NOTE duration:"00:05:31"

NOTE recognizability:0.835

NOTE language:en-us

NOTE Confidence: 0.63403795

00:00:00.000 --> 00:00:04.278 Yale Pediatrics has.

NOTE Confidence: 0.63403795

00:00:04.280 --> 00:00:08.440 Combined cutting edge science

NOTE Confidence: 0.63403795

00:00:08.440 --> 00:00:10.514 technology, clinical care,

NOTE Confidence: 0.63403795

00:00:10.514 --> 00:00:13.099 education and research and blended

NOTE Confidence: 0.63403795

00:00:13.099 --> 00:00:16.759 it with a sense of collaboration,

NOTE Confidence: 0.63403795

00:00:16.760 --> 00:00:18.584 collegiality and a feeling

NOTE Confidence: 0.63403795

00:00:18.584 --> 00:00:21.320 that we're part of a family.

NOTE Confidence: 0.419050915

00:00:24.690 --> 00:00:27.908 In every decade of this century of time,

NOTE Confidence: 0.8296883583333333

00:00:27.910 --> 00:00:31.036 we can see clear progress on

NOTE Confidence: 0.8296883583333333

00:00:31.040 --> 00:00:32.216 Children's Health, right,

NOTE Confidence: 0.8296883583333333

00:00:32.216 --> 00:00:34.176 whether it started with hand

NOTE Confidence: 0.8296883583333333

00:00:34.176 --> 00:00:35.849 washing to vaccinations and

NOTE Confidence: 0.8296883583333333

00:00:35.849 --> 00:00:37.497 now to genomic medicine.

NOTE Confidence: 0.799823293846154

00:00:37.610 --> 00:00:39.482 You have really high and eared
NOTE Confidence: 0.799823293846154

00:00:39.482 --> 00:00:41.950 research in how to care for children.
NOTE Confidence: 0.799823293846154

00:00:41.950 --> 00:00:43.858 Better the first neonatal intensive care
NOTE Confidence: 0.799823293846154

00:00:43.858 --> 00:00:46.368 unit developed in the world was here at Yale.
NOTE Confidence: 0.799823293846154

00:00:46.370 --> 00:00:47.906 New Haven Children's Hospital
NOTE Confidence: 0.799823293846154

00:00:47.906 --> 00:00:50.626 developing the insulin pump for a sweat
NOTE Confidence: 0.799823293846154

00:00:50.626 --> 00:00:53.062 test was developed here at Yale for
NOTE Confidence: 0.799823293846154

00:00:53.062 --> 00:00:54.978 early diagnosis of cystic fibrosis.
NOTE Confidence: 0.799823293846154

00:00:54.980 --> 00:00:57.560 And we have just recently installed
NOTE Confidence: 0.799823293846154

00:00:57.560 --> 00:01:00.135 the first neonatal brain MRI machine
NOTE Confidence: 0.799823293846154

00:01:00.135 --> 00:01:02.865 in an academic center in the country.
NOTE Confidence: 0.921273225

00:01:02.900 --> 00:01:04.468 I don't know what to predict for
NOTE Confidence: 0.921273225

00:01:04.468 --> 00:01:06.228 the next century, but I think it'll
NOTE Confidence: 0.921273225

00:01:06.228 --> 00:01:08.428 be very exciting and it's fun to be
NOTE Confidence: 0.921273225

00:01:08.428 --> 00:01:10.185 a part of that kind of discovery.
NOTE Confidence: 0.730453755266667

00:01:10.480 --> 00:01:13.336 To find that we are celebrating our

NOTE Confidence: 0.730453755266667
00:01:13.336 --> 00:01:16.720 hundredth year in the midst of this pandemic.
NOTE Confidence: 0.730453755266667
00:01:16.720 --> 00:01:19.018 Really teaches how something that we
NOTE Confidence: 0.730453755266667
00:01:19.018 --> 00:01:21.954 have to have an extraordinary next 100
NOTE Confidence: 0.730453755266667
00:01:21.954 --> 00:01:25.048 years and that's what we are starting
NOTE Confidence: 0.730453755266667
00:01:25.127 --> 00:01:28.015 to see and that we are well suited
NOTE Confidence: 0.730453755266667
00:01:28.015 --> 00:01:31.208 because you're Pediatrics. Has done this.
NOTE Confidence: 0.892721775
00:01:34.530 --> 00:01:36.390 I came to Yale to do my training.
NOTE Confidence: 0.892721775
00:01:36.390 --> 00:01:40.190 I found that Yale had this perfect setup
NOTE Confidence: 0.892721775
00:01:40.190 --> 00:01:43.900 of really amazing clinicians, phenomenal
NOTE Confidence: 0.909910091428571
00:01:43.910 --> 00:01:46.248 research being done, but in a size
NOTE Confidence: 0.909910091428571
00:01:46.248 --> 00:01:48.428 that allowed for a feel of family.
NOTE Confidence: 0.909910091428571
00:01:48.430 --> 00:01:50.959 I think each one of us in the Department
NOTE Confidence: 0.909910091428571
00:01:50.959 --> 00:01:53.790 of Pediatrics does what we do best.
NOTE Confidence: 0.909910091428571
00:01:53.790 --> 00:01:55.523 We do what we're passionate about,
NOTE Confidence: 0.909910091428571
00:01:55.523 --> 00:01:58.356 and when you seek your passions, then you
NOTE Confidence: 0.923026385

00:01:58.370 --> 00:02:00.310 really excel and and you
NOTE Confidence: 0.923026385

00:02:00.310 --> 00:02:02.250 come up with that innovation.
NOTE Confidence: 0.783537139473684

00:02:03.800 --> 00:02:05.216 I'm here 52 years,
NOTE Confidence: 0.783537139473684

00:02:05.216 --> 00:02:07.859 but what I think is unique about
NOTE Confidence: 0.783537139473684

00:02:07.859 --> 00:02:10.918 it is its position within a very
NOTE Confidence: 0.783537139473684

00:02:10.918 --> 00:02:12.680 interactive university environment.
NOTE Confidence: 0.783537139473684

00:02:12.680 --> 00:02:15.320 So it's Yale University,
NOTE Confidence: 0.783537139473684

00:02:15.320 --> 00:02:16.415 Yale Medical School,
NOTE Confidence: 0.783537139473684

00:02:16.415 --> 00:02:17.875 Yale New Haven hospital.
NOTE Confidence: 0.719300644

00:02:17.890 --> 00:02:20.460 Many of us are both taking care
NOTE Confidence: 0.719300644

00:02:20.460 --> 00:02:22.956 of patients as well as studying
NOTE Confidence: 0.719300644

00:02:22.956 --> 00:02:25.400 what causes disease in children,
NOTE Confidence: 0.719300644

00:02:25.400 --> 00:02:26.900 and that relationship really makes
NOTE Confidence: 0.848529988333333

00:02:26.910 --> 00:02:29.514 us unique. We work together ARM and
NOTE Confidence: 0.848529988333333

00:02:29.514 --> 00:02:32.179 ARM with our nursing colleagues,
NOTE Confidence: 0.848529988333333

00:02:32.180 --> 00:02:33.880 our therapists, our pharmacists.

NOTE Confidence: 0.848529988333333
00:02:33.880 --> 00:02:36.866 To bring it to the bedside in
NOTE Confidence: 0.848529988333333
00:02:36.866 --> 00:02:39.026 our hospital and in our clinics.
NOTE Confidence: 0.825151215
00:02:42.640 --> 00:02:44.596 The thing that is so incredibly
NOTE Confidence: 0.825151215
00:02:44.596 --> 00:02:46.870 special about this place is just
NOTE Confidence: 0.908456681428572
00:02:46.944 --> 00:02:49.324 the marriage between this history of
NOTE Confidence: 0.908456681428572
00:02:49.324 --> 00:02:51.196 sort of academic success and being
NOTE Confidence: 0.908456681428572
00:02:51.196 --> 00:02:53.784 at the forefront of all kinds of
NOTE Confidence: 0.908456681428572
00:02:53.784 --> 00:02:55.679 pediatric research and clinical care.
NOTE Confidence: 0.908456681428572
00:02:55.680 --> 00:02:56.985 Really mixed with this feeling
NOTE Confidence: 0.908456681428572
00:02:56.985 --> 00:02:58.290 of community and family and
NOTE Confidence: 0.908456681428572
00:02:58.342 --> 00:02:59.830 being connected to New Haven and
NOTE Confidence: 0.908456681428572
00:02:59.830 --> 00:03:01.230 being connected to one another.
NOTE Confidence: 0.818323378
00:03:01.240 --> 00:03:03.640 We have community physicians who,
NOTE Confidence: 0.818323378
00:03:03.640 --> 00:03:05.290 unlike anywhere else in the country,
NOTE Confidence: 0.818323378
00:03:05.290 --> 00:03:08.026 round on their patients and care for their
NOTE Confidence: 0.818323378

00:03:08.026 --> 00:03:09.895 inpatients and faculty and community

NOTE Confidence: 0.818323378

00:03:09.895 --> 00:03:13.168 are in the primary care centers are.

NOTE Confidence: 0.818323378

00:03:13.170 --> 00:03:15.175 Traveling out to deliver care

NOTE Confidence: 0.818323378

00:03:15.175 --> 00:03:17.180 in unique and innovative ways.

NOTE Confidence: 0.910902648

00:03:17.190 --> 00:03:20.358 I love the fact that we have a true

NOTE Confidence: 0.910902648

00:03:20.358 --> 00:03:22.666 commitment to being the pediatricians

NOTE Confidence: 0.910902648

00:03:22.666 --> 00:03:26.139 in the state of Connecticut that we

NOTE Confidence: 0.910902648

00:03:26.139 --> 00:03:28.869 have a Community commitment not only

NOTE Confidence: 0.910902648

00:03:28.869 --> 00:03:32.150 to patient care but also for advocacy.

NOTE Confidence: 0.910902648

00:03:32.150 --> 00:03:34.778 Policy and then in our research.

NOTE Confidence: 0.833284619285714

00:03:37.440 --> 00:03:39.260 You can't really provide great

NOTE Confidence: 0.833284619285714

00:03:39.260 --> 00:03:41.080 clinical service if you don't

NOTE Confidence: 0.833284619285714

00:03:41.142 --> 00:03:42.718 really know your patients.

NOTE Confidence: 0.833284619285714

00:03:42.720 --> 00:03:45.285 The care of the patient is not just writing

NOTE Confidence: 0.833284619285714

00:03:45.285 --> 00:03:47.738 a prescription or giving a vaccine.

NOTE Confidence: 0.833284619285714

00:03:47.740 --> 00:03:49.845 You need to understand the

NOTE Confidence: 0.833284619285714
00:03:49.845 --> 00:03:51.529 social determinants of health.
NOTE Confidence: 0.824159754615384
00:03:51.580 --> 00:03:53.970 We all have a responsibility
NOTE Confidence: 0.824159754615384
00:03:53.970 --> 00:03:56.942 to be as inclusive as we
NOTE Confidence: 0.824159754615384
00:03:56.942 --> 00:03:59.042 possibly can to everyone.
NOTE Confidence: 0.824159754615384
00:03:59.042 --> 00:04:01.897 All members of our community,
NOTE Confidence: 0.824159754615384
00:04:01.900 --> 00:04:04.280 all members of our department,
NOTE Confidence: 0.824159754615384
00:04:04.280 --> 00:04:06.639 and all of us who come from
NOTE Confidence: 0.824159754615384
00:04:06.639 --> 00:04:08.100 different walks of life.
NOTE Confidence: 0.824159754615384
00:04:08.100 --> 00:04:09.549 With different backgrounds,
NOTE Confidence: 0.863092155
00:04:09.670 --> 00:04:13.884 we actively work to promote the careers
NOTE Confidence: 0.863092155
00:04:13.884 --> 00:04:16.178 of women and underrepresented medicine
NOTE Confidence: 0.863092155
00:04:16.178 --> 00:04:18.710 minorities because we need their voice.
NOTE Confidence: 0.863092155
00:04:18.710 --> 00:04:21.909 I'm really proud of our residency program,
NOTE Confidence: 0.863092155
00:04:21.910 --> 00:04:25.396 who this past year was majority
NOTE Confidence: 0.863092155
00:04:25.396 --> 00:04:28.150 minority and we that was really due to
NOTE Confidence: 0.863092155

00:04:28.150 --> 00:04:30.045 intentional efforts and outreach to bring

NOTE Confidence: 0.863092155

00:04:30.045 --> 00:04:32.260 in a diverse class and to support it.

NOTE Confidence: 0.872272224285714

00:04:34.860 --> 00:04:37.716 The role of the pediatrician is evolving.

NOTE Confidence: 0.872272224285714

00:04:37.720 --> 00:04:39.864 Now you can be a pediatrician and you

NOTE Confidence: 0.872272224285714

00:04:39.864 --> 00:04:42.267 can be cutting edge and innovative by

NOTE Confidence: 0.872272224285714

00:04:42.267 --> 00:04:44.847 working on policy by working on advocacy

NOTE Confidence: 0.872272224285714

00:04:44.847 --> 00:04:46.995 by being involved in the community.

NOTE Confidence: 0.927483350333333

00:04:47.040 --> 00:04:48.832 I have never known a place where you

NOTE Confidence: 0.927483350333333

00:04:48.832 --> 00:04:50.969 can sort of show up to work and be

NOTE Confidence: 0.927483350333333

00:04:50.969 --> 00:04:52.676 really your authentic self while still

NOTE Confidence: 0.927483350333333

00:04:52.676 --> 00:04:54.584 really having a strong commitment to

NOTE Confidence: 0.927483350333333

00:04:54.584 --> 00:04:56.134 furthering the field of Pediatrics

NOTE Confidence: 0.927483350333333

00:04:56.134 --> 00:04:57.664 and any number of specialties.

NOTE Confidence: 0.927483350333333

00:04:57.670 --> 00:05:00.532 I just love that sort of mix of joyfulness

NOTE Confidence: 0.927483350333333

00:05:00.532 --> 00:05:03.280 and curiosity with the academic rigor,

NOTE Confidence: 0.927483350333333

00:05:03.280 --> 00:05:04.400 and I think that's something

NOTE Confidence: 0.927483350333333

00:05:04.400 --> 00:05:05.520 that's pretty special to LP.

NOTE Confidence: 0.81930644125

00:05:07.910 --> 00:05:11.690 We are excited this opportunity of

NOTE Confidence: 0.81930644125

00:05:11.690 --> 00:05:14.700 really defining child care for the next

NOTE Confidence: 0.81930644125

00:05:14.700 --> 00:05:17.908 100 years and we are more than able

NOTE Confidence: 0.81930644125

00:05:17.908 --> 00:05:20.662 because of our history of resilience.

NOTE Confidence: 0.81930644125

00:05:20.670 --> 00:05:23.292 Because of our history of innovation

NOTE Confidence: 0.81930644125

00:05:23.292 --> 00:05:25.040 and asking relevant questions.
