NOTE duration:"00:01:46.6450000"

NOTE language:en-us

NOTE Confidence: 0.892906844615936

00:00:00.000 --> 00:00:01.785 The information that comes from

NOTE Confidence: 0.892906844615936

00:00:01.785 --> 00:00:03.213 genetic counseling and testing,

NOTE Confidence: 0.892906844615936

00:00:03.220 --> 00:00:04.990 regardless of the test results,

NOTE Confidence: 0.892906844615936

00:00:04.990 --> 00:00:07.486 can be very important for family members and

NOTE Confidence: 0.892906844615936

00:00:07.486 --> 00:00:10.316 can be literally lifesaving in some cases.

NOTE Confidence: 0.892906844615936

00:00:10.320 --> 00:00:13.119 At the same time, that isn't to say that

NOTE Confidence: 0.892906844615936

00:00:13.119 --> 00:00:15.161 it's always easy or straightforward

NOTE Confidence: 0.892906844615936

00:00:15.161 --> 00:00:18.370 and that everyone is going to have an

NOTE Confidence: 0.892906844615936

00:00:18.370 --> 00:00:20.970 easy time with it or the same reaction.

NOTE Confidence: 0.892906844615936

00:00:20.970 --> 00:00:23.482 So as people will see in the videos

NOTE Confidence: 0.892906844615936

00:00:23.482 --> 00:00:25.578 that each family is different,

NOTE Confidence: 0.892906844615936

00:00:25.580 --> 00:00:26.876 each person is different.

NOTE Confidence: 0.892906844615936

00:00:26.876 --> 00:00:29.490 They are going to have different challenges,

NOTE Confidence: 0.892906844615936

00:00:29.490 --> 00:00:30.220 different approaches,

NOTE Confidence: 0.892906844615936
00:00:30.220 --> 00:00:32.045 different reactions to the information.
NOTE Confidence: 0.892906844615936
00:00:32.050 --> 00:00:33.254 It can be difficult,
NOTE Confidence: 0.892906844615936
00:00:33.254 --> 00:00:36.124 and it can be scary to have to be
NOTE Confidence: 0.892906844615936
00:00:36.124 --> 00:00:38.427 the giver or receiver and people can
NOTE Confidence: 0.892906844615936
00:00:38.504 --> 00:00:41.094 have a really wide range of emotions,
NOTE Confidence: 0.892906844615936
00:00:41.100 --> 00:00:42.120 so I think.
NOTE Confidence: 0.892906844615936
00:00:42.120 --> 00:00:44.160 It's using the tools that are
NOTE Confidence: 0.892906844615936
00:00:44.160 --> 00:00:46.250 available that oftentimes as genetic
NOTE Confidence: 0.892906844615936
00:00:46.250 --> 00:00:48.770 professionals were here and happy to
NOTE Confidence: 0.892906844615936
00:00:48.840 --> 00:00:51.269 be kind of that source of information
NOTE Confidence: 0.892906844615936
00:00:51.269 --> 00:00:53.354 and support to help people strategize
NOTE Confidence: 0.892906844615936
00:00:53.354 --> 00:00:55.790 how people ask questions so you know,
NOTE Confidence: 0.892906844615936
00:00:55.790 --> 00:00:56.564 sit down.
NOTE Confidence: 0.892906844615936
00:00:56.564 --> 00:00:59.273 We often talk to people on the
NOTE Confidence: 0.892906844615936
00:00:59.273 --> 00:01:01.715 phone or in person about how do
NOTE Confidence: 0.892906844615936

00:01:01.715 --> 00:01:04.670 I tell who do I have to tell and
NOTE Confidence: 0.892906844615936

00:01:04.670 --> 00:01:07.271 how do I tell them what you know?
NOTE Confidence: 0.892906844615936

00:01:07.271 --> 00:01:09.353 How do we give that information?
NOTE Confidence: 0.892906844615936

00:01:09.360 --> 00:01:11.740 So I think you know.
NOTE Confidence: 0.892906844615936

00:01:11.740 --> 00:01:13.964 Our job in seeing a lot of patients
NOTE Confidence: 0.892906844615936

00:01:13.964 --> 00:01:16.572 also is to kind of know what strategies
NOTE Confidence: 0.892906844615936

00:01:16.572 --> 00:01:19.022 might help and help people kind of
NOTE Confidence: 0.892906844615936

00:01:19.022 --> 00:01:21.140 talk through that in their family.
NOTE Confidence: 0.892906844615936

00:01:21.140 --> 00:01:22.695 Maybe there's certain people that
NOTE Confidence: 0.892906844615936

00:01:22.695 --> 00:01:24.888 they will have an easier time telling
NOTE Confidence: 0.892906844615936

00:01:24.888 --> 00:01:26.918 and they can utilize those people to
NOTE Confidence: 0.892906844615936

00:01:26.918 --> 00:01:28.698 then help disseminate the information
NOTE Confidence: 0.892906844615936

00:01:28.698 --> 00:01:30.852 through their family that you know
NOTE Confidence: 0.892906844615936

00:01:30.860 --> 00:01:33.065 they tell key people and have those
NOTE Confidence: 0.892906844615936

00:01:33.065 --> 00:01:35.378 people tell other key people that they
NOTE Confidence: 0.892906844615936

00:01:35.378 --> 00:01:37.340 kind of find strategies that work.

NOTE Confidence: 0.892906844615936

00:01:37.340 --> 00:01:39.260 If there's there closer to certain

NOTE Confidence: 0.892906844615936

00:01:39.260 --> 00:01:41.244 people and not others that we

NOTE Confidence: 0.892906844615936

00:01:41.244 --> 00:01:42.839 have tools like family letters,

NOTE Confidence: 0.892906844615936

00:01:42.840 --> 00:01:43.494 information sheets.

NOTE Confidence: 0.892906844615936

00:01:43.494 --> 00:01:45.129 Often times that can help.

NOTE Confidence: 0.892906844615936

00:01:45.130 --> 00:01:46.645 In those situations.
