NOTE Confidence: 0.8226562

00:00:07.740 --> 00:00:09.290 Well, what's your life like

NOTE Confidence: 0.8226562

00:00:09.290 --> 00:00:11.460 now if you don't mind sharing a

NOTE Confidence: 0.8226562

00:00:11.460 --> 00:00:13.612 little bit about what what you grew up

NOTE Confidence: 0.8226562

00:00:13.612 --> 00:00:16.108 to be like what's what's your family?

NOTE Confidence: 0.8226562

00:00:16.110 --> 00:00:17.350 Like, Lifelike, and uh.

NOTE Confidence: 0.9035726

00:00:18.070 --> 00:00:20.560 Sure, uhm well I have.

NOTE Confidence: 0.9035726

00:00:20.560 --> 00:00:24.037 I have Twins and they just, um,

NOTE Confidence: 0.9035726

00:00:24.037 --> 00:00:27.019 graduated from high school last year.

NOTE Confidence: 0.9035726

00:00:27.020 --> 00:00:30.620 They were both in gap years and my

NOTE Confidence: 0.9035726

00:00:30.620 --> 00:00:34.467 daughter is in Germany helping right now,

NOTE Confidence: 0.9035726

00:00:34.470 --> 00:00:38.214 helping working with children and young

NOTE Confidence: 0.9035726

00:00:38.214 --> 00:00:42.187 adults that are refugees in Germany and

NOTE Confidence: 0.9035726

00:00:42.187 --> 00:00:46.180 or with kids with some with some issues.

NOTE Confidence: 0.9035726

00:00:46.180 --> 00:00:49.906 And my son and she's still been right now.

NOTE Confidence: 0.9035726

00:00:49.910 --> 00:00:53.222 My son is was doing a gap here in

NOTE Confidence: 0.9035726

00:00:53.222 --> 00:00:56.231 South Africa where he was working

NOTE Confidence: 0.9035726

00:00:56.231 --> 00:00:59.382 with kids in the townships and

NOTE Confidence: 0.9035726

00:00:59.382 --> 00:01:01.897 providing care for them and.

NOTE Confidence: 0.9035726

00:01:01.900 --> 00:01:04.280 He actually had to come back home

NOTE Confidence: 0.9035726

00:01:04.280 --> 00:01:06.302 after the country lock down or

NOTE Confidence: 0.9035726

00:01:06.302 --> 00:01:08.168 break prior to the lock down,

NOTE Confidence: 0.9035726

00:01:08.170 --> 00:01:11.170 and so he's been at home with my husband and

NOTE Confidence: 0.9035726

00:01:11.242 --> 00:01:14.106 me and and that's that's been really nice.

NOTE Confidence: 0.9035726

00:01:14.110 --> 00:01:16.790 I mean, I, I think it's less interesting

NOTE Confidence: 0.9035726

00:01:16.790 --> 00:01:20.046 for him to be with his parents at this time,

NOTE Confidence: 0.9035726

00:01:20.050 --> 00:01:22.535 but it's it's really nice to see

NOTE Confidence: 0.9035726

00:01:22.535 --> 00:01:25.141 how he's grown up and to be able

NOTE Confidence: 0.9035726

00:01:25.141 --> 00:01:26.313 to share and have

NOTE Confidence: 0.8967486

00:01:26.320 --> 00:01:28.300 conversations and dinner with the both

NOTE Confidence: 0.8967486

00:01:28.300 --> 00:01:30.280 of them. Yeah, go ahead appreciating  
NOTE Confidence: 0.8967486

00:01:30.280 --> 00:01:31.600 that quality time, yeah?  
NOTE Confidence: 0.90921

00:01:32.330 --> 00:01:34.124 And is there anything here that  
NOTE Confidence: 0.90921

00:01:34.124 --> 00:01:35.976 is there anything that you wish  
NOTE Confidence: 0.90921

00:01:35.976 --> 00:01:37.783 your patience knew about you, um,  
NOTE Confidence: 0.90921

00:01:37.783 --> 00:01:39.904 or you know what makes your job?  
NOTE Confidence: 0.90921

00:01:39.910 --> 00:01:42.326 What are you so passionate about right now?  
NOTE Confidence: 0.90921

00:01:42.330 --> 00:01:44.142 Those are two kind of parting  
NOTE Confidence: 0.90921

00:01:44.142 --> 00:01:45.060 questions. I was  
NOTE Confidence: 0.90921

00:01:45.060 --> 00:01:48.720 thinking about asking. Uhm, you know.  
NOTE Confidence: 0.90921

00:01:48.720 --> 00:01:53.835 I think that most of my patients know, uhm?  
NOTE Confidence: 0.90921

00:01:53.835 --> 00:01:57.575 That Uh, that I'm passionate about  
NOTE Confidence: 0.90921

00:01:57.575 --> 00:02:01.119 what I do and and I'm passionate  
NOTE Confidence: 0.90921

00:02:01.119 --> 00:02:04.694 about communicating with them. I do.  
NOTE Confidence: 0.90921

00:02:04.694 --> 00:02:08.945 I do have the the honor and privilege of  
NOTE Confidence: 0.90921

NOTE Confidence: 0.90921

00:02:28.672 --> 00:02:31.174 and all everybody who provides care
