

WEBVTT

NOTE duration:"01:05:45.1310000"

NOTE language:en-us

NOTE Confidence: 0.8422349

00:00:00.000 --> 00:00:01.950 Question and answers. For those of

NOTE Confidence: 0.8422349

00:00:01.950 --> 00:00:03.816 you who may not know me,

NOTE Confidence: 0.8422349

00:00:03.820 --> 00:00:05.696 my name is Doctor Nita Ahuja and

NOTE Confidence: 0.8422349

00:00:05.696 --> 00:00:07.513 I'm the interim director of the

NOTE Confidence: 0.8422349

00:00:07.513 --> 00:00:09.421 Yale Cancer Center and Physician in

NOTE Confidence: 0.8422349

00:00:09.421 --> 00:00:11.309 chief for Smilow Cancer Hospital.

NOTE Confidence: 0.8422349

00:00:11.310 --> 00:00:13.668 I took this role over in March 1st when

NOTE Confidence: 0.8422349

00:00:13.668 --> 00:00:15.987 Doctor Charles Fuchs left the institution.

NOTE Confidence: 0.8422349

00:00:15.990 --> 00:00:17.862 My other job before this was

NOTE Confidence: 0.8422349

00:00:17.862 --> 00:00:19.734 chair of the Department of Surgery

NOTE Confidence: 0.8422349

00:00:19.734 --> 00:00:21.606 and they continued to do that.

NOTE Confidence: 0.8422349

00:00:21.610 --> 00:00:23.780 But it's been my pleasure to take

NOTE Confidence: 0.8422349

00:00:23.780 --> 00:00:25.847 the helm from Doctor Fuchs able

NOTE Confidence: 0.8422349

00:00:25.847 --> 00:00:28.339 hands and it look forward to tonight

NOTE Confidence: 0.8422349

00:00:28.409 --> 00:00:30.713 and getting to know all of you and.

NOTE Confidence: 0.8422349

00:00:30.720 --> 00:00:32.244 Spending this evening together,

NOTE Confidence: 0.8422349

00:00:32.244 --> 00:00:34.930 I also hope that this forum becomes

NOTE Confidence: 0.8422349

00:00:34.930 --> 00:00:37.233 one that we can continue on to

NOTE Confidence: 0.8422349

00:00:37.233 --> 00:00:39.590 connect with all of you as as this

NOTE Confidence: 0.8422349

00:00:39.590 --> 00:00:42.012 is an important form for us to learn

NOTE Confidence: 0.8422349

00:00:42.012 --> 00:00:43.344 bidirectionally on what things

NOTE Confidence: 0.8422349

00:00:43.344 --> 00:00:45.330 are going well and what things.

NOTE Confidence: 0.8422349

00:00:45.330 --> 00:00:48.305 Perhaps we can pay our attention to.

NOTE Confidence: 0.8422349

00:00:48.310 --> 00:00:49.210 Next, slide running.

NOTE Confidence: 0.8580874

00:00:52.900 --> 00:00:55.714 So this month it's really some exciting news.

NOTE Confidence: 0.8580874

00:00:55.720 --> 00:00:57.480 This is oncology nursing month.

NOTE Confidence: 0.8580874

00:00:57.480 --> 00:00:59.937 An May six was National Nursing Day.

NOTE Confidence: 0.8580874

00:00:59.940 --> 00:01:02.271 Think we can all say that living

NOTE Confidence: 0.8580874

00:01:02.271 --> 00:01:04.447 through the past year and almost

NOTE Confidence: 0.8580874

00:01:04.447 --> 00:01:06.649 every day for our cancer patients
NOTE Confidence: 0.8580874

00:01:06.649 --> 00:01:09.134 that the 400 plus nurses who deliver
NOTE Confidence: 0.8580874

00:01:09.134 --> 00:01:11.410 care at the Smilow Cancer Hospital.
NOTE Confidence: 0.8580874

00:01:11.410 --> 00:01:13.230 In AR15 ambulatory sites.
NOTE Confidence: 0.8580874

00:01:13.230 --> 00:01:14.850 Around Connecticut and investor Lee,
NOTE Confidence: 0.8580874

00:01:14.850 --> 00:01:16.455 Rhode Island, he couldn't deliver
NOTE Confidence: 0.8580874

00:01:16.455 --> 00:01:18.740 the care without all of her nurses,
NOTE Confidence: 0.8580874

00:01:18.740 --> 00:01:21.106 so they are central to our patient
NOTE Confidence: 0.8580874

00:01:21.106 --> 00:01:23.092 care teams and we thank them
NOTE Confidence: 0.8580874

00:01:23.092 --> 00:01:24.886 all for all that they do.
NOTE Confidence: 0.8580874

00:01:24.890 --> 00:01:27.806 I also wanted to acknowledge that.
NOTE Confidence: 0.8580874

00:01:27.810 --> 00:01:29.147 If you move to the next slide.
NOTE Confidence: 0.7961908

00:01:30.000 --> 00:01:31.640 Money is a maze.
NOTE Confidence: 0.7961908

00:01:31.640 --> 00:01:33.690 Also bladder Cancer Awareness Month
NOTE Confidence: 0.7961908

00:01:33.690 --> 00:01:36.330 and brain Tumor Awareness Month.
NOTE Confidence: 0.7961908

00:01:36.330 --> 00:01:38.780 And as some of you may know,

NOTE Confidence: 0.7961908

00:01:38.780 --> 00:01:40.916 but Yale Cancer Center has done

NOTE Confidence: 0.7961908

00:01:40.916 --> 00:01:41.984 some phenomenal breakthrough

NOTE Confidence: 0.7961908

00:01:41.984 --> 00:01:43.329 advances in bladder cancer.

NOTE Confidence: 0.7961908

00:01:43.330 --> 00:01:45.080 Especially, I want to point

NOTE Confidence: 0.7961908

00:01:45.080 --> 00:01:47.180 out the work of Doctor Dan.

NOTE Confidence: 0.7961908

00:01:47.180 --> 00:01:49.231 Petra Lack who just last year had

NOTE Confidence: 0.7961908

00:01:49.231 --> 00:01:51.413 the first FDA approved therapy for

NOTE Confidence: 0.7961908

00:01:51.413 --> 00:01:53.478 advanced bladder cancer pad set,

NOTE Confidence: 0.7961908

00:01:53.480 --> 00:01:55.632 or in four to map that better team

NOTE Confidence: 0.7961908

00:01:55.632 --> 00:01:57.769 in late 2019 and the follow up

NOTE Confidence: 0.7961908

00:01:57.769 --> 00:01:59.904 studies of these new drug combination

NOTE Confidence: 0.7961908

00:01:59.904 --> 00:02:02.559 and targeted therapies or country

NOTE Confidence: 0.7961908

00:02:02.559 --> 00:02:04.683 currently continuing clinical trials.

NOTE Confidence: 0.7961908

00:02:04.690 --> 00:02:07.497 And for brain cancer Smilow Cancer hospital,

NOTE Confidence: 0.7961908

00:02:07.500 --> 00:02:09.738 the Shanavia family Brain Tumor Center

NOTE Confidence: 0.7961908

00:02:09.738 --> 00:02:12.584 is also leading the vein with advanced
NOTE Confidence: 0.7961908

00:02:12.584 --> 00:02:14.719 surgical options for our patients,
NOTE Confidence: 0.7961908

00:02:14.720 --> 00:02:17.120 especially in intra operative MRI suite,
NOTE Confidence: 0.7961908

00:02:17.120 --> 00:02:19.448 often able to schedule surgery and
NOTE Confidence: 0.7961908

00:02:19.448 --> 00:02:21.530 difficult to treat brain tumors.
NOTE Confidence: 0.7961908

00:02:21.530 --> 00:02:24.099 Patients who may need a second operation
NOTE Confidence: 0.7961908

00:02:24.099 --> 00:02:26.943 on brain tumors and also awake surgeries
NOTE Confidence: 0.7961908

00:02:26.943 --> 00:02:29.457 for to protect those critical functions
NOTE Confidence: 0.7961908

00:02:29.528 --> 00:02:31.558 of the brain are neurosurgeons,
NOTE Confidence: 0.7961908

00:02:31.560 --> 00:02:34.108 partner with neuro oncologists and other team
NOTE Confidence: 0.7961908

00:02:34.108 --> 00:02:36.689 members to provide multidisciplinary cancer.
NOTE Confidence: 0.7961908

00:02:36.690 --> 00:02:39.105 I think these are just two cancers,
NOTE Confidence: 0.7961908

00:02:39.110 --> 00:02:41.766 but I thought it was nice to highlight
NOTE Confidence: 0.7961908

00:02:41.766 --> 00:02:44.296 these two months in for you tonight.
NOTE Confidence: 0.7961908

00:02:44.300 --> 00:02:46.420 Next slide.
NOTE Confidence: 0.7961908

00:02:46.420 --> 00:02:48.730 Now here's some nice sort of news.

NOTE Confidence: 0.7961908
00:02:48.730 --> 00:02:49.390 You know,
NOTE Confidence: 0.7961908
00:02:49.390 --> 00:02:51.370 as we hopefully many of you
NOTE Confidence: 0.7961908
00:02:51.370 --> 00:02:52.360 are getting vaccinated.
NOTE Confidence: 0.7961908
00:02:52.360 --> 00:02:54.280 I thought it was nice to
NOTE Confidence: 0.7961908
00:02:54.280 --> 00:02:55.990 share some cold with data.
NOTE Confidence: 0.7961908
00:02:55.990 --> 00:02:57.946 I know we're joined by Doctor
NOTE Confidence: 0.7961908
00:02:57.946 --> 00:02:59.620 Ballsack will share some more,
NOTE Confidence: 0.7961908
00:02:59.620 --> 00:03:01.958 but just to give you some statistics
NOTE Confidence: 0.7961908
00:03:01.958 --> 00:03:03.909 that over 25,000 of our people,
NOTE Confidence: 0.7961908
00:03:03.910 --> 00:03:05.230 employees and medical staff
NOTE Confidence: 0.7961908
00:03:05.230 --> 00:03:06.550 have now been vaccinated.
NOTE Confidence: 0.7961908
00:03:06.550 --> 00:03:08.860 And if we look at the members
NOTE Confidence: 0.7961908
00:03:08.860 --> 00:03:10.180 of the public vaccinate,
NOTE Confidence: 0.7961908
00:03:10.180 --> 00:03:11.170 it's approaching close
NOTE Confidence: 0.84631634
00:03:11.170 --> 00:03:12.820 to 200,000 since March 2020.
NOTE Confidence: 0.8770354

00:03:13.770 --> 00:03:16.586 An if you look at the our system,
NOTE Confidence: 0.8770354

00:03:16.590 --> 00:03:19.159 we've taken over taken care of around
NOTE Confidence: 0.8770354

00:03:19.159 --> 00:03:20.975 12,000 patients overall since the
NOTE Confidence: 0.8770354

00:03:20.975 --> 00:03:23.264 pandemic started in March of last year,
NOTE Confidence: 0.8770354

00:03:23.270 --> 00:03:25.382 and in the past week alone
NOTE Confidence: 0.8770354

00:03:25.382 --> 00:03:26.790 there were 219 patients.
NOTE Confidence: 0.8770354

00:03:26.790 --> 00:03:28.734 I think it's exciting to see
NOTE Confidence: 0.8770354

00:03:28.734 --> 00:03:30.670 that those numbers are dropping,
NOTE Confidence: 0.8770354

00:03:30.670 --> 00:03:33.486 but it's also important to reflect back on
NOTE Confidence: 0.8770354

00:03:33.486 --> 00:03:36.294 the last 14 months and think about what
NOTE Confidence: 0.8770354

00:03:36.294 --> 00:03:39.110 we have done collectively with as a system,
NOTE Confidence: 0.8770354

00:03:39.110 --> 00:03:42.113 and it's certainly the mortality rate is
NOTE Confidence: 0.8770354

00:03:42.113 --> 00:03:45.468 the lowest in the state and I think it.
NOTE Confidence: 0.8770354

00:03:45.470 --> 00:03:48.395 Points out all the hard work of our team
NOTE Confidence: 0.8770354

00:03:48.395 --> 00:03:50.890 members in taking care of our patients.
NOTE Confidence: 0.8770354

00:03:50.890 --> 00:03:52.062 Next slide.

NOTE Confidence: 0.8770354

00:03:52.062 --> 00:03:54.226 And then if you look at activity,

NOTE Confidence: 0.8770354

00:03:54.226 --> 00:03:56.370 I think I'm really proud to say that

NOTE Confidence: 0.8770354

00:03:56.432 --> 00:03:58.547 all of our teams that we were able to

NOTE Confidence: 0.8770354

00:03:58.547 --> 00:04:00.707 offer care to treat all of her patients.

NOTE Confidence: 0.8770354

00:04:00.710 --> 00:04:02.010 These are patient volumes starting

NOTE Confidence: 0.8770354

00:04:02.010 --> 00:04:03.310 in April of last year.

NOTE Confidence: 0.8770354

00:04:03.310 --> 00:04:05.130 You can see them in dark blue

NOTE Confidence: 0.8770354

00:04:05.130 --> 00:04:06.430 and we continue to Kate.

NOTE Confidence: 0.8770354

00:04:06.430 --> 00:04:07.470 Take care for patients,

NOTE Confidence: 0.8770354

00:04:07.470 --> 00:04:08.815 even when perhaps things were

NOTE Confidence: 0.8770354

00:04:08.815 --> 00:04:10.401 very difficult in the early days

NOTE Confidence: 0.8770354

00:04:10.401 --> 00:04:11.907 and have continued to do so.

NOTE Confidence: 0.8770354

00:04:11.907 --> 00:04:13.846 I do think we all recognize that

NOTE Confidence: 0.8770354

00:04:13.846 --> 00:04:15.940 there was some delay in getting

NOTE Confidence: 0.8770354

00:04:15.940 --> 00:04:17.050 to cancer screenings,

NOTE Confidence: 0.8770354

00:04:17.050 --> 00:04:18.760 and we're seeing a catch up,
NOTE Confidence: 0.8770354

00:04:18.760 --> 00:04:21.048 especially in the last few months or more.
NOTE Confidence: 0.8770354

00:04:21.050 --> 00:04:22.194 Patients are coming in,
NOTE Confidence: 0.8770354

00:04:22.194 --> 00:04:23.910 and I do encourage everybody to
NOTE Confidence: 0.8770354

00:04:23.910 --> 00:04:25.626 catch up with their cancer screening.
NOTE Confidence: 0.8770354

00:04:25.630 --> 00:04:27.055 Whether it's mammograms or other
NOTE Confidence: 0.8770354

00:04:27.055 --> 00:04:27.910 types of screening,
NOTE Confidence: 0.8770354

00:04:27.910 --> 00:04:30.126 and I hope you know that we're all
NOTE Confidence: 0.8770354

00:04:30.126 --> 00:04:32.949 here to make that available to you.
NOTE Confidence: 0.8770354

00:04:32.950 --> 00:04:34.936 I have a wonderful agenda tonight,
NOTE Confidence: 0.8770354

00:04:34.940 --> 00:04:36.600 moving to the next slide.
NOTE Confidence: 0.8770354

00:04:36.600 --> 00:04:37.776 As I mentioned today,
NOTE Confidence: 0.8770354

00:04:37.776 --> 00:04:39.965 we're going to have start up with
NOTE Confidence: 0.8770354

00:04:39.965 --> 00:04:41.760 talking about cancer care and
NOTE Confidence: 0.8770354

00:04:41.760 --> 00:04:43.920 covid vaccinations and how to what
NOTE Confidence: 0.8770354

00:04:43.920 --> 00:04:45.900 does it mean for immuno suppressed

NOTE Confidence: 0.8770354

00:04:45.900 --> 00:04:46.906 patients with vaccinations?

NOTE Confidence: 0.8770354

00:04:46.906 --> 00:04:49.328 So we have our very own doctor

NOTE Confidence: 0.8770354

00:04:49.328 --> 00:04:50.698 Kevin Billingsley who's speaking

NOTE Confidence: 0.8770354

00:04:50.698 --> 00:04:52.868 at the spoken at this forum before.

NOTE Confidence: 0.8770354

00:04:52.870 --> 00:04:55.078 These are Chief Medical Officer an

NOTE Confidence: 0.8770354

00:04:55.078 --> 00:04:56.960 alongside we have Doctor Thomas

NOTE Confidence: 0.8770354

00:04:56.960 --> 00:04:59.018 Balsac who is the Chief Clinical

NOTE Confidence: 0.8770354

00:04:59.018 --> 00:05:01.069 Officer for the health system in

NOTE Confidence: 0.8770354

00:05:01.069 --> 00:05:03.295 the CMO for IL New Haven Hospital.

NOTE Confidence: 0.8770354

00:05:03.300 --> 00:05:04.034 Following that,

NOTE Confidence: 0.8770354

00:05:04.034 --> 00:05:06.603 we have a delight that the integrative

NOTE Confidence: 0.8770354

00:05:06.603 --> 00:05:08.518 medicine team that really think about

NOTE Confidence: 0.8770354

00:05:08.518 --> 00:05:10.890 all of your health and how we make

NOTE Confidence: 0.8770354

00:05:10.890 --> 00:05:12.634 you recover after you go through

NOTE Confidence: 0.8770354

00:05:12.634 --> 00:05:14.894 your treatments and also being your partners.

NOTE Confidence: 0.8770354

00:05:14.894 --> 00:05:16.824 So Doctor Sulphur is joined by
NOTE Confidence: 0.8770354

00:05:16.824 --> 00:05:17.466 Michelle Brandon,
NOTE Confidence: 0.8770354

00:05:17.470 --> 00:05:19.230 Ellen McNally and then hopefully
NOTE Confidence: 0.8770354

00:05:19.230 --> 00:05:21.300 we'll have a panel discussion and
NOTE Confidence: 0.8770354

00:05:21.300 --> 00:05:23.260 Q&A and Doctor you is joining us
NOTE Confidence: 0.8770354

00:05:23.260 --> 00:05:25.025 from radiation oncology and then
NOTE Confidence: 0.8770354

00:05:25.025 --> 00:05:27.953 in the last few minutes I I we have
NOTE Confidence: 0.8770354

00:05:27.953 --> 00:05:29.053 a really nice surprise.
NOTE Confidence: 0.8770354

00:05:29.060 --> 00:05:31.088 It's a video from our integrative
NOTE Confidence: 0.8770354

00:05:31.088 --> 00:05:33.948 medicine team that I hope you'll stay on it.
NOTE Confidence: 0.8770354

00:05:33.950 --> 00:05:35.740 Stand and listen to it.
NOTE Confidence: 0.8770354

00:05:35.740 --> 00:05:38.236 So with that it's my pleasure to turn
NOTE Confidence: 0.8770354

00:05:38.236 --> 00:05:40.390 this over to Doctor Billingsley.
NOTE Confidence: 0.8417034

00:05:42.030 --> 00:05:44.265 Thank you Doctor Ahuja and I think
NOTE Confidence: 0.8417034

00:05:44.265 --> 00:05:46.789 I'm I'm going to ask my colleague,
NOTE Confidence: 0.8417034

00:05:46.790 --> 00:05:49.268 Doctor Balcerzak to lead off and give

NOTE Confidence: 0.8417034

00:05:49.268 --> 00:05:51.741 us kind of the big picture overview

NOTE Confidence: 0.8417034

00:05:51.741 --> 00:05:54.849 of where we are as a health system.

NOTE Confidence: 0.8417034

00:05:54.850 --> 00:05:56.598 With our vaccination efforts,

NOTE Confidence: 0.8417034

00:05:56.598 --> 00:05:59.230 thanks for joining us. Doctor B.

NOTE Confidence: 0.8380314

00:05:59.230 --> 00:06:01.981 Yes and thank you both for inviting

NOTE Confidence: 0.8380314

00:06:01.981 --> 00:06:04.919 me in the entire Smilow team.

NOTE Confidence: 0.8380314

00:06:04.920 --> 00:06:07.110 I'm honored to be here,

NOTE Confidence: 0.8380314

00:06:07.110 --> 00:06:09.738 so as Doctor Who you mentioned,

NOTE Confidence: 0.8380314

00:06:09.740 --> 00:06:12.242 my role is the Chief Clinical

NOTE Confidence: 0.8380314

00:06:12.242 --> 00:06:14.560 Officer for the health system,

NOTE Confidence: 0.8380314

00:06:14.560 --> 00:06:17.936 and as such I was given the responsibility

NOTE Confidence: 0.8380314

00:06:17.936 --> 00:06:20.642 for leading the efforts for the

NOTE Confidence: 0.8380314

00:06:20.642 --> 00:06:23.312 vaccine rollout at the health system.

NOTE Confidence: 0.8380314

00:06:23.320 --> 00:06:24.968 And we started that.

NOTE Confidence: 0.8380314

00:06:24.968 --> 00:06:27.028 Three days after the first

NOTE Confidence: 0.8380314

00:06:27.028 --> 00:06:28.819 emergency use authorization.

NOTE Confidence: 0.8380314

00:06:28.820 --> 00:06:31.494 So exciting back in the second week

NOTE Confidence: 0.8380314

00:06:31.494 --> 00:06:34.070 of December and we're lucky enough

NOTE Confidence: 0.8380314

00:06:34.070 --> 00:06:36.770 to get direct allocation from the

NOTE Confidence: 0.8380314

00:06:36.770 --> 00:06:39.019 federal government that we can.

NOTE Confidence: 0.8380314

00:06:39.020 --> 00:06:41.780 We began vaccinating our staff.

NOTE Confidence: 0.8380314

00:06:41.780 --> 00:06:44.198 As Doctor Ahuja mentioned in the

NOTE Confidence: 0.8380314

00:06:44.198 --> 00:06:46.503 following weeks we vaccinated first all

NOTE Confidence: 0.8380314

00:06:46.503 --> 00:06:48.999 of our high risk staff at the hospital

NOTE Confidence: 0.8380314

00:06:49.067 --> 00:06:51.797 and across the health system in our

NOTE Confidence: 0.8380314

00:06:51.797 --> 00:06:53.690 emergency departments in our ICU's.

NOTE Confidence: 0.8380314

00:06:53.690 --> 00:06:55.490 And when I say we've

NOTE Confidence: 0.8380314

00:06:55.490 --> 00:06:57.070 activated our staff there,

NOTE Confidence: 0.8380314

00:06:57.070 --> 00:06:59.272 we vaccinated everyone who came in

NOTE Confidence: 0.8380314

00:06:59.272 --> 00:07:01.549 contact with patients in those units.

NOTE Confidence: 0.8380314

00:07:01.550 --> 00:07:03.038 Didn't matter whether you're

NOTE Confidence: 0.8380314

00:07:03.038 --> 00:07:04.154 environmental services worker,

NOTE Confidence: 0.8380314

00:07:04.160 --> 00:07:04.940 a pharmacist,

NOTE Confidence: 0.8380314

00:07:04.940 --> 00:07:07.670 we tried to get everyone in and

NOTE Confidence: 0.8380314

00:07:07.670 --> 00:07:10.419 as equitable fashion as we can.

NOTE Confidence: 0.8380314

00:07:10.420 --> 00:07:12.406 And as Doctor Who also mentioned,

NOTE Confidence: 0.8380314

00:07:12.410 --> 00:07:15.058 we're very proud that we are now at

NOTE Confidence: 0.8380314

00:07:15.058 --> 00:07:17.700 80% of the entire T of our workforce,

NOTE Confidence: 0.8380314

00:07:17.700 --> 00:07:19.285 and that includes folks that

NOTE Confidence: 0.8380314

00:07:19.285 --> 00:07:21.282 work in billing offices in folks

NOTE Confidence: 0.8380314

00:07:21.282 --> 00:07:22.666 that work remotely even,

NOTE Confidence: 0.8380314

00:07:22.670 --> 00:07:24.325 and a the clinical portion

NOTE Confidence: 0.8380314

00:07:24.325 --> 00:07:25.980 of our staff is much,

NOTE Confidence: 0.8380314

00:07:25.980 --> 00:07:27.380 much higher that's vaccinated,

NOTE Confidence: 0.8380314

00:07:27.380 --> 00:07:30.078 well into the high 80s in some cases

NOTE Confidence: 0.8380314

00:07:30.078 --> 00:07:32.270 to 90% of our staff are vaccinated.

NOTE Confidence: 0.8380314

00:07:32.270 --> 00:07:34.190 Doctor Billingsley is going to talk
NOTE Confidence: 0.8380314

00:07:34.190 --> 00:07:36.542 a little bit about some of perhaps
NOTE Confidence: 0.8380314

00:07:36.542 --> 00:07:38.558 the reasons why people are waiting.
NOTE Confidence: 0.8380314

00:07:38.560 --> 00:07:40.012 There are certain conditions
NOTE Confidence: 0.8380314

00:07:40.012 --> 00:07:42.190 where we want them to wait.
NOTE Confidence: 0.8380314

00:07:42.190 --> 00:07:44.728 I'm in delay their vaccine until
NOTE Confidence: 0.8380314

00:07:44.728 --> 00:07:46.770 some clinical milestones are met,
NOTE Confidence: 0.8380314

00:07:46.770 --> 00:07:48.850 and certainly some of our.
NOTE Confidence: 0.8380314

00:07:48.850 --> 00:07:51.322 Some of our employees are falling
NOTE Confidence: 0.8380314

00:07:51.322 --> 00:07:53.420 into those domains as well,
NOTE Confidence: 0.8380314

00:07:53.420 --> 00:07:55.500 but vaccine hesitancy is real.
NOTE Confidence: 0.8380314

00:07:55.500 --> 00:07:57.385 It's something that we've spent
NOTE Confidence: 0.8380314

00:07:57.385 --> 00:08:00.302 a lot of time trying to assist
NOTE Confidence: 0.8380314

00:08:00.302 --> 00:08:01.736 folks in understanding.
NOTE Confidence: 0.8380314

00:08:01.740 --> 00:08:04.148 We have had a approach that I
NOTE Confidence: 0.8380314

00:08:04.148 --> 00:08:07.212 think is been one that many health

NOTE Confidence: 0.8380314

00:08:07.212 --> 00:08:09.652 systems in many organizations across

NOTE Confidence: 0.8380314

00:08:09.652 --> 00:08:12.460 the country have have also used.

NOTE Confidence: 0.8380314

00:08:12.460 --> 00:08:14.572 Which is we use appreciative inquiry

NOTE Confidence: 0.8380314

00:08:14.572 --> 00:08:16.872 meaning on trying to understand the

NOTE Confidence: 0.8380314

00:08:16.872 --> 00:08:19.756 reasons why people are not receiving vaccine.

NOTE Confidence: 0.8380314

00:08:19.760 --> 00:08:22.119 In some cases it's because of a

NOTE Confidence: 0.8380314

00:08:22.119 --> 00:08:24.022 inability to use technology or

NOTE Confidence: 0.8380314

00:08:24.022 --> 00:08:26.470 an inability to get access to

NOTE Confidence: 0.8380314

00:08:26.470 --> 00:08:28.200 the technology to schedule.

NOTE Confidence: 0.8380314

00:08:28.200 --> 00:08:30.860 So we've put in efforts to overcome

NOTE Confidence: 0.8380314

00:08:30.860 --> 00:08:33.598 that both with our staff but also

NOTE Confidence: 0.8380314

00:08:33.598 --> 00:08:35.878 as we pivoted to the Community.

NOTE Confidence: 0.8380314

00:08:35.880 --> 00:08:38.232 We noticed a lot of the same

NOTE Confidence: 0.8380314

00:08:38.232 --> 00:08:40.110 reasons in the community,

NOTE Confidence: 0.8380314

00:08:40.110 --> 00:08:42.610 including those kinds of access.

NOTE Confidence: 0.8380314

00:08:42.610 --> 00:08:44.855 Sometimes there are cultural barriers
NOTE Confidence: 0.8380314

00:08:44.855 --> 00:08:47.521 and we have many coordinated efforts
NOTE Confidence: 0.8380314

00:08:47.521 --> 00:08:49.603 now across the health system to
NOTE Confidence: 0.8380314

00:08:49.603 --> 00:08:51.982 use many of the cultural interfaces
NOTE Confidence: 0.8380314

00:08:51.982 --> 00:08:54.092 with our communities that have
NOTE Confidence: 0.8380314

00:08:54.092 --> 00:08:57.050 been in place prior to COVID-19 for
NOTE Confidence: 0.8380314

00:08:57.050 --> 00:08:59.160 other reasons like enrollment in
NOTE Confidence: 0.8380314

00:08:59.238 --> 00:09:01.728 clinical trials or reach out for
NOTE Confidence: 0.8380314

00:09:01.728 --> 00:09:03.845 cancer screening and those work
NOTE Confidence: 0.8380314

00:09:03.845 --> 00:09:06.125 extremely well because I think we
NOTE Confidence: 0.8380314

00:09:06.125 --> 00:09:08.566 would all agree that when information
NOTE Confidence: 0.8380314

00:09:08.566 --> 00:09:10.726 comes from someone you already
NOTE Confidence: 0.8380314

00:09:10.726 --> 00:09:13.303 have trust in someone you already
NOTE Confidence: 0.8380314

00:09:13.303 --> 00:09:14.947 have a relationship with.
NOTE Confidence: 0.8380314

00:09:14.950 --> 00:09:17.806 You're more likely to accept that
NOTE Confidence: 0.8380314

00:09:17.806 --> 00:09:19.710 recommendation rather than from

NOTE Confidence: 0.8684689

00:09:19.785 --> 00:09:21.469 someone you don't know,

NOTE Confidence: 0.8684689

00:09:21.470 --> 00:09:24.266 or someone who you're just met,

NOTE Confidence: 0.8684689

00:09:24.270 --> 00:09:27.693 and so we've worked with those folks

NOTE Confidence: 0.8684689

00:09:27.693 --> 00:09:30.937 really effectively to try to drive across

NOTE Confidence: 0.8684689

00:09:30.937 --> 00:09:34.060 all of our communities that we serve.

NOTE Confidence: 0.8684689

00:09:34.060 --> 00:09:34.976 Vaccination acceptance.

NOTE Confidence: 0.8684689

00:09:34.976 --> 00:09:38.640 We, as you saw in those early statistics

NOTE Confidence: 0.8684689

00:09:38.720 --> 00:09:41.516 that Doctor Ahuja showed between December

NOTE Confidence: 0.8684689

00:09:41.516 --> 00:09:44.685 15th and February 15th, we opened up.

NOTE Confidence: 0.8684689

00:09:44.685 --> 00:09:46.860 Eight large scale mass vaccination

NOTE Confidence: 0.8684689

00:09:46.860 --> 00:09:50.015 sites and are capable of delivering more

NOTE Confidence: 0.8684689

00:09:50.015 --> 00:09:52.979 than 50,000 doses of vaccine per week.

NOTE Confidence: 0.8684689

00:09:52.980 --> 00:09:53.450 Unfortunately,

NOTE Confidence: 0.8684689

00:09:53.450 --> 00:09:56.740 the maximum we ever reached was 48,000

NOTE Confidence: 0.8684689

00:09:56.740 --> 00:09:59.730 over a couple of weeks in a row,

NOTE Confidence: 0.8684689

00:09:59.730 --> 00:10:01.605 primarily in the beginning because
NOTE Confidence: 0.8684689

00:10:01.605 --> 00:10:04.028 we were not given an adequate
NOTE Confidence: 0.8684689

00:10:04.028 --> 00:10:06.413 allocation from the federal government
NOTE Confidence: 0.8684689

00:10:06.413 --> 00:10:09.010 the way the allocation work was,
NOTE Confidence: 0.8684689

00:10:09.010 --> 00:10:10.698 the federal government decided
NOTE Confidence: 0.8684689

00:10:10.698 --> 00:10:12.808 which states got which percent,
NOTE Confidence: 0.8684689

00:10:12.810 --> 00:10:16.474 and on the most, for the most part.
NOTE Confidence: 0.8684689

00:10:16.480 --> 00:10:19.184 They did it by a straight population density,
NOTE Confidence: 0.8684689

00:10:19.190 --> 00:10:22.016 so we are about three and a half million
NOTE Confidence: 0.8684689

00:10:22.016 --> 00:10:24.280 people in the state of Connecticut,
NOTE Confidence: 0.8684689

00:10:24.280 --> 00:10:26.650 which means we are 1% of the
NOTE Confidence: 0.8684689

00:10:26.650 --> 00:10:28.350 population of the United States,
NOTE Confidence: 0.8684689

00:10:28.350 --> 00:10:30.966 so we would receive about 1% of the
NOTE Confidence: 0.8684689

00:10:30.966 --> 00:10:32.431 production of each week's vaccine
NOTE Confidence: 0.8684689

00:10:32.431 --> 00:10:34.450 that the federal government allocated,
NOTE Confidence: 0.8684689

00:10:34.450 --> 00:10:36.960 and then the DPH did a very nice job in

NOTE Confidence: 0.8684689

00:10:37.025 --> 00:10:39.860 my opinion of making sure that there

NOTE Confidence: 0.8684689

00:10:39.860 --> 00:10:42.238 was equitable distribution across the state.

NOTE Confidence: 0.8684689

00:10:42.240 --> 00:10:45.016 So I think many people have heard the

NOTE Confidence: 0.8684689

00:10:45.016 --> 00:10:47.356 statistic that more than 75% of the

NOTE Confidence: 0.8684689

00:10:47.356 --> 00:10:49.474 population in the state of Connecticut.

NOTE Confidence: 0.8684689

00:10:49.480 --> 00:10:52.336 Has now received at least one dose

NOTE Confidence: 0.8684689

00:10:52.336 --> 00:10:55.135 of vaccine and more than 55% of

NOTE Confidence: 0.8684689

00:10:55.135 --> 00:10:57.160 the state is fully vaccinated.

NOTE Confidence: 0.8684689

00:10:57.160 --> 00:11:01.066 I think not a day goes by, or certainly not.

NOTE Confidence: 0.8684689

00:11:01.066 --> 00:11:04.094 A week goes by where there is not

NOTE Confidence: 0.8684689

00:11:04.094 --> 00:11:06.548 a major piece of new information

NOTE Confidence: 0.8684689

00:11:06.548 --> 00:11:08.876 about either the disease, spread,

NOTE Confidence: 0.8684689

00:11:08.876 --> 00:11:10.094 variance vaccine, etc.

NOTE Confidence: 0.8684689

00:11:10.094 --> 00:11:13.718 And of course 2 very big pieces of news.

NOTE Confidence: 0.8684689

00:11:13.720 --> 00:11:16.163 This past week have been first the

NOTE Confidence: 0.8684689

00:11:16.163 --> 00:11:18.332 opening up of vaccine eligibility
NOTE Confidence: 0.8684689

00:11:18.332 --> 00:11:20.420 for the Pfizer vaccine.
NOTE Confidence: 0.8684689

00:11:20.420 --> 00:11:22.597 To children as young as 12 years
NOTE Confidence: 0.8684689

00:11:22.597 --> 00:11:25.324 old and that now will add another
NOTE Confidence: 0.8684689

00:11:25.324 --> 00:11:27.040 174 approximately 1000 individuals
NOTE Confidence: 0.8684689

00:11:27.040 --> 00:11:29.739 in the state of Connecticut that
NOTE Confidence: 0.8684689

00:11:29.739 --> 00:11:31.503 are eligible for vaccine.
NOTE Confidence: 0.8684689

00:11:31.510 --> 00:11:34.878 And we've opened up as of yesterday all
NOTE Confidence: 0.8684689

00:11:34.878 --> 00:11:38.930 of our sites to individuals as low as 12.
NOTE Confidence: 0.8684689

00:11:38.930 --> 00:11:41.456 And the second piece of information
NOTE Confidence: 0.8684689

00:11:41.456 --> 00:11:44.222 which will talk about and I think
NOTE Confidence: 0.8684689

00:11:44.222 --> 00:11:46.980 it's maybe caused a little bit of buzz
NOTE Confidence: 0.8684689

00:11:46.980 --> 00:11:49.804 just a short while ago is the concept.
NOTE Confidence: 0.8684689

00:11:49.810 --> 00:11:52.060 Now that there is a really,
NOTE Confidence: 0.8684689

00:11:52.060 --> 00:11:54.685 I think large carat to earn when
NOTE Confidence: 0.8684689

00:11:54.685 --> 00:11:55.810 you get vaccinated,

NOTE Confidence: 0.8684689

00:11:55.810 --> 00:11:58.060 which is the CDC has altered

NOTE Confidence: 0.8684689

00:11:58.060 --> 00:11:58.810 its recommendation,

NOTE Confidence: 0.8684689

00:11:58.810 --> 00:12:01.106 suggesting that if you are fully vaccinated

NOTE Confidence: 0.8684689

00:12:01.106 --> 00:12:03.678 and there's an important definition there,

NOTE Confidence: 0.8684689

00:12:03.680 --> 00:12:06.904 meaning that you have been two weeks after

NOTE Confidence: 0.8684689

00:12:06.904 --> 00:12:09.450 completing your vaccine schedule so for.

NOTE Confidence: 0.8684689

00:12:09.450 --> 00:12:09.826 NJ,

NOTE Confidence: 0.8684689

00:12:09.826 --> 00:12:12.834 that's one dose an for Moderna and Pfizer.

NOTE Confidence: 0.8684689

00:12:12.840 --> 00:12:15.856 That's two doses 21 or 28 days apart.

NOTE Confidence: 0.8684689

00:12:15.860 --> 00:12:18.560 You need to add 2 weeks to the final

NOTE Confidence: 0.8684689

00:12:18.560 --> 00:12:21.316 date of that vaccine and then you

NOTE Confidence: 0.8684689

00:12:21.316 --> 00:12:23.780 would be considered fully vaccinated.

NOTE Confidence: 0.8684689

00:12:23.780 --> 00:12:26.419 So if you are in that state,

NOTE Confidence: 0.8684689

00:12:26.420 --> 00:12:28.300 the new recommendations by the

NOTE Confidence: 0.8684689

00:12:28.300 --> 00:12:29.804 CDC in certain circumstances,

NOTE Confidence: 0.8684689

00:12:29.810 --> 00:12:32.066 importantly not in a healthcare environment,
NOTE Confidence: 0.8684689

00:12:32.070 --> 00:12:35.086 not in mass transit, not on an airplane.
NOTE Confidence: 0.8684689

00:12:35.090 --> 00:12:36.970 If you are anywhere else,
NOTE Confidence: 0.8684689

00:12:36.970 --> 00:12:39.728 then you can whether inside or outside.
NOTE Confidence: 0.85997176

00:12:39.730 --> 00:12:41.758 Unless there are rules superseding it,
NOTE Confidence: 0.85997176

00:12:41.760 --> 00:12:43.788 you can not wear a mask.
NOTE Confidence: 0.85997176

00:12:43.790 --> 00:12:46.913 We can talk about some of the data behind
NOTE Confidence: 0.85997176

00:12:46.913 --> 00:12:50.202 that and we can talk about that in the Q&A.
NOTE Confidence: 0.85997176

00:12:50.210 --> 00:12:51.562 If there are questions,
NOTE Confidence: 0.85997176

00:12:51.562 --> 00:12:53.590 which I assume there is so,
NOTE Confidence: 0.85997176

00:12:53.590 --> 00:12:55.774 so this is the only haven health
NOTE Confidence: 0.85997176

00:12:55.774 --> 00:12:57.971 system has given a total of 380,000
NOTE Confidence: 0.85997176

00:12:57.971 --> 00:13:00.680 doses of vaccine to date and we have
NOTE Confidence: 0.85997176

00:13:00.680 --> 00:13:02.376 fully vaccinated 180,000 people.
NOTE Confidence: 0.85997176

00:13:02.380 --> 00:13:04.396 So it's been an incredible effort.
NOTE Confidence: 0.85997176

00:13:04.400 --> 00:13:07.272 It's been many folks I think have either

NOTE Confidence: 0.85997176

00:13:07.272 --> 00:13:09.493 been vaccinated through one of our

NOTE Confidence: 0.85997176

00:13:09.493 --> 00:13:11.647 sites or volunteered or worked there.

NOTE Confidence: 0.85997176

00:13:11.650 --> 00:13:13.262 Really, it's really particularly

NOTE Confidence: 0.85997176

00:13:13.262 --> 00:13:15.277 the very beginning was really

NOTE Confidence: 0.85997176

00:13:15.277 --> 00:13:16.822 exhilarating to be part of. That.

NOTE Confidence: 0.85997176

00:13:16.822 --> 00:13:18.814 To know that we're finally doing

NOTE Confidence: 0.85997176

00:13:18.814 --> 00:13:20.649 something to beat this disease,

NOTE Confidence: 0.85997176

00:13:20.650 --> 00:13:22.720 and I'll speak from personal experience.

NOTE Confidence: 0.85997176

00:13:22.720 --> 00:13:24.796 It feels great to be vaccinated.

NOTE Confidence: 0.85997176

00:13:24.800 --> 00:13:27.520 I was finally able to see my fully

NOTE Confidence: 0.85997176

00:13:27.520 --> 00:13:29.904 vaccinated 89 and 88 year old respectively

NOTE Confidence: 0.85997176

00:13:29.904 --> 00:13:33.447 for my mom and my dad parents two weeks ago.

NOTE Confidence: 0.85997176

00:13:33.450 --> 00:13:36.555 So that was the first time in a year.

NOTE Confidence: 0.85997176

00:13:36.560 --> 00:13:39.449 So to be able to get back to those

NOTE Confidence: 0.85997176

00:13:39.449 --> 00:13:42.257 kinds of things are really exciting.

NOTE Confidence: 0.85997176

00:13:42.260 --> 00:13:43.730 Some things are not so exciting.
NOTE Confidence: 0.85997176

00:13:43.730 --> 00:13:45.626 My daughter is moving to a fifth floor
NOTE Confidence: 0.85997176

00:13:45.626 --> 00:13:47.648 walk up in New York City on Saturday,
NOTE Confidence: 0.85997176

00:13:47.650 --> 00:13:48.880 so I'll be in less.
NOTE Confidence: 0.85997176

00:13:48.880 --> 00:13:50.100 Someone wants to help be
NOTE Confidence: 0.85997176

00:13:50.100 --> 00:13:51.076 carrying the mattress up.
NOTE Confidence: 0.85997176

00:13:51.080 --> 00:13:52.550 Those Flight 5 flights of stairs.
NOTE Confidence: 0.85997176

00:13:52.550 --> 00:13:54.020 Kevin, I know you're pretty strong.
NOTE Confidence: 0.85997176

00:13:54.020 --> 00:13:56.270 You're a runner.
NOTE Confidence: 0.85997176

00:13:56.270 --> 00:13:57.900 But with regards to vaccination,
NOTE Confidence: 0.85997176

00:13:57.900 --> 00:14:00.480 so who's eligible right now if
NOTE Confidence: 0.85997176

00:14:00.480 --> 00:14:03.190 you are above the age of 12?
NOTE Confidence: 0.85997176

00:14:03.190 --> 00:14:04.940 You are eligible Doctor Billingsley's
NOTE Confidence: 0.85997176

00:14:04.940 --> 00:14:07.458 going to get into some of the
NOTE Confidence: 0.85997176

00:14:07.458 --> 00:14:09.588 caveats with that with regard to
NOTE Confidence: 0.85997176

00:14:09.588 --> 00:14:11.589 immunosuppression and stem cell transplant,

NOTE Confidence: 0.85997176

00:14:11.590 --> 00:14:14.310 which there are some but one of the

NOTE Confidence: 0.85997176

00:14:14.310 --> 00:14:17.375 things that I'll end with before we can

NOTE Confidence: 0.85997176

00:14:17.375 --> 00:14:20.052 go and Doctor Billingslea can talk a

NOTE Confidence: 0.85997176

00:14:20.052 --> 00:14:22.938 little bit about some special cases is no.

NOTE Confidence: 0.85997176

00:14:22.938 --> 00:14:24.928 No discussion about vaccination is

NOTE Confidence: 0.85997176

00:14:24.928 --> 00:14:26.913 complete without a discussion of

NOTE Confidence: 0.85997176

00:14:26.913 --> 00:14:28.911 how are these variants which are

NOTE Confidence: 0.85997176

00:14:28.911 --> 00:14:30.679 sometimes named after the place

NOTE Confidence: 0.85997176

00:14:30.679 --> 00:14:32.434 where they emerged but increasingly

NOTE Confidence: 0.85997176

00:14:32.434 --> 00:14:34.780 being named by a number convention.

NOTE Confidence: 0.85997176

00:14:34.780 --> 00:14:38.460 To try to avoid stigma of those places.

NOTE Confidence: 0.85997176

00:14:38.460 --> 00:14:40.833 But how are these variants being in

NOTE Confidence: 0.85997176

00:14:40.833 --> 00:14:43.755 or how are these variants impacting

NOTE Confidence: 0.85997176

00:14:43.755 --> 00:14:46.195 our enthusiasm about vaccination?

NOTE Confidence: 0.85997176

00:14:46.200 --> 00:14:48.930 The short answer is, is well,

NOTE Confidence: 0.85997176

00:14:48.930 --> 00:14:51.225 there's some evidence that at
NOTE Confidence: 0.85997176

00:14:51.225 --> 00:14:53.930 least some of the variants can.
NOTE Confidence: 0.85997176

00:14:53.930 --> 00:14:54.824 In part,
NOTE Confidence: 0.85997176

00:14:54.824 --> 00:14:58.400 there's a lot of parsing my words carefully
NOTE Confidence: 0.85997176

00:14:58.488 --> 00:15:01.666 here of aid some immunity in general.
NOTE Confidence: 0.85997176

00:15:01.670 --> 00:15:03.514 The vaccine works to
NOTE Confidence: 0.85997176

00:15:03.514 --> 00:15:05.358 prevent most diseases in.
NOTE Confidence: 0.85997176

00:15:05.360 --> 00:15:07.660 All of the variants that
NOTE Confidence: 0.85997176

00:15:07.660 --> 00:15:09.500 have thus far emerged.
NOTE Confidence: 0.85997176

00:15:09.500 --> 00:15:12.146 Now it's important to understand that as
NOTE Confidence: 0.85997176

00:15:12.146 --> 00:15:15.015 long as there is widespread transmission
NOTE Confidence: 0.85997176

00:15:15.015 --> 00:15:17.775 of COVID-19 among large populations,
NOTE Confidence: 0.85997176

00:15:17.780 --> 00:15:19.620 the pop the possibility
NOTE Confidence: 0.85997176

00:15:19.620 --> 00:15:21.920 of a new variant exists.
NOTE Confidence: 0.85997176

00:15:21.920 --> 00:15:25.040 So that is in itself a major point
NOTE Confidence: 0.85997176

00:15:25.040 --> 00:15:28.512 that would want us to pursue large

NOTE Confidence: 0.85997176

00:15:28.512 --> 00:15:31.112 scale vaccination even more quickly.

NOTE Confidence: 0.85997176

00:15:31.120 --> 00:15:36.088 So that's one point I want to make.

NOTE Confidence: 0.85997176

00:15:36.090 --> 00:15:38.794 The second point I want to make in

NOTE Confidence: 0.85997176

00:15:38.794 --> 00:15:41.432 this might be germane to the second

NOTE Confidence: 0.85997176

00:15:41.432 --> 00:15:43.977 part of these comments is that

NOTE Confidence: 0.85997176

00:15:43.977 --> 00:15:46.912 there is also information suggesting

NOTE Confidence: 0.85997176

00:15:46.912 --> 00:15:48.673 that immunocompromised patients

NOTE Confidence: 0.85997176

00:15:48.673 --> 00:15:50.592 that have immunocompromised nation

NOTE Confidence: 0.85997176

00:15:50.592 --> 00:15:53.700 because of something that they are on

NOTE Confidence: 0.837355

00:15:53.775 --> 00:15:54.969 because they have.

NOTE Confidence: 0.837355

00:15:54.970 --> 00:15:57.200 They have inflammatory bowel disease

NOTE Confidence: 0.837355

00:15:57.200 --> 00:15:59.430 or rheumatoid arthritis and therefore

NOTE Confidence: 0.837355

00:15:59.498 --> 00:16:01.548 take a immune modulating medicine,

NOTE Confidence: 0.837355

00:16:01.550 --> 00:16:03.930 or they have an immune

NOTE Confidence: 0.837355

00:16:03.930 --> 00:16:05.834 system disorder like AIDS.

NOTE Confidence: 0.837355

00:16:05.840 --> 00:16:07.680 Or they are immunocompromised
NOTE Confidence: 0.837355

00:16:07.680 --> 00:16:09.980 because of chemotherapy that they
NOTE Confidence: 0.837355

00:16:09.980 --> 00:16:12.695 may be long term reservoirs of the
NOTE Confidence: 0.837355

00:16:12.695 --> 00:16:14.922 virus and therefore be ones that
NOTE Confidence: 0.837355

00:16:14.922 --> 00:16:17.379 are more at risk of being spreaders.
NOTE Confidence: 0.837355

00:16:17.380 --> 00:16:19.365 So that's new information that's
NOTE Confidence: 0.837355

00:16:19.365 --> 00:16:22.241 that's coming out and that may impact
NOTE Confidence: 0.837355

00:16:22.241 --> 00:16:24.701 how we think about vaccination or
NOTE Confidence: 0.837355

00:16:24.701 --> 00:16:26.539 other strategies in the future.
NOTE Confidence: 0.837355

00:16:26.540 --> 00:16:28.916 But then that's very incomplete science,
NOTE Confidence: 0.837355

00:16:28.920 --> 00:16:32.502 so we don't really know much more than that,
NOTE Confidence: 0.837355

00:16:32.510 --> 00:16:34.670 except that the virus spreads
NOTE Confidence: 0.837355

00:16:34.670 --> 00:16:36.830 in a very uneven fashion.
NOTE Confidence: 0.837355

00:16:36.830 --> 00:16:39.246 Let me stop there and I ask Doctor
NOTE Confidence: 0.837355

00:16:39.246 --> 00:16:41.013 Billingsley to give some specific
NOTE Confidence: 0.837355

00:16:41.013 --> 00:16:42.833 detail with regard to cancer

NOTE Confidence: 0.837355
00:16:42.833 --> 00:16:44.679 patients in cancer survivors.
NOTE Confidence: 0.88074833
00:16:46.530 --> 00:16:48.600 Thanks very much and I will
NOTE Confidence: 0.88074833
00:16:48.600 --> 00:16:50.730 echo some of those comments.
NOTE Confidence: 0.88074833
00:16:50.730 --> 00:16:52.530 It has been enormously gratifying
NOTE Confidence: 0.88074833
00:16:52.530 --> 00:16:55.134 to be part of this health care
NOTE Confidence: 0.88074833
00:16:55.134 --> 00:16:57.703 system is we have rolled out this
NOTE Confidence: 0.88074833
00:16:57.703 --> 00:16:59.768 vaccine effort across the state
NOTE Confidence: 0.88074833
00:16:59.768 --> 00:17:01.803 not only for cancer patients,
NOTE Confidence: 0.88074833
00:17:01.810 --> 00:17:04.194 but for all of all of our patients
NOTE Confidence: 0.88074833
00:17:04.194 --> 00:17:05.883 and and population around
NOTE Confidence: 0.88074833
00:17:05.883 --> 00:17:07.919 the state of Connecticut.
NOTE Confidence: 0.88074833
00:17:07.920 --> 00:17:09.756 And it has been.
NOTE Confidence: 0.88074833
00:17:09.756 --> 00:17:11.592 Remarkable to see the
NOTE Confidence: 0.88074833
00:17:11.592 --> 00:17:13.580 participation and the success.
NOTE Confidence: 0.88074833
00:17:13.580 --> 00:17:18.510 Could I have the slides, Renee? So
NOTE Confidence: 0.92494303

00:17:18.510 --> 00:17:19.698 one of the
NOTE Confidence: 0.92494303

00:17:19.700 --> 00:17:20.879 things that I
NOTE Confidence: 0.92494303

00:17:20.880 --> 00:17:25.080 will just start off by saying is.
NOTE Confidence: 0.92494303

00:17:25.080 --> 00:17:28.265 Many of our patients do have concerns
NOTE Confidence: 0.92494303

00:17:28.265 --> 00:17:31.337 about if they have not been vaccinated.
NOTE Confidence: 0.92494303

00:17:31.337 --> 00:17:35.698 Is the are these vaccines safe?
NOTE Confidence: 0.92494303

00:17:35.700 --> 00:17:38.484 In the setting of the cancer
NOTE Confidence: 0.92494303

00:17:38.484 --> 00:17:40.340 diagnosis or cancer treatment,
NOTE Confidence: 0.92494303

00:17:40.340 --> 00:17:43.588 or if they're in the immediate post
NOTE Confidence: 0.92494303

00:17:43.588 --> 00:17:46.582 treatment follow-up period, and if I
NOTE Confidence: 0.92494303

00:17:46.582 --> 00:17:49.786 impart no other message this evening.
NOTE Confidence: 0.92494303

00:17:49.790 --> 00:17:52.457 I need to to really reiterate the
NOTE Confidence: 0.92494303

00:17:52.457 --> 00:17:54.725 point that these vaccines have
NOTE Confidence: 0.92494303

00:17:54.725 --> 00:17:57.340 proven to be extraordinarily safe,
NOTE Confidence: 0.92494303

00:17:57.340 --> 00:17:59.232 safe, really for everyone,
NOTE Confidence: 0.92494303

00:17:59.232 --> 00:18:02.630 and certainly for our patients who have

NOTE Confidence: 0.92494303

00:18:02.630 --> 00:18:05.955 cancer or undergoing treatment or follow up.

NOTE Confidence: 0.92494303

00:18:05.960 --> 00:18:09.820 And I would make the point that.

NOTE Confidence: 0.92494303

00:18:09.820 --> 00:18:13.308 As as our patients.

NOTE Confidence: 0.92494303

00:18:13.310 --> 00:18:14.903 People are particularly

NOTE Confidence: 0.92494303

00:18:14.903 --> 00:18:17.027 vulnerable to this infection,

NOTE Confidence: 0.92494303

00:18:17.030 --> 00:18:21.878 so the motivation to get all of our

NOTE Confidence: 0.92494303

00:18:21.878 --> 00:18:25.360 smilow patients protected is high.

NOTE Confidence: 0.92494303

00:18:25.360 --> 00:18:29.080 I would also make Canada side point that.

NOTE Confidence: 0.92494303

00:18:29.080 --> 00:18:31.858 As members of the Smilow community,

NOTE Confidence: 0.92494303

00:18:31.860 --> 00:18:33.108 patients, family members,

NOTE Confidence: 0.92494303

00:18:33.108 --> 00:18:35.604 supporters and those of us who

NOTE Confidence: 0.92494303

00:18:35.604 --> 00:18:37.898 are clinicians and caregivers,

NOTE Confidence: 0.92494303

00:18:37.900 --> 00:18:40.847 we all have a unique role and

NOTE Confidence: 0.92494303

00:18:40.847 --> 00:18:43.616 opportunity to serve as as advocates

NOTE Confidence: 0.92494303

00:18:43.616 --> 00:18:45.976 for vaccination and engage those

NOTE Confidence: 0.92494303

00:18:45.976 --> 00:18:49.030 who may be fearful or sceptical.
NOTE Confidence: 0.92494303

00:18:49.030 --> 00:18:52.462 And I think this is part of of
NOTE Confidence: 0.92494303

00:18:52.462 --> 00:18:56.480 keeping safe if we can not only get
NOTE Confidence: 0.92494303

00:18:56.480 --> 00:18:59.419 vaccinated ourselves but get our fan.
NOTE Confidence: 0.92494303

00:18:59.420 --> 00:19:00.821 Friends family members,
NOTE Confidence: 0.92494303

00:19:00.821 --> 00:19:03.623 loved ones and social circle vaccinated.
NOTE Confidence: 0.92494303

00:19:03.630 --> 00:19:05.970 We will all be safer.
NOTE Confidence: 0.92494303

00:19:05.970 --> 00:19:09.239 A couple of other key points bear
NOTE Confidence: 0.92494303

00:19:09.239 --> 00:19:12.524 emphasis for those of those of our
NOTE Confidence: 0.92494303

00:19:12.524 --> 00:19:15.326 patients who are on active treatment,
NOTE Confidence: 0.92494303

00:19:15.330 --> 00:19:17.670 there is really no reason.
NOTE Confidence: 0.92494303

00:19:17.670 --> 00:19:19.534 With very few exceptions,
NOTE Confidence: 0.92494303

00:19:19.534 --> 00:19:21.864 to disrupt your therapy or
NOTE Confidence: 0.92494303

00:19:21.864 --> 00:19:24.217 treatment to get your vaccination.
NOTE Confidence: 0.92494303

00:19:24.220 --> 00:19:26.116 Vaccination should be easel,
NOTE Confidence: 0.92494303

00:19:26.116 --> 00:19:28.486 should be easily sequenced in

NOTE Confidence: 0.92494303

00:19:28.486 --> 00:19:30.790 around your ongoing treatments.

NOTE Confidence: 0.92494303

00:19:30.790 --> 00:19:33.160 In vaccination is appropriate with

NOTE Confidence: 0.92494303

00:19:33.160 --> 00:19:36.182 really the entire spectrum of treatments

NOTE Confidence: 0.92494303

00:19:36.182 --> 00:19:39.644 that our patients are receiving that

NOTE Confidence: 0.92494303

00:19:39.644 --> 00:19:42.420 includes traditional cytotoxic chemotherapy,

NOTE Confidence: 0.92494303

00:19:42.420 --> 00:19:43.530 radiation treatment,

NOTE Confidence: 0.92494303

00:19:43.530 --> 00:19:45.750 hormonal therapy, targeted therapy,

NOTE Confidence: 0.92494303

00:19:45.750 --> 00:19:47.222 immunotherapy, steroids,

NOTE Confidence: 0.92494303

00:19:47.222 --> 00:19:49.430 and surgical treatment.

NOTE Confidence: 0.92494303

00:19:49.430 --> 00:19:52.770 I have had a number of questions

NOTE Confidence: 0.92494303

00:19:52.770 --> 00:19:55.620 from patients over the past months

NOTE Confidence: 0.92494303

00:19:55.705 --> 00:19:58.369 as immunotherapy is becoming

NOTE Confidence: 0.92494303

00:19:58.369 --> 00:20:00.367 an increasingly prominent.

NOTE Confidence: 0.92494303

00:20:00.370 --> 00:20:02.314 Element in cancer care.

NOTE Confidence: 0.92494303

00:20:02.314 --> 00:20:04.744 Would the vaccine blunt the

NOTE Confidence: 0.92494303

00:20:04.744 --> 00:20:06.740 effect of their therapy?
NOTE Confidence: 0.92494303

00:20:06.740 --> 00:20:07.720 Or Alternatively,
NOTE Confidence: 0.92494303

00:20:07.720 --> 00:20:09.190 would the immunotherapy
NOTE Confidence: 0.92494303

00:20:09.190 --> 00:20:11.150 blunt the vaccine response?
NOTE Confidence: 0.92494303

00:20:11.150 --> 00:20:13.600 The evidence overwhelmingly, is known.
NOTE Confidence: 0.92494303

00:20:13.600 --> 00:20:16.050 These are safe and effective,
NOTE Confidence: 0.92494303

00:20:16.050 --> 00:20:19.970 and they can be combined without ill effects.
NOTE Confidence: 0.92494303

00:20:19.970 --> 00:20:22.282 Next slide,
NOTE Confidence: 0.92494303

00:20:22.282 --> 00:20:23.438 please.
NOTE Confidence: 0.92494303

00:20:23.440 --> 00:20:26.610 There are a couple of small but
NOTE Confidence: 0.92494303

00:20:26.610 --> 00:20:28.810 important key populations where we
NOTE Confidence: 0.92494303

00:20:28.810 --> 00:20:31.313 need to make some modifications
NOTE Confidence: 0.92494303

00:20:31.313 --> 00:20:33.798 around the timing of vaccination.
NOTE Confidence: 0.92494303

00:20:33.800 --> 00:20:36.160 Vaccination is still entirely safe,
NOTE Confidence: 0.92494303

00:20:36.160 --> 00:20:39.373 but the timing is related to sequencing
NOTE Confidence: 0.92494303

00:20:39.373 --> 00:20:42.278 the vaccination with the cancer therapy.

NOTE Confidence: 0.92494303

00:20:42.280 --> 00:20:46.207 To optimize the protection from the vaccine.

NOTE Confidence: 0.92494303

00:20:46.210 --> 00:20:48.825 So patients with hematologic malignancies

NOTE Confidence: 0.92494303

00:20:48.825 --> 00:20:51.440 and I'm speaking specifically about

NOTE Confidence: 0.92494303

00:20:51.513 --> 00:20:53.673 our our our folks with leukemia

NOTE Confidence: 0.92494303

00:20:53.673 --> 00:20:55.660 lymphoma to a certain degree,

NOTE Confidence: 0.92494303

00:20:55.660 --> 00:20:56.130 myeloma.

NOTE Confidence: 0.92494303

00:20:56.130 --> 00:20:58.950 The timing of vaccination can be

NOTE Confidence: 0.92494303

00:20:58.950 --> 00:21:00.856 important and some treatments

NOTE Confidence: 0.92494303

00:21:00.856 --> 00:21:03.712 may be delayed for a few weeks

NOTE Confidence: 0.92494303

00:21:03.712 --> 00:21:06.428 to perform the vaccination and a

NOTE Confidence: 0.92494303

00:21:06.428 --> 00:21:08.703 few selected disease types which

NOTE Confidence: 0.92494303

00:21:08.703 --> 00:21:11.712 are slowly moving and indolent.

NOTE Confidence: 0.92494303

00:21:11.712 --> 00:21:12.350 Alternatively,

NOTE Confidence: 0.92494303

00:21:12.350 --> 00:21:15.240 some vaccinations will be deferred

NOTE Confidence: 0.92494303

00:21:15.240 --> 00:21:18.772 until after treatment if the treatment

NOTE Confidence: 0.92494303

00:21:18.772 --> 00:21:22.072 itself is immuno depleting and the
NOTE Confidence: 0.92494303

00:21:22.072 --> 00:21:25.928 treatment is of some degree of urgency.
NOTE Confidence: 0.92494303

00:21:25.930 --> 00:21:28.780 In those situations it is of
NOTE Confidence: 0.92494303

00:21:28.780 --> 00:21:31.432 course even more critical that
NOTE Confidence: 0.92494303

00:21:31.432 --> 00:21:34.056 patients maintain the appropriate
NOTE Confidence: 0.92494303

00:21:34.056 --> 00:21:36.680 precautions of mask wearing,
NOTE Confidence: 0.83959174

00:21:36.680 --> 00:21:39.244 social distancing and immunization
NOTE Confidence: 0.83959174

00:21:39.244 --> 00:21:41.808 of their social circle.
NOTE Confidence: 0.83959174

00:21:41.810 --> 00:21:43.610 Really important in these situations
NOTE Confidence: 0.83959174

00:21:43.610 --> 00:21:45.740 to speak with your hematology team.
NOTE Confidence: 0.83959174

00:21:45.740 --> 00:21:48.676 They are well aware of all of these
NOTE Confidence: 0.83959174

00:21:48.676 --> 00:21:51.321 timing issues and will work with you
NOTE Confidence: 0.83959174

00:21:51.321 --> 00:21:53.732 and your family closely to optimize
NOTE Confidence: 0.83959174

00:21:53.732 --> 00:21:56.227 the timing of your vaccination.
NOTE Confidence: 0.83959174

00:21:56.230 --> 00:21:59.247 We also, of course are a significant
NOTE Confidence: 0.83959174

00:21:59.247 --> 00:22:00.540 Center for haematopoietic

NOTE Confidence: 0.83959174

00:22:00.619 --> 00:22:02.427 set stem cell transplants,

NOTE Confidence: 0.83959174

00:22:02.430 --> 00:22:04.645 as well as cellular therapy

NOTE Confidence: 0.83959174

00:22:04.645 --> 00:22:06.417 and by cell therapy.

NOTE Confidence: 0.83959174

00:22:06.420 --> 00:22:09.380 I'm referring to CAR T cells which were

NOTE Confidence: 0.83959174

00:22:09.380 --> 00:22:12.036 using for a variety of malignancy's

NOTE Confidence: 0.83959174

00:22:12.036 --> 00:22:14.796 for people who are undergoing these

NOTE Confidence: 0.83959174

00:22:14.877 --> 00:22:17.775 treatments and or there in the

NOTE Confidence: 0.83959174

00:22:17.775 --> 00:22:19.707 immediate post transplant period,

NOTE Confidence: 0.83959174

00:22:19.710 --> 00:22:22.368 it is important to keep yourself

NOTE Confidence: 0.83959174

00:22:22.368 --> 00:22:24.140 absolutely safe and protected,

NOTE Confidence: 0.83959174

00:22:24.140 --> 00:22:26.750 because the vaccination will be.

NOTE Confidence: 0.83959174

00:22:26.750 --> 00:22:29.207 Lead for sure period of time until

NOTE Confidence: 0.83959174

00:22:29.207 --> 00:22:31.380 the immune system is reestablished

NOTE Confidence: 0.83959174

00:22:31.380 --> 00:22:33.990 and recovered after these treatments.

NOTE Confidence: 0.83959174

00:22:33.990 --> 00:22:36.685 Again, very important to discuss

NOTE Confidence: 0.83959174

00:22:36.685 --> 00:22:39.380 the timing with your team.
NOTE Confidence: 0.83959174

00:22:39.380 --> 00:22:42.740 I think you can drop the slides.
NOTE Confidence: 0.83959174

00:22:42.740 --> 00:22:47.311 So the key points to take away
NOTE Confidence: 0.83959174

00:22:47.311 --> 00:22:50.080 are vaccination is safe.
NOTE Confidence: 0.83959174

00:22:50.080 --> 00:22:52.999 It's really only a few small patient
NOTE Confidence: 0.83959174

00:22:52.999 --> 00:22:55.760 populations where we need to be mindful
NOTE Confidence: 0.83959174

00:22:55.760 --> 00:22:58.776 of the timing and please reach out and
NOTE Confidence: 0.83959174

00:22:58.776 --> 00:23:01.134 in a thoughtful ways was described.
NOTE Confidence: 0.83959174

00:23:01.140 --> 00:23:02.000 Engage friends,
NOTE Confidence: 0.83959174

00:23:02.000 --> 00:23:05.010 family and loved ones in and being
NOTE Confidence: 0.83959174

00:23:05.010 --> 00:23:06.930 a vaccine advocate.
NOTE Confidence: 0.83959174

00:23:06.930 --> 00:23:07.760 Thanks folks.
NOTE Confidence: 0.810061

00:23:08.580 --> 00:23:09.744 Thank you doctor ballsack.
NOTE Confidence: 0.810061

00:23:09.744 --> 00:23:10.908 Thank you doctor Billingsley.
NOTE Confidence: 0.810061

00:23:10.910 --> 00:23:13.142 We will save the Q&A for the end and
NOTE Confidence: 0.810061

00:23:13.142 --> 00:23:15.451 with and I'd like next to turn to

NOTE Confidence: 0.810061

00:23:15.451 --> 00:23:17.674 Doctor Sulphur and his team to give

NOTE Confidence: 0.810061

00:23:17.674 --> 00:23:19.636 us an update on integrative medicine.

NOTE Confidence: 0.80011076

00:23:30.940 --> 00:23:32.128 Gary, you're on mute.

NOTE Confidence: 0.849251390909091

00:23:34.710 --> 00:23:35.889 Alright. Thank you,

NOTE Confidence: 0.849251390909091

00:23:35.889 --> 00:23:38.950 thank you all so much for having me.

NOTE Confidence: 0.849251390909091

00:23:38.950 --> 00:23:40.654 It's really quite a pleasure and

NOTE Confidence: 0.849251390909091

00:23:40.654 --> 00:23:42.740 an honor to get to talk to you.

NOTE Confidence: 0.849251390909091

00:23:42.740 --> 00:23:44.570 Today. I'm going to talk about

NOTE Confidence: 0.849251390909091

00:23:44.570 --> 00:23:46.050 integrative medicine or you're going

NOTE Confidence: 0.849251390909091

00:23:46.050 --> 00:23:47.940 to talk about what it is and what we

NOTE Confidence: 0.849251390909091

00:23:47.990 --> 00:23:49.790 offered smiling to help support you.

NOTE Confidence: 0.849251390909091

00:23:49.790 --> 00:23:51.701 But you know, I want to start

NOTE Confidence: 0.849251390909091

00:23:51.701 --> 00:23:53.858 with a little bit of that one more

NOTE Confidence: 0.8412045

00:23:53.860 --> 00:23:55.210 thing. Do you wanna swap?

NOTE Confidence: 0.8412045

00:23:55.210 --> 00:23:56.962 I think you are. You may want to

NOTE Confidence: 0.8412045

00:23:56.962 --> 00:23:58.915 swap the displays and 'cause what's
NOTE Confidence: 0.8412045

00:23:58.915 --> 00:24:00.630 showing is your is my presenter.
NOTE Confidence: 0.8412045

00:24:00.630 --> 00:24:01.710 Yeah yeah, thank you.
NOTE Confidence: 0.8412045

00:24:01.710 --> 00:24:03.340 You can see all my notes.
NOTE Confidence: 0.81625456

00:24:05.860 --> 00:24:06.850 We just swapped the display,
NOTE Confidence: 0.81625456

00:24:06.850 --> 00:24:08.038 so I think it'll work great.
NOTE Confidence: 0.8630467

00:24:09.990 --> 00:24:11.430 This is above my pay grade.
NOTE Confidence: 0.81802684

00:24:14.030 --> 00:24:15.752 If you hit the swap display and
NOTE Confidence: 0.81802684

00:24:15.752 --> 00:24:17.380 it usually just flips it around.
NOTE Confidence: 0.83475

00:24:20.740 --> 00:24:21.190 Hey.
NOTE Confidence: 0.79336494

00:24:24.290 --> 00:24:27.940 That work no. But you see it on the top left.
NOTE Confidence: 0.79336494

00:24:27.940 --> 00:24:29.926 It says swap displace. Try that.
NOTE Confidence: 0.8333241

00:24:32.020 --> 00:24:32.530 Try that.
NOTE Confidence: 0.87146884

00:24:35.670 --> 00:24:37.106 How's that there you are?
NOTE Confidence: 0.87146884

00:24:37.106 --> 00:24:39.110 You're near perfect, alright? I keep, I
NOTE Confidence: 0.87146884

00:24:39.110 --> 00:24:41.406 keep saying that I'm turning into my

NOTE Confidence: 0.87146884

00:24:41.406 --> 00:24:43.720 parents when it comes to technology.

NOTE Confidence: 0.87146884

00:24:43.720 --> 00:24:44.884 It's a little disturbing,

NOTE Confidence: 0.87146884

00:24:44.884 --> 00:24:46.318 but that's OK, so again,

NOTE Confidence: 0.87146884

00:24:46.318 --> 00:24:48.271 I'm really honored and and it's quite

NOTE Confidence: 0.87146884

00:24:48.271 --> 00:24:50.474 a pleasure to get to be able to talk

NOTE Confidence: 0.87146884

00:24:50.474 --> 00:24:52.767 to you all about integrative medicine.

NOTE Confidence: 0.87146884

00:24:52.770 --> 00:24:55.371 It's Milo, and what we offer and how we

NOTE Confidence: 0.87146884

00:24:55.371 --> 00:24:58.159 can support you through the journey and.

NOTE Confidence: 0.87146884

00:24:58.160 --> 00:24:59.952 I'd like to start off with the

NOTE Confidence: 0.87146884

00:24:59.952 --> 00:25:01.963 metaphor I really stole this from

NOTE Confidence: 0.87146884

00:25:01.963 --> 00:25:03.547 from another integrative oncologist,

NOTE Confidence: 0.87146884

00:25:03.550 --> 00:25:05.446 but it's it's an important one,

NOTE Confidence: 0.87146884

00:25:05.450 --> 00:25:07.352 and you'll also see it repeated

NOTE Confidence: 0.87146884

00:25:07.352 --> 00:25:08.620 in the video later,

NOTE Confidence: 0.87146884

00:25:08.620 --> 00:25:10.930 and I really want you to think

NOTE Confidence: 0.87146884

00:25:10.930 --> 00:25:13.181 about your cancer as a weed an
NOTE Confidence: 0.87146884

00:25:13.181 --> 00:25:14.957 you know when this weed grows,
NOTE Confidence: 0.87146884

00:25:14.960 --> 00:25:16.224 it really becomes everything
NOTE Confidence: 0.87146884

00:25:16.224 --> 00:25:17.804 that you can think about.
NOTE Confidence: 0.87146884

00:25:17.810 --> 00:25:19.395 It consumes your life and
NOTE Confidence: 0.87146884

00:25:19.395 --> 00:25:20.663 it becomes your focus.
NOTE Confidence: 0.8519996

00:25:22.790 --> 00:25:24.550 And your oncologist is phenomenal at
NOTE Confidence: 0.8519996

00:25:24.550 --> 00:25:26.649 dealing with the Sweden and the doctors.
NOTE Confidence: 0.8519996

00:25:26.650 --> 00:25:29.062 It's Milo or some of the best in the
NOTE Confidence: 0.8519996

00:25:29.062 --> 00:25:31.271 world to really take care of it and
NOTE Confidence: 0.8519996

00:25:31.271 --> 00:25:34.830 and help you through that process, but.
NOTE Confidence: 0.8519996

00:25:34.830 --> 00:25:37.070 You know, and and we know that there's
NOTE Confidence: 0.8519996

00:25:37.070 --> 00:25:39.777 so much more to you and there's this
NOTE Confidence: 0.8519996

00:25:39.777 --> 00:25:41.779 garden that really surrounds the lead,
NOTE Confidence: 0.8519996

00:25:41.780 --> 00:25:44.308 and it's easy to forget about that garden.
NOTE Confidence: 0.8519996

00:25:44.310 --> 00:25:47.145 Ann, you know we're here to help nurture it.

NOTE Confidence: 0.8519996

00:25:47.150 --> 00:25:49.369 And So what do we think about?

NOTE Confidence: 0.8519996

00:25:49.370 --> 00:25:51.284 We think about turning our attention

NOTE Confidence: 0.8519996

00:25:51.284 --> 00:25:53.469 back to the rest of this party.

NOTE Confidence: 0.8519996

00:25:53.470 --> 00:25:55.999 And how do we make the rest of this

NOTE Confidence: 0.8519996

00:25:55.999 --> 00:25:57.580 garden flourish? Shouldn't really?

NOTE Confidence: 0.8519996

00:25:57.580 --> 00:25:59.785 How do we make the soil inhospitable

NOTE Confidence: 0.8519996

00:25:59.790 --> 00:26:00.741 to more weeds?

NOTE Confidence: 0.8519996

00:26:00.741 --> 00:26:03.732 So how do we even kill the weed without

NOTE Confidence: 0.8519996

00:26:03.732 --> 00:26:05.577 necessarily focusing on the weed itself?

NOTE Confidence: 0.8519996

00:26:05.580 --> 00:26:08.980 And we want to build that for you.

NOTE Confidence: 0.8519996

00:26:08.980 --> 00:26:10.365 And if that metaphor didn't

NOTE Confidence: 0.8519996

00:26:10.365 --> 00:26:11.196 really capture you,

NOTE Confidence: 0.8519996

00:26:11.200 --> 00:26:13.139 you know I can put it simply.

NOTE Confidence: 0.8519996

00:26:13.140 --> 00:26:15.428 It's really the best of what kept people

NOTE Confidence: 0.8519996

00:26:15.428 --> 00:26:17.671 well for thousands of years combined with

NOTE Confidence: 0.8519996

00:26:17.671 --> 00:26:20.280 the best of what keeps people well now.

NOTE Confidence: 0.8519996

00:26:20.280 --> 00:26:22.744 It's really about making you feel better,

NOTE Confidence: 0.8519996

00:26:22.750 --> 00:26:25.222 whatever that might mean for you, Ann.

NOTE Confidence: 0.8519996

00:26:25.222 --> 00:26:27.686 It's about meeting you where you are.

NOTE Confidence: 0.8519996

00:26:27.690 --> 00:26:29.902 We have a huge toolbox to pull

NOTE Confidence: 0.8519996

00:26:29.902 --> 00:26:32.279 from and so for some patients,

NOTE Confidence: 0.8519996

00:26:32.280 --> 00:26:34.045 that might mean yoga and

NOTE Confidence: 0.8519996

00:26:34.045 --> 00:26:35.810 meditation and for other patients,

NOTE Confidence: 0.8519996

00:26:35.810 --> 00:26:37.928 that might mean nutrition and fitness.

NOTE Confidence: 0.8519996

00:26:37.930 --> 00:26:41.898 But we're here to support all of that.

NOTE Confidence: 0.8519996

00:26:41.900 --> 00:26:43.994 Just want to go over some definitions

NOTE Confidence: 0.8519996

00:26:43.994 --> 00:26:45.900 because we're not an alternative.

NOTE Confidence: 0.8519996

00:26:45.900 --> 00:26:47.985 We're not alternative medicine and

NOTE Confidence: 0.8519996

00:26:47.985 --> 00:26:50.434 alternative medicine is really when you

NOTE Confidence: 0.8519996

00:26:50.434 --> 00:26:52.866 use a non mainstream practice in place of.

NOTE Confidence: 0.8519996

00:26:52.870 --> 00:26:54.316 Your conventional therapy.

NOTE Confidence: 0.8519996

00:26:54.316 --> 00:26:56.726 And we don't really consider

NOTE Confidence: 0.8519996

00:26:56.726 --> 00:26:58.768 ourselves a compliment because

NOTE Confidence: 0.8519996

00:26:58.768 --> 00:27:01.786 compliment is is simply a compliment.

NOTE Confidence: 0.8519996

00:27:01.790 --> 00:27:02.993 A little addition.

NOTE Confidence: 0.8519996

00:27:02.993 --> 00:27:04.998 What integrative medicine is really

NOTE Confidence: 0.8519996

00:27:04.998 --> 00:27:07.306 about is bringing together these

NOTE Confidence: 0.8519996

00:27:07.306 --> 00:27:09.218 conventional therapies that you're

NOTE Confidence: 0.8519996

00:27:09.218 --> 00:27:11.198 getting with the complementary

NOTE Confidence: 0.8519996

00:27:11.198 --> 00:27:13.588 therapies in a coordinated way,

NOTE Confidence: 0.8519996

00:27:13.590 --> 00:27:16.880 and our role in our Department is

NOTE Confidence: 0.8519996

00:27:16.880 --> 00:27:19.039 about coordinating that for you.

NOTE Confidence: 0.86979026

00:27:21.810 --> 00:27:23.336 And so some of the modalities that

NOTE Confidence: 0.86979026

00:27:23.336 --> 00:27:24.380 fall into integrative medicine,

NOTE Confidence: 0.86979026

00:27:24.380 --> 00:27:26.228 and some of these may be familiar to

NOTE Confidence: 0.86979026

00:27:26.228 --> 00:27:29.340 some of you, and some of them may not be.

NOTE Confidence: 0.86979026

00:27:29.340 --> 00:27:30.880 Things like biologically or
NOTE Confidence: 0.86979026

00:27:30.880 --> 00:27:32.035 nutritionally based therapy.
NOTE Confidence: 0.86979026

00:27:32.040 --> 00:27:33.960 So that means diet, nutrition.
NOTE Confidence: 0.86979026

00:27:33.960 --> 00:27:36.600 It might mean vitamins and might
NOTE Confidence: 0.86979026

00:27:36.600 --> 00:27:39.070 be fitness and physical fitness.
NOTE Confidence: 0.86979026

00:27:39.070 --> 00:27:41.128 We have mind body interventions like
NOTE Confidence: 0.86979026

00:27:41.128 --> 00:27:43.280 meditation or yoga or biofeedback,
NOTE Confidence: 0.86979026

00:27:43.280 --> 00:27:45.172 and then there's manipulative
NOTE Confidence: 0.86979026

00:27:45.172 --> 00:27:47.537 or biochemical therapies such as
NOTE Confidence: 0.86979026

00:27:47.537 --> 00:27:49.968 massage therapy which we offer here.
NOTE Confidence: 0.86979026

00:27:49.970 --> 00:27:51.671 And then you have a whole realm
NOTE Confidence: 0.86979026

00:27:51.671 --> 00:27:53.559 of energy or spiritual practices,
NOTE Confidence: 0.86979026

00:27:53.560 --> 00:27:55.471 and so that may mean connecting with
NOTE Confidence: 0.86979026

00:27:55.471 --> 00:27:57.739 your religion or connecting with your faith,
NOTE Confidence: 0.86979026

00:27:57.740 --> 00:28:00.386 or it may mean something like Reiki.
NOTE Confidence: 0.86979026

00:28:00.386 --> 00:28:02.616 And then there's entire alternative

NOTE Confidence: 0.86979026

00:28:02.616 --> 00:28:04.686 medical systems which we don't.

NOTE Confidence: 0.86979026

00:28:04.690 --> 00:28:05.410 Take part in,

NOTE Confidence: 0.86979026

00:28:05.410 --> 00:28:07.090 but we pull from and we bring

NOTE Confidence: 0.86979026

00:28:07.151 --> 00:28:08.267 them into your care.

NOTE Confidence: 0.86604637

00:28:12.020 --> 00:28:14.588 And so this is our absolutely

NOTE Confidence: 0.86604637

00:28:14.588 --> 00:28:16.300 incredible team of practitioners.

NOTE Confidence: 0.86604637

00:28:16.300 --> 00:28:18.008 We have massage therapists.

NOTE Confidence: 0.86604637

00:28:18.008 --> 00:28:19.716 We have yoga practitioners.

NOTE Confidence: 0.86604637

00:28:19.720 --> 00:28:22.240 We have Reiki people trained

NOTE Confidence: 0.86604637

00:28:22.240 --> 00:28:24.256 in Reiki and meditation.

NOTE Confidence: 0.86604637

00:28:24.260 --> 00:28:27.844 Guennol to help you through your journey.

NOTE Confidence: 0.86604637

00:28:27.850 --> 00:28:29.480 So what do we offer?

NOTE Confidence: 0.86604637

00:28:29.480 --> 00:28:31.456 One of the one of the great things

NOTE Confidence: 0.86604637

00:28:31.456 --> 00:28:33.521 that we offer is oncology massage

NOTE Confidence: 0.86604637

00:28:33.521 --> 00:28:35.406 and this is really specialized

NOTE Confidence: 0.86604637

00:28:35.406 --> 00:28:37.548 massage therapy that's focused on the
NOTE Confidence: 0.86604637

00:28:37.548 --> 00:28:39.633 patient who is going through cancer.
NOTE Confidence: 0.86604637

00:28:39.633 --> 00:28:41.871 We offer this inpatient and outpatient
NOTE Confidence: 0.86604637

00:28:41.871 --> 00:28:44.548 and spin shown to improve side effects
NOTE Confidence: 0.86604637

00:28:44.548 --> 00:28:46.786 of chemotherapy but also reduce pain,
NOTE Confidence: 0.86604637

00:28:46.790 --> 00:28:48.836 promote relaxation and boost your mood.
NOTE Confidence: 0.86604637

00:28:48.840 --> 00:28:51.920 I always feel better after I get a massage.
NOTE Confidence: 0.8412244

00:28:54.020 --> 00:28:55.725 Reiki so this is a light
NOTE Confidence: 0.8412244

00:28:55.725 --> 00:28:57.090 touching therapy or even a
NOTE Confidence: 0.8412244

00:28:57.153 --> 00:28:59.701 non touch therapy that comes from the
NOTE Confidence: 0.8412244

00:28:59.701 --> 00:29:01.585 Japanese tradition and it promotes
NOTE Confidence: 0.8412244

00:29:01.585 --> 00:29:03.405 relaxation and stress reduction and
NOTE Confidence: 0.8412244

00:29:03.405 --> 00:29:05.848 this is also something that we offer.
NOTE Confidence: 0.8481768

00:29:08.740 --> 00:29:11.580 Dana Brewer, who is part of our team,
NOTE Confidence: 0.8481768

00:29:11.580 --> 00:29:13.730 has created this beautiful and
NOTE Confidence: 0.8481768

00:29:13.730 --> 00:29:15.450 robust creative expressions program

NOTE Confidence: 0.8481768

00:29:15.450 --> 00:29:17.626 an I would urge you after we're

NOTE Confidence: 0.8481768

00:29:17.626 --> 00:29:19.748 done today to go look up smilow,

NOTE Confidence: 0.8481768

00:29:19.750 --> 00:29:20.851 Hartson Smiler Rocks,

NOTE Confidence: 0.8481768

00:29:20.851 --> 00:29:23.053 which are some of the projects

NOTE Confidence: 0.8481768

00:29:23.053 --> 00:29:25.426 that she's done and what these are.

NOTE Confidence: 0.8481768

00:29:25.430 --> 00:29:27.200 Are you know, collaborative installations,

NOTE Confidence: 0.8481768

00:29:27.200 --> 00:29:29.900 group projects where patients or doctors

NOTE Confidence: 0.8481768

00:29:29.900 --> 00:29:33.150 all come together and participate in some

NOTE Confidence: 0.8481768

00:29:33.150 --> 00:29:35.904 form of creativity or art expression.

NOTE Confidence: 0.8481768

00:29:35.910 --> 00:29:37.378 What we've done beautifully,

NOTE Confidence: 0.8481768

00:29:37.378 --> 00:29:39.850 and I can't take credit for it.

NOTE Confidence: 0.8481768

00:29:39.850 --> 00:29:41.914 But we've really pivoted quite well

NOTE Confidence: 0.8481768

00:29:41.914 --> 00:29:43.790 with covid towards virtual classes,

NOTE Confidence: 0.8481768

00:29:43.790 --> 00:29:46.571 and we have a whole slew of live online

NOTE Confidence: 0.8481768

00:29:46.571 --> 00:29:48.798 classes offered throughout the week.

NOTE Confidence: 0.8481768

00:29:48.800 --> 00:29:51.520 And then we have a big giant video
NOTE Confidence: 0.8481768

00:29:51.520 --> 00:29:53.449 archive that's available to you,
NOTE Confidence: 0.8481768

00:29:53.450 --> 00:29:55.598 free of cost at all times.
NOTE Confidence: 0.8481768

00:29:55.600 --> 00:29:58.106 Some of the classes that we offer,
NOTE Confidence: 0.8481768

00:29:58.110 --> 00:29:59.502 gentle yoga, restorative yoga,
NOTE Confidence: 0.8481768

00:29:59.502 --> 00:30:01.590 and that's more about sitting and
NOTE Confidence: 0.8481768

00:30:01.651 --> 00:30:03.829 relaxing poses for extended period time.
NOTE Confidence: 0.8481768

00:30:03.830 --> 00:30:05.178 We offer Tai Chi,
NOTE Confidence: 0.8481768

00:30:05.178 --> 00:30:08.250 which you can see on the upper right.
NOTE Confidence: 0.8481768

00:30:08.250 --> 00:30:11.202 Of the screen, which is a martial art
NOTE Confidence: 0.8481768

00:30:11.202 --> 00:30:14.518 and it's based in the Chinese tradition.
NOTE Confidence: 0.8481768

00:30:14.520 --> 00:30:16.722 We offer also offer a bunch
NOTE Confidence: 0.8481768

00:30:16.722 --> 00:30:17.823 of meditation opportunities,
NOTE Confidence: 0.8481768

00:30:17.830 --> 00:30:19.705 so whether that's guided meditation
NOTE Confidence: 0.8481768

00:30:19.705 --> 00:30:21.997 or beginners class or we also
NOTE Confidence: 0.8481768

00:30:21.997 --> 00:30:24.085 offer phone meditation one on one,

NOTE Confidence: 0.8481768

00:30:24.090 --> 00:30:26.546 the most important thing that you know is

NOTE Confidence: 0.8481768

00:30:26.546 --> 00:30:29.238 that no previous experience is required.

NOTE Confidence: 0.8481768

00:30:29.240 --> 00:30:29.976 All bodies,

NOTE Confidence: 0.8481768

00:30:29.976 --> 00:30:30.712 all types,

NOTE Confidence: 0.8481768

00:30:30.712 --> 00:30:31.448 all abilities,

NOTE Confidence: 0.8481768

00:30:31.450 --> 00:30:33.963 they are welcome and we really think

NOTE Confidence: 0.8481768

00:30:33.963 --> 00:30:36.579 that every person at every level of

NOTE Confidence: 0.8481768

00:30:36.579 --> 00:30:39.180 experience could get something out of this.

NOTE Confidence: 0.8800959

00:30:41.860 --> 00:30:43.888 And then finally we offer an

NOTE Confidence: 0.8800959

00:30:43.888 --> 00:30:44.902 integrative medicine consultation,

NOTE Confidence: 0.8800959

00:30:44.910 --> 00:30:47.952 and that's a one on one appointment with me.

NOTE Confidence: 0.8800959

00:30:47.960 --> 00:30:49.660 And together, you and I,

NOTE Confidence: 0.8800959

00:30:49.660 --> 00:30:51.350 we create a comprehensive plan

NOTE Confidence: 0.8800959

00:30:51.350 --> 00:30:52.702 that involves your nutrition,

NOTE Confidence: 0.8800959

00:30:52.710 --> 00:30:53.724 your physical fitness.

NOTE Confidence: 0.8800959

00:30:53.724 --> 00:30:55.760 We think about mind, body modalities

NOTE Confidence: 0.8800959

00:30:55.760 --> 00:30:57.120 and learning meditation practices.

NOTE Confidence: 0.8800959

00:30:57.120 --> 00:30:58.810 We talk about your spirituality,

NOTE Confidence: 0.8800959

00:30:58.810 --> 00:31:00.985 your religion and how that

NOTE Confidence: 0.8800959

00:31:00.985 --> 00:31:02.725 plays into your care.

NOTE Confidence: 0.8800959

00:31:02.730 --> 00:31:04.014 What we've also created,

NOTE Confidence: 0.8800959

00:31:04.014 --> 00:31:05.940 which is really exciting and new,

NOTE Confidence: 0.8800959

00:31:05.940 --> 00:31:07.774 is for those patients who feel the

NOTE Confidence: 0.8800959

00:31:07.774 --> 00:31:10.170 need to be on lots of supplements

NOTE Confidence: 0.8800959

00:31:10.170 --> 00:31:11.714 during their cancer treatment.

NOTE Confidence: 0.8800959

00:31:11.720 --> 00:31:13.270 We're working with the pharmacist

NOTE Confidence: 0.8800959

00:31:13.270 --> 00:31:15.452 and a dietitian to make sure that

NOTE Confidence: 0.8800959

00:31:15.452 --> 00:31:16.892 those supplements are safe and

NOTE Confidence: 0.8800959

00:31:16.892 --> 00:31:18.873 not going to interact with your

NOTE Confidence: 0.8800959

00:31:18.873 --> 00:31:20.285 chemotherapy or other medications

NOTE Confidence: 0.8800959

00:31:20.285 --> 00:31:21.990 that you may be taking.

NOTE Confidence: 0.85273415

00:31:24.280 --> 00:31:26.746 So how do you stay in touch with us?

NOTE Confidence: 0.85273415

00:31:26.750 --> 00:31:28.934 How do you stay on top of things?

NOTE Confidence: 0.85273415

00:31:28.940 --> 00:31:30.956 Well, we offer a weekly email that updates

NOTE Confidence: 0.85273415

00:31:30.956 --> 00:31:33.316 you on all the classes that were offering.

NOTE Confidence: 0.85273415

00:31:33.320 --> 00:31:35.516 We also again have this wonderful

NOTE Confidence: 0.85273415

00:31:35.516 --> 00:31:37.964 video archive an you can reach out

NOTE Confidence: 0.85273415

00:31:37.964 --> 00:31:40.099 to us and useless emails on top

NOTE Confidence: 0.85273415

00:31:40.167 --> 00:31:42.535 there and I'll leave it at the end.

NOTE Confidence: 0.85273415

00:31:42.540 --> 00:31:44.430 Ann to get a consultation with me.

NOTE Confidence: 0.85273415

00:31:44.430 --> 00:31:46.050 I always ask that you talk

NOTE Confidence: 0.85273415

00:31:46.050 --> 00:31:47.130 to your provider first.

NOTE Confidence: 0.85273415

00:31:47.130 --> 00:31:49.020 But if you want to call directly,

NOTE Confidence: 0.85273415

00:31:49.020 --> 00:31:50.838 the phone number is there and

NOTE Confidence: 0.85273415

00:31:50.838 --> 00:31:52.875 we have lots of virtual events

NOTE Confidence: 0.85273415

00:31:52.875 --> 00:31:55.143 that are available to you and.

NOTE Confidence: 0.85273415

00:31:55.150 --> 00:31:57.110 That's it, so thank you so much
NOTE Confidence: 0.85273415

00:31:57.110 --> 00:31:59.200 again for for giving me the time.
NOTE Confidence: 0.85273415

00:31:59.200 --> 00:32:01.496 I hope we can really contribute in a
NOTE Confidence: 0.85273415

00:32:01.496 --> 00:32:03.816 meaningful way to the journey that you're on.
NOTE Confidence: 0.85273415

00:32:03.820 --> 00:32:04.400 Thank you.
NOTE Confidence: 0.84793127

00:32:10.930 --> 00:32:12.535 Thank you Doctor Software that
NOTE Confidence: 0.84793127

00:32:12.535 --> 00:32:14.820 was an amazing set of offerings.
NOTE Confidence: 0.84793127

00:32:14.820 --> 00:32:16.926 I know there are lots of
NOTE Confidence: 0.84793127

00:32:16.926 --> 00:32:18.720 questions for all of you,
NOTE Confidence: 0.84793127

00:32:18.720 --> 00:32:20.724 and they were also questions and
NOTE Confidence: 0.84793127

00:32:20.724 --> 00:32:22.969 earlier to Renee by our patients.
NOTE Confidence: 0.84793127

00:32:22.970 --> 00:32:24.740 I'm gonna sort of probably
NOTE Confidence: 0.84793127

00:32:24.740 --> 00:32:26.510 ask all of our panelists,
NOTE Confidence: 0.84793127

00:32:26.510 --> 00:32:28.525 including Doctor You who's joining
NOTE Confidence: 0.84793127

00:32:28.525 --> 00:32:30.137 us from radiation Oncology
NOTE Confidence: 0.84793127

00:32:30.137 --> 00:32:32.313 and perhaps we can give us an

NOTE Confidence: 0.84793127

00:32:32.313 --> 00:32:34.243 update on the recent news around

NOTE Confidence: 0.84793127

00:32:34.243 --> 00:32:36.058 elector so Doctor Balls Sack.

NOTE Confidence: 0.84793127

00:32:36.060 --> 00:32:38.273 I think we're starting with you

NOTE Confidence: 0.84793127

00:32:38.273 --> 00:32:40.940 first and there's a question up here.

NOTE Confidence: 0.84793127

00:32:40.940 --> 00:32:42.800 The CDC today announced relaxing

NOTE Confidence: 0.84793127

00:32:42.800 --> 00:32:44.660 indoor masking as you mentioned,

NOTE Confidence: 0.84793127

00:32:44.660 --> 00:32:46.916 and Governor Lamont says the state

NOTE Confidence: 0.84793127

00:32:46.916 --> 00:32:49.119 will follow suit on May 19th.

NOTE Confidence: 0.84793127

00:32:49.120 --> 00:32:51.352 How is the health system planning

NOTE Confidence: 0.84793127

00:32:51.352 --> 00:32:52.468 on managing that?

NOTE Confidence: 0.84793127

00:32:52.470 --> 00:32:54.330 You didn't think you were

NOTE Confidence: 0.86831236

00:32:54.330 --> 00:32:56.562 going to get off easy tonight

NOTE Confidence: 0.86831236

00:32:56.562 --> 00:32:58.760 where you certainly not. You know.

NOTE Confidence: 0.86831236

00:32:58.760 --> 00:33:02.140 I think that as I've said as I said,

NOTE Confidence: 0.86831236

00:33:02.140 --> 00:33:03.696 a few moments ago,

NOTE Confidence: 0.86831236

00:33:03.696 --> 00:33:06.030 you know the information has really
NOTE Confidence: 0.86831236

00:33:06.103 --> 00:33:08.875 evolved on every level for every aspect
NOTE Confidence: 0.86831236

00:33:08.875 --> 00:33:11.649 of the pandemic and it will continue.
NOTE Confidence: 0.86831236

00:33:11.650 --> 00:33:15.941 To evolve and what we saw today
NOTE Confidence: 0.86831236

00:33:15.941 --> 00:33:19.584 was Doctor Wolenski at the CDC
NOTE Confidence: 0.86831236

00:33:19.584 --> 00:33:22.950 has given the entire country A.
NOTE Confidence: 0.86831236

00:33:22.950 --> 00:33:25.000 Benefit if you are vaccinated.
NOTE Confidence: 0.86831236

00:33:25.000 --> 00:33:27.040 However, in a healthcare environment,
NOTE Confidence: 0.86831236

00:33:27.040 --> 00:33:29.090 that benefit does not apply,
NOTE Confidence: 0.86831236

00:33:29.090 --> 00:33:31.130 so she was very clear.
NOTE Confidence: 0.86831236

00:33:31.130 --> 00:33:32.770 Doctor Willensky was very clear
NOTE Confidence: 0.86831236

00:33:32.770 --> 00:33:35.037 to say that this mask mandate
NOTE Confidence: 0.86831236

00:33:35.037 --> 00:33:37.269 continues in healthcare environments.
NOTE Confidence: 0.86831236

00:33:37.270 --> 00:33:40.118 So that means for all of us who
NOTE Confidence: 0.86831236

00:33:40.118 --> 00:33:43.088 work there and it means for patients
NOTE Confidence: 0.86831236

00:33:43.088 --> 00:33:45.850 and visitors if they come there.

NOTE Confidence: 0.86831236

00:33:45.850 --> 00:33:48.554 I don't think it's I think it's going

NOTE Confidence: 0.86831236

00:33:48.554 --> 00:33:51.989 to be sometime before that gets relaxed,

NOTE Confidence: 0.86831236

00:33:51.990 --> 00:33:52.736 even though.

NOTE Confidence: 0.86831236

00:33:52.736 --> 00:33:55.347 We are some the staff that is

NOTE Confidence: 0.86831236

00:33:55.347 --> 00:33:57.985 employees and medical staff are some

NOTE Confidence: 0.86831236

00:33:57.985 --> 00:34:00.175 of the most vaccinated individuals

NOTE Confidence: 0.86831236

00:34:00.247 --> 00:34:02.507 or highest density of vaccinated

NOTE Confidence: 0.86831236

00:34:02.507 --> 00:34:05.156 individuals in the world right now.

NOTE Confidence: 0.86831236

00:34:05.156 --> 00:34:07.472 But still because the fact that

NOTE Confidence: 0.86831236

00:34:07.472 --> 00:34:09.762 there are patients among us in

NOTE Confidence: 0.86831236

00:34:09.762 --> 00:34:11.868 the possibility of spread and the

NOTE Confidence: 0.86831236

00:34:11.868 --> 00:34:14.264 fact that there are vulnerable

NOTE Confidence: 0.86831236

00:34:14.264 --> 00:34:16.724 individuals because of the immune

NOTE Confidence: 0.86831236

00:34:16.724 --> 00:34:19.152 modulation and other things that

NOTE Confidence: 0.86831236

00:34:19.152 --> 00:34:21.084 Doctor Billingsley mentioned will

NOTE Confidence: 0.86831236

00:34:21.084 --> 00:34:23.140 continue to have the mask.
NOTE Confidence: 0.86831236

00:34:23.140 --> 00:34:24.440 Wearing required
NOTE Confidence: 0.84694105

00:34:26.620 --> 00:34:29.164 thank you. Doctor Balls Sack a as you
NOTE Confidence: 0.84694105

00:34:29.164 --> 00:34:31.432 mentioned it is a complex but evolving
NOTE Confidence: 0.84694105

00:34:31.432 --> 00:34:34.397 equation and and I know you keep us informed.
NOTE Confidence: 0.84694105

00:34:34.400 --> 00:34:36.838 Doctor Billingslea I have a question for you.
NOTE Confidence: 0.84694105

00:34:36.838 --> 00:34:38.830 I think this is around a vaccination in
NOTE Confidence: 0.84694105

00:34:38.884 --> 00:34:41.344 this patient asked I'm most comfortable
NOTE Confidence: 0.84694105

00:34:41.344 --> 00:34:42.984 being administered administered vaccine
NOTE Confidence: 0.84694105

00:34:43.038 --> 00:34:45.086 through my smilow care team as they
NOTE Confidence: 0.84694105

00:34:45.086 --> 00:34:47.360 best know me and my treatment plan.
NOTE Confidence: 0.84694105

00:34:47.360 --> 00:34:50.104 Will this be an option so I presume
NOTE Confidence: 0.84694105

00:34:50.104 --> 00:34:52.700 they mean if they come in for
NOTE Confidence: 0.84694105

00:34:52.700 --> 00:34:55.054 their treatment can they get their
NOTE Confidence: 0.84694105

00:34:55.054 --> 00:34:57.710 vaccination at the same time? That's
NOTE Confidence: 0.88757783

00:34:57.710 --> 00:35:00.699 a. That's a great treatment are great,

NOTE Confidence: 0.88757783

00:35:00.700 --> 00:35:03.155 great question and an appropriate

NOTE Confidence: 0.88757783

00:35:03.155 --> 00:35:05.119 question regarding integration and

NOTE Confidence: 0.88757783

00:35:05.119 --> 00:35:06.840 vaccination with the treatment.

NOTE Confidence: 0.88757783

00:35:06.840 --> 00:35:09.983 I will. Explain that we have been

NOTE Confidence: 0.88757783

00:35:09.983 --> 00:35:13.198 partnering with all of the vaccination

NOTE Confidence: 0.88757783

00:35:13.198 --> 00:35:15.570 sites established through the

NOTE Confidence: 0.88757783

00:35:15.570 --> 00:35:19.110 healthcare system and were we are

NOTE Confidence: 0.88757783

00:35:19.110 --> 00:35:21.338 actually encouraging our patients.

NOTE Confidence: 0.88757783

00:35:21.340 --> 00:35:24.870 To get their vaccination at

NOTE Confidence: 0.88757783

00:35:24.870 --> 00:35:27.694 the standard vaccination sites.

NOTE Confidence: 0.88757783

00:35:27.700 --> 00:35:30.796 And we recognize the fact that in some

NOTE Confidence: 0.88757783

00:35:30.796 --> 00:35:34.037 ways that is less convenient than coming

NOTE Confidence: 0.88757783

00:35:34.037 --> 00:35:37.229 to their traditional site of care and.

NOTE Confidence: 0.88757783

00:35:37.230 --> 00:35:39.282 We like the fact that people

NOTE Confidence: 0.88757783

00:35:39.282 --> 00:35:41.180 feel comfortable in our sights.

NOTE Confidence: 0.88757783

00:35:41.180 --> 00:35:44.140 But one of the things that we are
NOTE Confidence: 0.88757783

00:35:44.140 --> 00:35:47.292 working to to do is continue to keep
NOTE Confidence: 0.88757783

00:35:47.292 --> 00:35:50.014 our patients as safe as possible and
NOTE Confidence: 0.88757783

00:35:50.014 --> 00:35:53.100 kind of keep the flow of UN vaccinated
NOTE Confidence: 0.88757783

00:35:53.100 --> 00:35:55.850 individuals as low as possible
NOTE Confidence: 0.88757783

00:35:55.850 --> 00:35:58.630 through our clinical care sites.
NOTE Confidence: 0.88757783

00:35:58.630 --> 00:36:01.577 Our teams are available available to you,
NOTE Confidence: 0.88757783

00:36:01.580 --> 00:36:01.952 however,
NOTE Confidence: 0.88757783

00:36:01.952 --> 00:36:04.184 to help you find a convenient
NOTE Confidence: 0.88757783

00:36:04.184 --> 00:36:06.230 site for your vaccination.
NOTE Confidence: 0.8613675

00:36:07.860 --> 00:36:09.290 Kevin, just hold on there.
NOTE Confidence: 0.8613675

00:36:09.290 --> 00:36:10.790 I think you just gotta comment
NOTE Confidence: 0.8613675

00:36:10.790 --> 00:36:12.172 that going to a vaccination
NOTE Confidence: 0.8613675

00:36:12.172 --> 00:36:14.128 site puts the patient at risk.
NOTE Confidence: 0.8613675

00:36:14.130 --> 00:36:15.840 How do we respond to that?
NOTE Confidence: 0.8942419

00:36:17.480 --> 00:36:19.142 You know I am.

NOTE Confidence: 0.8942419

00:36:19.142 --> 00:36:22.498 I I know that that is a concern.

NOTE Confidence: 0.8942419

00:36:22.500 --> 00:36:24.648 I think most of the vaccination

NOTE Confidence: 0.8942419

00:36:24.648 --> 00:36:27.274 sites are at least those in our

NOTE Confidence: 0.8942419

00:36:27.274 --> 00:36:29.506 system are using all of the

NOTE Confidence: 0.8942419

00:36:29.506 --> 00:36:31.356 appropriate precautions to keep

NOTE Confidence: 0.8942419

00:36:31.356 --> 00:36:33.686 every individual coming through the

NOTE Confidence: 0.8942419

00:36:33.686 --> 00:36:37.350 site safe and secure and they have.

NOTE Confidence: 0.8942419

00:36:37.350 --> 00:36:39.555 Good protocols and practices and

NOTE Confidence: 0.8942419

00:36:39.555 --> 00:36:42.550 infrastructure set up to be debt. I'm

NOTE Confidence: 0.8472808

00:36:42.550 --> 00:36:44.916 gonna reiterate that I think Doctor Ballsack

NOTE Confidence: 0.8472808

00:36:44.916 --> 00:36:46.662 started the evening commenting around

NOTE Confidence: 0.8472808

00:36:46.662 --> 00:36:49.007 the euphoria around going to the sites,

NOTE Confidence: 0.8472808

00:36:49.010 --> 00:36:51.390 but also the community and how everyone

NOTE Confidence: 0.8472808

00:36:51.390 --> 00:36:53.402 looks out and keeps people safe.

NOTE Confidence: 0.8472808

00:36:53.402 --> 00:36:56.430 I had taken my family members to be sites

NOTE Confidence: 0.8472808

00:36:56.430 --> 00:36:58.866 and I found the same feeling there.
NOTE Confidence: 0.8472808

00:36:58.870 --> 00:36:59.550 Absolutely wonderful.
NOTE Confidence: 0.8472808

00:36:59.550 --> 00:37:00.570 It's the sterility.
NOTE Confidence: 0.8472808

00:37:00.570 --> 00:37:02.950 It's safe spaces so I think this
NOTE Confidence: 0.8472808

00:37:02.950 --> 00:37:05.412 this is the best we have sort of
NOTE Confidence: 0.8472808

00:37:05.412 --> 00:37:06.600 delivering the vaccines given
NOTE Confidence: 0.8472808

00:37:06.662 --> 00:37:08.592 especially the precautions in handling
NOTE Confidence: 0.8472808

00:37:08.592 --> 00:37:11.465 that result where you had a lot of
NOTE Confidence: 0.8472808

00:37:11.465 --> 00:37:13.240 questions around the services and.
NOTE Confidence: 0.8472808

00:37:13.240 --> 00:37:15.784 How do we get access to those services?
NOTE Confidence: 0.8472808

00:37:15.790 --> 00:37:18.044 I think I'm seeing that question again
NOTE Confidence: 0.8472808

00:37:18.044 --> 00:37:20.503 and again and I know you had some
NOTE Confidence: 0.8472808

00:37:20.503 --> 00:37:22.490 of the comments around the website,
NOTE Confidence: 0.8472808

00:37:22.490 --> 00:37:24.983 but can you give a little bit more detail
NOTE Confidence: 0.8472808

00:37:24.983 --> 00:37:27.909 on how people can get access these services?
NOTE Confidence: 0.78397703

00:37:29.340 --> 00:37:31.524 Short, so really if you just

NOTE Confidence: 0.78397703

00:37:31.524 --> 00:37:32.980 Google smile integrative medicine,

NOTE Confidence: 0.78397703

00:37:32.980 --> 00:37:34.800 it'll come right up and

NOTE Confidence: 0.78397703

00:37:34.800 --> 00:37:36.620 will be available to you.

NOTE Confidence: 0.78397703

00:37:36.620 --> 00:37:38.440 We also have Ellen here.

NOTE Confidence: 0.78397703

00:37:38.440 --> 00:37:40.336 Who's who's one of our yoga

NOTE Confidence: 0.78397703

00:37:40.336 --> 00:37:42.513 teachers and we have Michelle who's

NOTE Confidence: 0.78397703

00:37:42.513 --> 00:37:44.628 one of her massage therapists.

NOTE Confidence: 0.78397703

00:37:44.630 --> 00:37:47.890 Maybe they can offer something. Sure,

NOTE Confidence: 0.8687529

00:37:47.890 --> 00:37:49.480 Gary, thank you regarding massage.

NOTE Confidence: 0.8687529

00:37:49.480 --> 00:37:52.099 If you or a family member or an inpatient

NOTE Confidence: 0.8687529

00:37:52.099 --> 00:37:54.358 you just ask somebody from your medical

NOTE Confidence: 0.8687529

00:37:54.358 --> 00:37:56.788 team to put a console to order.

NOTE Confidence: 0.8687529

00:37:56.790 --> 00:37:58.872 It will come directly to our

NOTE Confidence: 0.8687529

00:37:58.872 --> 00:38:00.604 head coordinator and then we

NOTE Confidence: 0.8687529

00:38:00.604 --> 00:38:02.515 can get you set up for massage.

NOTE Confidence: 0.8687529

00:38:02.520 --> 00:38:04.476 If you're ambulatory you can come
NOTE Confidence: 0.8687529

00:38:04.476 --> 00:38:06.695 into the York Street campus and do
NOTE Confidence: 0.8687529

00:38:06.695 --> 00:38:09.080 that the same way we can schedule you
NOTE Confidence: 0.8687529

00:38:09.080 --> 00:38:11.096 an appointment for a table massage.
NOTE Confidence: 0.8687529

00:38:11.100 --> 00:38:13.501 So again, just ask somebody from your
NOTE Confidence: 0.8687529

00:38:13.501 --> 00:38:15.714 medical team for a konsult order and
NOTE Confidence: 0.8687529

00:38:15.714 --> 00:38:18.240 we can get that going fairly quickly.
NOTE Confidence: 0.8687529

00:38:18.240 --> 00:38:21.026 Anne Anne our online programs are available.
NOTE Confidence: 0.8687529

00:38:21.030 --> 00:38:24.150 Either lied when we do them through our
NOTE Confidence: 0.8687529

00:38:24.150 --> 00:38:27.385 calendar or most of them are also recorded.
NOTE Confidence: 0.8687529

00:38:27.390 --> 00:38:28.690 So as Gary said,
NOTE Confidence: 0.8687529

00:38:28.690 --> 00:38:30.640 if you Google either Yale Cancer
NOTE Confidence: 0.8687529

00:38:30.710 --> 00:38:33.070 Center Archive video archives or
NOTE Confidence: 0.8687529

00:38:33.070 --> 00:38:34.958 or smilow integrative medicine,
NOTE Confidence: 0.8687529

00:38:34.960 --> 00:38:37.342 you'll find all of our online
NOTE Confidence: 0.8687529

00:38:37.342 --> 00:38:38.533 programs that way.

NOTE Confidence: 0.8605694

00:38:39.730 --> 00:38:41.128 In in Michelle, it sounds like

NOTE Confidence: 0.8605694

00:38:41.128 --> 00:38:42.440 you need a referral doctor,

NOTE Confidence: 0.8605694

00:38:42.440 --> 00:38:44.155 so for someone asked the same question,

NOTE Confidence: 0.8605694

00:38:44.160 --> 00:38:45.642 do they need a referral from

NOTE Confidence: 0.8605694

00:38:45.642 --> 00:38:47.110 their oncologist to get a console

NOTE Confidence: 0.889007888888889

00:38:47.110 --> 00:38:48.482 with you? Not necessarily,

NOTE Confidence: 0.889007888888889

00:38:48.482 --> 00:38:51.435 but but I think it's the best path

NOTE Confidence: 0.889007888888889

00:38:51.435 --> 00:38:53.907 forward so we can work collaboratively.

NOTE Confidence: 0.77465916

00:38:57.450 --> 00:38:59.809 Thank you doctor. So Brennan cancer survivors

NOTE Confidence: 0.77465916

00:38:59.809 --> 00:39:02.400 can also come in right. It's not just

NOTE Confidence: 0.77465916

00:39:02.400 --> 00:39:04.050 recourse any any. Any current

NOTE Confidence: 0.77465916

00:39:04.050 --> 00:39:05.700 or previous patient of smile.

NOTE Confidence: 0.8372086

00:39:06.300 --> 00:39:08.178 Right, I think that analogy of

NOTE Confidence: 0.8372086

00:39:08.178 --> 00:39:09.799 the garden right bringing the

NOTE Confidence: 0.8372086

00:39:09.799 --> 00:39:11.665 healing garden that that was great,

NOTE Confidence: 0.8372086

00:39:11.670 --> 00:39:14.126 and I think a lot of people resonated
NOTE Confidence: 0.8372086

00:39:14.126 --> 00:39:16.734 with that and Renee it typed in the
NOTE Confidence: 0.8372086

00:39:16.734 --> 00:39:18.938 website address also on the chat box.
NOTE Confidence: 0.8372086

00:39:18.940 --> 00:39:20.200 So thank you, Renee.
NOTE Confidence: 0.8372086

00:39:20.200 --> 00:39:22.096 Just so as Doctor Sofer mentioned,
NOTE Confidence: 0.8372086

00:39:22.096 --> 00:39:24.626 just type it in your favorite search engine,
NOTE Confidence: 0.8372086

00:39:24.630 --> 00:39:25.575 integrative medicine smilow
NOTE Confidence: 0.8372086

00:39:25.575 --> 00:39:26.835 and pops right up.
NOTE Confidence: 0.8372086

00:39:26.840 --> 00:39:29.675 So thank you for all that stuff to you.
NOTE Confidence: 0.8372086

00:39:29.680 --> 00:39:30.944 I want to break,
NOTE Confidence: 0.8372086

00:39:30.944 --> 00:39:33.794 come back to come to you and and maybe
NOTE Confidence: 0.8372086

00:39:33.794 --> 00:39:36.930 you can tell us one a little bit about.
NOTE Confidence: 0.8372086

00:39:36.930 --> 00:39:38.880 Under the Radiation oncology services,
NOTE Confidence: 0.8372086

00:39:38.880 --> 00:39:40.917 how they are in the system and
NOTE Confidence: 0.8372086

00:39:40.917 --> 00:39:43.151 are meant to really provide care
NOTE Confidence: 0.8372086

00:39:43.151 --> 00:39:45.725 patients to patients closest to home.

NOTE Confidence: 0.8372086

00:39:45.730 --> 00:39:47.692 So maybe you can give enlightened

NOTE Confidence: 0.8372086

00:39:47.692 --> 00:39:49.881 the patients a little bit about

NOTE Confidence: 0.8372086

00:39:49.881 --> 00:39:51.509 the radiation oncology program.

NOTE Confidence: 0.8372086

00:39:52.430 --> 00:39:54.590 Sure.

NOTE Confidence: 0.84840435

00:39:54.590 --> 00:39:55.787 Well, radiation oncology

NOTE Confidence: 0.84840435

00:39:55.787 --> 00:39:58.580 is is one of the you know.

NOTE Confidence: 0.84840435

00:39:58.580 --> 00:40:01.868 Pillars of treatment with surgical oncology.

NOTE Confidence: 0.84840435

00:40:01.870 --> 00:40:04.150 Medical oncology, integrative medicine

NOTE Confidence: 0.84840435

00:40:04.150 --> 00:40:09.189 and we all work together as a team to

NOTE Confidence: 0.84840435

00:40:09.189 --> 00:40:11.729 treat patients who need radiotherapy.

NOTE Confidence: 0.84840435

00:40:11.730 --> 00:40:15.930 We have satellite locations as far South

NOTE Confidence: 0.84840435

00:40:15.930 --> 00:40:19.947 as Greenwich all the way up to water,

NOTE Confidence: 0.84840435

00:40:19.950 --> 00:40:21.902 furred, and we're traditionally.

NOTE Confidence: 0.84840435

00:40:21.902 --> 00:40:25.598 Scene after a patient sees a medical

NOTE Confidence: 0.84840435

00:40:25.598 --> 00:40:28.350 oncologist or surgical oncologists.

NOTE Confidence: 0.84840435

00:40:28.350 --> 00:40:30.876 But in some situations were seen
NOTE Confidence: 0.84840435

00:40:30.876 --> 00:40:33.202 immediately at diagnosis for certain
NOTE Confidence: 0.84840435

00:40:33.202 --> 00:40:35.466 indications like prostate cancer,
NOTE Confidence: 0.84840435

00:40:35.470 --> 00:40:37.546 radiation oncology's made great
NOTE Confidence: 0.84840435

00:40:37.546 --> 00:40:40.660 strides over the last couple of
NOTE Confidence: 0.84840435

00:40:40.747 --> 00:40:43.547 decades and so it's become a very,
NOTE Confidence: 0.84840435

00:40:43.550 --> 00:40:45.726 very technologically advanced treatment
NOTE Confidence: 0.84840435

00:40:45.726 --> 00:40:50.483 that requires a big team and I'm happy to
NOTE Confidence: 0.84840435

00:40:50.483 --> 00:40:53.309 take any questions about our Department.
NOTE Confidence: 0.84840435

00:40:53.310 --> 00:40:55.536 The challenges that we've been through and
NOTE Confidence: 0.84840435

00:40:55.536 --> 00:40:57.656 the bright future that we have as well.
NOTE Confidence: 0.891485

00:40:59.180 --> 00:41:01.626 Thank you God for you, and I know that
NOTE Confidence: 0.891485

00:41:01.626 --> 00:41:03.210 recently there was some information in
NOTE Confidence: 0.891485

00:41:03.260 --> 00:41:05.018 the news around the electric system,
NOTE Confidence: 0.891485

00:41:05.020 --> 00:41:07.252 but I I believe all their systems are
NOTE Confidence: 0.891485

00:41:07.252 --> 00:41:09.739 back at go and in all our patients are

NOTE Confidence: 0.891485
00:41:09.740 --> 00:41:11.130 doing really well on treatment.
NOTE Confidence: 0.850284200000001
00:41:11.960 --> 00:41:13.468 Yeah, I mean briefly,
NOTE Confidence: 0.850284200000001
00:41:13.468 --> 00:41:15.730 what happened was the elected mosaic
NOTE Confidence: 0.850284200000001
00:41:15.799 --> 00:41:18.061 systems of record and verify software
NOTE Confidence: 0.850284200000001
00:41:18.061 --> 00:41:20.573 system and what that means is it's
NOTE Confidence: 0.850284200000001
00:41:20.573 --> 00:41:22.757 a system that's used by the entire
NOTE Confidence: 0.850284200000001
00:41:22.760 --> 00:41:24.675 radiation oncology Department to keep
NOTE Confidence: 0.850284200000001
00:41:24.675 --> 00:41:26.590 track of radiation treatments it
NOTE Confidence: 0.850284200000001
00:41:26.652 --> 00:41:28.818 manage is the transfer of electronic
NOTE Confidence: 0.850284200000001
00:41:28.818 --> 00:41:30.648 treatment plans from planning software
NOTE Confidence: 0.850284200000001
00:41:30.648 --> 00:41:32.586 to the actual machines and serves
NOTE Confidence: 0.850284200000001
00:41:32.586 --> 00:41:34.660 as our radiation oncology chart.
NOTE Confidence: 0.850284200000001
00:41:34.660 --> 00:41:38.054 On April 20th, elected Mosaic went down.
NOTE Confidence: 0.850284200000001
00:41:38.054 --> 00:41:40.595 Nationally, over 40 sites and we
NOTE Confidence: 0.850284200000001
00:41:40.595 --> 00:41:43.173 were immediately unable to access the
NOTE Confidence: 0.850284200000001

00:41:43.173 --> 00:41:45.903 information in the cloud and we were
NOTE Confidence: 0.8502842000000001

00:41:45.903 --> 00:41:48.948 unable to use our linear accelerators,
NOTE Confidence: 0.8502842000000001

00:41:48.950 --> 00:41:52.610 which are radiation treatment machines so.
NOTE Confidence: 0.8502842000000001

00:41:52.610 --> 00:41:55.076 Later that evening, on April 20th,
NOTE Confidence: 0.8502842000000001

00:41:55.080 --> 00:41:57.354 we thought it was just going
NOTE Confidence: 0.8502842000000001

00:41:57.354 --> 00:41:59.600 to be a brief outage,
NOTE Confidence: 0.8502842000000001

00:41:59.600 --> 00:42:02.134 but it became apparent that it was
NOTE Confidence: 0.8502842000000001

00:42:02.134 --> 00:42:04.570 nationwide and it was severe and
NOTE Confidence: 0.8502842000000001

00:42:04.570 --> 00:42:06.695 at that moment yell information
NOTE Confidence: 0.8502842000000001

00:42:06.695 --> 00:42:08.915 technology and physics jumped into
NOTE Confidence: 0.8502842000000001

00:42:08.915 --> 00:42:11.513 action and worked through the night.
NOTE Confidence: 0.8502842000000001

00:42:11.520 --> 00:42:13.160 On the next day,
NOTE Confidence: 0.8502842000000001

00:42:13.160 --> 00:42:14.390 on April 21st,
NOTE Confidence: 0.8502842000000001

00:42:14.390 --> 00:42:16.585 the physics and the information
NOTE Confidence: 0.8502842000000001

00:42:16.585 --> 00:42:19.617 technology team informed us that they had
NOTE Confidence: 0.8502842000000001

00:42:19.617 --> 00:42:22.284 developed a work around this work around.

NOTE Confidence: 0.8502842000000001
00:42:22.290 --> 00:42:24.696 I want to emphasize does not
NOTE Confidence: 0.8502842000000001
00:42:24.696 --> 00:42:26.300 use the cloud system,
NOTE Confidence: 0.8502842000000001
00:42:26.300 --> 00:42:28.400 but is intentionally labor intensive and
NOTE Confidence: 0.8502842000000001
00:42:28.400 --> 00:42:31.109 is done with three radiation therapists.
NOTE Confidence: 0.8502842000000001
00:42:31.110 --> 00:42:33.343 Physicists in an MD present at the
NOTE Confidence: 0.8502842000000001
00:42:33.343 --> 00:42:35.318 beginning of every treatment and
NOTE Confidence: 0.8502842000000001
00:42:35.318 --> 00:42:37.222 all subsequent treatments were
NOTE Confidence: 0.8502842000000001
00:42:37.222 --> 00:42:39.126 administered with particular care.
NOTE Confidence: 0.8502842000000001
00:42:39.130 --> 00:42:41.430 Knowing that the electronic recording
NOTE Confidence: 0.8502842000000001
00:42:41.430 --> 00:42:44.189 verify system was not there and
NOTE Confidence: 0.8502842000000001
00:42:44.189 --> 00:42:46.134 so multiple checks and timeouts
NOTE Confidence: 0.8502842000000001
00:42:46.134 --> 00:42:48.441 were performed in a very labor
NOTE Confidence: 0.8502842000000001
00:42:48.441 --> 00:42:50.814 intensive way as we tried to adapt
NOTE Confidence: 0.8502842000000001
00:42:50.814 --> 00:42:53.420 to this new reality that are.
NOTE Confidence: 0.8502842000000001
00:42:53.420 --> 00:42:55.320 Our cloud system was down,
NOTE Confidence: 0.8502842000000001

00:42:55.320 --> 00:42:57.966 I think at present time Doctor Who.
NOTE Confidence: 0.8502842000000001

00:42:57.970 --> 00:42:59.258 Joe, you're absolutely right,
NOTE Confidence: 0.8502842000000001

00:42:59.258 --> 00:43:02.052 we are making our way back through the
NOTE Confidence: 0.8502842000000001

00:43:02.052 --> 00:43:04.464 Herculean efforts of our physics dosimetry
NOTE Confidence: 0.8502842000000001

00:43:04.464 --> 00:43:06.310 and information technology staff.
NOTE Confidence: 0.8502842000000001

00:43:06.310 --> 00:43:08.632 We have performed work that traditionally
NOTE Confidence: 0.8502842000000001

00:43:08.632 --> 00:43:11.230 takes months over the course of weeks.
NOTE Confidence: 0.8502842000000001

00:43:11.230 --> 00:43:13.894 We've set up a newly built on premises
NOTE Confidence: 0.8502842000000001

00:43:13.894 --> 00:43:16.538 version of the recording Verify system,
NOTE Confidence: 0.8502842000000001

00:43:16.540 --> 00:43:18.735 but work continues behind the
NOTE Confidence: 0.8502842000000001

00:43:18.735 --> 00:43:20.930 scenes utilizing both the manual
NOTE Confidence: 0.8502842000000001

00:43:21.000 --> 00:43:23.618 treatment as well as this new system.
NOTE Confidence: 0.8502842000000001

00:43:23.620 --> 00:43:25.350 I hope patients haven't noticed
NOTE Confidence: 0.8502842000000001

00:43:25.350 --> 00:43:27.851 because we're trying to do as little
NOTE Confidence: 0.8502842000000001

00:43:27.851 --> 00:43:29.957 disruption to their care as possible,
NOTE Confidence: 0.8502842000000001

00:43:29.960 --> 00:43:32.473 and this is happening during a time

NOTE Confidence: 0.8502842000000001
00:43:32.473 --> 00:43:34.291 of increased patient volumes as
NOTE Confidence: 0.8502842000000001
00:43:34.291 --> 00:43:36.636 shown in that slide by Doctor Ahuja.
NOTE Confidence: 0.8502842000000001
00:43:36.640 --> 00:43:40.520 And I do want to say as we emerge from this,
NOTE Confidence: 0.8502842000000001
00:43:40.520 --> 00:43:42.764 we have a couple exciting technology
NOTE Confidence: 0.8502842000000001
00:43:42.764 --> 00:43:44.260 developments you'll be hearing
NOTE Confidence: 0.8502842000000001
00:43:44.322 --> 00:43:45.438 about in the future.
NOTE Confidence: 0.8502842000000001
00:43:45.440 --> 00:43:48.392 I'm going to tease right now and I couldn't
NOTE Confidence: 0.8502842000000001
00:43:48.392 --> 00:43:51.075 be prouder of our faculty or staff.
NOTE Confidence: 0.8502842000000001
00:43:51.080 --> 00:43:53.155 And I hope everyone listening
NOTE Confidence: 0.8502842000000001
00:43:53.155 --> 00:43:55.230 is feeling some hope around.
NOTE Confidence: 0.8502842000000001
00:43:55.230 --> 00:43:57.029 You know Covid and and feeling a
NOTE Confidence: 0.8502842000000001
00:43:57.029 --> 00:43:58.822 little hope for us in radiation
NOTE Confidence: 0.8502842000000001
00:43:58.822 --> 00:44:00.748 oncology that we're going to emerge
NOTE Confidence: 0.8502842000000001
00:44:00.748 --> 00:44:01.990 stronger and more nimble,
NOTE Confidence: 0.8502842000000001
00:44:01.990 --> 00:44:04.048 and I think the future is bright,
NOTE Confidence: 0.8502842000000001

00:44:04.050 --> 00:44:06.108 not only for us in our Department,
NOTE Confidence: 0.8502842000000001

00:44:06.110 --> 00:44:09.040 but also for this hospital.
NOTE Confidence: 0.8502842000000001

00:44:09.040 --> 00:44:09.340 Thank
NOTE Confidence: 0.7807548

00:44:09.340 --> 00:44:10.222 you doctor you.
NOTE Confidence: 0.7807548

00:44:10.222 --> 00:44:12.290 I'm going to pivot back to vaccination.
NOTE Confidence: 0.7807548

00:44:12.290 --> 00:44:14.060 There are a couple of questions,
NOTE Confidence: 0.7807548

00:44:14.060 --> 00:44:16.380 one and I don't know if Doctor Balzer
NOTE Confidence: 0.7807548

00:44:16.380 --> 00:44:17.888 Billingsley are going to answer.
NOTE Confidence: 0.7807548

00:44:17.890 --> 00:44:18.778 It's around allergies.
NOTE Confidence: 0.7807548

00:44:18.778 --> 00:44:21.890 It's like an answer. Board
NOTE Confidence: 0.75487727

00:44:21.890 --> 00:44:23.168 certified allergist. That's
NOTE Confidence: 0.75487727

00:44:23.170 --> 00:44:24.439 true, of course.
NOTE Confidence: 0.7843676

00:44:27.080 --> 00:44:27.700 Covid questions,
NOTE Confidence: 0.7843676

00:44:27.700 --> 00:44:29.574 but I'm happy to answer well.
NOTE Confidence: 0.7843676

00:44:29.574 --> 00:44:30.826 Whoever wants to have
NOTE Confidence: 0.7843676

00:44:30.826 --> 00:44:31.762 allergies are raging.

NOTE Confidence: 0.7843676

00:44:31.762 --> 00:44:33.006 Should you get your

NOTE Confidence: 0.7843676

00:44:33.010 --> 00:44:33.321 vaccination?

NOTE Confidence: 0.7843676

00:44:33.321 --> 00:44:34.876 If your allergies are raising,

NOTE Confidence: 0.7843676

00:44:34.880 --> 00:44:36.440 that's on the chat box.

NOTE Confidence: 0.7843676

00:44:36.440 --> 00:44:37.691 Whoever and, of course,

NOTE Confidence: 0.7843676

00:44:37.691 --> 00:44:39.557 that is offered since you volunteer,

NOTE Confidence: 0.7843676

00:44:39.560 --> 00:44:41.120 would you like to answer

NOTE Confidence: 0.7843676

00:44:41.120 --> 00:44:42.986 that? Sure, the short answer is

NOTE Confidence: 0.7843676

00:44:42.986 --> 00:44:44.197 absolutely, allergies are not

NOTE Confidence: 0.7843676

00:44:44.197 --> 00:44:45.692 not a contraindication to getting

NOTE Confidence: 0.7843676

00:44:45.692 --> 00:44:47.359 here to giving your vaccine,

NOTE Confidence: 0.7843676

00:44:47.360 --> 00:44:49.232 and it shouldn't be a reason

NOTE Confidence: 0.7843676

00:44:49.232 --> 00:44:50.480 to delay your vaccine.

NOTE Confidence: 0.87839603

00:44:51.220 --> 00:44:53.474 I think Doctor Billingslea said it right.

NOTE Confidence: 0.87839603

00:44:53.480 --> 00:44:56.030 Can't get your vaccination and all that. I

NOTE Confidence: 0.87839603

00:44:56.030 --> 00:44:58.330 remember that from tonight but another follow

NOTE Confidence: 0.87839603

00:44:58.330 --> 00:45:00.584 up in this is maybe a little

NOTE Confidence: 0.87839603

00:45:00.590 --> 00:45:01.559 bit more detail.

NOTE Confidence: 0.87839603

00:45:01.559 --> 00:45:03.820 This is a patient who asked that.

NOTE Confidence: 0.87839603

00:45:03.820 --> 00:45:05.920 Is there one vaccine better than

NOTE Confidence: 0.87839603

00:45:05.920 --> 00:45:08.860 the other that I should get?

NOTE Confidence: 0.87839603

00:45:08.860 --> 00:45:11.086 In terms of, you know there's

NOTE Confidence: 0.87839603

00:45:11.086 --> 00:45:12.940 we have choices were fortunate

NOTE Confidence: 0.87839603

00:45:12.940 --> 00:45:14.432 to have several choices.

NOTE Confidence: 0.87839603

00:45:14.432 --> 00:45:16.302 Would either of the doctor

NOTE Confidence: 0.87839603

00:45:16.302 --> 00:45:17.759 bees like to comment

NOTE Confidence: 0.81543547

00:45:17.760 --> 00:45:18.873 on the choices?

NOTE Confidence: 0.81543547

00:45:18.873 --> 00:45:21.099 We can compare our notes openly?

NOTE Confidence: 0.81543547

00:45:21.100 --> 00:45:22.910 You know, I think someone

NOTE Confidence: 0.81543547

00:45:22.910 --> 00:45:25.180 from the CDC said this best.

NOTE Confidence: 0.81543547

00:45:25.180 --> 00:45:27.724 I think a while back the best vaccine

NOTE Confidence: 0.81543547

00:45:27.724 --> 00:45:30.750 is the vaccine that's available to you.

NOTE Confidence: 0.81543547

00:45:30.750 --> 00:45:33.102 We have seen I will report to you

NOTE Confidence: 0.81543547

00:45:33.102 --> 00:45:35.573 since the paws of the J&J vaccine

NOTE Confidence: 0.81543547

00:45:35.573 --> 00:45:37.912 because of the blood clotting issues

NOTE Confidence: 0.81543547

00:45:37.912 --> 00:45:40.167 the state has stopped receiving

NOTE Confidence: 0.81543547

00:45:40.167 --> 00:45:41.971 J&J vaccine simply because.

NOTE Confidence: 0.81543547

00:45:41.980 --> 00:45:43.324 We're all washing it.

NOTE Confidence: 0.81543547

00:45:43.324 --> 00:45:46.077 We have many thousands of doses of J&J

NOTE Confidence: 0.81543547

00:45:46.077 --> 00:45:48.075 that patients have just not gotten.

NOTE Confidence: 0.81543547

00:45:48.080 --> 00:45:49.780 We're happy to give it,

NOTE Confidence: 0.81543547

00:45:49.780 --> 00:45:52.426 but because when we open up our

NOTE Confidence: 0.81543547

00:45:52.426 --> 00:45:54.204 mass vaccination sites in the

NOTE Confidence: 0.81543547

00:45:54.204 --> 00:45:56.213 J&J is the vaccine of the day.

NOTE Confidence: 0.81543547

00:45:56.220 --> 00:46:00.154 We just don't see people show up.

NOTE Confidence: 0.81543547

00:46:00.160 --> 00:46:03.408 I think that if I was given a

NOTE Confidence: 0.81543547

00:46:03.408 --> 00:46:05.789 choice between J&J and nothing,
NOTE Confidence: 0.81543547

00:46:05.790 --> 00:46:07.950 I would absolutely take J&J.
NOTE Confidence: 0.81543547

00:46:07.950 --> 00:46:11.163 The risk is about one in a million of
NOTE Confidence: 0.81543547

00:46:11.163 --> 00:46:13.951 this blood clotting event that happens
NOTE Confidence: 0.81543547

00:46:13.951 --> 00:46:17.908 between 6 and 14 days after the vaccine,
NOTE Confidence: 0.81543547

00:46:17.910 --> 00:46:20.645 and it happens almost exclusively
NOTE Confidence: 0.81543547

00:46:20.645 --> 00:46:23.380 in women of childbearing age.
NOTE Confidence: 0.81543547

00:46:23.380 --> 00:46:25.864 There is there is a safety
NOTE Confidence: 0.81543547

00:46:25.864 --> 00:46:27.920 issue that certainly with J&J,
NOTE Confidence: 0.81543547

00:46:27.920 --> 00:46:30.608 but it is something that you can
NOTE Confidence: 0.81543547

00:46:30.608 --> 00:46:32.265 that's knowable and monitored
NOTE Confidence: 0.81543547

00:46:32.265 --> 00:46:34.833 month you can monitor for with
NOTE Confidence: 0.81543547

00:46:34.833 --> 00:46:37.009 regard to Moderna and Pfizer.
NOTE Confidence: 0.81543547

00:46:37.010 --> 00:46:39.488 They are essentially the same vaccine.
NOTE Confidence: 0.81543547

00:46:39.490 --> 00:46:41.968 They use the same sequence there,
NOTE Confidence: 0.81543547

00:46:41.970 --> 00:46:43.329 slightly differently packaged,

NOTE Confidence: 0.81543547

00:46:43.329 --> 00:46:46.047 but the way they they operate

NOTE Confidence: 0.81543547

00:46:46.047 --> 00:46:48.157 in your body is the same.

NOTE Confidence: 0.81543547

00:46:48.160 --> 00:46:50.602 I would consider them exactly the

NOTE Confidence: 0.81543547

00:46:50.602 --> 00:46:53.900 same and all of them are excellent.

NOTE Confidence: 0.81543547

00:46:53.900 --> 00:46:56.400 Just absolutely outstanding at

NOTE Confidence: 0.81543547

00:46:56.400 --> 00:46:59.525 preventing severe disease or death.

NOTE Confidence: 0.81543547

00:46:59.530 --> 00:47:01.256 Kevin, if you want to add anything to that.

NOTE Confidence: 0.9113374

00:47:03.260 --> 00:47:05.560 You know? I

NOTE Confidence: 0.9057952

00:47:05.560 --> 00:47:08.000 have very little to add to that I.

NOTE Confidence: 0.89521205

00:47:10.170 --> 00:47:12.262 I would underscore the

NOTE Confidence: 0.89521205

00:47:12.262 --> 00:47:14.877 point that that the real.

NOTE Confidence: 0.89521205

00:47:14.880 --> 00:47:17.365 The real rub is getting the vaccination.

NOTE Confidence: 0.89521205

00:47:17.370 --> 00:47:22.098 That's where we're all going to get value.

NOTE Confidence: 0.89521205

00:47:22.100 --> 00:47:25.406 And I will say that there

NOTE Confidence: 0.89521205

00:47:25.406 --> 00:47:27.059 is softbot emerging.

NOTE Confidence: 0.89521205

00:47:27.060 --> 00:47:29.800 Signs in cancer patients.
NOTE Confidence: 0.89521205

00:47:29.800 --> 00:47:31.855 The two vaccines.
NOTE Confidence: 0.89521205

00:47:31.860 --> 00:47:34.719 May have some.
NOTE Confidence: 0.89521205

00:47:34.720 --> 00:47:36.295 Negligible incremental immunogenic
NOTE Confidence: 0.89521205

00:47:36.295 --> 00:47:39.445 benefit over a single dose vaccine,
NOTE Confidence: 0.89521205

00:47:39.450 --> 00:47:43.840 which would obviously be the J&J.
NOTE Confidence: 0.89521205

00:47:43.840 --> 00:47:47.005 It is hard for us to know if that
NOTE Confidence: 0.89521205

00:47:47.005 --> 00:47:48.760 is clinically significant and I
NOTE Confidence: 0.89521205

00:47:48.838 --> 00:47:51.099 want to be very careful about how
NOTE Confidence: 0.89521205

00:47:51.099 --> 00:47:53.338 I frame that to this audience,
NOTE Confidence: 0.89521205

00:47:53.340 --> 00:47:54.748 but I will share
NOTE Confidence: 0.8661113

00:47:54.750 --> 00:47:56.158 that that's that is.
NOTE Confidence: 0.8980165

00:47:56.770 --> 00:47:58.877 Something that is emerging in our circles.
NOTE Confidence: 0.85189956

00:48:01.540 --> 00:48:03.020 Thank you Doctor Billingslea Dutch
NOTE Confidence: 0.85189956

00:48:03.020 --> 00:48:05.418 so far in your team. Back to you.
NOTE Confidence: 0.85189956

00:48:05.418 --> 00:48:07.560 I think there's a lot of interest

NOTE Confidence: 0.85189956

00:48:07.631 --> 00:48:09.823 on the on the chat on hey listen,

NOTE Confidence: 0.85189956

00:48:09.830 --> 00:48:11.600 can the fair patients families get

NOTE Confidence: 0.85189956

00:48:11.600 --> 00:48:13.672 the treatments or do you have to

NOTE Confidence: 0.85189956

00:48:13.672 --> 00:48:17.010 be patient to get this treatment?

NOTE Confidence: 0.85189956

00:48:17.010 --> 00:48:19.698 Then alongside you know a lot of like

NOTE Confidence: 0.85189956

00:48:19.698 --> 00:48:22.439 maybe let's advertise your services more.

NOTE Confidence: 0.85189956

00:48:22.440 --> 00:48:24.380 I didn't know about this,

NOTE Confidence: 0.85189956

00:48:24.380 --> 00:48:26.972 so I think this this is this forum

NOTE Confidence: 0.85189956

00:48:26.972 --> 00:48:29.430 is exactly we're raising awareness.

NOTE Confidence: 0.85189956

00:48:29.430 --> 00:48:30.978 But can patients family

NOTE Confidence: 0.859112

00:48:30.980 --> 00:48:34.910 members get these treatments also?

NOTE Confidence: 0.859112

00:48:34.910 --> 00:48:36.378 I'm speaking to massage.

NOTE Confidence: 0.859112

00:48:36.378 --> 00:48:38.580 The massage is just for the

NOTE Confidence: 0.859112

00:48:38.655 --> 00:48:40.278 patience and survivors.

NOTE Confidence: 0.859112

00:48:40.280 --> 00:48:43.136 The other programs are open to family

NOTE Confidence: 0.859112

00:48:43.136 --> 00:48:46.058 members such as the on line programs,

NOTE Confidence: 0.859112

00:48:46.060 --> 00:48:47.688 anybody, family members, staff,

NOTE Confidence: 0.859112

00:48:47.688 --> 00:48:50.614 the community can log in and do

NOTE Confidence: 0.859112

00:48:50.614 --> 00:48:53.078 the meditation, can do the yoga,

NOTE Confidence: 0.859112

00:48:53.078 --> 00:48:55.114 can do that. I cheat.

NOTE Confidence: 0.859112

00:48:55.114 --> 00:48:57.496 And the creative arts programs are

NOTE Confidence: 0.859112

00:48:57.496 --> 00:48:59.992 also open to everybody there open

NOTE Confidence: 0.859112

00:48:59.992 --> 00:49:02.422 to the community there open to

NOTE Confidence: 0.859112

00:49:02.499 --> 00:49:05.199 family members and patients as well.

NOTE Confidence: 0.859112

00:49:05.200 --> 00:49:07.552 So it's really just the it's

NOTE Confidence: 0.859112

00:49:07.552 --> 00:49:09.120 really just the massage.

NOTE Confidence: 0.859112

00:49:09.120 --> 00:49:12.248 The hands on work is limited to patients.

NOTE Confidence: 0.859112

00:49:12.250 --> 00:49:14.210 There's no charge table massages.

NOTE Confidence: 0.859112

00:49:14.210 --> 00:49:17.346 You can come in for three of those,

NOTE Confidence: 0.859112

00:49:17.350 --> 00:49:19.325 and the implications get the

NOTE Confidence: 0.859112

00:49:19.325 --> 00:49:20.905 treatments while they're there

NOTE Confidence: 0.859112
00:49:20.905 --> 00:49:22.840 at the hospital as needed.
NOTE Confidence: 0.8740517
00:49:23.600 --> 00:49:24.692 Thank you, Michelle.
NOTE Confidence: 0.8740517
00:49:24.692 --> 00:49:26.876 You answered one of the questions
NOTE Confidence: 0.8740517
00:49:26.876 --> 00:49:29.061 on are these massages free and
NOTE Confidence: 0.8740517
00:49:29.061 --> 00:49:30.816 then the other question is,
NOTE Confidence: 0.8740517
00:49:30.820 --> 00:49:32.264 are the other integrative
NOTE Confidence: 0.8740517
00:49:32.264 --> 00:49:33.347 medicine services billable
NOTE Confidence: 0.8740517
00:49:33.347 --> 00:49:36.310 requiring insurance optimization?
NOTE Confidence: 0.8242441
00:49:36.310 --> 00:49:40.622 Not not as of right now. So we're
NOTE Confidence: 0.8242441
00:49:40.622 --> 00:49:41.870 seeing we're seeing everybody.
NOTE Confidence: 0.87797505
00:49:43.410 --> 00:49:45.514 And I think you're also seeing for your
NOTE Confidence: 0.87797505
00:49:45.514 --> 00:49:47.906 value for your services a lot from the
NOTE Confidence: 0.87797505
00:49:47.906 --> 00:49:49.650 caregivers asking for these services.
NOTE Confidence: 0.87797505
00:49:49.650 --> 00:49:51.610 So I think this is really exactly
NOTE Confidence: 0.87797505
00:49:51.610 --> 00:49:53.210 the reason for this format.
NOTE Confidence: 0.87797505

00:49:53.210 --> 00:49:54.992 So we hear from our patients
NOTE Confidence: 0.87797505

00:49:54.992 --> 00:49:56.480 and their families as they
NOTE Confidence: 0.87797505

00:49:56.480 --> 00:49:58.524 go through this. So we, you know,
NOTE Confidence: 0.87797505

00:49:58.524 --> 00:50:00.498 again, your family is part of that
NOTE Confidence: 0.87797505

00:50:00.498 --> 00:50:02.626 garden and and so we recognize that
NOTE Confidence: 0.87797505

00:50:02.626 --> 00:50:04.478 that treating your family and involving
NOTE Confidence: 0.87797505

00:50:04.478 --> 00:50:06.564 your family in your care is is
NOTE Confidence: 0.87797505

00:50:06.564 --> 00:50:08.360 paramount to making you feel better.
NOTE Confidence: 0.87797505

00:50:08.360 --> 00:50:10.148 So the video archive is absolutely
NOTE Confidence: 0.87797505

00:50:10.148 --> 00:50:11.630 accessible and available to them,
NOTE Confidence: 0.87797505

00:50:11.630 --> 00:50:13.400 and a number of other services
NOTE Confidence: 0.87797505

00:50:13.400 --> 00:50:14.890 are absolutely available to them.
NOTE Confidence: 0.87797505

00:50:14.890 --> 00:50:16.969 And if we can support them in
NOTE Confidence: 0.87797505

00:50:16.969 --> 00:50:18.160 any way, we will.
NOTE Confidence: 0.8124766

00:50:20.100 --> 00:50:25.698 May I go ahead and do something here, yes.
NOTE Confidence: 0.8124766

00:50:25.700 --> 00:50:28.118 The yoga classes are available both

NOTE Confidence: 0.8124766

00:50:28.118 --> 00:50:30.440 to patients and their families,

NOTE Confidence: 0.8124766

00:50:30.440 --> 00:50:33.664 and the beauty part of the zoom classes

NOTE Confidence: 0.8124766

00:50:33.664 --> 00:50:37.296 is that people don't necessarily have to

NOTE Confidence: 0.8124766

00:50:37.296 --> 00:50:41.056 participate if they feel unsure about whether

NOTE Confidence: 0.8124766

00:50:41.056 --> 00:50:44.760 they want to try yoga or their capacity.

NOTE Confidence: 0.8124766

00:50:44.760 --> 00:50:47.136 If people are brand brand new,

NOTE Confidence: 0.8124766

00:50:47.140 --> 00:50:49.552 they might like to start with

NOTE Confidence: 0.8124766

00:50:49.552 --> 00:50:51.160 restorative yoga because that's

NOTE Confidence: 0.8124766

00:50:51.232 --> 00:50:53.077 done primarily on the floor.

NOTE Confidence: 0.8124766

00:50:53.080 --> 00:50:56.076 Though sometimes we do do some standing

NOTE Confidence: 0.8124766

00:50:56.076 --> 00:50:59.413 stretches just to get some of the kinks out.

NOTE Confidence: 0.8124766

00:50:59.413 --> 00:51:02.180 But the other part is everything is.

NOTE Confidence: 0.8124766

00:51:02.180 --> 00:51:05.348 I have a background in trauma sensitive yoga,

NOTE Confidence: 0.8124766

00:51:05.350 --> 00:51:07.756 so the language in trauma sensitive

NOTE Confidence: 0.8124766

00:51:07.756 --> 00:51:10.574 yoga is very different from what I

NOTE Confidence: 0.8124766

00:51:10.574 --> 00:51:12.474 would call regular yoga classes,
NOTE Confidence: 0.8124766

00:51:12.480 --> 00:51:14.096 which is more directional.
NOTE Confidence: 0.8124766

00:51:14.096 --> 00:51:16.520 So everything is done by invitation.
NOTE Confidence: 0.8124766

00:51:16.520 --> 00:51:17.744 It's all choice based.
NOTE Confidence: 0.8124766

00:51:17.744 --> 00:51:19.580 I always ask at the beginning
NOTE Confidence: 0.8124766

00:51:19.648 --> 00:51:20.708 of class you know,
NOTE Confidence: 0.8124766

00:51:20.710 --> 00:51:21.902 is there something special
NOTE Confidence: 0.8124766

00:51:21.902 --> 00:51:23.392 you would like to do?
NOTE Confidence: 0.8124766

00:51:23.400 --> 00:51:25.848 An area of your body that
NOTE Confidence: 0.8124766

00:51:25.848 --> 00:51:28.530 you would like to work with?
NOTE Confidence: 0.8124766

00:51:28.530 --> 00:51:31.442 Knowing that you know many all of my
NOTE Confidence: 0.8124766

00:51:31.442 --> 00:51:34.288 students have different health conditions,
NOTE Confidence: 0.8124766

00:51:34.290 --> 00:51:37.328 so some people can do some things
NOTE Confidence: 0.8124766

00:51:37.328 --> 00:51:40.049 other people can't do other things.
NOTE Confidence: 0.8124766

00:51:40.050 --> 00:51:43.130 So I try to create an environment where
NOTE Confidence: 0.8124766

00:51:43.130 --> 00:51:46.250 people feel comfortable making the choice.

NOTE Confidence: 0.8124766

00:51:46.250 --> 00:51:48.465 Maybe to do something differently

NOTE Confidence: 0.8124766

00:51:48.465 --> 00:51:50.680 or even not to participate.

NOTE Confidence: 0.8124766

00:51:50.680 --> 00:51:52.540 That's totally fine.

NOTE Confidence: 0.8124766

00:51:52.540 --> 00:51:53.160 So,

NOTE Confidence: 0.8124766

00:51:53.160 --> 00:51:57.334 and I really hope that people will sample

NOTE Confidence: 0.8124766

00:51:57.334 --> 00:52:00.912 yoga because it has so many benefits

NOTE Confidence: 0.8124766

00:52:00.912 --> 00:52:03.507 for stress reduction, relaxation,

NOTE Confidence: 0.8124766

00:52:03.507 --> 00:52:06.729 overall sense of well being just.

NOTE Confidence: 0.8124766

00:52:06.730 --> 00:52:09.988 And also we have managed to

NOTE Confidence: 0.8124766

00:52:09.988 --> 00:52:13.159 create over 14 months of very,

NOTE Confidence: 0.8124766

00:52:13.160 --> 00:52:17.430 very robust community of yogis.

NOTE Confidence: 0.8124766

00:52:17.430 --> 00:52:20.028 Sometimes their pets.

NOTE Confidence: 0.8124766

00:52:20.030 --> 00:52:22.702 To come to class so there is a

NOTE Confidence: 0.8124766

00:52:22.702 --> 00:52:25.598 sense of camaraderie and you know,

NOTE Confidence: 0.8124766

00:52:25.600 --> 00:52:27.590 people talk about other things

NOTE Confidence: 0.8124766

00:52:27.590 --> 00:52:29.440 you know other than cancer.
NOTE Confidence: 0.8124766

00:52:29.440 --> 00:52:31.715 And I like to create that kind
NOTE Confidence: 0.8124766

00:52:31.715 --> 00:52:33.987 of environment where people have
NOTE Confidence: 0.8124766

00:52:33.987 --> 00:52:36.789 something that is nourishing to them
NOTE Confidence: 0.8124766

00:52:36.864 --> 00:52:39.126 and supportive and and just fun.
NOTE Confidence: 0.8124766

00:52:39.130 --> 00:52:40.324 So please come,
NOTE Confidence: 0.8124766

00:52:40.324 --> 00:52:42.712 I think you will be getting
NOTE Confidence: 0.8588877

00:52:42.720 --> 00:52:45.504 the it'll be busy tomorrow. I can.
NOTE Confidence: 0.8588877

00:52:45.504 --> 00:52:48.686 I can see that from all the services.
NOTE Confidence: 0.8588877

00:52:48.686 --> 00:52:50.800 I think there's an ask
NOTE Confidence: 0.8588877

00:52:50.800 --> 00:52:52.560 for services in Trumbull.
NOTE Confidence: 0.8588877

00:52:52.560 --> 00:52:54.380 Do are these services available
NOTE Confidence: 0.8588877

00:52:54.380 --> 00:52:55.836 at Trumbull site folks?
NOTE Confidence: 0.8588877

00:52:55.840 --> 00:52:58.374 Yes, being a lot of head nodding,
NOTE Confidence: 0.8588877

00:52:58.380 --> 00:52:59.110 that's wonderful.
NOTE Confidence: 0.81567305

00:53:01.290 --> 00:53:02.370 Go ahead, Michelle

NOTE Confidence: 0.81567305

00:53:02.370 --> 00:53:04.175 on the Saint Rayfield campus

NOTE Confidence: 0.81567305

00:53:04.175 --> 00:53:05.619 on York Street campus.

NOTE Confidence: 0.81567305

00:53:05.620 --> 00:53:08.671 Tremble and we had to take a pause on

NOTE Confidence: 0.81567305

00:53:08.671 --> 00:53:11.754 some of the care centers due to covid,

NOTE Confidence: 0.81567305

00:53:11.760 --> 00:53:13.560 but that should be starting

NOTE Confidence: 0.81567305

00:53:13.560 --> 00:53:15.365 up. Hopefully at some point

NOTE Confidence: 0.81567305

00:53:15.365 --> 00:53:17.103 in time down the road.

NOTE Confidence: 0.81567305

00:53:17.103 --> 00:53:19.154 Perfect, let me pivot to a perhaps

NOTE Confidence: 0.81567305

00:53:19.154 --> 00:53:21.510 some more questions around vaccination.

NOTE Confidence: 0.81567305

00:53:21.510 --> 00:53:22.533 A question here.

NOTE Confidence: 0.81567305

00:53:22.533 --> 00:53:24.579 If someone's fully vaccinated and it

NOTE Confidence: 0.81567305

00:53:24.579 --> 00:53:27.288 says previously infected with SARS Co. V2.

NOTE Confidence: 0.81567305

00:53:27.288 --> 00:53:30.600 So I think it sounds like they had both.

NOTE Confidence: 0.81567305

00:53:30.600 --> 00:53:32.610 Covid and they are vaccinated,

NOTE Confidence: 0.81567305

00:53:32.610 --> 00:53:34.210 can they be reinfected?

NOTE Confidence: 0.8414984

00:53:37.580 --> 00:53:40.055 I see Doctor Balls like
NOTE Confidence: 0.8414984

00:53:40.055 --> 00:53:42.035 maybe reading ready to
NOTE Confidence: 0.8414984

00:53:42.040 --> 00:53:45.010 answer that question. Go ahead Tom.
NOTE Confidence: 0.8414984

00:53:45.010 --> 00:53:48.048 So there have been sporadic reports of
NOTE Confidence: 0.8414984

00:53:48.048 --> 00:53:51.438 people who have had vaccine breakthrough,
NOTE Confidence: 0.8414984

00:53:51.440 --> 00:53:54.200 even among people who have had
NOTE Confidence: 0.8414984

00:53:54.200 --> 00:53:56.890 both covid and the vaccine.
NOTE Confidence: 0.8414984

00:53:56.890 --> 00:53:59.977 But what's important to note is that
NOTE Confidence: 0.8414984

00:53:59.977 --> 00:54:03.040 those people are very well protected
NOTE Confidence: 0.8414984

00:54:03.040 --> 00:54:06.900 against severe disease and death, so.
NOTE Confidence: 0.8414984

00:54:06.900 --> 00:54:09.100 It's possible.
NOTE Confidence: 0.8414984

00:54:09.100 --> 00:54:11.190 There is some scientific evidence
NOTE Confidence: 0.8414984

00:54:11.190 --> 00:54:14.165 to suggest that they will be less
NOTE Confidence: 0.8414984

00:54:14.165 --> 00:54:16.589 likely to infect other people 'cause
NOTE Confidence: 0.8414984

00:54:16.589 --> 00:54:18.861 the duration of their disease is
NOTE Confidence: 0.8414984

00:54:18.861 --> 00:54:21.345 less than the amount of virus that

NOTE Confidence: 0.8414984

00:54:21.345 --> 00:54:23.320 they shed through their noses.

NOTE Confidence: 0.8414984

00:54:23.320 --> 00:54:24.110 Somewhat less,

NOTE Confidence: 0.8414984

00:54:24.110 --> 00:54:26.480 but most importantly for that individual,

NOTE Confidence: 0.8414984

00:54:26.480 --> 00:54:28.060 the vaccine does confer

NOTE Confidence: 0.8414984

00:54:28.060 --> 00:54:28.850 additional protection,

NOTE Confidence: 0.8414984

00:54:28.850 --> 00:54:30.830 and even if there's breakthrough,

NOTE Confidence: 0.8414984

00:54:30.830 --> 00:54:33.200 they are much more likely to

NOTE Confidence: 0.8414984

00:54:33.200 --> 00:54:34.780 avoid hospitalization or die.

NOTE Confidence: 0.85515314

00:54:36.640 --> 00:54:38.260 Thank you and doctor B.

NOTE Confidence: 0.85515314

00:54:38.260 --> 00:54:40.198 There are lots of quite billingsley.

NOTE Confidence: 0.85515314

00:54:40.200 --> 00:54:42.419 There are a lot of questions on

NOTE Confidence: 0.85515314

00:54:42.419 --> 00:54:44.337 timing and efficacy and I think

NOTE Confidence: 0.85515314

00:54:44.337 --> 00:54:46.430 there are probably 2 details and but

NOTE Confidence: 0.85515314

00:54:46.493 --> 00:54:48.545 broadly speaking there is a question

NOTE Confidence: 0.85515314

00:54:48.545 --> 00:54:50.568 on should you wait four months?

NOTE Confidence: 0.85515314

00:54:50.568 --> 00:54:52.836 Where is my immune system strong enough?

NOTE Confidence: 0.85515314

00:54:52.840 --> 00:54:54.778 Again, for most people it's fine,

NOTE Confidence: 0.85515314

00:54:54.780 --> 00:54:56.405 but obviously they should talk

NOTE Confidence: 0.85515314

00:54:56.405 --> 00:54:57.380 to their doctor.

NOTE Confidence: 0.85515314

00:54:57.380 --> 00:54:59.634 Is that your recommendation to their team?

NOTE Confidence: 0.89966357

00:55:00.300 --> 00:55:01.509 That's exactly right,

NOTE Confidence: 0.89966357

00:55:01.510 --> 00:55:06.798 and this is where it is. It really is it.

NOTE Confidence: 0.8490009

00:55:09.290 --> 00:55:10.976 Individual by individual.

NOTE Confidence: 0.8490009

00:55:10.976 --> 00:55:13.786 Some of these lymphocyte depleting

NOTE Confidence: 0.8490009

00:55:13.786 --> 00:55:16.300 therapies are the backbone of

NOTE Confidence: 0.8490009

00:55:16.300 --> 00:55:17.914 treating hematologic malignancies.

NOTE Confidence: 0.8490009

00:55:17.914 --> 00:55:21.142 They are the treatment people need

NOTE Confidence: 0.8490009

00:55:21.150 --> 00:55:23.978 for for cure Disease Control,

NOTE Confidence: 0.8490009

00:55:23.978 --> 00:55:28.206 but there is a period of time.

NOTE Confidence: 0.8490009

00:55:28.210 --> 00:55:31.130 During which we need to wait for the

NOTE Confidence: 0.8490009

00:55:31.130 --> 00:55:33.587 immune system to recover and that is

NOTE Confidence: 0.8490009

00:55:33.587 --> 00:55:36.479 going to be a somewhat variable period.

NOTE Confidence: 0.8490009

00:55:36.480 --> 00:55:38.320 Three months is often something

NOTE Confidence: 0.8490009

00:55:38.320 --> 00:55:39.792 that we hear about,

NOTE Confidence: 0.8490009

00:55:39.800 --> 00:55:42.103 but it again it is going to

NOTE Confidence: 0.8490009

00:55:42.103 --> 00:55:43.860 be quite person specific,

NOTE Confidence: 0.8490009

00:55:43.860 --> 00:55:46.068 so conversation with your care team.

NOTE Confidence: 0.85396266

00:55:47.220 --> 00:55:48.472 Thank you Doctor Billingsley

NOTE Confidence: 0.85396266

00:55:48.472 --> 00:55:50.690 and I know it's almost the top

NOTE Confidence: 0.85396266

00:55:50.690 --> 00:55:52.358 of the hour and there's some

NOTE Confidence: 0.85396266

00:55:52.358 --> 00:55:54.120 questions I probably won't get to,

NOTE Confidence: 0.85396266

00:55:54.120 --> 00:55:56.045 but I think this is important to

NOTE Confidence: 0.85396266

00:55:56.045 --> 00:55:58.019 perhaps talk to the audience today.

NOTE Confidence: 0.85396266

00:55:58.020 --> 00:56:00.420 What is a typical care team you know?

NOTE Confidence: 0.85396266

00:56:00.420 --> 00:56:02.220 Can you tell me doctors, nurses?

NOTE Confidence: 0.85396266

00:56:02.220 --> 00:56:03.420 What are their roles?

NOTE Confidence: 0.85396266

00:56:03.420 --> 00:56:04.975 Maybe Doctor Billings would be
NOTE Confidence: 0.85396266

00:56:04.975 --> 00:56:06.868 helpful to talk a little bit
NOTE Confidence: 0.85396266

00:56:06.868 --> 00:56:08.518 about the care team at Smilow.
NOTE Confidence: 0.93111163

00:56:09.410 --> 00:56:11.186 You know, I would be happy
NOTE Confidence: 0.93111163

00:56:11.190 --> 00:56:13.258 to do that, and I think that.
NOTE Confidence: 0.87151176

00:56:15.320 --> 00:56:18.116 To the point of your introductory
NOTE Confidence: 0.87151176

00:56:18.116 --> 00:56:21.091 comments relating to the excellence and
NOTE Confidence: 0.87151176

00:56:21.091 --> 00:56:24.163 the dedication of our nursing teams.
NOTE Confidence: 0.87151176

00:56:24.170 --> 00:56:28.953 Most of our care teams consist of a group of.
NOTE Confidence: 0.87151176

00:56:28.953 --> 00:56:30.399 Medical specialists,
NOTE Confidence: 0.87151176

00:56:30.400 --> 00:56:33.190 including both physicians as well
NOTE Confidence: 0.87151176

00:56:33.190 --> 00:56:35.988 as advanced practice providers who
NOTE Confidence: 0.87151176

00:56:35.988 --> 00:56:38.778 can be either physicians assistants
NOTE Confidence: 0.87151176

00:56:38.780 --> 00:56:41.574 or advanced practice nurses and
NOTE Confidence: 0.87151176

00:56:41.574 --> 00:56:43.806 those those individuals form.
NOTE Confidence: 0.87151176

00:56:43.810 --> 00:56:46.050 The primary clinical teams,

NOTE Confidence: 0.87151176

00:56:46.050 --> 00:56:51.080 but they work hand in hand with our partners

NOTE Confidence: 0.87151176

00:56:51.080 --> 00:56:54.700 in nursing to problem solve problems.

NOTE Confidence: 0.87151176

00:56:54.700 --> 00:56:56.340 Answer questions.

NOTE Confidence: 0.87151176

00:56:56.340 --> 00:56:58.976 Kind of arrange the continuity

NOTE Confidence: 0.87151176

00:56:58.976 --> 00:57:01.224 of care and and.

NOTE Confidence: 0.87151176

00:57:01.230 --> 00:57:03.612 Cover those gaps that can occur

NOTE Confidence: 0.87151176

00:57:03.612 --> 00:57:05.962 in as patients and families

NOTE Confidence: 0.87151176

00:57:05.962 --> 00:57:08.475 transition through cancer treatment.

NOTE Confidence: 0.87151176

00:57:08.475 --> 00:57:10.888 In addition to care teams.

NOTE Confidence: 0.8746218

00:57:12.980 --> 00:57:15.370 In addition to physicians, nurses,

NOTE Confidence: 0.8746218

00:57:15.370 --> 00:57:17.234 and advanced practice providers,

NOTE Confidence: 0.8746218

00:57:17.234 --> 00:57:21.084 there are an entire range of of of

NOTE Confidence: 0.8746218

00:57:21.084 --> 00:57:23.474 professionals who also add significant

NOTE Confidence: 0.8746218

00:57:23.474 --> 00:57:26.336 value and improve the patient experience.

NOTE Confidence: 0.8746218

00:57:26.340 --> 00:57:28.725 That includes people like our

NOTE Confidence: 0.8746218

00:57:28.725 --> 00:57:31.110 teams in nutrition and dietetics.

NOTE Confidence: 0.8746218

00:57:31.110 --> 00:57:34.338 Are folks in physical therapy and

NOTE Confidence: 0.8746218

00:57:34.338 --> 00:57:36.490 occupational therapy who support

NOTE Confidence: 0.8746218

00:57:36.578 --> 00:57:39.906 the care of our patients both in the

NOTE Confidence: 0.8746218

00:57:39.906 --> 00:57:42.209 outpatient and inpatient spaces.

NOTE Confidence: 0.8746218

00:57:42.210 --> 00:57:45.294 Our social workers and our mental

NOTE Confidence: 0.8746218

00:57:45.294 --> 00:57:47.854 health providers and of course,

NOTE Confidence: 0.8746218

00:57:47.860 --> 00:57:50.944 the group on this call are

NOTE Confidence: 0.8746218

00:57:50.944 --> 00:57:53.350 integrative medicine services.

NOTE Confidence: 0.8746218

00:57:53.350 --> 00:57:56.527 So I think that the term team is quite

NOTE Confidence: 0.8746218

00:57:56.527 --> 00:57:58.978 broad and there will be different

NOTE Confidence: 0.8746218

00:57:58.978 --> 00:58:01.936 members of the team in play in

NOTE Confidence: 0.8746218

00:58:01.936 --> 00:58:04.540 front and center depending on where

NOTE Confidence: 0.8746218

00:58:04.540 --> 00:58:08.410 people are in their cancer journey.

NOTE Confidence: 0.8746218

00:58:08.410 --> 00:58:11.610 But the real.

NOTE Confidence: 0.8746218

00:58:11.610 --> 00:58:13.842 Healing comes from all of us

NOTE Confidence: 0.8746218
00:58:13.842 --> 00:58:15.330 coming together with patients
NOTE Confidence: 0.8746218
00:58:15.397 --> 00:58:17.127 and families at the center.
NOTE Confidence: 0.8656858
00:58:17.760 --> 00:58:19.356 Thank you doctor Billingslea.
NOTE Confidence: 0.8656858
00:58:19.356 --> 00:58:22.940 I know it's it's almost the top of the hour.
NOTE Confidence: 0.8656858
00:58:22.940 --> 00:58:25.705 I want to thank all the panelists
NOTE Confidence: 0.8656858
00:58:25.705 --> 00:58:27.622 for sharing information as I
NOTE Confidence: 0.8656858
00:58:27.622 --> 00:58:29.596 started and said in the beginning
NOTE Confidence: 0.8656858
00:58:29.600 --> 00:58:32.560 that we hope we can keep these as
NOTE Confidence: 0.8656858
00:58:32.560 --> 00:58:34.410 frequent ways of getting together.
NOTE Confidence: 0.8656858
00:58:34.410 --> 00:58:37.370 So if you have other ideas for future,
NOTE Confidence: 0.8656858
00:58:37.370 --> 00:58:39.220 patient and family form topics,
NOTE Confidence: 0.8656858
00:58:39.220 --> 00:58:41.440 please email your questions to cancers.
NOTE Confidence: 0.8656858
00:58:41.440 --> 00:58:44.030 Answers at Yale Dot E D2 Edu.
NOTE Confidence: 0.8656858
00:58:44.030 --> 00:58:46.990 You can also follow us up on Facebook,
NOTE Confidence: 0.8656858
00:58:46.990 --> 00:58:47.899 Twitter, Instagram, YouTube.
NOTE Confidence: 0.8656858

00:58:47.899 --> 00:58:50.736 All the channels and of course for the many
NOTE Confidence: 0.8656858

00:58:50.736 --> 00:58:52.386 many questions on integrative medicine,
NOTE Confidence: 0.8656858

00:58:52.390 --> 00:58:54.790 I hope you will log on in seed
NOTE Confidence: 0.8656858

00:58:54.790 --> 00:58:55.990 all the offerings there.
NOTE Confidence: 0.8656858

00:58:55.990 --> 00:58:58.537 Stay on if you have time and I apologize
NOTE Confidence: 0.8656858

00:58:58.537 --> 00:59:01.384 if I didn't get to all of your questions.
NOTE Confidence: 0.8656858

00:59:01.390 --> 00:59:03.266 I hope we will continue to answer
NOTE Confidence: 0.8656858

00:59:03.266 --> 00:59:05.348 this and I hope you continue to
NOTE Confidence: 0.8656858

00:59:05.348 --> 00:59:07.172 come back and connect with us
NOTE Confidence: 0.8656858

00:59:07.240 --> 00:59:09.190 and share your feedback with us.
NOTE Confidence: 0.8656858

00:59:09.190 --> 00:59:10.009 As I mentioned,
NOTE Confidence: 0.8656858

00:59:10.009 --> 00:59:11.647 there's a lovely video by the
NOTE Confidence: 0.8656858

00:59:11.647 --> 00:59:12.790 Integrative Medicine Service.
NOTE Confidence: 0.8591419

00:59:16.110 --> 00:59:17.668 I had felt a small
NOTE Confidence: 0.8591419

00:59:17.670 --> 00:59:19.980 lump in my right breast and ended up
NOTE Confidence: 0.8591419

00:59:19.980 --> 00:59:22.079 finding out that I was being diagnosed

NOTE Confidence: 0.8591419

00:59:22.079 --> 00:59:24.431 with breast cancer was a stage three

NOTE Confidence: 0.8591419

00:59:24.431 --> 00:59:25.770 pretty aggressive breast cancer

NOTE Confidence: 0.8591419

00:59:25.770 --> 00:59:28.226 and the year after I retired I went

NOTE Confidence: 0.8591419

00:59:28.226 --> 00:59:30.530 for a test and a doctor said I we

NOTE Confidence: 0.8591419

00:59:30.600 --> 00:59:32.958 see something on your long weekend.

NOTE Confidence: 0.8591419

00:59:32.960 --> 00:59:34.520 It looks like ground glass.

NOTE Confidence: 0.8591419

00:59:34.520 --> 00:59:37.328 I was diagnosed as stage one at the time.

NOTE Confidence: 0.8591419

00:59:37.330 --> 00:59:40.159 It was drama.

NOTE Confidence: 0.8591419

00:59:40.160 --> 00:59:41.710 When you get that diagnosis,

NOTE Confidence: 0.8591419

00:59:41.710 --> 00:59:43.880 you really hit right between the eyes.

NOTE Confidence: 0.8591419

00:59:43.880 --> 00:59:45.740 It's very difficult at that time.

NOTE Confidence: 0.8591419

00:59:45.740 --> 00:59:46.868 I had two girls,

NOTE Confidence: 0.8591419

00:59:46.868 --> 00:59:48.964 so freshman in a senior in high

NOTE Confidence: 0.8591419

00:59:48.964 --> 00:59:51.316 school and just kind of the unknown.

NOTE Confidence: 0.8591419

00:59:51.320 --> 00:59:53.800 What comes next and where am I getting

NOTE Confidence: 0.8591419

00:59:53.800 --> 00:59:55.970 the help and what are my options?
NOTE Confidence: 0.8337314

01:00:11.430 --> 01:00:14.237 Here at Smilow we have cutting edge
NOTE Confidence: 0.8337314

01:00:14.237 --> 01:00:16.218 disease focused treatments that patients
NOTE Confidence: 0.8337314

01:00:16.218 --> 01:00:18.682 come to get cures for their cancer.
NOTE Confidence: 0.8337314

01:00:18.690 --> 01:00:20.575 The Integrative Medicine program focuses
NOTE Confidence: 0.8337314

01:00:20.575 --> 01:00:23.269 on the human side of the patient.
NOTE Confidence: 0.8337314

01:00:23.270 --> 01:00:25.895 What I see with my patients who
NOTE Confidence: 0.8337314

01:00:25.895 --> 01:00:27.700 use integrative medicine services.
NOTE Confidence: 0.8337314

01:00:27.700 --> 01:00:29.732 Is a sense of being able to reflect
NOTE Confidence: 0.8337314

01:00:29.732 --> 01:00:31.614 to be able to express themselves
NOTE Confidence: 0.8337314

01:00:31.614 --> 01:00:34.026 or be able to get physical relief
NOTE Confidence: 0.8337314

01:00:34.026 --> 01:00:36.306 from the services that are provided?
NOTE Confidence: 0.8337314

01:00:36.310 --> 01:00:37.270 One of the
NOTE Confidence: 0.8582537

01:00:37.270 --> 01:00:39.178 best ways to describe integrative medicine,
NOTE Confidence: 0.8582537

01:00:39.180 --> 01:00:41.100 especially in terms of cancer care,
NOTE Confidence: 0.8582537

01:00:41.100 --> 01:00:43.326 is if the cancer is a weed.

NOTE Confidence: 0.8582537
01:00:43.330 --> 01:00:44.602 Your oncologist is phenomenal
NOTE Confidence: 0.8582537
01:00:44.602 --> 01:00:46.192 at dealing with that read.
NOTE Confidence: 0.8582537
01:00:46.200 --> 01:00:47.800 They can focus on it.
NOTE Confidence: 0.8582537
01:00:47.800 --> 01:00:49.594 It's really our job to focus
NOTE Confidence: 0.8582537
01:00:49.594 --> 01:00:51.630 on the rest of the garden.
NOTE Confidence: 0.8582537
01:00:51.630 --> 01:00:54.214 Build the Flowers, make sure that the soil
NOTE Confidence: 0.8582537
01:00:54.214 --> 01:00:56.087 is inhospitable to the weeds anymore.
NOTE Confidence: 0.8582537
01:00:56.090 --> 01:00:58.407 I went through chemo and the surgery.
NOTE Confidence: 0.8582537
01:00:58.410 --> 01:01:00.834 And I went home and I languished for
NOTE Confidence: 0.8582537
01:01:00.834 --> 01:01:03.659 about 6 years just sitting around home,
NOTE Confidence: 0.8582537
01:01:03.660 --> 01:01:04.360 feeling whatever.
NOTE Confidence: 0.8582537
01:01:04.360 --> 01:01:06.110 Sorry for myself or whatever.
NOTE Confidence: 0.8582537
01:01:06.110 --> 01:01:07.860 And then I met the
NOTE Confidence: 0.84399515
01:01:07.860 --> 01:01:09.960 data Brewer, one of the highlights
NOTE Confidence: 0.84399515
01:01:09.960 --> 01:01:11.769 of being an integrative medicine
NOTE Confidence: 0.84399515

01:01:11.769 --> 01:01:14.505 practitioner is that I get to go upstairs,
NOTE Confidence: 0.84399515

01:01:14.510 --> 01:01:16.260 engage with patients that wouldn't
NOTE Confidence: 0.84399515

01:01:16.260 --> 01:01:17.660 normally choose integrative medicine,
NOTE Confidence: 0.84399515

01:01:17.660 --> 01:01:20.110 because maybe they are unsure of what
NOTE Confidence: 0.84399515

01:01:20.110 --> 01:01:22.910 we offer or they haven't heard of it.
NOTE Confidence: 0.84399515

01:01:22.910 --> 01:01:24.310 We do yoga classes.
NOTE Confidence: 0.84399515

01:01:24.310 --> 01:01:26.060 We have Tai chi Qigong.
NOTE Confidence: 0.84399515

01:01:26.060 --> 01:01:27.460 We have meditation classes,
NOTE Confidence: 0.84399515

01:01:27.460 --> 01:01:29.210 Zumba classes. We do huge,
NOTE Confidence: 0.84399515

01:01:29.210 --> 01:01:30.610 creative expression collaborative projects,
NOTE Confidence: 0.84399515

01:01:30.610 --> 01:01:31.310 an individual.
NOTE Confidence: 0.84399515

01:01:31.310 --> 01:01:32.710 Projects we have massage.
NOTE Confidence: 0.84399515

01:01:32.710 --> 01:01:34.845 We have Reiki and when I say
NOTE Confidence: 0.84399515

01:01:34.845 --> 01:01:36.380 there's something for everyone,
NOTE Confidence: 0.84399515

01:01:36.380 --> 01:01:38.138 there really is because at the
NOTE Confidence: 0.84399515

01:01:38.138 --> 01:01:39.722 very very least there's breathing

NOTE Confidence: 0.84399515
01:01:39.722 --> 01:01:41.154 and there's breathing exercises
NOTE Confidence: 0.84399515
01:01:41.154 --> 01:01:43.342 and there's just ways to help
NOTE Confidence: 0.84399515
01:01:43.342 --> 01:01:45.057 alleviate stress and feel better.
NOTE Confidence: 0.84399515
01:01:45.060 --> 01:01:46.610 Many of these services are
NOTE Confidence: 0.84399515
01:01:46.610 --> 01:01:48.588 offered online or through zoom or
NOTE Confidence: 0.84399515
01:01:48.588 --> 01:01:50.068 through phone based treatments.
NOTE Confidence: 0.84399515
01:01:50.070 --> 01:01:51.750 My patients love the fact that
NOTE Confidence: 0.84399515
01:01:51.750 --> 01:01:53.314 they have all these different
NOTE Confidence: 0.84399515
01:01:53.314 --> 01:01:55.219 services to choose from that's
NOTE Confidence: 0.84399515
01:01:55.219 --> 01:01:56.743 provided by the integrative
NOTE Confidence: 0.8376307
01:01:56.750 --> 01:01:59.638 team. When I met Dana she indicated the
NOTE Confidence: 0.8376307
01:01:59.638 --> 01:02:02.139 Smiler wanted to make 1000 white birds.
NOTE Confidence: 0.8376307
01:02:02.140 --> 01:02:04.210 As a as a project and if I'd like
NOTE Confidence: 0.8376307
01:02:04.210 --> 01:02:06.420 to participate, learn how to make
NOTE Confidence: 0.8376307
01:02:06.420 --> 01:02:08.130 that like jumped at the opportunity.
NOTE Confidence: 0.8376307

01:02:08.130 --> 01:02:09.535 There was a doctor from
NOTE Confidence: 0.8376307

01:02:09.535 --> 01:02:11.260 the Malaysia for as a boy.
NOTE Confidence: 0.8376307

01:02:11.260 --> 01:02:13.304 He bowfishing as he took the thousand
NOTE Confidence: 0.8376307

01:02:13.304 --> 01:02:15.297 birds and move them into a fishing
NOTE Confidence: 0.8376307

01:02:15.297 --> 01:02:17.227 net and it was displayed in the
NOTE Confidence: 0.8376307

01:02:17.227 --> 01:02:18.943 Smiler lobby for the longest time
NOTE Confidence: 0.8376307

01:02:18.943 --> 01:02:21.075 and then they took it down and cut
NOTE Confidence: 0.8376307

01:02:21.075 --> 01:02:22.992 the birds out and gave those birds
NOTE Confidence: 0.8376307

01:02:22.992 --> 01:02:25.050 to cancer patients and that now that
NOTE Confidence: 0.8376307

01:02:25.050 --> 01:02:27.470 I think about it that was really the
NOTE Confidence: 0.8376307

01:02:27.470 --> 01:02:29.324 emphasis for me wanting to do it.
NOTE Confidence: 0.8376307

01:02:29.324 --> 01:02:31.162 It's kind of like set planted the
NOTE Confidence: 0.8376307

01:02:31.162 --> 01:02:32.832 seed sometimes it's just simply
NOTE Confidence: 0.8376307

01:02:32.832 --> 01:02:34.168 about experiencing joy again.
NOTE Confidence: 0.8376307

01:02:34.170 --> 01:02:35.755 Because they've become so used
NOTE Confidence: 0.8376307

01:02:35.755 --> 01:02:37.340 to this pattern of chemotherapy,

NOTE Confidence: 0.8376307

01:02:37.340 --> 01:02:38.524 feeling ill, feeling sick.

NOTE Confidence: 0.8376307

01:02:38.524 --> 01:02:40.719 But if you can give them these

NOTE Confidence: 0.8376307

01:02:40.719 --> 01:02:42.843 Nuggets of happiness then you can

NOTE Confidence: 0.8376307

01:02:42.843 --> 01:02:44.539 really transform their journey in

NOTE Confidence: 0.8376307

01:02:44.539 --> 01:02:46.527 who they are and who they become.

NOTE Confidence: 0.8376307

01:02:46.530 --> 01:02:48.432 And so everybody is always seeking

NOTE Confidence: 0.8376307

01:02:48.432 --> 01:02:49.383 to be happy.

NOTE Confidence: 0.8376307

01:02:49.390 --> 01:02:51.609 Once you get the weight of cancer

NOTE Confidence: 0.8376307

01:02:51.609 --> 01:02:52.560 on your back,

NOTE Confidence: 0.8376307

01:02:52.560 --> 01:02:54.779 it's so much more challenging to go

NOTE Confidence: 0.8376307

01:02:54.779 --> 01:02:56.998 into that place, but that's you know,

NOTE Confidence: 0.8376307

01:02:56.998 --> 01:02:58.900 that's the strength of integrative medicine.

NOTE Confidence: 0.8376307

01:02:58.900 --> 01:03:00.712 If we give the patients those

NOTE Confidence: 0.8376307

01:03:00.712 --> 01:03:03.019 tools to get back into that place,

NOTE Confidence: 0.8376307

01:03:03.020 --> 01:03:04.088 the support really.

NOTE Confidence: 0.8376307

01:03:04.088 --> 01:03:05.156 Raised me up,
NOTE Confidence: 0.8376307

01:03:05.160 --> 01:03:07.330 it gave me so much strength to
NOTE Confidence: 0.8376307

01:03:07.330 --> 01:03:09.069 clearly battle both for physical
NOTE Confidence: 0.8376307

01:03:09.070 --> 01:03:10.971 pain but just my emotional well
NOTE Confidence: 0.8376307

01:03:10.971 --> 01:03:13.538 being as much as I wasn't a yoga
NOTE Confidence: 0.8376307

01:03:13.538 --> 01:03:15.590 person and maybe still am not.
NOTE Confidence: 0.8376307

01:03:15.590 --> 01:03:17.546 I looked forward to going there.
NOTE Confidence: 0.8376307

01:03:17.550 --> 01:03:19.500 I look forward to the conversations
NOTE Confidence: 0.8376307

01:03:19.500 --> 01:03:20.475 that were held.
NOTE Confidence: 0.8376307

01:03:20.480 --> 01:03:22.432 I looked forward to the praise
NOTE Confidence: 0.8376307

01:03:22.432 --> 01:03:24.390 that was given for small little
NOTE Confidence: 0.8376307

01:03:24.390 --> 01:03:26.020 gains from week to week.
NOTE Confidence: 0.8376307

01:03:26.020 --> 01:03:28.236 I just looked forward to the comfort.
NOTE Confidence: 0.8376307

01:03:28.236 --> 01:03:30.910 Really that a lot of the programs provided
NOTE Confidence: 0.85847026

01:03:30.910 --> 01:03:32.530 me. Integrative Medicine is another
NOTE Confidence: 0.85847026

01:03:32.530 --> 01:03:34.150 layer of support for patients

NOTE Confidence: 0.85847026

01:03:34.203 --> 01:03:35.948 going through treatment and beyond.

NOTE Confidence: 0.85847026

01:03:35.950 --> 01:03:38.422 To help them achieve that hope and optimism

NOTE Confidence: 0.85847026

01:03:38.422 --> 01:03:41.010 and that connected feeling that they need

NOTE Confidence: 0.8190668

01:03:41.010 --> 01:03:43.026 when I walk into the room,

NOTE Confidence: 0.8190668

01:03:43.030 --> 01:03:45.389 I'll say hello, my name is Dessie.

NOTE Confidence: 0.8190668

01:03:45.390 --> 01:03:47.402 I'm volunteer here another

NOTE Confidence: 0.8190668

01:03:47.402 --> 01:03:49.414 13 year cancer survivor.

NOTE Confidence: 0.8190668

01:03:49.420 --> 01:03:50.624 During my time here,

NOTE Confidence: 0.8190668

01:03:50.624 --> 01:03:52.800 I learned how to make origami birds

NOTE Confidence: 0.8190668

01:03:52.800 --> 01:03:54.949 and today I make them for cancer

NOTE Confidence: 0.8190668

01:03:54.949 --> 01:03:56.709 patients and other nice people.

NOTE Confidence: 0.8190668

01:03:56.710 --> 01:03:58.606 Will you accept this for me?

NOTE Confidence: 0.8190668

01:03:58.610 --> 01:04:00.927 I couldn't give away fast enough because

NOTE Confidence: 0.8190668

01:04:00.927 --> 01:04:03.165 I would get this shot of dopamine

NOTE Confidence: 0.8190668

01:04:03.165 --> 01:04:05.929 in my brain and I walked out of the

NOTE Confidence: 0.8190668

01:04:05.929 --> 01:04:08.113 hospital like 6 inches off the ground.
NOTE Confidence: 0.8190668

01:04:08.120 --> 01:04:10.026 I think I gave 2000 birds
NOTE Confidence: 0.8190668

01:04:10.026 --> 01:04:11.606 away in 2818 and 19.
NOTE Confidence: 0.8190668

01:04:11.610 --> 01:04:12.878 I'm reminded daily that
NOTE Confidence: 0.8190668

01:04:12.878 --> 01:04:14.146 I'm a cancer survivor,
NOTE Confidence: 0.8190668

01:04:14.150 --> 01:04:16.481 but I find that I am incredibly
NOTE Confidence: 0.8190668

01:04:16.481 --> 01:04:18.745 resilient and and I believe that I
NOTE Confidence: 0.8190668

01:04:18.745 --> 01:04:21.220 am due to the strength that I gained.
NOTE Confidence: 0.8190668

01:04:21.220 --> 01:04:22.880 From those people that I
NOTE Confidence: 0.8190668

01:04:22.880 --> 01:04:24.208 met along the journey,
NOTE Confidence: 0.8190668

01:04:24.210 --> 01:04:26.818 I was fortunate enough to have a great
NOTE Confidence: 0.8190668

01:04:26.818 --> 01:04:28.852 support system already in place with
NOTE Confidence: 0.8190668

01:04:28.852 --> 01:04:31.166 my family and friends in my community.
NOTE Confidence: 0.8190668

01:04:31.166 --> 01:04:33.551 But I think I gained more strength
NOTE Confidence: 0.8190668

01:04:33.551 --> 01:04:35.603 as well from the doctors and
NOTE Confidence: 0.8190668

01:04:35.603 --> 01:04:37.489 nurses and the staff in the

NOTE Confidence: 0.8190668

01:04:37.490 --> 01:04:38.480 Integrative Medicine Department

NOTE Confidence: 0.8190668

01:04:38.480 --> 01:04:40.720 and just the people that I've met

NOTE Confidence: 0.8190668

01:04:40.720 --> 01:04:42.080 through becoming involved with

NOTE Confidence: 0.8190668

01:04:42.080 --> 01:04:43.795 the looking forward fashion show.

NOTE Confidence: 0.8190668

01:04:43.800 --> 01:04:46.117 It continues to show me the importance

NOTE Confidence: 0.883337

01:04:46.120 --> 01:04:48.206 of the program and in giving back

NOTE Confidence: 0.883337

01:04:48.206 --> 01:04:50.002 every dollar that's donated ends

NOTE Confidence: 0.883337

01:04:50.002 --> 01:04:51.690 up affecting countless patients.

NOTE Confidence: 0.883337

01:04:51.690 --> 01:04:53.225 Providers and family members that

NOTE Confidence: 0.883337

01:04:53.225 --> 01:04:55.170 we can't even imagine we're growing

NOTE Confidence: 0.87694067

01:04:55.170 --> 01:04:57.375 and developing program and we need support.

NOTE Confidence: 0.87694067

01:04:57.380 --> 01:04:59.270 We need help to create that.

NOTE Confidence: 0.87694067

01:04:59.270 --> 01:05:01.870 We really do rely on the support of

NOTE Confidence: 0.87694067

01:05:01.870 --> 01:05:04.329 people to help us grow and help us

NOTE Confidence: 0.87694067

01:05:04.330 --> 01:05:05.590 thrive. He started with

NOTE Confidence: 0.87694067

01:05:05.590 --> 01:05:06.535 the integrated services,
NOTE Confidence: 0.87694067

01:05:06.540 --> 01:05:08.745 you know he just changed like that.
NOTE Confidence: 0.87694067

01:05:08.750 --> 01:05:10.890 He was the old Desi. You know,
NOTE Confidence: 0.87694067

01:05:10.890 --> 01:05:12.570 very positive and very often without
NOTE Confidence: 0.87694067

01:05:12.570 --> 01:05:14.130 the creative expressions program.
NOTE Confidence: 0.87694067

01:05:14.130 --> 01:05:15.954 I think he would not have
NOTE Confidence: 0.87694067

01:05:15.954 --> 01:05:17.919 been the man he is today.
NOTE Confidence: 0.87694067

01:05:17.920 --> 01:05:18.850 I really don't.
NOTE Confidence: 0.87694067

01:05:18.850 --> 01:05:21.736 I think he would have went into a deep
NOTE Confidence: 0.87694067

01:05:21.736 --> 01:05:24.010 depression but it was a godsend. Now
NOTE Confidence: 0.85135835

01:05:24.010 --> 01:05:26.738 what good is treating them on physical level?
NOTE Confidence: 0.85135835

01:05:26.740 --> 01:05:28.445 If you leave the emotional
NOTE Confidence: 0.85135835

01:05:28.445 --> 01:05:29.809 and spiritual level untouched,
NOTE Confidence: 0.85135835

01:05:29.810 --> 01:05:32.064 this is this touches that this gives
NOTE Confidence: 0.85135835

01:05:32.064 --> 01:05:34.578 us a chance to to heal completely.
