NOTE duration:"00:37:18"

NOTE recognizability:0.928

NOTE language:en-us

NOTE Confidence: 0.86979396

00:00:04.600 --> 00:00:07.560 Yeah, just click. Got it.

NOTE Confidence: 0.86979396

00:00:07.560 --> 00:00:10.304 I'm honored to even have been asked to

NOTE Confidence: 0.86979396

00:00:10.304 --> 00:00:13.056 come and I appreciate so, so kindly.

NOTE Confidence: 0.86979396

00:00:13.056 --> 00:00:15.912 I've been received here throughout the week.

NOTE Confidence: 0.86979396

00:00:15.920 --> 00:00:17.762 It's been a great pleasure and

NOTE Confidence: 0.86979396

00:00:17.762 --> 00:00:19.560 I've learned a lot as well.

NOTE Confidence: 0.86979396

00:00:19.560 --> 00:00:23.519 Hopefully this will go as well.

NOTE Confidence: 0.937378287142857

00:00:26.870 --> 00:00:30.265 I have no real disclosures to make.

NOTE Confidence: 0.937378287142857

00:00:30.270 --> 00:00:32.310 I did participate in editing this

NOTE Confidence: 0.937378287142857

00:00:32.310 --> 00:00:34.630 book on loan act of terrorism,

NOTE Confidence: 0.937378287142857

00:00:34.630 --> 00:00:38.830 but I get no financial rewards for that.

NOTE Confidence: 0.937378287142857

00:00:38.830 --> 00:00:41.950 Many of the the much of the material,

NOTE Confidence: 0.937378287142857

00:00:41.950 --> 00:00:44.940 if not all of it, is adapted from

NOTE Confidence: 0.937378287142857

00:00:44.940 --> 00:00:49.190 this loan act of terrorism. So.
NOTE Confidence: 0.94729798

00:00:51.780 --> 00:00:54.324 Lone actor terrorism has been around
NOTE Confidence: 0.94729798

00:00:54.324 --> 00:00:59.060 for quite some time. We'll see that
NOTE Confidence: 0.953061563636364

00:01:01.140 --> 00:01:04.404 it's it's even has some identified
NOTE Confidence: 0.953061563636364

00:01:04.404 --> 00:01:07.460 instances in the 19th century.
NOTE Confidence: 0.953061563636364

00:01:07.460 --> 00:01:10.340 We say lone actor terrorism rather
NOTE Confidence: 0.953061563636364

00:01:10.340 --> 00:01:13.388 than lone wolf because lone actor
NOTE Confidence: 0.953061563636364

00:01:13.388 --> 00:01:17.140 has less agulatory content to it than
NOTE Confidence: 0.953061563636364

00:01:17.140 --> 00:01:18.940 describing somebody as a lone wolf,
NOTE Confidence: 0.953061563636364

00:01:18.940 --> 00:01:21.996 which might be considered to be crazy now.
NOTE Confidence: 0.953061563636364

00:01:22.000 --> 00:01:23.638 And generally speaking,
NOTE Confidence: 0.953061563636364

00:01:23.638 --> 00:01:29.006 we define it as using violence to achieve a
NOTE Confidence: 0.953061563636364

00:01:29.006 --> 00:01:33.216 political goal or some other activity that
NOTE Confidence: 0.953061563636364

00:01:33.216 --> 00:01:37.280 would maybe in induce fear in the community.
NOTE Confidence: 0.953061563636364

00:01:37.280 --> 00:01:39.872 And as you say, the lone actor terrorist
NOTE Confidence: 0.953061563636364

00:01:39.872 --> 00:01:42.360 is an individual who does this.

NOTE Confidence: 0.953061563636364

00:01:42.360 --> 00:01:45.306 There are certainly many, many examples

NOTE Confidence: 0.953061563636364

00:01:45.306 --> 00:01:50.720 of groups that have done it the.

NOTE Confidence: 0.953061563636364

00:01:50.720 --> 00:01:52.748 You know, some people would argue

NOTE Confidence: 0.953061563636364

00:01:52.748 --> 00:01:54.766 that workplace violence is not low

NOTE Confidence: 0.953061563636364

00:01:54.766 --> 00:01:56.793 and after terrorism because the goal

NOTE Confidence: 0.953061563636364

00:01:56.793 --> 00:02:00.040 is not to instill fear in the public,

NOTE Confidence: 0.953061563636364

00:02:00.040 --> 00:02:02.128 it is to instill fear in the people

NOTE Confidence: 0.953061563636364

00:02:02.128 --> 00:02:03.319 who are out there.

NOTE Confidence: 0.953061563636364

00:02:03.320 --> 00:02:06.211 So what we're going to be thinking

NOTE Confidence: 0.953061563636364

00:02:06.211 --> 00:02:08.573 about today are mostly occasions

NOTE Confidence: 0.953061563636364

00:02:08.573 --> 00:02:12.213 where there has been some attempt to

NOTE Confidence: 0.953061563636364

00:02:12.213 --> 00:02:14.613 influence the feelings or thoughts

NOTE Confidence: 0.953061563636364

00:02:14.613 --> 00:02:19.142 of the public and you know.

NOTE Confidence: 0.953061563636364

00:02:19.142 --> 00:02:23.139 We say that the motivational is often

NOTE Confidence: 0.953061563636364

00:02:23.139 --> 00:02:25.154 multifactorial and people might get

NOTE Confidence: 0.953061563636364

00:02:25.154 --> 00:02:27.320 into some of these activities that
NOTE Confidence: 0.953061563636364

00:02:27.391 --> 00:02:29.479 we're going to talk about later
NOTE Confidence: 0.953061563636364

00:02:29.479 --> 00:02:31.270 because of a personal loss.
NOTE Confidence: 0.953061563636364

00:02:31.270 --> 00:02:34.708 They then identify their loss with
NOTE Confidence: 0.953061563636364

00:02:34.708 --> 00:02:37.708 some larger unity activity which gives
NOTE Confidence: 0.953061563636364

00:02:37.708 --> 00:02:40.264 them a sense of righteous indignation,
NOTE Confidence: 0.953061563636364

00:02:40.270 --> 00:02:44.104 and the two are combined and may lead them
NOTE Confidence: 0.953061563636364

00:02:44.104 --> 00:02:48.254 to do actions that are lone acted terrorist.
NOTE Confidence: 0.953061563636364

00:02:48.254 --> 00:02:51.294 Mental illness is sometimes involved,
NOTE Confidence: 0.953061563636364

00:02:51.300 --> 00:02:54.068 but as I look through most of the
NOTE Confidence: 0.953061563636364

00:02:54.068 --> 00:02:56.280 famous lone actor terrorism states,
NOTE Confidence: 0.953061563636364

00:02:56.280 --> 00:02:59.740 it's a it's usually a minor factor.
NOTE Confidence: 0.953061563636364

00:02:59.740 --> 00:03:01.084 If it's there,
NOTE Confidence: 0.953061563636364

00:03:01.084 --> 00:03:04.220 very rarely is it a major factor.
NOTE Confidence: 0.953061563636364

00:03:04.220 --> 00:03:06.752 Recent research has tended to say
NOTE Confidence: 0.953061563636364

00:03:06.752 --> 00:03:09.496 that perhaps people on the autism

NOTE Confidence: 0.953061563636364
00:03:09.496 --> 00:03:11.456 spectrum might be overrepresented
NOTE Confidence: 0.953061563636364
00:03:11.456 --> 00:03:14.320 among the lone actor terrorists.
NOTE Confidence: 0.953061563636364
00:03:14.320 --> 00:03:17.236 And that's something that I think
NOTE Confidence: 0.953061563636364
00:03:17.240 --> 00:03:20.080 is being researched very actively.
NOTE Confidence: 0.953061563636364
00:03:20.080 --> 00:03:21.520 And as we get to prevention,
NOTE Confidence: 0.953061563636364
00:03:21.520 --> 00:03:23.473 we might talk a little bit more about that.
NOTE Confidence: 0.936899133333333
00:03:25.720 --> 00:03:30.160 An example of lone act of terrorism
NOTE Confidence: 0.936899133333333
00:03:30.160 --> 00:03:34.656 was the major who felt that people who
NOTE Confidence: 0.936899133333333
00:03:34.656 --> 00:03:38.226 followed Islam were being discriminated
NOTE Confidence: 0.936899133333333
00:03:38.226 --> 00:03:41.320 against and he took a gun and began
NOTE Confidence: 0.936899133333333
00:03:41.320 --> 00:03:43.540 shooting on the Fort Wood campus.
NOTE Confidence: 0.936899133333333
00:03:43.540 --> 00:03:45.332 And then we'll talk a little bit more
NOTE Confidence: 0.936899133333333
00:03:45.332 --> 00:03:47.219 about the Isle of this California case,
NOTE Confidence: 0.936899133333333
00:03:47.220 --> 00:03:50.140 I think, later on.
NOTE Confidence: 0.936899133333333
00:03:50.140 --> 00:03:52.460 Interestingly, the United States does
NOTE Confidence: 0.936899133333333

00:03:52.460 --> 00:03:57.080 not have a particular statute that is
NOTE Confidence: 0.9368991333333333

00:03:57.080 --> 00:04:00.580 defined to punish domestic terrorism.
NOTE Confidence: 0.9368991333333333

00:04:00.580 --> 00:04:02.580 The acts can be punished,
NOTE Confidence: 0.9368991333333333

00:04:02.580 --> 00:04:05.856 but the terrorist part of it is
NOTE Confidence: 0.9368991333333333

00:04:05.856 --> 00:04:08.416 not an enhancement or subject
NOTE Confidence: 0.9368991333333333

00:04:08.416 --> 00:04:12.010 to a separate sentence, but.
NOTE Confidence: 0.9368991333333333

00:04:12.010 --> 00:04:14.030 Different states do have
NOTE Confidence: 0.9368991333333333

00:04:14.030 --> 00:04:16.526 statutes that apply to terrorism,
NOTE Confidence: 0.9368991333333333

00:04:16.526 --> 00:04:19.858 and some of the common things that
NOTE Confidence: 0.9368991333333333

00:04:19.858 --> 00:04:22.656 you'll find in those statutes are that
NOTE Confidence: 0.9368991333333333

00:04:22.656 --> 00:04:26.279 it has to be to intimidate or coerce
NOTE Confidence: 0.9368991333333333

00:04:26.279 --> 00:04:29.843 some civilian population or the government,
NOTE Confidence: 0.9368991333333333

00:04:29.850 --> 00:04:32.040 And it therefore it's outward
NOTE Confidence: 0.9368991333333333

00:04:32.040 --> 00:04:35.076 directed in that way in order to
NOTE Confidence: 0.9368991333333333

00:04:35.076 --> 00:04:37.770 change things as they see it and
NOTE Confidence: 0.9368991333333333

00:04:37.770 --> 00:04:40.170 of course in the United States.

NOTE Confidence: 0.888768873333333

00:04:44.800 --> 00:04:49.730 So here's a a little history of how

NOTE Confidence: 0.888768873333333

00:04:49.730 --> 00:04:53.720 far back some of these things go.

NOTE Confidence: 0.888768873333333

00:04:53.720 --> 00:05:00.057 The the 1870s Russian activity was to

NOTE Confidence: 0.888768873333333

00:05:00.057 --> 00:05:03.560 bring down the czar if at all possible,

NOTE Confidence: 0.888768873333333

00:05:03.560 --> 00:05:06.752 and you can see that that was carried

NOTE Confidence: 0.888768873333333

00:05:06.752 --> 00:05:09.850 forward in a number of assassinations

NOTE Confidence: 0.888768873333333

00:05:09.850 --> 00:05:12.436 and bombings. As time went on.

NOTE Confidence: 0.888768873333333

00:05:12.436 --> 00:05:15.415 So we tend to think of this as

NOTE Confidence: 0.888768873333333

00:05:15.415 --> 00:05:18.320 a post 9/11 type of situation.

NOTE Confidence: 0.888768873333333

00:05:18.320 --> 00:05:21.866 But you can see that there are

NOTE Confidence: 0.888768873333333

00:05:21.866 --> 00:05:24.477 quite a few things that you might

NOTE Confidence: 0.888768873333333

00:05:24.477 --> 00:05:27.520 consider to be a lone after terrorism

NOTE Confidence: 0.888768873333333

00:05:27.520 --> 00:05:30.880 in some of these other venues.

NOTE Confidence: 0.888768873333333

00:05:30.880 --> 00:05:33.616 You know, not all of them but like.

NOTE Confidence: 0.888768873333333

00:05:33.620 --> 00:05:35.840 We don't really know what the

NOTE Confidence: 0.888768873333333

00:05:35.840 --> 00:05:38.419 agenda of the shooter at Texas Tech,
NOTE Confidence: 0.8887688733333333

00:05:38.420 --> 00:05:40.220 Virginia Tech was,
NOTE Confidence: 0.8887688733333333

00:05:40.220 --> 00:05:46.178 but it it certainly produced a great fear.
NOTE Confidence: 0.8887688733333333

00:05:46.180 --> 00:05:48.658 And what's happening now is that
NOTE Confidence: 0.8887688733333333

00:05:48.660 --> 00:05:52.482 we perceive a great increase in
NOTE Confidence: 0.8887688733333333

00:05:52.482 --> 00:05:54.393 terrorist activities within.
NOTE Confidence: 0.8887688733333333

00:05:54.400 --> 00:05:57.408 The United States and we'll see a couple
NOTE Confidence: 0.8887688733333333

00:05:57.408 --> 00:06:00.715 of charts that actually kind of belie that.
NOTE Confidence: 0.8887688733333333

00:06:00.720 --> 00:06:04.806 But terrorism has really increased in ISIL
NOTE Confidence: 0.8887688733333333

00:06:04.806 --> 00:06:07.636 affiliate groups in Subsaharan Africa.
NOTE Confidence: 0.8887688733333333

00:06:07.640 --> 00:06:12.160 And we see concern and actual terrorism
NOTE Confidence: 0.8887688733333333

00:06:12.160 --> 00:06:15.360 in the the far right type both in
NOTE Confidence: 0.8887688733333333

00:06:15.440 --> 00:06:18.398 Western Europe and the United States,
NOTE Confidence: 0.8887688733333333

00:06:18.400 --> 00:06:19.904 like I said most.
NOTE Confidence: 0.8887688733333333

00:06:19.904 --> 00:06:22.985 Of the impact is with blown and not
NOTE Confidence: 0.8887688733333333

00:06:22.985 --> 00:06:26.778 lone actor but groups and but we see a

NOTE Confidence: 0.888768873333333

00:06:26.778 --> 00:06:29.919 growing impact of lone actor terrorism

NOTE Confidence: 0.888768873333333

00:06:29.919 --> 00:06:34.038 particularly in the far right cases so.

NOTE Confidence: 0.888768873333333

00:06:34.038 --> 00:06:37.496 From the point of view of psychiatry,

NOTE Confidence: 0.888768873333333

00:06:37.500 --> 00:06:40.516 a lone actor terrorist is 13 times more

NOTE Confidence: 0.888768873333333

00:06:40.516 --> 00:06:43.237 likely to have a mental illness than

NOTE Confidence: 0.888768873333333

00:06:43.237 --> 00:06:46.283 some of the people who are involved

NOTE Confidence: 0.888768873333333

00:06:46.283 --> 00:06:48.978 in Group based terrorist activities.

NOTE Confidence: 0.888768873333333

00:06:48.980 --> 00:06:51.572 Some of you may have been at my

NOTE Confidence: 0.888768873333333

00:06:51.572 --> 00:06:53.748 talk on distinguishing between.

NOTE Confidence: 0.888768873333333

00:06:53.748 --> 00:06:57.568 Delusion and an overvalued idea.

NOTE Confidence: 0.888768873333333

00:06:57.570 --> 00:07:00.602 Many of the people who are involved in

NOTE Confidence: 0.888768873333333

00:07:00.602 --> 00:07:02.987 the group activities have overvalued

NOTE Confidence: 0.888768873333333

00:07:02.987 --> 00:07:05.202 ideas but no mental illness.

NOTE Confidence: 0.888768873333333

00:07:05.202 --> 00:07:07.890 And even if they have a mental illness,

NOTE Confidence: 0.888768873333333

00:07:07.890 --> 00:07:10.943 it's probably not the cause of

NOTE Confidence: 0.888768873333333

00:07:10.943 --> 00:07:12.089 their involvement
NOTE Confidence: 0.9368991333333333

00:07:14.650 --> 00:07:16.805 as far as far right
NOTE Confidence: 0.9368991333333333

00:07:16.805 --> 00:07:20.840 terrorism in the West we had.
NOTE Confidence: 0.9368991333333333

00:07:20.840 --> 00:07:24.449 A growth of this as you can see one
NOTE Confidence: 0.9368991333333333

00:07:24.449 --> 00:07:28.742 in 2010 and 49 and 2019 and this has
NOTE Confidence: 0.9368991333333333

00:07:28.742 --> 00:07:33.280 been sort of a a grab bag of various
NOTE Confidence: 0.95232968

00:07:35.440 --> 00:07:37.920 groups that have been targeted.
NOTE Confidence: 0.95232968

00:07:37.920 --> 00:07:39.860 Various reasons why people
NOTE Confidence: 0.95232968

00:07:39.860 --> 00:07:41.880 have been targeted and
NOTE Confidence: 0.956187316666667

00:07:44.440 --> 00:07:45.784 they say religiously motivated
NOTE Confidence: 0.956187316666667

00:07:45.784 --> 00:07:47.128 terrorism has been decreasing
NOTE Confidence: 0.956187316666667

00:07:47.128 --> 00:07:48.559 in the United States.
NOTE Confidence: 0.956187316666667

00:07:48.560 --> 00:07:49.980 But if you look at.
NOTE Confidence: 0.956187316666667

00:07:49.980 --> 00:07:52.540 The reference it's from 2020
NOTE Confidence: 0.956187316666667

00:07:52.540 --> 00:07:57.418 and the the data preceded that.
NOTE Confidence: 0.956187316666667

00:07:57.420 --> 00:08:00.115 If you look at the listings of

NOTE Confidence: 0.956187316666667
00:08:00.115 --> 00:08:02.179 the Southern Poverty Law Center,
NOTE Confidence: 0.956187316666667
00:08:02.180 --> 00:08:04.500 you'll see that religiously
NOTE Confidence: 0.956187316666667
00:08:04.500 --> 00:08:06.596 motivated terrorism is quite
NOTE Confidence: 0.956187316666667
00:08:06.596 --> 00:08:08.936 steady in the United States,
NOTE Confidence: 0.956187316666667
00:08:08.940 --> 00:08:11.298 particularly antisemitic terrorism.
NOTE Confidence: 0.93019015
00:08:13.340 --> 00:08:13.500 The.
NOTE Confidence: 0.93282128
00:08:17.640 --> 00:08:22.560 53 attacks in 2019, many were
NOTE Confidence: 0.93282128
00:08:22.560 --> 00:08:27.720 lone actor terrorists and we,
NOTE Confidence: 0.93282128
00:08:27.720 --> 00:08:28.975 like I said, we're beginning
NOTE Confidence: 0.93282128
00:08:28.975 --> 00:08:30.520 to be ultra sensitive to this.
NOTE Confidence: 0.94125994
00:08:33.240 --> 00:08:34.940 So this kind of illustrates
NOTE Confidence: 0.94125994
00:08:34.940 --> 00:08:36.640 what I was talking about.
NOTE Confidence: 0.94125994
00:08:36.640 --> 00:08:38.830 You could see that this very
NOTE Confidence: 0.94125994
00:08:38.830 --> 00:08:41.840 faint blue line up here is the
NOTE Confidence: 0.94125994
00:08:41.840 --> 00:08:44.156 Europe and North America and you
NOTE Confidence: 0.94125994

00:08:44.156 --> 00:08:46.709 could see that it has gone up.
NOTE Confidence: 0.94125994

00:08:46.710 --> 00:08:48.894 But everything else has gone up
NOTE Confidence: 0.94125994

00:08:48.894 --> 00:08:51.371 in the same time frame as well
NOTE Confidence: 0.94125994

00:08:51.371 --> 00:08:53.908 and has gone up with more deaths.
NOTE Confidence: 0.9406173111111111

00:08:56.430 --> 00:08:58.768 And you can see that in different
NOTE Confidence: 0.9406173111111111

00:08:58.768 --> 00:09:01.275 regions of the world there's a
NOTE Confidence: 0.9406173111111111

00:09:01.275 --> 00:09:03.665 different way of approaching terrorism.
NOTE Confidence: 0.9406173111111111

00:09:03.670 --> 00:09:06.774 In North America we see a lot of
NOTE Confidence: 0.9406173111111111

00:09:06.774 --> 00:09:09.522 bombings and explosions and armed
NOTE Confidence: 0.9406173111111111

00:09:09.522 --> 00:09:13.438 assaults and in and you see that.
NOTE Confidence: 0.9406173111111111

00:09:13.440 --> 00:09:15.590 Bombings and explosions are much
NOTE Confidence: 0.9406173111111111

00:09:15.590 --> 00:09:18.759 greater in some of the other areas.
NOTE Confidence: 0.9406173111111111

00:09:18.760 --> 00:09:21.685 This Gray thing is facility
NOTE Confidence: 0.9406173111111111

00:09:21.685 --> 00:09:23.440 and infrastructure attack.
NOTE Confidence: 0.9406173111111111

00:09:23.440 --> 00:09:25.918 And perhaps one of the reasons why
NOTE Confidence: 0.9406173111111111

00:09:25.920 --> 00:09:28.608 this is higher is that we have a

NOTE Confidence: 0.9406173111111111
00:09:28.608 --> 00:09:30.178 more developed infrastructure here
NOTE Confidence: 0.9406173111111111
00:09:30.178 --> 00:09:32.872 in the North America and there
NOTE Confidence: 0.9406173111111111
00:09:32.872 --> 00:09:36.020 are many more stadiums or museums
NOTE Confidence: 0.9406173111111111
00:09:36.020 --> 00:09:39.740 or then facilities like that that
NOTE Confidence: 0.9406173111111111
00:09:39.740 --> 00:09:43.197 can be affected by an attack.
NOTE Confidence: 0.9406173111111111
00:09:43.200 --> 00:09:47.506 And you'll see that the deaths in other
NOTE Confidence: 0.9406173111111111
00:09:47.506 --> 00:09:50.800 places often reflect some of that.
NOTE Confidence: 0.9406173111111111
00:09:50.800 --> 00:09:55.258 So we have 167 incidents in
NOTE Confidence: 0.9406173111111111
00:09:55.258 --> 00:09:59.330 the United States out of 332,
NOTE Confidence: 0.9406173111111111
00:09:59.330 --> 00:10:03.573 and we have 113 deaths out
NOTE Confidence: 0.9406173111111111
00:10:03.573 --> 00:10:05.638 of 286 around the world.
NOTE Confidence: 0.9295665133333333
00:10:07.720 --> 00:10:10.261 And you can see that there are
NOTE Confidence: 0.9295665133333333
00:10:10.261 --> 00:10:12.250 some surprising places like Norway.
NOTE Confidence: 0.9295665133333333
00:10:12.250 --> 00:10:15.430 Yeah, where Revik went on a
NOTE Confidence: 0.9295665133333333
00:10:15.430 --> 00:10:19.730 rampage and was killing people.
NOTE Confidence: 0.9295665133333333

00:10:19.730 --> 00:10:20.522 That's interesting,
NOTE Confidence: 0.9295665133333333

00:10:20.522 --> 00:10:23.294 because at his trial there was one
NOTE Confidence: 0.9295665133333333

00:10:23.294 --> 00:10:25.891 set of psychiatrists who said that it
NOTE Confidence: 0.9295665133333333

00:10:25.891 --> 00:10:28.384 was the product of a mental illness
NOTE Confidence: 0.9295665133333333

00:10:28.384 --> 00:10:31.242 and another set that said it was not.
NOTE Confidence: 0.9295665133333333

00:10:31.242 --> 00:10:35.386 And it was the psychiatrist who said it
NOTE Confidence: 0.9295665133333333

00:10:35.386 --> 00:10:39.559 was not who was adopted by the poor.
NOTE Confidence: 0.9295665133333333

00:10:39.560 --> 00:10:42.598 New Zealand is also a very famous
NOTE Confidence: 0.9295665133333333

00:10:42.600 --> 00:10:46.821 attack and it it led to one of the
NOTE Confidence: 0.9295665133333333

00:10:46.821 --> 00:10:49.870 conventions that we we try not to
NOTE Confidence: 0.9295665133333333

00:10:49.870 --> 00:10:52.923 put things on the Internet or on
NOTE Confidence: 0.9295665133333333

00:10:52.923 --> 00:10:55.996 the news that would tend to glorify
NOTE Confidence: 0.9295665133333333

00:10:56.000 --> 00:10:58.520 the incident or the perpetrator.
NOTE Confidence: 0.9295665133333333

00:10:58.520 --> 00:10:59.040 So
NOTE Confidence: 0.82573634

00:11:01.080 --> 00:11:05.376 there's no dissemination of one of their
NOTE Confidence: 0.82573634

00:11:05.376 --> 00:11:09.910 of their manifesto here, for example.

NOTE Confidence: 0.82573634

00:11:09.910 --> 00:11:13.390 Here we see the incidents of the far

NOTE Confidence: 0.82573634

00:11:13.390 --> 00:11:16.107 right terrorist incidents in the West

NOTE Confidence: 0.82573634

00:11:16.110 --> 00:11:18.648 and it has been going up and down and

NOTE Confidence: 0.82573634

00:11:18.648 --> 00:11:21.070 then we have this peak after 2015. And

NOTE Confidence: 0.916460915

00:11:23.110 --> 00:11:25.623 these tend to be ones that have

NOTE Confidence: 0.916460915

00:11:25.623 --> 00:11:27.949 characterized and acted out by lone actor,

NOTE Confidence: 0.916460915

00:11:27.950 --> 00:11:31.100 terrorist who may not be specifically

NOTE Confidence: 0.916460915

00:11:31.100 --> 00:11:34.989 affiliated with a far right organization.

NOTE Confidence: 0.916460915

00:11:34.990 --> 00:11:36.510 They may have had contact

NOTE Confidence: 0.916460915

00:11:36.510 --> 00:11:38.030 with some of those people.

NOTE Confidence: 0.916460915

00:11:38.030 --> 00:11:39.650 They may have been inspired

NOTE Confidence: 0.916460915

00:11:39.650 --> 00:11:41.270 by some far right attacks,

NOTE Confidence: 0.916460915

00:11:41.270 --> 00:11:44.427 they may have read the propaganda online,

NOTE Confidence: 0.916460915

00:11:44.430 --> 00:11:46.418 but they tend not to be part

NOTE Confidence: 0.916460915

00:11:46.418 --> 00:11:47.950 of a militaristic structure.

NOTE Confidence: 0.93354456

00:11:50.230 --> 00:11:57.056 And in 2020 much of the extremism was
NOTE Confidence: 0.93354456

00:11:57.056 --> 00:12:00.583 racially or ethnically motivated, 40%.
NOTE Confidence: 0.93354456

00:12:00.583 --> 00:12:03.181 But we can see that's dropped
NOTE Confidence: 0.93354456

00:12:03.181 --> 00:12:06.028 in half by the end of 2022.
NOTE Confidence: 0.93354456

00:12:06.028 --> 00:12:09.230 And what we see is more civil unrest,
NOTE Confidence: 0.93354456

00:12:09.230 --> 00:12:10.850 more of that far right type
NOTE Confidence: 0.93354456

00:12:10.850 --> 00:12:12.499 that we've been talking about.
NOTE Confidence: 0.9452853

00:12:16.300 --> 00:12:20.551 The perpetrators in this area
NOTE Confidence: 0.9452853

00:12:20.551 --> 00:12:22.777 tend almost always to be male.
NOTE Confidence: 0.9452853

00:12:22.780 --> 00:12:25.692 In this analysis done by the National
NOTE Confidence: 0.9452853

00:12:25.692 --> 00:12:29.100 Center for the Analysis of Violent Crime,
NOTE Confidence: 0.9452853

00:12:29.100 --> 00:12:31.698 all of the offenders were male.
NOTE Confidence: 0.9452853

00:12:31.700 --> 00:12:35.210 The youngest was 15 and the oldest was 88.
NOTE Confidence: 0.9452853

00:12:35.210 --> 00:12:38.138 And about the average age of the time
NOTE Confidence: 0.9452853

00:12:38.138 --> 00:12:41.128 of the attack was 37 or so years.
NOTE Confidence: 0.9452853

00:12:41.130 --> 00:12:44.300 The perpetrators were from every

NOTE Confidence: 0.9452853

00:12:44.300 --> 00:12:47.266 ethnic group, primarily white,

NOTE Confidence: 0.9452853

00:12:47.266 --> 00:12:49.810 but also others.

NOTE Confidence: 0.9452853

00:12:49.810 --> 00:12:52.606 Most of the perpetrators were alone,

NOTE Confidence: 0.9452853

00:12:52.610 --> 00:12:56.366 never married or divorced or separated.

NOTE Confidence: 0.9452853

00:12:56.370 --> 00:12:58.008 A third of them had children,

NOTE Confidence: 0.9452853

00:12:58.010 --> 00:13:01.306 which is an interesting factor that

NOTE Confidence: 0.9452853

00:13:01.306 --> 00:13:04.410 one might want to do more research on.

NOTE Confidence: 0.9452853

00:13:04.410 --> 00:13:06.246 And they tended to be fairly

NOTE Confidence: 0.9452853

00:13:06.246 --> 00:13:07.164 well educated people.

NOTE Confidence: 0.9201268

00:13:09.770 --> 00:13:10.330 So

NOTE Confidence: 0.934503085714286

00:13:13.730 --> 00:13:16.684 if you think about how has the

NOTE Confidence: 0.934503085714286

00:13:16.690 --> 00:13:19.890 Internet influenced these things,

NOTE Confidence: 0.934503085714286

00:13:19.890 --> 00:13:22.566 76% of offenders since 2012 have

NOTE Confidence: 0.934503085714286

00:13:22.566 --> 00:13:25.180 used the Internet for research.

NOTE Confidence: 0.934503085714286

00:13:25.180 --> 00:13:28.156 On their attack plans or developing

NOTE Confidence: 0.934503085714286

00:13:28.156 --> 00:13:31.234 their facility like a bomb to be
NOTE Confidence: 0.934503085714286

00:13:31.234 --> 00:13:34.180 able to use that out in the public.
NOTE Confidence: 0.934503085714286

00:13:34.180 --> 00:13:38.100 If you go online you can find many
NOTE Confidence: 0.934503085714286

00:13:38.100 --> 00:13:42.620 ways of putting together a weapon.
NOTE Confidence: 0.934503085714286

00:13:42.620 --> 00:13:45.908 They're using now 3D printing machines
NOTE Confidence: 0.934503085714286

00:13:45.908 --> 00:13:49.915 to make plastic parts of a weapon that
NOTE Confidence: 0.934503085714286

00:13:49.915 --> 00:13:53.320 can be smuggled on an airplane perhaps.
NOTE Confidence: 0.934503085714286

00:13:53.320 --> 00:13:55.280 And the governments are trying
NOTE Confidence: 0.934503085714286

00:13:55.280 --> 00:13:57.240 to crack down on this,
NOTE Confidence: 0.934503085714286

00:13:57.240 --> 00:14:00.075 but obviously if it's done in secret,
NOTE Confidence: 0.934503085714286

00:14:00.080 --> 00:14:03.279 it's very hard for them to know.
NOTE Confidence: 0.934503085714286

00:14:03.280 --> 00:14:07.690 Then we often see people with extremist
NOTE Confidence: 0.934503085714286

00:14:07.690 --> 00:14:11.519 views publishing their manifestos online.
NOTE Confidence: 0.934503085714286

00:14:11.520 --> 00:14:13.330 Now, not everybody who publishes
NOTE Confidence: 0.934503085714286

00:14:13.330 --> 00:14:16.479 goes on to be an active terrorist,
NOTE Confidence: 0.934503085714286

00:14:16.480 --> 00:14:19.426 but it can inspire other people.

NOTE Confidence: 0.934503085714286
00:14:19.430 --> 00:14:23.078 And often times we'll we'll see an example
NOTE Confidence: 0.934503085714286
00:14:23.078 --> 00:14:26.950 later of someone with a manifesto online.
NOTE Confidence: 0.934503085714286
00:14:26.950 --> 00:14:29.267 In cells are a very interesting group.
NOTE Confidence: 0.934503085714286
00:14:29.270 --> 00:14:33.155 They're men, although there's recently
NOTE Confidence: 0.934503085714286
00:14:33.155 --> 00:14:37.190 been some female incest in cell groups.
NOTE Confidence: 0.934503085714286
00:14:37.190 --> 00:14:40.342 There are men generally who believe that the
NOTE Confidence: 0.934503085714286
00:14:40.342 --> 00:14:43.667 world is ruled by beautiful blonde people,
NOTE Confidence: 0.934503085714286
00:14:43.670 --> 00:14:48.248 and they are excluded from having any.
NOTE Confidence: 0.934503085714286
00:14:48.250 --> 00:14:50.394 Relationships with the beautiful
NOTE Confidence: 0.934503085714286
00:14:50.394 --> 00:14:52.049 woman by these people,
NOTE Confidence: 0.934503085714286
00:14:52.049 --> 00:14:54.287 they often refer to as chads.
NOTE Confidence: 0.934503085714286
00:14:54.290 --> 00:14:56.558 And so they feel they're completely
NOTE Confidence: 0.934503085714286
00:14:56.558 --> 00:14:58.616 locked out of being involved
NOTE Confidence: 0.934503085714286
00:14:58.616 --> 00:15:00.488 in a sexual relationship.
NOTE Confidence: 0.934503085714286
00:15:00.490 --> 00:15:03.290 And that's why they're called
NOTE Confidence: 0.934503085714286

00:15:03.290 --> 00:15:04.410 involuntary celibates.
NOTE Confidence: 0.934503085714286

00:15:04.410 --> 00:15:09.002 And they have websites and
NOTE Confidence: 0.934503085714286

00:15:09.002 --> 00:15:11.246 chapters that meet.
NOTE Confidence: 0.934503085714286

00:15:11.250 --> 00:15:14.170 They discuss some of the theories behind it.
NOTE Confidence: 0.934503085714286

00:15:14.170 --> 00:15:15.682 They're mutually supportive.
NOTE Confidence: 0.934503085714286

00:15:15.682 --> 00:15:16.690 So they're,
NOTE Confidence: 0.934503085714286

00:15:16.690 --> 00:15:17.148 you know,
NOTE Confidence: 0.934503085714286

00:15:17.148 --> 00:15:18.751 you have a bunch of people who
NOTE Confidence: 0.934503085714286

00:15:18.751 --> 00:15:20.261 have this maladaptive idea and
NOTE Confidence: 0.934503085714286

00:15:20.261 --> 00:15:22.097 they get together and they support
NOTE Confidence: 0.934503085714286

00:15:22.149 --> 00:15:23.729 each other's maladaptive ideas.
NOTE Confidence: 0.934503085714286

00:15:23.730 --> 00:15:24.085 Now,
NOTE Confidence: 0.934503085714286

00:15:24.085 --> 00:15:26.925 not every in cell becomes a terrorist either,
NOTE Confidence: 0.934503085714286

00:15:26.930 --> 00:15:28.970 but we have had a couple of very,
NOTE Confidence: 0.934503085714286

00:15:28.970 --> 00:15:32.062 very significant attacks from
NOTE Confidence: 0.934503085714286

00:15:32.062 --> 00:15:33.608 this population.

NOTE Confidence: 0.9391354444444444

00:15:36.330 --> 00:15:39.026 And here we have a little cartoon that

NOTE Confidence: 0.9391354444444444

00:15:39.026 --> 00:15:42.028 says that he learned to build the

NOTE Confidence: 0.9391354444444444

00:15:42.028 --> 00:15:44.620 better mousetrap from the Internet.

NOTE Confidence: 0.9391354444444444

00:15:44.620 --> 00:15:47.260 And there's the stuff that you and I

NOTE Confidence: 0.9391354444444444

00:15:47.260 --> 00:15:49.896 probably find on the Internet quite easily.

NOTE Confidence: 0.9391354444444444

00:15:49.900 --> 00:15:53.188 But there's also these deep web

NOTE Confidence: 0.9391354444444444

00:15:53.188 --> 00:15:57.209 and dark web and dark net sites

NOTE Confidence: 0.9391354444444444

00:15:57.209 --> 00:16:00.990 where these things are exchanged.

NOTE Confidence: 0.9391354444444444

00:16:00.990 --> 00:16:04.140 But you have to have special passwords

NOTE Confidence: 0.9391354444444444

00:16:04.140 --> 00:16:07.536 to get into contact with some people,

NOTE Confidence: 0.9391354444444444

00:16:07.540 --> 00:16:11.025 and it's not necessarily something

NOTE Confidence: 0.9391354444444444

00:16:11.025 --> 00:16:13.116 that you can.

NOTE Confidence: 0.9391354444444444

00:16:13.120 --> 00:16:16.200 Do like today and get in there tomorrow.

NOTE Confidence: 0.9391354444444444

00:16:16.200 --> 00:16:18.321 You have to really work your way

NOTE Confidence: 0.9391354444444444

00:16:18.321 --> 00:16:20.679 into it and gain people's trust.

NOTE Confidence: 0.9391354444444444

00:16:20.680 --> 00:16:23.512 And instead of using Google they
NOTE Confidence: 0.9391354444444444

00:16:23.512 --> 00:16:26.376 use the thing called for or some
NOTE Confidence: 0.9391354444444444

00:16:26.376 --> 00:16:27.916 other type of private browser.
NOTE Confidence: 0.9436080666666667

00:16:30.200 --> 00:16:33.330 The Internet is also useful
NOTE Confidence: 0.9436080666666667

00:16:33.330 --> 00:16:37.008 for logistics and planning.
NOTE Confidence: 0.9436080666666667

00:16:37.010 --> 00:16:38.250 You know, they go online,
NOTE Confidence: 0.9436080666666667

00:16:38.250 --> 00:16:40.950 they look for things like traffic
NOTE Confidence: 0.9436080666666667

00:16:40.950 --> 00:16:43.053 patterns and blueprints and maps
NOTE Confidence: 0.9436080666666667

00:16:43.053 --> 00:16:45.058 that tell them the vulnerable
NOTE Confidence: 0.9436080666666667

00:16:45.058 --> 00:16:47.210 places to place the bomb timetables
NOTE Confidence: 0.9436080666666667

00:16:47.210 --> 00:16:49.130 for when the most number of
NOTE Confidence: 0.9436080666666667

00:16:49.130 --> 00:16:50.850 people are going to be there.
NOTE Confidence: 0.9436080666666667

00:16:50.850 --> 00:16:53.820 And they even do pick starting
NOTE Confidence: 0.9436080666666667

00:16:53.820 --> 00:16:56.568 actually to fund their operations.
NOTE Confidence: 0.9402536

00:16:59.130 --> 00:17:00.770 In the case of Charlottesville,
NOTE Confidence: 0.9402536

00:17:00.770 --> 00:17:02.450 which was not alone after terrorist,

NOTE Confidence: 0.9402536

00:17:02.450 --> 00:17:05.050 it was an organized event.

NOTE Confidence: 0.9402536

00:17:05.050 --> 00:17:07.305 Maybe not even intended to

NOTE Confidence: 0.9402536

00:17:07.305 --> 00:17:09.698 be terrorists as it began,

NOTE Confidence: 0.9402536

00:17:09.698 --> 00:17:11.682 it developed using Facebook

NOTE Confidence: 0.9402536

00:17:11.682 --> 00:17:15.189 and Messenger apps and it was

NOTE Confidence: 0.9402536

00:17:15.189 --> 00:17:19.102 promoted widely on 4 Chan,

NOTE Confidence: 0.9402536

00:17:19.102 --> 00:17:23.782 which has had has a long history

NOTE Confidence: 0.9402536

00:17:23.782 --> 00:17:25.715 and then communicated among

NOTE Confidence: 0.9402536

00:17:25.715 --> 00:17:27.890 each other using social media.

NOTE Confidence: 0.861460028571429

00:17:32.760 --> 00:17:37.156 So we have social needs and reinforcements.

NOTE Confidence: 0.861460028571429

00:17:37.160 --> 00:17:39.554 See, we have this young man sitting in the

NOTE Confidence: 0.861460028571429

00:17:39.554 --> 00:17:41.756 chair is all charged up and ready to go.

NOTE Confidence: 0.861460028571429

00:17:41.760 --> 00:17:43.638 But he doesn't have an identity.

NOTE Confidence: 0.861460028571429

00:17:43.640 --> 00:17:46.120 It doesn't. He feels isolated.

NOTE Confidence: 0.861460028571429

00:17:46.120 --> 00:17:49.621 And this is the kind of person who can

NOTE Confidence: 0.861460028571429

00:17:49.621 --> 00:17:52.951 easily be seduced into either ISIS type
NOTE Confidence: 0.861460028571429

00:17:52.951 --> 00:17:56.570 of activity in cell type of activity.
NOTE Confidence: 0.861460028571429

00:17:56.570 --> 00:18:00.539 And using their connections becomes as real
NOTE Confidence: 0.861460028571429

00:18:00.539 --> 00:18:05.486 to them as real life would be to you and me.
NOTE Confidence: 0.861460028571429

00:18:05.490 --> 00:18:10.585 And they gradually develop an attention,
NOTE Confidence: 0.861460028571429

00:18:10.585 --> 00:18:14.035 maybe even an addiction type of
NOTE Confidence: 0.861460028571429

00:18:14.035 --> 00:18:16.668 relationship with many of the
NOTE Confidence: 0.861460028571429

00:18:16.668 --> 00:18:19.249 groups that they are associated with
NOTE Confidence: 0.94276939

00:18:22.650 --> 00:18:28.200 and some. People have, you know,
NOTE Confidence: 0.94276939

00:18:28.200 --> 00:18:31.995 their own particular type of political
NOTE Confidence: 0.94276939

00:18:31.995 --> 00:18:35.320 beliefs, which is perfectly fine.
NOTE Confidence: 0.94276939

00:18:35.320 --> 00:18:37.936 Subgroups of that may become overly
NOTE Confidence: 0.94276939

00:18:37.936 --> 00:18:40.752 involved in some of the misinformation
NOTE Confidence: 0.94276939

00:18:40.752 --> 00:18:44.444 in particular that gets carried about.
NOTE Confidence: 0.94276939

00:18:44.444 --> 00:18:47.180 And then the next step is to become
NOTE Confidence: 0.94276939

00:18:47.254 --> 00:18:49.718 more and more activated in the area.

NOTE Confidence: 0.94276939

00:18:49.720 --> 00:18:52.464 It's seems like some of the algorithms

NOTE Confidence: 0.94276939

00:18:52.464 --> 00:18:55.248 on some of these social media.

NOTE Confidence: 0.94276939

00:18:55.250 --> 00:18:58.060 Follow what you look up on Google

NOTE Confidence: 0.94276939

00:18:58.060 --> 00:19:01.480 and we'll feed you more information

NOTE Confidence: 0.94276939

00:19:01.480 --> 00:19:04.101 that makes it look like the world is

NOTE Confidence: 0.94276939

00:19:04.101 --> 00:19:05.930 beginning to think like you think.

NOTE Confidence: 0.94276939

00:19:05.930 --> 00:19:09.050 And that's what this Overton window is about.

NOTE Confidence: 0.94276939

00:19:09.050 --> 00:19:12.566 And it's beginning to create an

NOTE Confidence: 0.94276939

00:19:12.566 --> 00:19:15.890 atmosphere where people have mutually

NOTE Confidence: 0.94276939

00:19:15.890 --> 00:19:17.592 supported anti-Semitic ideas,

NOTE Confidence: 0.94276939

00:19:17.592 --> 00:19:18.414 for example,

NOTE Confidence: 0.94276939

00:19:18.414 --> 00:19:20.880 to the point where they think

NOTE Confidence: 0.94276939

00:19:20.952 --> 00:19:23.008 that it's universally endorsed.

NOTE Confidence: 0.890973233

00:19:28.400 --> 00:19:32.380 The, you know, Internet and

NOTE Confidence: 0.890973233

00:19:32.380 --> 00:19:35.564 social media applications can

NOTE Confidence: 0.890973233

00:19:35.564 --> 00:19:39.310 also get people to get together.

NOTE Confidence: 0.890973233

00:19:39.310 --> 00:19:42.076 You know, so that's 11 area

NOTE Confidence: 0.890973233

00:19:42.076 --> 00:19:44.630 where you can form a mob.

NOTE Confidence: 0.890973233

00:19:44.630 --> 00:19:46.050 And again, that's not particularly

NOTE Confidence: 0.890973233

00:19:46.050 --> 00:19:47.186 what we're looking at,

NOTE Confidence: 0.890973233

00:19:47.190 --> 00:19:48.762 but some people may be involved

NOTE Confidence: 0.890973233

00:19:48.762 --> 00:19:50.737 in this and then go off on their

NOTE Confidence: 0.890973233

00:19:50.737 --> 00:19:54.310 own as a lone actor, terrorist.

NOTE Confidence: 0.890973233

00:19:54.310 --> 00:19:57.715 Pizzagate is something that was

NOTE Confidence: 0.890973233

00:19:57.715 --> 00:20:01.120 involved in the elections between

NOTE Confidence: 0.890973233

00:20:01.234 --> 00:20:05.009 Hillary Clinton and President Trump.

NOTE Confidence: 0.890973233

00:20:05.010 --> 00:20:07.110 Pizza Gate was that there was

NOTE Confidence: 0.890973233

00:20:07.110 --> 00:20:09.410 a peace parlor in Washington,

NOTE Confidence: 0.890973233

00:20:09.410 --> 00:20:12.392 DC that in the basement was

NOTE Confidence: 0.890973233

00:20:12.392 --> 00:20:15.042 involved in abortions, child abuse,

NOTE Confidence: 0.890973233

00:20:15.042 --> 00:20:17.810 sexual child abuse and the

NOTE Confidence: 0.890973233

00:20:17.810 --> 00:20:19.370 distribution of *****.

NOTE Confidence: 0.890973233

00:20:19.370 --> 00:20:22.110 And somebody who was involved

NOTE Confidence: 0.890973233

00:20:22.110 --> 00:20:24.302 in this misinformation actually

NOTE Confidence: 0.890973233

00:20:24.302 --> 00:20:26.769 went there and shot people.

NOTE Confidence: 0.890973233

00:20:26.770 --> 00:20:31.970 So that's one example of how.

NOTE Confidence: 0.890973233

00:20:31.970 --> 00:20:34.430 Something that's a bizarre story can

NOTE Confidence: 0.890973233

00:20:34.508 --> 00:20:37.220 end up having a lone act of terrorist

NOTE Confidence: 0.9603804

00:20:39.540 --> 00:20:44.900 action leakage. Now,

NOTE Confidence: 0.9603804

00:20:44.900 --> 00:20:50.451 most people who are engaged in these

NOTE Confidence: 0.9603804

00:20:50.451 --> 00:20:54.779 types of activities have tells or signs

NOTE Confidence: 0.9603804

00:20:54.779 --> 00:20:57.257 that they're building up to something.

NOTE Confidence: 0.9603804

00:20:57.260 --> 00:20:59.255 And it leaks out, so to speak.

NOTE Confidence: 0.9603804

00:20:59.260 --> 00:21:02.140 So they may not say in their e-mail to mom

NOTE Confidence: 0.9603804

00:21:02.212 --> 00:21:04.820 I'm going to go out and shoot someone,

NOTE Confidence: 0.9603804

00:21:04.820 --> 00:21:08.152 but they may begin to increase in

NOTE Confidence: 0.9603804

00:21:08.152 --> 00:21:11.049 intensity the explication of their anger
NOTE Confidence: 0.9603804

00:21:11.049 --> 00:21:13.349 toward particular groups or people
NOTE Confidence: 0.9603804

00:21:13.349 --> 00:21:16.619 and add that can build up over time.
NOTE Confidence: 0.9603804

00:21:16.620 --> 00:21:19.035 And it's 1 sign that you need
NOTE Confidence: 0.9603804

00:21:19.035 --> 00:21:21.508 to be careful and maybe consider
NOTE Confidence: 0.9603804

00:21:21.508 --> 00:21:23.763 some of these things that.
NOTE Confidence: 0.9603804

00:21:23.770 --> 00:21:27.207 Have been communicated to see if there's
NOTE Confidence: 0.9603804

00:21:27.210 --> 00:21:29.408 a larger danger that could be avoided.
NOTE Confidence: 0.7542866225

00:21:32.050 --> 00:21:35.445 Often times people who are lone active
NOTE Confidence: 0.7542866225

00:21:35.445 --> 00:21:37.970 terrorists actually post material
NOTE Confidence: 0.7542866225

00:21:37.970 --> 00:21:42.306 on YouTube or some other way that.
NOTE Confidence: 0.7542866225

00:21:42.306 --> 00:21:44.646 Tells the the world why
NOTE Confidence: 0.7542866225

00:21:44.646 --> 00:21:47.040 they're doing this right now.
NOTE Confidence: 0.7542866225

00:21:47.040 --> 00:21:49.532 And of course if you just pick
NOTE Confidence: 0.7542866225

00:21:49.532 --> 00:21:52.680 it up in the the moment that
NOTE Confidence: 0.7542866225

00:21:52.680 --> 00:21:54.760 the attack is happening,

NOTE Confidence: 0.7542866225

00:21:54.760 --> 00:21:57.640 it's not going to be much to help avert it.

NOTE Confidence: 0.7542866225

00:21:57.640 --> 00:22:00.088 But not everybody is that well

NOTE Confidence: 0.7542866225

00:22:00.088 --> 00:22:02.339 organized and they may be able

NOTE Confidence: 0.7542866225

00:22:02.339 --> 00:22:04.200 to see some of these things.

NOTE Confidence: 0.897955385

00:22:12.180 --> 00:22:15.180 The recent trends of loan act of terrorism,

NOTE Confidence: 0.897955385

00:22:15.180 --> 00:22:19.534 as the FBI Director has testified repeatedly,

NOTE Confidence: 0.897955385

00:22:19.540 --> 00:22:21.384 is right wing extremism.

NOTE Confidence: 0.897955385

00:22:21.384 --> 00:22:23.689 It's somewhat worse than the

NOTE Confidence: 0.897955385

00:22:23.689 --> 00:22:25.036 United in Western Europe,

NOTE Confidence: 0.897955385

00:22:25.036 --> 00:22:28.180 even than it might be in the United States.

NOTE Confidence: 0.897955385

00:22:28.180 --> 00:22:34.105 But this group of whites premises account

NOTE Confidence: 0.897955385

00:22:34.105 --> 00:22:38.860 for most of what we see right now. The.

NOTE Confidence: 0.956720981818182

00:22:42.130 --> 00:22:43.798 Antigovernment sovereign citizens

NOTE Confidence: 0.956720981818182

00:22:43.798 --> 00:22:47.690 also account for a large share of

NOTE Confidence: 0.956720981818182

00:22:47.774 --> 00:22:51.179 perpetrators in the sense that they

NOTE Confidence: 0.956720981818182

00:22:51.179 --> 00:22:53.762 create in people the belief that the
NOTE Confidence: 0.956720981818182

00:22:53.762 --> 00:22:55.450 government really doesn't exist,
NOTE Confidence: 0.956720981818182

00:22:55.450 --> 00:22:57.688 that you are the government yourself
NOTE Confidence: 0.956720981818182

00:22:57.690 --> 00:23:02.214 and usually they're not the source
NOTE Confidence: 0.956720981818182

00:23:02.214 --> 00:23:04.930 of individual lone act of terrorists,
NOTE Confidence: 0.956720981818182

00:23:04.930 --> 00:23:07.436 but tend to go out in groups
NOTE Confidence: 0.956720981818182

00:23:07.436 --> 00:23:08.830 and get involved in.
NOTE Confidence: 0.956720981818182

00:23:08.830 --> 00:23:11.370 Recently got involved in
NOTE Confidence: 0.956720981818182

00:23:11.370 --> 00:23:13.910 shootings in New Hampshire.
NOTE Confidence: 0.956720981818182

00:23:13.910 --> 00:23:18.614 The the person who did the attack
NOTE Confidence: 0.956720981818182

00:23:18.614 --> 00:23:22.214 in New Zealand had somehow used the
NOTE Confidence: 0.956720981818182

00:23:22.214 --> 00:23:25.670 Internet to live stream his activities,
NOTE Confidence: 0.956720981818182

00:23:25.670 --> 00:23:27.590 making himself more famous.
NOTE Confidence: 0.941930833333333

00:23:31.710 --> 00:23:34.386 So how do we prepare ourselves
NOTE Confidence: 0.9402536

00:23:37.190 --> 00:23:41.195 well? In doing an evaluation of
NOTE Confidence: 0.9402536

00:23:41.195 --> 00:23:43.765 someone who we've been asked to see

NOTE Confidence: 0.9402536

00:23:43.765 --> 00:23:45.825 because the family might be worried

NOTE Confidence: 0.9402536

00:23:45.825 --> 00:23:47.805 about the where they're going,

NOTE Confidence: 0.9402536

00:23:47.810 --> 00:23:50.666 some of the areas that we might

NOTE Confidence: 0.9402536

00:23:50.666 --> 00:23:54.214 want to take a look at is how

NOTE Confidence: 0.9402536

00:23:54.214 --> 00:23:57.770 actually do they use their computer?

NOTE Confidence: 0.9402536

00:23:57.770 --> 00:23:59.098 Do they do searches?

NOTE Confidence: 0.9402536

00:23:59.098 --> 00:24:00.758 What kinds of searches are

NOTE Confidence: 0.9402536

00:24:00.758 --> 00:24:02.368 they most interested in?

NOTE Confidence: 0.9402536

00:24:02.370 --> 00:24:06.290 How What ones are they most successful at?

NOTE Confidence: 0.9402536

00:24:06.290 --> 00:24:10.492 I? Back in the early days would

NOTE Confidence: 0.9402536

00:24:10.492 --> 00:24:13.567 often ask people do you play a multi

NOTE Confidence: 0.9402536

00:24:13.570 --> 00:24:16.330 person game and if So what kind of

NOTE Confidence: 0.9402536

00:24:16.330 --> 00:24:18.677 identity do you have and why did

NOTE Confidence: 0.9402536

00:24:18.677 --> 00:24:21.010 you pick that kind of identity?

NOTE Confidence: 0.9402536

00:24:21.010 --> 00:24:23.551 It often gives you an interest in

NOTE Confidence: 0.9402536

00:24:23.551 --> 00:24:25.951 how they can see themselves as
NOTE Confidence: 0.9402536

00:24:25.951 --> 00:24:28.411 a more active person than they
NOTE Confidence: 0.9402536

00:24:28.411 --> 00:24:30.955 are and and maybe it reflects
NOTE Confidence: 0.9402536

00:24:30.955 --> 00:24:33.355 an underlying desire to be more
NOTE Confidence: 0.9402536

00:24:33.355 --> 00:24:35.770 active in a violent sort of way.
NOTE Confidence: 0.932426511111111

00:24:39.660 --> 00:24:41.628 You might have to get someone
NOTE Confidence: 0.932426511111111

00:24:41.628 --> 00:24:44.579 to do a real forensic search
NOTE Confidence: 0.932426511111111

00:24:44.579 --> 00:24:48.012 of the person's Internet life,
NOTE Confidence: 0.932426511111111

00:24:48.012 --> 00:24:52.152 but asking the evaluating is often a
NOTE Confidence: 0.932426511111111

00:24:52.152 --> 00:24:56.778 way to just even form a bond with them.
NOTE Confidence: 0.932426511111111

00:24:56.780 --> 00:25:00.447 Then we can see that do they use?
NOTE Confidence: 0.932426511111111

00:25:00.447 --> 00:25:03.381 Virtual private networks or Tor or
NOTE Confidence: 0.932426511111111

00:25:03.381 --> 00:25:06.514 other things that might indicate
NOTE Confidence: 0.932426511111111

00:25:06.514 --> 00:25:09.694 that they're keeping things secret.
NOTE Confidence: 0.932426511111111

00:25:09.700 --> 00:25:12.178 And if they are keeping things secret,
NOTE Confidence: 0.932426511111111

00:25:12.180 --> 00:25:15.224 what what are they doing?

NOTE Confidence: 0.9324265111111111
00:25:15.224 --> 00:25:16.779 Why are they doing it?
NOTE Confidence: 0.9324265111111111
00:25:16.780 --> 00:25:19.335 You know, are they able to share
NOTE Confidence: 0.9324265111111111
00:25:19.335 --> 00:25:22.192 it with people and not have that
NOTE Confidence: 0.9324265111111111
00:25:22.192 --> 00:25:25.836 sharing be accounted the, you know,
NOTE Confidence: 0.9324265111111111
00:25:25.836 --> 00:25:28.671 the digital calendars that have records
NOTE Confidence: 0.9324265111111111
00:25:28.671 --> 00:25:31.617 of the anniversaries of different attacks?
NOTE Confidence: 0.9324265111111111
00:25:31.620 --> 00:25:35.316 Are often very important to the lone
NOTE Confidence: 0.9324265111111111
00:25:35.316 --> 00:25:37.786 actor terrorist because they might
NOTE Confidence: 0.9324265111111111
00:25:37.786 --> 00:25:42.997 want to do something that would make
NOTE Confidence: 0.9324265111111111
00:25:42.997 --> 00:25:46.653 up for a terrible event in the past.
NOTE Confidence: 0.9324265111111111
00:25:46.660 --> 00:25:51.472 So the they they're very interested
NOTE Confidence: 0.9324265111111111
00:25:51.472 --> 00:25:54.250 in things like even the perpetrators
NOTE Confidence: 0.9324265111111111
00:25:54.323 --> 00:26:01.620 birthday to celebrate what he did and so.
NOTE Confidence: 0.9324265111111111
00:26:01.620 --> 00:26:05.589 The the idea that someone has online
NOTE Confidence: 0.9324265111111111
00:26:05.589 --> 00:26:09.579 friends but not friends in real life
NOTE Confidence: 0.9324265111111111

00:26:09.580 --> 00:26:14.220 is an important consideration and you
NOTE Confidence: 0.9324265111111111

00:26:14.220 --> 00:26:18.300 need to find out perhaps the healthiness
NOTE Confidence: 0.9324265111111111

00:26:18.300 --> 00:26:21.260 of their online friend relationship.
NOTE Confidence: 0.9324265111111111

00:26:21.260 --> 00:26:23.580 So you can see that there are a lot of
NOTE Confidence: 0.9324265111111111

00:26:23.580 --> 00:26:27.654 ways that people who use the Internet
NOTE Confidence: 0.9324265111111111

00:26:27.660 --> 00:26:31.027 can just can have some ways of.
NOTE Confidence: 0.9324265111111111

00:26:31.030 --> 00:26:33.370 Evaluating them and getting an idea
NOTE Confidence: 0.9324265111111111

00:26:33.370 --> 00:26:35.550 what their daily life is like,
NOTE Confidence: 0.9324265111111111

00:26:35.550 --> 00:26:37.902 what their interests are.
NOTE Confidence: 0.9324265111111111

00:26:37.902 --> 00:26:41.050 And these are pieces of information
NOTE Confidence: 0.9324265111111111

00:26:41.050 --> 00:26:45.390 that let you know that maybe they need
NOTE Confidence: 0.9324265111111111

00:26:45.390 --> 00:26:50.390 a more detailed violence assessment.
NOTE Confidence: 0.9324265111111111

00:26:50.390 --> 00:26:55.418 I'm not sure why my some of my slides
NOTE Confidence: 0.9324265111111111

00:26:55.418 --> 00:26:59.220 didn't play here, but the first.
NOTE Confidence: 0.9324265111111111

00:26:59.220 --> 00:27:02.876 Video that I had for you was a
NOTE Confidence: 0.9324265111111111

00:27:02.876 --> 00:27:06.860 news clipping from 1966 with the

NOTE Confidence: 0.9324265111111111
00:27:06.860 --> 00:27:11.790 Texas Tower terrorist and it's it's
NOTE Confidence: 0.9324265111111111
00:27:11.790 --> 00:27:13.980 essentially the one that we all
NOTE Confidence: 0.9324265111111111
00:27:13.980 --> 00:27:16.297 remember as the beginning of of of
NOTE Confidence: 0.9324265111111111
00:27:16.297 --> 00:27:18.780 this type of event in our lifetime.
NOTE Confidence: 0.9324265111111111
00:27:18.780 --> 00:27:21.786 And what happened was that this
NOTE Confidence: 0.9324265111111111
00:27:21.786 --> 00:27:25.259 Marine who was a student there
NOTE Confidence: 0.9324265111111111
00:27:25.260 --> 00:27:28.506 got dressed up as a janitor.
NOTE Confidence: 0.9324265111111111
00:27:28.510 --> 00:27:32.598 Brought a a bucket which included his
NOTE Confidence: 0.9324265111111111
00:27:32.598 --> 00:27:35.470 rifle into the building and took the
NOTE Confidence: 0.9324265111111111
00:27:35.470 --> 00:27:39.790 the elevator up and from the elevator
NOTE Confidence: 0.9324265111111111
00:27:39.790 --> 00:27:42.800 killed a large number of people and
NOTE Confidence: 0.9324265111111111
00:27:42.800 --> 00:27:44.868 wounded and also a large number of people.
NOTE Confidence: 0.9324265111111111
00:27:44.870 --> 00:27:47.030 I think it was fourteen people
NOTE Confidence: 0.9324265111111111
00:27:47.030 --> 00:27:50.350 killed and 38 wounded and the
NOTE Confidence: 0.944566428571428
00:27:52.390 --> 00:27:55.015 you know everybody thought he was bad.
NOTE Confidence: 0.944566428571428

00:27:55.020 --> 00:27:57.708 At his autopsy, it was discovered
NOTE Confidence: 0.944566428571428

00:27:57.708 --> 00:28:00.818 that he had a a tumor in the brain
NOTE Confidence: 0.944566428571428

00:28:00.820 --> 00:28:03.940 that was pressing on his amygdala.
NOTE Confidence: 0.944566428571428

00:28:03.940 --> 00:28:07.336 And so it's a reminder that
NOTE Confidence: 0.944566428571428

00:28:07.340 --> 00:28:11.780 it's not just the ordinary manic
NOTE Confidence: 0.944566428571428

00:28:11.780 --> 00:28:14.980 disorder or psychotic schizophrenic
NOTE Confidence: 0.944566428571428

00:28:14.980 --> 00:28:18.320 disorder that may push someone,
NOTE Confidence: 0.944566428571428

00:28:18.320 --> 00:28:22.436 it may also be a neurologic disorder and.
NOTE Confidence: 0.944566428571428

00:28:22.436 --> 00:28:26.735 You know that had he lived it
NOTE Confidence: 0.944566428571428

00:28:26.735 --> 00:28:29.165 it it wouldn't have been known.
NOTE Confidence: 0.944566428571428

00:28:29.170 --> 00:28:31.624 This was like way before everybody
NOTE Confidence: 0.944566428571428

00:28:31.624 --> 00:28:34.850 had a CAT scan or an MRI machine.
NOTE Confidence: 0.944566428571428

00:28:34.850 --> 00:28:39.082 So he he would have gotten sicker
NOTE Confidence: 0.944566428571428

00:28:39.082 --> 00:28:40.890 before they discovered it.
NOTE Confidence: 0.944566428571428

00:28:40.890 --> 00:28:42.787 And the other video that I was
NOTE Confidence: 0.944566428571428

00:28:42.787 --> 00:28:46.154 going to show you was the video of

NOTE Confidence: 0.944566428571428

00:28:46.154 --> 00:28:49.487 a an in cell in Santa Barbara, CA.

NOTE Confidence: 0.944566428571428

00:28:49.487 --> 00:28:52.826 And he filmed himself just as he

NOTE Confidence: 0.944566428571428

00:28:52.826 --> 00:28:55.960 was about to go on the attack.

NOTE Confidence: 0.944566428571428

00:28:55.960 --> 00:28:58.074 But before he went on the attack,

NOTE Confidence: 0.944566428571428

00:28:58.080 --> 00:29:00.636 his mother was very concerned about

NOTE Confidence: 0.944566428571428

00:29:00.636 --> 00:29:03.908 what she was seeing him post on Facebook

NOTE Confidence: 0.944566428571428

00:29:03.908 --> 00:29:06.224 and ordinary websites like that,

NOTE Confidence: 0.944566428571428

00:29:06.224 --> 00:29:07.706 you know, leakage.

NOTE Confidence: 0.944566428571428

00:29:07.706 --> 00:29:12.512 So she called the police and the police came.

NOTE Confidence: 0.944566428571428

00:29:12.512 --> 00:29:14.216 And reviewed everything.

NOTE Confidence: 0.944566428571428

00:29:14.220 --> 00:29:15.300 Talked to the boy,

NOTE Confidence: 0.944566428571428

00:29:15.300 --> 00:29:17.700 he said he wasn't going to do anything.

NOTE Confidence: 0.944566428571428

00:29:17.700 --> 00:29:18.690 And they left.

NOTE Confidence: 0.944566428571428

00:29:18.690 --> 00:29:21.000 And it was within a few weeks

NOTE Confidence: 0.944566428571428

00:29:21.080 --> 00:29:22.508 that this event happened.

NOTE Confidence: 0.944566428571428

00:29:22.508 --> 00:29:24.764 But what happened over those weeks
NOTE Confidence: 0.944566428571428

00:29:24.764 --> 00:29:27.300 was that the intensity of his
NOTE Confidence: 0.944566428571428

00:29:27.300 --> 00:29:29.460 posting change became more intense,
NOTE Confidence: 0.944566428571428

00:29:29.460 --> 00:29:30.788 more angry,
NOTE Confidence: 0.944566428571428

00:29:30.788 --> 00:29:34.088 And the mother got a look at it while
NOTE Confidence: 0.944566428571428

00:29:34.088 --> 00:29:36.420 he was on his way to do the shooting.
NOTE Confidence: 0.944566428571428

00:29:36.420 --> 00:29:38.994 And she again called the police
NOTE Confidence: 0.944566428571428

00:29:38.994 --> 00:29:41.519 and called the father and they.
NOTE Confidence: 0.944566428571428

00:29:41.520 --> 00:29:44.056 Rushed down and while they were on their
NOTE Confidence: 0.944566428571428

00:29:44.056 --> 00:29:46.636 way from Los Angeles to Santa Barbara,
NOTE Confidence: 0.944566428571428

00:29:46.640 --> 00:29:49.559 they heard on the radio shots fired
NOTE Confidence: 0.944566428571428

00:29:49.560 --> 00:29:55.900 and he killed mostly blonde women who
NOTE Confidence: 0.944566428571428

00:29:55.900 --> 00:29:58.900 he felt offended him represented those
NOTE Confidence: 0.944566428571428

00:29:58.900 --> 00:30:03.222 who offended him because they they
NOTE Confidence: 0.944566428571428

00:30:03.222 --> 00:30:06.519 were unwilling to date people like him.
NOTE Confidence: 0.944566428571428

00:30:06.520 --> 00:30:09.600 And I wish I had the the video

NOTE Confidence: 0.944566428571428
00:30:09.600 --> 00:30:10.720 to show you because.
NOTE Confidence: 0.944279068
00:30:11.560 --> 00:30:13.072 I'm. I'm sorry to interrupt, but I think
NOTE Confidence: 0.944279068
00:30:13.072 --> 00:30:14.520 I might be able to run it from here.
NOTE Confidence: 0.930190311666667
00:30:14.520 --> 00:30:15.558 If you'd like me to try,
NOTE Confidence: 0.927315051428572
00:30:15.880 --> 00:30:17.595 Sure. Give it a try so far.
NOTE Confidence: 0.935222018333333
00:30:17.720 --> 00:30:19.400 OK, let's see if this works.
NOTE Confidence: 0.9201269
00:30:21.520 --> 00:30:21.590 So
NOTE Confidence: 0.9603805
00:30:32.100 --> 00:30:33.064 here's the Texas tower.
NOTE Confidence: 0.9603805
00:30:33.064 --> 00:30:34.320 One you want me to?
NOTE Confidence: 0.9603805
00:30:34.320 --> 00:30:36.020 Yes, that would be great.
NOTE Confidence: 0.9603805
00:30:36.020 --> 00:30:37.812 OK, let's see if this works.
NOTE Confidence: 0.9603805
00:30:37.812 --> 00:30:39.300 At first I thought this was
NOTE Confidence: 0.9603805
00:30:39.357 --> 00:30:41.270 Charlottesville, but it was
NOTE Confidence: 0.9603805
00:30:41.270 --> 00:30:43.180 attention back to the 60s with
NOTE Confidence: 0.899371208333333
00:30:43.300 --> 00:30:46.936 protests against the NOR in Vietnam.
NOTE Confidence: 0.899371208333333

00:30:46.940 --> 00:30:47.816 It was a summer of the.
NOTE Confidence: 0.948487290909091

00:30:51.380 --> 00:30:53.702 Fire in some American cities as
NOTE Confidence: 0.948487290909091

00:30:53.702 --> 00:30:55.820 riots spread across the country
NOTE Confidence: 0.948487290909091

00:30:55.820 --> 00:30:58.178 and that summer, on August 1st,
NOTE Confidence: 0.948487290909091

00:30:58.180 --> 00:30:59.900 all Austin area residents are
NOTE Confidence: 0.948487290909091

00:30:59.900 --> 00:31:02.061 wanting to stay away from the
NOTE Confidence: 0.948487290909091

00:31:02.061 --> 00:31:03.936 University of Texas campus area.
NOTE Confidence: 0.948487290909091

00:31:03.940 --> 00:31:06.238 The local educational TV station on
NOTE Confidence: 0.948487290909091

00:31:06.238 --> 00:31:08.621 the campus rolled a camera outside
NOTE Confidence: 0.948487290909091

00:31:08.621 --> 00:31:11.351 the studio to capture what was likely
NOTE Confidence: 0.948487290909091

00:31:11.351 --> 00:31:13.931 the first ever live broadcast of
NOTE Confidence: 0.948487290909091

00:31:13.931 --> 00:31:16.051 a sniper committing mass murder.
NOTE Confidence: 0.948541105882353

00:31:18.160 --> 00:31:19.870 Charles Whitman was an architecture
NOTE Confidence: 0.948541105882353

00:31:19.870 --> 00:31:22.260 student in a former Marine who had
NOTE Confidence: 0.948541105882353

00:31:22.260 --> 00:31:23.800 disguised himself as a janitor,
NOTE Confidence: 0.948541105882353

00:31:23.800 --> 00:31:25.678 hit his weapons in a trunk,

NOTE Confidence: 0.948541105882353
00:31:25.680 --> 00:31:28.659 then rolled them on a Dolly to an elevator
NOTE Confidence: 0.948541105882353
00:31:28.659 --> 00:31:31.398 that took him to the top of the tower.
NOTE Confidence: 0.948541105882353
00:31:31.400 --> 00:31:33.848 There he began firing at people
NOTE Confidence: 0.948541105882353
00:31:33.848 --> 00:31:36.252 on campus and along the drag
NOTE Confidence: 0.948541105882353
00:31:36.252 --> 00:31:38.480 from 230 feet above the ground.
NOTE Confidence: 0.948541105882353
00:31:38.480 --> 00:31:41.300 14 people on and near the
NOTE Confidence: 0.948541105882353
00:31:41.300 --> 00:31:45.060 campus died and 32 were wounded.
NOTE Confidence: 0.948541105882353
00:31:45.060 --> 00:31:46.700 Journalist Forest priest was a
NOTE Confidence: 0.948541105882353
00:31:46.700 --> 00:31:48.340 college student at the time.
NOTE Confidence: 0.948541105882353
00:31:48.340 --> 00:31:50.370 A bullet barely missed him but struck
NOTE Confidence: 0.948541105882353
00:31:50.370 --> 00:31:52.699 and killed the person standing near him.
NOTE Confidence: 0.948541105882353
00:31:52.700 --> 00:31:54.765 I think I've got some survivors built
NOTE Confidence: 0.948541105882353
00:31:54.765 --> 00:31:56.865 about the fact that a gentleman stand
NOTE Confidence: 0.948541105882353
00:31:56.865 --> 00:31:59.380 at 4 feet to my right was 38 years old,
NOTE Confidence: 0.948541105882353
00:31:59.380 --> 00:32:01.380 has six children and a wife to support,
NOTE Confidence: 0.948541105882353

00:32:01.380 --> 00:32:03.900 and he got killed instead of made.
NOTE Confidence: 0.948541105882353

00:32:03.900 --> 00:32:06.378 The sniper was obviously going left to
NOTE Confidence: 0.948541105882353

00:32:06.378 --> 00:32:09.204 right N on the drag picking out targets.
NOTE Confidence: 0.948541105882353

00:32:09.204 --> 00:32:12.254 So he was the first one in line
NOTE Confidence: 0.948541105882353

00:32:12.254 --> 00:32:13.430 to be targeted,
NOTE Confidence: 0.948541105882353

00:32:13.430 --> 00:32:14.950 even as the shooting continued.
NOTE Confidence: 0.948541105882353

00:32:14.950 --> 00:32:17.106 Some rush to the aid of others,
NOTE Confidence: 0.948541105882353

00:32:17.110 --> 00:32:19.230 risking their own lives.
NOTE Confidence: 0.948541105882353

00:32:19.230 --> 00:32:22.030 I ran out and pulled a young
NOTE Confidence: 0.948541105882353

00:32:22.030 --> 00:32:23.150 lady off the mall,
NOTE Confidence: 0.942266386

00:32:25.910 --> 00:32:27.510 a pregnant lady I grabbed.
NOTE Confidence: 0.942266386

00:32:27.510 --> 00:32:30.736 I grabbed the lady by the ankles and my
NOTE Confidence: 0.942266386

00:32:30.736 --> 00:32:32.864 my buddy that I was with James Love,
NOTE Confidence: 0.942266386

00:32:32.870 --> 00:32:34.280 I grabbed her by the.
NOTE Confidence: 0.942266386

00:32:34.280 --> 00:32:36.476 The rest and we can draw.
NOTE Confidence: 0.942266386

00:32:36.480 --> 00:32:38.748 It's been said by some that Austin

NOTE Confidence: 0.942266386

00:32:38.748 --> 00:32:41.350 and in some ways America lost its

NOTE Confidence: 0.942266386

00:32:41.350 --> 00:32:43.678 innocence of that hot August day.

NOTE Confidence: 0.942266386

00:32:43.680 --> 00:32:44.760 And for those who were there,

NOTE Confidence: 0.942266386

00:32:44.760 --> 00:32:49.395 no doubt a summer day never to be forgotten,

NOTE Confidence: 0.942266386

00:32:49.400 --> 00:32:51.120 Bob Buckaloo gave you knew.

NOTE Confidence: 0.94226628

00:32:53.040 --> 00:32:55.198 So that's the Texas tower one, and I

NOTE Confidence: 0.950317

00:32:57.720 --> 00:32:59.720 think the other video was under leakage.

NOTE Confidence: 0.9251585

00:33:01.960 --> 00:33:02.480 Give me a SEC.

NOTE Confidence: 0.9805073

00:33:12.550 --> 00:33:18.308 Tomorrow is the day Day of Retribution.

NOTE Confidence: 0.9805073

00:33:18.310 --> 00:33:21.440 The day in which I will have my revenge

NOTE Confidence: 0.9805073

00:33:21.440 --> 00:33:24.230 against humanity, against all of you.

NOTE Confidence: 0.899617035

00:33:24.710 --> 00:33:27.470 This chilling video shows Elliott Rodger,

NOTE Confidence: 0.899617035

00:33:27.470 --> 00:33:30.750 the 22 year old Santa Barbara College student

NOTE Confidence: 0.899617035

00:33:30.750 --> 00:33:33.700 the police say killed 6 and injured 13.

NOTE Confidence: 0.899617035

00:33:33.700 --> 00:33:35.968 In Friday's mass shooting and stabbing

NOTE Confidence: 0.899617035

00:33:35.968 --> 00:33:38.899 spree this Day of Retribution of Plan,
NOTE Confidence: 0.899617035

00:33:38.900 --> 00:33:42.337 Roger outlined in a 137 page manifesto
NOTE Confidence: 0.899617035

00:33:42.337 --> 00:33:45.316 obtained by seeing an affiliate KEYT.
NOTE Confidence: 0.899617035

00:33:45.316 --> 00:33:48.324 Roger wrote all of those beautiful girls I've
NOTE Confidence: 0.899617035

00:33:48.324 --> 00:33:51.067 desired so much of my life but can never
NOTE Confidence: 0.899617035

00:33:51.067 --> 00:33:53.558 have because they despised and loathed me.
NOTE Confidence: 0.899617035

00:33:53.560 --> 00:33:56.200 I will destroy a family friend,
NOTE Confidence: 0.899617035

00:33:56.200 --> 00:33:57.220 Simon Astaire says.
NOTE Confidence: 0.899617035

00:33:57.220 --> 00:33:59.745 Roger sent his diatribe, called My
NOTE Confidence: 0.899617035

00:33:59.745 --> 00:34:01.880 Twisted World to a couple dozen people,
NOTE Confidence: 0.899617035

00:34:01.880 --> 00:34:03.800 including his mother and father,
NOTE Confidence: 0.899617035

00:34:03.800 --> 00:34:06.518 not long before terrorizing the UC
NOTE Confidence: 0.899617035

00:34:06.518 --> 00:34:08.352 Santa Barbara campus. He wrote.
NOTE Confidence: 0.899617035

00:34:08.352 --> 00:34:10.680 I will kill them all and make them suffer,
NOTE Confidence: 0.899617035

00:34:10.680 --> 00:34:12.318 just as they have made me suffer.
NOTE Confidence: 0.899617035

00:34:12.320 --> 00:34:13.944 It is only fair.

NOTE Confidence: 0.899617035

00:34:13.944 --> 00:34:15.169 Roger's mother, Litchin,

NOTE Confidence: 0.899617035

00:34:15.169 --> 00:34:16.805 discovered the terrifying threat

NOTE Confidence: 0.899617035

00:34:16.805 --> 00:34:19.760 in her e-mail at 9:17 that evening.

NOTE Confidence: 0.899617035

00:34:19.760 --> 00:34:23.260 She then discovered her son's last YouTube

NOTE Confidence: 0.899617035

00:34:23.260 --> 00:34:25.480 video titled Retribution Slaughter.

NOTE Confidence: 0.950317

00:34:26.400 --> 00:34:29.360 Every single spoiled stuck

NOTE Confidence: 0.950317

00:34:29.360 --> 00:34:32.080 up blind I see inside there.

NOTE Confidence: 0.89340095

00:34:32.880 --> 00:34:35.800 Lichen then called Rogers father and 911,

NOTE Confidence: 0.89340095

00:34:35.800 --> 00:34:37.720 the parents frantically racing

NOTE Confidence: 0.89340095

00:34:37.720 --> 00:34:40.120 to Santa Barbara from LA,

NOTE Confidence: 0.89340095

00:34:40.120 --> 00:34:43.256 both parents en route, when they heard

NOTE Confidence: 0.89340095

00:34:43.256 --> 00:34:45.600 the news that they were too late.

NOTE Confidence: 0.940253705

00:34:49.650 --> 00:34:52.794 One occupant, a male wearing a white shirt,

NOTE Confidence: 0.940253705

00:34:52.794 --> 00:34:55.254 On Sunday, the ATF and County Sheriff's

NOTE Confidence: 0.940253705

00:34:55.254 --> 00:34:57.009 Office watched the mother's home.

NOTE Confidence: 0.940253705

00:34:57.010 --> 00:34:59.095 Astaire says Roger's parents now
NOTE Confidence: 0.940253705

00:34:59.095 --> 00:35:01.770 feel a pivotal moment was missed.
NOTE Confidence: 0.940253705

00:35:01.770 --> 00:35:04.154 Last month, 6 police officers conducted
NOTE Confidence: 0.940253705

00:35:04.154 --> 00:35:06.827 a wellbeing check on Roger in April
NOTE Confidence: 0.940253705

00:35:06.827 --> 00:35:08.852 after his mother discovered other
NOTE Confidence: 0.940253705

00:35:08.852 --> 00:35:11.010 videos he posted online documenting
NOTE Confidence: 0.940253705

00:35:11.010 --> 00:35:13.365 his quote loneliness and misery.
NOTE Confidence: 0.940253705

00:35:13.370 --> 00:35:15.524 But the officers say they found
NOTE Confidence: 0.940253705

00:35:15.524 --> 00:35:17.380 nothing alarming during their check.
NOTE Confidence: 0.940253705

00:35:17.380 --> 00:35:18.418 In his manifesto,
NOTE Confidence: 0.940253705

00:35:18.420 --> 00:35:20.910 Roger expresses his devastating fear
NOTE Confidence: 0.940253705

00:35:20.910 --> 00:35:23.260 that police discovered his plan.
NOTE Confidence: 0.940253705

00:35:23.260 --> 00:35:24.779 I would have been thrown in jail,
NOTE Confidence: 0.940253705

00:35:24.780 --> 00:35:26.676 denied of the chance to exact
NOTE Confidence: 0.940253705

00:35:26.676 --> 00:35:27.940 revenge on my enemies.
NOTE Confidence: 0.940253705

00:35:27.940 --> 00:35:30.380 I can't imagine a hell darker than that,

NOTE Confidence: 0.940253705

00:35:30.380 --> 00:35:32.851 he wrote a Stair says Roger have

NOTE Confidence: 0.940253705

00:35:32.851 --> 00:35:34.489 been visiting therapists on and

NOTE Confidence: 0.940253705

00:35:34.489 --> 00:35:36.267 off since he was eight and in

NOTE Confidence: 0.940253705

00:35:36.267 --> 00:35:38.139 high school practically daily.

NOTE Confidence: 0.940253705

00:35:38.140 --> 00:35:39.620 Right before his killing spree,

NOTE Confidence: 0.940253705

00:35:39.620 --> 00:35:41.990 Roger was seeing 2 therapists.

NOTE Confidence: 0.940253705

00:35:41.990 --> 00:35:43.790 The stair describing him as

NOTE Confidence: 0.940253705

00:35:43.790 --> 00:35:45.590 reserved to a daunting degree.

NOTE Confidence: 0.940253705

00:35:45.590 --> 00:35:47.466 But the stair also says the 22

NOTE Confidence: 0.940253705

00:35:47.466 --> 00:35:49.565 year old didn't appear to have

NOTE Confidence: 0.940253705

00:35:49.565 --> 00:35:51.201 violent tendencies and never

NOTE Confidence: 0.940253705

00:35:51.201 --> 00:35:52.428 expressed any fascination.

NOTE Confidence: 0.940253705

00:35:52.430 --> 00:35:53.190 And guns,

NOTE Confidence: 0.9402536

00:35:58.590 --> 00:35:59.590 thank you very much for

NOTE Confidence: 0.9402536

00:35:59.590 --> 00:36:01.030 doing that. Smart. The

NOTE Confidence: 0.93913544444445

00:36:07.110 --> 00:36:11.736 what struck me about that young man is that.

NOTE Confidence: 0.939135444444445

00:36:11.740 --> 00:36:17.284 He he obviously fell into an in cell sort

NOTE Confidence: 0.939135444444445

00:36:17.284 --> 00:36:22.220 of mindset because he was being rejected,

NOTE Confidence: 0.939135444444445

00:36:22.220 --> 00:36:24.195 but he wasn't being rejected

NOTE Confidence: 0.939135444444445

00:36:24.195 --> 00:36:25.775 for his looks probably.

NOTE Confidence: 0.939135444444445

00:36:25.780 --> 00:36:28.380 He was probably being rejected

NOTE Confidence: 0.939135444444445

00:36:28.380 --> 00:36:30.460 for his odd behaviors.

NOTE Confidence: 0.939135444444445

00:36:30.460 --> 00:36:34.019 So you can see that people with mental

NOTE Confidence: 0.939135444444445

00:36:34.019 --> 00:36:36.653 illness might fall into this category

NOTE Confidence: 0.939135444444445

00:36:36.653 --> 00:36:39.167 even though they're not the type

NOTE Confidence: 0.939135444444445

00:36:39.167 --> 00:36:41.536 that would be technically you know.

NOTE Confidence: 0.939135444444445

00:36:41.536 --> 00:36:44.602 Having an appearance that would reject women.

NOTE Confidence: 0.939135444444445

00:36:44.610 --> 00:36:48.887 The other is that, as I mentioned,

NOTE Confidence: 0.939135444444445

00:36:48.890 --> 00:36:51.175 people who have trouble forming

NOTE Confidence: 0.939135444444445

00:36:51.175 --> 00:36:53.951 bonds with other people are more

NOTE Confidence: 0.939135444444445

00:36:53.951 --> 00:36:56.405 likely to fall into this morass.

NOTE Confidence: 0.939135444444445

00:36:56.410 --> 00:37:00.272 And people on the autism spectrum tend to

NOTE Confidence: 0.939135444444445

00:37:00.272 --> 00:37:03.009 have that as one of their characteristics.

NOTE Confidence: 0.939135444444445

00:37:03.010 --> 00:37:06.730 So, you know, maybe he was getting therapy,

NOTE Confidence: 0.939135444444445

00:37:06.730 --> 00:37:09.286 but it wasn't the right kind

NOTE Confidence: 0.939135444444445

00:37:09.286 --> 00:37:11.450 of therapy to help him.

NOTE Confidence: 0.939135444444445

00:37:11.450 --> 00:37:12.392 And with that,

NOTE Confidence: 0.939135444444445

00:37:12.392 --> 00:37:14.276 I'll I'll stop and thank you

NOTE Confidence: 0.939135444444445

00:37:14.276 --> 00:37:16.513 for your attention and see if

NOTE Confidence: 0.939135444444445

00:37:16.513 --> 00:37:17.997 there are any questions.
