

WEBVTT

NOTE duration: "00:56:03.669"

NOTE Confidence: 0.92433083

00:00:01.920 --> 00:00:04.240 Right. Luis is here. We

NOTE Confidence: 0.92433083

00:00:04.240 --> 00:00:05.540 are ready to roll.

NOTE Confidence: 0.956121

00:00:06.960 --> 00:00:08.160 I'm so I'm so sorry.

NOTE Confidence: 0.956121

00:00:08.160 --> 00:00:09.300 Can you hear me now?

NOTE Confidence: 0.956121

00:00:09.519 --> 00:00:10.900 I can. Welcome.

NOTE Confidence: 0.88955057

00:00:11.440 --> 00:00:13.219 So much for your patience.

NOTE Confidence: 0.996977

00:00:14.240 --> 00:00:15.380 Thank you so much.

NOTE Confidence: 0.9923156

00:00:16.364 --> 00:00:17.245 Okay. Why don't we go

NOTE Confidence: 0.9923156

00:00:17.245 --> 00:00:18.545 ahead and get started?

NOTE Confidence: 0.9581702

00:00:19.085 --> 00:00:20.385 Very excited to,

NOTE Confidence: 0.8614603

00:00:21.805 --> 00:00:23.905 restart our Empower You,

NOTE Confidence: 0.95468926

00:00:24.605 --> 00:00:26.625 training series focused on,

NOTE Confidence: 0.9846302

00:00:27.404 --> 00:00:29.585 early stage investigators or investigators

NOTE Confidence: 0.9846302

00:00:29.805 --> 00:00:30.845 who are moving over to

NOTE Confidence: 0.9846302

00:00:30.845 --> 00:00:32.340 the fields of opioid use
NOTE Confidence: 0.9846302
00:00:32.340 --> 00:00:33.400 disorder and,
NOTE Confidence: 0.9962294
00:00:34.020 --> 00:00:34.920 chronic pain.
NOTE Confidence: 0.9362361
00:00:35.860 --> 00:00:37.780 We're lucky today to have,
NOTE Confidence: 0.9362361
00:00:38.100 --> 00:00:40.500 doctor Kimberly Su, who's an
NOTE Confidence: 0.9362361
00:00:40.500 --> 00:00:41.560 assistant professor
NOTE Confidence: 0.9578886
00:00:42.260 --> 00:00:43.240 here at Yale,
NOTE Confidence: 0.98712873
00:00:45.395 --> 00:00:45.895 and,
NOTE Confidence: 0.90415287
00:00:46.595 --> 00:00:48.454 doc and Louise Vincent,
NOTE Confidence: 0.97917175
00:00:49.155 --> 00:00:50.135 who is,
NOTE Confidence: 0.99004024
00:00:50.754 --> 00:00:52.034 has a master's in public
NOTE Confidence: 0.99004024
00:00:52.034 --> 00:00:52.534 health
NOTE Confidence: 0.8721346
00:00:53.075 --> 00:00:53.575 and,
NOTE Confidence: 0.9451254
00:00:54.675 --> 00:00:56.614 works as the, the,
NOTE Confidence: 0.9232868
00:00:56.915 --> 00:00:58.910 executive director of the North
NOTE Confidence: 0.9232868
00:00:58.910 --> 00:01:00.450 Carolina Survivors Union

NOTE Confidence: 0.9751978
00:01:00.830 --> 00:01:01.710 and a member of the
NOTE Confidence: 0.9751978
00:01:01.710 --> 00:01:02.850 National Survivors
NOTE Confidence: 0.9300923
00:01:03.150 --> 00:01:05.090 Union leadership team.
NOTE Confidence: 0.94969475
00:01:05.790 --> 00:01:07.550 And the topic for today's
NOTE Confidence: 0.94969475
00:01:07.550 --> 00:01:09.810 talk will be integrative management
NOTE Confidence: 0.9959776
00:01:10.325 --> 00:01:12.005 of chronic pain and opioid
NOTE Confidence: 0.9959776
00:01:12.005 --> 00:01:12.745 use disorder
NOTE Confidence: 0.979003
00:01:13.045 --> 00:01:14.105 for whole recovery
NOTE Confidence: 0.6961124
00:01:14.565 --> 00:01:15.305 in organizations
NOTE Confidence: 0.76148146
00:01:15.685 --> 00:01:16.905 united research center.
NOTE Confidence: 0.90993136
00:01:19.765 --> 00:01:22.245 Community engaged research, exploring research
NOTE Confidence: 0.90993136
00:01:22.245 --> 00:01:22.745 possibilities
NOTE Confidence: 0.9504024
00:01:23.285 --> 00:01:24.725 in opioid use disorder and
NOTE Confidence: 0.9504024
00:01:24.725 --> 00:01:26.930 chronic pain using Xylazine as
NOTE Confidence: 0.9504024
00:01:26.930 --> 00:01:27.750 a case study.
NOTE Confidence: 0.9505749

00:01:28.290 --> 00:01:29.830 Thank you, doctor Hsu.
NOTE Confidence: 0.9334222

00:01:30.610 --> 00:01:32.050 Thank you so much, David.
NOTE Confidence: 0.9334222

00:01:32.290 --> 00:01:33.590 And thanks to the Empower
NOTE Confidence: 0.66638553

00:01:34.290 --> 00:01:35.110 You group.
NOTE Confidence: 0.9992986

00:01:36.770 --> 00:01:37.510 I am
NOTE Confidence: 0.9994746

00:01:39.165 --> 00:01:40.145 going to
NOTE Confidence: 0.90736777

00:01:41.645 --> 00:01:42.625 get started,
NOTE Confidence: 0.93846196

00:01:43.565 --> 00:01:45.805 and Louise is here. And
NOTE Confidence: 0.93846196

00:01:45.805 --> 00:01:47.665 we hope okay. I'm
NOTE Confidence: 0.93374646

00:01:48.525 --> 00:01:50.445 not sure. Can is everyone
NOTE Confidence: 0.93374646

00:01:50.445 --> 00:01:51.725 okay? I can start if
NOTE Confidence: 0.93374646

00:01:51.725 --> 00:01:53.220 you want me to. It's
NOTE Confidence: 0.93374646

00:01:53.220 --> 00:01:54.420 up to you. I just
NOTE Confidence: 0.93374646

00:01:54.420 --> 00:01:56.180 didn't know. I just didn't
NOTE Confidence: 0.93374646

00:01:56.180 --> 00:01:58.040 know. I was just confused.
NOTE Confidence: 0.93374646

00:01:58.220 --> 00:01:59.399 Why don't

NOTE Confidence: 0.80197287
00:01:59.860 --> 00:02:01.399 I, kick off the
NOTE Confidence: 0.9490626
00:02:02.020 --> 00:02:03.140 slides, and then I'll I'll
NOTE Confidence: 0.9490626
00:02:03.140 --> 00:02:04.259 let you get in Kick
NOTE Confidence: 0.9490626
00:02:04.259 --> 00:02:05.420 it over? Okay. That's great.
NOTE Confidence: 0.9490626
00:02:05.539 --> 00:02:06.420 That are that are for
NOTE Confidence: 0.9490626
00:02:06.580 --> 00:02:07.785 that are your that are
NOTE Confidence: 0.9490626
00:02:07.865 --> 00:02:09.625 that are your domain of
NOTE Confidence: 0.9490626
00:02:09.625 --> 00:02:10.125 expertise.
NOTE Confidence: 0.9357171
00:02:10.985 --> 00:02:12.105 Got you. I'm feeling good
NOTE Confidence: 0.9357171
00:02:12.105 --> 00:02:12.985 now. It just took me
NOTE Confidence: 0.9357171
00:02:12.985 --> 00:02:13.945 a second to sit here.
NOTE Confidence: 0.9357171
00:02:13.945 --> 00:02:14.625 It's combobulated.
NOTE Confidence: 0.88146615
00:02:15.065 --> 00:02:16.985 You doing? Alright. Yeah. So
NOTE Confidence: 0.88146615
00:02:16.985 --> 00:02:18.425 the background I hope that
NOTE Confidence: 0.88146615
00:02:18.425 --> 00:02:18.925 this
NOTE Confidence: 0.9953463

00:02:19.305 --> 00:02:20.285 talk is,
NOTE Confidence: 0.97354347

00:02:21.690 --> 00:02:24.190 you know, real conversation starter
NOTE Confidence: 0.97354347

00:02:24.330 --> 00:02:25.870 for a lot of us.
NOTE Confidence: 0.9663272

00:02:26.170 --> 00:02:27.130 All of us are still
NOTE Confidence: 0.9663272

00:02:27.130 --> 00:02:27.630 learning,
NOTE Confidence: 0.9923623

00:02:28.490 --> 00:02:29.850 as we as we,
NOTE Confidence: 0.9860261

00:02:30.170 --> 00:02:31.710 as we seek to do
NOTE Confidence: 0.9860261

00:02:31.930 --> 00:02:34.190 more community engaged research. And
NOTE Confidence: 0.9892141

00:02:34.665 --> 00:02:34.905 so,
NOTE Confidence: 0.98193306

00:02:35.625 --> 00:02:36.825 Louise and I have been
NOTE Confidence: 0.98193306

00:02:36.825 --> 00:02:37.565 in conversation
NOTE Confidence: 0.9681584

00:02:37.865 --> 00:02:39.465 about these issues for many
NOTE Confidence: 0.9681584

00:02:39.465 --> 00:02:39.965 years,
NOTE Confidence: 0.88231593

00:02:40.985 --> 00:02:42.264 and, you know, I I
NOTE Confidence: 0.88231593

00:02:42.264 --> 00:02:43.645 so value her expertise,
NOTE Confidence: 0.85411483

00:02:45.225 --> 00:02:46.445 as sort of as a,

NOTE Confidence: 0.997537
00:02:46.985 --> 00:02:47.485 collaborator
NOTE Confidence: 0.99592733
00:02:47.945 --> 00:02:48.685 and instigator
NOTE Confidence: 0.99580413
00:02:48.985 --> 00:02:49.485 of
NOTE Confidence: 0.9876092
00:02:50.280 --> 00:02:52.219 of activism and also research.
NOTE Confidence: 0.9876092
00:02:52.439 --> 00:02:52.939 So,
NOTE Confidence: 0.9987319
00:02:53.799 --> 00:02:54.859 we'll get started.
NOTE Confidence: 0.9580844
00:02:55.799 --> 00:02:57.340 Here are some learning objectives.
NOTE Confidence: 0.9582144
00:02:58.120 --> 00:02:59.560 So, you know, we'll review
NOTE Confidence: 0.9582144
00:02:59.560 --> 00:03:01.400 the principles of community engaged
NOTE Confidence: 0.9582144
00:03:01.400 --> 00:03:03.319 research. But more importantly, I
NOTE Confidence: 0.9582144
00:03:03.319 --> 00:03:03.819 think
NOTE Confidence: 0.9931445
00:03:04.145 --> 00:03:05.264 thinking through this,
NOTE Confidence: 0.98314625
00:03:05.745 --> 00:03:07.025 in regards to substance use
NOTE Confidence: 0.98314625
00:03:07.025 --> 00:03:08.325 and or chronic pain,
NOTE Confidence: 0.948708
00:03:08.945 --> 00:03:10.385 based on the expertise of
NOTE Confidence: 0.948708

00:03:10.385 --> 00:03:11.585 people with lived and living
NOTE Confidence: 0.948708

00:03:11.585 --> 00:03:12.085 experience,
NOTE Confidence: 0.97826755

00:03:13.105 --> 00:03:14.145 lived and living experience of
NOTE Confidence: 0.97826755

00:03:14.145 --> 00:03:15.764 chronic pain and substance use.
NOTE Confidence: 0.96283007

00:03:17.130 --> 00:03:18.830 So, a couple definitions
NOTE Confidence: 0.9404295

00:03:19.130 --> 00:03:20.349 of community engaged,
NOTE Confidence: 0.9755269

00:03:21.130 --> 00:03:22.989 research. So one from Yale,
NOTE Confidence: 0.9881733

00:03:23.450 --> 00:03:24.569 our our home,
NOTE Confidence: 0.94762605

00:03:25.050 --> 00:03:26.889 our home center, the ERIC
NOTE Confidence: 0.94762605

00:03:26.889 --> 00:03:28.410 Center, the Equity Research and
NOTE Confidence: 0.94762605

00:03:28.410 --> 00:03:30.989 Innovation Center. So community engaged
NOTE Confidence: 0.94762605

00:03:31.050 --> 00:03:31.550 research
NOTE Confidence: 0.9944472

00:03:32.385 --> 00:03:34.005 is a process that incorporates
NOTE Confidence: 0.9944472

00:03:34.065 --> 00:03:35.585 input from people whom the
NOTE Confidence: 0.9944472

00:03:35.585 --> 00:03:37.505 research outcomes will impact and
NOTE Confidence: 0.9944472

00:03:37.505 --> 00:03:38.945 involve such people or groups

NOTE Confidence: 0.9944472

00:03:38.945 --> 00:03:40.385 as equal partners throughout the

NOTE Confidence: 0.9944472

00:03:40.385 --> 00:03:41.365 research process.

NOTE Confidence: 0.9667538

00:03:41.985 --> 00:03:43.665 So this involvement may include

NOTE Confidence: 0.9667538

00:03:43.665 --> 00:03:45.745 co designing research questions to

NOTE Confidence: 0.9667538

00:03:45.745 --> 00:03:48.260 solve problems, making decisions, influencing

NOTE Confidence: 0.9667538

00:03:48.400 --> 00:03:48.900 policies,

NOTE Confidence: 0.99888813

00:03:49.440 --> 00:03:51.300 and creating programs and interventions

NOTE Confidence: 0.9995456

00:03:51.920 --> 00:03:53.040 that might affect their own

NOTE Confidence: 0.9995456

00:03:53.040 --> 00:03:53.540 lives.

NOTE Confidence: 0.99823904

00:03:54.720 --> 00:03:55.220 So,

NOTE Confidence: 0.9863737

00:03:55.920 --> 00:03:57.040 you know, there's also one

NOTE Confidence: 0.9863737

00:03:57.040 --> 00:03:58.000 that we put up from,

NOTE Confidence: 0.9863737

00:03:58.325 --> 00:04:00.565 the CDC. So community engagement

NOTE Confidence: 0.9863737

00:04:00.565 --> 00:04:02.504 often involves partnerships and coalitions

NOTE Confidence: 0.9863737

00:04:02.565 --> 00:04:04.185 that help mobilize resources

NOTE Confidence: 0.99069136

00:04:04.805 --> 00:04:06.025 and influence systems,
NOTE Confidence: 0.94459146

00:04:06.405 --> 00:04:08.405 change relationships among partners, and
NOTE Confidence: 0.94459146

00:04:08.405 --> 00:04:10.105 serve as catalyst for changing
NOTE Confidence: 0.94459146

00:04:10.245 --> 00:04:12.185 policies, programs, and practices.
NOTE Confidence: 0.8910661

00:04:15.750 --> 00:04:16.250 So,
NOTE Confidence: 0.51031137

00:04:17.350 --> 00:04:17.850 within
NOTE Confidence: 0.9702936

00:04:18.390 --> 00:04:20.650 the the spectrum of community
NOTE Confidence: 0.9702936

00:04:20.710 --> 00:04:22.490 engaged research is CBPR,
NOTE Confidence: 0.7145593

00:04:23.430 --> 00:04:24.170 and Louise
NOTE Confidence: 0.95297015

00:04:24.550 --> 00:04:25.750 has written a paper where,
NOTE Confidence: 0.95297015

00:04:25.750 --> 00:04:27.190 you know, she's criticized this
NOTE Confidence: 0.95297015

00:04:27.190 --> 00:04:28.815 approach, so we'll go into
NOTE Confidence: 0.95297015

00:04:28.815 --> 00:04:29.315 that.
NOTE Confidence: 0.9989616

00:04:29.695 --> 00:04:31.075 But, you know, the particular
NOTE Confidence: 0.9989616

00:04:31.295 --> 00:04:31.795 idea,
NOTE Confidence: 0.9770632

00:04:32.495 --> 00:04:34.495 you know, of CBPR is

NOTE Confidence: 0.9770632
00:04:34.495 --> 00:04:36.035 that there's equitable partnerships,
NOTE Confidence: 0.91681415
00:04:38.255 --> 00:04:40.115 you know, this collaborative design,
NOTE Confidence: 0.94533527
00:04:40.575 --> 00:04:42.255 that people of all,
NOTE Confidence: 0.93059427
00:04:43.600 --> 00:04:45.220 can participate on the issue,
NOTE Confidence: 0.9361562
00:04:46.160 --> 00:04:47.520 you know, throughout the entire
NOTE Confidence: 0.9361562
00:04:47.520 --> 00:04:48.020 process
NOTE Confidence: 0.9663921
00:04:48.640 --> 00:04:49.840 in all aspects of the
NOTE Confidence: 0.9663921
00:04:49.840 --> 00:04:50.340 research.
NOTE Confidence: 0.99262744
00:04:51.200 --> 00:04:52.640 However, you know,
NOTE Confidence: 0.9361862
00:04:53.279 --> 00:04:54.560 we all should read Louise's
NOTE Confidence: 0.9361862
00:04:54.560 --> 00:04:55.920 paper, and and she'll probably
NOTE Confidence: 0.9361862
00:04:55.920 --> 00:04:56.960 talk about the method of
NOTE Confidence: 0.9361862
00:04:56.960 --> 00:04:57.460 manifesto
NOTE Confidence: 0.9811991
00:04:58.000 --> 00:04:58.904 in a little bit,
NOTE Confidence: 0.978381
00:04:59.705 --> 00:05:01.165 in which, you know, CBPR,
NOTE Confidence: 0.9632659

00:05:02.505 --> 00:05:03.165 you know,
NOTE Confidence: 0.9329262

00:05:03.945 --> 00:05:05.065 some people with lived and
NOTE Confidence: 0.9329262

00:05:05.065 --> 00:05:07.565 living experience have criticized CBPR
NOTE Confidence: 0.9329262

00:05:07.625 --> 00:05:08.605 as being too,
NOTE Confidence: 0.96784765

00:05:09.785 --> 00:05:11.565 still too difficult for,
NOTE Confidence: 0.99995315

00:05:12.169 --> 00:05:13.550 people on the ground
NOTE Confidence: 0.9813963

00:05:13.850 --> 00:05:15.290 and still not inclusive enough
NOTE Confidence: 0.9813963

00:05:15.290 --> 00:05:15.870 of them.
NOTE Confidence: 0.9870005

00:05:16.889 --> 00:05:18.350 So I like this,
NOTE Confidence: 0.9997825

00:05:19.050 --> 00:05:20.190 I like this continuum
NOTE Confidence: 0.9843574

00:05:20.729 --> 00:05:21.870 of community engagement,
NOTE Confidence: 0.98475003

00:05:22.490 --> 00:05:23.690 that we use at the
NOTE Confidence: 0.98475003

00:05:23.690 --> 00:05:24.190 NCSP,
NOTE Confidence: 0.98404944

00:05:25.595 --> 00:05:27.055 and really thinking about,
NOTE Confidence: 0.98751044

00:05:28.395 --> 00:05:29.595 you know, when you're designing
NOTE Confidence: 0.98751044

00:05:29.595 --> 00:05:30.875 a study or thinking about

NOTE Confidence: 0.98751044
00:05:30.875 --> 00:05:31.375 research,
NOTE Confidence: 0.995733
00:05:31.835 --> 00:05:33.195 you can go from zero
NOTE Confidence: 0.995733
00:05:33.195 --> 00:05:34.714 community involvement all the way
NOTE Confidence: 0.995733
00:05:34.714 --> 00:05:36.235 to community driven and led
NOTE Confidence: 0.995733
00:05:36.235 --> 00:05:37.055 by the community.
NOTE Confidence: 0.9523411
00:05:38.610 --> 00:05:39.810 You know, there's all these
NOTE Confidence: 0.9523411
00:05:39.810 --> 00:05:40.310 different
NOTE Confidence: 0.90520734
00:05:41.330 --> 00:05:42.449 levels, and all of these
NOTE Confidence: 0.90520734
00:05:42.449 --> 00:05:43.270 can include,
NOTE Confidence: 0.9910986
00:05:44.130 --> 00:05:45.669 some form of community engagement.
NOTE Confidence: 0.9719608
00:05:46.690 --> 00:05:47.810 And certain times that you're
NOTE Confidence: 0.9719608
00:05:47.810 --> 00:05:48.870 doing a a study,
NOTE Confidence: 0.981123
00:05:49.875 --> 00:05:50.775 you know, community
NOTE Confidence: 0.9774956
00:05:51.395 --> 00:05:52.675 driven might not be the
NOTE Confidence: 0.9774956
00:05:52.675 --> 00:05:53.955 right approach. You know, trying
NOTE Confidence: 0.9774956

00:05:53.955 --> 00:05:54.855 to think through,
NOTE Confidence: 0.9939839

00:05:55.235 --> 00:05:56.355 you know, which is the
NOTE Confidence: 0.9939839

00:05:56.355 --> 00:05:57.795 right approach, you know, and
NOTE Confidence: 0.9939839

00:05:57.795 --> 00:05:59.695 and knowing and understanding, you
NOTE Confidence: 0.9939839

00:05:59.714 --> 00:06:00.855 know, what that entails
NOTE Confidence: 0.3956146

00:06:02.195 --> 00:06:02.695 and
NOTE Confidence: 0.944118

00:06:03.389 --> 00:06:03.889 and,
NOTE Confidence: 0.9571751

00:06:04.350 --> 00:06:05.790 and thinking through with your
NOTE Confidence: 0.9571751

00:06:05.790 --> 00:06:07.389 community, you know, like, do
NOTE Confidence: 0.9571751

00:06:07.389 --> 00:06:08.270 they have you have the
NOTE Confidence: 0.9571751

00:06:08.270 --> 00:06:09.970 bandwidth to to take on
NOTE Confidence: 0.9571751

00:06:10.029 --> 00:06:11.389 that much leadership in this
NOTE Confidence: 0.9571751

00:06:11.389 --> 00:06:12.910 research project or they wanna
NOTE Confidence: 0.9571751

00:06:12.910 --> 00:06:14.430 do you know, where do
NOTE Confidence: 0.9571751

00:06:14.430 --> 00:06:15.150 they want to
NOTE Confidence: 0.944399

00:06:16.345 --> 00:06:17.705 where do they really have

NOTE Confidence: 0.944399
00:06:17.705 --> 00:06:19.065 the time and and bandwidth
NOTE Confidence: 0.944399
00:06:19.065 --> 00:06:19.885 to be engaged?
NOTE Confidence: 0.9635343
00:06:20.665 --> 00:06:21.625 Maybe it is on this
NOTE Confidence: 0.9635343
00:06:21.625 --> 00:06:22.825 project. Maybe it's on an
NOTE Confidence: 0.9635343
00:06:22.985 --> 00:06:24.345 maybe they're they're actually not
NOTE Confidence: 0.9635343
00:06:24.345 --> 00:06:25.705 that interested in this question,
NOTE Confidence: 0.9635343
00:06:25.705 --> 00:06:27.464 and they actually want, you
NOTE Confidence: 0.9635343
00:06:27.464 --> 00:06:28.685 know, this this,
NOTE Confidence: 0.958792
00:06:29.629 --> 00:06:30.449 you know, this research on
NOTE Confidence: 0.958792
00:06:30.669 --> 00:06:32.509 methadone, not Xylazine or, you
NOTE Confidence: 0.958792
00:06:32.509 --> 00:06:34.110 know, or on pain or
NOTE Confidence: 0.958792
00:06:34.110 --> 00:06:35.310 on overdose. You know? So,
NOTE Confidence: 0.958792
00:06:35.310 --> 00:06:37.169 like, with the the bandwidth
NOTE Confidence: 0.958792
00:06:37.229 --> 00:06:39.069 of our community members thinking
NOTE Confidence: 0.958792
00:06:39.069 --> 00:06:40.129 through this continuum,
NOTE Confidence: 0.9258494

00:06:40.909 --> 00:06:41.870 it's it's not you know,
NOTE Confidence: 0.9258494

00:06:41.870 --> 00:06:43.250 more is not always better
NOTE Confidence: 0.9258494

00:06:43.305 --> 00:06:43.805 necessarily
NOTE Confidence: 0.8431331

00:06:45.145 --> 00:06:46.065 and thinking thinking thoughtfully through
NOTE Confidence: 0.8431331

00:06:46.065 --> 00:06:47.464 each research study that you're
NOTE Confidence: 0.8431331

00:06:47.464 --> 00:06:48.925 you're thinking about crafting.
NOTE Confidence: 0.8995682

00:06:49.225 --> 00:06:51.017 And all of these,
NOTE Confidence: 0.9483024

00:06:51.464 --> 00:06:52.685 sort of equity indicators,
NOTE Confidence: 0.9672991

00:06:53.305 --> 00:06:55.305 power and control, decision making,
NOTE Confidence: 0.9672991

00:06:55.305 --> 00:06:56.525 ownership of data,
NOTE Confidence: 0.9996085

00:06:57.370 --> 00:06:57.870 responsibility,
NOTE Confidence: 0.96576357

00:06:58.570 --> 00:07:01.210 money, resource sharing, influence, mutual
NOTE Confidence: 0.96576357

00:07:01.210 --> 00:07:01.710 benefit.
NOTE Confidence: 0.99345034

00:07:02.010 --> 00:07:03.390 All of these are,
NOTE Confidence: 0.94308496

00:07:03.930 --> 00:07:05.290 at play in all of
NOTE Confidence: 0.94308496

00:07:05.370 --> 00:07:07.450 across this continuum, whether you

NOTE Confidence: 0.94308496
00:07:07.450 --> 00:07:07.950 think,
NOTE Confidence: 0.99922776
00:07:08.490 --> 00:07:09.610 you're thinking through them or
NOTE Confidence: 0.99922776
00:07:09.610 --> 00:07:10.110 not.
NOTE Confidence: 0.7934978
00:07:10.490 --> 00:07:10.730 So,
NOTE Confidence: 0.99222213
00:07:12.325 --> 00:07:13.925 then the additional context is
NOTE Confidence: 0.99222213
00:07:13.925 --> 00:07:16.405 history, trust, relationship building, respect,
NOTE Confidence: 0.99222213
00:07:16.405 --> 00:07:17.065 and transparency.
NOTE Confidence: 0.9601087
00:07:17.925 --> 00:07:18.985 So I think, Louise,
NOTE Confidence: 0.99901164
00:07:19.445 --> 00:07:20.185 I'm gonna
NOTE Confidence: 0.9277151
00:07:21.685 --> 00:07:23.065 turn it over to you.
NOTE Confidence: 0.88689196
00:07:23.845 --> 00:07:24.325 This is,
NOTE Confidence: 0.97197765
00:07:25.080 --> 00:07:26.440 this is your article. We
NOTE Confidence: 0.97197765
00:07:26.440 --> 00:07:27.880 are the research, the researchers,
NOTE Confidence: 0.97197765
00:07:27.880 --> 00:07:28.700 and the discounted.
NOTE Confidence: 0.99068195
00:07:29.080 --> 00:07:30.120 So if you just want
NOTE Confidence: 0.99068195

00:07:30.120 --> 00:07:30.600 to,
NOTE Confidence: 0.97810626

00:07:31.560 --> 00:07:32.360 you know and then I
NOTE Confidence: 0.97810626

00:07:32.360 --> 00:07:34.040 put up the NCSU ethical
NOTE Confidence: 0.97810626

00:07:34.040 --> 00:07:35.020 research manifesto
NOTE Confidence: 0.94805884

00:07:35.560 --> 00:07:36.940 and some of the principles
NOTE Confidence: 0.94805884

00:07:37.080 --> 00:07:39.345 of, the the ethical research
NOTE Confidence: 0.94805884

00:07:39.345 --> 00:07:40.865 manifesto. If you wanna talk,
NOTE Confidence: 0.9992789

00:07:42.065 --> 00:07:43.125 a little bit about,
NOTE Confidence: 0.98481363

00:07:43.824 --> 00:07:45.264 you know, your engagement in
NOTE Confidence: 0.98481363

00:07:45.264 --> 00:07:46.004 in research,
NOTE Confidence: 0.9801019

00:07:46.544 --> 00:07:48.224 enterprises and and, you know,
NOTE Confidence: 0.9801019

00:07:48.224 --> 00:07:49.740 what what you can teach
NOTE Confidence: 0.9801019

00:07:49.740 --> 00:07:50.940 all of us as as
NOTE Confidence: 0.9801019

00:07:50.940 --> 00:07:52.620 young researcher young or old
NOTE Confidence: 0.9801019

00:07:52.620 --> 00:07:53.120 researchers.
NOTE Confidence: 0.8857591

00:07:54.620 --> 00:07:55.900 Thank you, doctor Sue. And

NOTE Confidence: 0.8857591
00:07:55.900 --> 00:07:56.860 I'm sorry I was,
NOTE Confidence: 0.9503606
00:07:57.660 --> 00:07:59.180 I'm sorry I struggle with
NOTE Confidence: 0.9503606
00:07:59.180 --> 00:08:01.020 technology. I it gets worse
NOTE Confidence: 0.9503606
00:08:01.020 --> 00:08:02.479 and worse every day.
NOTE Confidence: 0.92922026
00:08:03.715 --> 00:08:04.515 No worries. I guess I'm
NOTE Confidence: 0.92922026
00:08:04.515 --> 00:08:06.435 getting older and crazier. No
NOTE Confidence: 0.92922026
00:08:06.435 --> 00:08:07.875 worries. But I really am
NOTE Confidence: 0.92922026
00:08:07.875 --> 00:08:09.335 grateful to be here today
NOTE Confidence: 0.92922026
00:08:09.395 --> 00:08:10.215 with you guys.
NOTE Confidence: 0.980229
00:08:10.515 --> 00:08:12.355 I think this is, an
NOTE Confidence: 0.980229
00:08:12.355 --> 00:08:13.815 an exciting opportunity
NOTE Confidence: 0.98665446
00:08:14.675 --> 00:08:16.115 for people that use drugs
NOTE Confidence: 0.98665446
00:08:16.115 --> 00:08:17.155 and people with lived and
NOTE Confidence: 0.98665446
00:08:17.155 --> 00:08:18.055 living experience.
NOTE Confidence: 0.9878475
00:08:20.570 --> 00:08:22.490 We often don't get our
NOTE Confidence: 0.9878475

00:08:22.490 --> 00:08:23.310 voice heard.
NOTE Confidence: 0.99493766

00:08:23.850 --> 00:08:26.090 And early on in our
NOTE Confidence: 0.99493766

00:08:26.090 --> 00:08:27.530 work, I was like, no.
NOTE Confidence: 0.99493766

00:08:27.530 --> 00:08:29.290 No. No. We're gonna stay
NOTE Confidence: 0.99493766

00:08:29.290 --> 00:08:30.350 away from research.
NOTE Confidence: 0.98759454

00:08:30.735 --> 00:08:32.015 I don't wanna do anything
NOTE Confidence: 0.98759454

00:08:32.015 --> 00:08:33.295 that's not boots on the
NOTE Confidence: 0.98759454

00:08:33.295 --> 00:08:34.434 ground right now.
NOTE Confidence: 0.9936036

00:08:34.894 --> 00:08:36.735 Right now, we are dying.
NOTE Confidence: 0.9936036

00:08:36.735 --> 00:08:38.735 I'm watching everybody die. I
NOTE Confidence: 0.9936036

00:08:38.735 --> 00:08:39.855 don't have any time for
NOTE Confidence: 0.9936036

00:08:39.855 --> 00:08:41.454 this. I don't have any
NOTE Confidence: 0.9936036

00:08:41.454 --> 00:08:43.375 time for what's going on
NOTE Confidence: 0.9936036

00:08:43.375 --> 00:08:45.475 here. Like, research is great,
NOTE Confidence: 0.9997614

00:08:46.140 --> 00:08:46.640 but
NOTE Confidence: 0.9649049

00:08:47.500 --> 00:08:48.940 whatever. You guys there's lots

NOTE Confidence: 0.9649049

00:08:48.940 --> 00:08:50.240 of people doing that.

NOTE Confidence: 0.9972552

00:08:51.420 --> 00:08:51.920 Well,

NOTE Confidence: 0.9188258

00:08:52.460 --> 00:08:54.620 my my colleague and friend,

NOTE Confidence: 0.9188258

00:08:54.620 --> 00:08:57.280 doctor Sarah Brothers, convinced me,

NOTE Confidence: 0.9986529

00:08:57.660 --> 00:08:58.460 along with a lot of

NOTE Confidence: 0.9986529

00:08:58.460 --> 00:08:58.960 other

NOTE Confidence: 0.9530943

00:08:59.985 --> 00:09:01.525 folks that that's not really

NOTE Confidence: 0.9567606

00:09:02.065 --> 00:09:03.425 the question. And I was

NOTE Confidence: 0.9567606

00:09:03.425 --> 00:09:03.925 asking

NOTE Confidence: 0.9855873

00:09:04.705 --> 00:09:05.925 the wrong question.

NOTE Confidence: 0.99509645

00:09:06.625 --> 00:09:07.125 Like,

NOTE Confidence: 0.9811638

00:09:08.145 --> 00:09:09.505 they were asking the wrong

NOTE Confidence: 0.9811638

00:09:09.505 --> 00:09:10.005 questions,

NOTE Confidence: 0.999587

00:09:10.305 --> 00:09:11.684 so they were not researching

NOTE Confidence: 0.999587

00:09:11.825 --> 00:09:12.945 the things that we needed

NOTE Confidence: 0.999587

00:09:12.945 --> 00:09:13.845 them to research.
NOTE Confidence: 0.99952483

00:09:14.450 --> 00:09:15.730 Right? So they were doing
NOTE Confidence: 0.99952483

00:09:15.730 --> 00:09:16.929 good research. I don't have
NOTE Confidence: 0.99952483

00:09:16.929 --> 00:09:17.429 any
NOTE Confidence: 0.9161448

00:09:17.890 --> 00:09:19.809 problem with the you know,
NOTE Confidence: 0.9161448

00:09:19.809 --> 00:09:21.570 you guys are way like,
NOTE Confidence: 0.9161448

00:09:21.570 --> 00:09:23.429 the researchers are way smart,
NOTE Confidence: 0.98426604

00:09:24.130 --> 00:09:25.830 but I don't have like,
NOTE Confidence: 0.98426604

00:09:26.130 --> 00:09:27.510 that's not the issue.
NOTE Confidence: 0.965595

00:09:27.934 --> 00:09:29.535 The issue is, are they
NOTE Confidence: 0.965595

00:09:29.535 --> 00:09:31.315 asking the right questions?
NOTE Confidence: 0.9977579

00:09:32.175 --> 00:09:33.955 And in this situation,
NOTE Confidence: 0.99219435

00:09:34.415 --> 00:09:36.175 I found that they were
NOTE Confidence: 0.99219435

00:09:36.175 --> 00:09:36.675 not.
NOTE Confidence: 0.9804434

00:09:37.535 --> 00:09:38.575 And I I didn't do
NOTE Confidence: 0.9804434

00:09:38.575 --> 00:09:40.575 this alone, and I wanna

NOTE Confidence: 0.9804434
00:09:40.575 --> 00:09:42.095 I wanna bring that to
NOTE Confidence: 0.9804434
00:09:42.095 --> 00:09:43.910 the to the front right
NOTE Confidence: 0.9804434
00:09:43.910 --> 00:09:44.410 now.
NOTE Confidence: 0.9332953
00:09:45.830 --> 00:09:46.890 Maybe the title.
NOTE Confidence: 0.963628
00:09:47.270 --> 00:09:48.490 That might have been mine.
NOTE Confidence: 0.8967817
00:09:50.150 --> 00:09:50.650 But,
NOTE Confidence: 0.99541306
00:09:51.350 --> 00:09:52.490 this is a collaboration
NOTE Confidence: 0.99956083
00:09:53.110 --> 00:09:54.090 of everybody
NOTE Confidence: 0.9725441
00:09:54.790 --> 00:09:56.490 and everybody in the union.
NOTE Confidence: 0.9725441
00:09:56.550 --> 00:09:58.309 And people got involved in
NOTE Confidence: 0.9725441
00:09:58.309 --> 00:10:00.445 this paper in ways I
NOTE Confidence: 0.9725441
00:10:00.445 --> 00:10:00.945 cannot
NOTE Confidence: 0.99682075
00:10:02.365 --> 00:10:04.225 like, it was nuts.
NOTE Confidence: 0.9939779
00:10:04.925 --> 00:10:07.105 Like, we weren't even paying
NOTE Confidence: 0.9939779
00:10:07.165 --> 00:10:08.764 people in a lot of,
NOTE Confidence: 0.9105832

00:10:09.804 --> 00:10:11.880 situations, Nick Foles. I mean,

NOTE Confidence: 0.9105832

00:10:11.880 --> 00:10:13.000 I could just list names

NOTE Confidence: 0.9105832

00:10:13.000 --> 00:10:13.820 for days

NOTE Confidence: 0.9840819

00:10:14.200 --> 00:10:15.559 about people that got involved

NOTE Confidence: 0.9840819

00:10:15.559 --> 00:10:16.520 in this. This was right

NOTE Confidence: 0.9840819

00:10:16.520 --> 00:10:17.260 at COVID.

NOTE Confidence: 0.9942199

00:10:18.440 --> 00:10:20.040 You know, we were standing

NOTE Confidence: 0.9942199

00:10:20.040 --> 00:10:21.100 in long lines.

NOTE Confidence: 0.9927364

00:10:22.040 --> 00:10:23.340 We were being mistreated,

NOTE Confidence: 0.97704774

00:10:25.084 --> 00:10:26.524 and they weren't asking the

NOTE Confidence: 0.97704774

00:10:26.524 --> 00:10:28.684 right questions again and again

NOTE Confidence: 0.97704774

00:10:28.684 --> 00:10:29.425 and again.

NOTE Confidence: 0.996284

00:10:29.964 --> 00:10:32.464 I had learned from earlier

NOTE Confidence: 0.996284

00:10:32.684 --> 00:10:33.184 on

NOTE Confidence: 0.9958859

00:10:33.964 --> 00:10:34.464 that

NOTE Confidence: 0.99345076

00:10:35.404 --> 00:10:36.524 I have to be pretty

NOTE Confidence: 0.99345076
00:10:36.524 --> 00:10:37.964 honest about what's going on
NOTE Confidence: 0.99345076
00:10:37.964 --> 00:10:39.584 with me if I want
NOTE Confidence: 0.99646103
00:10:41.220 --> 00:10:43.000 anybody to listen to me.
NOTE Confidence: 0.99646103
00:10:43.140 --> 00:10:44.600 Like, that's my role.
NOTE Confidence: 0.9984346
00:10:45.620 --> 00:10:46.900 Like, that's what I can
NOTE Confidence: 0.9984346
00:10:46.900 --> 00:10:48.200 give. I can give,
NOTE Confidence: 0.9682873
00:10:48.900 --> 00:10:51.220 like, honest analysis of what's
NOTE Confidence: 0.9682873
00:10:51.220 --> 00:10:52.580 happening in my life, and
NOTE Confidence: 0.9682873
00:10:52.580 --> 00:10:53.640 I did that with.
NOTE Confidence: 0.99940157
00:10:54.545 --> 00:10:56.005 And that was a hard
NOTE Confidence: 0.9977915
00:10:56.464 --> 00:10:57.764 that was a hard
NOTE Confidence: 0.9997535
00:10:58.144 --> 00:10:59.444 decision to make.
NOTE Confidence: 0.9739717
00:10:59.985 --> 00:11:01.285 I showed it in,
NOTE Confidence: 0.9844905
00:11:02.625 --> 00:11:03.845 what's the name of the,
NOTE Confidence: 0.9844905
00:11:04.144 --> 00:11:05.425 it was a what's the
NOTE Confidence: 0.9844905

00:11:05.425 --> 00:11:06.324 name of the paper?
NOTE Confidence: 0.8579925

00:11:08.379 --> 00:11:09.679 Do you know Kim Soo?
NOTE Confidence: 0.5690938

00:11:10.459 --> 00:11:11.546 The the
NOTE Confidence: 0.9712209

00:11:12.220 --> 00:11:13.259 it was it's the little
NOTE Confidence: 0.9712209

00:11:13.259 --> 00:11:14.720 paper that the harm reduction
NOTE Confidence: 0.9712209

00:11:14.779 --> 00:11:15.920 stuff comes in.
NOTE Confidence: 0.96527046

00:11:16.860 --> 00:11:18.079 It'll come to me.
NOTE Confidence: 0.9716296

00:11:18.860 --> 00:11:20.379 But I I I wrote
NOTE Confidence: 0.9716296

00:11:20.379 --> 00:11:21.884 an article with a lot
NOTE Confidence: 0.9716296

00:11:21.884 --> 00:11:22.964 of help because it was
NOTE Confidence: 0.9716296

00:11:22.964 --> 00:11:24.504 after I'd been quite sick.
NOTE Confidence: 0.952289

00:11:25.365 --> 00:11:25.845 And,
NOTE Confidence: 0.97668827

00:11:27.125 --> 00:11:28.824 I'm on yeah. I
NOTE Confidence: 0.9805469

00:11:29.125 --> 00:11:30.084 I I wrote an article
NOTE Confidence: 0.9805469

00:11:30.084 --> 00:11:31.524 because I've been quite sick
NOTE Confidence: 0.9805469

00:11:31.524 --> 00:11:32.345 with with

NOTE Confidence: 0.8836374

00:11:33.365 --> 00:11:35.225 with many, many wounds.

NOTE Confidence: 0.93800926

00:11:37.010 --> 00:11:38.690 And this was going on

NOTE Confidence: 0.93800926

00:11:38.690 --> 00:11:39.570 at the time of the

NOTE Confidence: 0.93800926

00:11:39.570 --> 00:11:41.110 meth methadone manifesto

NOTE Confidence: 0.9632702

00:11:41.809 --> 00:11:43.650 and actually didn't allow me

NOTE Confidence: 0.9632702

00:11:43.650 --> 00:11:45.090 to finish some of the

NOTE Confidence: 0.9632702

00:11:45.090 --> 00:11:46.390 work with the meth manifesto,

NOTE Confidence: 0.9632702

00:11:46.610 --> 00:11:48.210 and other people were able

NOTE Confidence: 0.9632702

00:11:48.210 --> 00:11:49.855 to take that on. And

NOTE Confidence: 0.9632702

00:11:49.855 --> 00:11:50.995 that's why collaboration

NOTE Confidence: 0.9662818

00:11:51.695 --> 00:11:53.775 is so important, especially with

NOTE Confidence: 0.9662818

00:11:53.775 --> 00:11:55.135 people with lived and living

NOTE Confidence: 0.9662818

00:11:55.135 --> 00:11:57.554 experience. Right? Mhmm. Individual

NOTE Confidence: 0.93828064

00:11:58.175 --> 00:11:59.615 work does not help us.

NOTE Confidence: 0.93828064

00:11:59.615 --> 00:12:00.895 We need to be working

NOTE Confidence: 0.93828064

00:12:00.895 --> 00:12:03.315 in teams, pairs. Mhmm. Like,

NOTE Confidence: 0.98186326

00:12:04.010 --> 00:12:05.210 no one ever needs to

NOTE Confidence: 0.98186326

00:12:05.210 --> 00:12:06.490 be doing this stuff in

NOTE Confidence: 0.98186326

00:12:06.490 --> 00:12:08.250 isolation or alone. And one

NOTE Confidence: 0.98186326

00:12:08.250 --> 00:12:09.290 of the reasons why is

NOTE Confidence: 0.98186326

00:12:09.290 --> 00:12:10.970 our our experiences are so

NOTE Confidence: 0.98186326

00:12:10.970 --> 00:12:12.029 terribly different.

NOTE Confidence: 0.95849013

00:12:12.490 --> 00:12:14.170 Right. You know? The good

NOTE Confidence: 0.95849013

00:12:14.170 --> 00:12:15.790 patient, the bad patient,

NOTE Confidence: 0.92766184

00:12:16.490 --> 00:12:17.870 the you know?

NOTE Confidence: 0.9974818

00:12:18.355 --> 00:12:20.375 There's so much that

NOTE Confidence: 0.96507484

00:12:20.755 --> 00:12:21.955 you could talk to one

NOTE Confidence: 0.96507484

00:12:21.955 --> 00:12:23.955 person and you could learn

NOTE Confidence: 0.96507484

00:12:23.955 --> 00:12:25.735 that methadone was a great,

NOTE Confidence: 0.9822057

00:12:26.675 --> 00:12:27.955 intervention. And you could talk

NOTE Confidence: 0.9822057

00:12:27.955 --> 00:12:29.635 to another patient and be

NOTE Confidence: 0.9822057
00:12:29.635 --> 00:12:30.915 like, oh, I never ever
NOTE Confidence: 0.9822057
00:12:30.915 --> 00:12:32.355 wanna deal with that system
NOTE Confidence: 0.9822057
00:12:32.355 --> 00:12:32.855 again.
NOTE Confidence: 0.93372554
00:12:34.300 --> 00:12:35.760 So it really matters
NOTE Confidence: 0.9990912
00:12:36.460 --> 00:12:37.440 that you get
NOTE Confidence: 0.9804652
00:12:37.820 --> 00:12:39.020 a that you get a,
NOTE Confidence: 0.9804652
00:12:39.420 --> 00:12:40.640 a group of people
NOTE Confidence: 0.9772513
00:12:41.100 --> 00:12:41.600 all
NOTE Confidence: 0.97929156
00:12:42.540 --> 00:12:43.820 weighing in, and I think
NOTE Confidence: 0.97929156
00:12:43.820 --> 00:12:45.179 we had that. Do you
NOTE Confidence: 0.97929156
00:12:45.179 --> 00:12:46.540 want me to continue, or
NOTE Confidence: 0.97929156
00:12:46.540 --> 00:12:47.420 do you want me to,
NOTE Confidence: 0.998438
00:12:48.175 --> 00:12:49.535 Yeah. Why don't you why
NOTE Confidence: 0.998438
00:12:49.535 --> 00:12:51.054 don't you pivot into, you
NOTE Confidence: 0.998438
00:12:51.054 --> 00:12:52.115 know, some of
NOTE Confidence: 0.9712959

00:12:52.495 --> 00:12:53.615 I know this is kind
NOTE Confidence: 0.9712959

00:12:53.615 --> 00:12:54.975 of old, but I know
NOTE Confidence: 0.9712959

00:12:54.975 --> 00:12:57.695 that NCSU had had had
NOTE Confidence: 0.9712959

00:12:57.695 --> 00:12:58.975 actually laid out, you know,
NOTE Confidence: 0.9712959

00:12:58.975 --> 00:13:00.015 like, if you wanna work
NOTE Confidence: 0.9712959

00:13:00.015 --> 00:13:00.835 with us,
NOTE Confidence: 0.7295475

00:13:02.509 --> 00:13:05.089 it's ethical record manifesto. Like,
NOTE Confidence: 0.99965185

00:13:05.550 --> 00:13:06.110 you know
NOTE Confidence: 0.9801118

00:13:06.429 --> 00:13:08.189 Gotcha. Let's talk about, you
NOTE Confidence: 0.9801118

00:13:08.189 --> 00:13:10.350 know, the issues. Like, what
NOTE Confidence: 0.9801118

00:13:10.350 --> 00:13:11.809 does it like, you know,
NOTE Confidence: 0.9110445

00:13:12.269 --> 00:13:13.970 I found this very compelling,
NOTE Confidence: 0.94595844

00:13:14.795 --> 00:13:15.675 when and, you know, we
NOTE Confidence: 0.94595844

00:13:15.675 --> 00:13:16.895 put it in the curriculum,
NOTE Confidence: 0.9874965

00:13:17.515 --> 00:13:19.215 to teach the NCSP scholars.
NOTE Confidence: 0.97447145

00:13:20.715 --> 00:13:21.675 You know, these are things

NOTE Confidence: 0.97447145
00:13:21.675 --> 00:13:22.555 that I some of the
NOTE Confidence: 0.97447145
00:13:22.635 --> 00:13:23.595 some of these points I'd
NOTE Confidence: 0.97447145
00:13:23.595 --> 00:13:24.975 never thought of, you know.
NOTE Confidence: 0.97447145
00:13:25.195 --> 00:13:26.395 Like, who is your research
NOTE Confidence: 0.97447145
00:13:26.395 --> 00:13:27.835 truly gonna benefit? You know,
NOTE Confidence: 0.97447145
00:13:27.835 --> 00:13:29.429 what knowledge and experiences do
NOTE Confidence: 0.97447145
00:13:29.429 --> 00:13:30.550 you have that equip you
NOTE Confidence: 0.97447145
00:13:30.550 --> 00:13:31.670 to do research with us
NOTE Confidence: 0.97447145
00:13:31.670 --> 00:13:33.290 in a culturally humble manner?
NOTE Confidence: 0.9480004
00:13:33.670 --> 00:13:34.630 You know? How do you
NOTE Confidence: 0.9480004
00:13:34.630 --> 00:13:35.830 plan to conduct your research
NOTE Confidence: 0.9480004
00:13:35.830 --> 00:13:36.890 in a way that sensitive
NOTE Confidence: 0.9480004
00:13:36.950 --> 00:13:37.450 people's
NOTE Confidence: 0.9815782
00:13:38.230 --> 00:13:40.070 past and current experiences of
NOTE Confidence: 0.9815782
00:13:40.070 --> 00:13:41.610 trauma? You know? Like,
NOTE Confidence: 0.97242844

00:13:42.184 --> 00:13:43.144 you know, like like, a
NOTE Confidence: 0.97242844

00:13:43.144 --> 00:13:44.425 lot of these questions are
NOTE Confidence: 0.97242844

00:13:44.425 --> 00:13:45.785 are what are are really,
NOTE Confidence: 0.97242844

00:13:45.785 --> 00:13:47.704 really important to even thinking
NOTE Confidence: 0.97242844

00:13:47.704 --> 00:13:49.005 about, you know,
NOTE Confidence: 0.99027115

00:13:49.545 --> 00:13:50.824 starting a project with a
NOTE Confidence: 0.99027115

00:13:50.824 --> 00:13:53.144 community group, with with living
NOTE Confidence: 0.99027115

00:13:53.144 --> 00:13:53.644 experience.
NOTE Confidence: 0.9941236

00:13:55.170 --> 00:13:56.290 This was one of the
NOTE Confidence: 0.9941236

00:13:56.290 --> 00:13:57.190 hardest things.
NOTE Confidence: 0.9909323

00:13:58.370 --> 00:13:59.970 Number one, we often don't
NOTE Confidence: 0.9909323

00:13:59.970 --> 00:14:01.330 feel like our experience is
NOTE Confidence: 0.9909323

00:14:01.330 --> 00:14:02.230 worth anything.
NOTE Confidence: 0.95719254

00:14:03.010 --> 00:14:05.170 Right? So we are have
NOTE Confidence: 0.95719254

00:14:05.170 --> 00:14:07.085 low self worths. We have
NOTE Confidence: 0.95719254

00:14:07.085 --> 00:14:08.605 low you know, we have,

NOTE Confidence: 0.95719254

00:14:08.605 --> 00:14:09.725 you know, all of these

NOTE Confidence: 0.95719254

00:14:09.725 --> 00:14:11.585 things. Nobody's listening to us.

NOTE Confidence: 0.99893045

00:14:11.965 --> 00:14:12.945 Nobody cares.

NOTE Confidence: 0.98593646

00:14:13.485 --> 00:14:15.805 Nobody's gonna nobody's gonna, you

NOTE Confidence: 0.98593646

00:14:15.805 --> 00:14:17.265 know, do what we ask.

NOTE Confidence: 0.9978505

00:14:17.885 --> 00:14:19.485 And I had learned by

NOTE Confidence: 0.9978505

00:14:19.485 --> 00:14:21.325 working with other researchers that

NOTE Confidence: 0.9978505

00:14:21.325 --> 00:14:22.500 that was not the case.

NOTE Confidence: 0.9567378

00:14:22.980 --> 00:14:24.100 You know, I worked with

NOTE Confidence: 0.9567378

00:14:24.100 --> 00:14:25.300 Nav, and Nav and I

NOTE Confidence: 0.9567378

00:14:25.300 --> 00:14:26.260 came up with love as

NOTE Confidence: 0.9567378

00:14:26.260 --> 00:14:27.400 a research principle.

NOTE Confidence: 0.98250264

00:14:27.860 --> 00:14:29.000 Mhmm. You know, we

NOTE Confidence: 0.5900859

00:14:29.380 --> 00:14:29.880 together

NOTE Confidence: 0.9856468

00:14:30.340 --> 00:14:31.700 had talked a lot about

NOTE Confidence: 0.9856468

00:14:31.700 --> 00:14:32.600 a lot of things.
NOTE Confidence: 0.99897987

00:14:33.140 --> 00:14:34.660 But when we really went
NOTE Confidence: 0.99897987

00:14:34.660 --> 00:14:36.120 out there to do it,
NOTE Confidence: 0.99620384

00:14:38.325 --> 00:14:39.285 a lot of stuff is
NOTE Confidence: 0.99620384

00:14:39.285 --> 00:14:40.025 lip service.
NOTE Confidence: 0.9896781

00:14:40.485 --> 00:14:42.165 Mhmm. And it's not I'm
NOTE Confidence: 0.9896781

00:14:42.165 --> 00:14:44.105 I'm not saying it's purposeful.
NOTE Confidence: 0.9979548

00:14:44.805 --> 00:14:46.345 I'm not saying that anybody
NOTE Confidence: 0.9979548

00:14:46.405 --> 00:14:47.305 sets out
NOTE Confidence: 0.92664653

00:14:47.765 --> 00:14:49.205 to do this and and
NOTE Confidence: 0.92664653

00:14:49.205 --> 00:14:50.700 not share it with people
NOTE Confidence: 0.92664653

00:14:50.700 --> 00:14:52.160 who've lived and living experience.
NOTE Confidence: 0.9710084

00:14:52.940 --> 00:14:54.399 I'm talking about the speed
NOTE Confidence: 0.9710084

00:14:54.459 --> 00:14:55.920 of the speed of time.
NOTE Confidence: 0.9710084

00:14:56.220 --> 00:14:57.920 Mhmm. You know, the speed
NOTE Confidence: 0.9710084

00:14:57.980 --> 00:15:00.320 of grants, the speed of

NOTE Confidence: 0.9710084
00:15:00.540 --> 00:15:02.080 we got things to do.
NOTE Confidence: 0.9710084
00:15:02.300 --> 00:15:03.820 What's on my plate right
NOTE Confidence: 0.9710084
00:15:03.820 --> 00:15:05.100 now? What's in front of
NOTE Confidence: 0.9710084
00:15:05.100 --> 00:15:05.600 me?
NOTE Confidence: 0.97434044
00:15:06.215 --> 00:15:07.675 And if we're not careful,
NOTE Confidence: 0.97434044
00:15:07.975 --> 00:15:09.335 people with lived and living
NOTE Confidence: 0.97434044
00:15:09.335 --> 00:15:10.775 experience get pushed to the
NOTE Confidence: 0.97434044
00:15:10.775 --> 00:15:12.855 back. Mhmm. Right? Not always
NOTE Confidence: 0.97434044
00:15:13.015 --> 00:15:13.815 you know, we have to
NOTE Confidence: 0.97434044
00:15:13.815 --> 00:15:14.795 be in
NOTE Confidence: 0.9936991
00:15:15.175 --> 00:15:16.215 we have to be up
NOTE Confidence: 0.9936991
00:15:16.215 --> 00:15:17.415 in their face. We have
NOTE Confidence: 0.9936991
00:15:17.415 --> 00:15:18.715 to be up,
NOTE Confidence: 0.981581
00:15:19.029 --> 00:15:20.790 you know, really demanding. These
NOTE Confidence: 0.981581
00:15:20.790 --> 00:15:21.910 are the things we want.
NOTE Confidence: 0.981581

00:15:21.910 --> 00:15:23.770 These are our research principles.

NOTE Confidence: 0.981581

00:15:24.070 --> 00:15:25.110 You can't talk to us

NOTE Confidence: 0.981581

00:15:25.110 --> 00:15:26.250 unless you do this.

NOTE Confidence: 0.96974945

00:15:26.790 --> 00:15:28.730 So we appointed some people

NOTE Confidence: 0.91872853

00:15:29.190 --> 00:15:30.390 is that we could call.

NOTE Confidence: 0.91872853

00:15:30.390 --> 00:15:31.350 And I would call and

NOTE Confidence: 0.91872853

00:15:31.350 --> 00:15:32.310 say, look. I talked to

NOTE Confidence: 0.91872853

00:15:32.310 --> 00:15:33.050 this person,

NOTE Confidence: 0.983504

00:15:33.435 --> 00:15:34.635 and they said that they

NOTE Confidence: 0.983504

00:15:34.635 --> 00:15:35.915 were gonna do this and

NOTE Confidence: 0.983504

00:15:35.915 --> 00:15:36.875 this and this and this

NOTE Confidence: 0.983504

00:15:36.875 --> 00:15:37.535 and this.

NOTE Confidence: 0.98070365

00:15:38.155 --> 00:15:39.855 And she would say,

NOTE Confidence: 0.9712885

00:15:40.635 --> 00:15:41.995 that doesn't sound so good

NOTE Confidence: 0.9712885

00:15:41.995 --> 00:15:42.575 to me.

NOTE Confidence: 0.9617944

00:15:42.955 --> 00:15:43.995 You know? Or she would

NOTE Confidence: 0.9617944
00:15:43.995 --> 00:15:45.535 attend the call with me,
NOTE Confidence: 0.9617944
00:15:45.675 --> 00:15:46.975 and we would talk about
NOTE Confidence: 0.9617944
00:15:47.195 --> 00:15:48.255 what did you think.
NOTE Confidence: 0.9319312
00:15:49.319 --> 00:15:49.800 And,
NOTE Confidence: 0.99015677
00:15:50.680 --> 00:15:52.440 we would have wildly different
NOTE Confidence: 0.99015677
00:15:52.440 --> 00:15:53.740 experiences sometimes.
NOTE Confidence: 0.92501426
00:15:54.279 --> 00:15:54.779 Mhmm.
NOTE Confidence: 0.99146676
00:15:55.160 --> 00:15:56.199 And and that had to
NOTE Confidence: 0.99146676
00:15:56.199 --> 00:15:57.959 do with race, culture, class
NOTE Confidence: 0.99146676
00:15:58.279 --> 00:15:58.519 Mhmm.
NOTE Confidence: 0.9857698
00:15:59.319 --> 00:16:00.680 Kind of drug use, kind
NOTE Confidence: 0.9857698
00:16:00.680 --> 00:16:01.579 of intersections
NOTE Confidence: 0.9685577
00:16:02.435 --> 00:16:03.875 that we were dealing with,
NOTE Confidence: 0.9685577
00:16:03.875 --> 00:16:04.995 you know, what kind of
NOTE Confidence: 0.9685577
00:16:04.995 --> 00:16:06.295 drugs people used,
NOTE Confidence: 0.9360998

00:16:06.995 --> 00:16:08.595 whether they used Suboxone or
NOTE Confidence: 0.9360998

00:16:08.595 --> 00:16:09.095 buprenorphine,
NOTE Confidence: 0.9822352

00:16:09.714 --> 00:16:10.915 what kind of pain they
NOTE Confidence: 0.9822352

00:16:10.915 --> 00:16:11.415 had.
NOTE Confidence: 0.99948096

00:16:12.274 --> 00:16:13.815 All of that was really
NOTE Confidence: 0.99948096

00:16:13.955 --> 00:16:14.455 intense.
NOTE Confidence: 0.9992122

00:16:15.240 --> 00:16:15.740 Mhmm.
NOTE Confidence: 0.99877465

00:16:16.120 --> 00:16:18.120 And as we started to
NOTE Confidence: 0.99877465

00:16:18.120 --> 00:16:19.020 uncover this,
NOTE Confidence: 0.99281406

00:16:19.400 --> 00:16:20.840 it became very clear that
NOTE Confidence: 0.99281406

00:16:20.840 --> 00:16:22.760 we needed something larger than
NOTE Confidence: 0.99281406

00:16:22.760 --> 00:16:24.220 community based research.
NOTE Confidence: 0.9851398

00:16:24.680 --> 00:16:27.100 We needed community driven research.
NOTE Confidence: 0.9851398

00:16:27.320 --> 00:16:29.160 Mhmm. And the reason for
NOTE Confidence: 0.9851398

00:16:29.160 --> 00:16:29.655 that
NOTE Confidence: 0.9608609

00:16:30.135 --> 00:16:31.735 is really because if we're

NOTE Confidence: 0.9608609
00:16:31.735 --> 00:16:33.035 not driving the research,
NOTE Confidence: 0.9506247
00:16:34.375 --> 00:16:36.235 then somebody else is.
NOTE Confidence: 0.86222374
00:16:36.855 --> 00:16:37.975 And they are not the
NOTE Confidence: 0.86222374
00:16:37.975 --> 00:16:39.335 people who've lived at living
NOTE Confidence: 0.86222374
00:16:39.335 --> 00:16:40.715 lived and living experience.
NOTE Confidence: 0.99307984
00:16:41.255 --> 00:16:42.375 They are the ones that
NOTE Confidence: 0.99307984
00:16:42.375 --> 00:16:43.575 are supposed to be listening
NOTE Confidence: 0.99307984
00:16:43.575 --> 00:16:44.615 to the ones with lived
NOTE Confidence: 0.99307984
00:16:44.615 --> 00:16:45.595 and living experience.
NOTE Confidence: 0.99579805
00:16:46.590 --> 00:16:47.090 But
NOTE Confidence: 0.9769498
00:16:47.550 --> 00:16:48.990 I think when it comes
NOTE Confidence: 0.9769498
00:16:48.990 --> 00:16:49.890 from us,
NOTE Confidence: 0.96484506
00:16:50.750 --> 00:16:51.710 you know, we have a
NOTE Confidence: 0.96484506
00:16:51.710 --> 00:16:53.310 new piece and there's gonna
NOTE Confidence: 0.96484506
00:16:53.310 --> 00:16:55.070 be a webinar soon, and
NOTE Confidence: 0.96484506

00:16:55.070 --> 00:16:56.450 it's gonna be about oxygen

NOTE Confidence: 0.95891166

00:16:57.070 --> 00:16:58.450 and the use of oxygen

NOTE Confidence: 0.95891166

00:16:58.590 --> 00:16:59.070 for,

NOTE Confidence: 0.9306185

00:16:59.550 --> 00:16:59.950 for,

NOTE Confidence: 0.9907105

00:17:00.510 --> 00:17:01.490 cocaine overdose

NOTE Confidence: 0.9991114

00:17:02.165 --> 00:17:02.964 and for,

NOTE Confidence: 0.83952594

00:17:03.445 --> 00:17:04.264 opioid overdose,

NOTE Confidence: 0.9935407

00:17:04.645 --> 00:17:06.405 and it's amazing. And this

NOTE Confidence: 0.9935407

00:17:06.405 --> 00:17:07.385 is community

NOTE Confidence: 0.99742514

00:17:07.845 --> 00:17:08.984 directed research.

NOTE Confidence: 0.9863015

00:17:09.525 --> 00:17:11.065 This is stuff we did

NOTE Confidence: 0.9863015

00:17:11.125 --> 00:17:11.625 on-site,

NOTE Confidence: 0.9967889

00:17:12.325 --> 00:17:12.984 you know,

NOTE Confidence: 0.9877996

00:17:13.285 --> 00:17:14.565 on you know, we did

NOTE Confidence: 0.9877996

00:17:14.565 --> 00:17:15.225 this stuff

NOTE Confidence: 0.99327666

00:17:15.525 --> 00:17:16.265 when nobody

NOTE Confidence: 0.9974918
00:17:16.679 --> 00:17:18.220 nobody was doing, like,
NOTE Confidence: 0.9404814
00:17:18.840 --> 00:17:20.539 scientific based research,
NOTE Confidence: 0.9940751
00:17:21.080 --> 00:17:22.759 but we researched it. We
NOTE Confidence: 0.9940751
00:17:22.759 --> 00:17:23.580 did it with,
NOTE Confidence: 0.8258518
00:17:24.519 --> 00:17:25.899 Beyond Test and Cured.
NOTE Confidence: 0.9012289
00:17:26.840 --> 00:17:28.379 This was a this was
NOTE Confidence: 0.9012289
00:17:28.440 --> 00:17:30.395 a hepatitis c research.
NOTE Confidence: 0.99941087
00:17:31.015 --> 00:17:32.615 So we are accustomed to
NOTE Confidence: 0.99941087
00:17:32.615 --> 00:17:33.115 doing
NOTE Confidence: 0.9968257
00:17:33.575 --> 00:17:34.075 research
NOTE Confidence: 0.9994867
00:17:34.855 --> 00:17:35.755 that is
NOTE Confidence: 0.9991109
00:17:37.575 --> 00:17:38.795 focused on
NOTE Confidence: 0.9137437
00:17:39.255 --> 00:17:41.175 our subject matter. We're doing
NOTE Confidence: 0.9137437
00:17:41.175 --> 00:17:42.715 some on drug seller research.
NOTE Confidence: 0.9995207
00:17:43.255 --> 00:17:44.155 I love it.
NOTE Confidence: 0.995692

00:17:45.730 --> 00:17:47.169 When we had a pill
NOTE Confidence: 0.995692

00:17:47.169 --> 00:17:47.669 epidemic,
NOTE Confidence: 0.93606895

00:17:48.850 --> 00:17:51.669 we we interviewed doctors. Right?
NOTE Confidence: 0.93606895

00:17:51.730 --> 00:17:52.230 Well,
NOTE Confidence: 0.96847534

00:17:52.929 --> 00:17:55.589 we've got a a a
NOTE Confidence: 0.9972396

00:17:55.889 --> 00:17:56.389 drug
NOTE Confidence: 0.93196464

00:17:56.769 --> 00:17:57.269 epidemic.
NOTE Confidence: 0.9976278

00:17:57.730 --> 00:17:58.769 We need to we need
NOTE Confidence: 0.9976278

00:17:58.769 --> 00:18:00.230 to interview drug sellers
NOTE Confidence: 0.95279336

00:18:00.615 --> 00:18:01.815 and drug users and people
NOTE Confidence: 0.95279336

00:18:01.815 --> 00:18:02.935 that sell drugs that you
NOTE Confidence: 0.95279336

00:18:03.095 --> 00:18:03.835 use drugs.
NOTE Confidence: 0.98451984

00:18:04.135 --> 00:18:05.015 You know, we need to
NOTE Confidence: 0.98451984

00:18:05.015 --> 00:18:06.215 be doing that, and we
NOTE Confidence: 0.98451984

00:18:06.215 --> 00:18:08.055 are the right people for
NOTE Confidence: 0.98451984

00:18:08.055 --> 00:18:08.555 that.

NOTE Confidence: 0.99465126
00:18:09.734 --> 00:18:11.035 And by having
NOTE Confidence: 0.9680836
00:18:11.895 --> 00:18:13.815 researchers that were willing to
NOTE Confidence: 0.9680836
00:18:13.815 --> 00:18:15.035 do this with us,
NOTE Confidence: 0.93272763
00:18:16.869 --> 00:18:18.490 and the and the manifesto
NOTE Confidence: 0.93272763
00:18:18.550 --> 00:18:19.609 that we developed
NOTE Confidence: 0.99285454
00:18:20.070 --> 00:18:21.190 with now and we did
NOTE Confidence: 0.99285454
00:18:21.190 --> 00:18:22.250 that with the help
NOTE Confidence: 0.9873271
00:18:22.710 --> 00:18:24.010 of, you know, the Canadians,
NOTE Confidence: 0.6215033
00:18:24.310 --> 00:18:25.050 Van Du,
NOTE Confidence: 0.97716296
00:18:26.310 --> 00:18:27.910 you know, people that had
NOTE Confidence: 0.97716296
00:18:27.910 --> 00:18:29.450 been in this space before,
NOTE Confidence: 0.8202528
00:18:30.880 --> 00:18:31.380 input.
NOTE Confidence: 0.9932632
00:18:31.725 --> 00:18:33.005 Like, all of these people
NOTE Confidence: 0.9932632
00:18:33.005 --> 00:18:34.684 that had had done some
NOTE Confidence: 0.9932632
00:18:34.684 --> 00:18:36.625 of this work and and
NOTE Confidence: 0.9839723

00:18:37.085 --> 00:18:37.585 had
NOTE Confidence: 0.96065617
00:18:39.085 --> 00:18:41.325 some experience that we didn't
NOTE Confidence: 0.96065617
00:18:41.325 --> 00:18:41.825 have.
NOTE Confidence: 0.99481875
00:18:42.125 --> 00:18:43.325 Because I'm gonna tell you
NOTE Confidence: 0.99481875
00:18:43.325 --> 00:18:44.285 the one thing about doing
NOTE Confidence: 0.99481875
00:18:44.285 --> 00:18:45.345 stuff without experience
NOTE Confidence: 0.9830073
00:18:45.645 --> 00:18:47.005 is you're gonna reinvent the
NOTE Confidence: 0.9830073
00:18:47.005 --> 00:18:48.990 wheel a hundred times over.
NOTE Confidence: 0.9933532
00:18:49.290 --> 00:18:50.750 Somebody has done this.
NOTE Confidence: 0.9980757
00:18:51.130 --> 00:18:51.630 Like,
NOTE Confidence: 0.99757683
00:18:52.170 --> 00:18:53.130 you just have to look
NOTE Confidence: 0.99757683
00:18:53.130 --> 00:18:53.869 for it.
NOTE Confidence: 0.9975229
00:18:54.170 --> 00:18:55.050 You have to look for
NOTE Confidence: 0.9975229
00:18:55.050 --> 00:18:56.010 it. You have to find
NOTE Confidence: 0.9975229
00:18:56.010 --> 00:18:56.970 it. You have to see
NOTE Confidence: 0.9975229
00:18:56.970 --> 00:18:57.710 what you can

NOTE Confidence: 0.9746214
00:18:58.010 --> 00:18:59.460 put together. There's a
NOTE Confidence: 0.98164624
00:19:00.484 --> 00:19:01.365 I wish I had it.
NOTE Confidence: 0.98164624
00:19:01.365 --> 00:19:03.205 There's an HIV maybe it's
NOTE Confidence: 0.98164624
00:19:03.205 --> 00:19:03.925 in there. I don't know
NOTE Confidence: 0.98164624
00:19:03.925 --> 00:19:04.885 whether you you have the
NOTE Confidence: 0.98164624
00:19:04.885 --> 00:19:06.565 slide set. It's an HIV
NOTE Confidence: 0.98164624
00:19:06.565 --> 00:19:06.805 period
NOTE Confidence: 0.55961204
00:19:07.525 --> 00:19:08.025 pyramid
NOTE Confidence: 0.9757764
00:19:08.565 --> 00:19:10.085 of learning, and I'll find
NOTE Confidence: 0.9757764
00:19:10.085 --> 00:19:11.205 it maybe when you're talking
NOTE Confidence: 0.9757764
00:19:11.205 --> 00:19:12.085 and share it with you
NOTE Confidence: 0.9757764
00:19:12.085 --> 00:19:13.919 guys. And and it was
NOTE Confidence: 0.9757764
00:19:13.919 --> 00:19:15.840 it was, developed by people
NOTE Confidence: 0.9757764
00:19:15.840 --> 00:19:17.299 that were living with HIV.
NOTE Confidence: 0.99438757
00:19:18.000 --> 00:19:19.359 And so it was something
NOTE Confidence: 0.99438757

00:19:19.359 --> 00:19:20.960 that was able to help
NOTE Confidence: 0.99438757

00:19:20.960 --> 00:19:21.460 us,
NOTE Confidence: 0.99961597

00:19:22.559 --> 00:19:23.299 as we
NOTE Confidence: 0.96358824

00:19:23.679 --> 00:19:25.119 as we worked to do
NOTE Confidence: 0.96358824

00:19:25.119 --> 00:19:25.619 this.
NOTE Confidence: 0.98784703

00:19:26.645 --> 00:19:28.085 We rang the alarm bells
NOTE Confidence: 0.98784703

00:19:28.085 --> 00:19:28.904 about Xylazine.
NOTE Confidence: 0.97296315

00:19:29.524 --> 00:19:30.965 Oh, I don't know. How
NOTE Confidence: 0.97296315

00:19:30.965 --> 00:19:32.325 long ago was it? Five
NOTE Confidence: 0.97296315

00:19:32.325 --> 00:19:33.065 years ago?
NOTE Confidence: 0.99580437

00:19:33.684 --> 00:19:34.965 I think my partner was
NOTE Confidence: 0.99580437

00:19:34.965 --> 00:19:36.085 the first to say we've
NOTE Confidence: 0.99580437

00:19:36.085 --> 00:19:36.585 got
NOTE Confidence: 0.87084615

00:19:36.965 --> 00:19:38.904 we've and with this FTIR,
NOTE Confidence: 0.94168967

00:19:39.524 --> 00:19:40.940 we, you know, we've got
NOTE Confidence: 0.94168967

00:19:41.000 --> 00:19:43.100 Xylazine in our drug supply,

NOTE Confidence: 0.99674654
00:19:44.359 --> 00:19:45.740 and nobody acted.
NOTE Confidence: 0.9975238
00:19:46.119 --> 00:19:47.559 If we had acted at
NOTE Confidence: 0.9975238
00:19:47.559 --> 00:19:48.760 the time that we talked
NOTE Confidence: 0.9975238
00:19:48.760 --> 00:19:49.500 about it,
NOTE Confidence: 0.988945
00:19:49.880 --> 00:19:51.179 if people had listened
NOTE Confidence: 0.9773868
00:19:51.480 --> 00:19:53.179 to people that use drugs,
NOTE Confidence: 0.95240355
00:19:53.965 --> 00:19:55.244 I think we'd be in
NOTE Confidence: 0.95240355
00:19:55.244 --> 00:19:56.525 a different plate. I I
NOTE Confidence: 0.95240355
00:19:56.525 --> 00:19:57.325 know we'd be in a
NOTE Confidence: 0.95240355
00:19:57.325 --> 00:19:58.625 different place right now.
NOTE Confidence: 0.9992192
00:19:59.165 --> 00:20:00.445 I know that if we
NOTE Confidence: 0.9992192
00:20:00.445 --> 00:20:01.725 choose to listen to us
NOTE Confidence: 0.9992192
00:20:01.725 --> 00:20:02.545 about oxygen
NOTE Confidence: 0.9837707
00:20:03.165 --> 00:20:05.425 and about people with with,
NOTE Confidence: 0.9044243
00:20:06.390 --> 00:20:08.490 with lived and living experiences,
NOTE Confidence: 0.9995287

00:20:09.030 --> 00:20:11.270 we will have robust interventions
NOTE Confidence: 0.9995287

00:20:11.270 --> 00:20:12.890 that we can actually use
NOTE Confidence: 0.92631817

00:20:13.430 --> 00:20:13.750 to,
NOTE Confidence: 0.98571664

00:20:14.710 --> 00:20:15.850 combat this crisis.
NOTE Confidence: 0.98610604

00:20:16.390 --> 00:20:18.710 If we listen about drug
NOTE Confidence: 0.98610604

00:20:18.710 --> 00:20:20.515 sellers and drug users and
NOTE Confidence: 0.98610604

00:20:20.515 --> 00:20:22.375 them not being nameless, faceless
NOTE Confidence: 0.98610604

00:20:22.434 --> 00:20:23.875 people that are just out
NOTE Confidence: 0.98610604

00:20:23.875 --> 00:20:26.135 there delivering, you know, drugs,
NOTE Confidence: 0.9987793

00:20:27.635 --> 00:20:28.775 we will do
NOTE Confidence: 0.99990046

00:20:29.715 --> 00:20:30.775 amazing work.
NOTE Confidence: 0.99973583

00:20:31.234 --> 00:20:32.135 I am certain
NOTE Confidence: 0.97489005

00:20:32.880 --> 00:20:34.320 that if we follow the
NOTE Confidence: 0.97489005

00:20:34.320 --> 00:20:34.820 pathway
NOTE Confidence: 0.97667724

00:20:35.359 --> 00:20:36.880 that we've set forth, you
NOTE Confidence: 0.97667724

00:20:36.880 --> 00:20:39.140 know, with with with Nav,

NOTE Confidence: 0.97667724
00:20:39.200 --> 00:20:40.020 with Mary,
NOTE Confidence: 0.9870447
00:20:40.560 --> 00:20:42.320 with Kim, with, you know,
NOTE Confidence: 0.9870447
00:20:42.320 --> 00:20:44.000 with all of these all
NOTE Confidence: 0.9870447
00:20:44.000 --> 00:20:45.060 of these folks,
NOTE Confidence: 0.93841153
00:20:47.945 --> 00:20:49.005 I feel certain
NOTE Confidence: 0.9978738
00:20:49.945 --> 00:20:51.545 that we are well on
NOTE Confidence: 0.9978738
00:20:51.545 --> 00:20:52.505 our way to,
NOTE Confidence: 0.9135689
00:20:53.225 --> 00:20:54.744 to really doing good robust
NOTE Confidence: 0.9135689
00:20:54.744 --> 00:20:56.525 research. We gotta remember,
NOTE Confidence: 0.9987116
00:20:57.065 --> 00:20:58.265 this this stuff has to
NOTE Confidence: 0.9987116
00:20:58.265 --> 00:21:00.365 be written in ways that
NOTE Confidence: 0.9987116
00:21:00.425 --> 00:21:01.565 we can read it.
NOTE Confidence: 0.9571582
00:21:02.280 --> 00:21:03.480 Right? I have a Miles
NOTE Confidence: 0.9571582
00:21:03.480 --> 00:21:04.520 per hour, and it's still
NOTE Confidence: 0.9571582
00:21:04.520 --> 00:21:05.820 over my head sometimes.
NOTE Confidence: 0.9313521

00:21:06.360 --> 00:21:08.360 So I'm always screaming, eighth

NOTE Confidence: 0.9313521

00:21:08.360 --> 00:21:10.540 grade level. You know? Maybe

NOTE Confidence: 0.9313521

00:21:10.680 --> 00:21:11.180 six.

NOTE Confidence: 0.9686116

00:21:12.119 --> 00:21:12.780 You know?

NOTE Confidence: 0.99835396

00:21:13.640 --> 00:21:15.260 Writing these things in ways

NOTE Confidence: 0.98952204

00:21:15.685 --> 00:21:17.225 that are that the community

NOTE Confidence: 0.98952204

00:21:17.285 --> 00:21:18.025 can really

NOTE Confidence: 0.84736425

00:21:18.565 --> 00:21:20.165 can can really do, like,

NOTE Confidence: 0.84736425

00:21:20.165 --> 00:21:20.665 understand

NOTE Confidence: 0.9338013

00:21:21.525 --> 00:21:22.484 and don't have to look

NOTE Confidence: 0.9338013

00:21:22.484 --> 00:21:23.465 up because,

NOTE Confidence: 0.998588

00:21:24.005 --> 00:21:24.965 you know, I did an

NOTE Confidence: 0.998588

00:21:24.965 --> 00:21:27.065 experiment one day to see

NOTE Confidence: 0.998588

00:21:27.365 --> 00:21:29.225 how much I actually understood

NOTE Confidence: 0.9535085

00:21:29.605 --> 00:21:31.065 the words. You know?

NOTE Confidence: 0.9776826

00:21:31.559 --> 00:21:32.840 And I didn't and I

NOTE Confidence: 0.9776826
00:21:32.840 --> 00:21:33.960 didn't look any of them
NOTE Confidence: 0.9776826
00:21:33.960 --> 00:21:35.080 up one time, and I
NOTE Confidence: 0.9776826
00:21:35.080 --> 00:21:36.119 looked up some that I
NOTE Confidence: 0.9776826
00:21:36.119 --> 00:21:37.740 was questionable about others.
NOTE Confidence: 0.9981939
00:21:38.119 --> 00:21:39.720 And I wasn't exactly right
NOTE Confidence: 0.9981939
00:21:39.720 --> 00:21:41.019 about a lot of them.
NOTE Confidence: 0.993159
00:21:41.320 --> 00:21:42.460 So I think,
NOTE Confidence: 0.9840249
00:21:42.840 --> 00:21:44.440 like, knowing what you're reading
NOTE Confidence: 0.9840249
00:21:44.440 --> 00:21:45.179 is important,
NOTE Confidence: 0.9907678
00:21:45.595 --> 00:21:46.715 and it makes a big
NOTE Confidence: 0.9907678
00:21:46.715 --> 00:21:47.215 difference.
NOTE Confidence: 0.9995256
00:21:47.675 --> 00:21:48.975 And it's the responsibility
NOTE Confidence: 0.99907845
00:21:49.435 --> 00:21:51.115 of the writers of the
NOTE Confidence: 0.99907845
00:21:51.115 --> 00:21:51.615 research
NOTE Confidence: 0.9947114
00:21:51.995 --> 00:21:53.755 to write research in ways
NOTE Confidence: 0.9947114

00:21:53.755 --> 00:21:54.255 that
NOTE Confidence: 0.99841213

00:21:55.035 --> 00:21:57.355 everybody can understand them. This
NOTE Confidence: 0.99841213

00:21:57.355 --> 00:21:58.940 is not this is not
NOTE Confidence: 0.8804066

00:21:59.480 --> 00:22:00.619 a a ego party.
NOTE Confidence: 0.950478

00:22:01.720 --> 00:22:03.240 I I understand people want
NOTE Confidence: 0.950478

00:22:03.240 --> 00:22:04.299 it to sound good
NOTE Confidence: 0.990294

00:22:04.840 --> 00:22:06.359 and flow and use the
NOTE Confidence: 0.990294

00:22:06.359 --> 00:22:07.260 right language,
NOTE Confidence: 0.9988753

00:22:07.880 --> 00:22:09.419 but we need to consider
NOTE Confidence: 0.9988753

00:22:09.640 --> 00:22:10.940 who we're writing for
NOTE Confidence: 0.99563813

00:22:11.644 --> 00:22:12.845 and who are the people
NOTE Confidence: 0.99563813

00:22:12.845 --> 00:22:14.445 that are actually suffering and
NOTE Confidence: 0.99563813

00:22:14.445 --> 00:22:14.945 struggling,
NOTE Confidence: 0.9911907

00:22:16.284 --> 00:22:17.184 and informing.
NOTE Confidence: 0.99913776

00:22:17.725 --> 00:22:18.225 Right?
NOTE Confidence: 0.99192554

00:22:18.605 --> 00:22:19.885 Because at the end of

NOTE Confidence: 0.99192554
00:22:19.885 --> 00:22:20.465 the day,
NOTE Confidence: 0.998213
00:22:21.484 --> 00:22:22.845 I wanna see what I
NOTE Confidence: 0.998213
00:22:22.845 --> 00:22:23.345 said,
NOTE Confidence: 0.99969214
00:22:24.365 --> 00:22:25.585 you know, in the paper.
NOTE Confidence: 0.99516416
00:22:26.190 --> 00:22:27.649 I wanna see the language
NOTE Confidence: 0.99516416
00:22:27.710 --> 00:22:28.690 that I used.
NOTE Confidence: 0.9868781
00:22:29.230 --> 00:22:31.070 You know? It's important to
NOTE Confidence: 0.9868781
00:22:31.070 --> 00:22:32.429 me. That's the way I
NOTE Confidence: 0.9868781
00:22:32.429 --> 00:22:33.490 think about it.
NOTE Confidence: 0.9974889
00:22:34.990 --> 00:22:36.130 And I just
NOTE Confidence: 0.9961846
00:22:38.269 --> 00:22:38.929 the wounds
NOTE Confidence: 0.9997439
00:22:39.549 --> 00:22:40.850 that we're dealing with
NOTE Confidence: 0.9201788
00:22:41.365 --> 00:22:42.644 right now I know North
NOTE Confidence: 0.9201788
00:22:42.644 --> 00:22:44.644 Carolina's Survivors Union is opening
NOTE Confidence: 0.9201788
00:22:44.644 --> 00:22:45.544 a wound clinic,
NOTE Confidence: 0.9958415

00:22:47.365 --> 00:22:48.965 and it is cutting edge,
NOTE Confidence: 0.9958415

00:22:48.965 --> 00:22:50.644 guys. Like, this is the
NOTE Confidence: 0.9958415

00:22:50.644 --> 00:22:52.244 coolest thing we've ever
NOTE Confidence: 0.97457266

00:22:52.965 --> 00:22:55.044 like, we are taking on
NOTE Confidence: 0.97457266

00:22:55.044 --> 00:22:55.524 a,
NOTE Confidence: 0.99961364

00:22:56.299 --> 00:22:56.940 we're taking
NOTE Confidence: 0.87118787

00:22:58.059 --> 00:22:59.419 I I've had I'm on
NOTE Confidence: 0.87118787

00:22:59.419 --> 00:23:00.780 an I'm online. I'll be
NOTE Confidence: 0.87118787

00:23:00.780 --> 00:23:01.760 there in a minute.
NOTE Confidence: 0.987093

00:23:03.500 --> 00:23:04.799 So this wound care
NOTE Confidence: 0.8332926

00:23:05.179 --> 00:23:06.700 this what time? This wound
NOTE Confidence: 0.8332926

00:23:06.859 --> 00:23:08.059 I'm so sorry. I'm doing
NOTE Confidence: 0.8332926

00:23:08.059 --> 00:23:09.119 this from my house.
NOTE Confidence: 0.9639039

00:23:10.395 --> 00:23:12.075 No worries. This wound care
NOTE Confidence: 0.9639039

00:23:12.075 --> 00:23:13.215 room is,
NOTE Confidence: 0.9991253

00:23:14.315 --> 00:23:14.815 is

NOTE Confidence: 0.95396125
00:23:15.275 --> 00:23:17.215 cutting edge. Like, really,
NOTE Confidence: 0.9484648
00:23:17.595 --> 00:23:19.115 we have a a space
NOTE Confidence: 0.9484648
00:23:19.115 --> 00:23:20.315 not where people can come
NOTE Confidence: 0.9484648
00:23:20.315 --> 00:23:21.615 get their wounds treated,
NOTE Confidence: 0.9904731
00:23:22.950 --> 00:23:24.710 but where people can come
NOTE Confidence: 0.9904731
00:23:24.710 --> 00:23:26.470 treat their own wounds and
NOTE Confidence: 0.9904731
00:23:26.470 --> 00:23:27.830 learn about wounds and be
NOTE Confidence: 0.9904731
00:23:27.830 --> 00:23:29.289 in a sterile environment
NOTE Confidence: 0.9735238
00:23:29.750 --> 00:23:31.190 and have access to wound
NOTE Confidence: 0.9735238
00:23:31.190 --> 00:23:32.090 care that costs
NOTE Confidence: 0.9897514
00:23:32.789 --> 00:23:34.390 so much. I mean, we're
NOTE Confidence: 0.9897514
00:23:34.390 --> 00:23:36.545 talking about a lot of
NOTE Confidence: 0.9897514
00:23:36.545 --> 00:23:38.385 money. You know, these these
NOTE Confidence: 0.9897514
00:23:38.385 --> 00:23:39.445 Johnson and Johnson
NOTE Confidence: 0.79818636
00:23:39.825 --> 00:23:41.505 band aids, these McKesson band
NOTE Confidence: 0.79818636

00:23:41.505 --> 00:23:42.005 aids,
NOTE Confidence: 0.9996022
00:23:42.305 --> 00:23:43.205 they are
NOTE Confidence: 0.9972017
00:23:44.065 --> 00:23:44.725 I mean,
NOTE Confidence: 0.99412507
00:23:46.225 --> 00:23:48.244 I they're they're so exorbitant.
NOTE Confidence: 0.99412507
00:23:48.385 --> 00:23:49.505 The cost of them are
NOTE Confidence: 0.99412507
00:23:49.505 --> 00:23:51.119 so I don't know how
NOTE Confidence: 0.99412507
00:23:51.119 --> 00:23:52.560 anybody is able to keep
NOTE Confidence: 0.99412507
00:23:52.560 --> 00:23:54.180 their wounds in good order.
NOTE Confidence: 0.9959469
00:23:54.960 --> 00:23:55.920 But when I went to
NOTE Confidence: 0.9959469
00:23:55.920 --> 00:23:56.880 wound care the other day
NOTE Confidence: 0.9959469
00:23:56.880 --> 00:23:57.840 for the first time in
NOTE Confidence: 0.9959469
00:23:57.840 --> 00:23:58.660 a long time,
NOTE Confidence: 0.97969115
00:23:59.440 --> 00:24:00.480 they said, we don't know
NOTE Confidence: 0.97969115
00:24:00.480 --> 00:24:01.859 how you keep your wounds
NOTE Confidence: 0.6082826
00:24:02.480 --> 00:24:02.800 so
NOTE Confidence: 0.9874014
00:24:04.365 --> 00:24:05.725 in such good shape. We've

NOTE Confidence: 0.9874014
00:24:05.725 --> 00:24:07.165 never seen somebody that has
NOTE Confidence: 0.9874014
00:24:07.165 --> 00:24:08.605 had wounds for this amount
NOTE Confidence: 0.9874014
00:24:08.605 --> 00:24:09.265 of time
NOTE Confidence: 0.8974004
00:24:09.725 --> 00:24:11.085 that doesn't have the black
NOTE Confidence: 0.8974004
00:24:11.085 --> 00:24:11.585 necrosis
NOTE Confidence: 0.9546905
00:24:11.965 --> 00:24:13.484 that is really taking care
NOTE Confidence: 0.9546905
00:24:13.484 --> 00:24:14.785 of what's going on.
NOTE Confidence: 0.99947596
00:24:15.645 --> 00:24:17.244 And it's because I have
NOTE Confidence: 0.99947596
00:24:17.244 --> 00:24:17.744 access
NOTE Confidence: 0.99761045
00:24:18.240 --> 00:24:19.859 to these wound care supplies
NOTE Confidence: 0.93653136
00:24:20.320 --> 00:24:21.859 and this wound care information.
NOTE Confidence: 0.99926215
00:24:22.720 --> 00:24:23.220 And
NOTE Confidence: 0.9870145
00:24:23.520 --> 00:24:25.040 I want everybody to have
NOTE Confidence: 0.9870145
00:24:25.040 --> 00:24:26.400 that. And we have people
NOTE Confidence: 0.9870145
00:24:26.400 --> 00:24:27.619 learning how to clean
NOTE Confidence: 0.96606225

00:24:28.240 --> 00:24:29.440 so that somebody you know,
NOTE Confidence: 0.96606225

00:24:29.440 --> 00:24:30.560 so it's not just a
NOTE Confidence: 0.96606225

00:24:30.560 --> 00:24:31.300 one big
NOTE Confidence: 0.9879078

00:24:31.804 --> 00:24:33.505 one big, you know, MRSA
NOTE Confidence: 0.9879078

00:24:33.645 --> 00:24:34.544 room of infection.
NOTE Confidence: 0.99287856

00:24:34.924 --> 00:24:35.804 You know, we have we
NOTE Confidence: 0.99287856

00:24:35.804 --> 00:24:37.965 have specialized cleaners coming in
NOTE Confidence: 0.99287856

00:24:37.965 --> 00:24:39.424 and cleaning after every
NOTE Confidence: 0.97909564

00:24:39.885 --> 00:24:41.804 after every person uses the
NOTE Confidence: 0.97909564

00:24:41.804 --> 00:24:42.304 room,
NOTE Confidence: 0.89526135

00:24:43.645 --> 00:24:45.164 and we're taking account of
NOTE Confidence: 0.89526135

00:24:45.164 --> 00:24:46.145 what wound,
NOTE Confidence: 0.9936

00:24:46.460 --> 00:24:47.500 you know, of what wound
NOTE Confidence: 0.9936

00:24:47.500 --> 00:24:49.359 care items we're actually using.
NOTE Confidence: 0.9997809

00:24:51.020 --> 00:24:52.640 I think this is
NOTE Confidence: 0.990382

00:24:53.340 --> 00:24:55.100 something every group needs to

NOTE Confidence: 0.990382
00:24:55.100 --> 00:24:56.780 do. When we start talking
NOTE Confidence: 0.990382
00:24:56.780 --> 00:24:58.220 about the wound room is
NOTE Confidence: 0.990382
00:24:58.220 --> 00:24:59.984 when people start showing us
NOTE Confidence: 0.990382
00:25:00.145 --> 00:25:00.965 their wounds.
NOTE Confidence: 0.9721295
00:25:01.665 --> 00:25:03.025 Before that, they don't wanna
NOTE Confidence: 0.9721295
00:25:03.025 --> 00:25:04.725 share with us anything about,
NOTE Confidence: 0.95638317
00:25:05.105 --> 00:25:06.865 you know, it's private. It's
NOTE Confidence: 0.95638317
00:25:06.865 --> 00:25:08.325 it's something they're there's
NOTE Confidence: 0.963439
00:25:09.025 --> 00:25:11.125 it's stigma. It's all that.
NOTE Confidence: 0.963439
00:25:11.265 --> 00:25:12.565 Mhmm. But when they know
NOTE Confidence: 0.963439
00:25:12.705 --> 00:25:13.445 we're experiencing
NOTE Confidence: 0.99948907
00:25:13.984 --> 00:25:14.785 something like it
NOTE Confidence: 0.9759141
00:25:15.430 --> 00:25:16.790 and we're talking about wounds
NOTE Confidence: 0.9759141
00:25:16.790 --> 00:25:18.490 from here to here
NOTE Confidence: 0.92213887
00:25:18.869 --> 00:25:20.230 and on your leg from
NOTE Confidence: 0.92213887

00:25:20.230 --> 00:25:21.930 thigh to to to knee.
NOTE Confidence: 0.92213887

00:25:21.990 --> 00:25:23.350 Mhmm. I mean, these are
NOTE Confidence: 0.92213887

00:25:23.350 --> 00:25:25.369 not pretty wounds. These are
NOTE Confidence: 0.9709984

00:25:25.910 --> 00:25:26.730 these are
NOTE Confidence: 0.9693029

00:25:27.190 --> 00:25:28.490 these are ones that
NOTE Confidence: 0.8986158

00:25:29.750 --> 00:25:30.410 are painful,
NOTE Confidence: 0.99486125

00:25:31.345 --> 00:25:32.085 are miserable,
NOTE Confidence: 0.9387021

00:25:32.865 --> 00:25:33.365 and,
NOTE Confidence: 0.9944691

00:25:34.545 --> 00:25:35.825 have not gotten the attention
NOTE Confidence: 0.9944691

00:25:35.825 --> 00:25:37.525 they deserve. And so
NOTE Confidence: 0.9955505

00:25:37.905 --> 00:25:39.585 my call to action is
NOTE Confidence: 0.9955505

00:25:39.585 --> 00:25:42.005 really you know, it's important
NOTE Confidence: 0.9955505

00:25:42.065 --> 00:25:43.425 that we take this on
NOTE Confidence: 0.9955505

00:25:43.425 --> 00:25:44.645 as one of the biggest
NOTE Confidence: 0.94920135

00:25:45.320 --> 00:25:46.440 one of the biggest public
NOTE Confidence: 0.94920135

00:25:46.440 --> 00:25:47.800 health initiatives because I'm gonna

NOTE Confidence: 0.94920135
00:25:47.800 --> 00:25:48.760 tell you what, when we
NOTE Confidence: 0.94920135
00:25:48.760 --> 00:25:49.260 cite,
NOTE Confidence: 0.77767175
00:25:50.119 --> 00:25:50.619 money,
NOTE Confidence: 0.93426216
00:25:51.000 --> 00:25:52.119 oh, it costs x amount
NOTE Confidence: 0.93426216
00:25:52.119 --> 00:25:53.400 of money to treat HIV
NOTE Confidence: 0.93426216
00:25:53.400 --> 00:25:55.179 or to treat hepatitis c
NOTE Confidence: 0.9818109
00:25:56.040 --> 00:25:57.800 or to, you know, deal
NOTE Confidence: 0.9818109
00:25:57.800 --> 00:25:58.460 with overdose.
NOTE Confidence: 0.9616801
00:25:59.325 --> 00:26:00.924 Well, that doesn't have anything
NOTE Confidence: 0.9616801
00:26:00.924 --> 00:26:01.664 to do
NOTE Confidence: 0.9995562
00:26:01.965 --> 00:26:02.705 with endocarditis
NOTE Confidence: 0.8917861
00:26:03.804 --> 00:26:04.304 or,
NOTE Confidence: 0.9826762
00:26:05.164 --> 00:26:06.684 or wound care or vein
NOTE Confidence: 0.9826762
00:26:06.684 --> 00:26:08.784 care. That's way more expensive.
NOTE Confidence: 0.98455447
00:26:09.565 --> 00:26:12.044 And the level of of,
NOTE Confidence: 0.9850359

00:26:12.605 --> 00:26:14.304 pain management we're given

NOTE Confidence: 0.86446047

00:26:15.060 --> 00:26:15.560 is,

NOTE Confidence: 0.89997494

00:26:18.500 --> 00:26:20.200 is really poor. And

NOTE Confidence: 0.966337

00:26:21.540 --> 00:26:22.980 these ones make me cry

NOTE Confidence: 0.966337

00:26:22.980 --> 00:26:24.020 at night. I mean, these

NOTE Confidence: 0.966337

00:26:24.020 --> 00:26:25.220 are not these are not

NOTE Confidence: 0.966337

00:26:25.220 --> 00:26:25.720 painless.

NOTE Confidence: 0.9797522

00:26:26.260 --> 00:26:27.640 These ones are not painless,

NOTE Confidence: 0.9994513

00:26:27.940 --> 00:26:28.680 and and

NOTE Confidence: 0.9853304

00:26:29.060 --> 00:26:30.520 and and and

NOTE Confidence: 0.9957842

00:26:31.045 --> 00:26:32.165 people tend to think we

NOTE Confidence: 0.9957842

00:26:32.165 --> 00:26:33.065 deserve them.

NOTE Confidence: 0.96521944

00:26:33.525 --> 00:26:35.045 And we and I've and

NOTE Confidence: 0.96521944

00:26:35.045 --> 00:26:35.765 I've come up with one

NOTE Confidence: 0.96521944

00:26:35.765 --> 00:26:36.405 other thing, and then I'm

NOTE Confidence: 0.96521944

00:26:36.405 --> 00:26:37.285 gonna shut up for you,

NOTE Confidence: 0.96521944
00:26:37.285 --> 00:26:38.405 doctor Sue, because you have
NOTE Confidence: 0.96521944
00:26:38.405 --> 00:26:39.945 lots to say. Mhmm.
NOTE Confidence: 0.9914694
00:26:41.285 --> 00:26:42.885 Everybody thinks that they're an
NOTE Confidence: 0.9914694
00:26:42.885 --> 00:26:44.885 addiction specialist. I've figured it
NOTE Confidence: 0.9914694
00:26:44.885 --> 00:26:45.385 out.
NOTE Confidence: 0.9936976
00:26:45.820 --> 00:26:47.740 Everybody thinks that that because
NOTE Confidence: 0.9936976
00:26:47.740 --> 00:26:48.940 that's what they heard early
NOTE Confidence: 0.9936976
00:26:48.940 --> 00:26:50.700 on. You gotta treat the
NOTE Confidence: 0.9936976
00:26:50.700 --> 00:26:52.220 addiction before you treat anything
NOTE Confidence: 0.9936976
00:26:52.220 --> 00:26:53.580 else. You gotta treat substance
NOTE Confidence: 0.9936976
00:26:53.580 --> 00:26:54.480 use disorder
NOTE Confidence: 0.9973362
00:26:54.859 --> 00:26:56.720 before you treat anything else.
NOTE Confidence: 0.9929097
00:26:58.015 --> 00:26:59.775 And so first thing people
NOTE Confidence: 0.9929097
00:26:59.775 --> 00:27:00.895 do is they see signs
NOTE Confidence: 0.9929097
00:27:00.895 --> 00:27:01.554 of addiction
NOTE Confidence: 0.93346107

00:27:02.255 --> 00:27:04.015 or see signs of substance
NOTE Confidence: 0.93346107

00:27:04.015 --> 00:27:04.915 use disorder.
NOTE Confidence: 0.8710845

00:27:05.294 --> 00:27:06.595 And boy, oh, boy,
NOTE Confidence: 0.9979198

00:27:06.895 --> 00:27:08.335 they get busy, you know,
NOTE Confidence: 0.9979198

00:27:08.335 --> 00:27:09.615 trying to get you on
NOTE Confidence: 0.9979198

00:27:09.615 --> 00:27:11.294 buprenorphine when you're already on
NOTE Confidence: 0.9979198

00:27:11.294 --> 00:27:11.794 methadone
NOTE Confidence: 0.97704285

00:27:12.400 --> 00:27:13.520 or do this when you're
NOTE Confidence: 0.97704285

00:27:13.600 --> 00:27:14.560 you know? And and and
NOTE Confidence: 0.97704285

00:27:14.560 --> 00:27:16.100 you'll say, well, I've already
NOTE Confidence: 0.98531216

00:27:16.560 --> 00:27:17.680 you know, I have this
NOTE Confidence: 0.98531216

00:27:17.680 --> 00:27:18.880 under control. I have a
NOTE Confidence: 0.98531216

00:27:18.880 --> 00:27:20.660 doctor that's handling my pain.
NOTE Confidence: 0.98531216

00:27:20.880 --> 00:27:22.580 I have somebody that's currently
NOTE Confidence: 0.963186

00:27:23.600 --> 00:27:24.500 doing this,
NOTE Confidence: 0.9997459

00:27:25.085 --> 00:27:25.905 and they

NOTE Confidence: 0.9442811
00:27:26.285 --> 00:27:27.185 are determined
NOTE Confidence: 0.96523076
00:27:27.725 --> 00:27:28.525 to get it in their
NOTE Confidence: 0.96523076
00:27:28.525 --> 00:27:30.445 own hands. So I think
NOTE Confidence: 0.96523076
00:27:30.445 --> 00:27:31.984 if I can say anything
NOTE Confidence: 0.96523076
00:27:32.045 --> 00:27:33.345 before I leave is
NOTE Confidence: 0.9705205
00:27:33.965 --> 00:27:36.705 really pushing this idea that,
NOTE Confidence: 0.92123806
00:27:37.220 --> 00:27:38.660 you know, there's specialists for
NOTE Confidence: 0.92123806
00:27:38.660 --> 00:27:39.560 almost everything,
NOTE Confidence: 0.8832805
00:27:40.100 --> 00:27:41.000 but certainly
NOTE Confidence: 0.9251294
00:27:41.700 --> 00:27:42.600 for pain
NOTE Confidence: 0.98318565
00:27:44.980 --> 00:27:45.720 and addiction.
NOTE Confidence: 0.99914426
00:27:46.740 --> 00:27:47.720 And I
NOTE Confidence: 0.99365884
00:27:48.180 --> 00:27:49.859 I am now going into
NOTE Confidence: 0.99365884
00:27:49.859 --> 00:27:50.359 hospitals
NOTE Confidence: 0.997677
00:27:50.660 --> 00:27:51.640 and going into
NOTE Confidence: 0.98544675

00:27:52.395 --> 00:27:54.155 into situations where I'm able

NOTE Confidence: 0.98544675

00:27:54.155 --> 00:27:55.435 to say, I have doctors

NOTE Confidence: 0.98544675

00:27:55.435 --> 00:27:56.875 that care for this. Could

NOTE Confidence: 0.98544675

00:27:56.875 --> 00:27:58.494 you focus on this?

NOTE Confidence: 0.9869292

00:27:59.915 --> 00:28:01.195 And it's making a lot

NOTE Confidence: 0.9869292

00:28:01.195 --> 00:28:02.635 of difference. So if a

NOTE Confidence: 0.9869292

00:28:02.635 --> 00:28:04.075 sentence makes a lot of

NOTE Confidence: 0.9869292

00:28:04.075 --> 00:28:04.475 difference

NOTE Confidence: 0.8308289

00:28:04.955 --> 00:28:06.095 Mhmm. Yeah.

NOTE Confidence: 0.99830735

00:28:06.690 --> 00:28:07.190 Then

NOTE Confidence: 0.89349

00:28:07.730 --> 00:28:08.710 I've found one.

NOTE Confidence: 0.94456106

00:28:09.809 --> 00:28:10.690 So I'm gonna let you

NOTE Confidence: 0.94456106

00:28:10.690 --> 00:28:12.049 talk, doctor Sue. Sorry. I've

NOTE Confidence: 0.94456106

00:28:12.049 --> 00:28:13.330 got stuff going on. Louise

NOTE Confidence: 0.94456106

00:28:13.330 --> 00:28:15.010 Louise is Louise is the

NOTE Confidence: 0.94456106

00:28:15.010 --> 00:28:16.210 the star of this of

NOTE Confidence: 0.94456106
00:28:16.210 --> 00:28:16.929 this show,
NOTE Confidence: 0.9150092
00:28:17.730 --> 00:28:18.789 and so many,
NOTE Confidence: 0.9238049
00:28:19.484 --> 00:28:20.525 so much of what Luis
NOTE Confidence: 0.9238049
00:28:20.525 --> 00:28:22.045 has shared is,
NOTE Confidence: 0.9915926
00:28:23.484 --> 00:28:25.325 is really is really core
NOTE Confidence: 0.9915926
00:28:25.325 --> 00:28:25.825 to,
NOTE Confidence: 0.8976878
00:28:26.765 --> 00:28:27.905 core to this work.
NOTE Confidence: 0.9913985
00:28:28.445 --> 00:28:30.285 So I'm gonna loop back
NOTE Confidence: 0.9913985
00:28:30.285 --> 00:28:32.145 to Luis in a second,
NOTE Confidence: 0.9331063
00:28:32.765 --> 00:28:34.510 and talk about, but,
NOTE Confidence: 0.9087617
00:28:34.990 --> 00:28:37.010 you know, some ideas. Obviously,
NOTE Confidence: 0.9087617
00:28:37.150 --> 00:28:37.650 you,
NOTE Confidence: 0.97433025
00:28:39.070 --> 00:28:40.290 community engaged research
NOTE Confidence: 0.9874404
00:28:40.670 --> 00:28:42.450 don't necessarily have to
NOTE Confidence: 0.80266994
00:28:43.950 --> 00:28:44.770 have to
NOTE Confidence: 0.97928154

00:28:46.024 --> 00:28:47.144 sell sell it to to
NOTE Confidence: 0.97928154

00:28:47.144 --> 00:28:48.365 the people that are here.
NOTE Confidence: 0.93602985

00:28:49.144 --> 00:28:50.105 But it you know, it's
NOTE Confidence: 0.93602985

00:28:50.105 --> 00:28:52.585 it's it's incredibly meaningful. It's
NOTE Confidence: 0.93602985

00:28:52.585 --> 00:28:53.784 relevant. It's,
NOTE Confidence: 0.99950933

00:28:54.105 --> 00:28:54.605 it's
NOTE Confidence: 0.98871404

00:28:54.985 --> 00:28:57.164 timely. It's responsive to everyone's
NOTE Confidence: 0.98871404

00:28:57.225 --> 00:28:57.725 needs.
NOTE Confidence: 0.94833183

00:28:58.345 --> 00:28:59.565 And most importantly,
NOTE Confidence: 0.97910774

00:28:59.865 --> 00:29:01.610 you know, we you know,
NOTE Confidence: 0.97910774

00:29:01.610 --> 00:29:03.450 valuing the relationships that you
NOTE Confidence: 0.97910774

00:29:03.450 --> 00:29:05.049 have, and and that Louise
NOTE Confidence: 0.97910774

00:29:05.049 --> 00:29:06.409 and I have had for
NOTE Confidence: 0.97910774

00:29:06.409 --> 00:29:07.230 a long time,
NOTE Confidence: 0.95457476

00:29:08.169 --> 00:29:09.529 and and hopefully having an
NOTE Confidence: 0.95457476

00:29:09.529 --> 00:29:11.230 impact on policies and practices.

NOTE Confidence: 0.9556165
00:29:13.005 --> 00:29:13.905 This is some
NOTE Confidence: 0.99095863
00:29:14.285 --> 00:29:15.185 work from,
NOTE Confidence: 0.9766534
00:29:15.885 --> 00:29:16.945 from Katie Simon,
NOTE Confidence: 0.980478
00:29:18.045 --> 00:29:19.565 on on the need for
NOTE Confidence: 0.980478
00:29:19.565 --> 00:29:21.005 this kind of research, community
NOTE Confidence: 0.980478
00:29:21.005 --> 00:29:22.465 driven research. And,
NOTE Confidence: 0.95547307
00:29:22.765 --> 00:29:23.425 you know,
NOTE Confidence: 0.97642756
00:29:24.780 --> 00:29:25.820 you know, Louise, if you
NOTE Confidence: 0.97642756
00:29:25.820 --> 00:29:26.780 wanna chime in on any
NOTE Confidence: 0.97642756
00:29:26.780 --> 00:29:27.820 of these, feel free to
NOTE Confidence: 0.97642756
00:29:27.820 --> 00:29:28.480 do so.
NOTE Confidence: 0.96097624
00:29:28.860 --> 00:29:29.260 But,
NOTE Confidence: 0.97414976
00:29:29.740 --> 00:29:31.040 focusing on timely,
NOTE Confidence: 0.9954318
00:29:31.340 --> 00:29:33.600 accessible payments of living wages,
NOTE Confidence: 0.8615778
00:29:35.340 --> 00:29:37.760 making the findings accessible and
NOTE Confidence: 0.8675387

00:29:38.060 --> 00:29:40.080 understandable, like Louise said.

NOTE Confidence: 0.7954788

00:29:40.675 --> 00:29:41.475 Okay. In a given I

NOTE Confidence: 0.7954788

00:29:41.475 --> 00:29:42.595 don't think we're seeing your

NOTE Confidence: 0.7954788

00:29:42.595 --> 00:29:43.095 slides.

NOTE Confidence: 0.94244313

00:29:43.395 --> 00:29:44.615 Oh, you're not? Okay.

NOTE Confidence: 0.99907523

00:29:46.195 --> 00:29:47.655 Thank you. Sorry.

NOTE Confidence: 0.99842167

00:29:49.155 --> 00:29:50.055 Let me see.

NOTE Confidence: 0.9858739

00:29:52.630 --> 00:29:53.850 Can you see them now?

NOTE Confidence: 0.9858739

00:29:53.909 --> 00:29:54.409 Perfect.

NOTE Confidence: 0.9993814

00:29:55.110 --> 00:29:55.929 Okay. Great.

NOTE Confidence: 0.92794305

00:29:57.270 --> 00:29:57.770 So,

NOTE Confidence: 0.9322777

00:30:02.549 --> 00:30:03.510 I'm not gonna read all

NOTE Confidence: 0.9322777

00:30:03.510 --> 00:30:04.309 of these for you, but

NOTE Confidence: 0.9322777

00:30:04.309 --> 00:30:05.804 sort of, like, prior priority

NOTE Confidence: 0.9322777

00:30:05.804 --> 00:30:07.645 high hiring, you know, trying

NOTE Confidence: 0.9322777

00:30:07.645 --> 00:30:08.765 to get people hired. I

NOTE Confidence: 0.9322777
00:30:08.765 --> 00:30:09.405 know that,
NOTE Confidence: 0.9446229
00:30:09.965 --> 00:30:11.664 Emily Wong and Lisa Puglisi,
NOTE Confidence: 0.98937595
00:30:12.205 --> 00:30:13.005 have spent a lot of
NOTE Confidence: 0.98937595
00:30:13.005 --> 00:30:14.205 time at Yale trying to
NOTE Confidence: 0.98937595
00:30:14.205 --> 00:30:15.405 do this, hiring people with
NOTE Confidence: 0.98937595
00:30:15.405 --> 00:30:16.465 histories of incarceration,
NOTE Confidence: 0.9669797
00:30:18.240 --> 00:30:19.460 you know, helping people,
NOTE Confidence: 0.95613915
00:30:20.480 --> 00:30:22.100 you know, sort of advance
NOTE Confidence: 0.95613915
00:30:22.320 --> 00:30:23.200 them their,
NOTE Confidence: 0.9804933
00:30:23.600 --> 00:30:24.100 careers,
NOTE Confidence: 0.97845817
00:30:25.120 --> 00:30:26.420 and their and their ability
NOTE Confidence: 0.97845817
00:30:26.480 --> 00:30:27.540 to and their livelihoods,
NOTE Confidence: 0.9980575
00:30:28.880 --> 00:30:30.500 and, you know, thinking through
NOTE Confidence: 0.90901834
00:30:31.155 --> 00:30:32.935 IRBs not only as protectionist,
NOTE Confidence: 0.9520288
00:30:34.035 --> 00:30:35.735 entities, but also as empowering
NOTE Confidence: 0.9520288

00:30:35.795 --> 00:30:36.295 entities.
NOTE Confidence: 0.9950559

00:30:39.155 --> 00:30:40.935 Katie Simon, you know, also
NOTE Confidence: 0.9950559

00:30:40.995 --> 00:30:42.375 talks about, you know,
NOTE Confidence: 0.97532845

00:30:43.610 --> 00:30:45.210 the urgent research questions that
NOTE Confidence: 0.97532845

00:30:45.210 --> 00:30:46.250 come up, but not being
NOTE Confidence: 0.97532845

00:30:46.250 --> 00:30:47.850 able to implement them and
NOTE Confidence: 0.97532845

00:30:47.850 --> 00:30:49.450 really explore them with an
NOTE Confidence: 0.97532845

00:30:49.450 --> 00:30:49.950 apparatus
NOTE Confidence: 0.96336937

00:30:50.330 --> 00:30:52.030 behind you, like, you know,
NOTE Confidence: 0.9416454

00:30:52.810 --> 00:30:54.730 like Duke University or, you
NOTE Confidence: 0.9416454

00:30:54.730 --> 00:30:55.690 know, with, like, a lot
NOTE Confidence: 0.9416454

00:30:55.690 --> 00:30:56.190 of,
NOTE Confidence: 0.9653081

00:30:56.955 --> 00:30:58.315 folks, you know, that can
NOTE Confidence: 0.9653081

00:30:58.315 --> 00:30:59.054 be mobilized,
NOTE Confidence: 0.9452448

00:31:00.395 --> 00:31:01.615 you know. And the research,
NOTE Confidence: 0.87700427

00:31:02.155 --> 00:31:04.575 lends our experiential observations credibility,

NOTE Confidence: 0.964184

00:31:05.995 --> 00:31:07.035 you know, in the eyes

NOTE Confidence: 0.964184

00:31:07.035 --> 00:31:08.955 of institutions, policymakers, and the

NOTE Confidence: 0.964184

00:31:08.955 --> 00:31:09.390 public,

NOTE Confidence: 0.9240715

00:31:09.870 --> 00:31:11.890 and and hopefully can influence

NOTE Confidence: 0.9240715

00:31:12.030 --> 00:31:12.530 policy.

NOTE Confidence: 0.9222377

00:31:14.590 --> 00:31:15.090 And,

NOTE Confidence: 0.96720594

00:31:16.110 --> 00:31:17.410 but, you know, the idea

NOTE Confidence: 0.96720594

00:31:17.710 --> 00:31:19.390 also that that Luis said

NOTE Confidence: 0.96720594

00:31:19.390 --> 00:31:20.670 is that, you know, not

NOTE Confidence: 0.96720594

00:31:20.670 --> 00:31:21.410 being misinterpreted,

NOTE Confidence: 0.9433889

00:31:21.790 --> 00:31:22.850 not being distorted,

NOTE Confidence: 0.9287482

00:31:23.470 --> 00:31:24.610 you know, many times.

NOTE Confidence: 0.9705771

00:31:25.365 --> 00:31:26.265 And I don't know,

NOTE Confidence: 0.9428478

00:31:26.645 --> 00:31:27.845 Louise, you know, do you

NOTE Confidence: 0.9428478

00:31:27.845 --> 00:31:29.205 get into the nitty gritty

NOTE Confidence: 0.9428478

00:31:29.205 --> 00:31:30.245 with when you're working on
NOTE Confidence: 0.9428478

00:31:30.245 --> 00:31:31.845 a research project where you're
NOTE Confidence: 0.9428478

00:31:31.845 --> 00:31:33.605 actually going through the coding
NOTE Confidence: 0.9428478

00:31:33.605 --> 00:31:34.505 and you're like,
NOTE Confidence: 0.9794819

00:31:34.965 --> 00:31:36.325 actually, I don't agree with,
NOTE Confidence: 0.9794819

00:31:36.325 --> 00:31:37.650 like, the way that you've
NOTE Confidence: 0.9794819

00:31:37.730 --> 00:31:38.770 quote me here, and I
NOTE Confidence: 0.9794819

00:31:38.770 --> 00:31:40.530 don't actually agree with your
NOTE Confidence: 0.9794819

00:31:40.530 --> 00:31:42.450 conclusion of this theme. Like,
NOTE Confidence: 0.9794819

00:31:42.450 --> 00:31:43.410 I actually don't think this
NOTE Confidence: 0.9794819

00:31:43.410 --> 00:31:44.390 is right here.
NOTE Confidence: 0.96194285

00:31:45.250 --> 00:31:46.450 You just wanna weigh in
NOTE Confidence: 0.96194285

00:31:46.450 --> 00:31:47.330 on, you know, like, oh,
NOTE Confidence: 0.96194285

00:31:47.330 --> 00:31:48.450 I was only asked to
NOTE Confidence: 0.96194285

00:31:48.450 --> 00:31:50.130 weigh in on the inform
NOTE Confidence: 0.96194285

00:31:50.130 --> 00:31:51.810 the questionnaire, but I wasn't

NOTE Confidence: 0.96194285
00:31:51.810 --> 00:31:53.764 asked to, you know, look
NOTE Confidence: 0.96194285
00:31:53.764 --> 00:31:54.965 at the results and the
NOTE Confidence: 0.96194285
00:31:54.965 --> 00:31:56.965 data analysis or, you know,
NOTE Confidence: 0.96194285
00:31:56.965 --> 00:31:58.565 I wasn't trained to. And
NOTE Confidence: 0.96194285
00:31:58.565 --> 00:32:00.644 so I feel weird asking
NOTE Confidence: 0.96194285
00:32:00.644 --> 00:32:01.524 to look at it or
NOTE Confidence: 0.96194285
00:32:01.684 --> 00:32:02.725 you know? So, like, do
NOTE Confidence: 0.96194285
00:32:02.725 --> 00:32:04.024 you wanna weigh in on,
NOTE Confidence: 0.7616254
00:32:04.565 --> 00:32:05.845 you know, I mean, asking
NOTE Confidence: 0.7616254
00:32:06.085 --> 00:32:07.445 of that. I mean, I
NOTE Confidence: 0.7616254
00:32:07.445 --> 00:32:08.505 don't think especially
NOTE Confidence: 0.99909663
00:32:09.030 --> 00:32:09.530 quantitative
NOTE Confidence: 0.97165596
00:32:10.310 --> 00:32:12.330 work. Like, that's always
NOTE Confidence: 0.9633163
00:32:13.030 --> 00:32:15.270 that's, like, that's always outside
NOTE Confidence: 0.9633163
00:32:15.270 --> 00:32:17.210 of of what what is,
NOTE Confidence: 0.96357703

00:32:18.070 --> 00:32:19.690 given to us, it seems.
NOTE Confidence: 0.96357703

00:32:19.990 --> 00:32:20.490 And,
NOTE Confidence: 0.8924922

00:32:20.975 --> 00:32:22.195 and I have to say,
NOTE Confidence: 0.8924922

00:32:22.255 --> 00:32:24.975 Mary Mary Figgett is amazing
NOTE Confidence: 0.8924922

00:32:24.975 --> 00:32:26.275 at at helping us,
NOTE Confidence: 0.9575492

00:32:26.895 --> 00:32:28.735 get involved and and asking
NOTE Confidence: 0.9575492

00:32:28.735 --> 00:32:29.395 the questions
NOTE Confidence: 0.95372736

00:32:29.855 --> 00:32:31.395 so that we even know
NOTE Confidence: 0.95372736

00:32:31.535 --> 00:32:32.275 to look.
NOTE Confidence: 0.9356185

00:32:32.815 --> 00:32:34.335 Because sometimes we just don't
NOTE Confidence: 0.9356185

00:32:34.335 --> 00:32:35.509 even know we we don't
NOTE Confidence: 0.9356185

00:32:35.509 --> 00:32:36.710 even know what we're looking
NOTE Confidence: 0.9356185

00:32:36.710 --> 00:32:37.210 at.
NOTE Confidence: 0.961654

00:32:39.110 --> 00:32:40.649 I've gotta say this too.
NOTE Confidence: 0.9966088

00:32:42.470 --> 00:32:43.450 Like, beyond
NOTE Confidence: 0.9983573

00:32:43.750 --> 00:32:45.269 knowing what to look at,

NOTE Confidence: 0.9983573
00:32:45.269 --> 00:32:47.110 knowing how to code, knowing
NOTE Confidence: 0.9983573
00:32:47.110 --> 00:32:48.629 how to knowing how to
NOTE Confidence: 0.9983573
00:32:48.629 --> 00:32:49.690 see the
NOTE Confidence: 0.9744189
00:32:50.054 --> 00:32:51.654 subject matter and put it
NOTE Confidence: 0.9744189
00:32:51.654 --> 00:32:52.394 in a way
NOTE Confidence: 0.9791691
00:32:52.934 --> 00:32:55.335 that it it it it
NOTE Confidence: 0.9791691
00:32:55.335 --> 00:32:55.835 maximizes
NOTE Confidence: 0.93294555
00:32:56.215 --> 00:32:58.455 impact. Right? And that and
NOTE Confidence: 0.93294555
00:32:58.455 --> 00:32:58.774 that,
NOTE Confidence: 0.961171
00:32:59.335 --> 00:33:01.014 and that other researchers you
NOTE Confidence: 0.961171
00:33:01.014 --> 00:33:01.815 know, putting it in a
NOTE Confidence: 0.961171
00:33:01.815 --> 00:33:02.315 language,
NOTE Confidence: 0.9913288
00:33:02.695 --> 00:33:04.215 the shared language of the
NOTE Confidence: 0.9913288
00:33:04.215 --> 00:33:04.715 researcher.
NOTE Confidence: 0.99317837
00:33:05.220 --> 00:33:06.500 Right? I get I get
NOTE Confidence: 0.99317837

00:33:06.500 --> 00:33:07.799 that that's what's happening.

NOTE Confidence: 0.9860677

00:33:08.260 --> 00:33:09.700 So being able to do

NOTE Confidence: 0.9860677

00:33:09.700 --> 00:33:11.940 that and speak this shared

NOTE Confidence: 0.9860677

00:33:11.940 --> 00:33:12.440 language

NOTE Confidence: 0.89402497

00:33:12.980 --> 00:33:13.720 is huge.

NOTE Confidence: 0.94902563

00:33:14.580 --> 00:33:16.360 But I want to warn,

NOTE Confidence: 0.9772645

00:33:17.059 --> 00:33:18.600 it comes with an

NOTE Confidence: 0.96388996

00:33:19.174 --> 00:33:20.794 it comes with a stigma,

NOTE Confidence: 0.98647547

00:33:22.294 --> 00:33:23.335 and it comes with a

NOTE Confidence: 0.98647547

00:33:23.335 --> 00:33:23.835 truth

NOTE Confidence: 0.9941833

00:33:24.855 --> 00:33:26.534 that we have to we

NOTE Confidence: 0.9941833

00:33:26.534 --> 00:33:27.434 have to understand.

NOTE Confidence: 0.99872476

00:33:28.375 --> 00:33:29.815 When we put ourselves out

NOTE Confidence: 0.99872476

00:33:29.815 --> 00:33:31.095 there for this kind of

NOTE Confidence: 0.99872476

00:33:31.095 --> 00:33:31.595 thing,

NOTE Confidence: 0.9990019

00:33:32.940 --> 00:33:33.440 people

NOTE Confidence: 0.97722286
00:33:34.780 --> 00:33:35.660 you know, you can tell
NOTE Confidence: 0.97722286
00:33:35.660 --> 00:33:36.940 somebody you're a drug user
NOTE Confidence: 0.97722286
00:33:36.940 --> 00:33:38.000 all day long,
NOTE Confidence: 0.9990383
00:33:38.620 --> 00:33:39.760 but until they
NOTE Confidence: 0.9995689
00:33:40.380 --> 00:33:40.880 see
NOTE Confidence: 0.998692
00:33:41.419 --> 00:33:42.080 a wound,
NOTE Confidence: 0.99698085
00:33:43.500 --> 00:33:45.020 they don't identify you as
NOTE Confidence: 0.99698085
00:33:45.020 --> 00:33:45.405 that.
NOTE Confidence: 0.9820915
00:33:46.125 --> 00:33:46.845 You know what I mean?
NOTE Confidence: 0.9820915
00:33:46.845 --> 00:33:47.645 I don't know how to
NOTE Confidence: 0.9820915
00:33:47.645 --> 00:33:48.545 explain it
NOTE Confidence: 0.77736056
00:33:49.005 --> 00:33:49.825 other than,
NOTE Confidence: 0.84030235
00:33:50.445 --> 00:33:50.945 like,
NOTE Confidence: 0.99933195
00:33:54.525 --> 00:33:55.665 it is really
NOTE Confidence: 0.9998536
00:33:56.125 --> 00:33:56.625 difficult
NOTE Confidence: 0.9543736

00:33:57.325 --> 00:33:58.225 once people
NOTE Confidence: 0.97471434

00:33:58.765 --> 00:34:00.705 really begin to
NOTE Confidence: 0.9998563

00:34:01.370 --> 00:34:02.990 to see you as
NOTE Confidence: 0.99981415

00:34:03.690 --> 00:34:04.350 a wound
NOTE Confidence: 0.91297424

00:34:05.130 --> 00:34:05.630 or
NOTE Confidence: 0.99950415

00:34:06.010 --> 00:34:07.230 see you as
NOTE Confidence: 0.9952854

00:34:07.530 --> 00:34:08.489 you know, which is not
NOTE Confidence: 0.9952854

00:34:08.489 --> 00:34:10.590 what we're aiming for. Right?
NOTE Confidence: 0.9399347

00:34:13.050 --> 00:34:14.825 But it it happens,
NOTE Confidence: 0.9858961

00:34:15.205 --> 00:34:17.065 and it is frightening.
NOTE Confidence: 0.99907947

00:34:18.085 --> 00:34:19.385 And I have watched
NOTE Confidence: 0.99798894

00:34:19.925 --> 00:34:20.984 stigma increase
NOTE Confidence: 0.99887544

00:34:21.844 --> 00:34:22.984 around me,
NOTE Confidence: 0.98913765

00:34:23.525 --> 00:34:25.545 around people I'm working with,
NOTE Confidence: 0.98729414

00:34:26.650 --> 00:34:28.410 people not understanding what we're
NOTE Confidence: 0.98729414

00:34:28.410 --> 00:34:29.690 doing and why we're doing

NOTE Confidence: 0.98729414
00:34:29.690 --> 00:34:30.190 it.
NOTE Confidence: 0.97398025
00:34:32.090 --> 00:34:33.210 We're doing it to save
NOTE Confidence: 0.97398025
00:34:33.210 --> 00:34:33.710 lives.
NOTE Confidence: 0.9988254
00:34:34.010 --> 00:34:35.690 Mhmm. We're doing it because
NOTE Confidence: 0.9988254
00:34:35.690 --> 00:34:36.750 it's the reality.
NOTE Confidence: 0.95825654
00:34:37.450 --> 00:34:38.969 We're doing it because no
NOTE Confidence: 0.95825654
00:34:38.969 --> 00:34:40.410 one is exempt. And dear
NOTE Confidence: 0.95825654
00:34:40.410 --> 00:34:41.985 god, if I'm not exempt,
NOTE Confidence: 0.9935114
00:34:45.025 --> 00:34:46.165 then no one is.
NOTE Confidence: 0.9892087
00:34:46.465 --> 00:34:47.665 I mean, I really believe
NOTE Confidence: 0.9892087
00:34:47.665 --> 00:34:49.025 that. Here I am, and
NOTE Confidence: 0.9892087
00:34:49.025 --> 00:34:50.405 I have access to
NOTE Confidence: 0.98540306
00:34:50.705 --> 00:34:52.805 doctors and people and researchers
NOTE Confidence: 0.98540306
00:34:52.945 --> 00:34:54.245 and folks that care,
NOTE Confidence: 0.9251659
00:34:54.680 --> 00:34:56.120 like, for real that will
NOTE Confidence: 0.9251659

00:34:56.120 --> 00:34:57.560 call up and and throw
NOTE Confidence: 0.9251659
00:34:57.560 --> 00:34:58.060 fits.
NOTE Confidence: 0.9973127
00:34:59.000 --> 00:34:59.500 And
NOTE Confidence: 0.9993156
00:34:59.960 --> 00:35:01.560 it doesn't change things all
NOTE Confidence: 0.9993156
00:35:01.560 --> 00:35:04.060 the time. Systems are insane.
NOTE Confidence: 0.97996837
00:35:04.680 --> 00:35:06.540 I have learned some powerful
NOTE Confidence: 0.97996837
00:35:06.680 --> 00:35:08.380 lessons about what a hospital
NOTE Confidence: 0.97996837
00:35:08.520 --> 00:35:09.500 system is.
NOTE Confidence: 0.99922454
00:35:10.685 --> 00:35:11.185 And
NOTE Confidence: 0.98240757
00:35:12.045 --> 00:35:13.485 and can you change a
NOTE Confidence: 0.98240757
00:35:13.485 --> 00:35:14.625 hospital system?
NOTE Confidence: 0.99912703
00:35:15.405 --> 00:35:16.125 Good luck.
NOTE Confidence: 0.9492514
00:35:18.045 --> 00:35:19.805 It is not a matter
NOTE Confidence: 0.9492514
00:35:19.805 --> 00:35:20.305 of
NOTE Confidence: 0.970993
00:35:20.765 --> 00:35:22.525 I'm here to to be
NOTE Confidence: 0.970993
00:35:22.525 --> 00:35:23.885 there for Louise, and this

NOTE Confidence: 0.970993
00:35:23.885 --> 00:35:25.344 is what we're gonna do.
NOTE Confidence: 0.99755543
00:35:26.440 --> 00:35:26.940 Systems
NOTE Confidence: 0.99945396
00:35:27.239 --> 00:35:27.739 are
NOTE Confidence: 0.98313195
00:35:29.160 --> 00:35:30.920 complicated, complex. I don't know.
NOTE Confidence: 0.98313195
00:35:30.920 --> 00:35:31.980 I'm sure there's a
NOTE Confidence: 0.9868771
00:35:32.359 --> 00:35:32.859 a
NOTE Confidence: 0.9834903
00:35:33.239 --> 00:35:35.500 a definition that, like, explains
NOTE Confidence: 0.9834903
00:35:35.560 --> 00:35:36.600 what a system in a
NOTE Confidence: 0.9834903
00:35:36.600 --> 00:35:38.060 hospital is and does,
NOTE Confidence: 0.9756122
00:35:38.360 --> 00:35:39.660 but it is complicated.
NOTE Confidence: 0.9982048
00:35:40.520 --> 00:35:41.020 And
NOTE Confidence: 0.99622446
00:35:41.454 --> 00:35:42.815 they are not easy to
NOTE Confidence: 0.99622446
00:35:42.815 --> 00:35:44.494 change. They are not easy
NOTE Confidence: 0.99622446
00:35:44.494 --> 00:35:44.994 to
NOTE Confidence: 0.99917674
00:35:45.535 --> 00:35:46.275 to build
NOTE Confidence: 0.88821363

00:35:47.055 --> 00:35:48.035 over, under.
NOTE Confidence: 0.9786676

00:35:48.575 --> 00:35:50.194 You gotta go through it.
NOTE Confidence: 0.96510047

00:35:50.575 --> 00:35:52.174 I don't know. Like, you've
NOTE Confidence: 0.96510047

00:35:52.174 --> 00:35:53.855 really gotta you've really gotta
NOTE Confidence: 0.96510047

00:35:53.855 --> 00:35:54.594 be willing
NOTE Confidence: 0.9962025

00:35:55.055 --> 00:35:55.555 to
NOTE Confidence: 0.99726933

00:35:56.570 --> 00:35:58.330 to fight the fight. Mhmm.
NOTE Confidence: 0.95007455

00:35:59.050 --> 00:36:00.969 There's no there's no,
NOTE Confidence: 0.9987686

00:36:02.330 --> 00:36:03.469 there's no way
NOTE Confidence: 0.9943342

00:36:03.930 --> 00:36:05.210 that I have found that
NOTE Confidence: 0.9943342

00:36:05.210 --> 00:36:06.670 people are just going to
NOTE Confidence: 0.997264

00:36:06.969 --> 00:36:08.330 just going to take care
NOTE Confidence: 0.997264

00:36:08.330 --> 00:36:08.989 of you.
NOTE Confidence: 0.9968639

00:36:09.444 --> 00:36:09.944 Like,
NOTE Confidence: 0.98746413

00:36:10.645 --> 00:36:12.005 this is a this is
NOTE Confidence: 0.98746413

00:36:12.005 --> 00:36:14.025 a hard moment we're in,

NOTE Confidence: 0.9713934
00:36:14.405 --> 00:36:15.844 especially as it as as
NOTE Confidence: 0.9713934
00:36:15.844 --> 00:36:17.045 we deal with the stigma
NOTE Confidence: 0.9713934
00:36:17.045 --> 00:36:18.164 around people that use drugs.
NOTE Confidence: 0.9713934
00:36:18.164 --> 00:36:19.545 So just knowing that,
NOTE Confidence: 0.9977426
00:36:20.005 --> 00:36:20.964 and and then you add
NOTE Confidence: 0.9977426
00:36:20.964 --> 00:36:22.565 pain to it. I have
NOTE Confidence: 0.9977426
00:36:22.565 --> 00:36:24.105 one I have one
NOTE Confidence: 0.86753243
00:36:25.100 --> 00:36:26.640 story, and and,
NOTE Confidence: 0.99232274
00:36:27.420 --> 00:36:28.300 and it was years ago
NOTE Confidence: 0.99232274
00:36:28.300 --> 00:36:29.260 when I was getting my
NOTE Confidence: 0.99232274
00:36:29.260 --> 00:36:29.580 leg,
NOTE Confidence: 0.95911115
00:36:30.219 --> 00:36:30.719 amputated.
NOTE Confidence: 0.94842774
00:36:31.420 --> 00:36:32.860 And the guy I was
NOTE Confidence: 0.94842774
00:36:32.860 --> 00:36:33.600 on methadone
NOTE Confidence: 0.95986694
00:36:33.980 --> 00:36:35.260 and the guy and he
NOTE Confidence: 0.95986694

00:36:35.260 --> 00:36:36.060 said, well, you know, we
NOTE Confidence: 0.95986694

00:36:36.060 --> 00:36:37.180 can't give you any other
NOTE Confidence: 0.95986694

00:36:37.180 --> 00:36:37.920 pain medicine
NOTE Confidence: 0.9924201

00:36:38.460 --> 00:36:40.244 because, you know, you're you're
NOTE Confidence: 0.9924201

00:36:40.244 --> 00:36:41.444 not eligible for it. And
NOTE Confidence: 0.9924201

00:36:41.444 --> 00:36:42.325 he pulled out a picture
NOTE Confidence: 0.9924201

00:36:42.325 --> 00:36:43.144 of my criminal,
NOTE Confidence: 0.8437626

00:36:43.605 --> 00:36:44.984 like, mug shot
NOTE Confidence: 0.9568565

00:36:45.605 --> 00:36:46.644 and showed me that, and
NOTE Confidence: 0.9568565

00:36:46.644 --> 00:36:48.005 I thought this doesn't have
NOTE Confidence: 0.9568565

00:36:48.005 --> 00:36:49.144 anything to do
NOTE Confidence: 0.9596266

00:36:49.444 --> 00:36:49.944 with,
NOTE Confidence: 0.9860374

00:36:50.964 --> 00:36:52.964 pain or medicine or anything
NOTE Confidence: 0.9860374

00:36:52.964 --> 00:36:53.704 like that.
NOTE Confidence: 0.9986639

00:36:54.590 --> 00:36:55.810 But that was a reality
NOTE Confidence: 0.9529214

00:36:56.270 --> 00:36:56.930 for me.

NOTE Confidence: 0.9476282
00:36:57.310 --> 00:36:58.989 And sometimes the stories I
NOTE Confidence: 0.9476282
00:36:58.989 --> 00:37:00.770 hear from people, they're so
NOTE Confidence: 0.9476282
00:37:00.989 --> 00:37:01.489 bizarre.
NOTE Confidence: 0.99943304
00:37:02.030 --> 00:37:03.410 They're hard to even believe.
NOTE Confidence: 0.9460591
00:37:03.790 --> 00:37:04.770 They're like,
NOTE Confidence: 0.9993141
00:37:05.710 --> 00:37:07.070 it's the stories that are
NOTE Confidence: 0.9993141
00:37:07.070 --> 00:37:08.690 so beyond imagination
NOTE Confidence: 0.99938595
00:37:09.405 --> 00:37:10.364 that are the ones that
NOTE Confidence: 0.99938595
00:37:10.364 --> 00:37:11.025 are true
NOTE Confidence: 0.9161726
00:37:11.725 --> 00:37:12.545 and really,
NOTE Confidence: 0.9640889
00:37:14.765 --> 00:37:15.265 sad.
NOTE Confidence: 0.9899659
00:37:15.805 --> 00:37:16.844 We need to be there
NOTE Confidence: 0.9899659
00:37:16.844 --> 00:37:18.844 fighting for people and and
NOTE Confidence: 0.9899659
00:37:18.844 --> 00:37:20.385 holding their hand and advocating
NOTE Confidence: 0.9899659
00:37:20.525 --> 00:37:21.665 for them and remembering
NOTE Confidence: 0.9948715

00:37:22.364 --> 00:37:23.105 that, like,
NOTE Confidence: 0.94004154

00:37:23.540 --> 00:37:24.820 we might be mad and
NOTE Confidence: 0.94004154

00:37:24.820 --> 00:37:26.020 angry and it might be
NOTE Confidence: 0.94004154

00:37:26.020 --> 00:37:27.800 a hard day and, like,
NOTE Confidence: 0.98996997

00:37:28.660 --> 00:37:29.800 don't take it personally.
NOTE Confidence: 0.9844403

00:37:30.260 --> 00:37:30.760 Like,
NOTE Confidence: 0.97206384

00:37:31.140 --> 00:37:32.260 you know, just be there
NOTE Confidence: 0.97206384

00:37:32.260 --> 00:37:33.859 for us. You know? Because
NOTE Confidence: 0.97206384

00:37:33.859 --> 00:37:35.619 helping somebody with with doctor's
NOTE Confidence: 0.97206384

00:37:35.619 --> 00:37:37.094 visits is is no fun
NOTE Confidence: 0.97206384

00:37:37.094 --> 00:37:37.915 for anybody.
NOTE Confidence: 0.9956838

00:37:38.855 --> 00:37:39.895 That's all I have to
NOTE Confidence: 0.9956838

00:37:39.895 --> 00:37:41.495 say. I just I I
NOTE Confidence: 0.9956838

00:37:41.495 --> 00:37:43.594 really admire people that that
NOTE Confidence: 0.99672645

00:37:44.055 --> 00:37:44.795 that provide
NOTE Confidence: 0.5471852

00:37:45.255 --> 00:37:45.755 support

NOTE Confidence: 0.9680722
00:37:46.375 --> 00:37:47.895 and and and assist people
NOTE Confidence: 0.9680722
00:37:47.895 --> 00:37:49.495 because it is no it's
NOTE Confidence: 0.9680722
00:37:49.495 --> 00:37:50.235 no fun.
NOTE Confidence: 0.74022907
00:37:50.680 --> 00:37:51.180 Louisa,
NOTE Confidence: 0.92685384
00:37:51.960 --> 00:37:53.640 doctor Filene put a a
NOTE Confidence: 0.92685384
00:37:53.640 --> 00:37:54.600 a question in that I'm
NOTE Confidence: 0.92685384
00:37:54.600 --> 00:37:55.800 hoping that we can we
NOTE Confidence: 0.92685384
00:37:55.800 --> 00:37:56.120 can,
NOTE Confidence: 0.9994873
00:37:56.840 --> 00:37:57.739 discuss together
NOTE Confidence: 0.98501325
00:37:58.360 --> 00:38:00.360 about acute pain management in
NOTE Confidence: 0.98501325
00:38:00.360 --> 00:38:01.980 the face of xylazine wounds,
NOTE Confidence: 0.98501325
00:38:02.040 --> 00:38:04.200 OUD, and chronic pain, and
NOTE Confidence: 0.98501325
00:38:04.200 --> 00:38:05.895 any research questions that
NOTE Confidence: 0.9945521
00:38:06.375 --> 00:38:07.275 come to mind.
NOTE Confidence: 0.9731994
00:38:07.895 --> 00:38:09.335 I'm just gonna go to
NOTE Confidence: 0.9731994

00:38:09.335 --> 00:38:10.075 a slide,
NOTE Confidence: 0.99949527
00:38:12.135 --> 00:38:12.635 about
NOTE Confidence: 0.8697708
00:38:13.335 --> 00:38:13.835 Xylazine.
NOTE Confidence: 0.9090063
00:38:15.175 --> 00:38:16.555 And you've had these wounds
NOTE Confidence: 0.9090063
00:38:16.775 --> 00:38:17.275 since,
NOTE Confidence: 0.9994603
00:38:17.815 --> 00:38:18.795 these are now
NOTE Confidence: 0.9550398
00:38:19.255 --> 00:38:21.970 fairly, like, it correct me
NOTE Confidence: 0.9550398
00:38:21.970 --> 00:38:23.330 if I'm wrong. I you
NOTE Confidence: 0.9550398
00:38:23.330 --> 00:38:24.450 and I were on a
NOTE Confidence: 0.9550398
00:38:24.450 --> 00:38:26.370 webinar when Xylazine first emerged
NOTE Confidence: 0.9550398
00:38:26.370 --> 00:38:27.090 when I was still at
NOTE Confidence: 0.9550398
00:38:27.090 --> 00:38:28.850 Harm Reduction Coalition in twenty
NOTE Confidence: 0.9550398
00:38:28.850 --> 00:38:29.350 twenty
NOTE Confidence: 0.89977014
00:38:30.370 --> 00:38:31.810 when COVID was emerging. And
NOTE Confidence: 0.89977014
00:38:31.810 --> 00:38:34.130 you you your arms were,
NOTE Confidence: 0.93316895
00:38:34.770 --> 00:38:35.975 you know, you consulted me

NOTE Confidence: 0.93316895
00:38:35.975 --> 00:38:36.955 about your arms,
NOTE Confidence: 0.8932322
00:38:38.295 --> 00:38:39.655 sort of back back then.
NOTE Confidence: 0.8932322
00:38:39.655 --> 00:38:40.455 And I don't know if
NOTE Confidence: 0.8932322
00:38:40.455 --> 00:38:41.735 that was the earliest that
NOTE Confidence: 0.8932322
00:38:41.735 --> 00:38:43.295 you had them. But Right.
NOTE Confidence: 0.8932322
00:38:43.415 --> 00:38:44.955 What I'm the picture. Like,
NOTE Confidence: 0.8932322
00:38:45.015 --> 00:38:46.395 what what would you share
NOTE Confidence: 0.8932322
00:38:46.535 --> 00:38:47.035 about,
NOTE Confidence: 0.9269036
00:38:48.220 --> 00:38:49.660 if if you felt you
NOTE Confidence: 0.9269036
00:38:49.660 --> 00:38:50.800 were adequately
NOTE Confidence: 0.9999118
00:38:51.500 --> 00:38:52.000 treated
NOTE Confidence: 0.98195046
00:38:52.780 --> 00:38:53.680 for pain,
NOTE Confidence: 0.91001457
00:38:54.460 --> 00:38:55.280 and OUD,
NOTE Confidence: 0.98799044
00:38:55.580 --> 00:38:56.880 you know, like
NOTE Confidence: 0.98900795
00:38:57.180 --> 00:38:58.540 or, you know, how can
NOTE Confidence: 0.98900795

00:38:58.540 --> 00:39:00.000 you help us as researchers
NOTE Confidence: 0.98900795

00:39:00.140 --> 00:39:01.280 think through ways
NOTE Confidence: 0.9553217

00:39:02.825 --> 00:39:04.184 that we can approach this
NOTE Confidence: 0.9553217

00:39:04.184 --> 00:39:04.684 question?
NOTE Confidence: 0.9470781

00:39:05.944 --> 00:39:07.864 You know, like, how painful
NOTE Confidence: 0.9470781

00:39:07.864 --> 00:39:09.224 are the you know, what
NOTE Confidence: 0.9470781

00:39:09.224 --> 00:39:10.505 kind of research questions should
NOTE Confidence: 0.9470781

00:39:10.505 --> 00:39:11.385 we be asking? And and
NOTE Confidence: 0.9470781

00:39:11.385 --> 00:39:12.605 I actually have a slide,
NOTE Confidence: 0.8726927

00:39:13.145 --> 00:39:14.184 you know, I didn't I
NOTE Confidence: 0.8726927

00:39:14.184 --> 00:39:15.145 didn't have photos of your
NOTE Confidence: 0.8726927

00:39:15.145 --> 00:39:16.260 wounds, but this is photos
NOTE Confidence: 0.8726927

00:39:16.340 --> 00:39:17.460 from one of my patients'
NOTE Confidence: 0.8726927

00:39:17.460 --> 00:39:18.660 wounds. I can pull some
NOTE Confidence: 0.8726927

00:39:18.660 --> 00:39:19.780 up while you're talking. I
NOTE Confidence: 0.8726927

00:39:19.780 --> 00:39:20.980 mean, the you know, you

NOTE Confidence: 0.8726927
00:39:20.980 --> 00:39:21.560 you know,
NOTE Confidence: 0.8062822
00:39:22.420 --> 00:39:24.200 they can be similar. But,
NOTE Confidence: 0.9239185
00:39:25.219 --> 00:39:26.580 so do you you know,
NOTE Confidence: 0.9239185
00:39:26.580 --> 00:39:27.780 what I can also show
NOTE Confidence: 0.9239185
00:39:27.780 --> 00:39:29.060 what what I've tried too.
NOTE Confidence: 0.9239185
00:39:29.060 --> 00:39:30.340 At the methadone clinic, we
NOTE Confidence: 0.9239185
00:39:30.340 --> 00:39:32.234 would try to split dose
NOTE Confidence: 0.9239185
00:39:32.234 --> 00:39:32.734 methadone.
NOTE Confidence: 0.9995525
00:39:33.755 --> 00:39:35.295 We would try to
NOTE Confidence: 0.82236266
00:39:35.594 --> 00:39:37.775 do, full agonist hydromorphone
NOTE Confidence: 0.9210318
00:39:38.234 --> 00:39:39.674 on top, so dilaudid on
NOTE Confidence: 0.9210318
00:39:39.674 --> 00:39:39.994 top.
NOTE Confidence: 0.9753472
00:39:40.795 --> 00:39:42.655 If possible, trying to use,
NOTE Confidence: 0.93845594
00:39:43.450 --> 00:39:44.910 even thinking about, like, local
NOTE Confidence: 0.93845594
00:39:44.969 --> 00:39:46.810 anesthetic or thinking about, like,
NOTE Confidence: 0.93845594

00:39:46.810 --> 00:39:47.310 ways,
NOTE Confidence: 0.99181426
00:39:47.610 --> 00:39:48.730 you know, given that these
NOTE Confidence: 0.99181426
00:39:48.730 --> 00:39:49.550 are wounds,
NOTE Confidence: 0.94801015
00:39:50.010 --> 00:39:50.989 what we could do.
NOTE Confidence: 0.99350667
00:39:51.690 --> 00:39:52.989 You know, how do we
NOTE Confidence: 0.99350667
00:39:53.050 --> 00:39:53.550 understand,
NOTE Confidence: 0.90336835
00:39:54.330 --> 00:39:55.770 this pain? You know what
NOTE Confidence: 0.90336835
00:39:55.770 --> 00:39:56.730 I mean? Like, what you
NOTE Confidence: 0.90336835
00:39:56.730 --> 00:39:57.945 know, like, so so I
NOTE Confidence: 0.90336835
00:39:57.945 --> 00:39:58.905 don't know if you I've
NOTE Confidence: 0.90336835
00:39:58.905 --> 00:39:59.645 got a knob.
NOTE Confidence: 0.941028
00:40:00.225 --> 00:40:02.185 My strategies. I and that
NOTE Confidence: 0.941028
00:40:02.185 --> 00:40:03.545 is to listen to people
NOTE Confidence: 0.941028
00:40:03.545 --> 00:40:05.225 that use drugs. How about
NOTE Confidence: 0.941028
00:40:05.225 --> 00:40:06.185 that? Right.
NOTE Confidence: 0.9980392
00:40:06.505 --> 00:40:07.864 As I have done this

NOTE Confidence: 0.9980392
00:40:07.864 --> 00:40:09.225 now for a very long
NOTE Confidence: 0.9980392
00:40:09.225 --> 00:40:09.725 time,
NOTE Confidence: 0.9112411
00:40:10.025 --> 00:40:11.625 my poor act I feel
NOTE Confidence: 0.9112411
00:40:11.625 --> 00:40:11.785 so
NOTE Confidence: 0.9924755
00:40:12.800 --> 00:40:14.640 you know, my doctor is
NOTE Confidence: 0.9924755
00:40:14.640 --> 00:40:15.140 so
NOTE Confidence: 0.87755716
00:40:15.599 --> 00:40:16.099 quiet,
NOTE Confidence: 0.9980595
00:40:17.040 --> 00:40:18.560 and I've I think I'm
NOTE Confidence: 0.9980595
00:40:18.560 --> 00:40:19.700 a lot for him.
NOTE Confidence: 0.9968473
00:40:20.160 --> 00:40:21.440 When I met him, he
NOTE Confidence: 0.9968473
00:40:21.440 --> 00:40:22.900 was wanting to, like, provide
NOTE Confidence: 0.94707966
00:40:23.440 --> 00:40:25.200 services for our clinic, and
NOTE Confidence: 0.94707966
00:40:25.200 --> 00:40:26.820 he got stuck with me
NOTE Confidence: 0.94707966
00:40:27.119 --> 00:40:28.340 as basic.
NOTE Confidence: 0.9261962
00:40:29.535 --> 00:40:29.935 And,
NOTE Confidence: 0.97817564

00:40:30.895 --> 00:40:32.415 it's been it's been a
NOTE Confidence: 0.97817564

00:40:32.415 --> 00:40:33.234 long haul.
NOTE Confidence: 0.9924412

00:40:33.695 --> 00:40:35.375 But over the years, we've
NOTE Confidence: 0.9924412

00:40:35.375 --> 00:40:37.075 come to trust one another,
NOTE Confidence: 0.97436875

00:40:38.655 --> 00:40:40.515 in a really cool way.
NOTE Confidence: 0.9947604

00:40:41.614 --> 00:40:43.315 And I happened to
NOTE Confidence: 0.99927133

00:40:43.850 --> 00:40:44.510 meet somebody
NOTE Confidence: 0.96518236

00:40:45.370 --> 00:40:46.810 that saw us at the
NOTE Confidence: 0.96518236

00:40:46.810 --> 00:40:47.790 methadone conference,
NOTE Confidence: 0.9826435

00:40:49.930 --> 00:40:51.050 a a doctor that saw
NOTE Confidence: 0.9826435

00:40:51.050 --> 00:40:52.330 us at the methadone conference
NOTE Confidence: 0.9826435

00:40:52.330 --> 00:40:54.190 to help prescribe pain management.
NOTE Confidence: 0.99771947

00:40:55.290 --> 00:40:55.790 And
NOTE Confidence: 0.9578389

00:40:56.250 --> 00:40:56.989 that was,
NOTE Confidence: 0.9969614

00:40:58.525 --> 00:41:00.864 you know, that was huge.
NOTE Confidence: 0.98341405

00:41:01.165 --> 00:41:02.605 You know, here was somebody

NOTE Confidence: 0.98341405
00:41:02.605 --> 00:41:03.965 that did pain management with
NOTE Confidence: 0.98341405
00:41:03.965 --> 00:41:05.585 people with substance use disorders.
NOTE Confidence: 0.9990016
00:41:05.965 --> 00:41:06.465 Mhmm.
NOTE Confidence: 0.99638885
00:41:07.005 --> 00:41:08.145 Kim, you've been
NOTE Confidence: 0.72585917
00:41:08.844 --> 00:41:09.344 amazing.
NOTE Confidence: 0.9289807
00:41:09.725 --> 00:41:11.520 Just throwing your weight. You
NOTE Confidence: 0.9289807
00:41:11.520 --> 00:41:13.460 know, just just giving
NOTE Confidence: 0.99793196
00:41:14.000 --> 00:41:14.500 some
NOTE Confidence: 0.95568395
00:41:14.960 --> 00:41:15.700 you know,
NOTE Confidence: 0.9761219
00:41:16.160 --> 00:41:17.520 people like me, we need
NOTE Confidence: 0.9761219
00:41:17.520 --> 00:41:18.980 people to say, hey.
NOTE Confidence: 0.9675625
00:41:19.520 --> 00:41:21.860 This woman's not playing around.
NOTE Confidence: 0.8792022
00:41:22.400 --> 00:41:23.060 You know?
NOTE Confidence: 0.936882
00:41:23.680 --> 00:41:24.960 The pain that I have
NOTE Confidence: 0.9994345
00:41:25.985 --> 00:41:26.945 the only thing that I
NOTE Confidence: 0.9994345

00:41:26.945 --> 00:41:28.245 can say when I'm describing
NOTE Confidence: 0.9994345

00:41:28.465 --> 00:41:29.364 pain is
NOTE Confidence: 0.95146483

00:41:31.105 --> 00:41:32.165 I have to
NOTE Confidence: 0.96096575

00:41:33.344 --> 00:41:34.785 it's so painful that I
NOTE Confidence: 0.96096575

00:41:34.785 --> 00:41:35.925 I I can't
NOTE Confidence: 0.9287053

00:41:36.545 --> 00:41:37.765 I I can't function.
NOTE Confidence: 0.99273044

00:41:38.510 --> 00:41:39.710 Right? And so it's I
NOTE Confidence: 0.99273044

00:41:39.710 --> 00:41:40.829 can't always put a number
NOTE Confidence: 0.99273044

00:41:40.829 --> 00:41:42.030 on top of it. I
NOTE Confidence: 0.99273044

00:41:42.030 --> 00:41:43.410 can't tell you how much
NOTE Confidence: 0.9528531

00:41:43.710 --> 00:41:45.489 pain management I need because
NOTE Confidence: 0.9528531

00:41:45.630 --> 00:41:46.369 you've gotta
NOTE Confidence: 0.9909671

00:41:46.750 --> 00:41:48.130 give me enough to test.
NOTE Confidence: 0.99036294

00:41:48.430 --> 00:41:49.630 Like, you've gotta trust me
NOTE Confidence: 0.99036294

00:41:49.630 --> 00:41:50.130 enough
NOTE Confidence: 0.98593205

00:41:50.430 --> 00:41:52.030 to know or, you know,

NOTE Confidence: 0.98593205
00:41:52.030 --> 00:41:54.075 or I'll not you know,
NOTE Confidence: 0.98593205
00:41:54.075 --> 00:41:55.594 these things. But what I
NOTE Confidence: 0.98593205
00:41:55.755 --> 00:41:56.875 the goal is to get
NOTE Confidence: 0.98593205
00:41:56.875 --> 00:41:58.015 away from fentanyl.
NOTE Confidence: 0.9974705
00:41:58.475 --> 00:41:59.755 Right? The goal is to
NOTE Confidence: 0.9974705
00:41:59.755 --> 00:42:01.455 get away from street fentanyl
NOTE Confidence: 0.9943299
00:42:01.995 --> 00:42:02.895 in my world.
NOTE Confidence: 0.99607563
00:42:04.235 --> 00:42:05.375 We've used ketamine
NOTE Confidence: 0.99583334
00:42:07.140 --> 00:42:08.420 in one of my and
NOTE Confidence: 0.99583334
00:42:08.420 --> 00:42:09.559 that's not illegal.
NOTE Confidence: 0.9913686
00:42:09.859 --> 00:42:10.359 That's
NOTE Confidence: 0.89317536
00:42:10.900 --> 00:42:11.700 a a sort of on
NOTE Confidence: 0.89317536
00:42:11.700 --> 00:42:12.739 the side, we're doing a
NOTE Confidence: 0.89317536
00:42:12.739 --> 00:42:13.239 DBT
NOTE Confidence: 0.96772724
00:42:13.859 --> 00:42:15.000 ketamine program
NOTE Confidence: 0.93073636

00:42:15.780 --> 00:42:16.839 that is working,
NOTE Confidence: 0.9791543

00:42:17.540 --> 00:42:19.319 miracles, and we are consulting
NOTE Confidence: 0.9992879

00:42:19.619 --> 00:42:20.119 with
NOTE Confidence: 0.99698544

00:42:21.984 --> 00:42:22.885 many foundations
NOTE Confidence: 0.99111545

00:42:23.185 --> 00:42:23.765 on that.
NOTE Confidence: 0.94415987

00:42:24.545 --> 00:42:25.605 But, truly,
NOTE Confidence: 0.99754816

00:42:26.625 --> 00:42:27.525 it's the hydromorphone
NOTE Confidence: 0.9989354

00:42:28.145 --> 00:42:29.364 that's been really
NOTE Confidence: 0.9998454

00:42:29.744 --> 00:42:30.224 helpful
NOTE Confidence: 0.9926136

00:42:30.625 --> 00:42:31.844 Mhmm. To put on top.
NOTE Confidence: 0.95045024

00:42:32.145 --> 00:42:33.105 Right? I have to have
NOTE Confidence: 0.95045024

00:42:33.105 --> 00:42:33.605 methadone.
NOTE Confidence: 0.9003683

00:42:34.145 --> 00:42:36.005 I do us, like, what
NOTE Confidence: 0.9003683

00:42:36.065 --> 00:42:36.565 what,
NOTE Confidence: 0.94135535

00:42:37.219 --> 00:42:38.260 like, you know, can you
NOTE Confidence: 0.94135535

00:42:38.260 --> 00:42:39.239 tell us, like,

NOTE Confidence: 0.96802306
00:42:39.619 --> 00:42:41.000 how, you know,
NOTE Confidence: 0.9912885
00:42:42.500 --> 00:42:43.780 like, you know, how we
NOTE Confidence: 0.9912885
00:42:43.780 --> 00:42:44.839 should think about,
NOTE Confidence: 0.73769987
00:42:47.859 --> 00:42:48.599 I guess,
NOTE Confidence: 0.94370013
00:42:49.734 --> 00:42:52.215 doing that safely. And and,
NOTE Confidence: 0.98630404
00:42:52.614 --> 00:42:53.815 and then also thinking back
NOTE Confidence: 0.98630404
00:42:53.815 --> 00:42:55.335 to the ketamine question and
NOTE Confidence: 0.98630404
00:42:55.335 --> 00:42:56.555 trying to work with foundations,
NOTE Confidence: 0.98630404
00:42:56.614 --> 00:42:57.994 the questions you have,
NOTE Confidence: 0.9561522
00:42:58.455 --> 00:43:00.215 it's like it's an interesting
NOTE Confidence: 0.9561522
00:43:00.215 --> 00:43:02.075 research question. Like, is
NOTE Confidence: 0.99679124
00:43:02.460 --> 00:43:04.400 ketamine, you know, a useful
NOTE Confidence: 0.9885222
00:43:04.700 --> 00:43:05.200 therapeutic,
NOTE Confidence: 0.98375785
00:43:06.859 --> 00:43:09.119 for acute pain from xylazine
NOTE Confidence: 0.98375785
00:43:09.260 --> 00:43:10.540 wounds or chronic pain? You
NOTE Confidence: 0.98375785

00:43:10.540 --> 00:43:11.580 know? And so how, you
NOTE Confidence: 0.98375785

00:43:11.580 --> 00:43:12.780 know, how how should we
NOTE Confidence: 0.98375785

00:43:12.780 --> 00:43:13.280 approach
NOTE Confidence: 0.9993695

00:43:13.660 --> 00:43:14.480 those questions?
NOTE Confidence: 0.9922171

00:43:15.905 --> 00:43:17.185 You know, I I think
NOTE Confidence: 0.9922171

00:43:17.185 --> 00:43:18.224 these questions need to be
NOTE Confidence: 0.9922171

00:43:18.224 --> 00:43:19.585 asked. I think the way
NOTE Confidence: 0.9922171

00:43:19.585 --> 00:43:20.244 they do,
NOTE Confidence: 0.97168

00:43:20.945 --> 00:43:21.445 ketamine,
NOTE Confidence: 0.96420074

00:43:22.625 --> 00:43:23.984 is sort of atrocious now
NOTE Confidence: 0.96420074

00:43:23.984 --> 00:43:25.665 anyway. Like, just in the
NOTE Confidence: 0.96420074

00:43:25.665 --> 00:43:26.405 in the,
NOTE Confidence: 0.94199514

00:43:26.864 --> 00:43:28.224 like, sort of in the
NOTE Confidence: 0.94199514

00:43:28.224 --> 00:43:28.724 patient
NOTE Confidence: 0.7678069

00:43:29.505 --> 00:43:30.005 room,
NOTE Confidence: 0.92982996

00:43:30.385 --> 00:43:31.560 you know. So I don't

NOTE Confidence: 0.92982996
00:43:31.640 --> 00:43:32.600 see a lot of value
NOTE Confidence: 0.92982996
00:43:32.600 --> 00:43:33.880 in the current in the
NOTE Confidence: 0.92982996
00:43:33.880 --> 00:43:34.700 current systems,
NOTE Confidence: 0.9852664
00:43:35.320 --> 00:43:36.520 but that but I haven't
NOTE Confidence: 0.9852664
00:43:36.520 --> 00:43:37.560 studied that, and that's not
NOTE Confidence: 0.9852664
00:43:37.560 --> 00:43:38.219 my business.
NOTE Confidence: 0.987922
00:43:39.719 --> 00:43:40.840 If it works for folks,
NOTE Confidence: 0.987922
00:43:40.840 --> 00:43:41.960 that's great, and I don't
NOTE Confidence: 0.987922
00:43:41.960 --> 00:43:43.100 wanna knock that.
NOTE Confidence: 0.97238517
00:43:44.040 --> 00:43:45.080 But I do think,
NOTE Confidence: 0.9910456
00:43:46.135 --> 00:43:46.935 there has to be a
NOTE Confidence: 0.9910456
00:43:46.935 --> 00:43:48.695 level of trust that you
NOTE Confidence: 0.9910456
00:43:48.695 --> 00:43:49.675 trust your patient
NOTE Confidence: 0.9969008
00:43:50.215 --> 00:43:50.715 to
NOTE Confidence: 0.99809337
00:43:51.015 --> 00:43:53.195 take reasonable amounts of
NOTE Confidence: 0.9116377

00:43:53.815 --> 00:43:54.315 of,
NOTE Confidence: 0.97885805
00:43:55.415 --> 00:43:57.755 pain medicine. Understand pain medicine.
NOTE Confidence: 0.97885805
00:43:57.895 --> 00:44:00.315 Understand the the time lapses.
NOTE Confidence: 0.97885805
00:44:00.535 --> 00:44:01.869 Understand that, like, you're not
NOTE Confidence: 0.97885805
00:44:01.869 --> 00:44:02.830 gonna feel it all at
NOTE Confidence: 0.97885805
00:44:02.830 --> 00:44:03.730 the same time.
NOTE Confidence: 0.92172724
00:44:04.349 --> 00:44:04.910 You you know what I
NOTE Confidence: 0.92172724
00:44:04.910 --> 00:44:05.410 mean?
NOTE Confidence: 0.96729666
00:44:07.630 --> 00:44:08.930 I think when when
NOTE Confidence: 0.98705435
00:44:09.230 --> 00:44:10.349 the doctor that I was
NOTE Confidence: 0.98705435
00:44:10.349 --> 00:44:11.710 working with and still am
NOTE Confidence: 0.98705435
00:44:11.710 --> 00:44:12.530 working with,
NOTE Confidence: 0.9290616
00:44:13.950 --> 00:44:15.495 really began to trust each
NOTE Confidence: 0.9290616
00:44:15.735 --> 00:44:16.235 other.
NOTE Confidence: 0.9969102
00:44:16.535 --> 00:44:17.355 Things changed
NOTE Confidence: 0.9234367
00:44:17.975 --> 00:44:19.255 because I was able to

NOTE Confidence: 0.9234367
00:44:19.255 --> 00:44:19.755 say,
NOTE Confidence: 0.95687723
00:44:20.295 --> 00:44:21.575 I need a split dose
NOTE Confidence: 0.95687723
00:44:21.575 --> 00:44:23.115 here Mhmm. With the methadone.
NOTE Confidence: 0.95687723
00:44:23.335 --> 00:44:24.135 If I don't have a
NOTE Confidence: 0.95687723
00:44:24.135 --> 00:44:25.975 split dose of methadone, then
NOTE Confidence: 0.95687723
00:44:25.975 --> 00:44:27.735 everything at night goes to
NOTE Confidence: 0.95687723
00:44:27.735 --> 00:44:29.495 shit. Mhmm. Like, didn't I
NOTE Confidence: 0.95687723
00:44:29.495 --> 00:44:31.200 take too much? Mhmm.
NOTE Confidence: 0.9671596
00:44:31.739 --> 00:44:33.500 And and, like, and my
NOTE Confidence: 0.9671596
00:44:33.500 --> 00:44:34.780 numbers are all off and
NOTE Confidence: 0.9671596
00:44:34.780 --> 00:44:36.300 everything's Right. But I track
NOTE Confidence: 0.9671596
00:44:36.300 --> 00:44:37.580 it just like a period.
NOTE Confidence: 0.97317314
00:44:40.300 --> 00:44:41.280 And for men,
NOTE Confidence: 0.9981076
00:44:42.140 --> 00:44:43.580 you know, you can figure
NOTE Confidence: 0.9981076
00:44:43.580 --> 00:44:43.995 it out.
NOTE Confidence: 0.9491848

00:44:45.915 --> 00:44:47.035 But I but that's the
NOTE Confidence: 0.9491848

00:44:47.035 --> 00:44:48.495 way I I have found
NOTE Confidence: 0.8795015

00:44:48.795 --> 00:44:50.655 as a very useful way
NOTE Confidence: 0.9886261

00:44:50.955 --> 00:44:52.255 to track my pain,
NOTE Confidence: 0.9989002

00:44:53.035 --> 00:44:53.915 since I don't have to
NOTE Confidence: 0.9989002

00:44:53.915 --> 00:44:55.035 track it for a period
NOTE Confidence: 0.9989002

00:44:55.035 --> 00:44:55.535 anymore.
NOTE Confidence: 0.9560664

00:44:55.835 --> 00:44:57.435 I I use it in
NOTE Confidence: 0.9560664

00:44:57.435 --> 00:44:58.975 that kind of way. So
NOTE Confidence: 0.99921095

00:44:59.739 --> 00:45:01.020 how much did I have
NOTE Confidence: 0.99921095

00:45:01.020 --> 00:45:01.600 to take?
NOTE Confidence: 0.99969184

00:45:01.980 --> 00:45:03.520 Did it relieve my pain?
NOTE Confidence: 0.9999011

00:45:03.980 --> 00:45:05.040 Did I cry?
NOTE Confidence: 0.9912605

00:45:05.420 --> 00:45:06.540 Did I get myself to
NOTE Confidence: 0.9912605

00:45:06.540 --> 00:45:07.660 a place that I was,
NOTE Confidence: 0.9912605

00:45:07.660 --> 00:45:08.160 like,

NOTE Confidence: 0.99570537
00:45:09.660 --> 00:45:11.820 like, unable to to to
NOTE Confidence: 0.99570537
00:45:11.820 --> 00:45:12.320 function?
NOTE Confidence: 0.9985407
00:45:12.744 --> 00:45:14.025 And it took the methadone
NOTE Confidence: 0.9985407
00:45:14.025 --> 00:45:16.025 clinic a very long time
NOTE Confidence: 0.9985407
00:45:16.025 --> 00:45:16.765 to participate.
NOTE Confidence: 0.98237646
00:45:18.344 --> 00:45:19.864 They are you know, I
NOTE Confidence: 0.98237646
00:45:19.864 --> 00:45:21.964 had to get four doctors
NOTE Confidence: 0.98237646
00:45:22.185 --> 00:45:22.685 involved
NOTE Confidence: 0.84582233
00:45:23.065 --> 00:45:24.425 to get the methadone clinic
NOTE Confidence: 0.84582233
00:45:24.425 --> 00:45:24.930 to understand that
NOTE Confidence: 0.85565376
00:45:26.849 --> 00:45:27.349 ten,
NOTE Confidence: 0.99843585
00:45:27.650 --> 00:45:29.170 but I can't be on
NOTE Confidence: 0.99843585
00:45:29.170 --> 00:45:30.550 a hundred and eighty
NOTE Confidence: 0.9696406
00:45:30.930 --> 00:45:32.309 at eight in the morning.
NOTE Confidence: 0.9696406
00:45:32.450 --> 00:45:33.750 Mhmm. You know? I'll be
NOTE Confidence: 0.94793504

00:45:34.290 --> 00:45:35.890 smashed in front of you
NOTE Confidence: 0.94793504

00:45:35.890 --> 00:45:36.390 know?
NOTE Confidence: 0.94539344

00:45:36.770 --> 00:45:38.390 I wanna I wanna participate
NOTE Confidence: 0.98484784

00:45:38.690 --> 00:45:39.589 in my life.
NOTE Confidence: 0.9969548

00:45:40.155 --> 00:45:42.235 So so split dosing is
NOTE Confidence: 0.9969548

00:45:42.235 --> 00:45:43.695 really important for me.
NOTE Confidence: 0.9974479

00:45:44.235 --> 00:45:46.075 So what we're talking about
NOTE Confidence: 0.9974479

00:45:46.075 --> 00:45:46.895 is trust,
NOTE Confidence: 0.8810701

00:45:47.355 --> 00:45:48.255 doctor Hsu.
NOTE Confidence: 0.9856034

00:45:48.635 --> 00:45:50.235 Like, everything that I'm thinking
NOTE Confidence: 0.9856034

00:45:50.235 --> 00:45:50.735 of,
NOTE Confidence: 0.99769664

00:45:51.035 --> 00:45:52.895 like, revolves around trust.
NOTE Confidence: 0.965189

00:45:53.319 --> 00:45:54.839 Like, it it it comes
NOTE Confidence: 0.965189

00:45:54.839 --> 00:45:56.059 back home to,
NOTE Confidence: 0.99243796

00:45:56.440 --> 00:45:57.799 can I trust you to
NOTE Confidence: 0.99243796

00:45:57.799 --> 00:45:59.819 to to do this? Mhmm.

NOTE Confidence: 0.9603866
00:46:00.280 --> 00:46:01.880 And, you know, after four
NOTE Confidence: 0.9603866
00:46:01.880 --> 00:46:03.400 years and five years of
NOTE Confidence: 0.9603866
00:46:03.400 --> 00:46:05.625 meeting with these doctors and
NOTE Confidence: 0.9603866
00:46:05.945 --> 00:46:07.965 them knowing you know, seeing,
NOTE Confidence: 0.96875286
00:46:08.344 --> 00:46:09.705 you know, me me attending
NOTE Confidence: 0.96875286
00:46:09.705 --> 00:46:10.205 appointments,
NOTE Confidence: 0.9942549
00:46:10.825 --> 00:46:12.825 me talking to them, me,
NOTE Confidence: 0.9861056
00:46:13.945 --> 00:46:15.165 like, being a
NOTE Confidence: 0.99936765
00:46:15.465 --> 00:46:16.765 patient that's participating
NOTE Confidence: 0.9967642
00:46:17.305 --> 00:46:17.965 in my
NOTE Confidence: 0.9908227
00:46:20.030 --> 00:46:21.390 in my life and in
NOTE Confidence: 0.9908227
00:46:21.390 --> 00:46:22.609 the lives of others,
NOTE Confidence: 0.98192513
00:46:23.310 --> 00:46:24.989 I think it's fair to
NOTE Confidence: 0.98192513
00:46:24.989 --> 00:46:26.450 say that I am trustworthy,
NOTE Confidence: 0.9661572
00:46:27.469 --> 00:46:29.469 you know, insofar as I
NOTE Confidence: 0.9661572

00:46:29.469 --> 00:46:30.590 share if I use other
NOTE Confidence: 0.9661572
00:46:30.590 --> 00:46:31.090 drugs.
NOTE Confidence: 0.93407524
00:46:31.469 --> 00:46:32.130 You know?
NOTE Confidence: 0.99710864
00:46:33.055 --> 00:46:34.094 We have to create an
NOTE Confidence: 0.99710864
00:46:34.094 --> 00:46:35.775 environment where I can be
NOTE Confidence: 0.99710864
00:46:35.775 --> 00:46:36.915 honest. Right.
NOTE Confidence: 0.86977094
00:46:37.295 --> 00:46:38.335 And if we can't have
NOTE Confidence: 0.86977094
00:46:38.815 --> 00:46:39.315 yeah.
NOTE Confidence: 0.822533
00:46:40.255 --> 00:46:41.935 This is amazing. We have,
NOTE Confidence: 0.9562334
00:46:42.335 --> 00:46:43.695 just a couple minutes left.
NOTE Confidence: 0.9562334
00:46:43.695 --> 00:46:44.975 So, I don't know if
NOTE Confidence: 0.9562334
00:46:44.975 --> 00:46:46.255 David wants to,
NOTE Confidence: 0.9762243
00:46:48.770 --> 00:46:49.810 ask one of the some
NOTE Confidence: 0.9762243
00:46:49.810 --> 00:46:50.690 of the questions that are
NOTE Confidence: 0.9762243
00:46:50.690 --> 00:46:51.969 in the chat, or I
NOTE Confidence: 0.9762243
00:46:51.969 --> 00:46:52.469 can

NOTE Confidence: 0.6600702
00:46:52.849 --> 00:46:53.510 to you,
NOTE Confidence: 0.868994
00:46:54.450 --> 00:46:55.969 or anyone else wanna open
NOTE Confidence: 0.868994
00:46:55.969 --> 00:46:57.109 up and ask their question.
NOTE Confidence: 0.868994
00:46:57.330 --> 00:46:58.950 Very extremely helpful.
NOTE Confidence: 0.9627904
00:46:59.489 --> 00:47:00.469 I think the
NOTE Confidence: 0.9562617
00:47:01.145 --> 00:47:03.305 point specifically about what questions
NOTE Confidence: 0.9562617
00:47:03.305 --> 00:47:04.425 are being asked and what
NOTE Confidence: 0.9562617
00:47:04.425 --> 00:47:05.165 are the important
NOTE Confidence: 0.899154
00:47:05.705 --> 00:47:06.984 outcomes, I've heard,
NOTE Confidence: 0.99975425
00:47:07.385 --> 00:47:08.285 quite a bit
NOTE Confidence: 0.97579956
00:47:08.585 --> 00:47:09.945 from both you and from
NOTE Confidence: 0.97579956
00:47:09.945 --> 00:47:11.085 Louise about,
NOTE Confidence: 0.9694591
00:47:12.025 --> 00:47:13.224 you know, the outcomes may
NOTE Confidence: 0.9694591
00:47:13.224 --> 00:47:14.525 not be the numeric,
NOTE Confidence: 0.9847053
00:47:15.430 --> 00:47:16.810 pain scale. It may be
NOTE Confidence: 0.94442886

00:47:17.190 --> 00:47:18.790 something as Louise mentioned. You

NOTE Confidence: 0.94442886

00:47:18.790 --> 00:47:19.670 know, the goal is to

NOTE Confidence: 0.94442886

00:47:19.670 --> 00:47:21.030 get away from fentanyl. So

NOTE Confidence: 0.94442886

00:47:21.030 --> 00:47:22.790 maybe an outcome is, you

NOTE Confidence: 0.94442886

00:47:22.790 --> 00:47:23.290 know,

NOTE Confidence: 0.85508937

00:47:24.390 --> 00:47:26.489 changes in Less bags. Yeah.

NOTE Confidence: 0.8580335

00:47:26.870 --> 00:47:28.469 As to changes in in

NOTE Confidence: 0.8580335

00:47:28.469 --> 00:47:30.410 pain scores and exactly.

NOTE Confidence: 0.9910592

00:47:30.710 --> 00:47:31.594 I think the other thing

NOTE Confidence: 0.9910592

00:47:31.594 --> 00:47:32.714 I've I've heard is,

NOTE Confidence: 0.9693027

00:47:34.635 --> 00:47:36.155 you know, this issue of

NOTE Confidence: 0.9693027

00:47:36.155 --> 00:47:38.174 control, obviously. And,

NOTE Confidence: 0.92728204

00:47:39.434 --> 00:47:40.655 I I've very,

NOTE Confidence: 0.8864244

00:47:41.915 --> 00:47:44.815 precisely heard Louise say that,

NOTE Confidence: 0.9761753

00:47:45.450 --> 00:47:46.810 you know, this is all

NOTE Confidence: 0.9761753

00:47:46.810 --> 00:47:48.670 new for every everyone,

NOTE Confidence: 0.9995839

00:47:49.290 --> 00:47:50.890 and she can't tell you

NOTE Confidence: 0.9995839

00:47:50.890 --> 00:47:52.030 exactly how much

NOTE Confidence: 0.9677797

00:47:52.330 --> 00:47:54.650 hydromorphone she's gonna need. But

NOTE Confidence: 0.9677797

00:47:54.650 --> 00:47:55.630 she needs enough

NOTE Confidence: 0.978143

00:47:55.930 --> 00:47:57.130 so that she can decide

NOTE Confidence: 0.978143

00:47:57.130 --> 00:47:58.170 that, you know, at a

NOTE Confidence: 0.978143

00:47:58.170 --> 00:47:59.785 certain time of day, this

NOTE Confidence: 0.978143

00:47:59.785 --> 00:48:01.325 works, this isn't working.

NOTE Confidence: 0.952857

00:48:01.705 --> 00:48:02.745 And if we have too

NOTE Confidence: 0.952857

00:48:02.745 --> 00:48:04.125 many controls on that,

NOTE Confidence: 0.98390037

00:48:04.665 --> 00:48:05.705 she may not have enough,

NOTE Confidence: 0.98390037

00:48:05.705 --> 00:48:06.505 and we may not be

NOTE Confidence: 0.98390037

00:48:06.505 --> 00:48:07.785 able to answer the questions.

NOTE Confidence: 0.98390037

00:48:07.785 --> 00:48:09.245 So it's this issue of

NOTE Confidence: 0.98390037

00:48:09.545 --> 00:48:11.065 of access and control that

NOTE Confidence: 0.98390037

00:48:11.065 --> 00:48:12.364 we need to think through.
NOTE Confidence: 0.97036093

00:48:13.219 --> 00:48:14.420 There's a great question in
NOTE Confidence: 0.97036093

00:48:14.420 --> 00:48:15.079 the chat,
NOTE Confidence: 0.9874673

00:48:17.140 --> 00:48:17.640 one,
NOTE Confidence: 0.9645536

00:48:18.020 --> 00:48:18.520 from,
NOTE Confidence: 0.67438316

00:48:20.339 --> 00:48:21.319 Regini Jawa.
NOTE Confidence: 0.8856827

00:48:22.099 --> 00:48:23.619 She says the timeliness of
NOTE Confidence: 0.8856827

00:48:23.619 --> 00:48:25.460 harm reduction in community driven
NOTE Confidence: 0.8856827

00:48:25.460 --> 00:48:25.960 research
NOTE Confidence: 0.938729

00:48:26.500 --> 00:48:27.559 is so key,
NOTE Confidence: 0.9746484

00:48:28.075 --> 00:48:29.915 yet NIH and foundation grant
NOTE Confidence: 0.9746484

00:48:29.915 --> 00:48:31.995 cycles have delayed timelines that
NOTE Confidence: 0.9746484

00:48:31.995 --> 00:48:33.915 often don't align with these
NOTE Confidence: 0.9746484

00:48:33.915 --> 00:48:34.415 needs.
NOTE Confidence: 0.97585803

00:48:34.875 --> 00:48:36.475 Any suggestions on how we
NOTE Confidence: 0.97585803

00:48:36.475 --> 00:48:38.895 can equitably fund community partners,

NOTE Confidence: 0.9854428
00:48:39.275 --> 00:48:41.375 this critical work, and disseminate
NOTE Confidence: 0.9854428
00:48:41.594 --> 00:48:43.055 it in a timely fashion?
NOTE Confidence: 0.95468783
00:48:47.809 --> 00:48:48.869 You wanna go, Luis?
NOTE Confidence: 0.9283746
00:48:50.690 --> 00:48:51.890 I mean I mean, for
NOTE Confidence: 0.9283746
00:48:51.890 --> 00:48:53.170 example, you you wanna talk
NOTE Confidence: 0.9283746
00:48:53.250 --> 00:48:54.450 you wanna say how the
NOTE Confidence: 0.9283746
00:48:54.450 --> 00:48:56.289 wound care room, like Oh,
NOTE Confidence: 0.9283746
00:48:56.289 --> 00:48:56.915 yeah. I I can do
NOTE Confidence: 0.9283746
00:48:56.915 --> 00:48:58.215 that. Are you working with
NOTE Confidence: 0.9283746
00:48:58.275 --> 00:48:58.775 researchers?
NOTE Confidence: 0.95239943
00:48:59.155 --> 00:49:00.634 Are you working with Yeah.
NOTE Confidence: 0.95239943
00:49:00.755 --> 00:49:01.255 Mccesson?
NOTE Confidence: 0.99391586
00:49:01.635 --> 00:49:03.075 Like, how are you like,
NOTE Confidence: 0.99391586
00:49:03.075 --> 00:49:04.375 this is this is
NOTE Confidence: 0.9683239
00:49:04.915 --> 00:49:06.614 your goal as a community,
NOTE Confidence: 0.9683239

00:49:06.835 --> 00:49:08.435 you know, as as a
NOTE Confidence: 0.9683239

00:49:08.435 --> 00:49:10.530 community offering to to keep
NOTE Confidence: 0.9683239

00:49:10.690 --> 00:49:12.050 people alive and treat their
NOTE Confidence: 0.9683239

00:49:12.050 --> 00:49:13.030 pain and wounds.
NOTE Confidence: 0.9426933

00:49:13.730 --> 00:49:15.570 And so how how can
NOTE Confidence: 0.9426933

00:49:15.570 --> 00:49:16.610 you align that up with
NOTE Confidence: 0.9426933

00:49:16.610 --> 00:49:17.270 the researchers,
NOTE Confidence: 0.9944368

00:49:17.570 --> 00:49:18.610 with funders, with
NOTE Confidence: 0.96936536

00:49:19.250 --> 00:49:20.210 you know, how how have
NOTE Confidence: 0.96936536

00:49:20.210 --> 00:49:21.750 you pulled this off,
NOTE Confidence: 0.97353804

00:49:22.665 --> 00:49:24.045 so that it's both meaningful,
NOTE Confidence: 0.97353804

00:49:24.105 --> 00:49:25.945 but there's also interesting and
NOTE Confidence: 0.97353804

00:49:25.945 --> 00:49:27.325 important research questions,
NOTE Confidence: 0.9819654

00:49:28.745 --> 00:49:29.864 and and then maybe that'll
NOTE Confidence: 0.9819654

00:49:29.864 --> 00:49:30.685 be the end.
NOTE Confidence: 0.9545391

00:49:31.305 --> 00:49:33.065 Yeah. I'm really sad about

NOTE Confidence: 0.9545391
00:49:33.065 --> 00:49:34.185 it. I mean, this was
NOTE Confidence: 0.9545391
00:49:34.185 --> 00:49:35.705 so the the research that
NOTE Confidence: 0.9545391
00:49:35.705 --> 00:49:36.844 we had
NOTE Confidence: 0.99745995
00:49:38.480 --> 00:49:39.380 had in
NOTE Confidence: 0.9708767
00:49:39.839 --> 00:49:40.739 that was being
NOTE Confidence: 0.9911543
00:49:42.239 --> 00:49:43.940 reviewed, you know, is probably,
NOTE Confidence: 0.9911543
00:49:44.160 --> 00:49:45.619 you know, not gonna get
NOTE Confidence: 0.8944009
00:49:46.079 --> 00:49:47.440 not gonna get it in.
NOTE Confidence: 0.8944009
00:49:47.440 --> 00:49:47.940 But
NOTE Confidence: 0.975745
00:49:51.905 --> 00:49:52.864 some of the wound care
NOTE Confidence: 0.975745
00:49:52.864 --> 00:49:53.364 stuff,
NOTE Confidence: 0.9706529
00:49:53.984 --> 00:49:55.125 we know that McKesson
NOTE Confidence: 0.9779325
00:49:55.665 --> 00:49:56.625 has a lot of money,
NOTE Confidence: 0.9779325
00:49:56.625 --> 00:49:58.325 and and Johnson and Johnson
NOTE Confidence: 0.9779325
00:49:58.385 --> 00:49:59.344 have a lot of money.
NOTE Confidence: 0.9779325

00:49:59.344 --> 00:50:00.464 And so we're gonna write
NOTE Confidence: 0.9779325

00:50:00.464 --> 00:50:00.964 privately,
NOTE Confidence: 0.995162

00:50:02.065 --> 00:50:03.505 to them, and we're gonna
NOTE Confidence: 0.995162

00:50:03.505 --> 00:50:04.805 ask for product donations.
NOTE Confidence: 0.999297

00:50:05.570 --> 00:50:06.230 I mean,
NOTE Confidence: 0.95546126

00:50:06.690 --> 00:50:07.969 I don't see how they
NOTE Confidence: 0.95546126

00:50:07.969 --> 00:50:09.989 can't provide product donations.
NOTE Confidence: 0.90804386

00:50:10.770 --> 00:50:11.969 I really don't. And we're
NOTE Confidence: 0.90804386

00:50:11.969 --> 00:50:13.510 gonna work with Remedy Alliance,
NOTE Confidence: 0.9681373

00:50:14.369 --> 00:50:15.489 in a in a in
NOTE Confidence: 0.9681373

00:50:15.489 --> 00:50:16.930 a, you know, some sort
NOTE Confidence: 0.9681373

00:50:16.930 --> 00:50:18.469 of capacity building,
NOTE Confidence: 0.9992084

00:50:18.850 --> 00:50:20.310 something to help us
NOTE Confidence: 0.996631

00:50:20.785 --> 00:50:22.165 find ways to get,
NOTE Confidence: 0.9766731

00:50:22.945 --> 00:50:24.385 people that use drugs access
NOTE Confidence: 0.9766731

00:50:24.385 --> 00:50:25.825 to this information Mhmm. You

NOTE Confidence: 0.9766731
00:50:25.825 --> 00:50:26.885 know, to these supplies.
NOTE Confidence: 0.9998189
00:50:27.344 --> 00:50:28.405 That's essential.
NOTE Confidence: 0.9844291
00:50:29.025 --> 00:50:30.145 I mean, a lot of
NOTE Confidence: 0.9844291
00:50:30.145 --> 00:50:30.645 this
NOTE Confidence: 0.99780625
00:50:31.025 --> 00:50:32.325 is about getting
NOTE Confidence: 0.99338657
00:50:33.025 --> 00:50:34.830 education money. Right? And we
NOTE Confidence: 0.99338657
00:50:34.830 --> 00:50:36.050 can still do that.
NOTE Confidence: 0.9742787
00:50:36.350 --> 00:50:38.350 So, you know, getting good
NOTE Confidence: 0.9742787
00:50:38.350 --> 00:50:39.650 solid getting you
NOTE Confidence: 0.9381031
00:50:40.030 --> 00:50:41.630 to the getting you to
NOTE Confidence: 0.9381031
00:50:41.630 --> 00:50:43.310 speak, Kim. So getting the
NOTE Confidence: 0.9381031
00:50:43.310 --> 00:50:44.750 folks you know, for the
NOTE Confidence: 0.9381031
00:50:44.750 --> 00:50:46.450 folks that do this work,
NOTE Confidence: 0.9980486
00:50:46.965 --> 00:50:48.725 being available to do this,
NOTE Confidence: 0.952693
00:50:49.125 --> 00:50:51.065 for us, you know, making
NOTE Confidence: 0.952693

00:50:51.205 --> 00:50:51.705 videos.
NOTE Confidence: 0.9250498
00:50:52.485 --> 00:50:53.145 You know?
NOTE Confidence: 0.9590785
00:50:53.765 --> 00:50:54.645 I don't care how played
NOTE Confidence: 0.9590785
00:50:54.645 --> 00:50:55.445 out you think some of
NOTE Confidence: 0.9590785
00:50:55.445 --> 00:50:56.885 this stuff is. Making a
NOTE Confidence: 0.9590785
00:50:56.885 --> 00:50:58.985 good short video about Psilozine
NOTE Confidence: 0.9590785
00:50:59.125 --> 00:51:00.005 and how to dress a
NOTE Confidence: 0.9590785
00:51:00.005 --> 00:51:01.205 wound, how to do basic
NOTE Confidence: 0.9590785
00:51:01.205 --> 00:51:02.105 simple stuff,
NOTE Confidence: 0.9411432
00:51:02.719 --> 00:51:03.779 Man, that stuff's
NOTE Confidence: 0.9951375
00:51:05.279 --> 00:51:06.400 on point. It's one less
NOTE Confidence: 0.9951375
00:51:06.400 --> 00:51:07.859 video we have to make.
NOTE Confidence: 0.9951375
00:51:07.920 --> 00:51:09.299 Mhmm. Right? Mhmm.
NOTE Confidence: 0.99595964
00:51:09.599 --> 00:51:11.140 Like, it's it's huge.
NOTE Confidence: 0.98110116
00:51:11.839 --> 00:51:12.719 And, like, we can make
NOTE Confidence: 0.98110116
00:51:12.719 --> 00:51:13.920 those videos for free at

NOTE Confidence: 0.98110116
00:51:13.920 --> 00:51:15.039 Yale, for example. We did
NOTE Confidence: 0.98110116
00:51:15.039 --> 00:51:15.859 it for endocarditis.
NOTE Confidence: 0.962552
00:51:16.239 --> 00:51:17.864 Right. And and, like, we
NOTE Confidence: 0.962552
00:51:18.105 --> 00:51:19.065 you know, that kind of
NOTE Confidence: 0.962552
00:51:19.065 --> 00:51:21.325 relationship is, like, we utilize
NOTE Confidence: 0.962552
00:51:21.465 --> 00:51:23.305 our our research our our
NOTE Confidence: 0.962552
00:51:23.305 --> 00:51:24.844 power at the research institution,
NOTE Confidence: 0.962552
00:51:25.065 --> 00:51:25.864 and you don't have to
NOTE Confidence: 0.962552
00:51:25.864 --> 00:51:26.765 pay for that.
NOTE Confidence: 0.9971132
00:51:27.225 --> 00:51:28.205 And that's lovely.
NOTE Confidence: 0.9434489
00:51:29.305 --> 00:51:31.440 Filter, that was the the
NOTE Confidence: 0.9434489
00:51:31.440 --> 00:51:32.640 Filter magazine. That was the
NOTE Confidence: 0.9434489
00:51:32.640 --> 00:51:34.200 place I wrote the Mhmm.
NOTE Confidence: 0.9434489
00:51:34.560 --> 00:51:36.260 Wrote the write up about,
NOTE Confidence: 0.98257595
00:51:37.200 --> 00:51:38.880 my wounds. Right. But I
NOTE Confidence: 0.98257595

00:51:38.880 --> 00:51:40.000 think it's time for me
NOTE Confidence: 0.98257595

00:51:40.000 --> 00:51:41.620 to write another another
NOTE Confidence: 0.96433914

00:51:42.080 --> 00:51:42.820 you know,
NOTE Confidence: 0.9993538

00:51:43.364 --> 00:51:44.825 some other piece
NOTE Confidence: 0.9996426

00:51:45.364 --> 00:51:46.665 that has accessibility
NOTE Confidence: 0.9998275

00:51:47.125 --> 00:51:47.625 outside
NOTE Confidence: 0.9864707

00:51:47.925 --> 00:51:49.145 of journal systems.
NOTE Confidence: 0.961631

00:51:50.485 --> 00:51:52.245 People need to see this
NOTE Confidence: 0.961631

00:51:52.245 --> 00:51:53.225 kind of information,
NOTE Confidence: 0.9656097

00:51:55.765 --> 00:51:56.745 in a nonacademic
NOTE Confidence: 0.91468257

00:51:57.125 --> 00:51:57.625 format.
NOTE Confidence: 0.7729403

00:51:59.219 --> 00:52:00.739 I think that's the most
NOTE Confidence: 0.7729403

00:52:00.739 --> 00:52:01.640 important things.
NOTE Confidence: 0.9501832

00:52:02.260 --> 00:52:03.540 And I think, you know,
NOTE Confidence: 0.9501832

00:52:03.780 --> 00:52:04.980 we saw this a lot
NOTE Confidence: 0.9501832

00:52:04.980 --> 00:52:06.680 with the HIV world.

NOTE Confidence: 0.96027195
00:52:07.780 --> 00:52:08.820 And, you know, one of
NOTE Confidence: 0.96027195
00:52:08.820 --> 00:52:10.119 the things that was important
NOTE Confidence: 0.96027195
00:52:10.180 --> 00:52:11.700 is sort of center grants
NOTE Confidence: 0.96027195
00:52:11.700 --> 00:52:13.320 and grants that have longer
NOTE Confidence: 0.96027195
00:52:13.380 --> 00:52:13.880 histories
NOTE Confidence: 0.99878234
00:52:14.465 --> 00:52:16.065 that can involve people with
NOTE Confidence: 0.99878234
00:52:16.065 --> 00:52:17.605 lived experience over
NOTE Confidence: 0.9276612
00:52:18.145 --> 00:52:19.825 periods of time, often on
NOTE Confidence: 0.9276612
00:52:19.825 --> 00:52:21.445 community advisory boards.
NOTE Confidence: 0.98926985
00:52:22.465 --> 00:52:23.925 And that sort of consistent
NOTE Confidence: 0.9990779
00:52:24.225 --> 00:52:24.725 participation
NOTE Confidence: 0.9993706
00:52:25.985 --> 00:52:27.045 helps to mitigate
NOTE Confidence: 0.99789536
00:52:27.505 --> 00:52:28.005 what
NOTE Confidence: 0.9595044
00:52:28.380 --> 00:52:29.900 Regini was asking about, which
NOTE Confidence: 0.9595044
00:52:29.900 --> 00:52:30.700 is sort of the up
NOTE Confidence: 0.9595044

00:52:30.700 --> 00:52:31.599 and down cycle,
NOTE Confidence: 0.9722418

00:52:32.219 --> 00:52:34.779 especially of NIH grants where,
NOTE Confidence: 0.9722418

00:52:34.779 --> 00:52:35.819 you know, the grant could
NOTE Confidence: 0.9722418

00:52:35.819 --> 00:52:37.420 be three years or the
NOTE Confidence: 0.9722418

00:52:37.420 --> 00:52:38.539 chance that you're gonna get
NOTE Confidence: 0.9722418

00:52:38.539 --> 00:52:40.539 the grant is ten percent
NOTE Confidence: 0.9722418

00:52:40.539 --> 00:52:41.599 or five percent.
NOTE Confidence: 0.9458937

00:52:42.335 --> 00:52:44.174 NIH grants are much different
NOTE Confidence: 0.9458937

00:52:44.174 --> 00:52:45.214 than the grants that come
NOTE Confidence: 0.9458937

00:52:45.214 --> 00:52:46.734 to states or come to,
NOTE Confidence: 0.9458937

00:52:46.974 --> 00:52:47.474 organizations
NOTE Confidence: 0.9556852

00:52:48.654 --> 00:52:49.775 that, you know, are are
NOTE Confidence: 0.9556852

00:52:49.775 --> 00:52:51.535 essentially targeted and and are
NOTE Confidence: 0.9556852

00:52:51.535 --> 00:52:53.395 are more or less guaranteed.
NOTE Confidence: 0.9556852

00:52:53.535 --> 00:52:54.035 So
NOTE Confidence: 0.9932892

00:52:54.440 --> 00:52:55.820 NIH grant participation

NOTE Confidence: 0.9154062

00:52:56.120 --> 00:52:57.320 is really unique. It needs

NOTE Confidence: 0.9154062

00:52:57.320 --> 00:52:58.760 to be treated as such.

NOTE Confidence: 0.9154062

00:52:58.760 --> 00:53:00.760 And so maybe participating in

NOTE Confidence: 0.9154062

00:53:00.760 --> 00:53:02.520 an Empower U or a

NOTE Confidence: 0.9154062

00:53:02.520 --> 00:53:03.800 p thirty or a center

NOTE Confidence: 0.9154062

00:53:03.800 --> 00:53:04.300 grant,

NOTE Confidence: 0.9893382

00:53:05.320 --> 00:53:07.240 in addition to one offs

NOTE Confidence: 0.9893382

00:53:07.240 --> 00:53:07.740 that,

NOTE Confidence: 0.9979061

00:53:08.440 --> 00:53:09.740 you know, allow for

NOTE Confidence: 0.99350053

00:53:10.335 --> 00:53:12.594 continuous support and then additional

NOTE Confidence: 0.99350053

00:53:12.734 --> 00:53:13.234 support.

NOTE Confidence: 0.9716641

00:53:13.695 --> 00:53:14.755 I just wanna highlight,

NOTE Confidence: 0.96263915

00:53:16.015 --> 00:53:17.614 before we leave, well, first,

NOTE Confidence: 0.96263915

00:53:17.614 --> 00:53:18.575 I wanna say thank you

NOTE Confidence: 0.96263915

00:53:18.575 --> 00:53:20.175 to to Kim and to

NOTE Confidence: 0.96263915

00:53:20.175 --> 00:53:21.795 Louise. This has been fantastic.

NOTE Confidence: 0.96263915

00:53:22.015 --> 00:53:23.474 Really got my mind thinking.

NOTE Confidence: 0.991716

00:53:24.450 --> 00:53:25.330 Great work, and I know

NOTE Confidence: 0.991716

00:53:25.330 --> 00:53:26.850 that you'll continue to to

NOTE Confidence: 0.991716

00:53:26.850 --> 00:53:28.230 inform us about this.

NOTE Confidence: 0.9970794

00:53:29.010 --> 00:53:30.869 There is an ongoing study,

NOTE Confidence: 0.9727535

00:53:31.330 --> 00:53:33.109 and it's calling for experts.

NOTE Confidence: 0.9727535

00:53:33.170 --> 00:53:34.390 Ragini, do you wanna

NOTE Confidence: 0.9418211

00:53:34.930 --> 00:53:36.070 say a little bit more?

NOTE Confidence: 0.9418211

00:53:36.210 --> 00:53:37.570 Sure. Thank thanks so much.

NOTE Confidence: 0.9418211

00:53:37.570 --> 00:53:38.450 This was such a great

NOTE Confidence: 0.9418211

00:53:38.450 --> 00:53:38.950 session.

NOTE Confidence: 0.81958693

00:53:39.835 --> 00:53:41.835 I'm Raugani Jawa. I'm at

NOTE Confidence: 0.81958693

00:53:41.835 --> 00:53:42.335 Pitt.

NOTE Confidence: 0.96773905

00:53:43.114 --> 00:53:44.795 We think a lot about

NOTE Confidence: 0.96773905

00:53:44.795 --> 00:53:46.795 sort of optimal management of

NOTE Confidence: 0.96773905
00:53:46.795 --> 00:53:47.935 xylazine wounds,
NOTE Confidence: 0.9771068
00:53:48.315 --> 00:53:49.755 and we have a Delphi
NOTE Confidence: 0.9771068
00:53:49.755 --> 00:53:50.255 study,
NOTE Confidence: 0.9991381
00:53:51.035 --> 00:53:52.575 that we're actively recruiting
NOTE Confidence: 0.9305918
00:53:53.369 --> 00:53:54.589 clinicians and researchers,
NOTE Confidence: 0.99885464
00:53:55.289 --> 00:53:55.950 to participate
NOTE Confidence: 0.98866487
00:53:56.329 --> 00:53:57.630 so that we can help
NOTE Confidence: 0.98866487
00:53:57.849 --> 00:53:59.069 come up with guidelines
NOTE Confidence: 0.974121
00:53:59.369 --> 00:54:01.049 on pain management for people
NOTE Confidence: 0.974121
00:54:01.049 --> 00:54:03.369 with silosine associated wounds, knowing
NOTE Confidence: 0.974121
00:54:03.369 --> 00:54:05.609 how important pain management is
NOTE Confidence: 0.974121
00:54:05.609 --> 00:54:06.430 for effective
NOTE Confidence: 0.9958538
00:54:06.984 --> 00:54:08.285 treatment of these wounds.
NOTE Confidence: 0.99484646
00:54:09.224 --> 00:54:10.925 So if anybody is interested
NOTE Confidence: 0.99484646
00:54:11.145 --> 00:54:11.964 in participating,
NOTE Confidence: 0.88490164

00:54:12.905 --> 00:54:15.244 here's a QR code and
NOTE Confidence: 0.88490164

00:54:15.305 --> 00:54:16.344 a a red cap link.
NOTE Confidence: 0.88490164

00:54:16.344 --> 00:54:17.704 We'd be happy to put
NOTE Confidence: 0.88490164

00:54:17.704 --> 00:54:18.364 the link,
NOTE Confidence: 0.9489872

00:54:18.905 --> 00:54:20.344 for you to participate. But,
NOTE Confidence: 0.9403326

00:54:21.789 --> 00:54:22.750 the the this was a
NOTE Confidence: 0.9403326

00:54:22.750 --> 00:54:23.569 really timely
NOTE Confidence: 0.94090253

00:54:24.029 --> 00:54:25.890 session, and I think, hopefully,
NOTE Confidence: 0.993273

00:54:26.510 --> 00:54:28.029 this this particular study can
NOTE Confidence: 0.993273

00:54:28.029 --> 00:54:29.309 get get us closer to
NOTE Confidence: 0.993273

00:54:29.309 --> 00:54:29.809 providing
NOTE Confidence: 0.99081385

00:54:30.910 --> 00:54:33.170 best management medical management,
NOTE Confidence: 0.99796534

00:54:34.109 --> 00:54:35.329 for patients with
NOTE Confidence: 0.97266793

00:54:35.705 --> 00:54:37.885 xylazine wound associated pain.
NOTE Confidence: 0.9472468

00:54:38.425 --> 00:54:40.185 So Great. Yeah. Thank you
NOTE Confidence: 0.9472468

00:54:40.185 --> 00:54:41.965 so much. Thank you, Louise.

NOTE Confidence: 0.9472468
00:54:42.105 --> 00:54:43.165 Thank you, Rodney.
NOTE Confidence: 0.95775795
00:54:43.864 --> 00:54:44.665 I just Go ahead, Louise.
NOTE Confidence: 0.95775795
00:54:44.825 --> 00:54:46.505 Wanted to say one more
NOTE Confidence: 0.95775795
00:54:46.505 --> 00:54:48.025 thing. If you would just
NOTE Confidence: 0.95775795
00:54:48.025 --> 00:54:49.385 be on the lookout for
NOTE Confidence: 0.95775795
00:54:49.385 --> 00:54:51.440 any positive change groups coming
NOTE Confidence: 0.95775795
00:54:51.440 --> 00:54:51.940 out
NOTE Confidence: 0.9332841
00:54:53.680 --> 00:54:55.440 of National Survivors Union or
NOTE Confidence: 0.9332841
00:54:55.440 --> 00:54:57.219 North Carolina Survivors Union,
NOTE Confidence: 0.989756
00:54:57.680 --> 00:54:59.780 these are online groups,
NOTE Confidence: 0.90431696
00:55:00.400 --> 00:55:01.619 that are just designed
NOTE Confidence: 0.99736464
00:55:02.205 --> 00:55:02.945 to, like,
NOTE Confidence: 0.95299935
00:55:03.645 --> 00:55:04.765 work with people with lived
NOTE Confidence: 0.95299935
00:55:04.765 --> 00:55:06.285 and lived experience lived and
NOTE Confidence: 0.95299935
00:55:06.285 --> 00:55:07.185 living experience.
NOTE Confidence: 0.8925542

00:55:07.725 --> 00:55:09.725 People using drugs, people with
NOTE Confidence: 0.8925542

00:55:09.725 --> 00:55:11.825 pain, people with pain management
NOTE Confidence: 0.8925542

00:55:11.885 --> 00:55:12.385 needs.
NOTE Confidence: 0.9657192

00:55:13.085 --> 00:55:14.945 It's just a a basic,
NOTE Confidence: 0.99099267

00:55:15.339 --> 00:55:16.540 you know, you can come
NOTE Confidence: 0.99099267

00:55:16.540 --> 00:55:17.739 here. This is not twelve
NOTE Confidence: 0.99099267

00:55:17.739 --> 00:55:19.099 step. It does not resemble
NOTE Confidence: 0.99099267

00:55:19.099 --> 00:55:20.219 twelve step. We do not
NOTE Confidence: 0.99099267

00:55:20.219 --> 00:55:21.739 talk about time. We don't
NOTE Confidence: 0.99099267

00:55:21.739 --> 00:55:23.180 talk about anything like that.
NOTE Confidence: 0.99099267

00:55:23.500 --> 00:55:24.700 If something gets brought up
NOTE Confidence: 0.99099267

00:55:24.700 --> 00:55:26.160 that feels like twelve step,
NOTE Confidence: 0.99099267

00:55:26.300 --> 00:55:27.420 we will get rid of
NOTE Confidence: 0.99099267

00:55:27.420 --> 00:55:27.920 it.
NOTE Confidence: 0.7545943

00:55:28.655 --> 00:55:30.435 We are equally sensitive
NOTE Confidence: 0.97706413

00:55:31.135 --> 00:55:32.335 to this needing to be

NOTE Confidence: 0.97706413

00:55:32.335 --> 00:55:33.775 its own own thing. So

NOTE Confidence: 0.97706413

00:55:33.775 --> 00:55:34.734 I just wanted to throw

NOTE Confidence: 0.97706413

00:55:34.734 --> 00:55:36.175 that out there. Thank you.

NOTE Confidence: 0.97706413

00:55:36.175 --> 00:55:37.215 Thank you very much for

NOTE Confidence: 0.97706413

00:55:37.215 --> 00:55:38.895 mentioning it. Thank you everybody

NOTE Confidence: 0.97706413

00:55:38.895 --> 00:55:39.935 for joining. And just a

NOTE Confidence: 0.97706413

00:55:39.935 --> 00:55:41.055 reminder, we will have a

NOTE Confidence: 0.97706413

00:55:41.055 --> 00:55:42.675 session again next Tuesday

NOTE Confidence: 0.9568946

00:55:43.040 --> 00:55:44.719 on acute pain management in

NOTE Confidence: 0.9568946

00:55:44.719 --> 00:55:46.180 individuals who are receiving

NOTE Confidence: 0.86868876

00:55:46.560 --> 00:55:48.560 opioid agonist treatment that Michelle

NOTE Confidence: 0.86868876

00:55:48.560 --> 00:55:49.060 Benora

NOTE Confidence: 0.9252977

00:55:49.599 --> 00:55:51.200 and, Melissa Weimer will be

NOTE Confidence: 0.9252977

00:55:51.200 --> 00:55:52.400 with. So thank you, everybody,

NOTE Confidence: 0.9252977

00:55:52.400 --> 00:55:53.334 and have a great day.

NOTE Confidence: 0.9252977

00:55:53.574 --> 00:55:54.374 Thanks so much. Have a

NOTE Confidence: 0.9252977

00:55:54.374 --> 00:55:55.654 great weekend. Thank you, Louise.

NOTE Confidence: 0.9252977

00:55:55.654 --> 00:55:56.934 Hi, Kim. Thanks for I

NOTE Confidence: 0.9252977

00:55:56.934 --> 00:55:59.114 love speaking with me. Okay.

NOTE Confidence: 0.9987723

00:56:00.694 --> 00:56:01.754 We'll talk soon.

NOTE Confidence: 0.9963091

00:56:02.694 --> 00:56:03.194 Yep.
