Sign-in to Yale Zoom

When you run the Zoom App if this is what the screen looks like then click on “Sign In” and go to the next page to Sign in with SSO (SSO=Single Sign On = CAS)

OR,

If Zoom opens up as shown below and it is NOT your account you must first Sign Out

Click on the user icon (A) Select “Sign Out” (B)
Sign-in to Yale Zoom

Sign In with SSO (Single Sign On)

Type Yale (A)

Click “Continue”

Your default browser will open to a CAS login. After you authenticate through CAS you will see the screen below

Click “Open zoom.us.app”
You should see this screen and you are now logged in to Yale Zoom.
