

WEBVTT

NOTE duration:"01:15:21"

NOTE recognizability:0.743

NOTE language:en-us

NOTE Confidence: 0.738749793875

00:00:00.000 --> 00:00:01.204 Welcome, everyone.

NOTE Confidence: 0.738749793875

00:00:01.204 --> 00:00:04.816 And my name is Jeremy Mueller.

NOTE Confidence: 0.738749793875

00:00:04.820 --> 00:00:07.640 I'm the residency program director.

NOTE Confidence: 0.738749793875

00:00:07.640 --> 00:00:09.136 Some of the smiling,

NOTE Confidence: 0.738749793875

00:00:09.136 --> 00:00:11.380 smiling faces you see are yourselves,

NOTE Confidence: 0.738749793875

00:00:11.380 --> 00:00:14.476 others are some of our residents.

NOTE Confidence: 0.738749793875

00:00:14.480 --> 00:00:16.872 And I'm going to give you a brief

NOTE Confidence: 0.738749793875

00:00:16.872 --> 00:00:19.538 overview of the program just as everybody

NOTE Confidence: 0.738749793875

00:00:19.538 --> 00:00:21.900 comes online with a few slides,

NOTE Confidence: 0.738749793875

00:00:21.900 --> 00:00:24.756 and we'll keep the chat open for

NOTE Confidence: 0.738749793875

00:00:24.756 --> 00:00:27.318 questions and comments as we go.

NOTE Confidence: 0.738749793875

00:00:27.320 --> 00:00:30.200 And then more the bulk.

NOTE Confidence: 0.738749793875

00:00:30.200 --> 00:00:32.648 Of this open house will really be our

NOTE Confidence: 0.738749793875

00:00:32.648 --> 00:00:34.823 intention is free to get the information
NOTE Confidence: 0.738749793875

00:00:34.823 --> 00:00:37.119 you need to apply for our program,
NOTE Confidence: 0.738749793875

00:00:37.120 --> 00:00:39.745 which I'll share and answer questions about.
NOTE Confidence: 0.738749793875

00:00:39.750 --> 00:00:41.526 But then also to get a sense from
NOTE Confidence: 0.738749793875

00:00:41.526 --> 00:00:43.550 some of our residents and we have
NOTE Confidence: 0.738749793875

00:00:43.550 --> 00:00:45.070 several of our residents here,
NOTE Confidence: 0.738749793875

00:00:45.070 --> 00:00:48.148 some are in groups and individuals
NOTE Confidence: 0.738749793875

00:00:48.150 --> 00:00:50.322 will be answering some questions that
NOTE Confidence: 0.738749793875

00:00:50.322 --> 00:00:53.279 people have sent ahead of time and and
NOTE Confidence: 0.738749793875

00:00:53.279 --> 00:00:55.089 questions that people have frequently.
NOTE Confidence: 0.738749793875

00:00:55.090 --> 00:00:58.167 So want to thank you all for being here.
NOTE Confidence: 0.738749793875

00:00:58.170 --> 00:01:00.966 It's really exciting to have you.
NOTE Confidence: 0.738749793875

00:01:00.970 --> 00:01:03.980 This is our third year of virtual
NOTE Confidence: 0.738749793875

00:01:03.980 --> 00:01:07.547 recruitment and I think we've learned a lot.
NOTE Confidence: 0.738749793875

00:01:07.550 --> 00:01:11.309 I'll point you all to our website,
NOTE Confidence: 0.738749793875

00:01:11.310 --> 00:01:15.588 which we will be updating our.

NOTE Confidence: 0.738749793875

00:01:15.590 --> 00:01:17.530 Our recruitment chiefs Katie

NOTE Confidence: 0.738749793875

00:01:17.530 --> 00:01:19.955 Zukowski and Amy Annie Yang,

NOTE Confidence: 0.738749793875

00:01:19.960 --> 00:01:22.072 who are right here,

NOTE Confidence: 0.738749793875

00:01:22.072 --> 00:01:23.128 will be.

NOTE Confidence: 0.738749793875

00:01:23.130 --> 00:01:25.236 We'll be updating the website and

NOTE Confidence: 0.738749793875

00:01:25.236 --> 00:01:27.329 giving you more information about that,

NOTE Confidence: 0.738749793875

00:01:27.330 --> 00:01:28.723 but we're very proud of all of

NOTE Confidence: 0.738749793875

00:01:28.723 --> 00:01:30.078 the details of the website has.

NOTE Confidence: 0.738749793875

00:01:30.080 --> 00:01:32.068 So I'm going to give some slides,

NOTE Confidence: 0.738749793875

00:01:32.070 --> 00:01:35.038 get that out of the way and then

NOTE Confidence: 0.738749793875

00:01:35.038 --> 00:01:36.148 we'll go from there.

NOTE Confidence: 0.78311732

00:01:38.620 --> 00:01:42.480 So, welcome. This is Yale.

NOTE Confidence: 0.78311732

00:01:42.480 --> 00:01:44.116 It's in New Haven,

NOTE Confidence: 0.78311732

00:01:44.116 --> 00:01:46.570 CT a wonderful place to live.

NOTE Confidence: 0.78311732

00:01:46.570 --> 00:01:49.690 Just a few reminders of our web offerings.

NOTE Confidence: 0.78311732

00:01:49.690 --> 00:01:51.508 We do have a Twitter account.
NOTE Confidence: 0.78311732

00:01:51.510 --> 00:01:53.918 We tend to put much more effort
NOTE Confidence: 0.78311732

00:01:53.918 --> 00:01:55.570 into the Instagram account.
NOTE Confidence: 0.78311732

00:01:55.570 --> 00:01:56.710 And when I say we,
NOTE Confidence: 0.78311732

00:01:56.710 --> 00:01:59.806 I mean our recruitment chiefs primarily,
NOTE Confidence: 0.78311732

00:01:59.810 --> 00:02:01.914 who I think do a really nice job
NOTE Confidence: 0.78311732

00:02:01.914 --> 00:02:04.299 and like to keep that updated with
NOTE Confidence: 0.78311732

00:02:04.299 --> 00:02:06.750 lots of information about life as a
NOTE Confidence: 0.78311732

00:02:06.750 --> 00:02:08.815 resident and and the types of social
NOTE Confidence: 0.78311732

00:02:08.815 --> 00:02:11.390 life you can have as a as a neurology
NOTE Confidence: 0.78311732

00:02:11.390 --> 00:02:13.576 resident here at Yale and in New Haven.
NOTE Confidence: 0.78311732

00:02:13.580 --> 00:02:14.784 Our website is listed
NOTE Confidence: 0.78311732

00:02:14.784 --> 00:02:16.590 right there and you can go.
NOTE Confidence: 0.78311732

00:02:16.590 --> 00:02:17.234 I'll go to it.
NOTE Confidence: 0.78311732

00:02:17.234 --> 00:02:17.717 As I said,
NOTE Confidence: 0.78311732

00:02:17.720 --> 00:02:20.429 we're on the verge of a fairly

NOTE Confidence: 0.78311732

00:02:20.429 --> 00:02:22.539 significant update to the website

NOTE Confidence: 0.78311732

00:02:22.539 --> 00:02:24.719 with lots of new information.

NOTE Confidence: 0.78311732

00:02:24.720 --> 00:02:27.716 We do a lot of online education.

NOTE Confidence: 0.78311732

00:02:27.720 --> 00:02:29.715 Doctor Schaefer is on the call here.

NOTE Confidence: 0.78311732

00:02:29.720 --> 00:02:31.440 She developed some movement disorders

NOTE Confidence: 0.78311732

00:02:31.440 --> 00:02:34.054 modules which are free for all of you to

NOTE Confidence: 0.78311732

00:02:34.054 --> 00:02:36.069 learn if you happen to be doing a Sabi.

NOTE Confidence: 0.78311732

00:02:36.070 --> 00:02:37.165 Uh, on YouTube,

NOTE Confidence: 0.78311732

00:02:37.165 --> 00:02:39.720 if you look up YouTube EEG basics

NOTE Confidence: 0.78311732

00:02:39.801 --> 00:02:41.769 again if you're doing a sub

NOTE Confidence: 0.78311732

00:02:41.769 --> 00:02:43.830 I or an epilepsy rotation,

NOTE Confidence: 0.78311732

00:02:43.830 --> 00:02:44.991 really great opportunity.

NOTE Confidence: 0.78311732

00:02:44.991 --> 00:02:48.206 We we are on the airwaves as well

NOTE Confidence: 0.78311732

00:02:48.206 --> 00:02:50.786 with the neurology exam Prep podcast.

NOTE Confidence: 0.78311732

00:02:50.790 --> 00:02:52.230 A lot of students like that.

NOTE Confidence: 0.78311732

00:02:52.230 --> 00:02:54.175 There's a clerkship success series
NOTE Confidence: 0.78311732

00:02:54.175 --> 00:02:56.736 within there that has that's organized
NOTE Confidence: 0.78311732

00:02:56.736 --> 00:02:59.466 around differential diagnosis for learning.
NOTE Confidence: 0.78311732

00:02:59.470 --> 00:03:01.910 Doctor Schaefer started a new
NOTE Confidence: 0.78311732

00:03:01.910 --> 00:03:04.340 podcast that I think is just
NOTE Confidence: 0.78311732

00:03:04.340 --> 00:03:05.370 outstanding called neurology,
NOTE Confidence: 0.78311732

00:03:05.370 --> 00:03:06.300 nuts and bolts.
NOTE Confidence: 0.78311732

00:03:06.300 --> 00:03:07.485 Constructing your career.
NOTE Confidence: 0.78311732

00:03:07.485 --> 00:03:10.736 And a lot of people ask about mentorship
NOTE Confidence: 0.78311732

00:03:10.736 --> 00:03:13.166 and career development and thinking
NOTE Confidence: 0.78311732

00:03:13.166 --> 00:03:15.110 about things beyond residency.
NOTE Confidence: 0.78311732

00:03:15.110 --> 00:03:15.506 Right?
NOTE Confidence: 0.78311732

00:03:15.506 --> 00:03:17.912 Because residency is a transient state.
NOTE Confidence: 0.78311732

00:03:17.912 --> 00:03:20.866 You'll be a resident for four years,
NOTE Confidence: 0.78311732

00:03:20.870 --> 00:03:22.102 and then you have to figure out
NOTE Confidence: 0.78311732

00:03:22.102 --> 00:03:23.527 the rest of your life after that.

NOTE Confidence: 0.78311732

00:03:23.530 --> 00:03:26.440 And Doctor Schafer has organized a

NOTE Confidence: 0.78311732

00:03:26.440 --> 00:03:29.040 podcast where she interviews experts

NOTE Confidence: 0.78311732

00:03:29.040 --> 00:03:31.930 on things like negotiating contracts,

NOTE Confidence: 0.78311732

00:03:31.930 --> 00:03:35.318 sorting out academic careers.

NOTE Confidence: 0.78311732

00:03:35.320 --> 00:03:37.498 And developing a niche in various

NOTE Confidence: 0.78311732

00:03:37.498 --> 00:03:40.160 different ways and it's really incredible.

NOTE Confidence: 0.78311732

00:03:40.160 --> 00:03:43.331 We have one that on on letters

NOTE Confidence: 0.78311732

00:03:43.331 --> 00:03:44.237 of recommendation,

NOTE Confidence: 0.78311732

00:03:44.240 --> 00:03:45.232 which could be particularly

NOTE Confidence: 0.78311732

00:03:45.232 --> 00:03:46.472 relevant to all of you.

NOTE Confidence: 0.78311732

00:03:46.480 --> 00:03:48.566 So a really nice website and for

NOTE Confidence: 0.78311732

00:03:48.566 --> 00:03:50.358 any questions you can e-mail me,

NOTE Confidence: 0.78311732

00:03:50.360 --> 00:03:53.900 that's my e-mail or our coordinator,

NOTE Confidence: 0.78311732

00:03:53.900 --> 00:03:55.430 Michelle Stafford worth and we're

NOTE Confidence: 0.78311732

00:03:55.430 --> 00:03:57.430 both lifted listed on the website.

NOTE Confidence: 0.862124620625

00:04:00.600 --> 00:04:02.886 We are just, these are just the nuts and

NOTE Confidence: 0.862124620625

00:04:02.886 --> 00:04:04.856 bolts of Speaking of nuts and bolts,

NOTE Confidence: 0.862124620625

00:04:04.860 --> 00:04:06.700 we are in advanced program.

NOTE Confidence: 0.862124620625

00:04:06.700 --> 00:04:10.277 We will be recruiting for 10 positions.

NOTE Confidence: 0.862124620625

00:04:10.280 --> 00:04:14.792 Those start in PG Y2 and we have

NOTE Confidence: 0.862124620625

00:04:14.792 --> 00:04:16.428 guaranteed prelim medicine spots

NOTE Confidence: 0.862124620625

00:04:16.428 --> 00:04:19.280 for all 10 residents in PG Y one.

NOTE Confidence: 0.862124620625

00:04:19.280 --> 00:04:20.356 So we're not categorical,

NOTE Confidence: 0.862124620625

00:04:20.356 --> 00:04:22.780 but we have the best of both worlds

NOTE Confidence: 0.862124620625

00:04:22.780 --> 00:04:25.024 and we provide this option because

NOTE Confidence: 0.862124620625

00:04:25.024 --> 00:04:26.841 occasionally somebody has a reason why

NOTE Confidence: 0.862124620625

00:04:26.841 --> 00:04:28.952 they might want to stay where they are.

NOTE Confidence: 0.862124620625

00:04:28.952 --> 00:04:31.738 For a year and do a prelim year where

NOTE Confidence: 0.862124620625

00:04:31.738 --> 00:04:34.852 their spouses or a partner or or for other

NOTE Confidence: 0.862124620625

00:04:34.930 --> 00:04:37.890 personal reasons or professional reasons.

NOTE Confidence: 0.862124620625

00:04:37.890 --> 00:04:38.757 But the vast,

NOTE Confidence: 0.862124620625

00:04:38.757 --> 00:04:40.491 vast majority of residents do do

NOTE Confidence: 0.862124620625

00:04:40.491 --> 00:04:42.227 their preliminary year with us.

NOTE Confidence: 0.862124620625

00:04:42.230 --> 00:04:43.030 That's guaranteed.

NOTE Confidence: 0.862124620625

00:04:43.030 --> 00:04:44.630 There's no separate interview.

NOTE Confidence: 0.862124620625

00:04:44.630 --> 00:04:45.896 If you match with us for

NOTE Confidence: 0.862124620625

00:04:45.896 --> 00:04:46.529 the advanced program,

NOTE Confidence: 0.862124620625

00:04:46.530 --> 00:04:48.644 you match with us for the prelim

NOTE Confidence: 0.862124620625

00:04:48.644 --> 00:04:51.146 program and and in the prelim program

NOTE Confidence: 0.862124620625

00:04:51.146 --> 00:04:53.544 you get six weeks of neurology

NOTE Confidence: 0.862124620625

00:04:53.544 --> 00:04:56.112 and including four weeks of stroke

NOTE Confidence: 0.862124620625

00:04:56.112 --> 00:04:58.839 and two weeks of Neuro ICU and.

NOTE Confidence: 0.862124620625

00:04:58.840 --> 00:05:01.558 It's a great opportunity to start

NOTE Confidence: 0.862124620625

00:05:01.558 --> 00:05:04.241 developing community of of peers of

NOTE Confidence: 0.862124620625

00:05:04.241 --> 00:05:06.599 neurology residents and we have many

NOTE Confidence: 0.862124620625

00:05:06.599 --> 00:05:09.619 of our current PG twos who formed a

NOTE Confidence: 0.862124620625

00:05:09.619 --> 00:05:11.935 very fast friendship group in PY one
NOTE Confidence: 0.862124620625

00:05:11.935 --> 00:05:14.516 and and I hope they'll speak to that
NOTE Confidence: 0.862124620625

00:05:14.516 --> 00:05:16.658 a little later in our open house.
NOTE Confidence: 0.862124620625

00:05:16.660 --> 00:05:18.238 We're an academic program that fast,
NOTE Confidence: 0.862124620625

00:05:18.240 --> 00:05:18.600 fast.
NOTE Confidence: 0.862124620625

00:05:18.600 --> 00:05:20.760 Majority of our residents pursue fellowships.
NOTE Confidence: 0.862124620625

00:05:20.760 --> 00:05:22.662 There's an even mix of inpatient
NOTE Confidence: 0.862124620625

00:05:22.662 --> 00:05:23.613 and outpatient specialties.
NOTE Confidence: 0.862124620625

00:05:23.620 --> 00:05:25.540 This is really important.
NOTE Confidence: 0.862124620625

00:05:25.540 --> 00:05:27.940 People express anxiety about whether
NOTE Confidence: 0.862124620625

00:05:27.940 --> 00:05:30.365 or not you would get the experiences
NOTE Confidence: 0.862124620625

00:05:30.365 --> 00:05:33.238 you need to decide if you wanted to
NOTE Confidence: 0.862124620625

00:05:33.238 --> 00:05:35.173 do multiple sclerosis or movement
NOTE Confidence: 0.862124620625

00:05:35.173 --> 00:05:37.499 disorders or neuromuscular medicine.
NOTE Confidence: 0.862124620625

00:05:37.500 --> 00:05:38.313 And in fact,
NOTE Confidence: 0.862124620625

00:05:38.313 --> 00:05:40.644 it's been about an even mix of inpatient

NOTE Confidence: 0.862124620625

00:05:40.644 --> 00:05:43.206 and outpatient and and many of the

NOTE Confidence: 0.862124620625

00:05:43.206 --> 00:05:46.264 residents who meet tonight are pursuing.

NOTE Confidence: 0.862124620625

00:05:46.264 --> 00:05:49.273 A combination of inpatient and outpatient

NOTE Confidence: 0.862124620625

00:05:49.273 --> 00:05:51.599 and they can speak to that a little bit.

NOTE Confidence: 0.862124620625

00:05:51.600 --> 00:05:51.981 Overall,

NOTE Confidence: 0.862124620625

00:05:51.981 --> 00:05:54.648 about 2/3 stay at Yale for fellowship.

NOTE Confidence: 0.862124620625

00:05:54.650 --> 00:05:55.922 Between 50% and 2/3,

NOTE Confidence: 0.862124620625

00:05:55.922 --> 00:05:57.512 little less than half last

NOTE Confidence: 0.862124620625

00:05:57.512 --> 00:05:59.248 year stayed for fellowship,

NOTE Confidence: 0.862124620625

00:05:59.250 --> 00:06:01.210 and it just varies year by year.

NOTE Confidence: 0.915436429166667

00:06:04.030 --> 00:06:05.062 For the application,

NOTE Confidence: 0.915436429166667

00:06:05.062 --> 00:06:08.330 this is exactly what we have on our website.

NOTE Confidence: 0.915436429166667

00:06:08.330 --> 00:06:10.982 A minimum of three letters of

NOTE Confidence: 0.915436429166667

00:06:10.982 --> 00:06:12.822 recommendation, a maximum of four.

NOTE Confidence: 0.915436429166667

00:06:12.822 --> 00:06:15.604 At least one should focus on clinical

NOTE Confidence: 0.915436429166667

00:06:15.604 --> 00:06:18.691 neurology ideal. Ideally a couple.
NOTE Confidence: 0.915436429166667

00:06:18.691 --> 00:06:21.776 Most applicants include one internal
NOTE Confidence: 0.915436429166667

00:06:21.776 --> 00:06:23.610 medicine letter, but it doesn't
NOTE Confidence: 0.915436429166667

00:06:23.610 --> 00:06:24.810 have to be a department letter.
NOTE Confidence: 0.915436429166667

00:06:24.810 --> 00:06:28.306 I know a lot of internal medicine residents
NOTE Confidence: 0.915436429166667

00:06:28.306 --> 00:06:31.154 have department letters and we always
NOTE Confidence: 0.915436429166667

00:06:31.154 --> 00:06:34.534 understand that with COVID restrictions.
NOTE Confidence: 0.915436429166667

00:06:34.534 --> 00:06:38.164 With limited opportunities for observerships,
NOTE Confidence: 0.915436429166667

00:06:38.170 --> 00:06:40.162 international electives and so on that
NOTE Confidence: 0.915436429166667

00:06:40.162 --> 00:06:42.368 it can be difficult for international
NOTE Confidence: 0.915436429166667

00:06:42.368 --> 00:06:46.290 graduates to get letters, we we get that.
NOTE Confidence: 0.915436429166667

00:06:46.290 --> 00:06:48.255 We will plan to interview
NOTE Confidence: 0.915436429166667

00:06:48.255 --> 00:06:50.118 about 130 applicants or so.
NOTE Confidence: 0.915436429166667

00:06:50.118 --> 00:06:51.586 We interviewed 12 applicants
NOTE Confidence: 0.915436429166667

00:06:51.586 --> 00:06:52.610 each interview day,
NOTE Confidence: 0.915436429166667

00:06:52.610 --> 00:06:54.410 and we do half day sessions.

NOTE Confidence: 0.915436429166667
00:06:54.410 --> 00:06:55.802 So you'll do either in the
NOTE Confidence: 0.915436429166667
00:06:55.802 --> 00:06:56.730 morning or the afternoon,
NOTE Confidence: 0.915436429166667
00:06:56.730 --> 00:06:58.400 and our updated interview days
NOTE Confidence: 0.915436429166667
00:06:58.400 --> 00:07:00.070 are listed on our website.
NOTE Confidence: 0.915436429166667
00:07:00.070 --> 00:07:03.325 I think they start in early November.
NOTE Confidence: 0.915436429166667
00:07:03.330 --> 00:07:04.794 I can't remember if we have
NOTE Confidence: 0.915436429166667
00:07:04.794 --> 00:07:05.770 one in late October,
NOTE Confidence: 0.915436429166667
00:07:05.770 --> 00:07:06.930 but early November and
NOTE Confidence: 0.915436429166667
00:07:06.930 --> 00:07:08.090 they go through January.
NOTE Confidence: 0.898326905
00:07:10.260 --> 00:07:12.036 We review every application.
NOTE Confidence: 0.898326905
00:07:12.036 --> 00:07:14.700 I personally look at every application.
NOTE Confidence: 0.898326905
00:07:14.700 --> 00:07:16.012 It's a holistic review.
NOTE Confidence: 0.898326905
00:07:16.012 --> 00:07:17.980 At least two reviewers will review
NOTE Confidence: 0.898326905
00:07:18.038 --> 00:07:19.678 an application before somebody's
NOTE Confidence: 0.898326905
00:07:19.678 --> 00:07:21.318 invited for an interview.
NOTE Confidence: 0.898326905

00:07:21.320 --> 00:07:23.055 All reviewers are educated on
NOTE Confidence: 0.898326905

00:07:23.055 --> 00:07:24.790 sources of bias and applications.
NOTE Confidence: 0.898326905

00:07:24.790 --> 00:07:26.554 This is something we do before
NOTE Confidence: 0.898326905

00:07:26.554 --> 00:07:28.160 we start the application review.
NOTE Confidence: 0.898326905

00:07:28.160 --> 00:07:30.840 We do not have a SMLE cutoff score,
NOTE Confidence: 0.898326905

00:07:30.840 --> 00:07:33.000 and we understand that Step 2,
NOTE Confidence: 0.898326905

00:07:33.000 --> 00:07:34.620 CS and CK can have delays.
NOTE Confidence: 0.898326905

00:07:34.620 --> 00:07:36.546 You don't have to have those
NOTE Confidence: 0.898326905

00:07:36.546 --> 00:07:38.600 ready by the time you apply.
NOTE Confidence: 0.898326905

00:07:38.600 --> 00:07:41.222 I would tell you the vast
NOTE Confidence: 0.898326905

00:07:41.222 --> 00:07:42.533 majority of applicants,
NOTE Confidence: 0.898326905

00:07:42.540 --> 00:07:44.096 some 90 plus percent,
NOTE Confidence: 0.898326905

00:07:44.096 --> 00:07:47.938 have their step to seek CK scores in Rs by
NOTE Confidence: 0.898326905

00:07:47.938 --> 00:07:51.298 the time we put together our our rank list.
NOTE Confidence: 0.898326905

00:07:51.300 --> 00:07:52.126 Not everyone,
NOTE Confidence: 0.898326905

00:07:52.126 --> 00:07:53.778 but the vast majority.

NOTE Confidence: 0.898326905
00:07:53.780 --> 00:07:55.665 We do interview and match
NOTE Confidence: 0.898326905
00:07:55.665 --> 00:07:56.419 international graduates.
NOTE Confidence: 0.898326905
00:07:56.420 --> 00:07:59.180 US experience and scholarly work
NOTE Confidence: 0.898326905
00:07:59.180 --> 00:08:00.284 is preferred.
NOTE Confidence: 0.898326905
00:08:00.290 --> 00:08:01.420 But really,
NOTE Confidence: 0.898326905
00:08:01.420 --> 00:08:04.245 with with almost no exceptions,
NOTE Confidence: 0.898326905
00:08:04.250 --> 00:08:05.984 you have to have graduated from
NOTE Confidence: 0.898326905
00:08:05.984 --> 00:08:07.785 medical school within the last five
NOTE Confidence: 0.898326905
00:08:07.785 --> 00:08:09.603 years with very rare exceptions and
NOTE Confidence: 0.898326905
00:08:09.603 --> 00:08:11.934 both J1 and H1B says are offered
NOTE Confidence: 0.898326905
00:08:11.934 --> 00:08:13.900 depending on the circumstances.
NOTE Confidence: 0.828079245714286
00:08:16.110 --> 00:08:18.567 And here are the things we do.
NOTE Confidence: 0.828079245714286
00:08:18.570 --> 00:08:20.226 We look at for holistic review.
NOTE Confidence: 0.828079245714286
00:08:20.230 --> 00:08:23.086 Just this is also on the website.
NOTE Confidence: 0.828079245714286
00:08:23.090 --> 00:08:24.466 We look at grades,
NOTE Confidence: 0.828079245714286

00:08:24.466 --> 00:08:26.186 research and other scholarly work,
NOTE Confidence: 0.828079245714286

00:08:26.190 --> 00:08:28.836 leadership and engagement and we try to
NOTE Confidence: 0.828079245714286

00:08:28.836 --> 00:08:31.148 look at ways in which people have overcome,
NOTE Confidence: 0.828079245714286

00:08:31.150 --> 00:08:31.990 overcome challenges.
NOTE Confidence: 0.828079245714286

00:08:31.990 --> 00:08:34.522 All of you, having having been educated
NOTE Confidence: 0.828079245714286

00:08:34.522 --> 00:08:37.670 during a time of a of a global pandemic,
NOTE Confidence: 0.828079245714286

00:08:37.670 --> 00:08:39.695 have overcome tremendous challenges and
NOTE Confidence: 0.828079245714286

00:08:39.695 --> 00:08:42.145 we know that there's amazing stories
NOTE Confidence: 0.828079245714286

00:08:42.145 --> 00:08:44.651 of resilience and and those tend to
NOTE Confidence: 0.828079245714286

00:08:44.651 --> 00:08:46.560 predict somebody continuing to show.
NOTE Confidence: 0.828079245714286

00:08:46.560 --> 00:08:48.780 Believe starting residency.
NOTE Confidence: 0.828079245714286

00:08:48.780 --> 00:08:50.360 And then during the interview,
NOTE Confidence: 0.828079245714286

00:08:50.360 --> 00:08:51.998 a lot of the same things academic,
NOTE Confidence: 0.828079245714286

00:08:52.000 --> 00:08:53.336 scholarly potential,
NOTE Confidence: 0.828079245714286

00:08:53.336 --> 00:08:55.340 citizenship and leadership,
NOTE Confidence: 0.828079245714286

00:08:55.340 --> 00:08:57.360 interpersonal skills and we do

NOTE Confidence: 0.828079245714286
00:08:57.360 --> 00:08:58.976 do behavior based questions.
NOTE Confidence: 0.828079245714286
00:08:58.980 --> 00:09:00.585 We understand that some Africans
NOTE Confidence: 0.828079245714286
00:09:00.585 --> 00:09:01.548 don't love these,
NOTE Confidence: 0.828079245714286
00:09:01.550 --> 00:09:04.357 they feel a little rigid or wooden,
NOTE Confidence: 0.828079245714286
00:09:04.360 --> 00:09:06.168 but they're structured questions
NOTE Confidence: 0.828079245714286
00:09:06.168 --> 00:09:09.260 and domains that tie to our our,
NOTE Confidence: 0.828079245714286
00:09:09.260 --> 00:09:12.020 our mission, our educational mission.
NOTE Confidence: 0.828079245714286
00:09:12.020 --> 00:09:14.414 And I feel very strongly about this.
NOTE Confidence: 0.828079245714286
00:09:14.420 --> 00:09:16.240 This was actually an idea of one
NOTE Confidence: 0.828079245714286
00:09:16.240 --> 00:09:18.060 of our previous recruitment chief.
NOTE Confidence: 0.828079245714286
00:09:18.060 --> 00:09:20.517 And it's a way to counteract some
NOTE Confidence: 0.828079245714286
00:09:20.517 --> 00:09:22.740 of the obvious and implicit and
NOTE Confidence: 0.828079245714286
00:09:22.740 --> 00:09:25.295 explicit bias that there is in in
NOTE Confidence: 0.828079245714286
00:09:25.376 --> 00:09:28.006 interviewing and allowing people to.
NOTE Confidence: 0.828079245714286
00:09:28.010 --> 00:09:29.162 That expressed their,
NOTE Confidence: 0.828079245714286

00:09:29.162 --> 00:09:31.082 their suitability for the job
NOTE Confidence: 0.828079245714286

00:09:31.082 --> 00:09:32.949 in a structured way.
NOTE Confidence: 0.804890978571429

00:09:35.080 --> 00:09:37.840 So the night before there'll be a panel
NOTE Confidence: 0.804890978571429

00:09:37.840 --> 00:09:39.920 discussion with a group of residents.
NOTE Confidence: 0.804890978571429

00:09:39.920 --> 00:09:41.495 This will be kind of the dinner.
NOTE Confidence: 0.804890978571429

00:09:41.500 --> 00:09:42.840 Then on the interview day
NOTE Confidence: 0.804890978571429

00:09:42.840 --> 00:09:43.912 we'll do an overview.
NOTE Confidence: 0.804890978571429

00:09:43.920 --> 00:09:46.320 There's lots of web-based stuff.
NOTE Confidence: 0.804890978571429

00:09:46.320 --> 00:09:48.408 Then five to six interviews that are each
NOTE Confidence: 0.804890978571429

00:09:48.408 --> 00:09:50.338 20 minutes and then a case discussion.
NOTE Confidence: 0.804890978571429

00:09:50.340 --> 00:09:52.909 And very importantly you do not have
NOTE Confidence: 0.804890978571429

00:09:52.909 --> 00:09:56.280 to do a separate prelim IM interview,
NOTE Confidence: 0.804890978571429

00:09:56.280 --> 00:09:58.960 but you do have to apply to the
NOTE Confidence: 0.804890978571429

00:09:58.960 --> 00:10:01.312 preliminary IM program to the internal
NOTE Confidence: 0.804890978571429

00:10:01.312 --> 00:10:04.468 medicine program if you want to do that.
NOTE Confidence: 0.804890978571429

00:10:04.468 --> 00:10:06.338 Program and that's linked and

NOTE Confidence: 0.804890978571429

00:10:06.338 --> 00:10:08.140 it's on the website.

NOTE Confidence: 0.613610444

00:10:10.480 --> 00:10:11.770 Raise your tracks have merged.

NOTE Confidence: 0.613610444

00:10:11.770 --> 00:10:13.702 We used to have a separate research

NOTE Confidence: 0.613610444

00:10:13.702 --> 00:10:16.872 track and we decided a few years ago

NOTE Confidence: 0.613610444

00:10:16.872 --> 00:10:20.180 that the that many residents have an

NOTE Confidence: 0.613610444

00:10:20.180 --> 00:10:22.477 interest in research that people's

NOTE Confidence: 0.613610444

00:10:22.477 --> 00:10:24.739 passion to pursue something like an

NOTE Confidence: 0.613610444

00:10:24.740 --> 00:10:28.088 R-25 grant which we have very year by

NOTE Confidence: 0.613610444

00:10:28.088 --> 00:10:31.082 year and and so every resident has the

NOTE Confidence: 0.613610444

00:10:31.082 --> 00:10:33.626 opportunity to pursue scholarly work and

NOTE Confidence: 0.613610444

00:10:33.626 --> 00:10:36.949 PY one year if they identify a mentor.

NOTE Confidence: 0.613610444

00:10:36.950 --> 00:10:39.614 And all residents can be considered

NOTE Confidence: 0.613610444

00:10:39.614 --> 00:10:41.390 for the R-25 grant.

NOTE Confidence: 0.613610444

00:10:41.390 --> 00:10:44.390 We have an X + Y clinic format.

NOTE Confidence: 0.613610444

00:10:44.390 --> 00:10:46.245 We've had that for five years now,

NOTE Confidence: 0.613610444

00:10:46.250 --> 00:10:48.860 five or six, and that is that we do
NOTE Confidence: 0.613610444

00:10:48.860 --> 00:10:51.035 five weeks of various services and
NOTE Confidence: 0.613610444

00:10:51.035 --> 00:10:53.869 then one week of the clinic block,
NOTE Confidence: 0.613610444

00:10:53.870 --> 00:10:56.276 sorry, four years and all continuity
NOTE Confidence: 0.613610444

00:10:56.276 --> 00:10:57.880 clinics and many subspecialty
NOTE Confidence: 0.613610444

00:10:57.941 --> 00:11:00.245 experiences are done during this time.
NOTE Confidence: 0.613610444

00:11:00.250 --> 00:11:01.468 So you're not being pulled away.
NOTE Confidence: 0.613610444

00:11:01.470 --> 00:11:02.373 For continuity clinic,
NOTE Confidence: 0.613610444

00:11:02.373 --> 00:11:05.190 we don't have any 28 hour in house call.
NOTE Confidence: 0.613610444

00:11:05.190 --> 00:11:06.590 We have some home call at the VA,
NOTE Confidence: 0.613610444

00:11:06.590 --> 00:11:09.401 but no 28 hour in house call and
NOTE Confidence: 0.613610444

00:11:09.401 --> 00:11:11.556 there's lots of early exposure
NOTE Confidence: 0.613610444

00:11:11.556 --> 00:11:12.849 to outpatient subspecialties.
NOTE Confidence: 0.613610444

00:11:12.850 --> 00:11:14.930 Then click on their Physiology.
NOTE Confidence: 0.613610444

00:11:14.930 --> 00:11:15.338 Umm.
NOTE Confidence: 0.613610444

00:11:15.338 --> 00:11:18.176 We have a clinical clinician educator track.

NOTE Confidence: 0.613610444

00:11:18.176 --> 00:11:20.756 It's actually going to be gradually

NOTE Confidence: 0.613610444

00:11:20.756 --> 00:11:24.152 moving over to what's called a

NOTE Confidence: 0.613610444

00:11:24.152 --> 00:11:25.850 clinician educator distinction

NOTE Confidence: 0.613610444

00:11:25.939 --> 00:11:28.509 which will be recognized institution

NOTE Confidence: 0.613610444

00:11:28.509 --> 00:11:32.586 wide and will include a series of

NOTE Confidence: 0.613610444

00:11:32.586 --> 00:11:34.351 structured educational teaching

NOTE Confidence: 0.613610444

00:11:34.351 --> 00:11:36.877 sessions over a two year curriculum

NOTE Confidence: 0.613610444

00:11:36.877 --> 00:11:38.868 across the institution in which

NOTE Confidence: 0.613610444

00:11:38.868 --> 00:11:40.848 many of our faculty are teaching.

NOTE Confidence: 0.613610444

00:11:40.850 --> 00:11:42.810 Doctor Schaefer is I am.

NOTE Confidence: 0.613610444

00:11:42.810 --> 00:11:43.392 Doctor Dewey,

NOTE Confidence: 0.613610444

00:11:43.392 --> 00:11:45.138 one of our other faculty members.

NOTE Confidence: 0.613610444

00:11:45.140 --> 00:11:48.115 We do have a international

NOTE Confidence: 0.613610444

00:11:48.115 --> 00:11:49.900 global neurology experience.

NOTE Confidence: 0.613610444

00:11:49.900 --> 00:11:51.670 We have the R 25 grant.

NOTE Confidence: 0.613610444

00:11:51.670 --> 00:11:53.536 We have a healthcare management track.
NOTE Confidence: 0.613610444

00:11:53.540 --> 00:11:56.188 We have a very good record of people
NOTE Confidence: 0.613610444

00:11:56.188 --> 00:11:58.400 being reviewers and and board members
NOTE Confidence: 0.613610444

00:11:58.400 --> 00:12:00.704 on neurology journals like the rest
NOTE Confidence: 0.613610444

00:12:00.704 --> 00:12:02.840 of the fellow section and Continuum.
NOTE Confidence: 0.613610444

00:12:02.840 --> 00:12:04.424 One of our residents was on
NOTE Confidence: 0.613610444

00:12:04.424 --> 00:12:06.320 the on the board of the match,
NOTE Confidence: 0.613610444

00:12:06.320 --> 00:12:08.080 just rotating off the board of the match,
NOTE Confidence: 0.613610444

00:12:08.080 --> 00:12:09.484 which was pretty cool.
NOTE Confidence: 0.613610444

00:12:09.484 --> 00:12:11.590 One of our residents was on
NOTE Confidence: 0.613610444

00:12:11.664 --> 00:12:13.139 the board of the ACM,
NOTE Confidence: 0.613610444

00:12:13.140 --> 00:12:15.338 which is really cool and and lots
NOTE Confidence: 0.613610444

00:12:15.338 --> 00:12:16.703 of other leadership experiences
NOTE Confidence: 0.613610444

00:12:16.703 --> 00:12:18.869 and we pride ourselves on the
NOTE Confidence: 0.613610444

00:12:18.869 --> 00:12:20.789 leadership that our residents do.
NOTE Confidence: 0.613610444

00:12:20.790 --> 00:12:23.365 We have a strong commitment

NOTE Confidence: 0.613610444

00:12:23.365 --> 00:12:25.425 to diversity and inclusion.

NOTE Confidence: 0.613610444

00:12:25.430 --> 00:12:26.774 I think I saw Doctor Cooper here.

NOTE Confidence: 0.613610444

00:12:26.780 --> 00:12:28.780 She'll introduce herself, I'm sure,

NOTE Confidence: 0.613610444

00:12:28.780 --> 00:12:31.419 once we get to the panel discussion.

NOTE Confidence: 0.613610444

00:12:31.420 --> 00:12:33.285 But she's our associate director

NOTE Confidence: 0.613610444

00:12:33.285 --> 00:12:34.404 of Diversity Education,

NOTE Confidence: 0.613610444

00:12:34.410 --> 00:12:37.650 a graduate of our of our program there.

NOTE Confidence: 0.613610444

00:12:37.650 --> 00:12:39.400 Our departmental director of Diversity

NOTE Confidence: 0.613610444

00:12:39.400 --> 00:12:41.540 Equity inclusion is Doctor Reshma Narula,

NOTE Confidence: 0.613610444

00:12:41.540 --> 00:12:44.718 also one of our residents who graduates,

NOTE Confidence: 0.613610444

00:12:44.720 --> 00:12:46.475 and now the fellowship Director

NOTE Confidence: 0.613610444

00:12:46.475 --> 00:12:48.230 for Vascular Neurology as well.

NOTE Confidence: 0.613610444

00:12:48.230 --> 00:12:50.000 We do a holistic application

NOTE Confidence: 0.613610444

00:12:50.000 --> 00:12:51.770 review by a trained group.

NOTE Confidence: 0.613610444

00:12:51.770 --> 00:12:53.430 We're very proud of that.

NOTE Confidence: 0.613610444

00:12:53.430 --> 00:12:55.595 All of our residents undergo
NOTE Confidence: 0.613610444

00:12:55.595 --> 00:12:57.327 mandatory anti bias training.
NOTE Confidence: 0.613610444

00:12:57.330 --> 00:12:59.720 Our faculty are gradually undergoing
NOTE Confidence: 0.613610444

00:12:59.720 --> 00:13:01.632 bystander training for microaggressions
NOTE Confidence: 0.613610444

00:13:01.632 --> 00:13:04.508 and this is one of the goals of the
NOTE Confidence: 0.613610444

00:13:04.508 --> 00:13:06.055 leadership within our diversity and
NOTE Confidence: 0.613610444

00:13:06.055 --> 00:13:08.568 Inclusion group is to do more of this.
NOTE Confidence: 0.613610444

00:13:08.568 --> 00:13:11.494 We have an innovation that we're very
NOTE Confidence: 0.613610444

00:13:11.494 --> 00:13:14.589 proud of called a health disparities
NOTE Confidence: 0.613610444

00:13:14.590 --> 00:13:16.798 clinical grand rounds and M&M conferences.
NOTE Confidence: 0.613610444

00:13:16.800 --> 00:13:18.798 We have one coming up Friday.
NOTE Confidence: 0.830263243181818

00:13:18.800 --> 00:13:21.904 Uh, where we focus on real cases from
NOTE Confidence: 0.830263243181818

00:13:21.904 --> 00:13:24.396 our department and we review ways
NOTE Confidence: 0.830263243181818

00:13:24.396 --> 00:13:26.856 in which health disparities may have
NOTE Confidence: 0.830263243181818

00:13:26.935 --> 00:13:29.710 contributed to the direction of their care.
NOTE Confidence: 0.830263243181818

00:13:29.710 --> 00:13:33.700 And this adds a layer of authenticity
NOTE Confidence: 0.830263243181818

00:13:33.700 --> 00:13:36.468 to these topics because it's it's in our
NOTE Confidence: 0.830263243181818

00:13:36.468 --> 00:13:38.541 community and these are patients that
NOTE Confidence: 0.830263243181818

00:13:38.541 --> 00:13:41.024 we are caring for and residents over
NOTE Confidence: 0.830263243181818

00:13:41.024 --> 00:13:42.964 the years developed novel educational
NOTE Confidence: 0.830263243181818

00:13:42.964 --> 00:13:45.000 tools focusing on health disparities,
NOTE Confidence: 0.830263243181818

00:13:45.000 --> 00:13:46.925 including a health disparities discussion
NOTE Confidence: 0.830263243181818

00:13:46.925 --> 00:13:49.869 group and journal club for medical students.
NOTE Confidence: 0.830263243181818

00:13:49.870 --> 00:13:51.318 Focused on neurological care,
NOTE Confidence: 0.830263243181818

00:13:51.318 --> 00:13:54.168 which I thought was really cool and was
NOTE Confidence: 0.830263243181818

00:13:54.168 --> 00:13:56.632 designed by a couple of our prior residents.
NOTE Confidence: 0.830263243181818

00:13:56.640 --> 00:13:58.400 A lot of people ask about our vision
NOTE Confidence: 0.830263243181818

00:13:58.400 --> 00:14:00.400 for the next 5 to 10 years and I'll
NOTE Confidence: 0.830263243181818

00:14:00.400 --> 00:14:01.450 just share that before.
NOTE Confidence: 0.830263243181818

00:14:01.450 --> 00:14:02.542 This is, I think,
NOTE Confidence: 0.830263243181818

00:14:02.542 --> 00:14:05.080 the last bit before we go to the panel.

NOTE Confidence: 0.830263243181818
00:14:05.080 --> 00:14:06.760 I think of this in terms of people,
NOTE Confidence: 0.830263243181818
00:14:06.760 --> 00:14:09.280 places and things and the people.
NOTE Confidence: 0.830263243181818
00:14:09.280 --> 00:14:10.584 This is you, right?
NOTE Confidence: 0.830263243181818
00:14:10.584 --> 00:14:12.540 The thing we're doing right now,
NOTE Confidence: 0.830263243181818
00:14:12.540 --> 00:14:14.580 the season we're starting
NOTE Confidence: 0.830263243181818
00:14:14.580 --> 00:14:16.390 is without question,
NOTE Confidence: 0.830263243181818
00:14:16.390 --> 00:14:18.076 the most important thing we do
NOTE Confidence: 0.830263243181818
00:14:18.076 --> 00:14:20.060 in the IT as a residency.
NOTE Confidence: 0.830263243181818
00:14:20.060 --> 00:14:22.112 And it's the most important part of my job.
NOTE Confidence: 0.830263243181818
00:14:22.120 --> 00:14:24.136 If I recruit the right people,
NOTE Confidence: 0.830263243181818
00:14:24.140 --> 00:14:26.499 we recruit the right people among you,
NOTE Confidence: 0.830263243181818
00:14:26.500 --> 00:14:31.240 among all of you, then the rest is is golden.
NOTE Confidence: 0.830263243181818
00:14:31.240 --> 00:14:33.100 It will go very well.
NOTE Confidence: 0.830263243181818
00:14:33.100 --> 00:14:35.680 So we're focusing on increased diversity
NOTE Confidence: 0.830263243181818
00:14:35.680 --> 00:14:38.120 in faculty and leadership positions.
NOTE Confidence: 0.830263243181818

00:14:38.120 --> 00:14:40.094 We also have an interest in developing

NOTE Confidence: 0.830263243181818

00:14:40.094 --> 00:14:41.892 in our hospital service with resident

NOTE Confidence: 0.830263243181818

00:14:41.892 --> 00:14:43.978 and AP staffing that will likely be

NOTE Confidence: 0.830263243181818

00:14:44.032 --> 00:14:46.093 within the five year plan and we have

NOTE Confidence: 0.830263243181818

00:14:46.093 --> 00:14:48.217 no plans to increase the size of our

NOTE Confidence: 0.830263243181818

00:14:48.217 --> 00:14:50.338 residency and the reason is we think

NOTE Confidence: 0.830263243181818

00:14:50.338 --> 00:14:52.260 residency is educationally focused.

NOTE Confidence: 0.830263243181818

00:14:52.260 --> 00:14:54.303 I had a long talk at our last resident

NOTE Confidence: 0.830263243181818

00:14:54.303 --> 00:14:55.893 meeting about this with our residents

NOTE Confidence: 0.830263243181818

00:14:55.893 --> 00:14:57.582 and there are much more efficient

NOTE Confidence: 0.830263243181818

00:14:57.582 --> 00:14:59.227 ways to meet staffing demands,

NOTE Confidence: 0.830263243181818

00:14:59.230 --> 00:15:00.865 including advanced practice

NOTE Confidence: 0.830263243181818

00:15:00.865 --> 00:15:02.500 providers and hospitals.

NOTE Confidence: 0.830263243181818

00:15:02.500 --> 00:15:06.388 We will break ground on a new neuroscience

NOTE Confidence: 0.830263243181818

00:15:06.388 --> 00:15:08.764 tower next week and that will likely

NOTE Confidence: 0.830263243181818

00:15:08.764 --> 00:15:11.489 be in place in the next five years.

NOTE Confidence: 0.830263243181818

00:15:11.490 --> 00:15:12.480 That's very exciting.

NOTE Confidence: 0.830263243181818

00:15:12.480 --> 00:15:13.444 It'll be state-of-the-art.

NOTE Confidence: 0.830263243181818

00:15:13.444 --> 00:15:15.876 More to come about that and we can

NOTE Confidence: 0.830263243181818

00:15:15.876 --> 00:15:17.790 talk about that in the interviews.

NOTE Confidence: 0.830263243181818

00:15:17.790 --> 00:15:19.920 And we will continue to expand

NOTE Confidence: 0.830263243181818

00:15:19.920 --> 00:15:22.430 rest of the career opportunities,

NOTE Confidence: 0.830263243181818

00:15:22.430 --> 00:15:23.885 research, leadership, advocacy,

NOTE Confidence: 0.830263243181818

00:15:23.885 --> 00:15:25.779 DI Global health, education.

NOTE Confidence: 0.830263243181818

00:15:25.779 --> 00:15:28.413 And we will continue to empower

NOTE Confidence: 0.830263243181818

00:15:28.413 --> 00:15:30.634 residents to make meaningful changes

NOTE Confidence: 0.830263243181818

00:15:30.634 --> 00:15:33.532 and and I have an enormous list.

NOTE Confidence: 0.830263243181818

00:15:33.540 --> 00:15:35.280 Of changes that residents have

NOTE Confidence: 0.830263243181818

00:15:35.280 --> 00:15:37.614 made in our program and changes

NOTE Confidence: 0.830263243181818

00:15:37.614 --> 00:15:39.726 that residents have precipitated.

NOTE Confidence: 0.830263243181818

00:15:39.730 --> 00:15:42.178 And I think the measure of a healthy

NOTE Confidence: 0.830263243181818

00:15:42.178 --> 00:15:44.192 and strong program is not whether
NOTE Confidence: 0.830263243181818

00:15:44.192 --> 00:15:46.649 or not there are problems or whether
NOTE Confidence: 0.830263243181818

00:15:46.649 --> 00:15:48.995 or not residents raise issues that
NOTE Confidence: 0.830263243181818

00:15:49.000 --> 00:15:50.470 that need to be addressed,
NOTE Confidence: 0.830263243181818

00:15:50.470 --> 00:15:52.117 but whether or not we do something about it.
NOTE Confidence: 0.830263243181818

00:15:52.120 --> 00:15:53.912 And and I feel very proud of our
NOTE Confidence: 0.830263243181818

00:15:53.912 --> 00:15:55.825 record of doing things about the
NOTE Confidence: 0.830263243181818

00:15:55.825 --> 00:15:57.237 concerns that residents raise.
NOTE Confidence: 0.830263243181818

00:15:57.240 --> 00:15:59.584 And this is my 9th year doing this
NOTE Confidence: 0.830263243181818

00:15:59.584 --> 00:16:01.980 job and and when I look back at
NOTE Confidence: 0.830263243181818

00:16:01.980 --> 00:16:03.680 the residency 9 years ago.
NOTE Confidence: 0.830263243181818

00:16:03.680 --> 00:16:05.780 It's unrecognizable, so it's really,
NOTE Confidence: 0.830263243181818

00:16:05.780 --> 00:16:06.545 it's really cool.
NOTE Confidence: 0.830263243181818

00:16:06.545 --> 00:16:08.780 And we have many faculty who are really
NOTE Confidence: 0.830263243181818

00:16:08.780 --> 00:16:10.740 interested in innovation and education.
NOTE Confidence: 0.830263243181818

00:16:10.740 --> 00:16:11.124 Personally,

NOTE Confidence: 0.830263243181818
00:16:11.124 --> 00:16:12.660 I am a doctor.
NOTE Confidence: 0.851989836666667
00:16:12.660 --> 00:16:14.676 Schaefer is as well and might speak to that.
NOTE Confidence: 0.851989836666667
00:16:14.680 --> 00:16:16.560 And a lot of us are really interested
NOTE Confidence: 0.851989836666667
00:16:16.560 --> 00:16:18.473 in sort of thinking into the future
NOTE Confidence: 0.851989836666667
00:16:18.473 --> 00:16:20.230 of how education is going to be.
NOTE Confidence: 0.851989836666667
00:16:20.230 --> 00:16:23.070 There's some nice happy people.
NOTE Confidence: 0.851989836666667
00:16:23.070 --> 00:16:25.610 This is our graduating class.
NOTE Confidence: 0.851989836666667
00:16:25.610 --> 00:16:26.498 We will miss them,
NOTE Confidence: 0.851989836666667
00:16:26.498 --> 00:16:28.420 for them are still here for fellowship.
NOTE Confidence: 0.851989836666667
00:16:28.420 --> 00:16:31.132 Here's our PG Y two class with their
NOTE Confidence: 0.851989836666667
00:16:31.132 --> 00:16:33.066 rainbow colored ***** packs containing
NOTE Confidence: 0.851989836666667
00:16:33.066 --> 00:16:34.778 all their neurological tools,
NOTE Confidence: 0.851989836666667
00:16:34.780 --> 00:16:36.808 which I thought was really cool.
NOTE Confidence: 0.851989836666667
00:16:36.810 --> 00:16:39.498 Our current PG Y four class at
NOTE Confidence: 0.851989836666667
00:16:39.498 --> 00:16:41.397 their annual dinner that that
NOTE Confidence: 0.851989836666667

00:16:41.397 --> 00:16:43.728 we do every year for the PY2.
NOTE Confidence: 0.851989836666667

00:16:43.730 --> 00:16:46.390 So this is a year and a half ago or so,
NOTE Confidence: 0.851989836666667

00:16:46.390 --> 00:16:48.190 and this is the welcome to the PG Y
NOTE Confidence: 0.851989836666667

00:16:48.190 --> 00:16:50.000 ones on one of the roofs and you can
NOTE Confidence: 0.851989836666667

00:16:50.000 --> 00:16:51.780 see the beautiful New Haven skyline
NOTE Confidence: 0.851989836666667

00:16:51.780 --> 00:16:53.790 with Yale University in the background.
NOTE Confidence: 0.851989836666667

00:16:53.790 --> 00:16:54.810 It's really nice.
NOTE Confidence: 0.851989836666667

00:16:54.810 --> 00:16:56.510 So just some nice pictures.
NOTE Confidence: 0.851989836666667

00:16:56.510 --> 00:16:57.952 It's a really nice place to train
NOTE Confidence: 0.851989836666667

00:16:57.952 --> 00:16:59.280 and we've got great reserves.
NOTE Confidence: 0.851989836666667

00:16:59.280 --> 00:17:01.000 I'm so proud of them.
NOTE Confidence: 0.851989836666667

00:17:01.000 --> 00:17:03.923 So on that note.
NOTE Confidence: 0.851989836666667

00:17:03.923 --> 00:17:06.029 I think I'll get our residence,
NOTE Confidence: 0.851989836666667

00:17:06.030 --> 00:17:08.865 turn the cameras back on, and I'll just.
NOTE Confidence: 0.851989836666667

00:17:08.865 --> 00:17:11.140 I'm going to ask in order for
NOTE Confidence: 0.851989836666667

00:17:11.218 --> 00:17:13.508 you to just introduce yourself.

NOTE Confidence: 0.851989836666667
00:17:13.510 --> 00:17:15.575 Say your name, your PG Y year.
NOTE Confidence: 0.851989836666667
00:17:15.580 --> 00:17:17.589 If you happen to be PG 4,
NOTE Confidence: 0.851989836666667
00:17:17.590 --> 00:17:20.886 you can say what career you're destined for.
NOTE Confidence: 0.851989836666667
00:17:20.890 --> 00:17:25.722 If not, maybe you can say one thing
NOTE Confidence: 0.851989836666667
00:17:25.722 --> 00:17:28.490 that you love about this program.
NOTE Confidence: 0.851989836666667
00:17:28.490 --> 00:17:29.996 So, Katie, I'll start with you.
NOTE Confidence: 0.851989836666667
00:17:30.000 --> 00:17:30.730 Katie zukowski.
NOTE Confidence: 0.846199725
00:17:32.450 --> 00:17:34.286 Hi everyone, my name is Katie.
NOTE Confidence: 0.846199725
00:17:34.290 --> 00:17:37.476 I'm one of the PGI fours and one of
NOTE Confidence: 0.846199725
00:17:37.476 --> 00:17:40.557 the recruitment chiefs this year.
NOTE Confidence: 0.846199725
00:17:40.560 --> 00:17:42.716 I will be going into movement disorders,
NOTE Confidence: 0.846199725
00:17:42.720 --> 00:17:45.618 I'll be staying here for fellowship,
NOTE Confidence: 0.846199725
00:17:45.620 --> 00:17:47.498 so really looking forward to that.
NOTE Confidence: 0.846199725
00:17:47.500 --> 00:17:48.451 Working with Doctor
NOTE Confidence: 0.846199725
00:17:48.451 --> 00:17:50.036 Schaefer who's on the call.
NOTE Confidence: 0.846199725

00:17:50.040 --> 00:17:51.482 She's one of our AP's and she
NOTE Confidence: 0.846199725

00:17:51.482 --> 00:17:53.160 also is the fellowship director.
NOTE Confidence: 0.810749174

00:17:54.810 --> 00:17:56.100 Danny, I think you're next.
NOTE Confidence: 0.747695681454545

00:17:57.510 --> 00:17:58.443 Hi, I'm Annie.
NOTE Confidence: 0.747695681454545

00:17:58.443 --> 00:18:01.070 I'm one of the PTI fours as well.
NOTE Confidence: 0.747695681454545

00:18:01.070 --> 00:18:03.842 I'm going to be doing a clinical
NOTE Confidence: 0.747695681454545

00:18:03.842 --> 00:18:05.030 neurophysiology fellowship down
NOTE Confidence: 0.747695681454545

00:18:05.093 --> 00:18:06.948 at the University of Virginia.
NOTE Confidence: 0.747695681454545

00:18:06.950 --> 00:18:09.134 I think one of my favorite things about
NOTE Confidence: 0.747695681454545

00:18:09.134 --> 00:18:10.890 this program other than the people,
NOTE Confidence: 0.747695681454545

00:18:10.890 --> 00:18:13.068 which is the obvious first answer,
NOTE Confidence: 0.747695681454545

00:18:13.070 --> 00:18:15.986 is the number of opportunities available.
NOTE Confidence: 0.747695681454545

00:18:15.990 --> 00:18:17.865 Everything is here for you
NOTE Confidence: 0.747695681454545

00:18:17.865 --> 00:18:20.479 if you reach out to grab it.
NOTE Confidence: 0.747695681454545

00:18:20.480 --> 00:18:21.470 Doctor Schaefer.
NOTE Confidence: 0.696743254285714

00:18:24.540 --> 00:18:28.719 Hi, I'm Sarah Schaefer. I'm an LAPD.

NOTE Confidence: 0.696743254285714
00:18:28.720 --> 00:18:30.570 Our AP's have some roles,
NOTE Confidence: 0.696743254285714
00:18:30.570 --> 00:18:32.718 so I'm kind of in the
NOTE Confidence: 0.696743254285714
00:18:32.718 --> 00:18:34.820 curriculum and assessment role.
NOTE Confidence: 0.696743254285714
00:18:34.820 --> 00:18:36.108 Whereas Jeff Dewey is
NOTE Confidence: 0.698280136666667
00:18:36.120 --> 00:18:37.350 Wellness and and
NOTE Confidence: 0.902363376666667
00:18:37.360 --> 00:18:38.620 Vanessa will introduce
NOTE Confidence: 0.899271257142857
00:18:38.630 --> 00:18:40.737 herself. I think she's on this call.
NOTE Confidence: 0.899271257142857
00:18:40.740 --> 00:18:43.683 And and I was a resident here and did
NOTE Confidence: 0.899271257142857
00:18:43.683 --> 00:18:46.840 my fellowship here disorders as well.
NOTE Confidence: 0.899271257142857
00:18:46.840 --> 00:18:49.360 So when Jeremy says that it was
NOTE Confidence: 0.899271257142857
00:18:49.360 --> 00:18:50.803 unrecognizable when he started
NOTE Confidence: 0.899271257142857
00:18:50.803 --> 00:18:53.048 nine years ago, I can attest to
NOTE Confidence: 0.899271257142857
00:18:53.048 --> 00:18:54.890 that because I was a resident.
NOTE Confidence: 0.899271257142857
00:18:54.890 --> 00:18:56.120 When that happened?
NOTE Confidence: 0.744607894285714
00:18:56.900 --> 00:19:00.414 Yeah, doc. Doctor Schaffer was a resident
NOTE Confidence: 0.744607894285714

00:19:00.420 --> 00:19:03.399 PG Y2 the the year I came to you.
NOTE Confidence: 0.744607894285714

00:19:03.400 --> 00:19:05.840 I remember that. And and I think among
NOTE Confidence: 0.744607894285714

00:19:05.840 --> 00:19:08.368 the many things that impressed me about
NOTE Confidence: 0.744607894285714

00:19:08.368 --> 00:19:10.999 Doctor Schaefer is the way she worked,
NOTE Confidence: 0.744607894285714

00:19:11.000 --> 00:19:13.420 the epic electronic medical record.
NOTE Confidence: 0.744607894285714

00:19:13.420 --> 00:19:14.914 It was kind of like Tom
NOTE Confidence: 0.744607894285714

00:19:14.914 --> 00:19:15.910 Cruise in Minority report.
NOTE Confidence: 0.744607894285714

00:19:15.910 --> 00:19:17.315 She was like doing things
NOTE Confidence: 0.744607894285714

00:19:17.315 --> 00:19:18.439 and moving screens around,
NOTE Confidence: 0.744607894285714

00:19:18.440 --> 00:19:21.080 and it was just absolutely incredible.
NOTE Confidence: 0.744607894285714

00:19:21.080 --> 00:19:24.272 I still can't keep up. All right,
NOTE Confidence: 0.744607894285714

00:19:24.272 --> 00:19:26.840 it looks like it's wine time with Claire,
NOTE Confidence: 0.744607894285714

00:19:26.840 --> 00:19:28.000 Izzy, JP, and Danielle.
NOTE Confidence: 0.744607894285714

00:19:28.000 --> 00:19:30.469 How about how about you each take a turn?
NOTE Confidence: 0.6904948475

00:19:34.180 --> 00:19:38.020 Trying to not like, drop her computer,
NOTE Confidence: 0.6904948475

00:19:38.020 --> 00:19:41.020 which is precariously perched.

NOTE Confidence: 0.05807206
00:19:46.320 --> 00:19:46.810 So
NOTE Confidence: 0.744464645
00:19:49.020 --> 00:19:50.688 you're on the edge.
NOTE Confidence: 0.60034891
00:19:56.300 --> 00:20:00.160 My name is. I'm. You want
NOTE Confidence: 0.47922423432
00:20:00.170 --> 00:20:03.624 to? An IMG I'm from Brazil last
NOTE Confidence: 0.47922423432
00:20:03.624 --> 00:20:06.135 year for my PY one year about this
NOTE Confidence: 0.47922423432
00:20:06.135 --> 00:20:07.680 program is the amount of support
NOTE Confidence: 0.94395767
00:20:07.910 --> 00:20:11.930 that we get from our faculty and support
NOTE Confidence: 0.94395767
00:20:11.930 --> 00:20:17.110 from other faculty like the P UI-1 year.
NOTE Confidence: 0.94395767
00:20:17.110 --> 00:20:19.973 You kind of very much included with the
NOTE Confidence: 0.94395767
00:20:19.973 --> 00:20:22.637 other residents you don't feel like left out
NOTE Confidence: 0.800530902
00:20:22.650 --> 00:20:24.640 in any way. And yeah,
NOTE Confidence: 0.91451274
00:20:24.650 --> 00:20:26.941 and also the people for sure, my,
NOTE Confidence: 0.91451274
00:20:26.941 --> 00:20:29.350 my Co residents are my best friends
NOTE Confidence: 0.91451274
00:20:29.350 --> 00:20:31.822 and we've grown really tight,
NOTE Confidence: 0.91451274
00:20:31.822 --> 00:20:33.990 really fast and yeah,
NOTE Confidence: 0.91451274

00:20:33.990 --> 00:20:38.130 it's just great. Maybe frozen?
NOTE Confidence: 0.662208236833333
00:20:39.030 --> 00:20:41.028 No, you're good. We heard you.
NOTE Confidence: 0.8254692825
00:20:44.480 --> 00:20:47.340 You spoke too soon. Like?
NOTE Confidence: 0.952343358333333
00:20:49.680 --> 00:20:50.988 Maybe we should go to someone
NOTE Confidence: 0.943031906666667
00:20:51.000 --> 00:20:52.290 else and come back to them.
NOTE Confidence: 0.826147472857143
00:20:52.500 --> 00:20:54.355 Yeah, I think that's a good idea.
NOTE Confidence: 0.826147472857143
00:20:54.360 --> 00:20:55.089 They're probably working
NOTE Confidence: 0.826147472857143
00:20:55.089 --> 00:20:56.310 on their Internet, Nick.
NOTE Confidence: 0.690984849583333
00:20:58.550 --> 00:21:00.938 Shared Internet is over at my
NOTE Confidence: 0.690984849583333
00:21:00.938 --> 00:21:03.460 apartment and not over at Claires.
NOTE Confidence: 0.690984849583333
00:21:03.460 --> 00:21:05.688 So sometimes we have technical difficulties.
NOTE Confidence: 0.6934653025
00:21:05.740 --> 00:21:07.468 You guys share Wi-Fi?
NOTE Confidence: 0.14438921
00:21:08.520 --> 00:21:10.548 Correct. Half the price
NOTE Confidence: 0.807882666
00:21:10.550 --> 00:21:13.098 right next to each other, half the success.
NOTE Confidence: 0.66027125
00:21:16.330 --> 00:21:18.750 We share a wall. Yeah, we do share a wall.
NOTE Confidence: 0.75756219
00:21:19.190 --> 00:21:21.115 My name is Claire. I'm from Canada

NOTE Confidence: 0.698976395555556
00:21:21.130 --> 00:21:21.520 slash Ireland.
NOTE Confidence: 0.698976395555556
00:21:21.520 --> 00:21:22.885 I did in that school in Ireland.
NOTE Confidence: 0.698976395555556
00:21:22.890 --> 00:21:24.250 I'm a dual citizen.
NOTE Confidence: 0.698976395555556
00:21:24.250 --> 00:21:27.010 I grew up in Canada, PG Y2 as well.
NOTE Confidence: 0.698976395555556
00:21:27.010 --> 00:21:28.600 My favorite thing about the program
NOTE Confidence: 0.698976395555556
00:21:28.659 --> 00:21:30.850 other than the people is really hard
NOTE Confidence: 0.698976395555556
00:21:30.850 --> 00:21:32.430 because it's obviously the people.
NOTE Confidence: 0.698976395555556
00:21:32.430 --> 00:21:35.030 These guys are the best.
NOTE Confidence: 0.698976395555556
00:21:35.030 --> 00:21:38.350 But I I really like like living in New Haven.
NOTE Confidence: 0.698976395555556
00:21:38.350 --> 00:21:39.687 I think it's actually kind of nice.
NOTE Confidence: 0.698976395555556
00:21:39.690 --> 00:21:40.430 Like everything.
NOTE Confidence: 0.698976395555556
00:21:40.430 --> 00:21:41.910 Everything is walking distance.
NOTE Confidence: 0.698976395555556
00:21:41.910 --> 00:21:43.158 Like there's kind of one of
NOTE Confidence: 0.698976395555556
00:21:43.158 --> 00:21:43.990 everything that you need.
NOTE Confidence: 0.698976395555556
00:21:43.990 --> 00:21:45.676 I really like cycling and there's
NOTE Confidence: 0.698976395555556

00:21:45.676 --> 00:21:46.800 like really beautiful places.
NOTE Confidence: 0.698976395555556

00:21:46.800 --> 00:21:48.114 Cycle around here.
NOTE Confidence: 0.698976395555556

00:21:48.114 --> 00:21:51.180 So I'm I'm very happy living here.
NOTE Confidence: 0.698976395555556

00:21:51.180 --> 00:21:52.566 I was a little scared to move to the
NOTE Confidence: 0.698976395555556

00:21:52.566 --> 00:21:54.148 US and and I was very happy with that.
NOTE Confidence: 0.62067961125

00:21:56.840 --> 00:21:59.675 Hi, I'm Izzy. I am originally from
NOTE Confidence: 0.62067961125

00:21:59.675 --> 00:22:01.135 Vietnam, but did my Med school
NOTE Confidence: 0.62067961125

00:22:01.135 --> 00:22:03.130 in Canada, so I'm also an IMG.
NOTE Confidence: 0.4804191948

00:22:05.350 --> 00:22:10.237 And I am also a PY2I.
NOTE Confidence: 0.4804191948

00:22:10.237 --> 00:22:13.759 Have really liked it here because
NOTE Confidence: 0.4804191948

00:22:13.759 --> 00:22:17.222 of I think similar sort of like.
NOTE Confidence: 0.4804191948

00:22:17.222 --> 00:22:20.190 New Haven is quite nice in terms
NOTE Confidence: 0.4804191948

00:22:20.286 --> 00:22:22.235 of like proximity to New York
NOTE Confidence: 0.4804191948

00:22:22.235 --> 00:22:24.006 City and also just like in and
NOTE Confidence: 0.4804191948

00:22:24.006 --> 00:22:25.857 of itself has great things to do
NOTE Confidence: 0.4804191948

00:22:25.857 --> 00:22:27.649 in and around the area and small

NOTE Confidence: 0.4804191948

00:22:27.708 --> 00:22:29.528 cute little towns you can go to.

NOTE Confidence: 0.4804191948

00:22:29.530 --> 00:22:31.654 And we definitely have the free

NOTE Confidence: 0.4804191948

00:22:31.654 --> 00:22:34.769 time to go and explore those things.

NOTE Confidence: 0.4804191948

00:22:34.770 --> 00:22:36.146 And I think again,

NOTE Confidence: 0.4804191948

00:22:36.146 --> 00:22:39.389 I think we missed it when JP was saying,

NOTE Confidence: 0.4804191948

00:22:39.390 --> 00:22:42.190 but sort of the support we've gotten

NOTE Confidence: 0.4804191948

00:22:42.190 --> 00:22:44.270 from everybody has been really nice

NOTE Confidence: 0.4804191948

00:22:44.270 --> 00:22:46.190 and it's been a great learning

NOTE Confidence: 0.4804191948

00:22:46.260 --> 00:22:48.790 opportunity in terms of like.

NOTE Confidence: 0.4804191948

00:22:48.790 --> 00:22:51.100 Being first time in the US and

NOTE Confidence: 0.4804191948

00:22:51.100 --> 00:22:53.686 practicing and then sort of having that.

NOTE Confidence: 0.4804191948

00:22:53.686 --> 00:22:57.080 Background in base for which to build up on.

NOTE Confidence: 0.4804191948

00:22:57.080 --> 00:22:59.131 So like we all did our internal

NOTE Confidence: 0.4804191948

00:22:59.131 --> 00:23:00.909 medicine year here and it's it

NOTE Confidence: 0.4804191948

00:23:00.909 --> 00:23:02.589 was a great experience as well.

NOTE Confidence: 0.8320625

00:23:04.810 --> 00:23:07.154 I'm Danielle, also PG, I2.
NOTE Confidence: 0.8320625

00:23:07.154 --> 00:23:09.734 I'm from Massachusetts, outside of Boston.
NOTE Confidence: 0.8320625

00:23:09.734 --> 00:23:11.374 I did medical school at
NOTE Confidence: 0.8320625

00:23:11.374 --> 00:23:13.810 Oakland University in Michigan,
NOTE Confidence: 0.8320625

00:23:13.810 --> 00:23:16.274 and I would like to echo what
NOTE Confidence: 0.8320625

00:23:16.274 --> 00:23:17.920 everyone else said so far,
NOTE Confidence: 0.8320625

00:23:17.920 --> 00:23:22.066 but also I love how we.
NOTE Confidence: 0.8320625

00:23:22.070 --> 00:23:24.894 Get to see so many different
NOTE Confidence: 0.8320625

00:23:24.894 --> 00:23:26.310 things in this program.
NOTE Confidence: 0.8320625

00:23:26.310 --> 00:23:29.910 We have multiple different consult services,
NOTE Confidence: 0.8320625

00:23:29.910 --> 00:23:31.716 different primary services,
NOTE Confidence: 0.8320625

00:23:31.716 --> 00:23:34.124 different couple different hospitals.
NOTE Confidence: 0.8320625

00:23:34.130 --> 00:23:37.420 We rotated in every subspecialty.
NOTE Confidence: 0.8320625

00:23:37.420 --> 00:23:39.580 So you really get to see a wide breadth,
NOTE Confidence: 0.8320625

00:23:39.580 --> 00:23:41.351 breadth and get a lot of experience
NOTE Confidence: 0.8320625

00:23:41.351 --> 00:23:43.088 in the different areas of neurology.

NOTE Confidence: 0.728323581666667

00:23:44.650 --> 00:23:47.638 It's excellent. Alright Nick, you're up.

NOTE Confidence: 0.19417995

00:23:48.140 --> 00:23:49.906 I'm up. Hello everyone.

NOTE Confidence: 0.19417995

00:23:49.906 --> 00:23:51.850 I'm nick. I am another

NOTE Confidence: 0.591133458

00:23:51.860 --> 00:23:54.840 one of many PY twos here. Umm,

NOTE Confidence: 0.591133458

00:23:54.840 --> 00:23:57.030 I am actually originally from Connecticut.

NOTE Confidence: 0.591133458

00:23:57.030 --> 00:23:59.820 I grew up in a town called by.

NOTE Confidence: 0.591133458

00:23:59.820 --> 00:24:01.870 Went to UConn from Med school.

NOTE Confidence: 0.591133458

00:24:01.870 --> 00:24:04.350 Umm, trying to think.

NOTE Confidence: 0.591133458

00:24:04.350 --> 00:24:05.706 You would think after all the

NOTE Confidence: 0.591133458

00:24:05.706 --> 00:24:07.509 amount of time I had to prep a

NOTE Confidence: 0.591133458

00:24:07.509 --> 00:24:08.775 really good answer for what I

NOTE Confidence: 0.591133458

00:24:08.832 --> 00:24:10.307 liked most about this program,

NOTE Confidence: 0.591133458

00:24:10.310 --> 00:24:11.270 besides the people,

NOTE Confidence: 0.591133458

00:24:11.270 --> 00:24:14.050 I would have come up with an answer,

NOTE Confidence: 0.591133458

00:24:14.050 --> 00:24:17.610 but everyone like took mine.

NOTE Confidence: 0.591133458

00:24:17.610 --> 00:24:19.670 I really liked what correct.
NOTE Confidence: 0.591133458

00:24:19.670 --> 00:24:21.510 I really liked what Danielle
NOTE Confidence: 0.591133458

00:24:21.510 --> 00:24:24.930 said really about I I think.
NOTE Confidence: 0.591133458

00:24:24.930 --> 00:24:28.590 The vast variety that we get of
NOTE Confidence: 0.591133458

00:24:28.590 --> 00:24:30.142 all the different presentations
NOTE Confidence: 0.591133458

00:24:30.142 --> 00:24:32.307 that come through the hospital,
NOTE Confidence: 0.591133458

00:24:32.310 --> 00:24:36.683 Yale New Haven is like you see a lot of
NOTE Confidence: 0.591133458

00:24:36.683 --> 00:24:38.748 really interesting cases because the
NOTE Confidence: 0.591133458

00:24:38.748 --> 00:24:41.310 way that it's positioned in the state.
NOTE Confidence: 0.591133458

00:24:41.310 --> 00:24:43.894 We see a lot of not only
NOTE Confidence: 0.591133458

00:24:43.894 --> 00:24:44.830 of southern Connecticut,
NOTE Confidence: 0.591133458

00:24:44.830 --> 00:24:46.234 but you know going in towards
NOTE Confidence: 0.591133458

00:24:46.234 --> 00:24:47.989 New York to the West and then
NOTE Confidence: 0.591133458

00:24:47.989 --> 00:24:49.513 into Rhode Island to the east.
NOTE Confidence: 0.591133458

00:24:49.520 --> 00:24:53.210 So we really cover a really large breadth of,
NOTE Confidence: 0.591133458

00:24:53.210 --> 00:24:55.736 you know, patient demographics and diversity.

NOTE Confidence: 0.591133458

00:24:55.740 --> 00:24:57.516 And so with that comes really,

NOTE Confidence: 0.591133458

00:24:57.520 --> 00:24:58.940 really fascinating pathology that

NOTE Confidence: 0.591133458

00:24:58.940 --> 00:25:01.662 we really get to learn from and we

NOTE Confidence: 0.591133458

00:25:01.662 --> 00:25:03.517 take advantage of and we have the,

NOTE Confidence: 0.591133458

00:25:03.520 --> 00:25:05.510 we have the privilege of, you know,

NOTE Confidence: 0.591133458

00:25:05.510 --> 00:25:07.424 taking care of like really, really,

NOTE Confidence: 0.591133458

00:25:07.424 --> 00:25:10.763 really, really great folks on our service.

NOTE Confidence: 0.591133458

00:25:10.763 --> 00:25:12.170 So I would say that that would

NOTE Confidence: 0.591133458

00:25:12.222 --> 00:25:13.846 probably be my, my number one,

NOTE Confidence: 0.591133458

00:25:13.846 --> 00:25:15.778 you know people and you know,

NOTE Confidence: 0.591133458

00:25:15.780 --> 00:25:16.780 faculty aside.

NOTE Confidence: 0.724124735

00:25:18.220 --> 00:25:20.776 Alright, and then Harry and Christine?

NOTE Confidence: 0.901677

00:25:25.900 --> 00:25:28.318 Hi everybody, my name is Christine Gummerson.

NOTE Confidence: 0.901677

00:25:28.318 --> 00:25:32.644 I'm APTY 3, emergently from Baltimore City.

NOTE Confidence: 0.901677

00:25:32.650 --> 00:25:34.575 Mary and I are a neuro couple,

NOTE Confidence: 0.901677

00:25:34.580 --> 00:25:36.510 so let him introduce himself as well.
NOTE Confidence: 0.6245410633333333

00:25:41.810 --> 00:25:45.293 So, so Harry is a PGA for going into.
NOTE Confidence: 0.09447402

00:25:48.220 --> 00:25:50.970 I, our Co residents have already said so
NOTE Confidence: 0.09447402

00:25:50.970 --> 00:25:53.360 many things that we would echo in terms of
NOTE Confidence: 0.09447402

00:25:53.360 --> 00:25:55.080 our favorite things about this program.
NOTE Confidence: 0.09447402

00:25:55.080 --> 00:25:57.395 Umm to add to that, I can't echo
NOTE Confidence: 0.09447402

00:25:57.395 --> 00:25:59.020 enough doctor what doctor Mueller
NOTE Confidence: 0.09447402

00:25:59.020 --> 00:26:01.514 said about the value of being in a
NOTE Confidence: 0.09447402

00:26:01.514 --> 00:26:03.467 program that values feedback and really
NOTE Confidence: 0.09447402

00:26:03.467 --> 00:26:05.591 works to incorporate that into the
NOTE Confidence: 0.09447402

00:26:05.591 --> 00:26:07.320 day-to-day lives of our residents.
NOTE Confidence: 0.09447402

00:26:07.320 --> 00:26:09.700 And I think that continues to speak
NOTE Confidence: 0.09447402

00:26:09.771 --> 00:26:12.018 to the the people in our community.
NOTE Confidence: 0.09447402

00:26:12.020 --> 00:26:12.968 For those of you,
NOTE Confidence: 0.09447402

00:26:12.968 --> 00:26:15.426 I'm kind of from a big city that also
NOTE Confidence: 0.09447402

00:26:15.426 --> 00:26:17.364 sometimes feels like a small town.

NOTE Confidence: 0.09447402

00:26:17.370 --> 00:26:19.211 And I, I would describe our community

NOTE Confidence: 0.09447402

00:26:19.211 --> 00:26:21.170 as such else such a big community,

NOTE Confidence: 0.09447402

00:26:21.170 --> 00:26:23.290 but it really feels like a small one.

NOTE Confidence: 0.09447402

00:26:23.290 --> 00:26:25.046 At the same time,

NOTE Confidence: 0.09447402

00:26:25.046 --> 00:26:27.241 our residency program is very

NOTE Confidence: 0.09447402

00:26:27.241 --> 00:26:29.090 tight in that respect,

NOTE Confidence: 0.09447402

00:26:29.090 --> 00:26:30.721 but we also have colleagues that we

NOTE Confidence: 0.09447402

00:26:30.721 --> 00:26:32.452 see in public through the hallways

NOTE Confidence: 0.09447402

00:26:32.452 --> 00:26:34.087 and have great relationships with.

NOTE Confidence: 0.09447402

00:26:34.090 --> 00:26:35.749 So we're excited to answer your questions.

NOTE Confidence: 0.09447402

00:26:35.750 --> 00:26:36.806 We're excited you're here.

NOTE Confidence: 0.09447402

00:26:36.806 --> 00:26:38.126 Thank you for joining us.

NOTE Confidence: 0.09447402

00:26:38.130 --> 00:26:40.330 Anything else that you have?

NOTE Confidence: 0.09447402

00:26:40.330 --> 00:26:42.568 Yeah, I think for for myself,

NOTE Confidence: 0.09447402

00:26:42.570 --> 00:26:44.544 one of the things that really said

NOTE Confidence: 0.09447402

00:26:44.544 --> 00:26:46.309 yellow part when I was interviewing
NOTE Confidence: 0.09447402

00:26:46.309 --> 00:26:48.490 was just how many skilled and
NOTE Confidence: 0.09447402

00:26:48.490 --> 00:26:50.170 accomplished medical you have.
NOTE Confidence: 0.09447402

00:26:50.170 --> 00:26:51.530 So I'm one of the education chiefs
NOTE Confidence: 0.09447402

00:26:51.530 --> 00:26:52.706 is obviously a thing that I've
NOTE Confidence: 0.09447402

00:26:52.710 --> 00:26:54.990 been interested in doing for a
NOTE Confidence: 0.09447402

00:26:54.990 --> 00:26:57.230 while and I saw just how many.
NOTE Confidence: 0.09447402

00:26:57.230 --> 00:27:00.210 Of the faculty and program leadership,
NOTE Confidence: 0.09447402

00:27:00.210 --> 00:27:03.014 have advanced training in medical education
NOTE Confidence: 0.09447402

00:27:03.014 --> 00:27:04.946 and have projects they put together.
NOTE Confidence: 0.09447402

00:27:04.950 --> 00:27:05.915 I thought that was definitely
NOTE Confidence: 0.09447402

00:27:05.915 --> 00:27:07.290 a place that I had to be at.
NOTE Confidence: 0.7988628

00:27:10.000 --> 00:27:11.740 Alright, Sloan, I think you're next.
NOTE Confidence: 0.712891904

00:27:14.230 --> 00:27:16.530 Cool. Hey everybody, I'm Sloan.
NOTE Confidence: 0.712891904

00:27:16.530 --> 00:27:19.370 I am one of the PUA fours.
NOTE Confidence: 0.712891904

00:27:19.370 --> 00:27:20.760 I am actually dual trained

NOTE Confidence: 0.8572181
00:27:20.770 --> 00:27:22.670 in internal medicine and neuro,
NOTE Confidence: 0.8572181
00:27:22.670 --> 00:27:25.970 and so rather than pursuing a fellowship,
NOTE Confidence: 0.8572181
00:27:25.970 --> 00:27:29.250 I am, I'll be moving on to an
NOTE Confidence: 0.8572181
00:27:29.250 --> 00:27:31.120 attending job that is attempting
NOTE Confidence: 0.8572181
00:27:31.120 --> 00:27:32.900 to bridge both of those things.
NOTE Confidence: 0.532108999
00:27:34.350 --> 00:27:36.750 I, oh, I am a research
NOTE Confidence: 0.846334652857143
00:27:36.760 --> 00:27:38.452 chief this year, which is super
NOTE Confidence: 0.846334652857143
00:27:38.452 --> 00:27:40.044 exciting and Jeremy mentioned a little
NOTE Confidence: 0.846334652857143
00:27:40.044 --> 00:27:41.874 bit about our 25 and our research
NOTE Confidence: 0.846334652857143
00:27:41.874 --> 00:27:43.342 track and we're working this year
NOTE Confidence: 0.846334652857143
00:27:43.342 --> 00:27:45.090 to develop that a little bit more,
NOTE Confidence: 0.846334652857143
00:27:45.090 --> 00:27:47.038 create a new curriculum and a little
NOTE Confidence: 0.846334652857143
00:27:47.040 --> 00:27:49.404 bit more one-on-one support to help
NOTE Confidence: 0.846334652857143
00:27:49.404 --> 00:27:51.903 everybody access all of the really amazing
NOTE Confidence: 0.846334652857143
00:27:51.910 --> 00:27:54.300 resources that we have available to us.
NOTE Confidence: 0.8702520711111111

00:27:55.190 --> 00:27:56.302 My favorite thing about
NOTE Confidence: 0.8702520711111111

00:27:56.302 --> 00:27:57.692 our program is how much
NOTE Confidence: 0.90804341

00:27:57.710 --> 00:27:59.180 fun we have at work.
NOTE Confidence: 0.674692126

00:28:00.510 --> 00:28:02.420 You know, we're everybody's primary
NOTE Confidence: 0.94849787625

00:28:02.430 --> 00:28:03.726 job is to take care of
NOTE Confidence: 0.94849787625

00:28:03.726 --> 00:28:05.060 our patients, right? And
NOTE Confidence: 0.524850505

00:28:05.290 --> 00:28:07.510 we are, I'm have
NOTE Confidence: 0.6741301033333333

00:28:07.520 --> 00:28:08.639 the most phenomenally
NOTE Confidence: 0.8093777322222222

00:28:08.650 --> 00:28:10.065 skilled Co residents and there's
NOTE Confidence: 0.8093777322222222

00:28:10.065 --> 00:28:11.480 something so lovely about the
NOTE Confidence: 0.8093777322222222

00:28:11.530 --> 00:28:12.930 comfort that you feel from
NOTE Confidence: 0.8093777322222222

00:28:12.930 --> 00:28:14.590 having your colleagues with you.
NOTE Confidence: 0.8093777322222222

00:28:14.590 --> 00:28:16.586 But even above that, just like
NOTE Confidence: 0.8093777322222222

00:28:16.586 --> 00:28:18.298 how much fun we managed to have
NOTE Confidence: 0.6990998033333333

00:28:18.790 --> 00:28:20.458 Claire and I run together overnight
NOTE Confidence: 0.9020269233333333

00:28:20.470 --> 00:28:23.980 and we had this guy who coded

NOTE Confidence: 0.792621243333333
00:28:23.990 --> 00:28:26.878 and we got his pulses back and then
NOTE Confidence: 0.792621243333333
00:28:26.878 --> 00:28:28.398 he like was following commands
NOTE Confidence: 0.792621243333333
00:28:28.398 --> 00:28:29.854 and doing all the things and like,
NOTE Confidence: 0.8355479275
00:28:29.870 --> 00:28:32.838 we all just. Applauded.
NOTE Confidence: 0.8355479275
00:28:32.840 --> 00:28:33.940 It was just a really fun
NOTE Confidence: 0.8355479275
00:28:33.940 --> 00:28:34.900 environment to be in.
NOTE Confidence: 0.8355479275
00:28:34.900 --> 00:28:36.665 Even though we were doing
NOTE Confidence: 0.8355479275
00:28:36.665 --> 00:28:38.077 like really serious medicine,
NOTE Confidence: 0.8355479275
00:28:38.080 --> 00:28:40.069 we all managed to have a lot of fun.
NOTE Confidence: 0.29603863
00:28:41.900 --> 00:28:43.886 That's you and I just
NOTE Confidence: 0.29603863
00:28:43.886 --> 00:28:45.156 finished about a month ago,
NOTE Confidence: 0.807787397777778
00:28:45.160 --> 00:28:46.777 two weeks on together where you were
NOTE Confidence: 0.807787397777778
00:28:46.777 --> 00:28:49.480 the senior, and I think we had a blast.
NOTE Confidence: 0.807787397777778
00:28:49.480 --> 00:28:51.468 I think we share the same irreverent
NOTE Confidence: 0.807787397777778
00:28:51.468 --> 00:28:53.088 sense of humor. In some ways,
NOTE Confidence: 0.851522953333333

00:28:53.780 --> 00:28:56.770 we did have a lot of fun. I highly recommend

NOTE Confidence: 0.833761847692308

00:28:56.780 --> 00:28:58.144 everybody who is seriously

NOTE Confidence: 0.833761847692308

00:28:58.144 --> 00:28:59.849 considering joining our program that

NOTE Confidence: 0.833761847692308

00:28:59.849 --> 00:29:01.618 you watch Arrested Development,

NOTE Confidence: 0.833761847692308

00:29:01.620 --> 00:29:03.450 because you'll get a lot more of our jokes.

NOTE Confidence: 0.79312343

00:29:05.280 --> 00:29:06.360 All right, Celia.

NOTE Confidence: 0.869827853333333

00:29:09.470 --> 00:29:11.360 Hey everyone, my name is Celia.

NOTE Confidence: 0.632097571833333

00:29:13.440 --> 00:29:16.158 And I'm originally from New Jersey,

NOTE Confidence: 0.632097571833333

00:29:16.160 --> 00:29:17.685 but I did medical school

NOTE Confidence: 0.632097571833333

00:29:17.685 --> 00:29:19.500 in Rochester, so go build.

NOTE Confidence: 0.632097571833333

00:29:19.500 --> 00:29:23.396 What I love about you on this program is

NOTE Confidence: 0.632097571833333

00:29:23.396 --> 00:29:27.008 how truly excited every resident and every

NOTE Confidence: 0.632097571833333

00:29:27.008 --> 00:29:30.019 attending that I've ever worked with.

NOTE Confidence: 0.632097571833333

00:29:30.020 --> 00:29:32.580 Is about teaching.

NOTE Confidence: 0.632097571833333

00:29:32.580 --> 00:29:35.300 I feel like they've created such a state,

NOTE Confidence: 0.632097571833333

00:29:35.300 --> 00:29:37.270 such a safe space for us to

NOTE Confidence: 0.632097571833333
00:29:37.270 --> 00:29:38.720 make mistake and ask questions.
NOTE Confidence: 0.632097571833333
00:29:38.720 --> 00:29:42.320 It's just like the best place to train.
NOTE Confidence: 0.632097571833333
00:29:42.320 --> 00:29:42.938 In my opinion.
NOTE Confidence: 0.94081444
00:29:47.180 --> 00:29:47.840 Vanessa?
NOTE Confidence: 0.82628406375
00:29:51.730 --> 00:29:54.098 Everyone I like kind of lost my voice,
NOTE Confidence: 0.82628406375
00:29:54.100 --> 00:29:58.490 so I'll try to be quick. My name is.
NOTE Confidence: 0.82612784
00:30:01.120 --> 00:30:02.380 My name is Vanessa Cooper.
NOTE Confidence: 0.82612784
00:30:02.380 --> 00:30:04.290 I'm one of the associate AD
NOTE Confidence: 0.82612784
00:30:04.300 --> 00:30:06.050 for diversity and inclusion.
NOTE Confidence: 0.82612784
00:30:06.050 --> 00:30:07.625 I did my residency here
NOTE Confidence: 0.82612784
00:30:07.625 --> 00:30:09.297 as well as intern here.
NOTE Confidence: 0.82612784
00:30:09.297 --> 00:30:11.010 I'm a headache specialist
NOTE Confidence: 0.7149081
00:30:11.280 --> 00:30:12.408 practice in Milford
NOTE Confidence: 0.799198975555556
00:30:12.420 --> 00:30:14.625 and I do the resident clinic in New Haven.
NOTE Confidence: 0.755205691428571
00:30:15.260 --> 00:30:17.087 If everything about program when I was
NOTE Confidence: 0.772396375

00:30:17.100 --> 00:30:18.648 in training is that
NOTE Confidence: 0.877250657142857

00:30:19.370 --> 00:30:22.090 majority of my class, I think 80%. We all did
NOTE Confidence: 0.673503828

00:30:22.100 --> 00:30:23.250 our intern year at Yale,
NOTE Confidence: 0.8962908

00:30:23.260 --> 00:30:25.114 so we actually became really close
NOTE Confidence: 0.8962908

00:30:25.114 --> 00:30:28.120 and before we graduated from intern
NOTE Confidence: 0.8962908

00:30:28.120 --> 00:30:29.866 the Internal Medicine program, we all.
NOTE Confidence: 0.8962908

00:30:29.866 --> 00:30:31.570 It's a good trip to Miami together.
NOTE Confidence: 0.8962908

00:30:31.570 --> 00:30:35.140 She was like amazing, my great bonding.
NOTE Confidence: 0.5970928425

00:30:35.200 --> 00:30:37.523 And then we started PUITR and a lot
NOTE Confidence: 0.5970928425

00:30:37.523 --> 00:30:39.054 of us end up staying for fellowship.
NOTE Confidence: 0.5970928425

00:30:39.054 --> 00:30:41.016 And then we were in each other's weddings,
NOTE Confidence: 0.809255631666667

00:30:41.030 --> 00:30:43.350 and then we all had babies together.
NOTE Confidence: 0.790143885

00:30:43.350 --> 00:30:44.723 So it was really nice,
NOTE Confidence: 0.790143885

00:30:44.723 --> 00:30:46.096 like family female tennis.
NOTE Confidence: 0.790143885

00:30:46.096 --> 00:30:47.658 Second thing I really like
NOTE Confidence: 0.790143885

00:30:47.658 --> 00:30:49.168 about Yale is that there's

NOTE Confidence: 0.790143885

00:30:49.168 --> 00:30:50.380 like no County Hospital,

NOTE Confidence: 0.790143885

00:30:50.380 --> 00:30:51.676 which is really common.

NOTE Confidence: 0.790143885

00:30:51.676 --> 00:30:53.506 So I'm from New York

NOTE Confidence: 0.790143885

00:30:53.510 --> 00:30:55.078 and it's really common

NOTE Confidence: 0.848532046666667

00:30:55.090 --> 00:30:56.320 that major institutions

NOTE Confidence: 0.763086605

00:30:56.390 --> 00:30:57.650 have like a County Hospital where

NOTE Confidence: 0.833823135555555

00:30:57.660 --> 00:30:59.550 like a lot of fun and short or under

NOTE Confidence: 0.833823135555555

00:30:59.550 --> 00:31:01.318 serving. Communities go to, but like

NOTE Confidence: 0.771568082

00:31:01.330 --> 00:31:03.058 everyone gets treated at

NOTE Confidence: 0.771568082

00:31:03.058 --> 00:31:04.938 Yale and we see a vast

NOTE Confidence: 0.74559818

00:31:04.950 --> 00:31:06.318 majority of patients

NOTE Confidence: 0.662938046666667

00:31:06.330 --> 00:31:07.098 on whether it's

NOTE Confidence: 0.903540166666667

00:31:07.110 --> 00:31:09.219 uninsured, Medicaid, Medicare

NOTE Confidence: 0.7016002675

00:31:09.490 --> 00:31:11.765 like you know, patients are

NOTE Confidence: 0.7016002675

00:31:11.765 --> 00:31:13.130 really great insurance,

NOTE Confidence: 0.7016002675

00:31:13.130 --> 00:31:17.240 cash only patients, etcetera. OK.
NOTE Confidence: 0.8905773133333333

00:31:20.800 --> 00:31:22.420 Thanks, Vanessa. I think this is,
NOTE Confidence: 0.8905773133333333

00:31:22.420 --> 00:31:24.772 I think you raise a great point and
NOTE Confidence: 0.8905773133333333

00:31:24.772 --> 00:31:26.724 actually it's one that I mentioned
NOTE Confidence: 0.8905773133333333

00:31:26.724 --> 00:31:28.344 when people ask is something
NOTE Confidence: 0.8905773133333333

00:31:28.344 --> 00:31:30.296 that really makes us stand out.
NOTE Confidence: 0.8905773133333333

00:31:30.300 --> 00:31:35.116 As a very large urban academic hospital,
NOTE Confidence: 0.8905773133333333

00:31:35.120 --> 00:31:37.136 it's the it's the only show in town,
NOTE Confidence: 0.8905773133333333

00:31:37.140 --> 00:31:38.540 right Yale New Haven Hospital,
NOTE Confidence: 0.8905773133333333

00:31:38.540 --> 00:31:40.212 is it, you know,
NOTE Confidence: 0.8905773133333333

00:31:40.212 --> 00:31:43.660 with the exception of the VA hospital.
NOTE Confidence: 0.8905773133333333

00:31:43.660 --> 00:31:45.724 And it's not like there's a
NOTE Confidence: 0.8905773133333333

00:31:45.724 --> 00:31:47.100 separate hospital for patients
NOTE Confidence: 0.8905773133333333

00:31:47.161 --> 00:31:48.996 with a certain disease process,
NOTE Confidence: 0.8905773133333333

00:31:49.000 --> 00:31:50.170 you know, like a cancer hospital
NOTE Confidence: 0.8905773133333333

00:31:50.170 --> 00:31:51.248 down the street or something

NOTE Confidence: 0.890577313333333

00:31:51.248 --> 00:31:52.784 like that or the hospital that

NOTE Confidence: 0.890577313333333

00:31:52.784 --> 00:31:53.980 specializes in orthopedics reference.

NOTE Confidence: 0.890577313333333

00:31:53.980 --> 00:31:54.721 It's all here.

NOTE Confidence: 0.890577313333333

00:31:54.721 --> 00:31:56.770 And the second thing is that it's not

NOTE Confidence: 0.890577313333333

00:31:56.770 --> 00:31:58.639 as if there's a separate hospital for

NOTE Confidence: 0.890577313333333

00:31:58.639 --> 00:32:00.518 people who have less ability to pay,

NOTE Confidence: 0.890577313333333

00:32:00.520 --> 00:32:01.072 you know,

NOTE Confidence: 0.890577313333333

00:32:01.072 --> 00:32:03.280 so that that the Yale New Haven is

NOTE Confidence: 0.890577313333333

00:32:03.348 --> 00:32:05.418 the social safety net hospital as

NOTE Confidence: 0.890577313333333

00:32:05.418 --> 00:32:07.605 well as the Community Hospital as

NOTE Confidence: 0.890577313333333

00:32:07.605 --> 00:32:09.819 well as the tertiary care hospital.

NOTE Confidence: 0.890577313333333

00:32:09.820 --> 00:32:12.100 And so you see everyone and

NOTE Confidence: 0.890577313333333

00:32:12.100 --> 00:32:14.380 I think as a result.

NOTE Confidence: 0.890577313333333

00:32:14.380 --> 00:32:16.879 You see an incredible diversity of patients.

NOTE Confidence: 0.890577313333333

00:32:16.880 --> 00:32:19.240 They all get the same care and and

NOTE Confidence: 0.890577313333333

00:32:19.240 --> 00:32:21.311 and they're all in the same place
NOTE Confidence: 0.890577313333333
00:32:21.311 --> 00:32:23.308 and and I think that's tremendous
NOTE Confidence: 0.890577313333333
00:32:23.308 --> 00:32:25.878 advantage which actually pretty rare,
NOTE Confidence: 0.890577313333333
00:32:25.880 --> 00:32:27.448 pretty rare for a place our size,
NOTE Confidence: 0.890577313333333
00:32:27.450 --> 00:32:31.140 you know 1500 bed hospital system.
NOTE Confidence: 0.890577313333333
00:32:31.140 --> 00:32:34.318 I just saw Jeff Dewey join us.
NOTE Confidence: 0.890577313333333
00:32:34.320 --> 00:32:34.661 Jeff,
NOTE Confidence: 0.890577313333333
00:32:34.661 --> 00:32:37.048 I want to introduce yourself and tell
NOTE Confidence: 0.890577313333333
00:32:37.048 --> 00:32:39.439 us something you like about the program.
NOTE Confidence: 0.890577313333333
00:32:39.440 --> 00:32:39.580 Hey
NOTE Confidence: 0.851635278
00:32:39.590 --> 00:32:41.220 everybody, sorry to be late.
NOTE Confidence: 0.851635278
00:32:41.220 --> 00:32:42.300 So my name is Jeff Dewey.
NOTE Confidence: 0.851635278
00:32:42.300 --> 00:32:43.995 I'm one of the associate
NOTE Confidence: 0.851635278
00:32:43.995 --> 00:32:46.252 program directors and I sort of
NOTE Confidence: 0.851635278
00:32:46.252 --> 00:32:47.740 oversee resident well-being.
NOTE Confidence: 0.851635278
00:32:47.740 --> 00:32:49.340 I also directed the clerkship

NOTE Confidence: 0.851635278
00:32:49.340 --> 00:32:50.620 with the medical school.
NOTE Confidence: 0.851635278
00:32:50.620 --> 00:32:53.168 So have a have a have you
NOTE Confidence: 0.851635278
00:32:53.168 --> 00:32:54.260 medical education role.
NOTE Confidence: 0.851635278
00:32:54.260 --> 00:32:55.904 I think that's actually one of
NOTE Confidence: 0.851635278
00:32:55.904 --> 00:32:57.905 the things I enjoy most about the
NOTE Confidence: 0.851635278
00:32:57.905 --> 00:32:59.585 program is is the opportunity to
NOTE Confidence: 0.851635278
00:32:59.585 --> 00:33:01.607 be involved in medical education.
NOTE Confidence: 0.851635278
00:33:01.610 --> 00:33:02.614 Even as a resident,
NOTE Confidence: 0.851635278
00:33:02.614 --> 00:33:03.618 we have residents teaching
NOTE Confidence: 0.851635278
00:33:03.618 --> 00:33:04.718 our students all the time,
NOTE Confidence: 0.851635278
00:33:04.720 --> 00:33:06.232 both formally and informally,
NOTE Confidence: 0.851635278
00:33:06.232 --> 00:33:08.500 and it's something I really enjoyed.
NOTE Confidence: 0.851635278
00:33:08.500 --> 00:33:10.164 I felt like I was supported in my
NOTE Confidence: 0.851635278
00:33:10.164 --> 00:33:11.919 goals to become a medical educator,
NOTE Confidence: 0.851635278
00:33:11.920 --> 00:33:13.376 and it's one of the reasons I
NOTE Confidence: 0.851635278

00:33:13.376 --> 00:33:14.404 stuck around because I still
NOTE Confidence: 0.851635278

00:33:14.404 --> 00:33:15.466 get to do those things so.
NOTE Confidence: 0.8035011

00:33:18.030 --> 00:33:20.846 So I think that have I missed anybody?
NOTE Confidence: 0.8035011

00:33:20.850 --> 00:33:22.086 I'm just looking through the list.
NOTE Confidence: 0.8035011

00:33:22.090 --> 00:33:25.779 I think we got a great representation.
NOTE Confidence: 0.8035011

00:33:25.780 --> 00:33:27.116 Open it up to a couple of questions.
NOTE Confidence: 0.8035011

00:33:27.120 --> 00:33:28.632 I'm just looking in the chat and then
NOTE Confidence: 0.8035011

00:33:28.632 --> 00:33:30.292 if you want to raise your hands or
NOTE Confidence: 0.8035011

00:33:30.292 --> 00:33:32.294 put something in the chat, please do.
NOTE Confidence: 0.8035011

00:33:32.294 --> 00:33:35.036 Otherwise, I have some prepared questions,
NOTE Confidence: 0.8035011

00:33:35.040 --> 00:33:38.400 but let's start graduation cut off.
NOTE Confidence: 0.8035011

00:33:38.400 --> 00:33:40.899 Is that strict?
NOTE Confidence: 0.8035011

00:33:40.900 --> 00:33:42.748 Fairly, how about I put it that way.
NOTE Confidence: 0.8035011

00:33:42.750 --> 00:33:45.642 We look at every application but
NOTE Confidence: 0.8035011

00:33:45.642 --> 00:33:47.994 but that's fairly strict. Umm.
NOTE Confidence: 0.8035011

00:33:47.994 --> 00:33:50.538 Thank you for organizing the slides.

NOTE Confidence: 0.8035011

00:33:50.540 --> 00:33:51.926 You mentioned the interview today that

NOTE Confidence: 0.8035011

00:33:51.926 --> 00:33:53.571 you were looking for citizenship. Yeah.

NOTE Confidence: 0.8035011

00:33:53.571 --> 00:33:55.259 I should, I should be clear about that.

NOTE Confidence: 0.8035011

00:33:55.260 --> 00:33:57.618 I don't mean what country you're

NOTE Confidence: 0.8035011

00:33:57.618 --> 00:33:58.797 a citizen of.

NOTE Confidence: 0.8035011

00:33:58.800 --> 00:34:01.455 I mean that you are a citizen and whatever

NOTE Confidence: 0.8035011

00:34:01.455 --> 00:34:03.586 community you were like civics so that

NOTE Confidence: 0.8035011

00:34:03.586 --> 00:34:05.400 you contributed to your community.

NOTE Confidence: 0.8035011

00:34:05.400 --> 00:34:06.600 So thank you for asking that.

NOTE Confidence: 0.8035011

00:34:06.600 --> 00:34:09.680 That's a really important distinction

NOTE Confidence: 0.8035011

00:34:09.680 --> 00:34:13.000 and I'm glad I could carry clarify that.

NOTE Confidence: 0.8035011

00:34:13.000 --> 00:34:15.898 So yes, we we do not.

NOTE Confidence: 0.8035011

00:34:15.900 --> 00:34:19.060 I did not mean in our review that we look at.

NOTE Confidence: 0.8035011

00:34:19.060 --> 00:34:21.760 The country somebody is from.

NOTE Confidence: 0.8035011

00:34:21.760 --> 00:34:25.165 And then the percentage of

NOTE Confidence: 0.8035011

00:34:25.165 --> 00:34:26.527 international graduates?
NOTE Confidence: 0.8035011

00:34:26.530 --> 00:34:29.309 I think it's between sort of it's
NOTE Confidence: 0.8035011

00:34:29.309 --> 00:34:32.422 about 15% total of our of our
NOTE Confidence: 0.8035011

00:34:32.422 --> 00:34:34.230 residents or international graduates.
NOTE Confidence: 0.8035011

00:34:34.230 --> 00:34:36.092 Although in PY two class it's it's
NOTE Confidence: 0.8035011

00:34:36.092 --> 00:34:38.511 it's three out of the 10 that they're
NOTE Confidence: 0.8035011

00:34:38.511 --> 00:34:39.763 they're all sitting together.
NOTE Confidence: 0.8035011

00:34:39.770 --> 00:34:43.767 So there you go and representing proudly.
NOTE Confidence: 0.8035011

00:34:43.770 --> 00:34:47.820 Umm, so.
NOTE Confidence: 0.8035011

00:34:47.820 --> 00:34:48.810 Let's see have
NOTE Confidence: 0.8155569555555556

00:34:48.820 --> 00:34:50.398 think we have a couple people
NOTE Confidence: 0.8155569555555556

00:34:50.398 --> 00:34:53.410 raising their hands to.
NOTE Confidence: 0.5752898366666667

00:34:53.410 --> 00:34:56.569 It's the first one I have.
NOTE Confidence: 0.5752898366666667

00:34:56.570 --> 00:35:00.710 Is it a conka? Yeah, doctor.
NOTE Confidence: 0.5752898366666667

00:35:00.710 --> 00:35:02.180 OK, account cut. Thank you.
NOTE Confidence: 0.612480444

00:35:02.190 --> 00:35:03.333 Hi, good evening.

NOTE Confidence: 0.612480444

00:35:03.333 --> 00:35:05.619 I just wanted to ask whether

NOTE Confidence: 0.612480444

00:35:05.619 --> 00:35:07.809 moonlighting opportunities are available

NOTE Confidence: 0.612480444

00:35:07.810 --> 00:35:10.140 there at the university campus.

NOTE Confidence: 0.612480444

00:35:10.140 --> 00:35:11.967 And if yes, it is a yes,

NOTE Confidence: 0.612480444

00:35:11.970 --> 00:35:13.797 then what are the rules for moonlighting?

NOTE Confidence: 0.792685147333333

00:35:14.370 --> 00:35:15.183 Moonlighting? Love it.

NOTE Confidence: 0.792685147333333

00:35:15.183 --> 00:35:17.080 I have to send this around to

NOTE Confidence: 0.792685147333333

00:35:17.133 --> 00:35:20.410 our residents all the time. So.

NOTE Confidence: 0.792685147333333

00:35:20.410 --> 00:35:22.790 I'm there. I'm letting opportunities

NOTE Confidence: 0.792685147333333

00:35:22.790 --> 00:35:25.978 for residents within the program.

NOTE Confidence: 0.792685147333333

00:35:25.978 --> 00:35:29.970 The rules are you have to be employed

NOTE Confidence: 0.792685147333333

00:35:29.970 --> 00:35:31.910 by hospital, it has to be in US.

NOTE Confidence: 0.792685147333333

00:35:31.910 --> 00:35:33.160 If you're an international graduate,

NOTE Confidence: 0.792685147333333

00:35:33.160 --> 00:35:35.600 you it has to be in the hospital

NOTE Confidence: 0.792685147333333

00:35:35.600 --> 00:35:38.085 setting and you have to have H1B visa.

NOTE Confidence: 0.792685147333333

00:35:38.090 --> 00:35:41.018 Otherwise we do not really allow or or
NOTE Confidence: 0.792685147333333

00:35:41.018 --> 00:35:43.641 look forward to encourage external mood
NOTE Confidence: 0.792685147333333

00:35:43.641 --> 00:35:46.359 lighting but internal midline we do.
NOTE Confidence: 0.792685147333333

00:35:46.360 --> 00:35:47.668 We also provide supplemental
NOTE Confidence: 0.792685147333333

00:35:47.668 --> 00:35:49.303 pay for additional work which
NOTE Confidence: 0.792685147333333

00:35:49.303 --> 00:35:50.820 is a different category.
NOTE Confidence: 0.792685147333333

00:35:50.820 --> 00:35:54.267 For example we have a a a limit beyond
NOTE Confidence: 0.792685147333333

00:35:54.267 --> 00:35:57.464 which say if people are called out are
NOTE Confidence: 0.792685147333333

00:35:57.464 --> 00:35:59.736 out with COVID or things like that then
NOTE Confidence: 0.792685147333333

00:35:59.736 --> 00:36:01.847 we can provide supplemental pay for
NOTE Confidence: 0.792685147333333

00:36:01.847 --> 00:36:04.628 additional work if if if we go beyond
NOTE Confidence: 0.792685147333333

00:36:04.628 --> 00:36:06.566 our usual backup system and and we
NOTE Confidence: 0.792685147333333

00:36:06.566 --> 00:36:08.600 that's rare but we have to pull that in.
NOTE Confidence: 0.792685147333333

00:36:08.600 --> 00:36:10.600 And then many of our residents moonlight in
NOTE Confidence: 0.792685147333333

00:36:10.600 --> 00:36:12.466 settings like the neuro Intensive care unit,
NOTE Confidence: 0.792685147333333

00:36:12.470 --> 00:36:13.664 the General Service,

NOTE Confidence: 0.792685147333333
00:36:13.664 --> 00:36:15.256 or the word service,
NOTE Confidence: 0.792685147333333
00:36:15.260 --> 00:36:17.017 usually in kind of an AP role.
NOTE Confidence: 0.792685147333333
00:36:17.020 --> 00:36:18.856 If we're running short of AP.
NOTE Confidence: 0.792685147333333
00:36:18.860 --> 00:36:20.480 So many residents do moonlight,
NOTE Confidence: 0.792685147333333
00:36:20.480 --> 00:36:24.305 it has to be within the 80 hour limit,
NOTE Confidence: 0.792685147333333
00:36:24.310 --> 00:36:26.354 and they have to have a sort
NOTE Confidence: 0.792685147333333
00:36:26.354 --> 00:36:27.710 of form signed by me.
NOTE Confidence: 0.57562383
00:36:30.450 --> 00:36:34.798 Said you're next. Thank you so.
NOTE Confidence: 0.57562383
00:36:34.800 --> 00:36:35.968 Good evening. I'm saying,
NOTE Confidence: 0.7817232725
00:36:35.980 --> 00:36:37.308 Mustafa, I'm a graduate
NOTE Confidence: 0.760629595
00:36:37.320 --> 00:36:38.328 of Dawn Medical College
NOTE Confidence: 0.925824075714286
00:36:38.340 --> 00:36:39.467 and I wanted to thank you all
NOTE Confidence: 0.670253763333333
00:36:39.480 --> 00:36:40.995 for making this really informative
NOTE Confidence: 0.670253763333333
00:36:40.995 --> 00:36:42.048 session. It's been great meeting
NOTE Confidence: 0.624991766
00:36:42.060 --> 00:36:44.320 everyone and I think
NOTE Confidence: 0.824458473571429

00:36:44.330 --> 00:36:45.908 this is the first year that
NOTE Confidence: 0.824458473571429

00:36:45.908 --> 00:36:47.430 neurology is participating in the
NOTE Confidence: 0.824458473571429

00:36:47.430 --> 00:36:48.678 supplemental errors application.
NOTE Confidence: 0.824458473571429

00:36:48.680 --> 00:36:50.630 So I wanted to ask you how you guys plan
NOTE Confidence: 0.824458473571429

00:36:50.630 --> 00:36:52.698 to use the information supplemental eras,
NOTE Confidence: 0.824458473571429

00:36:52.698 --> 00:36:54.500 what the role of signaling programs
NOTE Confidence: 0.824458473571429

00:36:54.500 --> 00:36:56.528 might be and how you would recommend
NOTE Confidence: 0.824458473571429

00:36:56.528 --> 00:36:58.586 that we as applicants make use of the
NOTE Confidence: 0.824458473571429

00:36:58.586 --> 00:37:00.890 supplementary grass for neurology.
NOTE Confidence: 0.824458473571429

00:37:00.890 --> 00:37:03.984 Yeah, you know, I think we're all,
NOTE Confidence: 0.824458473571429

00:37:03.990 --> 00:37:05.646 we're all going into this together,
NOTE Confidence: 0.824458473571429

00:37:05.650 --> 00:37:09.070 aren't we? With this supplemental
NOTE Confidence: 0.824458473571429

00:37:09.070 --> 00:37:11.154 application and the AN,
NOTE Confidence: 0.824458473571429

00:37:11.154 --> 00:37:14.280 the American Academy of Neurology I
NOTE Confidence: 0.824458473571429

00:37:14.369 --> 00:37:18.041 know has a draft of some guidance about
NOTE Confidence: 0.824458473571429

00:37:18.041 --> 00:37:21.170 how programs to use the supplemental.

NOTE Confidence: 0.824458473571429
00:37:21.170 --> 00:37:21.654 A statement.
NOTE Confidence: 0.824458473571429
00:37:21.654 --> 00:37:23.106 I don't know if that's been
NOTE Confidence: 0.824458473571429
00:37:23.106 --> 00:37:24.704 finalized or distributed, has it,
NOTE Confidence: 0.824458473571429
00:37:24.704 --> 00:37:26.503 or I think it will be soon.
NOTE Confidence: 0.824458473571429
00:37:26.510 --> 00:37:27.598 I I voted yes.
NOTE Confidence: 0.824458473571429
00:37:27.598 --> 00:37:29.728 It looked good as one of the
NOTE Confidence: 0.824458473571429
00:37:29.728 --> 00:37:31.853 residency directors and I'm going
NOTE Confidence: 0.824458473571429
00:37:31.853 --> 00:37:34.330 to follow that guidance basically.
NOTE Confidence: 0.824458473571429
00:37:34.330 --> 00:37:35.706 As to the signaling,
NOTE Confidence: 0.824458473571429
00:37:35.706 --> 00:37:37.770 I've read a bit about it.
NOTE Confidence: 0.824458473571429
00:37:37.770 --> 00:37:38.012 Honestly,
NOTE Confidence: 0.824458473571429
00:37:38.012 --> 00:37:39.706 I need some experience before I can
NOTE Confidence: 0.824458473571429
00:37:39.706 --> 00:37:41.109 say anything intelligent about it.
NOTE Confidence: 0.824458473571429
00:37:41.110 --> 00:37:42.770 I really don't understand
NOTE Confidence: 0.824458473571429
00:37:42.770 --> 00:37:44.430 exactly how it worked,
NOTE Confidence: 0.824458473571429

00:37:44.430 --> 00:37:46.290 but we are participating in the
NOTE Confidence: 0.824458473571429

00:37:46.290 --> 00:37:48.090 supplemental offering and the signaling,
NOTE Confidence: 0.824458473571429

00:37:48.090 --> 00:37:49.005 so I'm intrigued.
NOTE Confidence: 0.824458473571429

00:37:49.005 --> 00:37:50.530 And for those of you,
NOTE Confidence: 0.824458473571429

00:37:50.530 --> 00:37:52.007 you're probably in the midst of this,
NOTE Confidence: 0.824458473571429

00:37:52.010 --> 00:37:52.337 right?
NOTE Confidence: 0.824458473571429

00:37:52.337 --> 00:37:54.953 But you can signal to a certain number
NOTE Confidence: 0.824458473571429

00:37:54.953 --> 00:37:57.541 of programs of particular interest or
NOTE Confidence: 0.824458473571429

00:37:57.541 --> 00:38:00.750 preference and and that shows up on our end.
NOTE Confidence: 0.824458473571429

00:38:00.750 --> 00:38:03.099 I'm not sure exactly how that's going to look
NOTE Confidence: 0.824458473571429

00:38:03.099 --> 00:38:05.709 on our end and that will have a supplemental.
NOTE Confidence: 0.824458473571429

00:38:05.710 --> 00:38:06.793 Application as well,
NOTE Confidence: 0.824458473571429

00:38:06.793 --> 00:38:07.876 so we'll see.
NOTE Confidence: 0.85746573

00:38:09.760 --> 00:38:10.900 Alright, thank you so much.
NOTE Confidence: 0.814378854

00:38:14.430 --> 00:38:17.886 Hi, yes, I was just wondering
NOTE Confidence: 0.814378854

00:38:17.886 --> 00:38:20.190 what the program like,

NOTE Confidence: 0.814378854

00:38:20.190 --> 00:38:22.275 how the program deals with resident

NOTE Confidence: 0.814378854

00:38:22.275 --> 00:38:24.300 burnout and mental health issues.

NOTE Confidence: 0.32840204

00:38:25.480 --> 00:38:26.750 Jeff, you want to take this one?

NOTE Confidence: 0.853011733333333

00:38:29.250 --> 00:38:30.550 Yeah. I just wanted to

NOTE Confidence: 0.853011733333333

00:38:30.550 --> 00:38:31.590 find the unmute button.

NOTE Confidence: 0.853011733333333

00:38:31.590 --> 00:38:35.120 So one thing that's nice about Yale

NOTE Confidence: 0.853011733333333

00:38:35.120 --> 00:38:37.190 is we actually have very robust

NOTE Confidence: 0.853011733333333

00:38:37.256 --> 00:38:39.428 mental health resources available.

NOTE Confidence: 0.853011733333333

00:38:39.430 --> 00:38:41.802 So residents are, are connected as

NOTE Confidence: 0.853011733333333

00:38:41.802 --> 00:38:43.192 soon as they show up actually in

NOTE Confidence: 0.853011733333333

00:38:43.192 --> 00:38:44.128 the internal medicine department,

NOTE Confidence: 0.853011733333333

00:38:44.130 --> 00:38:45.460 they'll have a Wellness check

NOTE Confidence: 0.853011733333333

00:38:45.460 --> 00:38:46.524 just to check in,

NOTE Confidence: 0.853011733333333

00:38:46.530 --> 00:38:49.250 make sure they have the support they need.

NOTE Confidence: 0.853011733333333

00:38:49.250 --> 00:38:51.364 And that's that's an opt out process.

NOTE Confidence: 0.853011733333333

00:38:51.370 --> 00:38:53.120 So the opportunity is there unless you
NOTE Confidence: 0.8530117333333333

00:38:53.120 --> 00:38:54.928 choose not to take advantage of it.
NOTE Confidence: 0.8530117333333333

00:38:54.930 --> 00:38:57.646 The mental health services again are robust.
NOTE Confidence: 0.8530117333333333

00:38:57.650 --> 00:39:00.836 So we have. 20 we have,
NOTE Confidence: 0.8530117333333333

00:39:00.840 --> 00:39:01.776 it's not 24/7,
NOTE Confidence: 0.8530117333333333

00:39:01.776 --> 00:39:04.908 I think it's 7:00 AM to 11:00 PM Telemental
NOTE Confidence: 0.8530117333333333

00:39:04.908 --> 00:39:07.518 health services for very low copay.
NOTE Confidence: 0.8530117333333333

00:39:07.520 --> 00:39:09.284 We have a special connection to
NOTE Confidence: 0.8530117333333333

00:39:09.284 --> 00:39:10.812 the Psychiatry Department for any
NOTE Confidence: 0.8530117333333333

00:39:10.812 --> 00:39:12.307 residents who need to establish
NOTE Confidence: 0.8530117333333333

00:39:12.307 --> 00:39:13.940 contact with the therapist quickly,
NOTE Confidence: 0.8530117333333333

00:39:13.940 --> 00:39:15.108 and we also meet.
NOTE Confidence: 0.8530117333333333

00:39:15.108 --> 00:39:16.860 I try to meet periodically with
NOTE Confidence: 0.8530117333333333

00:39:16.927 --> 00:39:18.787 residents to do Wellness check-ins and
NOTE Confidence: 0.8530117333333333

00:39:18.787 --> 00:39:21.382 we have a pg 2 solidarity group that
NOTE Confidence: 0.8530117333333333

00:39:21.382 --> 00:39:24.020 meets once a month and focuses on just

NOTE Confidence: 0.8530117333333333
00:39:24.020 --> 00:39:26.470 sort of the the mental and emotional
NOTE Confidence: 0.8530117333333333
00:39:26.470 --> 00:39:29.274 experience of being a PG, I2 resident. So.
NOTE Confidence: 0.8530117333333333
00:39:29.274 --> 00:39:32.262 The opportunities for contact are again,
NOTE Confidence: 0.8530117333333333
00:39:32.270 --> 00:39:32.480 robust.
NOTE Confidence: 0.8530117333333333
00:39:32.480 --> 00:39:33.530 I think is the word.
NOTE Confidence: 0.8530117333333333
00:39:33.530 --> 00:39:34.925 I feel like I'm in an episode of Veep,
NOTE Confidence: 0.8530117333333333
00:39:34.930 --> 00:39:37.510 but.
NOTE Confidence: 0.8530117333333333
00:39:37.510 --> 00:39:39.260 There's no shortage of ways to reach
NOTE Confidence: 0.8530117333333333
00:39:39.260 --> 00:39:41.281 out for help and I think we try
NOTE Confidence: 0.8530117333333333
00:39:41.281 --> 00:39:42.810 and take a proactive approach to
NOTE Confidence: 0.8530117333333333
00:39:42.810 --> 00:39:44.310 make sure that everybody is covered
NOTE Confidence: 0.8530117333333333
00:39:44.310 --> 00:39:45.750 in the way that they need to be.
NOTE Confidence: 0.97995867
00:39:47.470 --> 00:39:50.910 Thank you. Yeah, the.
NOTE Confidence: 0.89569900125
00:39:50.910 --> 00:39:53.030 It's a, it's a a point of pride.
NOTE Confidence: 0.89569900125
00:39:53.030 --> 00:39:56.342 We look at the results of the AC GM
NOTE Confidence: 0.89569900125

00:39:56.342 --> 00:39:58.491 survey that we're substantially above
NOTE Confidence: 0.89569900125

00:39:58.491 --> 00:40:01.173 the national average in terms of
NOTE Confidence: 0.89569900125

00:40:01.173 --> 00:40:03.864 our residents saying that they have
NOTE Confidence: 0.89569900125

00:40:03.864 --> 00:40:06.392 access to the resources they need
NOTE Confidence: 0.89569900125

00:40:06.392 --> 00:40:08.498 and and the the hospital leadership
NOTE Confidence: 0.89569900125

00:40:08.498 --> 00:40:10.408 has been really great about,
NOTE Confidence: 0.89569900125

00:40:10.410 --> 00:40:13.238 it's about supporting them.
NOTE Confidence: 0.89569900125

00:40:13.240 --> 00:40:15.585 And Jeff has been an amazing resource
NOTE Confidence: 0.89569900125

00:40:15.585 --> 00:40:17.968 as our Wellness officer in our program
NOTE Confidence: 0.89569900125

00:40:17.968 --> 00:40:19.804 and has been a go to person for a
NOTE Confidence: 0.89569900125

00:40:19.804 --> 00:40:21.428 lot of residents and can direct
NOTE Confidence: 0.89569900125

00:40:21.428 --> 00:40:23.602 them otherwise and is now taking a
NOTE Confidence: 0.89569900125

00:40:23.602 --> 00:40:25.257 Wellness role within our department.
NOTE Confidence: 0.89569900125

00:40:25.260 --> 00:40:27.501 If you if you want to look in neurology
NOTE Confidence: 0.89569900125

00:40:27.501 --> 00:40:29.752 you can read an article that Jeff
NOTE Confidence: 0.89569900125

00:40:29.752 --> 00:40:31.340 published about six months ago.

NOTE Confidence: 0.89569900125

00:40:31.340 --> 00:40:34.068 So and thriving in residency and if you

NOTE Confidence: 0.89569900125

00:40:34.068 --> 00:40:37.075 want to if you want to read more about.

NOTE Confidence: 0.89569900125

00:40:37.080 --> 00:40:38.746 Some of our feelings and what we've

NOTE Confidence: 0.89569900125

00:40:38.746 --> 00:40:40.520 learned about what makes residents thrive.

NOTE Confidence: 0.88287365

00:40:43.750 --> 00:40:44.210 Abby.

NOTE Confidence: 0.5365355

00:40:46.740 --> 00:40:48.928 Hi, doctor. How are you doing?

NOTE Confidence: 0.570652398

00:40:49.420 --> 00:40:51.596 I just don't know. Hi, everyone.

NOTE Confidence: 0.570652398

00:40:51.596 --> 00:40:53.804 Thank thank you so much for hosting this.

NOTE Confidence: 0.570652398

00:40:53.810 --> 00:40:55.538 This is this has been really,

NOTE Confidence: 0.570652398

00:40:55.540 --> 00:40:57.352 really helpful to so many of

NOTE Confidence: 0.570652398

00:40:57.352 --> 00:40:58.940 us including all the MD's.

NOTE Confidence: 0.570652398

00:40:58.940 --> 00:41:01.220 Doctor, I had a specific question

NOTE Confidence: 0.570652398

00:41:01.220 --> 00:41:03.919 that I haven't seen in the chat yet.

NOTE Confidence: 0.570652398

00:41:03.920 --> 00:41:07.042 I'm really excited seeing the fact that

NOTE Confidence: 0.570652398

00:41:07.042 --> 00:41:11.180 Yale offers both H1B and J1 visas, right.

NOTE Confidence: 0.570652398

00:41:11.180 --> 00:41:15.236 I wanted to ask like is there a specific
NOTE Confidence: 0.570652398

00:41:15.236 --> 00:41:18.140 preference that you guys offer and
NOTE Confidence: 0.570652398

00:41:18.140 --> 00:41:20.962 assuming I want to try for an H1B visa?
NOTE Confidence: 0.570652398

00:41:20.962 --> 00:41:23.509 Is it gonna help if I like,
NOTE Confidence: 0.570652398

00:41:23.509 --> 00:41:25.811 if I have time I'm going to give be able
NOTE Confidence: 0.570652398

00:41:25.811 --> 00:41:28.082 to give my step free before applying so
NOTE Confidence: 0.570652398

00:41:28.082 --> 00:41:30.546 that it appears in my eras application?
NOTE Confidence: 0.570652398

00:41:30.550 --> 00:41:31.288 And what?
NOTE Confidence: 0.570652398

00:41:31.288 --> 00:41:33.871 What else you suggest if you want
NOTE Confidence: 0.570652398

00:41:33.871 --> 00:41:36.980 to look towards getting an H1B visa?
NOTE Confidence: 0.912944118

00:41:37.670 --> 00:41:41.400 Yeah, if you, if you.
NOTE Confidence: 0.912944118

00:41:41.400 --> 00:41:43.695 If you wanted to apply for it the process,
NOTE Confidence: 0.912944118

00:41:43.700 --> 00:41:45.458 and I'll explain this in interviews,
NOTE Confidence: 0.912944118

00:41:45.460 --> 00:41:47.270 it gets a little bit into the nuts and bolts.
NOTE Confidence: 0.912944118

00:41:47.270 --> 00:41:48.780 If somebody showed an interest
NOTE Confidence: 0.912944118

00:41:48.780 --> 00:41:50.796 in wanting to apply for the H1B

NOTE Confidence: 0.912944118

00:41:50.796 --> 00:41:52.820 visa that they would contact me,

NOTE Confidence: 0.912944118

00:41:52.820 --> 00:41:55.705 the application would be reviewed

NOTE Confidence: 0.912944118

00:41:55.705 --> 00:41:58.430 by the House Staff Office and the

NOTE Confidence: 0.912944118

00:41:58.430 --> 00:42:00.000 GM E Office because sometimes

NOTE Confidence: 0.912944118

00:42:00.064 --> 00:42:01.750 there are things that we miss,

NOTE Confidence: 0.912944118

00:42:01.750 --> 00:42:04.966 you know, that are are parts of that.

NOTE Confidence: 0.912944118

00:42:04.970 --> 00:42:07.126 There is a fee for expedited processing.

NOTE Confidence: 0.912944118

00:42:07.130 --> 00:42:09.125 That's usually advised because of the delays,

NOTE Confidence: 0.912944118

00:42:09.130 --> 00:42:10.855 which would be the responsibility

NOTE Confidence: 0.912944118

00:42:10.855 --> 00:42:11.890 of the applicant.

NOTE Confidence: 0.912944118

00:42:11.890 --> 00:42:14.882 And it's just by law something that the

NOTE Confidence: 0.912944118

00:42:14.882 --> 00:42:17.596 institution can't pay and and it has

NOTE Confidence: 0.912944118

00:42:17.596 --> 00:42:20.809 to be approved by the director of GE.

NOTE Confidence: 0.912944118

00:42:20.810 --> 00:42:22.196 So there's a whole process involved.

NOTE Confidence: 0.806590856875

00:42:23.860 --> 00:42:25.063 All right, doctor.

NOTE Confidence: 0.806590856875

00:42:25.063 --> 00:42:27.870 So is it recommended like we have
NOTE Confidence: 0.806590856875

00:42:27.957 --> 00:42:30.429 this option of of selecting both
NOTE Confidence: 0.806590856875

00:42:30.430 --> 00:42:32.246 H1B and J1 that that is a good
NOTE Confidence: 0.70347751

00:42:32.260 --> 00:42:34.794 option to you. You can indicate your, your,
NOTE Confidence: 0.70347751

00:42:34.794 --> 00:42:37.306 your interest in either in the air ask
NOTE Confidence: 0.70347751

00:42:37.306 --> 00:42:39.369 reference and we'll see that on our end
NOTE Confidence: 0.789466170333333

00:42:39.820 --> 00:42:41.885 exactly. So that's the best way to
NOTE Confidence: 0.789466170333333

00:42:41.885 --> 00:42:44.148 go forward. And like as we go ahead,
NOTE Confidence: 0.789466170333333

00:42:44.150 --> 00:42:45.835 we can definitely contact individually
NOTE Confidence: 0.789466170333333

00:42:45.835 --> 00:42:47.520 regarding the process that we
NOTE Confidence: 0.760848676588235

00:42:47.530 --> 00:42:49.354 are in. Yeah, usually something that
NOTE Confidence: 0.760848676588235

00:42:49.354 --> 00:42:50.863 happens after the interview and
NOTE Confidence: 0.760848676588235

00:42:50.863 --> 00:42:52.327 people reach out and we discuss.
NOTE Confidence: 0.791880202

00:42:53.000 --> 00:42:55.460 Perfect. Thank you so much, Doctor. All
NOTE Confidence: 0.583836394

00:42:55.470 --> 00:42:58.440 right, sarish. There's no rush.
NOTE Confidence: 0.18501425

00:43:02.570 --> 00:43:06.424 Sarish. The. Maybe I'll

NOTE Confidence: 0.18501425
00:43:06.424 --> 00:43:07.740 go to Armando. Armando?
NOTE Confidence: 0.3119672036
00:43:08.500 --> 00:43:10.772 Yes. Uh, hello, everyone.
NOTE Confidence: 0.3119672036
00:43:10.772 --> 00:43:13.080 Uh, thank you for this session.
NOTE Confidence: 0.3119672036
00:43:13.080 --> 00:43:14.260 And Doctor Muller,
NOTE Confidence: 0.3119672036
00:43:14.260 --> 00:43:16.228 thank you for your egg videos.
NOTE Confidence: 0.3119672036
00:43:16.230 --> 00:43:18.516 And I really love those videos.
NOTE Confidence: 0.3119672036
00:43:18.520 --> 00:43:22.028 My question is about the leadership.
NOTE Confidence: 0.3119672036
00:43:22.028 --> 00:43:25.568 I'm very interested in knowing more
NOTE Confidence: 0.3119672036
00:43:25.568 --> 00:43:27.830 about leadership in your program
NOTE Confidence: 0.3119672036
00:43:27.830 --> 00:43:31.148 and which opportunities does the
NOTE Confidence: 0.3119672036
00:43:31.148 --> 00:43:34.408 residents have with the leadership.
NOTE Confidence: 0.81723558368421
00:43:35.530 --> 00:43:37.141 Maybe I can get do A is it one
NOTE Confidence: 0.81723558368421
00:43:37.141 --> 00:43:39.132 of our chief residents have some
NOTE Confidence: 0.81723558368421
00:43:39.132 --> 00:43:40.532 interest in discussing that?
NOTE Confidence: 0.703581941111111
00:43:40.670 --> 00:43:44.567 I can I can try to tackle this one.
NOTE Confidence: 0.703581941111111

00:43:44.570 --> 00:43:47.410 So I think in terms of
NOTE Confidence: 0.7035819411111111

00:43:47.410 --> 00:43:48.738 formalized leadership roles,
NOTE Confidence: 0.7035819411111111

00:43:48.738 --> 00:43:51.570 we made a switch a few years ago
NOTE Confidence: 0.7035819411111111

00:43:51.642 --> 00:43:53.892 or instead of having one chief
NOTE Confidence: 0.7035819411111111

00:43:53.892 --> 00:43:56.126 or two chief residents that kind
NOTE Confidence: 0.7035819411111111

00:43:56.126 --> 00:43:58.436 of take over all of those roles,
NOTE Confidence: 0.7035819411111111

00:43:58.440 --> 00:44:01.644 we decided to split those responsibilities
NOTE Confidence: 0.7035819411111111

00:44:01.644 --> 00:44:04.989 among the entire PG Y four class.
NOTE Confidence: 0.7035819411111111

00:44:04.990 --> 00:44:08.126 So each of the PGA fours holds
NOTE Confidence: 0.7035819411111111

00:44:08.126 --> 00:44:11.209 a like formal leadership role.
NOTE Confidence: 0.7035819411111111

00:44:11.210 --> 00:44:14.410 So I and Annie are the recruitment chief,
NOTE Confidence: 0.7035819411111111

00:44:14.410 --> 00:44:15.950 so we're responsible for.
NOTE Confidence: 0.7035819411111111

00:44:15.950 --> 00:44:18.260 Working with the rest of the
NOTE Confidence: 0.7035819411111111

00:44:18.337 --> 00:44:20.477 program leadership to essentially
NOTE Confidence: 0.7035819411111111

00:44:20.477 --> 00:44:22.617 run the recruitment season
NOTE Confidence: 0.7035819411111111

00:44:22.620 --> 00:44:24.282 for residency applications.

NOTE Confidence: 0.7035819411111111
00:44:24.282 --> 00:44:27.052 Our other leadership or chief
NOTE Confidence: 0.7035819411111111
00:44:27.052 --> 00:44:29.660 roles are education chiefs,
NOTE Confidence: 0.7035819411111111
00:44:29.660 --> 00:44:32.052 Harries one of them.
NOTE Confidence: 0.7035819411111111
00:44:32.052 --> 00:44:34.606 And what they do is basically make
NOTE Confidence: 0.7035819411111111
00:44:34.606 --> 00:44:37.625 sure that all of our like formalized
NOTE Confidence: 0.7035819411111111
00:44:37.625 --> 00:44:40.360 educational curriculum is running smoothly,
NOTE Confidence: 0.7035819411111111
00:44:40.360 --> 00:44:43.102 that people can actually get to
NOTE Confidence: 0.7035819411111111
00:44:43.102 --> 00:44:46.060 didactics they manage our grand rounds,
NOTE Confidence: 0.7035819411111111
00:44:46.060 --> 00:44:47.563 things like that.
NOTE Confidence: 0.7035819411111111
00:44:47.563 --> 00:44:49.567 We have clinical chiefs,
NOTE Confidence: 0.7035819411111111
00:44:49.570 --> 00:44:53.504 two of those who are responsible for
NOTE Confidence: 0.7035819411111111
00:44:53.504 --> 00:44:57.045 kind of all of our clinical work and
NOTE Confidence: 0.7035819411111111
00:44:57.045 --> 00:44:59.115 making sure that things run smoothly
NOTE Confidence: 0.7035819411111111
00:44:59.115 --> 00:45:01.589 there in terms of structures of rotations,
NOTE Confidence: 0.7035819411111111
00:45:01.590 --> 00:45:03.326 expectations of rotations if
NOTE Confidence: 0.7035819411111111

00:45:03.326 --> 00:45:05.930 issues come up along the way.
NOTE Confidence: 0.7035819411111111

00:45:05.930 --> 00:45:09.430 And they do a lot of liaising
NOTE Confidence: 0.7035819411111111

00:45:09.430 --> 00:45:11.591 between different different kind of
NOTE Confidence: 0.7035819411111111

00:45:11.591 --> 00:45:13.526 stakeholders in the health system,
NOTE Confidence: 0.7035819411111111

00:45:13.530 --> 00:45:15.850 so working with residency
NOTE Confidence: 0.7035819411111111

00:45:15.850 --> 00:45:17.590 and department leadership.
NOTE Confidence: 0.7035819411111111

00:45:17.590 --> 00:45:19.816 Working with nursing leadership and the
NOTE Confidence: 0.7035819411111111

00:45:19.816 --> 00:45:24.740 places that we work the clinic, etcetera.
NOTE Confidence: 0.7035819411111111

00:45:24.740 --> 00:45:28.046 And then we have, uh, well,
NOTE Confidence: 0.7035819411111111

00:45:28.046 --> 00:45:29.670 my forgetting scheduling chiefs.
NOTE Confidence: 0.7035819411111111

00:45:29.670 --> 00:45:30.934 How could I forget?
NOTE Confidence: 0.7035819411111111

00:45:30.934 --> 00:45:32.198 They make our schedules.
NOTE Confidence: 0.7035819411111111

00:45:32.200 --> 00:45:34.849 They're very important.
NOTE Confidence: 0.7035819411111111

00:45:34.850 --> 00:45:36.626 And then we have this year,
NOTE Confidence: 0.7035819411111111

00:45:36.630 --> 00:45:38.190 we created a couple of new roles.
NOTE Confidence: 0.7035819411111111

00:45:38.190 --> 00:45:39.868 So one is our research chiefs loan,

NOTE Confidence: 0.7035819411111111

00:45:39.870 --> 00:45:42.354 who's on the call who's like

NOTE Confidence: 0.7035819411111111

00:45:42.354 --> 00:45:44.010 redesigning our research program.

NOTE Confidence: 0.7035819411111111

00:45:44.010 --> 00:45:45.886 And then we have a Wellness chief,

NOTE Confidence: 0.7035819411111111

00:45:45.890 --> 00:45:49.000 which is also kind of a new role this year.

NOTE Confidence: 0.87715836

00:45:50.050 --> 00:45:51.278 So those are all

NOTE Confidence: 0.850472461666667

00:45:51.290 --> 00:45:53.930 the kind of formalized leadership roles,

NOTE Confidence: 0.850472461666667

00:45:53.930 --> 00:45:57.250 but I think we have a lot of

NOTE Confidence: 0.850472461666667

00:45:57.250 --> 00:45:59.697 informal leadership roles that appear

NOTE Confidence: 0.850472461666667

00:45:59.697 --> 00:46:02.757 really throughout your time as a

NOTE Confidence: 0.850472461666667

00:46:02.757 --> 00:46:05.689 resident in RPI three and RPG fours.

NOTE Confidence: 0.850472461666667

00:46:05.690 --> 00:46:07.818 Our senior residents and so they do a

NOTE Confidence: 0.850472461666667

00:46:07.818 --> 00:46:10.190 lot of mentoring to the junior residents

NOTE Confidence: 0.850472461666667

00:46:10.190 --> 00:46:12.400 and and teaching them the ropes,

NOTE Confidence: 0.850472461666667

00:46:12.400 --> 00:46:13.483 things like that.

NOTE Confidence: 0.850472461666667

00:46:13.483 --> 00:46:16.967 But even as a PG Y2 you get the

NOTE Confidence: 0.850472461666667

00:46:16.967 --> 00:46:19.991 opportunity to be leaders for like the
NOTE Confidence: 0.850472461666667

00:46:19.991 --> 00:46:22.460 PG Y ones who rotate on our services,
NOTE Confidence: 0.850472461666667

00:46:22.460 --> 00:46:24.560 the neurology residency IM rotators,
NOTE Confidence: 0.850472461666667

00:46:24.560 --> 00:46:25.940 this like people.
NOTE Confidence: 0.867131597894737

00:46:28.160 --> 00:46:31.376 And so I think in that sense there's
NOTE Confidence: 0.867131597894737

00:46:31.376 --> 00:46:33.797 always kind of leadership development
NOTE Confidence: 0.867131597894737

00:46:33.797 --> 00:46:36.863 that happens and you sort of.
NOTE Confidence: 0.867131597894737

00:46:36.870 --> 00:46:39.084 Grow with it as you grow as a resident.
NOTE Confidence: 0.9650289

00:46:41.250 --> 00:46:42.600 Thank you so much, Doctor.
NOTE Confidence: 0.81371737

00:46:43.030 --> 00:46:47.530 Just a question in the chat about the hours.
NOTE Confidence: 0.81371737

00:46:47.530 --> 00:46:49.198 Just put together a
NOTE Confidence: 0.81371737

00:46:49.198 --> 00:46:50.449 program evaluation review.
NOTE Confidence: 0.81371737

00:46:50.450 --> 00:46:55.259 So our work hours are PG by two,
NOTE Confidence: 0.81371737

00:46:55.260 --> 00:46:57.540 5058 hours per week on average,
NOTE Confidence: 0.81371737

00:46:57.540 --> 00:47:01.805 MPG by 353.3, PPG by 4:45.
NOTE Confidence: 0.81371737

00:47:01.805 --> 00:47:06.080 So it's a. Front loaded.

NOTE Confidence: 0.81371737

00:47:06.080 --> 00:47:09.088 Some rotations are very busy into the 70s,

NOTE Confidence: 0.81371737

00:47:09.090 --> 00:47:11.474 especially our night float

NOTE Confidence: 0.81371737

00:47:11.474 --> 00:47:13.858 rotations and emergency department,

NOTE Confidence: 0.81371737

00:47:13.860 --> 00:47:15.216 those types of things.

NOTE Confidence: 0.81371737

00:47:15.216 --> 00:47:17.620 But there is a guarantee of a

NOTE Confidence: 0.81371737

00:47:17.620 --> 00:47:19.671 clinic walk every six weeks

NOTE Confidence: 0.81371737

00:47:19.671 --> 00:47:22.593 in which you know the average.

NOTE Confidence: 0.81371737

00:47:22.600 --> 00:47:26.723 The clinic block is more like 42,

NOTE Confidence: 0.81371737

00:47:26.723 --> 00:47:28.538 so, so much, much lower.

NOTE Confidence: 0.81371737

00:47:28.540 --> 00:47:30.058 So you're guaranteed that and all

NOTE Confidence: 0.81371737

00:47:30.058 --> 00:47:32.525 of our PG I2 is also due five

NOTE Confidence: 0.81371737

00:47:32.525 --> 00:47:33.925 weeks of clinical neurophysiology,

NOTE Confidence: 0.81371737

00:47:33.930 --> 00:47:37.054 which again is about 43 hours by report.

NOTE Confidence: 0.81371737

00:47:37.054 --> 00:47:38.739 So those are the numbers,

NOTE Confidence: 0.81371737

00:47:38.740 --> 00:47:40.426 but it's also how hard you're

NOTE Confidence: 0.81371737

00:47:40.426 --> 00:47:42.379 working and it's a busy program.
NOTE Confidence: 0.81371737

00:47:42.380 --> 00:47:44.716 I think our residents and tell us that
NOTE Confidence: 0.81371737

00:47:44.716 --> 00:47:46.939 any residents have comments about sort of.
NOTE Confidence: 0.81371737

00:47:46.940 --> 00:47:47.704 The hours,
NOTE Confidence: 0.81371737

00:47:47.704 --> 00:47:48.468 the workload,
NOTE Confidence: 0.81371737

00:47:48.468 --> 00:47:49.996 how things are designed.
NOTE Confidence: 0.81371737

00:47:50.000 --> 00:47:52.040 Anybody want to raise their hand?
NOTE Confidence: 0.81371737

00:47:52.040 --> 00:47:52.718 Comment on that.
NOTE Confidence: 0.589132135

00:47:56.780 --> 00:47:57.806 I'll let any of our residents
NOTE Confidence: 0.8396124533333333

00:47:57.820 --> 00:47:59.314 think I can talk about that a little bit.
NOTE Confidence: 0.8396124533333333

00:47:59.320 --> 00:48:02.162 I think that one thing that people
NOTE Confidence: 0.8396124533333333

00:48:02.162 --> 00:48:04.708 have brought up is about how
NOTE Confidence: 0.8396124533333333

00:48:04.708 --> 00:48:07.198 programs change and I think that.
NOTE Confidence: 0.8396124533333333

00:48:07.200 --> 00:48:09.072 Certainly as Doctor Mueller said that
NOTE Confidence: 0.8396124533333333

00:48:09.072 --> 00:48:11.026 sometimes some rotations can be busier,
NOTE Confidence: 0.8396124533333333

00:48:11.026 --> 00:48:12.886 but that's actually one of the areas

NOTE Confidence: 0.839612453333333

00:48:12.886 --> 00:48:14.658 that we have changed since I've been

NOTE Confidence: 0.839612453333333

00:48:14.660 --> 00:48:18.140 a resident where we have included

NOTE Confidence: 0.839612453333333

00:48:18.140 --> 00:48:20.380 more neurophysiology experiences and

NOTE Confidence: 0.839612453333333

00:48:20.380 --> 00:48:23.378 that can offer more golden weekends

NOTE Confidence: 0.839612453333333

00:48:23.378 --> 00:48:27.520 to break up kind of the workflow.

NOTE Confidence: 0.839612453333333

00:48:27.520 --> 00:48:29.690 And I think that has definitely made

NOTE Confidence: 0.839612453333333

00:48:29.690 --> 00:48:32.757 it a lot easier for people to kind of

NOTE Confidence: 0.839612453333333

00:48:32.757 --> 00:48:35.391 get through the grind of of a tough

NOTE Confidence: 0.839612453333333

00:48:35.391 --> 00:48:37.410 stretch and make tough stretches.

NOTE Confidence: 0.839612453333333

00:48:37.410 --> 00:48:41.280 Less common. Granted, it's residency,

NOTE Confidence: 0.839612453333333

00:48:41.280 --> 00:48:43.170 so that's it's definitely a

NOTE Confidence: 0.839612453333333

00:48:43.170 --> 00:48:44.682 learning curve for everyone.

NOTE Confidence: 0.769991705

00:48:48.280 --> 00:48:49.840 There was a question about Parenthood,

NOTE Confidence: 0.769991705

00:48:49.840 --> 00:48:52.048 I don't think any of our

NOTE Confidence: 0.769991705

00:48:52.048 --> 00:48:53.520 residents on our parents.

NOTE Confidence: 0.769991705

00:48:53.520 --> 00:48:56.560 But I will tell you we do have.
NOTE Confidence: 0.769991705

00:48:56.560 --> 00:48:58.780 One or two parents every year,
NOTE Confidence: 0.769991705

00:48:58.780 --> 00:49:00.432 new parents every year
NOTE Confidence: 0.769991705

00:49:00.432 --> 00:49:02.084 in our residency program,
NOTE Confidence: 0.769991705

00:49:02.090 --> 00:49:05.576 and I think they would say that.
NOTE Confidence: 0.769991705

00:49:05.580 --> 00:49:06.056 That happens.
NOTE Confidence: 0.769991705

00:49:06.056 --> 00:49:07.484 A great place to raise kids.
NOTE Confidence: 0.769991705

00:49:07.490 --> 00:49:08.957 The Sarah do you want to speak to that?
NOTE Confidence: 0.903754374

00:49:11.160 --> 00:49:13.532 Yeah, I wrote a little, little blurb there.
NOTE Confidence: 0.903754374

00:49:13.532 --> 00:49:17.003 So, so I had my first kid in fellowship
NOTE Confidence: 0.903754374

00:49:17.003 --> 00:49:20.363 and and moved a couple miles away from
NOTE Confidence: 0.903754374

00:49:20.453 --> 00:49:23.560 campus to A to a bigger house at that
NOTE Confidence: 0.903754374

00:49:23.560 --> 00:49:26.118 point and then moved out to Guildford,
NOTE Confidence: 0.903754374

00:49:26.120 --> 00:49:27.396 which is where a lot of
NOTE Confidence: 0.903754374

00:49:27.396 --> 00:49:28.556 the faculty live out here.
NOTE Confidence: 0.903754374

00:49:28.560 --> 00:49:31.059 And I absolutely feel like this is

NOTE Confidence: 0.903754374

00:49:31.059 --> 00:49:32.814 an amazing environment for them

NOTE Confidence: 0.903754374

00:49:32.814 --> 00:49:34.963 because I get to there's lots of

NOTE Confidence: 0.903754374

00:49:34.963 --> 00:49:36.968 culture that's brought in by Yale.

NOTE Confidence: 0.903754374

00:49:36.970 --> 00:49:38.707 I'm going to bring my 6 year old to

NOTE Confidence: 0.903754374

00:49:38.707 --> 00:49:41.104 you're a good man, Charlie Brown,

NOTE Confidence: 0.903754374

00:49:41.104 --> 00:49:43.550 next weekend. You know,

NOTE Confidence: 0.903754374

00:49:43.550 --> 00:49:46.750 uh to our art and all that business,

NOTE Confidence: 0.903754374

00:49:46.750 --> 00:49:49.102 but also we're like 2 miles from

NOTE Confidence: 0.903754374

00:49:49.102 --> 00:49:51.083 the beach and there's literally

NOTE Confidence: 0.903754374

00:49:51.083 --> 00:49:53.759 blazed hiking trails in my backyard

NOTE Confidence: 0.903754374

00:49:53.759 --> 00:49:56.722 that we can take and you know,

NOTE Confidence: 0.903754374

00:49:56.722 --> 00:49:59.581 bike paths and bishops orchards is

NOTE Confidence: 0.903754374

00:49:59.581 --> 00:50:02.180 down the street from me and where

NOTE Confidence: 0.903754374

00:50:02.180 --> 00:50:04.620 I've roped a bunch of our faculty and

NOTE Confidence: 0.903754374

00:50:04.693 --> 00:50:06.968 now there's a residency contingent.

NOTE Confidence: 0.903754374

00:50:06.970 --> 00:50:09.205 So we've we're we're competing

NOTE Confidence: 0.903754374

00:50:09.205 --> 00:50:11.440 against each other at trivia.

NOTE Confidence: 0.903754374

00:50:11.440 --> 00:50:13.820 Every week at Bishops Orchard.

NOTE Confidence: 0.903754374

00:50:13.820 --> 00:50:16.232 So that's a little away from

NOTE Confidence: 0.903754374

00:50:16.232 --> 00:50:17.840 what you were asking,

NOTE Confidence: 0.903754374

00:50:17.840 --> 00:50:20.360 but I have really felt like it's a great,

NOTE Confidence: 0.903754374

00:50:20.360 --> 00:50:21.720 it's a great environment

NOTE Confidence: 0.903754374

00:50:21.720 --> 00:50:23.719 for for raising children,

NOTE Confidence: 0.903754374

00:50:23.720 --> 00:50:26.216 but I did not have my

NOTE Confidence: 0.903754374

00:50:26.216 --> 00:50:27.880 first child in residency.

NOTE Confidence: 0.903754374

00:50:27.880 --> 00:50:30.058 I was very pregnant in residency,

NOTE Confidence: 0.903754374

00:50:30.060 --> 00:50:31.884 but I didn't have him until

NOTE Confidence: 0.903754374

00:50:31.884 --> 00:50:33.900 seven days into my fellowship.

NOTE Confidence: 0.806622969428571

00:50:35.530 --> 00:50:37.586 All right, vamsee, you've

NOTE Confidence: 0.806622969428571

00:50:37.586 --> 00:50:39.506 been waiting patiently. What?

NOTE Confidence: 0.806622969428571

00:50:39.506 --> 00:50:41.010 What? What's your question?

NOTE Confidence: 0.96015537

00:50:44.110 --> 00:50:46.590 Thank you for organizing this doctor Muller.

NOTE Confidence: 0.90216369

00:50:47.020 --> 00:50:48.160 So I just wanted to

NOTE Confidence: 0.86418187

00:50:48.170 --> 00:50:49.460 ask you, you mentioned that

NOTE Confidence: 0.86418187

00:50:49.460 --> 00:50:51.250 you take a year of graduation

NOTE Confidence: 0.86418187

00:50:51.250 --> 00:50:52.768 very seriously, but under like

NOTE Confidence: 0.844456965

00:50:52.820 --> 00:50:54.325 a special circumstances, you are

NOTE Confidence: 0.844456965

00:50:54.325 --> 00:50:56.070 willing to consider the applicants.

NOTE Confidence: 0.884039486666667

00:50:56.420 --> 00:50:57.626 So I wanted to know like

NOTE Confidence: 0.870810268888889

00:50:57.680 --> 00:50:58.776 what are the circumstances

NOTE Confidence: 0.870810268888889

00:50:58.776 --> 00:51:00.146 that would make you consider

NOTE Confidence: 0.805996814

00:51:00.160 --> 00:51:02.329 an applicant if he's like, let's say, over

NOTE Confidence: 0.9054196125

00:51:02.340 --> 00:51:03.588 five years of graduation?

NOTE Confidence: 0.9054196125

00:51:03.640 --> 00:51:09.810 Thank you. Yeah, things like.

NOTE Confidence: 0.9054196125

00:51:09.810 --> 00:51:14.740 Consistent. Pretty significant

NOTE Confidence: 0.861153504615385

00:51:14.740 --> 00:51:16.940 rigorous clinical experience maybe

NOTE Confidence: 0.861153504615385

00:51:16.940 --> 00:51:19.690 in some circumstances or some
NOTE Confidence: 0.861153504615385

00:51:19.690 --> 00:51:22.180 people pursue graduate training
NOTE Confidence: 0.861153504615385

00:51:22.180 --> 00:51:23.340 in those intervening years.
NOTE Confidence: 0.861153504615385

00:51:23.340 --> 00:51:25.659 So those would be the types of things.
NOTE Confidence: 0.861153504615385

00:51:25.660 --> 00:51:28.006 But I'll I'll say it again,
NOTE Confidence: 0.861153504615385

00:51:28.006 --> 00:51:29.778 as I've said before,
NOTE Confidence: 0.861153504615385

00:51:29.780 --> 00:51:31.530 we consider these every application
NOTE Confidence: 0.861153504615385

00:51:31.530 --> 00:51:32.930 on an individual basis.
NOTE Confidence: 0.63399272

00:51:34.940 --> 00:51:37.980 And thank you. Ida.
NOTE Confidence: 0.62989615

00:51:39.970 --> 00:51:40.860 It's Ida.
NOTE Confidence: 0.856129475

00:51:43.000 --> 00:51:45.184 So I was wondering, I was supportive
NOTE Confidence: 0.856129475

00:51:45.184 --> 00:51:47.083 of the program is of residents
NOTE Confidence: 0.856129475

00:51:47.083 --> 00:51:48.855 who want to be involved in
NOTE Confidence: 0.856129475

00:51:48.855 --> 00:51:50.559 advocacy or a kind of conferences?
NOTE Confidence: 0.539187209714286

00:51:52.540 --> 00:51:54.596 So, uh advocacy conferences
NOTE Confidence: 0.539187209714286

00:51:54.596 --> 00:51:56.138 or any conference?

NOTE Confidence: 0.7348999408

00:51:57.960 --> 00:52:00.900 Uhm, mostly advocacy stuff, but

NOTE Confidence: 0.908141633333333

00:52:00.950 --> 00:52:01.979 also other conferences.

NOTE Confidence: 0.841843253333333

00:52:02.750 --> 00:52:03.380 You know I

NOTE Confidence: 0.790972426666667

00:52:03.470 --> 00:52:06.795 very very supportive and and the young

NOTE Confidence: 0.790972426666667

00:52:06.795 --> 00:52:10.870 hip community is 1 in which you would

NOTE Confidence: 0.790972426666667

00:52:10.870 --> 00:52:14.240 definitely find people with a lot of

NOTE Confidence: 0.790972426666667

00:52:14.240 --> 00:52:17.075 expertise in advocacies in different ways

NOTE Confidence: 0.790972426666667

00:52:17.075 --> 00:52:20.411 as as you know neurology is light years

NOTE Confidence: 0.790972426666667

00:52:20.411 --> 00:52:23.370 behind fields like internal medicine,

NOTE Confidence: 0.790972426666667

00:52:23.370 --> 00:52:24.940 Pediatrics even obstetrics

NOTE Confidence: 0.790972426666667

00:52:24.940 --> 00:52:26.820 and gynecology in terms of.

NOTE Confidence: 0.790972426666667

00:52:26.820 --> 00:52:29.158 Being really good at this, it's,

NOTE Confidence: 0.790972426666667

00:52:29.158 --> 00:52:31.603 you know, and within neurology,

NOTE Confidence: 0.790972426666667

00:52:31.603 --> 00:52:35.300 we do have some people who are sort

NOTE Confidence: 0.790972426666667

00:52:35.300 --> 00:52:37.350 of engaged in community outreach.

NOTE Confidence: 0.790972426666667

00:52:37.350 --> 00:52:38.427 Somebody help me.
NOTE Confidence: 0.790972426666667

00:52:38.427 --> 00:52:40.581 I don't know if anybody does
NOTE Confidence: 0.790972426666667

00:52:40.581 --> 00:52:41.920 specific advocacy work.
NOTE Confidence: 0.01671195

00:52:43.880 --> 00:52:45.584 But Rachel Foreman, who's one
NOTE Confidence: 0.01671195

00:52:45.584 --> 00:52:46.788 of our stroke neurologists,
NOTE Confidence: 0.86341243

00:52:46.800 --> 00:52:52.410 a lot of advocacy and outreach work and
NOTE Confidence: 0.747157733333333

00:52:52.640 --> 00:52:53.369 there was somebody
NOTE Confidence: 0.925792

00:52:53.380 --> 00:52:54.540 else who I can't remember,
NOTE Confidence: 0.925792

00:52:54.540 --> 00:52:58.390 but there there are a lot of faculty
NOTE Confidence: 0.87083454

00:52:58.400 --> 00:52:59.612 in our sub specialty
NOTE Confidence: 0.87083454

00:52:59.612 --> 00:53:00.824 divisions who are focusing
NOTE Confidence: 0.877991128888889

00:53:00.840 --> 00:53:03.395 on outreach, advocacy, equity issues
NOTE Confidence: 0.877991128888889

00:53:03.395 --> 00:53:05.439 within their specific fields.
NOTE Confidence: 0.877991128888889

00:53:05.440 --> 00:53:07.170 So that's definitely available currently.
NOTE Confidence: 0.649437730642857

00:53:08.470 --> 00:53:13.055 Yeah, and as to support for conferences.
NOTE Confidence: 0.649437730642857

00:53:13.060 --> 00:53:14.785 Residents are encouraged

NOTE Confidence: 0.649437730642857
00:53:14.785 --> 00:53:16.510 to attend conferences.
NOTE Confidence: 0.649437730642857
00:53:16.510 --> 00:53:18.533 All of the residents here will know
NOTE Confidence: 0.649437730642857
00:53:18.533 --> 00:53:20.817 that I send emails all the time
NOTE Confidence: 0.649437730642857
00:53:20.817 --> 00:53:22.845 encouraging people to apply and and
NOTE Confidence: 0.649437730642857
00:53:22.913 --> 00:53:25.127 and look for scholarships to attend,
NOTE Confidence: 0.649437730642857
00:53:25.130 --> 00:53:25.998 various interests,
NOTE Confidence: 0.649437730642857
00:53:25.998 --> 00:53:28.168 special interests of special conferences,
NOTE Confidence: 0.649437730642857
00:53:28.170 --> 00:53:29.946 as well as the larger conferences like the,
NOTE Confidence: 0.649437730642857
00:53:29.950 --> 00:53:31.262 AN and so on.
NOTE Confidence: 0.649437730642857
00:53:31.262 --> 00:53:32.902 The vast majority of residents
NOTE Confidence: 0.649437730642857
00:53:32.902 --> 00:53:35.391 will have attended the ANC or a
NOTE Confidence: 0.649437730642857
00:53:35.391 --> 00:53:37.258 similar larger meeting by the
NOTE Confidence: 0.649437730642857
00:53:37.258 --> 00:53:39.268 end of their residency training.
NOTE Confidence: 0.649437730642857
00:53:39.270 --> 00:53:41.246 And and and I love for people to
NOTE Confidence: 0.649437730642857
00:53:41.246 --> 00:53:43.631 to get out of New Haven and meet
NOTE Confidence: 0.649437730642857

00:53:43.631 --> 00:53:45.550 people who have shared interests,
NOTE Confidence: 0.649437730642857

00:53:45.550 --> 00:53:46.324 you know.
NOTE Confidence: 0.649437730642857

00:53:46.324 --> 00:53:48.646 So I would certainly be very
NOTE Confidence: 0.649437730642857

00:53:48.646 --> 00:53:51.130 supportive as I said that the
NOTE Confidence: 0.649437730642857

00:53:51.130 --> 00:53:52.802 hospital provides funding for
NOTE Confidence: 0.649437730642857

00:53:52.802 --> 00:53:55.548 attending conferences and we provide
NOTE Confidence: 0.649437730642857

00:53:55.548 --> 00:53:57.940 supplemental funding for those who are
NOTE Confidence: 0.649437730642857

00:53:57.940 --> 00:53:59.515 presenting at conferences as well.
NOTE Confidence: 0.649437730642857

00:53:59.520 --> 00:54:01.224 So we do have something we
NOTE Confidence: 0.649437730642857

00:54:01.224 --> 00:54:03.109 negotiated a handful of years ago
NOTE Confidence: 0.649437730642857

00:54:03.109 --> 00:54:04.493 with some supplemental funding
NOTE Confidence: 0.649437730642857

00:54:04.493 --> 00:54:06.620 for people to attend conferences.
NOTE Confidence: 0.649437730642857

00:54:06.620 --> 00:54:08.068 Hope that answers your question a little bit.
NOTE Confidence: 0.8923198675

00:54:09.370 --> 00:54:10.278 It does. Thank you.
NOTE Confidence: 0.029172122

00:54:11.810 --> 00:54:12.380 Umm.
NOTE Confidence: 0.83081204

00:54:14.520 --> 00:54:15.240 Louise.

NOTE Confidence: 0.3810412833333333
00:54:18.560 --> 00:54:20.250 Hi, Doctor Miller, thank you very
NOTE Confidence: 0.3810412833333333
00:54:20.250 --> 00:54:21.519 much for organizing this. Thank you
NOTE Confidence: 0.78103154
00:54:21.530 --> 00:54:22.942 all the residents for having your
NOTE Confidence: 0.78103154
00:54:22.942 --> 00:54:24.878 time to talk with us. I wanted to
NOTE Confidence: 0.8614550033333333
00:54:24.890 --> 00:54:29.020 ask a bit, how does it work for mentoring
NOTE Confidence: 0.9280052
00:54:29.030 --> 00:54:30.119 in the residency
NOTE Confidence: 0.823350885
00:54:30.130 --> 00:54:33.670 program here? Do the residents have mentors
NOTE Confidence: 0.908637692
00:54:33.670 --> 00:54:35.070 from the beginning or did
NOTE Confidence: 0.812168145
00:54:35.080 --> 00:54:36.763 they get mentors as they go into
NOTE Confidence: 0.812168145
00:54:36.763 --> 00:54:38.858 their research or academic path
NOTE Confidence: 0.7198292
00:54:39.330 --> 00:54:40.850 throughout their time in residency?
NOTE Confidence: 0.85171515
00:54:40.860 --> 00:54:41.880 Because I've seen
NOTE Confidence: 0.884787182
00:54:41.890 --> 00:54:43.560 that more and more residency
NOTE Confidence: 0.884787182
00:54:43.570 --> 00:54:44.540 programs sometimes
NOTE Confidence: 0.53778739
00:54:44.550 --> 00:54:45.738 place residents with mentors
NOTE Confidence: 0.9335855433333333

00:54:45.750 --> 00:54:46.839 from day one
NOTE Confidence: 0.8273739

00:54:47.010 --> 00:54:48.360 or they let us look.
NOTE Confidence: 0.679450575

00:54:48.430 --> 00:54:49.922 For for our mentors, so I wouldn't.
NOTE Confidence: 0.679450575

00:54:49.922 --> 00:54:51.428 I wanted to ask about how this goes
NOTE Confidence: 0.838365091666667

00:54:51.440 --> 00:54:52.880 and your program here in Yale.
NOTE Confidence: 0.841017394545455

00:54:53.900 --> 00:54:55.740 So we do place everyone
NOTE Confidence: 0.841017394545455

00:54:55.740 --> 00:54:57.980 with a mentor from day one.
NOTE Confidence: 0.841017394545455

00:54:57.980 --> 00:55:00.908 It's not always the same person
NOTE Confidence: 0.841017394545455

00:55:00.908 --> 00:55:03.464 who the resident, by the time they
NOTE Confidence: 0.841017394545455

00:55:03.464 --> 00:55:05.090 graduate would identify as a mentor.
NOTE Confidence: 0.841017394545455

00:55:05.090 --> 00:55:07.450 And one sort of non scientific way of
NOTE Confidence: 0.841017394545455

00:55:07.450 --> 00:55:09.517 looking at this is our graduation.
NOTE Confidence: 0.841017394545455

00:55:09.520 --> 00:55:11.458 We have somebody who roasts or
NOTE Confidence: 0.841017394545455

00:55:11.458 --> 00:55:12.914 toasts each resident, you know,
NOTE Confidence: 0.841017394545455

00:55:12.914 --> 00:55:13.640 when they graduate.
NOTE Confidence: 0.841017394545455

00:55:13.640 --> 00:55:14.748 It's a nice tradition.

NOTE Confidence: 0.841017394545455
00:55:14.748 --> 00:55:17.335 We have a lot of fun and when you
NOTE Confidence: 0.841017394545455
00:55:17.335 --> 00:55:19.868 look at the people who are sort of
NOTE Confidence: 0.841017394545455
00:55:19.868 --> 00:55:21.780 toasting our graduating residents,
NOTE Confidence: 0.841017394545455
00:55:21.780 --> 00:55:23.520 it's not, not always the same
NOTE Confidence: 0.841017394545455
00:55:23.520 --> 00:55:24.390 people I've assigned.
NOTE Confidence: 0.841017394545455
00:55:24.390 --> 00:55:24.924 From the start,
NOTE Confidence: 0.841017394545455
00:55:24.924 --> 00:55:26.170 and we have a mechanism for that.
NOTE Confidence: 0.841017394545455
00:55:26.170 --> 00:55:28.282 Any of the residents want to
NOTE Confidence: 0.841017394545455
00:55:28.282 --> 00:55:30.158 speak to their experiences with
NOTE Confidence: 0.841017394545455
00:55:30.158 --> 00:55:32.148 guidance or support or mentorship
NOTE Confidence: 0.841017394545455
00:55:32.148 --> 00:55:35.490 from a particular faculty member.
NOTE Confidence: 0.841017394545455
00:55:35.490 --> 00:55:36.828 Maybe somebody in the more senior
NOTE Confidence: 0.841017394545455
00:55:36.828 --> 00:55:37.990 years because the Petri twos
NOTE Confidence: 0.841017394545455
00:55:37.990 --> 00:55:39.040 are just getting settled in.
NOTE Confidence: 0.92058583375
00:55:43.020 --> 00:55:45.900 I mean, I can talk about my mentor,
NOTE Confidence: 0.92058583375

00:55:45.900 --> 00:55:46.852 who's on the call,
NOTE Confidence: 0.92058583375

00:55:46.852 --> 00:55:50.820 who I already give a shout out to Sarah,
NOTE Confidence: 0.92058583375

00:55:50.820 --> 00:55:53.188 but Sarah and I were matched up at
NOTE Confidence: 0.92058583375

00:55:53.188 --> 00:55:54.958 the beginning of my PY two year.
NOTE Confidence: 0.92058583375

00:55:54.960 --> 00:55:57.615 I think I asked to be matched with her
NOTE Confidence: 0.92058583375

00:55:57.615 --> 00:56:00.215 because she had a lot of similar interests,
NOTE Confidence: 0.92058583375

00:56:00.220 --> 00:56:02.656 medical education and and movement disorders.
NOTE Confidence: 0.92058583375

00:56:02.660 --> 00:56:05.691 And I also was interested in having
NOTE Confidence: 0.92058583375

00:56:05.691 --> 00:56:08.821 mentorship from a woman in neurology who
NOTE Confidence: 0.92058583375

00:56:08.821 --> 00:56:11.418 was successfully able to like have a
NOTE Confidence: 0.92058583375

00:56:11.418 --> 00:56:14.420 family and do other life things like wow,
NOTE Confidence: 0.92058583375

00:56:14.420 --> 00:56:16.545 doing all the millions of
NOTE Confidence: 0.92058583375

00:56:16.545 --> 00:56:18.245 things that she does.
NOTE Confidence: 0.92058583375

00:56:18.250 --> 00:56:22.816 And so Sarah was very approachable.
NOTE Confidence: 0.92058583375

00:56:22.820 --> 00:56:25.599 From the get go and we so
NOTE Confidence: 0.92058583375

00:56:25.599 --> 00:56:28.379 we've had like lots of formal,

NOTE Confidence: 0.92058583375

00:56:28.380 --> 00:56:30.318 informal meetings kind of whenever I

NOTE Confidence: 0.92058583375

00:56:30.318 --> 00:56:32.534 really need to talk about something or

NOTE Confidence: 0.92058583375

00:56:32.534 --> 00:56:34.960 or figure out where my life I'm going,

NOTE Confidence: 0.92058583375

00:56:34.960 --> 00:56:36.130 things like that.

NOTE Confidence: 0.92058583375

00:56:36.130 --> 00:56:37.300 She's very approachable.

NOTE Confidence: 0.92058583375

00:56:37.300 --> 00:56:40.009 So we talk about things like that

NOTE Confidence: 0.92058583375

00:56:40.009 --> 00:56:43.280 and we've also done a couple of

NOTE Confidence: 0.92058583375

00:56:43.280 --> 00:56:45.300 like scholarly projects together.

NOTE Confidence: 0.92058583375

00:56:45.300 --> 00:56:47.724 So she's helped me with my

NOTE Confidence: 0.92058583375

00:56:47.724 --> 00:56:49.340 clinician educator pathway project.

NOTE Confidence: 0.92058583375

00:56:49.340 --> 00:56:51.868 She's been sort of my mentor for that.

NOTE Confidence: 0.92058583375

00:56:51.870 --> 00:56:54.650 On. And so it's been good.

NOTE Confidence: 0.92058583375

00:56:54.650 --> 00:56:55.952 And now she's going to be

NOTE Confidence: 0.92058583375

00:56:55.952 --> 00:56:58.060 my fellowship director, so.

NOTE Confidence: 0.92058583375

00:56:58.060 --> 00:56:59.851 OK, we'll continue.

NOTE Confidence: 0.92058583375

00:56:59.851 --> 00:57:03.060 But I'd say really in general.
NOTE Confidence: 0.92058583375

00:57:03.060 --> 00:57:06.785 Most of the faculty here
NOTE Confidence: 0.92058583375

00:57:06.785 --> 00:57:09.020 are very approachable.
NOTE Confidence: 0.92058583375

00:57:09.020 --> 00:57:11.450 In a formal or an informal
NOTE Confidence: 0.92058583375

00:57:11.450 --> 00:57:12.458 capacity for mentorship.
NOTE Confidence: 0.92058583375

00:57:12.458 --> 00:57:14.551 Like, even if you have like one
NOTE Confidence: 0.92058583375

00:57:14.551 --> 00:57:16.660 particular question about something you know,
NOTE Confidence: 0.92058583375

00:57:16.660 --> 00:57:17.908 generally they're very willing
NOTE Confidence: 0.92058583375

00:57:17.908 --> 00:57:19.156 to talk to you.
NOTE Confidence: 0.92058583375

00:57:19.160 --> 00:57:20.490 Or if you're interested in
NOTE Confidence: 0.92058583375

00:57:20.490 --> 00:57:21.820 getting involved with their work,
NOTE Confidence: 0.92058583375

00:57:21.820 --> 00:57:23.740 they're very interested in that, too.
NOTE Confidence: 0.92058583375

00:57:23.740 --> 00:57:26.840 And everyone here is very.
NOTE Confidence: 0.92058583375

00:57:26.840 --> 00:57:27.436 Nice.
NOTE Confidence: 0.92058583375

00:57:27.436 --> 00:57:31.608 For lack of a more sophisticated word.
NOTE Confidence: 0.92058583375

00:57:31.610 --> 00:57:31.946 Very,

NOTE Confidence: 0.92058583375

00:57:31.946 --> 00:57:33.290 very willing to mentor.

NOTE Confidence: 0.038338125

00:57:35.190 --> 00:57:38.660 Umm. I I just cognizant of

NOTE Confidence: 0.038338125

00:57:38.660 --> 00:57:40.280 the time it's 8:00 o'clock,

NOTE Confidence: 0.038338125

00:57:40.280 --> 00:57:42.688 but I want to stay until everybody's

NOTE Confidence: 0.038338125

00:57:42.688 --> 00:57:44.360 had the questions answered.

NOTE Confidence: 0.038338125

00:57:44.360 --> 00:57:47.210 And so we'll we'll keep going,

NOTE Confidence: 0.038338125

00:57:47.210 --> 00:57:48.799 but we won't be offended at all.

NOTE Confidence: 0.038338125

00:57:48.800 --> 00:57:50.018 If you need to drop off.

NOTE Confidence: 0.038338125

00:57:50.020 --> 00:57:53.140 I'm sure some of you have busy lives.

NOTE Confidence: 0.038338125

00:57:53.140 --> 00:57:55.500 Adriana, I think I have you next.

NOTE Confidence: 0.3874997

00:57:57.310 --> 00:58:01.380 Hi. You mentioned how this program

NOTE Confidence: 0.3874997

00:58:01.380 --> 00:58:03.834 like values feedback a lot and

NOTE Confidence: 0.3874997

00:58:03.834 --> 00:58:05.240 it's kind of unrecognizable from

NOTE Confidence: 0.3874997

00:58:05.240 --> 00:58:07.310 how it was a couple years ago.

NOTE Confidence: 0.3874997

00:58:07.310 --> 00:58:08.942 So I was just wondering if you could

NOTE Confidence: 0.3874997

00:58:08.942 --> 00:58:10.669 speak to maybe like one change you've
NOTE Confidence: 0.8995369233333333

00:58:10.680 --> 00:58:12.720 implemented or planning to implement that
NOTE Confidence: 0.940127325

00:58:12.730 --> 00:58:13.658 you're most proud of?
NOTE Confidence: 0.9140562766666667

00:58:15.080 --> 00:58:16.628 Well, I've got a good one,
NOTE Confidence: 0.9140562766666667

00:58:16.630 --> 00:58:19.570 and Claire is on the call.
NOTE Confidence: 0.9140562766666667

00:58:19.570 --> 00:58:20.970 And Clarence, I think going
NOTE Confidence: 0.9140562766666667

00:58:20.970 --> 00:58:22.200 to present this, right?
NOTE Confidence: 0.7114187433333333

00:58:24.820 --> 00:58:25.708 All my work,
NOTE Confidence: 0.8084396

00:58:26.430 --> 00:58:27.910 am I required for this?
NOTE Confidence: 0.5242225455

00:58:28.060 --> 00:58:29.926 Yeah. So you probably heard your
NOTE Confidence: 0.798764036

00:58:29.940 --> 00:58:31.930 name, but it was asked
NOTE Confidence: 0.65622861

00:58:32.000 --> 00:58:33.848 a change that
NOTE Confidence: 0.82303835

00:58:33.900 --> 00:58:36.149 that we made that I'm proud of.
NOTE Confidence: 0.82303835

00:58:36.149 --> 00:58:38.941 And Claire was in my office sort of
NOTE Confidence: 0.82303835

00:58:38.941 --> 00:58:41.254 asking about the project, you know,
NOTE Confidence: 0.82303835

00:58:41.254 --> 00:58:42.796 something that you might want to

NOTE Confidence: 0.82303835

00:58:42.796 --> 00:58:44.698 work on that sort of could happen.

NOTE Confidence: 0.82303835

00:58:44.700 --> 00:58:45.392 Or maybe you worked.

NOTE Confidence: 0.82303835

00:58:45.392 --> 00:58:46.630 Maybe I just gave it to you.

NOTE Confidence: 0.82303835

00:58:46.630 --> 00:58:47.680 I don't know. I can't remember.

NOTE Confidence: 0.82303835

00:58:47.680 --> 00:58:51.560 But so we I'm very proud of this.

NOTE Confidence: 0.82303835

00:58:51.560 --> 00:58:52.235 I'll describe it,

NOTE Confidence: 0.82303835

00:58:52.240 --> 00:58:53.080 and Claire's going to,

NOTE Confidence: 0.82303835

00:58:53.080 --> 00:58:54.212 I think, going to.

NOTE Confidence: 0.82303835

00:58:54.212 --> 00:58:55.992 Analyze the test statistics as

NOTE Confidence: 0.82303835

00:58:55.992 --> 00:58:58.267 soon as I get them to her.

NOTE Confidence: 0.82303835

00:58:58.270 --> 00:59:02.590 But we had a prize in our residency

NOTE Confidence: 0.82303835

00:59:02.590 --> 00:59:05.790 called the Lewis Levy Award.

NOTE Confidence: 0.82303835

00:59:05.790 --> 00:59:08.982 It was named after a late clinician

NOTE Confidence: 0.82303835

00:59:08.982 --> 00:59:12.099 educator within the neurology community.

NOTE Confidence: 0.787982507631579

00:59:14.360 --> 00:59:18.600 And the award was given to an outstanding

NOTE Confidence: 0.787982507631579

00:59:18.600 --> 00:59:23.493 PG Y2 and the old way up until I think
NOTE Confidence: 0.787982507631579

00:59:23.493 --> 00:59:26.750 2018 the award was given was that.
NOTE Confidence: 0.42353547

00:59:29.360 --> 00:59:31.575 That the faculty members,
NOTE Confidence: 0.42353547

00:59:31.575 --> 00:59:33.955 one of our residents,
NOTE Confidence: 0.42353547

00:59:33.960 --> 00:59:35.058 our Resident Coordinator,
NOTE Confidence: 0.42353547

00:59:35.058 --> 00:59:37.254 would send the faculty members just
NOTE Confidence: 0.42353547

00:59:37.254 --> 00:59:38.929 request nominations and they would
NOTE Confidence: 0.42353547

00:59:38.929 --> 00:59:40.807 e-mail them back to the Resident
NOTE Confidence: 0.42353547

00:59:40.863 --> 00:59:42.579 Coordinator and she would tally them
NOTE Confidence: 0.42353547

00:59:42.579 --> 00:59:45.274 up and the winner was the person who
NOTE Confidence: 0.42353547

00:59:45.274 --> 00:59:49.380 got the most votes basically. And.
NOTE Confidence: 0.42353547

00:59:49.380 --> 00:59:52.159 Overtime, this caused a lot of problems.
NOTE Confidence: 0.42353547

00:59:52.160 --> 00:59:53.945 People were just very upset
NOTE Confidence: 0.42353547

00:59:53.945 --> 00:59:56.175 about this and in retrospect in
NOTE Confidence: 0.42353547

00:59:56.175 --> 00:59:58.035 ways that were incredibly valid.
NOTE Confidence: 0.42353547

00:59:58.040 --> 01:00:00.744 And so we changed it so that it

NOTE Confidence: 0.42353547

01:00:00.744 --> 01:00:03.605 wasn't so much tied to the intrinsic

NOTE Confidence: 0.42353547

01:00:03.605 --> 01:00:06.619 value of one person over the other,

NOTE Confidence: 0.42353547

01:00:06.620 --> 01:00:09.690 but rather a competition to submit

NOTE Confidence: 0.42353547

01:00:09.690 --> 01:00:12.010 cases sort of in the style of like

NOTE Confidence: 0.42353547

01:00:12.010 --> 01:00:14.574 a clinical reasoning case from the

NOTE Confidence: 0.42353547

01:00:14.574 --> 01:00:16.536 neurology journal or something like that.

NOTE Confidence: 0.42353547

01:00:16.540 --> 01:00:19.484 And we as a committee put together a.

NOTE Confidence: 0.42353547

01:00:19.490 --> 01:00:21.324 Set of guidelines which are very explicit

NOTE Confidence: 0.42353547

01:00:21.324 --> 01:00:23.447 about how the case would be put together.

NOTE Confidence: 0.42353547

01:00:23.450 --> 01:00:24.786 Word limits pretty short.

NOTE Confidence: 0.42353547

01:00:24.786 --> 01:00:25.788 All that stuff,

NOTE Confidence: 0.42353547

01:00:25.790 --> 01:00:27.854 and we said all the POI twos have

NOTE Confidence: 0.42353547

01:00:27.854 --> 01:00:28.850 to submit a case.

NOTE Confidence: 0.42353547

01:00:28.850 --> 01:00:31.714 I took the names off the cases and

NOTE Confidence: 0.42353547

01:00:31.714 --> 01:00:33.650 distributed them to five faculty

NOTE Confidence: 0.42353547

01:00:33.650 --> 01:00:37.130 members who scored them on a on
NOTE Confidence: 0.42353547

01:00:37.130 --> 01:00:40.454 a system that we disseminated in
NOTE Confidence: 0.42353547

01:00:40.454 --> 01:00:45.550 advance and the Umm prior to 2018.
NOTE Confidence: 0.42353547

01:00:45.550 --> 01:00:47.980 The the gender breakdown, male,
NOTE Confidence: 0.42353547

01:00:47.980 --> 01:00:50.315 female, gender breakdown of our
NOTE Confidence: 0.42353547

01:00:50.315 --> 01:00:51.548 residency was 40605050.
NOTE Confidence: 0.42353547

01:00:51.548 --> 01:00:52.740 It was pretty close,
NOTE Confidence: 0.42353547

01:00:52.740 --> 01:00:55.806 and the winners of the Levy award
NOTE Confidence: 0.42353547

01:00:55.806 --> 01:00:57.014 was 75% men.
NOTE Confidence: 0.42353547

01:00:57.014 --> 01:00:59.306 So clearly a bias and we're
NOTE Confidence: 0.42353547

01:00:59.306 --> 01:01:01.298 still sorting out these data,
NOTE Confidence: 0.42353547

01:01:01.300 --> 01:01:03.200 but probably about 90% white,
NOTE Confidence: 0.42353547

01:01:03.200 --> 01:01:05.041 which again was not the the racial
NOTE Confidence: 0.42353547

01:01:05.041 --> 01:01:06.819 breakdown of our residency program.
NOTE Confidence: 0.42353547

01:01:06.820 --> 01:01:09.136 And after we made the change,
NOTE Confidence: 0.42353547

01:01:09.140 --> 01:01:13.004 we're still waiting for our first man winner.

NOTE Confidence: 0.42353547

01:01:13.004 --> 01:01:15.267 It's been 100% women.

NOTE Confidence: 0.42353547

01:01:15.267 --> 01:01:17.829 Uh who haven't have won the

NOTE Confidence: 0.42353547

01:01:17.829 --> 01:01:19.842 award and the reason I'm proud

NOTE Confidence: 0.42353547

01:01:19.842 --> 01:01:22.210 of that is for a few reasons.

NOTE Confidence: 0.42353547

01:01:22.210 --> 01:01:24.642 One is one of our chief resident said

NOTE Confidence: 0.42353547

01:01:24.642 --> 01:01:27.101 I don't like this was Frank to me

NOTE Confidence: 0.42353547

01:01:27.101 --> 01:01:30.185 about it said that it's I I think this

NOTE Confidence: 0.42353547

01:01:30.185 --> 01:01:32.010 system is flawed it's problematic.

NOTE Confidence: 0.42353547

01:01:32.010 --> 01:01:34.850 I how would you possibly rate a clinician?

NOTE Confidence: 0.42353547

01:01:34.850 --> 01:01:37.698 I think that's right.

NOTE Confidence: 0.42353547

01:01:37.700 --> 01:01:40.436 And the daughter of Doctor Levy is in

NOTE Confidence: 0.42353547

01:01:40.436 --> 01:01:42.688 our department and really felt strongly

NOTE Confidence: 0.42353547

01:01:42.688 --> 01:01:45.730 that we should continue to honor her father.

NOTE Confidence: 0.42353547

01:01:45.730 --> 01:01:46.854 And there was some,

NOTE Confidence: 0.42353547

01:01:46.854 --> 01:01:47.416 you know,

NOTE Confidence: 0.42353547

01:01:47.420 --> 01:01:49.820 a group that had put together this award.

NOTE Confidence: 0.42353547

01:01:49.820 --> 01:01:52.305 And so we figured out another way,

NOTE Confidence: 0.42353547

01:01:52.310 --> 01:01:54.533 and it's a way that's based on some merit,

NOTE Confidence: 0.42353547

01:01:54.540 --> 01:01:56.040 but it's on a specific task.

NOTE Confidence: 0.42353547

01:01:56.040 --> 01:01:57.798 So we're really proud of that.

NOTE Confidence: 0.42353547

01:01:57.800 --> 01:01:58.643 It's a small thing,

NOTE Confidence: 0.42353547

01:01:58.643 --> 01:01:59.969 but I think a significant thing.

NOTE Confidence: 0.42353547

01:01:59.969 --> 01:02:01.432 And and I'm glad you asked because

NOTE Confidence: 0.42353547

01:02:01.432 --> 01:02:02.779 I'm just really proud of that.

NOTE Confidence: 0.92576233

01:02:07.150 --> 01:02:08.308 All right, Alexandra.

NOTE Confidence: 0.890525334444444

01:02:09.690 --> 01:02:11.255 Hi everyone, thank you for

NOTE Confidence: 0.890525334444444

01:02:11.255 --> 01:02:12.507 hosting this open house.

NOTE Confidence: 0.890525334444444

01:02:12.510 --> 01:02:14.250 I was just wondering if there

NOTE Confidence: 0.890525334444444

01:02:14.250 --> 01:02:15.410 is blocked educational time,

NOTE Confidence: 0.890525334444444

01:02:15.410 --> 01:02:18.056 perhaps outside of any new lectures.

NOTE Confidence: 0.773653994

01:02:21.110 --> 01:02:24.235 No. What do you mean? Maybe this is

NOTE Confidence: 0.773653994

01:02:24.235 --> 01:02:25.410 something that other programs do.

NOTE Confidence: 0.847986960769231

01:02:26.590 --> 01:02:28.788 I was just wondering if there were

NOTE Confidence: 0.847986960769231

01:02:28.788 --> 01:02:30.440 sort of recurring educational

NOTE Confidence: 0.847986960769231

01:02:30.440 --> 01:02:32.356 sessions throughout, for example,

NOTE Confidence: 0.847986960769231

01:02:32.356 --> 01:02:35.350 like PG Y one or PG by two year.

NOTE Confidence: 0.847986960769231

01:02:35.350 --> 01:02:36.850 And I know sometimes it's

NOTE Confidence: 0.847986960769231

01:02:36.850 --> 01:02:39.050 difficult to get to some of those

NOTE Confidence: 0.847986960769231

01:02:39.050 --> 01:02:40.980 lectures over the noon hour. Yeah,

NOTE Confidence: 0.7479433089375

01:02:40.990 --> 01:02:42.940 great question. So I'm aware

NOTE Confidence: 0.7479433089375

01:02:42.940 --> 01:02:44.890 some residency programs have like

NOTE Confidence: 0.7479433089375

01:02:44.958 --> 01:02:46.908 courses or or things like that,

NOTE Confidence: 0.7479433089375

01:02:46.910 --> 01:02:48.902 that they start at the start or halfway

NOTE Confidence: 0.7479433089375

01:02:48.902 --> 01:02:50.828 through the year or something like that.

NOTE Confidence: 0.7479433089375

01:02:50.830 --> 01:02:51.990 No, you know, our.

NOTE Confidence: 0.7479433089375

01:02:51.990 --> 01:02:54.174 A couple of things that we do

NOTE Confidence: 0.7479433089375

01:02:54.174 --> 01:02:56.044 that feel strongly about being
NOTE Confidence: 0.7479433089375

01:02:56.044 --> 01:02:57.907 effective are during the clinic
NOTE Confidence: 0.7479433089375

01:02:57.907 --> 01:02:59.986 block all the POI twos would be
NOTE Confidence: 0.7479433089375

01:02:59.986 --> 01:03:02.508 able to acknowledge that I block
NOTE Confidence: 0.7479433089375

01:03:02.508 --> 01:03:06.552 off at least 1/2 day for learning.
NOTE Confidence: 0.7479433089375

01:03:06.552 --> 01:03:10.204 That's on self-directed modules Dr
NOTE Confidence: 0.7479433089375

01:03:10.204 --> 01:03:11.740 Schaeffer's movement disorders modules.
NOTE Confidence: 0.7479433089375

01:03:11.740 --> 01:03:14.446 The EEG modules on the neurophysiology
NOTE Confidence: 0.7479433089375

01:03:14.446 --> 01:03:17.069 weeks when the residents are on
NOTE Confidence: 0.7479433089375

01:03:17.069 --> 01:03:18.929 the neurophysiology weeks at the
NOTE Confidence: 0.7479433089375

01:03:18.929 --> 01:03:21.588 start of the year we also block off
NOTE Confidence: 0.7479433089375

01:03:21.588 --> 01:03:23.351 half of the day so the.
NOTE Confidence: 0.7479433089375

01:03:23.351 --> 01:03:25.388 The mornings they'll go to MG clinic,
NOTE Confidence: 0.7479433089375

01:03:25.390 --> 01:03:26.794 in the afternoon actually,
NOTE Confidence: 0.7479433089375

01:03:26.794 --> 01:03:29.410 they're able to go home and work
NOTE Confidence: 0.7479433089375

01:03:29.410 --> 01:03:31.154 on self-directed EG educational

NOTE Confidence: 0.7479433089375
01:03:31.154 --> 01:03:33.795 modules and the expectation is they
NOTE Confidence: 0.7479433089375
01:03:33.795 --> 01:03:35.750 complete them during that time.
NOTE Confidence: 0.7479433089375
01:03:35.750 --> 01:03:37.402 They really have minimal
NOTE Confidence: 0.7479433089375
01:03:37.402 --> 01:03:38.228 other responsibilities,
NOTE Confidence: 0.7479433089375
01:03:38.230 --> 01:03:40.822 except when I ask them to meet with me,
NOTE Confidence: 0.7479433089375
01:03:40.830 --> 01:03:42.372 which occasionally happens
NOTE Confidence: 0.7479433089375
01:03:42.372 --> 01:03:44.428 for a routine meeting.
NOTE Confidence: 0.7479433089375
01:03:44.430 --> 01:03:47.094 The other thing we do that we're really
NOTE Confidence: 0.7479433089375
01:03:47.094 --> 01:03:49.921 proud of are a lot of simulations
NOTE Confidence: 0.7479433089375
01:03:49.921 --> 01:03:51.589 and simulation based teaching
NOTE Confidence: 0.7479433089375
01:03:51.590 --> 01:03:53.840 Doctor Schaefer is working with.
NOTE Confidence: 0.7479433089375
01:03:53.840 --> 01:03:55.850 Couple of our chief residents
NOTE Confidence: 0.7479433089375
01:03:55.850 --> 01:03:57.860 on some simulations that are
NOTE Confidence: 0.7479433089375
01:03:57.930 --> 01:04:00.010 focused more on softer skills.
NOTE Confidence: 0.7479433089375
01:04:00.010 --> 01:04:00.397 Communication,
NOTE Confidence: 0.7479433089375

01:04:00.397 --> 01:04:02.719 so you can tell me the
NOTE Confidence: 0.7479433089375

01:04:02.719 --> 01:04:05.017 other ones in a in a second.
NOTE Confidence: 0.7479433089375

01:04:05.020 --> 01:04:07.960 We also do a brain death simulation,
NOTE Confidence: 0.7479433089375

01:04:07.960 --> 01:04:09.404 which is set aside.
NOTE Confidence: 0.7479433089375

01:04:09.404 --> 01:04:11.209 We do these things called
NOTE Confidence: 0.7479433089375

01:04:11.209 --> 01:04:12.279 one-on-one check INS,
NOTE Confidence: 0.7479433089375

01:04:12.280 --> 01:04:14.944 which are one-on-one sessions with one
NOTE Confidence: 0.7479433089375

01:04:14.944 --> 01:04:18.937 of us who's a specialist in either EEG,
NOTE Confidence: 0.7479433089375

01:04:18.940 --> 01:04:20.536 EMG and movement disorders.
NOTE Confidence: 0.7479433089375

01:04:20.536 --> 01:04:22.930 And every resident gets a dedicated
NOTE Confidence: 0.7479433089375

01:04:22.995 --> 01:04:24.860 one-on-one time that's structured and
NOTE Confidence: 0.7479433089375

01:04:24.860 --> 01:04:28.188 based on that and all of that really allows.
NOTE Confidence: 0.7479433089375

01:04:28.190 --> 01:04:30.507 Residents to have time that's set aside
NOTE Confidence: 0.7479433089375

01:04:30.507 --> 01:04:33.130 where they have no other responsibilities,
NOTE Confidence: 0.7479433089375

01:04:33.130 --> 01:04:34.546 where they are learning those tasks,
NOTE Confidence: 0.7479433089375

01:04:34.550 --> 01:04:37.252 but we we it's just logistically it

NOTE Confidence: 0.7479433089375

01:04:37.252 --> 01:04:39.910 would be very difficult to have,

NOTE Confidence: 0.7479433089375

01:04:39.910 --> 01:04:40.416 you know,

NOTE Confidence: 0.7479433089375

01:04:40.416 --> 01:04:42.750 a week in a classroom or something like that.

NOTE Confidence: 0.7479433089375

01:04:42.750 --> 01:04:44.150 And also I don't want to bore you,

NOTE Confidence: 0.7479433089375

01:04:44.150 --> 01:04:45.830 but I'm not totally convinced that

NOTE Confidence: 0.7479433089375

01:04:45.830 --> 01:04:47.350 the best way to learn.

NOTE Confidence: 0.7479433089375

01:04:47.350 --> 01:04:47.899 I really don't.

NOTE Confidence: 0.7479433089375

01:04:47.899 --> 01:04:49.437 I think that you have to have a

NOTE Confidence: 0.7479433089375

01:04:49.437 --> 01:04:50.512 longitudinal sort of thread of

NOTE Confidence: 0.7479433089375

01:04:50.512 --> 01:04:51.884 learning and lots of thoughts about

NOTE Confidence: 0.7479433089375

01:04:51.884 --> 01:04:53.276 learning theory and why I don't

NOTE Confidence: 0.7479433089375

01:04:53.276 --> 01:04:54.490 think that would be the best way to.

NOTE Confidence: 0.7587639075

01:04:55.820 --> 01:04:56.728 Thanks so much. The

NOTE Confidence: 0.7587639075

01:04:56.728 --> 01:04:57.636 simulation sound really cool.

NOTE Confidence: 0.809791162727273

01:04:59.300 --> 01:05:02.541 Sarah? Tell us about the what the

NOTE Confidence: 0.809791162727273

01:05:02.541 --> 01:05:04.480 upcoming simulations we're doing.

NOTE Confidence: 0.809791162727273

01:05:04.480 --> 01:05:05.860 Couldn't remember all the details.

NOTE Confidence: 0.930354323846154

01:05:07.670 --> 01:05:08.738 I'm going to try to remember

NOTE Confidence: 0.930354323846154

01:05:08.738 --> 01:05:09.929 them off the top of my head.

NOTE Confidence: 0.930354323846154

01:05:09.930 --> 01:05:13.515 OK, so there's dealing with

NOTE Confidence: 0.930354323846154

01:05:13.515 --> 01:05:15.666 the discriminatory patients.

NOTE Confidence: 0.930354323846154

01:05:15.670 --> 01:05:20.040 Interprofessional communication.

NOTE Confidence: 0.930354323846154

01:05:20.040 --> 01:05:21.969 PN a diagnosis.

NOTE Confidence: 0.904833165

01:05:24.280 --> 01:05:27.860 Prognostic discussion.

NOTE Confidence: 0.904833165

01:05:27.860 --> 01:05:30.780 Disclosure of a medical error.

NOTE Confidence: 0.804207626666667

01:05:33.810 --> 01:05:34.788 That sounds right.

NOTE Confidence: 0.804207626666667

01:05:34.790 --> 01:05:36.566 I'm missing one, but I can't.

NOTE Confidence: 0.804207626666667

01:05:36.570 --> 01:05:38.130 Impaired colleague.

NOTE Confidence: 0.804207626666667

01:05:38.130 --> 01:05:39.066 Impaired colleague.

NOTE Confidence: 0.804207626666667

01:05:39.066 --> 01:05:40.470 Yes, impaired colleague.

NOTE Confidence: 0.804207626666667

01:05:40.470 --> 01:05:43.110 Thank you. Yes.

NOTE Confidence: 0.804207626666667
01:05:43.110 --> 01:05:43.898 You see your cat?
NOTE Confidence: 0.0315462649
01:05:46.940 --> 01:05:53.210 Yeah, Merlin. It's cat time. Anybody
NOTE Confidence: 0.852221320833333
01:05:53.220 --> 01:05:54.634 else kept cats? We have a lot
NOTE Confidence: 0.852221320833333
01:05:54.634 --> 01:05:56.010 of cats in the residency.
NOTE Confidence: 0.84392563
01:05:57.030 --> 01:06:00.430 Also, dogs we don't discriminate.
NOTE Confidence: 0.84392563
01:06:00.430 --> 01:06:01.641 We do have dogs, but I feel
NOTE Confidence: 0.84392563
01:06:01.641 --> 01:06:02.639 like we have more cats.
NOTE Confidence: 0.17457959
01:06:06.740 --> 01:06:08.338 Announce that I felt that
NOTE Confidence: 0.17457959
01:06:08.338 --> 01:06:10.000 I filled the VA work room
NOTE Confidence: 0.521902015230769
01:06:10.075 --> 01:06:12.250 with inspirational cut photos.
NOTE Confidence: 0.521902015230769
01:06:12.250 --> 01:06:14.106 If anyone is working there in the future,
NOTE Confidence: 0.521902015230769
01:06:14.110 --> 01:06:16.108 you will see them and you will be inspired.
NOTE Confidence: 0.567061285
01:06:16.970 --> 01:06:19.039 I want to say that our attending
NOTE Confidence: 0.567061285
01:06:19.040 --> 01:06:21.546 was very inspired by that last week.
NOTE Confidence: 0.567061285
01:06:21.550 --> 01:06:25.300 She was big. Yes, it was the manual.
NOTE Confidence: 0.606172222857143

01:06:26.830 --> 01:06:28.822 You know there is a cat
NOTE Confidence: 0.606172222857143

01:06:28.822 --> 01:06:30.468 person. It is Emmanuel.
NOTE Confidence: 0.787652398571429

01:06:31.750 --> 01:06:34.956 We our family got a Bengal cat,
NOTE Confidence: 0.787652398571429

01:06:34.960 --> 01:06:36.400 which some of you are nodding.
NOTE Confidence: 0.787652398571429

01:06:36.400 --> 01:06:38.000 You've heard of these?
NOTE Confidence: 0.787652398571429

01:06:38.000 --> 01:06:40.000 They're she's absolute lunatic and
NOTE Confidence: 0.787652398571429

01:06:40.000 --> 01:06:42.438 she wakes us up every morning and.
NOTE Confidence: 0.787652398571429

01:06:42.440 --> 01:06:43.784 I think it was a good idea.
NOTE Confidence: 0.482336138

01:06:45.190 --> 01:06:46.830 Next year, it's the best.
NOTE Confidence: 0.482336138

01:06:46.830 --> 01:06:48.408 What's that? Nothing.
NOTE Confidence: 0.482336138

01:06:48.410 --> 01:06:49.242 I'll tell you later.
NOTE Confidence: 0.482336138

01:06:49.242 --> 01:06:52.474 We're getting off. My cats.
NOTE Confidence: 0.482336138

01:06:52.474 --> 01:06:54.756 We're we're Oh my goodness,
NOTE Confidence: 0.482336138

01:06:54.756 --> 01:06:56.030 you're getting derailed.
NOTE Confidence: 0.73151877

01:06:57.510 --> 01:06:58.970 Several cats showing up.
NOTE Confidence: 0.9296763575

01:07:00.420 --> 01:07:01.990 Maybe we should take our last

NOTE Confidence: 0.9296763575

01:07:01.990 --> 01:07:03.730 question from Ahmed before we

NOTE Confidence: 0.8387034

01:07:03.740 --> 01:07:05.400 like fully devolve into this.

NOTE Confidence: 0.96154106

01:07:09.470 --> 01:07:10.820 Thank you guys for this session.

NOTE Confidence: 0.671659773333333

01:07:10.820 --> 01:07:11.784 Thank you Doctor Miller.

NOTE Confidence: 0.671659773333333

01:07:11.784 --> 01:07:12.989 This has been very informative.

NOTE Confidence: 0.832335143333333

01:07:13.030 --> 01:07:14.455 You might have to come

NOTE Confidence: 0.832335143333333

01:07:14.455 --> 01:07:15.595 closer to your microphone.

NOTE Confidence: 0.794567185

01:07:16.540 --> 01:07:17.888 OK, don't give me.

NOTE Confidence: 0.866613046666667

01:07:20.400 --> 01:07:21.210 Is this better?

NOTE Confidence: 0.91986895

01:07:22.590 --> 01:07:24.773 Little bit. OK. I can

NOTE Confidence: 0.91986895

01:07:24.773 --> 01:07:25.697 raise my voice actually.

NOTE Confidence: 0.709017208888889

01:07:25.700 --> 01:07:28.276 So and my my question actually was

NOTE Confidence: 0.709017208888889

01:07:28.276 --> 01:07:31.111 about the educators track like we

NOTE Confidence: 0.709017208888889

01:07:31.111 --> 01:07:32.566 we've mentioned earlier that residents

NOTE Confidence: 0.709017208888889

01:07:32.566 --> 01:07:35.030 can get like some sort of sub track

NOTE Confidence: 0.709017208888889

01:07:35.030 --> 01:07:36.455 during the residency training where
NOTE Confidence: 0.709017208888889

01:07:36.455 --> 01:07:38.223 they can become like a clinician
NOTE Confidence: 0.709017208888889

01:07:38.223 --> 01:07:39.653 educator or something like that.
NOTE Confidence: 0.709017208888889

01:07:39.660 --> 01:07:42.876 Can you like expand more about this track?
NOTE Confidence: 0.861505328

01:07:44.900 --> 01:07:46.584 Yeah, as I said it, it's evolving.
NOTE Confidence: 0.861505328

01:07:46.584 --> 01:07:48.494 It will soon be getting
NOTE Confidence: 0.861505328

01:07:48.494 --> 01:07:50.040 distracted by these cats,
NOTE Confidence: 0.861505328

01:07:50.040 --> 01:07:55.000 but it will soon be a clinician educator
NOTE Confidence: 0.861505328

01:07:55.000 --> 01:07:58.220 distinction which will be department wide,
NOTE Confidence: 0.861505328

01:07:58.220 --> 01:08:01.358 but includes formal training and education,
NOTE Confidence: 0.861505328

01:08:01.360 --> 01:08:03.424 neurology education journal clubs,
NOTE Confidence: 0.861505328

01:08:03.424 --> 01:08:06.520 which several of our attending tonight
NOTE Confidence: 0.861505328

01:08:06.590 --> 01:08:09.008 have presented lots of teaching sessions.
NOTE Confidence: 0.861505328

01:08:09.008 --> 01:08:11.520 And I think Celia actually mentioned sort
NOTE Confidence: 0.861505328

01:08:11.520 --> 01:08:13.968 of our dedication to teaching and it is
NOTE Confidence: 0.861505328

01:08:13.968 --> 01:08:15.867 something that we're really proud of.

NOTE Confidence: 0.861505328

01:08:15.870 --> 01:08:18.480 Tons of opportunities for teaching

NOTE Confidence: 0.861505328

01:08:18.480 --> 01:08:20.100 a mentored project which many

NOTE Confidence: 0.861505328

01:08:20.100 --> 01:08:21.950 of our residents are working on.

NOTE Confidence: 0.861505328

01:08:21.950 --> 01:08:23.618 One of those projects,

NOTE Confidence: 0.861505328

01:08:23.618 --> 01:08:26.474 for example is the podcast which many

NOTE Confidence: 0.861505328

01:08:26.474 --> 01:08:29.690 of you have probably listened to and

NOTE Confidence: 0.861505328

01:08:29.690 --> 01:08:31.992 and this year, starting this year,

NOTE Confidence: 0.861505328

01:08:31.992 --> 01:08:32.928 I think it's September,

NOTE Confidence: 0.861505328

01:08:32.930 --> 01:08:35.762 will be a series of courses of classes

NOTE Confidence: 0.861505328

01:08:35.762 --> 01:08:38.517 which will be actually across the

NOTE Confidence: 0.861505328

01:08:38.517 --> 01:08:42.050 institution on topics like bedside teaching,

NOTE Confidence: 0.861505328

01:08:42.050 --> 01:08:43.034 teaching with technology,

NOTE Confidence: 0.861505328

01:08:43.034 --> 01:08:45.570 which I think Sarah is going to do.

NOTE Confidence: 0.644501964

01:08:47.820 --> 01:08:48.840 Jeff, you're doing one. What?

NOTE Confidence: 0.644501964

01:08:48.840 --> 01:08:49.900 What's the topic you're doing?

NOTE Confidence: 0.644501964

01:08:49.900 --> 01:08:51.570 I can't remember. I

NOTE Confidence: 0.862348738571429

01:08:51.580 --> 01:08:52.684 don't think I'm involved in these

NOTE Confidence: 0.862348738571429

01:08:52.684 --> 01:08:53.858 ones, that they sound interesting.

NOTE Confidence: 0.443632236

01:08:54.150 --> 01:08:55.130 The ones with Dana Dane?

NOTE Confidence: 0.443632236

01:08:55.130 --> 01:08:58.240 I thought I saw you sign up, but anyway.

NOTE Confidence: 0.443632236

01:08:58.240 --> 01:09:00.012 Mentorship, curriculum,

NOTE Confidence: 0.443632236

01:09:00.012 --> 01:09:02.670 development, feedback, assessment.

NOTE Confidence: 0.443632236

01:09:02.670 --> 01:09:05.538 You know the the basics and by the end

NOTE Confidence: 0.443632236

01:09:05.538 --> 01:09:07.270 of that you get a nice certificate,

NOTE Confidence: 0.443632236

01:09:07.270 --> 01:09:08.854 neurology education certificate and

NOTE Confidence: 0.443632236

01:09:08.854 --> 01:09:10.834 and it's an indication indicator

NOTE Confidence: 0.443632236

01:09:10.834 --> 01:09:12.730 that you put substantial work

NOTE Confidence: 0.443632236

01:09:12.730 --> 01:09:14.170 into education and teaching.

NOTE Confidence: 0.443632236

01:09:14.170 --> 01:09:17.114 And a lot of our residents do formal

NOTE Confidence: 0.443632236

01:09:17.114 --> 01:09:18.570 and informal teaching and a tradition

NOTE Confidence: 0.443632236

01:09:18.570 --> 01:09:21.176 we've had for a long time, which I love,

NOTE Confidence: 0.443632236

01:09:21.176 --> 01:09:23.768 is sending really nice comments from

NOTE Confidence: 0.443632236

01:09:23.768 --> 01:09:26.469 students to residents I send out about,

NOTE Confidence: 0.443632236

01:09:26.470 --> 01:09:28.480 you know, five or six of these emails a week.

NOTE Confidence: 0.443632236

01:09:28.480 --> 01:09:29.846 At least.

NOTE Confidence: 0.443632236

01:09:29.846 --> 01:09:32.578 And they're so nice.

NOTE Confidence: 0.443632236

01:09:32.580 --> 01:09:34.218 The things that the students say about

NOTE Confidence: 0.443632236

01:09:34.218 --> 01:09:35.599 our residents are pretty special.

NOTE Confidence: 0.443632236

01:09:35.600 --> 01:09:36.338 They're pretty amazing.

NOTE Confidence: 0.94620866

01:09:39.690 --> 01:09:40.960 Thank you so much, Doctor Miller.

NOTE Confidence: 0.06307617

01:09:43.030 --> 01:09:43.510 Umm.

NOTE Confidence: 0.7401523526

01:09:45.780 --> 01:09:49.540 What are the characteristics we're

NOTE Confidence: 0.7401523526

01:09:49.540 --> 01:09:53.300 looking for in upcoming residents?

NOTE Confidence: 0.7401523526

01:09:53.300 --> 01:09:55.116 Well, maybe I'll give this to the residents.

NOTE Confidence: 0.7401523526

01:09:55.120 --> 01:09:58.220 How would you describe? Our residents.

NOTE Confidence: 0.89129677

01:10:01.070 --> 01:10:04.410 I think that. You know something I always

NOTE Confidence: 0.89129677

01:10:04.410 --> 01:10:06.874 focus on when I'm interviewing applicants

NOTE Confidence: 0.89129677

01:10:06.874 --> 01:10:10.563 is is the fit into our resident group

NOTE Confidence: 0.89129677

01:10:10.563 --> 01:10:14.011 because I think a lot of our faculty.

NOTE Confidence: 0.89129677

01:10:14.020 --> 01:10:17.180 And other interviewers are able to focus on.

NOTE Confidence: 0.89129677

01:10:17.180 --> 01:10:18.776 You know some of the other aspects,

NOTE Confidence: 0.89129677

01:10:18.780 --> 01:10:20.760 but I think fitting into.

NOTE Confidence: 0.89129677

01:10:20.760 --> 01:10:22.085 The work environment that you're

NOTE Confidence: 0.89129677

01:10:22.085 --> 01:10:24.259 going to be in is very important.

NOTE Confidence: 0.89129677

01:10:24.260 --> 01:10:26.913 So one of I think our greatest

NOTE Confidence: 0.89129677

01:10:26.913 --> 01:10:29.525 priorities as a resident group is to

NOTE Confidence: 0.89129677

01:10:29.525 --> 01:10:32.515 work as a team and to support each

NOTE Confidence: 0.89129677

01:10:32.515 --> 01:10:35.399 other and look out for each other

NOTE Confidence: 0.89129677

01:10:35.399 --> 01:10:38.960 and like actually be proactive about

NOTE Confidence: 0.89129677

01:10:38.960 --> 01:10:41.508 helping each other and not like

NOTE Confidence: 0.89129677

01:10:41.508 --> 01:10:43.570 leaving someone behind, basically.

NOTE Confidence: 0.89129677

01:10:43.570 --> 01:10:47.168 So I think to succeed as a resident here,

NOTE Confidence: 0.89129677

01:10:47.168 --> 01:10:49.010 you need to have that mindset

NOTE Confidence: 0.89129677

01:10:49.076 --> 01:10:50.766 that you're not just there.

NOTE Confidence: 0.89129677

01:10:50.770 --> 01:10:53.884 Uh, take care of your patients and go home.

NOTE Confidence: 0.89129677

01:10:53.890 --> 01:10:56.368 You're there to make the work

NOTE Confidence: 0.89129677

01:10:56.368 --> 01:10:58.848 environment the best that it can be.

NOTE Confidence: 0.89129677

01:10:58.850 --> 01:11:01.853 You're there to help support your other

NOTE Confidence: 0.89129677

01:11:01.853 --> 01:11:04.425 residents because that's how we grow is

NOTE Confidence: 0.89129677

01:11:04.425 --> 01:11:06.710 to support and learn from each other.

NOTE Confidence: 0.89129677

01:11:06.710 --> 01:11:09.574 And so I think if you're not somebody

NOTE Confidence: 0.89129677

01:11:09.574 --> 01:11:13.380 who's going to be team minded like that.

NOTE Confidence: 0.89129677

01:11:13.380 --> 01:11:15.970 Then it may not be the right program for you.

NOTE Confidence: 0.673625536571429

01:11:19.080 --> 01:11:21.978 Celia had some thoughts about hamster people.

NOTE Confidence: 0.673625536571429

01:11:21.980 --> 01:11:24.619 I hope, I hope we haven't defended

NOTE Confidence: 0.673625536571429

01:11:24.619 --> 01:11:26.998 anyone any look any of those hamster

NOTE Confidence: 0.673625536571429

01:11:26.998 --> 01:11:29.300 people out there we that's not

NOTE Confidence: 0.673625536571429

01:11:29.300 --> 01:11:31.535 included in our application review.
NOTE Confidence: 0.673625536571429

01:11:31.540 --> 01:11:33.760 Please feel free to apply.
NOTE Confidence: 0.673625536571429

01:11:33.760 --> 01:11:37.448 It will be fine and but bird people
NOTE Confidence: 0.673625536571429

01:11:37.448 --> 01:11:40.049 definitely actually in our most recent.
NOTE Confidence: 0.673625536571429

01:11:40.050 --> 01:11:42.792 Yeah, our Wellness chief put together
NOTE Confidence: 0.673625536571429

01:11:42.792 --> 01:11:44.670 a put together a monthly newsletter
NOTE Confidence: 0.673625536571429

01:11:44.670 --> 01:11:46.393 and one of the things actually
NOTE Confidence: 0.673625536571429

01:11:46.393 --> 01:11:48.094 that I started to look into was
NOTE Confidence: 0.673625536571429

01:11:48.094 --> 01:11:50.250 a bird watching app, right?
NOTE Confidence: 0.673625536571429

01:11:50.250 --> 01:11:51.720 So really cool.
NOTE Confidence: 0.613203559625

01:11:52.150 --> 01:11:53.920 Some of our residents are weird
NOTE Confidence: 0.613203559625

01:11:53.920 --> 01:11:55.050 people apparently. Who knew?
NOTE Confidence: 0.7464298

01:11:56.440 --> 01:11:58.780 And Harry and Christine are dog people.
NOTE Confidence: 0.7464298

01:11:58.780 --> 01:12:04.970 Me too. I think they feel, I feel person.
NOTE Confidence: 0.67533095375

01:12:04.970 --> 01:12:06.450 Have the dog person.
NOTE Confidence: 0.67533095375

01:12:06.450 --> 01:12:09.330 You've got big dogs. Two dogs.

NOTE Confidence: 0.779653138

01:12:09.330 --> 01:12:11.148 Like we have a cat too. I like cats.

NOTE Confidence: 0.705852336666667

01:12:12.240 --> 01:12:12.999 Yeah, and chicken.

NOTE Confidence: 0.91343707

01:12:15.590 --> 01:12:19.155 Also chickens. It's it's one of the

NOTE Confidence: 0.91343707

01:12:19.155 --> 01:12:20.630 advantages of living in Connecticut

NOTE Confidence: 0.91343707

01:12:20.691 --> 01:12:22.166 that there's really lots of.

NOTE Confidence: 0.91343707

01:12:22.170 --> 01:12:24.860 Opportunities to live with animals.

NOTE Confidence: 0.6339686392

01:12:30.760 --> 01:12:34.030 Technical, it's say all right.

NOTE Confidence: 0.6339686392

01:12:34.030 --> 01:12:36.170 So I you know what?

NOTE Confidence: 0.6339686392

01:12:36.170 --> 01:12:38.000 I'm going to ask you to

NOTE Confidence: 0.6339686392

01:12:38.000 --> 01:12:39.220 e-mail me separately about

NOTE Confidence: 0.6339686392

01:12:39.284 --> 01:12:40.748 the technical questions.

NOTE Confidence: 0.6339686392

01:12:40.750 --> 01:12:43.610 I think that's best

NOTE Confidence: 0.6339686392

01:12:43.610 --> 01:12:47.270 jeremy.mueller@yale.edu. Umm, so.

NOTE Confidence: 0.897076761428571

01:12:50.100 --> 01:12:52.900 I think that's it for the questions.

NOTE Confidence: 0.897076761428571

01:12:52.900 --> 01:12:54.760 Any last comments from our residents,

NOTE Confidence: 0.897076761428571

01:12:54.760 --> 01:12:56.000 things we haven't covered,
NOTE Confidence: 0.897076761428571

01:12:56.000 --> 01:12:57.650 that would be really important.
NOTE Confidence: 0.897076761428571

01:12:57.650 --> 01:12:58.898 I think you are starting to
NOTE Confidence: 0.897076761428571

01:12:58.898 --> 01:13:00.380 get a sense of our culture.
NOTE Confidence: 0.897076761428571

01:13:00.380 --> 01:13:02.628 I can't keep my eyes off of these
NOTE Confidence: 0.897076761428571

01:13:02.628 --> 01:13:04.368 cats that are going around.
NOTE Confidence: 0.500281095

01:13:07.670 --> 01:13:11.220 Mines downstairs, I'll just add.
NOTE Confidence: 0.500281095

01:13:11.220 --> 01:13:13.320 I think that. Annie
NOTE Confidence: 0.887687185714286

01:13:13.320 --> 01:13:16.722 and I are also available to
NOTE Confidence: 0.887687185714286

01:13:16.722 --> 01:13:18.266 answer anyone's questions,
NOTE Confidence: 0.887687185714286

01:13:18.266 --> 01:13:20.218 particularly if they are,
NOTE Confidence: 0.887687185714286

01:13:20.220 --> 01:13:21.876 you know, questions that,
NOTE Confidence: 0.887687185714286

01:13:21.876 --> 01:13:24.360 for whatever reason you'd prefer to
NOTE Confidence: 0.887687185714286

01:13:24.436 --> 01:13:27.019 ask of a resident rather than faculty.
NOTE Confidence: 0.887687185714286

01:13:27.020 --> 01:13:28.800 So I think, you know,
NOTE Confidence: 0.887687185714286

01:13:28.800 --> 01:13:30.221 Annie and I can both put our

NOTE Confidence: 0.887687185714286
01:13:30.221 --> 01:13:31.820 emails in the chat so you guys can
NOTE Confidence: 0.887687185714286
01:13:31.820 --> 01:13:33.649 reach out to us if you have any
NOTE Confidence: 0.887687185714286
01:13:33.649 --> 01:13:35.039 questions about applying as well.
NOTE Confidence: 0.75779431625
01:13:37.190 --> 01:13:39.358 Oh, and I just wanted to put this
NOTE Confidence: 0.919335565
01:13:39.370 --> 01:13:40.720 out there is that we have
NOTE Confidence: 0.91297101
01:13:40.810 --> 01:13:43.069 several members of our program who are
NOTE Confidence: 0.91297101
01:13:43.070 --> 01:13:44.603 fairly observant in different religions,
NOTE Confidence: 0.91297101
01:13:44.603 --> 01:13:46.680 and if anybody has questions about religious
NOTE Confidence: 0.84738171
01:13:46.690 --> 01:13:48.834 life in this area,
NOTE Confidence: 0.84738171
01:13:48.834 --> 01:13:51.190 I can personally speak to Jewish life.
NOTE Confidence: 0.84738171
01:13:51.190 --> 01:13:52.990 We have people in various faith
NOTE Confidence: 0.84738171
01:13:52.990 --> 01:13:54.490 traditions in our program.
NOTE Confidence: 0.84738171
01:13:54.490 --> 01:13:56.086 If you have any questions about that,
NOTE Confidence: 0.84738171
01:13:56.090 --> 01:13:57.290 you can reach out to either
NOTE Confidence: 0.84738171
01:13:57.290 --> 01:13:58.349 Katie and Annie or Doctor
NOTE Confidence: 0.84738171

01:13:58.349 --> 01:13:59.615 Muller and get put in touch
NOTE Confidence: 0.88283721

01:13:59.630 --> 01:14:00.458 with anyone of us.
NOTE Confidence: 0.6010182

01:14:05.010 --> 01:14:10.208 It's a, it's a, it's a wonderful group.
NOTE Confidence: 0.6010182

01:14:10.210 --> 01:14:13.558 And it's tremendous privilege to be
NOTE Confidence: 0.6010182

01:14:13.558 --> 01:14:16.889 the residency director in this group,
NOTE Confidence: 0.6010182

01:14:16.890 --> 01:14:19.370 and it it really is.
NOTE Confidence: 0.6010182

01:14:19.370 --> 01:14:21.235 You know, there are amazing
NOTE Confidence: 0.6010182

01:14:21.235 --> 01:14:22.727 opportunities here for learning.
NOTE Confidence: 0.6010182

01:14:22.730 --> 01:14:26.070 There's many opportunities for clinical
NOTE Confidence: 0.6010182

01:14:26.070 --> 01:14:29.969 learning and for research and scholarly work.
NOTE Confidence: 0.6010182

01:14:29.970 --> 01:14:32.002 And we have tons of expertise and I
NOTE Confidence: 0.6010182

01:14:32.002 --> 01:14:34.554 think a really great educational program,
NOTE Confidence: 0.6010182

01:14:34.554 --> 01:14:37.482 but it's people, you're getting a sense
NOTE Confidence: 0.6010182

01:14:37.482 --> 01:14:40.330 of that and it's a wonderful community.
NOTE Confidence: 0.6010182

01:14:40.330 --> 01:14:42.874 And something I'm so proud of is that
NOTE Confidence: 0.6010182

01:14:42.874 --> 01:14:45.166 our residents really do walk the walk

NOTE Confidence: 0.6010182

01:14:45.166 --> 01:14:47.509 in terms of supporting each other and

NOTE Confidence: 0.6010182

01:14:47.509 --> 01:14:49.567 they feel very strongly about that

NOTE Confidence: 0.6010182

01:14:49.570 --> 01:14:51.820 and it's at the core of what they do.

NOTE Confidence: 0.6010182

01:14:51.820 --> 01:14:53.626 And I think you're seeing a bit

NOTE Confidence: 0.6010182

01:14:53.626 --> 01:14:54.400 of that tonight.

NOTE Confidence: 0.6010182

01:14:54.400 --> 01:14:56.773 So it it makes me very proud

NOTE Confidence: 0.6010182

01:14:56.773 --> 01:14:58.631 and we're incredibly proud of

NOTE Confidence: 0.6010182

01:14:58.631 --> 01:15:00.556 our residents and they're fun.

NOTE Confidence: 0.713238736666667

01:15:03.270 --> 01:15:05.748 So I think on that note,

NOTE Confidence: 0.713238736666667

01:15:05.750 --> 01:15:08.078 unless there's any pressing.

NOTE Confidence: 0.713238736666667

01:15:08.080 --> 01:15:09.910 Questions, we will sign up.

NOTE Confidence: 0.2868123

01:15:12.460 --> 01:15:13.662 Alright, thanks everyone.

NOTE Confidence: 0.2868123

01:15:13.662 --> 01:15:15.349 I'll stay on and hang on accurately

NOTE Confidence: 0.2868123

01:15:15.349 --> 01:15:16.883 for another minute or two in

NOTE Confidence: 0.2868123

01:15:16.883 --> 01:15:17.879 case there's any questions.

NOTE Confidence: 0.2868123

01:15:17.880 --> 01:15:18.920 Otherwise, thanks for attend.

NOTE Confidence: 0.8428602

01:15:20.790 --> 01:15:21.000 Thank.
