NOTE duration:"00:07:13" NOTE recognizability:0.829

NOTE language:en-us

NOTE Confidence: 0.6671809

 $00:00:05.630 \longrightarrow 00:00:06.938$ The research here was where

NOTE Confidence: 0.959736202

 $00:00:06.950 \longrightarrow 00:00:07.980$ I wanted to be. There

NOTE Confidence: 0.813461775

 $00:00:07.990 \longrightarrow 00:00:09.498$ were great mentors here

NOTE Confidence: 0.75892547555556

 $00:00:09.570 \longrightarrow 00:00:11.898$ for me. Who's someone on the

NOTE Confidence: 0.75892547555556

00:00:11.898 --> 00:00:13.062 physician scientist track?

NOTE Confidence: 0.75892547555556

 $00{:}00{:}13.070 \dashrightarrow 00{:}00{:}14.900$ The opportunities are really endless.

NOTE Confidence: 0.874357140769231

00:00:14.970 --> 00:00:16.530 Not only am I able to take advantage

NOTE Confidence: 0.874357140769231

 $00:00:16.530 \longrightarrow 00:00:18.288$ of all these learning opportunities,

NOTE Confidence: 0.874357140769231

 $00:00:18.290 \longrightarrow 00:00:20.438$ but also that I have the

NOTE Confidence: 0.712919383

00:00:20.450 --> 00:00:22.680 support to pursue what what

NOTE Confidence: 0.96313426

00:00:22.690 --> 00:00:23.680 I really want to do.

NOTE Confidence: 0.82839293

 $00{:}00{:}26.740 \dashrightarrow 00{:}00{:}27.659$ I think there's many reasons

NOTE Confidence: 0.82839293

00:00:27.659 --> 00:00:29.290 people would want to come to Yale.

 $00:00:29.290 \longrightarrow 00:00:31.355$ There's many things that draw people here

NOTE Confidence: 0.791533263333333

 $00:00:31.355 \longrightarrow 00:00:33.697$ and that make our fellows very hay here,

NOTE Confidence: 0.791533263333333

 $00:00:33.700 \longrightarrow 00:00:36.586$ you know, we're an academic program

NOTE Confidence: 0.791533263333333

 $00{:}00{:}36.586 \dashrightarrow 00{:}00{:}38.510$ that really emphasizes individual

NOTE Confidence: 0.791533263333333

 $00:00:38.587 \longrightarrow 00:00:40.959$ career development and mentorship.

NOTE Confidence: 0.791533263333333

00:00:40.960 --> 00:00:43.880 We offer outstanding clinical training,

NOTE Confidence: 0.791533263333333

 $00:00:43.880 \longrightarrow 00:00:46.136$ a ton of of research opportunities

NOTE Confidence: 0.791533263333333

00:00:46.136 --> 00:00:48.500 all across the the university.

NOTE Confidence: 0.791533263333333

00:00:48.500 --> 00:00:49.226 But most importantly,

NOTE Confidence: 0.791533263333333

00:00:49.226 --> 00:00:50.920 you know we're a program that really,

NOTE Confidence: 0.791533263333333

 $00{:}00{:}50.920 \dashrightarrow 00{:}00{:}52.588$ really takes care of its fellows

NOTE Confidence: 0.791533263333333

 $00:00:52.588 \longrightarrow 00:00:54.247$ at the individual level in in

NOTE Confidence: 0.791533263333333

 $00:00:54.247 \longrightarrow 00:00:55.487$ whatever way that means that.

NOTE Confidence: 0.791533263333333

 $00:00:55.490 \longrightarrow 00:00:55.990$ Each person.

NOTE Confidence: 0.93744298

 $00:00:56.640 \longrightarrow 00:00:58.390$ This is the first time

NOTE Confidence: 0.93744298

 $00:00:58.390 \longrightarrow 00:01:00.650$ for a lot of people that.

 $00:01:00.650 \longrightarrow 00:01:03.060$ That you're really thinking about

NOTE Confidence: 0.93744298

 $00:01:03.060 \longrightarrow 00:01:06.110$ your future forever in your career.

NOTE Confidence: 0.93744298

 $00:01:06.110 \longrightarrow 00:01:07.244$ You know, through all the steps

NOTE Confidence: 0.93744298

00:01:07.244 --> 00:01:08.499 that we go through in training,

NOTE Confidence: 0.93744298

 $00:01:08.500 \longrightarrow 00:01:09.256$ and there are a lot of them.

NOTE Confidence: 0.93744298

00:01:09.260 --> 00:01:10.769 Obviously, there's you're

NOTE Confidence: 0.93744298

00:01:10.769 --> 00:01:13.284 thinking about the next step,

NOTE Confidence: 0.93744298

 $00:01:13.290 \longrightarrow 00:01:15.930$ but this is different after this.

NOTE Confidence: 0.93744298

00:01:15.930 --> 00:01:17.729 This is the last step before you're

NOTE Confidence: 0.93744298

00:01:17.729 --> 00:01:19.130 doing what you're going to do,

NOTE Confidence: 0.93744298

00:01:19.130 --> 00:01:20.887 potentially for the rest of your career,

NOTE Confidence: 0.93744298

 $00:01:20.890 \longrightarrow 00:01:22.618$ so it's vital that you have all the

NOTE Confidence: 0.93744298

 $00{:}01{:}22.618 \dashrightarrow 00{:}01{:}24.315$ resources you need because you may not

NOTE Confidence: 0.93744298

00:01:24.315 --> 00:01:25.839 know exactly what you're going to do,

NOTE Confidence: 0.93744298

00:01:25.840 --> 00:01:27.140 or if you do know what you're going to do,

 $00:01:27.140 \longrightarrow 00:01:29.079$ you have to make sure that those

NOTE Confidence: 0.93744298

 $00{:}01{:}29.079 \dashrightarrow 00{:}01{:}31.298$ resources are there and and that's should

NOTE Confidence: 0.93744298

 $00:01:31.298 \longrightarrow 00:01:32.958$ be whatever you're thinking about.

NOTE Confidence: 0.93744298

 $00:01:32.960 \longrightarrow 00:01:34.759$ An applicant and I think Yale has

NOTE Confidence: 0.93744298

 $00:01:34.759 \longrightarrow 00:01:36.947$ just a ton to offer for almost

NOTE Confidence: 0.93744298

 $00{:}01{:}36.947 \dashrightarrow 00{:}01{:}38.637$ anything that anyone could want.

NOTE Confidence: 0.8576297825

 $00{:}01{:}39.510 \dashrightarrow 00{:}01{:}41.214$ I came into fellowship not knowing

NOTE Confidence: 0.8576297825

 $00:01:41.214 \longrightarrow 00:01:42.709$ exactly what I wanted to do,

NOTE Confidence: 0.8576297825

00:01:42.710 --> 00:01:45.090 and I'd say absolutely every

NOTE Confidence: 0.8576297825

 $00:01:45.090 \longrightarrow 00:01:48.026$ opportunity was open to me and

NOTE Confidence: 0.8576297825

 $00:01:48.026 \longrightarrow 00:01:50.806$ everybody was invested and interested

NOTE Confidence: 0.8576297825

00:01:50.806 --> 00:01:53.870 in helping me find my path,

NOTE Confidence: 0.8576297825

 $00:01:53.870 \longrightarrow 00:01:56.558$ and that was easy to do because

NOTE Confidence: 0.8576297825

 $00:01:56.558 \longrightarrow 00:01:58.292$ the dedication to teaching

NOTE Confidence: 0.8576297825

 $00:01:58.292 \longrightarrow 00:02:00.296$ is really really strong

NOTE Confidence: 0.79131771875

 $00:02:00.450 \longrightarrow 00:02:02.574$ here at Yale. Our program is

 $00:02:02.574 \longrightarrow 00:02:04.436$ really focused on trying to

NOTE Confidence: 0.79131771875

 $00:02:04.436 \longrightarrow 00:02:06.326$ understand who our fellows are,

NOTE Confidence: 0.79131771875

 $00:02:06.330 \dashrightarrow 00:02:09.600$ what our interests are, and how.

NOTE Confidence: 0.79131771875

 $00:02:09.600 \longrightarrow 00:02:11.581$ We can help to support our fellows

NOTE Confidence: 0.79131771875

00:02:11.581 --> 00:02:13.289 in making those things happen.

NOTE Confidence: 0.817848731428572

 $00:02:13.480 \longrightarrow 00:02:15.216$ Diversity, equity and inclusion

NOTE Confidence: 0.817848731428572

 $00:02:15.216 \longrightarrow 00:02:17.386$ are core principles of our

NOTE Confidence: 0.817848731428572

 $00{:}02{:}17.386 \dashrightarrow 00{:}02{:}19.327$ fellowship and at our institution.

NOTE Confidence: 0.817848731428572

 $00{:}02{:}19.330 \dashrightarrow 00{:}02{:}21.190$ In today's era of complex medicine,

NOTE Confidence: 0.817848731428572

 $00:02:21.190 \longrightarrow 00:02:23.976$ it's more important than ever that we

NOTE Confidence: 0.817848731428572

00:02:23.976 --> 00:02:25.970 have diversity amongst physicians,

NOTE Confidence: 0.817848731428572

 $00{:}02{:}25.970 \dashrightarrow 00{:}02{:}28.235$ faculty and staff that represent

NOTE Confidence: 0.817848731428572

 $00{:}02{:}28.235 \dashrightarrow 00{:}02{:}30.500$ the diversity of our patients.

NOTE Confidence: 0.817848731428572

 $00:02:30.500 \longrightarrow 00:02:32.215$ This past year we became one of

NOTE Confidence: 0.817848731428572

00:02:32.215 --> 00:02:33.678 the first and only fellowship

 $00:02:33.678 \longrightarrow 00:02:36.037$ programs in the country to develop a

NOTE Confidence: 0.817848731428572

 $00:02:36.037 \longrightarrow 00:02:37.739$ dedicated curriculum on diversity,

NOTE Confidence: 0.817848731428572

00:02:37.740 --> 00:02:39.117 equity and inclusion,

NOTE Confidence: 0.817848731428572

 $00:02:39.117 \longrightarrow 00:02:41.412$ which was created with significant

NOTE Confidence: 0.817848731428572

 $00:02:41.412 \longrightarrow 00:02:43.679$ input by our Chief Fellows.

NOTE Confidence: 0.817848731428572

 $00:02:43.680 \longrightarrow 00:02:45.885$ Along with the vice chair of Diversity,

NOTE Confidence: 0.817848731428572

 $00:02:45.890 \longrightarrow 00:02:47.425$ Equity and inclusion at the

NOTE Confidence: 0.817848731428572

00:02:47.425 --> 00:02:48.346 Yale Cancer Center.

NOTE Confidence: 0.840838928888889

 $00:02:49.240 \longrightarrow 00:02:51.976$ We don't have a lot of 30 person labs.

NOTE Confidence: 0.840838928888889

 $00:02:51.980 \longrightarrow 00:02:54.296$ We don't have a lot of

NOTE Confidence: 0.840838928888889

00:02:54.296 --> 00:02:55.454 gigantic clinical groups.

NOTE Confidence: 0.840838928888889

 $00:02:55.460 \longrightarrow 00:02:57.580$ We have mid sized groups and the because

NOTE Confidence: 0.840838928888889

 $00:02:57.580 \longrightarrow 00:02:59.659$ of that they're more collaborative.

NOTE Confidence: 0.840838928888889

 $00:02:59.660 \longrightarrow 00:03:00.988$ You know, when you're

NOTE Confidence: 0.840838928888889

00:03:00.988 --> 00:03:02.648 not in a gigantic group,

NOTE Confidence: 0.840838928888889

 $00:03:02.650 \longrightarrow 00:03:04.914$ you talk to the people who are next

 $00:03:04.914 \longrightarrow 00:03:07.203$ to you and people's doors are open

NOTE Confidence: 0.840838928888889

 $00:03:07.203 \longrightarrow 00:03:09.523$ and it's very easy to find other

NOTE Confidence: 0.840838928888889

00:03:09.523 --> 00:03:11.899 people to talk to so that I think

NOTE Confidence: 0.840838928888889

 $00:03:11.900 \longrightarrow 00:03:14.342$ is really different here and that's

NOTE Confidence: 0.840838928888889

 $00:03:14.342 \longrightarrow 00:03:16.240$ what I think distinguishes it.

NOTE Confidence: 0.840838928888889

00:03:16.240 --> 00:03:17.968 And maybe it's also part of the fact

NOTE Confidence: 0.840838928888889

 $00:03:17.968 \longrightarrow 00:03:19.785$ that we are from in a smaller town.

NOTE Confidence: 0.840838928888889

 $00:03:19.790 \longrightarrow 00:03:21.992$ And so, and I think that's

NOTE Confidence: 0.840838928888889

00:03:21.992 --> 00:03:23.460 really a huge advantage.

NOTE Confidence: 0.803332438

 $00:03:23.650 \longrightarrow 00:03:25.790$ Our curriculum is is outstanding.

NOTE Confidence: 0.803332438

00:03:25.790 --> 00:03:28.470 There's a lot of different facets to it,

NOTE Confidence: 0.803332438

 $00:03:28.470 \longrightarrow 00:03:30.486$ so you know, certainly there's there's

NOTE Confidence: 0.803332438

 $00{:}03{:}30.486 \dashrightarrow 00{:}03{:}32.759$ a whole portion of the curriculum and

NOTE Confidence: 0.803332438

 $00:03:32.759 \longrightarrow 00:03:35.156$ and the bulk of of clinical training

NOTE Confidence: 0.803332438

00:03:35.156 --> 00:03:37.570 I would say comes from, you know,

 $00:03:37.570 \longrightarrow 00:03:40.510$ what our fellows are exposed to clinically.

NOTE Confidence: 0.803332438

 $00:03:40.510 \longrightarrow 00:03:42.358$ So this is when they're on the

NOTE Confidence: 0.803332438

 $00{:}03{:}42.358 \dashrightarrow 00{:}03{:}43.870$ different services in the hospital.

NOTE Confidence: 0.803332438

 $00:03:43.870 \longrightarrow 00:03:45.950$ This is when they're in their clinic,

NOTE Confidence: 0.803332438

00:03:45.950 --> 00:03:47.270 learning from from you know,

NOTE Confidence: 0.803332438

 $00:03:47.270 \longrightarrow 00:03:48.542$ seasoned faculty who are

NOTE Confidence: 0.803332438

00:03:48.542 --> 00:03:50.132 world experts in their field.

NOTE Confidence: 0.803332438

 $00:03:50.140 \longrightarrow 00:03:51.710$ But then, on top of that we have a very

NOTE Confidence: 0.803332438

 $00:03:51.751 \longrightarrow 00:03:53.159$ structured curriculum that happens,

NOTE Confidence: 0.803332438

00:03:53.160 --> 00:03:55.016 you know, quote UN quote in the classroom,

NOTE Confidence: 0.803332438

 $00:03:55.020 \longrightarrow 00:03:57.876$ and this centers around lots and lots of

NOTE Confidence: 0.803332438

 $00:03:57.876 \longrightarrow 00:03:59.596$ different conferences that are basically

NOTE Confidence: 0.803332438

 $00:03:59.596 \longrightarrow 00:04:02.160$ spread over the course of the entire week.

NOTE Confidence: 0.803332438

 $00:04:02.160 \longrightarrow 00:04:05.016$ So Ash is the American Society of Hematology.

NOTE Confidence: 0.803332438

 $00:04:05.020 \longrightarrow 00:04:06.820$ That's the major professional

NOTE Confidence: 0.803332438

 $00:04:06.820 \longrightarrow 00:04:08.620$ organization for hematologists worldwide,

 $00:04:08.620 \longrightarrow 00:04:11.210$ and so Ash created an entirely new

NOTE Confidence: 0.803332438

 $00{:}04{:}11.210 \dashrightarrow 00{:}04{:}13.439$ fellowship program called the Hematology

NOTE Confidence: 0.803332438

00:04:13.439 --> 00:04:16.196 Focused Fellowship Training program, HFTP.

NOTE Confidence: 0.803332438

00:04:16.196 --> 00:04:20.080 It's a \$19 million pilot program that

NOTE Confidence: 0.803332438

 $00:04:20.080 \longrightarrow 00:04:23.020$ they decided to award to 9 institutions,

NOTE Confidence: 0.803332438

 $00:04:23.020 \longrightarrow 00:04:24.796$ and so we were one of the nine

NOTE Confidence: 0.803332438

 $00:04:24.796 \longrightarrow 00:04:26.357$ programs that now has awarded this.

NOTE Confidence: 0.803332438

 $00:04:26.360 \longrightarrow 00:04:27.944$ Ashley Mitology focused fellowship

NOTE Confidence: 0.803332438

00:04:27.944 --> 00:04:28.736 training program,

NOTE Confidence: 0.803332438

 $00:04:28.740 \longrightarrow 00:04:30.637$ which puts us in a very unique

NOTE Confidence: 0.803332438

 $00{:}04{:}30.637 \dashrightarrow 00{:}04{:}32.230$ league among other institutions.

NOTE Confidence: 0.803332438

 $00:04:32.230 \longrightarrow 00:04:33.998$ And it's sort of a recognition of our

NOTE Confidence: 0.803332438

 $00{:}04{:}33.998 \dashrightarrow 00{:}04{:}35.705$ efforts in classical hematology and the

NOTE Confidence: 0.803332438

 $00:04:35.705 \longrightarrow 00:04:37.529$ types of resources and the mentorship

NOTE Confidence: 0.803332438

 $00:04:37.579 \longrightarrow 00:04:39.459$ that we can provide to train the next

 $00:04:39.459 \longrightarrow 00:04:41.100$ generation of classical hematologists.

NOTE Confidence: 0.7538414525

00:04:41.410 --> 00:04:43.338 There's just a diversity

NOTE Confidence: 0.7538414525

 $00:04:43.338 \longrightarrow 00:04:45.266$ in the training itself,

NOTE Confidence: 0.7538414525

 $00:04:45.270 \longrightarrow 00:04:47.298$ so we are trained at Yale,

NOTE Confidence: 0.7538414525

00:04:47.300 --> 00:04:48.254 New Haven Hospital,

NOTE Confidence: 0.7538414525

 $00:04:48.254 \longrightarrow 00:04:50.162$ which is a tertiary care center.

NOTE Confidence: 0.7538414525

 $00{:}04{:}50.170 \dashrightarrow 00{:}04{:}53.365$ And then we also go to the VA hospital.

NOTE Confidence: 0.7538414525

 $00:04:53.370 \longrightarrow 00:04:55.827$ So when I'm at the main hospital,

NOTE Confidence: 0.7538414525

 $00{:}04{:}55.830 \dashrightarrow 00{:}04{:}58.566$ I see all of these people who have

NOTE Confidence: 0.7538414525

 $00:04:58.566 \longrightarrow 00:05:00.617$ really complex diseases with the

NOTE Confidence: 0.7538414525

 $00:05:00.617 \longrightarrow 00:05:02.484$ experts and really, those fields.

NOTE Confidence: 0.7538414525

 $00:05:02.484 \longrightarrow 00:05:05.159$ And at the VA hospital I get to see

NOTE Confidence: 0.7538414525

 $00:05:05.159 \longrightarrow 00:05:07.031$ really bread and butter oncology and

NOTE Confidence: 0.7538414525

00:05:07.031 --> 00:05:10.337 I get to see a mix of inpatient and

NOTE Confidence: 0.7538414525

00:05:10.337 --> 00:05:11.869 outpatient and benign hematology,

NOTE Confidence: 0.7538414525

 $00:05:11.870 \longrightarrow 00:05:13.172$ malignant solid oncology.

 $00:05:13.172 \longrightarrow 00:05:15.342$ So the education here is

NOTE Confidence: 0.7538414525

 $00:05:15.342 \longrightarrow 00:05:17.050$ just really phenomenal,

NOTE Confidence: 0.7538414525

 $00:05:17.050 \longrightarrow 00:05:20.450$ and I think other facets of the program,

NOTE Confidence: 0.7538414525

 $00:05:20.450 \longrightarrow 00:05:21.538$ for example,

NOTE Confidence: 0.7538414525

 $00:05:21.538 \longrightarrow 00:05:23.714$ protecting our Fridays for

NOTE Confidence: 0.7538414525

 $00:05:23.714 \longrightarrow 00:05:25.890$ education and administrative time,

NOTE Confidence: 0.7538414525

 $00:05:25.890 \longrightarrow 00:05:27.857$ really allows us to make the most

NOTE Confidence: 0.7538414525

00:05:27.857 --> 00:05:30.149 of not only our clinical training,

NOTE Confidence: 0.7538414525

 $00:05:30.150 \longrightarrow 00:05:32.016$ but our other interests as well.

NOTE Confidence: 0.789533706666667

 $00:05:32.250 \longrightarrow 00:05:33.708$ I'm a proud graduate of this.

NOTE Confidence: 0.789533706666667

 $00:05:33.710 \longrightarrow 00:05:35.498$ Fellowship program.

NOTE Confidence: 0.789533706666667

 $00:05:35.498 \longrightarrow 00:05:39.932$ Over years we made it an important

NOTE Confidence: 0.789533706666667

 $00{:}05{:}39.932 \dashrightarrow 00{:}05{:}42.122$ aspect to our recruitment policy

NOTE Confidence: 0.789533706666667

 $00:05:42.122 \longrightarrow 00:05:44.635$ that we hire our own fellows

NOTE Confidence: 0.789533706666667

 $00:05:44.635 \longrightarrow 00:05:46.635$ as faculty members after they

00:05:46.713 --> 00:05:49.457 graduate and this is what makes a

NOTE Confidence: 0.789533706666667

 $00{:}05{:}49.457 \dashrightarrow 00{:}05{:}51.666$ fellowship at Yale different about

NOTE Confidence: 0.789533706666667

 $00{:}05{:}51.666 \dashrightarrow 00{:}05{:}54.266$ a third of my section section

NOTE Confidence: 0.789533706666667

00:05:54.266 --> 00:05:56.628 of hematology faculty was hired

NOTE Confidence: 0.789533706666667

 $00:05:56.628 \longrightarrow 00:05:58.716$ out of our fellowship.

NOTE Confidence: 0.789533706666667 00:05:58.720 --> 00:05:59.190 The whole NOTE Confidence: 0.922102332222222

00:05:59.200 --> 00:06:01.306 point of our program is for you to succeed,

NOTE Confidence: 0.922102332222222

 $00:06:01.310 \longrightarrow 00:06:02.354$ and the only way that's going

NOTE Confidence: 0.922102332222222

 $00:06:02.354 \longrightarrow 00:06:03.599$ to happen is if you're happy.

NOTE Confidence: 0.922102332222222

 $00:06:03.600 \longrightarrow 00:06:04.925$ And if you're doing something

NOTE Confidence: 0.922102332222222

 $00:06:04.925 \longrightarrow 00:06:05.985$ that you love so.

NOTE Confidence: 0.922102332222222

 $00:06:05.990 \longrightarrow 00:06:07.520$ That includes things like Wellness

NOTE Confidence: 0.922102332222222

00:06:07.520 --> 00:06:09.495 and it includes things like being

NOTE Confidence: 0.922102332222222

 $00{:}06{:}09.495 \dashrightarrow 00{:}06{:}11.570$ supportive and making sure that you're

NOTE Confidence: 0.922102332222222

00:06:11.570 --> 00:06:13.250 actually enjoying what you're doing,

NOTE Confidence: 0.922102332222222

 $00:06:13.250 \longrightarrow 00:06:15.130$ because that's the way to have a long,

 $00:06:15.130 \longrightarrow 00:06:17.300$ satisfying career where you produce a lot.

NOTE Confidence: 0.809932295789474

 $00:06:17.390 \longrightarrow 00:06:19.469$ I have been blown away by how

NOTE Confidence: 0.809932295789474

00:06:19.469 --> 00:06:22.018 support of the leadership is of us

NOTE Confidence: 0.809932295789474

00:06:22.018 --> 00:06:24.003 and how approachable everyone is.

NOTE Confidence: 0.809932295789474

 $00{:}06{:}24.010 \dashrightarrow 00{:}06{:}26.250$ There's no one that I can't go

NOTE Confidence: 0.809932295789474

 $00:06:26.250 \longrightarrow 00:06:28.918$ to with any kind of question or

NOTE Confidence: 0.809932295789474

 $00:06:28.918 \longrightarrow 00:06:31.399$ for guidance issue, big or small.

NOTE Confidence: 0.87309643

 $00{:}06{:}31.470 \dashrightarrow 00{:}06{:}33.838$ One of the best parts of our fellowship

NOTE Confidence: 0.87309643

 $00:06:33.838 \longrightarrow 00:06:36.149$ program is really the people.

NOTE Confidence: 0.87309643

00:06:36.150 --> 00:06:38.208 You know, I I, I really can't

NOTE Confidence: 0.87309643

 $00{:}06{:}38.208 \dashrightarrow 00{:}06{:}40.060$ say enough about my Co fellows.

NOTE Confidence: 0.87309643

 $00{:}06{:}40.060 \dashrightarrow 00{:}06{:}42.260$ There's some of the smartest

NOTE Confidence: 0.87309643

 $00{:}06{:}42.260 \dashrightarrow 00{:}06{:}43.960$ and most fun people that you

NOTE Confidence: 0.87309643

00:06:43.960 --> 00:06:45.550 just want to hang out with.

NOTE Confidence: 0.7966843575

 $00:06:45.600 \longrightarrow 00:06:48.210$ I just feel so incredibly grateful

 $00{:}06{:}48.210 \dashrightarrow 00{:}06{:}50.979$ to be here every single day.

NOTE Confidence: 0.7966843575

 $00:06:50.980 \longrightarrow 00:06:54.396$ I genuinely feel happy here in my training,

NOTE Confidence: 0.7966843575

 $00{:}06{:}54.400 \dashrightarrow 00{:}06{:}55.765$ which I've never expected to

NOTE Confidence: 0.7966843575

 $00:06:55.765 \longrightarrow 00:06:58.012$ be able to say as a first year

NOTE Confidence: 0.7966843575

 $00{:}06{:}58.012 \dashrightarrow 00{:}06{:}59.616$ fellow and I just feel really

NOTE Confidence: 0.7966843575

 $00{:}06{:}59.616 \dashrightarrow 00{:}07{:}01.530$ for tunate to be able to train here.
