

WEBVTT

NOTE duration: "00:19:43.061"

NOTE Confidence: 0.99222565

00:00:00.880 --> 00:00:03.040 So welcome, everyone. It's I'm

NOTE Confidence: 0.99222565

00:00:03.040 --> 00:00:05.040 really excited to meet those

NOTE Confidence: 0.99222565

00:00:05.040 --> 00:00:06.720 of you who are new

NOTE Confidence: 0.99222565

00:00:06.720 --> 00:00:08.240 to Yale and hope that

NOTE Confidence: 0.99222565

00:00:08.240 --> 00:00:09.679 you will be excited to

NOTE Confidence: 0.99222565

00:00:09.679 --> 00:00:11.360 engage with me in our

NOTE Confidence: 0.99222565

00:00:11.360 --> 00:00:12.580 educational mission.

NOTE Confidence: 0.9911906

00:00:13.425 --> 00:00:14.865 So you may hear this

NOTE Confidence: 0.9911906

00:00:14.865 --> 00:00:16.225 statement over and over again

NOTE Confidence: 0.9911906

00:00:16.225 --> 00:00:17.045 during orientation,

NOTE Confidence: 0.9956462

00:00:17.585 --> 00:00:18.945 but I'm putting it up

NOTE Confidence: 0.9956462

00:00:18.945 --> 00:00:20.465 because I am so proud

NOTE Confidence: 0.9956462

00:00:20.465 --> 00:00:21.045 of it.

NOTE Confidence: 0.9880265

00:00:21.425 --> 00:00:22.625 When Dean Brown came to

NOTE Confidence: 0.9880265

00:00:22.625 --> 00:00:23.925 the Yale School of Medicine,

NOTE Confidence: 0.9880265

00:00:24.065 --> 00:00:25.925 she put together a group

NOTE Confidence: 0.9880265

00:00:25.985 --> 00:00:28.885 of stakeholders, including faculty, staff,

NOTE Confidence: 0.9880265

00:00:29.050 --> 00:00:30.750 students, hospital leadership,

NOTE Confidence: 0.9961751

00:00:31.609 --> 00:00:33.370 to really think about what

NOTE Confidence: 0.9961751

00:00:33.370 --> 00:00:34.570 the mission should be at

NOTE Confidence: 0.9961751

00:00:34.570 --> 00:00:35.229 the school.

NOTE Confidence: 0.9804077

00:00:35.770 --> 00:00:37.050 And you may be surprised

NOTE Confidence: 0.9804077

00:00:37.050 --> 00:00:38.489 to know that our previous

NOTE Confidence: 0.9804077

00:00:38.489 --> 00:00:40.329 mission statement did not have

NOTE Confidence: 0.9804077

00:00:40.329 --> 00:00:41.930 the word educates in it,

NOTE Confidence: 0.9804077

00:00:41.930 --> 00:00:42.970 even though we are a

NOTE Confidence: 0.9804077

00:00:42.970 --> 00:00:43.949 school of medicine.

NOTE Confidence: 0.9812622

00:00:44.435 --> 00:00:45.954 So this is one reason

NOTE Confidence: 0.9812622

00:00:45.954 --> 00:00:47.155 that I'm so pleased. So

NOTE Confidence: 0.9812622

00:00:47.155 --> 00:00:48.835 the whole process involved many

NOTE Confidence: 0.9812622

00:00:48.835 --> 00:00:49.335 iterations

NOTE Confidence: 0.9758513

00:00:50.034 --> 00:00:51.475 of stating what our values

NOTE Confidence: 0.9758513

00:00:51.475 --> 00:00:53.175 are, what our goals are,

NOTE Confidence: 0.9758513

00:00:53.475 --> 00:00:55.235 and the statement went out

NOTE Confidence: 0.9758513

00:00:55.235 --> 00:00:56.595 to the whole community, and

NOTE Confidence: 0.9758513

00:00:56.595 --> 00:00:57.815 hundreds of faculty

NOTE Confidence: 0.9575853

00:00:58.195 --> 00:01:00.000 participated in writing this statement

NOTE Confidence: 0.9575853

00:01:00.240 --> 00:01:01.840 because many wrote in saying,

NOTE Confidence: 0.9575853

00:01:01.840 --> 00:01:02.800 no. I think it needs

NOTE Confidence: 0.9575853

00:01:02.800 --> 00:01:03.840 to say this. I think

NOTE Confidence: 0.9575853

00:01:03.840 --> 00:01:04.800 this needs to be more

NOTE Confidence: 0.9575853

00:01:04.800 --> 00:01:05.300 important.

NOTE Confidence: 0.9807739

00:01:05.760 --> 00:01:07.440 So it took three months

NOTE Confidence: 0.9807739

00:01:07.440 --> 00:01:09.600 to come to this statement,

NOTE Confidence: 0.9807739

00:01:09.600 --> 00:01:10.880 but just so proud of

NOTE Confidence: 0.9807739

00:01:10.880 --> 00:01:12.340 it. Yale School of Medicine
NOTE Confidence: 0.9925014

00:01:12.825 --> 00:01:15.225 educates and nurtures creative leaders
NOTE Confidence: 0.9925014

00:01:15.225 --> 00:01:17.325 in medicine and science, promoting
NOTE Confidence: 0.9925014

00:01:17.385 --> 00:01:19.545 curiosity and critical inquiry in
NOTE Confidence: 0.9925014

00:01:19.545 --> 00:01:21.625 an inclusive environment enriched by
NOTE Confidence: 0.9925014

00:01:21.625 --> 00:01:22.125 diversity.
NOTE Confidence: 0.99434406

00:01:22.825 --> 00:01:24.525 So I hope that signals
NOTE Confidence: 0.99434406

00:01:24.584 --> 00:01:26.345 to you that educate the
NOTE Confidence: 0.99434406

00:01:26.345 --> 00:01:27.565 educational mission
NOTE Confidence: 0.9925293

00:01:27.880 --> 00:01:29.400 truly is one of the
NOTE Confidence: 0.9925293

00:01:29.400 --> 00:01:30.840 core missions of the school
NOTE Confidence: 0.9925293

00:01:30.840 --> 00:01:32.440 in addition to our clinical
NOTE Confidence: 0.9925293

00:01:32.440 --> 00:01:34.620 mission and our research mission.
NOTE Confidence: 0.9917399

00:01:37.720 --> 00:01:39.080 I put up this slide
NOTE Confidence: 0.9917399

00:01:39.080 --> 00:01:40.200 to show you who our
NOTE Confidence: 0.9917399

00:01:40.200 --> 00:01:41.260 learners are.

NOTE Confidence: 0.9417182

00:01:42.495 --> 00:01:44.515 So we have several programs.

NOTE Confidence: 0.9417182

00:01:44.655 --> 00:01:45.694 In the middle, you'll see

NOTE Confidence: 0.9417182

00:01:45.694 --> 00:01:46.655 we have an MD and

NOTE Confidence: 0.9417182

00:01:46.655 --> 00:01:48.115 MD PhD program

NOTE Confidence: 0.9720459

00:01:48.655 --> 00:01:50.595 that totals over four hundred

NOTE Confidence: 0.9720459

00:01:50.655 --> 00:01:51.155 students,

NOTE Confidence: 0.9765958

00:01:51.854 --> 00:01:52.975 and then we also have

NOTE Confidence: 0.9765958

00:01:52.975 --> 00:01:54.735 a physician assist associate and

NOTE Confidence: 0.9765958

00:01:54.735 --> 00:01:56.835 a physician assistant online program

NOTE Confidence: 0.9765958

00:01:56.895 --> 00:01:58.410 that totals two hundred and

NOTE Confidence: 0.9765958

00:01:58.410 --> 00:01:59.230 forty seven.

NOTE Confidence: 0.96918947

00:02:00.090 --> 00:02:01.610 And then we have many

NOTE Confidence: 0.96918947

00:02:01.610 --> 00:02:03.050 residents and fellows as you

NOTE Confidence: 0.96918947

00:02:03.050 --> 00:02:04.510 heard in the previous presentation,

NOTE Confidence: 0.96918947

00:02:04.650 --> 00:02:06.490 over a thousand residents now

NOTE Confidence: 0.96918947

00:02:06.490 --> 00:02:08.350 and over four hundred fellows.

NOTE Confidence: 0.9953939

00:02:08.650 --> 00:02:09.690 So these are all of

NOTE Confidence: 0.9953939

00:02:09.690 --> 00:02:10.810 our learners. So when I

NOTE Confidence: 0.9953939

00:02:10.810 --> 00:02:12.590 talk about the educational mission,

NOTE Confidence: 0.9808594

00:02:13.014 --> 00:02:14.794 I'm talking about our roles

NOTE Confidence: 0.9998779

00:02:15.334 --> 00:02:17.334 in training these learners for

NOTE Confidence: 0.9998779

00:02:17.334 --> 00:02:18.315 the next phase

NOTE Confidence: 1

00:02:18.855 --> 00:02:19.754 of their education

NOTE Confidence: 0.9547526

00:02:20.294 --> 00:02:21.754 to become faculty

NOTE Confidence: 0.98132324

00:02:22.135 --> 00:02:23.275 like all of you.

NOTE Confidence: 0.9599035

00:02:24.534 --> 00:02:25.575 The people who are not

NOTE Confidence: 0.9599035

00:02:25.575 --> 00:02:26.534 on this slide, which I

NOTE Confidence: 0.9599035

00:02:26.534 --> 00:02:28.190 also should mention, are our

NOTE Confidence: 0.9599035

00:02:28.190 --> 00:02:29.330 PhD students.

NOTE Confidence: 0.9947161

00:02:30.110 --> 00:02:31.550 And the reason they're not

NOTE Confidence: 0.9947161

00:02:31.550 --> 00:02:32.750 on this slide is because

NOTE Confidence: 0.9947161

00:02:32.750 --> 00:02:34.530 PhD students are actually

NOTE Confidence: 0.9763387

00:02:34.830 --> 00:02:36.510 receiving their degree from the

NOTE Confidence: 0.9763387

00:02:36.510 --> 00:02:38.030 Yale Graduate School of Arts

NOTE Confidence: 0.9763387

00:02:38.030 --> 00:02:38.770 and Sciences,

NOTE Confidence: 0.9901774

00:02:39.230 --> 00:02:40.270 and we have a very,

NOTE Confidence: 0.9901774

00:02:40.270 --> 00:02:42.190 very close collaboration with that

NOTE Confidence: 0.9901774

00:02:42.190 --> 00:02:43.675 school. And we open up

NOTE Confidence: 0.9901774

00:02:43.675 --> 00:02:45.035 our labs and our research

NOTE Confidence: 0.9901774

00:02:45.035 --> 00:02:46.955 settings to bring those students

NOTE Confidence: 0.9901774

00:02:46.955 --> 00:02:48.735 in to complete their training

NOTE Confidence: 0.98896486

00:02:49.275 --> 00:02:51.435 in in clinical research and

NOTE Confidence: 0.98896486

00:02:51.435 --> 00:02:53.775 laboratory bench and translational research.

NOTE Confidence: 0.9505615

00:02:54.315 --> 00:02:55.915 So they also are part

NOTE Confidence: 0.9505615

00:02:55.915 --> 00:02:56.735 of our family,

NOTE Confidence: 0.9816284

00:02:57.519 --> 00:02:58.400 but these are the three

NOTE Confidence: 0.9816284

00:02:58.400 --> 00:03:00.260 programs where we're actually issuing

NOTE Confidence: 0.9816284

00:03:00.319 --> 00:03:01.440 degrees from the school of

NOTE Confidence: 0.9816284

00:03:01.440 --> 00:03:01.940 medicine

NOTE Confidence: 0.9942336

00:03:02.319 --> 00:03:04.239 or helping people complete their

NOTE Confidence: 0.9942336

00:03:04.239 --> 00:03:05.459 subspecialty training.

NOTE Confidence: 0.99296874

00:03:07.519 --> 00:03:09.040 So when you're here, if

NOTE Confidence: 0.99296874

00:03:09.040 --> 00:03:10.720 you have not graduated from

NOTE Confidence: 0.99296874

00:03:10.720 --> 00:03:12.019 the Yale School of Medicine,

NOTE Confidence: 0.9726214

00:03:12.319 --> 00:03:13.575 you're gonna be exposed to

NOTE Confidence: 0.9726214

00:03:13.575 --> 00:03:14.475 this concept

NOTE Confidence: 0.92745537

00:03:14.855 --> 00:03:16.535 called the Yale System of

NOTE Confidence: 0.92745537

00:03:16.535 --> 00:03:17.514 Medical Education.

NOTE Confidence: 0.97414553

00:03:18.294 --> 00:03:19.575 It has been around for

NOTE Confidence: 0.97414553

00:03:19.575 --> 00:03:21.115 more than a hundred years,

NOTE Confidence: 0.97753906

00:03:21.415 --> 00:03:23.095 so you might wonder, what

NOTE Confidence: 0.97753906

00:03:23.095 --> 00:03:24.395 is that all about?

NOTE Confidence: 0.9973828

00:03:25.110 --> 00:03:26.550 So I'm gonna state a

NOTE Confidence: 0.9973828

00:03:26.550 --> 00:03:27.830 concept that is on our

NOTE Confidence: 0.9973828

00:03:27.830 --> 00:03:29.430 website and is repeated over

NOTE Confidence: 0.9973828

00:03:29.430 --> 00:03:30.710 and over again to frame

NOTE Confidence: 0.9973828

00:03:30.710 --> 00:03:32.490 it. So the fundamental element

NOTE Confidence: 0.99943036

00:03:33.030 --> 00:03:34.310 of the system is the

NOTE Confidence: 0.99943036

00:03:34.310 --> 00:03:36.070 concept that medical students are

NOTE Confidence: 0.99943036

00:03:36.070 --> 00:03:37.130 mature individuals

NOTE Confidence: 0.8732503

00:03:37.935 --> 00:03:39.935 strongly motivated to learn require

NOTE Confidence: 0.8732503

00:03:39.935 --> 00:03:40.435 guidance

NOTE Confidence: 0.79248047

00:03:41.295 --> 00:03:41.955 and stimulation

NOTE Confidence: 0.96102625

00:03:42.575 --> 00:03:44.835 rather than compulsion or competition

NOTE Confidence: 0.96102625

00:03:45.055 --> 00:03:46.335 for relative standing in a

NOTE Confidence: 0.96102625

00:03:46.335 --> 00:03:46.835 group.

NOTE Confidence: 0.9953125

00:03:48.415 --> 00:03:49.855 So what does that mean

NOTE Confidence: 0.9953125

00:03:49.855 --> 00:03:51.795 in two thousand twenty four?
NOTE Confidence: 0.9973863

00:03:52.300 --> 00:03:53.500 So we do not have
NOTE Confidence: 0.9973863

00:03:53.500 --> 00:03:55.100 grades in the first one
NOTE Confidence: 0.9973863

00:03:55.100 --> 00:03:55.980 and a half years of
NOTE Confidence: 0.9973863

00:03:55.980 --> 00:03:56.640 the curriculum.
NOTE Confidence: 0.9850293

00:03:57.260 --> 00:03:59.180 We actually have pass fail
NOTE Confidence: 0.9850293

00:03:59.180 --> 00:04:00.459 for our clerkships when they
NOTE Confidence: 0.9850293

00:04:00.459 --> 00:04:01.740 enter the clinical setting, and
NOTE Confidence: 0.9850293

00:04:01.740 --> 00:04:02.780 it's not until they get
NOTE Confidence: 0.9850293

00:04:02.780 --> 00:04:04.480 to the advanced training period
NOTE Confidence: 0.9965007

00:04:05.135 --> 00:04:06.655 when they are being issued
NOTE Confidence: 0.9965007

00:04:06.655 --> 00:04:08.275 grades for their sub internships
NOTE Confidence: 0.9965007

00:04:08.575 --> 00:04:10.515 and their advanced clinical electives.
NOTE Confidence: 0.9953962

00:04:11.775 --> 00:04:12.975 What this does is it
NOTE Confidence: 0.9953962

00:04:12.975 --> 00:04:13.535 creates an,
NOTE Confidence: 0.991272

00:04:14.095 --> 00:04:16.015 an environment where students are

NOTE Confidence: 0.991272
00:04:16.015 --> 00:04:17.395 pursuing their learning
NOTE Confidence: 0.9900716
00:04:18.990 --> 00:04:20.990 at a pace which meets
NOTE Confidence: 0.9900716
00:04:20.990 --> 00:04:22.270 their needs and helps them
NOTE Confidence: 0.9900716
00:04:22.270 --> 00:04:23.170 reach milestones
NOTE Confidence: 0.9995117
00:04:24.029 --> 00:04:25.730 without the need for competition
NOTE Confidence: 0.9995117
00:04:25.950 --> 00:04:26.850 with each other.
NOTE Confidence: 0.9745343
00:04:27.310 --> 00:04:28.910 We attract some of the
NOTE Confidence: 0.9745343
00:04:28.910 --> 00:04:30.830 most highly qualified students from
NOTE Confidence: 0.9745343
00:04:30.830 --> 00:04:31.730 around the country,
NOTE Confidence: 0.9864717
00:04:32.134 --> 00:04:33.014 So when they come in,
NOTE Confidence: 0.9864717
00:04:33.014 --> 00:04:34.615 we're actually not worried that
NOTE Confidence: 0.9864717
00:04:34.615 --> 00:04:36.375 they're gonna have trouble learning
NOTE Confidence: 0.9864717
00:04:36.375 --> 00:04:37.035 the material.
NOTE Confidence: 0.9877658
00:04:37.574 --> 00:04:38.935 And so we create a
NOTE Confidence: 0.9877658
00:04:38.935 --> 00:04:40.935 scaffolding, a platform for them
NOTE Confidence: 0.9877658

00:04:40.935 --> 00:04:41.914 to learn
NOTE Confidence: 0.9879557

00:04:42.294 --> 00:04:43.035 the preclinical,
NOTE Confidence: 0.99902344

00:04:44.535 --> 00:04:45.035 physiology,
NOTE Confidence: 0.9925537

00:04:45.735 --> 00:04:46.235 pathophysiology,
NOTE Confidence: 0.99088544

00:04:47.920 --> 00:04:49.360 all the aspects of clinical
NOTE Confidence: 0.99088544

00:04:49.360 --> 00:04:50.800 medicine that we expect students
NOTE Confidence: 0.99088544

00:04:50.800 --> 00:04:52.080 to learn before entering their
NOTE Confidence: 0.99088544

00:04:52.080 --> 00:04:53.060 clinical clerkships,
NOTE Confidence: 0.95936805

00:04:53.360 --> 00:04:54.960 and then similarly provide a
NOTE Confidence: 0.95936805

00:04:54.960 --> 00:04:56.660 framework in the clerkship period
NOTE Confidence: 0.95936805

00:04:56.800 --> 00:04:58.100 for students to learn
NOTE Confidence: 0.99960935

00:04:58.560 --> 00:05:00.260 within the patient care setting.
NOTE Confidence: 0.99247235

00:05:01.065 --> 00:05:02.585 They all need to pass
NOTE Confidence: 0.99247235

00:05:02.585 --> 00:05:03.865 step one and step two,
NOTE Confidence: 0.99247235

00:05:03.865 --> 00:05:05.565 which are the licensing exams
NOTE Confidence: 0.99247235

00:05:05.705 --> 00:05:06.845 to practice medicine.

NOTE Confidence: 0.96313477
00:05:07.305 --> 00:05:08.824 They all do very well
NOTE Confidence: 0.96313477
00:05:08.824 --> 00:05:10.264 on these exams, so it
NOTE Confidence: 0.96313477
00:05:10.264 --> 00:05:11.785 also is a testament to
NOTE Confidence: 0.96313477
00:05:11.785 --> 00:05:12.824 that the fact that this
NOTE Confidence: 0.96313477
00:05:12.824 --> 00:05:13.884 system is working.
NOTE Confidence: 0.9838867
00:05:14.870 --> 00:05:16.150 And the other thing about
NOTE Confidence: 0.9838867
00:05:16.150 --> 00:05:17.910 the Yale system that's unique
NOTE Confidence: 0.9838867
00:05:17.910 --> 00:05:19.029 is that we require a
NOTE Confidence: 0.9838867
00:05:19.029 --> 00:05:19.529 thesis
NOTE Confidence: 0.9765625
00:05:20.070 --> 00:05:20.889 for students
NOTE Confidence: 0.8480184
00:05:21.430 --> 00:05:23.690 to graduate, and so it's
NOTE Confidence: 0.8480184
00:05:23.830 --> 00:05:25.029 kind of like a mini
NOTE Confidence: 0.8480184
00:05:25.029 --> 00:05:26.950 dissertation. So they need to
NOTE Confidence: 0.8480184
00:05:26.950 --> 00:05:27.563 engage with a faculty member
NOTE Confidence: 0.8480184
00:05:27.563 --> 00:05:27.729 in research while they are
NOTE Confidence: 0.8480184

00:05:27.729 --> 00:05:28.154 here and at the end,
NOTE Confidence: 0.56933594

00:05:39.675 --> 00:05:40.175 multiple
NOTE Confidence: 0.99609375

00:05:40.555 --> 00:05:41.055 manuscripts
NOTE Confidence: 0.98163027

00:05:41.610 --> 00:05:43.290 from that thesis, so that
NOTE Confidence: 0.98163027

00:05:43.290 --> 00:05:44.750 also, I think, helps them
NOTE Confidence: 0.98163027

00:05:44.970 --> 00:05:46.729 kind of establish and pursue
NOTE Confidence: 0.98163027

00:05:46.729 --> 00:05:48.169 their passions early on in
NOTE Confidence: 0.98163027

00:05:48.169 --> 00:05:49.370 their careers, and many of
NOTE Confidence: 0.98163027

00:05:49.370 --> 00:05:50.570 our students go on to
NOTE Confidence: 0.98163027

00:05:50.570 --> 00:05:51.949 become physician scientists
NOTE Confidence: 0.9733665

00:05:52.490 --> 00:05:54.089 because of that, or they
NOTE Confidence: 0.9733665

00:05:54.089 --> 00:05:56.010 become leaders, right, in public
NOTE Confidence: 0.9733665

00:05:56.010 --> 00:05:56.510 policy,
NOTE Confidence: 0.89575195

00:05:57.975 --> 00:06:00.075 biomedical ethics, and other forums.
NOTE Confidence: 0.99853516

00:06:00.455 --> 00:06:01.575 So I think, you know,
NOTE Confidence: 0.99853516

00:06:01.575 --> 00:06:02.635 it's really a testament

NOTE Confidence: 0.97920364

00:06:03.175 --> 00:06:04.775 to the system that was

NOTE Confidence: 0.97920364

00:06:04.775 --> 00:06:06.135 developed over a hundred years

NOTE Confidence: 0.97920364

00:06:06.135 --> 00:06:06.635 ago,

NOTE Confidence: 0.99965125

00:06:07.175 --> 00:06:08.935 that students come here and

NOTE Confidence: 0.99965125

00:06:08.935 --> 00:06:10.375 are able to succeed so

NOTE Confidence: 0.99965125

00:06:10.375 --> 00:06:11.515 well in their careers.

NOTE Confidence: 0.97406006

00:06:12.029 --> 00:06:13.630 So your role in it,

NOTE Confidence: 0.97406006

00:06:13.630 --> 00:06:14.750 it, you know, it's kind

NOTE Confidence: 0.97406006

00:06:14.750 --> 00:06:15.870 of interesting. Like, when I

NOTE Confidence: 0.97406006

00:06:15.870 --> 00:06:16.990 first came here, I did

NOTE Confidence: 0.97406006

00:06:16.990 --> 00:06:18.190 not graduate from the Yale

NOTE Confidence: 0.97406006

00:06:18.190 --> 00:06:19.010 School of Medicine.

NOTE Confidence: 0.99397784

00:06:19.950 --> 00:06:20.670 And so I was a

NOTE Confidence: 0.99397784

00:06:20.670 --> 00:06:22.270 little surprised at first, you

NOTE Confidence: 0.99397784

00:06:22.270 --> 00:06:23.810 know, in the clerkship setting

NOTE Confidence: 0.9524536

00:06:24.235 --> 00:06:25.595 that the students seem to
NOTE Confidence: 0.9524536

00:06:25.595 --> 00:06:26.555 be like, there were no
NOTE Confidence: 0.9524536

00:06:26.555 --> 00:06:28.315 shelf exams either. That's another
NOTE Confidence: 0.9524536

00:06:28.315 --> 00:06:29.615 thing. That's a little strange.
NOTE Confidence: 0.99057615

00:06:30.875 --> 00:06:32.654 But the students are so,
NOTE Confidence: 1

00:06:33.595 --> 00:06:34.095 independently
NOTE Confidence: 0.9976562

00:06:34.475 --> 00:06:36.255 motivated and eager to learn
NOTE Confidence: 0.9921875

00:06:36.795 --> 00:06:38.395 and and further their knowledge
NOTE Confidence: 0.9921875

00:06:38.395 --> 00:06:39.375 and their skills.
NOTE Confidence: 0.99658203

00:06:39.700 --> 00:06:41.540 It's fascinating to watch how
NOTE Confidence: 0.99658203

00:06:41.540 --> 00:06:42.980 that can happen even when
NOTE Confidence: 0.99658203

00:06:42.980 --> 00:06:43.880 there are not
NOTE Confidence: 0.9967448

00:06:44.500 --> 00:06:46.120 letter grades or
NOTE Confidence: 1

00:06:46.500 --> 00:06:47.000 rankings
NOTE Confidence: 0.9982605

00:06:47.380 --> 00:06:48.740 and such. So I hope
NOTE Confidence: 0.9982605

00:06:48.740 --> 00:06:49.720 that you enjoy

NOTE Confidence: 0.9981445

00:06:50.020 --> 00:06:51.300 watching it, seeing how it

NOTE Confidence: 0.9981445

00:06:51.300 --> 00:06:53.240 works, and participating in it.

NOTE Confidence: 0.9830078

00:06:53.695 --> 00:06:55.315 We are also always working,

NOTE Confidence: 0.99938965

00:06:55.695 --> 00:06:56.915 about how to improve,

NOTE Confidence: 0.96059024

00:06:57.695 --> 00:06:59.875 student engagement and attaining competency.

NOTE Confidence: 0.96059024

00:06:59.935 --> 00:07:01.555 We've noticed a little shift.

NOTE Confidence: 0.96059024

00:07:01.775 --> 00:07:03.555 Maybe you have seen that.

NOTE Confidence: 0.96850586

00:07:03.935 --> 00:07:05.535 Also, if you have any

NOTE Confidence: 0.96850586

00:07:05.535 --> 00:07:07.130 contact with with college students

NOTE Confidence: 0.96850586

00:07:07.270 --> 00:07:08.790 or graduate students at this

NOTE Confidence: 0.96850586

00:07:08.790 --> 00:07:10.229 time, there's a shift in

NOTE Confidence: 0.96850586

00:07:10.229 --> 00:07:11.930 how they engage with information.

NOTE Confidence: 0.9984538

00:07:12.470 --> 00:07:13.750 They don't like coming to

NOTE Confidence: 0.9984538

00:07:13.750 --> 00:07:15.050 sit for long lectures.

NOTE Confidence: 0.9989537

00:07:15.590 --> 00:07:17.130 They like to go online

NOTE Confidence: 0.9989537

00:07:17.190 --> 00:07:17.930 and find,
NOTE Confidence: 0.9965515

00:07:18.325 --> 00:07:19.605 you know, little videos that
NOTE Confidence: 0.9965515

00:07:19.605 --> 00:07:20.965 are ten minutes long to
NOTE Confidence: 0.9965515

00:07:20.965 --> 00:07:22.485 learn about different aspects of
NOTE Confidence: 0.9965515

00:07:22.485 --> 00:07:22.985 physiology.
NOTE Confidence: 0.99902344

00:07:23.525 --> 00:07:25.385 So we're working really hard
NOTE Confidence: 0.99902344

00:07:25.605 --> 00:07:26.965 to kind of integrate that
NOTE Confidence: 0.99902344

00:07:26.965 --> 00:07:27.465 approach
NOTE Confidence: 0.9959961

00:07:27.845 --> 00:07:29.925 into how we teach and
NOTE Confidence: 0.9959961

00:07:29.925 --> 00:07:31.765 creating more small group sessions
NOTE Confidence: 0.9959961

00:07:31.765 --> 00:07:33.385 for students to really take
NOTE Confidence: 0.9959961

00:07:33.550 --> 00:07:35.330 that knowledge and apply it,
NOTE Confidence: 0.9784284

00:07:36.670 --> 00:07:38.350 provide, you know, ways for
NOTE Confidence: 0.9784284

00:07:38.350 --> 00:07:39.790 them to engage with our
NOTE Confidence: 0.9784284

00:07:39.790 --> 00:07:41.090 knowledge and our expertise,
NOTE Confidence: 0.99262697

00:07:42.030 --> 00:07:43.390 and then work to develop

NOTE Confidence: 0.99262697

00:07:43.390 --> 00:07:45.650 critical thinking skills and clinical

NOTE Confidence: 0.9734638

00:07:46.185 --> 00:07:47.465 reasoning skills, all the important

NOTE Confidence: 0.9734638

00:07:47.465 --> 00:07:49.145 things. So this is the

NOTE Confidence: 0.9734638

00:07:49.145 --> 00:07:50.525 MD program curriculum,

NOTE Confidence: 0.9841797

00:07:50.825 --> 00:07:51.785 and as you can see,

NOTE Confidence: 0.9841797

00:07:51.785 --> 00:07:52.745 the first year and a

NOTE Confidence: 0.9841797

00:07:52.745 --> 00:07:54.685 half is the preclinical period.

NOTE Confidence: 0.9975586

00:07:55.625 --> 00:07:56.445 There's also

NOTE Confidence: 0.98236555

00:07:56.825 --> 00:07:58.025 a lot of emphasis on

NOTE Confidence: 0.98236555

00:07:58.025 --> 00:08:00.139 clinical skills. They're learning physical

NOTE Confidence: 0.98236555

00:08:00.139 --> 00:08:01.740 exam and history taking. They're

NOTE Confidence: 0.98236555

00:08:01.740 --> 00:08:03.260 going out to clinical sites

NOTE Confidence: 0.98236555

00:08:03.260 --> 00:08:04.380 even from the very first

NOTE Confidence: 0.98236555

00:08:04.380 --> 00:08:04.880 day,

NOTE Confidence: 0.9973958

00:08:05.500 --> 00:08:06.540 and then they enter the

NOTE Confidence: 0.9973958

00:08:06.540 --> 00:08:07.040 clerkships
NOTE Confidence: 0.9953613

00:08:07.500 --> 00:08:08.460 in the middle of year
NOTE Confidence: 0.9953613

00:08:08.460 --> 00:08:08.960 two
NOTE Confidence: 0.9600879

00:08:09.419 --> 00:08:10.620 and finish in the middle
NOTE Confidence: 0.9600879

00:08:10.620 --> 00:08:12.300 of year three. Many medical
NOTE Confidence: 0.9600879

00:08:12.300 --> 00:08:13.695 schools have moved to that
NOTE Confidence: 0.9600879

00:08:13.935 --> 00:08:15.455 that system now. We we
NOTE Confidence: 0.9600879

00:08:15.455 --> 00:08:17.155 kind of shifted things forward.
NOTE Confidence: 0.99208987

00:08:18.575 --> 00:08:20.595 In the advanced training period,
NOTE Confidence: 0.9918186

00:08:21.215 --> 00:08:22.175 that's when they do their
NOTE Confidence: 0.9918186

00:08:22.175 --> 00:08:24.415 sub internships, electives, and really
NOTE Confidence: 0.9918186

00:08:24.415 --> 00:08:26.435 focus on their research projects.
NOTE Confidence: 0.9854248

00:08:27.070 --> 00:08:28.830 So you may engage with
NOTE Confidence: 0.9854248

00:08:28.830 --> 00:08:30.590 the students, whether you're coming
NOTE Confidence: 0.9854248

00:08:30.590 --> 00:08:32.510 here as a faculty with
NOTE Confidence: 0.9854248

00:08:32.510 --> 00:08:34.370 an MD or a PhD

NOTE Confidence: 0.993042

00:08:34.830 --> 00:08:36.110 in many of these different

NOTE Confidence: 0.993042

00:08:36.110 --> 00:08:37.950 settings. Many of our PhD

NOTE Confidence: 0.993042

00:08:37.950 --> 00:08:39.970 faculty who are running labs

NOTE Confidence: 0.993042

00:08:40.145 --> 00:08:41.825 will have medical students in

NOTE Confidence: 0.993042

00:08:41.825 --> 00:08:43.345 their labs because they will

NOTE Confidence: 0.993042

00:08:43.345 --> 00:08:44.245 come to seek,

NOTE Confidence: 0.94272083

00:08:44.945 --> 00:08:45.985 to work in your lab

NOTE Confidence: 0.94272083

00:08:45.985 --> 00:08:47.184 and engage and do their

NOTE Confidence: 0.94272083

00:08:47.184 --> 00:08:48.325 thesis with you.

NOTE Confidence: 0.9693429

00:08:48.785 --> 00:08:49.745 And I think it's a

NOTE Confidence: 0.9693429

00:08:49.745 --> 00:08:50.565 really nice,

NOTE Confidence: 0.83740234

00:08:51.505 --> 00:08:52.005 collaboration,

NOTE Confidence: 0.9679362

00:08:53.459 --> 00:08:54.980 in that respect because they

NOTE Confidence: 0.9679362

00:08:54.980 --> 00:08:56.740 become very productive members of

NOTE Confidence: 0.9679362

00:08:56.740 --> 00:08:58.600 your team and don't require

NOTE Confidence: 0.9679362

00:08:58.899 --> 00:09:00.740 NIH funding because they're already
NOTE Confidence: 0.9679362

00:09:00.740 --> 00:09:02.179 here and we're already funding
NOTE Confidence: 0.9679362

00:09:02.179 --> 00:09:03.000 them. So,
NOTE Confidence: 0.99970704

00:09:03.459 --> 00:09:04.660 I hope you'll find that
NOTE Confidence: 0.99970704

00:09:04.660 --> 00:09:06.200 to be an exciting advantage.
NOTE Confidence: 0.9905599

00:09:07.865 --> 00:09:09.005 I also have,
NOTE Confidence: 0.99405926

00:09:09.385 --> 00:09:10.505 a slide to show the
NOTE Confidence: 0.99405926

00:09:10.505 --> 00:09:12.445 physician associate program curriculum.
NOTE Confidence: 0.9980469

00:09:13.625 --> 00:09:15.304 This program has been around
NOTE Confidence: 0.9980469

00:09:15.304 --> 00:09:16.665 for over fifty years. It's
NOTE Confidence: 0.9980469

00:09:16.665 --> 00:09:17.545 one of the oldest in
NOTE Confidence: 0.9980469

00:09:17.545 --> 00:09:19.485 the country. It was developed
NOTE Confidence: 0.8000488

00:09:20.184 --> 00:09:20.684 here,
NOTE Confidence: 0.98217773

00:09:21.220 --> 00:09:21.540 and,
NOTE Confidence: 0.98417157

00:09:22.020 --> 00:09:24.179 we also recruit a very
NOTE Confidence: 0.98417157

00:09:24.179 --> 00:09:24.679 robust,

NOTE Confidence: 1

00:09:25.140 --> 00:09:26.440 population of students

NOTE Confidence: 0.998291

00:09:26.900 --> 00:09:28.040 who are very dedicated

NOTE Confidence: 0.98798686

00:09:28.340 --> 00:09:30.179 to learning medicine. They often

NOTE Confidence: 0.98798686

00:09:30.179 --> 00:09:31.700 have had prior careers before

NOTE Confidence: 0.98798686

00:09:31.700 --> 00:09:33.220 they come here, so they

NOTE Confidence: 0.98798686

00:09:33.220 --> 00:09:35.024 come actually in a very

NOTE Confidence: 0.98798686

00:09:35.024 --> 00:09:36.865 mature and dedicated way to

NOTE Confidence: 0.98798686

00:09:36.865 --> 00:09:37.904 engage with us, and they

NOTE Confidence: 0.98798686

00:09:37.904 --> 00:09:39.125 also have to do,

NOTE Confidence: 0.9776573

00:09:39.665 --> 00:09:41.505 a research project, which is

NOTE Confidence: 0.9776573

00:09:41.505 --> 00:09:42.464 very unique. I don't think

NOTE Confidence: 0.9776573

00:09:42.464 --> 00:09:44.325 there's any other physician associate

NOTE Confidence: 0.9776573

00:09:44.385 --> 00:09:46.385 programs that require their PA

NOTE Confidence: 0.9776573

00:09:46.385 --> 00:09:47.765 students to do a project.

NOTE Confidence: 0.9776573

00:09:47.980 --> 00:09:48.940 But so some of them

NOTE Confidence: 0.9776573

00:09:48.940 --> 00:09:50.700 will also approach you to
NOTE Confidence: 0.9776573

00:09:50.700 --> 00:09:52.300 work with them. And many
NOTE Confidence: 0.9776573

00:09:52.300 --> 00:09:53.740 of these graduates end up
NOTE Confidence: 0.9776573

00:09:53.740 --> 00:09:55.260 entering Yale New Haven Health
NOTE Confidence: 0.9776573

00:09:55.260 --> 00:09:57.100 System as care providers on
NOTE Confidence: 0.9776573

00:09:57.100 --> 00:09:59.100 our team, and we're really
NOTE Confidence: 0.9776573

00:09:59.100 --> 00:10:00.320 proud of the robust,
NOTE Confidence: 0.99902344

00:10:00.940 --> 00:10:02.140 graduates that we have in
NOTE Confidence: 0.99902344

00:10:02.140 --> 00:10:02.800 that program.
NOTE Confidence: 1

00:10:04.195 --> 00:10:05.415 The medical education
NOTE Confidence: 0.9980469

00:10:05.715 --> 00:10:07.815 opportunities that I've highlighted here
NOTE Confidence: 0.9980469

00:10:08.115 --> 00:10:09.155 are things that I hope
NOTE Confidence: 0.9980469

00:10:09.155 --> 00:10:10.675 all of you will consider
NOTE Confidence: 0.9980469

00:10:10.675 --> 00:10:11.175 doing,
NOTE Confidence: 0.99620056

00:10:12.355 --> 00:10:14.035 in your early years. So
NOTE Confidence: 0.99620056

00:10:14.035 --> 00:10:14.995 as you can see, there's

NOTE Confidence: 0.99620056
00:10:14.995 --> 00:10:16.835 opportunities to teach in our
NOTE Confidence: 0.99620056
00:10:16.835 --> 00:10:17.335 courses
NOTE Confidence: 0.94794923
00:10:17.870 --> 00:10:19.309 and in our clinical settings
NOTE Confidence: 0.94794923
00:10:19.309 --> 00:10:20.929 if you're more clinically oriented.
NOTE Confidence: 0.99884033
00:10:21.309 --> 00:10:22.990 You'll encounter all of these
NOTE Confidence: 0.99884033
00:10:22.990 --> 00:10:24.670 learners in these settings. We
NOTE Confidence: 0.99884033
00:10:24.670 --> 00:10:26.269 also have recently started a
NOTE Confidence: 0.99884033
00:10:26.269 --> 00:10:26.769 longitudinal
NOTE Confidence: 0.9945204
00:10:27.070 --> 00:10:28.830 coaching program so that each
NOTE Confidence: 0.9945204
00:10:28.830 --> 00:10:30.450 medical student is assigned
NOTE Confidence: 0.98254395
00:10:30.925 --> 00:10:32.445 a coach that follows them
NOTE Confidence: 0.98254395
00:10:32.445 --> 00:10:33.485 from the first year all
NOTE Confidence: 0.98254395
00:10:33.485 --> 00:10:34.465 the way to graduation.
NOTE Confidence: 0.9168396
00:10:35.085 --> 00:10:37.005 And we've had an enormous
NOTE Confidence: 0.9168396
00:10:37.005 --> 00:10:38.065 number of faculty,
NOTE Confidence: 0.9700056

00:10:38.925 --> 00:10:40.684 come forward to apply for
NOTE Confidence: 0.9700056

00:10:40.684 --> 00:10:41.425 that role.
NOTE Confidence: 0.84210354

00:10:42.045 --> 00:10:43.085 And so that if that's
NOTE Confidence: 0.84210354

00:10:43.085 --> 00:10:43.469 something that you're interested in,
NOTE Confidence: 0.84210354

00:10:43.469 --> 00:10:43.549 it is an opportunity to
NOTE Confidence: 0.84210354

00:10:43.549 --> 00:10:43.630 engage with a small group
NOTE Confidence: 0.84210354

00:10:43.630 --> 00:10:44.907 of students. Up to six
NOTE Confidence: 0.84210354

00:10:44.907 --> 00:10:45.140 students and follow them throughout
NOTE Confidence: 0.84210354

00:10:45.140 --> 00:10:45.570 the four years of their
NOTE Confidence: 0.84210354

00:10:45.570 --> 00:10:47.420 curriculum. Our office of student
NOTE Confidence: 0.84210354

00:10:47.420 --> 00:10:47.920 affairs
NOTE Confidence: 0.9996745

00:10:56.394 --> 00:10:57.375 has also recently
NOTE Confidence: 0.9797363

00:10:57.755 --> 00:10:58.235 started,
NOTE Confidence: 0.98624676

00:10:58.635 --> 00:11:00.475 new advisory colleges. So the
NOTE Confidence: 0.98624676

00:11:00.475 --> 00:11:02.554 Yale undergraduate campus has colleges
NOTE Confidence: 0.98624676

00:11:02.554 --> 00:11:04.255 that are residential in nature,

NOTE Confidence: 0.9944661
00:11:04.875 --> 00:11:05.915 that support a lot of
NOTE Confidence: 0.9944661
00:11:05.915 --> 00:11:07.535 social activities and advising.
NOTE Confidence: 0.99529475
00:11:07.915 --> 00:11:09.595 Ours are not residential because
NOTE Confidence: 0.99529475
00:11:09.595 --> 00:11:11.195 our students do live off
NOTE Confidence: 0.99529475
00:11:11.195 --> 00:11:11.695 campus
NOTE Confidence: 0.91674805
00:11:12.059 --> 00:11:13.200 largely in apartments,
NOTE Confidence: 0.9804862
00:11:13.980 --> 00:11:15.179 but we do have these
NOTE Confidence: 0.9804862
00:11:15.179 --> 00:11:16.700 new colleges, which have been
NOTE Confidence: 0.9804862
00:11:16.700 --> 00:11:18.240 a really exciting thing,
NOTE Confidence: 0.9804009
00:11:18.860 --> 00:11:20.540 for the school because we
NOTE Confidence: 0.9804009
00:11:20.540 --> 00:11:22.059 put out an invitation to
NOTE Confidence: 0.9804009
00:11:22.059 --> 00:11:24.160 faculty and alums and residents
NOTE Confidence: 0.9804009
00:11:24.460 --> 00:11:25.600 to become affiliates
NOTE Confidence: 0.9847348
00:11:26.095 --> 00:11:27.615 of these colleges, and I
NOTE Confidence: 0.9847348
00:11:27.615 --> 00:11:29.215 think we had, like, over
NOTE Confidence: 0.9847348

00:11:29.215 --> 00:11:30.654 four hundred or five hundred
NOTE Confidence: 0.9847348

00:11:30.654 --> 00:11:32.595 people volunteer to join
NOTE Confidence: 0.9951172

00:11:33.135 --> 00:11:34.735 the colleges. So what we
NOTE Confidence: 0.9951172

00:11:34.735 --> 00:11:35.855 did is we had divided
NOTE Confidence: 0.9951172

00:11:35.855 --> 00:11:37.475 up the faculty by specialty
NOTE Confidence: 0.9736909

00:11:37.934 --> 00:11:39.580 so that there's a plastic
NOTE Confidence: 0.9736909

00:11:39.580 --> 00:11:41.260 surgeon in each college. There's
NOTE Confidence: 0.9736909

00:11:41.260 --> 00:11:43.020 an infectious disease specialist in
NOTE Confidence: 0.9736909

00:11:43.020 --> 00:11:44.800 each college so that students
NOTE Confidence: 0.9736909

00:11:44.860 --> 00:11:45.360 early
NOTE Confidence: 0.99523926

00:11:45.820 --> 00:11:46.540 on kind of have the
NOTE Confidence: 0.99523926

00:11:46.540 --> 00:11:48.460 opportunity to interact with people
NOTE Confidence: 0.99523926

00:11:48.460 --> 00:11:50.620 in different professions and, you
NOTE Confidence: 0.99523926

00:11:50.620 --> 00:11:51.684 know, have someone they can
NOTE Confidence: 0.99523926

00:11:51.684 --> 00:11:52.885 reach out to, not be
NOTE Confidence: 0.99523926

00:11:52.885 --> 00:11:54.485 so intimidated. That's a person

NOTE Confidence: 0.99523926
00:11:54.485 --> 00:11:55.524 they can email to say,
NOTE Confidence: 0.99523926
00:11:55.524 --> 00:11:56.404 can I sit down for
NOTE Confidence: 0.99523926
00:11:56.404 --> 00:11:57.925 coffee with you? Can I
NOTE Confidence: 0.99523926
00:11:57.925 --> 00:11:59.285 start a project with you?
NOTE Confidence: 0.99523926
00:11:59.285 --> 00:12:00.745 Can I come shadow you?
NOTE Confidence: 0.99523926
00:12:00.804 --> 00:12:02.485 So if you're interested in
NOTE Confidence: 0.99523926
00:12:02.485 --> 00:12:03.945 participating in that program,
NOTE Confidence: 0.9923503
00:12:04.620 --> 00:12:06.320 please check out our website
NOTE Confidence: 0.9923503
00:12:06.540 --> 00:12:07.020 and,
NOTE Confidence: 0.99975586
00:12:07.500 --> 00:12:08.559 reach out to us.
NOTE Confidence: 0.95826554
00:12:09.020 --> 00:12:10.640 I already mentioned the research.
NOTE Confidence: 0.95826554
00:12:10.700 --> 00:12:11.820 So many of you, I
NOTE Confidence: 0.95826554
00:12:11.820 --> 00:12:13.600 hope, will become thesis advisers
NOTE Confidence: 0.95826554
00:12:13.660 --> 00:12:14.640 and help students
NOTE Confidence: 0.9710519
00:12:15.100 --> 00:12:16.300 embark on a project that
NOTE Confidence: 0.9710519

00:12:16.300 --> 00:12:16.960 will ultimately
NOTE Confidence: 0.88720703

00:12:17.900 --> 00:12:18.960 support their,
NOTE Confidence: 0.9970703

00:12:20.265 --> 00:12:21.965 thesis slash dissertation
NOTE Confidence: 0.93774414

00:12:22.665 --> 00:12:22.985 and,
NOTE Confidence: 0.9966708

00:12:23.545 --> 00:12:25.405 help them graduate from here
NOTE Confidence: 0.9966708

00:12:25.545 --> 00:12:27.385 with, you know, really good
NOTE Confidence: 0.9966708

00:12:27.385 --> 00:12:27.885 expertise,
NOTE Confidence: 0.9769462

00:12:28.665 --> 00:12:30.265 that will help them pursue
NOTE Confidence: 0.9769462

00:12:30.265 --> 00:12:31.945 a physician scientist career if
NOTE Confidence: 0.9769462

00:12:31.945 --> 00:12:33.005 that's what they desire.
NOTE Confidence: 0.9856228

00:12:34.040 --> 00:12:35.080 And we also have a
NOTE Confidence: 0.9856228

00:12:35.080 --> 00:12:36.940 very large admissions committee.
NOTE Confidence: 0.9995117

00:12:37.559 --> 00:12:39.420 We received over six thousand
NOTE Confidence: 0.9995117

00:12:39.480 --> 00:12:39.980 applications
NOTE Confidence: 0.897583

00:12:40.360 --> 00:12:41.480 this year and I
NOTE Confidence: 0.9852577

00:12:42.360 --> 00:12:43.720 last year, and I understand

NOTE Confidence: 0.9852577
00:12:43.720 --> 00:12:45.000 we're going to receive even
NOTE Confidence: 0.9852577
00:12:45.000 --> 00:12:46.605 more this year. And we
NOTE Confidence: 0.9852577
00:12:46.605 --> 00:12:48.045 really do commit to reading
NOTE Confidence: 0.9852577
00:12:48.045 --> 00:12:49.325 every single one of those
NOTE Confidence: 0.9852577
00:12:49.325 --> 00:12:49.825 applications
NOTE Confidence: 0.98895854
00:12:50.365 --> 00:12:52.365 and selecting about six hundred
NOTE Confidence: 0.98895854
00:12:52.365 --> 00:12:53.804 students to interview for our
NOTE Confidence: 0.98895854
00:12:53.804 --> 00:12:55.405 hundred and four spots. So
NOTE Confidence: 0.98895854
00:12:55.405 --> 00:12:56.765 we're always looking for people
NOTE Confidence: 0.98895854
00:12:56.765 --> 00:12:58.065 who will who are interested
NOTE Confidence: 0.98895854
00:12:58.125 --> 00:12:59.165 in helping us in that
NOTE Confidence: 0.98895854
00:12:59.165 --> 00:12:59.665 process.
NOTE Confidence: 0.97021484
00:13:02.640 --> 00:13:04.240 I do wanna mention special
NOTE Confidence: 0.97021484
00:13:04.240 --> 00:13:05.840 programs within the office of
NOTE Confidence: 0.97021484
00:13:05.840 --> 00:13:06.740 medical education
NOTE Confidence: 0.98583984

00:13:07.280 --> 00:13:09.040 that provide not only programming
NOTE Confidence: 0.98583984

00:13:09.040 --> 00:13:10.420 for our students, but programming
NOTE Confidence: 0.98583984

00:13:10.559 --> 00:13:11.840 for all of you. So
NOTE Confidence: 0.98583984

00:13:11.840 --> 00:13:13.780 our program for biomedical ethics
NOTE Confidence: 0.97843146

00:13:14.135 --> 00:13:16.054 has evening seminars throughout the
NOTE Confidence: 0.97843146

00:13:16.054 --> 00:13:18.054 year. They're hybrid, so you
NOTE Confidence: 0.97843146

00:13:18.054 --> 00:13:19.255 can come in person or
NOTE Confidence: 0.97843146

00:13:19.255 --> 00:13:20.554 you can join by Zoom,
NOTE Confidence: 0.97843146

00:13:20.775 --> 00:13:22.855 and just fascinating speakers come
NOTE Confidence: 0.97843146

00:13:22.855 --> 00:13:23.995 in to talk about
NOTE Confidence: 0.9892578

00:13:24.375 --> 00:13:26.455 very challenging topics and sometimes
NOTE Confidence: 0.9892578

00:13:26.455 --> 00:13:28.635 very controversial issues in medicine
NOTE Confidence: 0.996075

00:13:29.130 --> 00:13:30.490 and a fantastic way to
NOTE Confidence: 0.996075

00:13:30.490 --> 00:13:32.010 just remain engaged in what
NOTE Confidence: 0.996075

00:13:32.010 --> 00:13:32.830 some of the,
NOTE Confidence: 0.9879761

00:13:33.210 --> 00:13:34.830 like, real difficult questions,

NOTE Confidence: 0.98080444

00:13:35.770 --> 00:13:37.790 are right now in medicine.

NOTE Confidence: 0.98080444

00:13:38.010 --> 00:13:39.050 We also have a program

NOTE Confidence: 0.98080444

00:13:39.050 --> 00:13:40.809 for humanities in medicine where

NOTE Confidence: 0.98080444

00:13:40.809 --> 00:13:41.309 students,

NOTE Confidence: 1

00:13:41.929 --> 00:13:42.670 and faculty

NOTE Confidence: 0.97753906

00:13:43.050 --> 00:13:44.735 engage in writing,

NOTE Confidence: 0.9987305

00:13:45.355 --> 00:13:47.054 reading, going to the museums,

NOTE Confidence: 0.9711846

00:13:47.755 --> 00:13:49.035 engaging with some of the

NOTE Confidence: 0.9711846

00:13:49.035 --> 00:13:50.395 art that Yale School of

NOTE Confidence: 0.9711846

00:13:50.395 --> 00:13:51.915 Medicine has. So that's something

NOTE Confidence: 0.9711846

00:13:51.915 --> 00:13:53.115 we're always looking for more

NOTE Confidence: 0.9711846

00:13:53.115 --> 00:13:54.735 faculty to be involved in,

NOTE Confidence: 0.9711846

00:13:54.875 --> 00:13:56.475 global health. We have an

NOTE Confidence: 0.9711846

00:13:56.475 --> 00:13:58.154 amazing center for health care

NOTE Confidence: 0.9711846

00:13:58.154 --> 00:13:58.654 simulation.

NOTE Confidence: 0.9612283

00:13:59.580 --> 00:14:00.780 We also have a journal
NOTE Confidence: 0.9612283

00:14:00.780 --> 00:14:02.220 of biology and medicine, which
NOTE Confidence: 0.9612283

00:14:02.220 --> 00:14:03.840 was started so long ago.
NOTE Confidence: 0.9612283

00:14:04.059 --> 00:14:04.700 I used to be on
NOTE Confidence: 0.9612283

00:14:04.700 --> 00:14:05.980 the editorial board when I
NOTE Confidence: 0.9612283

00:14:05.980 --> 00:14:06.940 was first here, and it
NOTE Confidence: 0.9612283

00:14:06.940 --> 00:14:08.140 was a it was produced
NOTE Confidence: 0.9612283

00:14:08.140 --> 00:14:09.500 in print. And so as
NOTE Confidence: 0.9612283

00:14:09.500 --> 00:14:10.940 you can imagine, very few
NOTE Confidence: 0.9612283

00:14:10.940 --> 00:14:12.635 people were accessing it. And
NOTE Confidence: 0.9612283

00:14:12.635 --> 00:14:13.514 I'm not sure that many
NOTE Confidence: 0.9612283

00:14:13.514 --> 00:14:15.035 other universities had the Yale
NOTE Confidence: 0.9612283

00:14:15.035 --> 00:14:16.394 Journal of Biology and Medicine
NOTE Confidence: 0.9612283

00:14:16.394 --> 00:14:17.295 on its shelves,
NOTE Confidence: 0.98880005

00:14:17.995 --> 00:14:19.355 but it is now a
NOTE Confidence: 0.98880005

00:14:19.355 --> 00:14:20.875 forum where we receive we

NOTE Confidence: 0.98880005

00:14:20.875 --> 00:14:23.595 receive hundreds of manuscripts every

NOTE Confidence: 0.98880005

00:14:23.595 --> 00:14:24.095 month

NOTE Confidence: 0.9957347

00:14:24.410 --> 00:14:26.110 to be considered for publication

NOTE Confidence: 0.9957347

00:14:26.170 --> 00:14:27.770 in this journal. It's online.

NOTE Confidence: 0.9957347

00:14:27.770 --> 00:14:29.530 It has a relatively high

NOTE Confidence: 0.9957347

00:14:29.530 --> 00:14:30.510 impact factor,

NOTE Confidence: 0.9791295

00:14:30.890 --> 00:14:33.150 and we're seeing people accessing

NOTE Confidence: 0.9791295

00:14:33.290 --> 00:14:34.810 these articles of up to

NOTE Confidence: 0.9791295

00:14:34.810 --> 00:14:36.590 a million hits per month.

NOTE Confidence: 0.9791295

00:14:36.855 --> 00:14:38.615 So it's just unbelievable. So

NOTE Confidence: 0.9791295

00:14:38.615 --> 00:14:39.895 if you're interested in being

NOTE Confidence: 0.9791295

00:14:39.895 --> 00:14:41.115 a part of that, it's

NOTE Confidence: 0.9791295

00:14:41.175 --> 00:14:43.035 kind of student faculty run

NOTE Confidence: 0.9678289

00:14:43.415 --> 00:14:44.774 and, is a really great

NOTE Confidence: 0.9678289

00:14:44.774 --> 00:14:46.295 forum. They usually have themes

NOTE Confidence: 0.9678289

00:14:46.295 --> 00:14:47.654 each month for or each
NOTE Confidence: 0.9678289

00:14:47.654 --> 00:14:48.855 quarter in which they're gonna
NOTE Confidence: 0.9678289

00:14:48.855 --> 00:14:49.515 be publishing.
NOTE Confidence: 0.95451474

00:14:50.279 --> 00:14:51.720 Haven free clinic is a
NOTE Confidence: 0.95451474

00:14:51.720 --> 00:14:53.480 student run free clinic where
NOTE Confidence: 0.95451474

00:14:53.480 --> 00:14:54.459 it's on Saturdays,
NOTE Confidence: 0.97544354

00:14:55.080 --> 00:14:56.440 and we're always looking for
NOTE Confidence: 0.97544354

00:14:56.440 --> 00:14:58.360 attendings to supervise students in
NOTE Confidence: 0.97544354

00:14:58.360 --> 00:14:59.100 that setting.
NOTE Confidence: 0.9890137

00:15:00.200 --> 00:15:00.860 A very
NOTE Confidence: 0.9546079

00:15:01.640 --> 00:15:04.120 exciting and refreshing opportunity, very
NOTE Confidence: 0.9546079

00:15:04.120 --> 00:15:05.475 rewarding for those who are
NOTE Confidence: 0.9546079

00:15:05.475 --> 00:15:06.835 interested. And I think you'll
NOTE Confidence: 0.9546079

00:15:06.835 --> 00:15:08.115 probably hear more about our
NOTE Confidence: 0.9546079

00:15:08.115 --> 00:15:10.355 amazing Cushing Whitney medical library
NOTE Confidence: 0.9546079

00:15:10.355 --> 00:15:11.175 during orientation,

NOTE Confidence: 0.9802595

00:15:11.635 --> 00:15:12.755 but it's a place where

NOTE Confidence: 0.9802595

00:15:12.755 --> 00:15:14.755 we teach, where we go

NOTE Confidence: 0.9802595

00:15:14.755 --> 00:15:16.595 to access resources, and they

NOTE Confidence: 0.9802595

00:15:16.595 --> 00:15:18.660 also usually have some amazing

NOTE Confidence: 0.9802595

00:15:18.880 --> 00:15:19.380 artistic

NOTE Confidence: 1

00:15:19.760 --> 00:15:21.940 displays of our historical collections.

NOTE Confidence: 0.9791504

00:15:22.880 --> 00:15:24.340 I also wanna make sure

NOTE Confidence: 0.9791504

00:15:24.400 --> 00:15:25.280 that you're aware of our

NOTE Confidence: 0.9791504

00:15:25.280 --> 00:15:26.960 center for medical education. I

NOTE Confidence: 0.9791504

00:15:26.960 --> 00:15:28.160 did put the QR code

NOTE Confidence: 0.9791504

00:15:28.160 --> 00:15:29.440 up there because this is

NOTE Confidence: 0.9791504

00:15:29.440 --> 00:15:30.720 a center that was built

NOTE Confidence: 0.9791504

00:15:30.720 --> 00:15:32.180 to support all of you.

NOTE Confidence: 0.9995117

00:15:32.805 --> 00:15:33.545 So there's

NOTE Confidence: 0.9885254

00:15:34.325 --> 00:15:35.845 services. You can get one

NOTE Confidence: 0.9885254

00:15:35.845 --> 00:15:37.225 on one teaching consultations.

NOTE Confidence: 0.97311634

00:15:37.525 --> 00:15:38.885 You can ask the the

NOTE Confidence: 0.97311634

00:15:38.885 --> 00:15:40.565 faculty there to come sit

NOTE Confidence: 0.97311634

00:15:40.565 --> 00:15:41.765 in on your lectures or

NOTE Confidence: 0.97311634

00:15:41.765 --> 00:15:42.805 small groups to give you

NOTE Confidence: 0.97311634

00:15:42.805 --> 00:15:44.005 feedback. They'll help you with

NOTE Confidence: 0.97311634

00:15:44.005 --> 00:15:44.505 slides

NOTE Confidence: 0.98217773

00:15:44.885 --> 00:15:45.845 if you're asked to teach

NOTE Confidence: 0.98217773

00:15:45.845 --> 00:15:46.665 in a course.

NOTE Confidence: 0.9993164

00:15:47.279 --> 00:15:48.640 They have an assessment hub

NOTE Confidence: 0.9993164

00:15:48.640 --> 00:15:50.339 that helps to evaluate programs

NOTE Confidence: 0.9823405

00:15:51.040 --> 00:15:52.560 and also helps to develop

NOTE Confidence: 0.9823405

00:15:52.560 --> 00:15:54.240 ways of assessing your students,

NOTE Confidence: 0.9823405

00:15:54.240 --> 00:15:54.980 your residents,

NOTE Confidence: 0.9477539

00:15:55.760 --> 00:15:56.740 lots of resources,

NOTE Confidence: 0.99928975

00:15:57.200 --> 00:15:58.720 and then some really exciting

NOTE Confidence: 0.99928975

00:15:58.720 --> 00:16:00.800 programming that is also often

NOTE Confidence: 0.99928975

00:16:00.800 --> 00:16:01.300 accessible

NOTE Confidence: 0.9502999

00:16:01.935 --> 00:16:03.615 online by Zoom, our medical

NOTE Confidence: 0.9502999

00:16:03.615 --> 00:16:04.675 education series,

NOTE Confidence: 0.97560626

00:16:05.695 --> 00:16:07.855 medical education discussion groups, and

NOTE Confidence: 0.97560626

00:16:07.855 --> 00:16:09.535 then medical education day each

NOTE Confidence: 0.97560626

00:16:09.535 --> 00:16:10.195 year where

NOTE Confidence: 0.9723155

00:16:10.655 --> 00:16:12.675 the faculty submit abstracts and

NOTE Confidence: 0.9723155

00:16:12.815 --> 00:16:14.575 get to show what they've

NOTE Confidence: 0.9723155

00:16:14.575 --> 00:16:16.230 done. And, you know, you're

NOTE Confidence: 0.9723155

00:16:16.230 --> 00:16:17.430 probably wondering, so what is

NOTE Confidence: 0.9723155

00:16:17.430 --> 00:16:18.630 all this emphasis on this?

NOTE Confidence: 0.9723155

00:16:18.630 --> 00:16:19.750 So for those of you

NOTE Confidence: 0.9723155

00:16:19.750 --> 00:16:21.290 who are on the clinician

NOTE Confidence: 0.9723155

00:16:21.430 --> 00:16:23.510 educator scholar track or in

NOTE Confidence: 0.9723155

00:16:23.510 --> 00:16:25.910 the academic clinician track, many

NOTE Confidence: 0.9723155

00:16:25.910 --> 00:16:26.730 of your publications

NOTE Confidence: 0.9948509

00:16:27.190 --> 00:16:28.755 may end up being in

NOTE Confidence: 0.9948509

00:16:28.755 --> 00:16:30.835 the educational domain. So this

NOTE Confidence: 0.9948509

00:16:30.835 --> 00:16:31.335 center

NOTE Confidence: 1

00:16:31.875 --> 00:16:33.015 provides the training

NOTE Confidence: 0.9839381

00:16:33.475 --> 00:16:34.435 that you need and the

NOTE Confidence: 0.9839381

00:16:34.435 --> 00:16:36.535 support to publish that work,

NOTE Confidence: 0.9839381

00:16:36.755 --> 00:16:38.915 and it's very important here

NOTE Confidence: 0.9839381

00:16:38.915 --> 00:16:40.375 in the promotions process

NOTE Confidence: 0.9939575

00:16:40.690 --> 00:16:41.750 to be able to,

NOTE Confidence: 0.9701877

00:16:42.770 --> 00:16:44.470 show and display and disseminate

NOTE Confidence: 0.9701877

00:16:44.610 --> 00:16:45.750 the work you're doing,

NOTE Confidence: 0.9887121

00:16:46.450 --> 00:16:47.250 and and this is a

NOTE Confidence: 0.9887121

00:16:47.250 --> 00:16:48.290 center that can help. And

NOTE Confidence: 0.9887121

00:16:48.290 --> 00:16:49.810 there's two degree programs that

NOTE Confidence: 0.9887121

00:16:49.810 --> 00:16:51.810 actually support faculty who really

NOTE Confidence: 0.9887121

00:16:51.810 --> 00:16:52.930 wanna hone in on this.

NOTE Confidence: 0.9887121

00:16:52.930 --> 00:16:53.730 We have a master of

NOTE Confidence: 0.9887121

00:16:53.730 --> 00:16:55.190 health science for faculty,

NOTE Confidence: 0.98054254

00:16:55.704 --> 00:16:56.505 and we also have a

NOTE Confidence: 0.98054254

00:16:56.505 --> 00:16:58.584 fellowship and education scholarship for

NOTE Confidence: 0.98054254

00:16:58.584 --> 00:17:00.524 faculty. And so in collaboration

NOTE Confidence: 0.98054254

00:17:00.584 --> 00:17:02.105 with your chair, they give

NOTE Confidence: 0.98054254

00:17:02.105 --> 00:17:03.545 protected time to you to

NOTE Confidence: 0.98054254

00:17:03.545 --> 00:17:04.825 engage in these if this

NOTE Confidence: 0.98054254

00:17:04.984 --> 00:17:05.865 if you feel like this

NOTE Confidence: 0.98054254

00:17:05.865 --> 00:17:07.065 is where you want your

NOTE Confidence: 0.98054254

00:17:07.065 --> 00:17:08.125 career to go.

NOTE Confidence: 0.7994995

00:17:09.859 --> 00:17:11.060 We have a robust,

NOTE Confidence: 0.998291

00:17:11.540 --> 00:17:13.720 continuing medical education team

NOTE Confidence: 0.9756969

00:17:14.020 --> 00:17:15.540 as well as multiple teaching
NOTE Confidence: 0.9756969

00:17:15.540 --> 00:17:16.740 awards that are awarded each
NOTE Confidence: 0.9756969

00:17:16.740 --> 00:17:17.780 year, and that's also run
NOTE Confidence: 0.9756969

00:17:17.780 --> 00:17:18.580 out of the Center for
NOTE Confidence: 0.9756969

00:17:18.580 --> 00:17:19.400 Medical Education.
NOTE Confidence: 0.9993722

00:17:20.100 --> 00:17:22.200 So I'm mentioning the importance
NOTE Confidence: 0.9993722

00:17:22.260 --> 00:17:23.000 of scholarship
NOTE Confidence: 0.77905273

00:17:23.460 --> 00:17:23.960 in,
NOTE Confidence: 0.92626953

00:17:25.174 --> 00:17:25.994 in promotion.
NOTE Confidence: 0.98635525

00:17:26.534 --> 00:17:27.975 And when you're I'm sure
NOTE Confidence: 0.98635525

00:17:27.975 --> 00:17:29.494 you're gonna hear more about
NOTE Confidence: 0.98635525

00:17:29.494 --> 00:17:30.955 our CV and our promotion
NOTE Confidence: 0.98635525

00:17:31.015 --> 00:17:33.015 process as you're as you're
NOTE Confidence: 0.98635525

00:17:33.015 --> 00:17:34.615 working here, but we have
NOTE Confidence: 0.98635525

00:17:34.615 --> 00:17:36.215 a CV part one and
NOTE Confidence: 0.98635525

00:17:36.215 --> 00:17:37.414 part two, and both of

NOTE Confidence: 0.98635525

00:17:37.414 --> 00:17:39.119 them have areas where you

NOTE Confidence: 0.98635525

00:17:39.119 --> 00:17:41.300 can document your educational contributions.

NOTE Confidence: 0.9291585

00:17:42.000 --> 00:17:42.800 When you go out for

NOTE Confidence: 0.9291585

00:17:42.800 --> 00:17:43.300 promotion,

NOTE Confidence: 0.96719795

00:17:43.760 --> 00:17:44.980 we look at the leadership

NOTE Confidence: 0.96719795

00:17:45.040 --> 00:17:46.160 roles that you've taken on,

NOTE Confidence: 0.96719795

00:17:46.160 --> 00:17:47.280 if you've become a course

NOTE Confidence: 0.96719795

00:17:47.280 --> 00:17:49.460 director or an associate clerkship

NOTE Confidence: 0.96719795

00:17:49.520 --> 00:17:50.020 director.

NOTE Confidence: 0.9908447

00:17:51.065 --> 00:17:52.345 But it all starts with

NOTE Confidence: 0.9908447

00:17:52.345 --> 00:17:54.025 teaching, right, in those courses.

NOTE Confidence: 0.9908447

00:17:54.025 --> 00:17:55.225 And then if you're interested

NOTE Confidence: 0.9908447

00:17:55.225 --> 00:17:56.125 in doing more,

NOTE Confidence: 0.99957275

00:17:56.744 --> 00:17:57.865 you can apply for those

NOTE Confidence: 0.99957275

00:17:57.865 --> 00:17:58.765 types of roles.

NOTE Confidence: 0.99960935

00:17:59.145 --> 00:18:00.845 They also look at your
NOTE Confidence: 0.9995117

00:18:01.225 --> 00:18:02.125 teaching evaluations
NOTE Confidence: 0.9676977

00:18:03.019 --> 00:18:05.580 and, letters from from those
NOTE Confidence: 0.9676977

00:18:05.580 --> 00:18:06.859 individuals who have worked with
NOTE Confidence: 0.9676977

00:18:06.859 --> 00:18:08.480 you in the educational domain.
NOTE Confidence: 0.9676977

00:18:08.700 --> 00:18:10.220 So it's it's a signal
NOTE Confidence: 0.9676977

00:18:10.220 --> 00:18:11.419 and of of how the
NOTE Confidence: 0.9676977

00:18:11.419 --> 00:18:13.440 institution values the educational
NOTE Confidence: 0.99609375

00:18:13.740 --> 00:18:14.240 contributions
NOTE Confidence: 0.9998372

00:18:15.019 --> 00:18:15.919 of our faculty.
NOTE Confidence: 0.9967323

00:18:19.495 --> 00:18:20.855 Those were other forums that
NOTE Confidence: 0.9967323

00:18:20.855 --> 00:18:22.135 I just showed, where we
NOTE Confidence: 0.9967323

00:18:22.135 --> 00:18:23.515 do recognize teaching.
NOTE Confidence: 0.9827067

00:18:24.935 --> 00:18:26.775 We have a monthly or
NOTE Confidence: 0.9827067

00:18:26.775 --> 00:18:29.255 quarterly medical education newsletter, which
NOTE Confidence: 0.9827067

00:18:29.255 --> 00:18:30.375 I hope you'll take time

NOTE Confidence: 0.9827067

00:18:30.375 --> 00:18:31.275 to look at,

NOTE Confidence: 0.9908203

00:18:31.770 --> 00:18:33.450 sporadically because you'll see that

NOTE Confidence: 0.9908203

00:18:33.450 --> 00:18:35.290 we're highlighting the educators here

NOTE Confidence: 0.9908203

00:18:35.290 --> 00:18:36.090 at the Yale School of

NOTE Confidence: 0.9908203

00:18:36.090 --> 00:18:37.790 Medicine who are making contributions

NOTE Confidence: 0.96510535

00:18:38.490 --> 00:18:40.010 of value. And then every

NOTE Confidence: 0.96510535

00:18:40.010 --> 00:18:41.609 year at graduation, we give

NOTE Confidence: 0.96510535

00:18:41.609 --> 00:18:43.050 out teaching awards and,

NOTE Confidence: 0.99435765

00:18:43.530 --> 00:18:45.210 they are also highly valued

NOTE Confidence: 0.99435765

00:18:45.210 --> 00:18:46.590 in the promotions process.

NOTE Confidence: 0.98818535

00:18:48.615 --> 00:18:50.795 So these are the individuals

NOTE Confidence: 0.98818535

00:18:50.855 --> 00:18:51.815 that I wanted to show

NOTE Confidence: 0.98818535

00:18:51.815 --> 00:18:53.755 you today. There's other associate

NOTE Confidence: 0.98818535

00:18:53.895 --> 00:18:55.095 deans as well, but Mike

NOTE Confidence: 0.98818535

00:18:55.095 --> 00:18:56.535 Schwartz is our associate dean

NOTE Confidence: 0.98818535

00:18:56.535 --> 00:18:57.275 for the curriculum.
NOTE Confidence: 0.9752269

00:18:57.895 --> 00:18:59.755 Janet Hafler is the associate
NOTE Confidence: 0.9752269

00:18:59.815 --> 00:19:01.350 dean for teaching and learning
NOTE Confidence: 0.9752269

00:19:01.350 --> 00:19:02.390 who runs that center for
NOTE Confidence: 0.9752269

00:19:02.390 --> 00:19:03.290 medical education.
NOTE Confidence: 0.99136513

00:19:03.670 --> 00:19:04.470 So if you have any
NOTE Confidence: 0.99136513

00:19:04.470 --> 00:19:05.750 questions about the things that
NOTE Confidence: 0.99136513

00:19:05.750 --> 00:19:07.750 I've presented today, if you'd
NOTE Confidence: 0.99136513

00:19:07.750 --> 00:19:08.810 like to get engaged,
NOTE Confidence: 0.97481865

00:19:09.270 --> 00:19:10.230 you know, please reach out
NOTE Confidence: 0.97481865

00:19:10.230 --> 00:19:12.070 to us and explore the
NOTE Confidence: 0.97481865

00:19:12.070 --> 00:19:13.510 website as well. Like, the
NOTE Confidence: 0.97481865

00:19:13.510 --> 00:19:15.109 website that we've worked on
NOTE Confidence: 0.97481865

00:19:15.109 --> 00:19:16.675 really displays all the different
NOTE Confidence: 0.97481865

00:19:16.675 --> 00:19:17.655 things we're doing
NOTE Confidence: 0.9892578

00:19:18.115 --> 00:19:20.195 and highlights the opportunities for

NOTE Confidence: 0.9892578

00:19:20.195 --> 00:19:21.494 you to engage in education.

NOTE Confidence: 0.98413086

00:19:22.275 --> 00:19:22.775 And,

NOTE Confidence: 0.98539597

00:19:23.715 --> 00:19:25.234 I think, you know, I'm

NOTE Confidence: 0.98539597

00:19:25.234 --> 00:19:27.155 so pleased that I was

NOTE Confidence: 0.98539597

00:19:27.155 --> 00:19:28.275 asked to speak today to

NOTE Confidence: 0.98539597

00:19:28.275 --> 00:19:29.715 all of you because I

NOTE Confidence: 0.98539597

00:19:29.715 --> 00:19:30.455 hope you're

NOTE Confidence: 0.9986049

00:19:30.780 --> 00:19:32.540 going to experience that the

NOTE Confidence: 0.9986049

00:19:32.540 --> 00:19:33.600 educational mission

NOTE Confidence: 0.9975586

00:19:33.980 --> 00:19:34.800 is really,

NOTE Confidence: 0.99786377

00:19:35.420 --> 00:19:36.780 valued and at the forefront

NOTE Confidence: 0.99786377

00:19:36.780 --> 00:19:37.580 of what we do here

NOTE Confidence: 0.99786377

00:19:37.580 --> 00:19:38.380 at the Yale School of

NOTE Confidence: 0.99786377

00:19:38.380 --> 00:19:38.880 Medicine.

NOTE Confidence: 0.9980469

00:19:39.180 --> 00:19:40.240 Thanks so much.
