

WEBVTT

NOTE duration: "00:22:41.194"

NOTE Confidence: 0.7197423

00:00:00.719 --> 00:00:01.220 Everybody.

NOTE Confidence: 0.99898624

00:00:01.680 --> 00:00:03.199 Welcome. Thank you so much

NOTE Confidence: 0.99898624

00:00:03.199 --> 00:00:04.100 for joining.

NOTE Confidence: 0.9885462

00:00:04.880 --> 00:00:06.100 Feel free to take your,

NOTE Confidence: 0.98446965

00:00:07.120 --> 00:00:09.440 video off and engage and

NOTE Confidence: 0.98446965

00:00:09.440 --> 00:00:11.039 interrupt and ask questions as

NOTE Confidence: 0.98446965

00:00:11.039 --> 00:00:12.019 you have them.

NOTE Confidence: 0.96803844

00:00:13.275 --> 00:00:14.155 Christine and I are really

NOTE Confidence: 0.96803844

00:00:14.155 --> 00:00:15.434 excited to be here to

NOTE Confidence: 0.96803844

00:00:15.434 --> 00:00:17.195 talk about the predoctoral training

NOTE Confidence: 0.96803844

00:00:17.195 --> 00:00:18.095 program application.

NOTE Confidence: 0.8537741

00:00:19.114 --> 00:00:20.474 I'm Jen Edelman, and I'm

NOTE Confidence: 0.8537741

00:00:20.474 --> 00:00:22.154 joined by Christine con cast

NOTE Confidence: 0.8537741

00:00:22.474 --> 00:00:22.974 Constantino.

NOTE Confidence: 0.95650387

00:00:23.355 --> 00:00:24.395 I just slaughtered your name,
NOTE Confidence: 0.95650387

00:00:24.395 --> 00:00:26.255 Christine. Sorry. It's okay. Alright.
NOTE Confidence: 0.9965489

00:00:26.670 --> 00:00:27.970 Let's kick it off.
NOTE Confidence: 0.9926878

00:00:29.870 --> 00:00:31.410 So here is the agenda
NOTE Confidence: 0.9926878

00:00:31.470 --> 00:00:32.990 for our time together. We'll
NOTE Confidence: 0.9926878

00:00:32.990 --> 00:00:34.750 share with you briefly just
NOTE Confidence: 0.9926878

00:00:34.750 --> 00:00:36.190 our leadership structure and our
NOTE Confidence: 0.9926878

00:00:36.190 --> 00:00:38.450 support teams, talk through the
NOTE Confidence: 0.9326973

00:00:38.775 --> 00:00:40.954 multidisciplinary pre doc training program,
NOTE Confidence: 0.9326973

00:00:41.015 --> 00:00:42.555 the eligibility requirements.
NOTE Confidence: 0.9559177

00:00:43.015 --> 00:00:43.975 We wanna make sure you're
NOTE Confidence: 0.9559177

00:00:43.975 --> 00:00:45.015 clear on the areas of
NOTE Confidence: 0.9559177

00:00:45.015 --> 00:00:46.875 special emphasis and the application
NOTE Confidence: 0.9559177

00:00:47.015 --> 00:00:47.515 process,
NOTE Confidence: 0.99897873

00:00:48.055 --> 00:00:49.175 and then we'll have time
NOTE Confidence: 0.99897873

00:00:49.175 --> 00:00:50.395 for questions and answers.

NOTE Confidence: 0.99932116

00:00:51.920 --> 00:00:53.060 Next slide, please.

NOTE Confidence: 0.9792061

00:00:53.840 --> 00:00:54.800 So just so you guys

NOTE Confidence: 0.9792061

00:00:54.800 --> 00:00:55.680 are aware, I know some

NOTE Confidence: 0.9792061

00:00:55.680 --> 00:00:56.800 of you are already involved

NOTE Confidence: 0.9792061

00:00:56.800 --> 00:00:58.320 with the program, so, hopefully,

NOTE Confidence: 0.9792061

00:00:58.320 --> 00:00:59.600 this is very familiar to

NOTE Confidence: 0.9792061

00:00:59.600 --> 00:01:00.100 you.

NOTE Confidence: 0.8819369

00:01:00.400 --> 00:01:02.240 This is our educational leadership

NOTE Confidence: 0.8819369

00:01:02.240 --> 00:01:03.920 team. So, Jen Edelman,

NOTE Confidence: 0.9269522

00:01:05.355 --> 00:01:06.575 as you see here, and

NOTE Confidence: 0.9269522

00:01:06.635 --> 00:01:08.635 then Lloyd Cantley, Jean Shapiro,

NOTE Confidence: 0.9269522

00:01:08.635 --> 00:01:10.075 and Sheryl Balami are part

NOTE Confidence: 0.9269522

00:01:10.075 --> 00:01:11.995 of our leadership team. Lloyd,

NOTE Confidence: 0.99956536

00:01:12.715 --> 00:01:13.935 for those of you

NOTE Confidence: 0.9250205

00:01:14.395 --> 00:01:16.155 who are unaware, is housed

NOTE Confidence: 0.9250205

00:01:16.155 --> 00:01:17.694 in the department of nephrology.

NOTE Confidence: 0.9250205

00:01:17.915 --> 00:01:18.475 It and,

NOTE Confidence: 0.9750571

00:01:19.350 --> 00:01:20.310 department of medicine in the

NOTE Confidence: 0.9750571

00:01:20.310 --> 00:01:21.209 section of nephrology

NOTE Confidence: 0.97127056

00:01:21.750 --> 00:01:23.530 and cellular and molecular physiology.

NOTE Confidence: 0.8545332

00:01:24.230 --> 00:01:26.069 Jean is in general pedes

NOTE Confidence: 0.8545332

00:01:26.069 --> 00:01:28.069 and ID and epidemiology, and

NOTE Confidence: 0.8545332

00:01:28.069 --> 00:01:28.569 Cheryl

NOTE Confidence: 0.99613124

00:01:29.030 --> 00:01:30.010 is in psychiatry

NOTE Confidence: 0.98334605

00:01:30.390 --> 00:01:32.330 and has joined the leadership

NOTE Confidence: 0.98334605

00:01:32.390 --> 00:01:34.150 team in her role as

NOTE Confidence: 0.98334605

00:01:34.400 --> 00:01:36.185 of diversity, equity,

NOTE Confidence: 0.97117496

00:01:36.564 --> 00:01:37.064 accessibility,

NOTE Confidence: 0.9682779

00:01:37.365 --> 00:01:38.665 inclusion, and belonging.

NOTE Confidence: 0.99584883

00:01:40.165 --> 00:01:41.305 Next slide, please.

NOTE Confidence: 0.977359

00:01:44.325 --> 00:01:45.685 And I'll talk about our

NOTE Confidence: 0.977359
00:01:45.685 --> 00:01:47.524 education support team. So I'm
NOTE Confidence: 0.977359
00:01:47.524 --> 00:01:48.585 Christine Costantino.
NOTE Confidence: 0.9539565
00:01:49.810 --> 00:01:51.170 I'm the project manager for
NOTE Confidence: 0.9539565
00:01:51.170 --> 00:01:52.230 training and education.
NOTE Confidence: 0.9791032
00:01:53.170 --> 00:01:54.870 And I'll be the person
NOTE Confidence: 0.9791032
00:01:54.930 --> 00:01:56.790 who will be your primary,
NOTE Confidence: 0.9972461
00:01:57.570 --> 00:01:59.270 contact person regarding
NOTE Confidence: 0.9870621
00:01:59.650 --> 00:02:01.350 this program and your application.
NOTE Confidence: 0.9002897
00:02:02.885 --> 00:02:05.065 But we recently had Rebecca
NOTE Confidence: 0.9002897
00:02:05.125 --> 00:02:07.445 Cepeda join our team. She's
NOTE Confidence: 0.9002897
00:02:07.445 --> 00:02:08.565 on the call today as
NOTE Confidence: 0.9002897
00:02:08.565 --> 00:02:09.065 well.
NOTE Confidence: 0.9900448
00:02:09.845 --> 00:02:11.865 She's, also a project manager
NOTE Confidence: 0.9900448
00:02:12.005 --> 00:02:13.145 for research administration.
NOTE Confidence: 0.9693972
00:02:15.080 --> 00:02:17.260 You may also hear from,
NOTE Confidence: 0.91909564

00:02:17.720 --> 00:02:18.780 Stephanie Tabaka.
NOTE Confidence: 0.93489

00:02:19.080 --> 00:02:20.120 She is one of our
NOTE Confidence: 0.93489

00:02:20.120 --> 00:02:21.740 clinical research interns,
NOTE Confidence: 0.9710249

00:02:22.680 --> 00:02:24.680 and we are supported by
NOTE Confidence: 0.9710249

00:02:24.680 --> 00:02:27.180 Helen Seow, our associate director.
NOTE Confidence: 0.9823522

00:02:29.235 --> 00:02:30.275 And what Christine did not
NOTE Confidence: 0.9823522

00:02:30.275 --> 00:02:31.794 share is that Christine knows
NOTE Confidence: 0.9823522

00:02:31.794 --> 00:02:32.834 everything in the ins and
NOTE Confidence: 0.9823522

00:02:32.834 --> 00:02:34.435 outs of the program and
NOTE Confidence: 0.9823522

00:02:34.435 --> 00:02:35.894 an incredible resource.
NOTE Confidence: 0.99008614

00:02:36.595 --> 00:02:37.954 I don't always know the
NOTE Confidence: 0.99008614

00:02:37.954 --> 00:02:39.555 answer, but I will find
NOTE Confidence: 0.99008614

00:02:39.555 --> 00:02:41.415 the answer for for you.
NOTE Confidence: 0.999413

00:02:42.194 --> 00:02:42.694 Exactly.
NOTE Confidence: 0.99517506

00:02:44.440 --> 00:02:46.440 So thank you. Okay. Next
NOTE Confidence: 0.99517506

00:02:46.440 --> 00:02:47.800 slide. So in terms of

NOTE Confidence: 0.99517506
00:02:47.800 --> 00:02:49.340 the structure of the program,
NOTE Confidence: 0.88404346
00:02:49.639 --> 00:02:50.459 the awards,
NOTE Confidence: 0.95809495
00:02:50.919 --> 00:02:52.120 and this is specifically as
NOTE Confidence: 0.95809495
00:02:52.120 --> 00:02:53.260 it relates to the predoctoral
NOTE Confidence: 0.95809495
00:02:53.319 --> 00:02:55.020 training program, there's also
NOTE Confidence: 0.97076267
00:02:55.480 --> 00:02:57.800 opportunities for postdoctoral trainees and
NOTE Confidence: 0.97076267
00:02:57.800 --> 00:02:59.535 junior faculty through the k
NOTE Confidence: 0.97076267
00:02:59.535 --> 00:03:01.215 mechanism. But we're focusing today
NOTE Confidence: 0.97076267
00:03:01.215 --> 00:03:02.675 on the predoctoral program.
NOTE Confidence: 0.95227724
00:03:03.215 --> 00:03:04.995 The awards are for predoctor
NOTE Confidence: 0.95227724
00:03:05.055 --> 00:03:07.635 trainees who specifically wanna pursue
NOTE Confidence: 0.95227724
00:03:07.694 --> 00:03:09.474 careers in clinical and translational
NOTE Confidence: 0.95227724
00:03:09.614 --> 00:03:10.114 research.
NOTE Confidence: 0.992393
00:03:11.150 --> 00:03:12.669 The program focuses on providing
NOTE Confidence: 0.992393
00:03:12.669 --> 00:03:14.510 trainees the opportunity to develop
NOTE Confidence: 0.992393

00:03:14.510 --> 00:03:16.290 and participate in multidisciplinary
NOTE Confidence: 0.9854518

00:03:17.310 --> 00:03:19.010 team research with the mentorship
NOTE Confidence: 0.96046627

00:03:19.310 --> 00:03:20.989 of Yale faculty in two
NOTE Confidence: 0.96046627

00:03:20.989 --> 00:03:22.050 or more disciplines.
NOTE Confidence: 0.9940925

00:03:22.685 --> 00:03:23.805 And the awards are for
NOTE Confidence: 0.9940925

00:03:23.805 --> 00:03:24.845 one year with the option
NOTE Confidence: 0.9940925

00:03:24.845 --> 00:03:26.205 to reapply for a second
NOTE Confidence: 0.9940925

00:03:26.205 --> 00:03:27.105 year of support.
NOTE Confidence: 0.98596364

00:03:27.885 --> 00:03:29.345 So, again, just to emphasize,
NOTE Confidence: 0.98596364

00:03:29.405 --> 00:03:30.924 it's really intended to be
NOTE Confidence: 0.98596364

00:03:30.924 --> 00:03:31.424 multidisciplinary
NOTE Confidence: 0.97408247

00:03:32.044 --> 00:03:33.724 with mentorship in, you know,
NOTE Confidence: 0.97408247

00:03:33.724 --> 00:03:35.165 a couple of disciplines, not
NOTE Confidence: 0.97408247

00:03:35.165 --> 00:03:35.905 just one.
NOTE Confidence: 0.9654468

00:03:36.510 --> 00:03:38.190 We provide stipend support and
NOTE Confidence: 0.9654468

00:03:38.190 --> 00:03:40.350 training related expenses primarily for

NOTE Confidence: 0.9654468

00:03:40.350 --> 00:03:41.330 health care coverage

NOTE Confidence: 0.97929204

00:03:41.630 --> 00:03:43.250 at the prescribed NIH

NOTE Confidence: 0.86493

00:03:43.710 --> 00:03:45.470 pre doctoral levels as well

NOTE Confidence: 0.86493

00:03:45.470 --> 00:03:46.990 as tuition typo. And trap

NOTE Confidence: 0.86493

00:03:47.070 --> 00:03:48.270 that's good. As well as

NOTE Confidence: 0.86493

00:03:48.270 --> 00:03:49.730 tuition and travel funds.

NOTE Confidence: 0.95946884

00:03:50.694 --> 00:03:52.474 Our funding comes from NIH,

NOTE Confidence: 0.95946884

00:03:52.534 --> 00:03:53.894 from the National Center for

NOTE Confidence: 0.95946884

00:03:53.894 --> 00:03:56.314 Advancing Translational Sciences or NCATS,

NOTE Confidence: 0.9730083

00:03:57.655 --> 00:03:59.834 clinical and translational science award.

NOTE Confidence: 0.95089704

00:04:00.614 --> 00:04:01.974 This has been called up

NOTE Confidence: 0.95089704

00:04:01.974 --> 00:04:03.150 till now the t l

NOTE Confidence: 0.95089704

00:04:03.150 --> 00:04:04.750 one. This is consistent with

NOTE Confidence: 0.95089704

00:04:04.750 --> 00:04:06.450 programs called t thirty twos,

NOTE Confidence: 0.98685575

00:04:06.910 --> 00:04:08.270 and we're also supported by

NOTE Confidence: 0.98685575

00:04:08.270 --> 00:04:10.030 institutional funds from the dean

NOTE Confidence: 0.98685575

00:04:10.030 --> 00:04:11.630 that are administered by Yale

NOTE Confidence: 0.98685575

00:04:11.630 --> 00:04:12.930 Center for Clinical Investigation.

NOTE Confidence: 0.97639924

00:04:13.950 --> 00:04:15.045 As part of the structure,

NOTE Confidence: 0.97639924

00:04:15.365 --> 00:04:16.885 in addition to, you know,

NOTE Confidence: 0.97639924

00:04:16.885 --> 00:04:18.585 the funding support, we

NOTE Confidence: 0.86226404

00:04:19.044 --> 00:04:20.885 are excited to have research

NOTE Confidence: 0.86226404

00:04:20.885 --> 00:04:21.625 and progress,

NOTE Confidence: 0.9665975

00:04:22.085 --> 00:04:23.605 sessions that occur twice per

NOTE Confidence: 0.9665975

00:04:23.605 --> 00:04:24.805 per month where folks can

NOTE Confidence: 0.9665975

00:04:24.805 --> 00:04:26.404 present on their research and

NOTE Confidence: 0.9665975

00:04:26.404 --> 00:04:27.365 learn about what your,

NOTE Confidence: 0.98237634

00:04:28.229 --> 00:04:29.910 colleagues are doing and get

NOTE Confidence: 0.98237634

00:04:29.990 --> 00:04:32.089 gain skills in both presentation,

NOTE Confidence: 0.98237634

00:04:32.229 --> 00:04:33.690 different content areas,

NOTE Confidence: 0.99966115

00:04:34.229 --> 00:04:35.130 and networking.

NOTE Confidence: 0.9873683

00:04:36.630 --> 00:04:37.830 We also have the research

NOTE Confidence: 0.9873683

00:04:37.830 --> 00:04:39.529 opportunities for clinical and translational

NOTE Confidence: 0.9873683

00:04:39.589 --> 00:04:40.949 studies, which we call Rockettes,

NOTE Confidence: 0.9873683

00:04:40.949 --> 00:04:42.229 which is a summer series

NOTE Confidence: 0.9873683

00:04:42.229 --> 00:04:43.664 that occurs weekly over the

NOTE Confidence: 0.9873683

00:04:43.664 --> 00:04:44.164 summer.

NOTE Confidence: 0.9810325

00:04:44.464 --> 00:04:46.384 We have YCCI special programs,

NOTE Confidence: 0.9810325

00:04:46.384 --> 00:04:48.145 which occurs monthly on,

NOTE Confidence: 0.98092526

00:04:49.104 --> 00:04:50.544 the third Monday of the

NOTE Confidence: 0.98092526

00:04:50.544 --> 00:04:51.824 month, and then we have

NOTE Confidence: 0.98092526

00:04:51.824 --> 00:04:53.824 the team science activities. So

NOTE Confidence: 0.98092526

00:04:53.824 --> 00:04:54.884 that's really the

NOTE Confidence: 0.9585972

00:04:55.185 --> 00:04:57.345 infrastructure for the training, but

NOTE Confidence: 0.9585972

00:04:57.345 --> 00:04:57.425 then,

NOTE Confidence: 0.96212035

00:04:58.909 --> 00:05:00.110 also, we have,

NOTE Confidence: 0.99098295

00:05:00.509 --> 00:05:02.430 extra levels of mentorship support
NOTE Confidence: 0.99098295

00:05:02.430 --> 00:05:03.710 for you guys in addition
NOTE Confidence: 0.99098295

00:05:03.710 --> 00:05:05.569 to your assigned mentors.
NOTE Confidence: 0.99874526

00:05:06.349 --> 00:05:07.409 Next slide, please.
NOTE Confidence: 0.99901617

00:05:09.870 --> 00:05:11.009 In terms of the eligibility,
NOTE Confidence: 0.98950654

00:05:11.389 --> 00:05:13.389 we, require that your Yale
NOTE Confidence: 0.98950654

00:05:13.389 --> 00:05:13.889 students
NOTE Confidence: 0.9573189

00:05:14.205 --> 00:05:15.805 actively enrolled and in good
NOTE Confidence: 0.9573189

00:05:15.805 --> 00:05:17.345 standing in the MD program,
NOTE Confidence: 0.9573189

00:05:17.485 --> 00:05:19.485 MD PhD program, or PhD
NOTE Confidence: 0.9573189

00:05:19.485 --> 00:05:19.985 program.
NOTE Confidence: 0.99310595

00:05:20.605 --> 00:05:21.885 Applicants who are working towards
NOTE Confidence: 0.99310595

00:05:21.885 --> 00:05:23.485 their PhD program must have
NOTE Confidence: 0.99310595

00:05:23.485 --> 00:05:25.245 passed their qualifying exams by
NOTE Confidence: 0.99310595

00:05:25.245 --> 00:05:27.360 the anticipated start date and
NOTE Confidence: 0.99310595

00:05:27.360 --> 00:05:29.040 be projected to remain in

NOTE Confidence: 0.99310595

00:05:29.040 --> 00:05:30.560 the PhD program for the

NOTE Confidence: 0.99310595

00:05:30.560 --> 00:05:32.260 duration of the year award.

NOTE Confidence: 0.99863625

00:05:32.960 --> 00:05:34.660 Applicants must be US citizens,

NOTE Confidence: 0.977253

00:05:35.279 --> 00:05:35.779 noncitizen

NOTE Confidence: 0.9868893

00:05:36.320 --> 00:05:37.920 nationals, or have been lawfully

NOTE Confidence: 0.9868893

00:05:37.920 --> 00:05:39.440 admitted for permanent residence at

NOTE Confidence: 0.9868893

00:05:39.440 --> 00:05:40.420 the time of application.

NOTE Confidence: 0.98878187

00:05:40.995 --> 00:05:42.755 That's an NIH rule, not

NOTE Confidence: 0.98878187

00:05:42.755 --> 00:05:43.255 ours.

NOTE Confidence: 0.98681754

00:05:44.275 --> 00:05:46.195 The YCCI program awardees who

NOTE Confidence: 0.98681754

00:05:46.195 --> 00:05:47.635 have already received two years

NOTE Confidence: 0.98681754

00:05:47.635 --> 00:05:48.375 of support

NOTE Confidence: 0.97640336

00:05:48.755 --> 00:05:50.275 from this mechanism are not

NOTE Confidence: 0.97640336

00:05:50.275 --> 00:05:51.574 eligible to apply.

NOTE Confidence: 0.99720776

00:05:52.035 --> 00:05:53.475 And applicants may have no

NOTE Confidence: 0.99720776

00:05:53.475 --> 00:05:54.915 more than four years of
NOTE Confidence: 0.99720776

00:05:54.915 --> 00:05:57.200 NRSA support prior to beginning
NOTE Confidence: 0.99720776

00:05:57.200 --> 00:05:57.860 the program.
NOTE Confidence: 0.99028856

00:05:58.480 --> 00:06:00.260 NRSA support at the predoctoral
NOTE Confidence: 0.99028856

00:06:00.320 --> 00:06:02.560 level via institutional training programs
NOTE Confidence: 0.99028856

00:06:02.560 --> 00:06:04.960 or individual fellowship awards is
NOTE Confidence: 0.99028856

00:06:04.960 --> 00:06:06.500 limited to five years.
NOTE Confidence: 0.99644107

00:06:13.134 --> 00:06:14.335 And then just we wanna
NOTE Confidence: 0.99644107

00:06:14.335 --> 00:06:15.455 make sure you're aware of
NOTE Confidence: 0.99644107

00:06:15.455 --> 00:06:17.055 our areas of special emphasis.
NOTE Confidence: 0.99644107

00:06:17.055 --> 00:06:18.094 These are things that are
NOTE Confidence: 0.99644107

00:06:18.094 --> 00:06:18.594 really
NOTE Confidence: 0.9940451

00:06:18.895 --> 00:06:20.850 important to what we're trying
NOTE Confidence: 0.9940451

00:06:20.850 --> 00:06:22.710 to foster and support research,
NOTE Confidence: 0.95506626

00:06:23.650 --> 00:06:25.730 in these areas. So thinking
NOTE Confidence: 0.95506626

00:06:25.730 --> 00:06:27.010 through these as you put

NOTE Confidence: 0.95506626

00:06:27.010 --> 00:06:28.070 together your applications,

NOTE Confidence: 0.9603765

00:06:29.089 --> 00:06:30.790 promotion of diversity and translational

NOTE Confidence: 0.9603765

00:06:30.930 --> 00:06:32.930 research, promotion of health equity

NOTE Confidence: 0.9603765

00:06:32.930 --> 00:06:34.835 research, promotion of community engaged

NOTE Confidence: 0.9603765

00:06:34.835 --> 00:06:37.154 research and implementation science, which

NOTE Confidence: 0.9603765

00:06:37.154 --> 00:06:39.095 are distinct and sometimes overlapping

NOTE Confidence: 0.96679485

00:06:39.475 --> 00:06:40.835 domains, and then the promotion

NOTE Confidence: 0.96679485

00:06:40.835 --> 00:06:41.815 of new technologies,

NOTE Confidence: 0.9517607

00:06:42.354 --> 00:06:44.595 including artificial intelligence and clinical

NOTE Confidence: 0.9517607

00:06:44.595 --> 00:06:45.095 research.

NOTE Confidence: 0.9681084

00:06:49.440 --> 00:06:50.080 So I'm gonna turn it

NOTE Confidence: 0.9681084

00:06:50.080 --> 00:06:51.200 over to Christine to jump

NOTE Confidence: 0.9681084

00:06:51.200 --> 00:06:52.820 into details about the application

NOTE Confidence: 0.9681084

00:06:52.880 --> 00:06:53.380 process.

NOTE Confidence: 0.9990098

00:06:55.279 --> 00:06:56.339 Okay. So

NOTE Confidence: 0.9456811

00:06:57.600 --> 00:06:59.440 we released the RFA and
NOTE Confidence: 0.9456811

00:06:59.440 --> 00:07:00.740 application in November.
NOTE Confidence: 0.9919734

00:07:02.015 --> 00:07:03.295 And now that we're in
NOTE Confidence: 0.9919734

00:07:03.295 --> 00:07:04.995 January, we're having this webinar.
NOTE Confidence: 0.9919734

00:07:05.055 --> 00:07:06.095 So thank you all for
NOTE Confidence: 0.9919734

00:07:06.095 --> 00:07:06.595 attending.
NOTE Confidence: 0.9933659

00:07:07.535 --> 00:07:08.915 And just so you're aware,
NOTE Confidence: 0.88175666

00:07:10.015 --> 00:07:12.835 we're recording this webinar and
NOTE Confidence: 0.99954295

00:07:13.215 --> 00:07:14.515 I will be
NOTE Confidence: 0.99842834

00:07:14.975 --> 00:07:15.475 putting
NOTE Confidence: 0.99978465

00:07:16.949 --> 00:07:19.130 this recording on our website
NOTE Confidence: 0.94115764

00:07:19.669 --> 00:07:21.530 where you found the information,
NOTE Confidence: 0.9920513

00:07:22.870 --> 00:07:23.930 on this program,
NOTE Confidence: 0.9912416

00:07:24.870 --> 00:07:26.229 probably in the next couple
NOTE Confidence: 0.9912416

00:07:26.229 --> 00:07:26.889 of days.
NOTE Confidence: 0.984104

00:07:27.669 --> 00:07:29.505 So if you wanna refer

NOTE Confidence: 0.984104

00:07:29.505 --> 00:07:30.705 back to it or if

NOTE Confidence: 0.984104

00:07:30.705 --> 00:07:32.465 you know somebody who's interested

NOTE Confidence: 0.984104

00:07:32.465 --> 00:07:33.824 in the program and couldn't

NOTE Confidence: 0.984104

00:07:33.824 --> 00:07:34.645 attend today,

NOTE Confidence: 0.9954708

00:07:36.625 --> 00:07:38.705 there's an opportunity to review

NOTE Confidence: 0.9954708

00:07:38.705 --> 00:07:40.384 this recording again once it's

NOTE Confidence: 0.9954708

00:07:40.384 --> 00:07:41.285 posted online.

NOTE Confidence: 0.96679807

00:07:42.979 --> 00:07:45.060 Alright. So all applications are

NOTE Confidence: 0.96679807

00:07:45.060 --> 00:07:47.460 due Friday, March seventh at

NOTE Confidence: 0.96679807

00:07:47.460 --> 00:07:48.280 five PM.

NOTE Confidence: 0.9929283

00:07:48.979 --> 00:07:49.880 After which,

NOTE Confidence: 0.9825686

00:07:50.660 --> 00:07:52.680 we'll do an internal review

NOTE Confidence: 0.9825686

00:07:52.900 --> 00:07:53.940 to make sure that all

NOTE Confidence: 0.9825686

00:07:53.940 --> 00:07:54.840 of your applications

NOTE Confidence: 0.99963593

00:07:55.380 --> 00:07:55.880 are

NOTE Confidence: 0.9724353

00:07:56.385 --> 00:07:58.485 complete and in good shape.
NOTE Confidence: 0.97256017

00:07:59.185 --> 00:07:59.925 And then,
NOTE Confidence: 0.98888695

00:08:00.785 --> 00:08:01.605 in April,
NOTE Confidence: 0.9662568

00:08:02.305 --> 00:08:03.025 we'll have,
NOTE Confidence: 0.99677163

00:08:03.505 --> 00:08:05.585 applications reviewed by our expert
NOTE Confidence: 0.99677163

00:08:05.585 --> 00:08:06.085 faculty.
NOTE Confidence: 0.9476238

00:08:07.185 --> 00:08:08.645 We have a review committee
NOTE Confidence: 0.9476238

00:08:08.865 --> 00:08:10.325 like all other NIH
NOTE Confidence: 0.7869748

00:08:11.410 --> 00:08:11.910 related,
NOTE Confidence: 0.85468775

00:08:13.330 --> 00:08:14.230 grant programs.
NOTE Confidence: 0.99610424

00:08:15.250 --> 00:08:16.530 And then we'll have the
NOTE Confidence: 0.99610424

00:08:16.530 --> 00:08:17.430 review meeting.
NOTE Confidence: 0.9899247

00:08:18.370 --> 00:08:20.230 And then in May, we'll
NOTE Confidence: 0.9607343

00:08:21.010 --> 00:08:22.210 I'll send out just in
NOTE Confidence: 0.9607343

00:08:22.210 --> 00:08:24.050 time requests, also referred to
NOTE Confidence: 0.9607343

00:08:24.050 --> 00:08:24.950 as JIT requests.

NOTE Confidence: 0.94274116
00:08:26.055 --> 00:08:27.835 And that's mainly to
NOTE Confidence: 0.84139186
00:08:30.295 --> 00:08:31.275 ask you about,
NOTE Confidence: 0.9992386
00:08:31.895 --> 00:08:32.875 any potential
NOTE Confidence: 0.9981988
00:08:33.415 --> 00:08:35.434 funding changes on your end.
NOTE Confidence: 0.95877725
00:08:36.215 --> 00:08:37.255 Some of you may be
NOTE Confidence: 0.95877725
00:08:37.255 --> 00:08:38.395 applying for,
NOTE Confidence: 0.9638902
00:08:39.300 --> 00:08:40.820 f thirty or f thirty
NOTE Confidence: 0.9638902
00:08:40.820 --> 00:08:41.640 one applications.
NOTE Confidence: 0.9918687
00:08:42.660 --> 00:08:43.860 So we wanna be aware
NOTE Confidence: 0.9918687
00:08:43.860 --> 00:08:44.440 of that.
NOTE Confidence: 0.9720977
00:08:46.020 --> 00:08:47.240 Okay. Thanks, Jen.
NOTE Confidence: 0.9974178
00:08:47.700 --> 00:08:49.059 Feel free to drop questions
NOTE Confidence: 0.9974178
00:08:49.059 --> 00:08:49.880 in the chat.
NOTE Confidence: 0.9102696
00:08:52.135 --> 00:08:53.575 And then, you know, after
NOTE Confidence: 0.9102696
00:08:53.575 --> 00:08:55.815 the the JET requests and
NOTE Confidence: 0.9102696

00:08:55.815 --> 00:08:56.855 we have a a better
NOTE Confidence: 0.9102696

00:08:56.855 --> 00:08:57.355 sense
NOTE Confidence: 0.9397301

00:08:58.535 --> 00:09:00.295 of whether people may have
NOTE Confidence: 0.9397301

00:09:00.295 --> 00:09:01.675 gotten their own fellowships,
NOTE Confidence: 0.9972859

00:09:02.375 --> 00:09:03.355 we'll do notifications.
NOTE Confidence: 0.98272866

00:09:04.535 --> 00:09:06.554 So the earliest start date
NOTE Confidence: 0.98669064

00:09:07.230 --> 00:09:09.070 for our program is June
NOTE Confidence: 0.98669064

00:09:09.070 --> 00:09:10.370 first for funding,
NOTE Confidence: 0.9930654

00:09:10.830 --> 00:09:12.190 and that's to align with
NOTE Confidence: 0.9930654

00:09:12.190 --> 00:09:12.690 our,
NOTE Confidence: 0.9978123

00:09:13.390 --> 00:09:15.550 grant award. Our grant year
NOTE Confidence: 0.9978123

00:09:15.550 --> 00:09:17.149 starts June one and goes
NOTE Confidence: 0.9978123

00:09:17.149 --> 00:09:19.010 through May thirty first.
NOTE Confidence: 0.94852906

00:09:21.295 --> 00:09:22.675 We do have some flexibility.
NOTE Confidence: 0.95206535

00:09:24.495 --> 00:09:26.255 Obviously, July one is our
NOTE Confidence: 0.95206535

00:09:26.255 --> 00:09:28.115 fiscal year start date.

NOTE Confidence: 0.98210406
00:09:29.295 --> 00:09:30.175 So we can work with
NOTE Confidence: 0.98210406
00:09:30.175 --> 00:09:32.115 July one. We may have
NOTE Confidence: 0.98210406
00:09:32.399 --> 00:09:34.079 some flexibility with other start
NOTE Confidence: 0.98210406
00:09:34.079 --> 00:09:35.220 dates in the summer,
NOTE Confidence: 0.9930847
00:09:35.679 --> 00:09:36.559 but we can talk about
NOTE Confidence: 0.9930847
00:09:36.559 --> 00:09:37.779 that in a little bit.
NOTE Confidence: 0.9866631
00:09:38.319 --> 00:09:39.839 And then programming for all
NOTE Confidence: 0.9866631
00:09:39.839 --> 00:09:41.360 of our scholars begins in
NOTE Confidence: 0.9866631
00:09:41.360 --> 00:09:41.860 July.
NOTE Confidence: 0.9811116
00:09:42.959 --> 00:09:44.579 And we should mention that
NOTE Confidence: 0.9811116
00:09:44.800 --> 00:09:46.000 we have,
NOTE Confidence: 0.9989241
00:09:46.639 --> 00:09:47.139 programming
NOTE Confidence: 0.99958545
00:09:47.655 --> 00:09:49.115 that is encompassing
NOTE Confidence: 0.99680424
00:09:49.655 --> 00:09:51.175 all of our programs. So
NOTE Confidence: 0.99680424
00:09:51.175 --> 00:09:51.675 it's
NOTE Confidence: 0.9627577

00:09:52.135 --> 00:09:54.475 our k junior faculty scholars,
NOTE Confidence: 0.9368451

00:09:54.935 --> 00:09:57.015 our pre doctoral trainees, and
NOTE Confidence: 0.9368451

00:09:57.015 --> 00:09:58.395 our post doctoral trainees
NOTE Confidence: 0.9365252

00:10:00.250 --> 00:10:02.090 are all together in these
NOTE Confidence: 0.9365252

00:10:02.090 --> 00:10:04.190 programming and educational tech,
NOTE Confidence: 0.99267936

00:10:04.490 --> 00:10:04.990 activities.
NOTE Confidence: 0.9969088

00:10:10.410 --> 00:10:10.910 Okay.
NOTE Confidence: 0.9586825

00:10:11.290 --> 00:10:13.470 So again, Friday, March seventh,
NOTE Confidence: 0.9586825

00:10:13.610 --> 00:10:14.350 five o'clock
NOTE Confidence: 0.9984396

00:10:14.985 --> 00:10:16.425 is the the key date
NOTE Confidence: 0.9984396

00:10:16.425 --> 00:10:17.545 and time to keep in
NOTE Confidence: 0.9984396

00:10:17.545 --> 00:10:18.045 mind.
NOTE Confidence: 0.96585387

00:10:19.464 --> 00:10:20.925 The postdoctoral application,
NOTE Confidence: 0.75662434

00:10:21.385 --> 00:10:22.125 the word
NOTE Confidence: 0.94739133

00:10:22.665 --> 00:10:24.904 document is already posted on
NOTE Confidence: 0.94739133

00:10:24.904 --> 00:10:25.725 the web page.

NOTE Confidence: 0.9491417
00:10:26.960 --> 00:10:28.160 If you haven't seen it
NOTE Confidence: 0.9491417
00:10:28.160 --> 00:10:29.840 yet, it's down at the
NOTE Confidence: 0.9491417
00:10:29.840 --> 00:10:31.280 bottom of the the web
NOTE Confidence: 0.9491417
00:10:31.280 --> 00:10:31.780 page.
NOTE Confidence: 0.99575317
00:10:33.200 --> 00:10:34.880 Please be sure to follow
NOTE Confidence: 0.99575317
00:10:34.880 --> 00:10:35.940 all of the instructions.
NOTE Confidence: 0.9982548
00:10:37.440 --> 00:10:38.800 So for those of you
NOTE Confidence: 0.9982548
00:10:38.800 --> 00:10:39.700 who are
NOTE Confidence: 0.98647606
00:10:40.014 --> 00:10:41.855 current awardees and applying for
NOTE Confidence: 0.98647606
00:10:41.855 --> 00:10:43.074 a second year of support,
NOTE Confidence: 0.9797143
00:10:43.855 --> 00:10:44.815 be sure to keep,
NOTE Confidence: 0.9919951
00:10:45.934 --> 00:10:47.315 to read the reapplication
NOTE Confidence: 0.9896511
00:10:48.175 --> 00:10:48.675 instructions.
NOTE Confidence: 0.9985563
00:10:49.135 --> 00:10:50.894 So you need to submit
NOTE Confidence: 0.9985563
00:10:50.894 --> 00:10:52.355 a reapplication summary
NOTE Confidence: 0.99028814

00:10:53.100 --> 00:10:53.920 that describes,
NOTE Confidence: 0.9993909

00:10:54.860 --> 00:10:55.520 the previous
NOTE Confidence: 0.9955336

00:10:56.220 --> 00:10:57.279 project aims
NOTE Confidence: 0.800487

00:10:57.580 --> 00:10:58.480 and how,
NOTE Confidence: 0.9762599

00:11:00.380 --> 00:11:01.980 the aims have changed and
NOTE Confidence: 0.9762599

00:11:01.980 --> 00:11:03.339 the progress you've made over
NOTE Confidence: 0.9762599

00:11:03.339 --> 00:11:05.440 the past year. So that's
NOTE Confidence: 0.9984873

00:11:05.820 --> 00:11:07.600 something extra that only
NOTE Confidence: 0.99514717

00:11:08.105 --> 00:11:09.625 current awardees who are applying
NOTE Confidence: 0.99514717

00:11:09.625 --> 00:11:10.745 for a second year need
NOTE Confidence: 0.99514717

00:11:10.745 --> 00:11:12.205 to include in the application.
NOTE Confidence: 0.9732632

00:11:14.905 --> 00:11:17.065 The other support document, everyone
NOTE Confidence: 0.9732632

00:11:17.065 --> 00:11:18.365 needs to complete that.
NOTE Confidence: 0.9936166

00:11:18.745 --> 00:11:20.425 Please work with your business
NOTE Confidence: 0.9936166

00:11:20.425 --> 00:11:20.925 office
NOTE Confidence: 0.9988392

00:11:21.305 --> 00:11:21.805 to

NOTE Confidence: 0.98695743

00:11:22.449 --> 00:11:24.149 complete and submit that document.

NOTE Confidence: 0.9772715

00:11:26.449 --> 00:11:28.130 And then details of what

NOTE Confidence: 0.9772715

00:11:28.130 --> 00:11:29.410 should be included in your

NOTE Confidence: 0.9772715

00:11:29.410 --> 00:11:31.269 mentor's letters of support.

NOTE Confidence: 0.9920168

00:11:31.970 --> 00:11:32.690 So this,

NOTE Confidence: 0.9987367

00:11:33.170 --> 00:11:33.670 includes

NOTE Confidence: 0.84214294

00:11:34.050 --> 00:11:34.550 commitment,

NOTE Confidence: 0.9607384

00:11:35.795 --> 00:11:37.954 their commitment to you in

NOTE Confidence: 0.9607384

00:11:37.954 --> 00:11:39.815 terms of additional costs.

NOTE Confidence: 0.9362816

00:11:40.355 --> 00:11:41.815 So research costs.

NOTE Confidence: 0.9121742

00:11:42.755 --> 00:11:44.135 We should note that

NOTE Confidence: 0.9489031

00:11:44.755 --> 00:11:46.535 while our funding provides,

NOTE Confidence: 0.993867

00:11:47.820 --> 00:11:49.580 a stipend for you and

NOTE Confidence: 0.993867

00:11:49.580 --> 00:11:51.040 training related expenses,

NOTE Confidence: 0.9993024

00:11:51.740 --> 00:11:52.640 it does not

NOTE Confidence: 0.9880438

00:11:53.100 --> 00:11:54.960 cover any research costs,
NOTE Confidence: 0.99253434

00:11:56.059 --> 00:11:57.180 that you may need to
NOTE Confidence: 0.99253434

00:11:57.180 --> 00:11:58.320 conduct your research.
NOTE Confidence: 0.9992016

00:11:59.100 --> 00:12:00.800 And that's true for all
NOTE Confidence: 0.9587776

00:12:02.285 --> 00:12:02.785 NIH
NOTE Confidence: 0.9986794

00:12:03.085 --> 00:12:04.464 grants at this level.
NOTE Confidence: 0.9434877

00:12:06.365 --> 00:12:07.425 And then, again,
NOTE Confidence: 0.9713378

00:12:07.964 --> 00:12:08.925 for those of you who
NOTE Confidence: 0.9713378

00:12:08.925 --> 00:12:10.125 are applying for a second
NOTE Confidence: 0.9713378

00:12:10.125 --> 00:12:12.145 year of support, your mentor's
NOTE Confidence: 0.9713378

00:12:12.205 --> 00:12:13.425 letters should,
NOTE Confidence: 0.99597526

00:12:14.720 --> 00:12:15.839 talk about the progress you
NOTE Confidence: 0.99597526

00:12:15.839 --> 00:12:17.440 have made during your first
NOTE Confidence: 0.99597526

00:12:17.440 --> 00:12:17.940 year.
NOTE Confidence: 0.99180037

00:12:20.880 --> 00:12:22.240 And then finally, just be
NOTE Confidence: 0.99180037

00:12:22.240 --> 00:12:23.200 sure that you use the

NOTE Confidence: 0.99180037
00:12:23.200 --> 00:12:24.500 correct versions
NOTE Confidence: 0.99962354
00:12:25.120 --> 00:12:25.940 of the
NOTE Confidence: 0.95937824
00:12:26.480 --> 00:12:28.179 NIH fellowship biosketch
NOTE Confidence: 0.99662685
00:12:28.895 --> 00:12:30.035 and other support.
NOTE Confidence: 0.99302834
00:12:30.975 --> 00:12:32.355 And all of this information
NOTE Confidence: 0.99302834
00:12:32.495 --> 00:12:34.195 is listed in the application.
NOTE Confidence: 0.99302834
00:12:34.415 --> 00:12:35.635 I just wanted to,
NOTE Confidence: 0.99720895
00:12:36.335 --> 00:12:37.715 highlight this for you.
NOTE Confidence: 0.99849296
00:12:42.650 --> 00:12:43.950 Okay. And more details
NOTE Confidence: 0.9984804
00:12:44.330 --> 00:12:44.830 here
NOTE Confidence: 0.996147
00:12:46.010 --> 00:12:47.150 on what is included
NOTE Confidence: 0.99978966
00:12:47.610 --> 00:12:48.510 in the application
NOTE Confidence: 0.96667355
00:12:49.290 --> 00:12:50.670 and the online submission.
NOTE Confidence: 0.9985391
00:12:52.010 --> 00:12:53.130 So when you actually go
NOTE Confidence: 0.9985391
00:12:53.130 --> 00:12:54.910 to submit your application,
NOTE Confidence: 0.96462715

00:12:55.475 --> 00:12:57.075 you're gonna go to the
NOTE Confidence: 0.96462715

00:12:57.075 --> 00:12:59.015 online form. It's a Qualtrics
NOTE Confidence: 0.96462715

00:12:59.075 --> 00:13:01.475 form. Again, it's listed on
NOTE Confidence: 0.96462715

00:13:01.475 --> 00:13:02.295 the web page.
NOTE Confidence: 0.97715247

00:13:03.155 --> 00:13:04.835 So there are some form
NOTE Confidence: 0.97715247

00:13:04.835 --> 00:13:06.434 questions that you're gonna fill
NOTE Confidence: 0.97715247

00:13:06.434 --> 00:13:08.695 out, and they're basic questions
NOTE Confidence: 0.97715247

00:13:08.755 --> 00:13:10.615 related to the application itself.
NOTE Confidence: 0.9678986

00:13:12.170 --> 00:13:13.290 And then you're gonna upload
NOTE Confidence: 0.9678986

00:13:13.290 --> 00:13:14.589 the application package,
NOTE Confidence: 0.9989746

00:13:15.610 --> 00:13:17.070 which is going to include
NOTE Confidence: 0.98006123

00:13:17.450 --> 00:13:18.750 these items here.
NOTE Confidence: 0.97492313

00:13:19.290 --> 00:13:21.130 So your research abstract, which
NOTE Confidence: 0.97492313

00:13:21.130 --> 00:13:22.270 is a half a page.
NOTE Confidence: 0.9987099

00:13:22.890 --> 00:13:23.790 I should mention
NOTE Confidence: 0.9223386

00:13:24.834 --> 00:13:26.755 in the parentheses here are

NOTE Confidence: 0.9223386
00:13:26.755 --> 00:13:27.495 the limits
NOTE Confidence: 0.90315807
00:13:27.955 --> 00:13:28.695 for these
NOTE Confidence: 0.99542475
00:13:29.235 --> 00:13:30.455 application items.
NOTE Confidence: 0.99784696
00:13:30.995 --> 00:13:32.455 Please keep to these limits.
NOTE Confidence: 0.9680738
00:13:34.515 --> 00:13:37.095 So, again, this reapplication summary
NOTE Confidence: 0.9680738
00:13:37.235 --> 00:13:39.230 is only for current awardees
NOTE Confidence: 0.9680738
00:13:39.290 --> 00:13:40.750 applying for the second year.
NOTE Confidence: 0.96693695
00:13:42.090 --> 00:13:43.290 And then we have the
NOTE Confidence: 0.96693695
00:13:43.290 --> 00:13:45.550 research plan narrative, three pages,
NOTE Confidence: 0.9557397
00:13:46.490 --> 00:13:48.970 bibliography and references cited. There's
NOTE Confidence: 0.9557397
00:13:48.970 --> 00:13:50.270 no limit for that.
NOTE Confidence: 0.9899148
00:13:51.290 --> 00:13:52.590 Your statement of purpose,
NOTE Confidence: 0.93825424
00:13:53.394 --> 00:13:54.135 your biosketch,
NOTE Confidence: 0.869191
00:13:54.834 --> 00:13:55.815 your other support,
NOTE Confidence: 0.99927497
00:13:56.274 --> 00:13:57.635 and then letters from your
NOTE Confidence: 0.99927497

00:13:57.635 --> 00:13:59.495 primary and secondary mentors.
NOTE Confidence: 0.9896001

00:14:00.675 --> 00:14:02.035 And then finally, there's a
NOTE Confidence: 0.9896001

00:14:02.035 --> 00:14:02.535 section
NOTE Confidence: 0.9749117

00:14:03.235 --> 00:14:04.115 at the end of the
NOTE Confidence: 0.9749117

00:14:04.115 --> 00:14:05.095 online form,
NOTE Confidence: 0.99000627

00:14:06.389 --> 00:14:08.570 related to some CTSA reporting
NOTE Confidence: 0.99000627

00:14:08.630 --> 00:14:09.130 questions,
NOTE Confidence: 0.991473

00:14:09.510 --> 00:14:11.610 which are basically demographic questions.
NOTE Confidence: 0.9478729

00:14:18.245 --> 00:14:19.285 And then just a couple
NOTE Confidence: 0.9478729

00:14:19.285 --> 00:14:21.365 of tips and tricks, basically,
NOTE Confidence: 0.9478729

00:14:21.365 --> 00:14:22.265 do's and don'ts.
NOTE Confidence: 0.99909544

00:14:22.885 --> 00:14:24.185 Make sure your mentors
NOTE Confidence: 0.999384

00:14:24.565 --> 00:14:25.785 review your applications.
NOTE Confidence: 0.9966439

00:14:28.005 --> 00:14:29.045 You wanna make sure that
NOTE Confidence: 0.9966439

00:14:29.045 --> 00:14:30.404 your application is free of
NOTE Confidence: 0.9966439

00:14:30.404 --> 00:14:31.945 spelling and grammar errors.

NOTE Confidence: 0.93082255
00:14:32.390 --> 00:14:33.830 Basically, you wanna put your
NOTE Confidence: 0.93082255
00:14:33.830 --> 00:14:36.010 your best best application forward.
NOTE Confidence: 0.9593472
00:14:37.510 --> 00:14:38.870 I should mention we do
NOTE Confidence: 0.9593472
00:14:38.870 --> 00:14:40.010 get a lot of applications
NOTE Confidence: 0.9593472
00:14:40.150 --> 00:14:41.130 for this program.
NOTE Confidence: 0.9744205
00:14:41.990 --> 00:14:43.210 So it's highly selective.
NOTE Confidence: 0.9823702
00:14:44.470 --> 00:14:45.590 And we wanna make sure
NOTE Confidence: 0.9823702
00:14:45.590 --> 00:14:46.090 you,
NOTE Confidence: 0.99962115
00:14:46.885 --> 00:14:48.185 present your best application.
NOTE Confidence: 0.95593077
00:14:50.404 --> 00:14:52.265 Another thing, write out acronyms,
NOTE Confidence: 0.95593077
00:14:52.485 --> 00:14:53.845 especially the first time you
NOTE Confidence: 0.95593077
00:14:53.845 --> 00:14:54.584 use them.
NOTE Confidence: 0.99624044
00:14:54.885 --> 00:14:56.404 Or better yet, don't use
NOTE Confidence: 0.99624044
00:14:56.404 --> 00:14:57.225 them at all.
NOTE Confidence: 0.94240516
00:15:00.100 --> 00:15:01.400 Make sure you review
NOTE Confidence: 0.99139535

00:15:01.780 --> 00:15:04.040 the RFA and the instructions
NOTE Confidence: 0.9995696

00:15:04.420 --> 00:15:05.880 before you submit your application.
NOTE Confidence: 0.9966412

00:15:06.340 --> 00:15:07.220 Of course, if you have
NOTE Confidence: 0.9966412

00:15:07.220 --> 00:15:07.720 questions,
NOTE Confidence: 0.98093003

00:15:08.660 --> 00:15:09.940 please feel free to reach
NOTE Confidence: 0.98093003

00:15:09.940 --> 00:15:10.840 out to us.
NOTE Confidence: 0.98300904

00:15:11.235 --> 00:15:12.915 And we have the email
NOTE Confidence: 0.98300904

00:15:12.915 --> 00:15:14.035 address. I think it's on
NOTE Confidence: 0.98300904

00:15:14.035 --> 00:15:14.935 the next page.
NOTE Confidence: 0.9970643

00:15:17.075 --> 00:15:18.195 And then don't forget to
NOTE Confidence: 0.9970643

00:15:18.195 --> 00:15:19.735 include the letters of support
NOTE Confidence: 0.9970643

00:15:19.875 --> 00:15:21.175 from each of your mentors
NOTE Confidence: 0.95479625

00:15:21.795 --> 00:15:23.475 outlining their commitment to cover
NOTE Confidence: 0.95479625

00:15:23.475 --> 00:15:24.455 your additional
NOTE Confidence: 0.9064995

00:15:25.080 --> 00:15:25.740 costs, including
NOTE Confidence: 0.97618556

00:15:26.360 --> 00:15:27.900 the research support costs.

NOTE Confidence: 0.9749173
00:15:32.760 --> 00:15:33.800 Oh, and then we also
NOTE Confidence: 0.9749173
00:15:33.800 --> 00:15:34.280 have the,
NOTE Confidence: 0.99942786
00:15:35.400 --> 00:15:35.900 application
NOTE Confidence: 0.9901058
00:15:36.280 --> 00:15:37.580 review and award
NOTE Confidence: 0.9987873
00:15:38.200 --> 00:15:38.700 process.
NOTE Confidence: 0.9669416
00:15:41.965 --> 00:15:43.245 Jen, do you wanna talk
NOTE Confidence: 0.9669416
00:15:43.245 --> 00:15:44.305 about this part?
NOTE Confidence: 0.9627832
00:15:46.605 --> 00:15:48.125 Sure. Thank you, Christine, so
NOTE Confidence: 0.9627832
00:15:48.125 --> 00:15:49.485 much. And, Sofia, that's a
NOTE Confidence: 0.9627832
00:15:49.485 --> 00:15:50.685 great question. We can spend
NOTE Confidence: 0.9627832
00:15:50.685 --> 00:15:51.885 some time answering that. And
NOTE Confidence: 0.9627832
00:15:51.885 --> 00:15:53.345 others, feel free to drop
NOTE Confidence: 0.9627832
00:15:53.529 --> 00:15:54.990 additional questions on the chat.
NOTE Confidence: 0.9972772
00:15:56.010 --> 00:15:57.370 So just to be really
NOTE Confidence: 0.9972772
00:15:57.370 --> 00:15:58.490 clear for folks about the
NOTE Confidence: 0.9972772

00:15:58.490 --> 00:16:00.650 review criteria that folks will
NOTE Confidence: 0.9972772

00:16:00.650 --> 00:16:01.630 use to,
NOTE Confidence: 0.93899995

00:16:02.010 --> 00:16:03.150 assess your application,
NOTE Confidence: 0.97170556

00:16:03.850 --> 00:16:05.450 we use a process that
NOTE Confidence: 0.97170556

00:16:05.450 --> 00:16:07.325 is similar to, you know,
NOTE Confidence: 0.97170556

00:16:07.325 --> 00:16:08.685 NIH study sections where we
NOTE Confidence: 0.97170556

00:16:08.685 --> 00:16:09.905 have independent reviewers,
NOTE Confidence: 0.969657

00:16:11.645 --> 00:16:13.245 rate your application based on
NOTE Confidence: 0.969657

00:16:13.245 --> 00:16:14.845 these areas. So based on
NOTE Confidence: 0.969657

00:16:14.845 --> 00:16:16.205 the applicant, so who you
NOTE Confidence: 0.969657

00:16:16.205 --> 00:16:17.405 are and your track record
NOTE Confidence: 0.969657

00:16:17.405 --> 00:16:18.925 and commitment to research thus
NOTE Confidence: 0.969657

00:16:18.925 --> 00:16:21.025 far, your mentoring plan,
NOTE Confidence: 0.9915522

00:16:22.079 --> 00:16:22.579 innovation,
NOTE Confidence: 0.9782702

00:16:23.440 --> 00:16:25.199 significance, and approach as it
NOTE Confidence: 0.9782702

00:16:25.199 --> 00:16:26.880 relates to your project, your

NOTE Confidence: 0.9782702
00:16:26.880 --> 00:16:28.019 commitment to multidisciplinary
NOTE Confidence: 0.9971749
00:16:28.480 --> 00:16:30.160 science, and then how you
NOTE Confidence: 0.9971749
00:16:30.160 --> 00:16:31.120 may or may not be
NOTE Confidence: 0.9971749
00:16:31.120 --> 00:16:32.639 addressing an area of special
NOTE Confidence: 0.9971749
00:16:32.639 --> 00:16:33.139 emphasis.
NOTE Confidence: 0.9875845
00:16:34.045 --> 00:16:35.405 I'll just interrupt myself and
NOTE Confidence: 0.9875845
00:16:35.405 --> 00:16:36.685 answer this question that came
NOTE Confidence: 0.9875845
00:16:36.685 --> 00:16:37.965 up, which is really important
NOTE Confidence: 0.9875845
00:16:37.965 --> 00:16:39.585 about the mentorship team.
NOTE Confidence: 0.9991807
00:16:40.045 --> 00:16:40.945 So faculty
NOTE Confidence: 0.9969463
00:16:41.485 --> 00:16:44.145 with a demonstrated track record
NOTE Confidence: 0.9969463
00:16:44.205 --> 00:16:45.025 of mentorship
NOTE Confidence: 0.98892635
00:16:45.965 --> 00:16:47.340 is gonna be the best.
NOTE Confidence: 0.98892635
00:16:47.580 --> 00:16:49.100 It doesn't matter if they're,
NOTE Confidence: 0.98892635
00:16:49.420 --> 00:16:49.920 PhD,
NOTE Confidence: 0.9698367

00:16:50.300 --> 00:16:52.380 MD, MD, PhD. I think
NOTE Confidence: 0.9698367

00:16:52.380 --> 00:16:53.900 we're agnostic as long as
NOTE Confidence: 0.9698367

00:16:53.900 --> 00:16:55.900 they're well aligned to help
NOTE Confidence: 0.9698367

00:16:55.900 --> 00:16:56.800 support you
NOTE Confidence: 0.9916236

00:16:57.180 --> 00:16:59.260 to reach your research goals
NOTE Confidence: 0.9916236

00:16:59.260 --> 00:17:01.340 and, training related goals that
NOTE Confidence: 0.9916236

00:17:01.340 --> 00:17:02.625 you have. So that's what's
NOTE Confidence: 0.9916236

00:17:02.625 --> 00:17:04.165 really, most relevant.
NOTE Confidence: 0.9960737

00:17:05.345 --> 00:17:06.545 If you have two PhD
NOTE Confidence: 0.9960737

00:17:06.545 --> 00:17:08.385 mentors, that's totally fine. There's
NOTE Confidence: 0.9960737

00:17:08.385 --> 00:17:08.885 nothing
NOTE Confidence: 0.98534477

00:17:09.825 --> 00:17:11.345 that impacts there, you know,
NOTE Confidence: 0.98534477

00:17:11.345 --> 00:17:12.865 there aren't any criteria around
NOTE Confidence: 0.98534477

00:17:12.865 --> 00:17:14.484 the phenotype per se.
NOTE Confidence: 0.9569681

00:17:15.585 --> 00:17:16.705 It is very helpful to
NOTE Confidence: 0.9569681

00:17:16.705 --> 00:17:18.310 have at least one of

NOTE Confidence: 0.9569681

00:17:18.310 --> 00:17:20.070 mentors. Your primary mentor should

NOTE Confidence: 0.9569681

00:17:20.070 --> 00:17:21.030 be at Yale, but I

NOTE Confidence: 0.9569681

00:17:21.030 --> 00:17:22.230 think it's okay to have

NOTE Confidence: 0.9569681

00:17:22.230 --> 00:17:23.910 an an external mentor for

NOTE Confidence: 0.9569681

00:17:23.910 --> 00:17:24.810 sure. And that's,

NOTE Confidence: 0.9923137

00:17:25.350 --> 00:17:26.310 again, as long as you

NOTE Confidence: 0.9923137

00:17:26.310 --> 00:17:27.590 can make really clear how

NOTE Confidence: 0.9923137

00:17:27.590 --> 00:17:29.050 the communication will be,

NOTE Confidence: 0.97596824

00:17:29.670 --> 00:17:30.730 and that,

NOTE Confidence: 0.9697718

00:17:32.325 --> 00:17:33.284 you know, the letters will

NOTE Confidence: 0.9697718

00:17:33.284 --> 00:17:34.505 reflect their commitment

NOTE Confidence: 0.76262856

00:17:34.885 --> 00:17:35.385 and,

NOTE Confidence: 0.9814197

00:17:35.764 --> 00:17:36.565 to the extent that you've

NOTE Confidence: 0.9814197

00:17:36.565 --> 00:17:37.625 worked with them previously

NOTE Confidence: 0.92183644

00:17:38.085 --> 00:17:39.605 to show about, you know,

NOTE Confidence: 0.92183644

00:17:39.605 --> 00:17:40.965 it'll be successful. That's helpful,

NOTE Confidence: 0.92183644

00:17:40.965 --> 00:17:42.264 but obviously not required.

NOTE Confidence: 0.96408695

00:17:43.924 --> 00:17:44.904 I think regarding,

NOTE Confidence: 0.94953495

00:17:45.764 --> 00:17:47.524 postdoc being involved as a

NOTE Confidence: 0.94953495

00:17:47.524 --> 00:17:48.024 mentor,

NOTE Confidence: 0.9759432

00:17:49.180 --> 00:17:50.060 I think it's okay if

NOTE Confidence: 0.9759432

00:17:50.060 --> 00:17:51.500 they're involved with your work,

NOTE Confidence: 0.9759432

00:17:51.500 --> 00:17:52.460 but I think it would

NOTE Confidence: 0.9759432

00:17:52.460 --> 00:17:53.900 be a stronger application if

NOTE Confidence: 0.9759432

00:17:53.900 --> 00:17:55.600 you have somebody, again, who's,

NOTE Confidence: 0.9993058

00:17:56.220 --> 00:17:58.080 more experienced as a primary

NOTE Confidence: 0.9993058

00:17:58.220 --> 00:17:58.720 mentor.

NOTE Confidence: 0.9885182

00:18:00.815 --> 00:18:01.934 I think that answers those

NOTE Confidence: 0.9885182

00:18:01.934 --> 00:18:03.215 questions. Christine, feel free to

NOTE Confidence: 0.9885182

00:18:03.215 --> 00:18:04.275 jump in with anything.

NOTE Confidence: 0.6801987

00:18:04.815 --> 00:18:05.315 K.

NOTE Confidence: 0.99201536
00:18:07.135 --> 00:18:08.095 And then in terms of
NOTE Confidence: 0.99201536
00:18:08.095 --> 00:18:09.554 the award notification,
NOTE Confidence: 0.96157575
00:18:11.054 --> 00:18:12.095 great. And feel free to
NOTE Confidence: 0.96157575
00:18:12.174 --> 00:18:13.535 if there's other questions around
NOTE Confidence: 0.96157575
00:18:13.535 --> 00:18:14.915 that, please let us know.
NOTE Confidence: 0.91594577
00:18:16.619 --> 00:18:17.840 The award notification
NOTE Confidence: 0.99145377
00:18:18.380 --> 00:18:20.720 that we let applicants know
NOTE Confidence: 0.98354226
00:18:21.100 --> 00:18:22.480 by the end of May,
NOTE Confidence: 0.98354226
00:18:22.540 --> 00:18:23.580 that's because we go through
NOTE Confidence: 0.98354226
00:18:23.580 --> 00:18:25.100 a whole review process and,
NOTE Confidence: 0.9843804
00:18:25.900 --> 00:18:26.780 you know, it just takes
NOTE Confidence: 0.9843804
00:18:26.780 --> 00:18:27.280 some,
NOTE Confidence: 0.9996545
00:18:27.820 --> 00:18:28.859 time to go through the
NOTE Confidence: 0.9996545
00:18:28.859 --> 00:18:29.359 logistics.
NOTE Confidence: 0.97016317
00:18:31.375 --> 00:18:32.575 The earliest start date is
NOTE Confidence: 0.97016317

00:18:32.575 --> 00:18:34.095 gonna be June first to
NOTE Confidence: 0.97016317

00:18:34.095 --> 00:18:35.135 coincide with the start of
NOTE Confidence: 0.97016317

00:18:35.135 --> 00:18:36.015 our grant year, and we
NOTE Confidence: 0.97016317

00:18:36.015 --> 00:18:37.955 can accommodate a July first
NOTE Confidence: 0.97016317

00:18:38.095 --> 00:18:39.375 start date and have some
NOTE Confidence: 0.97016317

00:18:39.375 --> 00:18:41.135 flexibility to accommodate later start
NOTE Confidence: 0.97016317

00:18:41.135 --> 00:18:42.195 dates as needed.
NOTE Confidence: 0.99084395

00:18:47.230 --> 00:18:48.690 That's all we had prepared.
NOTE Confidence: 0.99977624

00:18:49.710 --> 00:18:50.770 Give us your questions.
NOTE Confidence: 0.9816344

00:18:53.790 --> 00:18:54.990 And then as I mentioned
NOTE Confidence: 0.9816344

00:18:54.990 --> 00:18:55.490 earlier,
NOTE Confidence: 0.94815236

00:18:56.654 --> 00:18:57.934 y c c I underscore
NOTE Confidence: 0.94815236

00:18:57.934 --> 00:19:00.414 funding underscore opportunities at Yale
NOTE Confidence: 0.94815236

00:19:00.414 --> 00:19:01.715 is the email address
NOTE Confidence: 0.94316036

00:19:02.095 --> 00:19:03.294 if you have questions that
NOTE Confidence: 0.94316036

00:19:03.294 --> 00:19:04.494 come up later while you're

NOTE Confidence: 0.94316036
00:19:04.494 --> 00:19:05.634 preparing your application.
NOTE Confidence: 0.93031377
00:19:08.419 --> 00:19:10.260 And we'll, you know, certainly
NOTE Confidence: 0.93031377
00:19:10.260 --> 00:19:11.640 address them for you.
NOTE Confidence: 0.94079876
00:19:14.020 --> 00:19:15.619 Nicole and Sofia, I see
NOTE Confidence: 0.94079876
00:19:15.619 --> 00:19:16.679 you had questions about
NOTE Confidence: 0.99952686
00:19:17.460 --> 00:19:19.240 mentorship. Does that answer
NOTE Confidence: 0.99363124
00:19:19.619 --> 00:19:21.080 everything for you clearly?
NOTE Confidence: 0.9880322
00:19:22.365 --> 00:19:23.165 I I do have kind
NOTE Confidence: 0.9880322
00:19:23.165 --> 00:19:24.525 of an additional question. I
NOTE Confidence: 0.9880322
00:19:24.525 --> 00:19:25.165 was gonna type it out,
NOTE Confidence: 0.9880322
00:19:25.165 --> 00:19:25.885 but this is probably just
NOTE Confidence: 0.9880322
00:19:25.885 --> 00:19:26.385 easier.
NOTE Confidence: 0.693475
00:19:28.925 --> 00:19:30.065 How disparate
NOTE Confidence: 0.9945028
00:19:30.685 --> 00:19:31.825 do the multidisciplinary
NOTE Confidence: 0.97975826
00:19:32.455 --> 00:19:32.955 like,
NOTE Confidence: 0.93172896

00:19:34.140 --> 00:19:35.580 how, like, how desperate is
NOTE Confidence: 0.93172896

00:19:35.580 --> 00:19:36.619 it preferred? Because I guess,
NOTE Confidence: 0.93172896

00:19:36.619 --> 00:19:37.900 like, I have one mentor
NOTE Confidence: 0.93172896

00:19:37.900 --> 00:19:38.700 in the school of medicine
NOTE Confidence: 0.93172896

00:19:38.700 --> 00:19:39.740 and one school in the
NOTE Confidence: 0.93172896

00:19:39.740 --> 00:19:41.420 school of public health. But
NOTE Confidence: 0.93172896

00:19:41.420 --> 00:19:42.700 those are both, like, health
NOTE Confidence: 0.93172896

00:19:42.700 --> 00:19:44.380 centric fields, and I I
NOTE Confidence: 0.93172896

00:19:44.380 --> 00:19:45.340 wanna make sure that I'm
NOTE Confidence: 0.93172896

00:19:45.340 --> 00:19:46.560 doing enough, like, multidisciplinary.
NOTE Confidence: 0.99164104

00:19:48.215 --> 00:19:49.494 Yeah. I think that's a
NOTE Confidence: 0.99164104

00:19:49.494 --> 00:19:50.935 great question. I think that
NOTE Confidence: 0.99164104

00:19:50.935 --> 00:19:52.775 is not an uncommon structure
NOTE Confidence: 0.99164104

00:19:52.775 --> 00:19:53.835 that people have.
NOTE Confidence: 0.96156126

00:19:54.615 --> 00:19:55.335 So I think that would
NOTE Confidence: 0.96156126

00:19:55.335 --> 00:19:56.075 be totally

NOTE Confidence: 0.9953965
00:19:56.375 --> 00:19:56.875 acceptable.
NOTE Confidence: 0.98162144
00:19:57.415 --> 00:19:58.775 And, again, the key will
NOTE Confidence: 0.98162144
00:19:58.775 --> 00:19:59.275 be
NOTE Confidence: 0.9971142
00:19:59.815 --> 00:20:01.175 making sure that it's aligned
NOTE Confidence: 0.9971142
00:20:01.175 --> 00:20:02.670 with the project and the
NOTE Confidence: 0.9971142
00:20:02.750 --> 00:20:03.869 training that you need to
NOTE Confidence: 0.9971142
00:20:03.869 --> 00:20:04.930 get the work done.
NOTE Confidence: 0.9920748
00:20:05.630 --> 00:20:06.750 But that sounds like it
NOTE Confidence: 0.9920748
00:20:06.750 --> 00:20:08.670 would hit our metrics for
NOTE Confidence: 0.9920748
00:20:08.670 --> 00:20:09.970 what we're looking for multidisciplinary
NOTE Confidence: 0.99972963
00:20:10.510 --> 00:20:11.010 mentorship.
NOTE Confidence: 0.9995474
00:20:11.950 --> 00:20:12.850 Great. Thank you.
NOTE Confidence: 0.9994668
00:20:14.845 --> 00:20:15.665 Of course.
NOTE Confidence: 0.9985492
00:20:19.085 --> 00:20:19.585 Hi.
NOTE Confidence: 0.9928084
00:20:19.965 --> 00:20:21.185 Hi, Maria. Hello.
NOTE Confidence: 0.99269867

00:20:22.365 --> 00:20:23.165 Thank you for all of
NOTE Confidence: 0.99269867

00:20:23.165 --> 00:20:23.985 the information.
NOTE Confidence: 0.99415684

00:20:24.365 --> 00:20:25.645 I had a question on
NOTE Confidence: 0.99415684

00:20:25.645 --> 00:20:27.185 the applicant biosketch.
NOTE Confidence: 0.99889725

00:20:27.965 --> 00:20:29.105 I know that for
NOTE Confidence: 0.8588553

00:20:29.530 --> 00:20:30.570 the spring, the,
NOTE Confidence: 0.9452103

00:20:31.770 --> 00:20:33.630 the grade section is not,
NOTE Confidence: 0.9946325

00:20:34.250 --> 00:20:35.530 I guess, included anymore as
NOTE Confidence: 0.9946325

00:20:35.530 --> 00:20:36.350 part of, like,
NOTE Confidence: 0.9890863

00:20:36.650 --> 00:20:38.350 the NIH fellowship applications.
NOTE Confidence: 0.9993857

00:20:38.809 --> 00:20:40.010 I was wondering if we
NOTE Confidence: 0.9993857

00:20:40.010 --> 00:20:42.190 should still include the grades
NOTE Confidence: 0.9976322

00:20:42.490 --> 00:20:43.690 as, like, the last part
NOTE Confidence: 0.9976322

00:20:43.690 --> 00:20:44.355 of the bio
NOTE Confidence: 0.89246327

00:20:45.395 --> 00:20:47.015 sketch, if yeah.
NOTE Confidence: 0.9557514

00:20:49.155 --> 00:20:50.755 That's a good question. Traditionally,

NOTE Confidence: 0.9557514
00:20:50.755 --> 00:20:52.054 we have followed the NIH
NOTE Confidence: 0.9557514
00:20:52.275 --> 00:20:54.215 instructions and use the same
NOTE Confidence: 0.9595806
00:20:54.515 --> 00:20:56.035 guidance. So I imagine we'll
NOTE Confidence: 0.9595806
00:20:56.035 --> 00:20:56.855 do the same.
NOTE Confidence: 0.9991106
00:20:58.470 --> 00:20:58.970 Okay.
NOTE Confidence: 0.94243747
00:21:00.310 --> 00:21:01.350 Thank you. And if the,
NOTE Confidence: 0.97486514
00:21:02.150 --> 00:21:03.670 it if it's updated for
NOTE Confidence: 0.97486514
00:21:03.670 --> 00:21:04.170 this,
NOTE Confidence: 0.9397957
00:21:05.030 --> 00:21:06.390 spring kind of just still
NOTE Confidence: 0.9397957
00:21:06.390 --> 00:21:07.210 stick with
NOTE Confidence: 0.9896141
00:21:08.070 --> 00:21:08.790 stick with,
NOTE Confidence: 0.9993271
00:21:09.350 --> 00:21:10.150 including the
NOTE Confidence: 0.9082006
00:21:10.950 --> 00:21:12.545 or I guess sorry, including
NOTE Confidence: 0.9082006
00:21:12.545 --> 00:21:13.365 the grades.
NOTE Confidence: 0.87609977
00:21:13.905 --> 00:21:15.365 I think that the new
NOTE Confidence: 0.9859478

00:21:16.065 --> 00:21:17.585 biosketch thing doesn't take effect

NOTE Confidence: 0.9859478

00:21:17.585 --> 00:21:19.744 until May twenty Yeah. Twenty

NOTE Confidence: 0.9859478

00:21:19.744 --> 00:21:21.505 fifth. Yeah. I wanna say

NOTE Confidence: 0.9859478

00:21:21.505 --> 00:21:22.244 it's May.

NOTE Confidence: 0.99431086

00:21:24.225 --> 00:21:25.684 I know the the current

NOTE Confidence: 0.8382336

00:21:27.050 --> 00:21:27.550 biosketch,

NOTE Confidence: 0.91997164

00:21:28.890 --> 00:21:30.590 I believe, is good until

NOTE Confidence: 0.91997164

00:21:30.730 --> 00:21:32.270 January twenty six.

NOTE Confidence: 0.982368

00:21:33.450 --> 00:21:34.650 But I can I can

NOTE Confidence: 0.982368

00:21:34.650 --> 00:21:35.790 look into it?

NOTE Confidence: 0.87072563

00:21:36.490 --> 00:21:37.950 Again, I know SciENCv

NOTE Confidence: 0.9400408

00:21:38.570 --> 00:21:39.310 is what,

NOTE Confidence: 0.9989624

00:21:40.170 --> 00:21:40.910 they want

NOTE Confidence: 0.9990714

00:21:42.865 --> 00:21:44.085 faculty to use

NOTE Confidence: 0.9734302

00:21:44.865 --> 00:21:45.825 as of I think it's

NOTE Confidence: 0.9734302

00:21:45.825 --> 00:21:47.045 as of May something.

NOTE Confidence: 0.9853119

00:21:47.825 --> 00:21:48.945 Okay. But I'm not sure

NOTE Confidence: 0.9853119

00:21:48.945 --> 00:21:50.945 if that's also for the

NOTE Confidence: 0.9853119

00:21:50.945 --> 00:21:52.625 fellowship level. So I can

NOTE Confidence: 0.9853119

00:21:52.625 --> 00:21:53.605 look into that.

NOTE Confidence: 0.9995497

00:21:54.145 --> 00:21:54.645 Okay.

NOTE Confidence: 0.98931944

00:21:54.945 --> 00:21:55.765 Thank you.

NOTE Confidence: 0.99618644

00:21:58.350 --> 00:21:59.630 Thanks, Maria, for bringing that

NOTE Confidence: 0.99618644

00:21:59.630 --> 00:22:00.130 up.

NOTE Confidence: 0.99154496

00:22:11.805 --> 00:22:13.085 Any other questions we can

NOTE Confidence: 0.99154496

00:22:13.085 --> 00:22:13.585 answer?

NOTE Confidence: 0.9610246

00:22:23.180 --> 00:22:24.540 Great. Well, thank you all

NOTE Confidence: 0.9610246

00:22:24.540 --> 00:22:26.460 for your interest. Thanks for

NOTE Confidence: 0.9610246

00:22:26.460 --> 00:22:28.060 signing in. We're available to

NOTE Confidence: 0.9610246

00:22:28.060 --> 00:22:29.180 answer any questions at comp

NOTE Confidence: 0.9610246

00:22:29.180 --> 00:22:30.300 and follow-up. We'll loop back

NOTE Confidence: 0.9610246

00:22:30.300 --> 00:22:31.840 about this BioSketch question

NOTE Confidence: 0.964751

00:22:32.540 --> 00:22:33.820 and, look forward to your

NOTE Confidence: 0.964751

00:22:33.820 --> 00:22:34.320 applications.

NOTE Confidence: 0.99979603

00:22:35.340 --> 00:22:36.160 Stay warm.

NOTE Confidence: 0.8481236

00:22:38.489 --> 00:22:39.929 Thanks, everybody. Thank you. Thank

NOTE Confidence: 0.8481236

00:22:39.929 --> 00:22:40.429 you.
