NOTE Confidence: 0.9234793

00:00:00.000 --> 00:00:01.824 So good morning, everyone.

NOTE Confidence: 0.9234793

00:00:01.824 --> 00:00:05.640 Just a second. My name is Annie Harper.

NOTE Confidence: 0.9234793

00:00:05.640 --> 00:00:07.740 I'm the now the director of the

NOTE Confidence: 0.9234793

00:00:07.740 --> 00:00:08.640 Citizenship Community Collaborative,

NOTE Confidence: 0.9234793

00:00:08.640 --> 00:00:10.505 which we call CCC since

NOTE Confidence: 0.9234793

00:00:10.505 --> 00:00:11.997 Michael retired in December.

NOTE Confidence: 0.9234793

00:00:12.000 --> 00:00:13.920 Big shoes to step into.

NOTE Confidence: 0.9234793

00:00:13.920 --> 00:00:15.918 I'm also direct director of the

NOTE Confidence: 0.9234793

00:00:15.918 --> 00:00:17.790 financial health work we do here.

NOTE Confidence: 0.9234793

00:00:17.790 --> 00:00:18.924 And firstly, I want to stay on

NOTE Confidence: 0.9234793

00:00:18.924 --> 00:00:20.110 behalf of the director of Perch,

NOTE Confidence: 0.9234793

00:00:20.110 --> 00:00:20.881 Doctor Sherrell Bellamy,

NOTE Confidence: 0.9234793

00:00:20.881 --> 00:00:21.909 who's with us today,

NOTE Confidence: 0.9234793

00:00:21.910 --> 00:00:23.190 and the Perch leadership,  
NOTE Confidence: 0.9234793

00:00:23.190 --> 00:00:24.332 faculty, staff and collaborators.  
NOTE Confidence: 0.9234793

00:00:24.332 --> 00:00:25.976 We so appreciate you all being  
NOTE Confidence: 0.9234793

00:00:25.976 --> 00:00:27.557 here today to honor the work of  
NOTE Confidence: 0.9234793

00:00:27.557 --> 00:00:28.999 Michael and all the scholars that  
NOTE Confidence: 0.9234793

00:00:28.999 --> 00:00:30.945 have been influenced by his work on  
NOTE Confidence: 0.9234793

00:00:30.945 --> 00:00:32.226 citizenship and community inclusion.  
NOTE Confidence: 0.9234793

00:00:32.226 --> 00:00:33.886 It's really an amazing experience  
NOTE Confidence: 0.9234793

00:00:33.886 --> 00:00:35.846 to be part of something that's  
NOTE Confidence: 0.9234793

00:00:35.846 --> 00:00:37.401 making such a difference around  
NOTE Confidence: 0.9234793

00:00:37.401 --> 00:00:39.266 the country and around the world.  
NOTE Confidence: 0.9234793

00:00:39.270 --> 00:00:41.274 So my personal involvement in this  
NOTE Confidence: 0.9234793

00:00:41.274 --> 00:00:43.419 work started when I met Michael,  
NOTE Confidence: 0.9234793

00:00:43.420 --> 00:00:45.300 maybe 10 years ago or so,  
NOTE Confidence: 0.9234793

00:00:45.300 --> 00:00:47.244 introduced to him by our own  
NOTE Confidence: 0.9234793

00:00:47.244 --> 00:00:48.726 dear colleague and person I

NOTE Confidence: 0.9234793

00:00:48.726 --> 00:00:49.738 call Master of Connections.

NOTE Confidence: 0.9234793

00:00:49.740 --> 00:00:51.180 Kyle Peterson.

NOTE Confidence: 0.9234793

00:00:51.180 --> 00:00:53.036 And Michael saw the role that I,

NOTE Confidence: 0.9234793

00:00:53.036 --> 00:00:54.506 as a cultural anthropologist who

NOTE Confidence: 0.9234793

00:00:54.506 --> 00:00:56.298 studies money and financial systems,

NOTE Confidence: 0.9234793

00:00:56.300 --> 00:00:57.850 might play a mental health

NOTE Confidence: 0.9234793

00:00:57.850 --> 00:00:58.780 research and practice.

NOTE Confidence: 0.9234793

00:00:58.780 --> 00:01:01.048 I have no knowledge of health or

NOTE Confidence: 0.9234793

00:01:01.048 --> 00:01:02.800 healthcare and really still don't.

NOTE Confidence: 0.9234793

00:01:02.800 --> 00:01:04.170 But Michael understood that if

NOTE Confidence: 0.9234793

00:01:04.170 --> 00:01:06.062 we take the social or structural

NOTE Confidence: 0.9234793

00:01:06.062 --> 00:01:07.918 determinants of health seriously,

NOTE Confidence: 0.9234793

00:01:07.920 --> 00:01:09.696 we need to be working across

NOTE Confidence: 0.9234793

00:01:09.696 --> 00:01:11.239 boundaries to really understand and

NOTE Confidence: 0.9234793

00:01:11.239 --> 00:01:12.744 address the determinants that have

NOTE Confidence: 0.9234793

00:01:12.744 --> 00:01:14.760 such a profound impact on the mental  
NOTE Confidence: 0.9234793

00:01:14.760 --> 00:01:16.272 health and wellbeing of so many.  
NOTE Confidence: 0.9234793

00:01:16.280 --> 00:01:18.044 Michael recognized the value of my  
NOTE Confidence: 0.9234793

00:01:18.044 --> 00:01:19.902 understanding of the ways that our  
NOTE Confidence: 0.9234793

00:01:19.902 --> 00:01:21.477 economic and financial systems work.  
NOTE Confidence: 0.9234793

00:01:21.480 --> 00:01:23.916 All very often don't work for people,  
NOTE Confidence: 0.9234793

00:01:23.920 --> 00:01:25.188 particularly people who are  
NOTE Confidence: 0.9234793

00:01:25.188 --> 00:01:26.773 poor and have mental illness.  
NOTE Confidence: 0.9234793

00:01:26.780 --> 00:01:27.256 And this,  
NOTE Confidence: 0.9234793

00:01:27.256 --> 00:01:28.922 for me is the heart of the  
NOTE Confidence: 0.9234793

00:01:28.922 --> 00:01:29.660 citizenship approach,  
NOTE Confidence: 0.9234793

00:01:29.660 --> 00:01:31.538 recognizing that very often the problems  
NOTE Confidence: 0.9234793

00:01:31.538 --> 00:01:33.980 that we grapple with around mental illness,  
NOTE Confidence: 0.9234793

00:01:33.980 --> 00:01:35.596 and thus the solutions,  
NOTE Confidence: 0.9234793

00:01:35.596 --> 00:01:37.616 lay far outside our biology,  
NOTE Confidence: 0.9234793

00:01:37.620 --> 00:01:38.246 our bodies,

NOTE Confidence: 0.9234793

00:01:38.246 --> 00:01:38.872 our brains,

NOTE Confidence: 0.9234793

00:01:38.872 --> 00:01:40.750 and indeed the clinics where we

NOTE Confidence: 0.9234793

00:01:40.810 --> 00:01:42.856 where we usually treat the problems.

NOTE Confidence: 0.9234793

00:01:42.860 --> 00:01:44.568 So as far as my financial health

NOTE Confidence: 0.9234793

00:01:44.568 --> 00:01:45.056 is concerned,

NOTE Confidence: 0.9234793

00:01:45.060 --> 00:01:47.058 with the support of Michael and the CCC team,

NOTE Confidence: 0.9234793

00:01:47.060 --> 00:01:48.520 we've developed a financial health

NOTE Confidence: 0.9234793

00:01:48.520 --> 00:01:49.980 program that explores what we

NOTE Confidence: 0.9234793

00:01:50.033 --> 00:01:51.358 need to be doing differently.

NOTE Confidence: 0.9234793

00:01:51.360 --> 00:01:51.897 And by we,

NOTE Confidence: 0.9234793

00:01:51.897 --> 00:01:53.150 I don't mean just us who work

NOTE Confidence: 0.9234793

00:01:53.198 --> 00:01:53.960 in mental health,

NOTE Confidence: 0.9234793

00:01:53.960 --> 00:01:56.396 but we as a society and specifically

NOTE Confidence: 0.9234793

00:01:56.396 --> 00:01:58.040 the financial services industry,

NOTE Confidence: 0.9234793

00:01:58.040 --> 00:01:59.606 what that needs to be doing

NOTE Confidence: 0.9234793

00:01:59.606 --> 00:02:01.044 differently to make sure that  
NOTE Confidence: 0.9234793

00:02:01.044 --> 00:02:02.759 everyone can be financially healthy.  
NOTE Confidence: 0.9234793

00:02:02.760 --> 00:02:04.518 And this includes people who may  
NOTE Confidence: 0.9234793

00:02:04.518 --> 00:02:06.319 sometimes need help managing their money.  
NOTE Confidence: 0.9234793

00:02:06.320 --> 00:02:07.680 And actually that's all of  
NOTE Confidence: 0.9234793

00:02:07.680 --> 00:02:09.040 us probably at some point.  
NOTE Confidence: 0.9234793

00:02:09.040 --> 00:02:10.920 This is not just a mental health problem,  
NOTE Confidence: 0.9234793

00:02:10.920 --> 00:02:12.846 you know, mental health, For example.  
NOTE Confidence: 0.9234793

00:02:12.850 --> 00:02:13.798 In financial health work,  
NOTE Confidence: 0.9234793

00:02:13.798 --> 00:02:15.220 we're exploring ways to make sure  
NOTE Confidence: 0.9234793

00:02:15.263 --> 00:02:16.668 that people with mental illness  
NOTE Confidence: 0.9234793

00:02:16.668 --> 00:02:18.073 who've been incarcerated aren't facing  
NOTE Confidence: 0.9234793

00:02:18.118 --> 00:02:19.468 financial problems that get in the  
NOTE Confidence: 0.9234793

00:02:19.468 --> 00:02:21.039 way of their recovery and their reentry.  
NOTE Confidence: 0.9234793

00:02:21.039 --> 00:02:22.377 We're exploring what we can do  
NOTE Confidence: 0.9234793

00:02:22.377 --> 00:02:23.963 to ensure that people who do need

NOTE Confidence: 0.9234793

00:02:23.963 --> 00:02:25.357 someone to help them manage their

NOTE Confidence: 0.9234793

00:02:25.357 --> 00:02:26.773 money have the options they need

NOTE Confidence: 0.9234793

00:02:26.773 --> 00:02:29.240 to ensure they can do that with

NOTE Confidence: 0.9234793

00:02:29.240 --> 00:02:31.230 the maximum dignity and autonomy.

NOTE Confidence: 0.93229645

00:02:31.230 --> 00:02:33.281 One of the amazing things about the

NOTE Confidence: 0.93229645

00:02:33.281 --> 00:02:34.686 citizenship approach and working in

NOTE Confidence: 0.93229645

00:02:34.686 --> 00:02:36.331 this place is that it insists that

NOTE Confidence: 0.93229645

00:02:36.331 --> 00:02:38.225 we don't get stuck in our own silos.

NOTE Confidence: 0.93229645

00:02:38.230 --> 00:02:39.830 So my focus is finances,

NOTE Confidence: 0.93229645

00:02:39.830 --> 00:02:41.587 but that's never all I'm working on.

NOTE Confidence: 0.93229645

00:02:41.590 --> 00:02:42.945 I'm constantly engaging with colleagues

NOTE Confidence: 0.93229645

00:02:42.945 --> 00:02:44.550 who address other parts of life,

NOTE Confidence: 0.93229645

00:02:44.550 --> 00:02:46.990 which are all related.

NOTE Confidence: 0.93229645

00:02:46.990 --> 00:02:48.148 A few of those are listed,

NOTE Confidence: 0.93229645

00:02:48.150 --> 00:02:49.305 if you go to the next slide

NOTE Confidence: 0.9366869

00:02:53.990 --> 00:02:56.230 on a few of them are listed here,  
NOTE Confidence: 0.9366869

00:02:56.230 --> 00:02:57.726 from learning collaborative training  
NOTE Confidence: 0.9366869

00:02:57.726 --> 00:02:59.596 providers around the state of  
NOTE Confidence: 0.9366869

00:02:59.596 --> 00:03:01.057 Connecticut all the way to the  
NOTE Confidence: 0.9366869

00:03:01.057 --> 00:03:02.430 to the music theatre and magic,  
NOTE Confidence: 0.9366869

00:03:02.430 --> 00:03:03.650 the work that we've done  
NOTE Confidence: 0.9366869

00:03:03.650 --> 00:03:04.626 and they're still doing.  
NOTE Confidence: 0.9366869

00:03:04.630 --> 00:03:06.514 The Citizens Project listed here is  
NOTE Confidence: 0.9366869

00:03:06.514 --> 00:03:08.430 the most longstanding program of the  
NOTE Confidence: 0.9366869

00:03:08.430 --> 00:03:10.254 citizenship work and the foundation of  
NOTE Confidence: 0.9366869

00:03:10.254 --> 00:03:12.028 almost everything that's come afterwards.  
NOTE Confidence: 0.9366869

00:03:12.030 --> 00:03:13.710 My colleague at Perch, Betty Benedict,  
NOTE Confidence: 0.9366869

00:03:13.710 --> 00:03:15.108 has led that work for years,  
NOTE Confidence: 0.9366869

00:03:15.110 --> 00:03:16.944 and we'll hear later from Bridget Williamson,  
NOTE Confidence: 0.9366869

00:03:16.950 --> 00:03:18.835 also from Perch, who's currently  
NOTE Confidence: 0.9366869

00:03:18.835 --> 00:03:20.720 director of the Citizens Project.

NOTE Confidence: 0.9366869

00:03:20.720 --> 00:03:22.478 Bridget and another colleague from Perch,

NOTE Confidence: 0.9366869

00:03:22.480 --> 00:03:22.970 Billy Bromage,

NOTE Confidence: 0.9366869

00:03:22.970 --> 00:03:24.440 will talk about the incredible work.

NOTE Confidence: 0.9366869

00:03:24.440 --> 00:03:26.156 They do engage in community doing,

NOTE Confidence: 0.9366869

00:03:26.160 --> 00:03:27.016 community organizing,

NOTE Confidence: 0.9366869

00:03:27.016 --> 00:03:28.728 and really addressing through

NOTE Confidence: 0.9366869

00:03:28.728 --> 00:03:30.440 advocacy the policy level,

NOTE Confidence: 0.9366869

00:03:30.440 --> 00:03:31.972 structural determinants of health.

NOTE Confidence: 0.9366869

00:03:31.972 --> 00:03:34.708 And we'll hear from other colleagues at CMHC

NOTE Confidence: 0.9366869

00:03:34.708 --> 00:03:36.316 who've been influenced by Michael's work,

NOTE Confidence: 0.9366869

00:03:36.320 --> 00:03:38.560 Erica Carr and Allison Ponce.

NOTE Confidence: 0.9366869

00:03:38.560 --> 00:03:40.440 Then we'll hear from people across the globe.

NOTE Confidence: 0.9366869

00:03:40.440 --> 00:03:42.715 Jean Francois Paletier from the

NOTE Confidence: 0.9366869

00:03:42.715 --> 00:03:44.990 University Of Montreal in Canada.

NOTE Confidence: 0.9366869

00:03:44.990 --> 00:03:46.026 I'm going to mess up the name,

NOTE Confidence: 0.9366869

00:03:46.030 --> 00:03:47.110 but I'll do my best.  
NOTE Confidence: 0.9366869

00:03:47.110 --> 00:03:48.990 Francisco Aroa Arosa from the  
NOTE Confidence: 0.9366869

00:03:48.990 --> 00:03:50.870 University of Barcelona in Spain,  
NOTE Confidence: 0.9366869

00:03:50.870 --> 00:03:52.445 Fiona Wong from the Richmond  
NOTE Confidence: 0.9366869

00:03:52.445 --> 00:03:53.705 Fellowship in Hong Kong,  
NOTE Confidence: 0.9366869

00:03:53.710 --> 00:03:55.438 and Gillian McIntyre from the University  
NOTE Confidence: 0.9366869

00:03:55.438 --> 00:03:57.070 of Strathclyde in in Scotland.  
NOTE Confidence: 0.9366869

00:03:57.070 --> 00:03:59.310 This is really just the beginning of  
NOTE Confidence: 0.9366869

00:03:59.310 --> 00:04:00.963 the citizenship work and Michael's  
NOTE Confidence: 0.9366869

00:04:00.963 --> 00:04:03.189 work has laid this foundation for us.  
NOTE Confidence: 0.9366869

00:04:03.190 --> 00:04:04.555 And we will hear a bit more  
NOTE Confidence: 0.9366869

00:04:04.555 --> 00:04:05.549 from Michael at the end.  
NOTE Confidence: 0.9366869

00:04:05.550 --> 00:04:07.350 So I'll pass it on now to Fran.  
NOTE Confidence: 0.9366869

00:04:07.350 --> 00:04:08.022 And I hope,  
NOTE Confidence: 0.9366869

00:04:08.022 --> 00:04:08.246 Fran,  
NOTE Confidence: 0.9366869

00:04:08.246 --> 00:04:10.182 you have time to do this before you

NOTE Confidence: 0.9366869

00:04:10.182 --> 00:04:12.318 have to leave to pick up your children.

NOTE Confidence: 0.9366869

00:04:12.320 --> 00:04:12.480 Thank

NOTE Confidence: 0.9339996

00:04:12.480 --> 00:04:15.840 you, Annie. Well, so in my presentation,

NOTE Confidence: 0.9339996

00:04:15.840 --> 00:04:16.708 we'll have five parts.

NOTE Confidence: 0.9339996

00:04:16.708 --> 00:04:17.793 It's going to be short,

NOTE Confidence: 0.9339996

00:04:17.800 --> 00:04:19.720 but I'm going to talk a little bit

NOTE Confidence: 0.9339996

00:04:19.720 --> 00:04:21.272 about discrimination history, measure,

NOTE Confidence: 0.9339996

00:04:21.272 --> 00:04:23.960 training and finally citizenship.

NOTE Confidence: 0.9339996

00:04:23.960 --> 00:04:28.510 So next, I guess. Yeah.

NOTE Confidence: 0.9339996

00:04:28.510 --> 00:04:31.958 So when I met Michael and and I

NOTE Confidence: 0.9339996

00:04:31.958 --> 00:04:35.270 listened to to his work and and so

NOTE Confidence: 0.9339996

00:04:35.270 --> 00:04:36.986 Larry Davidson and everything that had

NOTE Confidence: 0.9339996

00:04:36.986 --> 00:04:39.029 to do with recovery and relationship.

NOTE Confidence: 0.9339996

00:04:39.030 --> 00:04:41.172 I wondered what makes the people you

NOTE Confidence: 0.9339996

00:04:41.172 --> 00:04:43.795 can see on the left to the people that

NOTE Confidence: 0.9339996

00:04:43.795 --> 00:04:46.563 you can see on the right that supposedly

NOTE Confidence: 0.9339996

00:04:46.563 --> 00:04:50.320 also had a mental health problems

NOTE Confidence: 0.9339996

00:04:50.320 --> 00:04:52.350 during their lives and I said okay,

NOTE Confidence: 0.9339996

00:04:52.350 --> 00:04:54.830 it's a question of power.

NOTE Confidence: 0.9339996

00:04:54.830 --> 00:04:58.474 So why I need to to tell a history

NOTE Confidence: 0.9339996

00:04:58.474 --> 00:05:00.762 to myself about how this connects to

NOTE Confidence: 0.9339996

00:05:00.762 --> 00:05:02.724 with the history of mental health,

NOTE Confidence: 0.9339996

00:05:02.730 --> 00:05:04.143 mental health care.

NOTE Confidence: 0.9339996

00:05:04.143 --> 00:05:08.577 So I did this graph that I used to

NOTE Confidence: 0.9339996

00:05:08.577 --> 00:05:10.542 explain recovery and citizenship

NOTE Confidence: 0.9339996

00:05:10.542 --> 00:05:13.446 to to people here in Spain.

NOTE Confidence: 0.9339996

00:05:13.450 --> 00:05:16.360 And basically I understood that we

NOTE Confidence: 0.9339996

00:05:16.360 --> 00:05:18.778 started treating people from our

NOTE Confidence: 0.9339996

00:05:18.778 --> 00:05:21.142 custodial system and then we we

NOTE Confidence: 0.9339996

00:05:21.142 --> 00:05:23.370 changed to trying to heal people,

NOTE Confidence: 0.9339996

00:05:23.370 --> 00:05:25.124 trying to rehabilitate, rehabilitate people.

NOTE Confidence: 0.9339996

00:05:25.124 --> 00:05:26.809 And then the recovery model

NOTE Confidence: 0.9350239

00:05:29.010 --> 00:05:31.558 appeared. And then how does that connect

NOTE Confidence: 0.9350239

00:05:31.558 --> 00:05:34.714 with citizenship, which is next,

NOTE Confidence: 0.9350239

00:05:34.714 --> 00:05:40.071 not next, not an alternative to recovery,

NOTE Confidence: 0.9350239

00:05:40.071 --> 00:05:43.298 with something that in my opinion at

NOTE Confidence: 0.9350239

00:05:43.298 --> 00:05:46.129 least gives context and a political

NOTE Confidence: 0.9350239

00:05:46.130 --> 00:05:48.210 background to the recovery model.

NOTE Confidence: 0.9350239

00:05:48.210 --> 00:05:51.546 Yeah, it's here's a paper by Larry Davidson

NOTE Confidence: 0.9350239

00:05:51.546 --> 00:05:54.456 and Michael Rowe that is recovering this

NOTE Confidence: 0.9350239

00:05:54.456 --> 00:05:57.440 relationship that can give you some tips.

NOTE Confidence: 0.9350239

00:05:57.440 --> 00:05:59.474 So the first thing that I

NOTE Confidence: 0.9350239

00:05:59.474 --> 00:06:01.599 wrote and that was the plan.

NOTE Confidence: 0.9350239

00:06:01.600 --> 00:06:03.840 So what I will be doing when I go to funding,

NOTE Confidence: 0.9350239

00:06:03.840 --> 00:06:06.217 what I will be doing the next year with

NOTE Confidence: 0.9350239

00:06:06.217 --> 00:06:10.880 Michael Rowe, and this is the paper.

NOTE Confidence: 0.9350239

00:06:10.880 --> 00:06:14.694 So why I I planned 33 phases.  
NOTE Confidence: 0.9350239

00:06:14.694 --> 00:06:17.470 In each of them there was a preparation  
NOTE Confidence: 0.9350239

00:06:17.542 --> 00:06:20.320 and involvement and an evaluation phase.  
NOTE Confidence: 0.9350239

00:06:20.320 --> 00:06:24.635 I started by no, don't go back, please.  
NOTE Confidence: 0.9350239

00:06:24.635 --> 00:06:27.245 Yeah, So I started searching for  
NOTE Confidence: 0.9350239

00:06:27.245 --> 00:06:29.302 well established models and I  
NOTE Confidence: 0.9350239

00:06:29.302 --> 00:06:31.002 found recovery and citizenship and  
NOTE Confidence: 0.9350239

00:06:31.002 --> 00:06:33.519 I I found internationalized and  
NOTE Confidence: 0.9303793

00:06:36.040 --> 00:06:38.824 I did focus groups and interviews  
NOTE Confidence: 0.9303793

00:06:38.824 --> 00:06:40.680 with stakeholders in Spain.  
NOTE Confidence: 0.9303793

00:06:40.680 --> 00:06:42.717 We did an its assessment and we  
NOTE Confidence: 0.9303793

00:06:42.717 --> 00:06:44.049 elaborated some measurement instruments  
NOTE Confidence: 0.9303793

00:06:44.049 --> 00:06:46.049 designed and support and professional  
NOTE Confidence: 0.9303793

00:06:46.049 --> 00:06:47.649 training activities and measure  
NOTE Confidence: 0.9303793

00:06:47.706 --> 00:06:49.236 the impact of these activities.  
NOTE Confidence: 0.9303793

00:06:49.240 --> 00:06:52.648 And now we are currently in the third

NOTE Confidence: 0.9303793

00:06:52.648 --> 00:06:55.397 phase in in which I am trying to

NOTE Confidence: 0.92752844

00:06:58.280 --> 00:06:59.852 give some inputs to the citizenship

NOTE Confidence: 0.92752844

00:06:59.852 --> 00:07:01.600 model at a policy making level.

NOTE Confidence: 0.92752844

00:07:01.600 --> 00:07:04.744 I was recently at the Parliament of Catalonia

NOTE Confidence: 0.92752844

00:07:04.744 --> 00:07:07.758 and I'm in some advisory bodies next.

NOTE Confidence: 0.9330753

00:07:10.430 --> 00:07:13.585 This is the measure we did is a Beliefs

NOTE Confidence: 0.9330753

00:07:13.585 --> 00:07:15.110 and Attitude Mental Health Scale,

NOTE Confidence: 0.9330753

00:07:15.110 --> 00:07:16.630 which measures some beliefs

NOTE Confidence: 0.9330753

00:07:16.630 --> 00:07:18.486 and attitudes that are related

NOTE Confidence: 0.9330753

00:07:18.486 --> 00:07:19.830 with recovery and seditionship,

NOTE Confidence: 0.9330753

00:07:19.830 --> 00:07:21.645 and how mental health professionals

NOTE Confidence: 0.9330753

00:07:21.645 --> 00:07:23.950 connect with these attitudes and beliefs.

NOTE Confidence: 0.9330753

00:07:23.950 --> 00:07:26.110 It's validated and you can download

NOTE Confidence: 0.9330753

00:07:26.110 --> 00:07:29.270 it for free in this journal,

NOTE Confidence: 0.9330753

00:07:29.270 --> 00:07:30.817 and it was used to measure the

NOTE Confidence: 0.9330753

00:07:30.817 --> 00:07:32.421 impact of our activities with  
NOTE Confidence: 0.9330753

00:07:32.421 --> 00:07:34.150 mental health professionals. Next,  
NOTE Confidence: 0.93395275

00:07:37.030 --> 00:07:37.720 the dimensions.  
NOTE Confidence: 0.93395275

00:07:37.720 --> 00:07:40.135 You can see in the screen the  
NOTE Confidence: 0.93395275

00:07:40.135 --> 00:07:42.929 dimensions of this measure system  
NOTE Confidence: 0.93395275

00:07:42.929 --> 00:07:45.188 criticism, justifying beliefs,  
NOTE Confidence: 0.93395275

00:07:45.190 --> 00:07:46.909 freedom versus coercion,  
NOTE Confidence: 0.93395275

00:07:46.909 --> 00:07:48.628 empowerment versus parallelism,  
NOTE Confidence: 0.93395275

00:07:48.630 --> 00:07:51.910 and next tolerance versus discrimination.  
NOTE Confidence: 0.93395275

00:07:54.470 --> 00:07:57.025 We also did a systematic review of  
NOTE Confidence: 0.93395275

00:07:57.025 --> 00:07:59.186 meta analysis of recovery educational  
NOTE Confidence: 0.93395275

00:07:59.186 --> 00:08:01.656 interventions to see what people  
NOTE Confidence: 0.93395275

00:08:01.656 --> 00:08:04.245 had done before us and we saw  
NOTE Confidence: 0.93395275

00:08:04.245 --> 00:08:05.720 that there were positive results  
NOTE Confidence: 0.93395275

00:08:05.720 --> 00:08:07.640 for for beliefs and attitudes.  
NOTE Confidence: 0.93395275

00:08:07.640 --> 00:08:10.656 So recovery oriented training

NOTE Confidence: 0.93395275

00:08:10.656 --> 00:08:14.438 activities during the 90s and the

NOTE Confidence: 0.93395275

00:08:14.438 --> 00:08:17.540 2000s had a an impact on over the

NOTE Confidence: 0.93395275

00:08:17.540 --> 00:08:19.120 release and attitudes of professionals,

NOTE Confidence: 0.93395275

00:08:19.120 --> 00:08:21.264 but it was not so clear for recovery

NOTE Confidence: 0.93395275

00:08:21.264 --> 00:08:23.076 based practice as you can see in the

NOTE Confidence: 0.93395275

00:08:23.076 --> 00:08:28.040 graph in this final plot on the right next.

NOTE Confidence: 0.93395275

00:08:28.040 --> 00:08:29.852 Thanks to this review,

NOTE Confidence: 0.93395275

00:08:29.852 --> 00:08:33.473 we were able to design and implement

NOTE Confidence: 0.93395275

00:08:33.473 --> 00:08:35.877 continuing education activities for

NOTE Confidence: 0.93395275

00:08:35.877 --> 00:08:38.544 mental health professionals and also

NOTE Confidence: 0.93395275

00:08:38.544 --> 00:08:40.902 training for training for the trainers

NOTE Confidence: 0.93395275

00:08:40.902 --> 00:08:44.606 of peer support that is now currently

NOTE Confidence: 0.93395275

00:08:44.606 --> 00:08:46.658 being carried out in Catalonia.

NOTE Confidence: 0.93395275

00:08:46.658 --> 00:08:50.134 So we are starting to carry to train our

NOTE Confidence: 0.93395275

00:08:50.134 --> 00:08:52.941 first peer support workers here in Catalonia.

NOTE Confidence: 0.93395275

00:08:52.950 --> 00:08:57.720 Next and this is the results of  
NOTE Confidence: 0.93395275

00:08:57.720 --> 00:09:01.286 the evaluations of this recovery  
NOTE Confidence: 0.93395275

00:09:01.286 --> 00:09:04.516 oriented recovery and rights based  
NOTE Confidence: 0.93395275

00:09:04.520 --> 00:09:06.968 oriented activities with a class of  
NOTE Confidence: 0.93395275

00:09:06.968 --> 00:09:08.600 randomized weightless control trial.  
NOTE Confidence: 0.93395275

00:09:08.600 --> 00:09:11.360 And we saw that there was,  
NOTE Confidence: 0.93395275

00:09:11.360 --> 00:09:12.752 there were positive results  
NOTE Confidence: 0.93395275

00:09:12.752 --> 00:09:13.796 especially for coercion.  
NOTE Confidence: 0.93395275

00:09:13.800 --> 00:09:17.710 So our training activities decreased  
NOTE Confidence: 0.93395275

00:09:17.710 --> 00:09:21.328 the beliefs that coercion or coercive  
NOTE Confidence: 0.93395275

00:09:21.328 --> 00:09:25.120 practices are good in in mental health.  
NOTE Confidence: 0.93395275

00:09:25.120 --> 00:09:28.728 This was done with more than 500 mental  
NOTE Confidence: 0.93395275

00:09:28.728 --> 00:09:31.840 health professionals and next and now we  
NOTE Confidence: 0.93395275

00:09:31.840 --> 00:09:35.110 are starting to design and implement.  
NOTE Confidence: 0.93395275

00:09:35.110 --> 00:09:38.950 Also this is now 2019,  
NOTE Confidence: 0.93395275

00:09:38.950 --> 00:09:40.566 some training activities that

NOTE Confidence: 0.93395275

00:09:40.566 --> 00:09:42.586 are purely based on citizenship.

NOTE Confidence: 0.93395275

00:09:42.590 --> 00:09:43.650 On the citizenship model,

NOTE Confidence: 0.93395275

00:09:43.650 --> 00:09:45.510 this is one thing that we use.

NOTE Confidence: 0.93395275

00:09:45.510 --> 00:09:46.938 We use this thing,

NOTE Confidence: 0.93395275

00:09:46.938 --> 00:09:50.148 this table that you can find on the right.

NOTE Confidence: 0.93395275

00:09:50.150 --> 00:09:54.235 So we make students participants,

NOTE Confidence: 0.93395275

00:09:54.235 --> 00:09:58.830 analyze the places they work or they do

NOTE Confidence: 0.93395275

00:09:58.830 --> 00:10:01.630 internships or whatever in terms of rights,

NOTE Confidence: 0.93395275

00:10:01.630 --> 00:10:03.387 responsibility in terms of the five hours,

NOTE Confidence: 0.93395275

00:10:03.390 --> 00:10:03.810 rights,

NOTE Confidence: 0.93395275

00:10:03.810 --> 00:10:04.650 responsibilities, roles,

NOTE Confidence: 0.93395275

00:10:04.650 --> 00:10:05.910 resources and relationships.

NOTE Confidence: 0.93395275

00:10:05.910 --> 00:10:07.630 Elements to highlight part of

NOTE Confidence: 0.93395275

00:10:07.630 --> 00:10:09.350 the program where they work,

NOTE Confidence: 0.93395275

00:10:09.350 --> 00:10:11.462 that they believe they already deal

NOTE Confidence: 0.93395275

00:10:11.462 --> 00:10:13.670 with this dimension of citizenship.  
NOTE Confidence: 0.93395275

00:10:13.670 --> 00:10:15.338 And all the other elements that  
NOTE Confidence: 0.93395275

00:10:15.338 --> 00:10:17.234 should be reflected on part of the  
NOTE Confidence: 0.93395275

00:10:17.234 --> 00:10:18.928 program that we believe it could be  
NOTE Confidence: 0.93395275

00:10:18.985 --> 00:10:20.809 modified to deal with the dimension  
NOTE Confidence: 0.93395275

00:10:20.809 --> 00:10:23.420 of the citizenship more deeply.  
NOTE Confidence: 0.93395275

00:10:23.420 --> 00:10:28.602 Next and now we are going to carry out  
NOTE Confidence: 0.93395275

00:10:28.602 --> 00:10:30.476 another randomized trial of awareness  
NOTE Confidence: 0.93395275

00:10:30.476 --> 00:10:31.728 interventions for mental health  
NOTE Confidence: 0.93395275

00:10:31.728 --> 00:10:33.690 professionals based on the solution model.  
NOTE Confidence: 0.93395275

00:10:33.690 --> 00:10:35.447 This is what we are currently doing.  
NOTE Confidence: 0.93395275

00:10:35.450 --> 00:10:37.766 This paper is from this year  
NOTE Confidence: 0.93395275

00:10:37.770 --> 00:10:43.302 in this back back please.  
NOTE Confidence: 0.93395275

00:10:43.302 --> 00:10:45.950 So to finish,  
NOTE Confidence: 0.93395275

00:10:45.950 --> 00:10:49.893 to wrap up in this, in this the,  
NOTE Confidence: 0.93395275

00:10:49.893 --> 00:10:51.579 the message is that instead of

NOTE Confidence: 0.93395275

00:10:51.579 --> 00:10:53.364 treating aspects of the citizenship

NOTE Confidence: 0.93395275

00:10:53.364 --> 00:10:55.169 as determinants of mental health,

NOTE Confidence: 0.93395275

00:10:55.170 --> 00:10:56.250 that is already the case,

NOTE Confidence: 0.93395275

00:10:56.250 --> 00:10:57.780 but without a clear impact on

NOTE Confidence: 0.93395275

00:10:57.780 --> 00:10:59.170 changes in the care model.

NOTE Confidence: 0.93395275

00:10:59.170 --> 00:11:00.330 Our can you go back,

NOTE Confidence: 0.93395275

00:11:00.330 --> 00:11:02.530 please?

NOTE Confidence: 0.93395275

00:11:02.530 --> 00:11:04.036 Our proposal is to treat citizenship

NOTE Confidence: 0.93395275

00:11:04.036 --> 00:11:05.979 as the main outcome of any mental

NOTE Confidence: 0.93395275

00:11:05.979 --> 00:11:07.163 health intervention and treat

NOTE Confidence: 0.93395275

00:11:07.163 --> 00:11:08.386 psychopathology as one among

NOTE Confidence: 0.93395275

00:11:08.386 --> 00:11:09.806 many others of its determinants.

NOTE Confidence: 0.93395275

00:11:09.810 --> 00:11:10.676 Thank you.

NOTE Confidence: 0.93395275

00:11:10.676 --> 00:11:15.729 And I am going to turn it over to John Hasso.

NOTE Confidence: 0.93395275

00:11:15.730 --> 00:11:16.090 Thank you.

NOTE Confidence: 0.9329683

00:11:18.640 --> 00:11:20.080 Thank you, friend. Thank you, Michael.  
NOTE Confidence: 0.9329683

00:11:22.360 --> 00:11:24.796 Nice to meet you all today.  
NOTE Confidence: 0.9329683

00:11:24.800 --> 00:11:26.756 My name is Jean Francois Peltier.  
NOTE Confidence: 0.9329683

00:11:26.760 --> 00:11:28.839 You can tell it's a French name.  
NOTE Confidence: 0.9329683

00:11:28.840 --> 00:11:31.200 I live in Montreal, Canada.  
NOTE Confidence: 0.9329683

00:11:31.200 --> 00:11:34.434 I'm an assistant clinical professor at Yale,  
NOTE Confidence: 0.9329683

00:11:34.440 --> 00:11:37.836 and I'm also a clinical researcher  
NOTE Confidence: 0.9329683

00:11:37.840 --> 00:11:40.690 at the Integrated Health and Social  
NOTE Confidence: 0.9329683

00:11:40.690 --> 00:11:43.320 Services Center in West Montage.  
NOTE Confidence: 0.9329683

00:11:43.320 --> 00:11:46.530 This is on the South Shore Of Montreal.  
NOTE Confidence: 0.9329683

00:11:46.530 --> 00:11:52.254 You see here the the colored sections of  
NOTE Confidence: 0.9329683

00:11:52.254 --> 00:11:56.190 this huge agency in the province of Quebec.  
NOTE Confidence: 0.9329683

00:11:56.190 --> 00:12:00.246 We have 16 regional authorities and this  
NOTE Confidence: 0.9329683

00:12:00.246 --> 00:12:03.190 is one of them to cover the territory.  
NOTE Confidence: 0.9329683

00:12:03.190 --> 00:12:07.030 And we have about 500,000 inhabitants  
NOTE Confidence: 0.9329683

00:12:07.030 --> 00:12:09.828 and more than 10,000 employees.

NOTE Confidence: 0.9329683

00:12:09.828 --> 00:12:12.901 So it's a big area and now

NOTE Confidence: 0.9329683

00:12:12.901 --> 00:12:14.600 I'm a clinical researcher,

NOTE Confidence: 0.9329683

00:12:14.600 --> 00:12:17.810 I'm still affiliated with the university,

NOTE Confidence: 0.9329683

00:12:17.810 --> 00:12:20.730 but more more more importantly,

NOTE Confidence: 0.9329683

00:12:20.730 --> 00:12:24.570 I'm really into the system as a clinical

NOTE Confidence: 0.9329683

00:12:24.570 --> 00:12:27.636 researcher and I'm also been affiliated

NOTE Confidence: 0.9329683

00:12:27.636 --> 00:12:31.135 to purge for more than 5015 years now.

NOTE Confidence: 0.9329683

00:12:31.135 --> 00:12:32.810 And my background is in

NOTE Confidence: 0.9329683

00:12:32.810 --> 00:12:34.050 the political science,

NOTE Confidence: 0.9329683

00:12:34.050 --> 00:12:36.675 so citizenship and political for

NOTE Confidence: 0.9329683

00:12:36.675 --> 00:12:38.775 political sciences scientists of

NOTE Confidence: 0.9329683

00:12:38.775 --> 00:12:41.489 course it's it makes a lot of sense.

NOTE Confidence: 0.9329683

00:12:41.490 --> 00:12:44.250 And what I want to present to you

NOTE Confidence: 0.9329683

00:12:44.250 --> 00:12:46.410 Michael today is that I think we,

NOTE Confidence: 0.9329683

00:12:46.410 --> 00:12:48.058 we made the great,

NOTE Confidence: 0.9329683

00:12:48.058 --> 00:12:50.530 great progress into that very public

NOTE Confidence: 0.9329683

00:12:50.607 --> 00:12:53.529 mental health system and and addiction.

NOTE Confidence: 0.9329683

00:12:53.530 --> 00:12:54.938 So I'm a peer,

NOTE Confidence: 0.9329683

00:12:54.938 --> 00:12:57.050 I'm a peer support worker too.

NOTE Confidence: 0.9329683

00:12:57.050 --> 00:13:01.130 And the next slide please.

NOTE Confidence: 0.9329683

00:13:01.130 --> 00:13:04.707 So this is the structure of the

NOTE Confidence: 0.9329683

00:13:04.707 --> 00:13:05.729 Sismo integrated.

NOTE Confidence: 0.9329683

00:13:05.730 --> 00:13:08.656 It's a service in Monte Regi West

NOTE Confidence: 0.9329683

00:13:08.656 --> 00:13:11.493 so that makes Sismo Okay that

NOTE Confidence: 0.9329683

00:13:11.493 --> 00:13:13.626 this greater big organization.

NOTE Confidence: 0.9329683

00:13:13.626 --> 00:13:17.034 We have mental health on one

NOTE Confidence: 0.9329683

00:13:17.034 --> 00:13:19.330 side and addiction on the other

NOTE Confidence: 0.9329683

00:13:19.330 --> 00:13:20.490 side and with about

NOTE Confidence: 0.9362769

00:13:22.650 --> 00:13:27.130 500 full time equivalent employees

NOTE Confidence: 0.9362769

00:13:27.130 --> 00:13:29.530 for mental health and addiction

NOTE Confidence: 0.9362769

00:13:29.530 --> 00:13:32.085 and I'm for the both mental health

NOTE Confidence: 0.9362769

00:13:32.085 --> 00:13:33.738 and addiction. Next slide please.

NOTE Confidence: 0.9345337

00:13:36.260 --> 00:13:39.940 So we are. I'm a peer support worker.

NOTE Confidence: 0.9345337

00:13:39.940 --> 00:13:41.020 For support workers,

NOTE Confidence: 0.9345337

00:13:41.020 --> 00:13:43.180 our person with first hand lived

NOTE Confidence: 0.9345337

00:13:43.180 --> 00:13:45.380 experience of mental health or addiction

NOTE Confidence: 0.9345337

00:13:45.380 --> 00:13:47.520 problems and who are further along

NOTE Confidence: 0.9345337

00:13:47.520 --> 00:13:49.680 in their own recovery journey and

NOTE Confidence: 0.9345337

00:13:49.680 --> 00:13:51.580 we can provide supportive services.

NOTE Confidence: 0.9345337

00:13:51.580 --> 00:13:54.132 And what we did that this agency is

NOTE Confidence: 0.9345337

00:13:54.132 --> 00:13:56.899 that all peer support workers will be

NOTE Confidence: 0.9345337

00:13:56.899 --> 00:13:59.138 using the citizenship measure combined

NOTE Confidence: 0.9345337

00:13:59.138 --> 00:14:01.423 to the recovery assessment scale.

NOTE Confidence: 0.9345337

00:14:01.430 --> 00:14:03.110 And this is really a first,

NOTE Confidence: 0.9345337

00:14:03.110 --> 00:14:06.270 it's a official clinical tool.

NOTE Confidence: 0.9345337

00:14:06.270 --> 00:14:10.510 Okay. Next slide please.

NOTE Confidence: 0.9345337

00:14:10.510 --> 00:14:13.786 And we started to the development of  
NOTE Confidence: 0.9345337

00:14:13.786 --> 00:14:15.648 the citizenship measurement several  
NOTE Confidence: 0.9345337

00:14:15.648 --> 00:14:18.854 years ago and we translated it in  
NOTE Confidence: 0.9345337

00:14:18.854 --> 00:14:21.190 French into French, French Quebecois.  
NOTE Confidence: 0.9345337

00:14:21.190 --> 00:14:25.180 As you know, Canada is a bilingual country,  
NOTE Confidence: 0.9345337

00:14:25.180 --> 00:14:28.260 but there is no such things as  
NOTE Confidence: 0.9345337

00:14:28.260 --> 00:14:30.300 a one Canadian health system.  
NOTE Confidence: 0.9345337

00:14:30.300 --> 00:14:31.900 We have 10 provinces,  
NOTE Confidence: 0.9345337

00:14:31.900 --> 00:14:34.294 so there are 10 provincial health  
NOTE Confidence: 0.9345337

00:14:34.294 --> 00:14:36.660 systems in the province of Quebec,  
NOTE Confidence: 0.9345337

00:14:36.660 --> 00:14:40.036 it's in French and also we have in Montreal.  
NOTE Confidence: 0.9345337

00:14:40.036 --> 00:14:42.244 It's also we have an English  
NOTE Confidence: 0.9345337

00:14:42.244 --> 00:14:42.980 speaking community,  
NOTE Confidence: 0.9345337

00:14:42.980 --> 00:14:45.660 but we translated with Michael  
NOTE Confidence: 0.9345337

00:14:45.660 --> 00:14:47.804 the citizenship measurement into  
NOTE Confidence: 0.9345337

00:14:47.804 --> 00:14:50.700 French and it has been evaluated,

NOTE Confidence: 0.9345337

00:14:50.700 --> 00:14:51.628 it's validated.

NOTE Confidence: 0.9345337

00:14:51.628 --> 00:14:54.238 So we have a combination of

NOTE Confidence: 0.9345337

00:14:54.238 --> 00:14:55.456 the citizenship measurement,

NOTE Confidence: 0.9345337

00:14:55.460 --> 00:14:57.036 the recovery assessment scale.

NOTE Confidence: 0.9345337

00:14:57.036 --> 00:14:59.794 Both have have been validated in French

NOTE Confidence: 0.9345337

00:14:59.794 --> 00:15:01.700 and in English and you see there the,

NOTE Confidence: 0.9345337

00:15:01.700 --> 00:15:01.972 the,

NOTE Confidence: 0.9345337

00:15:01.972 --> 00:15:03.060 the current backs here,

NOTE Confidence: 0.9345337

00:15:03.060 --> 00:15:04.338 Next slide please.

NOTE Confidence: 0.9319151

00:15:06.500 --> 00:15:08.738 So when we did this validation,

NOTE Confidence: 0.9319151

00:15:08.740 --> 00:15:10.340 we combined the two tools,

NOTE Confidence: 0.9319151

00:15:10.340 --> 00:15:16.620 the Ras and the CM and that makes a 47 item

NOTE Confidence: 0.9319151

00:15:16.620 --> 00:15:18.660 measurement of personal civic recovery.

NOTE Confidence: 0.9319151

00:15:18.660 --> 00:15:21.941 That's the name we chose and you see

NOTE Confidence: 0.9319151

00:15:21.941 --> 00:15:24.203 below for clinicians with us today,

NOTE Confidence: 0.9319151

00:15:24.210 --> 00:15:26.042 you will recognize classic  
NOTE Confidence: 0.9319151

00:15:26.042 --> 00:15:28.790 clinical tools that are used in  
NOTE Confidence: 0.9319151

00:15:28.878 --> 00:15:31.410 clinical settings by clinicians.  
NOTE Confidence: 0.9319151

00:15:31.410 --> 00:15:33.230 Those tools were designed  
NOTE Confidence: 0.9319151

00:15:33.230 --> 00:15:35.050 by clinicians and academics.  
NOTE Confidence: 0.9319151

00:15:35.050 --> 00:15:35.922 That's fine.  
NOTE Confidence: 0.9319151

00:15:35.922 --> 00:15:38.102 But the recovery assessment scale  
NOTE Confidence: 0.9319151

00:15:38.102 --> 00:15:40.300 and the citizenship measurement were  
NOTE Confidence: 0.9319151

00:15:40.300 --> 00:15:42.970 developed too with service users and  
NOTE Confidence: 0.9319151

00:15:42.970 --> 00:15:45.610 by service users for service users.  
NOTE Confidence: 0.9319151

00:15:45.610 --> 00:15:47.130 And the next slide please.  
NOTE Confidence: 0.93194824

00:15:49.180 --> 00:15:52.313 We've been able with the the  
NOTE Confidence: 0.93194824

00:15:52.313 --> 00:15:54.978 department of the medical archives,  
NOTE Confidence: 0.93194824

00:15:54.980 --> 00:15:58.308 we negotiated to have this tool  
NOTE Confidence: 0.93194824

00:15:58.308 --> 00:16:03.480 really to be used on a regular basis.  
NOTE Confidence: 0.93194824

00:16:03.480 --> 00:16:06.644 This is more and we have a

NOTE Confidence: 0.93194824

00:16:06.644 --> 00:16:08.660 received two days ago the number,

NOTE Confidence: 0.93194824

00:16:08.660 --> 00:16:11.180 the number of that tool is

NOTE Confidence: 0.93194824

00:16:14.020 --> 00:16:15.574 606522. That's the number of the beast.

NOTE Confidence: 0.93194824

00:16:15.580 --> 00:16:19.210 OK, so it's really important we

NOTE Confidence: 0.93194824

00:16:19.210 --> 00:16:21.635 have a first official clinical

NOTE Confidence: 0.93194824

00:16:21.635 --> 00:16:24.544 tool in the public system for peer

NOTE Confidence: 0.93194824

00:16:24.544 --> 00:16:26.329 support workers to have something

NOTE Confidence: 0.93194824

00:16:26.329 --> 00:16:28.588 that is really reserved for them.

NOTE Confidence: 0.93194824

00:16:28.590 --> 00:16:30.934 Other conditions have their

NOTE Confidence: 0.93194824

00:16:30.934 --> 00:16:33.864 own reserved act and tools.

NOTE Confidence: 0.93194824

00:16:33.870 --> 00:16:35.982 And now we will be using this combination

NOTE Confidence: 0.93194824

00:16:35.982 --> 00:16:38.060 of the citizenship measurement with

NOTE Confidence: 0.93194824

00:16:38.060 --> 00:16:40.220 recovery assessment scale to guide

NOTE Confidence: 0.93194824

00:16:40.220 --> 00:16:42.230 and define the peer support workers,

NOTE Confidence: 0.93194824

00:16:42.230 --> 00:16:43.930 individual and group interventions.

NOTE Confidence: 0.93194824

00:16:43.930 --> 00:16:46.055 And there's a typo here.  
NOTE Confidence: 0.93194824

00:16:46.060 --> 00:16:47.636 It's really to write,  
NOTE Confidence: 0.93194824

00:16:47.636 --> 00:16:49.606 to write evolutionary notes to  
NOTE Confidence: 0.93194824

00:16:49.606 --> 00:16:52.293 the medical record of our service  
NOTE Confidence: 0.93194824

00:16:52.293 --> 00:16:54.426 user that will be supported  
NOTE Confidence: 0.93194824

00:16:54.426 --> 00:16:56.856 by the peer support workers.  
NOTE Confidence: 0.93194824

00:16:56.860 --> 00:16:57.596 So Michael,  
NOTE Confidence: 0.93194824

00:16:57.596 --> 00:17:00.540 I think you will be happy to see  
NOTE Confidence: 0.93194824

00:17:00.540 --> 00:17:04.416 the big opportunity we have here.  
NOTE Confidence: 0.93194824

00:17:04.420 --> 00:17:07.330 This opens the way to multiple  
NOTE Confidence: 0.93194824

00:17:07.330 --> 00:17:08.300 research projects,  
NOTE Confidence: 0.93194824

00:17:08.300 --> 00:17:10.444 including longitudinal studies and  
NOTE Confidence: 0.93194824

00:17:10.444 --> 00:17:13.660 in combination with other sources of  
NOTE Confidence: 0.93194824

00:17:13.737 --> 00:17:16.377 data provided by the public system.  
NOTE Confidence: 0.93194824

00:17:16.380 --> 00:17:17.800 So we for example,  
NOTE Confidence: 0.93194824

00:17:17.800 --> 00:17:20.334 we might we might want to come

NOTE Confidence: 0.93194824

00:17:20.334 --> 00:17:22.816 back in 1520 years from now.

NOTE Confidence: 0.93194824

00:17:22.816 --> 00:17:25.570 Do the service users that were

NOTE Confidence: 0.93194824

00:17:25.660 --> 00:17:28.288 supported by peer support workers who

NOTE Confidence: 0.93194824

00:17:28.288 --> 00:17:30.610 use the combination of the citizenship

NOTE Confidence: 0.93194824

00:17:30.677 --> 00:17:33.257 measurement and recovery assessment scale,

NOTE Confidence: 0.93194824

00:17:33.260 --> 00:17:36.004 can we see some changes over time,

NOTE Confidence: 0.93194824

00:17:36.010 --> 00:17:38.586 not just at six months or 12

NOTE Confidence: 0.93194824

00:17:38.586 --> 00:17:41.008 months but maybe up to 20 years.

NOTE Confidence: 0.93194824

00:17:41.010 --> 00:17:44.124 Do we see different service use

NOTE Confidence: 0.93194824

00:17:44.124 --> 00:17:47.058 medication and things like that And

NOTE Confidence: 0.93194824

00:17:47.058 --> 00:17:49.914 and those data will be provided by

NOTE Confidence: 0.93194824

00:17:49.914 --> 00:17:52.647 the public system not by the the,

NOTE Confidence: 0.93194824

00:17:52.650 --> 00:17:53.484 the, the,

NOTE Confidence: 0.93194824

00:17:53.484 --> 00:17:56.403 the add on from the academic research.

NOTE Confidence: 0.93194824

00:17:56.410 --> 00:17:58.930 And so it will become really

NOTE Confidence: 0.93194824

00:17:58.930 --> 00:18:01.080 mandatory for peer support workers  
NOTE Confidence: 0.93194824

00:18:01.080 --> 00:18:03.750 to use this new clinical tools,  
NOTE Confidence: 0.93194824

00:18:03.750 --> 00:18:04.402 clinical tool.  
NOTE Confidence: 0.93194824

00:18:04.402 --> 00:18:05.706 And to our knowledge,  
NOTE Confidence: 0.93194824

00:18:05.710 --> 00:18:08.670 I think it's the first certainly in Canada,  
NOTE Confidence: 0.93194824

00:18:08.670 --> 00:18:10.656 maybe North America that we do  
NOTE Confidence: 0.93194824

00:18:10.656 --> 00:18:12.510 have with the public system,  
NOTE Confidence: 0.93194824

00:18:12.510 --> 00:18:15.065 an official clinical tool reserved  
NOTE Confidence: 0.93194824

00:18:15.065 --> 00:18:17.109 for peer support workers.  
NOTE Confidence: 0.93194824

00:18:17.110 --> 00:18:20.148 And that tool is a combination of  
NOTE Confidence: 0.93194824

00:18:20.148 --> 00:18:22.011 the citizenship measurement and  
NOTE Confidence: 0.93194824

00:18:22.011 --> 00:18:23.947 the recovery assessment scale.  
NOTE Confidence: 0.93194824

00:18:23.950 --> 00:18:25.468 That's it for me. Thank you.  
NOTE Confidence: 0.93194824

00:18:25.470 --> 00:18:27.798 Now I passed the mic to my colleague  
NOTE Confidence: 0.93194824

00:18:27.798 --> 00:18:29.749 and friend Gillian for Scotland.  
NOTE Confidence: 0.93589896

00:18:32.850 --> 00:18:35.090 Thank you JF. Hi everyone,

NOTE Confidence: 0.93589896

00:18:35.090 --> 00:18:38.121 and my name is Jillian McIntyre and

NOTE Confidence: 0.93589896

00:18:38.121 --> 00:18:41.426 I'm here to talk to you about the

NOTE Confidence: 0.93589896

00:18:41.426 --> 00:18:44.114 citizenship work that has been taking

NOTE Confidence: 0.93589896

00:18:44.114 --> 00:18:47.730 place in Scotland over the last few years.

NOTE Confidence: 0.93589896

00:18:47.730 --> 00:18:50.341 In our work with Michael and Perch

NOTE Confidence: 0.93589896

00:18:50.341 --> 00:18:52.805 began in 2014 and at that point

NOTE Confidence: 0.93589896

00:18:52.805 --> 00:18:55.138 we were lucky enough to receive

NOTE Confidence: 0.93589896

00:18:55.138 --> 00:18:57.286 funding from Horizon Europe.

NOTE Confidence: 0.93589896

00:18:57.290 --> 00:18:59.578 That was at the point in time when

NOTE Confidence: 0.93589896

00:18:59.578 --> 00:19:01.859 Scotland was technically still in Europe

NOTE Confidence: 0.93589896

00:19:01.860 --> 00:19:04.260 to fund an exchange between researchers,

NOTE Confidence: 0.93589896

00:19:04.260 --> 00:19:06.231 policymakers, practitioners and

NOTE Confidence: 0.93589896

00:19:06.231 --> 00:19:08.859 people with left experience.

NOTE Confidence: 0.93589896

00:19:08.860 --> 00:19:11.735 And that facilitated a number

NOTE Confidence: 0.93589896

00:19:11.735 --> 00:19:14.035 of exchange visits between

NOTE Confidence: 0.93589896

00:19:14.035 --> 00:19:16.740 Scotland and colleagues at Yale.  
NOTE Confidence: 0.93589896

00:19:16.740 --> 00:19:18.168 And this allowed us to carry  
NOTE Confidence: 0.93589896

00:19:18.168 --> 00:19:19.899 out a whole range of activities,  
NOTE Confidence: 0.93589896

00:19:19.900 --> 00:19:22.680 including developing research projects,  
NOTE Confidence: 0.93589896

00:19:22.680 --> 00:19:26.155 joint supervision of PhD studentships,  
NOTE Confidence: 0.93589896

00:19:26.160 --> 00:19:28.113 hosting conferences together  
NOTE Confidence: 0.93589896

00:19:28.113 --> 00:19:30.717 and producing joint papers.  
NOTE Confidence: 0.93589896

00:19:30.720 --> 00:19:33.680 In next slide please gratsy.  
NOTE Confidence: 0.93589896

00:19:33.680 --> 00:19:36.632 I want to focus though today on the  
NOTE Confidence: 0.93589896

00:19:36.632 --> 00:19:39.153 production of the Scottish Citizenship  
NOTE Confidence: 0.93589896

00:19:39.153 --> 00:19:41.375 model and measure and because this  
NOTE Confidence: 0.93589896

00:19:41.375 --> 00:19:43.878 is a piece of work that we are  
NOTE Confidence: 0.93589896

00:19:43.880 --> 00:19:47.310 particularly proud of in Scotland,  
NOTE Confidence: 0.93589896

00:19:47.310 --> 00:19:48.765 we were we received additional  
NOTE Confidence: 0.93589896

00:19:48.765 --> 00:19:50.617 funding to carry out this work  
NOTE Confidence: 0.93589896

00:19:50.617 --> 00:19:51.989 from Turning Point Scotland,

NOTE Confidence: 0.93589896

00:19:51.990 --> 00:19:54.450 Scottish Recovery Network and the

NOTE Confidence: 0.93589896

00:19:54.450 --> 00:19:56.910 Health and Social Care Alliance.

NOTE Confidence: 0.93589896

00:19:56.910 --> 00:19:58.584 And so as you can see from the slide,

NOTE Confidence: 0.93589896

00:19:58.590 --> 00:20:00.998 this work has been fully written up and

NOTE Confidence: 0.93589896

00:20:00.998 --> 00:20:03.029 published and with a number of papers.

NOTE Confidence: 0.93589896

00:20:03.030 --> 00:20:05.158 And this one he does from health

NOTE Confidence: 0.93589896

00:20:05.158 --> 00:20:07.480 and social care in the community and

NOTE Confidence: 0.93589896

00:20:07.480 --> 00:20:09.790 and this slides he outlines that the

NOTE Confidence: 0.93589896

00:20:09.790 --> 00:20:12.303 key stages that we went through to

NOTE Confidence: 0.93589896

00:20:12.303 --> 00:20:14.502 replicate exactly the work that had

NOTE Confidence: 0.93589896

00:20:14.502 --> 00:20:17.270 been carried out and perched to develop the.

NOTE Confidence: 0.93589896

00:20:17.270 --> 00:20:20.786 The citizenship and model and measure.

NOTE Confidence: 0.93589896

00:20:20.790 --> 00:20:22.631 So we carried out a number of

NOTE Confidence: 0.93589896

00:20:22.631 --> 00:20:24.594 focus groups with those who had

NOTE Confidence: 0.93589896

00:20:24.594 --> 00:20:26.444 experienced life disruptions to ask

NOTE Confidence: 0.93589896

00:20:26.444 --> 00:20:28.030 what citizenship meant to them,  
NOTE Confidence: 0.93589896

00:20:28.030 --> 00:20:30.358 and we then analyzed that data  
NOTE Confidence: 0.93589896

00:20:30.358 --> 00:20:32.519 to generate over 100 statements  
NOTE Confidence: 0.93589896

00:20:32.519 --> 00:20:35.179 on citizenship and then asked  
NOTE Confidence: 0.93589896

00:20:35.179 --> 00:20:37.835 participants to manually sort these  
NOTE Confidence: 0.93589896

00:20:37.835 --> 00:20:40.505 using a process of concept mapping.  
NOTE Confidence: 0.93589896

00:20:40.510 --> 00:20:43.191 We then went on to carry out  
NOTE Confidence: 0.93589896

00:20:43.191 --> 00:20:44.801 Multidimensional scaling and cluster  
NOTE Confidence: 0.93589896

00:20:44.801 --> 00:20:47.510 analysis and that helped us to produce  
NOTE Confidence: 0.93589896

00:20:47.510 --> 00:20:50.306 a model of citizenship for Scotland.  
NOTE Confidence: 0.93589896

00:20:50.310 --> 00:20:53.062 And if we move to the next slide  
NOTE Confidence: 0.93589896

00:20:53.062 --> 00:20:56.291 Scratchy we can see here this is  
NOTE Confidence: 0.93589896

00:20:56.291 --> 00:20:57.767 the representation diagrammatically  
NOTE Confidence: 0.93589896

00:20:57.767 --> 00:21:00.950 of the Scottish citizenship model.  
NOTE Confidence: 0.93589896

00:21:00.950 --> 00:21:03.590 And and if we move straight to the  
NOTE Confidence: 0.93589896

00:21:03.590 --> 00:21:06.685 the next slide we can see that the

NOTE Confidence: 0.93589896  
00:21:06.685 --> 00:21:08.660 the Scottish model of citizenship  
NOTE Confidence: 0.93589896  
00:21:08.739 --> 00:21:11.140 followed very closely and and and has  
NOTE Confidence: 0.93589896  
00:21:11.140 --> 00:21:14.109 a lot of similarities with the the  
NOTE Confidence: 0.93589896  
00:21:14.110 --> 00:21:16.448 5R's and and the the United States  
NOTE Confidence: 0.93589896  
00:21:16.448 --> 00:21:19.698 and it has five core clusters which  
NOTE Confidence: 0.93589896  
00:21:19.698 --> 00:21:21.866 are around building relationships  
NOTE Confidence: 0.93589896  
00:21:21.866 --> 00:21:24.457 acceptance and autonomy access to  
NOTE Confidence: 0.93589896  
00:21:24.457 --> 00:21:26.832 services and support shared values  
NOTE Confidence: 0.93589896  
00:21:26.832 --> 00:21:30.110 and social roles and civic rights  
NOTE Confidence: 0.93589896  
00:21:30.110 --> 00:21:31.270 and responsibilities.  
NOTE Confidence: 0.93589896  
00:21:31.270 --> 00:21:33.286 And I think what was really important  
NOTE Confidence: 0.93589896  
00:21:33.286 --> 00:21:34.937 about our model of citizenship  
NOTE Confidence: 0.93589896  
00:21:34.937 --> 00:21:37.121 was the the significance of the  
NOTE Confidence: 0.93589896  
00:21:37.121 --> 00:21:38.563 relational component of citizenship  
NOTE Confidence: 0.93589896  
00:21:38.563 --> 00:21:39.867 that came out really,  
NOTE Confidence: 0.93589896

00:21:39.870 --> 00:21:41.870 really strongly in the Scottish  
NOTE Confidence: 0.93589896

00:21:41.870 --> 00:21:44.390 context and that was seen as  
NOTE Confidence: 0.93589896

00:21:44.390 --> 00:21:46.635 particularly important in terms of  
NOTE Confidence: 0.93589896

00:21:46.635 --> 00:21:49.415 developing inclusion and a sense of  
NOTE Confidence: 0.93589896

00:21:49.415 --> 00:21:51.573 belonging for our participants in.  
NOTE Confidence: 0.93589896

00:21:51.573 --> 00:21:54.237 From there we went on to develop a  
NOTE Confidence: 0.93589896

00:21:54.237 --> 00:21:55.700 psychometrically sound measure of  
NOTE Confidence: 0.93589896

00:21:55.700 --> 00:21:58.116 citizenship and that's a 39 item measure.  
NOTE Confidence: 0.93589896

00:21:58.116 --> 00:22:00.440 And again that's been written up and  
NOTE Confidence: 0.93418896

00:22:00.511 --> 00:22:01.987 published in health and  
NOTE Confidence: 0.93418896

00:22:01.987 --> 00:22:03.832 social care in the community.  
NOTE Confidence: 0.93418896

00:22:03.840 --> 00:22:05.304 And my colleague, Dr.  
NOTE Confidence: 0.93418896

00:22:05.304 --> 00:22:08.840 Nicola Cogan, who's on the call in late on,  
NOTE Confidence: 0.93418896

00:22:08.840 --> 00:22:10.796 on that that piece of work.  
NOTE Confidence: 0.93418896

00:22:10.800 --> 00:22:13.152 And that really is a tool that can  
NOTE Confidence: 0.93418896

00:22:13.152 --> 00:22:15.274 be used across health and social

NOTE Confidence: 0.93418896

00:22:15.274 --> 00:22:18.063 care settings as well as in research

NOTE Confidence: 0.93418896

00:22:18.063 --> 00:22:20.167 contexts to facilitate conversations

NOTE Confidence: 0.93418896

00:22:20.167 --> 00:22:23.305 around citizenship as well as to

NOTE Confidence: 0.93418896

00:22:23.305 --> 00:22:25.325 measure progress around particular

NOTE Confidence: 0.93418896

00:22:25.325 --> 00:22:28.437 aspects of citizenship that are important

NOTE Confidence: 0.93418896

00:22:28.437 --> 00:22:30.997 to people with lived experience.

NOTE Confidence: 0.93418896

00:22:31.000 --> 00:22:32.038 So if we move on now,

NOTE Confidence: 0.93418896

00:22:32.040 --> 00:22:34.989 gratsy, thank you.

NOTE Confidence: 0.93418896

00:22:34.990 --> 00:22:37.034 But I think it's also important I

NOTE Confidence: 0.93418896

00:22:37.034 --> 00:22:39.341 want to highlight that the work of

NOTE Confidence: 0.93418896

00:22:39.341 --> 00:22:41.056 citizenship in Scotland moves beyond

NOTE Confidence: 0.93418896

00:22:41.056 --> 00:22:43.710 purely the academic and it has had a

NOTE Confidence: 0.93418896

00:22:43.710 --> 00:22:45.742 really significant role to play and

NOTE Confidence: 0.93418896

00:22:45.742 --> 00:22:47.747 practice across Scotland as well.

NOTE Confidence: 0.93418896

00:22:47.750 --> 00:22:49.886 Just want to highlight an example

NOTE Confidence: 0.93418896

00:22:49.886 --> 00:22:51.951 of this with our partnership  
NOTE Confidence: 0.93418896

00:22:51.951 --> 00:22:54.227 with Turning Point Scotland.  
NOTE Confidence: 0.93418896

00:22:54.230 --> 00:22:57.182 And that work has been led by our  
NOTE Confidence: 0.93418896

00:22:57.182 --> 00:22:59.124 colleague Karen Black and Citizenship.  
NOTE Confidence: 0.93418896

00:22:59.124 --> 00:23:01.356 And Michael's work there has been  
NOTE Confidence: 0.93418896

00:23:01.356 --> 00:23:03.970 fundamental in terms of the development of  
NOTE Confidence: 0.93418896

00:23:03.970 --> 00:23:06.180 services and support within Turning Point.  
NOTE Confidence: 0.93418896

00:23:06.180 --> 00:23:07.744 And as an organization,  
NOTE Confidence: 0.93418896

00:23:07.744 --> 00:23:09.699 their whole ethos and strategy  
NOTE Confidence: 0.93418896

00:23:09.699 --> 00:23:11.900 is now underpinned by Citizenship  
NOTE Confidence: 0.93418896

00:23:11.900 --> 00:23:14.498 as an approach and a philosophy.  
NOTE Confidence: 0.93418896

00:23:14.500 --> 00:23:16.744 And I think it's a really  
NOTE Confidence: 0.93418896

00:23:16.744 --> 00:23:18.980 brilliant example of good practice.  
NOTE Confidence: 0.93418896

00:23:18.980 --> 00:23:20.780 And next slide please,  
NOTE Confidence: 0.93418896

00:23:20.780 --> 00:23:21.680 please Gratsy,  
NOTE Confidence: 0.93418896

00:23:21.680 --> 00:23:23.474 just to highlight very briefly that

NOTE Confidence: 0.93418896

00:23:23.474 --> 00:23:25.846 all of the work that we've we've

NOTE Confidence: 0.93418896

00:23:25.846 --> 00:23:27.696 undertaken in Scotland has been

NOTE Confidence: 0.93418896

00:23:27.696 --> 00:23:29.607 underpinned by peer research and

NOTE Confidence: 0.93418896

00:23:29.607 --> 00:23:31.457 working in close partnership with

NOTE Confidence: 0.93418896

00:23:31.457 --> 00:23:33.106 people with with lived experience.

NOTE Confidence: 0.93418896

00:23:33.106 --> 00:23:35.608 And this is a group of our peer

NOTE Confidence: 0.93418896

00:23:35.608 --> 00:23:37.238 researchers here in in this

NOTE Confidence: 0.93418896

00:23:37.238 --> 00:23:38.980 photograph on on the slide,

NOTE Confidence: 0.93418896

00:23:38.980 --> 00:23:41.218 we've learned an important number of

NOTE Confidence: 0.93418896

00:23:41.218 --> 00:23:43.157 important lessons about the importance

NOTE Confidence: 0.93418896

00:23:43.157 --> 00:23:45.097 of spending time with people.

NOTE Confidence: 0.93418896

00:23:45.100 --> 00:23:46.864 And you're thinking about

NOTE Confidence: 0.93418896

00:23:46.864 --> 00:23:49.069 practicalities and value in the

NOTE Confidence: 0.93418896

00:23:49.069 --> 00:23:50.937 contributions that that people make.

NOTE Confidence: 0.93418896

00:23:50.940 --> 00:23:52.338 And in that respect with land.

NOTE Confidence: 0.93418896

00:23:52.340 --> 00:23:54.503 A huge amount from the from Michael's  
NOTE Confidence: 0.93418896

00:23:54.503 --> 00:23:57.227 work and the work of colleagues at Perch.  
NOTE Confidence: 0.93418896

00:23:57.230 --> 00:23:58.903 So I want to finish by moving  
NOTE Confidence: 0.93418896

00:23:58.903 --> 00:24:00.030 to the next slide.  
NOTE Confidence: 0.93418896

00:24:00.030 --> 00:24:01.790 And initially just to give you  
NOTE Confidence: 0.93418896

00:24:01.790 --> 00:24:03.608 a sense of the impact that  
NOTE Confidence: 0.93418896

00:24:03.608 --> 00:24:05.629 Michael's work has had in Scotland,  
NOTE Confidence: 0.93418896

00:24:05.630 --> 00:24:08.830 both on a personal and a professional level.  
NOTE Confidence: 0.93418896

00:24:08.830 --> 00:24:10.878 And I want to finish by with a  
NOTE Confidence: 0.93418896

00:24:10.878 --> 00:24:12.710 quote from my colleague and Dr.  
NOTE Confidence: 0.93418896

00:24:12.710 --> 00:24:14.894 Kirsten McLean and who said Michael  
NOTE Confidence: 0.93418896

00:24:14.894 --> 00:24:17.470 believed in me and I will be  
NOTE Confidence: 0.93418896

00:24:17.470 --> 00:24:19.570 forever grateful that I had the  
NOTE Confidence: 0.93418896

00:24:19.570 --> 00:24:21.746 incredible opportunity to go to Yale.  
NOTE Confidence: 0.93418896

00:24:21.750 --> 00:24:24.150 I will always cherish the experiences  
NOTE Confidence: 0.93418896

00:24:24.150 --> 00:24:25.350 and immersing myself,

NOTE Confidence: 0.93418896

00:24:25.350 --> 00:24:28.188 myself and Michael's work on citizenship,

NOTE Confidence: 0.93418896

00:24:28.190 --> 00:24:30.409 the ripple effects of which will be

NOTE Confidence: 0.93418896

00:24:30.409 --> 00:24:32.511 failed in so many people's lives

NOTE Confidence: 0.93418896

00:24:32.511 --> 00:24:33.947 for years to come.

NOTE Confidence: 0.93418896

00:24:33.950 --> 00:24:36.422 And I think that really encapsulates

NOTE Confidence: 0.93418896

00:24:36.422 --> 00:24:38.070 our thoughts across Scotland.

NOTE Confidence: 0.93418896

00:24:38.070 --> 00:24:38.895 So thank you,

NOTE Confidence: 0.93418896

00:24:38.895 --> 00:24:40.820 Michael and I'll now pass on to

NOTE Confidence: 0.93418896

00:24:40.886 --> 00:24:42.110 our colleague Fiona.

NOTE Confidence: 0.9358803

00:24:48.070 --> 00:24:50.470 Thank you. Hi, good morning everyone.

NOTE Confidence: 0.9358803

00:24:50.470 --> 00:24:52.550 My name is Fiona, representing

NOTE Confidence: 0.9358803

00:24:52.550 --> 00:24:54.630 Richmond Fellowship of Hong Kong.

NOTE Confidence: 0.9358803

00:24:54.630 --> 00:24:57.270 We are in non government organization

NOTE Confidence: 0.9358803

00:24:57.270 --> 00:24:59.650 providing community mental health services.

NOTE Confidence: 0.9358803

00:24:59.650 --> 00:25:02.602 So today I'm going to outline the milestones

NOTE Confidence: 0.9358803

00:25:02.602 --> 00:25:05.595 and talk about how Richmond Fellowship  
NOTE Confidence: 0.9358803

00:25:05.595 --> 00:25:07.771 implement recovering citizenship in  
NOTE Confidence: 0.9358803

00:25:07.771 --> 00:25:12.210 the services and programs this piece.  
NOTE Confidence: 0.9358803

00:25:12.210 --> 00:25:14.850 In 2019 we had already  
NOTE Confidence: 0.9358803

00:25:14.850 --> 00:25:16.962 started some preparation work.  
NOTE Confidence: 0.9358803

00:25:16.970 --> 00:25:19.810 1st, we conducted a focus group to study  
NOTE Confidence: 0.9358803

00:25:19.810 --> 00:25:22.450 the views and concerns of our staff.  
NOTE Confidence: 0.9358803

00:25:22.450 --> 00:25:25.146 If we were going to use the concept  
NOTE Confidence: 0.9358803

00:25:25.146 --> 00:25:27.293 of recovering citizenship in our  
NOTE Confidence: 0.9358803

00:25:27.293 --> 00:25:29.690 services so that we could prepare  
NOTE Confidence: 0.9358803

00:25:29.690 --> 00:25:31.991 earlier and it it is not surprised that  
NOTE Confidence: 0.9358803

00:25:31.991 --> 00:25:34.644 we find that our staff had limited  
NOTE Confidence: 0.9358803

00:25:34.644 --> 00:25:36.408 understanding on recovering Citizenship  
NOTE Confidence: 0.9358803

00:25:36.408 --> 00:25:39.040 and would like to have more guidance.  
NOTE Confidence: 0.9358803

00:25:39.040 --> 00:25:39.508 Therefore,  
NOTE Confidence: 0.9358803

00:25:39.508 --> 00:25:42.316 now we are providing Recovering Citizenship

NOTE Confidence: 0.9358803

00:25:42.316 --> 00:25:45.000 workshop to all new staff to ensure

NOTE Confidence: 0.9358803

00:25:45.000 --> 00:25:47.573 that at least they have a fundamental

NOTE Confidence: 0.9358803

00:25:47.573 --> 00:25:50.357 understanding of recovering Citizenship.

NOTE Confidence: 0.9358803

00:25:50.360 --> 00:25:51.110 And second,

NOTE Confidence: 0.9358803

00:25:51.110 --> 00:25:54.110 as we plan to use the citizenship measures

NOTE Confidence: 0.9358803

00:25:54.186 --> 00:25:56.760 in the Citizens project and casework,

NOTE Confidence: 0.9358803

00:25:56.760 --> 00:25:59.085 we developed the Chinese version

NOTE Confidence: 0.9358803

00:25:59.085 --> 00:26:02.045 by translating the original 1 into

NOTE Confidence: 0.9358803

00:26:02.045 --> 00:26:04.800 Chinese and conducted reliability test.

NOTE Confidence: 0.9358803

00:26:04.800 --> 00:26:07.062 So the findings have been submitted

NOTE Confidence: 0.9358803

00:26:07.062 --> 00:26:09.520 to a journal for publication.

NOTE Confidence: 0.9358803

00:26:09.520 --> 00:26:11.600 Next please.

NOTE Confidence: 0.9358803

00:26:11.600 --> 00:26:14.440 And in January year 2020,

NOTE Confidence: 0.9358803

00:26:14.440 --> 00:26:17.324 we have six staff members at 10

NOTE Confidence: 0.9358803

00:26:17.324 --> 00:26:19.424 training as Yale Persh learning

NOTE Confidence: 0.9358803

00:26:19.424 --> 00:26:22.990 how to run the Citizens project.  
NOTE Confidence: 0.9358803

00:26:22.990 --> 00:26:25.180 Next please.  
NOTE Confidence: 0.9358803

00:26:25.180 --> 00:26:28.134 So starting from October 2020 till now,  
NOTE Confidence: 0.9358803

00:26:28.140 --> 00:26:29.744 within these three years,  
NOTE Confidence: 0.9358803

00:26:29.744 --> 00:26:31.749 we have delivered six Groups  
NOTE Confidence: 0.9358803

00:26:31.749 --> 00:26:33.419 of Citizens project.  
NOTE Confidence: 0.9358803

00:26:33.420 --> 00:26:35.300 For the first five groups,  
NOTE Confidence: 0.9358803

00:26:35.300 --> 00:26:38.845 we have 40 students graduated and  
NOTE Confidence: 0.9358803

00:26:38.845 --> 00:26:41.395 group 6 will be completed soon  
NOTE Confidence: 0.9358803

00:26:41.395 --> 00:26:43.540 around late October this year.  
NOTE Confidence: 0.9358803

00:26:43.540 --> 00:26:45.500 And in order to sustain the project,  
NOTE Confidence: 0.9358803

00:26:45.500 --> 00:26:48.820 we have trained 18 facilitators,  
NOTE Confidence: 0.9358803

00:26:48.820 --> 00:26:51.188 including peer support workers,  
NOTE Confidence: 0.9358803

00:26:51.188 --> 00:26:54.148 occupational therapists and social workers.  
NOTE Confidence: 0.9358803

00:26:54.150 --> 00:26:57.314 So the citizens project will continue as  
NOTE Confidence: 0.9358803

00:26:57.314 --> 00:27:00.308 a regular service in our organization.

NOTE Confidence: 0.9358803

00:27:00.310 --> 00:27:02.630 Next, please.

NOTE Confidence: 0.9358803

00:27:02.630 --> 00:27:05.906 So when we talk about community integration,

NOTE Confidence: 0.9358803

00:27:05.910 --> 00:27:08.500 I think it is important to know

NOTE Confidence: 0.9358803

00:27:08.500 --> 00:27:10.930 how the community community look

NOTE Confidence: 0.9358803

00:27:10.930 --> 00:27:12.790 at recovering citizenship.

NOTE Confidence: 0.9358803

00:27:12.790 --> 00:27:14.362 Therefore, in year 2021,

NOTE Confidence: 0.9358803

00:27:14.362 --> 00:27:16.720 we conducted a phone survey to

NOTE Confidence: 0.9358803

00:27:16.800 --> 00:27:19.445 investigate the knowledge and attitudes

NOTE Confidence: 0.9358803

00:27:19.445 --> 00:27:22.090 of the community toward recovering

NOTE Confidence: 0.9358803

00:27:22.170 --> 00:27:24.390 citizenship and mental illness.

NOTE Confidence: 0.9358803

00:27:24.390 --> 00:27:26.777 So this paper has been published on

NOTE Confidence: 0.9358803

00:27:26.777 --> 00:27:29.309 the Journal of Public Mental Health.

NOTE Confidence: 0.9358803

00:27:29.310 --> 00:27:33.066 We interviewed 1009 people and we

NOTE Confidence: 0.9358803

00:27:33.066 --> 00:27:35.061 found that the general population

NOTE Confidence: 0.9358803

00:27:35.061 --> 00:27:37.748 has good knowledge of mental health

NOTE Confidence: 0.9358803

00:27:37.750 --> 00:27:40.192 and around half had heard about  
NOTE Confidence: 0.9358803

00:27:40.192 --> 00:27:42.767 the basic concept of recovering  
NOTE Confidence: 0.9358803

00:27:42.767 --> 00:27:46.410 citizenship and 79 to 94% agree  
NOTE Confidence: 0.9358803

00:27:46.410 --> 00:27:49.190 that people in recovery should  
NOTE Confidence: 0.9358803

00:27:49.303 --> 00:27:52.430 process the five hours next piece.  
NOTE Confidence: 0.92347604

00:27:54.690 --> 00:27:58.810 And in May 2022, because of the COVID,  
NOTE Confidence: 0.92347604

00:27:58.810 --> 00:28:01.630 we were unable to hold our  
NOTE Confidence: 0.92347604

00:28:01.630 --> 00:28:02.570 conference physically.  
NOTE Confidence: 0.92347604

00:28:02.570 --> 00:28:05.080 Therefore, we have a webinar  
NOTE Confidence: 0.92347604

00:28:05.080 --> 00:28:07.088 instead on recovering citizenship,  
NOTE Confidence: 0.92347604

00:28:07.090 --> 00:28:09.393 and we were glad to have Professor  
NOTE Confidence: 0.92347604

00:28:09.393 --> 00:28:11.440 Michael Rowe to be our keynote  
NOTE Confidence: 0.92347604

00:28:11.440 --> 00:28:13.676 speaker to talk about the recovering  
NOTE Confidence: 0.92347604

00:28:13.676 --> 00:28:16.606 citizenship approach in mental health.  
NOTE Confidence: 0.92347604

00:28:16.610 --> 00:28:17.650 And on the other hand,  
NOTE Confidence: 0.92347604

00:28:17.650 --> 00:28:20.272 in the webinar our colleagues also

NOTE Confidence: 0.92347604

00:28:20.272 --> 00:28:23.254 share their their experience in local

NOTE Confidence: 0.92347604

00:28:23.254 --> 00:28:25.570 implementation of recovering citizenship.

NOTE Confidence: 0.92347604

00:28:25.570 --> 00:28:27.985 And in this webinar we have more

NOTE Confidence: 0.92347604

00:28:27.985 --> 00:28:31.048 than 300 people participate.

NOTE Confidence: 0.92347604

00:28:31.050 --> 00:28:31.610 Next piece.

NOTE Confidence: 0.9227787

00:28:34.810 --> 00:28:38.066 This one shows that we created a board

NOTE Confidence: 0.9227787

00:28:38.066 --> 00:28:41.902 game kit on recovering citizenship for the

NOTE Confidence: 0.9227787

00:28:41.902 --> 00:28:44.890 promotion in the community. Next piece.

NOTE Confidence: 0.94533384

00:28:47.930 --> 00:28:50.350 So besides developing the

NOTE Confidence: 0.94533384

00:28:50.350 --> 00:28:52.165 Chinese citizenship measures,

NOTE Confidence: 0.94533384

00:28:52.170 --> 00:28:54.624 currently we are also power testing

NOTE Confidence: 0.94533384

00:28:54.624 --> 00:28:56.650 the the citizenship measures beef,

NOTE Confidence: 0.94533384

00:28:56.650 --> 00:28:58.690 the one with 12 items.

NOTE Confidence: 0.94533384

00:28:58.690 --> 00:29:01.561 We want to see if it can be used

NOTE Confidence: 0.94533384

00:29:01.561 --> 00:29:04.817 as an interviewing tool for new

NOTE Confidence: 0.94533384

00:29:04.817 --> 00:29:07.089 cases in community setting.  
NOTE Confidence: 0.94533384

00:29:07.090 --> 00:29:10.016 And we also encourage our colleagues to  
NOTE Confidence: 0.94533384

00:29:10.016 --> 00:29:12.873 emphasize the elements of the five hours  
NOTE Confidence: 0.94533384

00:29:12.873 --> 00:29:15.177 when running programs in the community.  
NOTE Confidence: 0.94533384

00:29:15.180 --> 00:29:17.220 So here are two examples.  
NOTE Confidence: 0.94533384

00:29:17.220 --> 00:29:20.692 One is the one is called the  
NOTE Confidence: 0.94533384

00:29:20.692 --> 00:29:22.180 Environmental Volunteers program.  
NOTE Confidence: 0.94533384

00:29:22.180 --> 00:29:23.734 In this program,  
NOTE Confidence: 0.94533384

00:29:23.734 --> 00:29:26.324 the participants help sorting out  
NOTE Confidence: 0.94533384

00:29:26.324 --> 00:29:28.740 garbage which can be recycled.  
NOTE Confidence: 0.94533384

00:29:28.740 --> 00:29:30.340 Another one is called another  
NOTE Confidence: 0.94533384

00:29:30.340 --> 00:29:31.300 program is called  
NOTE Confidence: 0.93322974

00:29:33.740 --> 00:29:35.955 dormitory. So in this program  
NOTE Confidence: 0.93322974

00:29:35.955 --> 00:29:38.170 the participant need to arrange  
NOTE Confidence: 0.93322974

00:29:38.249 --> 00:29:40.284 visits to those residents who  
NOTE Confidence: 0.93322974

00:29:40.284 --> 00:29:42.319 live in our halfway houses

NOTE Confidence: 0.93322974

00:29:42.395 --> 00:29:44.645 before but have gone back home.

NOTE Confidence: 0.93322974

00:29:44.650 --> 00:29:46.706 So by participating in

NOTE Confidence: 0.93322974

00:29:46.706 --> 00:29:48.248 this community programs,

NOTE Confidence: 0.93322974

00:29:48.250 --> 00:29:50.210 the roles and responsibility in

NOTE Confidence: 0.93322974

00:29:50.210 --> 00:29:52.170 the community can be enhanced

NOTE Confidence: 0.93322974

00:29:52.170 --> 00:29:54.545 and and the participants can

NOTE Confidence: 0.93322974

00:29:54.545 --> 00:29:56.445 also develop and establish

NOTE Confidence: 0.93322974

00:29:56.445 --> 00:29:58.249 relationship with other people.

NOTE Confidence: 0.9357387

00:30:00.730 --> 00:30:04.070 Next please and in December this

NOTE Confidence: 0.9357387

00:30:04.070 --> 00:30:06.200 year we will hold an international

00:30:06.273 --> 00:30:07.890 mental health conference.

NOTE Confidence: 0.9357387

00:30:07.890 --> 00:30:10.326 The main theme is mental Wellness,

NOTE Confidence: 0.9357387

00:30:10.330 --> 00:30:11.196 recovering citizenship.

NOTE Confidence: 0.9357387

00:30:11.196 --> 00:30:14.227 So we are very honored to have

NOTE Confidence: 0.9357387

00:30:14.227 --> 00:30:16.827 Professor Michael Rowe to give a

NOTE Confidence: 0.9357387

00:30:16.827 --> 00:30:18.922 keynote speech on recovery citizenship,  
NOTE Confidence: 0.9357387

00:30:18.930 --> 00:30:21.338 Miss Mary O'hagan from PSO New Zealand  
NOTE Confidence: 0.9357387

00:30:21.338 --> 00:30:23.783 to talk about collaboration and Professor  
NOTE Confidence: 0.9357387

00:30:23.783 --> 00:30:26.477 Samson said from University of Hong  
NOTE Confidence: 0.9357387

00:30:26.477 --> 00:30:29.245 Kong to talk about strength based care.  
NOTE Confidence: 0.9357387

00:30:29.250 --> 00:30:32.682 Also, we have also invited Miss Patty  
NOTE Confidence: 0.9357387

00:30:32.682 --> 00:30:35.174 Benedict and Doctor Helen Emma from the  
NOTE Confidence: 0.9357387

00:30:35.174 --> 00:30:38.128 Yale Perch to be speakers of the conference.  
NOTE Confidence: 0.9357387

00:30:38.130 --> 00:30:40.258 So thank you very much for all  
NOTE Confidence: 0.9357387

00:30:40.258 --> 00:30:42.230 your support of the conference.  
NOTE Confidence: 0.9357387

00:30:42.230 --> 00:30:43.430 And in the coming years,  
NOTE Confidence: 0.9357387

00:30:43.430 --> 00:30:45.656 we will continue the citizens project  
NOTE Confidence: 0.9357387

00:30:45.656 --> 00:30:47.835 as a regular service trying to  
NOTE Confidence: 0.9357387

00:30:47.835 --> 00:30:50.026 make it more localized and to train  
NOTE Confidence: 0.9357387

00:30:50.026 --> 00:30:52.268 the graduates to be facilitators.  
NOTE Confidence: 0.9357387

00:30:52.270 --> 00:30:54.754 And we will continue incorporating the

NOTE Confidence: 0.9357387

00:30:54.754 --> 00:30:57.204 five hours concept into our services

NOTE Confidence: 0.9357387

00:30:57.204 --> 00:30:59.745 and programs and to promote our see,

NOTE Confidence: 0.9357387

00:30:59.750 --> 00:31:01.710 I mean the recovery,

NOTE Confidence: 0.9357387

00:31:01.710 --> 00:31:03.670 citizenship across community stakeholders.

NOTE Confidence: 0.9357387

00:31:03.670 --> 00:31:05.830 So this is the end of my presentation.

NOTE Confidence: 0.9357387

00:31:05.830 --> 00:31:07.262 Thank you very much.

NOTE Confidence: 0.9357387

00:31:07.262 --> 00:31:10.430 And now I'm going to turn it to Erica.

NOTE Confidence: 0.9357387

00:31:10.430 --> 00:31:11.990 Thank you.

NOTE Confidence: 0.9357387

00:31:11.990 --> 00:31:12.390 Hi.

NOTE Confidence: 0.93433034

00:31:12.390 --> 00:31:14.630 So I'm Erica Carr and I might yell

NOTE Confidence: 0.93433034

00:31:14.630 --> 00:31:15.989 Connecticut Mental Health Center.

NOTE Confidence: 0.93433034

00:31:15.990 --> 00:31:19.070 And today I get the pleasure of

NOTE Confidence: 0.93433034

00:31:19.070 --> 00:31:21.044 and just extreme honor of talking

NOTE Confidence: 0.93433034

00:31:21.044 --> 00:31:22.985 with this talented group of people

NOTE Confidence: 0.93433034

00:31:22.985 --> 00:31:24.810 about citizenship and how that

NOTE Confidence: 0.93433034

00:31:24.810 --> 00:31:26.350 relates to inpatient settings.  
NOTE Confidence: 0.93433034

00:31:26.350 --> 00:31:29.273 I know this is very different to think about,  
NOTE Confidence: 0.93433034

00:31:29.273 --> 00:31:31.666 but I I think also never is more  
NOTE Confidence: 0.93433034

00:31:31.666 --> 00:31:33.431 important than when you think  
NOTE Confidence: 0.93433034

00:31:33.431 --> 00:31:35.785 about the fact that people have  
NOTE Confidence: 0.93433034

00:31:35.785 --> 00:31:37.955 to sometimes go within inpatient  
NOTE Confidence: 0.93433034

00:31:37.955 --> 00:31:39.706 settings and a door is locked on them.  
NOTE Confidence: 0.93433034

00:31:39.710 --> 00:31:42.106 So I'm going to talk about using positive  
NOTE Confidence: 0.93433034

00:31:42.106 --> 00:31:44.430 behavioral supports as a means to gain  
NOTE Confidence: 0.93433034

00:31:44.489 --> 00:31:46.907 citizenship from behind those locked doors.  
NOTE Confidence: 0.93433034

00:31:46.910 --> 00:31:48.910 And positive behavioral supports is  
NOTE Confidence: 0.93433034

00:31:48.910 --> 00:31:51.418 basically a way of managing challenging  
NOTE Confidence: 0.93433034

00:31:51.418 --> 00:31:53.688 behaviors that sometimes occur on  
NOTE Confidence: 0.93433034

00:31:53.688 --> 00:31:55.869 inpatient settings with non punitive,  
NOTE Confidence: 0.93433034

00:31:55.870 --> 00:31:57.019 non coercive methods.  
NOTE Confidence: 0.93433034

00:31:57.019 --> 00:31:59.700 So our idea is basically trying to

NOTE Confidence: 0.93433034

00:31:59.772 --> 00:32:01.857 understand why do these behaviors

NOTE Confidence: 0.93433034

00:32:01.857 --> 00:32:04.592 occur in these settings and it's it's

NOTE Confidence: 0.93433034

00:32:04.592 --> 00:32:06.404 very interesting and why they occur.

NOTE Confidence: 0.93433034

00:32:06.410 --> 00:32:08.300 I think it a lot of it relates to the

NOTE Confidence: 0.93433034

00:32:08.353 --> 00:32:10.447 fact that it's an artificial environment.

NOTE Confidence: 0.93433034

00:32:10.450 --> 00:32:11.916 It's not like the real world,

NOTE Confidence: 0.93433034

00:32:11.916 --> 00:32:12.262 right?

NOTE Confidence: 0.93433034

00:32:12.262 --> 00:32:14.314 You you're not really a citizen there

NOTE Confidence: 0.93433034

00:32:14.314 --> 00:32:16.337 in many ways because your rights have

NOTE Confidence: 0.93433034

00:32:16.337 --> 00:32:18.283 been stripped from you in many ways.

NOTE Confidence: 0.93433034

00:32:18.290 --> 00:32:20.330 If you've been involuntarily hospitalized,

NOTE Confidence: 0.93433034

00:32:20.330 --> 00:32:23.046 you may be involuntarily medicated as well.

NOTE Confidence: 0.93433034

00:32:23.050 --> 00:32:25.416 So it's a it's a very unusual

NOTE Confidence: 0.93433034

00:32:25.416 --> 00:32:27.200 environment people find themselves.

NOTE Confidence: 0.93433034

00:32:27.200 --> 00:32:29.318 So we want to understand why

NOTE Confidence: 0.93433034

00:32:29.320 --> 00:32:30.742 challenging behaviors occur,  
NOTE Confidence: 0.93433034

00:32:30.742 --> 00:32:33.840 teach new skills that for the individuals  
NOTE Confidence: 0.93433034

00:32:33.840 --> 00:32:35.440 they can communicate effectively.  
NOTE Confidence: 0.93433034

00:32:35.440 --> 00:32:37.385 But just as importantly or more importantly  
NOTE Confidence: 0.93433034

00:32:37.385 --> 00:32:39.510 understand ecologically what is going  
NOTE Confidence: 0.93433034

00:32:39.510 --> 00:32:42.293 on and what is the environment need  
NOTE Confidence: 0.93433034

00:32:42.293 --> 00:32:45.200 to do so that that skill isn't needed.  
NOTE Confidence: 0.93433034

00:32:45.200 --> 00:32:48.236 And that speaks I think hugely,  
NOTE Confidence: 0.93433034

00:32:48.240 --> 00:32:50.065 is that there's something about  
NOTE Confidence: 0.93433034

00:32:50.065 --> 00:32:50.795 the environment.  
NOTE Confidence: 0.93433034

00:32:50.800 --> 00:32:53.518 A lot of times it brings up these behaviors.  
NOTE Confidence: 0.93433034

00:32:53.520 --> 00:32:56.028 Next slide please.  
NOTE Confidence: 0.93433034

00:32:56.030 --> 00:32:58.228 So how does this map onto the  
NOTE Confidence: 0.93433034

00:32:58.228 --> 00:32:59.866 ideal of citizenship?  
NOTE Confidence: 0.93433034

00:32:59.870 --> 00:33:01.606 PBS at its core is the idea  
NOTE Confidence: 0.93433034

00:33:01.606 --> 00:33:03.681 that we want everyone to have a

NOTE Confidence: 0.93433034

00:33:03.681 --> 00:33:05.577 meaningful life and that we want

NOTE Confidence: 0.93433034

00:33:05.647 --> 00:33:07.507 it to be very person centered.

NOTE Confidence: 0.93433034

00:33:07.510 --> 00:33:07.990 Avoid.

NOTE Confidence: 0.93359196

00:33:27.580 --> 00:33:28.540 I think Erica froze.

NOTE Confidence: 0.93359196

00:33:28.540 --> 00:33:31.860 The fact that they want to they

NOTE Confidence: 0.93359196

00:33:31.860 --> 00:33:33.696 want to have a girlfriend again.

NOTE Confidence: 0.93359196

00:33:33.700 --> 00:33:34.778 They want to go back to work.

NOTE Confidence: 0.93359196

00:33:34.780 --> 00:33:35.900 They want to go back.

NOTE Confidence: 0.93359196

00:33:47.480 --> 00:33:48.372 Hopefully she'll be able

NOTE Confidence: 0.93359196

00:33:48.372 --> 00:33:49.356 to get back on with us.

NOTE Confidence: 0.93359196

00:33:49.360 --> 00:33:51.720 I'm going to start off.

NOTE Confidence: 0.93359196

00:33:51.720 --> 00:33:54.150 We're honored to be here today

NOTE Confidence: 0.93359196

00:33:54.150 --> 00:33:55.800 to talk about Michael's inspired

NOTE Confidence: 0.93359196

00:33:55.800 --> 00:33:58.359 so many of us in so many ways.

NOTE Confidence: 0.93359196

00:33:58.360 --> 00:34:00.250 So we're going to talk a little bit about

NOTE Confidence: 0.93359196

00:34:00.250 --> 00:34:01.821 some of the applications of citizenship  
NOTE Confidence: 0.93359196

00:34:01.821 --> 00:34:04.648 here in New Haven that we've worked on.  
NOTE Confidence: 0.93359196

00:34:04.648 --> 00:34:06.858 Collective citizenship was defined in  
NOTE Confidence: 0.93359196

00:34:06.858 --> 00:34:09.988 a 2019 paper by Michael and colleagues  
NOTE Confidence: 0.93359196

00:34:09.990 --> 00:34:12.282 as a response to the individualizing  
NOTE Confidence: 0.93359196

00:34:12.282 --> 00:34:14.430 tendency of mental health services.  
NOTE Confidence: 0.93359196

00:34:14.430 --> 00:34:15.540 In collective citizenship.  
NOTE Confidence: 0.93359196

00:34:15.540 --> 00:34:17.390 Power belongs to the group,  
NOTE Confidence: 0.93359196

00:34:17.390 --> 00:34:18.790 not to the service providers.  
NOTE Confidence: 0.93359196

00:34:18.790 --> 00:34:21.760 To dole out, service providers must  
NOTE Confidence: 0.93359196

00:34:21.760 --> 00:34:24.350 earn trust as common cause partners,  
NOTE Confidence: 0.93359196

00:34:24.350 --> 00:34:27.270 not automatically assume the role of leader.  
NOTE Confidence: 0.93359196

00:34:27.270 --> 00:34:29.326 This requires A deliberate,  
NOTE Confidence: 0.93359196

00:34:29.326 --> 00:34:31.950 often challenging power shift in  
NOTE Confidence: 0.93359196

00:34:31.950 --> 00:34:34.110 power from service providers.  
NOTE Confidence: 0.93359196

00:34:34.110 --> 00:34:36.060 2 people in recovery as valued

NOTE Confidence: 0.93359196

00:34:36.060 --> 00:34:36.710 community members,

NOTE Confidence: 0.93359196

00:34:36.710 --> 00:34:38.865 not as disempowered or socially

NOTE Confidence: 0.93359196

00:34:38.865 --> 00:34:40.589 isolated patients or clients.

NOTE Confidence: 0.93359196

00:34:40.590 --> 00:34:41.822 It requires intentional solidarity.

NOTE Confidence: 0.93359196

00:34:41.822 --> 00:34:44.192 And I'm going to turn it over to

NOTE Confidence: 0.93359196

00:34:44.192 --> 00:34:45.830 Bridget to talk a little bit more

NOTE Confidence: 0.929359

00:34:45.830 --> 00:34:46.709 about our approach.

NOTE Confidence: 0.929359

00:34:48.030 --> 00:34:48.430 Thank you.

NOTE Confidence: 0.929359

00:34:50.830 --> 00:34:51.590 Thank you so much.

NOTE Confidence: 0.929359

00:34:51.630 --> 00:34:53.150 My computer's tripping right now.

NOTE Confidence: 0.929359

00:34:53.150 --> 00:34:57.035 But however, I just think it's very

NOTE Confidence: 0.929359

00:34:57.035 --> 00:35:00.390 important that we literally come outside

NOTE Confidence: 0.929359

00:35:00.390 --> 00:35:03.918 he was because a lot of times when we

NOTE Confidence: 0.929359

00:35:03.918 --> 00:35:06.226 going to the agencies that we only spend

NOTE Confidence: 0.929359

00:35:06.226 --> 00:35:08.790 like 1/2 an hour or hour there or less,

NOTE Confidence: 0.929359

00:35:08.790 --> 00:35:10.470 we coming back for a group  
NOTE Confidence: 0.929359

00:35:10.470 --> 00:35:11.590 or something like that.  
NOTE Confidence: 0.929359

00:35:11.590 --> 00:35:13.372 But the majority time we are  
NOTE Confidence: 0.929359

00:35:13.372 --> 00:35:15.310 out here in the community.  
NOTE Confidence: 0.929359

00:35:15.310 --> 00:35:17.193 So I just think that the meat  
NOTE Confidence: 0.929359

00:35:17.193 --> 00:35:18.589 and potatoes are out here,  
NOTE Confidence: 0.929359

00:35:18.590 --> 00:35:19.937 we already here.  
NOTE Confidence: 0.929359

00:35:19.937 --> 00:35:24.129 So I just think the key to coming out  
NOTE Confidence: 0.929359

00:35:24.129 --> 00:35:27.720 here is to the into that community  
NOTE Confidence: 0.929359

00:35:27.720 --> 00:35:31.065 because it's so important for us of  
NOTE Confidence: 0.929359

00:35:31.065 --> 00:35:34.500 important how we go into there is to,  
NOTE Confidence: 0.929359

00:35:34.500 --> 00:35:38.438 you know, go in with opening ears  
NOTE Confidence: 0.929359

00:35:38.438 --> 00:35:41.534 and listening because it's not  
NOTE Confidence: 0.929359

00:35:41.534 --> 00:35:44.419 the expertise behind the walls,  
NOTE Confidence: 0.929359

00:35:44.420 --> 00:35:46.415 it's the expertise that's in that community,  
NOTE Confidence: 0.929359

00:35:46.420 --> 00:35:47.272 where they at,

NOTE Confidence: 0.929359

00:35:47.272 --> 00:35:48.976 because we know how to survive.

NOTE Confidence: 0.929359

00:35:48.980 --> 00:35:50.393 Not only that,

NOTE Confidence: 0.929359

00:35:50.393 --> 00:35:54.246 I need folks to know that when we are

NOTE Confidence: 0.929359

00:35:54.246 --> 00:35:57.152 there or in the community that we are

NOTE Confidence: 0.929359

00:35:57.152 --> 00:35:59.756 capable of making our own decisions.

NOTE Confidence: 0.929359

00:35:59.760 --> 00:36:02.938 Like I don't need someone to control my

NOTE Confidence: 0.929359

00:36:02.938 --> 00:36:05.642 space and drive my car because the best

NOTE Confidence: 0.929359

00:36:05.642 --> 00:36:08.120 person to drive your car is yourself.

NOTE Confidence: 0.929359

00:36:08.120 --> 00:36:11.438 So once we teach people how to,

NOTE Confidence: 0.929359

00:36:11.440 --> 00:36:13.156 you know, move forward,

NOTE Confidence: 0.929359

00:36:13.156 --> 00:36:14.872 because everything has to

NOTE Confidence: 0.929359

00:36:14.872 --> 00:36:17.079 be a shared decision,

NOTE Confidence: 0.929359

00:36:17.080 --> 00:36:20.476 it cannot come from the provider.

NOTE Confidence: 0.929359

00:36:20.480 --> 00:36:22.440 Again, I'm driving my car.

NOTE Confidence: 0.929359

00:36:22.440 --> 00:36:25.520 So once we feel hopeful to do that,

NOTE Confidence: 0.929359

00:36:25.520 --> 00:36:27.020 you basically can get folks  
NOTE Confidence: 0.929359

00:36:27.020 --> 00:36:28.520 to do whatever you want,  
NOTE Confidence: 0.929359

00:36:28.520 --> 00:36:31.201 but do more listening when you're coming  
NOTE Confidence: 0.929359

00:36:31.201 --> 00:36:33.590 to the community than controlling the  
NOTE Confidence: 0.929359

00:36:33.590 --> 00:36:36.320 space and putting in your own agenda.  
NOTE Confidence: 0.929359

00:36:36.320 --> 00:36:38.680 We are very resilient people.  
NOTE Confidence: 0.929359

00:36:38.680 --> 00:36:41.116 And as I move forward in life,  
NOTE Confidence: 0.929359

00:36:41.120 --> 00:36:43.514 I lift people up and bring her with me.  
NOTE Confidence: 0.929359

00:36:43.520 --> 00:36:45.280 I don't leave people behind.  
NOTE Confidence: 0.929359

00:36:45.280 --> 00:36:47.000 I think that's very important.  
NOTE Confidence: 0.9326455

00:36:49.080 --> 00:36:50.078 So I'm going to share a little.  
NOTE Confidence: 0.9326455

00:36:50.080 --> 00:36:51.280 Thanks, Bridget. I'm going to  
NOTE Confidence: 0.9326455

00:36:51.280 --> 00:36:52.949 share a little bit about some of  
NOTE Confidence: 0.9326455

00:36:52.949 --> 00:36:54.412 the groups that Bridget and I work  
NOTE Confidence: 0.9326455

00:36:54.412 --> 00:36:56.384 with here in New Haven as part of  
NOTE Confidence: 0.9326455

00:36:56.384 --> 00:36:57.521 our collective citizenship work.

NOTE Confidence: 0.9326455

00:36:57.521 --> 00:37:00.328 We've been fortunate to work with Focus,

NOTE Confidence: 0.9326455

00:37:00.330 --> 00:37:02.370 Act, Connect every day, or FACE,

NOTE Confidence: 0.9326455

00:37:02.370 --> 00:37:04.806 which is a meeting in coffee shops

NOTE Confidence: 0.9326455

00:37:04.806 --> 00:37:07.088 across New Haven since about 2015,

NOTE Confidence: 0.9326455

00:37:07.090 --> 00:37:08.966 and then we met weekly on Zoom.

NOTE Confidence: 0.9326455

00:37:08.970 --> 00:37:10.395 During the pandemic,

NOTE Confidence: 0.9326455

00:37:10.395 --> 00:37:12.770 the collective operates on Consensus.

NOTE Confidence: 0.9326455

00:37:12.770 --> 00:37:15.416 It's makes it very clear that it is not

NOTE Confidence: 0.9326455

00:37:15.416 --> 00:37:17.010 specifically a mental health group,

NOTE Confidence: 0.9326455

00:37:17.010 --> 00:37:18.260 and it's focused very much

NOTE Confidence: 0.9326455

00:37:18.260 --> 00:37:19.010 on community building,

NOTE Confidence: 0.9326455

00:37:19.010 --> 00:37:21.386 though mutual support around mental health

NOTE Confidence: 0.9326455

00:37:21.386 --> 00:37:24.208 struggles is a key part of the group.

NOTE Confidence: 0.9404827

00:37:26.270 --> 00:37:28.574 Here, Faces, pictured making

NOTE Confidence: 0.9404827

00:37:28.574 --> 00:37:30.390 a coordinating A mural at a

NOTE Confidence: 0.9404827

00:37:30.390 --> 00:37:31.630 neighborhood festival in New Haven,  
NOTE Confidence: 0.9404827

00:37:31.630 --> 00:37:34.325 as well as packing groceries at an  
NOTE Confidence: 0.9404827

00:37:34.325 --> 00:37:36.026 annual food drive that we do every year.  
NOTE Confidence: 0.9404827

00:37:36.030 --> 00:37:37.510 And here in New Haven,  
NOTE Confidence: 0.9404827

00:37:37.510 --> 00:37:39.735 we did some qualitative interviews  
NOTE Confidence: 0.9404827

00:37:39.735 --> 00:37:42.413 with members of FACE and found  
NOTE Confidence: 0.9404827

00:37:42.413 --> 00:37:44.818 that that face gives a strong sense  
NOTE Confidence: 0.9404827

00:37:44.818 --> 00:37:46.950 of ownership over the collective.  
NOTE Confidence: 0.9404827

00:37:46.950 --> 00:37:48.974 It decreased social isolation  
NOTE Confidence: 0.9404827

00:37:48.974 --> 00:37:49.986 against indicated,  
NOTE Confidence: 0.9404827

00:37:49.990 --> 00:37:52.030 stronger connections to the community,  
NOTE Confidence: 0.9404827

00:37:52.030 --> 00:37:54.697 increased hope and the sense of agency.  
NOTE Confidence: 0.9404827

00:37:54.700 --> 00:37:55.741 Witnesses to Hunger,  
NOTE Confidence: 0.9404827

00:37:55.741 --> 00:37:57.823 also pictured as a collective of  
NOTE Confidence: 0.9404827

00:37:57.823 --> 00:37:59.956 New Haven residents with personal  
NOTE Confidence: 0.9404827

00:37:59.956 --> 00:38:02.316 experiences of poverty who organized

NOTE Confidence: 0.9404827

00:38:02.316 --> 00:38:05.300 around Food Insecurity and 2018.

NOTE Confidence: 0.9404827

00:38:05.300 --> 00:38:09.380 We helped get them get started

NOTE Confidence: 0.9404827

00:38:09.380 --> 00:38:11.404 and we've been Bridget,

NOTE Confidence: 0.9404827

00:38:11.404 --> 00:38:13.612 particularly as in bringing members into

NOTE Confidence: 0.9404827

00:38:13.612 --> 00:38:15.400 that group and getting them oriented

NOTE Confidence: 0.9404827

00:38:15.454 --> 00:38:17.020 to what the collective is doing.

NOTE Confidence: 0.9404827

00:38:17.020 --> 00:38:18.636 We've also provided support,

NOTE Confidence: 0.9404827

00:38:18.636 --> 00:38:20.656 along with our colleague Andy

NOTE Confidence: 0.9404827

00:38:20.656 --> 00:38:21.904 Harper and Bridget,

NOTE Confidence: 0.9404827

00:38:21.904 --> 00:38:24.436 in helping the group to develop

NOTE Confidence: 0.9404827

00:38:24.436 --> 00:38:26.140 advocacy strategies as partners,

NOTE Confidence: 0.9404827

00:38:26.140 --> 00:38:27.904 securing grant funding,

NOTE Confidence: 0.9404827

00:38:27.904 --> 00:38:30.256 organizing photo voice exhibits,

NOTE Confidence: 0.9404827

00:38:30.260 --> 00:38:31.950 connecting with food security coalitions

NOTE Confidence: 0.9404827

00:38:31.950 --> 00:38:33.940 that are operating around the city.

NOTE Confidence: 0.9404827

00:38:33.940 --> 00:38:36.304 Witnesses pictured here on the upper  
NOTE Confidence: 0.9404827

00:38:36.304 --> 00:38:38.722 left at a press conference at City  
NOTE Confidence: 0.9404827

00:38:38.722 --> 00:38:40.540 Hall announcing food summer meals,  
NOTE Confidence: 0.9404827

00:38:40.540 --> 00:38:41.740 program for kids.  
NOTE Confidence: 0.9404827

00:38:41.740 --> 00:38:42.824 And in the picture,  
NOTE Confidence: 0.9404827

00:38:42.824 --> 00:38:44.450 I want to acknowledge Witnesses leader  
NOTE Confidence: 0.9404827

00:38:44.499 --> 00:38:46.524 Wanda Perez, who recently passed away.  
NOTE Confidence: 0.9404827

00:38:46.524 --> 00:38:49.582 We went Rest in Power Wanda and then  
NOTE Confidence: 0.9404827

00:38:49.582 --> 00:38:52.046 the last group pictured here is  
NOTE Confidence: 0.9404827

00:38:52.046 --> 00:38:54.560 during Michael's final year at Perch.  
NOTE Confidence: 0.9404827

00:38:54.560 --> 00:38:55.499 We were asked,  
NOTE Confidence: 0.9404827

00:38:55.499 --> 00:38:57.412 we were approached and asked to  
NOTE Confidence: 0.9404827

00:38:57.412 --> 00:38:59.356 organize with a group of Unhoused  
NOTE Confidence: 0.9404827

00:38:59.356 --> 00:39:01.480 leaders and and Housed allies to form  
NOTE Confidence: 0.9404827

00:39:01.480 --> 00:39:03.440 the Unhoused Activist Community Team,  
NOTE Confidence: 0.9404827

00:39:03.440 --> 00:39:05.560 otherwise known as U Act.

NOTE Confidence: 0.9404827

00:39:05.560 --> 00:39:07.252 The group is pictured here rallying

NOTE Confidence: 0.9404827

00:39:07.252 --> 00:39:08.696 in support of Keith Petrulis

NOTE Confidence: 0.9404827

00:39:08.696 --> 00:39:10.274 who was one of our leaders,

NOTE Confidence: 0.9404827

00:39:10.280 --> 00:39:12.836 unhoused leaders who was kicked out

NOTE Confidence: 0.9404827

00:39:12.836 --> 00:39:15.731 of his place where he was living

NOTE Confidence: 0.9404827

00:39:15.731 --> 00:39:18.296 in an entryway down in 9th square.

NOTE Confidence: 0.9404827

00:39:18.296 --> 00:39:20.480 He later passed at at another

NOTE Confidence: 0.9404827

00:39:20.564 --> 00:39:22.499 outdoor location downtown.

NOTE Confidence: 0.9404827

00:39:22.500 --> 00:39:23.556 So I want to acknowledge him

NOTE Confidence: 0.9404827

00:39:23.556 --> 00:39:24.540 and and rest in power.

NOTE Confidence: 0.9404827

00:39:24.540 --> 00:39:27.580 Keith, he was a good friend of ours.

NOTE Confidence: 0.9404827

00:39:27.580 --> 00:39:28.540 We provide support.

NOTE Confidence: 0.9404827

00:39:28.540 --> 00:39:31.226 The Perch team provide support to you ACT

NOTE Confidence: 0.9404827

00:39:31.226 --> 00:39:33.536 leaders in cofacilitating the weekly groups,

NOTE Confidence: 0.9404827

00:39:33.540 --> 00:39:34.616 doing outreach,

NOTE Confidence: 0.9404827

00:39:34.616 --> 00:39:37.306 other activities of the group  
NOTE Confidence: 0.9404827

00:39:37.306 --> 00:39:39.620 and community organizing support.  
NOTE Confidence: 0.9404827

00:39:39.620 --> 00:39:42.077 And they're we we support them in  
NOTE Confidence: 0.9404827

00:39:42.077 --> 00:39:43.953 their demands that the policymakers  
NOTE Confidence: 0.9404827

00:39:43.953 --> 00:39:45.517 acknowledge and eliminate the  
NOTE Confidence: 0.9404827

00:39:45.517 --> 00:39:48.088 trauma that's caused by the de facto  
NOTE Confidence: 0.9404827

00:39:48.088 --> 00:39:49.177 criminalization of homelessness  
NOTE Confidence: 0.9404827

00:39:49.177 --> 00:39:50.309 here in New Haven.  
NOTE Confidence: 0.9404827

00:39:50.310 --> 00:39:52.570 We've also taught residents and  
NOTE Confidence: 0.9404827

00:39:52.570 --> 00:39:54.830 fellows through the citizenship lens,  
NOTE Confidence: 0.9404827

00:39:54.830 --> 00:39:56.660 mostly through the social justice  
NOTE Confidence: 0.9404827

00:39:56.660 --> 00:39:58.124 and HealthEquity curriculum here  
NOTE Confidence: 0.9404827

00:39:58.124 --> 00:39:59.350 in the department.  
NOTE Confidence: 0.9404827

00:39:59.350 --> 00:40:00.449 And Bridge is going to talk a  
NOTE Confidence: 0.9404827

00:40:00.449 --> 00:40:01.350 little bit more about that.  
NOTE Confidence: 0.925693

00:40:03.390 --> 00:40:06.428 Thank you again, Bill. So the residents,

NOTE Confidence: 0.925693

00:40:06.430 --> 00:40:08.266 I love to take the residence.

NOTE Confidence: 0.925693

00:40:08.270 --> 00:40:10.180 I think I've been doing that for like 5 or

NOTE Confidence: 0.925693

00:40:10.180 --> 00:40:13.414 six years and the reason why I really could.

NOTE Confidence: 0.925693

00:40:13.420 --> 00:40:16.180 Commit to doing that is because for one,

NOTE Confidence: 0.925693

00:40:16.180 --> 00:40:17.842 I don't want the residents to

NOTE Confidence: 0.925693

00:40:17.842 --> 00:40:19.309 be making movies about what

NOTE Confidence: 0.925693

00:40:19.309 --> 00:40:20.819 they think about Dixwell Ave.

NOTE Confidence: 0.925693

00:40:20.820 --> 00:40:22.220 because you hear so much,

NOTE Confidence: 0.925693

00:40:22.220 --> 00:40:24.296 you know negative stuff about Dixwell.

NOTE Confidence: 0.925693

00:40:24.300 --> 00:40:26.276 So I like to keep it 100 with

NOTE Confidence: 0.925693

00:40:26.276 --> 00:40:28.462 them and tell them the truth in

NOTE Confidence: 0.925693

00:40:28.462 --> 00:40:30.754 the history of about Dixwell Ave.

NOTE Confidence: 0.925693

00:40:30.760 --> 00:40:31.705 Not only that,

NOTE Confidence: 0.925693

00:40:31.705 --> 00:40:33.595 but before I take them out,

NOTE Confidence: 0.925693

00:40:33.600 --> 00:40:35.240 I go through Dixwell Avenue.

NOTE Confidence: 0.925693

00:40:35.240 --> 00:40:37.520 I go to the leaders there,  
NOTE Confidence: 0.925693

00:40:37.520 --> 00:40:38.564 the block watchers,  
NOTE Confidence: 0.925693

00:40:38.564 --> 00:40:41.000 the drug dealers and let them know  
NOTE Confidence: 0.925693

00:40:41.074 --> 00:40:43.152 that I'm coming through there with  
NOTE Confidence: 0.925693

00:40:43.152 --> 00:40:45.224 the residents so that we can be  
NOTE Confidence: 0.925693

00:40:45.224 --> 00:40:47.357 able to get through there safely.  
NOTE Confidence: 0.925693

00:40:47.360 --> 00:40:49.496 And not that I'm bringing, you know,  
NOTE Confidence: 0.925693

00:40:49.496 --> 00:40:52.120 police or or people to set them up.  
NOTE Confidence: 0.925693

00:40:52.120 --> 00:40:54.352 So I think that's important to let the  
NOTE Confidence: 0.925693

00:40:54.352 --> 00:40:56.064 community know that I'm coming through  
NOTE Confidence: 0.925693

00:40:56.064 --> 00:40:58.080 and then when I come through there,  
NOTE Confidence: 0.925693

00:40:58.080 --> 00:41:00.438 it's really weird because you know,  
NOTE Confidence: 0.925693

00:41:00.440 --> 00:41:02.550 academia folks are so used  
NOTE Confidence: 0.925693

00:41:02.550 --> 00:41:04.238 to controlling their space.  
NOTE Confidence: 0.925693

00:41:04.240 --> 00:41:06.360 It's like the road switch.  
NOTE Confidence: 0.925693

00:41:06.360 --> 00:41:09.440 Now they in my court and you know,

NOTE Confidence: 0.925693

00:41:09.440 --> 00:41:11.155 I'm a basketball player used to be.

NOTE Confidence: 0.925693

00:41:11.160 --> 00:41:13.804 So when I say court, they in my space.

NOTE Confidence: 0.925693

00:41:13.804 --> 00:41:15.359 So now the road switch,

NOTE Confidence: 0.925693

00:41:15.360 --> 00:41:18.908 you're listening to me and to see

NOTE Confidence: 0.925693

00:41:18.908 --> 00:41:21.392 that happening and see all the

NOTE Confidence: 0.925693

00:41:21.392 --> 00:41:23.726 questions that's being asked about

NOTE Confidence: 0.925693

00:41:23.726 --> 00:41:26.404 the community that we walking through.

NOTE Confidence: 0.925693

00:41:26.404 --> 00:41:29.082 But I really tell them more than

NOTE Confidence: 0.925693

00:41:29.082 --> 00:41:30.909 the truth because I got over 60

NOTE Confidence: 0.925693

00:41:30.909 --> 00:41:32.680 years of experience on Dixville.

NOTE Confidence: 0.925693

00:41:32.680 --> 00:41:34.843 So I need them to know all

NOTE Confidence: 0.925693

00:41:34.843 --> 00:41:36.560 the stuff that's happening.

NOTE Confidence: 0.925693

00:41:36.560 --> 00:41:39.180 So when they are meeting

NOTE Confidence: 0.925693

00:41:39.180 --> 00:41:41.276 folks inside their community,

NOTE Confidence: 0.925693

00:41:41.280 --> 00:41:43.236 that meeting folks inside their office,

NOTE Confidence: 0.925693

00:41:43.240 --> 00:41:46.210 they have a little idea of, you know,  
NOTE Confidence: 0.925693

00:41:46.210 --> 00:41:47.410 where the person is coming from.  
NOTE Confidence: 0.925693

00:41:47.410 --> 00:41:48.358 But not just that.  
NOTE Confidence: 0.925693

00:41:48.358 --> 00:41:50.080 I don't need them to come through  
NOTE Confidence: 0.925693

00:41:50.080 --> 00:41:51.774 just to do that drive by when  
NOTE Confidence: 0.925693

00:41:51.774 --> 00:41:53.288 I bring them through that,  
NOTE Confidence: 0.925693

00:41:53.290 --> 00:41:56.342 I need them continue on coming through  
NOTE Confidence: 0.925693

00:41:56.342 --> 00:41:58.434 there because relationships are the  
NOTE Confidence: 0.925693

00:41:58.434 --> 00:42:00.564 key to helping people move forward.  
NOTE Confidence: 0.925693

00:42:00.570 --> 00:42:02.730 And another thing I just want to say,  
NOTE Confidence: 0.925693

00:42:02.730 --> 00:42:04.262 I appreciate you, Michael,  
NOTE Confidence: 0.925693

00:42:04.262 --> 00:42:06.560 for putting me on your team  
NOTE Confidence: 0.925693

00:42:06.631 --> 00:42:08.050 because without you,  
NOTE Confidence: 0.925693

00:42:08.050 --> 00:42:09.765 I don't know where I'll be at.  
NOTE Confidence: 0.925693

00:42:09.770 --> 00:42:10.568 And Doctor Belly,  
NOTE Confidence: 0.925693

00:42:10.568 --> 00:42:12.985 and I also want to thank you for seeing

NOTE Confidence: 0.925693

00:42:12.985 --> 00:42:15.440 stuff in me that I didn't see in myself.

NOTE Confidence: 0.925693

00:42:15.440 --> 00:42:16.540 Thank you,

NOTE Confidence: 0.925693

00:42:16.540 --> 00:42:17.640 Michael Rowe.

NOTE Confidence: 0.925693

00:42:17.640 --> 00:42:17.760 And

NOTE Confidence: 0.9272554

00:42:17.760 --> 00:42:19.568 I also want to say thanks to Michael

NOTE Confidence: 0.9272554

00:42:19.568 --> 00:42:21.253 for teaching us how to actually do

NOTE Confidence: 0.9272554

00:42:21.253 --> 00:42:22.775 citizenship and taking out of the

NOTE Confidence: 0.9272554

00:42:22.775 --> 00:42:24.551 conceptual and making an actual thing

NOTE Confidence: 0.9272554

00:42:24.551 --> 00:42:26.608 that makes differences in so many lives.

NOTE Confidence: 0.9272554

00:42:26.608 --> 00:42:29.186 And I also want to thank you for encouraging

NOTE Confidence: 0.9272554

00:42:29.186 --> 00:42:31.314 us to find the edge of of citizenship,

NOTE Confidence: 0.9272554

00:42:31.320 --> 00:42:33.156 Michael, and to continue to push

NOTE Confidence: 0.9272554

00:42:33.156 --> 00:42:34.938 through that edge and make innovations.

NOTE Confidence: 0.9272554

00:42:34.938 --> 00:42:36.900 So thank you. And we're going to hand

NOTE Confidence: 0.9272554

00:42:36.900 --> 00:42:38.480 it over to our colleague, Allison.

NOTE Confidence: 0.9325485

00:42:48.230 --> 00:42:49.504 I'm sorry, my computer just throws up.

NOTE Confidence: 0.9325485

00:42:49.510 --> 00:42:51.230 Can you see me now and hear me,

NOTE Confidence: 0.9325485

00:42:51.230 --> 00:42:52.646 Okay? Great. Thanks.

NOTE Confidence: 0.9325485

00:42:52.646 --> 00:42:53.950 Thank you, Bridget.

NOTE Confidence: 0.9325485

00:42:53.950 --> 00:42:55.750 And Billy, I'm Allison Ponce.

NOTE Confidence: 0.9325485

00:42:55.750 --> 00:42:57.090 I'm a clinical psychologist and

NOTE Confidence: 0.9325485

00:42:57.090 --> 00:42:58.162 professor in the Department

NOTE Confidence: 0.9325485

00:42:58.162 --> 00:42:59.509 of Psychiatry here at Yale,

NOTE Confidence: 0.9325485

00:42:59.510 --> 00:43:00.810 and I'm based at Connecticut

NOTE Confidence: 0.9325485

00:43:00.810 --> 00:43:01.590 Mental Health Center.

NOTE Confidence: 0.9353304

00:43:02.840 --> 00:43:03.840 So I'd like to talk

NOTE Confidence: 0.9353304

00:43:03.840 --> 00:43:05.868 a little bit about how citizenship

NOTE Confidence: 0.9353304

00:43:05.868 --> 00:43:08.028 has actually affected us as scholars

NOTE Confidence: 0.9353304

00:43:08.028 --> 00:43:09.520 and mentees and colleagues.

NOTE Confidence: 0.9353304

00:43:09.520 --> 00:43:11.823 And wondering with you about how our

NOTE Confidence: 0.9353304

00:43:11.823 --> 00:43:13.829 engagement with this work has broadened

NOTE Confidence: 0.9353304

00:43:13.829 --> 00:43:16.055 our views of our own citizenship and

NOTE Confidence: 0.9353304

00:43:16.114 --> 00:43:18.074 our own enactment of the five R's.

NOTE Confidence: 0.9353304

00:43:18.080 --> 00:43:19.465 We've heard lots of descriptions

NOTE Confidence: 0.9353304

00:43:19.465 --> 00:43:21.260 today about how the model has

NOTE Confidence: 0.9353304

00:43:21.260 --> 00:43:22.692 been implemented with different

NOTE Confidence: 0.9353304

00:43:22.692 --> 00:43:24.124 populations in different countries

NOTE Confidence: 0.9353304

00:43:24.124 --> 00:43:25.306 with widely varied applications,

NOTE Confidence: 0.9353304

00:43:25.306 --> 00:43:27.210 and I can add to this list.

NOTE Confidence: 0.9353304

00:43:27.210 --> 00:43:28.572 I've been lucky to be involved

NOTE Confidence: 0.9353304

00:43:28.572 --> 00:43:30.009 in this work over the years,

NOTE Confidence: 0.9353304

00:43:30.010 --> 00:43:31.385 thinking about how it applies

NOTE Confidence: 0.9353304

00:43:31.385 --> 00:43:32.210 to different populations,

NOTE Confidence: 0.9353304

00:43:32.210 --> 00:43:34.170 people who have just as involvement,

NOTE Confidence: 0.9353304

00:43:34.170 --> 00:43:36.210 people with serious mental illness,

NOTE Confidence: 0.9353304

00:43:36.210 --> 00:43:38.890 people without homes.

NOTE Confidence: 0.9353304

00:43:38.890 --> 00:43:40.650 Sorry about the siren here,  
NOTE Confidence: 0.9353304

00:43:40.650 --> 00:43:43.290 but what strikes me is all of the ways  
NOTE Confidence: 0.9353304

00:43:43.290 --> 00:43:45.130 that the model itself is actually created.  
NOTE Confidence: 0.9353304

00:43:45.130 --> 00:43:45.490 Community.  
NOTE Confidence: 0.9375281

00:43:46.050 --> 00:43:47.250 Just look at this panel today. People  
NOTE Confidence: 0.9375281

00:43:47.250 --> 00:43:48.410 from all over the world,  
NOTE Confidence: 0.9374989

00:43:50.260 --> 00:43:52.140 so sorry about that,  
NOTE Confidence: 0.9374989

00:43:52.140 --> 00:43:53.871 who have been drawn to this concept,  
NOTE Confidence: 0.9374989

00:43:53.871 --> 00:43:55.556 the universality of the idea  
NOTE Confidence: 0.9374989

00:43:55.556 --> 00:43:57.499 that these fundamental elements  
NOTE Confidence: 0.9374989

00:43:57.500 --> 00:43:59.955 are crucial to having a full and  
NOTE Confidence: 0.9374989

00:43:59.955 --> 00:44:01.650 meaningful life in the community.  
NOTE Confidence: 0.9374989

00:44:01.650 --> 00:44:04.456 So I'd like to suggest that we reflect  
NOTE Confidence: 0.9374989

00:44:04.456 --> 00:44:05.180 for a couple of moments about why  
NOTE Confidence: 0.9374989

00:44:05.180 --> 00:44:06.299 this resonates for  
NOTE Confidence: 0.9374989

00:44:06.300 --> 00:44:08.780 us. What does it feed in us?

NOTE Confidence: 0.9374989

00:44:08.780 --> 00:44:11.000 How does awareness of the citizenship model,

NOTE Confidence: 0.9374989

00:44:11.000 --> 00:44:12.862 whether you helped create it or you're

NOTE Confidence: 0.9374989

00:44:12.862 --> 00:44:14.627 hearing about it today for the first time,

NOTE Confidence: 0.9374989

00:44:14.630 --> 00:44:16.290 how does it change not just the way

NOTE Confidence: 0.9374989

00:44:16.290 --> 00:44:18.130 we think about other people's access

NOTE Confidence: 0.9374989

00:44:18.130 --> 00:44:19.710 to citizenship and how it applies

NOTE Confidence: 0.93006915

00:44:19.710 --> 00:44:20.790 to each of us?

NOTE Confidence: 0.93006915

00:44:22.030 --> 00:44:23.580 I think the answer is

NOTE Confidence: 0.93006915

00:44:23.580 --> 00:44:24.510 completely person dependent.

NOTE Confidence: 0.93006915

00:44:24.510 --> 00:44:26.322 How I experience responsibility

NOTE Confidence: 0.93006915

00:44:26.322 --> 00:44:28.587 or roles or relationships is

NOTE Confidence: 0.93006915

00:44:28.587 --> 00:44:30.149 different than how you do.

NOTE Confidence: 0.93006915

00:44:30.150 --> 00:44:32.088 But the fact that these ours

NOTE Confidence: 0.93006915

00:44:32.088 --> 00:44:33.810 undergird our shared human experience

NOTE Confidence: 0.93006915

00:44:33.810 --> 00:44:35.665 is really on display today,

NOTE Confidence: 0.93006915

00:44:35.670 --> 00:44:37.680 as we hear from colleagues and  
NOTE Confidence: 0.93006915

00:44:37.680 --> 00:44:40.074 Quebec and Hong Kong and Spain and  
NOTE Confidence: 0.93006915

00:44:40.074 --> 00:44:42.042 Scotland and here in New Haven.  
NOTE Confidence: 0.93006915

00:44:42.050 --> 00:44:43.418 So I'd like to invite you  
NOTE Confidence: 0.93006915

00:44:43.418 --> 00:44:44.330 to think about this.  
NOTE Confidence: 0.93006915

00:44:44.330 --> 00:44:46.616 How can an interrogation of our  
NOTE Confidence: 0.93006915

00:44:46.616 --> 00:44:48.850 own connections to the five R's,  
NOTE Confidence: 0.93006915

00:44:48.850 --> 00:44:50.656 the elements that connect us to one  
NOTE Confidence: 0.93006915

00:44:50.656 --> 00:44:52.929 another and to our experience of the world,  
NOTE Confidence: 0.93006915

00:44:52.930 --> 00:44:55.314 how can that help us discover new ways  
NOTE Confidence: 0.93006915

00:44:55.314 --> 00:44:57.770 to use the citizenship model to move  
NOTE Confidence: 0.93006915

00:44:57.770 --> 00:45:00.289 it even further out into the world,  
NOTE Confidence: 0.93006915

00:45:00.290 --> 00:45:02.636 to impact even more people and  
NOTE Confidence: 0.93006915

00:45:02.636 --> 00:45:04.850 more structures and more systems?  
NOTE Confidence: 0.93006915

00:45:04.850 --> 00:45:05.775 So I recognize we're getting  
NOTE Confidence: 0.93006915

00:45:05.775 --> 00:45:06.890 a little short on time now.

NOTE Confidence: 0.93006915

00:45:06.890 --> 00:45:07.352 So I'll,

NOTE Confidence: 0.93006915

00:45:07.352 --> 00:45:08.969 I'll end my remarks because I think

NOTE Confidence: 0.93006915

00:45:08.969 --> 00:45:10.602 we all want to hear from Michael.

NOTE Confidence: 0.93006915

00:45:10.602 --> 00:45:11.538 And without Michael,

NOTE Confidence: 0.93006915

00:45:11.538 --> 00:45:13.970 none of this work would be possible.

NOTE Confidence: 0.93006915

00:45:13.970 --> 00:45:15.790 And I'm very grateful for all of

NOTE Confidence: 0.93006915

00:45:15.790 --> 00:45:17.530 the sort of care you've taken

NOTE Confidence: 0.93006915

00:45:17.530 --> 00:45:19.010 of me as a colleague.

NOTE Confidence: 0.93006915

00:45:19.010 --> 00:45:20.770 Michael and I pass it on to you.

NOTE Confidence: 0.9282686

00:45:26.970 --> 00:45:27.888 Thank you. Allison.

NOTE Confidence: 0.9282686

00:45:30.130 --> 00:45:31.890 My screen just changed. Can you see me?

NOTE Confidence: 0.92678607

00:45:35.890 --> 00:45:38.194 And Good morning all and 1st I'm going

NOTE Confidence: 0.92678607

00:45:38.194 --> 00:45:40.894 to thank all of the presenters for your

NOTE Confidence: 0.92678607

00:45:40.894 --> 00:45:43.009 citizenship work and your kind words.

NOTE Confidence: 0.92678607

00:45:43.010 --> 00:45:44.515 The reason there's any praise to give

NOTE Confidence: 0.92678607

00:45:44.515 --> 00:45:46.237 me is the reason I have to praise  
NOTE Confidence: 0.92678607

00:45:46.237 --> 00:45:47.770 you and others who do this work,  
NOTE Confidence: 0.92678607

00:45:47.770 --> 00:45:50.826 which otherwise would have sunk like a stone  
NOTE Confidence: 0.92678607

00:45:50.826 --> 00:45:55.106 in the early 2000s but instead is floating.  
NOTE Confidence: 0.92678607

00:45:55.106 --> 00:45:57.068 It's even sailing.  
NOTE Confidence: 0.92678607

00:45:57.070 --> 00:46:01.109 So thank you many others to thank,  
NOTE Confidence: 0.92678607

00:46:01.110 --> 00:46:02.870 but lack of time today.  
NOTE Confidence: 0.92678607

00:46:02.870 --> 00:46:05.222 Other other names will be added to  
NOTE Confidence: 0.92678607

00:46:05.222 --> 00:46:07.149 the PowerPoint on the department's  
NOTE Confidence: 0.92678607

00:46:07.149 --> 00:46:09.254 website for this brand rounds.  
NOTE Confidence: 0.92678607

00:46:09.254 --> 00:46:11.726 But I must acknowledge doctor Cheryl  
NOTE Confidence: 0.92678607

00:46:11.726 --> 00:46:14.609 Bellamy for the idea of having this forum  
NOTE Confidence: 0.92678607

00:46:14.609 --> 00:46:17.069 and Grazio Reese for coordinating it.  
NOTE Confidence: 0.92678607

00:46:17.070 --> 00:46:18.828 Also want to acknowledge Patty Benedict,  
NOTE Confidence: 0.92678607

00:46:18.830 --> 00:46:20.450 the heart of our citizenship  
NOTE Confidence: 0.92678607

00:46:20.450 --> 00:46:21.746 work for many years.

NOTE Confidence: 0.92678607

00:46:21.750 --> 00:46:25.350 And remember Leslie Two Bears fondly.

NOTE Confidence: 0.92678607

00:46:25.350 --> 00:46:27.870 I also want to acknowledge DAMAS for

NOTE Confidence: 0.92678607

00:46:27.870 --> 00:46:30.549 their long time support for this work.

NOTE Confidence: 0.92678607

00:46:30.550 --> 00:46:32.670 So I just have just a few minutes

NOTE Confidence: 0.92678607

00:46:32.670 --> 00:46:35.556 to make five points about innovation

NOTE Confidence: 0.92678607

00:46:35.556 --> 00:46:38.033 in community mental health with

NOTE Confidence: 0.92678607

00:46:38.033 --> 00:46:40.388 citizenship as the case example.

NOTE Confidence: 0.92678607

00:46:40.390 --> 00:46:42.315 So my first point is have a

NOTE Confidence: 0.92678607

00:46:42.315 --> 00:46:44.327 promising idea or a hypothesis that's

NOTE Confidence: 0.92678607

00:46:44.327 --> 00:46:45.827 based on some evidence,

NOTE Confidence: 0.92678607

00:46:45.830 --> 00:46:48.344 although the evidence may be that

NOTE Confidence: 0.92678607

00:46:48.344 --> 00:46:50.830 of observation in depth interviews

NOTE Confidence: 0.92678607

00:46:50.830 --> 00:46:53.190 or consideration of a concept.

NOTE Confidence: 0.92678607

00:46:53.190 --> 00:46:55.542 So if the current idea for

NOTE Confidence: 0.92678607

00:46:55.542 --> 00:46:57.506 creating an integrated system of

NOTE Confidence: 0.92678607

00:46:57.506 --> 00:46:59.426 care is called No Wrong Door,  
NOTE Confidence: 0.92678607

00:46:59.430 --> 00:47:00.468 you get in one door and  
NOTE Confidence: 0.92678607

00:47:00.468 --> 00:47:01.550 you get into all of them.  
NOTE Confidence: 0.92678607

00:47:01.550 --> 00:47:02.708 You may be walking down the  
NOTE Confidence: 0.92678607

00:47:02.708 --> 00:47:03.750 street one morning and think,  
NOTE Confidence: 0.92678607

00:47:03.750 --> 00:47:04.830 Oh my God,  
NOTE Confidence: 0.92678607

00:47:04.830 --> 00:47:07.350 we forgot to think about who would  
NOTE Confidence: 0.92678607

00:47:07.430 --> 00:47:10.830 be at the door to let people in.  
NOTE Confidence: 0.92678607

00:47:10.830 --> 00:47:11.400 Second point,  
NOTE Confidence: 0.92678607

00:47:11.400 --> 00:47:13.395 heaven and help to create a hub  
NOTE Confidence: 0.92678607

00:47:13.395 --> 00:47:14.822 that brings creative people  
NOTE Confidence: 0.92678607

00:47:14.822 --> 00:47:16.988 together and keeps the work going.  
NOTE Confidence: 0.92678607

00:47:16.990 --> 00:47:19.349 Perch has been that hub at Yale,  
NOTE Confidence: 0.92678607

00:47:19.350 --> 00:47:23.050 C&amp;HC for Annie, Billy, Bridget,  
NOTE Confidence: 0.92678607

00:47:23.050 --> 00:47:24.172 and many others.  
NOTE Confidence: 0.92678607

00:47:24.172 --> 00:47:27.315 I think the School of Social Work and

NOTE Confidence: 0.92678607

00:47:27.315 --> 00:47:29.967 Social Policy at the University of

NOTE Confidence: 0.92678607

00:47:29.967 --> 00:47:33.048 Strathclyde has been a hub for Jillian

NOTE Confidence: 0.92678607

00:47:33.048 --> 00:47:35.562 and the Richmond Fellowship for Fiona.

NOTE Confidence: 0.92678607

00:48:09.190 --> 00:48:12.254 starting around 2012 with perch,  
NOTE Confidence: 0.92678607

00:48:12.254 --> 00:48:16.352 demis and a bumpy ride to the  
NOTE Confidence: 0.92678607

00:48:16.352 --> 00:48:18.308 University Of Montreal on a prop  
NOTE Confidence: 0.92678607

00:48:18.308 --> 00:48:20.367 plane that the pilot had to move  
NOTE Confidence: 0.92678607

00:48:20.367 --> 00:48:22.441 us around on to get the weight  
NOTE Confidence: 0.92678607

00:48:22.441 --> 00:48:24.772 balanced on both sides of the aisle  
NOTE Confidence: 0.92678607

00:48:24.780 --> 00:48:26.908 That is now an 11 nation collective  
NOTE Confidence: 0.92678607

00:48:26.908 --> 00:48:28.860 across four or five continents.  
NOTE Confidence: 0.93234754

00:48:30.900 --> 00:48:32.580 Francesco is a connector, too,  
NOTE Confidence: 0.93234754

00:48:32.580 --> 00:48:36.498 for academics, peers, clinicians in Spain,  
NOTE Confidence: 0.93234754

00:48:36.500 --> 00:48:38.980 Caledonia for citizenship work.  
NOTE Confidence: 0.9413356

00:48:41.040 --> 00:48:43.917 Fourth point Innovation in mental

NOTE Confidence: 0.9413356

00:48:43.917 --> 00:48:46.311 health doesn't involve only coming up

NOTE Confidence: 0.9413356

00:48:46.311 --> 00:48:48.678 with fixes for identified problems,

NOTE Confidence: 0.9413356

00:48:48.680 --> 00:48:51.974 but uncovering problems or gaps that

NOTE Confidence: 0.9413356

00:48:51.974 --> 00:48:54.800 haven't been fully conceptualized before.

NOTE Confidence: 0.9413356

00:48:54.800 --> 00:48:56.880 Financial health in in

NOTE Confidence: 0.9413356

00:48:56.880 --> 00:48:58.440 community mental health.

NOTE Confidence: 0.9413356

00:48:58.440 --> 00:49:01.366 Where did you hear of that until

NOTE Confidence: 0.9413356

00:49:01.366 --> 00:49:04.596 you heard of Annie Harper?

NOTE Confidence: 0.9413356

00:49:04.600 --> 00:49:06.744 Community training for residents

NOTE Confidence: 0.9413356

00:49:06.744 --> 00:49:08.888 in psychiatry by peers,

NOTE Confidence: 0.9413356

00:49:08.890 --> 00:49:11.930 community organizers and community guides.

NOTE Confidence: 0.9413356

00:49:11.930 --> 00:49:14.226 Where did you hear about that before

NOTE Confidence: 0.9413356

00:49:14.226 --> 00:49:16.090 Doctor Rohrbaugh, Billy Brumage,

NOTE Confidence: 0.9413356

00:49:16.090 --> 00:49:18.490 Bridget Williamson and others?

NOTE Confidence: 0.9413356

00:49:18.490 --> 00:49:25.490 Citizenship as Health Francesco Aeroa Rosa.

NOTE Confidence: 0.9413356

00:49:25.490 --> 00:49:29.182 Fifth Point Values stand  
NOTE Confidence: 0.9413356

00:49:29.182 --> 00:49:32.086 behind techniques and training.  
NOTE Confidence: 0.9413356

00:49:32.090 --> 00:49:34.070 Allison talking about the  
NOTE Confidence: 0.9413356

00:49:34.070 --> 00:49:36.050 aspirational nature of citizenship,  
NOTE Confidence: 0.9413356

00:49:36.050 --> 00:49:37.690 which seemed obvious to her,  
NOTE Confidence: 0.9413356

00:49:37.690 --> 00:49:40.690 but naming it made a difference.  
NOTE Confidence: 0.9413356

00:49:40.690 --> 00:49:44.169 Fiona embracing and extending the idea of  
NOTE Confidence: 0.9413356

00:49:44.169 --> 00:49:46.528 recovering citizenship from a 2016 paper,  
NOTE Confidence: 0.9413356

00:49:46.528 --> 00:49:49.885 From Perch to a new direction for the work  
NOTE Confidence: 0.9413356

00:49:49.885 --> 00:49:52.769 of the Richmond Fellowship in Hong Kong.  
NOTE Confidence: 0.9413356

00:49:52.770 --> 00:49:55.100 Jillian and colleagues practicing a  
NOTE Confidence: 0.9413356

00:49:55.100 --> 00:49:57.858 community and people wide approach to  
NOTE Confidence: 0.9413356

00:49:57.858 --> 00:50:01.820 mental health from their base in Glasgow.  
NOTE Confidence: 0.9413356

00:50:01.820 --> 00:50:03.980 Billy Brummage bringing the values  
NOTE Confidence: 0.9413356

00:50:03.980 --> 00:50:06.140 of community organizing to the  
NOTE Confidence: 0.9413356

00:50:06.211 --> 00:50:08.539 practice of collective citizenship.

NOTE Confidence: 0.9413356  
00:50:08.540 --> 00:50:11.370 Bridget Williamson and and Jean  
NOTE Confidence: 0.9413356  
00:50:11.370 --> 00:50:13.068 Francois bringing different  
NOTE Confidence: 0.9413356  
00:50:13.068 --> 00:50:15.914 approaches and inspiration to pure  
NOTE Confidence: 0.9413356  
00:50:15.914 --> 00:50:18.098 work training and empowerment.  
NOTE Confidence: 0.9413356  
00:50:18.100 --> 00:50:20.452 And finally I would say look to  
NOTE Confidence: 0.9413356  
00:50:20.452 --> 00:50:22.225 your professions for values to  
NOTE Confidence: 0.9413356  
00:50:22.225 --> 00:50:23.975 guide and support your work.  
NOTE Confidence: 0.9413356  
00:50:23.980 --> 00:50:26.698 Psychiatry, peer work,  
NOTE Confidence: 0.9413356  
00:50:26.698 --> 00:50:31.340 psychology, social work, nursing,  
NOTE Confidence: 0.9413356  
00:50:31.340 --> 00:50:33.940 case work, case management.  
NOTE Confidence: 0.9413356  
00:50:33.940 --> 00:50:36.202 Do they support the values behind  
NOTE Confidence: 0.9413356  
00:50:36.202 --> 00:50:38.362 citizenship, recovery, anti racism,  
NOTE Confidence: 0.9413356  
00:50:38.362 --> 00:50:40.738 social equity and inclusion?  
NOTE Confidence: 0.92228633  
00:50:42.780 --> 00:50:45.480 Billy and I did a little bit of work  
NOTE Confidence: 0.92228633  
00:50:45.480 --> 00:50:47.524 looking at some of the professions  
NOTE Confidence: 0.92228633

00:50:47.524 --> 00:50:49.658 and and felt that if you looked,  
NOTE Confidence: 0.92228633

00:50:49.658 --> 00:50:51.254 if you really looked at them,  
NOTE Confidence: 0.92228633

00:50:51.260 --> 00:50:54.536 they were supporting most of these values.  
NOTE Confidence: 0.92228633

00:50:54.540 --> 00:50:57.916 So if they are supporting them, that's great.  
NOTE Confidence: 0.92228633

00:50:57.916 --> 00:51:00.410 If they're not, they should.  
NOTE Confidence: 0.92228633

00:51:00.410 --> 00:51:01.610 And if they do support them,  
NOTE Confidence: 0.92228633

00:51:01.610 --> 00:51:02.888 they not only back you up,  
NOTE Confidence: 0.92228633

00:51:02.890 --> 00:51:05.308 but they require you to bring  
NOTE Confidence: 0.92228633

00:51:05.308 --> 00:51:07.810 those values to your workplace.  
NOTE Confidence: 0.92228633

00:51:07.810 --> 00:51:09.482 And I think I'm pretty much out of  
NOTE Confidence: 0.92228633

00:51:09.482 --> 00:51:11.125 time and we wanted to leave a little  
NOTE Confidence: 0.92228633

00:51:11.125 --> 00:51:12.850 bit of a bit of time for questions.  
NOTE Confidence: 0.92228633

00:51:12.850 --> 00:51:15.874 So I will turn it back to Doctor  
NOTE Confidence: 0.92228633

00:51:15.874 --> 00:51:19.000 Harper Annie Harper for Q&A.
