

WEBVTT

NOTE duration:"00:48:06"

NOTE recognizability:0.828

NOTE language:en-us

NOTE Confidence: 0.864932152857143

00:00:00.000 --> 00:00:03.479 All right. Why don't we get started?

NOTE Confidence: 0.864932152857143

00:00:03.480 --> 00:00:07.360 If we use kind of the rule for for events,

NOTE Confidence: 0.864932152857143

00:00:07.360 --> 00:00:08.560 usually you have about half

NOTE Confidence: 0.864932152857143

00:00:08.560 --> 00:00:09.520 show up that register.

NOTE Confidence: 0.864932152857143

00:00:09.520 --> 00:00:12.348 So I think we have a nice

NOTE Confidence: 0.864932152857143

00:00:12.348 --> 00:00:14.640 critical mass here to get going.

NOTE Confidence: 0.864932152857143

00:00:14.640 --> 00:00:17.960 So first of all, welcome everyone.

NOTE Confidence: 0.864932152857143

00:00:17.960 --> 00:00:21.526 Thanks for your interest in the Leadership

NOTE Confidence: 0.864932152857143

00:00:21.526 --> 00:00:23.920 and Global Health Fellowship program.

NOTE Confidence: 0.864932152857143

00:00:23.920 --> 00:00:25.240 My name is Mike Skenechi.

NOTE Confidence: 0.864932152857143

00:00:25.240 --> 00:00:28.516 I'm the deputy director of the

NOTE Confidence: 0.864932152857143

00:00:28.516 --> 00:00:31.480 Yale Institute for Global Health.

NOTE Confidence: 0.864932152857143

00:00:31.480 --> 00:00:34.480 I'll just take a moment to

NOTE Confidence: 0.864932152857143

00:00:34.480 --> 00:00:37.280 acknowledge a couple of people.
NOTE Confidence: 0.864932152857143

00:00:37.280 --> 00:00:39.840 First, my colleague Alyssa Cruz,
NOTE Confidence: 0.864932152857143

00:00:39.840 --> 00:00:42.950 who is our communications officer
NOTE Confidence: 0.864932152857143

00:00:42.950 --> 00:00:45.298 and has been involved with
NOTE Confidence: 0.864932152857143

00:00:45.298 --> 00:00:46.780 the fellowship program also.
NOTE Confidence: 0.864932152857143

00:00:46.780 --> 00:00:49.820 And she'll talk more a little bit later
NOTE Confidence: 0.864932152857143

00:00:49.820 --> 00:00:52.327 about her own experience with Josie
NOTE Confidence: 0.864932152857143

00:00:52.327 --> 00:00:55.718 Anne Alix from the School of Public Health,
NOTE Confidence: 0.864932152857143

00:00:55.720 --> 00:01:00.172 who was one of our fellows now last summer.
NOTE Confidence: 0.864932152857143

00:01:00.172 --> 00:01:03.560 It's great to have Josie Ann here.
NOTE Confidence: 0.864932152857143

00:01:03.560 --> 00:01:06.600 So what what I'm going to do is
NOTE Confidence: 0.864932152857143

00:01:06.600 --> 00:01:10.065 just share a very brief PowerPoint
NOTE Confidence: 0.864932152857143

00:01:10.065 --> 00:01:13.240 presentation describing the program.
NOTE Confidence: 0.864932152857143

00:01:13.240 --> 00:01:15.795 I would note that the this event
NOTE Confidence: 0.864932152857143

00:01:15.795 --> 00:01:17.652 is being recorded because we're
NOTE Confidence: 0.864932152857143

00:01:17.652 --> 00:01:20.396 going to edit it and then post it

NOTE Confidence: 0.864932152857143

00:01:20.472 --> 00:01:22.768 on our website for those who were

NOTE Confidence: 0.864932152857143

00:01:22.768 --> 00:01:27.078 not able to attend right now.

NOTE Confidence: 0.864932152857143

00:01:27.080 --> 00:01:28.800 And we have a nice small group here.

NOTE Confidence: 0.864932152857143

00:01:28.800 --> 00:01:31.120 So to the extent that you feel comfortable

NOTE Confidence: 0.864932152857143

00:01:31.120 --> 00:01:33.119 and to the extent you're able,

NOTE Confidence: 0.864932152857143

00:01:33.120 --> 00:01:36.040 it'd be great to to see folks on on video.

NOTE Confidence: 0.864932152857143

00:01:36.040 --> 00:01:38.800 I know for me it's nice to see some faces

NOTE Confidence: 0.864932152857143

00:01:38.800 --> 00:01:41.600 and as we go through the presentation,

NOTE Confidence: 0.864932152857143

00:01:41.600 --> 00:01:44.560 feel free to interrupt me,

NOTE Confidence: 0.864932152857143

00:01:44.560 --> 00:01:46.920 raise, you know raise hands,

NOTE Confidence: 0.864932152857143

00:01:46.920 --> 00:01:51.520 use the chat box to drop questions.

NOTE Confidence: 0.864932152857143

00:01:51.520 --> 00:01:53.986 I'll do my best to to keep keep my

NOTE Confidence: 0.864932152857143

00:01:53.986 --> 00:01:56.436 eyes on all the different boxes and

NOTE Confidence: 0.864932152857143

00:01:56.436 --> 00:01:58.368 maybe Alyssa might turn to you just

NOTE Confidence: 0.864932152857143

00:01:58.368 --> 00:02:00.400 to kind of acknowledge anything,

NOTE Confidence: 0.864932152857143

00:02:00.400 --> 00:02:03.118 any hands or any, anything in the chat box.

NOTE Confidence: 0.864932152857143

00:02:03.120 --> 00:02:07.120 So with that see something,

NOTE Confidence: 0.864932152857143

00:02:07.120 --> 00:02:07.360 see

NOTE Confidence: 0.80960214

00:02:11.000 --> 00:02:13.765 Q&A. Carla, we'll talk about

NOTE Confidence: 0.80960214

00:02:13.765 --> 00:02:15.636 eligibility in a in a slide or two,

NOTE Confidence: 0.80960214

00:02:15.640 --> 00:02:19.160 but thanks for your question.

NOTE Confidence: 0.80960214

00:02:19.160 --> 00:02:21.800 Thank you. Sure.

NOTE Confidence: 0.80960214

00:02:21.800 --> 00:02:25.040 So I am going to share my screen.

NOTE Confidence: 0.758966226666667

00:02:27.440 --> 00:02:28.199 Bear with me,

NOTE Confidence: 0.829643465

00:02:34.520 --> 00:02:39.160 hopefully you all are seeing my deck here.

NOTE Confidence: 0.7160074

00:02:44.440 --> 00:02:44.760 OK.

NOTE Confidence: 0.686488433333333

00:02:47.040 --> 00:02:48.240 Could someone thank you.

NOTE Confidence: 0.686488433333333

00:02:48.240 --> 00:02:49.219 Thank you, Alyssa.

NOTE Confidence: 0.686488433333333

00:02:49.219 --> 00:02:51.872 So again thanks so much for for

NOTE Confidence: 0.686488433333333

00:02:51.872 --> 00:02:54.130 joining today to learn a little

NOTE Confidence: 0.686488433333333

00:02:54.130 --> 00:02:56.272 bit more about the leadership in

NOTE Confidence: 0.6864884333333333
00:02:56.350 --> 00:03:00.200 global Health fellowship program.
NOTE Confidence: 0.6864884333333333
00:03:00.200 --> 00:03:01.930 Before we go into specifically
NOTE Confidence: 0.6864884333333333
00:03:01.930 --> 00:03:03.314 into the fellowship program,
NOTE Confidence: 0.6864884333333333
00:03:03.320 --> 00:03:04.668 just for everyone's awareness,
NOTE Confidence: 0.6864884333333333
00:03:04.668 --> 00:03:07.129 I'm not sure you might be already
NOTE Confidence: 0.6864884333333333
00:03:07.129 --> 00:03:09.397 already be aware of this background,
NOTE Confidence: 0.6864884333333333
00:03:09.400 --> 00:03:12.064 but the fellowship program is one
NOTE Confidence: 0.6864884333333333
00:03:12.064 --> 00:03:15.601 of really kind of the two signature
NOTE Confidence: 0.6864884333333333
00:03:15.601 --> 00:03:18.386 student facing programs for the
NOTE Confidence: 0.6864884333333333
00:03:18.386 --> 00:03:21.158 Yale Institute for Global Health.
NOTE Confidence: 0.6864884333333333
00:03:21.160 --> 00:03:22.558 As I think everyone is aware,
NOTE Confidence: 0.6864884333333333
00:03:22.560 --> 00:03:24.876 the institute is a program that's
NOTE Confidence: 0.6864884333333333
00:03:24.880 --> 00:03:26.476 centered in the Health Science school.
NOTE Confidence: 0.6864884333333333
00:03:26.480 --> 00:03:28.370 So it's really a partnership across
NOTE Confidence: 0.6864884333333333
00:03:28.370 --> 00:03:30.080 the schools of public health,
NOTE Confidence: 0.6864884333333333

00:03:30.080 --> 00:03:31.085 medicine and nursing,
NOTE Confidence: 0.6864884333333333

00:03:31.085 --> 00:03:33.920 but it's meant to span across the campus.
NOTE Confidence: 0.6864884333333333

00:03:33.920 --> 00:03:36.878 We have a set of activities
NOTE Confidence: 0.6864884333333333

00:03:36.878 --> 00:03:38.850 specifically geared towards faculty
NOTE Confidence: 0.6864884333333333

00:03:38.932 --> 00:03:42.390 at Yale and we also have a couple
NOTE Confidence: 0.6864884333333333

00:03:42.390 --> 00:03:44.176 of student based initiatives,
NOTE Confidence: 0.6864884333333333

00:03:44.176 --> 00:03:46.336 the fellowship program and our
NOTE Confidence: 0.6864884333333333

00:03:46.336 --> 00:03:48.746 second being the Global Health case
NOTE Confidence: 0.6864884333333333

00:03:48.746 --> 00:03:50.596 competition which some maybe even
NOTE Confidence: 0.6864884333333333

00:03:50.596 --> 00:03:52.630 all of you have been a part of
NOTE Confidence: 0.6864884333333333

00:03:52.630 --> 00:03:55.812 or will be a part of in a couple
NOTE Confidence: 0.6864884333333333

00:03:55.812 --> 00:03:57.520 weeks time on the 17th of February.
NOTE Confidence: 0.6864884333333333

00:03:57.520 --> 00:04:01.120 We're going to be having our our case day.
NOTE Confidence: 0.822516091428571

00:04:04.000 --> 00:04:05.715 So a little bit about the the,
NOTE Confidence: 0.822516091428571

00:04:05.720 --> 00:04:07.406 the fellowship program,
NOTE Confidence: 0.822516091428571

00:04:07.406 --> 00:04:10.778 we are actually going into our

NOTE Confidence: 0.822516091428571

00:04:10.778 --> 00:04:13.360 amazingly enough our fifth year.

NOTE Confidence: 0.822516091428571

00:04:13.360 --> 00:04:17.240 This is a program that is evolved into

NOTE Confidence: 0.822516091428571

00:04:17.240 --> 00:04:19.506 a partnership with the undergraduate

NOTE Confidence: 0.822516091428571

00:04:19.506 --> 00:04:21.158 Global Health Studies program,

NOTE Confidence: 0.822516091428571

00:04:21.160 --> 00:04:23.386 which is based at the Jackson

NOTE Confidence: 0.822516091428571

00:04:23.386 --> 00:04:25.524 School for Global Global Affairs,

NOTE Confidence: 0.822516091428571

00:04:25.524 --> 00:04:27.729 also the Career Services Center

NOTE Confidence: 0.822516091428571

00:04:27.729 --> 00:04:29.822 led by Felicia Spencer at

NOTE Confidence: 0.822516091428571

00:04:29.822 --> 00:04:31.797 the School of Public Health.

NOTE Confidence: 0.822516091428571

00:04:31.800 --> 00:04:36.440 They really our partners really help

NOTE Confidence: 0.822516091428571

00:04:36.440 --> 00:04:39.800 us in terms of outreach and also

NOTE Confidence: 0.822516091428571

00:04:39.800 --> 00:04:43.796 funding and support for the program.

NOTE Confidence: 0.822516091428571

00:04:43.800 --> 00:04:46.803 The vision for the program now five

NOTE Confidence: 0.822516091428571

00:04:46.803 --> 00:04:50.160 years ago was to establish establish

NOTE Confidence: 0.822516091428571

00:04:50.160 --> 00:04:54.226 a program that I mean the long term

NOTE Confidence: 0.822516091428571

00:04:54.226 --> 00:04:57.320 vision is really can we have a program

NOTE Confidence: 0.822516091428571

00:04:57.320 --> 00:05:00.716 where over time and as students take

NOTE Confidence: 0.822516091428571

00:05:00.716 --> 00:05:04.328 part in the program and then leave

NOTE Confidence: 0.822516091428571

00:05:04.328 --> 00:05:07.712 Yale that people who participate

NOTE Confidence: 0.822516091428571

00:05:07.712 --> 00:05:11.035 ultimately could start their careers

NOTE Confidence: 0.822516091428571

00:05:11.035 --> 00:05:13.960 in these types of institutions.

NOTE Confidence: 0.822516091428571

00:05:13.960 --> 00:05:17.600 As you can see most are for the

NOTE Confidence: 0.822516091428571

00:05:17.600 --> 00:05:20.260 focus I should say is really on

NOTE Confidence: 0.822516091428571

00:05:20.260 --> 00:05:22.680 large global Health Organization.

NOTE Confidence: 0.822516091428571

00:05:22.680 --> 00:05:26.986 So it's generally centered on major

NOTE Confidence: 0.822516091428571

00:05:26.986 --> 00:05:31.516 NGOs or multi lab organizations.

NOTE Confidence: 0.822516091428571

00:05:31.520 --> 00:05:33.315 They generally I would say

NOTE Confidence: 0.822516091428571

00:05:33.315 --> 00:05:35.640 have more of a policy focus,

NOTE Confidence: 0.822516091428571

00:05:35.640 --> 00:05:39.203 which I think complements well with other

NOTE Confidence: 0.822516091428571

00:05:39.203 --> 00:05:41.800 opportunities and funding opportunities

NOTE Confidence: 0.822516091428571

00:05:41.800 --> 00:05:46.000 for Yale students and trainees.

NOTE Confidence: 0.822516091428571
00:05:46.000 --> 00:05:50.200 It is meant to be open to
NOTE Confidence: 0.822516091428571
00:05:50.200 --> 00:05:52.060 students across the campus.
NOTE Confidence: 0.822516091428571
00:05:52.060 --> 00:05:56.320 So we have had Yale College undergrads,
NOTE Confidence: 0.822516091428571
00:05:56.320 --> 00:06:00.800 nursing, public health students
NOTE Confidence: 0.822516091428571
00:06:00.800 --> 00:06:02.300 from the medical school,
NOTE Confidence: 0.822516091428571
00:06:02.300 --> 00:06:03.800 from the law school.
NOTE Confidence: 0.822516091428571
00:06:03.800 --> 00:06:07.888 A key criteria is that you will
NOTE Confidence: 0.822516091428571
00:06:07.888 --> 00:06:10.600 continue to matriculate at Yale.
NOTE Confidence: 0.822516091428571
00:06:10.600 --> 00:06:13.280 So if you are a Yale college student,
NOTE Confidence: 0.822516091428571
00:06:13.280 --> 00:06:14.756 you could be graduating in May,
NOTE Confidence: 0.822516091428571
00:06:14.760 --> 00:06:15.753 unfortunately wouldn't be
NOTE Confidence: 0.822516091428571
00:06:15.753 --> 00:06:17.077 eligible for the program.
NOTE Confidence: 0.822516091428571
00:06:17.080 --> 00:06:18.715 So, so Carla,
NOTE Confidence: 0.822516091428571
00:06:18.715 --> 00:06:21.440 for you and your program,
NOTE Confidence: 0.822516091428571
00:06:21.440 --> 00:06:23.442 you'll have to remind me of kind
NOTE Confidence: 0.822516091428571

00:06:23.442 --> 00:06:24.799 of the requirements of that.
NOTE Confidence: 0.822516091428571

00:06:24.800 --> 00:06:27.509 But the base eligibility is for students
NOTE Confidence: 0.822516091428571

00:06:27.509 --> 00:06:30.326 and trainees who will kind of continue
NOTE Confidence: 0.822516091428571

00:06:30.326 --> 00:06:32.680 their studies at the university.
NOTE Confidence: 0.92675864

00:06:35.000 --> 00:06:37.079 So that's kind of the broad overview.
NOTE Confidence: 0.92675864

00:06:37.080 --> 00:06:40.470 The main anchoring component of the
NOTE Confidence: 0.92675864

00:06:40.470 --> 00:06:43.920 program is placement in an internship.
NOTE Confidence: 0.92675864

00:06:43.920 --> 00:06:48.050 So what we do is essentially develop
NOTE Confidence: 0.92675864

00:06:48.050 --> 00:06:50.630 partnerships with these different
NOTE Confidence: 0.92675864

00:06:50.630 --> 00:06:53.760 organizations and develop and curate
NOTE Confidence: 0.92675864

00:06:53.760 --> 00:06:56.720 a set of internship opportunities.
NOTE Confidence: 0.92675864

00:06:56.720 --> 00:06:59.128 So this is not something where we just
NOTE Confidence: 0.92675864

00:06:59.128 --> 00:07:01.118 connect you to Goblin for example.
NOTE Confidence: 0.92675864

00:07:01.120 --> 00:07:04.956 We work with each of these organizations
NOTE Confidence: 0.92675864

00:07:04.960 --> 00:07:07.640 to develop specific job descriptions,
NOTE Confidence: 0.92675864

00:07:07.640 --> 00:07:10.240 specific roles.

NOTE Confidence: 0.92675864

00:07:10.240 --> 00:07:13.480 These are generally summer internships,

NOTE Confidence: 0.92675864

00:07:13.480 --> 00:07:17.080 so I would say June to August time frame.

NOTE Confidence: 0.92675864

00:07:17.080 --> 00:07:20.706 In some cases those these opportunities have

NOTE Confidence: 0.92675864

00:07:20.706 --> 00:07:24.360 extended into the fall into the September,

NOTE Confidence: 0.92675864

00:07:24.360 --> 00:07:30.840 October time frame as well.

NOTE Confidence: 0.92675864

00:07:30.840 --> 00:07:34.653 This for this summer we have a

NOTE Confidence: 0.92675864

00:07:34.653 --> 00:07:38.331 total of 21 placements across the

NOTE Confidence: 0.92675864

00:07:38.331 --> 00:07:41.680 six organizations that are on on

NOTE Confidence: 0.92675864

00:07:41.680 --> 00:07:44.188 this slide that is an expansion

NOTE Confidence: 0.92675864

00:07:44.188 --> 00:07:46.319 of for 12 that we had last year.

NOTE Confidence: 0.92675864

00:07:46.320 --> 00:07:48.720 So really excited because it's you

NOTE Confidence: 0.92675864

00:07:48.720 --> 00:07:51.115 know the the program has garnered

NOTE Confidence: 0.92675864

00:07:51.115 --> 00:07:53.614 a lot of interest and so I'm

NOTE Confidence: 0.92675864

00:07:53.614 --> 00:07:56.812 excited that we'll be able to offer

NOTE Confidence: 0.92675864

00:07:56.812 --> 00:07:58.195 more placement opportunities.

NOTE Confidence: 0.92675864

00:07:58.200 --> 00:08:00.755 The other thing I would note about
NOTE Confidence: 0.92675864

00:08:00.760 --> 00:08:02.592 the placements that particularly
NOTE Confidence: 0.92675864

00:08:02.592 --> 00:08:04.882 with organizations like the Royal
NOTE Confidence: 0.92675864

00:08:04.882 --> 00:08:07.499 Bank and UNICEF they have been kind
NOTE Confidence: 0.92675864

00:08:07.499 --> 00:08:09.479 of founding partners in a sense.
NOTE Confidence: 0.92675864

00:08:09.480 --> 00:08:12.580 So we have a long establish a really
NOTE Confidence: 0.92675864

00:08:12.580 --> 00:08:14.860 nice track record with these different
NOTE Confidence: 0.92675864

00:08:14.860 --> 00:08:16.640 organizations over the past many years.
NOTE Confidence: 0.92675864

00:08:16.640 --> 00:08:18.810 In fact you know the expansion and
NOTE Confidence: 0.92675864

00:08:18.810 --> 00:08:21.038 placements I think is a is a reflection
NOTE Confidence: 0.92675864

00:08:21.038 --> 00:08:23.127 of how well it's been going for
NOTE Confidence: 0.92675864

00:08:23.127 --> 00:08:25.515 students and the different and the
NOTE Confidence: 0.92675864

00:08:25.515 --> 00:08:27.140 different organizations as well.
NOTE Confidence: 0.92675864

00:08:27.140 --> 00:08:30.010 So the anchoring piece of the fellowship
NOTE Confidence: 0.92675864

00:08:30.010 --> 00:08:34.746 program is the is the internship before
NOTE Confidence: 0.92675864

00:08:34.746 --> 00:08:38.175 the the couple other components before

NOTE Confidence: 0.92675864

00:08:38.175 --> 00:08:41.640 you go to start in the internship.

NOTE Confidence: 0.92675864

00:08:41.640 --> 00:08:45.560 We have an orientation day long program.

NOTE Confidence: 0.92675864

00:08:45.560 --> 00:08:48.096 Last year we did it in May which

NOTE Confidence: 0.92675864

00:08:48.096 --> 00:08:50.273 is really focused on building

NOTE Confidence: 0.92675864

00:08:50.273 --> 00:08:53.838 relationships within the full group,

NOTE Confidence: 0.92675864

00:08:53.840 --> 00:08:56.180 discussing what is global health and

NOTE Confidence: 0.92675864

00:08:56.180 --> 00:08:58.726 talk a little bit about expectations

NOTE Confidence: 0.92675864

00:08:58.726 --> 00:09:02.200 and what you might expect in the

NOTE Confidence: 0.92675864

00:09:02.200 --> 00:09:04.600 internship throughout the summer.

NOTE Confidence: 0.92675864

00:09:04.600 --> 00:09:07.504 We stay connected to all the

NOTE Confidence: 0.92675864

00:09:07.504 --> 00:09:09.440 fellows and the organizations.

NOTE Confidence: 0.92675864

00:09:09.440 --> 00:09:10.584 We also we offer,

NOTE Confidence: 0.92675864

00:09:10.584 --> 00:09:11.156 excuse me,

NOTE Confidence: 0.92675864

00:09:11.160 --> 00:09:15.180 office hours where you can engage

NOTE Confidence: 0.92675864

00:09:15.180 --> 00:09:17.598 with our program staff to discuss

NOTE Confidence: 0.92675864

00:09:17.598 --> 00:09:19.752 how things are going to troubleshoot
NOTE Confidence: 0.92675864

00:09:19.752 --> 00:09:22.077 any issues that you might be facing.
NOTE Confidence: 0.92675864

00:09:22.080 --> 00:09:24.480 And the last component I would,
NOTE Confidence: 0.92675864

00:09:24.480 --> 00:09:28.006 I would just note is that through
NOTE Confidence: 0.92675864

00:09:28.006 --> 00:09:31.036 funding for through the institute
NOTE Confidence: 0.92675864

00:09:31.040 --> 00:09:32.834 and in partnership with the Global
NOTE Confidence: 0.92675864

00:09:32.834 --> 00:09:34.715 Studies Program in the Career Services
NOTE Confidence: 0.92675864

00:09:34.715 --> 00:09:36.920 Center of the School of Public Health,
NOTE Confidence: 0.92675864

00:09:36.920 --> 00:09:41.504 we offer funding for these different
NOTE Confidence: 0.92675864

00:09:41.504 --> 00:09:43.796 placement opportunities which
NOTE Confidence: 0.92675864

00:09:43.796 --> 00:09:45.125 includes travel,
NOTE Confidence: 0.92675864

00:09:45.125 --> 00:09:49.080 lodging and costs related to the internships.
NOTE Confidence: 0.92675864

00:09:49.080 --> 00:09:51.720 Essentially what we do is once
NOTE Confidence: 0.92675864

00:09:51.720 --> 00:09:53.544 the placement is finalized,
NOTE Confidence: 0.92675864

00:09:53.544 --> 00:09:56.280 we work with each student individually
NOTE Confidence: 0.92675864

00:09:56.354 --> 00:09:58.867 to develop a budget and finalize the

NOTE Confidence: 0.92675864

00:09:58.867 --> 00:10:01.680 funding for for each of the internships.

NOTE Confidence: 0.92675864

00:10:01.680 --> 00:10:04.403 I'm just going to look at the

NOTE Confidence: 0.92675864

00:10:04.403 --> 00:10:06.800 check box to see, OK, great.

NOTE Confidence: 0.91027702

00:10:09.120 --> 00:10:11.350 So that's kind of an

NOTE Confidence: 0.91027702

00:10:11.350 --> 00:10:14.700 overarching summary we do.

NOTE Confidence: 0.91027702

00:10:14.700 --> 00:10:17.280 I just wanted to to note,

NOTE Confidence: 0.91027702

00:10:17.280 --> 00:10:20.087 we do at the end of the

NOTE Confidence: 0.91027702

00:10:20.087 --> 00:10:22.673 experience post a closing event,

NOTE Confidence: 0.91027702

00:10:22.673 --> 00:10:25.638 which we did in November,

NOTE Confidence: 0.91027702

00:10:25.640 --> 00:10:27.838 where we bring the group back together.

NOTE Confidence: 0.91027702

00:10:27.840 --> 00:10:31.680 It's just a nice opportunity to share and

NOTE Confidence: 0.91027702

00:10:31.680 --> 00:10:35.838 reflect on each individual experience.

NOTE Confidence: 0.91027702

00:10:35.840 --> 00:10:37.316 We were really excited this past

NOTE Confidence: 0.91027702

00:10:37.316 --> 00:10:38.904 fall to have Dean Randy from

NOTE Confidence: 0.91027702

00:10:38.904 --> 00:10:40.274 the School of Public Health,

NOTE Confidence: 0.91027702

00:10:40.280 --> 00:10:42.936 but also Indra and Raj Nooyi who are

NOTE Confidence: 0.91027702

00:10:42.936 --> 00:10:44.848 benefactors of the program participate

NOTE Confidence: 0.91027702

00:10:44.848 --> 00:10:47.194 in that in that closing event.

NOTE Confidence: 0.91027702

00:10:47.200 --> 00:10:49.405 You know because our part of our

NOTE Confidence: 0.91027702

00:10:49.405 --> 00:10:51.888 hope is that the cohort will stay

NOTE Confidence: 0.91027702

00:10:51.888 --> 00:10:54.076 connected in some way moving forward.

NOTE Confidence: 0.91027702

00:10:54.076 --> 00:10:56.940 In fact I've also I mean just that

NOTE Confidence: 0.91027702

00:10:57.019 --> 00:10:58.980 I've had the it's it's really been

NOTE Confidence: 0.91027702

00:10:58.980 --> 00:11:01.060 fun to see students in the program

NOTE Confidence: 0.91027702

00:11:01.060 --> 00:11:02.895 also participating in leading are

NOTE Confidence: 0.91027702

00:11:02.895 --> 00:11:05.146 things like our global health case

NOTE Confidence: 0.91027702

00:11:05.146 --> 00:11:06.590 competition and and individuals

NOTE Confidence: 0.91027702

00:11:06.590 --> 00:11:08.928 that have been part of the program

NOTE Confidence: 0.91027702

00:11:08.928 --> 00:11:11.000 are very active across campus in a

NOTE Confidence: 0.91027702

00:11:11.063 --> 00:11:13.238 variety of different global efforts.

NOTE Confidence: 0.922680142222222

00:11:16.320 --> 00:11:19.704 So that's kind of the summary

NOTE Confidence: 0.922680142222222

00:11:19.704 --> 00:11:22.135 of the fellowship, see if I

NOTE Confidence: 0.922680142222222

00:11:22.135 --> 00:11:23.360 could advance my slide here

NOTE Confidence: 0.853799655

00:11:28.560 --> 00:11:29.880 doesn't seem to want me to

NOTE Confidence: 0.853799655

00:11:29.880 --> 00:11:31.480 do that. So let me do this.

NOTE Confidence: 0.547160396923077

00:11:33.520 --> 00:11:34.588 I'm going to stop sharing and

NOTE Confidence: 0.547160396923077

00:11:34.588 --> 00:11:35.918 I'm going to try to share again.

NOTE Confidence: 0.681642295

00:11:49.300 --> 00:11:50.938 Oh, there we go. Very good.

NOTE Confidence: 0.681642295

00:11:50.940 --> 00:11:53.380 So a little bit about eligibility, funding.

NOTE Confidence: 0.681642295

00:11:53.380 --> 00:11:55.540 I mean, I've touched on this

NOTE Confidence: 0.681642295

00:11:55.540 --> 00:11:57.704 information a little bit already.

NOTE Confidence: 0.681642295

00:11:57.704 --> 00:12:00.790 As I noted, this is open to Yale

NOTE Confidence: 0.681642295

00:12:00.790 --> 00:12:02.174 students and trainings broadly,

NOTE Confidence: 0.681642295

00:12:02.180 --> 00:12:07.100 but you must be kind of enrolled at Yale

NOTE Confidence: 0.822585813333333

00:12:09.120 --> 00:12:11.072 and continue and coming

NOTE Confidence: 0.822585813333333

00:12:11.072 --> 00:12:13.512 back for the next semester.

NOTE Confidence: 0.822585813333333

00:12:13.520 --> 00:12:17.752 I noted the partnership with the Office
NOTE Confidence: 0.8225858133333333

00:12:17.752 --> 00:12:20.248 of Career Services and Global Health
NOTE Confidence: 0.8225858133333333

00:12:20.248 --> 00:12:22.756 Studies program and we work with
NOTE Confidence: 0.8225858133333333

00:12:22.756 --> 00:12:25.710 again with each student to develop a
NOTE Confidence: 0.8225858133333333

00:12:25.710 --> 00:12:28.191 budget for your for your internship.
NOTE Confidence: 0.8225858133333333

00:12:28.191 --> 00:12:30.576 We opened up the application
NOTE Confidence: 0.8225858133333333

00:12:30.576 --> 00:12:33.008 link on Friday on our website.
NOTE Confidence: 0.8225858133333333

00:12:33.008 --> 00:12:35.532 You could also see a summary PDF of
NOTE Confidence: 0.8225858133333333

00:12:35.532 --> 00:12:37.437 all of the different opportunities
NOTE Confidence: 0.8225858133333333

00:12:37.440 --> 00:12:39.465 that will be open essentially
NOTE Confidence: 0.8225858133333333

00:12:39.465 --> 00:12:42.040 for the next couple of weeks.
NOTE Confidence: 0.8225858133333333

00:12:42.040 --> 00:12:44.360 It's a pretty straightforward
NOTE Confidence: 0.8225858133333333

00:12:44.360 --> 00:12:45.520 application process.
NOTE Confidence: 0.8225858133333333

00:12:45.520 --> 00:12:49.192 This gives you a sense of the of the
NOTE Confidence: 0.8225858133333333

00:12:49.192 --> 00:12:53.800 timeline with applications due by the 16th.
NOTE Confidence: 0.8225858133333333

00:12:53.800 --> 00:12:58.392 We then the end of the month beginning

NOTE Confidence: 0.822585813333333

00:12:58.392 --> 00:13:01.482 of March to do what we do is kind of

NOTE Confidence: 0.822585813333333

00:13:01.482 --> 00:13:04.078 a a review of all the candidates.

NOTE Confidence: 0.822585813333333

00:13:04.080 --> 00:13:06.960 We then select a certain number of students.

NOTE Confidence: 0.822585813333333

00:13:06.960 --> 00:13:10.254 Last year I want to say it was around

NOTE Confidence: 0.822585813333333

00:13:10.254 --> 00:13:13.919 25 or so students that got interviews.

NOTE Confidence: 0.822585813333333

00:13:13.920 --> 00:13:18.020 Alyssa and my colleague Nuktah Gok led

NOTE Confidence: 0.822585813333333

00:13:18.020 --> 00:13:21.368 the interview process and from there

NOTE Confidence: 0.822585813333333

00:13:21.368 --> 00:13:24.280 what we do is we compile essentially

NOTE Confidence: 0.822585813333333

00:13:24.362 --> 00:13:27.533 short lists that we share with the

NOTE Confidence: 0.822585813333333

00:13:27.533 --> 00:13:29.200 different hosts organizations because

NOTE Confidence: 0.822585813333333

00:13:29.200 --> 00:13:31.480 we feel it's important to them.

NOTE Confidence: 0.822585813333333

00:13:31.480 --> 00:13:32.838 We don't just say here's your student,

NOTE Confidence: 0.822585813333333

00:13:32.840 --> 00:13:34.912 we we we think it's important for

NOTE Confidence: 0.822585813333333

00:13:34.912 --> 00:13:37.078 them to have an opportunity to view

NOTE Confidence: 0.822585813333333

00:13:37.078 --> 00:13:39.279 to to review a couple of candidates

NOTE Confidence: 0.822585813333333

00:13:39.279 --> 00:13:41.799 to see who might be the best fit.
NOTE Confidence: 0.8225858133333333

00:13:41.800 --> 00:13:44.551 There would likely be a second interview
NOTE Confidence: 0.8225858133333333

00:13:44.551 --> 00:13:47.618 with any of the organizations where we
NOTE Confidence: 0.8225858133333333

00:13:47.618 --> 00:13:50.256 have forwarded your your application.
NOTE Confidence: 0.8225858133333333

00:13:50.256 --> 00:13:51.840 And in general,
NOTE Confidence: 0.8225858133333333

00:13:51.840 --> 00:13:55.056 I would say our goal is to finalize
NOTE Confidence: 0.8225858133333333

00:13:55.056 --> 00:13:57.479 decisions soon after spring break,
NOTE Confidence: 0.8225858133333333

00:13:57.480 --> 00:13:59.178 recognizing that in,
NOTE Confidence: 0.8225858133333333

00:13:59.178 --> 00:14:02.008 you know these organizations the
NOTE Confidence: 0.8225858133333333

00:14:02.008 --> 00:14:04.288 individuals involved are pretty
NOTE Confidence: 0.8225858133333333

00:14:04.288 --> 00:14:05.358 busy individuals.
NOTE Confidence: 0.8225858133333333

00:14:05.360 --> 00:14:07.208 Sometimes it it might take a little
NOTE Confidence: 0.8225858133333333

00:14:07.208 --> 00:14:09.080 bit longer to finalize decisions,
NOTE Confidence: 0.8225858133333333

00:14:09.080 --> 00:14:11.096 but we're really eager to try to
NOTE Confidence: 0.8225858133333333

00:14:11.096 --> 00:14:12.951 do that soon after the spring
NOTE Confidence: 0.8225858133333333

00:14:12.951 --> 00:14:15.408 break period so that we could then

NOTE Confidence: 0.822585813333333

00:14:15.408 --> 00:14:17.447 finalize budgets and then plan and

NOTE Confidence: 0.822585813333333

00:14:17.447 --> 00:14:20.260 and host our orientation session.

NOTE Confidence: 0.822585813333333

00:14:20.260 --> 00:14:24.510 So that's kind of the overview

NOTE Confidence: 0.822585813333333

00:14:24.510 --> 00:14:26.678 of the program timeline.

NOTE Confidence: 0.822585813333333

00:14:26.680 --> 00:14:29.396 Before kind of formally going to questions,

NOTE Confidence: 0.822585813333333

00:14:29.400 --> 00:14:32.510 I wanted to turn it over to my

NOTE Confidence: 0.822585813333333

00:14:32.510 --> 00:14:35.986 colleague Josie Anne to describe

NOTE Confidence: 0.822585813333333

00:14:35.986 --> 00:14:39.857 her experience as you can see here

NOTE Confidence: 0.822585813333333

00:14:39.857 --> 00:14:43.236 last summer at the World Bank.

NOTE Confidence: 0.822585813333333

00:14:43.240 --> 00:14:45.896 Josie Anne is in the SBS department at

NOTE Confidence: 0.822585813333333

00:14:45.896 --> 00:14:49.124 the School of Public Health and I came

NOTE Confidence: 0.822585813333333

00:14:49.124 --> 00:14:52.400 to Yale from the University of Connecticut.

NOTE Confidence: 0.822585813333333

00:14:52.400 --> 00:14:54.920 And I think it's just a great example,

NOTE Confidence: 0.822585813333333

00:14:54.920 --> 00:14:57.002 really a stellar fellow that has

NOTE Confidence: 0.822585813333333

00:14:57.002 --> 00:14:59.047 participated in the program and not

NOTE Confidence: 0.822585813333333

00:14:59.047 --> 00:15:01.119 only a part of the fellowship program,
NOTE Confidence: 0.8225858133333333

00:15:01.120 --> 00:15:03.050 but again variety of global
NOTE Confidence: 0.8225858133333333

00:15:03.050 --> 00:15:04.594 health efforts on campus.
NOTE Confidence: 0.8225858133333333

00:15:04.600 --> 00:15:07.961 So I'll turn it over to Josie Ann, please.
NOTE Confidence: 0.8225858133333333

00:15:07.961 --> 00:15:08.683 Josie Ann,
NOTE Confidence: 0.8225858133333333

00:15:08.683 --> 00:15:10.127 introduce yourself a little
NOTE Confidence: 0.8225858133333333

00:15:10.127 --> 00:15:12.660 bit more and we'd love to hear
NOTE Confidence: 0.8225858133333333

00:15:12.660 --> 00:15:14.040 more about your experience.
NOTE Confidence: 0.9676239

00:15:17.440 --> 00:15:19.400 Thank you, Mike.
NOTE Confidence: 0.881766415714286

00:15:19.400 --> 00:15:22.340 Hi, everyone. It's nice to meet you
NOTE Confidence: 0.881766415714286

00:15:22.340 --> 00:15:25.318 all and thank you for being here.
NOTE Confidence: 0.881766415714286

00:15:25.320 --> 00:15:28.875 As Mike said, my name is Josie Ann Alex.
NOTE Confidence: 0.881766415714286

00:15:28.880 --> 00:15:31.456 I'm originally from Rwanda,
NOTE Confidence: 0.881766415714286

00:15:31.456 --> 00:15:35.610 but I migrated to the US after
NOTE Confidence: 0.881766415714286

00:15:35.610 --> 00:15:37.935 spending many years in different
NOTE Confidence: 0.881766415714286

00:15:37.935 --> 00:15:40.662 refugee camps because of the genocide

NOTE Confidence: 0.881766415714286
00:15:40.662 --> 00:15:43.585 that was happening in my country.
NOTE Confidence: 0.881766415714286
00:15:43.585 --> 00:15:46.360 I completed my undergrad at
NOTE Confidence: 0.881766415714286
00:15:46.360 --> 00:15:48.760 University of Connecticut.
NOTE Confidence: 0.881766415714286
00:15:48.760 --> 00:15:52.072 Initially I thought I wanted to go into
NOTE Confidence: 0.881766415714286
00:15:52.072 --> 00:15:55.130 medicine and I had a change of heart
NOTE Confidence: 0.881766415714286
00:15:55.130 --> 00:15:57.999 when I was introduced to public health,
NOTE Confidence: 0.881766415714286
00:15:58.000 --> 00:16:00.640 the University of Connect.
NOTE Confidence: 0.881766415714286
00:16:00.640 --> 00:16:04.012 But specifically I took a global
NOTE Confidence: 0.881766415714286
00:16:04.012 --> 00:16:07.060 health course and that that's when
NOTE Confidence: 0.881766415714286
00:16:07.060 --> 00:16:10.090 everything connected for me and hence
NOTE Confidence: 0.881766415714286
00:16:10.180 --> 00:16:12.942 why I ended up choosing public health
NOTE Confidence: 0.881766415714286
00:16:12.942 --> 00:16:15.440 and also choosing Yale specific.
NOTE Confidence: 0.881766415714286
00:16:15.440 --> 00:16:18.960 And also because I knew that Yale has,
NOTE Confidence: 0.881766415714286
00:16:18.960 --> 00:16:20.560 because of the Yale Institute
NOTE Confidence: 0.881766415714286
00:16:20.560 --> 00:16:22.498 for Global Health and also some
NOTE Confidence: 0.881766415714286

00:16:22.498 --> 00:16:24.780 of the work that they were doing
NOTE Confidence: 0.881766415714286

00:16:24.853 --> 00:16:27.405 like in the I'll my CS like middle
NOTE Confidence: 0.881766415714286

00:16:27.405 --> 00:16:29.319 and middle income countries.
NOTE Confidence: 0.881766415714286

00:16:29.320 --> 00:16:30.676 And so yeah,
NOTE Confidence: 0.881766415714286

00:16:30.676 --> 00:16:33.840 that this past summer I completed an
NOTE Confidence: 0.881766415714286

00:16:33.933 --> 00:16:37.615 internship at the World Bank as Mike
NOTE Confidence: 0.881766415714286

00:16:37.615 --> 00:16:41.435 say and specifically I was in the World
NOTE Confidence: 0.881766415714286

00:16:41.435 --> 00:16:43.732 Bank Climate and Health department.
NOTE Confidence: 0.881766415714286

00:16:43.732 --> 00:16:47.736 So it's within the health and nutrition
NOTE Confidence: 0.881766415714286

00:16:47.736 --> 00:16:50.128 and population like global practice.
NOTE Confidence: 0.881766415714286

00:16:50.128 --> 00:16:53.040 So the World Bank climate and health
NOTE Confidence: 0.881766415714286

00:16:53.120 --> 00:16:56.048 team is supporting countries like to
NOTE Confidence: 0.881766415714286

00:16:56.048 --> 00:16:58.431 strengthen their health systems in
NOTE Confidence: 0.881766415714286

00:16:58.431 --> 00:17:00.895 order to mitigate but also to adapt
NOTE Confidence: 0.881766415714286

00:17:00.895 --> 00:17:03.340 to climate change like in the middle
NOTE Confidence: 0.881766415714286

00:17:03.340 --> 00:17:05.080 and the middle income countries.

NOTE Confidence: 0.881766415714286
00:17:05.080 --> 00:17:08.480 So I worked as an analyst like to
NOTE Confidence: 0.881766415714286
00:17:08.480 --> 00:17:11.120 support like climate and health agenda
NOTE Confidence: 0.881766415714286
00:17:11.120 --> 00:17:14.116 and middle and the middle income countries.
NOTE Confidence: 0.881766415714286
00:17:14.120 --> 00:17:15.640 So what does that entail?
NOTE Confidence: 0.881766415714286
00:17:15.640 --> 00:17:16.031 Well,
NOTE Confidence: 0.881766415714286
00:17:16.031 --> 00:17:19.159 I think you will all know that building,
NOTE Confidence: 0.881766415714286
00:17:19.160 --> 00:17:21.368 especially building climate to
NOTE Confidence: 0.881766415714286
00:17:21.368 --> 00:17:24.119 resilient health systems requires
NOTE Confidence: 0.881766415714286
00:17:24.119 --> 00:17:26.318 A systematic approach.
NOTE Confidence: 0.881766415714286
00:17:26.320 --> 00:17:29.408 So my the main task of my internship
NOTE Confidence: 0.881766415714286
00:17:29.408 --> 00:17:32.649 was to support the development of
NOTE Confidence: 0.881766415714286
00:17:32.649 --> 00:17:35.614 a decision framework for climate
NOTE Confidence: 0.881766415714286
00:17:35.614 --> 00:17:38.998 change and health systems adaptation.
NOTE Confidence: 0.881766415714286
00:17:39.000 --> 00:17:41.760 What the So what is the decision framework?
NOTE Confidence: 0.881766415714286
00:17:41.760 --> 00:17:42.598 Decision framework?
NOTE Confidence: 0.881766415714286

00:17:42.598 --> 00:17:45.531 Pretty much it's it's it's it's the
NOTE Confidence: 0.881766415714286

00:17:45.531 --> 00:17:48.325 main task of of the decision frameworks
NOTE Confidence: 0.881766415714286

00:17:48.325 --> 00:17:51.098 is to integrate like evidence on
NOTE Confidence: 0.881766415714286

00:17:51.098 --> 00:17:54.965 interventions and and provide like a
NOTE Confidence: 0.881766415714286

00:17:54.965 --> 00:17:58.650 systematic way that can be that can
NOTE Confidence: 0.881766415714286

00:17:58.650 --> 00:18:01.656 help countries to make like informed
NOTE Confidence: 0.881766415714286

00:18:01.656 --> 00:18:04.226 choices informed decision about their
NOTE Confidence: 0.881766415714286

00:18:04.226 --> 00:18:06.920 health interventions and policies.
NOTE Confidence: 0.881766415714286

00:18:06.920 --> 00:18:10.160 So I conducted A literature review
NOTE Confidence: 0.881766415714286

00:18:10.160 --> 00:18:13.820 like to showcase some of the evidence
NOTE Confidence: 0.881766415714286

00:18:13.820 --> 00:18:15.884 based intervention for climate
NOTE Confidence: 0.881766415714286

00:18:15.884 --> 00:18:18.560 change and the health adaptations.
NOTE Confidence: 0.881766415714286

00:18:18.560 --> 00:18:22.368 I also provided that I can identical
NOTE Confidence: 0.881766415714286

00:18:22.368 --> 00:18:25.796 and Technical Support and in terms of
NOTE Confidence: 0.881766415714286

00:18:25.796 --> 00:18:28.490 like finding like trying rating like
NOTE Confidence: 0.881766415714286

00:18:28.585 --> 00:18:31.180 finding like the best implementation

NOTE Confidence: 0.881766415714286
00:18:31.180 --> 00:18:35.160 lessons in the field of climate change.
NOTE Confidence: 0.881766415714286
00:18:35.160 --> 00:18:35.846 I was,
NOTE Confidence: 0.881766415714286
00:18:35.846 --> 00:18:36.532 I was,
NOTE Confidence: 0.881766415714286
00:18:36.532 --> 00:18:40.305 I was in person in DC which was a
NOTE Confidence: 0.881766415714286
00:18:40.305 --> 00:18:43.000 really great opportunity for me.
NOTE Confidence: 0.881766415714286
00:18:43.000 --> 00:18:46.276 I even though some work was,
NOTE Confidence: 0.881766415714286
00:18:46.280 --> 00:18:48.200 I was at the office twice a week,
NOTE Confidence: 0.881766415714286
00:18:48.200 --> 00:18:50.480 so like Tuesdays and Thursdays I
NOTE Confidence: 0.881766415714286
00:18:50.480 --> 00:18:52.000 believe and then Monday,
NOTE Confidence: 0.881766415714286
00:18:52.000 --> 00:18:55.878 Wednesday and Friday I worked from home.
NOTE Confidence: 0.881766415714286
00:18:55.880 --> 00:18:58.232 It was it was an amazing opportunity
NOTE Confidence: 0.881766415714286
00:18:58.232 --> 00:19:00.239 for me because I was able to.
NOTE Confidence: 0.881766415714286
00:19:00.240 --> 00:19:02.760 It was an opportunity to combine my
NOTE Confidence: 0.881766415714286
00:19:02.760 --> 00:19:05.980 interests like in policy development but
NOTE Confidence: 0.881766415714286
00:19:05.980 --> 00:19:08.840 also in health system strengthening,
NOTE Confidence: 0.881766415714286

00:19:08.840 --> 00:19:11.490 especially as they related to
NOTE Confidence: 0.881766415714286

00:19:11.490 --> 00:19:14.140 increasing the resilience of health
NOTE Confidence: 0.817129927272727

00:19:14.227 --> 00:19:17.028 systems. And it allowed me also opportunity
NOTE Confidence: 0.817129927272727

00:19:17.028 --> 00:19:19.957 to be able to connect to the dots
NOTE Confidence: 0.817129927272727

00:19:19.960 --> 00:19:22.590 especially between the climate change
NOTE Confidence: 0.817129927272727

00:19:22.590 --> 00:19:25.680 and universal health coverage efforts.
NOTE Confidence: 0.817129927272727

00:19:25.680 --> 00:19:28.546 So when I was applying to the fellowship
NOTE Confidence: 0.817129927272727

00:19:28.546 --> 00:19:31.014 I I actually did a little bit of
NOTE Confidence: 0.817129927272727

00:19:31.014 --> 00:19:32.968 research and and noticed that the
NOTE Confidence: 0.817129927272727

00:19:32.968 --> 00:19:34.678 health and nutrition population which
NOTE Confidence: 0.817129927272727

00:19:34.678 --> 00:19:36.877 is the department that I was under,
NOTE Confidence: 0.817129927272727

00:19:36.880 --> 00:19:39.897 they also focus on on on what
NOTE Confidence: 0.817129927272727

00:19:39.897 --> 00:19:42.199 they call climate smart UHC.
NOTE Confidence: 0.817129927272727

00:19:42.200 --> 00:19:45.406 And for me US universal health coverage
NOTE Confidence: 0.817129927272727

00:19:45.406 --> 00:19:47.720 is something that's dear to me.
NOTE Confidence: 0.817129927272727

00:19:47.720 --> 00:19:49.780 It's part of the strengthening

NOTE Confidence: 0.817129927272727

00:19:49.780 --> 00:19:52.251 health systems but it's also kind

NOTE Confidence: 0.817129927272727

00:19:52.251 --> 00:19:54.261 of like designated for me because

NOTE Confidence: 0.817129927272727

00:19:54.261 --> 00:19:57.438 I see UHC as like a social justice

NOTE Confidence: 0.817129927272727

00:19:57.438 --> 00:19:59.114 orientation to global health.

NOTE Confidence: 0.817129927272727

00:19:59.120 --> 00:20:02.189 And so it was it was the IT was

NOTE Confidence: 0.817129927272727

00:20:02.189 --> 00:20:05.324 the perfect internship for me.

NOTE Confidence: 0.817129927272727

00:20:05.324 --> 00:20:09.168 It also actually like kind of fits in

NOTE Confidence: 0.817129927272727

00:20:09.168 --> 00:20:11.955 in in in in my career goals and what

NOTE Confidence: 0.817129927272727

00:20:11.955 --> 00:20:15.199 I want to do when after I I live here.

NOTE Confidence: 0.817129927272727

00:20:15.200 --> 00:20:17.900 So it was also opportunity to not just on

NOTE Confidence: 0.817129927272727

00:20:17.900 --> 00:20:20.158 neutral advanced climate health agenda,

NOTE Confidence: 0.817129927272727

00:20:20.160 --> 00:20:23.530 which I was already working on here.

NOTE Confidence: 0.817129927272727

00:20:23.530 --> 00:20:26.080 Here in Connecticut of the governor,

NOTE Confidence: 0.817129927272727

00:20:26.080 --> 00:20:30.410 like helping people with disability

NOTE Confidence: 0.817129927272727

00:20:30.410 --> 00:20:33.632 prepared to you know in terms of

NOTE Confidence: 0.817129927272727

00:20:33.632 --> 00:20:35.200 like climate induced disasters.

NOTE Confidence: 0.817129927272727

00:20:35.200 --> 00:20:38.680 So I I was about to put all my past

NOTE Confidence: 0.817129927272727

00:20:38.789 --> 00:20:41.974 experiences and some of the you know

NOTE Confidence: 0.817129927272727

00:20:41.974 --> 00:20:43.703 like apply some of the things that

NOTE Confidence: 0.817129927272727

00:20:43.703 --> 00:20:45.948 I ran in my courses here I hear on

NOTE Confidence: 0.817129927272727

00:20:45.948 --> 00:20:48.003 the climate and health and and and

NOTE Confidence: 0.817129927272727

00:20:48.003 --> 00:20:50.717 it was an opportunity to see it being

NOTE Confidence: 0.817129927272727

00:20:50.717 --> 00:20:53.433 applied in the world and seeing it

NOTE Confidence: 0.817129927272727

00:20:53.433 --> 00:20:56.082 through the lens of the World Bank

NOTE Confidence: 0.817129927272727

00:20:56.082 --> 00:20:58.404 through the lens of their through

NOTE Confidence: 0.817129927272727

00:20:58.404 --> 00:21:01.548 the lens of their programs and

NOTE Confidence: 0.817129927272727

00:21:01.548 --> 00:21:03.120 the implementation interventions.

NOTE Confidence: 0.817129927272727

00:21:03.120 --> 00:21:04.356 It was, it was very cool,

NOTE Confidence: 0.817129927272727

00:21:04.360 --> 00:21:07.174 was an amazing opportunity and I'll

NOTE Confidence: 0.817129927272727

00:21:07.174 --> 00:21:10.332 stop here and be looking forward

NOTE Confidence: 0.817129927272727

00:21:10.332 --> 00:21:12.117 to any questions,

NOTE Confidence: 0.817129927272727

00:21:12.120 --> 00:21:14.320 to answering any questions that

NOTE Confidence: 0.817129927272727

00:21:14.320 --> 00:21:15.079 you might have.

NOTE Confidence: 0.757337703333333

00:21:18.120 --> 00:21:20.948 Thanks so much, Josie, and for a

NOTE Confidence: 0.757337703333333

00:21:20.948 --> 00:21:23.224 great overview of your experience.

NOTE Confidence: 0.757337703333333

00:21:23.224 --> 00:21:25.957 And so the rest of the time is yours.

NOTE Confidence: 0.757337703333333

00:21:25.960 --> 00:21:28.326 Open up the floor to any comments

NOTE Confidence: 0.757337703333333

00:21:28.326 --> 00:21:30.399 or questions that you might have.

NOTE Confidence: 0.719507662857143

00:21:33.960 --> 00:21:35.514 Oh my God, I had a question.

NOTE Confidence: 0.719507662857143

00:21:35.520 --> 00:21:36.800 Can you hear me?

NOTE Confidence: 0.719507662857143

00:21:36.800 --> 00:21:38.910 I can't, Joshua. Awesome.

NOTE Confidence: 0.719507662857143

00:21:38.910 --> 00:21:41.920 You know, when you look at the

NOTE Confidence: 0.719507662857143

00:21:41.920 --> 00:21:43.700 pasture applicants, you know,

NOTE Confidence: 0.719507662857143

00:21:43.700 --> 00:21:45.925 were there some common themes

NOTE Confidence: 0.719507662857143

00:21:45.925 --> 00:21:48.573 that the the students who replace

NOTE Confidence: 0.719507662857143

00:21:48.573 --> 00:21:50.273 had in their applications?

NOTE Confidence: 0.719507662857143

00:21:50.280 --> 00:21:51.757 Sort of Can you talk more about,
NOTE Confidence: 0.719507662857143

00:21:51.760 --> 00:21:54.440 you know, the application components,
NOTE Confidence: 0.719507662857143

00:21:54.440 --> 00:21:56.225 you know, what you all are looking
NOTE Confidence: 0.719507662857143

00:21:56.225 --> 00:21:58.031 for and also what the placement
NOTE Confidence: 0.719507662857143

00:21:58.031 --> 00:22:00.175 sites potentially are looking for as
NOTE Confidence: 0.719507662857143

00:22:00.175 --> 00:22:02.444 well and how students should keep
NOTE Confidence: 0.719507662857143

00:22:02.444 --> 00:22:04.696 in mind implementing their various
NOTE Confidence: 0.719507662857143

00:22:04.696 --> 00:22:06.888 skills and coursework relevant
NOTE Confidence: 0.719507662857143

00:22:06.888 --> 00:22:09.080 relevancies into their application?
NOTE Confidence: 0.76191013

00:22:10.120 --> 00:22:11.830 Yeah. Well, I I guess I
NOTE Confidence: 0.76191013

00:22:11.830 --> 00:22:13.552 would make 22 comments, one,
NOTE Confidence: 0.76191013

00:22:13.552 --> 00:22:16.660 you know in in terms of that and
NOTE Confidence: 0.76191013

00:22:16.660 --> 00:22:19.108 I'd welcome any comments from Alyssa
NOTE Confidence: 0.76191013

00:22:19.108 --> 00:22:20.848 as well because she participated
NOTE Confidence: 0.76191013

00:22:20.848 --> 00:22:22.240 in the interview process.
NOTE Confidence: 0.76191013

00:22:22.240 --> 00:22:25.532 But you know, I think you know one

NOTE Confidence: 0.76191013

00:22:25.532 --> 00:22:27.716 of the core things we're looking

NOTE Confidence: 0.76191013

00:22:27.716 --> 00:22:30.164 for individuals who really are

NOTE Confidence: 0.76191013

00:22:30.164 --> 00:22:32.348 interested in global health want to

NOTE Confidence: 0.76191013

00:22:32.348 --> 00:22:34.259 make a contribution in this field.

NOTE Confidence: 0.76191013

00:22:34.259 --> 00:22:36.164 So you know, we're looking for people

NOTE Confidence: 0.76191013

00:22:36.164 --> 00:22:38.094 who are really this is the direction

NOTE Confidence: 0.76191013

00:22:38.094 --> 00:22:40.078 that they want to want to go in.

NOTE Confidence: 0.76191013

00:22:40.080 --> 00:22:41.568 And the other piece I would

NOTE Confidence: 0.76191013

00:22:41.568 --> 00:22:43.039 say that that comes to mind,

NOTE Confidence: 0.76191013

00:22:43.040 --> 00:22:45.152 you know there's some have a

NOTE Confidence: 0.76191013

00:22:45.152 --> 00:22:46.560 particular focus for example,

NOTE Confidence: 0.76191013

00:22:46.560 --> 00:22:48.555 you know Josie Ann mentioned climate change.

NOTE Confidence: 0.76191013

00:22:48.560 --> 00:22:51.416 So to the extent that you could

NOTE Confidence: 0.76191013

00:22:51.416 --> 00:22:53.805 feature any you know studies or work

NOTE Confidence: 0.76191013

00:22:53.805 --> 00:22:56.000 that you've done that are relevant,

NOTE Confidence: 0.76191013

00:22:56.000 --> 00:22:59.059 I think to the to the specific
NOTE Confidence: 0.76191013

00:22:59.059 --> 00:23:01.320 opportunity would be important.
NOTE Confidence: 0.76191013

00:23:01.320 --> 00:23:03.160 I know for example with the climate change,
NOTE Confidence: 0.76191013

00:23:03.160 --> 00:23:05.425 any opportunities that we have
NOTE Confidence: 0.76191013

00:23:05.425 --> 00:23:07.237 with with climate change,
NOTE Confidence: 0.76191013

00:23:07.240 --> 00:23:09.592 we tried to engage with the Center
NOTE Confidence: 0.76191013

00:23:09.592 --> 00:23:11.758 on Climate Change and Health at the
NOTE Confidence: 0.76191013

00:23:11.758 --> 00:23:12.853 School of Public Health because
NOTE Confidence: 0.76191013

00:23:12.853 --> 00:23:14.331 I know that the students that
NOTE Confidence: 0.76191013

00:23:14.331 --> 00:23:15.359 are engaging with that,
NOTE Confidence: 0.76191013

00:23:15.360 --> 00:23:17.730 with that program and then also
NOTE Confidence: 0.76191013

00:23:17.730 --> 00:23:20.763 just to pay attention in in in some
NOTE Confidence: 0.76191013

00:23:20.763 --> 00:23:22.821 cases it's very specific that an
NOTE Confidence: 0.76191013

00:23:22.899 --> 00:23:25.521 opportunity is for a graduate student
NOTE Confidence: 0.76191013

00:23:25.521 --> 00:23:27.592 and they're looking for someone
NOTE Confidence: 0.76191013

00:23:27.592 --> 00:23:29.632 with a a specific qualification.

NOTE Confidence: 0.76191013

00:23:29.640 --> 00:23:32.332 So those are two or three general reactions.

NOTE Confidence: 0.76191013

00:23:32.332 --> 00:23:32.864 But listen,

NOTE Confidence: 0.76191013

00:23:32.864 --> 00:23:35.120 I don't know if you would add on

NOTE Confidence: 0.76191013

00:23:35.120 --> 00:23:36.640 to that having experienced the

NOTE Confidence: 0.76191013

00:23:36.640 --> 00:23:38.080 interview process directly last year.

NOTE Confidence: 0.76191013

00:23:38.080 --> 00:23:38.400 Yes.

NOTE Confidence: 0.954335308

00:23:38.400 --> 00:23:40.056 And having taken a look at

NOTE Confidence: 0.954335308

00:23:40.056 --> 00:23:41.160 all of those applications,

NOTE Confidence: 0.954335308

00:23:41.160 --> 00:23:42.622 there was quite a few.

NOTE Confidence: 0.954335308

00:23:42.622 --> 00:23:44.186 And then sitting through

NOTE Confidence: 0.954335308

00:23:44.186 --> 00:23:45.359 the interview process,

NOTE Confidence: 0.954335308

00:23:45.360 --> 00:23:47.068 I will say one thing that resonated

NOTE Confidence: 0.954335308

00:23:47.068 --> 00:23:49.670 and a common theme along all

NOTE Confidence: 0.954335308

00:23:49.670 --> 00:23:51.320 of the applicants is even if

NOTE Confidence: 0.954335308

00:23:51.320 --> 00:23:52.840 they didn't have as strong of

NOTE Confidence: 0.954335308

00:23:52.840 --> 00:23:54.240 a background in global health.
NOTE Confidence: 0.954335308

00:23:54.240 --> 00:23:55.920 And one of the questions I believe
NOTE Confidence: 0.90146719

00:23:55.920 --> 00:23:58.040 that's still on the
NOTE Confidence: 0.90146719

00:23:58.040 --> 00:24:00.600 application itself is how much
NOTE Confidence: 0.896700758333333

00:24:00.600 --> 00:24:02.880 background you have in global health.
NOTE Confidence: 0.896700758333333

00:24:02.880 --> 00:24:05.520 We do all like have flexibility with that,
NOTE Confidence: 0.896700758333333

00:24:05.520 --> 00:24:07.925 like you don't have to be as strong with
NOTE Confidence: 0.896700758333333

00:24:07.925 --> 00:24:09.990 a global health background in terms of
NOTE Confidence: 0.896700758333333

00:24:10.050 --> 00:24:12.073 like how many classes we've taken or
NOTE Confidence: 0.896700758333333

00:24:12.073 --> 00:24:14.118 how much direct experience you have.
NOTE Confidence: 0.896700758333333

00:24:14.120 --> 00:24:16.013 But if you show a genuine interest,
NOTE Confidence: 0.896700758333333

00:24:16.013 --> 00:24:17.879 it goes such a long way.
NOTE Confidence: 0.896700758333333

00:24:17.880 --> 00:24:19.266 So that was something I really
NOTE Confidence: 0.896700758333333

00:24:19.266 --> 00:24:21.210 noted amongst all the applicants,
NOTE Confidence: 0.896700758333333

00:24:21.210 --> 00:24:22.720 regardless of how much global
NOTE Confidence: 0.896700758333333

00:24:22.720 --> 00:24:24.004 health experience they had,

NOTE Confidence: 0.896700758333333

00:24:24.004 --> 00:24:26.176 they had such a strong and

NOTE Confidence: 0.896700758333333

00:24:26.176 --> 00:24:27.359 passionate interest in it.

NOTE Confidence: 0.896700758333333

00:24:27.360 --> 00:24:28.080 So that was

NOTE Confidence: 0.884907014

00:24:28.960 --> 00:24:32.480 the immediate thought I had and

NOTE Confidence: 0.831975908888889

00:24:32.720 --> 00:24:34.868 I had another question.

NOTE Confidence: 0.831975908888889

00:24:34.868 --> 00:24:38.082 Are there any figures that show how

NOTE Confidence: 0.831975908888889

00:24:38.082 --> 00:24:39.648 many students who were were placed

NOTE Confidence: 0.831975908888889

00:24:39.648 --> 00:24:41.480 in these internship opportunities,

NOTE Confidence: 0.831975908888889

00:24:41.480 --> 00:24:43.352 how many of them have converted

NOTE Confidence: 0.831975908888889

00:24:43.352 --> 00:24:44.600 into full time positions

NOTE Confidence: 0.69562291

00:24:45.680 --> 00:24:47.240 That's a that's a great question.

NOTE Confidence: 0.69562291

00:24:47.240 --> 00:24:49.676 We don't, you know we don't have

NOTE Confidence: 0.752652501111111

00:24:51.760 --> 00:24:53.580 kind of specifics on that

NOTE Confidence: 0.752652501111111

00:24:53.580 --> 00:24:55.036 more anecdotal Jon trail.

NOTE Confidence: 0.752652501111111

00:24:55.040 --> 00:24:57.480 So just to give a couple of anecdotes,

NOTE Confidence: 0.752652501111111

00:24:57.480 --> 00:25:00.595 it would be maybe even three years ago
NOTE Confidence: 0.7526525011111111

00:25:00.595 --> 00:25:03.360 now we had a colleague, Tim DeVito,
NOTE Confidence: 0.7526525011111111

00:25:03.360 --> 00:25:05.280 who's at the School of Medicine,
NOTE Confidence: 0.7526525011111111

00:25:05.280 --> 00:25:07.752 who continued work that I had
NOTE Confidence: 0.7526525011111111

00:25:07.752 --> 00:25:09.400 a consultancy with UNICEF.
NOTE Confidence: 0.7526525011111111

00:25:09.400 --> 00:25:12.840 In fact, just Friday,
NOTE Confidence: 0.7526525011111111

00:25:12.840 --> 00:25:14.496 Josie Ann's colleague Charlie
NOTE Confidence: 0.7526525011111111

00:25:14.496 --> 00:25:16.566 Minakuchi from the School of
NOTE Confidence: 0.7526525011111111

00:25:16.566 --> 00:25:18.518 Public Health was offered an
NOTE Confidence: 0.7526525011111111

00:25:18.518 --> 00:25:20.358 opportunity at the World Bank.
NOTE Confidence: 0.7526525011111111

00:25:20.360 --> 00:25:21.408 So we do there.
NOTE Confidence: 0.7526525011111111

00:25:21.408 --> 00:25:22.995 We do have, there are anecdotal,
NOTE Confidence: 0.7526525011111111

00:25:22.995 --> 00:25:25.760 but I don't have a kind of a comprehensive
NOTE Confidence: 0.7536461488888889

00:25:27.800 --> 00:25:29.640 understanding of all all who
NOTE Confidence: 0.7536461488888889

00:25:29.640 --> 00:25:31.112 have gotten opportunities out.
NOTE Confidence: 0.783966819166667

00:25:35.040 --> 00:25:35.931 Awesome. Thank you.

NOTE Confidence: 0.783966819166667
00:25:35.931 --> 00:25:38.679 And then I had a question for Josie Ann.
NOTE Confidence: 0.783966819166667
00:25:38.680 --> 00:25:39.796 Josie Ann, can you talk about,
NOTE Confidence: 0.783966819166667
00:25:39.800 --> 00:25:41.036 you know, you know,
NOTE Confidence: 0.783966819166667
00:25:41.036 --> 00:25:43.479 if at all how you were able to
NOTE Confidence: 0.783966819166667
00:25:43.480 --> 00:25:45.275 use your various background and
NOTE Confidence: 0.783966819166667
00:25:45.275 --> 00:25:47.435 skills and public health and global
NOTE Confidence: 0.783966819166667
00:25:47.435 --> 00:25:49.570 health and and even some of the
NOTE Confidence: 0.783966819166667
00:25:49.570 --> 00:25:51.430 courses that you've taken or that
NOTE Confidence: 0.783966819166667
00:25:51.430 --> 00:25:53.075 you had taken up until that point,
NOTE Confidence: 0.783966819166667
00:25:53.080 --> 00:25:55.292 how you were able to use that
NOTE Confidence: 0.783966819166667
00:25:55.292 --> 00:25:57.120 knowledge and and really become
NOTE Confidence: 0.783966819166667
00:25:57.120 --> 00:25:59.120 immersed in your internship and
NOTE Confidence: 0.783966819166667
00:25:59.120 --> 00:26:01.200 to use it as part of the team.
NOTE Confidence: 0.784873381666667
00:26:03.800 --> 00:26:05.678 Yeah, that's a really great question.
NOTE Confidence: 0.784873381666667
00:26:05.680 --> 00:26:10.999 Yes. So I I had to take in some
NOTE Confidence: 0.784873381666667

00:26:11.000 --> 00:26:12.716 climate and health courses,
NOTE Confidence: 0.784873381666667

00:26:12.716 --> 00:26:16.232 but I was also still new to the
NOTE Confidence: 0.784873381666667

00:26:16.232 --> 00:26:18.861 climate and health. So for me,
NOTE Confidence: 0.784873381666667

00:26:18.861 --> 00:26:23.000 I leverage a lot of my policy courses.
NOTE Confidence: 0.784873381666667

00:26:23.000 --> 00:26:26.104 Like I I have taken a course with
NOTE Confidence: 0.784873381666667

00:26:26.104 --> 00:26:28.424 Doctor Hicks only that touches on
NOTE Confidence: 0.784873381666667

00:26:28.424 --> 00:26:30.354 on a universal health coverage,
NOTE Confidence: 0.784873381666667

00:26:30.360 --> 00:26:33.139 but it also touches on a policy
NOTE Confidence: 0.784873381666667

00:26:33.139 --> 00:26:35.040 development as they apply to
NOTE Confidence: 0.784873381666667

00:26:35.040 --> 00:26:36.600 health system strengthening.
NOTE Confidence: 0.784873381666667

00:26:36.600 --> 00:26:40.240 I think another course that I can,
NOTE Confidence: 0.784873381666667

00:26:40.240 --> 00:26:44.066 I think that it really helped a lot
NOTE Confidence: 0.784873381666667

00:26:44.066 --> 00:26:47.056 is health policy course having having
NOTE Confidence: 0.784873381666667

00:26:47.056 --> 00:26:49.984 taken like rend about how health
NOTE Confidence: 0.784873381666667

00:26:49.984 --> 00:26:52.280 different health systems operate.
NOTE Confidence: 0.784873381666667

00:26:52.280 --> 00:26:53.996 But to tell you the truth,

NOTE Confidence: 0.784873381666667
00:26:54.000 --> 00:26:58.096 I actually for me I was looking for
NOTE Confidence: 0.784873381666667
00:26:58.096 --> 00:27:01.267 another reason why I applied it to
NOTE Confidence: 0.784873381666667
00:27:01.267 --> 00:27:03.910 this fellowship was because I was
NOTE Confidence: 0.784873381666667
00:27:03.910 --> 00:27:06.140 looking for opportunity to challenge
NOTE Confidence: 0.784873381666667
00:27:06.217 --> 00:27:08.277 myself and then something new.
NOTE Confidence: 0.784873381666667
00:27:08.280 --> 00:27:11.280 And I actually, like I said,
NOTE Confidence: 0.784873381666667
00:27:11.280 --> 00:27:12.876 I was new to climate and health,
NOTE Confidence: 0.784873381666667
00:27:12.880 --> 00:27:17.276 but I was willing to reign and
NOTE Confidence: 0.784873381666667
00:27:17.276 --> 00:27:22.546 I had documented how I have used
NOTE Confidence: 0.784873381666667
00:27:22.546 --> 00:27:24.656 previous experience in being able
NOTE Confidence: 0.784873381666667
00:27:24.656 --> 00:27:27.344 to adapt quick and drain.
NOTE Confidence: 0.784873381666667
00:27:27.344 --> 00:27:31.126 And so I noticed for me it wasn't
NOTE Confidence: 0.784873381666667
00:27:31.126 --> 00:27:33.600 mostly like the courses itself.
NOTE Confidence: 0.784873381666667
00:27:33.600 --> 00:27:36.876 It was a combination of courses,
NOTE Confidence: 0.784873381666667
00:27:36.880 --> 00:27:38.194 past experience,
NOTE Confidence: 0.784873381666667

00:27:38.194 --> 00:27:43.190 but also just the hunger that to image
NOTE Confidence: 0.784873381666667

00:27:43.190 --> 00:27:45.920 myself in a new topic in delaying.
NOTE Confidence: 0.784873381666667

00:27:45.920 --> 00:27:49.200 But of course I had to show evidence of that.
NOTE Confidence: 0.784873381666667

00:27:49.200 --> 00:27:51.477 How has it worked for me in the past,
NOTE Confidence: 0.784873381666667

00:27:51.480 --> 00:27:55.274 you know? And so I I am.
NOTE Confidence: 0.784873381666667

00:27:55.280 --> 00:27:58.316 I explained that in my interview.
NOTE Confidence: 0.784873381666667

00:27:58.320 --> 00:28:02.625 I showed examples of that being able
NOTE Confidence: 0.784873381666667

00:28:02.625 --> 00:28:06.376 to match myself as we're able to be
NOTE Confidence: 0.784873381666667

00:28:06.376 --> 00:28:08.812 able to jump into new challenges.
NOTE Confidence: 0.784873381666667

00:28:08.812 --> 00:28:11.581 For me that means I was an
NOTE Confidence: 0.784873381666667

00:28:11.581 --> 00:28:13.496 untraditional students I have had
NOTE Confidence: 0.784873381666667

00:28:13.496 --> 00:28:16.916 to it out my life all all the time
NOTE Confidence: 0.784873381666667

00:28:16.916 --> 00:28:19.187 and that's just and then constantly
NOTE Confidence: 0.784873381666667

00:28:19.187 --> 00:28:21.989 then sometimes even I've been thrown
NOTE Confidence: 0.784873381666667

00:28:21.989 --> 00:28:24.715 into new situations and and you know
NOTE Confidence: 0.784873381666667

00:28:24.715 --> 00:28:27.368 in the career changes and so it's a

NOTE Confidence: 0.784873381666667

00:28:27.368 --> 00:28:29.456 combination of all those things not

NOTE Confidence: 0.784873381666667

00:28:29.456 --> 00:28:32.152 not per SE like any classes I Yale

NOTE Confidence: 0.784873381666667

00:28:32.152 --> 00:28:34.840 or only my my my experience it's

NOTE Confidence: 0.784873381666667

00:28:34.840 --> 00:28:37.808 it's like all this like you know

NOTE Confidence: 0.784873381666667

00:28:37.891 --> 00:28:40.796 cycle and combination of everything

NOTE Confidence: 0.780733546666667

00:28:42.880 --> 00:28:45.320 awesome. Thank you. Thanks

NOTE Confidence: 0.605573018333333

00:28:45.320 --> 00:28:47.692 for those great questions.

NOTE Confidence: 0.605573018333333

00:28:47.692 --> 00:28:51.240 John Trav, any other questions? Yeah,

NOTE Confidence: 0.8750084215

00:28:51.240 --> 00:28:53.976 I do. So I have a question about you

NOTE Confidence: 0.8750084215

00:28:53.976 --> 00:28:56.856 know like the budget and the payments

NOTE Confidence: 0.8750084215

00:28:56.856 --> 00:28:59.512 and stuff because well, this is a full,

NOTE Confidence: 0.8750084215

00:28:59.512 --> 00:29:01.968 it's going to be like a full time role.

NOTE Confidence: 0.8750084215

00:29:01.968 --> 00:29:04.592 And I know you mentioned that you work

NOTE Confidence: 0.8750084215

00:29:04.592 --> 00:29:07.474 with students to develop a budget and all.

NOTE Confidence: 0.8750084215

00:29:07.480 --> 00:29:10.476 Do you have like I don't know,

NOTE Confidence: 0.8750084215

00:29:10.480 --> 00:29:13.560 just like on average how much people,
NOTE Confidence: 0.8750084215

00:29:13.560 --> 00:29:15.660 I mean people who participate in
NOTE Confidence: 0.8750084215

00:29:15.660 --> 00:29:17.807 this program are getting from the
NOTE Confidence: 0.8750084215

00:29:17.807 --> 00:29:19.992 program to support, you know,
NOTE Confidence: 0.8750084215

00:29:19.992 --> 00:29:22.506 their living expenses if it whether
NOTE Confidence: 0.8750084215

00:29:22.506 --> 00:29:24.078 it's remote or international or even
NOTE Confidence: 0.8750084215

00:29:24.078 --> 00:29:25.949 here in the US but they have to travel
NOTE Confidence: 0.8750084215

00:29:25.949 --> 00:29:27.711 to like a new state like just. Yeah.
NOTE Confidence: 0.8750084215

00:29:27.711 --> 00:29:29.879 And did going to Washington and all that.
NOTE Confidence: 0.8750084215

00:29:29.880 --> 00:29:30.120 Yeah,
NOTE Confidence: 0.808757301428571

00:29:31.720 --> 00:29:32.700 yeah, no great question.
NOTE Confidence: 0.808757301428571

00:29:32.700 --> 00:29:34.990 I would say you know the the average
NOTE Confidence: 0.808757301428571

00:29:34.990 --> 00:29:37.757 award that we work to to give is around
NOTE Confidence: 0.808757301428571

00:29:37.760 --> 00:29:39.788 \$6000 security to include all the
NOTE Confidence: 0.808757301428571

00:29:39.788 --> 00:29:41.515 different components that I mentioned
NOTE Confidence: 0.808757301428571

00:29:41.515 --> 00:29:43.692 earlier that said we do work with

NOTE Confidence: 0.808757301428571

00:29:43.692 --> 00:29:45.303 Felicia with each student because

NOTE Confidence: 0.808757301428571

00:29:45.303 --> 00:29:47.480 of exactly what you what you noted.

NOTE Confidence: 0.808757301428571

00:29:47.480 --> 00:29:52.505 Now Josie Ann was down in Washington we

NOTE Confidence: 0.808757301428571

00:29:52.505 --> 00:29:56.152 had fellows in Geneva with the global

NOTE Confidence: 0.808757301428571

00:29:56.152 --> 00:30:00.180 funding and and Gavi and so you know we

NOTE Confidence: 0.808757301428571

00:30:00.180 --> 00:30:02.778 obviously have to be responsive to that.

NOTE Confidence: 0.808757301428571

00:30:02.778 --> 00:30:05.221 So you know we work with each

NOTE Confidence: 0.808757301428571

00:30:05.221 --> 00:30:07.860 student if it's above 6000 we we we

NOTE Confidence: 0.808757301428571

00:30:07.860 --> 00:30:10.030 you know work with the students to

NOTE Confidence: 0.808757301428571

00:30:10.030 --> 00:30:12.273 define what that would would be and

NOTE Confidence: 0.808757301428571

00:30:12.273 --> 00:30:13.911 in general but Alyssa can correct

NOTE Confidence: 0.808757301428571

00:30:13.911 --> 00:30:15.997 I mean Alyssa can correct me but we

NOTE Confidence: 0.808757301428571

00:30:15.997 --> 00:30:17.839 have been you know able to figure

NOTE Confidence: 0.808757301428571

00:30:17.839 --> 00:30:19.862 out budgets and funding for all the

NOTE Confidence: 0.808757301428571

00:30:19.862 --> 00:30:21.796 students who participate never been

NOTE Confidence: 0.808757301428571

00:30:21.796 --> 00:30:24.592 in a situation where a student then
NOTE Confidence: 0.808757301428571

00:30:24.592 --> 00:30:26.866 has to to kind of find another pocket
NOTE Confidence: 0.808757301428571

00:30:26.866 --> 00:30:29.279 of funding to fill out the full budget.
NOTE Confidence: 0.871498887142857

00:30:32.000 --> 00:30:34.502 So and that's where the partnership
NOTE Confidence: 0.871498887142857

00:30:34.502 --> 00:30:36.585 with career services at public health
NOTE Confidence: 0.871498887142857

00:30:36.585 --> 00:30:38.250 and also the undergraduate program
NOTE Confidence: 0.871498887142857

00:30:38.303 --> 00:30:39.920 has been very, very instrumental.
NOTE Confidence: 0.882040428

00:30:44.240 --> 00:30:46.032 All right, thank you.
NOTE Confidence: 0.882040428

00:30:46.032 --> 00:30:47.920 And just another question as
NOTE Confidence: 0.882040428

00:30:47.920 --> 00:30:49.720 well for the second interview,
NOTE Confidence: 0.882040428

00:30:49.720 --> 00:30:52.430 second round interviews that is
NOTE Confidence: 0.882040428

00:30:52.430 --> 00:30:54.598 conducted by the organization.
NOTE Confidence: 0.882040428

00:30:54.600 --> 00:30:56.640 So right, just to clarify. OK,
NOTE Confidence: 0.941306034

00:30:56.840 --> 00:30:58.536 that's correct. That's correct.
NOTE Confidence: 0.941306034

00:30:58.536 --> 00:31:01.690 We and and and maybe just to further
NOTE Confidence: 0.941306034

00:31:01.690 --> 00:31:03.898 clarify what we do you know through

NOTE Confidence: 0.941306034

00:31:03.898 --> 00:31:05.497 the application process you know

NOTE Confidence: 0.941306034

00:31:05.497 --> 00:31:07.435 that you're you have top priorities.

NOTE Confidence: 0.941306034

00:31:07.440 --> 00:31:09.736 I would just say even in the interview

NOTE Confidence: 0.941306034

00:31:09.736 --> 00:31:11.645 itself though that could provide an

NOTE Confidence: 0.941306034

00:31:11.645 --> 00:31:13.565 opportunity where you might note you

NOTE Confidence: 0.941306034

00:31:13.621 --> 00:31:15.645 know one or two others that are of

NOTE Confidence: 0.941306034

00:31:15.645 --> 00:31:17.642 interest or I know I've I've had the

NOTE Confidence: 0.941306034

00:31:17.642 --> 00:31:19.096 experience I'm sure Alyssa has as

NOTE Confidence: 0.941306034

00:31:19.096 --> 00:31:20.728 well where we said Oh well have you

NOTE Confidence: 0.941306034

00:31:20.778 --> 00:31:22.478 considered this internship as well.

NOTE Confidence: 0.941306034

00:31:22.480 --> 00:31:23.956 And then what we do is,

NOTE Confidence: 0.941306034

00:31:23.960 --> 00:31:26.158 is is kind of create essentially short

NOTE Confidence: 0.941306034

00:31:26.158 --> 00:31:28.325 list with each of the opportunities

NOTE Confidence: 0.941306034

00:31:28.325 --> 00:31:30.255 share 2-3 candidates with each

NOTE Confidence: 0.941306034

00:31:30.255 --> 00:31:32.155 because again it's not just we

NOTE Confidence: 0.941306034

00:31:32.155 --> 00:31:34.456 don't just give them one and say you
NOTE Confidence: 0.941306034

00:31:34.456 --> 00:31:36.196 have to take this student.
NOTE Confidence: 0.941306034

00:31:36.200 --> 00:31:40.060 So yes each it it is the organization
NOTE Confidence: 0.941306034

00:31:40.060 --> 00:31:41.920 it's kind of an organizational entity.
NOTE Confidence: 0.941306034

00:31:41.920 --> 00:31:44.488 So myself Alyssa or any other we we're
NOTE Confidence: 0.941306034

00:31:44.488 --> 00:31:46.396 not involved in that part of it.
NOTE Confidence: 0.941306034

00:31:46.400 --> 00:31:48.276 It's kind of like a one-on-one and
NOTE Confidence: 0.941306034

00:31:48.276 --> 00:31:50.182 then they basically get back to us
NOTE Confidence: 0.941306034

00:31:50.182 --> 00:31:51.760 with whatever their final decision is.
NOTE Confidence: 0.865659983333333

00:31:54.720 --> 00:31:57.078 That's nice. Do people do you
NOTE Confidence: 0.865659983333333

00:31:57.080 --> 00:31:58.940 do you have like students on
NOTE Confidence: 0.865659983333333

00:31:58.940 --> 00:32:02.360 wait lists just in case we we do
NOTE Confidence: 0.954176244545454

00:32:02.360 --> 00:32:04.060 I couldn't give you like
NOTE Confidence: 0.954176244545454

00:32:04.060 --> 00:32:06.160 specific numbers but we do have,
NOTE Confidence: 0.954176244545454

00:32:06.160 --> 00:32:09.157 we do have a wait list in a sense
NOTE Confidence: 0.954176244545454

00:32:09.157 --> 00:32:11.360 because in some cases students

NOTE Confidence: 0.954176244545454

00:32:11.360 --> 00:32:13.840 might be you know they have a few

NOTE Confidence: 0.954176244545454

00:32:13.840 --> 00:32:16.609 irons in the fire and they might

NOTE Confidence: 0.954176244545454

00:32:16.609 --> 00:32:18.679 take a different opportunity so.

NOTE Confidence: 0.954176244545454

00:32:18.680 --> 00:32:22.466 So yes, we we kind of see where

NOTE Confidence: 0.954176244545454

00:32:22.466 --> 00:32:23.967 things net out the organization

NOTE Confidence: 0.954176244545454

00:32:23.967 --> 00:32:26.708 with the student and if any of if

NOTE Confidence: 0.954176244545454

00:32:26.708 --> 00:32:28.556 the student decides to do something

NOTE Confidence: 0.954176244545454

00:32:28.560 --> 00:32:30.160 totally different than create an

NOTE Confidence: 0.954176244545454

00:32:30.160 --> 00:32:31.760 opportunity for for someone else.

NOTE Confidence: 0.739122268

00:32:34.160 --> 00:32:36.480 All right. Thank you. All right, Felicia.

NOTE Confidence: 0.644666518571429

00:32:39.440 --> 00:32:40.840 Then Mike, I got another question here.

NOTE Confidence: 0.644666518571429

00:32:40.840 --> 00:32:43.330 So there are 21 placements across

NOTE Confidence: 0.644666518571429

00:32:43.330 --> 00:32:45.400 these six organizations this year.

NOTE Confidence: 0.644666518571429

00:32:45.400 --> 00:32:47.816 But of course you know the second round

NOTE Confidence: 0.644666518571429

00:32:47.816 --> 00:32:49.740 interview is for the organization

NOTE Confidence: 0.644666518571429

00:32:49.740 --> 00:32:51.765 to interview the students that
NOTE Confidence: 0.644666518571429

00:32:51.765 --> 00:32:54.776 you all referred are all 21 place.
NOTE Confidence: 0.644666518571429

00:32:54.776 --> 00:32:58.840 Well generally are all placements filled
NOTE Confidence: 0.644666518571429

00:32:58.840 --> 00:33:00.652 because again the the the ultimate
NOTE Confidence: 0.644666518571429

00:33:00.652 --> 00:33:02.200 decision is the organization right.
NOTE Confidence: 0.644666518571429

00:33:02.200 --> 00:33:03.982 But doesn't actually mean that they
NOTE Confidence: 0.644666518571429

00:33:03.982 --> 00:33:06.195 have to take the student that you
NOTE Confidence: 0.644666518571429

00:33:06.195 --> 00:33:08.120 know the that that you all referred.
NOTE Confidence: 0.644666518571429

00:33:08.120 --> 00:33:10.115 So are all those placements generally filled.
NOTE Confidence: 0.66961038

00:33:10.760 --> 00:33:12.174 Yeah, I mean it's a that's an
NOTE Confidence: 0.66961038

00:33:12.174 --> 00:33:13.040 interesting question John Trail,
NOTE Confidence: 0.66961038

00:33:13.040 --> 00:33:14.816 I mean because sure they could
NOTE Confidence: 0.66961038

00:33:14.816 --> 00:33:17.254 say Nah we don't like any but but
NOTE Confidence: 0.66961038

00:33:17.254 --> 00:33:19.030 the but the experience to date
NOTE Confidence: 0.66961038

00:33:19.100 --> 00:33:21.116 has been all get all get filled.
NOTE Confidence: 0.66961038

00:33:21.120 --> 00:33:23.760 In fact it's actually the experience

NOTE Confidence: 0.66961038

00:33:23.760 --> 00:33:26.740 has been the opposite in the sense

NOTE Confidence: 0.66961038

00:33:26.740 --> 00:33:29.040 where we have such good candidates

NOTE Confidence: 0.66961038

00:33:29.040 --> 00:33:31.230 that sometimes we advocate for one

NOTE Confidence: 0.66961038

00:33:31.230 --> 00:33:33.564 or two more you know depending on on

NOTE Confidence: 0.66961038

00:33:33.564 --> 00:33:36.080 budget and that's that sort of thing.

NOTE Confidence: 0.66961038

00:33:36.080 --> 00:33:38.744 So we have never been in a situation

NOTE Confidence: 0.66961038

00:33:38.744 --> 00:33:40.778 where you know last year we had

NOTE Confidence: 0.66961038

00:33:40.778 --> 00:33:42.451 12 placements though but we were

NOTE Confidence: 0.66961038

00:33:42.451 --> 00:33:44.355 only able to fit you know fine 10.

NOTE Confidence: 0.66961038

00:33:44.360 --> 00:33:46.866 So I feel confident that we will

NOTE Confidence: 0.66961038

00:33:46.866 --> 00:33:49.723 we'll we'll be able to fill all

NOTE Confidence: 0.66961038

00:33:49.723 --> 00:33:50.998 these different spots.

NOTE Confidence: 0.9666512

00:33:58.040 --> 00:34:01.320 How much time do students have

NOTE Confidence: 0.8760401922222222

00:34:01.320 --> 00:34:03.597 to accept the offer once the offer is made?

NOTE Confidence: 0.873698288

00:34:04.920 --> 00:34:06.640 Oh, that's a great question.

NOTE Confidence: 0.873698288

00:34:06.640 --> 00:34:09.732 I mean I in a second here turn to
NOTE Confidence: 0.873698288

00:34:09.732 --> 00:34:11.679 Josie Ann to just reflect on your,
NOTE Confidence: 0.873698288

00:34:11.680 --> 00:34:13.208 it's your specific experience.
NOTE Confidence: 0.873698288

00:34:13.208 --> 00:34:15.760 But what I would say Felicia is,
NOTE Confidence: 0.873698288

00:34:15.760 --> 00:34:17.000 is you know it,
NOTE Confidence: 0.873698288

00:34:17.000 --> 00:34:19.680 it can be a little bit variable.
NOTE Confidence: 0.873698288

00:34:19.680 --> 00:34:21.516 I mean I guess one of the things I
NOTE Confidence: 0.873698288

00:34:21.516 --> 00:34:23.736 I would just stress is again just
NOTE Confidence: 0.873698288

00:34:23.736 --> 00:34:26.592 keep in mind that you know these
NOTE Confidence: 0.873698288

00:34:26.592 --> 00:34:29.200 are kind of program officers at
NOTE Confidence: 0.873698288

00:34:29.200 --> 00:34:30.520 these different organizations.
NOTE Confidence: 0.873698288

00:34:30.520 --> 00:34:32.398 They have lots of their own,
NOTE Confidence: 0.873698288

00:34:32.400 --> 00:34:33.708 lots of work priorities.
NOTE Confidence: 0.873698288

00:34:33.708 --> 00:34:36.276 So sometimes you know that it could be
NOTE Confidence: 0.873698288

00:34:36.276 --> 00:34:38.452 very quick or it could take a little
NOTE Confidence: 0.873698288

00:34:38.519 --> 00:34:40.757 bit longer than you might anticipate.

NOTE Confidence: 0.873698288

00:34:40.760 --> 00:34:42.840 Our goal is to try to do it,

NOTE Confidence: 0.873698288

00:34:42.840 --> 00:34:45.318 you know, soon after the spring break,

NOTE Confidence: 0.873698288

00:34:45.320 --> 00:34:47.160 you know into the beginning

NOTE Confidence: 0.873698288

00:34:47.160 --> 00:34:48.632 of April time frame.

NOTE Confidence: 0.873698288

00:34:48.640 --> 00:34:49.280 So that would be like,

NOTE Confidence: 0.873698288

00:34:49.280 --> 00:34:50.200 you know,

NOTE Confidence: 0.873698288

00:34:50.200 --> 00:34:52.960 kind of a couple weeks because

NOTE Confidence: 0.873698288

00:34:52.960 --> 00:34:54.910 obviously you're also sorting out

NOTE Confidence: 0.873698288

00:34:54.910 --> 00:34:56.860 your summer plans and weighing

NOTE Confidence: 0.873698288

00:34:56.926 --> 00:34:58.998 different opportunities and stuff.

NOTE Confidence: 0.873698288

00:34:59.000 --> 00:35:00.440 So I would say usually take

NOTE Confidence: 0.873698288

00:35:00.440 --> 00:35:01.400 probably a couple weeks.

NOTE Confidence: 0.873698288

00:35:01.400 --> 00:35:02.600 But Josie Ann, what was your,

NOTE Confidence: 0.873698288

00:35:02.600 --> 00:35:03.832 what was your experience?

NOTE Confidence: 0.873698288

00:35:03.832 --> 00:35:06.480 I know you were working with Zara Schuber,

NOTE Confidence: 0.873698288

00:35:06.480 --> 00:35:08.382 and I know Zara's really kind

NOTE Confidence: 0.873698288

00:35:08.382 --> 00:35:10.256 of on top of it because she's

NOTE Confidence: 0.873698288

00:35:10.256 --> 00:35:11.196 been such a great partner.

NOTE Confidence: 0.873698288

00:35:11.200 --> 00:35:12.880 But what was your experience?

NOTE Confidence: 0.873698288

00:35:12.880 --> 00:35:13.360 Yeah,

NOTE Confidence: 0.831268441428571

00:35:13.680 --> 00:35:17.862 Yes. So I called my second

NOTE Confidence: 0.831268441428571

00:35:17.862 --> 00:35:20.285 interview with the organizations.

NOTE Confidence: 0.831268441428571

00:35:20.285 --> 00:35:24.234 It was during spring break and then

NOTE Confidence: 0.831268441428571

00:35:24.234 --> 00:35:27.993 like I believe two weeks after that

NOTE Confidence: 0.831268441428571

00:35:28.000 --> 00:35:32.360 I I received the offer and I had

NOTE Confidence: 0.831268441428571

00:35:32.360 --> 00:35:35.020 like I believe also two weeks to

NOTE Confidence: 0.831268441428571

00:35:35.020 --> 00:35:38.041 make to make a decision because

NOTE Confidence: 0.831268441428571

00:35:38.041 --> 00:35:41.249 I I had also applied at you know

NOTE Confidence: 0.831268441428571

00:35:41.249 --> 00:35:44.156 like as a backup or as a backup.

NOTE Confidence: 0.831268441428571

00:35:44.160 --> 00:35:47.624 I had also that offers from other places,

NOTE Confidence: 0.831268441428571

00:35:47.624 --> 00:35:51.488 but yeah, so I believe for me

NOTE Confidence: 0.831268441428571

00:35:51.488 --> 00:35:55.468 after so spring break interview two

NOTE Confidence: 0.831268441428571

00:35:55.468 --> 00:35:58.450 weeks the decision then two weeks

NOTE Confidence: 0.831268441428571

00:35:58.537 --> 00:36:01.080 I had to make add it. Ygh.

NOTE Confidence: 0.831268441428571

00:36:01.080 --> 00:36:04.600 Know whether I'm accepting the offer or not.

NOTE Confidence: 0.84422578

00:36:09.280 --> 00:36:10.480 Right. Thank you.

NOTE Confidence: 0.9614414

00:36:13.040 --> 00:36:13.130 What

NOTE Confidence: 0.95500058

00:36:16.870 --> 00:36:19.002 else? Anything else on

NOTE Confidence: 0.95500058

00:36:19.002 --> 00:36:21.630 people's mind. Hi Sohani. Hi

NOTE Confidence: 0.96888295

00:36:22.160 --> 00:36:25.839 I have a quick question. This is for

NOTE Confidence: 0.96888295

00:36:25.840 --> 00:36:28.440 the nursing school students right?

NOTE Confidence: 0.96888295

00:36:28.440 --> 00:36:30.952 Is it possible, and I apologize if I

NOTE Confidence: 0.96888295

00:36:30.952 --> 00:36:33.357 skip this part or missed this part,

NOTE Confidence: 0.96888295

00:36:33.360 --> 00:36:37.240 but is it possible for students to

NOTE Confidence: 0.96888295

00:36:37.240 --> 00:36:39.904 sort of defer their internship to

NOTE Confidence: 0.96888295

00:36:39.904 --> 00:36:42.334 the next year considering, you know,

NOTE Confidence: 0.96888295

00:36:42.334 --> 00:36:44.296 nursing school has some of them
NOTE Confidence: 0.96888295

00:36:44.296 --> 00:36:46.600 have like a three-year program
NOTE Confidence: 0.8999135425

00:36:46.600 --> 00:36:48.800 here at nursing school. So if they apply
NOTE Confidence: 0.95692971

00:36:48.800 --> 00:36:53.560 in the first year, can they sort of do
NOTE Confidence: 0.95692971

00:36:53.560 --> 00:36:56.261 like be on the wait list for the and
NOTE Confidence: 0.95692971

00:36:56.261 --> 00:36:58.610 then in the next year sort of go ahead
NOTE Confidence: 0.95692971

00:36:58.676 --> 00:37:00.799 with the internship? Is that doable?
NOTE Confidence: 0.884133724

00:37:01.880 --> 00:37:03.680 That's a very interesting question.
NOTE Confidence: 0.884133724

00:37:03.680 --> 00:37:06.760 So hi, We've never had that situation.
NOTE Confidence: 0.884133724

00:37:06.760 --> 00:37:09.118 The only reason, the one reason,
NOTE Confidence: 0.884133724

00:37:09.120 --> 00:37:12.468 the main reason it gives me pause to defer
NOTE Confidence: 0.884133724

00:37:12.468 --> 00:37:16.190 is because essentially each year in some
NOTE Confidence: 0.884133724

00:37:16.190 --> 00:37:19.235 cases the placements have stayed the same,
NOTE Confidence: 0.884133724

00:37:19.240 --> 00:37:20.986 but in many ways they also
NOTE Confidence: 0.884133724

00:37:20.986 --> 00:37:22.720 kind of evolved and changed.
NOTE Confidence: 0.884133724

00:37:22.720 --> 00:37:25.226 And actually the placements with Zara at

NOTE Confidence: 0.884133724

00:37:25.226 --> 00:37:28.197 the World Bank very much remind me of that.

NOTE Confidence: 0.884133724

00:37:28.200 --> 00:37:30.450 And because they, the placements are

NOTE Confidence: 0.884133724

00:37:30.450 --> 00:37:32.426 very responsive to current priorities

NOTE Confidence: 0.884133724

00:37:32.426 --> 00:37:34.880 and projects that they're focused on.

NOTE Confidence: 0.884133724

00:37:34.880 --> 00:37:37.197 So like the nature of the work,

NOTE Confidence: 0.884133724

00:37:37.200 --> 00:37:38.740 like the type of work you might

NOTE Confidence: 0.884133724

00:37:38.740 --> 00:37:40.120 be doing is very similar,

NOTE Confidence: 0.884133724

00:37:40.120 --> 00:37:42.076 but the nature of the changes.

NOTE Confidence: 0.884133724

00:37:42.080 --> 00:37:45.072 So, So I I honestly,

NOTE Confidence: 0.884133724

00:37:45.072 --> 00:37:46.800 I don't know if you can,

NOTE Confidence: 0.884133724

00:37:46.800 --> 00:37:48.474 I mean we've never had that situation of hey,

NOTE Confidence: 0.884133724

00:37:48.480 --> 00:37:50.195 we have this great, can they defer.

NOTE Confidence: 0.884133724

00:37:50.200 --> 00:37:52.296 It's almost like well if if you can't

NOTE Confidence: 0.884133724

00:37:52.296 --> 00:37:54.476 do it for this year just reapply

NOTE Confidence: 0.884133724

00:37:54.476 --> 00:37:57.040 again next year and and and you know

NOTE Confidence: 0.884133724

00:37:57.040 --> 00:37:59.280 see how what the process unfolds.
NOTE Confidence: 0.927776675

00:38:00.960 --> 00:38:04.040 OK, that makes sense. Thank you.
NOTE Confidence: 0.859969410666667

00:38:04.800 --> 00:38:07.341 Sure. Thanks for being here to represent
NOTE Confidence: 0.859969410666667

00:38:07.341 --> 00:38:10.039 your your students at the School of Nursing.
NOTE Confidence: 0.699473854

00:38:10.520 --> 00:38:11.800 Yeah, I'm I'm happy to.
NOTE Confidence: 0.699473854

00:38:11.800 --> 00:38:13.200 I know there is interest,
NOTE Confidence: 0.699473854

00:38:13.200 --> 00:38:15.280 a lot of interest here.
NOTE Confidence: 0.699473854

00:38:15.280 --> 00:38:17.758 Unfortunately it falls within class time
NOTE Confidence: 0.833953971111111

00:38:17.760 --> 00:38:19.092 frames. So a lot of them
NOTE Confidence: 0.833953971111111

00:38:19.092 --> 00:38:20.200 couldn't make it, but yeah,
NOTE Confidence: 0.851587385

00:38:20.640 --> 00:38:21.800 yeah, but I'm glad.
NOTE Confidence: 0.636417618

00:38:22.400 --> 00:38:24.192 Well, we have you know like as
NOTE Confidence: 0.636417618

00:38:24.192 --> 00:38:25.696 I noted we we're recording.
NOTE Confidence: 0.636417618

00:38:25.696 --> 00:38:28.078 But you know, and certainly for all of you,
NOTE Confidence: 0.636417618

00:38:28.080 --> 00:38:29.976 feel free to e-mail me afterwards
NOTE Confidence: 0.636417618

00:38:29.976 --> 00:38:31.820 with any questions that you might

NOTE Confidence: 0.636417618

00:38:31.820 --> 00:38:34.117 have that that we did get to discuss.

NOTE Confidence: 0.636417618

00:38:34.120 --> 00:38:37.200 Sounds good. Thanks.

NOTE Confidence: 0.835119239090909

00:38:37.200 --> 00:38:38.880 So honey, I just just to

NOTE Confidence: 0.835119239090909

00:38:38.880 --> 00:38:40.480 add on that real quick.

NOTE Confidence: 0.835119239090909

00:38:40.480 --> 00:38:42.748 I can give you an I guess an example

NOTE Confidence: 0.835119239090909

00:38:42.748 --> 00:38:45.036 from my experience at the World Bank.

NOTE Confidence: 0.835119239090909

00:38:45.040 --> 00:38:46.440 Even though I was working

NOTE Confidence: 0.835119239090909

00:38:46.440 --> 00:38:47.840 on a climate and health,

NOTE Confidence: 0.835119239090909

00:38:47.840 --> 00:38:50.180 there are times at that department

NOTE Confidence: 0.835119239090909

00:38:50.180 --> 00:38:52.684 needed because I arrived in June and

NOTE Confidence: 0.835119239090909

00:38:52.684 --> 00:38:55.120 it was towards the end of fiscal year.

NOTE Confidence: 0.835119239090909

00:38:55.120 --> 00:38:56.560 So everyone was you know,

NOTE Confidence: 0.835119239090909

00:38:56.560 --> 00:38:59.392 like it was like go time and there

NOTE Confidence: 0.835119239090909

00:38:59.392 --> 00:39:02.608 are times I was pulled away from the

NOTE Confidence: 0.835119239090909

00:39:02.608 --> 00:39:05.350 climate and health work and to go

NOTE Confidence: 0.835119239090909

00:39:05.350 --> 00:39:07.732 support the like like the health and
NOTE Confidence: 0.835119239090909

00:39:07.732 --> 00:39:09.730 nutrition or some other work that
NOTE Confidence: 0.835119239090909

00:39:09.794 --> 00:39:11.864 like my supervisor Zara Shuba was
NOTE Confidence: 0.835119239090909

00:39:11.864 --> 00:39:14.414 working on like in Saudi Arabia on a
NOTE Confidence: 0.835119239090909

00:39:14.414 --> 00:39:16.280 physical activity and things like that.
NOTE Confidence: 0.835119239090909

00:39:16.280 --> 00:39:19.031 So even though you might go into
NOTE Confidence: 0.835119239090909

00:39:19.031 --> 00:39:20.880 the organization and like oh,
NOTE Confidence: 0.835119239090909

00:39:20.880 --> 00:39:22.776 this is the task that you are going
NOTE Confidence: 0.835119239090909

00:39:22.776 --> 00:39:24.570 to with an idea of what you're
NOTE Confidence: 0.835119239090909

00:39:24.570 --> 00:39:25.835 going to be working on,
NOTE Confidence: 0.835119239090909

00:39:25.840 --> 00:39:27.460 you can also vary depending
NOTE Confidence: 0.835119239090909

00:39:27.460 --> 00:39:29.080 on like like Mike said,
NOTE Confidence: 0.835119239090909

00:39:29.080 --> 00:39:31.756 depending on what their priorities are.
NOTE Confidence: 0.835119239090909

00:39:31.760 --> 00:39:34.800 And and that was like an example of,
NOTE Confidence: 0.835119239090909

00:39:34.800 --> 00:39:38.724 of where I was put away to support other
NOTE Confidence: 0.835119239090909

00:39:38.724 --> 00:39:41.112 department during during my internship.

NOTE Confidence: 0.835119239090909
00:39:41.112 --> 00:39:42.372 No, that's fascinating.
NOTE Confidence: 0.835119239090909
00:39:42.372 --> 00:39:43.144 You know,
NOTE Confidence: 0.835119239090909
00:39:43.144 --> 00:39:45.936 it's always so great that you can do
NOTE Confidence: 0.835119239090909
00:39:45.936 --> 00:39:48.280 multiple things within the organizations.
NOTE Confidence: 0.835119239090909
00:39:48.280 --> 00:39:49.440 Yes, yes, yes.
NOTE Confidence: 0.835119239090909
00:39:49.440 --> 00:39:52.600 And which is why I say like be flexible,
NOTE Confidence: 0.835119239090909
00:39:52.600 --> 00:39:53.480 be organized.
NOTE Confidence: 0.835119239090909
00:39:53.480 --> 00:39:56.120 And I also advocate for yourself.
NOTE Confidence: 0.835119239090909
00:39:56.120 --> 00:39:57.452 I my supervisors,
NOTE Confidence: 0.835119239090909
00:39:57.452 --> 00:40:01.120 I don't know that even though I was
NOTE Confidence: 0.835119239090909
00:40:01.120 --> 00:40:03.620 interested in climate and health
NOTE Confidence: 0.835119239090909
00:40:03.620 --> 00:40:05.720 system adaptation and things like that,
NOTE Confidence: 0.835119239090909
00:40:05.720 --> 00:40:06.334 but also.
NOTE Confidence: 0.835119239090909
00:40:06.334 --> 00:40:08.483 I wanted it to learn from other
NOTE Confidence: 0.835119239090909
00:40:08.483 --> 00:40:10.158 department and see how that work.
NOTE Confidence: 0.835119239090909

00:40:10.160 --> 00:40:12.488 You know like the whole the because they

NOTE Confidence: 0.835119239090909

00:40:12.488 --> 00:40:14.649 they work for the whole department and

NOTE Confidence: 0.835119239090909

00:40:14.649 --> 00:40:17.040 like speaks it all fits into you know,

NOTE Confidence: 0.835119239090909

00:40:17.040 --> 00:40:17.360 itself.

NOTE Confidence: 0.835119239090909

00:40:17.360 --> 00:40:19.600 So I it wasn't only for the

NOTE Confidence: 0.835119239090909

00:40:19.600 --> 00:40:21.824 climate and health I had also

NOTE Confidence: 0.835119239090909

00:40:21.824 --> 00:40:23.714 expressed interest that I'll do.

NOTE Confidence: 0.835119239090909

00:40:23.720 --> 00:40:26.280 I want to learn from her colleagues also

NOTE Confidence: 0.835119239090909

00:40:26.280 --> 00:40:28.876 you know like if I met someone during,

NOTE Confidence: 0.835119239090909

00:40:28.880 --> 00:40:30.920 you know the meeting or in the elevator,

NOTE Confidence: 0.835119239090909

00:40:30.920 --> 00:40:32.120 I'll ask them what are they

NOTE Confidence: 0.835119239090909

00:40:32.120 --> 00:40:33.292 doing and they're like, Oh yeah,

NOTE Confidence: 0.835119239090909

00:40:33.292 --> 00:40:34.036 I can you know.

NOTE Confidence: 0.835119239090909

00:40:34.040 --> 00:40:36.596 And I talked to my supervisor

NOTE Confidence: 0.835119239090909

00:40:36.600 --> 00:40:38.436 and express interest as I called.

NOTE Confidence: 0.835119239090909

00:40:38.440 --> 00:40:40.636 I am also interested in development.

NOTE Confidence: 0.835119239090909
00:40:40.640 --> 00:40:43.280 I'm also interested in nutrition
NOTE Confidence: 0.835119239090909
00:40:43.280 --> 00:40:44.680 and other projects as well.
NOTE Confidence: 0.835119239090909
00:40:44.680 --> 00:40:46.856 And I would love to see how it
NOTE Confidence: 0.835119239090909
00:40:46.856 --> 00:40:49.032 all fits in into the the the goal
NOTE Confidence: 0.835119239090909
00:40:49.032 --> 00:40:50.880 of the World Bank into the goal
NOTE Confidence: 0.835119239090909
00:40:50.940 --> 00:40:53.070 of supporting health systems and
NOTE Confidence: 0.835119239090909
00:40:53.070 --> 00:40:55.200 adaptation in middle income countries.
NOTE Confidence: 0.835119239090909
00:40:55.200 --> 00:40:55.320 If I
NOTE Confidence: 0.631341628333333
00:40:56.760 --> 00:41:00.466 can just add on to to Josie Ann's
NOTE Confidence: 0.631341628333333
00:41:00.466 --> 00:41:04.477 comments there on kind of flexibility and,
NOTE Confidence: 0.631341628333333
00:41:04.480 --> 00:41:07.640 you know, further opportunity.
NOTE Confidence: 0.631341628333333
00:41:07.640 --> 00:41:09.680 This past summer, Josie Ann's
NOTE Confidence: 0.631341628333333
00:41:09.680 --> 00:41:11.312 colleagues Mohammed and Natalia,
NOTE Confidence: 0.631341628333333
00:41:11.320 --> 00:41:13.595 who were at UNICEF actually
NOTE Confidence: 0.631341628333333
00:41:13.595 --> 00:41:16.595 had an opportunity to to travel
NOTE Confidence: 0.631341628333333

00:41:16.595 --> 00:41:19.320 to UNICEF sites in Belize.
NOTE Confidence: 0.631341628333333
00:41:19.320 --> 00:41:20.846 And I can't, I can't remember the
NOTE Confidence: 0.631341628333333
00:41:20.846 --> 00:41:22.356 other country off the top of my head,
NOTE Confidence: 0.631341628333333
00:41:22.360 --> 00:41:25.517 But interesting based off of that experience,
NOTE Confidence: 0.631341628333333
00:41:25.520 --> 00:41:28.052 now we have 2 specific opportunities
NOTE Confidence: 0.631341628333333
00:41:28.052 --> 00:41:29.318 with regional office.
NOTE Confidence: 0.631341628333333
00:41:29.320 --> 00:41:31.320 Yeah, the the Latin American
NOTE Confidence: 0.631341628333333
00:41:31.320 --> 00:41:32.520 Caribbean regional office.
NOTE Confidence: 0.631341628333333
00:41:32.520 --> 00:41:35.568 So and I'm sure there's other stories
NOTE Confidence: 0.631341628333333
00:41:35.568 --> 00:41:37.128 of how students that, you know,
NOTE Confidence: 0.631341628333333
00:41:37.128 --> 00:41:39.116 this was kind of their base responsibility,
NOTE Confidence: 0.631341628333333
00:41:39.120 --> 00:41:39.425 but.
NOTE Confidence: 0.631341628333333
00:41:39.425 --> 00:41:41.560 But other opportunities came up as well.
NOTE Confidence: 0.80336926
00:41:42.400 --> 00:41:45.240 Yes, yes. And I can add on that.
NOTE Confidence: 0.80336926
00:41:45.240 --> 00:41:47.076 So I don't want to take too much time.
NOTE Confidence: 0.80336926
00:41:47.080 --> 00:41:50.376 But yeah, so for for me and that

NOTE Confidence: 0.80336926

00:41:50.376 --> 00:41:52.837 federal charity we are working on,

NOTE Confidence: 0.80336926

00:41:52.840 --> 00:41:53.746 the decision framework.

NOTE Confidence: 0.80336926

00:41:53.746 --> 00:41:56.800 It's kind of like it was the starting point.

NOTE Confidence: 0.80336926

00:41:56.800 --> 00:41:59.572 So we're part of foundation work and

NOTE Confidence: 0.80336926

00:41:59.572 --> 00:42:01.627 we actually expressed interest to

NOTE Confidence: 0.80336926

00:42:01.627 --> 00:42:04.399 our supervisors and that we wanted to

NOTE Confidence: 0.80336926

00:42:04.399 --> 00:42:06.671 continue working on and they were both

NOTE Confidence: 0.80336926

00:42:06.671 --> 00:42:09.320 to allow us to continue working on it.

NOTE Confidence: 0.80336926

00:42:09.320 --> 00:42:10.944 So to this day now,

NOTE Confidence: 0.80336926

00:42:10.944 --> 00:42:12.840 I'm still working on it on

NOTE Confidence: 0.80336926

00:42:12.921 --> 00:42:14.319 a consulting basis.

NOTE Confidence: 0.80336926

00:42:14.320 --> 00:42:16.960 And so this is also another

NOTE Confidence: 0.80336926

00:42:16.960 --> 00:42:18.990 opportunity like to be able to

NOTE Confidence: 0.80336926

00:42:18.990 --> 00:42:21.148 see the way through and actually

NOTE Confidence: 0.80336926

00:42:21.148 --> 00:42:24.060 also maybe that can develop into

NOTE Confidence: 0.80336926

00:42:24.060 --> 00:42:25.996 like future opportunities for
NOTE Confidence: 0.80336926

00:42:26.000 --> 00:42:27.716 a job or something like that.
NOTE Confidence: 0.94205988

00:42:36.760 --> 00:42:38.480 Thank you for that applause there, Felicia.
NOTE Confidence: 0.862701318571429

00:42:40.840 --> 00:42:42.555 Any other questions that we could answer?
NOTE Confidence: 0.809462133333333

00:42:47.360 --> 00:42:48.560 So just one
NOTE Confidence: 0.900995560740741

00:42:48.560 --> 00:42:50.779 last question I have because like a
NOTE Confidence: 0.900995560740741

00:42:50.779 --> 00:42:53.073 lot of these global health institutions
NOTE Confidence: 0.900995560740741

00:42:53.073 --> 00:42:55.611 that we are partnering with right
NOTE Confidence: 0.900995560740741

00:42:55.611 --> 00:42:58.159 now are very like out of reach for,
NOTE Confidence: 0.900995560740741

00:42:58.160 --> 00:42:59.156 you know, a lot of people.
NOTE Confidence: 0.900995560740741

00:42:59.160 --> 00:43:01.320 It's like like like UNICEF.
NOTE Confidence: 0.900995560740741

00:43:01.320 --> 00:43:03.755 When would you like get to work with UNICEF?
NOTE Confidence: 0.900995560740741

00:43:03.755 --> 00:43:05.955 You know, it seems very out of reach,
NOTE Confidence: 0.900995560740741

00:43:05.960 --> 00:43:08.540 but then also quite intimidating because
NOTE Confidence: 0.900995560740741

00:43:08.540 --> 00:43:11.633 these are like huge global health
NOTE Confidence: 0.900995560740741

00:43:11.633 --> 00:43:13.885 organisations and the work they do

NOTE Confidence: 0.900995560740741

00:43:13.885 --> 00:43:16.400 seem like so important to World Peace.

NOTE Confidence: 0.868491353333333

00:43:18.760 --> 00:43:20.592 So I guess I'm just like what would

NOTE Confidence: 0.868491353333333

00:43:20.592 --> 00:43:22.437 be your advice and like you know,

NOTE Confidence: 0.868491353333333

00:43:22.440 --> 00:43:24.150 how we approach the application And

NOTE Confidence: 0.868491353333333

00:43:24.150 --> 00:43:26.319 just like this whole process in general,

NOTE Confidence: 0.868491353333333

00:43:26.320 --> 00:43:27.736 what are some of the questions that we

NOTE Confidence: 0.868491353333333

00:43:27.736 --> 00:43:29.199 should be thinking through for our own,

NOTE Confidence: 0.868491353333333

00:43:29.200 --> 00:43:31.320 like, you know, professional development

NOTE Confidence: 0.868491353333333

00:43:31.320 --> 00:43:33.440 as well as personal development?

NOTE Confidence: 0.868491353333333

00:43:33.440 --> 00:43:34.560 Because in the end,

NOTE Confidence: 0.868491353333333

00:43:34.560 --> 00:43:37.090 I think the goal of the fellowship is

NOTE Confidence: 0.868491353333333

00:43:37.090 --> 00:43:39.640 really to develop global health leaders.

NOTE Confidence: 0.868491353333333

00:43:39.640 --> 00:43:42.128 And so just how should we be like

NOTE Confidence: 0.868491353333333

00:43:42.128 --> 00:43:44.137 thinking through this and what mindset

NOTE Confidence: 0.868491353333333

00:43:44.137 --> 00:43:46.450 should we use to approach, you know,

NOTE Confidence: 0.868491353333333

00:43:46.450 --> 00:43:48.400 this whole process of our client?

NOTE Confidence: 0.707120061428571

00:43:49.520 --> 00:43:51.440 Can you share your own personal

NOTE Confidence: 0.707120061428571

00:43:51.440 --> 00:43:52.824 reflections? I think that would

NOTE Confidence: 0.707120061428571

00:43:52.824 --> 00:43:54.280 be that would be great. Yeah.

NOTE Confidence: 0.803478246666667

00:43:56.160 --> 00:43:59.960 So for me like I say, I think

NOTE Confidence: 0.90234767

00:44:02.640 --> 00:44:06.142 I want to say that I was don't be

NOTE Confidence: 0.90234767

00:44:06.142 --> 00:44:08.497 afraid to express your objectives

NOTE Confidence: 0.90234767

00:44:08.497 --> 00:44:11.920 but also to advocate for yourself.

NOTE Confidence: 0.90234767

00:44:11.920 --> 00:44:16.358 You know, like for me I was

NOTE Confidence: 0.90234767

00:44:16.360 --> 00:44:19.800 emphasizing on like jumping at

NOTE Confidence: 0.90234767

00:44:19.800 --> 00:44:22.552 the opportunity new challenges.

NOTE Confidence: 0.90234767

00:44:22.560 --> 00:44:25.476 I was a non student and I'm like non

NOTE Confidence: 0.90234767

00:44:25.476 --> 00:44:27.385 traditional student and I was not

NOTE Confidence: 0.90234767

00:44:27.385 --> 00:44:29.720 afraid to jump into new challenges.

NOTE Confidence: 0.90234767

00:44:29.720 --> 00:44:32.264 But I also, I was also looking for

NOTE Confidence: 0.90234767

00:44:32.264 --> 00:44:34.119 opportunity for leadership skills and

NOTE Confidence: 0.90234767

00:44:34.119 --> 00:44:36.793 I expressed that in my my application.

NOTE Confidence: 0.90234767

00:44:36.800 --> 00:44:39.278 I expressed that in my interview

NOTE Confidence: 0.90234767

00:44:39.280 --> 00:44:42.800 with my supervisors and with the YGH

NOTE Confidence: 0.90234767

00:44:42.800 --> 00:44:47.160 team as well and and also my values.

NOTE Confidence: 0.90234767

00:44:47.160 --> 00:44:50.120 You know, like for me I came from,

NOTE Confidence: 0.90234767

00:44:50.120 --> 00:44:51.520 I felt like, you know,

NOTE Confidence: 0.90234767

00:44:51.520 --> 00:44:53.720 like especially women and women

NOTE Confidence: 0.90234767

00:44:53.720 --> 00:44:56.480 of Cara in global health space,

NOTE Confidence: 0.90234767

00:44:56.480 --> 00:44:58.832 they are under presentative.

NOTE Confidence: 0.90234767

00:44:58.832 --> 00:45:00.596 They presented underrepresented.

NOTE Confidence: 0.90234767

00:45:00.600 --> 00:45:03.579 And so I also spoke on that and that

NOTE Confidence: 0.90234767

00:45:03.579 --> 00:45:06.683 was also another reason why I was

NOTE Confidence: 0.90234767

00:45:06.683 --> 00:45:09.394 interested in being this this space.

NOTE Confidence: 0.90234767

00:45:09.394 --> 00:45:12.593 And I I showed and spoke about

NOTE Confidence: 0.90234767

00:45:12.593 --> 00:45:15.039 the importance of that,

NOTE Confidence: 0.90234767

00:45:15.040 --> 00:45:17.800 how the presentation matter.

NOTE Confidence: 0.90234767

00:45:17.800 --> 00:45:20.110 And you know,

NOTE Confidence: 0.90234767

00:45:20.110 --> 00:45:22.680 like together with my experience my,

NOTE Confidence: 0.90234767

00:45:22.680 --> 00:45:24.702 you know from being in the

NOTE Confidence: 0.90234767

00:45:24.702 --> 00:45:26.759 refugee camp to being here ill.

NOTE Confidence: 0.90234767

00:45:26.760 --> 00:45:30.120 But also continue seeing seeing how

NOTE Confidence: 0.90234767

00:45:30.120 --> 00:45:31.632 some of the health challenges are

NOTE Confidence: 0.90234767

00:45:31.632 --> 00:45:33.397 experienced in the refugee camp to this day.

NOTE Confidence: 0.90234767

00:45:33.400 --> 00:45:35.656 They still you know like relevant

NOTE Confidence: 0.90234767

00:45:35.656 --> 00:45:38.316 and people are still dying from the

NOTE Confidence: 0.90234767

00:45:38.316 --> 00:45:40.894 same causes And so I spoke from I

NOTE Confidence: 0.90234767

00:45:40.894 --> 00:45:43.600 I was honest and I spoke you know,

NOTE Confidence: 0.90234767

00:45:43.600 --> 00:45:44.884 from my heart.

NOTE Confidence: 0.90234767

00:45:44.884 --> 00:45:47.452 I expressed my interest but also

NOTE Confidence: 0.90234767

00:45:47.452 --> 00:45:50.650 I also show them how this week

NOTE Confidence: 0.90234767

00:45:50.650 --> 00:45:53.680 and fits into my career goals.

NOTE Confidence: 0.90234767

00:45:53.680 --> 00:45:55.840 So I'll say you know,

NOTE Confidence: 0.90234767

00:45:55.840 --> 00:45:59.270 like be honest and just you know

NOTE Confidence: 0.90234767

00:45:59.270 --> 00:46:02.691 like right from your heart and and

NOTE Confidence: 0.90234767

00:46:02.691 --> 00:46:05.157 also have an objective like why,

NOTE Confidence: 0.90234767

00:46:05.160 --> 00:46:08.954 why the leadership, why they were big,

NOTE Confidence: 0.90234767

00:46:08.960 --> 00:46:10.440 why climate in health.

NOTE Confidence: 0.90234767

00:46:10.440 --> 00:46:13.166 And so that that's what I did

NOTE Confidence: 0.90234767

00:46:13.166 --> 00:46:14.438 in my application.

NOTE Confidence: 0.73393618

00:46:16.760 --> 00:46:18.139 And I would just say I couldn't

NOTE Confidence: 0.73393618

00:46:18.139 --> 00:46:19.549 have said it any better than

NOTE Confidence: 0.73393618

00:46:19.549 --> 00:46:20.834 what Joshi Ann just described.

NOTE Confidence: 0.73393618

00:46:20.840 --> 00:46:23.192 And I think that that comes through

NOTE Confidence: 0.73393618

00:46:23.192 --> 00:46:25.958 in kind of that initial interview.

NOTE Confidence: 0.73393618

00:46:25.960 --> 00:46:27.772 I think that's very effective when

NOTE Confidence: 0.73393618

00:46:27.772 --> 00:46:29.341 you ultimately have an interview

NOTE Confidence: 0.73393618

00:46:29.341 --> 00:46:31.159 with the World Bank or UNICEF,
NOTE Confidence: 0.73393618

00:46:31.160 --> 00:46:32.352 whatever it might be.
NOTE Confidence: 0.73393618

00:46:32.352 --> 00:46:35.331 I think one of the things I hope one
NOTE Confidence: 0.73393618

00:46:35.331 --> 00:46:37.196 of the advantages fellowship program
NOTE Confidence: 0.73393618

00:46:37.200 --> 00:46:39.498 because these organisms are so big
NOTE Confidence: 0.73393618

00:46:39.498 --> 00:46:41.771 there's so many different programs and
NOTE Confidence: 0.73393618

00:46:41.771 --> 00:46:44.475 and everything that it it's just an Ave.
NOTE Confidence: 0.73393618

00:46:44.480 --> 00:46:46.736 to try to break that barrier a little
NOTE Confidence: 0.73393618

00:46:46.736 --> 00:46:49.410 bit so you can have access to the
NOTE Confidence: 0.73393618

00:46:49.410 --> 00:46:51.590 opportunity right and but I think at the
NOTE Confidence: 0.73393618

00:46:51.590 --> 00:46:54.050 end of the day Josie Ann is exactly right.
NOTE Confidence: 0.73393618

00:46:54.050 --> 00:46:57.020 You know you know why why do you want
NOTE Confidence: 0.73393618

00:46:57.020 --> 00:46:58.791 to do this what is your objective what
NOTE Confidence: 0.73393618

00:46:58.791 --> 00:47:00.919 are the different you know skills and
NOTE Confidence: 0.73393618

00:47:00.919 --> 00:47:02.559 experiences that you could bring to it.
NOTE Confidence: 0.73393618

00:47:02.560 --> 00:47:04.756 My experience has been is when,

NOTE Confidence: 0.73393618

00:47:04.760 --> 00:47:05.554 when, when,

NOTE Confidence: 0.73393618

00:47:05.554 --> 00:47:07.936 when candidates are very articulate on

NOTE Confidence: 0.73393618

00:47:07.936 --> 00:47:10.158 articulate on those kinds of points,

NOTE Confidence: 0.73393618

00:47:10.160 --> 00:47:11.600 Those are the most attractive candidates

NOTE Confidence: 0.73393618

00:47:11.600 --> 00:47:13.639 I think for the different organizations.

NOTE Confidence: 0.64774275

00:47:16.800 --> 00:47:16.960 Thank

NOTE Confidence: 0.9092943

00:47:19.920 --> 00:47:20.000 you.

NOTE Confidence: 0.78963803875

00:47:24.950 --> 00:47:26.450 All right. Anything,

NOTE Confidence: 0.78963803875

00:47:26.450 --> 00:47:28.950 anything else on people's minds

NOTE Confidence: 0.39732009

00:47:32.910 --> 00:47:33.708 not seeing any

NOTE Confidence: 0.746390206

00:47:34.190 --> 00:47:35.630 just get the application in.

NOTE Confidence: 0.561032427142857

00:47:36.710 --> 00:47:39.916 Yes. Yeah. Yeah. So application is live.

NOTE Confidence: 0.561032427142857

00:47:39.920 --> 00:47:41.880 Please get your application in.

NOTE Confidence: 0.561032427142857

00:47:41.880 --> 00:47:44.310 If you do have any questions you can feel

NOTE Confidence: 0.561032427142857

00:47:44.310 --> 00:47:46.998 free to reach out to me directly over e-mail.

NOTE Confidence: 0.561032427142857

00:47:47.000 --> 00:47:49.916 I'm happy to do my best to to respond.

NOTE Confidence: 0.561032427142857

00:47:49.920 --> 00:47:52.602 Josie Ann thanks for the offer to reach

NOTE Confidence: 0.561032427142857

00:47:52.602 --> 00:47:55.316 out if you if you want to get more

NOTE Confidence: 0.561032427142857

00:47:55.316 --> 00:47:57.626 of a personal perspective from Josie

NOTE Confidence: 0.561032427142857

00:47:57.626 --> 00:48:00.812 Ann in her experience and but again,

NOTE Confidence: 0.561032427142857

00:48:00.812 --> 00:48:03.640 thanks so much for your for your

NOTE Confidence: 0.561032427142857

00:48:03.735 --> 00:48:06.000 time for your interest as well.
