Scholarly Project Report

Revised 02-13-2020

Instructions: Submit a 1.5 to 2 page report to psychsec@yale.edu in Microsoft Word (not a pdf) using Calibri 11 point font and single spacing. Use this form, keeping the header above, but deleting these instructions. Create a title in a format similar to a journal article. Note the planned dissemination of deliverables (e.g., presentations, publications, workshops). It is optional to use additional documents when presenting your projects to other fellows. An electronic copy of this document should be submitted to the Student Coordinator (psychsec@yale.edu) by June 1st.
