00:00:05.190 --> 00:00:06.470 Hello, I'm Grant Thompson,

NOTE Confidence: 0.878675692941177

00:00:06.470 --> 00:00:09.205 the director of the combined hand and Upper

NOTE Confidence: 0.878675692941177

00:00:09.205 --> 00:00:11.110 Extremity Fellowship at Yale University.

NOTE Confidence: 0.878675692941177

00:00:11.110 --> 00:00:12.854 In this short video, I hope to give

NOTE Confidence: 0.878675692941177

00:00:12.854 --> 00:00:15.078 you a sense of the history and future

NOTE Confidence: 0.878675692941177

00:00:15.078 --> 00:00:17.729 of hand education at our institution.

NOTE Confidence: 0.878675692941177

00:00:17.730 --> 00:00:18.915 I'm standing in front of

NOTE Confidence: 0.878675692941177

00:00:18.915 --> 00:00:19.863 Sterling Hall of Medicine,

NOTE Confidence: 0.878675692941177

00:00:19.870 --> 00:00:22.336 the main campus of medical school.

NOTE Confidence: 0.878675692941177

00:00:22.340 --> 00:00:24.764 The school was founded in 1810 and opened

NOTE Confidence: 0.878675692941177

00:00:24.764 --> 00:00:27.546 in a building about a mile from here.

NOTE Confidence: 0.878675692941177

00:00:27.550 --> 00:00:29.350 They moved to this building in

NOTE Confidence: 0.878675692941177

00:00:29.350 --> 00:00:31.114 1925 to be close to the hospital.

NOTE Confidence: 0.85954462

00:00:31.810 --> 00:00:32.260 State hospital,
NOTE Confidence: 0.85954462

00:00:32.260 --> 00:00:33.835 as it was known at the time,
NOTE Confidence: 0.85954462

00:00:33.840 --> 00:00:35.886 was built on this site almost
NOTE Confidence: 0.85954462

00:00:35.886 --> 00:00:37.672 100 years earlier in 1833,
NOTE Confidence: 0.85954462

00:00:37.672 --> 00:00:40.204 on 7 1/2 acres of land.
NOTE Confidence: 0.85954462

00:00:40.210 --> 00:00:43.607 The original 13 bed hospital cost \$13,000,
NOTE Confidence: 0.85954462

00:00:43.607 --> 00:00:46.968 roughly equivalent to \$380,000 today,
NOTE Confidence: 0.85954462

00:00:46.968 --> 00:00:48.990 accounting for inflation. During
NOTE Confidence: 0.870735503333333

00:00:49.000 --> 00:00:50.485 the Civil War, the US
NOTE Confidence: 0.870735503333333

00:00:50.485 --> 00:00:51.673 government leased the hospital
NOTE Confidence: 0.886200395

00:00:51.690 --> 00:00:53.038 for \$1000 a year,
NOTE Confidence: 0.886200395

00:00:53.038 --> 00:00:55.060 and it was temporarily renamed the
NOTE Confidence: 0.886200395

00:00:55.126 --> 00:00:57.166 Knight United States Army Hospital
NOTE Confidence: 0.886200395

00:00:57.166 --> 00:00:59.206 in honor of Jonathan Knight,
NOTE Confidence: 0.886200395

00:00:59.210 --> 00:01:00.554 one of the original founders.
NOTE Confidence: 0.886200395

00:01:00.554 --> 00:01:01.826 Tents were erected.

NOTE Confidence: 0.886200395
00:01:01.826 --> 00:01:03.946 On the grounds to accommodate
NOTE Confidence: 0.886200395
00:01:03.946 --> 00:01:05.440 more than 1500 beds.
NOTE Confidence: 0.886200395
00:01:05.440 --> 00:01:06.340 Regular hospital activities
NOTE Confidence: 0.886200395
00:01:06.340 --> 00:01:07.540 were moved to rented
NOTE Confidence: 0.847525786
00:01:07.550 --> 00:01:10.068 quarters about a mile away. Yale New Haven
NOTE Confidence: 0.89697926875
00:01:10.080 --> 00:01:11.712 has been on alert as a
NOTE Confidence: 0.89697926875
00:01:11.712 --> 00:01:12.640 designated military hospital
NOTE Confidence: 0.89697926875
00:01:12.640 --> 00:01:14.288 in every subsequent war.
NOTE Confidence: 0.89697926875
00:01:14.288 --> 00:01:16.508 In 1870, the east and
NOTE Confidence: 0.893538163076923
00:01:16.520 --> 00:01:17.972 West wings were added on either
NOTE Confidence: 0.893538163076923
00:01:17.972 --> 00:01:19.749 side of the main building to add
NOTE Confidence: 0.843663395
00:01:20.620 --> 00:01:22.685 126 more beds for patients and a
NOTE Confidence: 0.843663395
00:01:22.685 --> 00:01:24.483 dormitory for the new Connecticut
NOTE Confidence: 0.843663395
00:01:24.483 --> 00:01:26.175 Training School for nurses.
NOTE Confidence: 0.843663395
00:01:26.180 --> 00:01:28.376 In 1884, the hospital's name was
NOTE Confidence: 0.843663395

00:01:28.376 --> 00:01:30.540 changed to New Haven Hospital,
NOTE Confidence: 0.843663395

00:01:30.540 --> 00:01:33.752 seen here in a photo from 1911 Yale School
NOTE Confidence: 0.843663395

00:01:33.752 --> 00:01:35.438 of Medicine and New Haven Hospital.
NOTE Confidence: 0.843663395

00:01:35.440 --> 00:01:37.880 Formalize their relationship in 1913.
NOTE Confidence: 0.793981312857143

00:01:38.970 --> 00:01:41.010 We can still see the original building. Let's
NOTE Confidence: 0.922465275

00:01:41.020 --> 00:01:41.900 go take a look.
NOTE Confidence: 0.834525250909091

00:01:43.190 --> 00:01:44.210 Walk along this hallway every
NOTE Confidence: 0.834525250909091

00:01:44.210 --> 00:01:45.760 day on my way to work, along
NOTE Confidence: 0.95717583

00:01:45.770 --> 00:01:47.680 with hundreds of other people.
NOTE Confidence: 0.95717583

00:01:47.680 --> 00:01:49.584 The inscription above the
NOTE Confidence: 0.95717583

00:01:49.584 --> 00:01:51.608 pillar says 1826 on the left,
NOTE Confidence: 0.788348932

00:01:51.740 --> 00:01:53.890 then New Haven Hospital and
NOTE Confidence: 0.84788096

00:01:54.360 --> 00:01:55.668 1930 on the right.
NOTE Confidence: 0.84788096

00:01:55.668 --> 00:01:56.976 So obviously this facade,
NOTE Confidence: 0.84788096

00:01:56.980 --> 00:01:58.140 or maybe the whole building,
NOTE Confidence: 0.84788096

00:01:58.140 --> 00:01:59.970 has been modified about 100 years

NOTE Confidence: 0.915646958

00:01:59.980 --> 00:02:01.660 after it was first built.

NOTE Confidence: 0.915646958

00:02:01.660 --> 00:02:03.040 Unfortunately, there have been

NOTE Confidence: 0.91142681

00:02:03.050 --> 00:02:04.245 many more additions to the

NOTE Confidence: 0.91142681

00:02:04.245 --> 00:02:05.440 old structure over the years,

NOTE Confidence: 0.91142681

00:02:05.440 --> 00:02:07.176 and they have basically enclosed it so

NOTE Confidence: 0.91142681

00:02:07.176 --> 00:02:08.827 it's not visible from the street any

NOTE Confidence: 0.87982258

00:02:08.840 --> 00:02:10.688 longer. In this flyover you can

NOTE Confidence: 0.87982258

00:02:10.688 --> 00:02:11.920 see the relationship between

NOTE Confidence: 0.847903658333333

00:02:11.930 --> 00:02:13.670 the new hospital and the left.

NOTE Confidence: 0.847903658333333

00:02:13.670 --> 00:02:15.560 The old hospital here and the

NOTE Confidence: 0.847903658333333

00:02:15.560 --> 00:02:16.820 medical school behind it.

NOTE Confidence: 0.860348644285714

00:02:18.500 --> 00:02:20.187 The hospital moved across the street in

NOTE Confidence: 0.867879881176471

00:02:20.980 --> 00:02:23.356 1953, but the buildings associated with

NOTE Confidence: 0.867879881176471

00:02:23.356 --> 00:02:26.053 the original hospital were still used for

NOTE Confidence: 0.867879881176471

00:02:26.053 --> 00:02:28.130 lab testing and outpatient facilities.

NOTE Confidence: 0.867879881176471

00:02:28.130 --> 00:02:31.114 Today, they're mostly academic offices
NOTE Confidence: 0.867879881176471

00:02:31.114 --> 00:02:33.070 and research laboratories. York
NOTE Confidence: 0.870321934444445

00:02:33.080 --> 00:02:35.327 Street campus of Yale, New Haven Hospital
NOTE Confidence: 0.870321934444445

00:02:35.327 --> 00:02:37.716 is just a short walk from our academic
NOTE Confidence: 0.870321934444445

00:02:37.716 --> 00:02:40.104 offices and from the medical school.
NOTE Confidence: 0.776802198666667

00:02:41.620 --> 00:02:43.800 The inpatient buildings of Yale
NOTE Confidence: 0.776802198666667

00:02:43.800 --> 00:02:45.980 New Haven Hospital include four
NOTE Confidence: 0.776802198666667

00:02:46.054 --> 00:02:48.409 pavilions around a central atrium.
NOTE Confidence: 0.776802198666667

00:02:48.410 --> 00:02:50.120 The building here is the East
NOTE Confidence: 0.776802198666667

00:02:50.120 --> 00:02:53.070 pavilion, opened in 1953.
NOTE Confidence: 0.776802198666667

00:02:53.070 --> 00:02:56.280 The South pavilion in 1982.
NOTE Confidence: 0.776802198666667

00:02:56.280 --> 00:02:59.290 The Children's Hospital in 1993.
NOTE Confidence: 0.726910808

00:03:02.220 --> 00:03:04.840 And Smilo Cancer Center in 2009.
NOTE Confidence: 0.826002521

00:03:05.490 --> 00:03:07.250 Together, these four pavilions
NOTE Confidence: 0.826002521

00:03:07.250 --> 00:03:09.890 make up the York Street campus,
NOTE Confidence: 0.826002521

00:03:09.890 --> 00:03:15.060 which has a total of 15141 inpatient beds.

NOTE Confidence: 0.826002521

00:03:15.060 --> 00:03:17.328 Short shuttle bus ride away from York

NOTE Confidence: 0.826002521

00:03:17.328 --> 00:03:19.680 Street campus is Saint Rayfield campus,

NOTE Confidence: 0.826002521

00:03:19.680 --> 00:03:21.870 which has 300 inpatient beds,

NOTE Confidence: 0.826002521

00:03:21.870 --> 00:03:24.320 but important to us it is the

NOTE Confidence: 0.84690314

00:03:24.330 --> 00:03:25.650 location of the Mcgibney

NOTE Confidence: 0.931963066666667

00:03:25.660 --> 00:03:26.908 Advanced Surgery Center,

NOTE Confidence: 0.931963066666667

00:03:26.980 --> 00:03:28.350 designed specifically

NOTE Confidence: 0.84528446

00:03:28.360 --> 00:03:31.208 for ambulatory musculoskeletal care.

NOTE Confidence: 0.700121049

00:03:32.580 --> 00:03:34.705 September 2018. It features six

NOTE Confidence: 0.700121049

00:03:34.705 --> 00:03:36.830 large operating rooms and prioritizes

NOTE Confidence: 0.700121049

00:03:36.830 --> 00:03:38.366 patient comfort and efficiency

NOTE Confidence: 0.700121049

00:03:38.366 --> 00:03:40.680 in all aspects of patient care.

NOTE Confidence: 0.7921238576

00:03:42.940 --> 00:03:44.600 Yellow Haven Health system is

NOTE Confidence: 0.7921238576

00:03:44.600 --> 00:03:46.260 now the largest in Connecticut.

NOTE Confidence: 0.7921238576

00:03:46.260 --> 00:03:48.138 And it's not just Yale New

NOTE Confidence: 0.7921238576

00:03:48.138 --> 00:03:49.077 Haven Hospital anymore.
NOTE Confidence: 0.7921238576

00:03:49.080 --> 00:03:50.812 The system includes hospitals,
NOTE Confidence: 0.7921238576

00:03:50.812 --> 00:03:52.544 physicians and related health
NOTE Confidence: 0.7921238576

00:03:52.544 --> 00:03:54.054 services throughout Connecticut as
NOTE Confidence: 0.7921238576

00:03:54.054 --> 00:03:56.112 well as New York and Rhode Island.
NOTE Confidence: 0.7921238576

00:03:56.120 --> 00:03:58.143 Fun fact, did you know that the
NOTE Confidence: 0.7921238576

00:03:58.143 --> 00:03:59.778 first X-ray produced in the US
NOTE Confidence: 0.7921238576

00:03:59.778 --> 00:04:01.188 was a human even hospital in
NOTE Confidence: 0.872646903636364

00:04:01.800 --> 00:04:04.649 1896? Second fun fact, did you know
NOTE Confidence: 0.872646903636364

00:04:04.649 --> 00:04:06.520 that chemotherapy was invented
NOTE Confidence: 0.8715852933333333

00:04:06.530 --> 00:04:09.064 by a surgeon and it was first used to
NOTE Confidence: 0.8715852933333333

00:04:09.064 --> 00:04:11.070 treat cancer and neonate and hospital in
NOTE Confidence: 0.6753247633333333

00:04:11.940 --> 00:04:14.196 1942? The history of cancer surgery
NOTE Confidence: 0.79322111

00:04:14.210 --> 00:04:16.860 at Yale dates to 1971, just prior
NOTE Confidence: 0.79322111

00:04:16.860 --> 00:04:18.710 to the first plastic surgery
NOTE Confidence: 0.79322111

00:04:18.710 --> 00:04:20.260 resident Stephen Arian, who became

NOTE Confidence: 0.91053315625

00:04:20.270 --> 00:04:22.502 one of only four chiefs of

NOTE Confidence: 0.91053315625

00:04:22.502 --> 00:04:23.620 plastic surgery. The Hand

NOTE Confidence: 0.852714763846154

00:04:23.630 --> 00:04:25.694 Fellowship was established in 1997 and

NOTE Confidence: 0.852714763846154

00:04:25.694 --> 00:04:28.260 was expanded to two fellows starting in

NOTE Confidence: 0.85817267

00:04:28.890 --> 00:04:30.590 2021. Fellowship training is

NOTE Confidence: 0.85817267

00:04:30.590 --> 00:04:32.290 integrated between the division

NOTE Confidence: 0.8826860425

00:04:32.300 --> 00:04:34.358 of Plastic Surgery and the Department

00:04:35.586 --> 00:04:37.194 split their time between the two

NOTE Confidence: 0.881912677142857

00:04:37.210 --> 00:04:39.254 disciplines. A rigorous clinical

NOTE Confidence: 0.881912677142857

00:06:46.482 --> 00:06:47.856 extensive clinical experience,
NOTE Confidence: 0.78449672375

00:06:48.010 --> 00:06:49.678 a comprehensive didactic program,
NOTE Confidence: 0.78449672375

00:06:49.678 --> 00:06:51.980 and a research program. Which includes
NOTE Confidence: 0.84546584

00:06:51.990 --> 00:06:53.690 a presentation at a regional,
NOTE Confidence: 0.84546584

00:06:53.690 --> 00:06:55.042 national or international level.
NOTE Confidence: 0.84546584

00:06:55.042 --> 00:06:57.699 The call schedule is one in three from
NOTE Confidence: 0.857528148571428

00:06:57.710 --> 00:06:59.894 home, but all call activity is
NOTE Confidence: 0.857528148571428

00:06:59.894 --> 00:07:02.770 supervised by faculty as the ACGME
NOTE Confidence: 0.857528148571428

00:07:02.770 --> 00:07:05.870 prohibits independent responsibility.
NOTE Confidence: 0.857528148571428

00:07:05.870 --> 00:07:07.062 The weekly schedule includes

NOTE Confidence: 0.857528148571428
00:07:07.062 --> 00:07:08.254 operating room time and
NOTE Confidence: 0.788534690833333
00:07:08.270 --> 00:07:10.442 clinic time, but the breakdown favors
NOTE Confidence: 0.788534690833333
00:07:10.442 --> 00:07:12.610 the operating room over the clinic.
NOTE Confidence: 0.788534690833333
00:07:12.610 --> 00:07:14.738 Dedicated advanced practice providers
NOTE Confidence: 0.788534690833333
00:07:14.738 --> 00:07:16.334 provide additional support.
NOTE Confidence: 0.832959446666667
00:07:17.270 --> 00:07:19.148 A little bit about our philosophy.
NOTE Confidence: 0.832959446666667
00:07:19.150 --> 00:07:20.458 We know that our hand fellows
NOTE Confidence: 0.832959446666667
00:07:20.458 --> 00:07:21.880 come in with a diversity.
NOTE Confidence: 0.832959446666667
00:07:21.880 --> 00:07:23.650 Experience and the diversity of what
NOTE Confidence: 0.832959446666667
00:07:23.650 --> 00:07:25.900 they look for in a hand fellowship.
NOTE Confidence: 0.832959446666667
00:07:25.900 --> 00:07:27.304 Every fellow has a different idea
NOTE Confidence: 0.832959446666667
00:07:27.304 --> 00:07:28.958 about the surgeon that they want to
NOTE Confidence: 0.832959446666667
00:07:28.958 --> 00:07:30.296 be when they finish their training.
NOTE Confidence: 0.832959446666667
00:07:30.300 --> 00:07:31.644 From the orthopedic side,
NOTE Confidence: 0.832959446666667
00:07:31.644 --> 00:07:33.660 we try to maintain those goals
NOTE Confidence: 0.832959446666667

00:07:33.720 --> 00:07:35.280 and everything that we do.
NOTE Confidence: 0.832959446666667

00:07:35.280 --> 00:07:37.296 We provide a flexible training environment
NOTE Confidence: 0.832959446666667

00:07:37.296 --> 00:07:39.578 where fellows can have exposure to hand,
NOTE Confidence: 0.832959446666667

00:07:39.580 --> 00:07:41.596 shoulder, and elbow if they wish,
NOTE Confidence: 0.832959446666667

00:07:41.600 --> 00:07:43.034 or for those fellows who have
NOTE Confidence: 0.832959446666667

00:07:43.034 --> 00:07:44.276 less interest in children, elbow.
NOTE Confidence: 0.832959446666667

00:07:44.276 --> 00:07:45.992 We try to tailor our experience
NOTE Confidence: 0.832959446666667

00:07:45.992 --> 00:07:47.240 to meet those goals.
NOTE Confidence: 0.832959446666667

00:07:47.240 --> 00:07:49.382 We make sure that we treat all of our
NOTE Confidence: 0.832959446666667

00:07:49.382 --> 00:07:51.258 fellows with kid legality and respect,
NOTE Confidence: 0.832959446666667

00:07:51.260 --> 00:07:52.555 and we believe that we put out.
NOTE Confidence: 0.832959446666667

00:07:52.560 --> 00:07:54.569 An extraordinary group of fellows who go
NOTE Confidence: 0.832959446666667

00:07:54.569 --> 00:07:56.518 into the world with professionalism and
NOTE Confidence: 0.832959446666667

00:07:56.518 --> 00:07:58.683 skill to contribute to their communities.
NOTE Confidence: 0.832959446666667

00:07:58.683 --> 00:07:59.116 Finally,
NOTE Confidence: 0.832959446666667

00:07:59.116 --> 00:08:00.936 just a little bit about the details of what

NOTE Confidence: 0.832959446666667
00:08:00.936 --> 00:08:02.398 it's like to be in the orthopedic side.
NOTE Confidence: 0.832959446666667
00:08:02.398 --> 00:08:03.538 When you're rotating with us
NOTE Confidence: 0.832959446666667
00:08:03.538 --> 00:08:04.450 as a hand fellow,
NOTE Confidence: 0.832959446666667
00:08:04.450 --> 00:08:05.766 you spend on average about two days
NOTE Confidence: 0.832959446666667
00:08:05.766 --> 00:08:07.392 a week in clinic and the rest of
NOTE Confidence: 0.832959446666667
00:08:07.392 --> 00:08:08.790 your time in the operating room.
NOTE Confidence: 0.726692976
00:08:09.330 --> 00:08:10.620 Of course, when they're interesting
NOTE Confidence: 0.905622702
00:08:10.630 --> 00:08:11.810 or unique cases going on,
NOTE Confidence: 0.905622702
00:08:11.810 --> 00:08:12.950 we encourage fellows to go
NOTE Confidence: 0.905622702
00:08:12.950 --> 00:08:14.392 to those cases and get the
NOTE Confidence: 0.905622702
00:08:14.392 --> 00:08:15.904 experiences that they want to get.
NOTE Confidence: 0.905622702
00:08:15.910 --> 00:08:17.615 You tend to split call and rounding
NOTE Confidence: 0.905622702
00:08:17.615 --> 00:08:19.728 with the residents on the hand service,
NOTE Confidence: 0.905622702
00:08:19.730 --> 00:08:21.620 and we found that working with the
NOTE Confidence: 0.905622702
00:08:21.620 --> 00:08:23.130 residents provides actually a huge benefit.
NOTE Confidence: 0.905622702

00:08:23.130 --> 00:08:24.285 Both for the fellows and
NOTE Confidence: 0.905622702

00:08:24.285 --> 00:08:25.209 for our resident trainees,
NOTE Confidence: 0.857429994166667

00:08:25.630 --> 00:08:27.140 the fellows have an opportunity
NOTE Confidence: 0.857429994166667

00:08:27.140 --> 00:08:28.650 to participate in a volunteer
NOTE Confidence: 0.857429994166667

00:08:28.707 --> 00:08:29.699 surgical expedition.
NOTE Confidence: 0.857429994166667

00:08:29.700 --> 00:08:31.208 With the organization handheld.
NOTE Confidence: 0.857429994166667

00:08:31.208 --> 00:08:33.093 A wide variety of experience
NOTE Confidence: 0.857429994166667

00:08:33.093 --> 00:08:35.121 with pediatric hand and upper
NOTE Confidence: 0.857429994166667

00:08:35.121 --> 00:08:36.713 extremity surgery is possible.
NOTE Confidence: 0.857429994166667

00:08:36.720 --> 00:08:38.337 Just a word about the match rules.
NOTE Confidence: 0.857429994166667

00:08:38.340 --> 00:08:40.164 The match works best when everybody
NOTE Confidence: 0.857429994166667

00:08:40.164 --> 00:08:41.970 follows the rules set out by the
NOTE Confidence: 0.878341657777778

00:08:41.980 --> 00:08:45.283 NRMP. This means that we will not be calling
NOTE Confidence: 0.872433794615385

00:08:45.300 --> 00:08:46.742 you to let you know where you
NOTE Confidence: 0.872433794615385

00:08:46.742 --> 00:08:48.200 stand on our rank order list.
NOTE Confidence: 0.872433794615385

00:08:48.200 --> 00:08:50.040 Finally, I'd like to say a few words

NOTE Confidence: 0.872433794615385

00:08:50.040 --> 00:08:51.920 about living on the Connecticut shoreline.

NOTE Confidence: 0.872433794615385

00:08:51.920 --> 00:08:53.664 My family and I are long term.

NOTE Confidence: 0.872433794615385

00:08:53.664 --> 00:08:54.644 Residents of Connecticut,

NOTE Confidence: 0.872433794615385

00:08:57.064 --> 00:08:59.210 both locally and regionally. We

NOTE Confidence: 0.86076156625

00:08:59.220 --> 00:09:01.270 enjoy local activities such as

NOTE Confidence: 0.86076156625

00:09:01.270 --> 00:09:03.010 skiing and boating. The closest

NOTE Confidence: 0.90488804

00:09:03.020 --> 00:09:05.708 skiing is just 25 minutes from our house.

NOTE Confidence: 0.90488804

00:09:05.710 --> 00:09:07.985 Fun fact, did you know that snowmaking

NOTE Confidence: 0.83296943

00:09:08.000 --> 00:09:12.326 was invented in Milford, CT in 1950?

NOTE Confidence: 0.83296943

00:09:12.330 --> 00:09:13.890 The Fellowship supports team building

NOTE Confidence: 0.83296943

00:09:13.890 --> 00:09:17.810 events such as Golf Day and Boat Day.

NOTE Confidence: 0.83296943

00:09:17.810 --> 00:09:19.506 Both ends with a lively dinner in one

NOTE Confidence: 0.83296943
