

WEBVTT

NOTE duration:"00:04:19.4130000"

NOTE language:en-us

NOTE Confidence: 0.79722595

00:00:00.000 --> 00:00:02.385 And thank you too D.

NOTE Confidence: 0.79722595

00:00:02.385 --> 00:00:04.660 Nancy Brown, for the opportunity

NOTE Confidence: 0.79722595

00:00:04.660 --> 00:00:06.420 to introduce this knew,

NOTE Confidence: 0.79722595

00:00:06.420 --> 00:00:08.172 yelled network for vaccine

NOTE Confidence: 0.79722595

00:00:08.172 --> 00:00:09.924 initiatives at this workshop.

NOTE Confidence: 0.79722595

00:00:09.930 --> 00:00:13.458 So here I provide my disclosures reflecting

NOTE Confidence: 0.79722595

00:00:13.458 --> 00:00:17.240 work I've done with both Mircan Moderna.

NOTE Confidence: 0.79722595

00:00:17.240 --> 00:00:18.668 So this new initiative,

NOTE Confidence: 0.79722595

00:00:18.668 --> 00:00:20.810 this vaccine network is a new

NOTE Confidence: 0.79722595

00:00:20.879 --> 00:00:22.895 endeavour for us here at Yale.

NOTE Confidence: 0.79722595

00:00:22.900 --> 00:00:25.078 Began just last year with the

NOTE Confidence: 0.79722595

00:00:25.078 --> 00:00:26.931 kickoff meeting in September that

NOTE Confidence: 0.79722595

00:00:26.931 --> 00:00:28.917 was attended by about 20 people.

NOTE Confidence: 0.79722595

00:00:28.920 --> 00:00:31.710 The network is Co led by myself and doctors

NOTE Confidence: 0.79722595

00:00:31.710 --> 00:00:33.878 Carlos Oliveira in Marietta Vazquez,

NOTE Confidence: 0.79722595

00:00:33.880 --> 00:00:36.218 both of whom you'll be hearing from

NOTE Confidence: 0.79722595

00:00:36.218 --> 00:00:38.828 a little bit later in the workshop,

NOTE Confidence: 0.79722595

00:00:38.830 --> 00:00:40.990 were supported by the Yale Institute

NOTE Confidence: 0.79722595

00:00:40.990 --> 00:00:43.447 for Global Health that is directed by

NOTE Confidence: 0.79722595

00:00:43.447 --> 00:00:45.666 Doctor Saad Omer who is also speaking

NOTE Confidence: 0.79722595

00:00:45.734 --> 00:00:47.749 today and Doctor Jeremy Schwartz.

NOTE Confidence: 0.79722595

00:00:47.750 --> 00:00:52.088 Who is the lead for faculty networks at YIGH?

NOTE Confidence: 0.79722595

00:00:52.090 --> 00:00:54.533 So as I just mentioned why Igh

NOTE Confidence: 0.79722595

00:00:54.533 --> 00:00:56.220 supports several faculty networks,

NOTE Confidence: 0.79722595

00:00:56.220 --> 00:00:58.090 you can see them here.

NOTE Confidence: 0.79722595

00:00:58.090 --> 00:01:00.340 Some are more established than others.

NOTE Confidence: 0.79722595

00:01:00.340 --> 00:01:02.972 The ones that are already well established

NOTE Confidence: 0.79722595

00:01:02.972 --> 00:01:05.220 include those that focus on malaria,

NOTE Confidence: 0.79722595

00:01:05.220 --> 00:01:07.838 non communicable diseases and work in Uganda,

NOTE Confidence: 0.79722595

00:01:07.840 --> 00:01:08.562 in others,
NOTE Confidence: 0.79722595
00:01:08.562 --> 00:01:10.367 including hours focused on vaccines
NOTE Confidence: 0.79722595
00:01:10.367 --> 00:01:12.718 is one that's more in development.
NOTE Confidence: 0.79722595
00:01:12.720 --> 00:01:14.960 But the idea behind all of these
NOTE Confidence: 0.79722595
00:01:14.960 --> 00:01:17.361 networks is to bring together diverse
NOTE Confidence: 0.79722595
00:01:17.361 --> 00:01:19.641 faculty and staff from across
NOTE Confidence: 0.79722595
00:01:19.641 --> 00:01:21.718 the University who are working.
NOTE Confidence: 0.79722595
00:01:21.720 --> 00:01:24.546 In a common area to identify
NOTE Confidence: 0.79722595
00:01:24.546 --> 00:01:26.957 synergies and form partnerships so
NOTE Confidence: 0.79722595
00:01:26.957 --> 00:01:29.597 that collectively we can really do
NOTE Confidence: 0.79722595
00:01:29.597 --> 00:01:32.099 the most impactful work possible.
NOTE Confidence: 0.79722595
00:01:32.100 --> 00:01:32.494 Clearly,
NOTE Confidence: 0.79722595
00:01:32.494 --> 00:01:35.252 with everything going on in the world
NOTE Confidence: 0.79722595
00:01:35.252 --> 00:01:37.549 today related to the kovid pandemic,
NOTE Confidence: 0.79722595
00:01:37.550 --> 00:01:39.490 the establishment of a vaccine
NOTE Confidence: 0.79722595
00:01:39.490 --> 00:01:41.042 network is quite timely,

NOTE Confidence: 0.79722595

00:01:41.050 --> 00:01:43.802 but I also think you know most of

NOTE Confidence: 0.79722595

00:01:43.802 --> 00:01:46.100 us probably appreciate the past,

NOTE Confidence: 0.79722595

00:01:46.100 --> 00:01:48.608 the present and the future importance

NOTE Confidence: 0.79722595

00:01:48.608 --> 00:01:51.743 of all vaccines and at the same time

NOTE Confidence: 0.79722595

00:01:51.743 --> 00:01:54.920 we're all acutely aware of the unprecedented.

NOTE Confidence: 0.79722595

00:01:54.920 --> 00:01:57.209 Pressing an urgent need to address any

NOTE Confidence: 0.79722595

00:01:57.209 --> 00:01:59.828 and all issues related to the covid

NOTE Confidence: 0.79722595

00:01:59.828 --> 00:02:02.192 vaccines and vaccination programs you know,

NOTE Confidence: 0.79722595

00:02:02.200 --> 00:02:04.622 I think one thing that the kovid

NOTE Confidence: 0.79722595

00:02:04.622 --> 00:02:07.114 pandemic has done has really to shed

NOTE Confidence: 0.79722595

00:02:07.114 --> 00:02:09.656 a tremendous amount of light on the

NOTE Confidence: 0.79722595

00:02:09.656 --> 00:02:12.026 importance of the need for vaccines.

NOTE Confidence: 0.79722595

00:02:12.030 --> 00:02:14.382 More broadly as an important tool for

NOTE Confidence: 0.79722595

00:02:14.382 --> 00:02:16.400 preventing disease and promoting health,

NOTE Confidence: 0.79722595

00:02:16.400 --> 00:02:17.876 and as such,

NOTE Confidence: 0.79722595

00:02:17.876 --> 00:02:20.336 our network is really going
NOTE Confidence: 0.79722595

00:02:20.336 --> 00:02:22.689 forward going to be focused.
NOTE Confidence: 0.79722595

00:02:22.690 --> 00:02:24.811 You know it's going to be inclusive
NOTE Confidence: 0.79722595

00:02:24.811 --> 00:02:27.299 in its focus on any and all vaccines,
NOTE Confidence: 0.79722595

00:02:27.300 --> 00:02:29.908 including those for covid.
NOTE Confidence: 0.79722595

00:02:29.910 --> 00:02:32.862 So this is just a snapshot of our website
NOTE Confidence: 0.79722595

00:02:32.862 --> 00:02:35.748 and I highlight our mission statement,
NOTE Confidence: 0.79722595

00:02:35.750 --> 00:02:38.270 which is to say that this network is
NOTE Confidence: 0.79722595

00:02:38.270 --> 00:02:40.333 committed to improving population health
NOTE Confidence: 0.79722595

00:02:40.333 --> 00:02:43.525 through the three pillars of academic life,
NOTE Confidence: 0.79722595

00:02:43.530 --> 00:02:44.703 which include research,
NOTE Confidence: 0.79722595

00:02:44.703 --> 00:02:46.658 training and service to promote
NOTE Confidence: 0.79722595

00:02:46.658 --> 00:02:48.190 vaccination across the lifespan.
NOTE Confidence: 0.79722595

00:02:48.190 --> 00:02:50.560 Our goal is to form interdisciplinary
NOTE Confidence: 0.79722595

00:02:50.560 --> 00:02:52.913 partnerships that span all of the
NOTE Confidence: 0.79722595

00:02:52.913 --> 00:02:54.673 stages or phases of translational

NOTE Confidence: 0.79722595
00:02:54.673 --> 00:02:56.624 research for the greatest public
NOTE Confidence: 0.79722595
00:02:56.624 --> 00:02:58.699 health impact around the globe.
NOTE Confidence: 0.79722595
00:02:58.700 --> 00:02:59.741 So our mission.
NOTE Confidence: 0.79722595
00:02:59.741 --> 00:03:01.476 Statement as you can see,
NOTE Confidence: 0.79722595
00:03:01.480 --> 00:03:02.905 is intentionally broad so as
NOTE Confidence: 0.79722595
00:03:02.905 --> 00:03:04.900 to be as inclusive as possible.
NOTE Confidence: 0.79722595
00:03:04.900 --> 00:03:07.380 You know right now I think you know.
NOTE Confidence: 0.79722595
00:03:07.380 --> 00:03:07.692 Again,
NOTE Confidence: 0.79722595
00:03:07.692 --> 00:03:08.940 we're in you network.
NOTE Confidence: 0.79722595
00:03:08.940 --> 00:03:10.858 I think the best way to describe
NOTE Confidence: 0.79722595
00:03:10.858 --> 00:03:13.231 us is to say that we are both
NOTE Confidence: 0.79722595
00:03:13.231 --> 00:03:14.706 open and we are organic
NOTE Confidence: 0.8557651
00:03:14.774 --> 00:03:17.210 and bioorganic. I mean that the networks
NOTE Confidence: 0.8557651
00:03:17.210 --> 00:03:19.285 the purpose of the network is to
NOTE Confidence: 0.8557651
00:03:19.285 --> 00:03:21.329 serve the needs of everybody at the
NOTE Confidence: 0.8557651

00:03:21.329 --> 00:03:23.249 University working on vaccine research,
NOTE Confidence: 0.8557651

00:03:23.250 --> 00:03:24.800 whatever those needs may be.
NOTE Confidence: 0.8557651

00:03:24.800 --> 00:03:26.360 So as we further develop,
NOTE Confidence: 0.8557651

00:03:26.360 --> 00:03:27.684 and Ezra membership grows,
NOTE Confidence: 0.8557651

00:03:27.684 --> 00:03:30.320 we can choose their own course of action.
NOTE Confidence: 0.8557651

00:03:30.320 --> 00:03:33.008 In activities that we deem to be most
NOTE Confidence: 0.8557651

00:03:33.008 --> 00:03:34.867 necessary and suitable to benefit
NOTE Confidence: 0.8557651

00:03:34.867 --> 00:03:37.105 all the members of the network.
NOTE Confidence: 0.8557651

00:03:37.110 --> 00:03:39.470 And by open I mean that we are
NOTE Confidence: 0.8557651

00:03:39.470 --> 00:03:40.829 currently welcoming new members.
NOTE Confidence: 0.8557651

00:03:40.830 --> 00:03:41.426 Suddenly, again,
NOTE Confidence: 0.8557651

00:03:41.426 --> 00:03:42.916 delighted to be here today
NOTE Confidence: 0.8557651

00:03:42.916 --> 00:03:44.549 to to promote this network.
NOTE Confidence: 0.8557651

00:03:44.550 --> 00:03:46.290 Anybody who would like to get
NOTE Confidence: 0.8557651

00:03:46.290 --> 00:03:47.960 involved can visit our website.
NOTE Confidence: 0.8557651

00:03:47.960 --> 00:03:49.820 You can see the links there.

NOTE Confidence: 0.8557651

00:03:49.820 --> 00:03:51.710 You can also you know quick

NOTE Confidence: 0.8557651

00:03:51.710 --> 00:03:53.540 Google search finds us as well.

NOTE Confidence: 0.8557651

00:03:53.540 --> 00:03:55.913 It will be posting updates on our

NOTE Confidence: 0.8557651

00:03:55.913 --> 00:03:58.230 website as we grow and develop.

NOTE Confidence: 0.8557651

00:03:58.230 --> 00:04:00.726 You can also email Jen Lahav at YIGHU,

NOTE Confidence: 0.8557651

00:04:00.730 --> 00:04:02.410 provides support to the network

NOTE Confidence: 0.8557651

00:04:02.410 --> 00:04:05.152 and she can add your name to our

NOTE Confidence: 0.8557651

00:04:05.152 --> 00:04:06.802 email distribution list and we

NOTE Confidence: 0.8557651

00:04:06.802 --> 00:04:08.825 would be delighted to see any and

NOTE Confidence: 0.8557651

00:04:08.825 --> 00:04:10.748 all of you at a future meeting.

NOTE Confidence: 0.8557651

00:04:10.748 --> 00:04:11.690 So with that,

NOTE Confidence: 0.8557651

00:04:11.690 --> 00:04:13.315 thank you everybody for your

NOTE Confidence: 0.8557651

00:04:13.315 --> 00:04:14.940 interest in vaccines and thank

NOTE Confidence: 0.8557651

00:04:15.001 --> 00:04:16.376 you for being here today,

NOTE Confidence: 0.8557651

00:04:16.380 --> 00:04:19.413 and I will turn it back over to Patrick.
