FOUR VISA CARD PROGRAMS FOR PAYING STUDY SUBJECTS

OnCore

OnCore is the preferred method for managing studies and paying study subjects. When subjects are enrolled payments are made automatically once a visit is marked as complete. There is no need to handle cash or reconcile advances.

Please contact oncore.support@yale.edu for more information.

Employee Cards

Employee Cards may be issued to principal investigators and staff. This program allows for electronic funding with cash available at Bank of America branches or at any ATM. Spend authorizations are submitted via Workday and there is no need to go to Treasury.

Please contact Treasury Services at (203) 432-4100 or email: agnes.siniscalchi@yale.edu.

Anonymous Gift Cards

Anonymous gift cards are available in any amount. These cards may be ordered in bulk. They may be used anywhere that accepts Visa and have no cash option. Not available while staff is off campus.

Please contact Treasury Services at (203) 432-4100 or email: agnes.siniscalchi@yale.edu.

Digital Gift Cards

Digital Gift Cards are now available. They may be used for online purchases or added to a digital wallet for in-person payment and they have no cash option.

Please contact Treasury Services at (203) 432-4100 or email: agnes.siniscalchi@yale.edu.
