Guoping Cai, MD, Associate Professor of Pathology. Clinical interests: fine needle aspiration (FNA), cytopathology, urologic pathology, and thoracic pathology.

Robert Homer, MD, PhD, Professor of Pathology and Medicine (Pulmonary); Director, Thoracic Pathology; Director of Medical Studies. Clinical interests: thoracic pathology and immunopathology.

Gilbert Moeckel, MD, PhD, Professor of Pathology; Director, Renal and Transplant Pathology; Director, EM Laboratory. Clinical interests: renal pathology, progression of interstitial fibrosis, acute kidney cell injury, and renal cell carcinoma microenvironment.

Jeffrey Sklar, MD, PhD, Professor of Pathology and Laboratory Medicine; Director, Molecular Diagnostics Research Program. Clinical interests: molecular diagnostics and autopsy pathology.

Romulo Celli, MD, Assistant Professor of Pathology. Clinical interests: GI, liver, breast, and autopsy pathology.

S. David Hudnall, MD, Professor of Pathology and Laboratory Medicine; Director, Pathology Education. Clinical interests: hematopathology and laboratory hematology.

Raffaella Morotti, MD, Professor of Pathology and of Pediatrics; Director, Pediatric Pathology Program; Associate Director, Autopsy Services. Clinical interests: perinatal pathology, pathology of solid tumors (pediatric), and pediatric liver disease.

Zenta Walther, MD, PhD, Associate Professor of Pathology; Clinical Director, Tumor Profiling Laboratory, Smilow Cancer Hospital. Clinical interests: molecular pathology of solid tumors and precision medicine.

Paul Cohen, MD, Assistant Professor of Pathology; Chair, Bridgeport Hospital Pathology; Site Director, Yale Pathology Residency Program at Bridgeport Hospital. Clinical interests: general surgical pathology, thoracic pathology, and gynecologic pathology.

Pei Hui, MD, PhD, Professor of Pathology and Obstetrics, Gynecology and Reproductive Sciences; Director, Gynecologic Pathology; Clinical Director, Molecular Diagnostics Laboratory. Clinical interests: gynecologic pathology, general surgical pathology, and molecular diagnostics.

Jon S. Morrow, MD, PhD, Raymond Yesner Professor of Pathology and Chair; Professor of Molecular, Cellular, and Developmental Biology; Chief of Pathology, Yale-New Haven Hospital. Clinical interests: hematologic and renal disorders.

A. Brian West, MD, Professor Emeritus of Pathology and Senior Research Scientist. Clinical interests: pathogenesis and diagnosis of non-neoplastic diseases of the gastrointestinal tract and hepatobiliary system.

José Costa, MD, Professor of Pathology and Orthopaedics and Rehabilitation; Director, Autopsy Services; Director, Bone & Soft Tissue Pathology. Clinical interests: oncologic pathology and molecular diagnostics.

Peter A. Humphrey, MD, PhD, Professor of Pathology; Director, Genitourinary Pathology. Clinical interests: genitourinary malignancies, especially prostate cancer.

Melissa Much, MD, Instructor in Clinical Pathology. Clinical interests: hematopathology and surgical pathology.

Serena Wong, MD, Assistant Professor of Pathology. Clinical interests: breast and gynecologic pathology.

Shawn E. Cowper, MD, Associate Professor of Dermatology and Pathology. Clinical interests: nephrogenic systemic fibrosis, alopecia, and informatics.

Anita Huttner, MD, Associate Professor of Pathology. Clinical interests: neuropathology and molecular genetic pathology.

Peggy Myung, MD, PhD, Assistant Professor of Dermatology and Pathology. Clinical interests: dermatopathology and clinical dermatology.

Mina Xu, MD, Associate Professor of Pathology and Laboratory Medicine. Clinical interests: leukemias, lymphomas, and myeloid neoplastic disorders.

Dharapat Jain, MBBS, MD, Professor of Pathology and Medicine (Digestive Diseases); Director, Gastrointestinal and Liver Pathology Program. Clinical interests: GI and liver pathology, including liver tumors, gastrointestinal stromal tumors, prostate cancer risk and mortality, and motility disorders of the bowel.

Qian Wu, MD, Visiting Associate Professor of Pathology; Associate Professor of Pathology, University of Connecticut. Clinical interests: neuropathology.

Karín Finberg, MD, PhD, Assistant Professor of Pathology. Clinical interests: molecular diagnosis of inherited and acquired clinical disorders, disorders of iron metabolism.

Anitha Kamath Rao, MD, Assistant Professor of Pathology. Clinical interests: oncologic pathology; applications of molecular diagnostics in tumor pathology and therapeutics.

Irwin Nash, MD, Clinician in Laboratory Medicine and Associate Clinical Professor of Laboratory Medicine and Pathology; Director, Pathology Saint Raphael Campus. Clinical interests: disease of hematopoietic and lymphatic system.

Isil Yıldız-Aktas, MD, MPH, Assistant Professor of Pathology. Clinical interest: cytopathology, ultrasound-guided fine needle aspiration, general surgical pathology.

Alexander Finkelstein, MD, Assistant Professor of Pathology, Director, Clinical Laboratory at Bridgeport Hospital. Clinical interests: gynecologic pathology, clinical chemistry and clinical laboratory administration.

Aniruddha Kamath Rao, MD, Assistant Professor of Pathology. Clinical interests: oncologic pathology; applications of molecular diagnostics in tumor pathology and therapeutics.

Vinita Parkash, MD, Associate Professor of Pathology; Director, Clinical Quality and Patient Safety. Clinical interests: gynecologic pathology and genitourinary pathology.

Xuchen Zhang, MD, PhD, Associate Professor of Pathology. Clinical interests: liver and gastrointestinal pathology, thoracic pathology.
