confidence: 0.93025595

 $00{:}00{:}59{.}500 \dashrightarrow 00{:}01{:}01{.}414$ Talk about your responses and then

NOTE Confidence: 0.93025595

00:01:01.414 --> 00:01:03.339 figure out whether what we're planning

NOTE Confidence: 0.93025595

 $00:01:03.339 \rightarrow 00:01:05.418$ on talking about in session is going

NOTE Confidence: 0.93025595

 $00:01:05.418 \longrightarrow 00:01:07.541$ to be helpful for you or whether we

NOTE Confidence: 0.93025595

 $00:01:07.541 \dashrightarrow 00:01:09.560$ might need to change some things up.

NOTE Confidence: 0.93025595

 $00{:}01{:}09{.}560 \dashrightarrow 00{:}01{:}10{.}820$ And that's Okay too.

NOTE Confidence: 0.93025595

 $00:01:10.820 \longrightarrow 00:01:12.020$ Yeah, that sounds good.

NOTE Confidence: 0.93025595

 $00:01:12.020 \longrightarrow 00:01:12.620$ Okay great.

NOTE Confidence: 0.93025595

 $00:01:12.620 \longrightarrow 00:01:14.244$ Let me actually show you the one

NOTE Confidence: 0.93025595

00:01:14.244 --> 00:01:15.220 that I'm thinking of.

NOTE Confidence: 0.93072736

 $00{:}01{:}17.700 \dashrightarrow 00{:}01{:}19.372$ It's called the GAD 7.

NOTE Confidence: 0.93072736

 $00:01:19.372 \rightarrow 00:01:21.580$ This one's really helpful because it

NOTE Confidence: 0.928256753636364

 $00{:}01{:}21.657 \dashrightarrow 00{:}01{:}25.097$ does have some symptoms that teens who are

NOTE Confidence: 0.928256753636364

 $00{:}01{:}25.097 \dashrightarrow 00{:}01{:}27.189$ experiencing anxiety sometimes report.

NOTE Confidence: 0.928256753636364

00:01:27.190 --> 00:01:28.214 So it's pretty quick.

NOTE Confidence: 0.928256753636364

00:01:28.214 --> 00:01:30.389 You can just fill this out in session,

NOTE Confidence: 0.928256753636364

 $00:01:30.390 \dashrightarrow 00:01:32.650$ or I could read them to you and and circle

NOTE Confidence: 0.928256753636364

00:01:32.705 - 00:01:34.588 whichever ones that you tell me to,

NOTE Confidence: 0.928256753636364

 $00:01:34.590 \dashrightarrow 00:01:36.990$ and then we'll just talk about your answers.

NOTE Confidence: 0.928256753636364

00:01:36.990 --> 00:01:39.372 Okay. Yeah, that sounds good. Okay.

NOTE Confidence: 0.928256753636364

 $00:01:39.372 \rightarrow 00:01:42.748$ Great. What questions do you have so far?

NOTE Confidence: 0.928256753636364

 $00:01:42.750 \longrightarrow 00:01:46.550$ So it's kind of like a quiz or a test.

NOTE Confidence: 0.928256753636364

 $00{:}01{:}46.550 \dashrightarrow 00{:}01{:}47.750$ That's a really good question.

NOTE Confidence: 0.928256753636364

 $00:01:47.750 \rightarrow 00:01:50.598$ So it's actually not like a quizzer test

NOTE Confidence: 0.928256753636364

 $00{:}01{:}50.598 \dashrightarrow 00{:}01{:}53.026$ because there's no right or wrong answers.

NOTE Confidence: 0.928256753636364

 $00{:}01{:}53.030 \dashrightarrow 00{:}01{:}55.550$ There's no grades that are tied to this.

NOTE Confidence: 0.928256753636364

 $00:01:55.550 \rightarrow 00:01:58.226$ And actually when we're meeting together,

NOTE Confidence: 0.928256753636364

 $00:01:58.230 \rightarrow 00:02:00.147$ you're going to be having some ups and downs.

NOTE Confidence: 0.928256753636364

 $00:02:00.150 \longrightarrow 00:02:02.103$ We can expect that it's normal that

NOTE Confidence: 0.928256753636364

 $00:02:02.103 \rightarrow 00:02:04.114$ some weeks are going to be great

- NOTE Confidence: 0.928256753636364
- $00:02:04.114 \rightarrow 00:02:05.788$ and other weeks might be harder.
- NOTE Confidence: 0.928256753636364
- $00{:}02{:}05{.}790 \dashrightarrow 00{:}02{:}08{.}085$ So your answers on this might just go up
- NOTE Confidence: 0.928256753636364
- $00:02:08.085 \rightarrow 00:02:10.655$ and down each time we see one another okay.
- NOTE Confidence: 0.928256753636364
- $00:02:10.660 \rightarrow 00:02:12.472$ We're hoping that over time you're
- NOTE Confidence: 0.928256753636364
- $00:02:12.472 \dashrightarrow 00:02:14.375$ starting to feel better and better
- NOTE Confidence: 0.928256753636364
- $00:02:14.375 \longrightarrow 00:02:15.659$ as we're meeting together.
- NOTE Confidence: 0.928256753636364
- $00:02:15.660 \rightarrow 00:02:17.235$ And so this is just a way for you
- NOTE Confidence: 0.928256753636364
- 00:02:17.235 --> 00:02:18.978 to let me know how you're feeling.
- NOTE Confidence: 0.928256753636364
- $00:02:18.980 \longrightarrow 00:02:19.872$ And like I said,
- NOTE Confidence: 0.928256753636364
- $00:02:19.872 \longrightarrow 00:02:21.511$ we can decide if what we're doing
- NOTE Confidence: 0.928256753636364
- 00:02:21.511 -> 00:02:23.247 together is working or if we need
- NOTE Confidence: 0.928256753636364
- $00:02:23.247 \longrightarrow 00:02:24.460$ to change something up.
- NOTE Confidence: 0.928256753636364
- 00:02:24.460 --> 00:02:24.820 Okay,
- NOTE Confidence: 0.939549
- $00{:}02{:}25.750 \dashrightarrow 00{:}02{:}27.388$ What about, like mom or dad?
- NOTE Confidence: 0.939549
- $00:02:27.390 \longrightarrow 00:02:29.628$ Will they have access to this?
- NOTE Confidence: 0.939549

 $00:02:29.830 \longrightarrow 00:02:31.030$ That's such a good question.

NOTE Confidence: 0.939549

 $00:02:31.030 \rightarrow 00:02:34.030$ So this, just like everything we work on,

NOTE Confidence: 0.939549

 $00:02:34.030 \longrightarrow 00:02:36.070$ stays in your chart with me.

NOTE Confidence: 0.939549

 $00:02:36.070 \dashrightarrow 00:02:37.618$ And so your parents always have

NOTE Confidence: 0.939549

 $00:02:37.618 \longrightarrow 00:02:39.229$ access to that if they want.

NOTE Confidence: 0.939549

 $00{:}02{:}39{.}230 \dashrightarrow 00{:}02{:}41.078$ But you and I will decide together

NOTE Confidence: 0.939549

 $00{:}02{:}41.078 \dashrightarrow 00{:}02{:}43.068$ when feels right to share it with them.

NOTE Confidence: 0.939549

 $00:02:43.070 \longrightarrow 00:02:44.312$ I think we should probably just

NOTE Confidence: 0.939549

 $00{:}02{:}44.312 \dashrightarrow 00{:}02{:}45.710$ get started and see how you feel.

NOTE Confidence: 0.939549

 $00:02:45.710 \longrightarrow 00:02:47.756$ First about it can be really

NOTE Confidence: 0.939549

 $00{:}02{:}47.756 \dashrightarrow 00{:}02{:}49.875$ helpful for your parents to know

NOTE Confidence: 0.939549

 $00:02:49.875 \longrightarrow 00:02:51.921$ how things are going from your

NOTE Confidence: 0.939549

 $00:02:51.921 \dashrightarrow 00:02:54.028$ perspective so they can support you.

NOTE Confidence: 0.939549

00:02:54.030 $-\!>$ 00:02:56.174 And I may actually ask them to do

NOTE Confidence: 0.939549

 $00:02:56.174 \rightarrow 00:02:57.949$ some checklist as well on their own,

NOTE Confidence: 0.939549

 $00:02:57.950 \dashrightarrow 00:02:59.875$ but this won't be shared with your

- NOTE Confidence: 0.939549
- $00:02:59.875 \dashrightarrow 00:03:01.383$ teachers or any other clinicians

NOTE Confidence: 0.939549

 $00:03:01.383 \longrightarrow 00:03:03.261$ or anybody else in the school

NOTE Confidence: 0.939549

 $00:03:03.261 \rightarrow 00:03:05.120$ unless you and your parents give

NOTE Confidence: 0.939549

 $00{:}03{:}05{.}120 \dashrightarrow 00{:}03{:}06{.}585$ us permission to share it.

NOTE Confidence: 0.939549

 $00:03:06.590 \longrightarrow 00:03:08.633$ It's really just for us to use so that

NOTE Confidence: 0.939549

 $00{:}03{:}08{.}633 \dashrightarrow 00{:}03{:}10.869$ we can get a sense of how you're doing

NOTE Confidence: 0.939549

 $00:03:10.870 \rightarrow 00:03:13.110$ and how therapy is going for you.

NOTE Confidence: 0.939549

 $00{:}03{:}13.110 \dashrightarrow 00{:}03{:}13.656$ OK, sounds good.

NOTE Confidence: 0.939549

00:03:13.656 --> 00:03:15.113 Do you want me to read them out

NOTE Confidence: 0.939549

 $00{:}03{:}15{.}113 \dashrightarrow 00{:}03{:}16{.}266$ to you and you can fill them out

NOTE Confidence: 0.939549

 $00:03:16.266 \longrightarrow 00:03:17.790$ or do you want to go ahead and

NOTE Confidence: 0.939549

 $00:03:17.790 \longrightarrow 00:03:19.230$ fill it out yourself?

NOTE Confidence: 0.939549

 $00{:}03{:}19{.}230 \dashrightarrow 00{:}03{:}20{.}990$ I think I can fill it out myself.

NOTE Confidence: 0.939549

00:03:20.990 --> 00:03:21.190 OK,

NOTE Confidence: 0.9290567

 $00:03:21.470 \longrightarrow 00:03:22.150$ great. Go for it.
