---

**THANK YOU FOR ALL OF YOUR HARD WORK!**

---

**PI & Coordinator Spotlight: Dr. Amre Nouh, Laura Grenier, and Reena Patel**

We would like to recognize Dr. Amre Nouh and Primary Coordinators Laura Grenier and Reena Patel at Hartford Hospital for their outstanding efforts and incredible contributions in leading SPIRIT and SATURN enrollments.

THANK YOU for all that you do!!

---

**AHA Scientific Statement-Lead by Brown!**

*Stroke affecting the eye requires immediate treatment, can signal future vascular event* | American Heart Association
**Yale AHA/Bugher Foundation Center for Excellence in Hemorrhagic Stroke Projects**

**Basic Project**
Determine effects of anti-hypertensive medications of various classes on inflammatory response in experimental models

**Clinical Project**
Early phase trial with novel design, intervention, and biomarkers in diverse, multi-center cohort

**Population Project**
Genomic-based prevision medicine tools to evaluate role of genetic susceptibility to blood pressure

**Bugher Collaborations**

**Penn**
- History of successful collaborations with Penn HTN and Stroke Groups
- 32 publications with Yale
- World leaders in renal denervation
- Expertise in neuroendocrine causes of resistant HTN
- AHA/ASH HTN Center
- Established joint ICH biobank

**Quinnipiac**
**Mission** - The Frank H. Netter MD School of Medicine is dedicated to educating future physicians to serve our community, as well as our profession. We accomplish this goal in a student-centered, collaborative environment that values compassionate care, integrity and inclusivity, academic excellence and scholarship, adaptability, and social responsibility.

**Training and Mentorship** - Build on existing Capstone program, during which students are embedded in AHA/Bugher ICH Projects and see ICH patients in a tertiary environment.
