00:00:00.000 --> 00:00:02.865 Hello I'm doctor Maryam Lustberg,

NOTE Confidence: 0.93121696

 $00{:}00{:}02.865 \dashrightarrow 00{:}00{:}06.277$ chief of Breast medical oncology and

NOTE Confidence: 0.93121696

 $00:00:06.277 \dashrightarrow 00:00:09.469$ director of the Breast Center at Yale.

NOTE Confidence: 0.93121696

 $00:00:09.470 \longrightarrow 00:00:12.935$ I treat all types of breast cancer.

NOTE Confidence: 0.93121696

00:00:12.940 --> 00:00:14.920 My practice is very,

NOTE Confidence: 0.93121696

00:00:14.920 --> 00:00:16.900 very much patient centered.

NOTE Confidence: 0.93121696

 $00:00:16.900 \longrightarrow 00:00:20.200$ I believe the patient physician relationship

NOTE Confidence: 0.93121696

 $00:00:20.200 \dashrightarrow 00:00:24.209$ is a partnership and and I want to

NOTE Confidence: 0.93121696

 $00{:}00{:}24.209 \dashrightarrow 00{:}00{:}26.795$ assure my patients that their values,

NOTE Confidence: 0.93121696

 $00:00:26.800 \longrightarrow 00:00:31.480$ goals and wishes are are my top priority.

NOTE Confidence: 0.93121696

 $00:00:31.480 \dashrightarrow 00:00:34.256$ Patients need to feel safe to ask questions.

NOTE Confidence: 0.93121696

 $00:00:34.260 \longrightarrow 00:00:35.990$ If something is not clear,

NOTE Confidence: 0.93121696

 $00:00:35.990 \longrightarrow 00:00:38.066$ no one patient is the same.

NOTE Confidence: 0.93121696

00:00:38.070 --> 00:00:40.373 So uhm, you know what might work

NOTE Confidence: 0.93121696

 $00{:}00{:}40.373 \dashrightarrow 00{:}00{:}42.927$ for one may not work for others.

NOTE Confidence: 0.93121696

00:00:42.930 --> 00:00:45.378 So so really taking the moment

NOTE Confidence: 0.93121696

 $00:00:45.378 \longrightarrow 00:00:47.969$ to slow down and listen to.

NOTE Confidence: 0.93121696

 $00:00:47.970 \longrightarrow 00:00:49.158$ Questions and wishes.

NOTE Confidence: 0.93121696

 $00:00:49.158 \longrightarrow 00:00:51.534$ I think that that's number one.

NOTE Confidence: 0.93121696

 $00:00:51.540 \longrightarrow 00:00:54.990$ Come to to to to to really make a difference

NOTE Confidence: 0.93121696

 $00:00:55.076 \longrightarrow 00:00:58.136$ in personalizing these treatment plans.

NOTE Confidence: 0.93121696

 $00:00:58.140 \longrightarrow 00:01:00.365$ Due to advances in clinical

NOTE Confidence: 0.93121696

00:01:00.365 --> 00:01:03.159 trials we we surely have better

NOTE Confidence: 0.93121696

 $00{:}01{:}03.159 \dashrightarrow 00{:}01{:}06.033$ treatments over the last five years

NOTE Confidence: 0.93121696

 $00:01:06.033 \longrightarrow 00:01:09.019$ for all types of breast cancer,

NOTE Confidence: 0.93121696

 $00:01:09.020 \longrightarrow 00:01:13.277$ but we also have a long ways to go.

NOTE Confidence: 0.93121696

 $00{:}01{:}13.280 \dashrightarrow 00{:}01{:}15.284$ There's continued initiatives to

NOTE Confidence: 0.93121696

00:01:15.284 --> 00:01:17.789 focus on on targeting different

NOTE Confidence: 0.93121696

 $00:01:17.789 \longrightarrow 00:01:20.726$ types of breast cancers and really

NOTE Confidence: 0.93121696

 $00:01:20.726 \longrightarrow 00:01:22.614$ having better tailored treatments

NOTE Confidence: 0.93121696

00:01:22.614 --> 00:01:25.096 for each type of breast cancer.

NOTE Confidence: 0.93121696

 $00:01:25.100 \longrightarrow 00:01:27.040$ Another another advance has

NOTE Confidence: 0.93121696

00:01:27.040 --> 00:01:28.495 been greater engagement.

NOTE Confidence: 0.93121696

 $00:01:28.500 \longrightarrow 00:01:32.082$ With our with our patient partners

NOTE Confidence: 0.93121696

 $00{:}01{:}32.082 \dashrightarrow 00{:}01{:}34.993$ so greater advocacy efforts have

NOTE Confidence: 0.93121696

 $00{:}01{:}34.993 \dashrightarrow 00{:}01{:}38.377$ really led the way to to make sure

NOTE Confidence: 0.93121696

 $00{:}01{:}38.377 \dashrightarrow 00{:}01{:}41.215$ that the way we deliver Breast

NOTE Confidence: 0.93121696

00:01:41.215 --> 00:01:44.030 Cancer Care is truly a partnership.
